Members of the police, councils & neighbours of the now claimant all maliciously developed the Official Court Orders above as part of a corrupt conspiracy to illegal pursue the Now Claimant, as to stop him from serving evidence of corruption that they had all intentional committed.

This same case was continuously served in each application even aloe the Officials involved Knew it to be fraudulent & won in prior court cases.

The official persons involved refused to listen to any evidence presented to themselves from the now claimant and his legal teams and that also, of his support network.

The UK Time Limitation Period for an on the spot penalty fine for: -- Possess Controlled Drug - Class B - Cannabis/Cannabis Resin states the following. In the UK, if you're found with a Class B drug such as Cannabis/Cannabis Resin, the police can issue a warning or an on-the-spot fine of up to £901. If the Penalty Notice for Disorder (PND) is paid within 21 days (or other period if specified), then **No Further Action** will be taken and **No Criminal Record Will Exist**.

However, If you decide to dispute or contest the Penalty Notice for Disorder (PND) that you've received. In other words, if you believe that the PND was issued wrongly or unfairly, you have the right to challenge it WITHIN THE magistrates Courts and if found guilty so, for denying the offence it will result in a criminal record which may then afterwards be disclosed under an enhanced DBS/CBR check as a criminal conviction.

The UK Time Limitation Period for an on-the-spot penalty fine for: -- Possess

Controlled Drug - Class B - Cannabis/Cannabis Resin states the following.

In the UK, if you're found with a Class B drug such as Cannabis/Cannabis Resin, the police can issue a warning or an on-the-spot fine of up to £901.

If the Penalty Notice for Disorder (PND) is paid within 21 days (or other period if specified), then **No Further Action** will be taken and **No Criminal Record Will Exist**.

However, if you decide to dispute or contest the Penalty Notice for Disorder (PND) that you've received. In other words, if you believe that the PND was issued wrongly or unfairly, you have the right to challenge it WITHIN THE magistrates Courts and if found guilty so, for denying the offence it will result in a criminal record which may then afterwards be disclosed under an enhanced DBS/CBR check as a criminal conviction.

- This is because the offence involves non-compliance with a court order or legal requirement.
- However, please note that the exact categorization can vary depending on the specific circumstances and legal jurisdiction. Always consult with a legal professional for advice on specific cases.

The UK Time Limitation Period for an on-the-spot penalty fine for: -- Possess

Controlled Drug - Class B - Cannabis/Cannabis Resin states the following.

In the UK, if you're found with a Class B drug such as Cannabis/Cannabis Resin, the police can issue a warning or an on-the-spot fine of up to £901.

If the Penalty Notice for Disorder (PND) is paid within 21 days (or other period if specified), then **No Further Action** will be taken and **No Criminal Record Will Exist**.

However, if you decide to dispute or contest the Penalty Notice for Disorder (PND) that you've received. In other words, if you believe that the PND was issued wrongly or unfairly, you have the right to challenge it WITHIN THE magistrates Courts and if found guilty so, for denying the offence it will result in a criminal record which may then afterwards be disclosed under an enhanced DBS/CBR check as a criminal conviction.

The UK Time Limitation Period for an on-the-spot penalty fine for: -- Possess

Controlled Drug - Class B - Cannabis/Cannabis Resin states the following.

In the UK, if you're found with a Class B drug such as Cannabis/Cannabis Resin, the police can issue a warning or an on-the-spot fine of up to £901.

If the Penalty Notice for Disorder (PND) is paid within 21 days (or other period if specified), then **No Further Action** will be taken and **No Criminal Record Will Exist**.

However, if you decide to dispute or contest the Penalty Notice for Disorder (PND) that you've received. In other words, if you believe that the PND was issued wrongly or unfairly, you have the right to challenge it WITHIN THE magistrates Courts and if found guilty so, for denying the offence it will result in a criminal record which may then afterwards be disclosed under an enhanced DBS/CBR check as a criminal conviction.

End

This was at a nightclub in Stevenage that the Claimant and his friends went to and at the end of the night the Now Claimant went outside and sat in his car while waiting for his friends, when all of a sudden they and half of the night club came running out the front doors of the club to where his car was parked and he was sitting as they run to him the Now claimant released the boot hatch from inside the car and his friends took a chain out of the car. When police arrived, they see that this had happened and arrested the Now Claimant. At the police station a struggle occurred, and the now claimant hit the side of the police station window causing it to break.

This address is out of the 2017 Original Copy of the PNC Records you can open the word copy in the file and right click on some text and then go to Expand Collapse and move to Collapse all headings then press control F and put the For Arrest/Summons Ref above into the input filed, five search's will come up the forth has an address inside of it as above. Open Chrome as maps has the yellow man you can pull on to the streets. What you will notice is the door number does not exist on a rd. with the same name but there is a rd. that has a similar name next to Bernard Rd but that also does not have a number 9 on it. Therefore the conclusion is that the address is completely a fabricated address as is this case.

The Now claimant has no recollection whatsoever of being in this location in his life time.

Q

What Is the Max Payout For "Corruption" In the UK And Can You Also Provide Other Examples Like Fraud & Malicious Prosecution, Data Protection Act 1998,

A**Here are the maximum payouts for various violations in the UK:**

1. **Corruption:** The largest fine for corruption in the UK was £3.6 billion, which was imposed on Airbus in February 2020 by courts in the UK, US, and France¹². However, the exact amount can vary depending on the severity of the corruption and the decision of the court.
2. **Fraud:** The UK lost £1.2 billion to fraud in 2022, equivalent to £2,300 every minute³. Banks refunded about 59% of the losses from this type of fraud on a voluntary basis, amounting to £285.6 million of the £485.2 million stolen⁴. However, the maximum sentence for fraud is 10 years' imprisonment⁵.
3. **Malicious Prosecution:** Compensation for proven malicious prosecution cases in the UK starts at around £2,000 for a "basic prosecution" and can go up to £10,000 for a prosecution lasting up to two years in the Crown Court⁶⁷. There have been cases where claimants were awarded six-figure damages⁸.
4. **Data Protection Act 1998 Violation:** Under the Data Protection Act 1998, the Information Commissioners' Office (ICO) could only impose a monetary penalty of up to £500,000⁹¹⁰.

Please note that these figures are subject to change and can vary depending on the specifics of each case. It's always recommended to seek legal advice for the most accurate information.

The UK Time Limitation Period for an on-the-spot penalty fine for: -- Possess

Controlled Drug - Class B - Cannabis/Cannabis Resin states the following.

In the UK, if you're found with a Class B drug such as Cannabis/Cannabis Resin, the police can issue a warning or an on-the-spot fine of up to £901.

If the Penalty Notice for Disorder (PND) is paid within 21 days (or other period if specified), then **No Further Action** will be taken and **No Criminal Record Will Exist**.

However, if you decide to dispute or contest the Penalty Notice for Disorder (PND) that you've received. In other words, if you believe that the PND was issued wrongly or unfairly, you have the right to challenge it WITHIN THE magistrates Courts and if found guilty so, for denying the offence it will result in a criminal record which may then afterwards be disclosed under an enhanced DBS/CBR check as a criminal conviction.

The UK Time Limitation Period for an on-the-spot penalty fine for: -- Possess Controlled Drug - Class B - Cannabis/Cannabis Resin states the following.
In the UK, if you are found with a Class B drug such as Cannabis/Cannabis Resin, the police can issue a warning or an on-the-spot fine of up to £901.
If the Penalty Notice for Disorder (PND) is paid within 21 days (or other period if specified), then **No Further Action** will be taken and **No Criminal Record Will Exist**. However, if you decide to dispute or contest the Penalty Notice for Disorder (PND) that you have received. In other words, if you believe that the PND was issued wrongly or unfairly, you have the right to challenge it WITHIN THE magistrates Courts and if found guilty so, for denying the offence it will result in a criminal record which may then afterwards be disclosed under an enhanced DBS/CBR check as a criminal conviction.
