#### Explaining the working functions of this reports, Interlinking ID System.

In this reports ID format in the table below: Shows the accounts for any days that the Council and or Met-Police-Forces reasonable persons and or any other person's problems had a negative effect in my life, this also includes all of the disrepair problems, such as, the broken heating system and damp issue within my flat.

Some of the ID formats are also inclusive of additional questionnaires with questions, facts and or assumptions of relevance that are made towards the incident of relevance.

The added additional mentioned questionnaires are contained with Problem Statements, that have gotten marked with a \*7 and are as follows:
