Dear Mrs Cordell

Re: Your complaint regarding the sharing of your son's information

Thank you for passing on your concerns in your conversation and initial email with Angela Hague on 30th July 2018, and subsequently with Rachel Yona on 10th August 2018. You raised some key questions relating to information governance and the sharing of information regarding your son. Please accept our sincere apologies for the delay in our response to your queries, which was due to there being a separate ongoing investigation within the Trust regarding the matters you have raised.

Your concerns have been investigated and I am now in a position to respond to your complaint. Your concerns were investigated by Rachel Yona (Enfield Adult Mental Health Community Services Manager) and involved interviews with staff and a review of your son's records. You stated that a report written by Angela Hague regarding your son, dated 15th June 2018 and 19th June 2018, had been presented in court on 26th June 2018. You stated you had not had prior access to these reports and explained that you had considered the reports and that the investigations by Angela Hague were separate processes.

Please be assured that we have looked into this matter, and I can confirm the report used in court was a response by Angela to a request for information. The Trust had communicated to the Council Legal Services that we would not be providing a report for the Court and it was recommended they commission an independent report if this were required. However, as part of the investigation, it has been highlighted that this communication was only shared verbally with the Council Legal Services, and the position of the Trust was not clarified in writing.

During our communications with the Council Legal Services, it was asked whether your son had consented to the information being shared. For this reason the information presented in court was given. Our investigation found that the information which was sent was not a limited, direct response to the question posed to the Trust; I sincerely regret therefore that information was

This is a matter we have taken very seriously; I would like to offer you our sincere apologies that your son's information was used for anything other than its intended use whilst in the hands of the

Trust, and assure you that we fully understand our role in ensuring the security and safekeeping of records relating to all of those in our care. We have completed a full internal incident investigation into this matter, and I would like to assure you that all due processes and actions have been taken in relation to this breach.

I understand that you also were concerned about the processing of your son's information by the Court and the Local Authority. We are aware your son did not give consent for his records to be used in Court, and I can confirm the Trust also did not give consent for the sharing of information by the Local Authority with the Court. Our investigation found that the London Borough of Enfield requested to know if your son had engaged in treatment. As part of the legal proceedings the Court had asked for an assessment of your son's capacity to litigate and capacity to understand the meaning of the interim injunction from January 2018. Whilst we cannot speak on behalf of the Courts, we believe that this was why they passed on the information.

I am very sorry to learn that you feel the trust between yourself, your son, and the Mental Health Services has been broken. I understand that your son is now being seen by the Enfield North Locality Team, and I sincerely hope that they will be able to help rebuild the trust and develop a good working relationship with yourself and your son.

I understand that when you discussed your concerns with Rachel Yona (Enfield Community Services Manager) you raised your view that you feel there were

inaccuracies within your son's report. Please be advised that whilst we are unable to retrospectively amend records, we are able to add additional entries to reflect your views and comments, and we would be very happy to add any information as you see fit.
