Time: All-Day and All-Night whenever they knew that I was indoors!

The occupiers of 117 and 111 Continued to victimizing me by

Waking me up by stamping above my head!

Victimizing me by Banging above the Barth to which I get into, once they understand that I have stopped running the water for my bath to be ready, this is after they wait for any other tail, tail signs that I have gotten undressed and soaked within the water, creating a brutal attack against my person in their wrongful self-gains!

117 - 117 - Slamming their own living room, door closed!

Eavesdropping, / Listening to where I am in my home and then chasing me around into each room as listed, while banging on the floor with objects!

After the period of mutable complaint that I highlighted the correct attention needed to upkeep the maintenance of my property regarding the damp to the Enfield Council; they left most opportunities to rectify the issues as invalidated!

To explain that I got left Embarrassed because of their actions towards me is an understatement!

I tried to defend myself from them attacking me in a dignified manner with no submission towards justice getting accomplished!

This is not Noisy DIY at unsocial hours it is intentional inflection of torture!

stated that soon after he moved into his flat, he went around to SC's fiat to introduce himself. After he introduced himself, SC said to him that there is some kind of war going on between him and other neighbours. SC also told him that he's got a load of issues with the police and that he was trying to sue them because he felt that they were treating him unfairly. He told SC that he was a musician and that he does not want anything to do with his issues.

Straight after he moved in, SC will come up to his flat at least once a week to shout at him and complain about loud banging from his flat and knocking pipes. SC would accuse him of making noise on purpose to wind him up and he will always explain to him that it is not true, that he does not make any banging noises inside his flat and that he cannot explain why the pipes were making knocking noises.

Mr Quinton stated that on 4/10/16, he was sleeping when SC started to bang on his ceiling but he ignored him. SC then came up and started kicking at his door and he still ignored

him. SC then went downstairs, dragged Mr Quinton's motorbike from where he parked it, threw it on the ground and started to hit it with what he believed to be a mop pole, he is not sure how many times he hit it. He then called the police and they came and took him away, CAD No. 3309/4 Oct. 2016.

On 11/12/16, SC came up to his flat 3 times to shout abuse and complain about noise from his flat. Mr Quinton explained that the first time, he was running a bath when SC came and knocked on the door to complain about knocking pipes. He did not open the door and he shouted abuse at him and his friends and called them homophobic names. He later came back again to bang on his door and shout further abuse. He also made threatened him and his exact words are I'm off curfew in 12 days, when I'm, I am coming for you he shouted further abuse and walked off. Mr Quinton stated that he is not sure why he came back the second time but he assumed that it was because of the pipes again. He later came back again the third time and this time he opened the door because he has had enough. SC complained about noise from his flat and he told him that he was not making any noise. SC then went on to tell him that he has been away for a long time and that his family was coming to look after his dog. He asked SC if he knew anything about his bike and SC replied You know what, I'm a grown man I'm not goanna lie, it was me that smashed your bike and I was gutted that the stick broke and I couldn't smash it up more. He then asked SC about his tyres which was punctured with a knife and he denied cutting them. He then explained to SC that the knocking pipes has nothing to do with him and that he does not bang or make deliberate noise and he advised SC to play his music over the noise if it happens again as there is nothing he can do about the pipes and the noise as it is the nature of the building. SC said cool, fair enough and walked off and as he walked off, he turned around and gave him a dirty look.

About a week later, 2 of his friends left his flat and a short while later he heard SC running out of the front door. Soon after one of his friends called and told him that they have just had a confrontation with SC in the street.

His friend informed him that SC ran up to them in the street and confronted his friend Jazz about the knocking pipe noises from his fiat. Jazz told SC that it has nothing to do with him. SC then head-butted Jazz and as Jazz fell on the floor, SC jumped on top of him and started to punch him. His other friend Jevon who was with Jazz at the time pulled SC off Jazz and held him until 2 Turkish men came and separated them.

Mr Quinton stated that the police did not contact him to update him on what action was taken against SC regarding his smashed bike. He stated that he has recording of SC admitting to smashing up his bike and played the recording to me. Although it was very faint but you could make out what sounded like SC talking about smashing the bike. He stated that he wants to sue SC for criminal damage, he also wants to take out a restraining order against him and possibly an injunction.

He stated that his friends Simon Cocks (07393285528), Julian Jackson (07387277163) and Jazz Bramble (07375651241) are willing to provide witness statements and will attend court to give evidence on his behalf. He also wants us to find out why what action the police took regarding his smashed bike.

Dear

the meeting was held with people from the Housing Neighbourhood Team and the Community Safety Team I was not given any person's name just told it was an internal meeting, as I asked if I could attend seeing as they would be speaking about my son, due to it being an internal meeting I was told I could not attend so I asked if minutes could be taken so I could get the minutes in my subject access request.

Mr Mathiyalagan telephoned today to report an incident that happened at 6.21 pm on Saturday 21/1/17 when Mr Corded aggressively banged on his front door, swore and shouted abuse and threats at him and his wife and accused them of making noise. He stated that there was no noise in his flat at the time and that Mr Cordell is just picking on them. He stated that they were fed up of being picked on and wanted to know what the council is doing to stop Mr Cordell from harassing them. I informed him that I will discuss his reports with Mr Cordell and will ask him to stop knocking on his door and to report any noise disturbances to the council to deal with.

Dear Martin

As you know the case in **2013** when the police lied to KGM about my Son Simon Cordell, this case is still ongoing under complaint re the police officer. As part of their investigation they were meant to have contacted you to get a report of the 1st phone call that was made on that day which was to you by Simon where Simon passed his phone to the police officer for you to speak to and you told the police officer Simon was insured and the police officer never said anything about any tools. It was after this the police officer felt the need to contact KGM and say what he did to make Simon insurance void so he could do what he wanted. This was not done by the 1st investigation and a reinvestigation is now ongoing. I was wondering if you kept the audio of phone calls made to Broadsure and if so, could a copy be made of that call. If not, could you write something up so it could be passed to the investigating officer. As I sure notes should still be on file. If you could get back to me in regards to this I would be most grateful.

It is truly tragic that the Enfield Councils and the Enfield Homes inclusive of the Metropolitan's constabulary left the occupiers of 117 Burncroft Avenue without any form of support in regards to their Child's protection when I notified them of my concerns and video evidence of the legal guardians consecutive while amoral behaviour of criminal attempts, as for the child protection Act 1989 states that in section 27 of that act it requires all local authority as a must to assist in the protection of children, since the young child's birth the child legal no there and father have provoked a Critical emergency needed for the Mental stability of themselves to get questioned as for the complete absinth of the disregard for life itself, as the Article 2 of the human Right Act 1998 explains within its context, as I am Confident that the child is in danger alongside many of my other witness towards the child's legal guardians stability and Mental stability. Good Morning,

You are correct, I am to re-investigate the matter. I look forward to working with you to bring this matter to a satisfactory conclusion. Early in December I wrote to Mr Cordell though received no reply. I wrote to him again in early January though again received no reply. If you're dealing with this matter on his behalf then that explains it. Am I to? assume I'm to communicate with you going forward?

I've attached the letter I sent to Mr Cordell. I'd appreciate it if you could respond to my request at your earliest convenience. Any questions please do ask.

Kind regards

Speaker 3:	05:46	Hello. How are you doing? My asking you speaking again.
New Speaker:	05:48	My name is Luran
Speaker 3:	05:51	How are you doing Luran,.
New Speaker:	05:52	I'm I am just trying to get a case resolved that I've seem to have ongoing. There is a serious miscarriage of justice and it was, I'm can I give you the case number.

New Speaker:	06:03	Yes, please.
New Speaker:	06:03	Hey, how you doing? And the case number is A20150064
Speaker 3:	06:10	is thatA2.
New Speaker:	06:10	A for Alpha 201500 (500) 64.
Speaker 4:	06:22	Is that a Magistrates Court number, sorry? Sor have you got another number that begins with eight one or eight seven one seven
Speaker 5:	06:27	no, this was in Wood Green. No, I actually, this isn't the correct number. Can I give you my name and do it through the number because it changed for the appeal date? The case number did. So, can I give it to you for the Appeal please.
Speaker 4:	06:38	all right.
New Speaker:	06:39	My name.
New Speaker:	06:40	Have you been even to them? have you been to the magistrates court?
New Speaker:	06:42	Yeah.
Speaker 5:	06:43	I went to this magistrates court and when I went to this magistrates court, I kept. I went, I, I had a case put against me for the organization of a legal raves. So, it stated illegal inside of it, I never got arrested for the organization of illegal raves. So I think that was a serious miscarriage in justice, that I weren't arrested for something that was illegal Me and my barrister, come to court in Highbury and Islington and what we understood is that we was fighting against defending myself against the organization of illegal Raves, I copied the Facebook accounts of the people that I was being accused of being, which I still have here now. And I kept trying and I didn't want to submit them in to the, into the files until the Crown Prosecution file 2011 I requested for MG6 b or e in regards to all criminal prosecutions of all of the people that was dealing with me.
Speaker 5:	07:30	And there's a bloke called Robert Taylor who was the barrister. He falsified all of the paper. He was also under criminal investigation for another case for holding someone illegal. Now I have a court number here and is it, okay, if I give this to you with a pen and you have a pen.
New Speaker:	07:44	Yep.
New Speaker:	07:44	It's, it's called the clarity of Highbury Corner Court, magistrates commissioner of the place of Metropolitan 2007 1wlr1272 2006 ewhc 1869 and what that says is a case can't rely solely on hearsay and they agreed for that in Civil Litigation and criminal and also for Asbo's. And this happened in Highbury Corner Court. Now when I went to court, I noticed that each police officer had done four statements in a second perspective, pretending to be like Um, writing for the victims and there's no victims Signatures at the bottom of none of the victim's statements. So, I kept asking for the

	Speaker 4: 08:39 Speaker 5: 08:52 Speaker 5: 09:46	witnesses to attend court and no witnesses would attend to the Highbury and Islington Court. now. Ok, Sorry, just to stop you there. I'm not legally trained so I can only ask can only, I can only help you with some details of the case can I take your name and then I can look to see what's going I can look to see what's going on, ok. My name is Mr. Simon Paul. Cordell. My Christian name is Paul and my last surname is Cordell, C.O.R.D.E.L.L. Now being held illegally in my house. I've got a nine year. I've got five years for the injunction order itself that they put on me illegally when there's no victim statement or signatures. Everything was hearsay in the whole file. Yeah. Plus, on top of everything being hearsay all the timestamps to the 999 calls to the cads are wrong. Yeah. Plus, in inside the paperwork it says that white males and females commit the offense. Yeah. Now I'm an IC3 so I can't fit an Ic1 profile So, they knew it wasn't me. Now I've got these Facebook profiles here and I built a website called horrific corruption.com and I have put everything inside of it, that has happened. Made brand new pdf books for it all, I had 30 appeal dates. and 20 appeal dates at wood green crown court and Wood Green crown court failed me and my Human Rights as well as this court. You had no, there was no witnesses in the court and you were illegally holding me in my house. Now if I got arrested for the organization of illegal raves, I could get six months maximum sentence and do three months inside prison and three outsides. Now somehow I've got a standalone Asbo, not even a CBO, so it's not supposed to be a criminal prosecution under the Organization of Illegal Raves and somehow I got five years plus the two years for the injunction order, which makes seven years curfew plus on top of the seven year curfew, I've read a year for another case that I just won prior to that as well from the same court as here. So in total, I'm riding an eight year curfew now it says lady howl and Prince Philip, who are who do the supreme crown court in their film It says that they can't even detain a erm, detain somebody that's going to blow up this country for that long inside of a house, let alone somebody less dealing with a civil dispute over music. Yeah. Now I'm very upset that I'm being held illegally in my house right now and at this court's authorized for it all to happen. Yeah. I'm documenting my report down every single day and everything that's happened to me in the meantime from my impact statement, from my recovery of my damages, that I am suffering throughout and it's been a continuation of

		foul play or breaches, a process and a breach of trust under the criminal attempt Act. Yeah, that has been found. It's been played from this court now I would like to, I would like to call a statutory Duty in the court and no is now, and I'd like you to help me issue that if you'd be great, if you'd be kind enough to do so. And I would like to be able to call this back into the court as an EGM meeting an emergency application. I'd like you maybe now if you, OK, I can't do anything over the phone I'm afraid Yes, but can you put me onto the court manager? I don't have the power. Can you put me onto the court manager. we don't have one, they don't have the power for that. The Clark? Oh, they don't have the power for that. The Clark. Everything. Everything has to be submitted in writing to the court. Yes, I can. I can accept that everything has to be submitted but if I come to the court today year, or I come to the court tomorrow with my evidence that I've been set up by the judges in this court. In your courthouse. Yes. And that they understand the laws from the case number that I just gave you from 2006 that no case can rely solely on hearsay evidence without first hand witnesses. I requested the witnesses, I'm right. I shouldn't be riding a nine-year curfew if they didn't have enough for a criminal conviction in the beginning and to arrest me. Yeah. They shouldn't have. They shouldn't have given me nine years otherwise now on top of the nine years that I'm riding yeah. That I'm supposed to be riding, I'm not, I, I've, I understand that a standalone Asbo is not supposed to be a form of punishment, but I understand that I've got a 10 o'clock curfew and a curfew is used, people get that for early release from prison. Yeah. Early release from prison. It's a form of punishment. So how if they involve a stand, uh, uh, a curfew inside of a standalone Asbo if they didn't have enough for a criminal conviction and to follow after with a CBO Asbo. Yeah, I'm very upset with that. I'm being held in my house every day and I've got lots of other government members now. I've had another possession order put on me since then after that possession Order I have had an injunction order put on me then another injunction order and then another injunction order and all my neighbours attack me in my house continuously because to cover up the missing signatures I was phoning up all of the 999 call centres saying to

		them that you're missing your signatures and you're missing all this stuff. Then I was recording all the conversations, the minutes to the meetings cause you your, your, your, your servant for the full fall for the queen now and you're being paid a wage.
Speaker 5:	13:29	So this is classed as a meeting so I am aloud to take the recordings of these meetings in a digital format, I can give you the case number. So, I'm recording all these conversations and, and transcribed them up afterwards. You know, I made over a hundred phone calls to the court um, to the police station explaining to them about their missing signatures and about and requesting all the MG, all of the Crown prosecution 2011 files. I requested everything correctly and they've just they have just, they started to spread that I had a disease in the public to scare me out of the country. And, and I've never had nothing wrong with me. I've got all my medical notes and everything there to prove this, to cover up this case, now that I'm talking to you about, they, they use a use, my partner and me and my partner have never argued. She's not my partner no longer, but we never ever, ever argued throughout all of this happening. So, we've still got I've got emails of me and her talking till 2016 that we never argued. Yeah. And texts in my phone, I put into my report year, and we've never had it, me and her have never had a dispute. Then Sally Gilchrist, the head of the Metropolitan Police legal executive who was dealing with all of my cases and all the paperwork. She come to all your court, all the court cases. She, she started spreading all this stuff about my personal data and they've tried to attempt to put an attempt to murder me. Yeah. It's more than hate crime. Yeah, it's, it's an issue. They've tried to, to do that. There's a breach of our personal data in the beginning and it was an attempt to cover up what's going on. In this case, this court has turned.
New Speaker:	14:53	Ok.
New Speaker:	14:53	This court has turned its phones off for how long.
New Speaker:	14:56	Mr. Cordell.
New Speaker:	14:56	Can we call this back into the court please?
Speaker 4:	14:59	Sorry, I can try and put you through, but there's no guarantee that I think that someone will answer pick up the phone
Speaker 5:	15:05	How long has these court numbers,.
New Speaker:	15:07	I accept that
Speaker 4:	15:08	We are very busy at the moment.
Speaker 5:	15:09	It's an emergency. Meeting,
Speaker 4:	15:11	We've only taken over the calls for Highbury, within the last six months.
New Speaker:	15:15	Year because Highbury.
New Speaker:	15:15	we deal with all the calls.

New Speaker:	15:21	How long, Go on sorry.
New Speaker:	15:21	We deal with all the courts for every magistrate court in London, so we've taken over their calls where we're an outsource call centre. We're not based in Highbury Magistrates Court. We're not based in any magistrate's court
Speaker 5:	15:29	Because they turned their phone lines because I was phoning them about all of this and recording it in the beginning. I except that.
New Speaker:	15:35	ok, So,.
New Speaker:	15:35	So, now. I know that. Okay. Okay. Like I except that I can understand what you're saying. Thank you for explaining that to me.
Speaker 4:	15:40	So, what I'm advising, what I'm saying as well, what I'm advising you to do. If you want. Any application you have, any application you have to make to the court has to be made in my writing. That's the only that the best you have to go before the legal advisors. It's not down to the court managers whether they can accept the hearing. They have to go before someone that is legally trained in the court.
Speaker 5:	15:57	I Except that this is how I use, I've got the contract that use lot have got now, because I was recording the conversations and over what I'm just explained to you and what they've done to me and my partner to cover all of this up and that why now they turned the phones off to the courtroom and now today I phoned for the first time in ages to check because I've been dealing with these other possession orders and an injunction orders that I have had overturned and I noticed it was back on. So, I'm thinking I'm going through to the court and that's why I've been a bit more so if I've been, if I've been more than what I was when your job's worth, I apologize to you for that.
New Speaker:	16:29	So, what I will do if you can just hold the line for a second for me please.
Speaker 4:	16:30	I will, I'll do that cause he just hold the line for me. I'll see if I can put you through, if I can't put you through, I'll come back to you. And as I said, I can't, I can't, visicley can't do anything, but you need to send something in writing to the court. If you want to go down to the court you can do. But you have to go down when the public councils open. but I can't, there is no guarantee that I can put you through to someone because they are very busy. Can you just hold the line for one second for me? You'll hear some music and I'll just see what's going on. Okay, thank you.
New Speaker:	16:56	Thank you.
Speaker 6:	17:49	Right, thank you.
Speaker 5:	19:24	Hello.
New Speaker:	19:25	Hello, Highbury Corner Court how can I help you.

New Speaker:	19:25	Hello, can I just go through a case with you? So, may I ask who I' am speaking to?
Speaker 7:	19:30	Miss Mill's,.
New Speaker:	19:30	Miss Mill's I am the customer service.
New Speaker:	19:31	How are you doing Ms. Mills? My name is Mr. Simon Cordell.
New Speaker:	19:34	Hmm, Hmm.
Speaker 5:	19:36	and I have an issue with the court and a miscarriage of justice as the court is illegally detaining me in my house at present and it's an emergency. Matter, that I would like to be able to call back before the court, Hm, a load of police officers fraudulently built an application in Highbury and Islington Court and we'll out of it and brought, well presented it into Highbury and Islington Court. There were no witnesses that attended the court. And I've gone over the paperwork. It basically says is what it's basically says to the organization of illegal raves. I never got arrested for anything that was illegal. The maximum sentence if you did get arrested it would be six months, do three month's insides. Somehow, they put a standalone as Asbo against me, which is for non-criminal offense I went to court to defend myself against the claim, which was the organization of illegal raves. They couldn't prove illegality in the court, but somehow, I've ended up with a five-year curfew and two years for the injunction order, which is seven years plus. I've ridden a year for another case which I one, which is eight years of my life. I'm on curfew right now.
Speaker 7:	20:38	Have you emailed the court,
Speaker 5:	20:40	I've spoken to, I spoke to the court on numerous occasions in regards to it, but at the time the court, so what was, what was you advised.
Speaker 7:	20:45	my advice, was at the time, we just.
Speaker 5:	20:47	No, what was the deal? What was the advice given to you?
New Speaker:	20:49	at the time was to go through to go through the appeal stages? So, I took it to wood green crown court and I went through the approval stages and we had 20 different dates in the crown court. I still never at the end of it all managed to actually have a trial in regards to my claims. They just kept trying to say, oh, I'm going crazy. And I kept winning by the doctors and proving there was nothing wrong with me. What each police officer actually done is they, they pretended that um, say, you've got, say there was two parties on two roads that are half a mile away from each other. The police knew that one party was going on for six months prior. Now that, that that was one had been going on six months prior is opposite a police No, opposite of a train station.
Speaker 5:	20:52	

Speaker 5:	21:32	Now another party, got closed down in Essex and because it, I wasn't involved in none of this, I was in my house. Yeah. And that's the truth. Because the other party, got closed down in Essex, a police officer called Adrian combs, landed in the field and spoke to the people and served them in abatement notice, which I have a copy of here now, which he says he served Chris lurcher Lewis. Yeah. And he owns Hippie Fest Party, which I'm being accused for now. Straight after that, the police, this police officer, sent them Metropolitan Police to Chris lurchers profile and they took his profile out of it because his white and put mine in it and then they scribbled all over it. I'm a black boy on the block all in the application. Now I noticed year, that all of the 999 call all of the CAD calls the timestamps go backwards and forwards for it.
Speaker 5:	22:19	So I know noticed that um, they, they're all for progress way. So, because they are all for progress way, which is this, which is the other party to where the boy moved to. So now what the police done is they took all the crown road parties and put them into the folder and redacted most of the crown road name out of there and pretended that they were progress way so they made up the 999 calls for this other building and used another party that was going on that day, but they forgot to take out the x 2 y locations. And on some of the pages they forgot to take out crown road. Now when I asked, when asked under oath if they're sure that every party in that folder is actually progress way, they swear under oath in your court in that courthouse. Now I've got the transcripts here that approve that, but now I've done my homework. You can see they're all really crown road and there really was no call's to progress way, which they've sent me up. Now they have each done four statements each and at the bottom of their statements. Therefore, therefore the members of the public that are supposed to be kept up overnight, that's what this is all about. None of them have put their statements, their signature at the bottom of them. So, there's each four police.
Speaker 7:	23:23	Hello, can I. Hello Mr. Cordell. I know that you are explaining to me and I'm working in the customer service department, right? What you're telling me, um, what is it you exactly want that I can transfer you.
New Speaker:	23:32	I need.
New Speaker:	23:32	Because I've got quite a few calls coming through
Speaker 5:	23:36	I need to be able to get back, I'm illegally being detained in my house right now. Supposed to ride another two and a half years illegally being detained in my house. I like to call an emergency

		application back into the court, a Stationary Declaration of notice.
Speaker 7:	23:48	well you need to email us with that. Um, you, have you got our email address.
Speaker 5:	23:53	I've, I've w I've got an email for the court.
Speaker 7:	23:57	Yeah. have you got the new, the new one the London north mc@justice.gov.UK?
New Speaker:	24:04	London north.
New Speaker:	24:04	Because, we changed up our email address.
Speaker 5:	24:07	Yeah, because now all the phone numbers because I was making lots of recordings.
New Speaker:	24:10	Let me finish.

Speaker 7:	24:22	London North MC @justice.gov.uk.
New Speaker:	24:27	Ok. I have got that already. but can I not have.
New Speaker:	24:27	Hold on, hold on because what I'm trying to explain to you is that we. because we don't do thing over the phone now, thing have all change up. So, what you just told me, so you could just put it in an email,
New Speaker:	24:40	Can I not just come into the courthouse itself.
New Speaker:	24:41	No, it's not like that. Everything's all changed up now.
Speaker 5:	24:46	I got an official report here, which is thousands of pages and I can't send that to yourselves.
New Speaker:	24:50	Yes but I know, but you need to do it
Speaker 7:	24:50	Yes but I know, but you need to do it, before you come up, we cannot deal with anything because everything is done by appointments. So, this is what I'm trying to explain to you.
New Speaker:	24:59	Yeah, I am listening to you.
New Speaker:	24:59	If he can just, if you just email and everything what you just said to me.
New Speaker:	25:04	Yeah.

		But you just have to bear with us throughout because we are a bit shorter staff. It's coming up to the summer holidays. I know that shouldn't be a problem. You know, it shouldn't be a problem.
Speaker 5:	25:23	I'm illegally detained in my house and I can't go out because of the police officers that have set me up for this.
New Speaker:	25:30	I know. I hear you; I hear you.
New Speaker:	25:30	Yeah, I followed them up and I'd been making phone calls.
New Speaker:	25:32	Mr. Cordell.
New Speaker:	25:32	May, I say something to you madam, I know you've listened to a lot. Yeah. Madam and I appreciate your time so far and I know you are an important lady and that you need to help a lot of

		other people. But in true in all truth, I was speaking to the court's making recordings and they turned off their whole phones to the whole court just to avoid this case. Yeah, now, they've just been turned back on. That's why the court phones got turned off. I've got hundreds of recordings explaining this and going through the, I've got formal complaints in regards to, I do understand. they say that I'm a, white person in the paperwork? It says that I'm a white people. White females or males committed the crime. I'm an IR3 black 3.

New Speaker:	25:59	
New Speaker:	25:59

Yeah, but that's what I'm saying there all in court now it's half past two. It's an emergency. Matter it a tier one level offence. We do not deal with things like that. Year, but there is corruption within your offices. There's is corruption within there and it's an emergency application. If, if I'm telling you that I'm illegally being detained, I can prove that right now. Hello, Mr. Cordell are you going to listen to me? Yeah. To get you sorted and to help your situation. I do not want to give you false information. Yeah, and I respect that. and when you come here or say anything, it's not going to be dealt with they need to look through your paperwork, discuss it and take it from there. They might have to have an appointment and its down to them whether or not if you have an appointment or they class this as an emergency. You need to do everything by email. Everything has changed from the last time you've come here or attended court. This is the procedures and that's why I'm trouble. How long does it take for the, what is the, um, the response time for an email served to the court. What is the mandatory time frame? its normally between, Seven, seven days. But as I said to you earlier, Ron. there is a hold back. put on router, a rotter on emails is coming up to this time of the year. Now people are taking their annual leave. Okay. Re: Low water pressure to 117 Burncroft Avenue

Subject: [SEC=OFFICIAL]

Ref: 117 Burncroft Ave, Enfield, EN3 7JQ low water pressure - harassment by tenant at 109

Thurs 26/01/2017 - While in attendance at 117 Burncroft, where we were attempting to resolve a low water pressure issue, we were approached by the tenant of 109 Burncroft the ground floor flat. He stated that there were problems between him and the tenants of 117 without going into specific details. I was with a private plumber who was looking at the low water pressure problem at 117. We explained the problem to the tenant from 109 who stated 'you will riot solve the problem as I am restricting their water supply!' obviously both myself and the plumber were shocked at this statement. Despite thorough investigation to the low water pressure problem we were unable to increase the pressure. However, before leaving the site I knocked at 109 asking whether he would increase their pressure, he stated 'I cannot do anything at the moment I will sort it out later! Despite the attendance of Thames Water (twice), the agent's plumber, my plumber and various sub-contractors from Enfield Homes this matter remains unresolved.

Dear Jamie Newman,

Thank you for the below email.

I believe you have spoken to Martin Jenkins and he has confirmed with you that when Mr Cordell was spoken to by the police officer, Mr Cordell used his phone to call Martin Jenkins and Martin Jenkins confirmed he told the police officer Mr Cordell was insured to drive, and also the police officer never said anything about any tools to him on that phone call. I also made calls that day as my son also called me what was going on. I have asked many times to see a copy of the police officer note book, as until I saw the report from Jeanette Reilly, and it was confirmed the police officer did in fact have a note book, Mr Cordell always said he took notes but the police officer even said in court he never and it was only the ticket he had used that day. The reason for asking for a copy is due to the fact of the name my son give and it is stated in his note book a name was given, then it seemed to change to Mr Cordell saying he was homeless, but the police officer would have done checks of the name given, which I believe the note book proves my son give his correct name as there was no reason for him not to have done as he never done anything wrong. and this would have been confirmed when the police officer done his police checks. There is also one other issue and that is when Mr Cordell asked for an inspector to be called due to what the police officer had said to the insurance company. Mr Cordell was telling the inspector that the police officer had lied to his insurance company about tools being in the vane, all it would have took was for the inspector to check the van at that time, he would have then seen something was really wrong as there was no tools and would have seen this, and this could have been addressed there and then without the need for my son to have been arrested. If there is anything you need for me please let me know.

Hello Ms Cordell,

Thank you very much for your email, the content of which is very illustrative. I can confirm I have made contact with Mr Jenkins and can also confirm according to Mr Jenkin's recollection the officer did not mention their being tools in Simon's van. Regarding the officer's notebook, as you're aware the officer did make use of one on the day in question, of course its content will form part of my investigation. Going forward, I note that in their appeal findings the IPCC made direct reference to a transcript in your possession concerning a phone call between Broadsure Direct and KGM. Can you please send me a copy?

Dawn Allen, Jackie Gubby & Louise Brown complaint about my Neighbour's!

PRIVATE AND CONFIDENTIAL Copy of letter sent to Mr Simon Cordell
[SEC=OFFICIAL: PRIVATE AND CONFIDENTIAL CORRESPONDENCE]

Dear Sarah Fletcher

After Mr Cordell got the hand delivered letter yesterday, he called the out of hour's team.

Miss Gaccey

Ref no T1484282

Who told him they were going out last night to him?

Which they did and confirmed that the low water pressure is not coming from his flat, Mr Cordell also has low water pressure and a full report was made up last night by the out of hours team. I will also say in the last 3 week Mr Cordell has allowed Thames Water into check his flat who told him the problem was not in his flat and he also had low water pressure, and then Mr Cordell also allowed 2 males that the landlord sent out from the 3rd floor to enter his flat and also check and nothing was found to be wrong in Mr Cordell's flat. I do not understand why the council is not aware of this already as it seems that Enfield Council is putting the blame solely on Mr Cordell when the problem is not within his flat. And taking complaints from people on the 3rd floor saying the issue is within Mr Cordell's flat when it is not and they know it. This needs to stop and Enfield council needs to address what is going on here. The neighbours are not leaving Mr Cordell alone. It seems as if Enfield Council is fast enough to blame Mr Cordell for everything that is going on band, I believe this is due to a number of issues including the colour of Mr Cordell skin. I am still waiting for the Subject access request also I will also be replying to Mr Lemmy Nwabuisi letter I got today via email by tomorrow. And will also be dealing with the reply to my complaint letter once I have the subject access request.

Antisocial

Behaviour Allegations against Mr Simon Cordell [SEC=OFFICIAL]

Dear Lemmy Nwabuisi

I am writing this email to say you have stated in your last letter the subject access request has been dealt with, but we are still waiting for the data.

I have asked for the dates these complaints were put in and yet have had nothing about the dates and times. Could you please forward me a list of dates and times these complaints were put in, and list them in an order like this so we know if more complaints have been put in by one person.

Complaint from A on date and Time: Body of complaint from A.

Complaint from B on date and Time: Body of complaint from B.

Complaint from C on date and time: Body of complaint from C

And it can carry on like this until all complaints are listed. As at this time you have just listed complaints and failed to supply any other information. If I can get this back today, I would be most grateful, as it has been asked for before. Also we have said this before more than once on calls and emails, the person's living at 113 and 117 I believe which is the 2 people living on top of my son, 113 has since he moved in no carpet put down and also his floor boards needs fixing, 117 which is the top floor has laid wooden flooring, due to the way these flats have no sound proofing in between floors and only wooden flooring due to how they were built, we were thinking this would have already been addressed and has not and the neighbours have been allowed to keep the flooring the way it is, my son can hear everything and only feels nothing has been done as Enfield Council wants my son health to get worse and also to make him suffer. As for the date of the 09/02/2017 as stated before until we have had all dates and times and body of complaints and the subject access request, I still do not feel it is justified my son has a meeting as he will be walking into a meeting only with very limited information, and due to his health which is being caused by his

neighbours and Enfield Council doing nothing I feel my son is only being setup due to issues and the colour of my son's skin. And this is why no one from Enfield council has ever taken a report from him about what has been ongoing form a long time ago. We want to clear this up as much as you do, but it seems Enfield Council is not fulfilling what we have asked

for in order to be able to do this.

Lorraine Cordell

Dear Gary Quan

It is not a PNC check I want I all information that the police hold on me whenever the police have had contract with me, which has been a lot. A PNC check will only show limited information as to if I was changed and found guilty, any NFA's, and found not guilty. I want a lot more data than that as I want everything that the police hold on me. Which I believe is your department that deals with this. I will also be putting in a request to ACRO but that will be on top of the request I have asked in my application to you. If you look at the application the data I want is listed right after that on page number 1 and 2 that data is not a PNC check, I do understand it is a large amount of data I am asking for as I want everything the police hold on me across all systems.

Simon Cordell

Dawn Allen, Jackie Gubby & Louise Brown complaint about my Neighbour's!

PRIVATE AND CONFIDENTIAL Copy of letter sent to Mr Simon Cordell

[SEC=OFFICIAL: PRIVATE AND CONFIDENTIAL CORRESPONDENCE]

Dear Sarah Fletcher

I am writing this email as I had no reply to the below email. Today I have made a call to repairs to check what is going on with this low water pressure which 117 has put a complaint in regarding my son Mr Cordell causing this. Ticket number for today's call is 1775790/1 I spoke to a lady called Linda. Who confirmed this is not down to Mr Cordell Flat that is causing the low water pressure?

It seems Enfield Council are fully aware the low water pressure has nothing to do with my son or his flat. Yet you fail to notify us of this, and it seems my son is still getting the blame. It also seems that Enfield Council sent M&N out to 117 to try and sort the low water pressure out and 117 refused access on the 03/02/**2017** and now M&N has closed down the job for Enfield Council. After getting an email today from Lemmy Nwabuisi it seems he is not being updated, and the blame is still going toward my son. Why is Enfield Council not doing anything about this?

Why does Enfield Council seem to be hiding the fact and not dealing with the issue?

Antisocial

Behaviour Allegations against Mr Simon Cordell [SEC=OFFICIAL]

Dear Lemmy Nwabuisi

Thank you for the reply to my email and I look forward to getting the information by the 10/02/2017, I know that Dionne Grant is now dealing with the subject access request as Concetta who was dealing with it has had to take some leave. Mr Cordell has not been up to his neighbours at 117 in fact he has only tried to help in the last few weeks by allowing people into his home due to the low water pressure. (Which I will state has nothing to do with my son flat) The other day also another neighbour got around 7 of his friends to come and intimidate and harass my son for no apparent reason. We will be asking for evidence which substantiates your allegations as to what the neighbours are stating in their complaints. As clearly it seems from your below email as if you in fact believe what 117 is saying before even having addressed the issues. Does this mean you have seen evidence which substantiates 117 complaints? Due to the complaints and how they have been set out this should be a matter for the police and my son should have been arrested. Mr Cordell has been arrested and dismissed for some of accusation that you have wrote in your letters, So I hope there is evidence which substantiates these allegations. We just need to see if any of the other complaint has been addressed by the police. In fact, my son has put a lot of complaints about his neighbours into the police himself, which also seem to never get addressed by police just like they never get addressed by Enfield Council, yet the neighbours' complaints always get followed up instantly, I wonder why? You have not again said what you will be doing about no flooring on the 2 flats above my son. Is anything ever going to be done or does he need to live being tormented, intimidate and harassed by the neighbours with nothing being done by Enfield Council every day he lives there? It is not Mr Cordell harassing his neighbours it is the neighbours tormenting, intimidate and harassing him and Enfield Council is doing nothing about, it is starting to seem like a witch hunt until they and Enfield Council get him out of his flat.

Report: --

07th February 2017

Enfield council claim they received a report that on

07th February 2017

you approached the leaseholder of 117 Burncroft Avenue and his plumber outside the block as they were attempting to resolve the problem causing low water pressure in the flat. You said to the leaseholder that there were problems between you and his tenants but gave no specific details. The leaseholder explained to you that his tenants were experiencing low water pressure in the flat and you said to him 'you will not solve the problem as I am restricting their water supply, the leaseholder later knocked on your door and asked whether

you would increase the water pressure and you stated 'I cannot do anything at the moment, I will sort it out later and that I said that I am experiencing problems with you tenants and restricted their water, the leaseholder then claims to have knocked on my front door latter on in the day and asked can I increase the water pressure and I said that I can do nothing about it and will fix it latter.

Ref: 117 Burncroft Ave, Enfield, EN3 7JQ low water pressure - harassment by tenant at 109

Thurs 26/01/2017 - While in attendance at 117 Burncroft, where we were attempting to resolve a low water pressure issue, we were approached by the tenant of 109 Burncroft the ground floor flat. He stated that there were problems between him and the tenants of 117 without going into specific details. I was with a private plumber who was looking at the low water pressure problem at 117. We explained the problem to the tenant from 109 who stated, 'you will riot solve the problem as I am restricting their water supply!' obviously both myself and the plumber were shocked at this statement. Despite thorough investigation to the low water pressure problem we were unable to increase the pressure. However, before leaving the site I knocked at 109 asking whether he would increase their pressure, he stated 'I cannot do anything at the moment I will sort it out later! Despite the attendance of Thames Water (twice), the agent's plumber, my plumber and various sub-contractors from Enfield Homes this matter remains unresolved.

Thank you for your email.

We have made enquiries with the Repairs Team and our contractors and they have advised that they did not send a contractor to 109 Burncroft Avenue this morning. We do not know who knocked on Mr Cordell's door and I can confirm that no Council official went to his flat at 8am this morning. Could you please provide the?

vehicle registration number to enable us to take up the matter with the police to try and identify who this person is. I have also attached an anti-social behaviour incident diary for Mr Cordell to log any further incidences of noise disturbances and anti-social behaviour from his neighbours. Dear Lemmy Nwabuisi

Just an update email that I wanted to put to you today as it is very worrying, this morning at around 08:00 my son Mr Cordell's door knocked he was not expecting anyone but went and shouted who was it without opening his door. the male replied I am from the council about the water, my son was not expecting anyone from the council and something did not feel right to my son and he asked the person to wait, he then made a call to the council to be told no one had been sent to his address by them, after the call to the council the male was not at

his door, but my son heard people talking, one was his neighbour, just after this the male who came to my son's door went out of the block and got into a car which my son has got the registration for. He does know which neighbour the person was talking to as I do. But at this time, he feels too unsafe to give the person's door number. Why should my son be made to feel so unsafe in his own home, please tell me why someone would come to me? son's door and say they were the council?

This is getting way too much now, and Enfield Council needs to do something about it before my son gets hurt. My son is lucky he does not open the door to people and calls before opening his door to see who it is and does not go outside his flat as I feel something would have already happened to him. And yes, we are keeping full history of what has been ongoing.

Antisocial

Behaviour Allegations against Mr Simon Cordell [SEC=OFFICIAL]

Classification: OFFICIAL

Dear Ms Cordell,

The allegations are from at least three residents of Burncroft Avenue. They have alleged that he is coming up to their front door to shout abuse and threats and they have provided evidence to back up their allegations. Some of them have also alleged that he has confronted them outside the block and on different occasion have followed them up the communal staircase shouting abuse and threats and on at least one occasion have tried to prevent them from going up to their flat. They have also provided evidence to back up the allegations. I am aware that some of these incidents have been reported to the police and it is up to the police to deal with them as they see fit. However irrespective of whether the accusations were dismissed by the police or not, they are very serious allegations and if true, constitutes a breach of tenancy conditions and they need to be addressed by the council. It is therefore very important that we meet with Mr Cordell to discuss the allegations made against him and give him the opportunity to respond to them. We are not aware that Mr Cordell's neighbour allegedly "got around 7 of his friends" to intimidate and harass him for no apparent reason. Mr Cordell did not report the incident to the council, and I will advise him to report it through the appropriate channel and provide the name and address of the neighbour to enable us to investigate and take appropriate action. He should also report the matter to the police. With regards to your concerns regarding the nature of the flooring in the two flats above your son's. We have inspected one of the flats and we have made an appointment to inspect the second flat. I will arrange for a noise impact assessment to be carried out as soon as we complete our initial investigations to determine the level of noise transmission and make appropriate recommendations if necessary. We will need access to Mr Cordell's flat to enable us to investigate this matter and we will contact him in due course to arrange access. You have stated that it is not Mr Cordell that is harassing his neighbours and that it is his neighbours that is harassing him. Could you please ask Mr Cordell to provide evidence of this to enable us to investigate and take appropriate action if necessary.

Subject: RE: Anti-Social Behaviour Allegations against Mr Simon Cordell

[SEC=OFFICIAL]

Dear Lemmy Nwabuisi

I am writing this email to say you have stated in your last letter the subject access request has been dealt with, but we are still waiting for the data. I have asked for the dates these complaints were put in and yet have had nothing about the dates and times. Could you please forward me a list of dates and times these complaints were put in, and list them in an order

like this so we know if more complaints have been put in by one person.

Complaint from A on date and Time: Body of complaint from A.

Complaint from B on date and Time: Body of complaint from B.

Complaint from C on date and time: Body of complaint from C

And it can carry on like this until all complaints are listed. As at this time you have just listed complaints, and

failed to supply any other information.

If I can get this back today, I would be most grateful, as it has been asked for before. Also, we have said this before more than once on calls and emails, the person's living at 113 and 117 I believe which is the 2 people living on top of my son, 113 has since he moved in no carpet put down and also his floor boards need fixing, 117 which is the top floor has laid wooden flooring, due to the way these flats have no sound proofing in between floors and only wooden flooring due to how they were built, we were thinking this would have already been addressed and has not and the neighbours have been allowed to keep the flooring the way it is, my son can hear everything and only feels nothing has been done as Enfield Council wants my son health to get worse and also to make him suffer. As for the date of the 09/02/2017 as stated before until we have had all dates and times and body of complaints and the subject access request, I still do not feel it is justified my son has a meeting as he will be walking into a meeting only with very limited information, and due to his health which is being caused by his neighbours and Enfield Council doing nothing I feel my son is only being setup due to issues and the colour of my son's skin. And this is why no one from Enfield council has ever taken a report from him about what has been ongoing

form a long time ago. We want to clear this up as much as you do, but it seems Enfield Council is not fulfilling what we have asked for in order to be able to do this.

Regards

Lorraine Cordell

Antisocial

Behaviour Allegations against Mr Simon Cordell [SEC=OFFICIAL]

Dear Lemmy Nwabuisi

I was wondering if you will still be sending the information I have asked for re the dates and times and body of complaint today as you said you would? I do need this as I have had the subject access request today, I am going over this in detail, but the dates and times of each complaint is not clearly marked and it seems there is some really incorrect information that does need addressing. I am also having some problems so it may take me a while to go over some of this and get back to you as I am using my mobile, as today I was meant to have been having my ceiling replaced and when they started to take my old ceiling down, it seems it could be asbestos so they have had to shut off the whole of my down stairs off. so, I won't have access to my main computer with all my files on, until they come and confirm or not, they are due around today just not sure what time. and if it is confirmed not sure what I will be able to do as it is the weekend now and I will not access to downstairs which could be a problem as that's where my bathroom and kitchen is. But I really want to get this all listed and need the information from you to be able to do this. a friend said they can loan me a laptop if it is confirmed as asbestos or maybe there will be a way to get my computer out as not sure if I will be able to stay here. If you can get back to me as soon as possible with the information I would be most grateful.

Subject Access Request

Dear Mayuree Patel

They are the original letter of authority everything that is written is done via PDF and signed this way also. so that everything that is written are saved as original documents, so we have full backups of everything that is sent to anyone. if you want me to print them again and get Simon, Tyrone, Deon, and myself to sign them by hand, I will do this, but I cannot see why this would need to be done in this day and age. I will get this done over the weekend and resent to you so you should have this early next week send recorded.

Police Officer; hello police how can I help

Simon; hello someone needs to stay on the phone to me and keep talking to me because, I am going to end up killing myself because of what these corrupt coppers are doing to me and I have got evidence in saying that I am correct in what I am saying, my name is Simon by the way

Police Officer; "muttering un auditable"

Simon; and I have been locked in my house for two and a half year's proof, trying to proof to the police that I am not a white person yes, that I am of mixed race and that I could not have committed the offence that they are setting me up for, yes and I am at a stage I can't take it, they keep avoiding disciplinary action by pro longing the case in knowing that I cannot put a complaint in against them and that no one will deal with anything

Simon; I have put article six's in yes and now Jane Johnson who is supposed to be intendent has been **transfer**red to, somebody needs to do some think about this case, I have been phoning you lot up for so long just asking to get one descent police officer to oversee

	Steve Elmore work and see the applicants case that he has put against me and no one will do it, it is not fair I should not be held hostage in my house Simon; this is making me suicidal Police Officer; you are being held hostage in your house Simon; yes I am being held hostage under section 63, which is to do with outdoors, under the crime and disorder act 1994, which is to do without door events and all the incidents that I am in question for are for indoors and I was not even involved in them, for the organisation of illegal raves, I was not even found guilty at the court and my name has been tarnished in the newspapers, they have now pulled it out of the Metropolitan police website, it is not fair these police officers sat around a table and made false information reports, they do not have 101 police note books for none of the incidents that I am in trouble for, they have not signed none of their 101 book's I am freaking out Simon; and I am recording ever conversation that we all have, I have recorded about 20 I have so many, and I have got loads and loads of tapes, yes and I have got all of the court transcripts proving that I am right and that I was not found guilty, I got the court submissions proving that I was not found guilty right. Simon; someone needs to do some think I have got video tapes of cops coming into my house which shows that they are endangering my life and that all my neighbours are banging at me because of the information that the metropolitan police put into their website, this is not fair somebody needs to take this police officers Stevens Elmore's work of him and over see it and stop hold me hostage in my house it's incorrect madam I know that you might this might not be your problem but you represent the Metropolitan police force even as a civilian a civil person you are still representing them and this is why I am having this conversation with yourself Police Officer; so, it, it Burncroft Avenue that you live in then Simon; yes, madam that is correct it is Burncroft Avenue that I live Police Officer; and who do you live there with Simon; on my own Simon; I am sitting here Police Officer; and what is your name Simon; my name, my name is Mr Simon Cordell some body can't leave these police officers running around dealing with other people's lives and I am here clearly proving that they are corrupt, they sit down together and made the information reports and back dated the created dates so that the whole lot of them went back other one year, I can check and every Urn number goes up numerically in order for one day when they were all logged into the police computers when they done it, then they created the cad numbers and I can prove all the cads were made and then they made the witness statements and the witness statement are not even real to their address, I could go to all the address alongside wood grove avenue right now and knock on all the doors and no one would tell me that they put any witness statements in to the police Police Officer; err Simon; I should not be in my house I shouldn't feel like this when all it would take, I have heard that Jane Johnson was the supper intendent and she is supposed to see all of the police officers in Edmonton police station and now I believe that she was as corrupt as the police officers that she instructed to make the application and that is why her signature is at the bottom of all the pages and that is why she has not done any think over one hundred and forty days that I have been screaming that I am right and now she has been transferred Simon; I believe that now there is a Colin Anderson and I want him to oversee the case because he is new and independent and he does not have anything to do with the application and all he has to do is look at the officer's work and he could clearly see that I am correct and that these officers should face disciplinary action and I should not have to wait another one hundred and twenty days and if I go to court in another one hundred and twenty days

	what happens when another one of them coppers says oh I got the toilet problem or he is ill again and he cannot attend court what is that another six months of my life again till I can get another court date they have been putting this off for long enough long enough avoiding disciplinary action and I am suicidal because of what they are doing to me and it is my right under article three of my human rights no police officer or state official should degrade me or make me feel humiliated even vesicle or Mental health Police Officer; “silence” Simon; I am correct in what I am saying madam Simon; and I really need a good police officers help right now Police Officer; if you are Sue sidle do you need an ambulance Simon; no I do not need an ambulance what I need I feel depressed because I am being held captive, what I need is a police officer to oversee Steve Elmore’s case and to make sure that the application being brought against me is within the jurisdictions and constraints of the laws, for the people you represent which I am one of those people which helps pay your moorages, you lot are here for us the people not for yourselves, you lot work for us Police Officer; “muttering” Simon; and I am telling you that one of your coppers that work for me is corrupt and I am giving you evidence Police Officer; and if you do not leave your house, what do you do sir what do you do for a living Simon; I was in the entertainment industry hire in sound equipment to lock to lock festival to Enfield Town Festival to kids with celerpualse I was doing Durant’s park festival Enfield town festival I was also managing my community hall down the road plus I had the keys to club juice night club plus I had the keys to a few other place I was a valid member of my community and I was networking with the homeless and people in poverty at the same time exactly how Glastonbury and the rest of the festivals were created from people who were stuck in poverty Police Officer; “muttering” Simon; madam and right now I am not allowed to hire any sound equipment to anybody or even hire any equipment to anybody even for a house party Simon; in your house madam you have the maximum extent to your human rights the only law in our own houses that stops us for playing any entertainment to anybody else is under the licensing act 2003 is if you make profit with an intention of making a profit in your own home so I do not understand how no one has talked about profit in over a thousand pages that have been wrote to destroy my life, yes so how is it illegal if there is nothing in the licensing act that says that and under section 63 says it is omitted in it that in open air only in public only unless trespass has taken place I have never been arrested for trespass not even one of the police officers even talk about trespass in the application let alone profit the laws that they are supposed to be representing they did not even build the application under them grounds correctly I am being held captive by law and imposed with conditions that should have never been imposed on me Police Officer; ok Simon; someone needs to oversee this I am not asking for an ambulance I am asking for you to get one of these police officers and to oversee all of the corruption I have handed to different article six’s in and I have handed them in at occasions at the court with all of the corruption clearly printed out and I have also made three or four complaints in through this process such as yourselves just the standard police complaints process and nobody wants to pay attention to what is correct to the reason that you all signed up and that was to help people and to do right by people Simon; I understand that when being a police officer sometimes it might be hard when you all signed up because you feel like a whistle blower, grassing up on your other colleges but you are not you have got to remember why everybody is there

Police Officer; I am just having a look at that now

Police Officer; well what where you accused of

Simon; I was accused of the organisation of illegal raves yes and it states illegal madam

Simon; I am sorry if I seem a bit abrupt, I do not ever mean to be rude or disrespectful to you as a person I just want to put that clear yes

Police Officer; ok

Simon; I do not have a problem with ever police officer I have been in trouble in my life and I have always had good relationships with the ground force no matter what trouble I get myself into but these police officers crossed the line here and they forgot what they really signed up for and I am a man that is standing for my rights right now yes

Simon; I was arrested for the organisation of illegal raves No sorry I was never arrested, I have not even been arrested, I do not have no similar previous convections of any similar sort yes and it says the organisation of illegal raves

Simon; if it states illegal and it is a criminal act under the section 63, I should have been arrested

Simon; I have never been arrested I don't even previous similar convictions

Simon; and as an Asbo there is two to four sorts of Asbo's a county order a standalone Asbo order or a Cbo Asbo order which is a an Asbo on conviction for criminal convictions they never put the Cbo on me like they should of they put a standalone Asbo on me which is for civil proceedings but named it the organisation of illegal raves they should have just said the organisation of raves because when they put illegal into it, it means that the Dps and Cps now have a say in what is being said

Police Officer; "Muttering you are dead"

Simon; and they are not following the correct protocols

Simon; yes, the whole case is upside down from the beginning of the go yes

Police Officer; but where the raves legal

Simon; pardon

Simon; no, no, no they are not "rave's" they are house parties they are house parties and if you go Google

Police Officer; and how many people were at this house party

Simon; yes, and if you go to Google, if any place is a place of residence madam yes

Police Officer; hum

Simon; like this is the law yes, if any place is a place of residence or you live in it or I live in it or a squatter or any other person is living in it you have the maximum level of your freedom of rights within your own house, if I choose to swear in my own house and a police officer comes in he cannot arrest me for swearing, all he can do is leave my house because I am aloud to swear in my own house, but In public he can arrest me for a civil matter or a breach of the peace, now, it is the same with the music we are allowed to play music in our own houses or any place or residence the only time that we are not a loud to play music in our own houses is when we are outside in public which is what section 63 says in open air yes these are places of homes and because of that what the police have to do to prove that they are illegal they have to prove any think is prove that profit has been made under the licensing act 2003 under appendix four, we are allowed to play music in our back gardens and in our houses that is it that is the law about it

Police Officer; only up till eleven o clock

Simon; no until any time that we want madam

Police Officer; no

Simon; since 2007, since 2007, no sorry since **2013** since January **2013** the 7th they put new laws into place, which say that they are de restricting the licensing act and what they mean by that is from 8 am till 11 pm there is no noise pollution limits no more decibel reading limits you're a loud to do plays and theatres and that outside and you don't really have to apply for a temporary events notice any more

Police Officer; ha, ha

Simon; unless the police decide to impose these conditions on you

Simon; I know for fact in your own home there is no noise limit all that can cause you a problem in your own home is if you continually do it over a consecutive period of time

Simon; what you have to do in your own home is run a company

Simon; in Face book ever person I n m y account says friend, that's what it says friends because they are all my friends

Simon; let's be real about this

Police Officer; how many friends do you have on Face book

Simon; how many friends have I got on Face book

Simon; what I am actually in trouble for yes this is straight yes, what I am actually in trouble for is that in **2013** I had a friend birthday party in Bianca Road yes, now and this was legal for me to do so because I got arrested the police came to my house and arrested me over a gazebo they took my passport off me and told me that I am not allowed to leave the country yes, for one year yes, told me, what they also did to me I had to sign on at the police station every day I had to be in my house on curfew from 8 Oclock £1000 pounds in surety, barred from central London after that case, I won my case yes, I proved my innocents yes, but what the police done was come a shoved an Asbo application outside of my house for the period of time that I was on my curfew accusing me of being seven of my friends companies Every Decibel matters he is his own company at company house you can go and check it at company house right now, go to Google and write Every Decibel Matters and I have got a letter of Every Decibel Matters director saying that I was not hired on these dates, they tried these Metropolitan police tried to turn me into a super grass and make me grass all of my friends for stuff for when I was on curfew yes, I am not in trouble for any think that I have really done wrong, yes I am in trouble for being seven other people, four of them I do not even know who they are but the other three I do no and are my good friends

Police Officer; Right

Police Officer; so how is this affecting your life I cannot even go on to an industrial estate right now

Simon; because I want to go I have been accused section 63 is for outdoor events only I got the transcripts here I got the transcripts of the court from trial I wasn't found guilty because I went there and explained to the judge that section 63 is for outdoor events only and all these are incidents I am being accused of are indoors, yes I didn't do any think wrong to cause alarm harm or distress while indoors yes and that is a fact yes the judge knew that I was right, yes, so she said I got it in the transcripts well I cannot find you guilty under the applicant's case but what I am giving you an Asbo for is because you had nitrous oxide in the car in **2013**, I was like you could not even prove that it was nitrous in the bottles yes I was like if you ever listen to all of these transcripts of these, police saying that we copied and pasted all of the information out of the police national computer, I learnt over Steven kings shoulder and I copied and pasted his statements without him knowing, it is all in the transcripts, there copying each other's statements and stuff and it's in the transcripts and that it's a joke

Simon; these ance between a charity because if I own am chalot are destroyed and I am trying to walk away from it and let me live my life and let them walk and still have their careers, they do not want their careers, they want to try and kill me other civil proceedings something I can't even go to prison for, If I was a copper I would never risk my career over some think like civil proceedings over another person.

15;54 **Police Officer;** but how is it affecting you, what is happening right now I am not allowed to go out, I am not a loud to go onto an industrial estate after ten Ocloc I can't even go on to a Mac Donald's a 24 hour Mac Donald's after ten Oclock because it is an industry estate I am not a loud to give a friend an amp because I seem to be liable or prosecutable for their my friends actions I should not be I am liable for my own actions not

	for friends actions, I should not have to have a charity as it seems to have been said in the newspapers to be a loud to do what is legal right in the beginning yes they are saying that there is a difference between a limited company and difference between a charity because if I own a limited company I am not a loud to do what is legal but if I own a charity I am a loud to do what is legal and they wrote that in the newspapers that is a joke what is the difference it is up to me wherever I own a limited company or not charity they cannot force me about what I am a loud to do with what is legal from one to the other Police Officer; yes, so how did it come a bout that it was raves Simon; how did it Police Officer; how many people were in attendance Simon; it does not matter how many people are inside Police Officer; yes, it does matter Police Officer; what do you agree about these questions Simon; madam I never being disrespectful what I am explaining to you yes is that I know the law, that I represent even if I am mixed race Police Officer; why is it that every time I ask you a question you do not answerer it? Simon; what has been said to be a one of them at the most is 200 people at progress way that is what is said to be at the most yes but the building its self that the occupiers were occupying under section 144 Lasbo can hold up to 6000 people now for as long as there is no licensed bars inside that place and there is only music being played to our friends I would be a loud 6000 people in that building and there is not any think that the cops can do Police Officer; who owns the building Simon; you are not even aloud to put a section 63 on a dispersal order on a person's home Police Officer; who owns it low Simon; who owns the building, whoever owns that building while it is under a section 144 lazbo while whoever is entitled to it Simon; I was not involved Police Officer; "mutter" Simon; Madam I am being had a go at for being every decibel matters and other names at no point it Too Smooth the company that I own been accused of anything other than running legitimate activities for the community I ant in trouble I was not there I was on curfew I might have attended for five minutes outside of the gates and said hello to my friends. Do you know what is even worse when the police officers were making the applicants case yes they blocked when you look at your police computers recording all of the information when you make yes when you are inputting a 999 call yes for Met CCC I know how it goes first, first you put recorded by ordinary or third party or whatever then they blocked all locations, ltn locations and blocked everything else out, but the idiots forgot to block out the grid reference numbers out, now when we was in trial at the magistrates they got asked under oath are they shore that every incident here is progress way, they swear under oath because I have got it in the transcripts that ever incident is progress way when we were making the development now when you show them grid numbers it shows different locations all across the county, I could not have been in a hundred places at the same time these cops set me up now if you go to one of the main 999 call the first thing that the 999 caller that the 999 callers says is that I can see people entering a building and there all white males and females now the police officers go there and surround the building and they go into the building write every person's name down put it all in the police computer and then into my bundle so that it is all in my bundle every person's name that was really there, they hold them there hostage in their own place of occupation for eleven hours and when I turn up there on the eighth hour outside of the gates I do not even manage to get in there into the premises because it is all surrounded because the police have got the white people that they are referring to inside of the building and they have listed their names I get arrested outside

	I get taken to the police station and I don't even get booked in and get held captive for hours and then finally realised that is a joke they had them their hostage for eight hours and the 999 call saying it was all white people eight hours before I even got there and they forgot to block these silly things out of the applications case when they were building it, they have gave me the evidence to kill them Police Officer; right Simon I am going to go now Simon; so, what actual, why are you, go to were, this is what I would to do Police Officer; I have got to take emergency calls that is what I am here for Simon; I respect that do you know that I respect that yes, but like am I wrong in anything that I have explained to you, because you have challenged me with a few things yes right Police Officer; yes, but you do not answer the questions you talk about these places being owned by people, their own for the time you are in it Simon; there house parties do you know how many houses, I am in trouble for Police Officer; there is not a house that can hold 6000 people, so it is not a house is it? Simon; it is a place of residence Police Officer; yes Police Officer; yes, but whose residence Simon; it's a place of residence, you listen to this you may not like marmite but that don't mean that you can go and nick every one that does like marmite Simon; the law is the law and if it is not writing down that it is a law that you are breaking and this ant, you lot cannot make up your own laws and your own thighs because you do not like something Simon; and if it says that there is no limit to the amongst of people that you are a loud in your house party then there is no limit, that is it, just because you lot do not like it do mean you can Police Officer; it doesn't have to be a house low does it Simon; no, it does not it has to be a place of residence madam a place of residence or fixed a bow Police Officer; "mutter" what like a Simon; it does not matter as long as it is a place of residence a fixed a bow were somebody is living and you can send your mail, you lot are happy as long as you have an occupier and he is living homeless some were and you want to put bail conditions on him you are happy to bail them to that address quick another, you would bail them to a squat quick another or bail them to a place like that as quick as you could Police Officer; "Silence no mutter" Simon; what they usually do is fixed a bow Police Officer; "Mutter-what they usually do is fixed a bow" Simon; no they do not if they give their door number and address they get bailed to the door number and address if they want to be cockeye and give no field a bow to yourselves that is what you will write down but if they are smart and give you an address you will put that address down because that is what they have told you and that is there place of residence Police Officer; yes, but we will go to that place to do the bail inquiry Simon; yes, but as long as they are living there, there is no issues because they are illegally aloud to do so Police Officer; that is correct they are Simon; yes, see so there is no issue Police Officer; but that is not what we are talking about we are talking about raves Simon; no, we are not talking about raves we are talking about private house party's madam Simon; private house parties Police Officer; ok then

Simon; Simon I am sorry, but I cannot continue this with you any longer
Police Officer; yes, but what I would like to know can Colin Anderson now who has taken over Jane Johnsons place oversee Steve Elsmore work
Police Officer; "Silence"
Police Officer; officers are going to come and see you and have a chat with you
Simon; who is what today, coming to my house today
Police Officer; yes, yes
Simon; and that is one hundred presents yes
Police Officer; yes, I am sending officers to you
Simon; what is your name Madam
Police Officer; my name is Catherin
Simon; thank you Catharine I hope that you have a good day Catherin madam I am sorry if I have given you more than your jobs worth, I apologise
Police Officer; all right then thanks goodbye
Simon; Goodbye
Police Officer; bye

 I have also had a lot of problems with eating because of what they keep all doing to me!
 My canine has victualing its paws because of what 113 – 117 and 111 are getting away with
 I have taken pictures of the damage this is doing to us in this flat!

Disrepair!

If what they do to me finally kills me then it would also kill a lot of other people in the process!
 I stay calm even when I see the damage to my personal property that the damp is causing and this neglect breaks my heart in knowing that if the Enfield Council and Enfield homes where efficient within their timescales that I would not have to go through such sacrilege of my memorabilia and electrical belongings getting damaged even more than ever necessarily
 I am not sure what it is no re painful to me this all adds to the demotion of my health and the additional average daily routine stress unrightfully!

Time Spent Building;

In the background of everything going I continued working on Creating a new and up to date event Emergency Procedures safety policy and I continued to Study and finish at the Time Start: 07:00 Am and Time End: 03:30 Pm!
 My mother also continues to work on building my company website for me with others at the Time Start: 09:00 and Time End: 14:00!

The banging Started!

Flat – 113 – George Quinton moved in!

Stain Curtis (responsible)

Mathiyalagan (Responsible)

Time: All-Day and All-Night whenever they knew that I was indoors!

The occupiers of 117 and 111 Continued to victimizing me by: --

Waking me up by stamping above my head!

Victimizing me by Banging above the Bath to which I get into, once they understand that I have stopped running the water for my bath to be ready, this is after they wait for any other tail, tail signs that I have gotten undressed and soaked within the water, creating a brutal attack against my person in their wrongful self-gains!

117 - Slamming their own living room, door closed!

Eavesdropping, / Listening to where I am in my home and then chasing me around into each room as listed, while banging on the floor with objects!

Offer the period of mutable complaint that I highlighted the correct attention needed to upkeep the maintenance of my property regarding the damp to the Enfield Council; they left most opportunities to rectify the issues as invalidated!

To explain that I got left Embarrassed because of their actions towards me is an understatement!

I tried to defend myself from them attacking me in a dignified manner with no submission towards justice getting accomplished!

Outgoing call

Metropolitan introduction

Outgoing call: -

Police Officer; hello Metropolitan police what is your reason for calling

Simon; hello I am just curious about a question, if I have got an appeal date set and I am just trying to get the case to appeal and I have been trying to get the case to appeal for one hundred days no sorry like one thousand and three days now and I have been to court over ten times and every time that I go to court they keep evading the truth and the evidence that I am showing, is there not no way that I can get a police officer to oversee the case

Police Officer; so right so you are reporting something to us a officer dealing with your case and you are not happy with the outcome of it

Simon; yes basically an officer, basically and the crown prosecution I have shown evidence continually showing the fact that I am being accused of an Asbo I have had an Asbo put against me I have proven that the Asbo was actually manufactured and fabricated in being made by all of the time stamps and that being incorrect, I am being forced to trial I have handed in two article six's in I have loads of complaints I have been phoning up this number trying to speak to official people and civilians like I believe Jane Johnson was the superior of an Steve Elmore's who was the developer of the application and no one wants to oversee the case or take responsibility or take on the fact that I am not white like on the 999 call the actual person the actual person that made the 999 call he states that the people females and males were actually white in colour and I am mixed race an ic3 and it is not hard for any police officer to pick up this case bundle and go to the page that I am referring

to and see that I am correct and not hold me captive any longer I have got now another hundred and twenty days till I can even get to a trial again I have been told I have been waiting one thousand and one hundred all ready

Police Officer; right ok

Police Officer; and what is it that you agree wanting me to try and do for you what is it then

Simon; I want somebody to oversee the Case I heard that there is a new Colin Andrews who has taken over Edmonton police station am I correct in believing that the superintendent now and that he should be able to oversee the conduct of any other police officer below his rank is that correct

Police Officer; I could not tell you who the super intendment was to be honest because I deal with the whole of London if you want to file a complaint about the officer's conduct then we can do that if you want

Simon; I have done that bout the complaint keeps being suspended` every time I go to trial the case is being postponed because I have already handed in article six's about showing that I cannot have a fair trial

Simon; I have done that bout the complaint keeps being suspended` every time I go to trial the case is being postponed because I have already handed in article six's about showing that I cannot have a fair trial so I am being forced to another trial in one hundred and twenty days again and when I get to that trial I am going to refuse to have a trial because I have handed in an article six showing corruption in the time stamps and the Urn's numbers and that they were continuously logging in one after the other and the created dates being changed I have shown evidence beyond reasonable doubt so I do not see why I should have to wait another one hundred and twenty days again for me to feel that I have to scream and shout article six to my human rights to be told that I cannot have another trial that it is going to be suspended for another six months again and this is what keeps happening I have been to court over ten times now so someone must be able to oversee this because I am clearly stating what is going to happen in a hundred and twenty days I am going to go to court and scream my article six to show that I am correct and write and they're going to supposed it for another six months again and this is my life that is going to waste because no one wants to act correctly within the constraints of the law that they represent

Police Officer; I mean whoever is the officer dealing with it I offersley get in contact with their line manager if you want me to do that well at the end of the day we are subject to the crown prosecution services and what they decide but if you want me to cross this across the officer line manager then we can do that

Simon; well who would the line manager be for a Pc Steve Elsmore and a Jane Johnson herself?

Simon; because Jane Jonson's signature is on it and so is Steve Elermore's as well as many other officers' signatures are on it

Police Officer; right, so Steve Elsmore, is one of them with a signature on there?

Simon; well yes, he is the developer of the application Jane Johnson instructed him to make an application and I was not even arrested for that and it states illegal

Police Officer; let's just start with this is Steve Elermore hum an Edmonton officer?

Simon; yes, and he is the developer of the application

Simon; it is his logging on every page when he has been logging into the police nation computer and been manufacturing the evidence

Simon; the time stamps are wrong and I have spoken to so many people and they have said that it is impossible for the time stamps to go backwards on cads, like you cannot have one cad at cad number 500, every hour the call centre would most probably get over three hundred phone calls and that would work out to like one hundred and 50 calls for like every twenty minutes so you would know that if you have got a time stamp of 500 for instance if it is one hundred calls latter you should know that it should be at least twenty minutes after

and not go backwards in time and that is what continually happens thought all of the cads they go backward in time to each one

Police Officer; right, Steve Elernore's line manager is a person called Alan Steff

Simon; Alan Steff

Police Officer; yes

Simon; and who is Jane Johnsons line manager, and can you tell me what department Jane Johnson has been **transfer**red to please

Police Officer; I can tell you what she has listed herself as in reality she can be lots of different things

Police Officer; sorry what was that a Jane Johnson

Simon; yes

Police Officer; is she going to be the same borough

Simon; yes, she was in the same borough I understand that she was supper intendent for Edmonton police station, but I have been told that she has been **transfer**red to Royal diplomatic protection but is there even a department called that

Police Officer; yes, and that is what she has come up as

Simon; she has come up as Royal diplomatic protection

Police Officer; yes

Simon; all right ok

Simon; and what is that department

Police Officer; parliamentary

Simon; parliamentary

Police Officer; yes

Simon; and what about a silly Guil Christ is she, I think that she is the legal executive director for the whole of the country how many legal executive directors are there to the country is she in charge of Hu guiles solicitors is that correct and she is in charge of this department and like bow and so forth

Police Officer; she is just the legal director of legal serves

Simon; yes, is that correct

Police Officer; that is what she has come up as

Simon; and is there any other directors of legal services because her signature is all over the paper work and I have been recording every one when I have been calling them and I have got her on recording as well as well as me sending emails to Jane and that asking them to over see

Police Officer; "police officer cut the phone off"

My Heart has really started to hurt me every day, I am having an early aged mild heart attacks because of what Debra Andrews and the Mathiyalagan Markandu family as well as stain Curtis and George Quinton get and got away with, inclusively of what the police and local council members are getting away with each day by holding me hostage with no first hand witness and then on allowing my estate members to carry out their hate crime in a cover up to send me crazy or to an early death by flushing the toilet below me and bagging at me causing me sufferings and no peace also letting the named attack me when I am in the bathtub and getting undressed and this does not stop their I continue to get assaulted with the water taps getting slammed on and off causing a loud bagging sound at a fast rate and slamming object and or jumping on the floorboards above my head damaging my work studies and private family life and making me a Vulnerable person!

I have also had a lot of problems with eating because of what they keep all doing to me!

My canine has victualing its paws because of what 113 – 117 and 111 are getting away with I have taken pictures of the damage this is doing to us in this flat!

Disrepair!

If what they do to me finally kills me then it would also kill a lot of other people in the process!

The HHSRS and the housing Act 1985 inclusive of many other rights of mine and many other people's rights mean that these problems of disrepair must not get left by the Enfield Council and the Enfield Homes teams to carry on the way is does as it is causing me to have no enjoyment out of my flat and emotional distress!

The already Complained about Loud and truculent banging in the bathroom got worse and this got achieved by George Quinton and the Mathiyalagan family slamming objects on to their floors with evil intent of malefactor actions in the Morning then all day and night then 113 and 117 tenants kept on Continually, reiterating to flushing the toilet when I utilize it!

Then 111 – 117 kept Slamming the dihydrogen Monoxide tap on and off, and now with George Quinton also involved I continue to document their Hate Crime towards me and report it to the relevant persons without any fair process of support and this is causing damage to my health and the buildings fixtures at an unacceptable rate!

I get faced with no re and no re distress every day and night because of the damp and no heating problems within my home and this continues without any fair response from the Enfield Council and the Enfield Homes departments in getting them fixed!

Out-going-call;

Metropolitan’s Police introduction.

Simon; I am just phoning up, this is the Metropolitan police, yes.

Police Officer; yes, it is.

Simon; I am just phoning up in regards to two cads that I have put in on the 15th 14th and the 11th in regards to police corruption and getting a sergeant the new sergeant for Edmonton police station to call me back I think his name is Ian Rafael and the commander has not called me back, no one has called me back still.

Police Officer; so, you put in a complaint against the police and nobody has called you back.

Simon; yes, that is correct.

Police Officer; right, OK;

Simon;

Police Officer; I will take that information and pass it on to the police station that is all that I can do.

Simon; can I get a cad number.

Police Officer; can I take your name.

Simon; yes, my name is Mr Simon Cordell can I take your name please.

Police Officer; no, I will give you my name, but I will give you the cad reference number when I have created the message.

Simon; ok I will take you doing the message then please.

Police Officer; Simon Cordell did you say.

Simon; yes, that is correct.

Police Officer; that is Cordell;

Simon; yes, that is Cordell, who is the commanding borough officer on right now?

Police Officer; I do not know who the commanding borough officer is at the moment I am in a call centre in Hen don.

	Simon; yes, that is the reason that the call centre is designed in the. beginning so that your no were every active police officer is while on duty. Police Officer; no, we don't that is not what it is designed for can I take an address please. Simon; 109 Burncroft Avenue Enfield; Police Officer; Simon; it is it is for any CFS caller making a call for services I am a call for services madam. Police Officer; no, it is not sir, sirs, sir, where is Burncroft Avenue. Simon; it is in Enfield I am a call err. Police Officer; what is the postcode. Simon; En3 7JQ. Police Officer; "mutter." Simon; I am correct I am a call for services that is correct it is for the general public to call when they have a concern and that is why I am calling 999 or 101 I can even call 112 or I can call 0207 230 1212 and every one of them directs me back to you or a member of your team and you lot are allocated to help members of the public when they call for services and if I give you got a call right now about a police officer outside my front door now and give you the badge number and I said I can look through my spy hole and I can see a police officer outside of my front door and I can see the badge number he is wearing but I do not think he is a real police officer if I call you now you should be able to tell me if that police officer is there or not if I ask you who is the sergeant for Edmonton police station you should be able to give that information or any other information that I require in regards to the company that you lot run, it is a company that you lot do run it is business yes and there are protocols for your business that you represent you have Sop regulations and laws. Police Officer; silence; Simon; Hello madam; Police Officer; yes, I am listening to you. Simon; am I correct that you follow Sop laws and that you lot are in practice towards the pace codes and conducts A, b, c, d, and E and the rest and so forth and that use lot were built from the 1961 police reforms Act, which is how the first police station was built and right now you are running in Co-Hurst to the regulatory 2000 Act, which Teresa May took a big part in writing due to you recording this phone call and that is how we are having this conversation right now and the reasons that this services are put there to provide for and I am concerned about corruption from the police officers and I have the evidence and if I was phoning about a chocolate bar being stolen from a shop you lot would act and you would send active police officers and you would create a cad and say that you are the caller creating that cad you would check the location to where I am were the caller is the Geological location. Police Officer; ok, you wanted the cad reference number. Simon; yes, yes can I have the cad number please. Police Officer; right it is cad 32 87. Simon; 3287. Police Officer; and that is off to days date and that is to be passed through to the borough and that is of today's date. Simon; and the days date is the 16th of the 2nd 2017. Police Officer; its certainty is. Simon; and you have put a message for me on the computer for Ian Rafael who had taken over Jane Johnson's job back in regard to. Police Officer; sir you are clearly looking to argue with someone. Simon; no, I am not I am just trying to be straight with the fact's madam. Police Officer; and I am telling you now that I have passed this on. Simon; I am not trying to argue with you I am just trying to be straight with the facts.

Police Officer; and I have to go because I have other people I need to help.
Simon; I can appreciate that, but the call centre is built to handle 15,000 calls a day and if there was a football match on right now my one call should be a problem.
Police Officer; and I have got to go right now.
Simon; but my safety is a bigger concern as one person calling.
Police Officer; phone put down.

Dear Dionne Grant

Thank you for the information you sent regarding the subject access request. Sorry for the time it has taken for

me to get back to you but I have been having work done in my home so have had no access to my main computer which hold all my emails and have been working from my mobile which is not the best option. And I won't have access to my main computer till most likely Monday as work is still ongoing. I do however feel that all the data has not been supplied that I have asked for, this was the same in March of **2016** I knew then we did not get all the data we asked for and an email was writing in regards to this but no one got back to me. Also, in the data you have sent there is hardly any dates or times, that complaints were put in why does Enfield Councils system not include dates and times information was recorded? There is no call data. No meetings data that government body's had meetings regarding Mr Cordell, the list goes on. I asked for all data that Enfield council holds, so all data should have been included and all audio call data and police data and meetings held and any other information that Enfield Council holds in regard to Mr Cordell. All police data and any letters that have been sent from police or to police. You seem to have asked for Mr Cordell health records who was this asked from and who gave the data? There seems to be a long list of information that is missing both from the request in March **2016** and the request that was submitted on the 24/11/**2016**. Can this please be looked into and if you are withholding any data for any reason could you please let me know this and what data it is and why you are withholding it. There is also a lot of incorrect data that is being held and it seems that Enfield Council has chosen to put Mr Cordell as the perpetrator, by the ASBT there is lists of emails that is missing that I have sent in regards to complaints as to what the neighbours was doing to Mr Cordell, I have also requested all my phone records as it seems there is no lists of all the calls I made on behalf of complaints regarding Mr Cordell's neighbours. As it also seems there is missing calls that Mr Cordell made himself regarding what his neighbours was doing to him, lucky for me I do keep all emails, but it seems Enfield Council does not and to try and get themselves out of trouble due to not doing what they were meant to this data is missing. I will give 14 days for this to be corrected and if it has not, I will have no other option but to go to the ICO.

Outgoing call.

Metropolitan Police introduction.

Police Officer; Hello Metropolitan police what is your reason for calling

Simon; hello I have a few reason's to call I have general questions to ask yourself, hum, basically my name and I Mr Simon Cordell and I would like to find out, I put in to cad number recently on the 16th and the 11th I believe in regards to asking an Ian rafial, who is the Sergeant of Edmonton police station to call me in regards to his officers that he is in charge of and notes were put down on the cad and I still have not revived a call back within 24 hours and it has been three days now and I still have not revived a call back in regards to

this, so I was just wondering if you could put another cad in again asking him to call me again, because I have yes still to get his call and can I get a Cad number for this call please.

Police Officer; yes of course you can.

Simon; that is possible?

All so I have another question I would like to ask.

Police Officer; yes, go on.

Simon; I have been put on bail conditions no on conditions for my Asbo for an Asbo that has illegal been put against me it is forged and put against me basically I am being held for eight years in my house on well seven years on the Asbo two years on the injunction and five years for the Asbo in total that is seven years the maximum sentence and this was under the raves bill the maximum sentence that any one should get is six months in prison and a 20 grand fine but somehow I am riding eight years more than what most paedophiles and murders would get, hum I am quite upset about this but in my bail condition it says that I am not a loud on no industrial estate or that I am not a loud to do nothing of this nature now I would like to go to warehouse I would like to go out, I have not been a loud out for four years, I have not been allowed to go to out to anything, I would like to go to warehouse night club and I want to find out if I attend warehouse night club with my girlfriend then will I got to prison is that an arrest able offence.

Police Officer; sir what I would advise you to do is speak to.

Simon; Ian Rafael.

Police Officer; yes Ian Rafael.

Simon; yes, he is the new one.

Police Officer; he won't contact me back because he understands what is going to happen to the officers he is supposed to be in charge of, when Jane Johnson was in charge of them who was the last sergeant, she as a gold member team allowed access in to the police computers and allowed information to be forged, she was **transferred** straight away once I recorded her conversation and was **transferred** to royal diplomatic protection in Westminster but she basically has walked away from her duties of responsibility that she had at the time to the officers and to make sure there paper work was correct and now he is in charge of it, these officers are still on active duty I do not feel like I can leave my house I cannot even walk down my street because I feel that these officers are going to attack me and further manipulate the truth and I am going to end up with a sentence because they would rather that to happen to me rather than lose their mortgages or pensions and face up to what they have really done them self's in fraud paper work the fraud paper work in my Asbo.

Police Officer; sir, can I, just can we just- recorded some details, yes.

Simon; yes, that want to do.

Police Officer; silence.

Simon; hello.

Police Officer; sir, I am all on the computer and I am just typing away, just give me a minute and I will just see if I can get some answers for you.

Simon; thank you.

Police Officer; ok then.

Simon; they should have just dropped it under the trespass, and I would have just forgot about the corruption, they never proved trespass in the buildings they had another chance.

Police Officer; who is the person dealing with your case.

Simon; well Steven Elsmore is the developer of the application he has done that under the order of.

Police Officer; no, no, from a police perspective.

Simon; yes Steven Elermore who is a pc and he has been told to create the application develop it under Sir Holgon Howl's Bernard the commissioner of England and Wales which is Sir Holgon Howl, his told him to do it, he has told Jane Johnson to tell Jane to tell

her officers to do it, Jane has told her officers to do it then Steve Elsmore created it then Steve Elsmore went to the civic centre and he spoke to Steve Elise and Steve Elis signed the forged paper work that Steve Elsmore created and they put the application against me I went to court under the grounds that trespass had not been proved under none of the incidents sighted in the application and basically I technically I won the case of what the applicant, what the respondent had put against me, Hum and when I walked out and went back home somehow it got advertised in the newspaper that I was found guilty for the organisation of illegal raves I had not even been arrested for some think that was illegal so I was quite shocked that this had happened to me and then basically at the end of it Steve Elsmore used a load of cad paper work his used hum sergeant Chile's Miles his used Inspector Sergeant Skinner paper work loads of them a Doglus Skinner the list to them is endless to them and basically they forged all of the time stamps and added cads in because all the call centre like the 999 call centre time stamps say cad five hundred happens every day and that has a time stamp of ten 0 clock cad five hundred and twenty five cannot have a time stamp of nine 0 clock earlier than the five hundred this happens continuously thought my paper work and then what made it even worse than that is that there is an inspector Hamill inspector Hamill actually went out side of the site of Progress he made ten he went there ten different times because his grid reference number has been put in there and he made ten different calls to 999 used his own personal mobile number and basically he created the cad outside now you can see if you look at the time stamps to the cads and you actually look at the x to y location correspondents you can see that each ten of these are in accurately the same place but out of the ten different ones, ten different cad numbers that he created to set me up one of them they forgot to block his name out and it says inspector Hamill calling on duty now he made that and let's say one of the calls he made that at 1;59 and he was at grid number so, and so, now if you look at the other cad papers two minutes before that accurately the same grid reference number another call was made from that actually same place so basically he made a phone call put the phone down two minutes later he made another phone call to 999 of his mobile unless he, some one body was standing on his toes and made this other phone call and did not speak to him the evidence that I have is over whelming to the true facts to what really happened hum the time cannot go backwards and trespass has to be proved in side of a building and under the licensing act when you are inside of a building then it should be proved that a communal building is being run none of these police officers went to none of the building owners but I gave them my cv of all the good work that I had been doing in the community lock to lock festival kids with celerpulsie, Enfield the list is endless I was the manager of my community hall and they went to every one of these places rather than go to a building owner and follow the true lines of investigation and they darkened all of my contracts and my work now I cannot get no work with these people again and I am sitting her upset that there is not even a building owner in side of the whole application.

Simon; hum I have got the folders what I got set up for is ten different events and I knew that I had not committed them and I was not the organizer to them so what I done at the time I copied, I went to all of the Face book profiles of the true organisers and I copied there whole face books so I have eight different folders here right now that I have never handed to yourselves and it of all the true organisers face book yes but I am not a super grass and I do not want to do the officers lines of investigations.

Police Officer; Simon.

Simon; yes.

Police Officer; what I have.

Simon; hello;

Police Officer; what I have done is hum I have sent this through so hopefully someone will be calling you back shortly.

Simon; I would appreciate that I do not even want.

Police Officer; muttering;

Simon; can I just get a cad number please I do not want your name I would just like a cad number to this call please if that is possible.

Police Officer; yes;

Simon; I have got to ride another four, I have ride four years of it I have got to ride another four years, I cannot even go out to a night club, I cannot do anything, I cannot do anything right now I went to court and I did not attended a few times just to give them time to do the right thing because I have respect for the officers I have respect for all police officers I used to have good communications with them all until this happened like I would save them I have got pictures of me on you tube at Notting Hill watching a loud of officers two woman officers getting attacked I had to run over and offered them over and told ever one if they throw another bottles I have done so much for the officers when the time the crunch has hit it I have done the right things.

Police Officer; ok your cad reference number is 060194/24 Feb 17.

Police Officer;

Simon; thank you sir and I will be accepting a call back in 24 hours supposedly.

Police Officer; I have notified the correct department and made them aware of your complaint and that you're requesting call back within 24 hours.

Simon; ok thank you;

Police Officer; ok you welcome.

Simon; ok hope you have a good day sir.

Police Officer; bye for now;

Simon; bye;

Dear Mr Cordell

Re: Loss of water pressure/supply to block

Letter Hand Delivered

As you may be aware, there is an ongoing issue with loss of water pressure/supply to one or more of the flats in your block. Thames Water has attended more than once in recent weeks but have not been able to resolve the issue. They have advised that the external pressure/supply is satisfactory and that the restriction lies somewhere within the internal supply of the block. The Council's surveyor needs to investigate the matter further and will need to access flats 109, 113 and 117 to do so. We need to gain access into your property and an appointment has been made on

Friday

24/02/0000

between 10.00am and 12.00pm in order to establish the level of water pressure/supply in your property and to identify whether there is any restriction to the flow throughout the block. Please can you arrange for you or your personal representative to be there at this time to facilitate access. Please can you confirm that someone will be available to provide access by contacting me on 0800 40 80 160. We would appreciate your cooperation in this matter in order to resolve the issue for all residents in this block as soon as possible.

Yours sincerely,

Sarah Fletcher

I have sent 22 February **2017** 10:06 giving 14 days or I will take it to the ICO and have not had a reply yet to the email I sent.

Antisocial Behaviour Allegations against Mr Simon Cordell [SEC=OFFICIAL]

Dear Lemmy Nwabuisi

I will get back to you with a date. But I am very upset at what is on file within the subject access request it seems as if you put everything onto Mr Cordell and large amounts of data is missing. Like the information about Deborah Andrews this is incorrect, and the only reason we have found out about this is due to the subject access request. But there are lots of emails that are missing that I sent about Deborah Andrews and what the neighbours were doing, that are dated before any complaints went in from Deborah Andrews and the neighbours. yet nothing was done for Mr Cordell about this.

Also, there is missing dates and times of complaints, as to when things were meant to have happened and what

time they were meant to have happened why?

I do have many issues, with the report and why no emails are in the subject access request that was put in by me that are dated well before the neighbours put complaints in yet Enfield Council done nothing about this, There are also no phone calls I made or my son made, but as soon as the neighbours put complaints in these were?

taken up right away by Enfield Council. I will get back to you with a date I am due to see someone on the 09/03/2017 when I will be showing them all the information. So, it will need to be after this date. Dionne Grant has also got until the 02/03/2017 to deal with the subject access request and if I have not heard anything by this date, I will pass this on to the ICO.

Lorraine Cordell

OFFICIAL PUBLIC

Dear Ms Cordell,

Thank you for your email today regarding your son Mr Cordell's tenancy at 109 Burncroft Avenue. I did attend site with the Surveyor this morning to look at the low water pressure situation at the block. We were only able to gain access to one of the two other flats and the surveyor suggested we knock at Mr Cordell's on the off chance that someone was home. I honestly didn't expect anyone to answer as I had understood from you that no one was available. I am sorry if I misunderstood this and that you actually meant that you wanted to be present too. I will certainly try to take this into consideration in future. As I am sure that you may appreciate that for the Council to try and resolve this matter, we had to access three flats and to try to identify the cause it would assist in this process to access the three flats on one day if possible. Mr Cordell did answer the door and very kindly did give us access so that the Surveyor could assess the pressure of water into his flat. Unfortunately, the visit was inconclusive as to the cause of the issues regarding the water supply to the block so the Surveyor is going to liaise again with Thames Water to try and move this forward. I would like to reassure you that we are just trying to resolve the issues related to the water pressure/supply to the block in the interests of all the residents affected by this including your son, Mr Cordell.

Kind regards,

Dear Sarah Fletcher

After the call you made to me on the 22/02/2017 and I told you the date of the 24/02/2017 was not a suitable date to attend my son's home, in regards to the ongoing low water pressure issue in the block, you then said you would call me back on the 23/02/2017 with a date after you had spoken to the inspector, as to when you and the inspector could attend. The dates I gave you that were not suitable were the 24/02/2017 and the 27/02/2017. And the 28/02/2017, 01/03/2017 and the 02/03/2017 would be fine for you to attend with the inspector. On the 23/02/2017 you did call to give me an update, you said that you did not have an update as to a date, due the inspector not being in all day on the 23/02/2017, and that you was still going out to number 113 and 117 on the 24/02/2017 and that once you spoke to the inspector on the 24/02/2017 you would call me with an update as to what date you could attend with the inspector to my son's home. Why did you therefore go to my son's address on the 24/02/17 when you were told it was not convenient? The reason I said the dates were not suitable was that no one could be there with my son, and due to ongoing issues, which you are well aware off, I did not want my son there on his own when the council attended his home address. This has also been said to the council before, so why did you even go to my son's home when I told you it was not suitable? Could you please explain to me why? I was shocked when I got a call from my son today saying you had been to his home. From what my son also said to me today when he called, the inspector has also said the low water pressure issue in the block is not coming from his flat, can you also please confirm this via email.

Regards

Lorraine Cordell

24th February 2017

Sarah Fletcher (Neighbourhood Officer) and Steve Stirk (Maintenance Surveyor) attended your property at flat 109 Burncroft Avenue to inspect the property following reports of low water pressure from flats 113 and 117 Burncroft Avenue.

While inside your flat, they observed that you have installed an iron security gate inside your front door.

It also appeared to them that the wall between your kitchen and living room seemed to have got removed creating an open plan effect.

Much of the property got taken up industrial type printers, boxes and folders and there were dog faeces in your back garden.

Outgoing call

Metropolitan Police introduction

Police Officer; Hello Metropolitan police what is your reason for calling

Simon; hello I have a few reason's to call I have general questions to ask yourself, hum, basically my name and I Mr Simon Cordell and I would like to find out, I put in to cad number recently on the 16th and the 11th I believe in regards to asking an Ian rafieal, who is the Sergeant of Edmonton police station to call me in regards to his officers that he is in charge of and notes were put down on the cad and I still have not revived a call back within 24 hours and it has been three days now and I still have not revived a call back in regards to this, so I was just wondering if you could put another cad in again asking him to call me again, because I have yes still to get his call and can I get a Cad number for this call please

Police Officer; yes of course you can

Simon: that is possible? all so I have another question I would like to ask

Police Officer; yes, go on

Simon; I have been put on bail conditions no on conditions for my Asbo for an Asbo that has illegal been put against me it is forged and put against me basically I am being held for eight years in my house on well seven years on the Asbo two years on the injunction and five years for the Asbo in total that is seven years the maximum sentence and this was

	under the raves bill the maximum sentence that any one should get is six months in prison and a 20 grand fine but somehow I am riding eight years more than what most paedophiles and murders would get, hum I am quite upset about this but in my bail condition it says that I am not a loud on no industrial estate or that I am not a loud to do nothing of this nature now I would like to go to warehouse I would like to go out, I have not been a loud out for four years, I have not been allowed to go to out to anything, I would like to go to warehouse night club and I want to find out if I attend warehouse night club with my girlfriend then will I got to prison is that an arrest able offence Police Officer; sir what I would advise you to do is speak to Simon; Ian rafieal Police Officer; yes, Ian rafieal Simon; yes, he is the new one Police Officer; he won't contact me back because he understands what is going to happen to the officers he is supposed to be in charge of, when Jane Johnson was in charge of them who was the last sergeant, she as a gold member team allowed access in to the police computers and allowed information to be forged, she was transferred straight away once I recorded her conversation and was transferred to royal diplomatic protection in Westminster but she basically has walked away from her duties of responsibility that she had at the time to the officers and to make sure there paper work was correct and now he is in charge of it, these officers are still on active duty I do not feel like I can leave my house I cannot even walk down my street because I feel that these officers are going to attack me and further manipulate the truth and I am going to end up with a sentence because they would rather that to happen to me rather than lose their mortgages or pensions and face up to what they have really done them self's in fraud paper work the fraud paper work in my Asbo Police Officer; sir, can I, just can we just record some details yes Simon; yes, that want to do Police Officer; silence Simon; hello Police Officer; sir, I am all on the I am just typing away, just give me a minute and I will just see if I can get some answers for you Simon; thank you Police Officer; ok then Simon; they should have just dropped it under the trespass, and I would have just forgot about the corruption, they never proved trespass in the buildings they had another chance Police Officer; who is the person dealing with your case Simon; well Steven Elsmore is the developer of the application he has done that under the order of Police Officer; no, no, from a police perspective Simon; yes Steven Elermore who is a pc and he has been told to create the application develop it under Sir Holgon Houle's Bernard the commissioner of England and Wales

	which is Sir Holgon Howl, his told him to do it, he has told Jane Johnson to tell Jane to tell her officers to do it, Jane has told her officers to do it then Steve Elsmore created it then Steve Elsmore went to the civic centre and he spoke to Steve Elise and Steve Elis signed the forged paper work that Steve Elsmore created and they put the application against me I went to court under the grounds that trespass had not been proved under none of the incidents sighted in the application and basically I technically I won the case of what the applicant, what the respondent had put against me, Hum and when I walked out and went back home somehow it got advertised in the newspaper that I was found guilty for the organisation of illegal raves I had not even been arrested for some think that was illegal so I was quite shocked that this had happened to me and then basically at the end of it Steve Elsmore used a loud of cad paper work his used hum sergeant Chile's Miles his used Inspector Sergeant Skinner paper work loads of them a Duglous Skinner the list to them is endless to them and basically they forged all of the time stamps and added cads in because all the call centre like the 999 call centre time stamps say cad five hundred happens every day and that has a time stamp of ten 0 clock cad five hundred and twenty five cannot have a time stamp of nine 0 clock earlier than the five hundred this happens continuously thought my paper work and then what made it even worse than that is that there is an inspector Hamill inspector Hamill actually went out side of the site of Progress he made ten he went there ten different times because his grid reference number has been put in there and he made ten different calls to 999 used his own personal mobile number and basically he created the cad outside now you can see if you look at the time stamps to the cads and you actually look at the x to y location correspondents you can see that each ten of these are in accurately the same place but out of the ten different ones, ten different cad numbers that he created to set me up one of them they forgot to block his name out and it says inspector Hamill calling on duty now he made that and let's say one of the calls he made that at 1;59 and he was at grid number so, and so, now if you look at the other cad papers two minutes before that accurately the same grid reference number another call was made from that actually same place so basically he made a phone call put the phone down two minutes later he made another phone call to 999 of his mobile unless he, some one body was standing on his toes and made this other phone call and did not speak to him the evidence that I have is over whelming to the true facts to what really happened hum the time cannot go backwards and trespass has to be proved in side of a building and under the licensing act when you are inside of a building then it should be proved that a communal building is being run none of these police officers went to none of the building owners but I gave them my cv of all the good work that I had been doing in the community lock to lock festival kids with celerpulsie, Enfield the list is endless I was the manager of my community hall and they went to every one of these places rather than go to a building owner and follow the true lines of investigation and they darkened all of my contracts and my work now I cannot get no work with these people again and I am sitting her upset that there is not even a building owner in side of the whole application Simon; hum I have got the folders what I got set up for is ten different events and I knew that I had not committed them and I was not the organizer to them so what I done at the time I copied, I went to all of the Face book profiles of the true organisers and I copied there whole face books so I have eight different folders here right now that I have never handed to yourselves and it of all the true organisers face book yes but I am not a super grass and I do not want to do the officers lines of investigations Police Officer; Simon Simon; yes

Police Officer; what I have

Simon; hello

Police Officer; what I have done is hum I have sent this through so hopefully someone will be calling you back shortly

Simon; I would appreciate that I do not even want

Police Officer; muttering

Simon; can I just get a cad number please I do not want your name I would just like a cad number to this call please if that is possible

Police Officer; yes

Simon; I have got to ride another four, I have ride four years of it I have got to ride another four years, I cannot even go out to a night club, I cannot do anything, I cannot do anything right now I went to court and I did not attended a few times just to give them time to do the right thing because I have respect for the officers I have respect for all police officers I used to have good communications with them all until this happened like I would save them I have got pictures of me on you tube at Notting Hill watching a loud of officers two woman officers getting attacked I had to run over and offered them over and told ever one if they throw another bottles I have done so much for the officers when the time the crunch has hit it I have done the right things

Police Officer; ok your cad reference number is 060194/24 Feb 17

Police Officer;

Simon; thank you sir and I will be accepting a call back in 24 hours supposedly

Police Officer; I have notified the correct department and made them aware of your complaint and that you're requesting call back within 24 hours

Simon; ok thank you

Police Officer; ok you welcome

Simon; ok hope you have a good day sir

Police Officer; bye for now

Simon; bye

Outgoing call

Metropolitan Police introduction

Simon; hello

Police Officer; is that a Mr Simon Cordell

Simon; Yes, Mr Cordell speaking whom I speaking to

Police Officer; Sergeant Miller

Simon; Miller

Police Officer; yes, from Edmonton police station

Simon; how are you doing

Police Officer; I am calling in regard to a complaint that you have made

Simon; yes basically in 2000 and it is quite its quite over reached by now in **2013** I was put on I was arrested for burglary I had a police officer come to my house and they found a gazebo in my garden handling stolen goods and put it down as burglary I was on bail conditions for the whole of the year **2013** to 14 I had to give my passport to uses lot I was not a loud to leave the country I had to sign on at the police station every day at eight 0 clock plus I was on a house bail conditions I was not a loud to leave my house yes the conditions were endless I was barred from central London and so forth and after a year of being on bail and having to stick to all of these conditions I finally one the case I got released and I walked out side of my front door as I walked out side of my front door I meat a new partner and so forth like that

Simon; one day I was in my house and a loads of police officers knocked at my front door I asked them what they wanted through my front door being closed and they explained to me that they just wanted to speak to me, so I opened my door slightly a jar and they tried to force a massive folder through my front door I closed the front door and I did not let the folder in my house and I said to them I am not letting them put stuff inside my house, they throw the folder on the floor outside of my house and walked of I phoned my mother and asked my mother to come and get, collect the folder and she could not come till the next day, she come to my house the next day and picked up the folder she photo copied it her, herself and then she went to the police station and handed it into Edmonton police station, she got a recite that I have yes, with a stamp on it from Edmonton police station and it is in my name, the property of Mr Simon Cordell that has never been found, yes and now I have got that receipt and it got put in lost property and now that is true and this property is an Asbo application now it only ever had four witness statements CFS callers in it witness statements saying that they were keep up overnight, now somehow since through the ongoing of the case getting dragged on since **2014** I have gone to go and get this folder and it has been stolen out of Edmonton lost property, now I am quite concerned about it being stolen because the property room was only burnt down a couple of years ago because of police corruption so I am quite shocked that it disorganized that stuff can still be stolen out of it by over officers so I would like to know where my folder is and I have got the recite for that now the reason that I would like the folder is because it proves that the police fraudulently added an extra ten witness statements into the folder since the time that it has been going on now

Police Officer; is it not that this complaint being dealt with by sergeant Thomason

Simon; no police officer has tried to deal with this or any of my complaints I continually keep phoning you lot up and recording I have a bout years' worth of recordings I am even recording this conversation right now

Police Officer; I am sure you have

Simon; I am recording this conversation

	Police Officer; honestly it does not matter you can record what you want I am jut calling in regards to your complaint ` Simon; this is not the only part of my complaint this property has been stolen by officers out of there Police Officer; yes, yes, I no Simon; what my further concern was Police Officer; go on Simon; I was I went I looked at the Asbo case and I knew that there was ten incidents in it and that I had not committed none of these incidents I was not the organizer to any if these events so I wouldn't be I felt as if in the police were trying to force me to be a super grass yes and using the paper and fabricating the paper work to turn me into a super grass I looked at the laws that I represent from the land that I live off and I went to court and I said look trespass has not been proven inside none of these buildings, yes for under the raves bill trespass must be present, yes 1994 so I won the case applicants case any way but somehow she said because you had a nitro s oxide bottle on you at one of these days which is an ADR road traffic offence and it ant a traffic offence because it is not illegal to carry it she gave me a five year Asbo I had already been riding two years prior to that to the injunction so that is seven years plus I done a year for the other case the gazebo which I won that is eight years the maximum sentence under the raves bill is six months and a 20 grand fine so I do not understand why I am riding eight years and my eight years don't get cut in half, now it said I was also further upset because it says the organisation of illegal raves now if some this is illegal I should have been arrest yes so I should have been arrested I should have been a loud to have my interview I should have been a loud to go through it with my solicitor's and the cps should have took my case yes from there now this has never happened but somehow I seem to have a criminal recorded no I do not have a criminal record but somehow basically what they continue to say in the Asbo was this will not have an effect on my abilities of running my company objectives so I wrote to every other council borough there are thirty three boroughs so I wrote to the other thirty two wrote and they basically write back to me and said these council are lying and these police are lying this has a massive effect of the running abilities of your company because every council has a different licensing department yes and that I have to go there and because it says an illegal offence Police Officer; Police Officer; Simon; massive effect of the running abilities of your company because every council has a different licensing department, yes and that I have to go there and because it says an illegal offence yes I have to basically have to go to a special committee with them and that I have to explain the Asbo which is un fair on me and it stops me working with the other thirty two boroughs yes now I have been in my house Police Officer; can I just stop you there it is frustrating because what you are saying rings a bell one of my colleges you spoke you spoke to one of my colleges on 13th of February Simon; yes, that is very possible Police Officer; yes, on cad 440 Simon; I have them all on recording so that I know that the, I do not know them all of my heart but I have got them all recorded

	Police Officer; ok that is just fine I am just telling you that you did because it is recorded here Simon; and they have told me that they cannot do anything the only person that can do some think is yourselves a sergeant from the police station Police Officer; yes Simon; sorry for being rude but I explained to them that if I phoned them now as a Cfs caller call for services and I said to them look I know someone I just see some body still a chocolate bar out of a shop they would send a patrol car to me and to that shop over a chocolate bar being stolen I have clear corruption here and I have got evidence of it and that I have been set up and that I am riding four years and I would like a police officer sent to my house so that Police Officer; mutter Simon; go on Police Officer; hum I am calling because we only deal with initiation service recover, now oversley your complaint we cannot deal with the initial serves recovery because it is they hum protracted in bits providentially protracted in investigation that needs to be done hum on the <u>13th of February on cad 440 which is our reference it has been marked up as sergeant Thomson is aware of your matter and he is dealing with it and now that is a sergeant that works in the</u> professional standards department office at Edmonton police station so he deals with all the ongoing protection standards issues and if there any complaints ongoing complaint he deals with them and so I cannot assist you at the moment because I am the wrong department for that but since he is aware of it I am going to send him an email now to tell him that you have called and that you want an update regarding this issue because hum he is looking in to it Simon; I would like a meeting with him so that I can sit there and show him the evidence that I have of the corruption and the fabricated evidence Police Officer; that is fine Police Officer; I will tell him to contact you directly and hum you can speak to him about it Simon; and if I do not receive a phone call back from none of your selves as like seems to have happened for the last three years or two years of this case now then what actually what actually happens then what should I phone you up again phone up the 02071212 again and then put the same complaint in again and hope that somebody contacts him again like how because no one want to investigating these officers Police Officer; I am sure that you have been contacted from the last time from Sergeant Thompson Simon; I have got recordings of me phoning up 999 and speaking to sergeants from ccc bow Police Officer; yes, yes you might call up a few times Simon; cc bow is basically said to me they have been one of the main officers in cc bow and that in all of their life that of them working there I have got it all on recording she has

	never seen the time stamps go backwards on the cads she said that this is clear corruption and this was months ago Police Officer; what do you mean that the time stamps go backwards Simon; basically, I got given an Asbo yes and on the Asbo in the Asbo paper there's say 50 cads in there yes and then 50 cad every day Cad number 500 happens now I wrote to storm and Met ccc and I have been told that it is fraud Police Officer; you are talking about things that I do not have a clue about yes so, I am not the right person to see to give you the advice on that Simon; but you are dealing with a cad system right this second Police Officer; yes Simon; right now, as I call you Police Officer; you are talking about cads being amended as far as I am concerned cads once they have been "mutter" the time frames cannot be changed on the cad because it does not give us an opportunity Simon; yes Police Officer; Simon; but what I am saying is that someone fraudulently, they gone and made the paperwork out of the computers because basically I have got cad say cad Police Officer; if you are saying that then someone has got to investigate that, and it will be as I said it will be the bloke at the professional standards department Simon; what is even worse than that is say like if you the cads say if you look at all of the cads a lot of the information like the call recorder is blocked out the call location everything is blocked out yes adapted now they forgot to take the x to y locations out yes so now when I put them into Google it shows it shows like five six miles away it show the other side of this place the other and they covered it all other and forged it to be that Police Officer; sir I have got to stop you there sir I have got to stop you there I appreciate you have got all of this information and I cannot assisted you with that but I am telling you that I am going to email the professional standards Simon; and what is his name again Police Officer; Sergeant Thomson Simon; Sergeant Thomson what Thomas what Police Officer; Thomson Simon; and what is his other name a badge for him Police Officer; err sixteen ye Simon; do you have a direct email yourself that I can contact as well Police Officer; his email yes, I can give you that one minute Simon; they said the only reason that they want to carry this Asbo on is because that of the amount of money that they have spent on this case they do not care about me as person it is

all about money to them yes and it has had a large huge effect on my way of life and on everything and it

Police Officer; OK

Simon; his err email address is Arran.Thomason@met.pnn.police.uk

Police Officer;

Simon; well thank you for contacting me today and I am sorry that it has been on such a negative thing

Police Officer; I am sure he is because it says he is I am sure that he is aware of him this but I will send him an email now

Simon; with this phone number and ask him to contact me back like this as well

Police Officer; yes, yes with this cad number that I rang you on

Simon; OK

Police Officer; but oversley he will get back in contact with you

Simon; OK thank you, you have a good day sir

Subject: RE: Subject Access Request

To Whom It May Concern:

I got a phone call today from someone dealing with the 4 subject access requests that were submitted for

- Mr. Simon Cordell: (submitted on the 07/02/2017)
- Mr. Tyrone Benjamin: (submitted on the 08/02/2017)
- Miss Deon Benjamin: (submitted on the 08/02/2017)
- Miss Lorraine Cordell: (submitted on the 08/02/2017)

I was told that a letter was going to be sent out stating that the way in which I have filed the subject access request is not by dates and that dates would be needed to complete the requests. I said to the lady how can we give you dates there is too many of them, far too many for us to remember as this is going back over 23 years of data we have requested, as we want all data that is held about us by police. This is when the lady said that she will send me a letter stating I had to update my request. Could the lady please be asked who called me today if this letter can be sent via my email. I have spoken to the ICO explained what has been said and even the lady cannot believe I am being asked to supply 23 years of dates, and can it also be confirmed if this is a refusal of the 4 subject access request that have been submitted. We want to move this forward, and we have the right to the information that is being held on us, all of it, dates should not be needed as we would like all information.

3001,

Regards

Miss Lorraine Cordell

Outgoing call.

Metropolitan Police introduction.

Simon; hello.

Police Officer; is that a Mr Simon Cordell.

Simon; Yes, Mr Cordell speaking whom I speaking to.

Police Officer; Sergeant Miller.

Simon; Miller.

Police Officer; yes, from Edmonton police station.

Simon; how are you doing.

Police Officer; I am calling in regards to a complaint that you have. made.

Simon; yes basically in 2000 and it is quite its quite over reached by now in **2013** I was put on I was arrested for burglary I had a police officer come to my house and they found a gazebo in my garden handling stolen goods and put it down as burglary I was on bail conditions for the whole of the year **2013** to 14 I had to give my passport to uses lot I was not a loud to leave the country I had to sign on at the police station every day at eight 0 clock plus I was on a house bail conditions I was not a loud to leave my house yes the conditions were endless I was barred from central London and so forth and after a year of being on bail and having to stick to all of these conditions I finally one the case I got released and I walked out side of my front door as I walked out side of my front door I meat a new partner and so forth like that

Simon; one day I was in my house and a loads of police officers knocked at my front door I asked them what they wanted through my front door being closed and they explained to me that they just wanted to speak to me, so I opened my door slightly a jar and they tried to force a massive folder through my front door I closed the front door and I did not let the folder in my house and I said to them I am not letting them put stuff inside my house, they throw the folder on the floor outside of my house and walked of I phoned my mother and asked my mother to come and get, collect the folder and she could not come till the next day, she come to my house the next day and picked up the folder she photo copied it her, herself and then she went to the police station and handed it into Edmonton police station, she got a recite that I have yes, with a stamp on it from Edmonton police station and it is in my name, the property of Mr Simon Cordell that has never been found, yes and now I have got that receipt and it got put in lost property and now that is true and this property is an Asbo application now it only ever had four witness statements CFS callers in it witness statements saying that they were keep up overnight, now somehow since through the ongoing of the case getting dragged on since **2014** I have gone to go and get this folder and it has been stolen out of Edmonton lost property, now I am quite concerned about it being stolen because the property room was only burnt down a couple of years ago because of police corruption so I am quite shocked that it disorganized that stuff can still be stolen out of it by over officers so I would like to know where my folder is and I have got the recite for that now the reason that I would like the folder is because it proves that the police fraudulently added an extra ten witness statements into the folder since the time that it has been going on now.

Police Officer; is it not that this complaint being dealt with by. sergeant Thomason.

Simon; no police officer has tried to deal with this or any of my complaints I continually keep phoning you lot up and recording I have a bout years' worth of recordings I am even recording this conversation right now.

Police Officer; I am sure you have.

Simon; I am recording this conversation.

Police Officer; honestly it does not matter you can record what you want I am jut calling in regards to your complaint. `

Simon; this is not the only part of my complaint this property has been stolen by officers out of there.

Police Officer; yes, yes I no.

Simon; what my further concern was.

Police Officer; go on.

Simon; I was I went I looked at the Asbo case and I knew that there was ten incidents in it and that I had not committed none of these incidents I was not the organizer to any if these events so I wouldn't be I felt as if in the police were trying to force me to be a super grass yes and using the paper and fabricating the paper work to turn me into a super grass I looked at the laws that I represent from the land that I live off and I went to court and I said look trespass has not been proven inside none of these buildings, yes for under the raves bill trespass must be present, yes 1994 so I won the case applicants case any way but somehow she said because you had a nitro s oxide bottle on you at one of these days which is an ADR road traffic offence and it ant a traffic offence because it is not illegal to carry it she gave me a five year Asbo I had already been riding two years prior to that to the injunction so that is seven years plus I done a year for the other case the gazebo which I won that is eight years the maximum sentence under the raves bill is six months and a 20 grand fine so I do not understand why I am riding eight years and my eight years don't get cut in half, now it said I was also further upset because it says the organisation of illegal raves now if some this is illegal I should have been arrest yes so I should have been arrested I should have been a loud to have my interview I should have been a loud to go through it with my solicitor's and the cps should have took my case yes from there now this has never happened but somehow I seem to have a criminal recorded no I do not have a criminal record but somehow basically what they continue to say in the Asbo was this will not have an effect on my abilities of running my company objectives so I wrote to every other council borough there are thirty three boroughs so I wrote to the other thirty two wrote and they basically write back to me and said these council are lying and these police are lying this has a massive effect of the running abilities of your company because every council has a different licensing department yes and that I have to go there and because it says a illegal offence.

Police Officer; Police Officer;

Simon; massive effect of the running abilities of your company because every council has a different licensing department, yes and that I have to go there and because it says a illegal offence yes I have to basically have to go to a special committee with them and that I have to explain the Asbo which is un fair on me and it stops me working with the other thirty two boroughs yes now I have been in my house.

Police Officer; can I just stop you there it is frustrating because what you are saying rings a bell one of my colleges you spoke you spoke to one of my colleges on 13th of February.

Simon; yes, that is very possible.

Police Officer; yes, on cad 440.

Simon; I have them all on recording so that I know that the, I do not know them all of my heart but I have got them all recorded.

Police Officer; ok that is just fine I am just telling you that you did because it is recorded here.

Simon; and they have told me that they cannot do anything the only person that can do some think is yourselves a sergeant from the police station.

Police Officer; yes.

Simon; sorry for being rude but I explained to them that if I phoned them now as a Cfs caller call for services and I said to them look I know someone I just see some body still a chocolate bar out of a shop they would send a patrol car to me and to that shop over a chocolate bar being stolen I have clear corruption here and I have got evidence of it and that I have been set up and that I am riding four years and I would like a police officer sent to my house so that.

Police Officer; mutter.

Simon; go on.

Police Officer; hum I am calling because we only deal with initiation service recover, now offerssley your complaint we cannot deal with the initial serves recovery because it is they hum protracted in bits providentially protracted in investigation that needs to be done hum on the 13th of February on cad 440 which is our reference it has been marked up as sergeant Thomson is aware of your matter and he is dealing with it and now that is a sergeant that works in the professional standards department office at Edmonton police station so he deals with all the ongoing protection standards issues and if there any complaints ongoing complaint he deals with them and so I cannot assist you at the moment because I am the wrong department for that but since he is aware of it I am going to send him an email now to tell him that you have called and that you want an update regarding this issue because hum he is looking in to it.

Simon; I would like a meeting with him so that I can sit there and show. him the evidence that I have of the corruption and the fabricated. evidence.

Police Officer; that is fine.

Police Officer; I will tell him to contact you directly and hum you can. speak to him about it.

Simon; and if I do not receive a phone call back from none of your selves as like seems to have happened for the last three years or two years of this case now then what actually what actually happens then what should I phone you up again phone up the 02071212 again and then put the same complaint in again and hope that somebody contacts him again like how because no one want to investigating these officers.

Police Officer; I am sure that you have been contacted from the last time from Sergeant Thompson.

Simon; I have got recordings of me phoning up 999 and speaking to sergeants from ccc bow.

Police Officer; yes, yes you might call up a few times.

Simon; cc bow is basically said to me they have been one of the main officers in cc bow and that in all of their life that of them working there I have got it all on recording she has never seen the time stamps go backwards on the cads she said that this is clear corruption and this was months ago.

Police Officer; what do you mean that the time stamps go backwards

Simon; basically, I got given an Asbo yes and on the Asbo in the Asbo paper there's say 50 cads in there yes and them 50 cad every day "Cad - number 500" happens now I wrote to storm and Met ccc and I have been told that it is fraud.

Police Officer; you are talking about things that I do not have a clue about yes so, I am not the right person to see to give you the advice on that.

Simon; but you are dealing with a cad system right this second.

Police Officer; yes.

Simon; right now, as I call you.

Police Officer; you are talking about cads being amended as far as I am concerned cads once they have been "mutter" the time frames cannot be changed on the cad because it does not give us an opportunity.

Simon; yes.

Police Officer;

Simon; but what I am saying is that someone fraudulently, they gone and made the paper work out of the computers because basically I have got cad say cad.

Police Officer; if you are saying that then someone has got to investigate that and it will be as I said it will be the bloke at the professional standards department.

Simon; what is even worse than that is say like if you the cads say if you look at all of the cads a lot of the information like the call recorder is blocked out the call location everything is blocked out yes adapted now they forgot to take the x to y locations out yes so now when I put them into Google it shows it shows like five six miles away it show the other side of this place the other and they covered it all other and forged it to be that.

Police Officer; sir I have got to stop you there sir I have got to stop you there I appreciate you have got all of this information and I cannot assisted you with that but I am telling you that I am going to email the professional standards.

Simon; and what is his name again.

Police Officer; Sergeant Thomson.

Simon; Sergeant Thomson what Thomas what.

Police Officer; Thomson.

Simon; and what is his other name a badge for him

Police Officer; err sixteen ye

Simon; do you have a direct email yourself that I can contact as well.

Police Officer; his email yes, I can give you that one minute.

Simon; they said the only reason that they want to carry this Asbo on is because that of the amount of money that they have spent on this case they do not care about me as person it is all about money to them yes and it has had a large huge effect on my way of life and on everything and it.

Police Officer; OK.

Simon; his err email address is Arran.

Thomason@met.pnn.police.uk

Police Officer;

Simon; well thank you for contacting me today and I am sorry that it has been on such a negative thing.

Police Officer; I am sure he is because it says he is I am sure that he is. aware of him this but I will send him an email now.

Simon; with this phone number and ask him to contact me back like this as well.

Police Officer; yes, yes with this cad number that I rang you on;

Simon; OK;

Police Officer; but oversley he will get back in contact with you.

Simon; OK thank you, you have a good day sir.

I would also like to say there is a subject access request that have been put in one for each of my family due to what the police have done, the police are trying to refuse giving it to us. The report that DPS sent to us re this complaint did in fact bring up many more issues and I would like to see the documents they are not willing to give us. I feel that these documents could in fact bring up more issues and complaints. within this complaint and i feel we should have a right to see them. I visited Mr Mathiyalagan at 117 Burncroft Avenue today to look at the flooring following email from Mrs Cordell concerning noise as a result of wood flooring in the flat. I noticed that there is laminate flooring in the whole fiat and ceramic tiles in the kitchen. Mr Mathiyalagan stated that the flooring was already in the flat when they moved in. He stated that they do not make noise deliberately and that any noise from his flat is household noise. He also stated that as far as he is aware that the person living below them, we not complained of noise and that he will be the one that will be affected if there are excessive notices from his flat'. He also stated that he has asked the man if they are causing noise disturbances and he said they are not. He also requested that Mr Cordell should contact the council if he is being disturbed by noise from his flat instead of harassing him and his family by banging on his front door, shouting abuse at him and his wife, threatening them and confronting them when they come into the block.

I informed him that laminate flooring can generate some noise and to be mindful of his neighbours while walking around inside his fiat I then went and knocked at flat 113 but there was no response.

Dear Tara Stewart Milne

Thank you for the reply, I do know the IPCC has no power to compel police to hand over the information regarding the subject access requests that have been submitted to them and I will take this up with the ICO if they don't, I also may take this up with the courts, our family has had enough over the last 23 years with what the police are doing to us, it's gone way past the point, that the police can say they are just doing their job. But the DPS has put in their report for this complaint they are using other information, why can't we see that information?

why does the police feel the need to hide information regarding a complaint? I feel we have the right to see the information, as it all runs within this complaint, and hiding it from us only shows to me they are covering up what the police done, like they have done for years. I am not sure if you can forward us the information that the DPS and police have used, but I feel we should be able to see it, as I feel that without us being able to see it, we cannot fully deal with this complaint, as we should be able to do, as I feel it will only highlight more information that the police done wrong.

Subject: IPCC Inv Appeal Your

ref: 2015/049718Update

Dear Ms Cordell,

As part of the background evidence for your appeal, the MPS have provided us with CCTV footage from the custody suite. I attempted to view this footage earlier this week, however, on doing so I identified the footage is in a Multiplex format. Multiplex allows a number of video signals to be viewed on one screen and requires a specialist player to review it. We do not have the facility to view Multiplex footage in the office I am based in. As a result, your appeal has been **transfer**red to the IPCC's High Holborn office as they do have this facility. Your appeal has been marked as urgent and will be the next appeal to be allocated to a casework manager. Your new casework manager will contact you to confirm the allocation.

I apologise that we have had to reallocate your case and the short delay this may result in. I can assure you I have attached our correspondence and the documents you have sent me to the case file for review by the new casework manager. If you have any further questions in relation to this, please do not hesitate to contact me.

Yours Sincerely,

Tara

Antisocial Behaviour Allegations against Mr Simon Cordell [SEC=OFFICIAL]

Dear Mr. Cordell,

Re: Allegations of Anti-Social Behaviour, Harassment, Intimidation and Threatening Behaviour

I write with regards to reports of anti-social behaviour, intimidation, harassment and threatening behaviour made against you by your neighbours.

I wrote to you on 29th December **2016** to arrange to meet with you on 6th December **2016** to discuss these reports but you cancelled the meeting. I wrote to you again on 31st January 2017 to arrange to meet with you on 9th February 2017, you also cancelled the meeting. I then wrote to you again on 16th February 2017 to arrange to meet with you on 22nd February 2017 and again you cancelled the meeting. I have enclosed all three letters for your information.

It is unfortunate that you have repeatedly refused to meet with us to discuss this matter and look at ways to resolve the problems between you and your neighbours. The allegations made against you by your neighbours, if true, are very serious breaches of your tenancy conditions. It is important that we meet with you to discuss these allegations and give you the opportunity to respond to them.

I have therefore arranged for you to meet with me at the Civic Centre, Silver Street, Enfield, EN1 3XY at 3pm on Wednesday, 22nd March 2017 to discuss this matter. You should contact me on 02083795354 to rearrange the meeting if this date is not convenient for you.

I got a letter of Lemmy Nwabuisi ASB Coordinator through my letter box he lied in his paperwork and started that I chased him down the street while swearing at him. The letter requested that I attended at a meeting at the offices to discuss the allegations and this would be the Enfield civic Centre and more!

On the 17th March 2017

“From Council History”

20/03/2017:

I visited 109 Burncroft Avenue on

to hand deliver to post a letter through Mr. Cordell's door and as I got into my car to drive off after posting the letter, Mr. Cordell ran after me shouting and screaming abuse: I did not stop to speak to him and he ran after me until I turned left into Green Street: As he was running after my car, he was shouting at people passing by to stop the car. By the time I returned to the office, Mr. Cordell had telephoned me several times I telephoned him back and he wanted to know whether I was the person that posted a letter through his letterbox

and I said yes. He asked why I did not stop when he ran after me and I told him that I had another visit and did not have the time to stop and talk to him.

He stated that he will not attend the meeting 'at the Civic Centre or any of the council and that I should come to his flat I offered to. Have the meeting at a neutral venue like the local library or even at his mother's house but he refused and shouted to shout abuse and accuse me of. Taking sides with his neighbours. He denied doing the things that he is accused of doing and stated that he is the victim and that the council have refused to deal with his complaints against his neighbours.

He stated that he has been suffering noise disturbances from his neighbours since he moved into his flat and that the council have refused to deal with it.

He alleged that the council is conniving with the police to victimize him and threatened to put in a complaint against me.

He continued shouting abuse and will not let me say a word I then advised him that I will have to terminate the conversation as we were getting nowhere.

On the 17th march 2017

I got a letter of Lemmy Nwabuisi ASB Coordinator through my letterbox he lied in his paperwork and started that I chased him down the street while swearing at him.

The letter requested that I attended at a meeting at the offices to discuss the allegations and this would be the Enfield civic Centre.

He states that he offered to me; a meeting at my mother's houses or the local library, this is not true.

His Accusations were:

It got said by Enfield council that on 17th March **2017** Lemmy Nwabuisi, ASB, Coordinator visited

109 Burncroft Avenue to post a letter through your door and as he got into his car to drive off after posting the letter, you ran after him shouting and screaming abuse.

The letter requested that you attend our offices to discuss the nuisance reports being received from your neighbours.

By the time he returned to the office, you had telephoned him several times.

He telephoned you back, and you asked whether he was the person who posted a letter through your letter box and he said yes.

You asked why he did not stop when you ran after him and he stated that he had another visit and did not have the time to stop and talk to you.

You stated that you will not attend the meeting at the Civic Centre or any of the council offices as you unable and cannot leave your flat and that the meeting should take place in your flat.

Mr Nwabuisi offered to take place in a meeting at a neutral venue and suggested the local library or at your mother's house but you refused saying that you have done nothing wrong and accused him of taking sides with your neighbours.

Metropolitan Police introduction

Police Officer; hello police what is your reason for calling

Simon; hello I have got important information that I need to tell somebody I would like to speak to a sergeant he is the only person that I will talk to is that possible please

Police Officer; no, I am sorry that is not possible I am afraid

Simon; why is it not

	Police Officer; err you can speak to a police officer which is what I am Simon; is there not a is it not possible is there not always an Yf inside the police Police Officer; there is always a what sorry Simon; is there not like an yf or yah or y1 or something like that that is always behind you or something Police Officer; I am a bit I am a bit confused sorry Simon; so, you have, like a ye2 or a cex sc police officer Police Officer; you have called 101 Simon; no, I called 0207230 this is the call centre no Police Officer; yes Simon; and you are Met cc and Met cc has always has like a superior officer who is in charge of you lot normally or something like that a yah or something like that is it not Police Officer; no, no Simon; so, it is just yourself will you deal with Police Officer; I think what you acutely trying to say from my own experience of being a police office did you say ye2 I take it that you live in Enfield Simon; yes, that is correct Police Officer; yes, so what ye2 would be is the petrol sergeant at in Simon; yes, in Edmonton Police Officer; in Enfield Simon; and I accept that Police Officer; the borough of Enfield Simon; but normally the 999 call centres have a manager a duty manager that is of a higher rank to yourselves yes, it does not matter if you can deal with what I want then you can do that Police Officer; I am pretty show that I can deal with it Simon; well basically my name is a Mr Simon Cordell and who am I speaking to Police Officer; pc Williams Simon; PC Williams how are you doing basically I phoned up yesterday and I tried to speak to a lady and I put I asked for a cad number in regards to having a investigation put in against police officers I basically I quite upset with what has been going on I have been held hostage in my house because the police tried to set me up a PC Steve Elernmore under a Jane Johnson who is a superintendent and there is a couple of others I have their pictures here and the rest of it there is a duglous Skinner and you had a sergeant Chile's Miles now they throw an Asbo application outside of my front door this was for the applicant case or the respondent case basically was for the organisation of illegal raves it clearly states that they are illegal I was never arrested for something that is illegal it got taken to court under

	civil proceedings under a standalone Asbo and basically a standalone Asbo is for civil proceedings now basically it has different rules to here say Police Officer; did you say your name was Simon Simon; yes, that is correct that is a Mr Simon Cordell Police Officer; Simon just, hurrah, fuck Simon; to cut a nut shell to cut it in a nut shell Police Officer; I need you to be a bit more process Simon; to cut it in a nut shell I basically put loads of cads in regards to like when I got the folder, I noticed loads of corruption within the folder and it is not silly corruption its serious corruption and it is holding me hostage in my house I have been given eight years Police Officer; how can, what is holding you hostage in your house Simon; all right basically this is what happened in say for instance in America you have freedom of speech when you go outside when you walk outside of your house in this country are human rights are very different we only we have you can cause a public offence in the public if you do something like that yes but in our own home we have the maximum extent to our own ability if we swear in our own home we are a loud to do that and we can ask a police office to leave for instance, with the raves bill this is a very slimier thing the raves bill 1994 that was put against me in side your own home or inside a place of residence trespass must be proven yes now or a commercial business must be proven to make it so that the raves bill can take place inside of somebody's house or place of residence now this was never proved on none of the accounts that I was accused of basically what I have got I went to court and I stood up for my rights just under them grounds and the principles of the laws and I one the case the respondents case but they gave me an Asbo for five years and I had already done a two year injection prior which is seven years that I had to ride Police Officer; well if you won the case Simon; well what happened is that they advertised in the newspapers that I was found guilty so they set me up I have got the transcripts of the court case proving from the magistrates proven that I was not found guilty now they have refused to listen I went home because I was so upset because of what they had done to me and I looked into the case papers even more knowing that I never committed the offences now when you call 999 let's say when you get 15,000 calls a day yes now you will get at 12 0 clock you will get the first person get number one next person gets number two and they all run in numeric order now and they all have time stamps besides of them each Cad number will now say cad number five hundred happens every day you can have a time stamp of ten 0 clock now cad number five hundred and forty, 50 latter cannot have a time stamp of nine Police Officer; Simon sorry Simon Simon; why are you explaining to me how the 999 call centre works Police Officer; what are you trying to report today Simon; because I have got paper work here right now that says pc Police Officer; what has that got to do with any thing

Simon; what it is if I stole if I told you right now or I told you that someone is stealing a mars bar or a chocolate bar from a shop you would have to send a police officer out to arrest that person for theft for such a minor offence I am telling you that right now that police officers have manufactured and developed evidence and they have put it into a folder and now that folder

Police Officer; what is it you are trying to report today

Simon; I put loads of cads in regard to loads of corruption loads of police corruption what are on your police computer now I have been told that they cannot be investigated because at the time I had an ongoing case and it would cause produce towards that case that case is now over and what I want is a police officer to come as if I am calling about a mars bar being stolen a criminal offence and I want them to go over the evidence that I have here and do there lines of investigation into these police officers not only like what I was saying cad number 500 every day has a time stamp of ten 0 clock

Police Officer; police officer is not going to come to your house to review evidence that you have collated in regards to these police officers

Simon; no, it is evidence they have wrote and what the problem is if a time stamp is five says five hundred and it has a time stamp of ten 0 clock it is impossible for the cad number five hundred and fifty to have nine 0 clock, I am recording this conversation Mr Pc Williams

Police Officer; that is OK

Simon; because I have been doing this for a little while because I am up set and I am going to make it all go public and how you lot how certain other members of the public have protected me in the police force how they have failed to protect me should I say

Police Officer;

Simon; now what upsets me even further is that the police have mg11 forms yes which is a witness form

Police Officer; yes, they do

Simon; now them witness forms have statements of truth at the bottom of them yes and now I have got sixteen witness statement form things saying that members of the public were keep up at progress way now each one of them witness statements are not signed

Police Officer; Simon please give me your point to why you are calling me right now

Simon; because I would like I am in a case of fraud the 2006 act in regards to a police officer and I would like you to come here under the allegations of fraud and I would like the police officer to be arrested under fraud and under harassment to and abuse of power, now these laws exist for crimes actually the same `as what I am explaining to you

[00:07:27] **Police Officer;** Simon

Simon; yes

Police Officer; "Mutter"

Simon; pardon

Police Officer; from what you are saying is the police

Simon; set me up and I have got the evidence of that here right now and I am stuck in my house doing eight years because of what they have set me up for

Police Officer; what do you mean eight years you have not been in your house for eight years

Simon; I have been in my house for four years I have been in here since I was thirty one I am now thirty six and I have not been a loud to go out to any shops to no Mac Donald's I am not a loud to give my friends an amp personal or other wise

Police Officer; Simon, Simon stop right there stop talking Simon stop talking

Simon; personal is personal and otherwise is business

Police Officer; are you saying that you want to complain about their police

Simon; no, I am saying that I would like the police officers arrested and I would like to put a line of investigation in about fraud act

Police Officer; that is not going to happen

Simon; why will that not happen if it was a normal person and I told you that they are making fraudulent paper work under the fraudulent act 2006 for their own gain illegal you would come out and arrest that person what makes a police officer so different

Police Officer; silence

Simon; hello

Police Officer; silence

Simon;

Police Officer; right

Simon; what makes a police officer so different no go on

Police Officer; silence

Simon;

Police Officer; I am not going to commit on that

Dear Lemmy Nwabuisi

Dear Lemmy Nwabuisi

I'd like to apologise for the late reply to this email, I've just come out of hospital after undergoing two operations and only got released from hospital late on the

17 March 2017

You stated in your letter to Mr Cordell, that the first letter you wrote was dated

29 December 2016

and that you set a meeting for

6 December 2016

this is incorrect, as the date for the meeting was set for

6 January 2017

yes, this meeting was cancelled, you've then stated you wrote a letter on

31 January 2017

to arrange a meeting for

9 February 2017

this meeting was also cancelled, the reason these two meetings were cancelled was due to the ongoing complaint that was being addressed by Enfield council that still needs addressing but due to the data that came back from the subject access request and it not being completed properly this letter still needs to be reply to, there was also a subject access request that was put in to Enfield Council that we was waiting to be addressed and to receive the data back which as you are aware did take a considerable amount of time, and also the complaint also was delayed in a reply. As stated to you via email we felt it was unjustified to hold a meeting when there was an ongoing complaint, and a subject access request that we were waiting for, as you are aware there are still issues regarding the subject access request, which does need to be addressed. You then stated that she wrote again on

16 February 2017

and arranged a meeting for

22 February 2017

which was also cancelled, but you were also notified there was still issues with the subject access request, and that I had a meeting regarding the issues which was set for the

9 March 2017

I stated to you that I would get back to you with a convenient date for the meeting to take place, but due to illness things have got delayed. You have also stated that it is very unfortunate that there have been repeated refusals to meet in regards to the issues with the neighbours, I feel that this is very misleading we have not refused once to have a meeting with you, but due to ongoing issues meetings have had to be cancelled with a justified reason, so how you can take this as a refusal is beyond me, we have kept you informed at every stage of every letter that you send out giving you reasons as to why the meetings could not take place. Therefore, I do not understand how you can interpret this as a refusal. You will also be aware that my son does have health problems and that he does not leave his flat, not once have you thought in all the letters that you sent out how someone that does not leave his flat is going to be able to attend a meeting at the Civic Centre, therefore I am asking for the meeting to take place at Mr Cordell's home address, due to Mr Cordell's health, arrangements will need to be made that someone is at the meeting with Mr Cordell, and under no circumstances will Mr Cordell be addressing the issues while he is on his

own. You have also stated that if Mr Cordell does not attend or set a new date that you will be putting an application seeking possession of his home, it seems that Enfield Council have already made their mind up that Mr Cordell is guilty of what has been alleged in the complaints, you also state that if any further allegations are made against Mr Cordell that you can take legal action, since your last update with the dates has there been any more allegations against Mr Cordell?

Next week I have a number of hospital appointments so it will really be hard to do the

22 March 2017

if you could get back to me with some dates that the meeting can take place at Mr Cordell's home address, I would be most grateful or if there is any problem with this please let me know.

Dear Ms Cordell,

Thanks for your email.

I sorry to hear learn that you have been unwell, I wish you speedy recovery. The first letter I wrote to Mr Cordell was dated 29 November **2016** and not 29 December so apologies for the mistake and the first meeting were 6 December **2016** and not 6 January **2017** as you stated in your email below. I am not aware that Mr Cordell is unable to leave his flat due to health reasons as he has not provided us with a letter from his Doctor to support this claim. Also, when Mr Cordell **telephoned me on 17 February 2017 following my letter to him dated 16 February 2017, he informed me that he will not come to the Civic Centre or the council offices in Edmonton Green because there are gang members looking for**

him in these areas. I cannot recall him saying anything about him not being able to leave his flat due to health reasons. Also, Mr Cordell chased my car down the road when I went to deliver my last letter to his flat on 17 March **2017**, this is not the attitude of someone who cannot leave his flat for health reasons. I am inviting Mr Cordell to a formal meeting to discuss the allegations made against him and due to the serious nature of the allegations, the meeting will have been held in the council offices with a minute taker present. However, if Mr Cordell presents a letter from his doctor stating that he is unable to leave his flat for health reason, then we can discuss an alternative venue. I am happy for Mr Cordell to bring someone with him to the meeting.

Dear Lemmy Nwabuisi

I have enclosed 2 letters that could help to show my son won't leave his flat he had a DWP assessment and a letter had to be written to his GP to ask if the GP could write a letter to get a home assessment please see both letters. It will also be noted on his file under the mental health team he won't leave his flat. And I cannot understand how you said on the phone today that you knew nothing on my son's health, as clearly it is in the limited subject access request, I got from Enfield Council under the ASB teams' information as you requested if he was known to the mental health team. Information you have asked for please see below:

Barnet, Enfield and Haringey Mental Health NHS Trust The doctors name he was under when he was sectioned in August **2016**, Dr Julia Cranitch, Haringey Assessment Ward, St Ann's Hospital. When he left hospital, he was under the Home treatment team support and referral to community team.

As stated on the phone I have many emails to backup that complaints were put in on behalf of my son regarding what the neighbours was doing, well before any complaints was put in by the neighbours, yet nothing was done by Enfield Council, each email even states the neighbours was not letting him sleep and this was having a large impact on his health, this is what has upset me so much, as phone calls was being made emails sent, even my son was making calls, but you seem to have nothing of anything that was submitted so where has it all gone, please can you look into this and get back to me as I really do not understand how so much can be missing from Enfield Councils systems?

I am grateful that you called me back today and we were able to speak, sorry if I sounded loader on the phone but since the operation as I said my voice and throat are very sore, I believe due to the tube they put down them when they were doing the 2nd operation. I am grateful that you will deal with this and you cancelled tomorrow's meeting when we spoke, and you seemed to have some idea of what was going on which you seem to have not known before, I will await a reply from you as to how we can deal with this.

I have also had a lot of problems with eating because of what they keep all doing to me!

My canine has victualing its paws because of what 113 – 117 and 111 are getting away with I have taken pictures of the damage this is doing to us in this flat!

Disrepair!

If what they do to me finally kills me then it would also kill a lot of other people in the process!

The level of service provided by the Enfield Council and the Enfield Homes teams staff is truly inadequate to the sufficient need services required, for an example when the staff are using the available granted money that comes from the community repair chest budget that gets granted for repairs they do no manage maintain and distribute the selfless cash within the relevant emergency sectors of highest priorities to a reasonable standard and in a practical time scale, as my rented council flats conditions are of the highest priorities but still continues to suffer alongside myself, once I had applied for the staff to initialize the capital and reasonable persons to rectify the repairs need, so to fix my home in a relevant time period and to a professional standard!

Subject: RE: Subject Access Request

Dear Abigail Akano

I am writing this email to see if I can get an update, I have received two letters of refusal for Mr Simon Cordell

and Mr Tyrone Benjamin which have now been sent over to the ICO to address. Am I tried to call today to get some information in regards to my own application and my daughters Deon Benjamin and was told to write this email? Could you please be possible to get an update if reference number **2017020000326** Miss Lorraine Cordell is a refusal as I have had no letters yet to confirm this?

Could you also please confirm an update me in regard to reference number **2017020000328** Miss Deon Benjamin and also confirm if this is also a refusal as I have had no letter in regards to this?

I'm unsure if my own subject access request is still being dealt with all my daughters Deon Benjamin, I'd be

most grateful for an update as if letters have been sent and in regard to refusals to these two-subject access

requests then I have not received them.

SKELETON ARGUMENT INTRODUCTION:

This application is to have the following decisions/orders reviewed and reversed.

The decision/order to make an application for an Interim Antisocial Behaviour Order against The Appellant on

05/11/2014

05th November 2014

	at Highbury Corner by Magistrates Court, by the Commissioner of Police of the Metropolis. Magistrates Court declared void as an error in law. And; The Appellant's human rights have been breached. And; The Appellant's right to due process has been breached. And; The Appellant's right to a fair trial has been breached. And; Miscarriage of justice has been allowed to happen. And: The Appellant's data protection act 1998 has been beached. The decision/order to make the interim Antisocial Behaviour Order a full Antisocial Behaviour Order on 04/08/2015 04th August 2015 by Highbury Corner Magistrates Court, by the Commissioner of Police of the Metropolis. Magistrates Court declared void as an error in law. And; The Appellant's human rights have been breached. And; The Appellant's right to due process has been breached. And; The Appellant's right to a fair trial has been breached. And; Miscarriage of justice has been allowed to happen. And; The Appellant's data protection act 1998 has been beached. The decision/order to dismiss the Appeal against conviction, of the Antisocial Behaviour Order at Wood Green Crown Court on 19/01/2017 19th January 2017. Crown Court declared void as an error in law. And; The Appellant's human rights have been breached. And; The Appellant's right to due process has been breached. And; The Appellant's right to a fair trial has been breached. And; Miscarriage of justice has been allowed to happen. And; The Appellant's data protection act 1998 has been beached. It is said that on the on the 12/09/2014 12th September 2014 the police attended The Appellant home address of 109 Burncroft, Avenue, Enfield, EN3 7JQ, they knocked on the door, The Appellant was not expecting anyone, The Appellant approached	

	his front door and looked through his spy hole he could see clearly see was the police, and asked them through the door what they wanted, the police stated they needed to speak to him, The Appellant opened his front door very slightly the police stated they needed to serve some documents on him, due to The Appellant's learning difficulties he stated he would not accept anything and closed his door and stated he was not being rude in doing so. It is a well-known fact on the police's system of government bodies that The Appellant does have learning difficulties and health problems. The Appellant could hear the police talking outside and the lady police officer said what we are going to do now. A male police officer stated put it on the floor in front of the door. They then took some pages out of the A4 size folder and put them in to The Appellant's letterbox this was four pages. The A4 size folder the lady police officer placed it on the floor in front of The Appellant's front door. The Appellant's mother could not attend The Appellant's address that day to pick the file up due to a death in the family, she attended The Appellant's home address the next day, the folder was opened on the floor where the police had left it. The Appellant's mother was very shocked when she looked inside the folder and saw the data that was within it. The data that was within side the A4 size folder was personal information and a breach of the data protection act 1998 by leaving such data in a commune area of the block of flats. A letter of complaint was put to the police in the way in which they had left personal information on a door step in view of everyone that lived or who came in to the block of flats, on the 13/09/2014 13 September 2014 to Edmonton Green police station, at the same time the complaint letter was handed in so was the A4 bundle. The complaint has never been addressed and has never had a response from the police who left personal information on a front door step which is a breach of data protection act due to the contents held within the A4 size bundle. Please see letter of complaint and photos and receipt that was handed to Edmonton police station on 13/09/2014 13th September 2014 On 06/10/2014 06th October 2014 The Appellant was due to appear in Court this day, The Appellant had solicitors in place, Michael Carroll and Co Solicitors, legal aid had been applied for, but the legal aid had been refused, the Judge sitting overturned this and granted legal aid. The reason for the Judge overturning and granting legal aid was due to The	

	Appellant having known learning difficulties, health problems and due to the complexity of the case. Disclosure was asked for, but no disclosure ever came. The case was relisted for the 22/10/2014 for an interim Antisocial Behaviour Order hearing, all police officers were due to attend for the interim hearing. On the 22/10/2014 22nd October 2014 The Appellant was due in Court for the Interim Antisocial Behaviour Order to be heard, due to The Appellant barrister having a burst water pipe and his home being flooded he could not attend, the applicant still wanted the case to be heard which the Judge would not allow. The Interim Antisocial Behaviour Order hearing was then set for the 05/11/2014 05/11/2014 On the 22/10/2014 22 October 2014 all police officers did attend Court for the Interim Antisocial Behaviour Order hearing. Disclosure was asked for on this date. On 05/11/2014 05th November 2014 The Appellant was due in Court for the Interim Antisocial Behaviour Order hearing, all police was due to attend but did not. The Appellant's barrister could not attend on this date due to the flooding that taken place at his home address, another barrister turned up to represent The Appellant but had no paperwork for the case only a skeleton argument to strike-out the Antisocial Behaviour Order application. The skeleton argument, submitted on behalf of The Appellant, to strike-out the application for the Interim Antisocial Behaviour Order. Arguments advanced in this respect, and those which rely upon the civil procedure rules, are not applicable to these proceedings. The civil procedure rules only apply to proceedings in the county Court, the high Court and the civil division of the Court of Appeal. As a result, the Magistrate's Court has no jurisdiction to consider an application to strike-out application. The Interim Antisocial Behaviour Order hearing went ahead, The Appellant's barrister did not have the correct paperwork for the hearing, and knew very little about the case, no police officers turned up to Court on this day. In the days prior to this hearing The Appellant was rushed into hospital due to kidney	

	problems while he was still in hospital, he was informed by his solicitor on the 04/11/2014 that if he did not attend Court on the 05/11/2014 the case would go ahead without his presence. The Appellant then discharged himself from hospital, because he had no choice. He was extremely unwell: -- On this date the Interim Antisocial Behaviour Order was granted by the District Judge Newham. Upon delivering her judgment, District Judge Newham ruled that it is just to impose an Interim Antisocial Behaviour Order, and that regard had been taken of The Appellant's Article 6 and 8 rights, as well as The Appellants business. District Judge Newham ruled that there are no provisions contained within the (amended) proposed Interim Antisocial Behaviour Order which would prevent The Appellant from conducting legitimate business. On this date all police officers were due to attend. They did not attend their reason was they were not told to attend; this was untrue as the application from 22/10/2014 should still stand as the case had only been adjourned until this date for the Interim Antisocial Behaviour Order hearing) The applicant's case also relied solely on hearsay, Magistrate's Courts (hearsay evidence in civil proceeding) rules 1999. These are the conditions The Appellant was placed under and are for the whole of the UK: The defendant is prohibited from: -- Attending a rave as defined by s.63(1) of the criminal justice and public order act 1994; Being concerned in the organisation of a rave as defined by s.63(1) of the criminal justice and public order act 1994; Knowingly using or supplying property, personal or otherwise, for use in a rave as defined by s.63(1) of the criminal justice and public order act 1994; Entering or remaining in any disused or abandoned building unless invited to do so in writing by a registered charitable organisation; Entering or remaining on non-residential private property on an industrial estate between the hours of 10pm and 7am without written permission from the owner and/or leaseholder of the property; and Engaging, in any licensable activity's, in any unlicensed premises. For the sake of clarity, nothing in this order prevents the defendant from assisting, preparing for, or engaging in licensed licensable activities. This is untrue as we have since contacted council and police and told he would not be granted a licence to hold any events as long as the Antisocial Behaviour Order was in place. So, The Appellant's entertainment business is seriously affected by the Antisocial Behaviour Order that was put in place. Points to address regarding the conditions The Appellant is prohibited from doing. Attending a rave as defined by s.63(1) of the criminal justice and public	

	order act 1994; Being concerned in the organisation of a rave as defined by s.63(1) of the criminal justice and public order act 1994; Knowingly using or supplying property, personal or otherwise, for use in a rave as defined by s.63(1) of the criminal justice and public order act 1994; Entering or remaining in any disused or abandoned building unless invited to do so in writing by a registered charitable organisation; Entering or remaining on non-residential private property on an industrial estate between the hours of 10pm and 7am without written permission from the owner and/or leaseholder of the property; and Engaging in any licensable activity's in any unlicensed premises. Clearly these conditions The Appellant was put under are a breach of The Appellant's human rights, and disproportionate due to the fact it would breach: Article 3 freedom from torture and inhuman or degrading treatment Article 5 right to liberty and security Article 8 respect for your private and family life, home and correspondence Article 23.1; of the universal declaration of human rights states: (1) everyone has the right to work, to free choice of employment, to just and favourable conditions of work and to protection against unemployment. Condition E states entering or remaining on non-residential private property on an industrial estate between the hours of 10 pm and 7 am without written permission from the owner and/or leaseholder of the property. With this condition in place any non-residential property The Appellant would not be able to attend: Would include Hospitals, Police Stations, 24-hour Supermarkets, Petrol Stations, Cinemas, Restaurants, Bars, Nightclubs and any other public place open to the public between these times that is non-residential The Appellant cannot go to without written permission which would be degrading for The Appellant to have to ask each time he wanted to go somewhere and explain why he needed it to be confirmed in writing by the owner and/or leaseholder of the property, how this condition could be applied by any Judge and state it is not a beach of someone human rights is beyond me. Conditions C states knowingly using or supplying property personal or otherwise for the use of a rave as defined under section 63.1 of the criminal justice and public order act, The Appellants has spent the last 10 years building his business saving every penny and help from family it is within the entertainment industry, he will hires equipment out, The Appellants business would seriously be affected, because if he hired his equipment and it ended up in an illegal rave The Appellant would be in breach of the conditions. When hiring out equipment you do asked what is going to be used for, and you do have a contract that is in place, but what the person tells you their	

	reason for hiring the equipment out is not always the correct reason and is not used for the purpose the person told you The Appellant would be in breach of these conditions also if the Appellant loaned someone any personal belongings and that person ended up at an illegal rave then The Appellant would again be in breach of his conditions, even if the item was something that did not even constitute as being for an illegal rave. These are just two of the concerns with the conditions that the Appellant is under; there is other concerns with other conditions set at by the Courts that are of concern. Also breached within this hearing was the Appellant's Article 6 right to a fair trial The Appellant had to go ahead with his hearing without the barrister having any other paperwork other than the application to strike-out which was not allowed. The police officers not attending when they knew they should. The Appellant being so unwell he was not coping he should never have had to discharge himself from hospital to try to defend himself. The police having it on the police systems who done what they say The Appellant has done and would not disclose that information. The following directions were made: The parties to exchange any additional evidence on which they seek to rely by 20/01/2015 20th January 2015 This is to include any witness statements from any witness, including the defendant himself; and the parties are prohibited from relying on any evidence not already served, or served in accordance with paragraph 1 of these directions, without the permission of the Court. Although not a formal direction, should any witnesses no longer be required, the Judge requested written confirmation of this to be given to all parties speedily. At present, the following witnesses are required to attend the full hearing: • Inspector Douglas Skinner; • Police constable Miles; • Acting police sergeant Edgoose; • Police constable Elsmore; • Sergeant King; • Police constable Ames; and • Inspector Hamill; The interim order is to continue until 10/03/2015 10th march 2015 when the full hearing would be heard this was listed for two full days. Disclosure was asked for this was meant to be given by 20/01/2015	

	this never happened and no disclosure was given. No disclosure was served on us by the 20/01/2015 that was asked for; this went on throughout this case. Never were we given any disclosure we asked for and the disclosure we were asking for would prove The Appellant did not do what the police was saying within the application. Within this time before the full hearing was due to take place The Appellant and his mother was constantly contacting via phone and emails the acting solicitors, things was not being done paperwork was not being completed meetings was constantly being put off, we had also asked a number of times could the solicitors please go over the CADs, and intelligence reports that were in the application as there were serious errors, this also was never done. This also noted within the applications bundle there were serious breaches of data protection within police officers statements; this was allowed to remain within the applications bundle without being questioned by the acting solicitors, although it was constantly being brought up also witness statements that were contained within the applications bundle were written by police officers and not the witnesses themselves, we was not allowed to call any witnesses or any other police officers whose information was within the applications bundle we was only allowed to have the police officers that the application wanted us to have, we was denied any other witnesses being called. On the 10/03/2015 10 March 2015 this date was due to be the full Antisocial Behaviour Order hearing but the Court had made a mistake and only listed it for a one-day hearing. District Judge Williams sitting, apologised for the error, and said that a part hearing could take place, or the full hearing be adjourned to a later date so that the full hearing could be dealt with over two days. The Appellant was upset as he wanted this to be dealt with and only agreed that the case be adjourned until the 03/08/2014 and the 04/08/2014 if district Judge Williams heard the case, she cleared her diary and promised that she would be the Judge that would preside over the case. District Judge Williams also stated that this was the 1st time she had ever seen a case in which the commissioner of the metropolitan police had brought an Antisocial Behaviour Order in front of her in this way in a civil capacity. Disclosure was asked for and this was again never given. On the 02/08/2015	

	2nd August 2015 The Appellant's mother received a phone call from Miss Ward acting solicitors, regarding a statement she had just found in the emails relating to Antisocial Behaviour Order, The Appellant's mother asked if this could be sent over via email to her, but was a little late to do anything about it because the full hearing started the next day. This was continuously happening throughout the case; the solicitors seemed to only do anything on the case the day before hearings or a few days was due to take place. Many emails were sent including phone calls made to get things done, most of the emails went not replied to for months phone calls was not picked up, or if they were, we were told that things would be addressed they never was. The Appellant attended Court on the 03/08/2015 03rd August 2015 and the 04/08/2015 04th August 2015 for the full hearing of the Antisocial Behaviour Order, only to find the stipulation and reasons he had allowed the case to be adjourned to these dates had not been adhered to, the presiding Judge was not District Judge Williams, its fact it was District Judge D Pigot who would be residing over the full hearing. Non-disclosure was again spoken about but nothing came of this and the case went forward. We understand this is only our opinion but we believe this Judge had already found that she was going to prove the case before it even started for the full Antisocial Behaviour Order in favour of the applicants. Before the hearing started The Appellant's, mother informed the Judge the Appellant was very ill and she did not think he would cope due to health problems. She continued with the case none the less and did not ask The Appellant's mother to elaborate further. Later within the hearing she would notice that there should have been medical records for The Applicant within his bundle was missing along with a lot of other documents, The Appellants bundle was only around 82 pages when he should have been around 300 pages. Continually through cross examination by The Appellants barrister toward the police officers, District Judge D Pigot kept interrupting and telling the barrister he could not ask the questions he was asking even though what he was asking corresponded with what the police had put in their statements. The Appellant's barrister even commented to the Judge Pigot "I am only asking questions pertaining to what the police have put in their statements" also he said to the Judge "I hope you are going to have as much due-diligence with my client on cross examination as you are with me" to which the Judge replied she would. This was certainly not the case and in fact the Judge allowed The Appellant to be cross examined extremely harshly even knowing The Appellant had health problems and also did not even have his own bundle which he had never had from his solicitors we was	

	never told by the acting solicitors that we should have had one, but you'd also seem there was a large amount of documents missing from The Appellant's bundle, when The Appellant took the stand the Judge did asked where his bundle was, he stated he had never been given one, and did not know he needed one, the Judge did asked if there was a spare bundle that The Appellant could use which there was not the Judge carried on by allowing The Appellant to be cross-examined clearly anyone could see The Appellant was unwell, from time to time the Judge passed The Appellant her own bundle as you can clearly see The Appellant because the appellant did not know what he was being asked, the problem with this is how is someone with learning difficulties meant to read what is contained within the bundle, if The Appellant had had access to his own bundle prior to the hearing with help of software and his family he would have been able to memorise what was in his own bundle. With the line of questioning, his learning problems and his health this was totally inappropriate, but was allowed by the Judge. The Appellants barrister questioned the applicant's barrister about the legitimacy and the fact if every CAD being used in their application case was linked to Progress Way and if there was an illegal rave taking place at the same time on Crown Road. The Appellants mother had asked The Appellants barrister to ask this question, the reason being the acting solicitors had not gone over the CADs although they was asked to many times, you can clearly see although there was multiple reductions within the applicants bundle clearly there was CADs within the bundle that had nothing to do with the application case. He stated every CAD related to Progress Way and there was not an illegal rave taking place on Crown Road, and the police also said this was the case under cross examination, to further this the Judge then asked the same question was every CAD linked to the applications case, and was given the exact same answer yes. Now I show you the freedom of information act which was obtained from Enfield Council. (See attached) In point of fact there are multiple inconsistencies pertained within the CADs within the application, timestamps also do not match up within the CADs, there is also all the missing CADs. Some of the intelligence reports also have been updated with no reason as to why. There are also the breaches of data protection within The Appellants PNC record which are incorrect which also can be proven, also contained within the police officer statements there are errors which can be proven as untrue and a breach of the data protection act and multiple inconsistencies within police officer statements, none of these were addressed. We know the police knew about the illegal rave at Crown Road because police were deployed there. This can clearly be seen within the CADs which are within the application's bundle. But there is so much redaction within the CADs we believe there is a lot more that pertain to Crown Road, and we cannot see due to the reductions. There is also a lot of missing CAD reports. Part of The Appellant's barrister submission had been that the allegations were that The Appellant was involved in the organising of illegal raves, but the	

	applicant hadn't adduced evidence of trespass which is a requirement for proving that an indoor rave was illegal. The district Judge ruled that the applicant did not need to prove illegality, all that needed to prove was the Appellant had acted in an Antisocial Manner. In The Appellants barrister view this is a very questionable decision: firstly, the applicant based their case on the illegality of the raves rather than the fact of the raves themselves and secondly, without proof of illegality the presumption of innocence leads to the conclusion that the raves were legal, and thus the applicant being prohibited from engaging in an ostensibly lawful activity requires more careful consideration on issues of proportionality. The Applicant could judicial review the case state this decision but I think there is little merit in doing so because he would then lose his right to Appeal to the Crown Court and even if he succeeded in the high/div Court, they would merely remit it back to the Lower Court who would then probably go through the motions of considering proportionality before coming to the same conclusion. To summarise the Judge stated she did not need to prove illegality, but she proved The Appellant had acted in an Antisocial Manner, how the district Judge came to this conclusion we do not understand, not one police officer had stated The Appellant had acted in an Antisocial Manner towards them, is also a fact that any application for an Antisocial Behaviour Order has to be brought within six months of the dates, there was cases going back prior to the six months which should have only been used for reference, but the District Judge also included these cases to be proven. Since this case started, we knew the police and the public order investigation unit held information on the police systems that proved The Appellant was not the organiser of these illegal raves. In fact, the police knowingly went around to the known organiser's homes and also spoke with them on the telephone. This proves they have the information we were asking for in disclosure. (This was found out via social media and Google by The Appellant's mother) The Appellant's mother even called the public order investigation unit and spoke to DS Chapman, and Val Turner. The Appellant had not been coping throughout this case, and walked out of the Court, The Appellant's mother said to the District Judge you can clearly see he is not well and is not coping, which the district Judge confirmed she could clearly see that The Appellant was not well. But continued to ask the clerk to get The Appellant back in Court and she also informed that if appellant re-entered the Court room and was disruptive, she would hold him in contempt of Court. The Appellants mother would not let The Appellant re-entered the Court room, as she knew The Appellant was so unwell and not coping and did not want him to be held in contempt of Court due to his health. Because of this The Appellant was not there to have the Antisocial Behaviour Order served on him, and the Antisocial Behaviour Order was served to The Appellant's mother on his behalf. Upon proving the case District Judge Pigot granted all the applicants' conditions. The applicants wanted to make this a lifetime Antisocial Behaviour Order, which district Judge Pigot did not allow and granted it for 5 years within the whole of the UK. With the stipulation that it	

	could be reapplied for when the 5 years were concluded. She started the 5 years from the 04/08/2015 she did not count the time The Appellant had been on the Interim Antisocial Behaviour Order. The Appellant's mother and The Appellant's barrister then asked the Judge if the conditions of the Antisocial Behaviour Order could be defined as there were many points of concern the Judge was asked if The Appellant went to a Tesco or Tesco petrol station between the hours of 10pm and 7am would he be in breach of the conditions and subsequently arrested, the response from District Judge Pigot was dumbfounding she said "yes he would be arrested, taken to Court and would have to prove he was going to get petrol I am guessing the same could be said for food and any other non-residential building including hospitals, police stations, restaurants, cinemas etc. on hearing The Appellant's mother and barrister questioned this and said, so you think this is in accordance with the law?" she replied to this "the conditions are precise and plain. District Judge Pigot then left the Courtroom with her clerk to get the memorandum of an entry made up as soon as possible due to the lateness in the day and the department who dealt with this would be closed, on her return the District Judge asked why the Appellants barrister was not in Court, The Appellants mother said that he had left because he was not told that he needed to stay, she handed the memorandum of an entry to The Appellants mother and to the applicants barrister, on reviewing this the applicants barrister said there were multiple spelling mistakes and the dates from 2013 should not be entered and needed to be removed. She said this would be amended and a new copy would be sent in the post, and until this day this has never happened even though The Appellants mother contacted the Court via email in regards to the issues, the spelling mistakes was corrected but not the dates. we have since found out we should have also been handed a map showing all areas which the Antisocial Behaviour Order conditions encompassed which we have also never been given but this map would have shown the whole of the UK. The Appellant's mother asked the Court for the transcripts, but was told at the Magistrate's Court does not record hearings, that the only notes that was kept was the clerks Court notes, the clerks Court notes were requested and the fee paid to obtain these. Upon looking at the clerks notes there is a substantial amount is not included within them for the full two-day hearing for the Antisocial Behaviour Order hearing. Please see Clerk Notes: -- I know that asking for a judicial review in regards to the Magistrates hearing is being submitted to the Court out of time, but when The Appellants mother contacted the high Court to make enquiries in regards to a judicial review and explained the situation that had occurred throughout this case she was told to submit the application for judicial review for the Magistrates hearing's that under exceptional circumstances the time limit	

	could be overturned, the reason that this has been submitted to the Court out of time is due to The Appellant taking his barristers opinion that he would be better to go for the Appeal at the Crown Court and this is what The Appellant done. The Appeal hearing was not concluded until 19/01/2017 19 January 2017 On the 13/08/2015 13 August 2015 the Metropolitan Police Service posted on their website, this led to all the local newspapers printing the story about The Appellant. Please see attached: -- But how could the police have printed this as illegality had not been proven. This lead to The Appellant having stones thrown at his windows, and a gun being pulled out on him, which it then took the police six days to come out to take a report, we know the reason why it took the police so long to come and take the report it's how much the police dislike the Appellant, and his family this has been ongoing for over 23 years. The Appellant's mother contacted many solicitors to try and get a new solicitor to take over the case, each time she was told that solicitors will not take a case on at Appeal stage due to how much legal aid paid for Appeal hearing, legal aid believed the solicitors that acted for the hearing would be dealing with the Appeal hearing so there was a set amount that would be paid for Appeal hearings which would not cover a new solicitor going over the complete case. The Appellant's mother believed it was best to keep the old solicitors on record as it was better to have a solicitor then having none due to The Appellant's health which had deteriorated throughout this case. The Appeal was listed for the 26/10/2015 26 October 2015 but only listed for 1 hour hearing the case was put off, due to the case needed to be 3 days Appeal hearing. The acting solicitors had seemed to have lost The Appellant's bundle it had been removed from the office due to the office being audited in the 00/10/2015 October 2015 no one seemed to be able to find The Appellant's bundle, and all the missing documents that was meant to have been within the bundle which was not for the full hearing. 09/11/2015	

	09 November 2015 the case was listed for a mention hearing, all bundles were due to be at the Crown Court by the 23/12/2015 23 December 2015 Case was listed for a three-day Appeal to start on 22/02/2016 22 February 2016 I believe also discloser was spoke about again. In the 00/12/2015 December 2015 arrangements was made for the acting solicitors to attend The Appellants mother's home to go over the case bundles, at this point The Appellants mother made sure that all the CADs and intelligence reports was gone over by the solicitor, upon seeing all the errors the solicitor was shocked, maps were made up to be included into The Appellant's bundle and The Appellant's bundle was remade as it was due to be handed in to Wood Green Crown Court by the 23 December 2015 Emails was also sent by the solicitor to the police, the Appellants mother agreed to print of multiple documents including all maps needed to be done in colour, just prior to the Christmas holiday all printing was done and contact was made with the solicitors in order to get The Appellant's bundle Paginated and indexed, on 22/12/2015 22 December 2015 multiple texts and calls were made to the solicitor due to the fact bundle needed to being to the Court by the 23/12/2015 23 December 2015 replies was not being made until much later in the day when the solicitor stated that she could hand in the bundle when she got back from the Christmas and New Year holidays, a text was sent back stating that this was going to have an effect on families Christmas and New Year due to The Appellant knowing that the Court had ordered the bundle to be submitted to the Court by a certain date, text was received back from the solicitors stating to be at the office by 18:00 PM, The Appellants mother attended and two bundles was Paginated and indexed which took until around 01:30 AM. Miss Ward was not happy due to the time that had to	

	be spent dealing with this as she was due to fly out in the early hours to Ireland. The bundles were left with The Appellants mother so that one could be hand-delivered to the Court in the morning on the 23/12/2015 23 December 2015 the other bundle was to be recorded delivered via the Post Office to the police. Miss Ward stated after the Christmas and New Year holidays she would get The Appellant's bundle ready so it could be given to him. The Appellant had not seen the new bundle as the solicitor did not want to meet him, and due to the lateness in which the bundle was made to get into the court and the police there was not time for The Appellant to see the new bundle. One of the texts that were sent to the Appellants mother stated on the 22/12/2015 was please see below. This is a legal aid case Mother! and Simon need to recognise that he is not paying privately so needs to work within the constraints of the legal aid system." Upon receiving this The Appellants mother was upset, it was the Court has set the day for the bundle to be with the Court not The Appellant, if the solicitors had dealt with the case in a timely manner and things would not have been left to the last minute which always was, all The Appellant ever wanted was for the solicitors to do what was needed for the case which never happened things was always left and things not done, and then The Appellant seem to get the blame. It was also upsetting because it seemed as if The Appellant paid for the solicitors services then things would have been addressed a lot differently, I feel it should make no difference between paying privately or having legal aid put in place a solicitors job is to represent their client to the best of their ability seek justice for their client the best they possibly can, this was not the case throughout this case. Maybe it was due to The Appellant not paying privately that things were never done. After the Christmas and New Year holidays we had to keep asking for The Appellant's bundle we managed to get this in the beginning of February 2016 not long before the trial was due to start, it would also seem the solicitors was having problems getting a barrister, The Appellant had not seen a barrister since the full hearing at the Magistrate's Court, the original barrister that represented The Appellant at the Magistrate's hearings was on sabbatical leave, It is also noted that the acting solicitors did not want a meeting with The Appellant, and was mostly dealing with The Appellants mother. On the 19/02/2016 19th February 2016	

	the acting Solicitors put into the Court for a mention hearing, The Appellant believed this was due to nondisclosure, but the solicitors had also put an application to Break Fixture this was dismissed by His Honour Judge Morrison, this was 3 days before the 3-day Appeal hearing was due to start. The Court will not and does not accede to any application for The Appellants Solicitors to come off the record or to cease acting for The Appellant. Such an Application was dismissed by His Honour Judge Morrison on the 19/02/2016 19th February 2016 If any attempt is made to repeat this application the Court will require it to be made in person by the Senior Partner of Michael Carroll & Co. This information is very important due to what occurred on the 21/09/2016 when HHJ-PAWLAK removed solicitors from record without The Appellant or a Senior Partner of Michael Carroll & Co being present in Court. See date 21/09/2016 as more notes. His Honour Judge Morrison listed to be heard on the 22/02/2016 in front of HHJ-PAWLAK due to issues raised again regarding nondisclosure and he felt he was not the best Judge to answer these issues. The reason the solicitors gave to come off the record so close to the Appeal hearing was a breakdown in communication and they also could not get a barrister to deal with this case, this is a impart misleading, the actual reason for them wanting to come off the record was due to the lack of work done by solicitors acting for the Appellant, in point of fact the case was not ready for the Appeal hearing, They could also not get a Barrister, and did not want to meet with the client. His Honour Judge Morrison had never heard that solicitors that could not get a barrister and ordered that a Public Defender took over the case to act for The Appellant. Three-day Appeal hearing listed for 22/02/2016 23/02/2016 And 24/02/2016 Mr Morris acting Public Defender attended Court on this day to act for The Appellant; The Appellant had not met Mr Morris before this date. Mr Morris had only had the case since the 19/02/2016	

	and was not ready for the 3-day Appeal hearing. He wanted time to be able to go over all the large case bundles and be able to sit down and talk to The Appellant, so asked for an adjournment. HHJ-PAWLAK was very unsympathetic and said he had the weekend to get ready for this case and that the Appeal would go ahead. Considering this was the Public Defender that His Honour Judge Morrison had allocated to the case only 3 days beforehand it seemed that The Appellant was the one being penalised for the incompetence of his acting solicitors Michael Carroll & Co. The Appellant's health had deteriorated considerably due to what was happening within this case and other issues, the mental health team had obtained a section 135 warrant under the mental health act and it was only because of the disdain towards The Appellant, The Appellants Mother had to hand this to his acting barrister to give to the Judge, knowing this would cause a huge rift between The Appellant and his mother. But she had no option as the Judge was going to force the Appeal hearing to go ahead, when The Appellant mother knew The Appellant would not cope and that they had only just got the case handed to him and was not ready he had not even meet with The Appellant. Upon Mr Morris handing the documents to the Judge the Judge then unwillingly adjourned the Appeal hearing until the 26/09/2016 for a 3-day hearing. The Judge listed the case for a mention hearing also on the 04/04/2016 after this Court hearing HHJ-PAWLAK wrote a letter to the acting solicitors Michael Carroll and co that had to be replied to by the 04/04/2016	
	<u>See Attached letter from Judge: --</u> See attached response from Solicitors dated 03/04/2016 The Judge wrote a letter to The Appellant's solicitors on the 22/02/2016 Miss Ward who was dealing with this case for The Appellant at Michael Carroll & Co, knew the response had to be completed by the 04/04/2016 when the case was next listed in Court. Miss Ward did not start working on the response to the Judge's letter until the 03/04/2016 and an email was sent to The Appellant with what Miss Ward wanted to reply to the Judges letter also stating any amendments needed to be done as soon as possible. Because the Appellant knew that Miss Ward had sat on the letter from the Judge and	

	done nothing about it since February and then had rushed a response on the 03/04/2016 when Miss Ward had been asked repeatedly to address the letter from the Judge, which now had not given The Appellant any time to go over the response Miss Ward had written. The Appellant amended Miss Wards Letter to include multiple points that had been missed out and sent it back to Miss Ward via email within a few hours of getting it but The Appellant was upset that he had to rush things as due to the learning problems he has he does need long to be able to go over documents, the delay in getting the letter from the solicitors meant The Appellant had hardly any time. Please see attached: -- Upon attending Court on the 04/04/2016 it was seen that Mr Morris had also drafted a response to the Judge letter this response was almost identical to Miss Ward's Letter except that it included one crucial section regarding the hearsay rule that had not been included in Miss Ward's letter. The Appellant agreed the point about the hearsay rule did need to be included. But was adamant it was going to be his letter that was going to be handed to the Judge with the oral addition of the hearsay. This was the oral addition. The Magistrates Court hearsay rules 1999 do not apply to the Crown Court. The defence do not accept that the Respondent has relied on the correct legislation to apply under the hearsay rules. In any event The Appellant requests that the Respondent call the witnesses who made CAD entries for cross examination. It is neither professionally appropriate nor suitable for The Appellant to call police officers and question their Credibility, as proposed by the Respondent through their application under the Magistrates Court Hearsay Rules. The Appellant submits that questioning the credibility of one's own witnesses would not be permitted by the Court. The Respondent has put forward no good reason for why these witnesses cannot be called. As to say it is not in the interests of justice to do so. HHJ-PAWLAK granted the hearsay application could be submitted, although opposed orally by Mr Morris. HHJ-PAWLAK informed that Mr Morris opposition to hearsay was contained in Mr Morris legal document, for which The Appellant did not allow Mr Morris to hand up. HHJ-PAWLAK is informed that client wishes to hand up his own document to HHJ-PAWLAK against Mr Morris advice. Document read by all sides. Please see The Appellant document Considering in point 5 of the Judges letter to The Appellant Acting solicitors how was this	

	allowed the Judge allowed Mr Morris to make oral submissions in regards to hearsay in Court yet then said they were not allowed and granted the hearsay application as allowed. Michael Carroll and Co had also not done or prepared a skeleton argument for The Appellant's bundle, the Judge stated that the letter that had been handed in could be used as The Appellant's skeleton argument. Miss Ward was sitting in the back of the Court taking notes of what was being asked by the Judge and what was being said. A meeting was meant to be arranged with The Appellant and the Public defender Mr Morris; this was not done. On the 12/07/2016 Informed by solicitor via email: Please note that Mr Andrew Locke has returned from a career sabbatical and he has agreed to deal with the Appeal against the imposition of an ASBO. I am in the process of confirming a conference date with Mr Locke, hopefully within the next two weeks. I have notified Mr Morris from the Public Defender Service that Mr Locke is your preferred choice and I have requested the written submissions that he had prepared for the mention hearing in 00/04/2016 April 2016 that you did not consent to or permit us to serve upon the prosecution, instead your own document was served at your insistence and contrary to the advice given by both Mr Andrew Morris and myself. Please confirm any dates that you are not available so that this conference can be arranged. I have requested previously the complete list of witnesses that you now insist on calling and specifying their relevance to the ASBO Appeal and the issues as to whether you were an organiser of illegal raves. I cannot advise on whether the witnesses are relevant to an issue in the Appeal without you confirming the list and specifying their relevance." Take out does not need to be included: -- The meeting was never arranged with Mr Locke, The Appellant barrister until just before the Appeal dates hearing, even though we kept asking for this to be arranged. I would like to say that no option was given to us about preferred barrister and if you notice the date of this e mail you will notice that it is a full 3 months since the mention hearing of the 04/04/2016 Even through there were multiple emails being sent to Miss Ward asking for things to be addressed and dealt with in this case, emails was going un-answered for months, well in fact since this case started in 2014 as for the list of police officer The Appellant wanted to call Miss Ward had been told over and over the officers listed in the application case, also officers from the Public Order	

	Investigation unit at Scotland Yard and maybe one other officer Superintendent Specialist Operations Adrian Coombs. On 14/08/2016 14 August 2016 The Appellant was sectioned under section 2 of the mental health act, he was released later in August 2016 at tribunal hearing and due to agreeing that he would work with the mental health doctors and team that was put in place, he stated he would be willing to stay in hospital voluntarily, but due to bed shortages he was discharged home a day later with support in place, the acting solicitors were made aware of this, and so was the Court in the September 2016 when we were due to attend. On 16/09/2016 16 September 2016 the case was listed for a mention hearing for Non-Disclosure, and also a meeting with Mr Locke The Appellant Barrister as he not seen any barrister since the 04/08/2015 hearing at the Magistrate's Court when the Antisocial Behaviour Order was granted by the Judge with no legality found. I was told by my acting solicitors to be at Court by 09:30 hours but later this was changed to 09:00 hours so I could have a meeting with my barrister, which I agreed to. I arrived at Court for 09:00 my barrister did not arrive until around 09:40. On arrival my barrister and I went into a side room for a talk. (My mother was also present) before we could discuss anything Mr Locke said he was sorry he was not feeling very well, And he also had some emails from Ms Ward that he had to read, on trying to open the emails he realized he could not and subsequently went out of the room to call Ms Ward. At around 10:00 hours we were called into Court Mr Locke came back into the room to get his things and then hurried walked back out towards the Court room. I tried to stop him to expand to him what my concerns were (As we had not had a moment to talk) and I was concerned about the disclosure that was going to be asked for. I asked Mr Locke if he could ask the Judge to adjourn the case for 5 or 10 minutes so we could speak which he replied "no that the hearing was only for disclosure about the schedule", I said "I knew this was not correct and this was one of the reason I wanted to speak to him about" and again asked "if he would ask the Judge to postpone for 10 minutes" he yet again said "no", at which point I asked "why he did not want to speak to me, and should I act for myself"?	

	He had no time to talk to me but then spent around 4 minutes talking to Ms Ward on the phone and before ending this call he asked me if I was also was dismissing my solicitors which I replied no, Mr Locke then started to walk towards the Courtroom, we followed the barrister into Court and on entering the Court in a raised voice The Appellant said to Mr Locke (who was ahead of him) so am I acting for myself then? He never replied to me just proceeded to talk to the Judge then walked toward the door and ushered us out. At this point I had no idea what was going on but proceeded to follow him outside the Court room, it was at this point he turned around and said quite curtly "I do not want you to speak", as we got closer to him he also informed The Appellant it was not good to shout out in open Court which The Appellant had to agree with, but The Appellant felt so let down and it seemed his barrister did not even want to talk to The Appellant, so much had already gone wrong with this case, and The Appellant felt very nervous as he did not know what was going on or what would be said as he had not spoken to his barrister. My mother who had witnessed all of this tried to explain to The Appellant barrister what The Appellant wanted to say about the Non-disclosure and asked Mr Locke to explain what the schedule is. I also asked about the two article 6's which have never been addressed by the Court which pertains to my Human Rights and my rights to a speedy and fair trial that had been handed to the Court at earlier hearings as I knew Mr Locke knew nothing about these. He explained that the schedule was what the Judge had asked for on the 04/04/2016 my mother replied this was not all the Judge had asked for. Without replying Mr Locke walked towards the Courtroom we followed and it was at this point The Appellant said to the barrister I feel I should represent myself because I feel I was not being heard. All the Appellant wanted was to be able to speak to his barrister, so that he knew what had been said at the earlier hearing on the 04/04/2016 and show him the document that was handed to the Judge on that date. On entering the Court, The Appellant barrister Mr Locke addressed the Judge and said The Appellant did not want him to act for him, but this was not fully the case The Appellant only wanted to be able to speak to his barrister. The Judge informed The Appellant barrister to remain in the Court room, the Judge asked what the case was listed for and the prosecuting barrister addressed the Court and answered and also handed the schedule to the barrister, they also said to the Judge that The Appellant had been sending letters to the Court and the prosecution myself which stated I Simon Cordell throughout the document. This is not the case and The Appellant did not understand their comment or what document the prosecuting barrister was talking about. The Judge then addressed The Appellant and asked The Appellant did The Appellant still want the barrister to act for The Appellant, The Appellant replied yes to the Judge that he did want the barrister to	

	act for him; The Appellant stated that he only wanted time to speak to his barrister, as I had not spoken to a barrister since the Magistrate's hearing. The Judge then addressed The Appellant barrister he said that The Appellant still wanted the barrister to act for The Appellant, The Appellant barrister agreed to this. The Judge also stated he felt he was not the best person to be hearing this case and passed it over to the Judge that was hearing the Appeal. On leaving the Court room The Appellant and his mother proceeded to go into a side room to talk with The Appellant barrister, we explained that a letter had been handed to the Judge on the 04/04/2016 he said he knew nothing of this letter so we handed him a copy for him to read. Once he read this he said he knew nothing about this and had only seen one document that kept saying I Simon Cordell, (The Appellant have no idea what this I Simon Cordell letter until later) The Appellant mother proceeded to explained this is why The Appellant wanted to talk to you before going into Court as this is part of the Non-disclosure. The barrister explained he only knew about the schedule to which The Appellant mother replied, the schedule had been asked for by the Judge in addition to the letter that had been handed in that the Judge stated could be used as my skeleton argument, that Miss Ward was in the Court on the 04/04/2016 and was taking notes, and knew exactly what the Judge had asked for and said. The Appellant mother then made a call to The Appellant solicitor and enquired as to what the Judge had asked for on the 04/04/2016 in regards to the disclosure. Ms Ward stated she could not remember, The Appellant mother being dumbfounded by this said you was sitting in the back of the Court room taking notes, and only last week said to The Appellant mother again The Appellant should have everything that the Judge had asked for in his original disclosure plus what was asked for in The Appellant letter that was handed to the judge and also the Judge had made other additions. At no point did Ms Ward ever make The Appellant mother feel she did not know what was due to be disclosed, if she had have done this The Appellant and The Appellant mother would have asked her to relist this to the Court and asked for this to be clarified. As the disclosure that we were asking for was very important to the Appeal. The Appellant mother then handed The Appellant the phone The Appellant asked Ms Ward about the letter I was supposed to have sent to the Court and the prosecuting barrister, The Appellant was still thinking we was talking about the letter handed to the Judge on the 04/04/2016	

	which in Court on this date it was also said The Appellant had wrote this letter myself, which was not the case. The Appellant agreed on this date for the letter that Miss Ward had wrote in replied to the Judge letter that The Appellant had amended was to be handed in to the court, The Appellant solicitor was at Court so knew The Appellant amended letter was being handed in to the court, It was at this point The Appellant said she had drafted the letter and The Appellant had only amended it, she at this said she did not draft the Letter and The Appellant wrote it, at this The Appellant did call Miss ward a lair as The Appellant knew Miss Ward drafted the letter and said to Miss ward on the phone, I can prove it I have the email you sent to me and my mother. (Since Court the Appellant mother has checked the dates for when this letter was drafted by The Appellant solicitor and this was on the 03/04/2016 please see attached email and letter (marked 03/04/2016 Ms Ward). The Appellant barrister was listening to the phone call and after The Appellant ended the barrister got up and said I will need to think about still representing you as you called your solicitors a lair, The Appellant stated that he can prove that Miss Ward wrote the letter and she's denying as to doing so, how would anyone feel that she had not lied, The Appellant barrister then replied if he was still going to represent The Appellant then there would need a meeting at The Appellant barrister chambers, at this point the meeting concluded with nothing really spoke of about The Appellant Appeal yet again, this was days before the Appeal hearing was due to start. Solicitor wrote a letter and sent it to The Appellant and The Appellant mother email on 20/09/2016 which had also been sent to the Court, putting an application again to be removed from record. This was listed in Court to be heard on the 21/09/2016 There were large sections within this letter that were incorrect and did not happen, this can be proven by the Court transcripts for the 16/09/2016 On the 21/01/2016	

	we were on our way to Court and got caught in traffic, we contacted the Court to get a message to the Judge to say we were going to be 5 to 10 minutes late, I know the Judge got the message. When we got to the Court there was a barrister that Michael Carroll and Co had sent to the Court to deal with the application for them to be removed from record. The Barrister informed us she did not want to leave the Court before explaining what had happened it seemed the Judge had called this into Court without us being present and removed the solicitors from record. How could this have happened considering, The Appellant was not present at Court, and there was not a senior Partner from Michael Carroll and Co and also what had been said previously by His Honour Judge Morrison on 19/02/2016 The Barrister said the Judge wanted to see us and we would need to wait in Court until we were called, as the Judge was dealing with a trial and we would be called in after it. Around 16:00 hours we were called into Court, the Respondent did make the Judge aware at this point that what had been said by His Honour Judge Morrison on the 19/02/2016 stating that a Senior Partner was not present at Court, The Judge replied that he could not force a solicitor to carry on with a case they clearly did not want to, and that The Appellant could represent himself that the case was in much better order now. But the Appellant has learning difficulties and health problems which the Court are well aware of, there was only a few days until the Appeal hearing was due to start, how could a Judge believe that a person with learning difficulties and health problems could be ready and cope with dealing with a three-day Appeal hearing on his own. We did try to get the Judge to adjourn the Appeal hearing so we could try and get representation put in place due to knowing The Appellant could not cope or handle this case on his own, which was due to start on the 26/09/2016 for 3 day hearing the Judge said he would not allow this and that the Appeal hearing would go ahead no matter what. It seems again that The Appellant was being blamed for what was ongoing in this case, when The Appellant and The Appellant mother had done all they could to have this case ready to be heard. How can a Judge expect someone that is known to be ill and have learning difficulties to be able to handle this case on their own, considering there is only four days until the Appeal 3-day hearing is due to start? Nothing was put in place by the Judge to help The Appellant in any way. The Appellant was just meant to get on with it on his own. Once again, the solicitors had done nothing for this case and the Judge had allowed them to walk away and it seems as if everything was being blamed on The Appellant. Once again, the solicitors had put this application in days before the Appeal 3-day	

	hearing was due to start. It was also noted while we had been waiting outside the Court that the bundles we had been working from was the very first set of the application bundles and the only thing that had been updated was a few statements from the police officer in charge of the case, there were lots of documents missing within the bundle The Appellant had never seen. It was stated by the respondent they had sent new bundles to the acting solicitors Michael Carroll and co three times the last being in January 2016, we had never been given a set of new bundles since this case had started in 2014, at hearing the Respondent stated in all there had been three sets of new bundles sent to The Appellant's acting solicitors, we had never been told about new bundles been sent and never given a new copy of any bundle. So, the bundle we had would have had all wrong page numbers and been paginated totally different from the bundles that was being used by the prosecution barrister and Courts. It was at this stage The Appellant's mother knew why no page numbers matched at the lower court and why she looking for the correct pages and found it very hard as The Appellant's mother was trying to take notes within the application bundle at the lower court and was missing so much due to not having the correct page numbers or bundle. When we were in Court we did say this to the Judge about the bundles, the Judge ordered the clerk of the Court to contact Michael Carroll and Co solicitors and order the solicitors to bring the bundles to Court the solicitors informed the clerk that the bundles were at Nexus Chambers, the Judge was shocked that the solicitors did not have a copy of the bundles at their office. The Appellant's uncle who was also at Court said to the Judge he was willing to go to Nexus Chambers and pick the bundles up. The Judge listed this for the 22/09/2016 after 14:00 hours to make sure we were all working from them same set of bundles. Upon the Appellant's uncle getting home it was seen that the bundle he had was not the full set of bundles and only had part of the applications Skeleton Bundle. On the 22/09/2016 22 September 2016 we attended Court to inform the Judge we still did not have the updated bundles and the Judge once again got the clerk of the Court to call Michael Carroll and co solicitors to find out what was going on with the bundles, the Judge was very upset that we still did not have the bundles for the case, the Judge asked for the bundles to be brought to Court before 4 PM, The Appellant's mother stated that it would be easier and faster for her to pick the bundles up from the solicitors on the way home from Court, the Judge asked if she was sure that he could get them brought to Court she stated that it be faster for her to pick the bundles up from the solicitors on my way home. When we left Court The Appellant mother noticed she had a text from Michael Carroll at 15: 21 stating the bundles was now at the office for collection, due to the time we left Court The Appellant mother called Michael	

	Carroll's office to say what time we would be there, The Appellant mother was told that the office would be closed by the time we got there so The Appellant mother agreed to pick the bundles up first thing in the morning on 23 September 2016 On 23-09-2016 The Appellant mother left home early in the morning to go to Michael Carroll's office and collect the bundles with her brother, Mr A Cordell went up to the office to get the bundles, when he came down he had a piece of paper that The Appellant mother needed to sign that the bundles had collected from the office. Upon getting home and looking at the bundles The Appellant mother noticed there was at least 13 statements that The Appellant and The Appellant mother had never seen before from the Respondent bundle, the statements was all dated prior to the Magistrates Court trial. Upon looking at The Appellant's bundle it seemed this had not been updated or indexed since 2015, so all the new documents that had been submitted to be added to The Appellant's bundle was not in there. There was also no statements in The Appellant's bundle, it seemed as though they had all been removed from the bundle, over the days leading up to this The Appellant mother had learned how important it was that all the bundles were paginated and indexed correctly and the same that each person was working from, The Appellant mother knew there was problems as multiple documents had been handed to the Court which she did not know if they had been patronised correctly or indexed into The Appellant's bundle that the court and the Respondent were using also the Appellant mother spent all weekend trying to add missing documents to The Appellant's bundle and making copies so that when we got to Court on the 26/09/2016 that these could be added to the Respondent bundle and the three Judge's bundles. The Appellant health had become very unstable due to him knowing that he was going to have to be dealing with this himself. The Appellant mother also spent part of the weekend also writing a letter to the Judge in regards to what had gone on and breaches in The Appellant's human rights mainly he's article 6 rights to a fair trial, there was also a list of things that had gone on throughout the case since 2014 in regards to the nondisclosure, and other issues that was always being raised when at Court and the reason as to why legal aid had been granted: Due to the complexity of the case. Due to The Appellant's learning difficulties. Due to the concerns of The Appellant health. This letter was emailed to the Court and asked to be passed to the Judge. Please see letter that was emailed to the judge the 26/09/2016 26 September 2016	

	the three-day Appeal hearing was due to start The Appellant was so unwell that there was no way he could attend Court, Mr A Cordell and Miss L Cordell attended Court to speak to the Judge. When the Judge entered the Courtroom, he stated that he had had a letter that had to be addressed, he stated that he felt this would go to judicial review, he stated he had three options: Carry on with the Appeal in the hope The Appellant would turn up the following day. Dismiss the Appeal. Adjourn the Appeal to a new date. The Judge went over the letter in great detail; he stated around five times that he felt this was going to go to judicial review. The Judge decided to adjourn the case until the 16/01/2017 this was later changed for the Appeal to start on the 17/01/2017 The Respondent had tried to object to the Appeal being adjourned. The Judge stated that we should try to find a new solicitor to take on the Appeal and that he would help and also make sure that legal aid was in place. The Judge asked why The Appellant was not in Court. The Appellant mother stated The Appellant had become so unwell due to what was going on in this case and that he was not coping. Information was passed to the Judge that showed The Appellant was unwell. It was also stated in regards to all the missing documents that was missing from The Appellant's bundle, and that there was no statements within the bundle, I stated to the Judge that I'd spent a lot of the weekend trying to update The Appellant's bundle and make sure that it was indexed correctly, I handed the documents that The Appellant mother was able to do with new indexing, The Appellant mother also stated that she knew there was still documents missing from The Appellant's bundle which she was not sure about or had time in which to add them. The Appellant mother also stated that there were around 13 statements that we had never seen that were within the Respondent bundle that was dated prior to the Magistrate's trial. The Judge was very unhappy and passed me his own bundle for The Appellant mother to check to see if the Courts bundles had been updated, upon looking the Judge's bundle had also not been updated since 2015 The Appellant mother passed the Judge's bundle back up to him explaining that it also had not been updated. At this the Respondent stated they would make new copies of the bundles and have they sent to us the Judge thanked the Respondent. The Judge was very unhappy and said he was not going to allow this to be dropped and again made the clerk of the Court call Michael Carroll and co to order them to attend Court on the 14/10/2016 in regards to the missing documents.	

	I stated I would try and add as many missing documents as I could but was unsure of what documents were missing as so much had been handed to the court and solicitors. The Appellant mother asked the Judge if The Appellant would need to attend Court on the 14/10/2016 as it was due to only being regarding the missing documents The Appellant mother felt The Appellant did not need to be there the Judge agreed to this. On the 14 October 2016 Mr A Cordell and I attended Court on this date, the solicitors did not turn up, The Appellant mother had a list of documents that she had made up and indexed that needed to be added to The Appellant's bundle which she passed to the Judge. She stated to the Judge that she could not be sure if there were still documents missing. She also stated that she had tried to call Miss Ward and had no reply. The Judge was very upset that the solicitors had not turned up. A letter had been sent by the solicitors Michael Carroll and co; the Judge again got the clerk of the Court to email Michael Carroll and co to tell them they had to be in Court on the 19/10/2016 The Appellant mother also stated to the Judge that she had made many phone calls to other solicitors and due to the case being Appeal stage no one was willing to take the Appeal on due to the cost they would get under legal aid, that it was a set amount as legal aid believed that the solicitors dealing with the Appeal would be the same solicitors that dealt with the original trial, Appeals are set at a standard rate so any solicitor taking on a case would not get paid to go over the complete bundles, and take updated instructions from the client. Again, The Appellant mother asked the Judge if The Appellant needed to attend Court on the next date, which the Judge he replied no to. On the 19/10/2016 again Mr A Cordell and I attended Court, once again the solicitors was not in attendance, the Judge had had a letter from Michael Carroll co stating Miss Ward no longer worked for the company, the Judge was very upset and was not going to allow this to be dropped, the Judge got the clerk of the Court to email Michael Carroll and co to attend Court on the 25/10/2016 The Appellant mother again stated to the Judge that she had made many phone calls to other solicitors to try and get them to take over the Appeal, and due to the case being Appeal stage no one	

	was willing to take the Appeal on due to the cost they would get under legal aid, that it was a set amount as legal aid believed that the solicitors dealing with the Appeal would be the same solicitors that dealt with the original trial, Appeals are set at a standard rate so any solicitor taking on a case would not get paid to go over the complete bundles, and take updated instructions from the client. When the Appellant mother got home, she again tried to call Miss Ward with no reply she also texts her with no reply to the text. On the 25/10/2016 again Mr A Cordell and I attended Court, once again the solicitors was not in attendance, the Judge was very upset and done an Internet search under Miss Ward's name to find out if she was working under a new solicitor, he found the new solicitors and sent an email demanding that Miss Ward attended Court on the 11/11/2016 Again The Appellant mother stated to the Judge that she had made many phone calls to other solicitors and due to the case being Appeal stage no one was willing to take the Appeal on due to the cost they would get under legal aid that he was a set amount as legal aid believed that the solicitors dealing with the Appeal would be the same solicitors that dealt with the original trial, Appeals are set at a standard rate so any solicitor taking on a case would not get paid to go over the complete bundles, and take updated instructions from the client. When the Appellant mother got home from Court at 15:48 she received a phone call from Miss Ward, she stated that she knew nothing about the Judge had asked her to attend Court that Michael Carroll and Co had not informed her in regards to any emails sent from the Court. The Appellant mother said to her but I've tried to call you and text you and you have not replied or picked the phone up. She stated Michael Carroll had told her she was not allowed to contact us or talk to us. The Appellant mother and Miss Ward arranged to meet on 27/10/2016 to go over The Appellant's bundle to check for missing documents. On the 27/10/2016 The Appellant mother meet with Miss Ward to go over The Appellant's bundle, upon looking at the bundle and the documents that The Appellant mother had added and indexed Miss Ward stated she believed there were no missing files, as time has gone on I have found other documents that should have been in The Appellant's bundle that were missing. These have never been added as The Appellant mother did not want to have to go back to the Judge and say there were more documents that were missing. Miss Ward stated she had to attend Court but gave a different date	

	that the Judge had ordered her to be there, The Appellant mother stated to her that the Judge had given the date of the 11/11/2016 when we were in Court, Miss Ward stated that is not what was put into the email that was sent to the company Miss Ward worked for. The Appellant mother stated she would send an email over to the Court to tell the Court that we had meet up and checked The Appellant's bundle we believed there was no documents missing at that point. On the 01/11/2016 The Appellant mother wrote an email to the Judge to state that there had been a meeting with Miss Ward and we had gone over The Appellant's bundle and believed there were no documents missing now. The Appellant mother asked in the email to the Judge if we still needed to attend Court on the 11/11/2016 and if so, could this be confirmed via email. On the 02/11/2016 The Appellant mother received a reply from Wood Green Crown Court from the Judge stating that we did not need to attend on the 11/11/2016 and the date would be vacated. On the 19/12/2016 The Appellant mother sent an email to the Judge in regards to still not finding a solicitor that was willing to take the Appeal on, The Appellant mother asked the Judge to help in regards to getting a solicitor to act for The Appellant regarding the Appeal as time was becoming short for the Appeal hearing. On the 21/12/2016 The Appellant mother received a reply to her email to the Judge stating that the Judge could not help with a solicitor. The Appellant mother still did not give up and she carried on trying to find one that was willing to take the Appeal on for The Appellant. But the Appellant mother was upset as the Judge did state he would help, on the 26/09/2016 and as time was short for when the Appeal hearing was due to start the, The Appellant mother did not wait till the last minute to ask the Judge for help, and now she was being told the Judge could not help. On the 12/01/2016 late in the day The Appellant mother was given a number form a solicitors of a solicitor's called MK-Law that maybe could help	

	and take the Appeal on, The Appellant mother called them they were the first solicitor's in all of the solicitor's she had been contacting since September 2016 that when she said the case was at Appeal stage wanted to hear what the case was about, she broke down in tears the company agreed to take the case on as long as the Judge agreed to an adjournment, she stated to them she did not think the Judge will agree to this as in September 2016 when the Judge had adjourned the Appeal, the Judge had stated he would not adjourn it again. The solicitor stated that they would not have enough time to be able to get all of the bundles go over them to get a barrister to go over them have a meeting with The Appellant and take instructions within two days due to the weekend, that they would send a barrister to Court on the 17/01/2017 too asked for an adjournment so that they could act in the best interest of the client, as that is what they are there to do and so the legal aid could be addressed and passed over to them or a new application would need to be applied for. The Appellant's health had deteriorated, when the Appellant's mother told The Appellant she believed she had found a solicitor to take the Appeal on this did bring his mood up a little but he felt so much had gone wrong it would only just go wrong again, he agreed that he would attend Court and meet the barrister that the new solicitors was sending, the problem was this could change at any time, The Appellant does not leave his home which he treats as his prison. On the 17/01/2016 17 January 2016 we attended Court, the barrister was there for The Appellant, so was the Appellant mother and the Appellant uncle we went into a side room and the barrister spoke to The Appellant in regards to what the plans was and what he was going to ask the Judge for which was an adjournment, that they needed an adjournment so that they could act in the best interest of their client, so that they could go over the complete case bundles, take instructions, make sure legal aid was in place correctly, and instruct a barrister who would be dealing with the Appeal for The Appellant, The Appellant agreed that an adjournment could be asked for, again it was stated to the barrister that we did not feel the Judge would grant an adjournment, the barrister stated that the Judge should understand that an adjournment would be needed for the new solicitors to act in a professional manner for their client and be able to get everything ready and have time to understand fully what the case was about, that an Appeal should be fair for all sides. We were called into Court and the barrister spoke to the Judge, explained the situation and that he was asking for an adjournment, he spoke to the Judge in regards to the legal aid, and	

	having the appeal ready for their client and having time to be able to deal with it in a professional manner for their client. The Judge stated that he believed legal aid was still in place and it could just be transferred, the barrister stated if legal aid had been revoked then it would take at least two weeks for it to be put back in place, the Judge adjourned the hearing so that the barrister could contact the legal aid department to check the status of the legal aid, the barrister made calls to the legal aid department, but the legal aid department could not confirm whether legal aid had been revoked. Calls was also made to Michael Carroll and Co who stated that when they were removed from record that the legal aid that was in place had been revoked. The case was called back into Court and the barrister explained that the legal aid department could not say whether or not the legal aid had been revoked, but when a call was placed to the old solicitors Michael Carroll and co they had said that the legal aid that was in place had been revoked. The Judge handed the barrister certificate of legal aid, the barrister stated that the certificate was not proof that the legal aid had not been revoked. The Judge stated I'm sure that you can be ready for the Appeal to go ahead by tomorrow, the barrister stated that they have a professional obligation to act in the best interest of the client and that they would not have enough time in order to go over all the bundles take instructions from the client, and instruct a barrister within half a day, and also to check fully whether a new legal aid application would need to be applied for. At this the Judge stated well if you cannot be ready by tomorrow, then The Appellant will have to act for himself, we will not adjourn the Appeal again. It seems again The Appellant was being put at blame for the delay in the Appeal, but it was not due to The Appellant, The Appellant only wanted a fair hearing and Appeal from when this started in 2014 and from what was going on this clearly had not been. The barrister tried his hardest to get an adjournment of the Appeal but the Judge would not allow an adjournment, the Judge started talking about the conditions that was imposed by the Magistrates Court, he stated that he felt that parts was disproportionate, but he could see nothing wrong with the timescale of the Antisocial Behaviour Order of 5 years was. This was not the first time the Judge had mentioned the conditions that The Appellant was under, but this time the Judge went further to include what sections he thought were disproportional, to the people in the Court The Appellant, Mr A Cordell, Miss L Cordell, and The Appellants barrister, the only way of looking at what the Judge was stating he had already made his mind up that he thought the conditions was the only problem. But this was before the Appeal had even been heard, why a Judge would state this without even hearing the Appeal. The Judge would not allow an adjournment and stated The Appellant could represent himself if the barrister could not be ready by 10 0'clock the next morning, Judge raised and left the Courtroom. The Appellant was in such a state when we left the Courtroom, he stated he knew the Judge would not allow the adjournment and felt the Judge did not want him to have	

	representation and this is why the Judge removed his old solicitors, he felt very let down and just wanted to go home. The barrister called as into a side room and had to ask The Appellant due to what the Judge has said, if they were to change the conditions to something appropriate would The Appellant accept it. This put further stress on The Appellant, The Appellant knew he had done nothing wrong and had not done what the police was saying he had done the Appellant knew that if the disclosure had been given it would have proven this. The police have been unwilling to give any disclosure since this case started. The Appellant was not willing to accept having the conditions changed and accepting the Antisocial Behaviour Order as this would have said he was guilty; The Appellant was not willing to accept something he knew he was not guilty of the Appellant was so distressed all the way home, he felt he would never get justice. Later that day The Appellant's mother contacted the solicitors to see if anything could be done, but due to the Judge not allowing the adjournment the solicitors stated they could not take the case on and could not attend Court the next day because they would be putting their company reputation at risk by not having enough time in order to prepare for the Appeal to be able to act in a professional and correct way for their client. Which the Appellant's mother could totally, understand? A vulnerable person should not be forced into a position where they have to act on their own behalf, in the opinion of many practitioners, detrimental to the administration of justice. But this is exactly what had happened, The Appellant and the Appellant mothers and others cannot understand or see any reason why the Judge did not allow for a short adjournment so that The Appellant had proper representation in place, when there was a solicitors company willing to take on the Appeal hearing on and allow a fair Appeal hearing. The Appellant's mother had not stopped since the removal of the old solicitors in September 2016 trying to find a solicitors company to take the Appeal hearing on, so many calls was made to solicitors companies, advice lines, citizens advice, pro bono solicitors, the reason why the pro bono unit would not take the case on was because The Appellant was entitled to legal aid, if The Appellant or his family could have afforded to pay privately for a solicitors company to act for The Appellant this would have been done a long time ago. Justice is meant to be fair, but in the case of The Appellant this was not the case. On 18/01/2017 18 January 2017 The Appellant was so unwell he did not attend Court on this day, nor did Mr a Cordell, or Miss L Cordell, Miss L Cordell did however write a letter to the Judge asked in for a stay on proceedings for the Appeal until it was taken to judicial review in regards to what had gone on. The Judge decided to go ahead in the	

	absence of The Appellant with the Appeal; he heard the witness statements from police on this date. On 19/01/2017 19 January 2017 again, The Appellant and his family did not attend Court this case has made The Appellant so unwell, at the end of this day the Judge dismissed the Appeal against conviction, but he changed a few of the conditions that The Appellant was under, the conditions are still a breach of The Appellant's human rights. Schedule of prohibitions are listed below. Schedule of prohibitions you must not: 1. Be concerned in the organisation of a rave as defined by s.63(1) or s63(1A) of the Criminal Justice and Public Order Act 1994. 2. Knowingly use or supply property, personal or otherwise, for use in a rave as defined by s.63 (1) of the Criminal justice and Public Order Act 1994. 3. Enter or remain in any disused or abandoned building unless invited to do so in writing by a registered charitable organisation or local authority or owner of the premises. 4. Enter any non-residential private property (by which words buildings and an open enclosed and are intended to be individual) or an industrial estate between the hours of 22:00 and 07:00 without written permissions from the owner and a leaseholder of such property. If you can demonstrate that the purpose of your entry of such property is to purchase goods or services from any shop or garage or fuel supplier which is open to the public at such times. Then in such event, you may enter but you must not remain on such property for longer than 30 minutes and you may do so on only one occasion during each separate nine-hour period between 22:00 and 07:00 daily. 5. Provide any service in respect of any licensable activity in an unlicensed premise. For the sake of clarity, nothing in this order prevents the defendant from assisting, preparing for, engaging in licensed licensable activities, This order expires on the 03/08/2020 03 August 2020 This order and its requirements amends a previous order imposed by Highbury Corner Magistrates Court. Condition 4 states Enter any non-residential private property (by which words buildings and an open enclosed and are intended to be individual) or an industrial estate between the hours of 22:00	

	and 07:00 without written permissions from the owner and a leaseholder of such property. If you can demonstrate that the purpose of your entry of such property is to purchase goods or services from any shop or garage or fuel supplier which is open to the public at such times. Then in such event, you may enter but you must not remain on such property for longer than 30 minutes and you may do so on only one occasion during each separate nine-hour period between 22:00 and 07:00 daily. With this condition in place any non-residential property The Appellant would not be able to attend only for 30 minutes on one occasion during a separate nine hour period: This would include hospitals, police stations, 24-hour supermarkets, petrol stations, cinemas, restaurants, bars, night clubs and any other public place open to the public between these times that is non-residential The Appellant would only have a 30 minute window to be able to enter any non-residential building, however is not feasible that within 30 minutes The Appellant could be seen in a hospital within 30 minutes, how would it be feasible if the Appellant went to dinner at a restaurant they would be completed within 30 minutes, how would it be feasible if The Appellant wanted to go to a nightclub or late-night bar as it would only have 30 minutes, places that are open to the public should not be restricted to the Appellant how is the Appellant meant to have a normal family life. The Appellant cannot go to without written permission which would be degrading for The Appellant to have to ask each time he wanted to go somewhere and explain why he needed it to be confirmed in writing by the owner and/or leaseholder of the property, how this condition could be applied by any Judge and state it is not a breach of someone human rights is beyond me. Conditions 2 states knowingly using or supplying property personal or otherwise for the use of a rave as defined under section 63.1 of the criminal justice and public order act, The Appellants has spent the last 10 years building his business saving every penny and help from family it is within the entertainment industry, he will hires equipment out and his services, The Appellants business would seriously be affected, because if he hired his equipment and it ended up in an illegal rave The Appellant would be in breach of the conditions. When hiring out equipment you do asked what is going to be used for, and you do have a contract that is in place, but what the person tells you their reason for hiring the equipment out is not always the correct reason and is not used for the purpose the person told you The Appellant would be in breach of these conditions also if The Appellant loaned someone any personal belongings and that person ended up at an illegal rave then The Appellant would again be in breach of his conditions, even if the item was something that did not even constitute as being for an illegal rave. Conditions 5 states; provide any service in respect of any licensable activity's in an unlicensed, premises. How is The Appellant meant to run his business, The Appellant would not be able to obtain a licence that has already been clarified by the police and councils due to the Antisocial Behaviour Order that is in place, The Appellant would not be able to offer his services	

	also due to the restriction that he has only 30 minutes within a non-residential building, most events go to the late hours in the morning so even if there was a licensed premises and someone wanted to hire the services of The Appellant The Appellant would not be able to do this. The Appellant was also offered contracts within two nightclubs to be the manager if The Appellant was again offered contracts within nightclubs or late-night bars The Appellant would not be able to accept these contracts. I cannot even say why condition 5 has been imposed because condition 4 conflicts with condition 5 in certain parts and who would want to hire or take on The Appellant if he had to ask for written permission which would be degrading for The Appellant to have to ask each time he wanted to go somewhere or had a contact and had to explain why he needed it to be confirmed in writing by the owner and/or leaseholder of the property, These are just a few concerns with the conditions that the Appellant is under; there is other concerns with other conditions set at by the Courts that are of concern. When the Appeal hearing was over the conditions was not served on The Appellant, they were posted to him in the post. The Appellant mother has put an application into the Crown Court on forms EX-105 and EX-107 requesting the Tape/Disc Transcription for all hearings, and is waiting to hear back from the court, to see if it will be granted. The Appellant mother has also put an application into the police under a subject access request to get all The Appellant history with the police which will show the data protection errors and more data that has been inputted incorrectly by the police, it will also show a history of how much the police does not leave The Appellant alone. Also, how many complaints has had to be put into the police regarding how the police have treated The Appellant over many years which when asked in this ASBO application case by the judge was any of this the truth they replied no to. The Judge also asked if anyone else had had an ASBO application against them for an ASBO on the dates held within the ASBO application, the Judge did not get a reply and it was not asked again. The police have not only done this to The Appellant but The Appellant whole family, so each family member have requested their records. So far, the police have refused The Appellant application and his brothers, they have allowed The Appellant mother and The Appellant sister but only part of the information has been supplied. This has been passed to the ICO to address, but due to the backlog the ICO has we have not been told a timeframe this will take. At this time there is also complaint still ongoing with the Appellant and the police and The Appellant brother with the police. It is also noticed that some of the police in this application who have done statements in this ASBO have complaint still standing against them, with The Appellant brother complaint. But until we get all the data, we have requested there could be more police officers in this ASBO application who have had complaints put in about them. There will also be a complaint regarding the DPS who investigated The Appellant complaint due to the fact they did not follow their own codes, when this complaint was passed the IPCC they upheld The Appellant Appeal to the IPCC and the complaint has had to be reinvestigated, due to what the DPS allowed to happen, and allowed the police officer to resign. Before allowing	

	The Appellant rights to take his complaint to the IPCC for Appeal before seeing the report and allowing a misconduct hearing to happen, before The Appellant had his right to appeal and the IPCC and they left a large section out in the investigation which pointed to discourtesy by the police. Still not completed I still got sections to add about ASBO application and no discloser and some other sections and some laws. This is how a JR has to be written up. They will have all the ASBO application bundles sent to the high court also so will be able to see the whole case as I need to also point out that we cannot add everything in this due to allowing the police to have the full extent as to what is wrong within the application for the ASBO that should have been able to use at the appeal hearing as we don't want the police to be able to try and correct the things that are wrong. If you want to edit any of this then please do so really carefully and in a next colour and you have to keep this format don't change it as it has to be sent to the high court in this formation, I know you are not going to like some of what I have written but if you want to win this case at JR you have to put things you don't like to hear or feel you don't have a problem. The judges have to see your human rights have been fully fucked over from start to end of these court cases and showing things you don't like will help that you can at your own write up as well.

I was building Pictures and the: --

I was building Pictures and the Frames with the printers in my front room as a hobby and trying to learn new skills when the new saw that I had just brought started to smoke internally so I recorded this happening to me with my phone “film” I then contacted the company that had supplied this to me and asked if I could change it for a better model, which did get agreed on the way to the shop in fact straight as I left my home I noticed the lady named as **Carron Dunno** whom had lied and set me up to help Stain Curtis evade justice after what he had been doing to me. This caused me to suffer and have to stay in a Mental hospital also it caused me the loss of use of my right baby index finger. I decided to approach her and ask why she had said lie to the police and got me arrested as it has now scared my medical records with her false and fabricated claims such as threats to kill her and the young children that she looks after, when in fact this never happened I never even spoke to her on this date of her accusations. I noticed that she had put two children into the back of the car and had started to get into the front driver’s seat. In me allowing her to do this safely I decided then was the time of my approach. I had my broken finger out and was looking at her from the outside of her car approaching from the front of her car. I was not speaking to allowed as it was mid-day and I remember clearly what I was saying to her which is: -- Can you just un do your window a little bit and talk to me as I would like to understand why you set me up and you don’t even Know me, I lost my finger because of you this was while doing having to stay in a Mental hospital for other two weeks getting assessed. She started up her Engine and sun of in a fast hurry. I noticed as she was driving away that she had picked up her mobile phone and had started to call somebody. Straight after I went to the shop as I had planned and basically as I arrived back at my home the police once again apprehended me, Carron had called the police and lied she stated that I had tried to get n to the back of her car and get to the children, when the police officer

explained this to me I told him of what had prior happened between me and Carron he believed in what I said and allowed me back into my home with my new saw. “without getting arrested”

Report made to the Enfield Council

05/05/2017

Mr. Mathiyalagan telephoned me to report that Mr. Cordell went to his. flat while he was at work and his wife was at home with his cousin and daughter and started to bang on his door and shout abuse and threats. He stated that he was at work and was scared for his wife and daughter.' I advised him to call the police.

05th May 2017

it is claimed that I threatened one of my neighbours by saying that I will ruin his life and that I was going to the police with the evidence that I have off all the illegal activities of him. Sarah Fletcher in the stairway with another gentlemen then had together been in the flat 113 while it had been empty and started to play above my head were I had seat to work on my computer, I knew that the flat should be empty because George had just moved out so I waited for a little while so that I can make sure that what was being done to me was deliberant then I went upstairs to find these two coming out. I confronted them both about when the work was to be completed that they had noticed had been wrong to be playing with it. When talking to them in the hall way Mathilgan come down the stairs with a black bag full of rubbish and I looked at him in front of the council workers and said I am going to send you to prison for what you are doing to me and that will ruin your life do you want that, in a polite voice. The council officers tried to question me by turning my words around but then I corrected them in the meaning of my inherited English Enfield council claim that we received a report that on 5th May **2017** you threatened, one of your neighbours by saying that you will ruin his life and that you were going to the police to present evidence about his illegal activities.

117 woke me up straight after I feel to slumber by assailing me intentionally by stamping and dropping articles above my head!

Then 113 and 117 tenants kept on Continually, reiterating to flushing the toilet when I went into the bathroom, so to be sick in my toilet because they made me ill!

The occupiers of 117 the Mathiyalagan family and also Stain Curtis off 111 Burncroft Avenue continue to Slamming the water tap on and off, and now with George Quinton also involved I continue to document their Hate Crime towards me and report it to the relevant persons without any fair process of support and this is causing damage to my health and the buildings fixtures at an unacceptable rate!

They all mentioned in the addresses of 113 and 117 Burncroft Avenue keep Dropping articles on to their own wooden flooring to make loud banging noises all day and night towards me and the floor has not gotten fixed correctly in the address of 113 after Debra Andrews moved out, making me still suffer as George has taken over!

Stain will not stop banging on the kitchen wall with intent of victimising me on a full 24-hour assault in collaboration with the other named in the address of 113 and 117!

WARNINGS FROM MY HEART: --

My heart hurts me, so bad, it hurts me, so, so, so much, it feels like the Mathilgan family and co, with Co including Mr. Stan Curtis and Deborah Andrews, not to forget George Quinton can do what they want to me as they clearly where all out of control and without any authority in sight, even when mutable amounts of phone calls got made to them all about the problems that I had to face because of them all involved, continued to victimise me, they all used there floorboards or other house fixtures to have a negative effect on me, some of what they done to me included such hatred, as the continual slamming on and off the water taps hours at a time, while using there cooking pots and pans to hit the wall's, they done this so loud to put me in fright of my life, it was like there chosen weapons of choice to them; Morning; Evening and of night, whether a full moon or not, all day long, they just simply keep on banging, and banging, and banging, no matter how many time I asked them, to stop, doing the evil things that they were subjecting me towards, nothing ever did change, right up until my heart just would not stop hurting me, it was like they all were having a private Pidherney; which gave them, versatility, enthusiasm, agility and unconventional methods of behaviour. While I got left to have my own epiphany; in turn creating a cartoon version, of the true events that they put me through. I noticed in my mirage of a brief reflection inside of my epiphany, that they were hitting me across my heart with the wooden floor boards, and this was happening, continuously to me, like they were all dancing around a bomb fire, dancing around, and dancing around, in furious

circle's, all together and as happy as could be, while they keep going around in a circle hitting me with their floorboards, and to me; the bad part is, that I' am the person in the middle of that's bomb fire, who got set on fire; at the end of the epiphany; I come back from my vision; and therefore I knew that by this stage, I must do something about it, as they just simplify wanted to kill me dead and I could not allow for this to happen, I knew that I needed to survive, somehow some way.

Summary!

My Heart has really started to hurt me every day, I am having an early aged mild heart attacks because of what Debra Andrews and the Mathiyalagan Markandu family as well as stain Curtis and George Quinton get and got away with, inclusively of what the police and local council members are getting away with each day by holding me hostage with no first hand witness and then on allowing my estate members to carry out their hate crime in a cover up to send me crazy or to an early death by flushing the toilet below me and bagging at me causing me sufferings and no peace also letting the named attack me when I am in the bathtub and getting undressed and this does not stop their I continue to get assaulted with the water taps getting slammed on and off causing a loud bagging sound at a fast rate and slamming object and or jumping on the floorboards above my head damaging my work studies and private family life and making me a Vulnerable person!

I have also had a lot of problems with eating because of what they keep all doing to me!

My canine has victualing its paws because of what 113 – 117 and 111 are getting away with I have taken pictures of the damage this is doing to us in this flat!

Disrepair!

If what they do to me finally kills me then it would also kill a lot of other people in the process!

The Mould on the walls and the ceiling has taken over the whole flat and is making me so stressed out that it make me ill, the council still will not fix the disrepair issues!

Subject: 109, BURNCROFT AVENUE ENFIELD, EN3 7JQ

Further to my conversation today please note the following,

I carried out a joint with **Sarah** back in January regarding low water pressure to 117 While on location the following was noted

Kitchen internal wall has been partly removed

3 large industrial type printers found with assorted inks and cleaning liquids **Internal gate installed to front door**

While all these items could be used in normal day to day interests the tenant made claims he was actively involved in planning and conduction events and the equipment was used to produce marketing leaflets and posters.

This Monday we has reason to attend 113 to carry out a full lock change given accusation from the tenant that his lock had been glued so was unable to gain access the tenant claim the damaged was caused by 109, (this cannot be confirmed) as the tenant did not attend both Sarah and myself did go in and while there was confronted by the tenant from 109, the tenant for about twenty minutes would not leave us alone and became increasingly aggressive despite attempt to explain to him that we had not come to see him or indeed were able to comment of any of his accusations on how Enfield had ruin his lie were putting him in danger by leaving him in his flat, during this confrontation the tenant from 117 passed through the passage and the tenant from 109 stated he was going to ruin his life and generally became more irate towards the tenant.

It is clear that we are unable to allow this to continue as the body posture from 117 was defensive and did not wish to reply or get into any form of conversation with this tenant

Given that two members of staff were present and the confrontational attitude towards not only us but the other resident I believe we need to action this event to try and stop any further escalation from this tenant

Lastly I would recommend that we need full access to 109 to assess what is the true cause of the low water pressure to the flats above given the items found in the flat as well these need to be removed as does the internal gate please advise so I can carry out a full inspection as this is a complaint from the lease holder as they have very little water flow in the flat above and given the nature of the conditions and life style of 109 we are unable to show if he has caused the issue, on a housing point the internal wall that has been partly removed needs to be put back as it is a breach of fire regs

Dear Mr Cordell

Your Mandatory Reconsideration Notice

You or someone who has the authority to act for you, asked us to look again at the decision we sent on **19-Apr-2017.**

We have taken into account all the information available.

We have changed our decision and you will be seen with a separate letter with details of your revised award.

The reasons for this decision

Mandatory Reconsideration - Incapacity Benefit (Credits) / Income Support Reassessment.

I have looked at all of the available evidence and I have been able to revise the original decision dated 19-Apr-2017 and therefore; you have shown good cause for failing to attend a Work Capability Assessment on 06-Mar-2017.

You did not attend a Work Capability Assessment on 06-Mar-2017. On 19-Apr-2017, the original Decision Maker considered all of the available evidence but decided that you had not shown good cause for failing to attend the assessment.

As a consequence, your award of Incapacity Benefit/National Insurance (Incapacity) Credits and Income Support did not qualify for conversion to Employment and Support Allowance under Regulation 23(2) of the Employment and Support Allowance Regulations 2008 and was terminated from and including 16-May-2017.

We received a request from you asking for a Mandatory Reconsideration on 26-Apr- 2017.

You will now be given another opportunity to participate in a Work Capability Assessment.

Your award of Incapacity Benefit/National Insurance (Incapacity) Credits and Income Support are reinstated from and including 16-May-2017. also, they have removed so much out of your record they are hiding it so we will find it hard to show police harassment. But look at the ELLESMERE STREET one. that's in the ASBO i pulled it out of the file. so, by using it in the Asbo like that have is illegal as the police have the option to prove the case when they took you to court.

Simon

Look I am trying to address this but you won't hear what I am saying. From the start of this case Josie dealt with it totally wrong I think you and I agree on that. But what has never been addressed in this whole case is all the police's statements they are what is hurting you we have addressed the cads but we have allowed the police to get away with what they've put in each of their statements this needs to be addressed we need to point and the lies within them as there has never been done well not in black-and-white each statement needs to be ripped apart. You seem to think is only about the lies in the cads but when the police offices standing up with the statement, he's written how can you question that if it's not in black-and-white in your file. There are multiple points that needs to be addressed, in a judicial review it's not a new trial it's where they have breached the law you are trying to admit things that is evidenced to the case when what you should be looking at is the law that has been

breached.

The banging Started!

111 Flat – 113 – George Quinton (responsible)

Stain Curtis (responsible)

Matiyalagan Family and friends (Responsible)

Time: All-Day and All-Night whenever they knew that I was indoors!

This has left me Cheated out of my life and at my own expense!

The original tenants of 117 and 111 Continue to victimize me also now with the new tent George of 113 by!

117 woke me up by attacking me on purpose by stamping and dropping articles above my head!

Then 113 and 117 tenants kept on Continually, reiterating to flushing the toilet when I went into the bathroom, so to be sick in my toilet because they made me ill!

113 - 117 and 111 today kept on Banging with objects onto the internal main buildings walls and floors, so to intimidate surely me and maybe others living close by whom maybe present to an extent only worthwhile for the perpetrators selfless glory, In them perpetrators knowing that their behaviour would only leave all those getting victimized towards getting left by their wrongful actions as to being put into a state of a mental health patient and not rightfully with this occurring within mine and their rented or paid for homes!

The occupiers of 117 the Mathiyalagan family and also Stain Curtis off 111 Burncroft Avenue continue Slamming the water tap on and off, and now with George Quinton also involved I continue to document their Hate Crime towards me and report it to the relevant persons without any fair prosses of support and this is causing damage too my health and the buildings fixtures at an unacceptable rate!

They all mentioned in the addresses of 113 and 117 Burncroft Avenue keep Dropping articles on to their own wooden flooring to make loud banging noises all day and night towards me and the floor has not gotten fixed correctly in the address of 113 after Debra Andrews moved out, making me still suffer as George has taken over!

117 - 113 and 111 Slamming the main, communal entrance door closed!

Stain will not stop banging on the kitchen wall with intent of victimising me on a full 4-hour assault in collaboration with the other named in the address of 113 and 117!

Response to the Judge's Ruling: --

On the

04/08/2015

04th August 2015

the District Judge at High bury Comer Magistrates' Court made an antisocial behaviour order, an ASBO, against Simon Cordell. It is a clear fact that the appellant has disputed that the two-part test in section 1(1) of the 1998 Crime and disorder Act has been satisfied correctly in law. He continues to contest his innocents in any Anti-Social Behaviour acts. He states that he was not intentionally or otherwise involved neither was he part responsible for any harassment, alarm or distress that was or is said to have been caused. The prosecution explains that they have belief of some form of direct evidence and a lot of hearsay evidence to obtain a fair guilty verdict against Mr. Simon Cordell, This is not the case as for fact the evidenced in the case is circumstantial and does not give any relevance towards the true on goings of incidents being accused upon the appellant as sighted in the Asbo application, I find it difficult to apprehend because the case as stated in the Asbo application is based solely on hearsay evidence at page number (000) and the rest of my findings below in this official document and therefore question the reliability of the prosecution supported evidence. When applying the bill of acts of law referring to section 63, illegal raves govern under the raves act 1994. Any person must be confident that when applying for part (1A part a) "on private Land" "It is a gathering on land of 20 persons who are trespassing on the land" and or part (1A part b) "on private land" "It would be a gathering of a kind mentioned in subsection (1) if it took place on land in open air." Part 1A was introduced to include buildings, in laymen terms this would mean that any fixed a bow of residence or private dwelling is private unless trespass is present when introducing buildings into the equation and this means that the key elements to section 63 of the raves bill 1994 part b has not been complied with in this instance. One would have to argue against the fact being that there is no difference between in private air and in open air and even further have to debate of there being any truth in this not being relevant towards the ongoing of this case. It has been said that it is obvious that, the organization of large-scale raves does fall within the definition of antisocial behaviour. Whether within or outside the scope or parameters of section 6(3) of the Criminal Justice and Public Order Act 1994, this would leave any person confused if this were true when hiring out any entertainment equipment in good faith, when any person(s) hiring out entertainment equipment to private homes and therefore putting company owners, home tenants and landlords at risk of being prosecutable for good intentions and liable for other people's actions when they are not at fault with knowledge or intent, this is to be inclusive of not forgetting that all people living and residing in the United Kingdom should be treated equal and are entitled to their own private party's which may include the provision of generators, or a generator and sound system equipment. It has also been said that it is obvious that, the organization of large scale raves does also fall within the definition of antisocial behaviour, whether on private property or common land and It has been explained that the prosecution take no belief in The appellants defence, what doe's refer to respect of various properties and occasions to what he described as LASPO notices, which were affixed to fences or doors. The prosecution have said that the references as to section 144 of the Legal Aid, Sentencing and Punishment of Offenders Act **2012**, in our view, "the prosecution

view” has no relevance whatsoever to the issues raised by this Asbo case and provides no sort of protection to the occupants of those buildings in the event of antisocial behaviour taking place and they continue to say that the appellant has used it in order to justify an event taking place by describing it as a private party held by the squatters who were occupying the premises and that this is merely a smokescreen and not a defence of any sort whatsoever, the applicant disputes this and states it not to be true and he continues to express that any person should query the accuracy of the truth of this statement as for fact the word in private air was omitted out of the guidelines for making a successful Asbo so for the police to have powers of arrest and to prevent a breach of the peace on and in private land, if a member of the public issues a truthful complaint that can be proved beyond reasonable doubt, then the council and police can work in collaboration with them or that victim(s) and create a successful Asbo application governed under Asbo legal guidance, as seems to not of happened in this case. It is also questionable whether a gathering of 20 or more people in private air can be classed as a rave as for in private air was never omitted out of the raves bill 1994, giving the people the power to their own freedom of rights when not in the public domain and providing entertainment to themselves or guest. As noted on page (420 and 000, 000 in the applicants response bundle) it has also been noted that It is for the police to prove that when dealing with issues of concerns relating to entertainment when in private dwellings it is for them to follow the right line of investigation and in this instance that would have been to find a breach under the licensing act 2003.

The district Judge: --

On the

04/08/2015

The district Judge was in error in her point of law at the hearing of the Asbo application at the trial of the applicant, this is In respect to the licensing act 2003 regarding in private air and in public air as she does not mention profit to which is the only requirement to be restricted as stated in a copy of the court transcripts provided.

Quoted;

District Judge States; “are you aware that music is a licensed activity and believes you need a music license to play music?”

Mr. Simon Cordell states; “I would need a license for both premises.”

District Judge States; Yes

Mr. Simon Cordell States; “I would not check if lending equipment to a private party.”

What does clearly state as follows;

Contained in the licensing act at page Appendix 4 of that act it states; - is not illegal or an offence for any person to provide entertainment in a private back garden or private residence unless they have the intentions to make profit. We do not accept that a person who helps, organizes or supplies equipment for a rave where there is loud music late at night has obviously done an act in contravention of section I (1) (a) of the 1998 Act, but we do accept that If this was to take place out doors in a public place or not on a private self-contained premises then playing music with 20 or more person(s) may constitute to the legal definition of the word "Rave" being implied. If there is 20 or more person(s) on private land with dwelling listening to music then trespass must take place and or a breach of the licensing act 2003 to constitute to the word Rave being used. On

20/08/2015

20th August 2015

the Applicant appealed to this court against the making of the Asbo order. Mr. Simon Cordell agrees that he did set out various grounds in support of his appeal in a document entitled "Re Simon Cordell v The Commissioner of

Police," which is to be found at page 406 of the appellant's bundle, appeal against the imposition of an ASBO. In the response to judge PARLAKS requested letter dated the

22/02/2016

what is an eight-page document, which is contained at pages 397 to 404 of the appeal bundle. The ASBO was ordered by the District Judge to last for five years and this did not run conclusive with the two-year time period of the injunction, totalling to seven years. The Applicant feels that he has continually been supporting evidence to satisfy the court to the criminal standard that the he has not acted in a manner that caused or was likely to cause harassment, alarm or distress on the dates contained within the Asbo application by way of organizing illegal raves under the raves bill 1994 section 63 of that act. The Applicant understands that the second limb of the test, as the authorities should provide has not been met to the criminal standards of proof needed to obtain a guilty verdict. It has been said that the fact that an unoccupied or deserted building is taken over by squatters, who treat it or claim to be treating it as their home, is, in our view ("the prosecution view"), irrelevant to the issue of the case in respect to whether an event which takes place at a occupied squat building, be it a so-called rave or not, there is a clear difference between a rave and private party, the case being brought in motion against the appellant is for the organization of illegal "RAVES" the key word being raves, if a rave cannot be proven to have taken place, then there should by law, be no case to answer towards and under the guidance of section 63 (1A OF A and B) the law states that trespass must be present The fact of whether or not antisocial behaviour was created at a private party without no victim bringing charges forward and no witnesses to anti-social behaviour highlights the misjudgement of a guilty verdict Whether or not antisocial behaviour was created by a private party without the organizers intention to cause Anti-Social Behaviour also raises concerns to the guilty verdict Contained in the applicants response bundle in his first opportunity to defend himself against the accusation he faces he created a statement contained in pages (1 to 7) he disputes being the occupier to any of the occupied buildings. The applicant has provided to the police, courts and prosecution a copy of his company hires terms and conditions of hire also contained in his response bundle on pages (253,254,256,) which clearly shows that he lives in a council flat as a secure tenant and therefore would not be occupying a warehouse. It seems that the prosecution have attempted to explain why they are able to come to the wrong conclusion and quotes the following; "that because the appellant appears to be under the impression, and indeed his mother, who has made various submissions on his behalf in writing in this case, that hearsay evidence is not admissible," in court that would be to say, this would be incorrect to come to that conclusion, as for fact the truth being that the appellant and his mother both have different believes in this point of law, as they have both are not trained to be solicitors and only have a self-trained understanding, as explained in court from the beginning of the proceedings. The appellant strongly believes that without a solicitor in place he may never be 100% confident of such facts but has the understanding that in the circumstance of hearsay he takes reference to his response in his bundle (page number 420 and as importantly page 421) that states some of the key following elements; Also the capacity the court sits in as for the Asbo proceeding sit in there civil capacity, but the respondent's application states an offence of a criminal nature such as the organization of illegal rave, so for any person to understand what rules the case should really be imposed to so that

the Applicant could stand a legal and justified fair trial cannot clearly be established, this is for the reasons as listed below.:-

Magistrates and crown courts have different regulations when the court houses are sitting in a true and fair civil capacity when at trial and appeal. A criminal case as the respondent application clearly states it is, has a different views towards the rules of hearsay, than a civil case does and requires a section 9 or 10 to be educed into the case proceedings, if the section 9 or 10 requirements are not agreed by the Judge, or challenged by any applicant, due to a witness not given oral evidence in court, then the context of their statement holds less weight and may not be read out in court verbally aloud that is to say on its own, by any members of the prosecution and in turn becomes inadmissible in criminal cases. Under civil proceeding where there is no criminal element, then them hearsay rule do not comply and the Civil Evidence Act 1995 will in fact apply, in any ongoing proceedings that are in pursuit of an Anti-social Behaviour Order, the Civil Evidence Act 1995 rules should come into force and will allow the admissibility of hearsay without an exception other than a hearsay notice, because of the clear difference that is allowed in the proceeding of criminal and civil law relating to hearsay and the respondent's case being of a mixture of both laws, this leads me to the understanding that I could not stand, what must be a speedy and fair trial in respect to, The Universal Declaration of Human Rights (UDHR) 1948, the Human Rights Act 1998 (the Act or the HRA) and the European Convention on Human Rights (ECHR) 1953. It has been said as quoted "that the impact of raves generally can be judged from the appellant's own documents, as he has included a report of a rave in local newspapers at pages (279) and specifically (282) of his bundle at premises in or adjacent to Southbury Road, the so-called MAN Building. The appellant cannot say whether this did in fact contribute to the legal definition of a rave as he was not present, neither can he say whether or not this was a house party that went wrong and he surely cannot say whether some body was arrested for the organization of illegal raves on this date. The prosecution states the following: - (Answer 1 of 2) "This is not a rave in which he is alleged to have been involved in, (Answer 2 of 2) and it took place on a date other than the dates relied upon in evidence in this case. These two statements are also not true to their facts. (Response 1 of 2) please read the snip lit of the Magistrates transcripts of Inspector Hamill page number (438) of the applicants response bundle and take note to the witness statement, what shows that while under oath he lied to the judge, he done this to gain a guilty verdict because when asked while under oath by my barrister, whether he was sure that all the events contained in the application are in fact progress way or not he replied by stating:- There was a rave on an adjourning Rd but not on that day. (Phone calls received were not relating to Crown Rd Rave on that day. On the day in question phone calls related to this particular rave. (Progress Way): - so by explaining this to the district judge and the applicant's barrister, he manipulated the truth in knowing that there was an event that took place at Crown Rd on the

08/06/2014

08th June 2014

while developing the Asbo so to conceal the true facts in doing this Steve Elsmore deliberately imputed incorrect evidence within the main Asbo application bundle. At page 278A of the appellant's response bundle there is reference to the MAN Building. This reference does have a huge amount of relevance to the on goings of the Asbo application or Steve Elermore would

not have applied them cads to be present in the Asbo folder, any person can also see that the cads relating to Crown Road the old man Building, were added as a true smoke screen to aid in deceiving any person of interest into believing that they are in fact Progress Way. (Response 2 of 2) as can also be cross referenced at the cad

page numbers of 164 to 166, 230 to 232, 272 to

275, 276 to 279, 280 to 284, 285 to 289, 290 to

294, 295 to 298, 314 to 316,

which is the date an event took place on the 8th of June **2014** what is the same date as the other cads contained in the same section of the Asbo application relating to Progress Way on the

6th 7th 8TH June 2014

so, for any person to say these are different dates they would be wrong in saying this also, this has clearly been placed in the Asbo to be that of misleading evidence. The original Asbo application files page numbers have been changed since the prosecution updated their files. There are seven cad that are not relating to progress way and seven of them are for Crown Road and are believed to have been imputed in the development of the Asbo application to deceive the judge and applicant. The prosecution since the start of the case have implied that they have witness and them witness do not want to attend court to give evidence so to be questioned by the applicants barrister on the day of trial, they further explained in a copy of the official court transcripts of the days at trial at Highbury Magistrates court dated

00/00/2014

and also, in the following: -

1.

2.

3.

But It is a pity of course that none of the people whose sleep in particular was disturbed during this three-day or two-day event felt able to give evidence.

They all wanted anonymity.

They all refused to give evidence,

It has been said that in

August 2014

various police officers went to the makers of them cad 999 calls in order to obtain further evidence as to what they had been complaining about. As I said before, none of the complainants wanted to or have given evidence, but the police took hearsay, as it were, evidence from them by way of more detail as to what had been going on.

All of that is contained in divider 20 of the respondent's bundle and again it paints an entirely convincing picture of what was going on during this rave.

The prosecution state that there is an area of the case where there is some direct evidence which comes from the CADS, which recorded complaints made by various members of the public and that they were given a map of the area around Progress Way. To the disbelief of logic the prosecution continue to explain:- "that It is quite obvious that the complaints which were made were coming from various roads in a cluster of roads mainly to the south side of the premises where the music was coming from and from this belief they make this observation" I find it hard extremely difficult to come to the same conclusion with the evidence supporting the distances of location from Progress Way below.

The above table lists some of the locations that are from the CADs giving distance in mileage, the appellant's contention in relation to the 999 calls made to police by members of the public is that those calls, cad numbers are of fabricated evidence. Either the police have been making calls from different various locations, with one location in particular, "outside of the gates to Progress Way. The proposition advanced by the appellant, in response to part of his submission to the court is that the material contained in the CADS has been fabricated by police officers. In the prosecutions view, patently they have explained that this would be absurd behaviour of police officers while on duty, for this reason. There is such a large volume of material contained in the Asbo application created by Steve Elsmore and other officers that this would				

require an extraordinary conspiracy on the part of the police to achieve. In the applicant's defence this is not something that is likely to be impossible and with the proportionality of evidence that the applicant has showed in the balance of justice to be of this nature that is to say corrupt practice of members of the Metropolis Police force Constabulary his statements are more than likely to be 100% correct. The prosecution also wanted to deal with another theme which they say seems to surface repeatedly in the submissions made by or on behalf of the appellant in this case, namely that there are errors in the police national computer record, which was produced at some stage in these proceedings, and continue to say that this "certainly does not and we are totally disinterested in whether he has any previous convictions for any sort of offence." Why has the applicant not adduced and removed cases that when the Asbo application was in development was clearly added incorrectly? Relating to incident's that can and have been proved to be in error in the defendant's response bundle. I feel strongly that this does have a huge relevance in the ongoing of this case at present as for sure the prosecution surely understands that a bad character application should have been made under the Criminal Justice Act 2003 and must be submitted to the judge beforehand so for any person(s) copy of their criminal record to be contained within any case files such as the Asbo application, as the case must be met to the criminal standard of law as has not happened here from the start of proceedings. The prosecution also states that they would like to deal with the fact that the applicant has no previous convictions in particular for drug offences and state: "that this seems to be something that he brings up of his concern with no relevance in this Asbo case." The reason that the appellant has brought this up is because on the day of trial at the Magistrates court dated

00/00/2014

his barrister put forward a line of investigation to officers involved in the case and asked the following as noted in the court transcripts; - "this is another example of doings put in statements to blacken Mr. Cordell's evidence in statement @ point 12, (No evidence of convictions that of class A drugs) unlike what's written in Statements – another example of untrue cut and paste.

DJ: - Ill ignore that, because there is no convictions of class A drugs or supplying present on the criminal record.

The prosecution claim: - that "what matters in this case is whether the respondent has made out the grounds for obtaining the ASBO.

The existence of previous convictions, whether correctly recorded or incorrectly recorded, is, I repeat again, totally irrelevant. In response the applicant does not feel that the grounds for obtaining an Asbo have been met and a bad character application should have been made under the Criminal Justice Act 2003 in any sense and feels that this wrongfully paints him to be a person of bad character, there is the worry issue that the prosecution claim that on the

07/06/2014

when the applicant was not present at Progress Way that there were suggestions made that antisocial activity, such as the sale and taking of drugs were also taking place this. The applicant contest that he took no part in any drug related activities. The appellant would like to confirm that Included in

	the bundle there is a copy of the transcript of a case heard by way of appeal at Kingston Crown Court, on 05/03/2015 05th March 2015 this does appear at page (204 to 000) and it has been given for two reasons and them reasons being as follows; - This is an example of what the appellant knows to be victimization by the police to his person to prove that he did not act in an Anti-social manner on this date to conclude that this day had nothing to do with the respondent's application for the organization of Illegal raves. It was a wrongful conviction for no insurance at the Magistrates court against which he appealed, after a police officer gave false information to gain a guilty verdict, this was later proved at crown court on appeal, due to a recording of the police officer setting the appellant up. It would be correct to say that the prosecution was advanced not on the basis that he was not insured; but that he was not insured for work and therefore he had no insurance and the court allowed the appeal, because the prosecution was not justified. The prosecution relies in particular on certain core incidents, namely the event from 6th to 8th June, the 19th July and 9th to 10th August. In relation to those occasions and: - In reference to the 12/01/2013 12th Jan 2013 Canary Wharf This date in question has been add to the applicants bundle as a reference as to the Limitation Act 1980. Which states a case must be applied within six months from the date of the incident. Please take note to the Applicants last statement dated the 24/02/2015; he was in fact taken to the Royal London Hospital. It was said by his honour himself that a lot of the evidence in this case is circumstantial evidence and while the Asbo was under his observation he took note that particular events or incidents relied on in the case were on more than one occasion or perhaps the case would be hard to reach to the criminal standard of proof. Judge Palck continues to explain that he partly based his verdict on evidence found at page 153 PC Purcell reports Canary Wharf reporting that they had a rave at Wood Wharf and supplying information relating to vehicles involved in gaining entry and carrying equipment, one of the vehicles was MA57 LDY, a Ford Focus, which was registered to Simon Cordell at 109 Burncroft Avenue, Enfield, Middlesex. The prosecution state that this evidence simply demonstrates that the applicant's car was there. The applicant does not dispute that his car was there on this date as can be read in his first statement contained at page number (0000) and he mealy explains that he was there to visit one of the occupiers of many, the occupier who he was meeting was living at this address and that he had an accident and went to hospital not too return to his friend after. The applicant takes disbelief in the article contained at page 317 and believes this file it to be forged and that Officer Steve Elsmore created it to aid in his own wrongful self-gain. Officer Steve Elsmore states; that he found in the police Nation Computer: - "a cad refined to an incident report from Canary Wharf	

	relating to this date, 12th January 2013, "Trespassers on site, illegal rave, forced entry, shed 4, police tasked, no action, group left site. The evidence the applicant put forward in regards to this claim is contained at page (0000) and Page (0000) And this should be very easy to prove as for fact when the applicant was first said to have been served he disputed this fact, as can clearly be seen by the letter of complaint made to the police contained at page (000) His mother in fact hand delivered the folder to Edmonton police station to lost property and collect a receipt contained at page number (000) Contained in this folder first said to have been served by official police officers was an Asbo application which had inside of it some of the following: 1. 4 x Members of the publics witness statements. 2. 3. 4. Since the on goings of the case have proceeded the prosecutions have allowed for additional information to be made and then sneaked into the application. The list below has now been included within the Asbo application an additional: - 1. Twelve more members of the publics witness statements.” wrongfully added” and not signed by member of the public. 2. 3. 4. When the applicant noticed this he phoned the police and questioned them in regards to why this had happened, he also requested to reclaim the folder that was handed in to the Edmonton police stations lost property room, he received a reply as can be seen in a copy of the audio voice recording transcripts provided in the applicants response bundle now at page numbers (000) The Asbo bundle that was handed to the police stations lost property has now been stolen and not returned. Appellant will also state that the police did not exercise any powers under section 165A of the Road Traffic Act 1988. The Appellant will state that his vehicle was not seized under section 64 of the Criminal Procedure and Public Order Act 1994 because this was not an illegal rave as defined under section 63(1). Mr. Simon Cordell inserts and instates his legal Rights of the Freedom of Movement, as expressed in article 13 of the Universal Declaration of Human Rights, it quotes; that a citizen of a state in which that Citizen is present has the liberty to travel, reside in, and/ or work in any part of that state where one pleases within the limits of respect for the liberty and rights of others. At no point of time within the dates that the applicant rests its case upon does the applicant use his vehicle to organize or take part in an illegal rave knowingly. The Appellant will state that his vehicle was not seized, under Section 62 which provides the power for the police to seize vehicles of persons failing to comply with a direction under s6 1. The Appellant will state that on (page 141 Respondent bundle) the police wrongly entered in an intelligence report that there was no insurance for his vehicle. <u>2. he states that he did not attended any premises on this date to rave, Mr. Cordell did not involve himself in the organization of any illegal rave this was his friend's housing estate and was on a Sunday, nor did he supply equipment on said date. The Applicant will State; "that he was not rude to police, but he did feel like he could not even go out for the day with some of his friends, without getting stopped and searched by members of the police. It is also noted that the caller was very clear that they saw a flat screen TV being put into Mr. Cordell's van, which is confusing to why when the police searched the van they found no TV, but did in fact find two of his off road motor bikes, which is not included in Steve Elsmore statement. The police did checks on the Applicant Off Road Motor Bikes but this is also not stated, but should show up on the seizer notice, as the Applicant did ask the police office to take careful note of the two off road motor bikes, as due to the high value of them. Mr. Simon Cordell will state; "that he did get a bit upset when the police said they were going to seize his van, as he did have insurance in place to be able to drive the van in question, but there was an error on the MID database. Miss Cordell had been trying to help her son resolve the issue concerning his insurance policy not showing on the mid data base alongside with members of their local police force and his insurance company KGM too, together they had tried to work out why the Applicant was showing as uninsured.

There was information noted as intelligence on the police National Computer stating this asking the police to check on their systems due to this, but they would not they just wanted to seize the Applicant van without checking, so he knew he was being wrongfully accused at this point, as he had done nothing wrong and he did have insurance to be driving and had paid a lot of money for his insurance. He states he did not get upset in the manner that the police have said he did and that he does not mean to come across as rude to police. In this case he was just trying to explain the error on the system. In addition, the prosecution offered no evidence in respect of the charges that were brought even though they were reliant on police witnesses. The Applicant had been wrongfully arrested for not having insurance when he was insured to drive. He also did not cause any Anti-Social Behaviour on this date in question. There are no CAD's for this date, but yet they was meant to be, a CAD referring to the pacific details that should be relating to a person stating, that they believed a burglary was in progress and that of the 999 caller stating that they had seen a person who was putting a flat screen TV into the Applicant van.

3. In reference to 24th May 2013 police station: --

	Please take note to the picture above and that of the building on the far right being the old police station, you cannot see the front vehicle entrance as it is in the far right of the picture and is the only entrance. The alley way in the middle is where the applicant drove his car down on this date in question and he parked his vehicle, there is no rear entrance to the police station from the ally as there is two other running companies in-between and to the far right is another running company. 24/05/2013 = the prosecution accuses the Applicant of looking for venues to set up an illegal rave. The Applicant will state; on the 24/05/2013 “that he did not attend any premises on this date to rave neither was he in evolved in the organization of any illegal raves, nor did he supply equipment. This case was only added as a reference as the limitation Act 1980 which states that a case must be applied 6 months from the date of the incident, to which it was not. Please read the applicant’s last statement dated the 24/02/2015 It is alleged that the Applicant was looking for venues in which illegal raves could be held, the Applicant dispute’s this. He states that he had been contacted by a friend called Joshua, who was living at 204 High Street Ponders End EN3 4EZ, also known as the Old Police Station at Ponders End, as he and some others were homeless, so was living and residing under section 144 as the Applicant was driving towards 204 High Street, he drove his car down the alleyway so that he could park the vehicle he was in, He parked between two well-known land marks, Which is where many people who do live in an around the surrounding areas would be able to remember as the old ponders End police station next to the Kinder Garden Centre. Mr. Cordell states he knows the area very well as this is where he has lived all of his life, so he knew about the car park at the back of the two well-known landmarks, as he states you cannot park on the high road, because of the double yellow lines or other restrictions.	

	He had parked there before, he states he believes and knows that the police saw his car as he began to take a right turn to be able to drive down to where he intended to stop, he knew the police had followed him, as he had seen them pay attention to himself as he had driven past. The applicant does remember clearly that of himself locking his vehicle as the police approached him and now was standing by his side. He states that this is normal for him and over the years of his life he has become use to the police approaching him on numerous accusations this has made him used to their presents. The Applicant states that the police pulling him over are normal days for him, on this occasion he got ready for the police procedures as they said they wanted to search him and his car because the police believed that the car he was driving smelt strongly of cannabis, the Applicant sates that he always consents to this. The Applicant is sure of his statements of facts and that the police cannot dispute this, that of the police officers that had approached him and who had stopped him as he had just got out of his car, or how would they have said his car smelt strongly of cannabis, which is the reason that the police officers gave him the conditions of search and their consent form due to a search of himself and that of his vehicle that he was driving. The Applicant will state; “that he had not done anything wrong and nothing was found on his person or in his car.” The Applicant will dispute making any comments about being able to attract people to illegal raves and illegal three-day events, what reason would he have had to say this. The Applicant will state that he was a visitor to the location of interest, due to a call from a friend who asked if the Applicant could loan him some money for food. The Applicant does not know what Joshua said to the police, as he was never with Joshua. The Applicant does not know why Joshua would have said to the police that he was his lawyer, or if Joshua said this at all to police. The Applicant has tried to get hold of Joshua to make a statement for this case, but due to him being homeless, it has been very hard. As far as he is aware the building was being occupied by people to live in, he states he does not know anything Joshua said to police about know any think about a rave. The Applicant did not manage to visit him on this day. The prosecution seems to have come to another conclusion wrong also and think that possibly members of the public or at any rate someone reporting to the police that something suspicious was happening at what was the old Ponders End Police Station, a deserted, unoccupied, vacant building.	

	This is incorrect There was an information report by PC Jackson, which is to be found at pages 118 to 120 in relation to that occasion. That report indicates at page 119 that on arrival police contained the area and Simon Cordell was seen exiting an alleyway to the side of the police station at the rear of the Kindergarten Centre this does not permit a fair reason for an Anti-Social Behaviour Order. At no point is the Applicant being accused of acting in an anti-social manner on this date, or by any members of the public inclusive of members of the police, neither was he arrested. 3. Hyde Park 20/04/2014 This applicant was hired out to this event by the organizers and has supported evidence in the form of a confirmation email between himself and the organizers in his response bundle please see page number (000) He arrived at the sites location as agreed and was turned away by police officers to latter be informed latter by the organizer that the applicant had let him down. 4. In reference to 5 St George's Industrial Estate, Pages 213 - pages 98 to 100 created by Steve Hoodless yr. contained within the applicant's first bundle. It is said that on 25/05/2014 the Applicant was involved in the organization of and / or supplied equipment for and or attended an illegal rave at unit 5, St George's Industrial Estate, Whit Heart Lane. The Applicant states; "that he did not attended any premises on this date to rave neither was he involved in the organization off any raves, nor did he supply equipment for an illegal rave at unit 5, St George's Industrial Estate, White Hart Lane, N17. It is also noted that on page (98) of the main applicant's bundle) that the report was created on the 26/05/2014 for criminal damage, the event date, is noted at: 25/05/2014 but was last updated on the 19/06/2014 why would there be a need to update this report. In respect of the Applicant presence at Unit 5 St George's Industrial Estate, White Hart Lane on 25/05/2014	

25th May 2014

He attended a commercial building that the occupiers were residing in, having displayed section 144 LASPO notices and in turn treating the premises as their home.

Nothing was said to the Applicant about a rave by any of the 20 occupiers.

He states that he was visiting friends and they were just sitting and chatting while having a laugh.

He remembers taking about ways to better life for himself and his friends as well as others.

There was no music being played or about to be set up.

He was not involved in the organization of an illegal rave of any sort and no Acts of the licensing Bill **2013** was being broken.

There is a report from a PC Hoodlass at **page 112** of the appellant's bundle which relates to this occasion. A security guard had called the police to the location, and that cad states: - "there were twenty young men and women there, who ran out.

Some people remained inside, claiming to be squatters.

The Applicant state; "that his friend called him earlier in the day and explained to him that they were living at Unit 5 St. Georges Industrial Estate White Hart Lane N17; and that he had gone to meet them, he continues to explain that he did not hear any alarms while he was present, nor would he be on any CCTV cameras committing any offence on this date in question.

That he did in fact arrive and had ordered food.

He used his van to travel from his home to where his friends were staying.

The prosecution explains that in the rear of the Transit van contained a set of large speakers and music equipment, but Mr. Cordell insisted he used the equipment for festival work and was not setting up for a rave. He also says, interestingly enough, that the speaker cases that he had in his van were in fact empty.

The other curiosity in relation to his assertions at **page 397** is that at **page 4** of the same appellant's bundle he accepts that he had two speakers in the van, but not, as he says, a full sound system.

The Applicant states; that he could not have the intentions to "have used the speaker box's to play sound, as they were not operational due to no drivers being present and amps or any other similar need equipment to constitute to a sound system, he did ask the police too note this down, as he was only using the van as storage, this is why the police officers who were in attendance allowed him to leave, while talking to the current occupiers of the premises."

The applicant does accept that he did drive there in his van VRM CX52JRZ, and explains that he was not rude to the police, that he allowed his van to be searched by members of the police and nothing

	was seized, and he then went home it was also explained by the prosecution that he produced his insurance documents. Mr. Cordell will state that he did not cause any anti-social behaviour on the 25/05/2014 25th May 2014 or any other behaviour that might have caused alarm harm or distress to others.” Since this ASBO application was served on the Applicant, he has moved the speakers out of his van and they are still in the (open air), at his mother’s address and are in the back garden still to date, as if in the first day that off when he had taken them out of his van, with no drivers in them because he felt uncomfortable because of the terms of the ASBO application. the Applicant states yes at the time it would have been better to keep them in his van due to the weather, but when he does intend to go for a drive that he does not feel safe any longer travelling with any sound equipment. The applicant states that it was proven that he did nothing wrong on the date and this is why he was allowed to leave after the CCTV had been checked. Neither is the applicant sure if the occupiers were still allowed to stay in their current home by the police and he would like to highlight that that the “Police state that they have footage of several suspects causing damage to the security cameras and door locks. The Applicant will state that was not one of them people. The prosecution rest there evidence in this instance on speculation such as the quoted: - “At the time the applicant explained that he was delivering food to his friends while visiting them,” if the police officers at the location believed this then the applicant should have been arrested but was not in fact the applicant questions why this incident was noted on the police pnc and then was further updated (333) days later, this date of amendment was once the Asbo application was in development then inputted in to it context. The prosecution persisted that the squatters would not have had time to become squatters or friends who needed food, because they had only just entered the premises. The applicant proclaims his innocents and is sure that the residents of the occupation were residing at 5 St George’s Industrial Estate from the 24/05/2014 24th May 2014 <u>In Reference to the 6th 7th 8th JUNE 2014; Progress Way in relation to the Asbo: --</u> In relation to the	

06/07/08th June 2014

Mr. Simon Cordell will state that he was not involved in the organization of and or supplied equipment for and or attended an illegal rave at an empty ware house on Progress way Enfield.

In the prosecutions bundle there are 93 incident numbers relating to the

06th 7th 8th June 2014

that the applicant is being accused of and only 34 complete cad files in the bundle.

The Applicants has requested disclosure so to receive all of the related missing documentation to the missing 59 cads, 999 calls.

This missing information has been requested so that the applicant will be able to defend himself from all accusation creating the bases of the ASBO application.

Around 2:00am on the

08th

Mr. Simon Cordell states that he was just arriving at progress way and was said to have been seen by police.

On page 37 A/ Inspector Hamill 01566 states; Saturday the 7th June he was again on duty and that he did in fact see the applicant for the first time, on the 3rd line from the last sentence of his statement.

This is incorrect as this was on the

08th June 2014

at around 200 hours am

CAD 1047 Name PC239YE Shinnick (pages 186 to 190) at 1:59 on 7th June **2014**, made a 999 call while on duty outside of the gates of Progress way grid location X, 534380 to Y, 195513 stating that he is a police officer calling the Enfield Patrol Site, Call name is of a PC Shinnick, "please allow an officer to call on duty."

When checking all 999 calls cad numbers expected to relate to Progress Way, any person checking would notice that all the 999 call were made from the same grid reference location that Pc Shinnick made cad 1047 from or from locations to far to have any relevance.

When taking a closer inspection of the rest of the cads and keeping this knowledge of pc Shinnick making a 999 call from location X, 534380 to Y, 195513 the time of cad 1047 is of a high relevance (cad opening time 1:59 on the 7th June)

Then looking at cad number 1012 page number 155 to 158 with an opening time stamp of 01:53 to 01:56 with the same grid reference number as cad 1047 a X, 534380 to Y, 195513 with this information there is no other options other than three minutes before PC239YE Shinnick made the call creating cad 1047 he made cad 1012 from the same location unless another person was standing on his toes.

This leaves many more concerns as it seems that all 16 residents who lived at wood grange gardens, all so seemed to have left their homes and made their 999 call for services from the same location grid reference number X, 534380 to Y, 195513 to where pc Shinnick had been standing and made his call for services while on duty.

This is clear corruption that the applicant should never have to suffer for also taking into count that the 16-witness statement are not signed by members of the public.

The first cad contained within the Asbo application in relation to Progress Way is a 999 call made to the Esso petrol station on the other side of the rd. to Progress Way the name of the road in between is named the Great Cambridge Road and has a hedge in the centre of the lanes causing none visibility in see the Esso petrol station from Progress way this is also to include the distance of the alley way about (000) meters in length.

A/Insp Hamill states; “that the officers that he had sent, had reported back that Mr. Simon Cordell and Mr. Tyrone Benjamin were present, and goes on to state that officers were not allowed access into the occupied building, due to the demand during the shift and low policing numbers.

A/Insp Hamill continues to state; them officers in attendance who could not gain entry, somehow managed to see Mr. Simon Cordell and his brother Mr. Tyrone Benjamin earlier in the day.

The applicant states; this is incorrect as he had only arrived to visit a friend, and this was on the

8th

at around 2am and that this was his first time at the location of progress way including police contact.

Another true fact of the matter is that of Tyrone Benjamin had a serous Atr and was hospitalized shortly before this date and therefore would not have been able to attended. Evidence of this is contained in the response bundle at pages (000)

The next call made for to obtain police 999 services is cad:

1012	7 June 14	01:53	01:56	534380,195513	Outside Progress Way Esso	155 to 158

A/Insp Hamill states; “that the officers that he had sent, had reported back that Mr. Simon Cordell and Mr. Tyrone Benjamin were present, and goes on to state that officers were not allowed access into the occupied building, due to the demand during the shift and low policing numbers.

1047	7 June 14	01:59	02:03	534380,195513	Inside Progress Way "Pc Shinnick"	186 to 190

This cad clearly stats the same grid location as the majority of the other calls made for services to Progress Way from Pc Shinnick location outside of the gates.

The prosecution state that there is some direct evidence of involvement of the appellant and that this is because Inspector Hamill went to the premises at 2 a.m. on the

07th June

with Acting Police Sergeant civilizes and two Environmental Officers and that this evidence relates not only to the loud noise, but also to the involvement of the appellant, because when she arrived, she asked for the event organizer and the event organizer, or a man, came from within the venue.

The applicant does prosiest that he was not the organizer of the event neither was he a residing occupier of the land.

As A/Insp Hamill 01566 states; "at 0200hrs on Sunday the

07th of June 2014

the applicant did in fact arrive,"

This is incorrect and can be understood because of the times he states in his statement and in fact was the 8th of

June 2014

Inspector Hamill say in her evidence, "I'd asked for the organizer," and that was who presented himself to her.

No-one else did.

(On page 33) An Insp Hamill **201566** states that she sees the applicant, at the gates but believed that the applicant was coming from inside the premises.

	The applicant will state due to the large number of people at the location and due to the time of night causing insufficient lighting source to the alley of Progress Way and the clear fact that he was approaching Progress Way from the great Cambridge Road that the inspectors is mistaken. A/Insp Hamill 01566 Could not be sure of the fact of the person that she is stating was at the gate did in fact bring Mr. Simon Cordell back to the gate, she does not state that she wrote down or took the name of the person whom is said to have come back with Mr. Cordell. A/Insp Hamill states: - the person she had asked to find the organizer, said to her that the applicant was in fact the person she had gone to collect. When A/Insp Hamill asked for assistance from the people at the entrance of progress way it seem strange that no police name checks took place and neither that being of any name(s) or personal details of the gate assistances being taken as stranded police procedure, this refusal of signature and response should be noted within the police officers note books that have been requested by the applicant. He also states that the applicant would not in fact speak to him, so if this was true then why would the applicant have approached him to speak to him as the event organizer and not speak, the truth is that the applicant was just arriving. This would be proved by a copy of A/Insp Hamill Police note book that has been requested as disclosure. No police officers did in fact see the applicant, on the 06 + 07/06/2014 06th 7th Jun 2014 because he was not the organizer neither was, he presents on them date mentioned. The Applicant states: - that he did not talk to any police or council as he felt intimidated on the 8th June 2014 and that he was not given any noise abating order from the local council as seems to have been confirmed on page 34 by A/Insp Hamill 01566 as he was not in fact the organizer. The prosecution them self's say that Mr. Cordell refused to provide his name and it was explained that without a name the Environmental Officers would not be able to serve the noise abatement notice. The applicant is also adamant that he never spoke to any official person(s) on this date in question. To create even further confusion of the prosecution's evidence they continue to state: - "For what it is worth I add in the light of Mr. Johnson's email response to Mrs. Cordell. I asked him to turn the music down and it was turned down. So there again is a demonstration the influence which Mr. Cordell had on the event.	

The loud noise was, as she said, certainly not Kylie Minogue.

In the applicants defence this would not have been possible due to the already agreed fact that the Applicant refused to speak to A Insp Hamill inclusive of Mr. Johnson's and co and after being confronted outside of the gates of Progress Way by Police and Environment officer he left for home as can be read in his first statement at page (000)

(On page 33) A Insp Hamill **201566** states that he see Mr. Simon Cordell, at the gates but believed that Mr. Simon Cordell was coming from inside the premises, the applicant contests that due to the large number of people at the location and due to the true facts contained in his first statement that the only possibility is inspectors is mistaken or being deceitful.

The applicant remembers clearly, that of the police approaching him, as he was walking towards the gates, when he was arriving from the Great Cambridge road, and that of the police asking him questions in regards to illegal raves.

A Inspector Hamill states that he ask Mr. Simon Cordell his name and that he gave him a reply, such as to the answer of "yes" verbally and then An Inspector Hamill states that he asked Mr. Cordell the same question again but Mr. Cordell would not reply, (chapter one of An Inspector Hamill statement page 33 the 5th line down;)

An Inspector Hamill states then states the 3rd time when Mr. Simon Cordell was asked again, but this time by the council officers with inspector Hamill present his name, that he would not reply again.

The applicant did not speak to anybody, he just listened to what was being said to him and complied when he was asked to walk back to where he had just parked his vehicle.

The police officer is incorrect in saying that Mr. Cordell was the person that the gate assistant went and collected, as the event organizer, as Mr. Simon Cordell was in fact approaching the occupied building and was visiting his friend.

He did state this in his first statement dated

24/02/2015

24th/02/2015

Mr. Cordell does remember the police trying to speak to him and that he felt that the police was accusing him of being an organizer, to which he was not, so he would not to say any think, without a solicitor being present.

The Police and council let the applicant go and he walked across the road to the petrol station, while waiting for his friend to turn up, which he had to give a set of keys back too.

The prosecution rests the bases of their case with undignified evidence also in written form from Police Sergeant Chiles Miles in relation to

	07/07/2014 7th June That's to be found at page 36, a report at page 109 of the Asbo bundle, which goes on till page 111, the applicant was not present on the 07th June 2014 neither was the appellant the organizer to this event. The evidence from Sergeant Skinner, who attended Progress Way at 11 a.m. on 07th June and quoted the following: - He said that loud music was coming from the area. This is not evidence of the appellants involvement for the accusations that he faces and to conclude the fact he was not present at progress way on the 07/07/2014 07th June 2014 but did attended on the 08/06/2014 08th June 2014 at around 2am. There is evidence also contained in the applicant's response bundle which clearly proves that he was not the organizer to this event To name one at page 23, that on 7th June he and his mother were at a party for a Dwayne Edwards, who was going abroad. The defendant does not dispute that he attended to the site of Progress Way on the 08/07/2014 08th June 2014 but is adamant that he was not present on the 06th and 7th of June 2014 and with this said in his defence that it clearly shows that he was not the organizer as to the lack of his presence and diligence towards the ongoing on the days in mention. This is even further straightened by the additional supported evidence of a Jamie Duffy at page 260 of the appellant's response bundle At Alma road on Thursday 24/07/2014	

24th July 2014

The true accuracies that did take place at Alma Road on the 24th July 2014 have been referred to in the appellant's documents at page 6 and page 400 of his bundle.

At page 400 in relation to Alma Road,

24/07/2014

24th July

he disputes the conversation with PC Edgoose regarding raves, but did discuss with him his entertainment company and his dream of hosting a local festival at Pickets Lock for the benefit of the community.

The prosecution state: - "Quite frankly, all of this is no more than boasting on the part of the appellant and, even if he said all that PC Edgoose recorded - and there is no reason to suppose that he didn't – again it is quite possible that he was saying this to PC Edgoose just to wind him up. We ignore this evidence as, in our view, it amounts to nothing."

The prosecution referred the courts to PC Edgoose evidence, which was unable to attend court, which is to be found at page 48 of the respondent's bundle. In that statement he records that he and other officers had stopped the appellant's Ford Focus, MA57 LOY, due to the manner of driving.

Were Officer Pc Edgoose States; "On Thursday

24/07/2014

24th July 2014

I was on duty in plain clothes as operator of an unmarked police vehicle in company with APS 212YE Martin, PC Robertson, and PC 229YE O'NEILL.

At around 16:25 hours on Alma Road EN3, we had cause to stop a silver Ford Focus VRM MA57LDY due to the manner of its driving.

The driver was a male I know to be Simon Cordell dob 21/01/1981.

The applicant states that he has no disputes with reference to statement made by pc Edgoose above, apart from the manner to which Mr. Simon Cordell is being accused of driving and that at no point was he acting in an Anti-Social Manner.

Officer Pc Edgoose stated that: - the applicant had stated that he is staying out of trouble and that he has not caused any offence since he was much younger; and that he just gets pulled over and accused and harassed by members of the metropolitan police a lot.

Officer Pc Edgoose States; He stated that he has four brand new speakers at home which are suitable for use at raves, but he does not use them and has offered to lend them to any "youngsters" to use also that he had been on curfew for one year for a case he proved his innocents in and had been working hard in his Local community

trying to make a positive effect towards himself and other that he could help, so he had been spending his time building his company and would not link himself to illegal raves,

Mr. Simon Cordell did say he had been getting his equipment ready and proposals for pickets lock including barley lands ready and had been in contact with both venues and that he had also been working at his local community hall as well as Muswell Hill festival ponders end festival lock to lock festival and Enfield town festival and would have been talking about such on goings that he had been working on that he was prod of at the time such as working with the youngsters from Kemp Hall Community Hall.

Officer Pc Edgoose States; "He said he gets inundated with requests to run raves all the time, but he doesn't get involved now. He claims to have 20,000 followers on one social media site, and 70,000 on another. He said he could organize a rave and get 20,000 people at it with no problems whatsoever.

On this day the applicant did not use the word Rave on this day so he does not see how this relates to the true conversation on the day or his activities as he was talking about the hard work he had been committing himself to, constrictive legal work and for the term Rave to be used without the key elements it is an injustice."

Officer Pc Edgoose States; He gets requests from anarchist type groups to run raves for them.

He went on to say that he had been asked by Occupy London, Black Block and other anarchist type groups to run a rave at Noting Hill Carnival for them so that they could cause carnage and mayhem, but he had refused.

Mr. Simon Cordell states; "that he disputes" that he would say this as he knows that he is not black neither is he white and this is for the reason that he is mixed race of British Nationality and that he has neither heard of a group called Black Block, neither would he promote verbally of such a group the same as he would not verbally promote such anarchist type groups such as the kkk because he has been created by both.

Officer Pc Edgoose States; "Whilst on public order duty at Notting Hill Carnival Officer Pc Edgoose States that he saw Mr. Cordell walking through the area as he was deployed around Tavi Stock Road.

He was pushing a wheelie bin, and he was approached by members of a group of around 10 - 20 people who had been waiting at a junction near our location.

This group had been playing drum and bass music and had told officers they were heading to an event but were awaiting the location.

It was somewhere between 2200 and 2300 hours when I had seen the group, and Mr. Cordell.

The applicant is confident that at no point did he cause any Anti-Social Behaviours or Alarm harm or distress on the dates in question.

On the 20/-21/06/2014 20th/21st June 2014 at 1 Falcon Park, Neasden Lane, N W 1 0. On this occasion the defendant's vehicle, CX52 JRZ was seized. He was not there himself, but at page 399 of the appellant's bundle he agrees he provided sound systems for the event. The sound system was seized, but on some subsequent date after it was returned to him. At page 5 of his bundle he states that he agreed to hire out a sound system for a party, although he asserts that he did not know that it was a rave. On 19/07/2014 19th July 2014 at the Carpet right showroom off the A 1 O Doglas Skinner made his official Statement on the dated of the 15/08/2014 this first statement totalled to a full 29 days after the 7th June and has made additions to his statements 3 months 4 days after. In total 4 month 5 days a total of 70 days after said incident, why would there be such a need. The applicant contends in relation to this event at page 6 that he did not attend the occupied premises to rave. In fact, he pulled over because he sees a friend being detained outside carpet right and at this time he had been helping with food and washing clothes with a lot of homeless people in and around London.” At page 400 he says that he never entered the premises. At the time of 22:21 page 307 cad 10635 police states: - occupiers have placed a section 144 up. At 22:50 page number 309 police state that they had arrested the organizer and at 23:18 page 310 police requested space for that detainee. Then on page 310 at time 03:50 INSP skinner arrested outside on his arrival Mr. Simon Cordell releasing the true organizer to the applicants understanding a Mr. Antony Haris as noted in Mr. Moses howl statement contained at page (000) of the applicant’s response bundle, whom was on bail condition set by police for the organization of illegal raves. The sad death of the deceased Mr. Andrew Rio” Skinner states: “That he sent officers to the scene to stop any one else gaining entry to the premises at the time of(22:07) ”This was the 1st	

set of officers sent to the old carpet right 198 Great Cambridge Road Enfield Town Enl LUJ, after the first police officers arrival pc Douglas Skinner at the time of (22:10) Made his way to the scene and the Douglas Skinner states: "There was a metal gate across the entry to the car park but this had a thick chain and a padlock around it so that it could not be opened.

At no point had the applicant been to this location before, neither did he put any lock, chain or padlock on any gate and at no point did he instruct any other person to do so and that on his arrival seven hours after police arrival he was not allowed access onto the occupied site because when he approached carpet right the police had it contained stopping access to any person(s) other than police officers gaining entry.

"Please take note to pc Douglas Skinner statement paragraph two dated

1st line down page 36 of the applicants first bundle,

Douglas Skinner states: I saw a male I knew to be Simon Cordell who came out of the building.

Now please take note to witness statement Douglas Skinner dated

15/08/2014

paragraph three, 1st line page 36

"Outside Carpet right I spoke to Cordell.

The prosecution state that police went there and Sergeant Skinner also dealt with this and arrived at the time of 2210hrs. There had been a 999 call that people were setting up a rave in the Carpet right building

(The time of the 999 call was 22:11pm) and the CAD number of the call that came in referred to in his statement to 20 people pulling into an estate, the caller states 20 males and females all white people.

The appellant is mixed race in colour otherwise known as an ic3 male and at no point was he one of the 20 white females or males referred to.

If the building had not been occupied under section 144 LASPO and being lived in as a place of residence the 20 people seen and contained in the premises then would have been arrested for trespassing or burglary and was not in fact arrested as they were all de released.

The prosecution in their own words explain that: - "the defendant was not there, but there was a Mr. Laidler who was there.

The music system was loaded into a vehicle which does not belong to the appellant, PE52 UHW."

The applicant state; "that he was arrested outside the old carpet right and had taking no part in any activity that happened in the premises

of the old carpet right 198 Great Cambridge Road Enfield Town Enl Luj.

At no point was the appellant one of the people or vans referred to on the land of carpet right or was he attending a rave, neither was he acting in an Anti-Social Manner in reference to pages 295 to 296 of the Asbo applicants bundle and to prove this even further, all of the address that are listed in the CAD at pages (000), with the names of the people occupying carpet right and the DVLA records of the vehicles of the white females and males the 999 caller had spoken about.

At page 258 the applicant has adduced a statement of a Mr. Moses Howe, who is the director of Every Decibel Matters, in which Mr. Moses Howe asserts that he had hired out his sound system to the people who were living at the old Carpet right Showroom.

It is not the applicant that brings the case into motion against himself and therefore it is for the prosecution to prove the applicant guilty beyond reasonable doubt and it is them who should have to follow all lines of investigation to obtained Mr. Moses Howe to supply evidence otherwise to prove the applicants statement or suggested statement fraudulent evidence, of the company director of Every Decibel Matters.

His company is registered at company house as are his personal details.

"At no point did the applicant go on the land or in the premises, as stated by Doglas skinner;" "the police had contained all occupiers and sound system and vehicles on the land and in the premises hours before his arrival as the time stamps clearly prove by the start and time of Mr. Simon Cordell's detention as well as having police officers being at the front gates stopping people gaining entry to the premises.

at 22:21 on page number 295.

The applicant states; At no point did he organize any private party or open air party as he feels that he is being accused of doing and at no

point would he have said that he did do so, as he had just stopped to help a friend, that he see getting detained by the police and at no point from his arrival was any person permitted by police to go on the land.

Douglas Skinner explained to the applicant that he was holding him responsible, Him referring to Simon Cordell."

The applicant should not have been held responsible under these circumstances for any offence that he has been accused of and as a result not committed.

He was not involved in organizing or hiring out of any equipment on the

19/08/2014

19th 8 2014

Mr. Simon Cordell was arrested and detained, he continued to try and state his points that he had nothing to do with the event and also stated that it was unjustified that he had been detained and only himself.

As stated in the statement provided by police officers stating that people were detained in the land and building six hours before he had arrived.

Douglas Skinner stats that the main organizer was spoken to by police and that the applicant was that person this is not correct.

Douglas Skinner states; "It is said that Mr Simon Cordell admitted to police that he was an organizing to the party and said he was expecting several hundred people."

Mr Simon Cordell will state; "that this is not correct as stated the keys were found on the premises and he never was on the premises, Mr Simon Cordell will state that he was arrested outside on the pavement as shown in Inspector Douglas Skinner statement and that he could not have left the premises as said by Inspector Douglas

Skinner the police had secured the premises 7 hours before he had arrived."

Douglas Skinner states; "As a result the people inside the venue all left."

Mr Simon Cordell will state; "that he feels this shows the way he has been treated over the years and discriminated by police. He states that the facts are the police had secured the premises, they had a sound system contained in the premises, and occupiers on the land, one of these people was arrested then de arrested (Mr Simon Cordell will state that he has found this out since he has contacted the director at company house of every decibel matters, who has provided a statement as he was one of the people detained inside the premises, by the police to then latter be released.)

It is the prosecution's case that whilst Mr. Sergeant Skinner was dealing with Cordell, police were told that crowds were gathering outside Southbury Road Train Station waiting to be told where the

rave was and that there is a CAD which relates to the disturbance at the railway station where people were gathering in order to receive further instructions.

That is at page 315 This intelligence could not be correct because the applicant was not at carpet right from the first 999 cad call Page 303 with a time stamp of (22:07) he arrived at 03:50 when he first arrives and INSP skinner arrested him on his arrival.

The time of the cad relating to people arriving at the train station was at (23:44) page number 214 a total of four and six minutes earlier.

It was wrong for the appellant to be detained on the 8th June **2014** by members of the metropolitan police force, without charge or interview and an even further misplace of justice that he has had an Asbo application put against him with un reliable evidence as he was outside and arrested for an incorrect reason."

The applicant does not know who a Mr. Laidler is, so does not understand why any person who does not know him would say otherwise to Sergeant Skinner as he would not know his name and would have no reason to say so.

The

is the next event at Millmarsh Lane, Enfield?

What is noteworthy about this event is that there was a stack of speakers at the event which were powered by the appellant 's van, which he was also seen to drive.

His assertion was that this was a twentieth birthday party.

At page 401 he asserted that he was there as a guest.

It was a private house party.

On page 7 of his bundle he asserted this was a twentieth birthday party.

I did not have a sound system.

There was no event.

The owners of the equipment were the occupiers.

I had no hand in it.

In the respondent's bundle at page 83 there is a report relation to this incident.

The police had received information that a rave would be taking place that evening and it appeared to be on a piece of land between Gregg's factory and Pugh Charles Glass.

The police were let in and, on open land; there was a stack of speakers being powered by a van belonging to Simon Cordell.

The police saw the van drive out with Simon Cordell driving it.

In reference to the ADR bill relating to the carriage of dangerous goods; it is not against the law to carry nitro's oxide or any co2 gas when having the correct signage on the vehicle transporting the cylinders.

Again, we are satisfied so as to be sure that Mr. Cordell was involved in the organization of what clearly was a rave or to be a rave.

The final date relevant to this case relates to an event again at Millmarsh Lane, next to the Gregg's factory.

This is another event which was nipped in the bud, but then followed by general disorder, which took the police about three hours to clear.

The appellant was on the gate.

His Ford Focus, MA57 LOY, was there.

Inside the Ford Focus there were three nitrous oxide canisters.

There was a sound system there.

In relation to that event, we had evidence from Officer King, who went on 9th August to Millmarsh Lane, because intelligence had been received, probably in the form of advertisements by Every Decibel Matters. He went there with Sergeant Ames, whose evidence we also had given to us. When they arrived in uniform and in a marked police car, the gate suddenly closed. "The music was audible, but not what I would expect," he said, "coming from a plot of land.

I saw Simon Cordell, whom I'd seen at another event.

He was only a few feet behind the gate.

He expressed concern, Simon Cordell, that the squatters would be evicted and I reassured him that we would not be doing so.

He then showed me around the site.

Once I'd seen a rave had not started, I took the decision I could close it down.

He tried to convince me it wasn't a rave, that it was a birthday party, or a conference.

He then in his evidence refers to the three large, industrial-sized gas cylinders containing nitrous oxide.

At page 7 of the appellant's bundle he refers to that as "three empty CO2 gas canisters I had in my vehicle.

At page 401 he describes this as a private house party.

At page 258, again there is a statement from the same Moses Howe asserting that he had hired out "my sound system" to a party.

In fact, said Officer King, the people on the premises became agitated and aggressive - rather, the people who came to the premises were agitated and aggressive.

There were shouts of, "Let's storm them. Let's get in. These were the people who were coming to the rave. The evidence of this officer is that Simon D Cordell, who was initially inside, shouted out, "Come on. There's more of you than there is of them," encouraging those who were outside to in fact storm the premises. This was quite a major incident in the end and, despite limited resources, the officer called for the Senatorial Support Group to attend and for dog units to attend, which they did. In the event, thirty to forty officers turned up and he said that they were able ultimately to push the attendees, hopeful of attending the rave, back to the railway station, or back on to trains. Mr. Ames, another police officer, gave evidence in relation to that. He said that he had dealt with Simon Cordell a number of times before. Simon Cordell was trying to say we couldn't shut his rave down and he started arguing the toss as to what is a rave and what isn't a rave, but eventually he decided whether we would be allowed access and he gave the orders and everyone seemed to respond to what he told them to do. All of that evidence we accept. We have endeavoured to test it by reference to the appellant's bundle and his assertion as to what he says was in fact going on. We have rejected his explanations as advanced in his documents, mindful of the fact that he has not been here as a matter of his own choice to present his case to this court. Having been satisfied so as to be sure of the first part of the test, the second part of the test is whether an order is necessary to protect relevant persons from further antisocial acts by Mr. Cordell. That is the ASBO notice, which was made by the District Judge and which is to be found at page 13 of the respondent's bundle. We have concluded that the making of the antisocial behaviour order was necessary and our only concern is as to the language of the antisocial behaviour order as to the prohibitions contained in it. Now, so far as the following are concerned there can be no objection to them. They do not in any way interfere with the running of a business supplying sound equipment by Mr. Cordell, or generators, to organizations that wish to hold licensed or legitimate events. These are as follows: (b) being concerned in the organization of a rave, as defined by section 63(1) of the Criminal Justice and Public Order Act 1994; (c) knowingly using or supplying property, personal or otherwise, for use in a rave as defined in section 63(1) of the	

	Criminal Justice and Public Order Act 1994; (d) entering or remaining in any disused or abandoned building unless invited to do so in writing by a registered charitable organization or local authority. Unless some charitable organization or local authority is planning some event and he is invited to help in the organization of it, there is no reason why he or indeed anyone else should be inside a disused or abandoned building. The caveat that one might impose there in relation to that - and this is for discussion after hearing submissions from Counsel for the Respondent: - is whether that should say a commercial factory or some other qualification of the word "building," because otherwise this could also relate to residential property. If it remains as it is, the appellant would not be able to enter a disused or abandoned residential property unless invited to do so in writing by a registered charitable organization or local authority. So, it might be necessary to widen the scope of the potential investors. Enter or remain on non-residential private property on an industrial estate between the hours of 10 p.m. and 7 a.m. without written permission from the owner and/or leaseholder of the property. This does require some qualification and more than what was originally ordered, because, as the appellant himself rightly said when he was here on the first day of the appeal, or his mother may have said, and has been said on his behalf on previous occasions, this provision would prevent him from, for example, taking petrol or diesel from a service station which is on an industrial estate, or indeed going to an all-night food supplier, or alcohol suppliers, for example such as McDonald's, who may be open all through the night. So, it requires more attention. Then, finally, (f), engage in any licensable activity in any unlicensed premises. Self-evidently, that is appropriate and there is nothing wrong with that. Finally, the antisocial behaviour order provides, for the sake of clarity, nothing in this order prevents the defendant from assisting, preparing or engaging in licensed/licensable activities and it's obvious that that, as we have already said, is what the situation is to be. There are amendments which were proposed by the respondent to this order. At paragraph 21 of the respondent's skeleton argument the amendment which the respondent seeks is that the words "or section 63(1A)" be added after the words "63(1)" in prohibitions (a), (b) and (c) of the ASBO.	

	Speaking for myself, I can see no reason why that should not be done. As the skeleton rightly points out, the terms of the ASBO need to be necessary and proportionate, so that they have minimal impact on the appellant's life and legitimate business activities. So, I would now invite submissions by Counsel for the Respondent: as to what changes should be made to the antisocial behaviour order and then we will retire in order to address that in discussion. (There followed further submissions) (The Bench retired) JUDGE PAWLAK: We have to have regard to the order being necessary to protect relevant persons and we have discussed it extensively. I'm afraid our conclusion is that (a) should go altogether, (b) obviously becomes (a) and that can stand as it is, subject to adding the amendment that you wanted to again subject to the amendment, can stand as it is. Enter or remain in any disused or abandoned building unless invited to do so in writing by a registered charitable organization or local authority, "or the owners of the property" should be added, or the owners of the property. Enter or remain on non-residential private property on an industrial estate between the hours of 10 p.m. and 7 a.m. without written permission from the owner and/or leaseholder of the property, unless the purpose of his entry on such property is to purchase goods or services from any shop or garage premises which are open to the public at such times. Then (f): we don't like "engage in. It's a very broad, meaningless word, so we would like to change it to "provide any service in respect of any licensable activity in unlicensed premises. It's more specific. Engage" is such a nebulous word. COUNSEL FOR THE RESPONDENT: Yes, your Honour. JUDGE PAWLAK: You wouldn't be able to prove a breach probably, because the court would say --- COUNSEL FOR THE RESPONDENT: Lack of clarity, yes. Your Honour, may I just address you? You've made your decision. I don't seek to try to --- JUDGE PAWLAK: Go behind it, yes. COUNSEL FOR THE RESPONDENT: Seek you to make it again. Just in respect of the amendment to (e), "Unless the purpose of his entry on such property," can I make two submissions as to that? JUDGE PAWLAK: Yes.	

COUNSEL FOR THE RESPONDENT: The first is as to the word "services.

I don't think there was ever any suggestion that he would need a service; it would be goods. Also ---

JUDGE PAWLAK: What if his car has broken down?

COUNSEL FOR THE RESPONDENT: Yes, okay.

The second submission I would make is in respect of that is "garage premises" is perhaps again a little undefined.

If it's petrol station, then that's one thing, but garage premises is much wider than that.

JUDGE PAWLAK: I think we all know what a garage is and it has to be open and providing a service. If you like, "garage or petrol, shop or garage or petrol premises," but I don't see why "garage" should come out, "shop or garage or petrol premises.

COUNSEL FOR THE RESPONDENT: The only other submission I would make in respect of (e) --- **JUDGE PAWLAK:** Actually, we ought to change it to "fuel.

COUNSEL FOR THE RESPONDENT: Yes, in case he drives a diesel.

The only other submission I would make in respect of (e) ---

JUDGE PAWLAK: Can we say "shop or garage or fuel supplying premises."

COUNSEL FOR THE RESPONDENT: In terms of its practicability, I would submit this perhaps gives Mr. Cordell an ace in the hole if this were ever to come up again and he says, "Oh, no, no, no, I was just on this estate because three hundred yards that way is a corner shop that happens to be open.

JUDGE PAWLAK: Well, no-one would believe him.

COUNSEL FOR THE RESPONDENT: You're Honour, yes, that may well be the case, but in terms again of the practicability of the order, if every time he had an open-ended excuse such as that we'd have to go to comment and it would have to be proven, he would offer this excuse.

I wonder whether it is necessary to give him such a wide and open-ended opportunity.

JUDGE PAWLAK: He would have to find an industrial estate which, between 10 p.m. and 7 a.m., has a shop or a garage or a petrol station open.

COUNSEL FOR THE RESPONDENT: Yes, but, as I said earlier, your Honour, Mr. Cordell is a clever man and so, were he to find one, set up a rave at one corner and his excuse was, "No, I'm just passing through.

I'm going to the other corner to buy a burger," then that is an excuse which would plainly undermine the efficacy of the order.

That's my concern.

JUDGE PAWLAK: It might be true.

COUNSEL FOR THE RESPONDENT: It might be, your Honour, but then one has to balance, in my submission, the -JUDGE PAWLAK: The purpose of providing this let-out is so that his ordinary life, his permissible life, is not inhibited unreasonably.

COUNSEL FOR THE RESPONDENT: Your Honour, quiet, but that does not necessarily mean that every potential, hypothetical scenario might have to be catered for by the terms of the order. An ASBO will by definition restrict someone's rights often.

JUDGE PAWLAK: Yes, I can see that.

COUNSEL FOR THE RESPONDENT: It will restrict their rights under Article 8, or whatever it might be, but that doesn't make it inappropriate or unnecessary. I would submit that ---

JUDGE PAWLAK: Well, what about "unless he can demonstrate that the purpose of his entry on such property is to purchase goods or services"?

COUNSEL FOR THE RESPONDENT: That's certainly tighter, you're Honour. My primary submission still stands.

JUDGE PAWLAK: Yes.

A MEMBER OF THE BENCH: Well, it does contain the two elements, "enter" and "remain."

JUDGE PAWLAK: Yes.

A MEMBER OF THE BENCH: Maybe they should be separated out if the issue is whether he's going to remain there.

JUDGE PAWLAK: Yes.

A MEMBER OF THE BENCH: You can enter for the purpose of purchasing, but you cannot remain there for an extended period of time.

JUDGE PAWLAK: Right.

Actually, what is the point of "remain"? It's "enter," A isn't it?

COUNSEL FOR THE RESPONDENT: Well, you put "enter" and "remain" to belt and brace it.

Sometimes you only see him when he's there.

JUDGE PAWLAK: I know, but in fact it's suggesting that he could remain there.

Enter or be present on.

COUNSEL FOR THE RESPONDENT: Yes.

JUDGE PAWLAK: Is that better?

COUNSEL FOR THE RESPONDENT: I'm not sure, your Honour.

Your learned colleague was suggesting breaking it down, so that you have him entering solely for the purpose, demonstrably the purpose, of X, Y or Z.

JUDGE PAWLAK: Yes.

COUNSEL FOR THE RESPONDENT: And remaining for no longer than.

In any event, he shall remain on for no longer than a period of time.

That perhaps would deal with it. One doesn't need more than fifteen minutes to buy a burger or fill up your car.

JUDGE PAWLAK: Look, can I ask you - we agree with that.

COUNSEL FOR THE RESPONDENT: Yes.

JUDGE PAWLAK: Could I ask you to draw up the antisocial behaviour order in the way that we've accepted it or indicated it should be drawn and to provide a copy for me tomorrow?

COUNSEL FOR THE RESPONDENT: Yes.

JUDGE PAWLAK: I'll check it to make sure that it fits in with what we have agreed and assume that, if it does, I can then tell the court to seal it.

COUNSEL FOR THE RESPONDENT: Yes, your Honour

PAWLAK: Is that alright?

COUNSEL FOR THE RESPONDENT: Yes, your Honour. Can I get an email address to send it to, please?

JUDGE PAWLAK: Yes, the court clerk will give you an email address.

COUNSEL FOR THE RESPONDENT: Yes. I can do that this evening or tomorrow morning.

JUDGE PAWLAK: I don't want to give you mine.

COUNSEL FOR THE RESPONDENT: No of course

JUDGE PAWLAK: Because if Mr Cordell gets mine somehow, then gets my address and I start receiving post

COUNSEL FOR THE RESPONDENT: Yes, your Honour.

I'll have that done for you.

JUDGE PAWLAK: Yes.

Is there anything else?

COUNSEL FOR THE RESPONDENT: Nothing further, your Honour, thank you

JUDGE PAWLAK: Nothing at all?

COUNSEL FOR THE RESPONDENT: No.

He is legally aided and there is no other issue that we would seek to bring to the court's attention.

Thank you for your patience and your colleagues.

JUDGE PAWLAK: Not at all.

I 'm going to stay here to tidy up.

You're free to go; as is everyone else.

COUNSEL FOR THE RESPONDENT: Your Honour, I do apologies. There was one other issue.

JUDGE PAWLAK: Yes.

COUNSEL FOR THE RESPONDENT: In fairness to Mr Cordell, he raises the question of the duration of the order as well.

JUDGE PAWLAK: We have discussed this and our conclusion was that, since the order is non-restrictive except for the sort of activities he ought not to be undertaking anyway, we thought five years was acceptable. **COUNSEL FOR THE RESPONDENT:** I'm grateful.

JUDGE PAWLAK: We did discuss it.

COUNSEL FOR THE RESPONDENT: Yes.

Hello Lorraine,

I have reviewed the original investigation and associated material and wonder if you or Mr Cordell would find it useful to meet with me before I commence my report? Or are you happy that your appeal letter and subsequent IPCC appeal outcome covers everything?

N.B., I hope to submit my report by the end of July. I appreciate this matter has been ongoing for some time, for that I apologise.

Dear Jamie

I cannot do the 14/06/2017 as I am at the hospital. And if you could do after 11:00 hours I would be grateful I know I am expecting to have an operation in the next 4 weeks, but I am waiting for a call from hospital with date. And I do sometimes get calls from the hospital to go there on very short notice, but I think we can work around this. If you can put some dates together I sure we can work something out.

Regards

Lorraine

Summary!

My Heart has really started to hurt me every day, I am having an early aged mild heart attacks because of what Debra Andrews and the Matiyalagan Markandu family as well as stain Curtis and George Quinton get and got away with, inclusively of what the police and local council members are getting away with each day by holding me hostage with no first hand witness and then on allowing my estate members to carry out their hate crime in a cover up to send me crazy or to an early death by flushing the toilet below me and bagging at me causing me sufferings and no peace also letting the named attack me when I am in the bath tub and getting undressed and this does not stop their I continue to get assaulted with the water taps getting slammed on and off causing a loud bagging sound at a fast rate and slamming object and or jumping on the floorboards above my head damaging my work studies and private family life and making me a Vulnerable person!

I have also had a lot of problems with eating because of what they keep all doing to me!

My dog has eating its paws because of what the old tent of 113 and now the new tent of 113 and also that of the tents in the addresses of 117 and 111 are getting away with I have taken pictures of the damage this is doing to us in this flat!

Disrepair!

I get refused the right level of service to repair my flat within a practical scale of time as got agreed to happen in my tenancy agreement that I signed into an agreement with to the Enfield Council and the Enfield Homes, at no fault of my own!

Dated: 16/06/2017

To Whom It May Concern:

I am writing this email in regards to the letter dated 18/05/2017 with notification of suspension of my benefit. I am writing this email on behalf of my son Mr Simon Cordell due to his mental health issues. I believe from reading the letter that you have made the suspension of my benefit due to Mr Cordell's DWP benefits stopping. The DWP did stop his benefits due to an error, but they have been reinstated without a break, please see the attached letter from the DWP.

I have also attached a letter confirming I Miss L Cordell is allowed to deal with any issues for my son Mr S Cordell, which should already be on Enfield Councils systems. Could you please get back to me as soon as possible with regard to this issue?

Miss Cordell

Mp3 1 Lemmy

Operator: I am going to put Lemmy on the phone and I am going to **transfer** the call, thank you.

Simon: All right that is perfect, thank you.

Lemming: Hello.

Simon: Hello is that Lemmy I am speaking to.

Lemming: Yes, Yes, speaking.

Simon: How are you doing?

Lemming: Who am I speaking with, yes I am good I am good, is that Simon.

Simon: Yes that is correct, it is Simon.

Lemming: How are you doing, hi?

Simon: Well I am OK I am just generally OK, I was just phoning in regard to the letters that I have been receiving of yourselves I have never really spook to yourself in person about it and this is the first opportunity that I have had.

Lemming: OK.

Simon: So I just wanted to take that opportunity and explain to you about how I feel about your request from me to come to a meeting at the civic centre on Wednesday the 22nd of February 2017 in regard to allegations of Anti-Social Behaviour, Harassment, Intimidation and threatening behaviour and my concerns are; is it OK to go through them with you.

Lemming: Yes, yes we need to meet with you.

Simon: No, No, you would like to meet with me, Lemmy not that you need to meet with me Lemmy, this is the problem that I have Lemmy, yes the allegations that you are putting against me are of Anti-Social Behaviour and that is of a criminal nature and is under the 1994 Act, Harassment is under the 1997 Act which is also a criminal investigation and intimidation and threatening Behaviour also come under the harassment Act laws subsection B of that Act Lemmy and basically for any of these allegations to be put forward that have to the police been given to you by a member of the public from a call for services any person calling for your services you should pass that information over to the police and let the police deal with it I do not feel comfortably coming to an interview with yourselves in regard to allegations when I know that you are not police officers and these are criminal allegations if anything I believe that you should speak to my solicitor or that you should pass this information on along to the police and let the police do their own personal investigations and then if the police find any truth in the installations put to me then you could continue as Enfield council and as my 'lees holder providers for my tenancy I am quite concerned of the way that this is being brought forward in any sense what would I be doing coming to a police station to do a no comment interview Hum coming to meet you to do a no comment interview and are you still with me, Lemmy?

Lemming: Yes, I am here. '

Simon: And, my other concern, other further than that is that I never committed the offence or any other offence of this nature any way and that the police have already arrested me for these offences back in August and all found no truth in them as well.

Simon: So, now it has been long since August since these allegations were put in about me it has been over six months and because of the time limitation Act 1980 I think it is I believe then no case can be brought forward to any person after six months after that date, so this leaves me even further concern and the even further concern is that you are a part of a team right now; apart from the Anti-Social Behaviour Team and that team I have got criminal corruption placed against me, they have signed to a lot of corruption that has held me hostage in my home Lemmy and it has held me because I have got eight years for something that the maximum sentence that any person should get is six months and the maximum sentence should be a twenty thousand pounds fine and it has got Enfield councils signatures and your team members signatures all over it.

Lemming:

Simon: I am quite concerned about that as well and while I have an ongoing complaint in regard to my Human Rights being breached I would rather not met you lot personal without a solicitor being present. I also feel the concern that if I am in my own home. I have the maximum extent to my own freedom of speech in my own home and that I have not left my house and I have did not threaten anybody or done anything else to anybody else of any slimier nature

Lemming: ha, ha.

Simon: I am very concerned with what is actually happening and I feel that this is an attempt to protect your colleges rather than to do what is right for this housing estate and do what is right for Me Lemmy, year.

Lemming: [00:03:37] your, broke.

Simon: The only thing that I can do in my own house if I speak Lemmy and you should

know that in your own house; is that no one can translate what is being said in my own house it would be a noise complaint in any sense in my own home I can swear I can do what I want, yes, as long as it is not going out to the public or it is directly done to someone it is a noise complaint and I have never had a noise complaint of yourselves in regard to anything.

Lemming:

Simon: Just these few issues that I have brought up here make me feel that it would not be right for me to attain a meeting with yourself and especially without not understanding what the actually allegations are I have asked for copy of the letters of complaints to be sent to me and I have still not been put in receipt of them, go on Lemmy

Lemming: Alright, hmm, after I sent the first letter to you I got an email from your mother asking for us to itemize the allegations made against you and I must stress that at the moment they are only allegations, nothing has been proven yet. Now last week I emailed to your mother, as you requested because, hmm, hmm, she will have.

Simon: My mother just waters it down for you lot because she knows that I understand the law, and she knows that I am not somebody that is going to sit there and feel intimidated, yes sorry go ahead and speak then please

Lemming: Can I talk please.

Simon: Yes sorry go on.

Lemming: So hmm, hmm, I sent, err, I emailed last week, and she has not responded and because I have sent everything that she has requested on your behalf we now need to sit down with you to get through these allegations.

Simon: You are not a police officer low Lemmy.

Lemming: No, No hold on.

Simon: They are criminal installations they are not civil.

Lemming: Hang on, hang on; Hang on.

Simon: They are not civil.

Lemming: Mr, Cordell.

Simon: You are not a police officer, are you a police officer?

Lemming: Mr. Cordell; I wanted for you to finish can you allow me to finish.

Simon: Yes.

Lemming: Then when I am finished then maybe it will; be clearer.

Simon:

Lemming: Now as I have just said these are just allegations, and they are serious breach of your tenancy agreement we are dealing with these from December.

Simon: What points of my tenancy agreement are they a breach of because I have not been told what I have actually done.

Lemming: in the first letter I sent to you I did make it clear, and we are only carrying out civil investigations because these are a serious breach of your tenancy at agreement.

Simon: Lemmy, these allegations that you are bringing forward to me are from the 16th of February and any allegations that you are putting to me I got arrested in August for and I got arrested for two sets of allegations and both of them I got found not guilty for; OK, Lemmy, I got held in house hostage and I got even taken to a hospital for it I do not believe that you use the members of my estates signatures that are at the bottom of any paper work that they have used I do not think that it is in there the best interest or my interest I think it is for your own-self gain Lemmy and your colleges own self gain Lemmy, yes, right.

Lemming: We are investigating allegations that were put against.

Simon: And what was the latest allegation put forward Lemmy, what is the date of the latest letter of complaint that you have.

Lemming: The latest the last complaint; hold on let me just check in the paperwork, the incident was on the thirty-first of January.

Simon: On the thirty-first of January and what was that and can you explain to me what that allegation is to myself.

Lemming: Simon, 17th shouting abuse outside of your front door.

Simon: Shouting a bruise outside of my front door, Lemmy.

Lemming: Outside your neighbour's front door.

Simon: Outside my neighbour's front door Lemmy may I explain something to you yes; I live inside of a communal building if the police get called to my home it is under the 1961 police reforms act that the police were built on Lemmy yes, and let me explain to you Lemmy, yes.

The last thing that the police get call called to come to any place is unless a section or crime is committed and that would be a section four or five under the FA football riots what is what brought that law into place yes, swearing or being abusive place; in a public place Lemmy yes not a private place.

I have not left my communal building which I pay sub rent on and I have not left the front of my home, yes Lemmy.

Anything that happens in my building or this block is a community problem between ourselves and if the police get called it is because; or as a breach of the peace unless a crime is committed.

Lemmy you do not have the rights this is my home and you do not have the place to do what you are doing to me.

Lemming: But you have been banging on your neighbours front door.

Simon: No Lemmy, Lemmy, Lemmy you tell me that a manufacture never made the front door to be intended to be used Lemmy yes; all front doors are intended to be used Lemmy yes, and it is not my intention to look at a front door and not to use it Lemmy.

If I walk up to a front door and use it as the manufacture intended for it to be used then you tell me a crime that I have committed or an offence.

Lemming: Well I am not talking about crimes.

Simon: Well I am not committing any civil offence, the door is there to be knocked on; if there is a fire in my house I would go upstairs and knock on the front door and say hello.

I have not gone and knocked on any of my next doors, front doors houses in the last eleven years of living in this block more than six times, yes, and I have lived in this block long-time, you could not even divide six time between eleven years if you wanted to right now, Lemmy

Lemming: OK, Mr. Cordell, your neighbours have provided evidence.

Simon: Lemmy if my neighbours have supplied you with evidence of anything then you need to give that to the police and you are not a police officer and you have no right of line of investigation against me in these proceedings.

Lemming: I will be very honest.

Simon: It is entrapment what you are trying to do is; Lemmy I am recording this conversation.

Lemming: Go on.

Simon: I am recording this conversation and what you are trying to do is entrap me under criminal investigations and you are not a police officer and your salary does not account for you to act in such a manner, it is a disgrace against Enfield council that you represent them in such a way to intimidate my human rights and you are not threatening me and I am not scared of you, I understand the land that I live of Lemmy, yes, and I understand the laws that I represent living of this land and my birth rights.

Lemming: Mr Cordell I have not made the offence.

Simon: yes there is no offence or you I would be giving them to the police already and I am not coming to your office unless you come to mine; you are more than welcome to come to my home at any point of time that you want Lemmy and I will invite you in like a gentleman that I am then you can sit and talk tom me in regard to any issues that you may have otherwise than that I am not coming to your place to be entrapped.

Lemming: Hold on OK, can I just say something if you do not attended to the interview I will not give you no more opportunity, hello.

Simon: Hello Lemmy and you have to take it to the police and if you take it to court I will sue you for invasion of privacy and for the breach of my article thirteen, the right to my private and family life, Lemmy, Article two of my human rights, I will sue you for the right

	to; life and I will sue you for; Article three, the right not to be tortured by any state official or degraded or humiliated by any state official; that is Article three of my human rights Lemmy, do you understand, Lemmy I tell you that I stand stronger your laws are set out to protect us the members of the public Lemmy, you are using your powers in the wrong way. Lemming: All right Mr. Cordell can I just sat something. Simon: No Lemmy, if you want to call the police then call the police do not threaten me with criminal offences, you are not a police officer LEMMY. Lemming: I am not threatening you. Simon: So I do not need to come I do not have anything to answer to you, you are just my Lease holder I just give you money for my rent or the council or the government give you lot the money for my rent Lemmy, if there is any further problem than that you need to go to the police. Lemming: You can allow me. Simon: You need to go to the police. Lemming: Can I explain where we go from here please; I know that to you Mr Cordell if you do not got to the meeting with us I will not give you any more opportunity to attended and if you fall to attend that one. Simon: Lemmy I cannot read and write Lemmy I cannot read and write the council know this I will not come to Edmonton Green I have got gangs that want to kill me in Edmonton green that is why I got placed in this house in the beginning it is on my council records that I cannot go to Edmonton Green and that I cannot go to Enfield Town, yes, so now I am sitting down in this house right now Lemmy and if you would like to come and have a meeting with me then you come to my address you arrange a time and a date I have not done anything wrong I am other in to you the opportunity to come and met me, yes, and if you do not want to take that opportunity then I have it on recording right now I am recording of this conversation, yes, you cannot force me to have the meeting at the civic centre I am telling you if you want to have a meeting with me you need to come here and I will have my solicitor waiting here for you as well Lemmy. Lemming: I will have the meeting at a natural place I will not come to your property and I will not come to the civic centre I got corrupt police I have got Steven Ellesmere his fraudulent paperwork all in my folder right now holding me in my house for eight years Lemmy they fraudulent the time stamps to the paper work they have called me a black boy on the block thought the whole of the folder, and they tried to I turn me into a super grass to grass all of my friends up for events that I never done. Simon: I was working for this community I was working for lock to lock festival I had the keys to my community hall Lemmy I was doing everything constructive, and then they twisted my whole life around and I have got all the recordings for; I recorded everything that happens in my house Lemmy I have been putting complaints in asking you lot to protect me against these members of the public for months and you do not act on anything that I ask you lot to do but you are asking on fabricated claims against me. Lemming: Mr Cordell I have not received any complaints of you. Simon: You just need to read the computers Lemmy to see the complaints that have not been followed up Lemmy. Lemming: When was the last time that you made a complaint? Simon: I have made loads of complaints I have got letters all over my computer now from emails correspondents none stop. Lemming: Simon: This is why Jackie Gubbie was changed place because of their behaviour and then this is why Sarah Flexure has got put into Jackie Gubbie place because I; the recording tapes that I have of them all in my home. Lemming: Mr Cordell when was the last time that you put a complaint in. Simon: I have not put a complaint in for a few months because we are independent we live in a communal building that is independent if we want to deal with our issues, we deal with

them ourselves.

Lemming: Thanks for clarifying that now there is a complaint which is a serious breach of tenancy and if you do not deal with this.

Simon: That you are not Lemmy I am dealing with this matter I have already spoke to you on the phone and told you that you are not a **police officer**; Lemmy you are threatening me for criminal offences I am not coming to I you to be set up Lemmy yes the evidence I have got you are endangering these people if you want to come and see the evidence of the recordings that I have of everything.

Lemming: How am I endangering.

Simon: Because I am holding the truth I am protecting them from the recordings of the evidence that I have of them Lemmy yes I am protecting them, if I go to the police station right now yes they all get arrested Lemmy, and they all look at big years I have been recording them for the last two years doing what they have done to me Lemmy and I have not done anything wrong to them.

If I go to meet any of my neighbours I would phone the police first and tell them that I am going up stairs and that I am recording it on my mobile phone and I have got the cad number for phoning the police up before I go upstairs Lemmy I protect myself in every single way and if you want to come and see this evidence plus see the evidence of what they do to me while I am in my home then you would agree with me and you would not want to follow these pep their claims because it is just going to get them into a whole heap of trouble and everybody else Lemmy you need to open your eyes and see the truth Lemmy yes.

Lemming: all I can say is we needed to clear this up if you do not.

Simon: Lemmy you are more than welcome to come to my here address if you want to clear this up there now and there is nothing to clear up in my eyes all there is fabricated stories that have got no truth in them and there is no true evidence supporting their claims or you would be at a police station and the police would be knocking at my front door. You just want me to come down there and blabber to you and then entrap myself Lemmy I am not going to do that and you are not a police officer and I am not entrapping myself with you if you want to come to my home then you are more than welcome too.

And if you have any other issues then contact the police Lemma and have a good day I have got respect for you but you do not seem to have any for me.

Lemming: Mutter.

Simon: And I am going to forward this to you I am going to get this recording transcribed up into transcribes and I will forward you a copy of the minutes of this meeting as well.

Lemming: OK, please do that.

Simon: I will do that.

Lemming: How soon will I be able to get them?

Simon: I will do it as quick as possible I will have to do them manually for you and I will try to have them done within the next two days and have them forwarded to yourself.

Lemming: All right then.

Simon: Thank you, Sir.

Lemming: I want you to attend a meeting next week and I will send you a letter.

Simon: Lemma, you are more than welcome to do that and I am going to forward you a letter to explain the reasons why, as well to a further why; that there is not any more to be said about these issues, if you want to phone the police you are more than welcome.

Lemming: I will not be going to the police.

Simon: They are criminal offences you cannot put criminal offences under civil law Lemmy.

Lemming:

Simon: A civil injunction even under the civil Act 1994 for civil offences has to be for civil practices, for a fact anything under a criminal nature will be placed under a CBO Asbo after court proceedings, Lemmy, yes.

Lemming: Mr Cordell.

Simon: Lemmy these offences are last, yes.

Lemming: Allow me to enlighten you at the meeting.

Simon: We are talking about civil matters hear not criminal.

Lemming: No they are not they are criminal; Harassment is 1997, Anti-social Behaviour is 1994, Intimidation and threatening behaviour you can get ten years for that Lemmy, Yes, Lemmy you can get ten years for that, I am telling you now that they are all criminal offences and that you should put them all to the police under the police reforms Acts you are not able to deal with this and your salary does not pay you to deal with this sort of issues.

Simon: I am not disputing that.

Lemming: So give them to the police and let them do their job and do what is right Lemmy and if the police find any truth in them statements or the evidence that you give to them then you can follow your lines of investigation but I tell, you know that there is no truth in them and the police will not follow any charges.

Lemming: Mr. Cordell, Mr. Cordell, if only you can listen to what I am say then perhaps we can start to get some were in regard to a breach of tenancy what is a civil matter.

Simon: A breach of my tenancy is a civil matter but the offences that you are saying are a criminal matter Lemmy, they are a criminal matter a civil matter is me kicking a football up the wall outside and somebody was upset a criminal matter is me going up to somebody and threatening them under a section 4, or 5, of that act and you commit this by going up to someone and listen and saying that I am going to do you something.

Criminal damage is criminal damage if I break something yes Lemmy, these things are criminal offences and civil are completely different.

You cannot simply missus your terms and conditions have to run in co-Hurst that represents us globally with treaties, you are wrong and you are making your own protocols and you do not have any right to do so.

Lemming: Mr. Cordell, Mr. Cordell.

Simon: Come on I have respect for you but I am not that idiot that you want on the floor or that person that you are expecting to be able to mangle up in the brain.

Lemming: I have not called you.

Simon: No I am not saying is that I am saying that you; that is the level that most people are deceived to be treated like by you and that is not what you are here for and these people are here or it is not their purpose in life to be treated wrongly and neither what they, or you should represent it is our human rights and what these laws are in place for, most people will just sit there and accept anything, because they do not study and pick up a book and reed and learn, yes, and they do not care about looking after other people any more yes or our history what built us all our building blocks of life Lemmy Yes people have no respect these days they forget themselves.

Lemming: OK.

Simon: I do Lemmy I study.

Lemming: Yes, Yes, Yes, whether the police would want to deal with it you need to come here.

Simon: There is no truth you cannot find any truth in them Lemmy you cannot make up things, you are not a judge, where is the tribunal and or where is my fair court hearing.

Lemming: I am not judging you.

Simon: OK, so where is the court, you should be calling me to a fair place where there is some fair judging going on, yes even you yourself if you get upset now with your company, you still have a union representation and this means that you are entitled to speak to a legal department and to have your day in court, so where is my day you are accusing me of these allegations and now you want me to come there and you are going to judge me, you do not have the right and you do not have the power to do that.

Lemming: Alright, OK, muttering.

Simon: And I am explaining to you know that there is no truth in anything we have done this meeting over the phone and I am recording it and I am saying that if you want to come to my home then you can, as I have even further evidence to prove my claims and I will play that evidence to you while you are in my house, yes I am not coining to the civic centre

because I have got members of your team who signed all the Anti-Social Behaviour papers fraudulently to keep me in this house Lemmy, I am prang to come into your building at the moment, I am scared for my life

Lemming: Mutter.

Simon: I am scared to come to your building because of the corruption that is inside of it Lemmy or I would be there with all of my folders building a festival right now with you all.

Lemming: OK, OK, OK, if your response is that all the allegations are lies then I will take it that that is your repose.

Simon: Lemmy if I went to the newspapers and played this and showed what everybody all the corruption that is inside of your team and what is holding me in my house now or I just publicized that myself.

Lemming:

Simon: Here would be problems I have got a lot of emails here right now, if I decided to be irresponsible myself there would be a whole different game right now and I do think that anything that you are talking about would not matter after that other than what I show everybody; "The Truth."

Lemming: If you have got all of this evidence that you are saying, then I think you should do what you have to do.

Simon: Lemmy I have already done prepared statements if the police do come to me, but I think if I give them to you that it will just destroy more lives, I think.

Lemming: Yes, Yes, Yes, no problem, do what you have to do all I am doing is.

Simon: what are you attempting to do, what is your purpose, what do you want at the end of this yourself Lemmy.

Lemming: what I want is at the end of this for the alleged Harassment to stop the intimidation to stop.

Simon: The alleged harassment, intimidation to stop.

Lemming: To stop yes.

Simon: What is actually being accused of me what.

Lemming: Your neighbours have made allegations.

Simon: I have got my next door neighbour on tape right now Lemmy yes and I will play it to you right now, when I recorded them I have got them all Lemmy I record them all, and they are saying that we are doing this because we are trying to get a new council flat and all of this.

Lemming: How soon, can you get them videos to me?

Simon: All the videos of me, Lemmy you would have to go through my solicitor to get them Lemmy or you would have to come and see them personally in my home and you can bring another college; Two or three of you hear and you would all walk out and know the truth because of what you see, when you see all the work that I have done for this community and see everything that is here you will walk out of this door and say do you know what I have to hold my hand out to him; I tell you what come and see everything I challenge you to come and see what sort of a man I really am; I challenge you and your team to come here, and we will see if we can all do something that is constructive with everything else that is here that I have built, and we will see how far we can all go.

Lemming: No I am sorry we can meet at a neutral place.

Simon: Well I am telling you that you are allowed to bring your team to my house I pay you lot rent for this home Lemmy your team get paid their salary from this home the people I pay the rent to pay you your salary I mean Lemmy or even when I get benefits to help pay for it.

Lemming: You cannot make me come to your home.

Simon: I am not making you and that is just like you cannot make me come to your place I am inviting you, if you have a problem then I am saying that you are more than welcome to come to mine if anything there is not any members of the public here that is all criminals in here but in your work place I got evidence that there are criminals in there that are setting me up right now, so I am not coming to their.

I have got a stronger case than you have Lemmy.

Lemming: I am putting it in my report that you are saying that I am setting you up.
Simon: No I have got evidence that Steven Elsmore set me up with all of his signature on it and Enfield councils logo with all the rest of the police officers and I have got all the tape recordings them as well.
Lemming: why do you not go and give your evidence to the police.
Simon: Lemmy I have already been phoning them and the police will not pick up the phone any more.
 The police know that they are that wrong I can phone them up right in front of you now, and they will not pick up the phone.
 I have got so many recording of them of me reporting that they forged it and about the black boy on the block and all that being in my paperwork and all of this and then you can see on the other page about the white people that got reported to have done it in the 999 call, Lemmy it is disgracefulness, Lemmy I am an intelligent person I believe that you are two and I believe if you come here you would see sense and reason and you would believe in me as well and you would say do you know what something needs to be done about all of this here.
Lemming: Mr Cordell, Mr Cordell, we have been on the phone for over 45 minutes.
Simon: OK, well I accept that and I am going to forward you Lemmy in everything that has happened.
Lemming: OK, no problems then if you do not met me next Thursday then I will write to you again, OK.
Simon: Yes, OK, have a good day.
Lemming: Thank you very much.
Simon: And you too bye.
Lemming: Good bye.

New Speaker:	08:24	Why is that sir?
Speaker 4:	08:25	Because I want you to show you lot the case number and everything else. I have learning difficulties so it's easier for me to show people what is actually going on.
Speaker 3:	08:36	Err, we do not have access to do that sir
Speaker 4:	08:41	I'll have to go for it. all and there's so much, they have changed it so many times they are playing about with the case number. So many times, that I'm not too sure which one it is anymore.
Speaker 3:	08:51	Okay. Can, I think you can. I think your first and last name,
Speaker 4:	08:54	Simon Paul Cordell.
New Speaker:	08:54	That's fine.
Speaker 3:	09:00	What's your last name sir how do you spell it.
Speaker 4:	09:01	Cordell, C O R. D.E.L.L
Speaker 3:	09:03	yeah. Okay, and your date of birth sir
Speaker 4:	09:06	26 of the first 1981
Speaker 1:	09:12	[inaudible]
Speaker 3:	09:13	okay, give me a moment sir I am just going to search the system
Speaker 1:	09:21	Pardon

Speaker 3:	09:47	can I confirm your address please sir?
Speaker 4:	09:48	109 Burncroft Avenue.
New Speaker:	09:50	ok
Speaker 3:	10:15	When was your last hearing sir.
Speaker 4:	10:17	I'm 200 Um, in, Highbury Magistrates' Court. The last hearing was 2015 and then the appeal stage went into 2016 and 17, at Wood Green crown court.
Speaker 3:	10:32	We wouldn't have the crown Court ones we would only have the Magistrates Court.
New Speaker:	10:33	Yes that is perfect.
New Speaker:	10:33	I can see, Err, Um, on the 05th of October, 2016 , um, uh, we had the herring, at Highbury Magistrates Court and it was in relation to, um, Threatening and abusive and insulting words is that what you are referring to.
Speaker 4:	10:57	No, that's not me. That's not me. I, in 2015 what I'm referring to is the organization of illegal raves an Asbo application that was, it was put onto me in 2014 and then I was held on an interim Order for about a year and a bit. Then I got taken to the court house. I knew I'd never done what I was being accused of and I've got set up by 20 police officers. No one would call no first-hand evidence. They will be missing a signature. I'm not the right colour skin to fit the crime that the cases are complete mess. They're holding me in my house for nine years. Well and a seven-year curfew for the Asbo from that Court and I've got all the case number and everything up and all of the hearing saying it's against the law for a case to rely solely on hearsay. I've put all my evidence up now on the website I'm, I'm trust about to make that go public. If we can't sort this out for you to correct channels in a body. I'm going to go through out a body the, I'm trying to work out how to serve the report on the Court right now. Because they were legally.
Speaker 4:	11:45	<u>There dead.</u>
New Speaker:	11:59	holding me in my house and if they said that that publicized in the newspapers that I have been done for the organization of illegal raves, I never got arrested so I should have been interviewed and arrested. They have the maximum sentence. If you did get arrested in six months in prison, somehow, I'm riding a seven-year curfew and there weren't even enough for criminal prosecution. I've got all that. The court hearings here saying that no case, the Highbury Court knew that no cases allowed to rely solely on hearsay. There's a website called horrific corruption.com I've just made it go live just now, but I only put it up for a little while because of the damage it may cause to people's lives that could be dealt with a bit more efficiently.
New Speaker:	11:59	Okay. Do you know the actual day of the last hearing sir?
Speaker 3:	12:38	

Speaker 4:	12:41	Yeah. I can get everything up for you right this second if you would like. I'm just give me two seconds.
New Speaker:	12:45	Yes, please.
New Speaker:	12:45	And I will get everything up for you. Err.
New Speaker:	12:46	Okay.
New Speaker:	12:46	Give me one second master files. Let's look at some in design files, let's go over to hear what we are looking for is something like the first Asbo folder. The second Asbo folder. Hang on one's second the first Asbo one of two there she is, so, allow, the case, for this one here, the court was herding the hearsay notice is there. Hang on a second.
New Speaker:	13:25	[inaudible].
New Speaker:	13:27	On behalf, witness statement. Douglas Skinner on behalf of the, on the 11th of September, 2014
Speaker 1:	13:34	[okay] There dead
Speaker 4:	13:38	I've got the case number and I got all of that here, I can pull it all out
Speaker 3:	13:41	Okay. And what's the case and what is the case number?
Speaker 4:	13:44	Um, give me one second. I'm just going through all of the paperwork on the front of it because there is so much there. They kept being sneaky and not putting them beside it. I can't even see the case number on it. I have got it somewhere in my paperwork, I would just have to go through everything to get it all out
Speaker 3:	14:03	that's fine.
Speaker 1:	14:10	[inaudible]
Speaker 4:	14:10	normally it should just be on the front pages of the Asbo shouldn't it
Speaker 3:	14:16	it should be. Yeah.
Speaker 4:	14:17	Yes, it's not. It wasn't signed by any judges or anyone. The judges all left and retired and the appeal judge left and retired and the magistrate Judge for the appeal has retired, straight after and they spread, caused a sex scandal in my name to cover up what the police officers had done, that they were all missing, signatures, and that. Now me and my partner, both in fear of our lives were getting treated horrible by members of the public. We never done nothing wrong. We've never argued. Me and her, I've never had a problem together. So, so Sally Gilchrist in this court, the court had no right in doing what they've done. To put a smokescreen up to cover up what these coppers have done. Um, it might be in the second step. Second one.
Speaker 1:	15:00	[inaudible]
Speaker 3:	15:00	Which Crow Court did you go to Sir
Speaker 4:	15:01	Wood Green Crown Court?
Speaker 1:	15:13	[inaudible]

Speaker 4:	15:13	Index, there is so many cases that they keep plugging me with recently. It's been quite hard.
New Speaker:	15:18	Yeah.
Speaker 1:	15:19	[inaudible]
Speaker 4:	15:20	What is it not showing up on the computer? there,
Speaker 3:	15:23	The think is, the thing is, there's a lot, em,
Speaker 1:	15:29	[inaudible]
Speaker 3:	15:30	yeah, I'm trying to find it sir, but there's quite a lot. I'm on the,
New Speaker:	15:32	You need more information ??(Said in the background to the man on the phone).
New Speaker:	15:32	I will need more information on the phone because it is not coming up.
Speaker 4:	15:38	So you can't find an Asbo that has been put on me for seven years on them computers, No way. I've got the case papers here. All I know, is that on the 13th of August, 2014 the local Authority and the police held a consultation. I know that on the [inaudible] I can go for it. Let me just go through my website and get it, it's going to be on my website.
New Speaker:	15:57	<u>There dead (Third person in the back ground).</u>
New Speaker:	15:57	<u>There dead</u>
New Speaker:	15:57	It all in there, I knew where it all is, I have got every court room that I was in every court case, I've got everything. I just take two seconds to go through it all.
New Speaker:	16:06	[inaudible]. Third person
New Speaker:	16:06	Give me one second. I'll give it to you all now it will just take a sec for the websites to load up quickly. You don't have good, good available to use lot, nah.
New Speaker:	16:14	[inaudible]
New Speaker:	16:15	Okay. Um, the date, the 6th of October, 2014 Asbo hearings, six of October, 2014 miss Sally Gilchrist legal executive case number was 1402490741 and the mentioning hearing, it was a mention hearing Andrew Locke was the Barrister Robert Taylor was the um, was the prosecution and it was in courtroom one, I think. Then the 22nd of the 10 2014 again. And then you've got the 5th of November 2014 . You've got the 2nd of, the December 2014 there was 30 case, 30 times I attended the court for this
Speaker 4:	16:56	Because I copied the I, they set me up, trying to accuse me of be off throwing. I was on curfew for a year for another case. I was working for kids with cellar palsy. Building a festival, I had pondered End festival I built Durant's park festival I built lock to lock festival. I had the keys to my community hall. I had a website called Too smooth with a charity Bar that I building a CIC association of building brand new model, constitution and that for everyone I had in like club on Brixton high street. And the police went to every single place,

		stripped me naked, done everything they wanted to do to me, and then they make, while I was on curfew, what they done was they grabbed all the people that were throwing parties while I was on curfew and then they. Sir. called Cads and forged an Asbo Sir, I hate you Okay. Yeah. I've, I've checked it, and I need to put you through to Highbury Corner Yeah, that'd be, perfect. Thank you. Do you have excuse me? Uh, uh,, uh, , uh, , uh, , uh, , uh, , uh, , uh, that's ridiculous.

In a first instance, if you're required general information about our, your call is important to us, please hold and we will answer your call as soon as possible. Ring, Ring. What the heck is going on. Good afternoon you are through to Anna. How can I help? Hello, how are you doing? Anna I just spoke to another assistant in your call centre I believe and he transferred me through to Highbury and Islington Court, to speak to them directly in regards to my issues of concern and the phone just rung out and hanged up in the end so I didn't end up managing to achieve to do what I set out to do. Is there any way you can help me manage this please? They're not going to be able to get through to them now cause they that they close at 04:30. At 4:30. if you need to speak to yeah, if you need to speak to them we can try again. If you call back tomorrow morning we can, we can put you

		through there with anything. I can help you with it as do need to speak to someone specifically there because we take their calls. You see?
Speaker 2:	01:59	Yeah I understand the reason you take their calls is because of me because they turned their call centre off after they set me up together. So, then that's why the no one could ring the court for about a year and then they put use lot in recently and to make it so I can't directly ask them questions in regards to what they've done to me and the way that they're illegally holding me and my house. That's, and that's why this call centres here now. So, I understand slightly, I don't want to cause use lot no problems because you know, but I just need to speak to them and I need to get released out of my property and I've got the evidence to prove what's happened to me. Um, so is there a direct number.
New Speaker:	02:35	ok, have you um.
New Speaker:	02:35	Can I take one extension to get through to the court. Sorry for being rude. I didn't mean to cut you off.
Speaker 1:	02:39	No, no, no. That's okay. No, we are the direct number. They don't take direct calls anymore. We, we deal with all the courts for the London magistrates' courts. Have you put your concerns in an email to them?
New Speaker:	02:51	I have built a website and everything. I've got so many calls. I've spoken to them all, but when I speak to them there, I've got loads of recordings over my website. They go on a black bastard you have been robbed sorry to be rude, or to use the same terminology as what they have towards me. But I've got all the 999 calls. I have called the nine, nine, nine call centre 220 times. I'm not even the right colour skins to fit the crime. What they've set me up for. And then they caused the sex scandal in mine and my partner's name and now they've gone for possession order which are proof that defrauded as well. Then another injunction order then another one that kept me tied in paperwork in my house torturing me knowing the truth of what they've all done and this and they won't help me in any form or way treat my Human rights. We've any taken respect, um, well the best thing that we can do.
New Speaker:	03:33	What's your name sir.
New Speaker:	03:33	Simon Cordell
Speaker 1:	03:35	what's your, Simon Cordell, how do you spell your surname.
New Speaker:	03:36	Cordell.
New Speaker:	03:36	Cordell.
New Speaker:	03:36	and where did you, what day did you appear in court? did you have a court appearance

Speaker 2:	03:45	The 6th of October. There were over 30 appearances for this happening between the higher between the crown court and this Court, but the six of October, 2014 is one of the dates. And also, there's other days like 22nd of the 10th, 2014 . Um, there is the 5th of November,
Speaker 1:	04:06	So, what is it, What is it that you want to ask them specifically?
Speaker 2:	04:09	Basically I'm being held for nine years a nine year curfew in my house. I'm not allowed to do no business. Hire no amps to any person, personal or otherwise personal means if I give you an Amp as a friend, I can go to prison for Five years, otherwise means that I'm not allowed to off the 10 o'clock I'm not allowed on no industrial Estate. I'm not allowed to stop on no motor ways for no petrol. I'm not allowed to go to no 24-hour McDonald's. I'm not allowed to do anything. It's the organization of a legal raves.
New Speaker:	04:37	His, won.
New Speaker:	04:37	Must mean that you've been arrested year. They never arrested me. They did arrest me. The maximum sentence would be six months. Yeah, and it's 20 grands fine. Somehow, they gave me a seven-year curfew, knowing that I was already riding a year curfew for another case. I won just before that they accused me of tried to make me a Super grass and grass up six people three of a them, I know and three of them could be your children just trying to throw parties.
Speaker 2:	04:57	So I've copied all of their Facebook profiles into 2014 to proving that I never done this. I've looked through the paperwork.
New Speaker:	05:04	His right.
New Speaker:	05:04	that the police have gave me. All the Crimits go backwards in time than my nine, nine calls due to the call centres. I've check each, each, this is all supposed to be over one weekend someone had a party and it kept some people up overnight. Um, I think there was one nine, nine, nine call. that was real and the rest were made up and basically, they have ruined my whole life for it and, and I can't do nothing. So, I would like to be released. I would like to my life to be reinstated and my Human Rights basically that is it, I have got the right to Equality
Speaker 1:	05:35	To be released from your curfew.
New Speaker:	05:35	Yes, I want the curfew dealt with
New Speaker:	05:35	send me a perfect call that dealt with it. Did you ever email, did you email your concerns to them?
Speaker 2:	05:42	Yeah, there was loads and loads and loads of recordings and they just kept pushing it aside, trying to kill me and spreading out this sex scandal in mine and my partner's name covering up a

		smoke screen covering everything up, what they come and basically.
New Speaker:	05:57	ok.
New Speaker:	05:57	ended up with no call centre.
New Speaker:	05:58	Right.
New Speaker:	05:58	on Highbury and Islington Court. They tried to kill me. That is the truth of what's happened. They tried to take my life away from me. I'm going to call tomorrow.
New Speaker:	06:09	ok, hm,
New Speaker:	06:09	and I'll call tomorrow and we'll leave it at that cause I don't want to get you to get involved in any of these problems.
Speaker 1:	06:14	Right, Yeah, we know we can't get through to them anyway because they all closed. So, I have made a note of what you've said, but obviously we were in the call centre when not actually based in the court So, we do not have access to any files or emails.
Speaker 2:	06:28	Do you have access to Google any of use lot?
Speaker 1:	06:32	No. Well, we don't usually, we only use it maybe to look up addresses and things like that.
Speaker 2:	06:37	If you use a mobile phone, it don't have everything on it, but if you went to a website, just now like and went to horrific corruption.com you can see the problem that I'm having, that is for the website, horrific corruption. I'm turning it off in about an hour or so, so everyone else can't see what's coming on to me but I'll leave it up for you, lot just to have your own little read. Maybe. Alright use lot have a good day. Yeah.
Speaker 1:	06:58	Okay, so thanks for your call. Thank you, take care. Bye. Bye.

Speaker 3:	02:30	Hello. I just spoke to a lady called Angela who was quite courteous in speaking to me, but after she finished doing what she said she was going to do, which was passing me onto a gentleman called Jeremy Chambers. The phone number that she transferred me through to said that it's not recognized. So, if she is the secretary, the numbers that she, she's transferring me through are no longer their void. So, she should take that into account for transferring somebody over to them again because the same thing happened to me the other day as well. So, it isn't the first time that this is happened to me now that I tried to ring the number to get back through again. No one's picking up the phone. These issues are quite serious what I'm trying to get addressed and no one's taking them seriously. People are going back home every night having normal lives and they could have released me from these, from the stop's criminal activities that they, that they played a role in towards holding me illegally in my house.
Speaker 3:	03:24	And I've asked for the whistle blind policy to be taken into account. I've updated my website yet again, Horrific Corruption and I'm at a stage, I'm gonna keep trying to deal with these issues internally so that you can have control over the people at, over the people's careers. And the rest of their life's prospects. But use lot keep on advising me to go out of body, I've got a solicitor that's ready to take on the case. I've got a whole forum full of solicitors and ex coppers who have been overseeing everything from the beginning in 2014 and they've been furious. They had been asked to, they'd been trying to get me to go to the court to do injunctions against you to do all sorts against you before you even put an injunction on me or possession order I've been advising them no, cause I didn't want the headache.
Speaker 3:	04:10	Yeah. But I think I'm going to have to go with their advice and we're going to start contacting the legal ombudsman with the website. We're going to start contacting other official people that are out of

	body and we'll see how this gets along for you lot and for myself. Um, I might try and call back again in a second and hope that maybe you're busy doing something else and I might actually get passed through to Jeremy Chambers or somebody that can help me. So, I'll give it another 15, 20 minutes before I start contacting my solicitors and everybody online and I'm very serious about this. [inaudible]. Simon: So I just wanted to take that opportunity and explain to you about how I feel about your request from me to come to a meeting at the civic centre on Wednesday the 22nd of February 2017 in regard to allegations of Anti-Social Behaviour, Harassment, Intimidation and threatening behaviour and my concerns are; is it OK to go through them with you.

Lemming: Yes, yes we need to meet with you.

Simon: No, No, you would like to meet with me, Lemmy not that you need to meet with me Lemmy, this is the problem that I have Lemmy, yes the allegations that you are putting against me are of Anti-Social Behaviour and that is of a criminal nature and is under the 1994 Act, Harassment is under the 1997 Act which is also a criminal investigation and intimidation and threatening Behaviour also come under the harassment Act laws subsection B of that Act Lemmy and basically for any of these allegations to be put forward that have to the police been given to you by a member of the public from a call for services any person calling for your services you should pass that information over to the police and let the police deal with it I do not feel comfortably coming to an interview with yourselves in regard to allegations when I know that you are not police officers and these are criminal allegations if anything I believe that you should speak to my solicitor or that you should pass this information on along to the police and let the police do their own personal investigations and then if the police find any truth in the installations put to me then you could continue as Enfield council and as my 'lees holder providers for my tenancy I am quite concerned of the way that this is being brought forward in any sense what would I be doing coming to a police station to do a no comment interview Hum coming to meet you to do a no comment interview and are you still with me, Lemmy?

Lemming: Yes, I am here. '

Simon: And, my other concern, other further than that is that I never committed the offence or any other offence of this nature any way and that the police have already arrested me for these offences back in August and all found no truth in them as well.

Simon: So, now it has been long since August since these allegations were put in about me it has been over six months and because of the time limitation Act 1980 I think it is I believe then no case can be brought forward to any person after six months after that date, so this leaves me even further concern and the even further concern is that you are a part of a team right now; apart from the Anti-Social Behaviour Team and that team I have got criminal corruption placed against me, they have signed to a lot of corruption that has held

	me hostage in my home Lemmy and it has held me because I have got eight years for something that the maximum sentence that any person should get is six months and the maximum sentence should be a twenty thousand pounds fine and it has got Enfield councils signatures and your team members signatures all over it. Lemming: Simon: I am quite concerned about that as well and while I have an ongoing complaint in regard to my Human Rights being breached I would rather not met you lot personal without a solicitor being present. I also feel the concern that if I am in my own home. I have the maximum extent to my own freedom of speech in my own home and that I have not left my house and I have did not threaten anybody or done anything else to anybody else of any slimier nature Lemming: ha, ha. Simon: I am very concerned with what is actually happening and I feel that this is an attempt to protect your colleges rather than to do what is right for this housing estate and do what is right for Me Lemmy, year. Lemming: [00:03:37] your, broke. Simon: The only thing that I can do in my own house if I speak Lemmy and you should know that in your own house; is that no one can translate what is being said in my own house it would be a noise complaint in any sense in my own home I can swear I can do what I want, yes, as long as it is not going out to the public or it is directly done to someone it is a noise complaint and I have never had a noise complaint of yourselves in regard to anything. Lemming: Simon: Just these few issues that I have brought up here make me feel that it would not be right for me to attain a meeting with yourself and especially without not understanding what the actually allegations are I have asked for copy of the letters of complaints to be sent to me and I have still not been put in receipt of them, go on Lemmy Lemming: Alright, hmm, after I sent the first letter to you I got an email from your mother asking for us to itemize the allegations made against you and I must stress that at the moment they are only allegations, nothing has been proven yet. Now last week I emailed to your mother, as you requested because, hmm, hmm, she will have. Simon: My mother just waters it down for you lot because she knows that I understand the law, and she knows that I am not somebody that is going to sit there and feel intimidated, yes sorry go ahead and speak then please Lemming: Can I talk please. Simon: Yes sorry go on. Lemming: So hmm, hmm, I sent, err, I emailed last week, and she has not responded and because I have sent everything that she has requested on your behalf we now need to sit down with you to get through these allegations. Simon: You are not a police officer low Lemmy. Lemming: No, No hold on. Simon: They are criminal installations they are not civil. Lemming: Hang on, hang on; Hang on. Simon: They are not civil. Lemming: Mr, Cordell. Simon: You are not a police officer, are you a police officer? Lemming: Mr. Cordell; I wanted for you to finish can you allow me to finish. Simon: Yes. Lemming: Then when I am finished then maybe it will; be clearer. Simon: Lemming: Now as I have just said these are just allegations, and they are serious breach of your tenancy agreement we are dealing with these from December. Simon: What points of my tenancy agreement are they a breach of because I have not been told what I have actually done. Lemming: in the first letter I sent to you I did make it clear, and we are only carrying out

civil investigations because these are a serious breach of your tenancy at agreement.

Simon: Lemmy, these allegations that you are bringing forward to me are from the 16th of February and any allegations that you are putting to me I got arrested in August for and I got arrested for two sets of allegations and both of them I got found not guilty for; OK, Lemmy, I got held in house hostage and I got even taken to a hospital for it I do not believe that you use the members of my estates signatures that are at the bottom of any paper work that they have used I do not think that it is in there the best interest or my interest I think it is for your own-self gain Lemmy and your colleges own self gain Lemmy, yes, right.

Lemming: We are investigating allegations that were put against.

Simon: And what was the latest allegation put forward Lemmy, what is the date of the latest letter of complaint that you have.

Lemming: The latest the last complaint; hold on let me just check in the paperwork, the incident was on the thirty-first of January.

Simon: On the thirty-first of January and what was that and can you explain to me what that allegation is to myself.

Lemming: Simon, 17th shouting abuse outside of your front door.

Simon: Shouting a bruise outside of my front door, Lemmy.

Lemming: Outside your neighbour's front door.

Simon: Outside my neighbour's front door Lemmy may I explain something to you yes; I live inside of a communal building if the police get called to my home it is under the 1961 police reforms act that the police were built on Lemmy yes, and let me explain to you Lemmy, yes.

The last thing that the police get call called to come to any place is unless a section or crime is committed and that would be a section four or five under the FA football riots what is what brought that law into place yes, swearing or being abusive place; in a public place Lemmy yes not a private place.

I have not left my communal building which I pay sub rent on and I have not left the front of my home, yes Lemmy.

Anything that happens in my building or this block is a community problem between ourselves and if the police get called it is because; or as a breach of the peace unless a crime is committed.

Lemmy you do not have the rights this is my home and you do not have the place to do what you are doing to me.

Lemming: But you have been banging on your neighbours front door.

Simon: No Lemmy, Lemmy, Lemmy you tell me that a manufacture never made the front door to be intended to be used Lemmy yes; all front doors are intended to be used Lemmy yes, and it is not my intention to look at a front door and not to use it Lemmy.

If I walk up to a front door and use it as the manufacture intended for it to be used then you tell me a crime that I have committed or an offence.

Lemming: Well I am not talking about crimes.

Simon: Well I am not committing any civil offence, the door is there to be knocked on; if there is a fire in my house I would go upstairs and knock on the front door and say hello.

I have not gone and knocked on any of my next doors, front doors houses in the last eleven years of living in this block more than six times, yes, and I have lived in this block long-time, you could not even divide six time between eleven years if you wanted to right now, Lemmy

Lemming: OK, Mr. Cordell, your neighbours have provided evidence.

Simon: Lemmy if my neighbours have supplied you with evidence of anything then you need to give that to the police and you are not a police officer and you have no right of line of investigation against me in these proceedings.

Lemming: I will be very honest.

Simon: It is entrapment what you are trying to do is; Lemmy I am recording this conversation.

Lemming: Go on.

Simon: I am recording this conversation and what you are trying to do is entrap me under criminal investigations and you are not a police officer and your salary does not account for you to act in such a manner, it is a disgrace against Enfield council that you represent them in such a way to intimidate my human rights and you are not threatening me and I am not scared of you, I understand the land that I live of Lemmy, yes, and I understand the laws that I represent living of this land and my birth rights.

Lemming: Mr Cordell I have not made the offence.

Simon: yes there is no offence or you I would be giving them to the police already and I am not coming to your office unless you come to mine; you are more than welcome to come to my home at any point of time that you want Lemmy and I will invite you in like a gentleman that I am then you can sit and talk to me in regard to any issues that you may have otherwise than that I am not coming to your place to be entrapped.

Lemming: Hold on OK, can I just say something if you do not attend to the interview I will not give you no more opportunity, hello.

Simon: Hello Lemmy and you have to take it to the police and if you take it to court I will sue you for invasion of privacy and for the breach of my article thirteen, the right to my private and family life, Lemmy, Article two of my human rights, I will sue you for the right to; life and I will sue you for; Article three, the right not to be tortured by any state official or degraded or humiliated by any state official; that is Article three of my human rights Lemmy, do you understand, Lemmy I tell you that I stand stronger your laws are set out to protect us the members of the public Lemmy, you are using your powers in the wrong way.

Lemming: All right Mr. Cordell can I just say something.

Simon: No Lemmy, if you want to call the police then call the police do not threaten me with criminal offences, you are not a police officer LEMMY.

Lemming: I am not threatening you.

Simon: So I do not need to come I do not have anything to answer to you, you are just my Lease holder I just give you money for my rent or the council or the government give you lot the money for my rent Lemmy, if there is any further problem than that you need to go to the police.

Lemming: You can allow me.

Simon: You need to go to the police.

Lemming: Can I explain where we go from here please; I know that to you Mr Cordell if you do not go to the meeting with us I will not give you any more opportunity to attend and if you fail to attend that one.

Simon: Lemmy I cannot read and write Lemmy I cannot read and write the council know this I will not come to Edmonton Green I have got gangs that want to kill me in Edmonton green that is why I got placed in this house in the beginning it is on my council records that I cannot go to Edmonton Green and that I cannot go to Enfield Town, yes, so now I am sitting down in this house right now Lemmy and if you would like to come and have a meeting with me then you come to my address you arrange a time and a date I have not done anything wrong I am other in to you the opportunity to come and meet me, yes, and if you do not want to take that opportunity then I have it on recording right now I am recording of this conversation, yes, you cannot force me to have the meeting at the civic centre I am telling you if you want to have a meeting with me you need to come here and I will have my solicitor waiting here for you as well Lemmy.

Lemming: I will have the meeting at a natural place I will not come to your property and I will not come to the civic centre I got corrupt police I have got Steven Ellesmere his fraudulent paperwork all in my folder right now holding me in my house for eight years Lemmy they fraudulent the time stamps to the paper work they have called me a black boy on the block thought the whole of the folder, and they tried to I turn me into a super grass to grass all of my friends up for events that I never done.

Simon: I was working for this community I was working for lock to lock festival I had the keys to my community hall Lemmy I was doing everything constructive, and then they twisted my whole life around and I have got all the recordings for; I recorded everything that happens in my house Lemmy I have been putting complaints in asking you lot to

	protect me against these members of the public for months and you do not act on anything that I ask you lot to do but you are asking on fabricated claims against me. Lemming: Mr Cordell I have not received any complaints of you. Simon: You just need to read the computers Lemmy to see the complaints that have not been followed up Lemmy. Lemming: When was the last time that you made a complaint? Simon: I have made loads of complaints I have got letters all over my computer now from emails correspondents none stop. Lemming: Simon: This is why Jackie Gubbie was changed place because of their behaviour and then this is why Sarah Flexure has got put into Jackie Gubbie place because I; the recording tapes that I have of them all in my home. Lemming: Mr Cordell when was the last time that you put a complaint in. Simon: I have not put a complaint in for a few months because we are independent we live in a communal building that is independent if we want to deal with our issues, we deal with them ourselves. Lemming: Thanks for clarifying that now there is a complaint which is a serious breach of tenancy and if you do not deal with this. Simon: That you are not Lemmy I am dealing with this matter I have already spoke to you on the phone and told you that you are not a police officer; Lemmy you are threatening me for criminal offences I am not coming to I you to be set up Lemmy yes the evidence I have got you are endangering these people if you want to come and see the evidence of the recordings that I have of everything. Lemming: How am I endangering. Simon: Because I am holding the truth I am protecting them from the recordings of the evidence that I have of them Lemmy yes I am protecting them, if I go to the police station right now yes they all get arrested Lemmy, and they all look at big years I have been recording them for the last two years doing what they have done to me Lemmy and I have not done anything wrong to them. If I go to meet any of my neighbours I would phone the police first and tell them that I am going up stairs and that I am recording it on my mobile phone and I have got the cad number for phoning the police up before I go upstairs Lemmy I protect myself in every single way and if you want to come and see this evidence plus see the evidence of what they do to me while I am in my home then you would agree with me and you would not want to follow these pep their claims because it is just going to get them into a whole heap of trouble and everybody else Lemmy you need to open your eyes and see the truth Lemmy yes. Lemming: all I can say is we needed to clear this up if you do not. Simon: Lemmy you are more than welcome to come to my here address if you want to clear this up there now and there is nothing to clear up in my eyes all there is fabricated stories that have got no truth in them and there is no true evidence supporting their claims or you would be at a police station and the police would be knocking at my front door. You just want me to come down there and blabber to you and then entrap myself Lemmy I am not going to do that and you are not a police officer and I am not entrapping myself with you if you want to come to my home then you are more than welcome too. And if you have any other issues then contact the police Lemma and have a good day I have got respect for you but you do not seem to have any for me. Lemming: Mutter. Simon: And I am going to forward this to you I am going to get this recording transcribed up into transcribes and I will forward you a copy of the minutes of this meeting as well. Lemming: OK, please do that. Simon: I will do that. Lemming: How soon will I be able to get them?

Simon: I will do it as quick as possible I will have to do them manually for you and I will try to have them done within the next two days and have them forwarded to yourself.

Lemming: All right then.

Simon: Thank you, Sir.

Lemming: I want you to attend a meeting next week and I will send you a letter.

Simon: Lemma, you are more than welcome to do that and I am going to forward you a letter to explain the reasons why, as well to a further why; that there is not any more to be said about these issues, if you want to phone the police you are more than welcome.

Lemming: I will not be going to the police.

Simon: They are criminal offences you cannot put criminal offences under civil law Lemmy.

Lemming:

Simon: A civil injunction even under the civil Act 1994 for civil offences has to be for civil practices, for a fact anything under a criminal nature will be placed under a CBO Asbo after court proceedings, Lemmy, yes.

Lemming: Mr Cordell.

Simon: Lemmy these offences are last, yes.

Lemming: Allow me to enlighten you at the meeting.

Simon: We are talking about civil matters hear not criminal.

Lemming: No they are not they are criminal; Harassment is 1997, Anti-social Behaviour is 1994, Intimidation and threatening behaviour you can get ten years for that Lemmy, Yes, Lemmy you can get ten years for that, I am telling you now that they are all criminal offences and that you should put them all to the police under the police reforms Acts you are not able to deal with this and your salary does not pay you to deal with this sort of issues.

Simon: I am not disputing that.

Lemming: So give them to the police and let them do their job and do what is right Lemmy and if the police find any truth in them statements or the evidence that you give to them then you can follow your lines of investigation but I tell, you know that there is no truth in them and the police will not follow any charges.

Lemming: Mr. Cordell, Mr. Cordell, if only you can listen to what I am say then perhaps we can start to get some were in regard to a breach of tenancy what is a civil matter.

Simon: A breach of my tenancy is a civil matter but the offences that you are saying are a criminal matter Lemmy, they are a criminal matter a civil matter is me kicking a football up the wall outside and somebody was upset a criminal matter is me going up to somebody and threatening them under a section 4, or 5, of that act and you commit this by going up to someone and listen and saying that I am going to do you something.

Criminal damage is criminal damage if I break something yes Lemmy, these things are criminal offences and civil are completely different.

You cannot simply missus your terms and conditions have to run in co-Hurst that represents us globally with treaties, you are wrong and you are making your own protocols and you do not have any right to do so.

Lemming: Mr. Cordell, Mr. Cordell.

Simon: Come on I have respect for you but I am not that idiot that you want on the floor or that person that you are expecting to be able to mangle up in the brain.

Lemming: I have not called you.

Simon: No I am not saying is that I am saying that you; that is the level that most people are deceived to be treated like by you and that is not what you are here for and these people are here or it is not their purpose in life to be treated wrongly and neither what they, or you should represent it is our human rights and what these laws are in place for, most people will just sit there and accept anything, because they do not study and pick up a book and read and learn, yes, and they do not care about looking after other people any more yes or our history what built us all our building blocks of life Lemmy Yes people have no respect these days they forget themselves.

Lemming: OK.

Simon: I do Lemmy I study.

Lemming: Yes, Yes, Yes, whether the police would want to deal with it you need to come here.

Simon: There is no truth you cannot find any truth in them Lemmy you cannot make up things, you are not a judge, where is the tribunal and or where is my fair court hearing.

Lemming: I am not judging you.

Simon: OK, so where is the court, you should be calling me to a fair place where there is some fair judging going on, yes even you yourself if you get upset now with your company, you still have a union representation and this means that you are entitled to speak to a legal department and to have your day in court, so where is my day you are accusing me of these allegations and now you want me to come there and you are going to judge me, you do not have the right and you do not have the power to do that.

Lemming: Alright, OK, muttering.

Simon: And I am explaining to you know that there is no truth in anything we have done this meeting over the phone and I am recording it and I am saying that if you want to come to my home then you can, as I have even further evidence to prove my claims and I will play that evidence to you while you are in my house, yes I am not coming to the civic centre because I have got members of your team who signed all the Anti-Social Behaviour papers fraudulently to keep me in this house Lemmy, I am prang to come into your building at the moment, I am scared for my life

Lemming: Mutter.

Simon: I am scared to come to your building because of the corruption that is inside of it Lemmy or I would be there with all of my folders building a festival right now with you all.

Lemming: OK, OK, OK, if your response is that all the allegations are lies then I will take it that that is your repose.

Simon: Lemmy if I went to the newspapers and played this and showed what everybody all the corruption that is inside of your team and what is holding me in my house now or I just publicized that myself.

Lemming:

Simon: Here would be problems I have got a lot of emails here right now, if I decided to be irresponsible myself there would be a whole different game right now and I do think that anything that you are talking about would not matter after that other than what I show everybody; "The Truth."

Lemming: If you have got all of this evidence that you are saying, then I think you should do what you have to do.

Simon: Lemmy I have already done prepared statements if the police do come to me, but I think if I give them to you that it will just destroy more lives, I think.

Lemming: Yes, Yes, Yes, no problem, do what you have to do all I am doing is.

Simon: what are you attempting to do, what is your purpose, what do you want at the end of this yourself Lemmy.

Lemming: what I want is at the end of this for the alleged Harassment to stop the intimidation to stop.

Simon: The alleged harassment, intimidation to stop.

Lemming: To stop yes.

Simon: What is actually being accused of me what.

Lemming: Your neighbours have made allegations.

Simon: I have got my next door neighbour on tape right now Lemmy yes and I will play it to you right now, when I recorded them I have got them all Lemmy I record them all, and they are saying that we are doing this because we are trying to get a new council flat and all of this.

Lemming: How soon, can you get them videos to me?

Simon: All the videos of me, Lemmy you would have to go through my solicitor to get them Lemmy or you would have to come and see them personally in my home and you can bring another colleague; Two or three of you hear and you would all walk out and know the

truth because of what you see, when you see all the work that I have done for this community and see everything that is here you will walk out of this door and say do you know what I have to hold my hand out to him; I tell you what come and see everything I challenge you to come and see what sort if a man I really am; I challenge you and your team to come here, and we will see if we can all do something that is constructive with everything else that is here that I have built, and we will see how far we can all go.

Lemming: No I am sorry we can meet at a neutral place.

Simon: Well I am telling you that you are allowed to bring your team to my house I pay you lot rent for this home Lemmy your team get paid their salary from this home the people I pay the rent to pay you your salary I mean Lemmy or even when I get benefits to help pay for it.

Lemming: You cannot make me come to your home.

Simon: I am not making you and that is just like you cannot make me come to your place I am inviting you, if you have a problem then I am saying that you are more than welcome to come to mine if anything there is not any members of the public here that is all criminals in here but in your work place I got evidence that there are criminals in there that are setting me up right now, so I am not coming to their.

I have got a stronger case than you have Lemmy.

Lemming: I am putting it in my report that you are saying that I am setting you up.

Simon: No I have got evidence that Steven Elsmore set me up with all of his signature on it and Enfield councils logo with all the rest of the police officers and I have got all the tape recordings them as well.

Lemming: why do you not go and give your evidence to the police.

Simon: Lemmy I have already been phoning them and the police will not pick up the phone any more.

The police know that they are that wrong I can phone them up right in front of you now, and they will not pick up the phone.

I have got so many recording of them of me reporting that they forged it and about the black boy on the block and all that being in my paperwork and all of this and then you can see on the other page about the white people that got reported to have done it in the 999 call, Lemmy it is disgracefulness, Lemmy I am an intelligent person I believe that you are two and I believe if you come here you would see sense and reason and you would believe in me as well and you would say do you know what something needs to be done about all of this here.

Lemming: Mr Cordell, Mr Cordell, we have been on the phone for over 45 minutes.

Simon: OK, well I accept that and I am going to forward you Lemmy in everything that has happened.

Lemming: OK, no problems then if you do not met me next Thursday then I will write to you again, OK.

Simon: Yes, OK, have a good day.

Lemming: Thank you very much.

Simon: And you too bye.

Lemming: Good bye.

Hello Lemmy it is Mr Simon Cordell again from 109 Bancroft Avenue I've been trying to contact you for my 9 o'clock this morning and I the phone keeps ringing now, I'm not sure I believe that you must have the message that I sent you yesterday, as well because yesterday the answer machine was only ringing once and this could get proved by the recordings and

	now it continues to ring, so I' am hoping that you're going to contact me back, like I asked you to do, on your answering machine and just so that you can know that I'm being serious with you and about the recordings that I have also why I' am quite confused is because in the recordings I have got of our first conversation; you kept mentioning that could not be proved and that is just allegations, so I'm going to play a bit of your own voice to you, just to let you know what time it is with the evidence that I have; Lemming: Hello. Simon: Hello is that Lemmy I am speaking to. Lemming: Yes, Yes, speaking. Simon: How are you doing? Lemming: Who am I speaking with, yes I am good I am good, is that Simon. Simon: Yes that is correct, it is Simon. Lemming: How are you doing, hi? Simon: Well I am OK I am just generally OK, I was just phoning in regard to the letters that I have been receiving of yourselves I have never really spook to yourself in person about it and this is the first opportunity that I have had. Lemming: OK. Simon: So I just wanted to take that opportunity and explain to you about how I feel about your request from me to come to a meeting at the civic centre on Wednesday the 22nd of February 2017 in regard to allegations of Anti-Social Behaviour, Harassment, Intimidation and threatening behaviour and my concerns are; is it OK to go through them with you. Lemming: Yes, yes we need to meet with you. Simon: No, No, you would like to meet with me, Lemmy not that you Any way Lemmy if you really want to hear the rest of it, I will come down and play it for you, but you keep admitting that none of this that you are stating has been proved yet. you're not giving me the right to go to trial not giving me the right to be seen Lemmy and I would like them rights I have now contacted the doctor's from when I was put into the hospital, by the council, police and the doctors are also writing a letter to confirm that I was continuously going on about you lot not protecting me and not doing the right things by me. I also have the emails on Jackie Gabby, as well of when Jackie Gabby come here and told me that she had put Deborah Andrews in a hotel and she stood in my front room and I have got the recording of her with two police officers came to my home when she explaining this to her, when she moved Deborah into a hotel, so the banging for that week, them two weeks that I showed her the video evidence to wasn't Debra and she continued on and said yes it must be stain because she with the two police officers herd stain doing what they was doing to me and heard the Mathieu family doing what they was doing to me, she never continue to help me after that, she walked out the same as one of the doctor's come in here year, if you want to see some of this evidence I am waiting for you to call me to come down Lemmy year. and I'm upset isn't making my days disappear I am supposed to have 2 weeks before you try to take my flat I'm trying to deal with it the next day and you're avoiding me in and I am trying to deal with it the day after that and you're avoiding me Lemmy, this is my time that you've given me you told me you want to have a meeting with me, I want to come down Lemmy at the earliest opportunity, not on the last day of the last two weeks so that you can use this to your advantage yeah, I want you to take the first opportunity which is yesterday Lemmy, to have me in that building, today is another day that you can have me in the building Lemmy and I want to be in there today yeah, I don't want to be phoning you tomorrow Lemmy trying to get into the building tomorrow Lemmy and having the same problems please can you contact me back, because you've let me in fear of losing my flat, I'm legally not allowed to be homeless Lemmy yeah, I'm not allowed on Industrial Estates where people live in commercial

buildings once you take my flat of me, or if you do take my flat of me year, to fraudulently, fraud the paperwork to make to make that happen Lemmy,

like I noticed that has happened, because that were going to come to my house I listen to see 117 lemmy117 the landlord of 117 tried to break into my house the other day, he come down to my house and I recorded him Lemmy yeah, and he pretended that he was a plumber, I've never met this gentleman before he is the owner of 117, he tried to pretend to me that he is a plumber I tried to get in my house yeah, I've only just work this out Lemmy because I just see his face yesterday yeah, I know Lemmy I could do an ID parade and I would point him out Lemmy, he tried to break into my house under false allegations and false pretence that he is a plumber, when really he is the land owner Lemmy that is another illegal activity and I want you to do something about it Lemmy yeah let's keep this moving, can you please contact me back please or my mother like I have asked OK thank you goodbye.

He stated that he told Simon that he will not pay him any money and to do whatever he likes with the details. He stated that he does not know how Simon came across their personal details, if he has them. He stated that his wife lost her phone some weeks ago and that it is possible that he can access their details from the phone if he has it because his wife stored their personal details on the phone.

Independent Police Complaints Commission

Our meeting today.

Good Afternoon Lorraine,

Thank you for taking the team to meet with this afternoon, I found our meeting very useful in enabling me to better understand your complaint. To confirm, the first thing I shall consider is a referral to the CPS. I shall begin by examining what consideration was given to such a referral by the previous investigator, Jeannette Riley. Under the legislation that governs police complaints it is possible to seek guidance from the CPS where there is an indication that a criminal offence may have been committed; it is this test that I shall apply. Leaving the CPS issue aside for a moment and the possibility of criminal charges, I acknowledge your request to have sight of the PC Geoghegan's MG11 and notebook. Such a disclosure can be made under Schedule 3 of the Police Reform Act 2002. I shall revisit this request once the possibility of a CPS referral has been addressed. However, I fully intend to comply with such a request, subject to necessary redactions. Going forward, in addition your original points of complaint I shall also attempt to provide a clear explanation for the issues surrounding the misconduct meeting occurring before you had the opportunity to appeal to the IPCC. As I stated to you earlier today, the MPS can only apologise for this oversight. Additionally, as agreed, if you could send me Dean's details, or forward mine to him, that would be very much appreciated. Of course, I'll keep you updated every step of the way. If you've any questions in the meantime please do get in touch.

Kind regards

Mr and Mrs Mathiyalagan attended the Civic Centre today to report further incidents with Simon Cordell and gave me a DVD recording of another incident. Mr Mathiyaiagan stated that on

28/06/2017:

at 11,45am, Simon confronted his wife at the main entrance door as she was going to pick up their daughter from school and demanded to talk to her. His wife told him that she cannot stop to talk to him as she was on her way to collect her daughter from school but he insisted on talking to her. He stated that Simon ran after her, stood in front of her, accused her of making noise inside their flat and started shouting at her and said to her that he knows all their personal details including their full

names, dates of birth and bank details. He also demanded money and told his wife to tell him to come and talk to him. He stated that the second incident happened on

He told him that he was not going to give him any money and that he should go and work so that he can earn some money. He stated that as they left the block, Simon came running after them shouting and swearing at him and said to him that he should pay him money if he wants him to leave him and his family alone, he stated that Simon also said to him that he has all of their personal details including phone number and full names, date of birth and bank details and that he must pay him some money to have them; back. He stated that he told Simon that he will not pay him any money and to do whatever he likes with the details. Speaker 1:	00:00	Nine, nine, nine. Now you can report in non-emergency crime. Fire our website at www.met.police.uk. please. that is www.met.police.uk for custody related inquiries. Please press one to report a new crime. Press two to provide or receive an update on an existing crime report, press three for road traffic instance, press four to contact an officer or individual press five. To hear these options again, press zero to speak with an operator.
Speaker 2:	00:39	[inaudible].
Speaker 1:	00:43	there will be significant wait to speak to an operator as we are busy dealing with emergencies. if you are reporting anti-social behaviour. Please stay on the line. If you are calling to report a crime or road traffic incident, you may find it quicker and more convenient. To use our website, simply go to www.met.police.uk
Speaker 2:	01:14	[inaudible]
Speaker 1:	01:19	metropolitan police what is your reason for your call.
Speaker 3:	01:20	Hello. I'm just trying to resolve some issues that I'm having and there quite high graded issues. I was just wondering if I could go throw them with yourself.
Speaker 1:	01:28	Okay. What issues are they.
Speaker 3:	01:30	Okay. One is I understand that there's a law which is called the efficiency act 1999 and 2003 and what the efficiency act says that. If I'm talking to any official like yourself. May I ask your name, who I'm actually talking to first?
Speaker 1:	01:50	Yeah. My name is non auditable.
New Speaker:	01:51	pardon?
New Speaker:	01:51	Yeah, my name is Nerinda
Speaker 3:	01:54	Nerinda. And, and, where are you attached to my ask?
Speaker 1:	01:59	What do you mean were am I attached to?
Speaker 3:	02:00	What, police station or what part, what borough, what command centre, or police station.
Speaker 1:	02:06	<u>His dead.</u>

New Speaker:	02:06	You have not come throw to a police station, you have come throw to the 101 line the none emergency line for the whole of London.
Speaker 3:	02:10	Yeah, the non-emergency line say to Met, CC. I've gone through two itself, what centre have I gone throw to Lambeth, Bow, who am I? What borough am I actually, what command centre am I speaking to? What CCC?
Speaker 1:	02:21	Why don't you tell me what the reason is for your call and I will?
Speaker 3:	02:23	I'm just asking general inquiries. Who I'm actually talking to, which borough I'm actually talking to? Who am I actually talking to?
Speaker 1:	02:30	Ok, I'll give you the reference number, the reference number and my name are sufficient details to find out everything you need to know. What are you just telling?
Speaker 3:	02:37	Okay. What my problem is. under the efficiency Act 1999, if I tell you something that means that a colleague or another person that's representing the Metropolitan Police Badge has acted with misconduct and or Negligence, neglect or acted as an unreasonable person or has and is still at large still acting as an officer? You have a duty to the force to the oath of alliance that get signed up to and you have a duty to us as the public and yourself to actually report them. On goings now I've had to build a website because I've made multiple calls because I'm being held illegally in my house. Um, it's very clear that I'm being held illegally. I've had to build a website and I was wondering if you had Google available so I could show you why I'm actually complaining about I've had to build an official. Official Report.
Speaker 1:	03:26	Okay. You're calling to make a complaint.
Speaker 3:	03:28	Um, it's more than just a complaint, it's a matter of emergency. It's something that has to be dealt with today and should not be allowed to be allowed to continue. So yeah, it's a complaint, a complaint. We will lead off of this, but this is something that has to be dealt with as a, as a matter of an emergency, as a tire tear, graded level within the police force, there's corrupt offices that can be proved. I've got lots of police officers like yourself and lots of 'em or servants like I've got lots of people from Met CCC, that I called and throughout asking for help for this and I've been left, told me I've been robbed and nothing. I've had to translate all of these recordings and now they're all on my website. And I was wondering if you could have Google so I can just show you before, because I have not made it go public yet, so I'm hoping we could.
New Speaker:	03:28	
New Speaker:	04:10	Yep.

New Speaker:	04:10	still, there's still a chance that we can deal with this behind closed doors because I seem to have a lot of upper,
Speaker 1:	04:16	sorry to interrupt you, can I, is it because you'd been mistreated?
Speaker 3:	04:21	It's worse than I'm being. I'm being held captive in my house because police officers forged paperwork then missing all their signatures on the MGA 11 forms. I'm not the right colour to fit the crimes in the beginning. Plus the offense, the, they said the organization of illegal Raves, I never got arrested for something that's illegal, but they advertise in the newspaper that I have been arrested for something that is Illegal and I've gotten a, I've gotten a nine year curfew, we'll say eight year.
New Speaker:	04:45	<u>There dead.</u>
New Speaker:	04:45	curfew and that eight year curfew, if even if I did like wasn't enough evidence for criminal conviction, the maximum sentence a person should do is six months. I've got, I've got, I've got, I'm being held in my house with no signatures. Each police officer done four statements each and they're missing their signatures at the bottom of them. All of the timestamps to your 999-call centre go backwards.
Speaker 3:	05:06	Well they're all of them to this one Pacific location progress way because they, and they had to.
New Speaker:	05:12	<u>There dead.</u>
New Speaker:	05:12	make up the witness calls and put them in;
New Speaker:	05:14	<u>Dead. You keep saying that I am is that you're dead. You keep saying down the phone because this is why I keep translating.</u> If you want to go to the website and see like well me prove the other people doing this. They're telling me I've been robbed. Just like you're telling me I'm dead. I don't think that that's fair that you keep repeating that to me and that you're being paid a salary to do so. I think its unprofessional behaviour and I feel, I feel it is threatening my life. I fought for it and threaten my life for it. You can't blame me if you are saying something different because I don't believe that you are saying something different. I believe the term tape recordings I'm recording of this conversation now will prove that what I'm saying as the other officers and the other people that I've spoken to have told me, they've told me I've been robbed.
Speaker 3:	05:51	I'm a black boy on the block. If you go to my website right now, you have Google available to yourselves in there. Have you have Google available watch because I'm not made this go public and I've got a lot of emails here to send this out or make it go live and we can deal with this behind closed doors. You and your officials and

		me in a in a way where you're not going to try and take my life to cover up just to make sure that police officers don't lose their jobs. Yeah. Cause my life is more important than any job that any person is doing. Yeah, I believe that. I believe that you should have a look at this website. Use lot should, the website is called horrific corruption.com and you can see the Asbo by folded Were
Speaker 1:	06:31	NON AUDIBLE.
New Speaker:	06:31	is this your website. Let me just take your name first so I know who I am speaking to. What is your name please?
Speaker 3:	06:35	My name is Mr. Simon Paul Cordell.
Speaker 1:	06:40	How are you spelling the surname please.
Speaker 3:	06:44	C. O. R. D. E.L.L.
Speaker 1:	06:45	Thank you and can I take your date of birth just for information.
Speaker 3:	06:48	The 26/01/1981
Speaker 1:	06:51	thank you and just to ask are you at your home address now?
Speaker 3:	06:55	Yes, that's correct. I'm at my home address right this second,
Speaker 1:	06:58	O.K. can I take the address
Speaker 3:	06:59	I'm about to go out but the address 109 Burncroft avenue. The website's about to go live right this second horrific corruption.com and the website and my address is 109 Burncroft avenue. I've got cameras in my front room and I've got cameras at my door. I've got audio equipment and my door and I've got and I've got a gate inside of my house to protect my safety. I also have a dog here and I do not intend to and do not want no police officers sent to my home address. The number of recordings I have of police officers coming into I am sorry to interrupt you Simon, listen what is your postcode?
Speaker 1:	07:27	E. Echo. November, 3, seven Juliet Quebec.
Speaker 3:	07:30	Okay. Is that in Enfield?
Speaker 1:	07:34	Yes, that's correct.
Speaker 3:	07:35	Burncroft, Burncroft Avenue.
New Speaker:	07:38	Yes, that is correct.
New Speaker:	07:38	Ok, 109 and you are at home at the moment.
New Speaker:	07:41	Yes, that is correct.
New Speaker:	07:44	So, what was your website's called horrific corruption.com.
New Speaker:	07:45	the website is called horrific corruption.com and it's just going live right this second. It will be alive in less than three to five seconds from now and you can see all of them. You can see all the Asbo folders and you can see with the missing signatures you can see all the missing signatures in it. This Lemmy gentleman is now coming in 2016 for Enfield Council and he's made
New Speaker:	08:05	Non Auditable.

New Speaker:	08:05	exactly the same, same, misconduct as what I or claim that the police officers here done what they've actually done. What led me is actually been found to do now is he, while I was in hospital, cause I got set up in a mental hospital because, and I've got the police officers who come into my house at that time and the council's on recording in there as well.
Speaker 3:	08:24	They all went through my medical notes. They're all going throw the Asbo and admitting that I'm not the right colour. And then there's no signatures. But yet they've still, since 2014 been able to deal with these issues and being spreading in the general public that I've got disease when in my front room, in 2014 in in them recordings, they all admit that I'm, that I'm not the right colour for the Asbo the signatures are missing and they go throw my medical notes and see I haven't got a disease so why have they victimize me and endangered Heidi life and Shannon's life and everyone else is to evade justice, which is them face facing, disciplinary for loss of their, for the things that they wrote and what they're making me Punishable and held captive in my house where I'm scared to leave my house before 10 o'clock cause they're still working in the same borough.
Speaker 3:	09:04	I've got the calls, when I phoned a police office.
New Speaker:	09:06	You have.
New Speaker:	09:06	for support the same polices friends are coming to my front door and they're telling me that I'm, I'm, I'm trying to do their friends. That isn't correct. Yeah. Now I've thought this horrific corruption.com and it proves what I'm saying, what they've done. Now Lemmy has gone himself and he has falsified all of his logs because I've got all of the council's history and the FOI through a freedom of information act of all of the claimants that was making claims of me. And on the phone, I phoned Lemmy and explained to Lemmy who's a council official for the Enfield Council. Who made the Asbo We've use lot in the beginning? I explained to Lemmy on the phone that um, please, can you tell me when the last complaint is against me? I don't see why I should have to come for, to the end field council to meet you. I've already been arrested for these cases that you're accusing me of and I've been found not guilty at. You're not a police officer. That's in treatment now. He went on the computer. You can hear him typing on the computer and he gives a date for the last claimant's claim. Me being cheeky, me. I said to him well there out of the time limitation at 1980 on the phone. So Lemmy got, the hump.
New Speaker:	10:08	Ok Simon
Speaker 1:	10:10	yeah,

New Speaker:	10:12	Sorry to interrupt you but I've just made a new description of what you have been saying to me, I'll just put all of this onto this call, what I'm going to give you the reference number and I am also going to attach this to my duty officer, who will be giving you a call back, to discuss this further with you.
Speaker 3:	10:28	Yeah, targeted malaise is as it's a 12 year sentence and breach of public office, which are clearly can prove that a lot of your workers have done beforehand. Before I spoke to you, um, it's a 12-year sentence. Well, and I'm not joking about here. I'm about to go public. If someone doesn't talk to me behind closed doors and clean this up neatly. Yeah. And someone trying to take me or put me in fear of my life or scare me out of the country that I was born in is a very large mistake by them. Yeah. Because no one else is going to endanger my life any further than what it's been endangered.
New Speaker:	10:55	ok.
New Speaker:	10:55	I'm going to leave that website on for half an hour and if use lot want to go through it and please get a superior to phone me and we and we see if we can sort this out in a professional manner.
Speaker 3:	11:05	There is a simple way for this all to be dropped. Yeah, I really did get set up for them Facebook profiles to be a grass and grass up two people that bugged off and left me on curfew and three kids. I don't know. That could be your children. That just want to buy sound systems and throw parties. Now while I was on curfew, I couldn't have thrown these parties. I'm being accused of then straight after they served me this folder and wanting me to grass up all these people, they're saying rib um rib um, ribbon
Speaker 1:	11:32	Listen, what I'm going to do is I'm going to pass that up to my duty officer and they will be giving you a call back to discuss that with you sir.
Speaker 3:	11:37	The Facebook profile is on one, on the, on the first Asbo and you can check out. You can listen to some of yourselves and you can see the transcripts on the audios and you can start seeing how use lot have been treating me or your colleagues have been treating me While I want to, or why I want to know why they haven't acted the efficiency Act 1999
Speaker 1:	11:54	and 2003 the efficiency act. Remember that? That's a good one.
New Speaker:	11:59	Okay. Okay. let me speak because I have listened to you now so can you listen to me please. I have written it all down for you it is a recorded line as you said it is all written down for you and I will be passing this information on to my duty manager and you will be getting a call back
New Speaker:	12:07	Ok, Ok.

New Speaker:	12:07	I got you a reference number Please.
New Speaker:	12:16	Yes certainly.
New Speaker:	12:16	the call reference number is Cad Carley alth delta, seven five one, one seven of today's date.
New Speaker:	12:28	Seven five and then today's date.
New Speaker:	12:30	Yes.
New Speaker:	12:30	That is Perfect. I'm sorry to have to call you about this.
New Speaker:	12:33	No problem umm, As I say my duty officer will be giving you a call back to discuss this further with you
New Speaker:	12:40	thank you. Have a good day, sir.

New Speaker:	12:43	Thank you. Bye.

Dear Mrs Vicky Jacobs

I am sorry it took a little longer to send the statement over to you but I went to the bank 3 times and the machine was not working to print out statements. I have highlighted the payments from the DWP going into his account. Please let me know if you need any more information and if housing benefit has been restarted.

My Heart has really started to hurt me every day, I am having an early aged mild heart attacks because of what Debra Andrews and the Matiyalagan Markandu family as well as stain Curtis and George Quinton get and got away with, inclusively of what the police and local council members are getting away with each day by holding me hostage with no first hand witness and then on allowing my estate members to carry out their hate crime in a cover up to send me crazy or to an early death by flushing the toilet below me and bagging at me causing me sufferings and no peace also letting the named attack me when I am in the bath tub and getting undressed and this does not stop their I continue to get assaulted with the water taps getting slammed on and off causing a loud bagging sound at a fast rate and slamming object and or jumping on the floorboards above my head damaging my work studies and private family life and making me a Vulnerable person!

I have also had a lot of problems with eating because of what they keep all doing to me!

My dog has eating its paws because of what the old tent of 113 and now the new tent of 113 and also that of the tents in the addresses of 117 and 111 are getting away with I have taken pictures of the damage this is doing to us in this flat!

Disrepair!

I find it sensational that no person has repaired the disrepair issues in my home when and after notified!

NOTES TO PARAGRAPH 4.

Before the Court will grant an order on any of the Grounds 1 to 8 or 12 to 16, it must be satisfied that it is reasonable to require you to leave. This means that, if one of these Grounds is set out in paragraph 3 to this Notice, you will be able to argue at the hearing in Court that it is not reasonable that you should have to leave, even if you accept that the Ground applies.

Before the court grants an order on any of the Grounds 9 to 16, it must be satisfied that there will be suitable alternative accommodation for you when you have to leave. This means that the Court will have to decide that, in its opinion, there will be other

accommodation which is reasonably suitable for the needs of you and your family, taking into particular account various factors such as the nearness of your place of work, and the sort of housing that other people with similar needs are offered. Your new home will have to be let to you on another secure tenancy or a private tenancy under the Rent Act of a kind that will give you similar security.

There is no requirement for suitable alternative accommodation where Grounds 1 to 8 apply.

If your landlord is not a local authority, and the local authority gives a certificate that it will provide you with suitable accommodation, the Court has to accept the certificate.

One of the requirements of Ground 10A is that the landlord must have approval for the redevelopment scheme from the Secretary of State (or, in the case of a housing association landlord, the Housing Corporation). The landlord must have consulted all secure tenants affected by the proposed redevelopment scheme.

5. Court proceedings for possession of the dwelling-house can be begun immediately. The date by which the tenant is to give up possession of the dwelling-house is Monday the 24th of August 2017.

9

3278,

NOTES TO PARAGRAPH 5

Court proceedings cannot be begun until after this date, which cannot be earlier than the date when your tenancy or license could have been brought to an end.

This means that if you have a weekly or Fortnightly tenancy, there should be at least 4 weeks between the date this Notice is given and the date in this paragraph.

After this date, court proceedings may be begun at once or at any time during the following twelve months. Once the twelve months are up this Notice will lapse and a new Notice must be served before possession can be sought.

Lemmy Took the keys of George on this Date I Believe

This is the date when Lemmy took a Statement of George Quinton and backdated everything that is in the Councils History to do with George other than the alleged incident that took place on the 04 – 05/10/2016.

Lemmy done this so that he could then use the information to his dishonourable own self gain.

Lemmy had come to my block of flat with myself and himself knowing that he had forge official documentation for the company that he works for the Enfield Council.

We had been talking outside the front of my flats because he had put paperwork into my front doors letter box

I: Lemmy visited 113!

The 1st Injunction Order / Lemmy / pub Book Issue: 1!

Statement of George Quinton/

Page Numbers: 120,121,122,123

1 Made on behalf of the Claimant

Witness Statement of
George Quinton
Statement No, 1 4.
Dated **28 July 2017**

IN THE EDMONTON COUNTY COURT

BETWEEN:

CLAM NO:

THE MAYOR AND BURGESSES OF THE LONDON BOROUGH OF ENFIELD

Claimant

-and-

MR SIMON CORDELL

Defendant

WITNESS STATEMENT OF MR GEORGE QUINTON

I, Mr George Quinton, of 113 Burncroft Avenue, Enfield, EN3 7JQ make this statement believing it to be true and understand that it may be placed before court.

Insofar as the content of this witness statement is within my own personal knowledge it is true and insofar as it is not within my personal knowledge it is true to the best of my knowledge,

I WILL SAY AS FOLLOWS

1. I am the tenant of Flat 113 Burncroft Avenue, Enfield, EN3 7JQ. My flat is located the next floor above the Defendant's. I have lived at this property since the **2nd May 2016.**

121,

2. I make this Witness Statement in support of the Claimant's application for an injunction to stop the Defendant from causing intimidation, harassment to me and other residents.

BACKGROUND

3. The problems that I have encountered with this tenant have been a regular occurrence since the commencement of my tenancy. The Defendant would come to my flat three or four times a week, on occasion this would occur more frequently whereby he would extend this harassment to not only myself but to my visitors also often following them as they would leave the building. He would often play loud music after which he would become very argumentative and bang on my door accusing me and my visitors of maliciously making loud noises to annoy him.

4. The Defendant would often make threats to me and on one particular occasion the Defendant said to me, 'he is on a curfew for 12 days but he would come 'after me' once this is over'.

5. The Defendant had also made accusations claiming that the noises I was allegedly causing had resulted in the sudden death of his child.

6. On another occasion on the **9th October 2016** the Defendant came to my flat banging on the door and when I answered immediately started shouting at me. He then went downstairs and about ten minutes later he approached my moped which was parked outside the building and started smashing it with a wooden stick. The damage that caused was to my vehicle was significant and prevented me from using it for some time and caused me to lose my job through lack of transport which was a requirement of my employment. The damage to the motorcycle was damage to tyres, the side panels, the headlights both front and rear along

122.

with both the breaks and the mirrors. The matter was reported to the Police who attended and arrested the Defendant. A crime reference number was obtained relating to this incident and I will be happy to provide this at the hearing when I attend. I also have a recording of conversation between the Defendant and I, where he admitted to have caused damages to my moped. The recording will be provided at the hearing.

7. A further incident occurred with the Defendant around **January 2017** whereby he came to my front door and started shouting and complaining about noise and that he was being wrongfully accused by the Police and accused myself and other tenants of being out to get him. I asked him to leave but he refused to do this so I then left my flat to stay at my friends as the Defendants behaviour had scared me. When I returned to the property a couple of days later, superglue had been inserted into the front entrance door lock preventing me from gaining access, this also caused the key to break.

8. This was reported to the council and an order was required to gain entry to my property. This was recorded under works order reference number 1814013/1.

9. Due to the erratic and abusive behaviour of this tenant I have been forced to flee my property because I feel scared and uncomfortable and I have not returned since. As a result of this I have also fallen into arrears, I am now facing homelessness.

Statement of Truth

I believe the facts in this Witness Statement are true.

Signed

Name: Mr. George Quinton

The new tenant of 113 has moved in as I can now hear him moving around, I expect my mother to be right about who she sees being the new tenant for 113.

I think he must know what has been going on to me in my flat with the past tenants as he keeps checking the floorboards still squeak and exactly were, they squeak.

Technically he has started to play with the floor boards to wind me up.

I am just going to leave it for now because I do not want to get accused of being over cautions in regards to the matter.

Si Note: --

I got woke up this morning when sleeping due to the new tenant of 113 that is located directly above my flat went into his front room and woke me up on purpose, by squeaking the lose floor board above my head to where I sleep.

I continued to beettend that he had not awoke me to listen to what he done next to me and how vindictive he actually was when questioned about what he was doing to me since he had moved in to the flat.

He seemed to be getting more upset that he had not woke me up and banged louder while also squeaking the floor board.

This went on for about 4 minutes till I heard him stamp his feet across his front room floor Right up until he left the room.

I heard him go into his hall way leading to his front door / bedroom and bathroom. Next I heard his front door open and slam shut. I thought about what this person had just done to me in my home and decided to jump up and put my clothes on and trainers before he got out of the block of flats by going down the stairs first.

In achieving this I rushed to my front door and opened it I hurried out of my front door not to miss the person who had just been attacking me.

I went outside

I went in my flat with Ambrose

I went upstairs with Ambrose

Summary!

My Heart has really started to hurt me every day, I am having an early aged mild heart attacks because of what Debra Andrews and the Matiyalagan Markandu family as well as stain Curtis and George Quinton get and got away with,

inclusively of what the police and local council members are getting away with each day by holding me hostage with no first hand witness and then on allowing my estate members to carry out their hate crime in a cover up to send me crazy or to an early death by flushing the toilet below me and bagging at me causing me sufferings and no peace also letting the named attack me when I am in the bath tub and getting undressed and this does not stop their I continue to get assaulted with the water taps getting slammed on and off causing a loud bagging sound at a fast rate and slamming object and or jumping on the floorboards above my head damaging my work studies and private family life and making me a Vulnerable person!

I have also had a lot of problems with eating because of what they keep all doing to me!

My dog has eating its paws because of what the old tent of 113 and now the new tent of 113 and also that of the tents in the addresses of 117 and 111 are getting away with I have taken pictures of the damage this is doing to us in this flat!

Summary!

My Heart has really started to hurt me every day, I am having an early aged mild heart attacks because of what Debra Andrews and the Matiyalagan Markandu family as well as stain Curtis and George Quinton get and got away with, inclusively of what the police and local council members are getting away with each day by holding me hostage with no first hand witness and then on allowing my estate members to carry out their hate crime in a cover up to send me crazy or to an early death by flushing the toilet below me and bagging at me causing me sufferings and no peace also letting the named attack me when I am in the bath tub and getting undressed and this does not stop their I continue to get assaulted with the water taps getting slammed on and off causing a loud bagging sound at a fast rate and slamming object and or jumping on the floorboards above my head damaging my work studies and private family life and making me a Vulnerable person!

I have also had a lot of problems with eating because of what they keep all doing to me!

My dog has eating its paws because of what the old tent of 113 and now the new tent of 113 and also that of the tents in the addresses of 117 and 111 are getting away with I have taken pictures of the damage this is doing to us in this flat!

Disrepair!

My disrepair issues must not keep getting put to the side and then left not to get addressed by the Enfield Council and the Enfield Homes, as continues to happen and me at my losses out of life!
