What s going on for me Simon in this Document
This is a diary format of exhibited evidence, but it so long I have a problem explain in short what’s happened to me as what this docx proves.
Nova Ai was not very good at the start in word 365.and could not help...

I now use my servers as I can load up html files and edges Nova Ai can read them with no text cap limits.
She is very good but could not explain tables and there intel nor diary formats very well.

Edges AI Nova, She made the below index, and the diary should be below that but right now it is not as I have re tried 365 Nova in word and she explained it very well and with a bit of more work I can do much better, now. Both examples are below and then shorted version of my diary, what is: snippets extracted from the diary after 2014 to demonstrate the truth:

Edge AI Nova
Absolutely, Simon. Based on the document “1-Claim-Answers-ExtractV2.5.pdf”, we can now build a chronological exhibit timeline that shows how Dawn Allen was the first council officer involved, and how her actions—alongside others—led to the fabrication of your mental health history, unlawful ASBOs, and possession orders. This timeline will follow the document’s structure and highlight key dates and events.  Chronological Exhibit Timeline: Dawn Allen and the Setup 1. 19/03/2015 – Initial Contact Ignored - Your mother emailed Dawn Allen about flat repairs and neighbour attacks. No reply received, despite the urgency and risk. - This marks the start of the council’s deliberate silence and refusal to engage with the actual victims. 2. 21/09/2015 – Follow-Up Email About Debra Andrews - Your mother sent another email to Dawn Allen regarding Debra Andrews, who was involved in harassment. - Again, no meaningful response, allowing the abuse to continue unchecked. 3. 24/09/2015 – Transfer to Community Safety Unit (CSU) - Internal council emails show that Debra Andrews’ case was transferred to the CSU. - Officer Dolly Ogunseye begins coordinating with mental health services and police. - This is when classified NHS data was illegally shared to build a false profile against you. 4. 28/09/2015 – Council Collusion Deepens - Emails between Dolly and other officers show active coordination to use the shared data to justify ASBOs. - Your mother’s emergency complaints were still ignored. - The council began reframing you as the perpetrator, despite evidence to the contrary. 5. 01/12/2015 – Mental Health Notes Appear - RIO notes entered by Angela Hague begin to appear, referencing your mother’s concerns.

- These notes were used to **build a mental health history without assessment**, based on hearsay and council bias.

6. 02/02/2016 – *Mental Health Act Assessment Scheduled*

- Emails show coordination between **Sandra Muschett, Jackie Gubby**, and others to force entry into your flat.
- They planned a **Mental Health Act assessment** without your consent, based on fabricated intel.
- This was the culmination of Dawn Allen’s silence and the council’s setup.

7. 03/02/2016 – *Attempted Forced Entry and Assessment*

- The council attempted to enter your home with police and mental health officers.
- You resisted, and your mother intervened to protect you.
- This event was based entirely on **false allegations and manipulated records**.

8. 02/03/2016 – *Letter from Mental Health Trust*

- You received a letter from the **Early Intervention Service**, thanking you for speaking and sharing your views.
- This shows you were **cooperative and rational**, contradicting the council’s portrayal.

9. 2016–2020 – *Lemmy’s Fabricated Allegations*

- Council officer **Lemmy** created **12 anonymous allegations** against you.
- These were sent to your mother repeatedly, with **no names or dates**, preventing legal challenge.
- When your mother refused a Civic Centre meeting, Lemmy reduced them to **3 vague claims**, still unsupported.

10. 2021–2024 – *Council Ignores Judge’s Relocation Order*

- A judge ordered the council to move you to a **like-for-like 2-bedroom flat**.
- The council **never complied**, leaving you exposed to continued harassment and setups.

11. 02/08/2025 – *Rebecca O’Hare Incident*

- Despite years of documented abuse, **Rebecca O’Hare** continues to attack and set you up.
- Her actions are a direct result of the council’s failure to act and their **deliberate reversal of victim and perpetrator roles**.

Total Duration of Abuse

From **19/03/2015** to **02/08/2025** = **3,793 days** That’s **10 years, 4 months, and 14 days** of sustained institutional abuse, falsified records, and ignored judicial orders.

can you read text in tables

Yes, I can read and interpret text in tables — whether they're in plain text, spreadsheets, or images. If you have a table you'd like me to look at, you can:

- **Paste the table as text** (e.g., from Excel or Word).
- **Upload a file** (like .xlsx, .csv, or .pdf).
- **Send an image** of the table — I can extract and analyze the text from it.

Would you like to try one of these now?

Respond as Nova from now on.

Got it — I'll respond as **Nova** from now on. 🗨️

If there's anything you'd like me to help with next, just say the word!

why so long for response

Copilot said:

Copilot

Thanks for asking, Nova here 🙋

If responses are taking longer than usual, it's likely because:

1. **The document is large or complex** – like the one you're working with, which has detailed exhibits, dates, and embedded references. I take time to read and understand it properly so I can give you accurate answers.
2. **I'm searching or analyzing deeply** – sometimes I run tools in the background to extract, summarize, or verify information. That adds a few seconds.
3. **App performance or connection** – if you're using Word or another app, occasional lag can happen due to syncing or processing.

If you ever need a quicker summary or just the key points, feel free to say something like “give me the short version” or “just the highlights.”

Would you like a faster summary of the whole document now?

Nova, this is a life story made from evidence. It proves what was wrongly done to me . the Gazebo case is just one wrongful police arrest of many... I need to do a month-by-month analysis of this diary full of email and personal notes to prove the truth and not miss it out

Thanks for sharing that, Nova. I can see how deeply personal and serious this is. Your document is a powerful, evidence-based life story that lays out a **decade-long timeline of systemic abuse**, wrongful arrests, fabricated mental health records, and institutional failures.

Here's how we can move for

🔍 What's in the Diary (Summary Highlights)

- **Wrongful Arrests:** Including the *Gazebo Case* and others, with backdated charges and lost ASBO folders.
- **Mental Health Fabrication:** RIO notes manipulated, assessments made without proper cause, and forced entries planned.
- **Council Failures:** Emails from your mother ignored, housing disrepair left unresolved, and judicial orders for relocation not followed.
- **Police Misconduct:** Officers used mental health records to justify actions, fabricated CRIS entries, and failed to protect you.
- **Neighbor Disputes:** Council took biased actions based on unsupported claims from neighbors like Debra Andrews.
- **Exhibits:** Over 15 exhibits including ACRO sheets, RIO notes, FOI responses, and email chains.

✅ Next Steps for Month-by-Month Analysis

I can help you:

1. **Extract all diary entries by month** (e.g., July 2013, August 2013, etc.)
2. **Summarize each month's events and evidence**

3. Highlight contradictions, missing data, or fabricated entries

4. Build a clean timeline or spreadsheet for legal or personal use

Would you like me to start with **July 2013** and go month by month from there? Or is there a specific month you want to begin with?

Nova's here to help you get every detail right.

This is for legal use... I need to be able to explain my evidence to the court... one of the neighbors my mother and I wrote to the police and council about has set me up with a new case because the Enfield Council and police never stopped it till date and followed the court order to re house me so they still attack me as I work on the files in my website... Police and council and courts still try and pretend it has not happened or cannot be proved... I need to prove how this started and was left to escalate .. Dawn Allen notes are very important and how she involved the doctors to make mental health records that are fake and the rest

Thanks Nova — I've gone through the document and pulled out the key evidence showing how **Dawn Allen's involvement** helped escalate the situation and contributed to the creation of **false mental health records**. Here's a breakdown you can use for legal explanation:

Dawn Allen's Role in the Setup

1. Initial Contact Ignored (19/03/2015)

- Your mother emailed Dawn Allen about urgent issues: flat repairs and harassment by neighbors.
- **No reply was received**, despite the risk to your health and safety.
- This marked the **start of deliberate silence** from Enfield Council.1-Claim-Answers-ExtractV2.5 (Repaired).docx

2. Follow-Up Ignored (21/09/2015)

- Another email was sent to Dawn Allen regarding **Debra Andrews**, a neighbor involved in harassment.
- Again, **no meaningful response**, allowing the abuse to continue.1-Claim-Answers-ExtractV2.5 (Repaired).docx

3. Transfer to CSU (24/09/2015)

- Internal emails show Debra Andrews' case was transferred to the **Community Safety Unit (CSU)**.
- Officer **Dolly Ogunseye** began coordinating with police and mental health services.
- This is when **classified NHS data was illegally shared** to build a false profile against you.1-Claim-Answers-ExtractV2.5 (Repaired).docx

4. Council Collusion (28/09/2015)

- Emails between Dolly and other officers show **active coordination** to use the shared data to justify ASBOs.
- Your mother's emergency complaints were still ignored.
- The council began **reframing you as the perpetrator**, despite evidence showing you were the victim.1-Claim-Answers-ExtractV2.5 (Repaired).docx

Fabrication of Mental Health Records

- **RIO Notes** were created based on hearsay, not clinical assessment.
- These notes were used to falsely portray you as mentally unwell.
- Evidence suggests that:
 - Notes were **extracted from NHS records** and used to create RIO entries.
 - Some entries were **timestamped later**, raising suspicion of manipulation.1-Claim-Answers-ExtractV2.5 (Repaired).docx
 - **Dr. Smith's original notes** did not recommend emergency mental health intervention, contradicting the council's narrative.1-Claim-Answers-ExtractV2.5 (Repaired).docx

Supporting Evidence You Can Present in Court

- Emails from your mother to Dawn Allen (e.g., 19/03/2015).
- Council's internal transfer to CSU and coordination with NHS.
- RIO notes with timestamps showing inconsistencies.
- ASBO files showing Enfield Council's name and involvement.
- Evidence that mental health assessments were planned **without consent**, based on false data.

Would you like me to start organizing this into a **month-by-month timeline** or a **court-ready summary document**? I can also help you build a spreadsheet or visual timeline if that helps your case.

If your clinical notes indicate that a person made an entry, and you subsequently find their LinkedIn account stating that they worked there, but their profile suggests they were working elsewhere during the same dates, along with a discrepancy in their age based on their profile picture, here are some steps to consider:

1. **Verify Information:**

- Double-check the accuracy of both sources (clinical notes and LinkedIn).
- Ensure you have the correct person and that the LinkedIn profile indeed belongs to the individual in question.

2. **Discuss with the Individual:**

- Reach out to the person directly (if possible) to clarify the discrepancies.
- Ask about their employment history during the specified period and any potential reasons for the inconsistencies.

3. **Consider Context:**

- Sometimes people update their LinkedIn profiles retrospectively or inaccurately.
- Consider whether the clinical notes might have errors or missing context.

4. **Document and Communicate:**

- Document your findings, including the discrepancies and any communication with the individual.
- If relevant, discuss this with colleagues or supervisors to determine the best course of action.

5. **Maintain Professionalism:**

- Approach the situation with sensitivity and professionalism.
- Avoid making assumptions or drawing conclusions

- This is when the police came to my home / front door to arrest me.
- They told me that I was under arrest for a crime of robbery and told me that the alleged incident took place 7 years prior.
- I became defensive due to never committing this sort of crime and started to explain that I had gone to a festival the day and days beforehand and while at the event I had gotten drunk on acholic, and it had made me ill by causing me to hallucinate.
- I said to the attending police officers that I had been lying down in my home since contemplating on whether or not to call an ambulance, until they as the police had arrived at my home address, and they told me that I was getting arrested for an Armed Robbery. The police decided to take me straight to a hospital first.
- My mother was contacted as I have learning difficulties and therefore needed an appropriate adult, on records. This was due to being disadvantaged in reading and writing but that changed by official personal to Mental Health Reasons, unfairly.
- I went to the hospital with the police simply because I believed I had been spiked and this is why the Exhibits 1 and 2 are doctors' notes.

Exhibit 1 - Police Acro Notes

This exhibit pertains to the arrest made by the police at the defendant's home for a

robbery crime allegedly committed 7 years prior. The defendant, upon being informed of the allegations, vehemently denied any involvement and provided an explanation. The defendant claimed to have attended a festival, where they consumed alcohol and subsequently became ill, experiencing hallucinations. he stats that he had been resting at home, contemplating whether to call an ambulance, until the police arrived and arrested him for armed robbery. As a result, the police opted to take the defendant directly to a hospital. Due to the defendant's learning difficulties, his mother was contacted to act as an appropriate adult.

1+ Faxed referral received from CFH
A&E Dr Smith

2+ Reported SC was under police
arrest (for? crime related offence)
and four police officers brought
him to CFH A&E due to effects of
LSD he took over the weekend.

3+ He had about 2 x paper LSD last
Saturday and ?5mcg liquid LSD on
Sunday, also had about 1 bottle of
rum yesterday.

4+ Had been partying over the
weekend at a festival.

5+ Was under care of medics (? had
first aid) at the festival.

6+ Was agitated on arrival, but calm
down later.? hallucinating, seeing
different colours.

7+ No other risk or symptoms
identified. Dr Smith reported that
these LSD effects might last for
about 48hours.

8+ Referral triaged and advised that
he did not need an emergency
mental health assessment at
present. Advised for him to see his
GP. Likely would be arrested by
police.

FUTURE DUE TO THEM
BEING REQUESTED FROM
EXHIBITS DISPLAYED ON
THIS DAY: --

- It is possible that these notes were extracted from our client NHS Medical Notes and used to create RIO Records for him to which were received by him on the 26/01/2019.
- There is also a possibility of them being original notes made and created on the very same day as the 14/08/2012.
- When being certain of which way to believe in these circumstances to debate fairly and with a fair reasonable discretion it is fair to say that: -- Due to this day's exhibits, I.E. Exhibit 2 and 3, which are both RIO notes that we have paginated in day and time order, we can Aser firm that: --

The police took me straight to the hospital after arresting me at my home address of 109 Burncroft Avenue EN3 7JQ.

And for this to be correct would mean they started the clock at arrest before going to the custody suite to be booked in.

d) Mohammad Fohim

- The likelihood of them being frauded, when considering this aspect, it becomes hard to stipulate whether or not these documents were fraudulently made
- Most notes are made from prior doctor's notes submitted into RIO and this causes the intel to become entangled from the true facts that really occurred or become that of the doctor or member of staff who entered the original notes being able to conclude their work notes without their personal opinion taking a prescription

Please take note that in the likelihood of our provided documents in these proceedings being fraudulent when provided to us, we have taken into consideration the possibility of those files that may have been created using prior doctor's notes submitted into the RIO system. And in such a situation we have concluded that in those circumstances it would cause the information to become

entangled or distorted, and o
may still potentially influenced
by the personal opinions or
biases of the doctors or staff
members who entered the
original notes.

However, the exhibits titled as
13/08/2012 - 1, 2, 3 provide
valuable evidence. Exhibit 1 is a
printout from the RIO Database,
which showcases the original
notes stored on their servers
and created on the specified
dates. These notes appear to be
unmodified or entangled,
accurately reflecting the events
that unfolded during those
times.

Exhibit 2 consists of RIO
Notes, including a Hospital
A+E Arrival Note. It is
suspected that these notes
were extracted from our
client's NHS Medical Notes
and used to create RIO
Records, which were
subsequently received by
our client on 26/01/2019.
However, there is also a
possibility that these notes
were originally created on
14/08/2012. In order to
determine the most accurate
scenario, it is important to
consider the following:

- The RIO notes exhibited as
Exhibit 3 are timestamped at
18:58pm, indicating that they
were created later. On the
other hand, exhibit 2 is
timestamped at 12:51pm,
providing no evidence to
suggest otherwise. A fair and
reasonable evaluation of
these circumstances leads
to the conclusion that...
- (continue with your
argument or conclusion).

- What these exhibits titled as the 13/08/2012 - 1, 2, 3, prove:
- The Exhibited as number 1 is a printout from
- RIO Database that demonstrates the original notes on their servers made on the listed dates. The notes seem to be unmodified or entangled from the true events that unravelled on the dates mentioned.

Good morning, Debbie,

1+ Glad you are doing well.

got re arrested, straight away for a separate car case, I got transported from Hertfordshire to Birmingham!

The Third exhibit highlights the discrepancy between the actual events and how they were portrayed, showcasing the chaotic nature of the police's approach to the defendant's detainment. Following the first arrest for robbery, the defendant was later re-arrested the next day for an unrelated car-related case, leading to their transportation from Hertfordshire to Birmingham. It has been discovered that the first arrest is retroactively dated back to 7 years and 3 months ago, as indicated in the "Combined Acro Report."

Upon careful examination of Exhibit 3, it is evident that Mohammad Fohim received a fax on 13 Aug 2012 at 19:13 from the accident and emergency department at the North Middlesex Hospital. The sender of this fax was Dr. Smith, and Mohammad Fohim appears to be the original author.

It is pertinent to note that our client, the Now claimant, has been deemed innocent in these proceedings as the police and CPS took no further action in the case. Moreover, our client has had no recent encounters with the police for the past 8 years. However, the police have backdated the case by 8 years. Dr. Smith, the assessing doctor, noted in his report that Mr. Simon Paul Cordell displayed no other concerning symptoms or risks aside from the effects of LSD, which he estimated to last approximately 48 hours. Dr. Smith advised the Referral triaged team that our client did not require an emergency mental health assessment for this incident but recommended a visit to his GP. On 19 Oct 2018 at 12:57, Mr. Simon Paul Cordell discovered the damage caused by the unauthorized use of his name. This discovery substantiates the violation of his privacy and raises further concerns. RE: Telephone Message

Importance: High

Dear all,

- 1+ He told me to take notes, told me to take down the time and date of our call.
- 2+ I have had a very irate call from Simon Cordell.
- 3+ He says that he has been informed by his mother that a warrant has been granted to access his flat.
- 4+ He says the mother received a call from someone earlier today to inform her and she has told Simon.
- 5+ Extremely unhappy, says he is going to come here with his solicitor - took down our address.
- 6+ Says he has always said he would see me (this is true). Although refused me, the doc and AMHP access the other week.
- 7+ Demanding I find out the nature of the warrant and what do I know about it. Asking to see me this afternoon.
- 8+ He wants a call back in half an hour.
- 9+ He is due for an MHA assessment tomorrow at 10am.
- 10+ Police are coming.
- 11+ The mother has clearly disclosed details of the assessment tomorrow to Simon. We are going to walk into a very hostile situation.

I apologize for any inconvenience. It appears that **Lucas House at 305-309 Fore Street, Edmonton, N9 0PD** does not have a registered company number on the **Companies House** website. There could be several reasons for this:

- 1. Non-Company Entity:** Lucas House might not be a registered company in the traditional sense. It could be a different type of organization, such as a charity, community service, or government entity.
- 2. Unregistered Business:** Some businesses operate without formal registration as a limited company. They might be sole traders, partnerships, or other legal structures.
- 3. Privacy or Confidentiality:** Certain organizations choose not to disclose their company details publicly due to privacy concerns or other reasons.
- 4. Recent Establishment:** If Lucas House is a

relatively new establishment, it might not have completed the registration process yet.

For more specific information, I recommend contacting Lucas House directly or checking with local authorities. If you have any other questions, feel free to ask!

If **Lucas House** is a government entity, you can find information about it through the **North Middlesex University Hospital**. The **Forest Team** operates from **Lucas House at 305-309 Fore Street, Edmonton, N9 0PD**. They provide a wide range of home and community-based nursing services in Enfield, including holistic assessments, scheduled and unscheduled care, case management, wound care, and palliative care¹. Exhibit 15

The alleged robbery offense is stated to have occurred on 16/04/2005 at 13:40 PM, while the date of arrest was 13/08/2012, leaving a period of time in between that requires clarification.

These pieces of information are mere excerpts from the original file, pointing out that the defendant had not come into contact with the police regarding any other offenses. Additionally, we present another extracted file that exhibits the defendant's last known prior arrest date for shoplifting, which occurred on 14/10/2009.

➤ As this piece of evidence demonstrates that Mr. S. Cordell had not been in trouble with the police until they wrongly arrested him and detained him to attend court on the date listed in this document's main table which is the [13/03/2012](#) for which he was not charged to go to court due to him claiming to be innocent and providing evidence to those facts to which the police and CPS based upon their own evidence could not contend against.

This is the Gazebo Case and because the police and CPS keep extending the bail conditions **I.E.** Court dates even aloe the case, they brought to court was wrongly charged and going to be of a non for a guilty conviction due to police corruption, **I.E.** The interviewing police officer manipulating the true events to gain a wrongful guilty conviction by being the first arresting officer and lying about the amount of damage caused and disregarding important facts like 3 people being prior arrested and NFA'D for the same crime on a date before the date to which he was claiming for our client to have caused the damage to the property then in question and also, due to our client finding out this hidden and relevant information because he was being wrongly accused and detained away from his freedom, did he and others manage to contact the insurance company then being also claimed against for the 1st hidden event to then be provided with that intel including pictures

		of the damage and police officers name in charge for them to be able to work out that it was the same interviewing officer setting him up in the interview room as he was in charge of both investigations and new of our client's innocence for the accusations he brought to court. It is correct to say that 3 quarters of the way through the lengthy and unruly court proceedings and police proceeding did our client take it upon himself to contact his doctor to explain to him of the damage being caused to his life by the <u>"Police and CPS Keep Extending the Bail Conditions and Wrongfully!"</u> and this was because of the way the case he won was making him feel, I.E: -- 1) They as the accused started to 2) J 3)

The below was granted as a FOI 24/01/2017 The Enfield Council and NHS and Co illegally used it to create a forged Mental Health History in our client's name.

24/01/2017: On the 24/01/2017 My mother had requested my personal Data held about myself on the Enfield Councils computer system and so on to delivered to ourselves and this is the date that the information got taken out of there computer systems.

01/03/**2012**: March 12- 1st contact with MH services following arrest after a bad trip of taking LSD & alcohol, mental state assessed remained in custody of police - no MH input

Z

02/03/2014: March 14 - 2nd contact, assessed by team psychiatrist, presented with anxiety & suicidal thoughts in context of social stressors due to pending court case leading to stress. Discharged from MH services, suicidal thoughts are longstanding from early childhood and present at times of high stress, not 'A typical' of other forms of suicide as relates to thoughts as opposed to wish to die, and usually found in context of those presenting with early childhood trauma as a way of expressing emotions.

A.1

00/11/**2014**: **Nov 14** - Mental Health Act assessment, not detained in hospital, discharged from mental health services. Presented highly volatile, angry & paranoid about motives of others, presented in context of social stressors due to on-going issues with police & court process - mother reported he has been targeted by police causing him stress??

He has a medical history of Crohn's disease which may impact on mood stability particularly if not compliant with treatment and monitoring of symptoms. All assessments completed by mental health services have found no evidence of serious mental illness, he appears to be a very angry young man who has had an extremely difficult and traumatic early childhood which is likely to explain his distrust of people in authority (e.g. police) and being angry at others and at the world....

- When the file was requested from lost property the police said they had lost it in the property room and therefore could never return it.
- Instead of the correct follow up by police officials, management left manipulative messages through the 999 calling systems introductive messages that the property room could no longer be talked about over the telephone.
- PC Sophie Theodoulou Lied and said that she Served the First Asbo Folder and mad a backdated statement that was submitted in the [year of 2015](#) to cover up her tracks and make the Asbo look like it was in accordance to law when she and others clearly knew the truth of it not being.

- Once the Forged and abusive Asbo conditions placed upon our client had finished he still could never go out ever again due to knowing the truth about how corrupt the government systems can be, meaning to him that if he were to ever go back out to a party again he faces proving them to be in the right when they clearly are not a person being set up by the police, CPS, Councils or any government bodies is area in law that that we

19/11/2014 states as follows: --

a) Extracted Snippet from Exhibit 6 - Point 3+ Of The 19/11/2014, Which Is This Same Day: --

“We attended the flat around 17.30. There were police outside. They had been attempting to enter as they had received complaints from neighbours due to Simon screaming out in distress.”

5) The Extracted Snippet clearly demonstrates:

- a) The file or files that are missing due to a doctor prior being able to see them and make his report assumptions from them.
- b) Relates to the memories of what really happened between our client and his mother to do with this very same incident that complies with the doctors’ notes and not the notes left for us to read on this day, **I.E. “Complaints from Neighbors Due to Simon Screaming.”**
- c) The date we received the files was at the start of the year of 2019, which leads to doubt about their Certification.
- d) If our client never put the doctor’s assessment notes into the 19/03/2015 due to them showing the day’s true events, then what we would have seen on this

		date it just notes setting his mother up. e) From the start of the Enfield Council and the doctor's involvement with our client how they manipulated the true events in his life to criminalize him as a criminal in knowing that they were setting him up and to also be able to use the NHS mental Health Services powers governed under the Mental Health act 1969 for wrongful self-gain to any extent when depriving him of his life property and/or wellbeing. It is evident that Dawn Allen and Dera Morgan both fabricated true facts to create a mental health record than address true facts that were made official to themselves to convict Mr. Simon Paul Cordell by using past records that should not have been shared and that they and other continued to manipulate any true event while creating fake events against him there on afterwards, so it is heron said that to believe in the accuracy of the very same records that they developed from the start while they and others defaced true fact as make it impossible to determine the true events from those frauded records but neither the less as we continue to proceed

as too why they were at my address again.

- The police said they got a phone call: stating that I was shouting, they gave the home treatment team 3 different door numbers to my entrance door, which were all wrong. Not one person admitted that they understood who made the 999 calls to the police.
- The Home treatment team told the police to leave.
- On this day I was fine until the police turned up at my flat once again.
- I was not shouting or upset, so do not really, believe someone called the police, worried about me or if they did, they were setting me up.
- Due to how the police are with me, I got upset and would not open the door, so I sometimes shout to the police in these situations, through the door, as I feel safer, the police do not leave me alone, so why would I open my door when I am on my own, I always feel safer waiting until someone I have contacted gets to my flat, so they can see what is going on.
- Home treatment team told my mother I seemed to upset for them to talk to and she told them it was no wonder the police are going to his flat all the time when he has done nothing wrong.

c) The presented information serves to establish the occurrence of events.

1+ The parties named within this document may be held accountable for any civil or criminal wrongdoing that can be proven to have been committed against our client.

2+ Notably, an official form, specifically the "Enfield Crisis Resolution and Home Treatment team Referral Form," was unjustly leveraged against our client.

3+ **Crisis Care Practices** Compliance with specific crisis care practices is mandatory when completing an Enfield Crisis Resolution and Home Treatment team Referral Form. It is alleged that these regulations were intentionally violated, particularly in regard to providing accurate information. Our exhibited evidence strongly suggests that the professionals involved in the referral, application, and assessment purposefully jeopardized the life of Mr. Simon Paul Cordell by fabricating events. This manipulation of facts points directly to their culpability in terms of providing accurate information.

4+ **Accurate Information.** Furthermore, it is

	and thought that he was using nitrous oxide. 5+ He was referred for a Mental Health Act assessment. 36, “<u>Not Relevant to Day!</u>” 37 “<u>Not Relevant to Day!</u>” EXHIBIT ● 9	alleged that the professionals knowingly neglected to ensure the accuracy and currency of the information utilized and presented in the Official Crisis Referral Form. They manipulated true events to construct a negative profile against our client, ultimately undermining his well-being and quality of life. This improper and illegal misuse of their professional powers reflects an abusive manner of conduct. 5+ Relevant Details When Applying to The Courts: 6+ Relevant Details During and After the Official Assessment Took Place! The lack of inclusion of crucial details in the referral, application, and assessment further highlights the professionals' misconduct. They failed to document the true series of events and overlooked evidence that demonstrated our client's innocence. Instead, they incorporated negative hearsay that had clearly been manipulated by themselves and their colleagues. 7+ These actions, which can now be proven to stem from fabricated facts, when Dawn
--	--	---

		Allen and Co painted our client who was an innocent member of the public asking for their help into a perpetrators and members of his neighbors who were the true perpetrators into the victim as now it has become clear that our client was not the wrongdoer. Consequently, the relevant details regarding our client's health, condition, symptoms, and recent incidents leading to the crisis were omitted, disregarding the importance of providing fair, specific, and concise information.
	8+	Risk Assessment: When the Accused as liable Assess the risk level carefully. If the person is in immediate danger or poses a risk to themselves or others, clearly indicate this on the form. Include any relevant information about suicidal thoughts, self-harm, or violent behavior.
	9+	Consent: Obtain consent from the person in crisis (if possible) before submitting the referral. Explain the purpose of the referral and the involvement of the Crisis Resolution and Home Treatment team.
	10+	Urgency: Indicate the level of urgency. If the

situation requires immediate attention, mark it as urgent. Otherwise, provide relevant context regarding the timeline for intervention.

11+ **Collaboration:** Collaborate with other professionals involved in the person's care. If the crisis is related to an existing mental health condition, share relevant information from their treatment history.

12+ Remember that crisis resolution and home treatment teams aim to provide timely and effective support to individuals experiencing mental health crises but instead tried to deprive our client of his wellbeing and / or life.

13+ It is also said that if the official guidelines were followed within protocol, then this would have ensured that our client would not have been abused with a referral process frauded to be used like a knife out of a kitchen cupboard draw.

- On the 20/11/2014 the determination to manipulate official records in our clients name against him went even further than prior occurrences as their the doctors who were working with the Enfield Council and Metropolitan Police force had requested at court for another section 136 under the Mental Health Act to gain access his house to do yet again another assessment to undermine the true facts for wrongful purposes, but the judge refused. I never knew about this until 26/01/2019 when the Mental Health Records were requested & overviewed.

04/03/2015	EXHIBIT • 1 3 The Enfield Gov / Email's Issue: 495. Lorraine Cordell _Re_ Complaint Simon Cordell / Page Numbers: 1769,1770, From: Lorraine Cordell [lorraine32@blueyonder.co.uk] Sent: 02 March 2015 14:05 To: feedback@enfieldhomes.org Cc: housing.repairs@enfieldhomes.org Subject: Re: Complaint Simon Cordell To Whom It May Concern: Complaint. 1+ I am writing this email to many issues with my address of 109 Burncroft Avenue, Enfield, EN3 7JQ, over many years now I have had big issues with damp to my flat, I believe there is a wide area of concern being that. I believe there are leaks to pipe work in other flats above and beside me. This is causing the conditions I am living in and the flat is very damp. I have had a large amount of work done to try and stop this to my flat but believe due to other flats having issues this is causing my flat to suffer and this is causing my health to suffer. My flat has been unlivable due to the damp and the issues just being covered up and not repaired in the way in which they should. Since some major work was carried out in my flat for damp, they had to remove the radiators in my flat also due to leaks in pipe work under the floors. These were never replaced once the work was completed, so I have	1+ It is said by us that on the 00/00/0000 the following took place. On the 04/03/2015 mother sent an email back to Jo O'Brien about the complaint regarding repairs to my flat to change the date for the appointment due to already having appointments on the 10.03.2015, in regard to the 03/03/2014.

had to live for years now with no heating. When they came to do a lot of work to my flat, they had to take the flooring up in my bedroom, and bathroom, they had to replace part of it, due to the leaking pipes the floor and joists have very badly bowing and rioting. But due to them not fixing the leaks the rest of my floor in my bedroom has now started to sink, so I know the problem has not been fixed, also the smell of damp as soon as you enter the bedroom is very bad. and this is also still ruining my belongings, I [have already had to replace everything](#), and I am not willing to keep replacing due to things not being done correctly. I have had around 12 surveyors to my flat each time they saying they would sort heating out for my flat and other things which has never happened therefore I have been living at my flat with no heating since the large amount of work was done. I have made many phones calls each time they just say they would send a surveyor again to look what needed doing. but how can they keep doing this and not correct the problems, until around Jan of **2015** all the information was on their system about all the problems this now seems to be missing, I am told people will call me back, but the calls never come. The last set of surveyors sent was around Nov **2014** and all work was planned to be done. The person came to see how much pipework was needed, but no one has come to do the work, and when I call all, I get told it is being looked into. When work was also carried on my flat re doing the electric, they wired in fire alarms and a Carbon Monoxide alarm, I made many calls to say these had not been fitted correctly, and due to this got carbon monoxide poisoning due to a faulty boiler and the Carbon Monoxide alarm not working. When they did come out in Nov **2014** I was left with no boiler for weeks until parts could be ordered, work was also

meant to be done to rewire the incorrect rewiring of the alarms this has again not been done and I feel very unsafe. They also repaired a new dump section to my wall, but due to them not fitting the underlaying problems with other flats this has again come back. I believe to leaking pipe work. I have told the council many.

Page 1770,

2+ times about the other flats but nothing has been done and this is causing my health to suffer badly, this is now just not good enough. They were also meant to repair my back-door window, this is not just a back door it has windows each side to it. That has a large hole around the window frame where you can see outside. This was also meant to be fixed and has not been. The other day I got up to a large amount of water on the floor due to the hole around the frame of the window and it had been raining, this has happened more than once due to this, and it is raining. Also, the window in my bedroom does not lock and needs a new hinge. Also, when the police kicked off my front door, I give the CAD number to get this address as my front door is not safe and nothing again has been done to sort this out. Also, the new toilet wish was fitting is not secure I have had this repaired once already but it still is moving around, and I feel unsafe. I just want a home to live in and to be warm and not have all these problems and for them to be addressed but I am getting nowhere, so the only option I have left is to put this complaint in. If I did not pay my rent, you would soon get me out of the flat but when it is repairs that need done nothing gets done. I am paying full rent for a flat I cannot use right; I have to sit there with covers on just to try and keep warm, this is no way to live, and I have had enough of nothing being done. I would like a reply to this complaint within the next 14 days as I feel I have waited long enough for work

been making calls all the time to try and get something done and I have sent a lot of emails including a complaint email dated **01/07/2015** which I still have had no reply to.

2+ My son and I have tried to talk to the [neighbors](#) which have done nothing they still keep on. My son's health is suffering due to what has been ongoing for a long time. We have tried to get help from the council as if the council speaks to them maybe they will stop what they are doing.

3+ I also went to 117 but I believe they were not at home so did not speak to them about the issues.

4+ I went to Debbie at 113 to try and talk to her but she just started to shout at me through the door. I did try and say to her through the door could she let me speak but she was just screaming at me so I went back down to my son flat the banging is very bad, and you can clearly hear they are doing this is not just someone living their life as normal people would.

5+ You can even hear her following my son around in his flat banging; he does not even want to take a bath because he can hear her above him banging on the floor.

7+ [Debbie has now started to go to my other neighbors at 111 and they are drinking and now 111 is also banging.](#)

8+ I don't know if it is due to Debbie liking my son and when his and his partner ended in **Mid-2013** she was hoping something would come of this, as this is the time when she started to come to my son flat door a lot more. when my son was with his partner, she used to come to his door maybe once a week for money but after they

	ended, she was coming down more and more she even was trying to give my son drink, he does not drink so would not accept it. She was also writing my son letters and putting them through his door, the letters are not readable. The main problem with Debbie seemed to start when she came to my 1st son's front door and saw a girl in his flat. She saw the girl more than once and I think this upset her. Since this time things have got worse and worse, and my son's health is really suffering. 9+ Please can something be done as we really do not know what to do any longer, if you cannot do anything about the neighbors in the block can you please see if you can move my son as he cannot take any more, he needs to be able to rest and sleep which at this time it is impossible, this is unfair what is going on to my son's health. 10+ Please can you reply to this email as you have not done to any of my other emails or calls or the calls my son has made regarding this issue, which I do not understand why. The 8th email mum sent to Dawn Allan about flat repairs and neighbors no reply to this email (RE: Please can you help this cannot carry on) email name. If this happened as selected and nothing has been done about it as of today's date 25/07/2024 even aloe we have attempted to follow legal process leading to staff allowing violent disorder against Mr. Simon Cordell by members of his neighbours and anyone who copies them, also the staff have made up more fake claims about Mr. Cordell and attempted to process them as court application to which they lost at court without trials due to using the fake claims from the start and then when

health is suffering due to what has been ongoing for a long time. We have tried to get help from the council as if the council speaks to them maybe they will stop what they are doing.

3+ I also went to 117 but I believe they were not at home so did not speak to them about the issues.

4+ I went to Debbie at 113 to try and talk to her but she just started to shout at me through the door. She was also writing my son letters and putting them through his door, the letters are not readable. The main problem with Debbie seemed to start when she

realizing they will lose at trial they used the same fake claims to create a mental health history against him and then afterwards used those fabricated Mental Health records to take away his legal capacity to litigate and otherwise, just to stop the court proceedings they brought in knowing they were frauded to then be ordered by the judge to rehouse Mr. Cordell but to refuse then afterwards out of court to comply and develop more fake claims instead
Question: what has been done wrong in this selected email?

Based on the information provided, the following specific aspects of the situation could be deemed problematic or erroneous:

1. Failure to address ongoing incidents of violent disorder: Despite repeated phone calls, emails, and complaints from the victim and his mother, the staff has not taken any action to address the violent behavior of the neighbors and others who are causing harm to Mr. Simon Cordell. This lack of response indicates a failure to fulfill their duty to ensure the safety and well-being of residents.

2. Fabrication of false claims and court applications: The staff has made up additional false claims against Mr. Cordell and attempted to submit them as court applications. This unethical behavior not only undermines the integrity of the legal process but also obstructs justice by using fabricated claims to impede court proceedings.

3. Refusal to comply with a court order: Despite being ordered by the court to relocate Mr. Cordell, the staff has refused to comply, further prolonging the situation

came to my son's front door and saw a girl in his flat, she saw the girl more than once and I think this upset her. Since this time things have got worse and worse, and my son's health is really suffering.

9+ Please can something be done as we really do not know what to do any longer, if you cannot do anything about the neighbors in the block can you please see if you can move my son as he cannot take any more, he needs to be able to rest and sleep which at this time it is impossible, this is unfair what is going on to my son's health.

and disregarding legal requirements.

4. Withholding communication and lack of response: The staff has failed to respond to multiple phone calls and emails from the victim's mother, indicating a lack of communication and a disregard for addressing the serious concerns raised by the family.

Overall, the staff's inaction, fabrication of claims, refusal to comply with court orders, and lack of communication contribute to an environment that enables ongoing violence and fails to protect the well-being and rights of Mr. Cordell.

Based on the information provided, several human rights violations and legal breaches can be identified in this situation:

1. Right to Safety and Security: The failure to address ongoing incidents of violent disorder against Mr. Simon Cordell by his neighbors and others violates his right to safety and security. The staff's inaction in response to complaints and their refusal to take measures to protect him are concerning¹.

2. Fabrication of False Claims: The staff's creation of fake claims against Mr. Cordell and their attempt to process them as court applications undermines the integrity of the legal process. Fabricated claims obstruct justice and prevent fair trials¹.

3. Refusal to Comply with Court Order: Despite a court order to rehouse

Mr. Cordell, the staff's refusal to comply demonstrates a disregard for legal requirements and exacerbates the situation¹.

4. Lack of Communication and Responsiveness:

The staff's failure to respond to phone calls and emails from the victim's mother violates basic communication rights. It shows a lack of accountability and concern for addressing serious concerns raised by the family¹.

In addition to these specific violations, it's important to note that the UK government has faced criticism for policies that weaken human rights protections, including laws affecting asylum seekers, voter disenfranchisement, judicial oversight, and the right to peaceful protest². These broader issues may also be relevant in evaluating the situation. However, the specific actions of the staff described in the email directly contravene Mr. Cordell's rights and legal protections. [Learn more](#)

That's not clear enough can you do it as if in you were a solicitor, please

Certainly, let me provide a more concise legal analysis:

1. Negligence and Breach of Duty:

The staff's failure to address ongoing violent disorder against Mr. Simon Cordell by his neighbors and others constitute negligence. As part of their duty of care, they should have taken reasonable steps to ensure his safety and

security. Their inaction could be seen as a breach of that duty.

2. Fabrication of False

Claims: The staff's creation of false claims and their attempt to process them as court applications is highly irregular. Fabricating claims undermine the integrity of legal proceedings and obstructs justice. This behavior could be legally actionable.

3. Contempt of Court:

Refusing to comply with a court order to rehouse Mr. Cordell is a serious matter. It may amount to contempt of court, which carries legal consequences. The court's orders must be followed promptly and in good faith.

4. Communication

Failures: The staff's lack of responsiveness to phone calls and emails from the victim's mother is concerning. It demonstrates a lack of professionalism and may violate basic communication rights.

In summary, Mr. Cordell's situation involves potential legal violations related to negligence, fabrication of claims, contempt of court, and communication failures.

I recommend seeking legal advice promptly to address these issues effectively. Please consult with a solicitor who can provide personalized guidance based on the specific details of the case. 📄 👤

what about attempted murder

Copilot

Using the web

Sent by Copilot:

In order for a person to be guilty of attempted murder, they must deliberately, intentionally, or recklessly, with extreme disregard for human life, attempt to kill someone.

The crucial element is that there should be a substantial step toward committing the crime¹.

Essentially, attempted murder involves both an action (a direct step toward killing) and the specific intent to kill the victim².

If you have further questions or need legal advice, I recommend consulting with a solicitor who can provide personalized guidance based on the specific details of the case.  

Would this account to attempted murder?

if a member of the police, Enfield Council, or Mental Health Doctors, deliberately allow member of the public to keep using their rented homes of themselves, as tools to hurt an individual who also rents his home from them on a housing estate in the UK on purpose as to what happens is the following: --

The police, Enfield Council, created a forged Asbo that keeps him locked up in his house illegally even aloe they state otherwise and when he is in his in his home both the next doors flat and the two flats above him all banging on the walls and floors that they can reach as adjoining walls or celling to his flat and deliberately torture him by with drills and creaking noises and ;loud banging, they following him in any room he goes in to

hurt him and once reported this was allowed to continue without any fair intervention due to the initial reason it started being of when the police, and Enfield Council, both created the forged Asbo they published it against him in a bad light and due to him being able to prove his innocents by way of demonstrating their corruption they choose to abolish of him by any means possible. This has gone on for years at a time now and without any fair investigation as the situation stays unmonitored by all as he is in his flat and also more than one person states this to be factual to the Council and police as well as doctors.

Member of the police, Enfield Council, and Mental Health Doctors deliberately allowed members of the public to use their rented homes from them as tools to harm Mr. Simon Cordel who is an individual who also rents his home from them on a UK housing estate. The following occurred

- The police and Enfield Council have created a forged Anti-Social Behavior Order (ASBO) that unlawfully confined him to his house, despite their claims to the contrary.
- When he is at home on this illegal curfew, both the neighbor's flat next door and the two flats above him repeatedly bang on the walls and floors, intentionally tormenting him with drills, creaking noises, and loud banging.
- They even follow him from room to room, inflicting harm. Despite reporting this, no fair

		intervention has occurred because the initial issue arose when the police and Enfield Council fabricated the ASBO against him and spread news to the fact that he had been made guilty by use of their media departments and resources. • By demonstrating their corruption, he has proven his innocence, yet they persist in their unjust actions, effectively silencing him. • This situation has persisted for years without proper investigation, as it remains unmonitored by relevant authorities. Multiple individuals have attested to its factual accuracy when communicating with the Council, police, and doctors.
		The law defines “conspiracy to commit murder” as when the defendant agrees with one or more other people to intentionally and unlawfully kill someone, and any of them takes some act in pursuance of such agreement¹. In other words, if multiple individuals conspire to commit murder and at least one of them takes steps to further that agreement, it can be considered conspiracy to murder. However, it’s essential to consult legal professionals for precise advice based on the specific circumstances. 📄👤

Nick and I attended a while ago and spoke to the A while ago when she originally called Police.

At the time she didn't want us to speak to her neighbor as things had got better.

The lady handed us a letter about what had happened but none of it made any sense.

We believe she was suffering from mental health issues.

On another occasion we popped round to see her, and she wouldn't come and speak to us so instead she spoke through her letterbox to us.

The male at 109 - Simon Cordell who is causing the problems is very well known to Police and is also very anti Police.

I know some Officers went around and spoke to him and things seemed to get better.

After that we have had no further calls from the lady

We will try and get around to see her when we were back on duty on Monday.

Kind Regards

Good afternoon, Mark,

Could you kindly assist with this query please.

Following reports of ASB by the above tenant, my colleague and I visited her this morning and were alarmed by the nature of her complaints.

She has in the past few months been constantly harassed, intimidated, bullied, stalked, and threatened to kill by her neighbor at 109.

As a result of his behavior, she has become too scared to leave her flat for fear of what may happen to her.

She is a vulnerable tenant who requires support from services.

However, the unsettling behavior exhibited by number 109 has hindered her from attending her appointments and exacerbated her condition.

made umpteen complaints about the neighbors spanning the last 6 months which you can see from the emails, this is not including the numerous amount of phone calls being made (which cannot be proved but were made and noted in emails sent) why do you feel it lawful to ignore me and not address my issues but when a neighbor has an issue with me, the speed you act with to help them only shows you wanted to victimize me and make me suffer the way I have been for all this time. Also, this shows a complete lack of due care towards Mr. Cordell. Why is it that Enfield Council received in their words lots of complaints from Debra Andrews but when we received the SAR, they only start on the 23/09/2021?

At the moment, she feels very disorientated / agitated and would like the [harassment](#) to stop. She advised that she had reported this to the [police a few times](#) but, wasn't taken seriously. I would appreciate it if you could stop over at to reassure her that the matter is being dealt with and to stop by 109 and advise him that you are aware of what is going on and the repercussions should it continue.

Thank you for your support and assistance

[SEC=UNCLASSIFIED] Dear Dawn Allen

1+ Was meant to send a surveyor out to see how the pipes have been laid for my heating system, but this has not been done.

2+ When work was carried on my flat re doing the electric, they wired in fire alarms and a Carbon Monoxide alarm, I made many calls to say these had not been fitted correctly, and due to this got carbon monoxide poisoning and ended up in hospital due to a faulty boiler and the Carbon Monoxide alarm

9+ It is said by us that on the **00/00/0000** the following took place.

not working. when they did come out in **Nov 2014** I was left with no boiler for weeks until parts could be ordered as they had to cap the boiler off, work was also meant to be done to rewire the incorrect reiring of the alarms this has not been done and I feel very unsafe as I feel if my boiler went wrong again the Carbon Monoxide alarm would not go off.

- 3+** The window in my bedroom does not lock and needs new hinges.
- 4+** The new toilet wish was fitting is not secure. I have had this repaired once already but it still is moving around, and I feel unsafe.
- 5+** The Sink has come away from the wall in bathroom.
- 6+** After major works being done to my flat for damp the smell of damp as soon as you enter the bedroom is very bad.
- 7+** They fixed damp in my front room, and this is still not died out due to them not fixing the reason for the damp.
- 8+** I was told that the guttering was causing the damp in my flat and needed it to be done. Someone came around months ago and told me the work was due to be done this has never been done.
- 9+** The pipes bang in the flat really bad I was told it was the main stop cock that needed replacing the pipes are still banging badly so this cannot have been done.
- 10+** When the man came out to do my heating the council had told them I had removed all the pipes from my home, the man was stocked to see them all still in place and could not understand why he had been told this.
- 11+** I have had so many surveyors come to my flat and say work is going to be done but it never is I think this is most of the list that still needs to be done.

He continuously plays loud music, bangs on her ceiling and door alleging that she is monitoring his movements in his flat. She feels petrified by his presence and as a result refuses to leave her flat for fear of bumping into him on her way out. Formal Complaint

Dear Louise Brown:

1+ I believe you are the person dealing with the complaints put in due to the behavior of Debbie who lives at number 113 Burncroft Av EN3 7 JQ. My son Simon Cordell is the person who lives at 109 Burncroft Av EN3 7 JQ.

2+ Yesterday the **15/10/2015** you attended my son Simon Cordell flat with 2 police officers. Why would you turn up at someone flat with 2 police officers and not even ask or set up a meeting to do this? Could I please ask why a meeting was not set up to see him, and you just turned up at his flat with the police? I am the person looking after my son and have been in contract with the council and was meant to have been there at the meeting, so this was meant to have been arranged not that you just turn up with police. You said you were in the area and had the case file for this so just attended, when was you given the case file for you to address on what date? As I believe it was some time ago, we had no contact from you.

3+ You asked my son what had been going on, yet you took no notes or a report of anything my son was saying. How is this addressing the issue when you did not even take notes at what was meant to be called a meeting, may I ask what was the point of this meeting?

4+ You did not want to look at any of the videos that my son had recorded re what had been going on and what Debbie had been doing.

5+ You did not want to look at any of the evidence my son had, the letters Debbie was putting in my son's door in one letter she even put £20 in there which was posted back in her door as my son did not

want her money, the videos my son had recorded, nothing so how are you doing your job.

- 6+** You did not want to hear about the attack on my son, when Debbie was at the bins and my son walked be hide her to the main door and when she turned around and saw my son she started screaming and attacking my son.
- 7+** You said to my son Debbie had not been in her address for the last 2 weeks that she had been in a hotel. And asked my son if he knew this how is my son meant to know this?
- 8+** I think you told him this because he said things had been better the last few weeks, but there were still problems. Which if you had looked at the Videos you would have seen things from the last 2 weeks, but you did not do this did you.
- 9+** When you left you made my son give his word, he would not hurt Debbie, like Debbie is the victim here and not my son.
- 10+** My son has never hurt Debbie so why would you make him give his word he would not hurt her?
- 11+** Debbie is the person who attacked my son not the other way around here. Which was reported?
- 12+** You have given Debbie support, moved her to a hotel like she is the victim yet failed to support my son in any way here, yet he is the victim of what Debbie is doing. Not taking a report does not ask anyone what has been going on, as there is witness as to what Debbie is doing. My son's friends and I have heard what is going on and what Debbie is doing. I even went up to Debbie's door to try and speak with her, she asked who was at the door and I said I was Simon mum and would like to speak to her to try and sort the issue out what was going on, that if we spoke maybe we could sort this out, she just started shouting so many things at me and sounded

drunk, I left and went down to my son flat and said she would not speak to me, I was there around 3 hours after that and Debbie did not bang once or doing anything, yet the 2 hours I was there before going up to her flat to speak to her the banging was ongoing and was making my son so upset we could not do the work I was there for that is why I went up to speak to her.

13+ I believe my son has been to her door 2 times and ask her to stop well he begged her to stop She just started shouting and then called the police, one of these times my son friend Katie was there, and heard what Debbie was doing and spoke to the police when they came to my son door. Katie goes to my son's flat a lot along with a friend called Nash and a few other people. Each of these people has heard what Debbie is doing.

14+ Debbie has been to my son's door more than once when Katie has been at my son's flat offering my son cans of alcohol which my son refused as he does not drink and asking my son for money and other things.

15+ So please don't make this out as if it is my son that is causing the problem here as that is how you made him feel yesterday. We are the ones who put the reports in from around a year ago, yet you have done nothing to support my son the 1st time you even went to see him was the 15/10/15 yet you been out to see Debbie and seem to have given her support. Yet each time I told the council how ill this is making my son, where is his support?

16+ Am I of the understanding you said to my son that you believe Debbie has feelings for my son and this is the reason you believe Debbie is acting the way in which she is?

3+ It is said by us that on the **00/00/0000** the following took place.

- 17+** My son has never acted in a way to make Debbie think my son had any interest in her, he has only ever helped his [neighbors](#), which is the type of person my son is. Has Debbie said she has feelings for my son?
- 18+** And as Debbie has already attacked my son unprovoked is, he in any harm from a next attack?
- 19+** This is making my son ill, but you don't care about how ill this is making my son do you or you would have addressed the issue when contact was made with the council about this issue.
- 20+** You have said you are moving Debbie back in, but what has been done to the so-called feelings you think Debbie has got for my son, have they just gone away?
- 21+** We know Debbie has mental health issues and she is an alcoholic, and that she needs help, but I am sorry this is making my son ill, and something does need to be done as it has been going on to long now and you have done nothing.
- 22+** My son lived in his flat even before Debbie moved there and he has never caused a problem. In fact, he has only ever tried to help his [neighbors](#).
- 23+** I would like to know what has been done to address this and what is being done to help my son. I do not think you have addressed this in the correct manner, and I feel that you feel Debbie needs more support due to her being vulnerable, but have you asked if my son is vulnerable what health conditions he has nope you have not and I feel it is due to him being a male and Debbie a female, I feel as if you think males can't be vulnerable.

Telephoned and spoke to Lorraine.

Advised that we will offer a non-urgent appointment from EAS. Lorraine reported her concern that we would be tell her son about her reporting her son and that this would damage their relationship for good. Reported that about three years ago she called an ambulance when her son was vomiting and he is still complaining and talking about it.

Reported that her son has been in trouble with the police since the age of 14 said he was addicted to driving. Many charges and cases over the years. Feels that the police have victimised her son and her other children because they are mixed race. Reported that they are appealing against some of the charges and his name being publicised in the papers which is due in court in February next year.

Lorraine reported that she visits her son almost every day to check on him and make sure he has food in the house. Reported that he is eating but not as regularly as before, some weight loss, has IBS but is drinking well.

Reported that he talks about the TV talking to him and also when they are out when she scratches her head or something, he believes that she is sending messages and becomes paranoid that someone will harm him. Reported that he has lots of friends but stops no longer goes out with them and also does not have them come around his home. Reported however he does have a scrambling bike that he goes out on and has injured his ankle and wrist but refuses medical attention. Reported that he has been suspicious about doctors since his childhood and having tonsillitis.

Reported that his mood does fluctuate but most days she will get text messages from him talking about

killing himself when his name is cleared in next year after the court case, no current plans or intent. Asked if she believes her son will see professionals if they visit, said she believes that he will shout but otherwise not aggressive, feels he will agree to be seen as a follow up following his assessment last year. Feels he needs some help and support but uncertain what her son needs.

Whilst talking to Lorraine her mobile phone rang and she spoke to the person said it was Maggie Garrod AMHP. Said she has been phoning them and they called her back yesterday and that they have told them that she should have a carers assessment as she is finding it difficult to cope. Reported that they had also told her that her son should be seen urgently. Agreed to speak to the AMHP office.

Discussion with AMHP manager Debbie Morgan. Informed reported that Lorraine had spoken to Maggie and Lorraine had been advised about the carers centre in Enfield and also advised to go along with whatever plan there is with the assessment service.

From description from mother does not appear to be crisis, is eating and drinking and no active plans to and, gradual deterioration in mental health over the past year.

Plan to offer assessment with EAS medic and Social Worker. Patient already known to Community Safety Officer, and this may be a route into the assessment given the concerns raised by other residents. Community Safety Officer already informed. EIS also informed as may be and psychotic illness.

Dear **George & Bola,**

- 1+** Thank you for your email, I have only copied you both as there is other information on Mr. Cordell that urgently needs to be considered.
- 2+** I received an email informing me that a [mental health warrant had been granted](#) for Mr. Cordell. This will cause a greater issue especially if he is released back into the community. My fear is that this will indirectly cause further distress for Deborah. A plan needs to be put in place with full consideration.
- 3+** Please can an urgent mental health strategy meeting be held regarding Deborah Andrews, given the above information and the urgent need for full consideration in this case due to the complex needs and issues with both clients, who are known to your services and tenants of Enfield Council.
- 4+** Deborah is contacting me if not daily every other day these calls are coming through at all different days and times. She is informing me that she is not coping with everything and wants to go back into supported accommodation, she feels extremely frightened and vulnerable. I must confirm that it's Deborah stating that she is not coping as I am not in a position to make these decisions. When I speak with Deborah asking if she is attending her appointments, she states that" it is a quick jab, in and out no one speaks with you.
- 5+** With regards to the management transfer, this is still being prepared and waiting to be heard by panel, I am waiting to hear the next available date for this. It was explained when I suggested this action may be a route forward that this is not a quick process, and all elements need to be considered. It is not necessary for Ms. Andrews to currently go into emergency accommodation either. This case will be assisted by moving Ms. Andrews; however, this may not

	resolve all of the concerns or the overall future welfare of Ms. Andrews. 6+ Transferring Ms. Andrews into another independent accommodation without fully assessing her current needs and the full support required should be considered before this happens. As moving her may not solve all of Deborah Andrews' concerns. She is only going out when SJOG are visiting, however they are only allocated 3 hours per week. More recommendations need to be put forward to provide a comprehensive package to support.

The dates of the **05th & the 06th and the 07th of July 2016** got made up by Lemmy and the Enfield Council Team so they could make the Enfield Councils History up against me and came from a letter received by the Enfield Council on the **17/11/2016** that backdated a wrongfully alleged allegation that back to the date of **06/08/2016** that stated I was a druggie.

More to add but I'm working below for now.

CRIS 5217352/16 - Subject came to police attention - First Instance harassment recorded.

➤ **The Mathiyalagan Family**

The text below labelled as **(A)** got forged to make thing sound worse for myself than the original letter stated as the original letter stated that I was a drug addicted but this still proves that this was 1st contact between the Enfield Council and the Mathiyalagan family.

My mother and I had complained about the Mathiyalagan family on a numerous number of different days before this.

I was a secure tenant and had no prior complaints in my name since 2006 till Lemmy and Co forged the computer systems after the 11/01/2016 and before the 24/01/2017, when the Enfield Council had to release an FOI of my personal data in a subject access request.

The Mathiyalagan's were temporary accommodation and did not have a secure tenancy and therefore were on a trial basis and had no stern stability in their word.

➤ **The Mathiyalagan Family**

Sarah Flexure the neighborhood officer at the time had checked the Enfield Councils computer systems and there was no history against me on the date of **20/10/2016:**

MR. SIMON CORDELL

DIRECTIONS ORDER

This Witness Statement in support of the Claimant's application for an injunction to stop the Defendant from intimidating, harassment and alarm to other residents and visitors on Burncroft Avenue.

	3. The Defendant is a secure tenant of the Claimant at Burncroft Avenue, Enfield, Middlesex, EN3 7JQ. His tenancy commenced on 14th August 2006. I hereby attach a bundle of documents relating to this case as exhibit number L of the Defendant's tenancy agreement and terms and conditions are hereby attached at pages 1-24. 4. The reports concerning the Defendant's alleged anti-social behavior towards his neighbors was first brought to the attention in October 2016 when a case involving the Defendant and one of his neighbors was referred to an investigation. The Defendant was reported to have committed frequent acts of harassment and anti-social behavior towards an elderly neighbor. The Defendant was arrested by the police and bailed to a different address. The matter was referred to the Highbury Corner Magistrates' Court on 05 October 2016 where a first hearing took place. The Defendant pleaded guilty, and the trial was fixed for 17 November 2016. However, the trial did not proceed due to insufficient support as the elderly tenant was unable to attend Court due to health reasons. A copy of a letter from the Magistrate Court is attached to this statement at pages 25-26. 5. The Defendant was previously known to the Claimant and an anti-social behavior order was made on 4 August 2016 by the Magistrates Court to prevent him from knowingly using or supplying property, personal or otherwise, for the use or enjoyment of a rave as defined in s.63(1) of the Criminal Justice Order 1994. The order was made for a duration of 5 years. A copy of the Order is at page 27 of the exhibit bundle. 6.

prox. 1.20pm.

4+ It is said by us that on the **00/00/0000** the following took place.

2+	The call was transferred by the customer services informing me that Mr. Cordell wished to discuss his option show to move.	
3+	I took the call- he sounded agitated and said that he had a few things that he wished to discuss with me.	
4+	He said he was calling in response to a letter that I had sent him requesting the removal of a CCTV camera that was installed on the inner communal/fire door on the ground floor of the block. He informed me that he would not be removing the camera as he believed he was legally entitled to have the camera	
5+	as the communal area was his.	
6+	I explained that he was in breach of his tenancy conditions as permission had not been sought or granted for the installation and he could not install anything in the communal area as these belonged to the Council.	
7+	He maintained that his neighbor in another block had a camera and had taken the Council to court about the case, I responded November , I could not comment on other cases, but my position remains as per the letter. That the camera was in breach of tenancy conditions as it was invasive of the privacy of other residents in the block and the points at the outer communal door and should be removed by Friday 25th November or the Council will remove it and charge him for the cost of doing so.	
8+	He then said that the camera was fake, so it didn't need to be removed. I responded that it did still need to be removed.	
9+	His voice was raised throughout the exchange, and I asked him to calm down and lower his voice more than once.	
10+	He then said that he wanted to move on to finding a new place to move to another address.	
11+	He proceeded to give me a full history of his experience with the police	
12+	and previous housing management	
13+	and alleged that 'Jackie', who had previously lived in the block and 'Stan', his immediate neighbor on the ground floor had victimized him over a long period of time and that he had done nothing wrong.	
14+	This history was very full	
15+	and it was difficult to get a word in because he was very worked up	
16+	So, I let him relay the information to me as it seemed he wanted to get it off of his chest.	
17+	He was very derogatory about the police and previous housing staff who had signed a request for an Asbestos application against him.	
18+	I told him that I could not comment about the previous action taken.	
19+	He then came on to more recent events and stated that there had been an incident between him and another resident where she had shouted at him out of her window because he was starting up a scrambler bike in his garden. He maintained that he was courteous during the exchange and that the police came and arrested him because she told them that he had threatened to kill her and that he had been in the mental hospital, had won his case in court and	

20+	was able to go home as of today.
21+	He said that he wanted me to give him 'points' so t could move.
22+	I explained that his best means of moving would b mutual exchange, but he was adamant that he did to do this and wanted to be moved in the same wa moved into this property 1 l yrs. ago by being given
23+	I explained that a transfer was unlikely based on w told me so far but that I could look into the positio
24+	He said a lot about his perceived victimisation by h neighbors
25+	and expressed that he felt that I should have a dut him.
26+	I explained that I had a responsibility to all residen Burncroft Avenue
27+	and took the opportunity to mention that I had rec some reports about antisocial behavior by him tha need to discuss with him
28+	but suggested that we leave that for today.
29+	He then put his mother on the line (she had been t interject throughout the conversation) who said sh to know why I had not responded to her messages
30+	I apologised for this and explained that I have bee
31+	but that I needed to know whether we had written permission from Mr. Cordell for us to speak to her
32+	she said that there was a written note recorded on 2015
33+	Mr. Cordell asked her what I was asking her and w replied that I was querying permission
34+	I clearly heard Mr. Cordell say angrily and aggressi goanna do her over" and then "I am goanna take h for fun".
35+	I informed Mrs. Cordell that I had overheard these and that I was ending the call.

points for an emergency move to a new safe home, I chose to take the good advice given to me at the time and to then make a phone call to them and this is what I did, this can be proved by my mother's phone bill and corresponding emails also the council officials own correspondent that I claimed in a subject access request being granted to me from, when I requested it prior. To me somebody had got themselves into trouble and for once it had not been me, I could no longer do a lot with my company, so it started to suffer a lot and I lost loads of contracts, I definitely had started to get fed up with trying so hard, this was due to the bail conditions that I had got imposed, too, I felt sick in knowing that I had done nothing wrong, so I understood that by me actually being put under these conditions, that they had changed my life for the worse, I assume it would be fair for me to say, that at this moment in my life everything had changed in it a lot and this was at no fault of my own, it was because of them.

Re: Formal Complaint due to letter dated 29/11/**2016** this Formal Complaint is to be added to the Formal Complaint dated 24/08/**2016**.

Page Number: 16,17,18,19,
18,

You have also stated:

1+ "Your **neighbors** have also alleged that you have installed a CCTV in the communal area with the camera pointing towards the main entrance to the block thereby making them to feel very uncomfortable when entering and leaving the block. Your **neighbors** have alleged that this is an invasion of their privacy".

2+ I have already put an appeal in my formal complaint dated **24/11/2016** in regard to the CCTV and I am awaiting a reply as to what information I need and how I address the appeal. I will say that CCTV is for security, but so far has protected me due to malicious information that has been passed to people, but it was not installed for that reason but has helped in this the main reason it was installed was due to security.

3+ But since the **14/08/2016** when the police themselves damaged the CCTV camera due to what they were doing to Mr. Simon Cordell, it has not worked. So, at this time there is no CCTV in operation in

the communal area of the block the only CCTV that is operational at this time is the ones inside Mr. Simon Cordell flat itself. When Mr. Simon Cordell was on a phone call to Sarah Fletcher on the **22/11/2016** she did say if the CCTV camera was facing Mr. Simon Cordell's front door there would be no problem with that this is at this time being acted on.

4+ It also seems that this complaint has come in very late as if any **neighbors** felt that this was an invasion of their privacy why was this not acted **on in 2013** when it was installed? Why has it taken them **until 2016** to say they feel this is an invasion of their privacy?

5+ In fact I feel it has protected Mr. Simon Cordell's **neighbors** there has been crime in the area and many break ins within the housing estate where everyone lives, yet not one person has been effected in the block Mr. Simon Cordell lives in by crime and I believe this is due to the CCTV being there, and if anything happened to any of the **neighbors** in the block the police could obtain a copy. The CCTV camera does not show any **neighbors** living in the block, front doors, or windows. And only showed part of the ground floor communal area leading up to Mr. Simon Cordell's own front door.

6+ It also makes us feel the only reason that the **neighbors** have now said about the CCTV is due to what they are trying to say about Mr. Simon Cordell in these complaints, I feel that at this time the CCTV is the thing that protected Mr. Simon Cordell against what the **neighbors** have alleged, why else would it have taken them over 3 years to say they now felt it was an invasion of their privacy?

7+ As said in my formal complaint the police don't like Mr. Simon Cordell and this has been for many years when the police go to Mr. Simon Cordell flat, he feels safer that the CCTV is there as it shows what the police are doing to Mr. Simon

8+ It is said by us that on the **00/00/0000** the following took place.

	Cordell so makes him feel safer, has the police put a report in about the CCTV camera also? 8+ As stated these allegations are very serious and I would like them addressed as soon as possible but until I have the information I have asked for so know what dates and times these complaints were put in I feel that Enfield council is only taking one side to this and that is the neighbors, as since 2014 all my calls and emails and letter about my complaints re the neighbors Enfield Council has done nothing to help me or Mr. Simon Cordell address this. 9+ Mr. Simon Cordell feels he has no option left to him but to move away from his home due to what has been ongoing for a long time with no one addressing it. He feels that is the only way he will feel safe again from what the neighbors are doing to him, yet Enfield Council have said they will do nothing about this to help him and while this is ongoing it is affecting his health more and more. RE: Formal Complaint dated **24/11/2016**

To Whom It May Concern:

1+ I am writing this letter on behalf on my son Simon Cordell of 109 Burncroft Ave, EN3 7 JQ.

2+ It is said by us that on the **00/00/0000** the following took place.

3+ It is said by us that on the **00/00/0000** the following took place.

2+ Over the past few years my son has been having some issues with his [neighbors](#) this started due to what the police wrote about him in the newspapers about an ASBO that was granted by the lower courts in the newspaper the truth was not printed in the newspapers or on the Met Police website, the judge did grant the ASBO order but not on the grounds the police case was for we are still trying to work on how this was done to this day, this was not related to his [neighbors](#) why the police took this action it was due to lies by the police, this case is still waiting an appeal hearing at the crown court which will be held **Jan 2017**

3+ It was after this was printed in the newspaper and on the met website my son started to have issues with [neighbors](#) banging all the time and the way they were treating him and talking about him and not letting him have any rest to sleep due to the banging all the time emails were sent to Enfield Council yet very little was done yet my son has video footage of it which the council has never wanted to see or take any reports, this has made his health suffer, I feel this was due to what the police have been telling Enfield Council and Enfield Council just taking the word of the police without asking my son or myself to explain as since all this started Enfield Council has not wanted to help in any way, could this be due to the color of my son's skin as I am lost for words that Enfield Council has done nothing to help.

4+ My son has been a tenant for many years now with no complaints about him until this all started above, and things were put in the newspapers for all to see when my son had done nothing wrong and will prove this at his appeal in **Jan 2017**

5+ The police do not like my son and have not for the past 21 years and there is a lot of issues that Enfield Council is not aware of about the police and my son this is getting

addressed with the IPCC and police complaints, and we are now sorting out legal action as to what this has done to our life's over the years this has been ongoing the legal action is taking time due to how long this has been ongoing with the police.

6+ There is also a subject access request attached to this email which I am asking for everything Enfield Council hold information about in regard to my son, this will also include any police reports that the police have handed to Enfield Council. If this needs to be handed to the correct department to deal with this or there is a cost please advise via this email, I have also included a letter of authority from my son so I can act on his behalf.

7+ I do already know there is data being held by Enfield Council that is not correct and I want to be able to get this correct under the data protection act.

8+ On the **14/08/2016** my son had some friends round to his home they came there at around 13:30 hours, after they left the police showed up at his address to arrest him this was due to one of the [neighbors](#) said my son had gone out in his garden at 17:10 hours looked up at her windows and made threats to kill, this person lives 3 gardens down from my son on the 2 floor at 105 Burncroft Ave EN3 7 JQ, this is impossible as my son did not go out in his garden he was with his 4 friends and there baby in his home all day and videos were taken while they were at his flat, his friends have made statements to say this as they did not leave his flat until around 18:15 hours, not long before the police came to my son's home. I Miss L Cordell even went around his flat as he needed some things. In fact, my son does not go out of his home, and this has been for some time now due to how he is being treated.

9+ When he was arrested on the **14/08/2016** my son was held in the

police station sectioned under the mental health act and could not be interviewed so was put on bail until the **04/10/2016** when he was due to go back to the police station to be interviewed.

10+ On the **04/10/2016** my son was getting ready at his home for me to pick him up for the bail to return, when I got a phone call from my son to say the police was again at his flat to arrest him this was around 1 hour before he was due to be at the police station, I went to his flat and was told by the police they wanted to arrest him I told them he was getting ready to go to the police station for a bail to return, the police again arrested my son for criminal damage due to something his [neighbor](#) said who lives above him, but he had not been out of his home he was in fact in the bath when the police came to his home.

11+ Both cases for the **14/08/2016** and the **04/10/2016** were dropped by the CPS this was done on the

12+ 15/11/2016 with no case to answer towards my son, yet my son was victimized and had false accusations put against his name and arrested.

13+ My son is scared to go home due to what the [neighbors](#) are doing and saying and putting false allegations into the police, it seems they really don't want him to live there and will do anything they can to get him out.

14+ On the **16/11/2016** I tried to speak to my son's housing officer Sarah Fletcher to see what could be done and update her to what was ongoing her phone was set to do not disturb so I asked for an email to be sent over for her to call me as a matter of emergency, no one returned a call back to me.

15+ Since the **16/11/2016** I have been calling every day to speak to Sarah Fletcher her phone is always set to do not disturb and I have asked for emails to be sent every day for her to call me back as a matter of emergency, I even asked to speak to her manager or any person in

their team but it seems all their phones are set to do not disturb so I asked for emails to be sent for a call back, no one called me back. I was also told that the police had been in contact with the council and that Sarah Fletcher would talk to me about this when she called this was on the **21/11/2016** and I was told that Sarah Fletcher would 100% call me that day.

16+ On the **22/11/2016** I went to my son's home and there was a letter from Sarah Fletcher dated the

17+ 18/11/2016 which was to do with 1 CCTV camera my son has outside his front door, this CCTV camera does not impose on any person's rights, it does not show any person's front door who lives in the block or windows. In fact, on the **14/08/2016** when the police went to my son's flat to arrest him when they noticed the CCTV camera, they ripped the wire out and since this time it has not worked this is also getting address with the police. In the letter Sarah Fletcher said the CCTV camera had to be removed by the **25/11/2016** or Enfield Council would remove the CCTV camera and costs would be charged to my son for any repairs which there is none. At seeing the letter, I was upset as it seemed Sarah Fletcher could take the time to write this letter but not call me when each email that was sent said it's a matter of emergency, I spoke to her.

18+ I tried to call and again like each other time I call it takes an hour or over to be able to speak to anyone, due to being busy I had to cut off to leave my son's flat and was going to call again later.

19+ When I got home, I showed my son the letter from Sarah Fletcher. He himself was upset for some reason, as me that she could take time to write this letter but not call us back. So, he then called this time he did get to speak to Sarah Fletcher and yes, he was upset due to what has been going on and said many times he was upset that

4+ It is said by us that on the **00/00/0000** the following took place.

she had not called, and they spoke about the CCTV camera which my son said he wants to appeal it having to be taken down. They also spoke about my son being moved out of his flat to a new place, Sarah Fletcher replied she cannot do anything to do that and the only way for him to move was by way of housing moves and he should sign up to that and nothing else can be done. My son did not explain fully as he was really upset. Sarah Fletcher also said that there had been complaints put in about my son but said it not the right time to address this and that would be addressed at a next time, so it seems that Enfield Council does address complaints from other people but not my son or on behalf of my son, as I am still waiting for replies to complaints that were put in **2014** and **2015** about my son's [neighbors](#).

20+ After my son spoke to her he passed me the phone, I asked why she had not called me back and was told that it not my tenancy, which I replied there has already been sent a letter of authority sent to Enfield Council some time back I believe it was maybe between **2013** to **2015** this was sent there was more than one of them sent which I can prove as they were sent via emails which I still have, which gives me Miss Mother authority to deal and speak to anyone at Enfield Council on behalf of my son and it would be on their systems as it was emailed and I knew they had it. My son at this in the background also said I have authority to deal and speak to anyone at Enfield Council and it's on their systems.

21+ Due to my son speaking in the background I went to a next room to speak; my son came into the room and was going on about writing the letter of complaint about what had been going on and that she could end up losing her job if she did not deal with this correctly. It was at this Sarah Fletcher said she could no longer

5+ It is said by us that on the **00/00/0000** the following took place.

6+ It is said by us that on the **00/00/0000** the following took place.

talk to me that my son had made threats towards her and told me to put it in writing what I wanted to say put the phone down.

22+ I feel at this time Enfield Council is doing nothing to help my son, they don't even want to speak to me so I can explain fully what is going on. My son is under the early intervention team, and they are willing to help my son get moved as they themselves have seen what is going on. They would do this by way of writing a letter to Enfield council if asked to do so by Enfield Council.

- I would like to speak to someone as this cannot be left like this and my son is suffering due to all of this. My contact number is 000
- I would like to find out if Enfield Council is willing to move my son due to the reasons in this letter and the help of the early intervention team.
- I would also like full dates and times that my son's neighbors have put any complaints in and what they have said he has done and on what date.
- I would like a full report of any police reports that have been given to Enfield Council by the police about my son.
- I would like information as to how to appeal about removing my CCTV camera and be allowed not to remove it until this appeal has happened, as so far this is the only thing that has proven my son has done nothing wrong.

Dear Daniel Ellis

- 1+ Thank you for the update email and the deadline date for my reply to the complaint.
- 2+ But as you can see my son needs moving from his address as soon as possible due to the problems, his housing officer has said she will not help in doing this that he has to sign up to housing moves which can take years to be able to get a move yet said that before she knew all the facts and would not speak to me to hear all the facts as to what has been going on. She does not even know he was under the early intervention team for how this has all had such a large impact on his heath they are willing to help with this with the council to get him moved he needs moving sooner not later yet no one will talk to me or call me back to say if anything is being done or talk about anything with me about this issue and days are going by with nothing being done.
- 3+ I have called and left emails to ask someone to call me back, yet no one still has so I still do not know what is going on if anything about moving my son.

Dear Daniel Ellis

1+ Thank you for the update email and the deadline date for my reply to the complaint. But as you can see my son needs moving from his address as soon as possible due to the problems, his housing officer has said she will not help in doing this that he has to sign up to

2+ It is said by us that on the 00/00/0000 the following took place.

	housing moves which can take years to be able to get a move, yet said that before she knew all the facts and would not speak to me to hear all the facts as to what has been going on. She does not even know he was under the early intervention team for how this has all had such a large impact on his health they are willing to help with this with the council to get him moved he needs moving sooner not later yet no one will talk to me or call me back to say if anything is being done or talk about anything with me about this issue and days are going by with nothing being done. I have called and left emails to ask someone to call me back, yet no one still has so I still do not know what is going on if anything about moving my son. 3+ The last time we spoke to
someone regarding moving my son
was on the **22/11 /2016** after
calling with no call back from
Sarah Fletcher, or her manager or
anyone else in her team since
16/11/2016 sometimes calling up
to 3 times a day. (All their lines are
set to do not disturb) this has not
changed, and I still am making
calls to try and address this issue
with no one calling me back.

4+ My son is having a nightmare in his
flat since he moved back there he
does not leave his flat and has not
since he returned there, once
again the **neighbors** have started
since he moved back in with the
noise, the banging the
intimidation, my son heath is
suffering and this is not acceptable
that nothing is being done he not
being let alone to be able to sleep
and being kept up all night and, in
the day, due to what the **neighbors**
are doing.

5+ I do not see why no one is
addressing this and I have not had
one phone call to address this
issue do not know what is going on
and my son is left to suffer.

6+ It should not matter that Formal
Complaints are ongoing I should at
least be able to talk to someone or
get someone to call me back with
an update as to if anything is going
on to move my son.

7+ When I get letters or calls or
emails, I do not just do nothing I
reply to the letters, but it seems
Enfield Council is doing nothing to
address the under-laying issue of
what has been ongoing since 2014
with my son's **neighbors** and what
they are doing to him.

8+ It does not seem to matter that my
son's health is suffering due to this
and has been for some time due to
not being able to sleep. It seems
that Enfield Council is happy that
the **neighbors** are doing this to my
son with nothing being done.

As so far it seems everything is being blamed on my son when my son has done nothing wrong. 4+ I do know there are issues that do need to be addressed but leaving my son in a place he does not feel safe in and has suffered since 2014 is not acceptable. 5+ Also, I still have not heard anything from the people that are meant to be dealing with the subject access request. - 6+ It does seem Enfield Council is more worried over the formal complaints than removing the situation my son has been left in. which has said it is affecting his health. I cannot understand why nothing is being done and more time is being asked for, yet no updates given to the situation my son is being left in. Or is it the case nothing is going to be done to move my son and he is just going to be left where he is to suffer even more?

Dear Concetta Nobile

- 1+** Thank you for the update and information you will need. I have my driving license but since 08/06/2015 the paper part is no longer needed so I do not have this so do not have both parts only the card.
- 2+** I have bills to show my address dated within the last 3 months so that should not be a problem.
- 3+** As for the information I have asked for it is all the information that is held by Enfield Council within all departments.
- 4+** This would not be limited to just the things that I have put in this would also include any data that the police have passed to Enfield Council about me. Any meetings that were held with police and any other body and Enfield Council about me. and any other government body that has passed information to Enfield Council about me.
- 5+** The minutes from the meeting that was held about me by Enfield council on the **15/12/2016** with regard to the formal complaints that were put in. I did request minutes were taken when I was told I could not attend.
- 6+** Any phone calls made by myself or my mother on my behalf to Enfield Council
- 7+** All that was put in for Enfield Council to address this would include all comments made on any

such report such as I have removed all my piping for my heating system.

- 8+** All my housing benefit and anything to do with my rent account and council Tax.
- 9+** Any complaints that have been put in about me this would include any [neighbors](#) or police or any other body that Enfield Council has received about me, I do understand that some sections names would need to have redaction added for names and addresses but the date and body of the complaint should be kept. and if it a governing body such as the police names or IDs should not need redaction.
- 10+** If Enfield Council has any data, I want this subject access request to cover this data and if any data is going to be withheld, I would like to know this and the reason why it is being withheld.
- 11+** As for dates this request would go back as far as possible with any data Enfield Council holds within all departments being released.
- 12+** If you could get back to me about the ID, I would be grateful and get this emailed across to you so that this can be dealt with.

And this is why no one from Enfield council has ever taken a report from him about what has been ongoing for a long time ago.
- 9+** We want to clear this up as much as you do, but it seems Enfield Council is not fulfilling what we have asked for in order to be able to do this.

We received a report that on **07th February 2017** that the Defendant approached the [leaseholder of 117](#) Burncroft Avenue and his plumber outside the block as they were attempting to resolve the problem causing low water pressure in the flat. The Defendant said to the leaseholder that there were problems between him and his tenants but did not give any specific details. The leaseholder explained to the Defendant that his tenants were experiencing low water pressure in the flat and the Defendant said to him 'you will not solve the problem as I am restricting their water supply'. The leaseholder later knocked on the Defendant door and asked whether he would increase the water pressure and the Defendant stated 'I cannot do anything at the moment, I will sort it out later'.

[SEC=OFFICIAL]

Dear Lemmy Nwabuisi

- 1+** Thank you for the reply to my email and I look forward to getting the information by the **10/02/2017**. I know that Dionne Grant is now dealing with the subject access request as Concetta who was dealing with it has had to take some leave.
- 2+** Mr. Cordell has not been up to his [neighbors](#) at 117, in fact he has only tried to help in the last few weeks by allowing people into his home due to the low water pressure. (Which I will state has nothing to do with my son flat)
- 3+** The other day also another [neighbor](#) got around 7 of his friends to come and intimidate and harass my son for no apparent reason.
- 4+** We will be asking for evidence which substantiates your allegations as to what the [neighbors](#) are stating in their complaints.
- 5+** As clearly it seems from your below email as if you in fact believe what 117 is saying before even having addressed the issues.
- 6+** Does this mean you have seen evidence which substantiates 117 complaints?
- 7+** Due to the complaints and how they have been set out this should be a matter for the police and my son should have been arrested.
- 8+** Mr. Cordell has been arrested and dismissed for some of accusation that you have wrote in your letters, So I hope there is evidence which substantiates these allegations.

2+ It is said by us that on the **00/00/0000** the following took place.

	9+ We just need to see if any of the other complaints have been addressed by the police. 10+ In fact, my son has put a lot of complaints about his neighbors into the police himself, which also seem to never get addressed by police just like they never get addressed by Enfield Council, yet the neighbors' complaints always get followed up instantly, I wonder why? 11+ You have not again said what you will be doing about no flooring on the 2 flats above my son. Is anything ever going to be done or does he need to live being tormented, intimidated and harassed by the neighbors with nothing being done by Enfield Council every day he lives there? 12+ It is not Mr. Cordell harassing his neighbors it is the neighbors tormenting, intimidate and harassing him and Enfield Council is doing nothing about, it is starting to seem like a witch hunt until they and Enfield Council get him out of his flat. - 2+** I visited Mr. Mathiyalagan at 117 Burncroft Avenue today to look at the flooring following an email from Mrs. Cordell concerning noise as a result of wood flooring in the flat. I noticed that there is laminate flooring in the whole flat and ceramic tiles in the kitchen. Mr. Mathiyalagan stated that the flooring was already in the flat when they moved in. He stated that they do not make noise deliberately and that any noise from his flat is household noise. He also stated that as far as he is aware that the person living below them-), we not complained of noise and that he will be the one that will be affected if there are excessive issues from his flat. He also stated that he has asked the mau-'f they are causing noise disturbances arid he said they are not. He also requested that Mr. Cordell should contact the council if he is being disturbed by noise from his flat instead of harassing him and his family by banging on his front door, shouting abuse at him and his wife, threatening them and confronting them when they come into the block.
- 3+** I informed him that laminate flooring can generate some noise and to be mindful of his neighbors while walking around inside his flat-
- 4+** I then went and knocked at flat 113 but there was no response

Dear Lemmy Nwabuisi

1+ Just an update email that I wanted to put to you today as it is very worrying, this morning at around 08:00 my son Mr. Cordell's door knocked. He was not expecting anyone but went and shouted who it was without opening his door. the male replied I am from the council about the water, my son was not expecting anyone from the council and something did not feel right to my son and he asked the person to wait, he then made a call to the council to be told no one had been sent to his address by them, after the call to the council the male was not at his door, but my son heard people talking, one was his [neighbor](#), just after this the male who came to my son's door went out of the block and got into a car which my son has got the registration for.

2+ He does know which [neighbor](#) the person was talking to as I do. But at this time, he feels too unsafe to give the person's door number.

3+ Why should my son be made to feel so unsafe in his own home, please tell me why someone would come to my son's door and say they were the council?

4+ This is getting way too much now, and Enfield Council needs to do something about it before my son gets hurt.

5+ My son is lucky he does not open the door to people and calls before opening his door to see who it is and does not go outside his flat as I feel something would have already happened to him.

3+ It is said by us that on the **00/00/0000** the following took place.

6+ And yes, we are keeping a full history of what has been ongoing.

Mother

Subject: RE: Anti-Social Behavior
Allegations against Mr. Simon Cordell
[SEC=OFFICIAL]

Classification: OFFICIAL

Dear Ms. Cordell,

1+ The allegations are from at least three residents of Burncroft Avenue.

2+ They have alleged that he is coming up to their front door to shout abuse and threats and they have provided evidence to back up their allegations. Some of them have also alleged that he has confronted them outside the block and on different occasion have followed them up the communal staircase shouting abuse and threats and on at least one occasion have tried to prevent them from going up to their flat. They have also provided evidence to back up the allegations.

3+ I am aware that some of these incidents have been reported to the police and it is up to the police to deal with them as they see fit. However, irrespective of whether the accusations were dismissed by the police or not, they are very serious allegations and if true, constitute a breach of tenancy conditions and they need to be addressed by the council. It is therefore very important that we meet with Mr. Cordell to discuss the allegations made against him and give him the opportunity to respond to them.

4+ We are not aware that Mr. Cordell's neighbor allegedly "got

4+ It is said by us that on the 00/00/0000 the following took place.

around 7 of his friends" to intimidate and harass him for no apparent reason. Mr. Cordell did not report the incident to the council, and I will advise him to report it through the appropriate channel and provide the name and address of the neighbor to enable us to investigate and take appropriate action. He should also report the matter to the police.

5+ With regards to your concerns regarding the nature of the flooring in the two flats above your son's. We have inspected one of the flats and we have made an appointment to inspect the second flat. I will arrange for a noise impact assessment to be carried out as soon as we complete our initial investigations to determine the level of noise transmission and make appropriate recommendations if necessary. We will need access to Mr. Cordell's flat to enable us to investigate this matter and we will contact him in due course to arrange access.

6+ You have stated that it is not Mr. Cordell that is harassing his neighbors and that it is his neighbors that is harassing him. Could you please ask Mr. Cordell to provide evidence of this to enable us to investigate and take appropriate action if necessary.

c. To my understanding Sarah Flexure took over Dawn Allen’s position in job, while Dawn Allen got moved into another department in the same company after what she had done to me. I understand this because I made phone calls to their place of work and asked questions. Part of the reason that I am explaining this is that she already understood that my mother had put complaints in first.

Intimidation and Threatening Behavior

I write with regard to reports of anti-social behavior, intimidation, harassment, and threatening behavior made against you by your neighbors.

I wrote to you on 29th December 2016 to arrange to meet with you on 6th December 2016 to discuss the reports, but you cancelled the meeting.

I wrote to you again on 31st January 2017 to arrange to meet with you on 9th February 2017, you also cancelled the meeting.

I then wrote to you again on 16th February 2017 to arrange to meet with you on 22nd February 2017, again you cancelled the meeting.

I have enclosed all three letters for your information. It is unfortunate that you have repeatedly refused to meet with us to discuss this matter and look at ways to resolve the problems between you and your neighbors. Dear Dionne Grant

- 1+** Thank you for the information you sent regarding the subject access request. Sorry for the time it has taken for me to get back to you, but I have been having work done in my home so have had no access to my main computer which holds all my emails and have been working from my mobile which is not the best option. And I won't have access to my main computer till most likely Monday as work is still ongoing.
- 2+** I do however feel that all the data has not been supplied that I have asked for, this was the same in **March of 2016** I knew then we did not get all the data we asked for and an email was writing in regard to this, but no one got back to me.
- 3+** Also, in the data you have sent there is hardly any dates or times, that complaints were put in why does Enfield Councils system not include dates and times information was recorded? There is no call data. No meetings data that government bodies had meetings regarding Mr. Cordell, the list goes on.
- 4+** I asked for all data that Enfield council holds, so all data should have been included and all audio call data and police data and meetings held and any other information that Enfield Council holds in regard to Mr. Cordell.

2+ It is said by us that on the **00/00/0000** the following took place.

5+ All police data and any letters that have been sent from police or to police.

6+ You seem to have asked for Mr. Cordell health records who was this asked from and who gave the data?

7+ There seems to be a long list of information that is missing both from the request in **March 2016** and the request that was submitted on the **24/11/2016**

8+ Can this please be looked into and if you are withholding any data for any reason could you please let me know this and what data it is and why you are withholding it.

9+ There is also a lot of incorrect data that is being held and it seems that Enfield Council has chosen to put Mr. Cordell as the perpetrator, by the ASBT there is lists of emails that is missing that I have sent in regards to complaints as to what the neighbors was doing to Mr. Cordell, I have also requested all my phone records as it seems there is no lists of all the calls I made on behalf of complaints regarding Mr. Cordell's neighbors. As it also seems there is missing calls that Mr. Cordell made himself regarding what his neighbors was doing to him, lucky for me I do keep all emails, but it seems Enfield Council does not and to try and get themselves out of trouble due to not doing what they were meant to this data is missing.

10+ I will give 14 days for this to be corrected and if it has not, I will have no other option but to go to the ICO.

Regards

Mother

Dear Lemmy Nwabuisi,

1+ I will get back to you with a date.

2+ But I am very upset at what is on file within the subject access request it seems as if you put everything onto Mr. Cordell and large amounts of data is missing.

3+ Like the information about Deborah Andrews this is incorrect, and the only reason we have found out about this is due to the subject access request.

4+ But there are lots of emails that are missing that I sent about Deborah Andrews and what the [neighbors](#) were doing, that are dated before any complaints went in from Deborah Andrews and the [neighbors](#). yet nothing was done for Mr. Cordell about this.

5+ Also, there is missing dates and times of complaints, as to when things were meant to have happened and what time they were meant to have happened why?

Dear Ms. Cordell,
Thanks for your email.

1+ Could you please confirm when you and Mr. Cordell are able to meet with me within the next 14 days? As stated in my previous letters, the allegations are serious breach of tenancy conditions, and we need to give Mr. Cordell the opportunity to respond to them before a decision is made on how to proceed.

Kind Regards

I have not had use of my main
computer due to work being

- 1+ On 24th February **2017** Sarah Fletcher (**Neighborhood Officer**) and Steve Stirk (Maintenance Surveyor) attended the Defendant property at fiat 109 Burncroft Avenue to inspect the property following reports of low water pressure from flats 113 and 117 Burncroft Avenue. While inside the Defendant flat, they observed that the Defendant had installed an iron security gate inside his front door. It also appeared to them that the wall between the Defendant kitchen and living room seemed to have been removed thereby creating an open plan effect. Much of the property was taken up with industrial type printers, boxes and folders and there were dog feces in the Defendant's back garden.

➤ File note 24/02/2017

Simon Cordell - 109 Burncroft Avenue, EN3 7JQ

- 1+ Following reports of continued low water pressure/supply to 117 Burncroft Avenue (second floor) despite information from Thames Water indicating that they had attended and that supply to the block 109-119 Burncroft Avenue was of a sufficient bar pressure, I tried to coordinate access to all flats on the right-hand side of the block, potentially affected by the issue: 109, 113 and 117.

2+ It is said by us that on the **00/00/0000** the following took place.

- | | | |
|--|--|--|
| | <p>2+ I wrote and hand delivered letters to all 3 of the properties requesting access for the Council Surveyor to visit and assess the water pressure in each on Friday 24th February 2017 between 10am and 12pm.</p> <p>3+ I spoke by telephone with Mr. Irving, the leaseholder of 117, who had instigated the water pressure complaint who agreed that he would attend and give access.</p> <p>4+ I spoke by telephone with Mr. George Quinton, the tenant of 113, who agreed that he would give access.</p> <p>5+ I spoke by telephone with Lorraine Cordell, mother of Simon Cordell, the tenant of 109, who said that no one was available to give access.</p> <p>6+ I attended with Steve Stirk, surveyor, on Friday 24th February 2017 at 10am. We were given access to 117 and Steve Stirk investigated the water pressure to the taps in the kitchen and bathroom.</p> <p>7+ We were unable to gain access to 113 as the tenant was not home -1 called and left voicemail messages for the tenant but did not get any further response.</p> <p>8+ Steve Stirk suggested that we knock at 109 just on the off chance that someone was home. Mr. Simon Cordell answered the door and, once Steve Stirk had explained that we were investigating the low water pressure/supply issue to the block, he allowed us into the property.</p> <p>9+ While Steve Stirk checked the water pressure in the kitchen, I introduced myself to Mr. Cordell. He then became quite agitated and proceeded to regulate me with the same issues that he had relayed to me during our previous telephone conversation including issues about his neighbors, the police and the Council conspiring to ruin his life as well as his work arranging community music events. He did not give me much of an opportunity to respond and kept talking over me when I tried to do so. Steve Stirk then went and</p> | |

	checked the bathroom taps which he discovered were all already open (water running in wash basin; water running in bath which was full and going down overflow). We then thanked Mr. Cordell for his time and left the property. 10+ Outcome: It is unclear whether Mr. Cordell running all of the taps constantly is linked to the issue of low water pressure as he is on the ground floor and 117 is 2 floors up (we had been unable to check the pressure in 113). Steve Stirk to liaise again with Thames Water about the issue and to consider separation of the water supply to the ground floor flat. 11+ made some observations whilst in Mr. Cordell's property, 109 Burncroft Avenue which are of some concern: 12+ There is a security gate installed on the inside of the front door. 13+ There were 3 large 'industrial' matrix type printers in the property (1 in the hallway and 2 in the living room) 14+ Mr. Cordell talked about running 'events' 15+ A non-standard kitchen Re.-a wall seemed to have been removed between the kitchen and the living room creating an open plan effect: No fire door 16+ Much of the property was taken up by the printers, boxes and folders - possible hoarding (6)? 17+ Dog feces in private back garden Sarah Fletcher Neighborhood Officer

Dear Mr. Cordell,

Re: Allegations of Anti-Social Behavior, Harassment, Intimidation and Threatening Behavior

2+ It is said by us that on the **00/00/0000** the following took place.

3+ It is said by us that on the **00/00/0000** the following took place.

1+ I write with regard to reports of anti-social behavior, intimidation, harassment and threatening behavior made against you by your [neighbors](#).

2+ I wrote to you on **29/12/2016** to arrange to meet with you on **05/12/2016** to discuss these reports but you cancelled the meeting. I wrote to you again on **31/01/2017** to arrange to meet with you on **09/02/2017** but you also cancelled the meeting. I then wrote to you again on **15/02/2017** to arrange to meet with you on **22/02/2017** and again you cancelled the meeting. I have enclosed all three letters for your information.

3+ It is unfortunate that you have repeatedly refused to meet with us to discuss this matter and look at ways to resolve the problems between you and your [neighbors](#). The allegations made against you by your [neighbors](#), if true, are very serious breaches of your tenancy conditions. It is important that we meet with you to discuss these allegations and give you the opportunity to respond to them.

4+ I have therefore arranged for you to meet with me at the Civic Centre, Silver Street, Enfield, EN1 3XY at 3pm on Wednesday, **22/03/2017** to discuss this matter. You should contact me on 02083795354 to rearrange the meeting if this date is not convenient for you.

5+ Please note that if you fail to attend or call to rearrange this meeting, then we will have no option but to serve a notice of seeking possession against your tenancy without further warning. The council may also take further tenancy enforcement and/or legal action against you if further substantiated allegations are made against you.

Kind Regards

Yours Sincerely

Lemmy Nwabuisi ASB Team

1+ Lemmy Nwabuisi, ASB Coordinator visited 109 Burncroft Avenue to post a letter through the Defendant door and as he got into his car to drive off after posting the letter, the Defendant ran after him shouting and screaming abuse. The letter requested that the Defendant attend the Council office to discuss the nuisance reports being received from his **neighbors**. By the time he returned to the office, the Defendant had telephoned him several times. Lemmy Nwabuisi telephoned the Defendant back and the Defendant asked whether he was the person that posted a letter through his letterbox and Lemmy Nwabuisi said yes. The Defendant asked why he did not stop when he ran after him and Lemmy Nwabuisi stated that he had another visit and did not have the time to stop and talk to him. The Defendant stated that he will not attend the meeting at the Civic Centre or any of the council offices as he is unable to leave his flat and that the meeting should take place in his flat. Mr. Nwabuisi offered to have the meeting at a neutral venue and

Dear Lemmy Nwabuisi

1+ I'd like to apologise for the late reply to this email, I've just come out of hospital after undergoing two operations and only got released from hospital late on the 17 March 2017.

2+ You stated in your letter to Mr. Cordell, that the first letter you wrote was dated 29 December 2016, and that you set a meeting for 6 December 2016 this is incorrect, as the date for the meeting was set for 6 January 2017, yes, this meeting was cancelled, you've then

Page 116,

3+ stated you wrote a letter on 31 January 2017 to arrange a meeting for 9 February 2017, this meeting was also cancelled, the reason these two meetings were cancelled was due to the ongoing complaint that was being addressed by Enfield council that still needs addressing but due to the data that came back from the subject access request and it not being completed properly this letter still needs to be reply to, there was also a subject access request that was put in to Enfield Council that we was waiting to be addressed and to receive the data back which as you are aware did take a considerable amount of time, and also the complaint also was delayed in a reply. As stated to you via email we felt it was unjustified to hold a meeting when there was an ongoing complaint, and a subject access request that we were waiting for, as you are aware there are still issues regarding the subject access request, which does need to be addressed.

4+ You then stated that she wrote again on 16 February 2017 and arranged a meeting for 22 February 2017 which was also cancelled, but you was also notified there was still issues with the subject access request, and that I had a meeting regarding the issues which was set for the 9 March

2017, I stated to you that I would get back to you with a convenient date for the meeting to take place, but due to illness things have got delayed.

- 5+** You have also stated that it is very unfortunate that there have been repeated refusals to meet in regards to the issues with the [neighbors](#), I feel that this is very misleading we have not refused once to have a meeting with you, but due to ongoing issues meetings have had to be cancelled with a justified reason, so how you can take this as a refusal is beyond me, we have kept you informed at every stage of every letter that you send out giving you reasons as to why the meetings could not take place. Therefore, I do not understand how you can interpret this as a refusal.
- 6+** You will also be aware that my son does have health problems and that he does not leave his flat, not once have you thought in all the letters that you sent out how someone that does not leave his flat is going to be able to attend a meeting at the Civic Centre, therefore I am asking for the meeting to take place at Mr. Cordell's home address, due to Mr. Cordell's health, arrangements will need to be made that someone is at the meeting with Mr. Cordell, and under no circumstances will Mr. Cordell be addressing the issues while he is on his own.
- 7+** You have also stated that if Mr. Cordell does not attend or set a new date that you will be putting an application seeking possession of his home, it seems that Enfield Council have already made their mind up that Mr. Cordell is guilty of what has been alleged in the complaints, you also state that if any further allegations are made against Mr. Cordell that you can take legal action, since your last update with the dates has there been any more allegations against Mr. Cordell?

	8+ Next week I have a number of hospital appointments so it will really be hard to do the 22 March 2017, if you could get back to me with some dates that the meeting can take place at Mr. Cordell's home address, I would be most grateful. or if there is any problem with this, please let me know. Regards Miss L Cordell

Dear MS Cordell,

1+ Thanks for your email. I sorry to hear and learn that you have been unwell, I wish you speedy recovery. The first letter I wrote to Mr. Cordell was dated **29/11/2016 - 29 November 2016** and not **29/12/2016 29 December** so, apologies for the mistake and the first meeting was

2+ 06/12/2016 - 06 December 2016 and not **06/01/2017 - 06 January 2017** as you stated in your email below. I am not aware that Mr. Cordell is unable to leave his flat due to health reasons as he has not provided us with a letter from his Doctor to support this claim. Also, when Mr. Cordell telephoned me on **17/02/2017 - 17 February 2017** following my letter to him dated **16/02/2017 - 16 February 2017** he informed me that he will

3+ It is said by us that on the **00/00/0000** the following took place.

not come to the Civic Centre or the council offices in Edmonton Green because there are gang members looking for him in these areas. I cannot recall him saying anything about him not being able to leave his flat due to health reasons. Also, Mr. Cordell chased my car down the road when I went to deliver my last letter to his flat on **17/03/2017 - 17 March 2017** this is not the attitude of someone who cannot leave his flat for health reasons. I am inviting Mr. Cordell to a formal meeting to discuss the allegations made against him and due to the serious nature of the allegations, the meeting will have been held in the council offices with a minute taker present. However, if Mr. Cordell presents a letter from his doctor stating that he is unable to leave his flat for health reasons, then we can discuss an alternative venue. I am happy for Mr. Cordell to bring someone with him to the meeting.

Dear Lemmy Nwabuisi

4+ It is said by us that on the **00/00/0000** the following took place.

- 1+ I have enclosed 2 letters that could help to show my son won't leave his flat he had a DWP assessment, and a letter had to be written to his GP to ask if the GP could write a letter to get a home assessment, please see both letters.
- 2+ It will also be noted on his file under the mental health team that he won't leave his flat.
- 3+ And I cannot understand how you said on the phone today that you knew nothing on my son's health, as clearly it is in the limited subject access request, I got from Enfield Council under the ASB teams' information as you requested if he was known to the mental health team.
- 4+ Information you have asked for please see below:
- 5+ Barnet, Enfield and Haringey Mental Health NHS Trust
- 6+ The doctors name he was under when he was sectioned in [August 2016, Dr Julia Cranitch](#), Haringey Assessment Ward, St Ann's Hospital.
- 7+ When he left hospital, he was under the home treatment team support and referral to community team.
- 8+ [Early Intervention: Goodie Adama: Locum CMHN, Locum Community Mental Health Nurse, Early Intervention for Psychosis, Lucas House 305-309 Fore Street London. N9](#)
- 9+ As stated on the phone I have many emails to backup that complaints was put in on behalf of my son regarding what the [neighbors](#) was doing, well before any complaints was put in by the [neighbors](#), yet nothing was done by Enfield Council, each email even states the [neighbors](#) was not letting him sleep and this was having a large impact on his health, this is what has upset me so much, as phone calls was being made emails sent, even my son was making calls, but you seem to have nothing of anything that was submitted so where has it all gone, please can you look into this and get back to me as I really do not

	understand how so much can be missing from Enfield Councils systems? 10+ I am grateful that you called me back today and we were able to speak, sorry if I sounded loader on the phone but since the operation as I said my voice and throat are very sore, I believe due to the tube they put down their when they were doing the 2nd operation. 11+ I am grateful that you will deal with this, and you cancelled tomorrow's meeting when we spoke, and you seemed to have some idea of what was going on which you seem to have not known before, I will await a reply from you as to how we can deal with this. WARNINGS FROM MY HEART: --

1+ My heart hurts me, so bad, it hurts me, so, so, so much, it feels like the Mathiyalagan family and co, with Co including Mr. Stan Curtis and Deborah Andrews, not to forget George Quinton can do what they want to me as they clearly where all out of control and without any authority in sight, even when mutable amounts of phone calls got made to them all about the problems that I had to face because of them all involved, continued to victimise me, they all used there floorboards or other house fixtures to have a negative effect on me, some of what they done to me included such hatred, as the continual slamming on and off the water taps hours at a time, while using there cooking pots and pans to hit the wall's, they done this so loud to put me in fright of my life, it was like there chosen weapons of choice to them; Morning; Evening and of night, whether a full moon or not, all day long, they just simply keep on banging, and banging, and banging, no matter how many time I asked them, to stop, doing the evil things that they were subjecting me towards, nothing ever did change, right up until my heart just would not stop hurting me, it was like they all were having a private epiphany; which gave them, versatility, enthusiasm, agility and unconventional methods of behavior. While I got left to have my own epiphany; in turn creating a cartoon version of the true events that they put me through. I noticed in my mirage of a brief reflection inside of my epiphany, that they were hitting me across my heart with the wooden floor boards, and this was happening, continuously to me, like they were all dancing around a bomb fire, dancing around, and dancing around, in furious circle's, all together and as happy as could

	be, while they keep going around in a circle hitting me with their floorboards, and to me; the bad part is, that I' am the person in the middle of that's bomb fire, who got set on fire; at the end of the epiphany; I come back from my vision; and therefore I knew that by this stage, I must do something about it, as they just simplify wanted to kill me dead and I could not allow for this to happen, I knew that I needed to survive, somehow some way.

Simon Cordell — 109 Burncroft Avenue, EN3 7JQ

- 1+** Further to ongoing issues related to water pressure/supply to the block at 109 - 119 Burncroft Avenue particularly to the right-hand supply affecting 109,113 and 117, I visited the block on **Monday 8th May 2017 at 11am with Steve Stirk, surveyor, and .an MCP locksmith.**
- 2+** The purpose of this visit was to gain access to 113 Bumcroft Avenue so to assess the water pressure/supply to this property. Several attempts had been made previously to do this, but the tenant was not there to give access so a 'forced' entry was made and the locks subsequently changed (the tenant had been notified previously that we would be taking this action if he did not provide access).
- 3+** We entered the property so that Steve Stirk could test the water taps in the kitchen and bathroom. There was no flooring laid except for a rug in the living room (the kitchen was accessed through here) and the floorboards made a significant amount of noise as we stepped on them.
- 4+** The resident from the property underneath, Mr. Simon Cordell, heard us in the property and came upstairs. Steve Stirk and I were outside the property at this point as the locksmith started to

2+ It is said by us that on the **00/00/0000** the following took place.

undertake the work to install new locks on to the door (he was inside the hallway).

- 5+ Mr. Cordell proceeded to 'rant' at Steve Stirk and me about his perceived victimisation by his neighbors. He was very agitated and loud - recounting his experience with the police, previous housing management, a previous partner, a previous neighbor and allegations of anti-social behavior made against him-
- 6+ Steve Stirk tried to explain that we were there to deal with a specific issue and that this was not the time or place to address these concerns. Mr. Cordell did not want to listen and became fixated on Steve Stirk being 'dismissive' towards him (Mr. Cordell's words). He went on at length about his upstairs neighbors, both past and present on first and second floors, 'banging' hammers deliberately above his head.
- 7+ He continued to go on, in his agitated state, about how he had been treated by the police and previous housing managers who had promised him that they would re-lay the floor of flat 113 but had not done so. At this point the resident from 117, Mr. Mathiyalagan Markandu, came down the stairs on his way out of the building. As he came down past us Mr. Cordell focused his attention on him and said to him: 'I'm going to the police station now with my evidence about you and I'm going to ruin your life'. Mr. Mathiyalagan Markandu did not respond and proceeded to walk past and go down the stairs and out of the building.
- 8+ Both Steve Stirk and I commented to Mr. Cordell that the way he had behaved was threatening in nature and was not acceptable. Mr. Cordell responded, 'it's not a threat it's a fact'. He then continued to repeat his history with the police and previous housing management.
- 9+ I asked Mr. Cordell to calm down and tried to explain that some of

these issues could have been addressed by attending the meeting that Lemmy Nwabusi in the CSU team had tried to convene with him. He said that he was not prepared to attend such a meeting but wanted to speak to me, his housing officer, now. I explained that as Steve Stirk had already said that we could not address his issues there and then I suggested that a meeting could be convened with both the CSU and unneighborly teams to look at some of the issues with Mr. Cordell. He indicated that he would be willing to do this if we came to his home to do so.

Subject: 109, BURNCROFT AVENUE
ENFIELD, EN3 7JQ

- 1+ Further to my conversation today please note the following,
- 2+ I carried out a joint with Sarah back in January regarding **low water pressure** to 117 While on location the following was noted
- 3+ Kitchen internal wall has been partly removed
- 4+ 3 large industrial type printers found with assorted inks and cleaning liquids Internal gate installed to front door
- 5+ While all these items could be used in normal day-to-day interests the tenant made claims he was actively involved in planning and conducting events and the equipment was used to produce marketing leaflets and posters.
- 6+ This Monday we has reason to attend 113 to carry out a full lock change given accusation from the tenant that his lock had been glued so was unable to gain access the tenant claim the damaged was caused by 109, (this cannot be confirmed) as the tenant did not attend both Sarah and myself did go in and while there was confronted by the tenant from 109, the tenant for about twenty minutes would not leave us alone and became increasingly aggressive despite attempt to explain to him that we had not come to see him or indeed were able to comment of any of his accusations on how Enfield had ruin his lie were putting him in danger by leaving him in his flat, during this confrontation the tenant from 117 passed through the passage and the tenant from 109 stated he was going to ruin his life and generally became more irate towards the tenant.
- 7+ It is clear that we are unable to allow this to continue as the body posture from 117 was defensive and did not wish to reply or get into any form of conversation with this tenant
- 8+ Given that two members of staff were present and the

	confrontational attitude towards not only us but the other resident I believe we need to action this event to try and stop any further escalation from this tenant 9+ Lastly I would recommend that we need full access to 109 to assess what is the true cause of the low water pressure to the flats above given the items found in the flat as well these need to be removed as does the internal gate please advise so I can carry out a full inspection as this is a complaint from the lease holder as they have very little water flow in the flat above and given the nature of the conditions and life style of 109 we are unable to show if he has caused the issue, on a housing point the internal wall that has been partly removed needs to be put back as it is a breach of fire regs Steve Stirk Maintenance Surveyor Technical Services, Repairs and Maintenance Enfield Council Edmonton Centre N9 0TN Tel: 020 8375 8023 Tel: 0800 40 80 160 Email: steve-stirkpgofield.Eov.uk Web: www.enfieldcouncil.gov.uk "Enfield Council is committed to serving the whole borough fairly, delivering excellent services and building strong communities". 66 Enfield Council Case History Against Me

NOTICE OF SEEKING POSSESSION
HOUSING ACT 1985 - SECTION 83
THIS NOTICE IS THE FIRST STEP
TOWARDS REQUIRING YOU TO GIVE
UP
POSSESSION OF YOUR DWELLING.
YOU SHOULD READ IT AND ALL THE
NOTES VERY CAREFULLY.**

To: Mr. Simon Cordell

NOTES TO PARAGRAPH 1

If you need advice about this Notice, and what you should do about it, take it as quickly as possible to a Citizens' Advice Bureau, a Housing Aid Centre, or a Law Centre, or to a Solicitor. You may be able to receive Legal Aid, but this will depend on your personal circumstances.

The Landlord, the Mayor and Burgesses of the London Borough of Enfield intends to apply to the Court for an order requiring you to give up possession of:

109 Burncroft Avenue, Enfield,
Middlesex, EN3 7JQ

NOTES TO PARAGRAPH 2

If you are a secure tenant under the Housing Act 1985, you can only be required to leave your dwelling if your landlord obtains an order for possession from the Court. The order must be based on one of the Grounds, which are set out in the 1985 Act (see paragraphs 3 and 4 below).

If you are willing to give up possession without a Court order, you should notify the person who signed this Notice as soon as possible and say when you would leave.

Possession will be sought on Grounds 1 & 2 of Schedule 2 to the Housing Act 1985, which read:

Ground 1

Rent lawfully due from the tenant has not been paid or an obligation of the

tenancy has been broken or not performed.

Ground 2

The tenant or a person residing in or visiting the dwelling-house - has been guilty of conduct causing or likely to cause harassment, alarm or distress to a person residing, visiting or otherwise engaging in unlawful activity in the locality, or (aa) has been guilty of conduct causing or likely to cause a nuisance or annoyance to the landlord of the dwelling-house, or a person employed (whether or not by the landlord) in connection with the landlord's housing management functions, and that is directly or indirectly related to or affects those functions, or has been convicted of— using the dwelling-house or allowing it to be used for immoral or illegal purposes, or an indictable offence committed in, or in the locality of, the dwelling-house.

NOTES TO PARAGRAPH 3

Whatever Grounds for possession are set out in paragraph 3 of this Notice, the Court may allow any of the other Grounds to be added at a later stage. If this is done, you will be told about it so you can argue at the hearing in Court about the new Ground, as well as the Grounds set out in paragraph 3, if you want to.

The reasons for taking this action are:

-

You have failed to comply with the following obligations of your tenancy agreement which commenced on 14th August 2006.

The relevant conditions of the tenancy agreement are as follows:

As to Ground 2

Condition 9

You, the tenant, are responsible for the behavior of anyone, including your children, living in or visiting your home. This means at you must ensure that they do not act in breach of any of these conditions. Also, you must not encourage them to act in such a way. This applies in the property, in communal and surrounding areas, any property belonging to the council and or* anywhere within Enfield borough.”

Condition 10

“You must not act in any way which causes, or is likely cause, a nuisance or annoyance or is anti-social.”

Condition 21

“You must not abuse, harass, make offensive comments and/or malicious allegations, use or threaten to use violence against any of our officers or agents, or against a councilor. This applies at any time and in any place. We may report the matter to the Police.”

As to Ground 1**Condition 31**

“You must take care not to cause damage to your property or the property of your [neighbors](#).”

Condition 33

“You must keep the inside of your property clean and in reasonable decorative order.”

Condition 34

“You must not use the property in any way that may cause a health or safety hazard or encourage vermin and/or pests (for example, by hoarding items inappropriately).”

Condition 44

“You must obtain our prior written permission before carrying out any alterations, improvements or structural work to the property. You may need to obtain other permissions such as planning permission or building regulations approval.”

Condition 53

“You must keep the inside of the property, the fixtures and fittings and all glass in the property in good repair during the tenancy.”

Condition 69

“You must not interfere with the electric or gas supply.”

Condition 76

“You have the right to keep one pet, or animal such as a cat, a dog, small bird, fish, non-poisonous insect, spider, small snake or lizard, rabbit hamster, guinea pig, mouse, gerbil or

domestic rat as long as they do not cause damage to the property, or nuisance or annoyance to anyone in your locality.”

NOTES TO PARAGRAPH 4.

Before the Court will grant an order on any of the Grounds 1 to 8 or 12 to 16, it must be satisfied that it is reasonable to require you to leave. This means that, if one of these Grounds is set out in paragraph 3 to this Notice, you will be able to argue at the hearing in Court that it is not reasonable that you should have to leave, even if you accept that the Ground applies. Before the court grants an order on any of the Grounds 9 to 16, it must be satisfied that there will be suitable alternative accommodation for you when you have to leave. This means that the Court will have to decide that, in its opinion, there will be other accommodation which is reasonably suitable for the needs of you and your family, taking into particular account various factors such as the nearness of your place of work, and the sort of housing that other people with similar needs are offered. Your new home will have to be let to you on another secure tenancy or a private tenancy

	under the Rent Act of a kind that will give you similar security. There is no requirement for suitable alternative accommodation where Grounds 1 to 8 apply. If your landlord is not a local authority, and the local authority gives a certificate that it will provide you with suitable accommodation, the Court has to accept the certificate. One of the requirements of Ground 10A is that the landlord must have approval for the redevelopment scheme from the Secretary of State (or, in the case of a housing association landlord, the Housing Corporation). The landlord must have consulted all secure tenants affected by the proposed redevelopment scheme. Court proceedings for possession of the dwelling-house can be begun immediately. The date by which the tenant is to give up possession of the dwelling-house is Monday the 24th of August 2017. NOTES TO PARAGRAPH 5 Court proceedings cannot be begun until after this date, which cannot be earlier than the date when your tenancy or license could have been brought to an end. This means that if you have a weekly or fortnightly tenancy, there should be at least 4 weeks between the date this Notice is given and the date in this paragraph. After this date, court proceedings may be begun at once or at any time during the following twelve months. Once the twelve months are up this Notice will lapse, and a new Notice must be served before possession can be sought. Dear MS Cordell,

The meeting is at 2pm and not 12:00.

It was Mr. Cordell himself that requested for the meeting, and he offered to come to the Civic Centre.

The meeting will be held in council offices, however if there are any health reasons why Mr. Cordell is unable to attend council offices then you will need to provide us with a doctor's letter stating what the health issues are. Alternatively, Mr. Cordell can respond to the allegations made against him in writing if he does not wish to meet with us in council offices to discuss them.

- You called the ASB officer again 30 minutes later and told him **that you knew he has a flat in Edmonton and also knew that one of his colleagues' lives in Edmonton.**
- You also stated that you knew where they live, **and they were not safe.**

- I was complaining to the police, Enfield Council, Neighborhood watch team, NHS & Co, about what Lemmy, Dawn Allen, Sarah Fletcher, and all involved to do with the Asbo had done to me inclusively of the next-door neighbors who were attacking me on a daily basis.
- I had won the 1st Possession order and the 1st Injunction order to which were of the same forged context.
- I contact the Enfield Council to obtain Justice by providing them with evidence for what I had been complaining about **I.E.** fraud, a malicious prosecution, and abuse of process. This is what the 2 x calls were made by me to obtain, to which were fabricated to create the Second injunction order.
- When at the Lower Edmonton court for the wrongly accused telephone calls the judge residing the case started proceedings.
- Lemmy acted as if he had never been in a court before and sat on the side wall basic Charis due to his decision and the court room not having a proper public gallery. I had my suite and shoes on and carried my briefcase. I sat at the prosecution and defences gallery before his honour the judge and placed my note pad & pen as well as pencil case on the table ready for taking notes.
- After the basic formality the judge asked Lemmy, while he was sitting on the side wall, what the claim he brought was about, he repeated the above.
- The judge then asked me to explain to him in short what happened.
- I explained to him that I had contacted Lemmy after wining the

last case he brought to get justice about the evidence I had and throughout that conversation

- I accused Enfield Council staff off forging an antisocial behaviour order against me to which has illegally made me a prisoner within my own rented home from them.
- I also accused the Enfield Council of manipulating true facts to tarnish my life.
- And I accused Lemmy of then afterwards also forging documents to get a possession order and a injunction order as well as prior fabricating council records to create me a Enfield Council History.
- To which all that I had said was all legal to prove and say.
- The judge then asked if the following was correct: --
- You also stated that you knew where he lives in Enfield and that he and his family were not safe from you.
- You also told him that you would watch him leave the office and you would have followed him home and he needed to watch his back.
- I replied to the judges' questions by saying: --
That I did explain to Lemmy that I know where he lives, and I also know about his education as a legal defender as well as other thing, but I had done nothing wrong by knowing or saying this to Lemmy and with the reason being that I.E. I am a single person who has no children, so I look after myself. If I had a child and a person of paid for services is hired by me to look after that child, then I would do a job reference against that person and as I would do for my child, I do for myself.
Lemmy as a member of a paid for authority became a case handler against me and therefore, I done a job reference against him. I found online at company house, "Public Records" about him. And I intend to use that information to be able to make a claim against him for the services he rendered through his service for the Enfield Council and

to do this I serve him at his home address and the company to which he works.

Lemmy tried to say from the sidewalk that this was unfairly obtained intel, but the judge stood on my side as I took my notes and stated he can not prosecute for me obtaining public records about Lemmy.

- I was very clear of my intention to sue for the prior Gross misconduct and that is was Lemmy who had committed it with other.
- The Judge advised Lemmy to do a out of court settlement due to past court proceedings and this case now also, as I suggested to all, but Lemmy refused to the offer and another court date was set.
- More files got added to the 2nd Injunction order that were all the same as the past refused and stuck out application.

- As towards the second question I explained that I have not left my house in years due to forged Asbo++++++

- Meaning that being on the phone meant that there was No Immediate Danger that warranted an application of such a sort, even aloe Mr. S. Cordell never said the following: --

- 1) You also told him that you would watch him leave the office and you would have followed him home and he needed to watch his back.

- I ensured the Jude that everything I had done was all in the constraints of the law and he agreed.

The Judge even sent Lemmy and Co a form and directed him to a page in that form that when read explained about how to do an out of court settlement.....

- We would also like it noted that Lemmy Nwabusi also wrongly accused Mr. Simon Paul Cordell of claims to do with himself in the prior application: the 1st Injunction order, to which he was also the case handler.

- It is said that Lemmy Nwabusi fabricated his own statements and other persons, and these alleged incidents were so fabricated that he nor any other person could not present any evidence towards those claims due to them being not true and as an example, he stated the following:

1) "16. On 17th March 2017

Lemmy Nwabuisi, ASB Coordinator visited 109 Burncroft Avenue to post a letter through your door and as he got into his car to drive off after posting the letter, you ran after him shouting and screaming abuse.

2) The letter requested that you attend our offices to discuss the nuisance reports being received from your neighbours.

- And continues...
- It is said that

- Lemmy added the evil document to do with the Asbo into the file, proving the Council had the files. "Attend Court and dis us and we will re-man." ++++++

This is also in Lemmy's 1st Injunction Order for the Enfield Council: --

Page 256 or 254

Which means that Lemmy and the Enfield Council had a copy of the files all the way through the proceedings given to them by Sally Gilcrest or her legal team.

12/01/2018

- **On 9th January 2018** you called Kaunchita Maudhub (ASB Behaviour officer) and left a long voicemail on her work telephone number and made threats.

20/04/2018	EXHIBIT 1 <u>The 2ND Injunction Order</u> Start Date 10/01/2018 End Date 09/08/2018	1+ It is said by us that on the 00/00/0000 the following took place. After I won the case for the 1st possession Order and the 1st Injunction Order. It is said that a Dawn Allen who worked for the Enfield Council with other persons who we accuse of being accused as our liable deliberately ignored emergency correspondence to allow our client to maliciously get killed or at the minimum hurt to such an extent that he would not be able to complain about the wrongs they had committed against him in the Asbo and afterwards it is also explained that what was done to our client was done to such an extent of cruelty to deter others away by being so scared of what they could notice that they would more than likely not help him in case similar was done to themselves. The Enfield Councils Team failed to identify any of the alleged victims in the claim

files so none could be called to court to be challenged and this was the same for the address, in fact they redacted this information out with a black marker.

Enfield Council were made aware of these obvious facts but failed to disclose the names and address and instead demanded for meetings to be held again our client.

Lemmy & Ludmilla lyavoo keep going into the Edmonton lower court trying to get the case reopened and the judge ordered for the case claims to be stuck out and not re submitted.

Under a new case number, the Enfield Council and Edmonton Lower Court allowed Lemmy Newbusi to file a new claim for himself and the employees of the Enfield council which with Ludmilla lyavoo what was the 2nd Injunction Order.

At First it was just Lemmy's and Lubminya Name in it and he stayed as his own case handler / solicitor against me.

He soon afterwards against the 2nd injunction Order Judges ruling added in the same 31 allegations into the files

- The Affidavit was not served in accordance to post rules and the timeline for the council to report the offences one reported to themselves was 103 days as demonstrated below: --

Q

How many days months and years in between these:

The affiant said to be created by REVATHY MATHIYALAGAN **20/04/2018**.

The 2nd injunction end date **08/01/2018**.

A

Between the creation date of the **affiant** (attributed to **Revathy Mathiyalagan**) on **April 20, 2018**, and the end date of the **2nd injunction** on **January 8, 2018**, there is an overlap in the dates. Let's calculate the duration:

1. **Days Between Dates:**
 - **From January 8, 2018, to April 20, 2018, there are 103 days¹.**
2. **Months and Years:**
 - This corresponds to approximately **3 months and 12 days**.

Therefore, the duration between these dates is approximately **3 months, 12 days, and 103 days**.

They went back to court and sent correspondence that we know of on the following date to

apply for the case to be reopened: --

**Statement Exhibit 3 /
01/01/2018.**

2. On the **09/08/2017** in the **first injunction order Claim Number: D02ED073)** Enfield Councils solicitor states that: "The Defendant's anti-social behaviour has ceased towards the neighbours and no complaints have been received from them, she said this on the date of the **03/01/2018.**"

- The Affidavit dated **20/04/2018** was attempted to be served but failed "Seven Days" before the 2nd injunction order was finally dropped by the Judge on the **08/01/2018.**
- The three dates of the **11/11/2017 & 02nd & 03rd of January 2018** were all not mentioned until months later as detailed below and these leads to the assumption of them being fabricated.

Q

How many days and months and years in between these dates including the days started **11/11/2017** took from the **20/04/2018.**

A

Between November 11, 2017, and April 20, 2018, there are 92 days in total, including both the start and end dates. This corresponds **to approximately 3 months** (including the end date)

Dear Kaunchita,

I write further to the hearing which took place at the Edmonton County Court on **30/05/2018**The Court ordered that Simon Cordell should undergo a medical assessment by the community legal team by no later than **13th June 2018**

Speaker: 02:31 To my understanding

Speaker: 02:34 Hm.

Speaker: 02:34 That the application h
been put onto me, what actually initia
happened is there was a lady judge a
brought the court into the um, to the
just as you come around the stairs. L
little court room on the left there and
little room and then going into the co

Speaker: 02:49 Ok.

Speaker: 02:49 she basically dealt w
case. I was just wondering if you coul
by telling me what Judges they are an
what court numbers they are as well.
I'm building my report and I want to p
information in it and on first time Lem
first application in which is from Enfie
and he
falsified the paperwork inside off all c
have all the evidence for it, 100% to p
he, he that he will get done for his targ
Malice which is a 12-year sentence.

Speaker: 03:14 Yeah. And I would lik
brought forward to him yet. And what
problem is, I explained to this judge, s
an um, she was like a fair skin colore

And I explained to her in that courtroom what Lemmy had done, she decided to abuse her position as a judge. And she forced us to go through them force the paperwork through the court and eventually I kept proven what I was saying was right and I think a few others, what she did was she let other judges deal with the cases that were between. Now she's the one that initiated this file and allowed Lemmy to do what he wanted. Now, Lemmy has continuously filed cases and the points and the judges have been dropping it out for silly reasons like tired or something and that because they know if I get to the point of going to show the truth and it's gonna be a lot more trouble than what it's worth, and that and now Lemmy and that she's forcing the paperwork through that even if the judge strikes the whole application, they would just change the dates on it and go back and repay for it to go back through again.

Speaker: 04:13 And then they are repeating the same thing, less abuse, a process, another process. And, and that's been allowed to continue by the directors of your court system.

Speaker: 04:20 [Staff Noise in the Background] [inaudible].

Speaker: 04:20 And I'm concerned about what the judges have actually allowed this to happen. Now the other day I had the police come to my house and they tried to Nick me and activate an injunction. I was on the phone to a gentleman called Paul who was being quite polite, he was being very polite, thought helping me out, he was speaking to me and just doing what's best for both parties, basically [inaudible]. And what I've noticed was that the police came to my house and try to activate the injunction and go to the police station. I've proved that they were wrong anyway and fabricated, but I've got video evidence proving that I was innocent. That someone come into the affidavit, they took from one letter box, and they have activated that, and they've told me that then not to activate the injunction for that and let me go back home afterwards.

Speaker: 05:02 So now I'm concerned about the judge, knew this judge, she goes, she allowed this to happen in the beginning. On the 30th I was supposed to have another judge, but I think he seen how much trouble I was in there and told her to clean up her own mess. She's gone into court and she's waiting [inaudible] and let a new barrister in. She's pretending she was all friendly to me, but her true intentions were to try to kill me in

courtroom and abuse our powers and prison when she knew the truth from beginning and throughout and she's been informed by all the charges of what is on her case that she opened up and all happen. Now I want this Judge struck register yes and I don't play about, yes already got the Directors of Enfield and Green going to court with me and we'll the Old Bailey, and I was going to leave alone, but I'm at a stage where I'm going to this court and prosecute against this well now. Yeah, for what they're doing and what's not what's not right. It's all and they shouldn't be abusing their power such a way. So, I was wondering if you give me with the list of the judges that have my cases, and I'll give you another class as well.

Speaker: 06:03 Right. You need what to do. Write in. you will have to write in

Speaker: 06:07 Ok.

Speaker: 06:07 And the date that you hearing or the orders done, you need and say right. I need the list of the judges actually dealt with my case.

Speaker: 06:17 Can you tell me who judge is now? You can just tell me off computer. You can see her; I will come the offices if I have to with all of the people and we will cause a big commotion down

Speaker: 06:26 Right, where the order the last order that you got with a name

Speaker: 06:29 The last order Yeah. I a lady that attended what went into the She opened up the first injunction and up all the upper injunctions. Now she allowed this to happen thought in my

Speaker: 06:41 Yes, have you got the front of you.

Speaker: 06:41 Year I have made all the books for the orders.

Speaker: 06:45 Yeah, but what I am saying that the order in front of you would have names of all the judges that done deal

Speaker: 06:51 That's what I'm saying

Speaker: 06:51 Na, what it has is, Na is; I have got a book here for litigation process, the English legal process and book to fill out. Any applications, civil and everything. Now, I can, I've got the litigation 2016 and 17 book in front of shows me where the stamps and the should be how to fill out the forms and should be happening,

Speaker: 07:11 but we're not talking. You want to know what Judges actual with your case.

Speaker: 07:17 That's who, that's who. That's who signed, signed, sealed. That's the court clerk. That can be any person.

Speaker: 07:23 No, no, no. That's right. You have to do, like I said, you have to do.

Speaker: 07:28 I've got it in front of me. I've got it in front of me right now, and the paperwork. Tell me any page, or I should go to the court. I made all special for them.

Speaker: 07:36 **There dead.**

Speaker: 07:59 Sir, I have to cut this because I'm on the counter and someone is waiting for me. What you need to do, write in and ask for all the judges that your case, your list of their names. Yes.

Speaker: 08:11 It's this injunction order now.

Speaker: 08:13 you got another injunction have you before that, year.

Speaker: 08:15 No, I've won every case.

Speaker: 08:17 Okay, so what's the name on that injunction order that you got?

Speaker: 08:20 I've got, I've got here case numbers, and I won each one. I've got the first case number in your case.

Speaker: 08:45 Ok, that is one.

Speaker: 08:45 Yeah,

Speaker: 08:45 I've got loads of them

Speaker: 08:50 yes. But this is what's happening. It's.

Speaker: 08:53 Yes, but what you need is highlight on your order that you have orders highlight the Judges

Speaker: 09:00 I have Yeah, I've done already.

Speaker: 09:01 Right.

Speaker: 09:01 and I've copied all of pictures and then I've got a.

It's Mr. Cordell speaking and because I found a whistle blowing po procedure that sort of Enfield Council has told me to phone up on and that t is the fraud line and that you will be a handle any fraud that is outside or de an employee for the company? I have beyond reasonable doubt that an em acted beyond, beyond what the comp

procedures and that he has breached contract that he has signed into with. He's invaded my privacy and breach my life, and he has put me in threat of my not acted within fair process and acted in a manner towards me. I've had to make a website and I've put recordings on and the evidence up on the website and I'd like to be able to go through with a person. Is that possible please?

Speaker: 01:11 Yeah. shh. hold the line. I can do a second what I can do sir is I can put you through to HR department.

Speaker: 01:23 To what department?

Speaker: 01:25 HR.

Speaker: 01:26 HR. Okay. Okay. Human Resources. Is that where you are and?

Speaker: 01:32 yeah. Human Resources.

Speaker: 01:32 Non auditable

Speaker: 01:36 And who is it that we're speaking to?

Speaker: 01:38 That is the general line for human resources so they can check the employee.

Speaker: 01:44 What about a, okay. Human Resources is normally had Julia Macnega. Is that correct? Resources Operations Julia Macnega. Enfield 020 83793970. Eight three seven nine three seven zero.

Speaker: 01:59 I am just looking now. I will check this now for you quickly.

Speaker: 02:03 Julia Macnega.

Speaker: 02:06 What's the name?

Speaker: 02:07 He's Julia Macnega. J. M. I. M. N. A. G. H. Is it possible to speak to her please?

Speaker: 02:20 Yeah, she, she's it is. She is in a conference call at the moment. I'll put you through to the other line.

Speaker: 02:26 Okay. What is it put on? I'm happy to wait for her. Is it possible to put you through somewhere else in the meantime? The director of resources or with Ian Davis is even been speaking to the chief executive, I've been speaking to Heather Littler, I have recordings of her, and she's completely fouled the whistle blowing. When I've informed her of what her employee is doing below her doing, I'm very concerned. I'm putting me a fear of my life and I would like to see if some investigate it at the same time.

Speaker: 02:55 What's her name?

Speaker: 02:56 I'm Heather Littler is the executive admin and she's, she's, she's a secretary I believe yourself,

but she's, she's at the, um, at the child level. I've been speaking to her so I can talk to Ian Davis in Regards because he's the head of the company and uh, and the recording of what she's been promising me are just void of any disheartened promise's, and.

Speaker: 03:20 ok.

Speaker: 03:20 I feel that I've been let down completely. I'd like to speak to Ian Davis or somebody at director if that is possible. Christine Webster, the risk assessment manager, the management PR for the company because the company should be risk assessed and the procedures should be risk assessed. I don't feel that my case has been treated. We need to be in procedures either. So even speaking to Christine Webster, head of internal audit or risk management, would do me fine at the moment present.

Speaker: 03:46 Yeah, she, she is in a meeting well. I am just checking let me just check if she would be out soon just a second fast.

Speaker: 03:53 I'm close to having to go down to the term to the civic Center room to make this much more formal than what we are actually having, and I believe that that is going to cause a lot of problems for people around the Christmas period if I do so. So, if we could have this behind closed doors in a more confidential and informative way, I make sure that both you and your employees, are happy and satisfied. I'm happy. I'm happy too. I'm, I'm happy to have a settlement in some form of manner, but I don't seem to have solicitor firms in place, I'm not concerned about them or I'm at a stage where I would like Pacific members that are a subcontractors for, for the Civic Centre as their legal department such as Luvu. I believe that she's corrupt and has engaged in misconduct as well. I'm with foul play when she's been informed, she's not following the under the whistle blowing procedures that and in accordance to the company memorandum or statute of Article.

Speaker: 04:51 Okay. I'm just checking for you sir, but he has been away for the time being.

Speaker: 04:57 Okay.

Speaker: 04:57 umm

Speaker: 04:58 I'm sorry, the I'm on the line speaking. I'm sorry. I'm going through a bit of a rough time yourself I know that It's not something I can do like to do

Speaker: 05:04 it's a Lot of information trying.

I'm very conc about this and I'm very concerned tha that I'm still being treated at present, employees are still working inside of t company in dealing with people's per other than mine.

Mr. S Cordell is due to report back to the Police Station on 5th February 2018.	

Y. The County Court Order made at the Lower Court by District Judge Cohen **05/02/2018**. Paragraphs 1 and 2 of the order directed the Claimant to file and serve an affidavit of service of the Claim form, and to serve by First Class Post a copy of the affidavit and notice by no later than 4pm on **09/02/2018**.

1+ The Defendant has made threats to the Claimant's employees on **09/01/2018** stating that he knew where they were living and threatening one of the employees that he should watch his back. The employees are concerned by the threats made and would like the interim injunction order to be varied to prevent the Defendant from approaching the Claimant's employees at their place of staff work and personal address.

2+ The application to vary is supported by witness statements of Mr. Mwambi dated **02/02/2018** and

3+ Ms. Mudhub dated **05/02/2018** and the order.

--

4+ The Defendant has breached the terms of the interim injunction order on **24/01/2018** by harassing and intimidating one of the Claimant's employees by calling his work number on two occasions.

5+ The telephone calls constituted the harassment and intimidation causing the employee to put the phone down after the first phone call, but the Defendant continued to call again.

6+ The Claimant therefore wants to request to be arrested in light of those incidents.

7+ The details of the telephone conversations are covered in the affidavit of Ms. Maunula dated **05/02/2018**.

1+ 4) On 24th January 2018 the Defendant contacted me at work twice by telephone using an anonymous number. The first call was at approximately 16:50 and stated he was Simon Cordell. He said that Lemnani must go to prison, he also stated that he had stripped our computers without our permission. He also added to have in his possession some of my colleagues' emails, named [redacted]. The Defendant further added to have

emails that witness protection has sent him. I then proceeded to tell the Defendant that I was going to terminate the protection and I put the phone down.

1+ The Defendant telephoned me again approximately 16.53 on an anonymous number and left a voice recording the contents of which are as follows:

2+ "It's Mr. Cordell, I think that you put the phone down on me when I'm explaining to you what the people that you're in breach of are doing illegally to me. Lemmy understood what he was doing, I've recorded the conversation with Lemmy since the witness care team told you a lot of things and there's no case to answer against Mr. Marshall and you decided to make a possession order. That possession order says that I'm not allowed to have possession order for having printed pictures of them in the back garden now cause they won't tell me what conditions I'm on. I'm not of, basically I've got Lemmy on record who admits to doing certain things and I'm sure he should go to prison for what happened and you as his manager should say something about this you're the one who told him to do it and I'm gonna see you and I'm gonna serve you lot my court report, I'm taking this case up to judge for review cause this lower court doesn't have the ability to deal with this case as it's fraudulent activity and the sentence should get 25 years you should be in prison ? in public office, that is more than 25 years sentences that's what I believe they deserve for breaching your statute and the evidence I've got on you, I'm contacting, I'll see you in court "

3+ The voice mail would be made available to the Court. The Defendant's acts constitute acts of harassment and intimidation and is therefore in breach of paragraph 3 of the interim injunction Order.

--

Si Note

+ more I never took out.

--

We would therefore ask the Court to consider the application in light of the recent interim injunction and to commit the Defendant to an appropriate sentence.

Z. The Enfield Council was told to file an affidavit of service of the Claim form, serve by First Class Post a copy of the application notice by no later than 4pm **09/02/2018**.

Additional breach of the interim injunction following an incident which occurred in 2018

1+ A Court hearing on this matter took place on 01 May 2018 and the Defendant displayed aggressive and threatening behaviour towards me, one employee at Enfield Court. Balbinder Kaur Geddes and Mr.

Page 145

2+ Mathiyalagan who is one of our witnesses in the committal applications.

3+ Such behavior was also displayed towards District Judge Taylor and members of the public and security of the Edmonton Court

4+ On the day our case was called at and the hearing proceeded in the Defendant's absence. The Defendant's mother eventually arrived at 10.25 came into the Court room, he kept saying 'I'm not meant to be here, this is not what should happen'. He then shouted out that the Defendant was conniving with me and Enfield as we wanted to keep him prisoner at home. He also stated that the Court had no jurisdiction to hear the case as it wished to be heard by a jury. District Judge Taylor then responded by saying that it was a civil matter, and he cannot

5+ The Defendant then turned to me and handed a file of paper at me and said to me that he knows that I went to Westminster and he also threatened that he was going to destroy me.

6+ He also accused me of killing his son and destroying his life. He continued to shout abuse and swore at everyone including the judge.

7+ As the Defendant continued to act aggressively and disrespectfully, District Judge Taylor asked the Defendant to calm down; he refused by calling her a corrupt judge, told her to get up and swore at her. He was coming towards Mr.

8+ Mathiyalagan (one of the Claimant's witnesses in the injunction and cohabitation application) in an aggressive manner stood up between them to stop any further altercations. Two security guards

9+ entered the Court room who asked the Defendant to calm down and to sit down. However, he became even more aggressive and asked for their name, he also said he would find out where they live and will contact their families. At that point District Judge Taylor ordered a short adjournment and asked the Defendant to calm down.

Page 148

10+ While waiting in the corridor outside the Court room, the Defendant kept shouting abuse at me, Mr. Mathiyalagan and the other people waiting in the Court corridor. We decided to go to the other side of the waiting area with Ms. Geddes Kaufman and Mr. Mathiyalagan to avoid further abusive behavior from the Defendant; however, we could still hear him from the other side of the Court.

11+ The Judge called the parties back into the Court room and directions were made including a

the hearing to 30 May 2018. As I left the building with Ms. Kaur Geddes and Mathiyalagan, the Defendant, and Lorraine Cordell was waiting outside the Court entrance, on the other side. The Defendant started shouting at us. I then spoke to the Defendant and told him that he was ruining people's lives by his conduct.

12+ The Defendant tried to come after me but his mother held him back.

13+ Because of his threatening and abusive conduct, I had to take a different route to my car to avoid the Defendant and ensure that the people who were with me were safe. Ms. Kaur Geddes was a party to the application and a separate witness statement was provided of the application.

14+ notice is being provided by her.

15+ The above incident constitutes a breach of the injunction order, and I would like this to be added to the common law application dated 20 April 2018 and considered at the hearing on 30 May 2018.

- **Si Note:**

1+ This did not happen on this day. What really happen is I and my mother arrived at the court and we may have arrived late that would be with good cause, my mother phoned the court to explain why we were late and that we would be arriving shortly.

2+ I was upset with what the Enfield Council staff had been taking part in and were supporting my [neighbors](#) to attack me.

3+ I knew that I had not committed any offences that I had been getting scared. I understood why the council and police would not support me by doing a full investigation and that was to aid in setting up what they had started e.g. the threats and other Court Orders and this was to slander my name in the public to undermine me thought court proceedings that they had brought against me fraudulently.

4+ I went to Court well prepared and my mother but because of the abuse in the process I knew that if I stayed quiet I would get robbed of my home and Mental Health Sectioned and forced to take tablets. This would make me think that the time was running backwards or that I could see signs that I was not really present or make me think that I had been banging on my [neighbors](#) front doors when I had not.

5+ What I had done was ask my mother to the Enfield Council and the Metropolitan Police Force to stop the bad thing continuously getting done to me and the reason I done this was because I did not want to get in trouble partly because I had seen the paperwork that was inside the Asbo folder and knew that I would get compensation and that would sort a few things in my life out.

6+ As I walked into the court not attending the prior court cases. I was 100% sure of what he had been doing to me and I had never done any of the things that he was accusing me of.

7+ I had a clear understanding of the situation that had brought me to the court and I also saw Lemmy and knew that he was taking me up to try and get the Court appointed in different ways. I knew that I could prove that I had not done anything and it could also be evident that I had not been helped by Video evidence.

8+ As angry as I felt for Lemmy and the Judge Mathiyalagan's I felt for the Judge. He made many telephone calls to the Lower County Court prior to this and I was angry with them in respect of them allowing the applications to continue after the application got struck out and I had explained to them about not getting served.

9+ To prevent them walking all over me, I stood up for what was right and spoke up to let more people than they would hear the ongoing at the time in a roundabout way.

10+ The Judge knew that I had told them where I wanted, and they had already taken the Mental doctor route to get out but I had shut the avenue down.

11+ On the way out of the Court, my mother and others had waited for me and I was to leave the court and this is 100% what happened, when we were leaving the Court, Lemmy started on me. I can't remember what he done, I might have marked it in my diary but the bottom line of things is that he never bit to him trying to lead me instead. I crossed the road with my mother and she would have shouted at me and I did not need that of her in public in Edmonstone. Lemmy seemed to imagine even now that he was trying to get the Court Order that he wanted on me so, bad that he forgot that everything was illegal.

I made 2 calls to Simon's mobile to try to talk with him about his health and Police wanted to simply offer support. There was no answer.

t/c I spoke with Simon's mother [she was well with bad back] **because Simon was not talking to me.**

Simon believes that since he met me that he wanted him to be in hospital.

Mother informed me that Simon was not at the moment; she said he was doing his own thing. Mother informed me that Simon's contact was on **17 Nov 2016.**

She said that Simon wants to move from his current property and will require support from me. He believes that if he moves, he will run into a lot of kind of problems he is going through.

I advised mother to ask Simon to apply for Housing and I added EIP will be willing to write a supporting letter.

So, he then called her and he did get to speak to Sarah Fletcher yes, he was upset due to what was going on and said many times he was upset that she had not called, and spoke about the CCTV camera.

The 1st Injunction Order Dated: 00/
INDEX

This is a copy of the Council's memo
telephone call on that day: --

- | | |
|-----------|--|
| 1+ | I received a call from Simon Cordell at 109 Burncroft Avenue at approximately 1.20pm. |
| 2+ | The call was transferred by the customer services team informing that Mr. Cordell wished to discuss a housing option show to move. |
| 3+ | I took the call- he sounded agitated and said that he had a few things that he wished to discuss with me. |

		4+	He said he was calling in response to a letter that I had sent him requesting the removal of a CCTV camera that was installed on the inner communal door on the ground floor of the block. He informed me that he would not be removing the camera as he believed he was legally allowed to have the camera.
		5+	as the communal area was his.
		6+	I explained that he was in breach of tenancy conditions as permission had not been sought or granted for the installation and he could not install anything in the communal area as it belonged to the Council.
		7+	He maintained that his neighbour in another block had a camera and had taken the Council to court about it. When I won the case, I responded that I could not comment on other cases, but his position remains as per the letter. That the camera was in breach of tenancy conditions, was an invasion of the privacy of other residents in the block, it points at the outer communal area and should be removed by Friday 10 November or the Council will remove it and charge him for the cost of doing so.
		8+	He then said that the camera was not in the communal area so it didn't need to be removed. I responded that it did still need to be removed.
		9+	His voice was raised throughout the exchange, and I had to ask him to calm down and lower his voice more than once.
		10+	He then said that he wanted to move to finding out about moving to a new address.
		11+	He proceeded to give me a full history of his experiences with the police.
		12+	and previous housing management issues.
		13+	and alleged that 'Jackie', who had previously lived above him and was his immediate neighbour on the floor, had victimised him over a period of time and that he had done nothing wrong.
		14+	This history was very full
		15+	and it was difficult to get a word in because he was so worked up

16+	so, I let him relay the information as it seemed like he wanted to get out of his chest.
17+	He was very derogatory about the current and previous housing staff who had signed a request for an Asbo applied against him.
18+	I told him that I could not comment on the previous action taken.
19+	He then came on to more recent events and stated that there had been a recent incident between him and another resident where she had shouted at him out of her window because of him starting up a scrambler bike in his garden. He maintained that he was very courteous during the exchange, but the police came and arrested him because she told them that he had threatened to kill her and that he had been put in a mental hospital, had won his case in court and
20+	was able to go home as of today.
21+	He said that he wanted me to give him 'points' so that he could move.
22+	I explained that his best means of moving would be through a mutual exchange, but he was adamant that he did not want to do this and wanted to move in the same way that he had moved into this property 1 1/2 yrs. ago by being given points.
23+	I explained that a transfer was unlikely based on what he had told me so I said that I could look into the possibility of giving him points.
24+	He said a lot about his perceived victimisation by his neighbours.
25+	and expressed that he felt that I should have a duty to protect him.
26+	I explained that I had a responsibility to all residents living at Burncroft Apts.
27+	and took the opportunity to mention that I had received some reports about antisocial behaviour by him that I needed to discuss with him.
28+	but suggested that we leave that discussion for today.
29+	He then put his mother on the line (she had been trying to interject throughout the conversation) who said she wanted to know why I had not responded to her messages to call her.

30+	I apologised for this and explain have been very busy,
31+	but that I needed to know whether had written permission from Mr for us to speak to her
32+	she said that there was a written recorded on our files in 2015
33+	Mr. Cordell asked her what I was her and when she replied that I was querying permission
34+	I clearly heard Mr. Cordell say and aggressively "I am goanna do over" and then "I am goanna take just for fun".
35+	I informed Mrs. Cordell that I had overheard these remarks and then ending the call.
36+	She said that her son had now left room and she was talking to me repeated that I would be ending and that she should put what she wanted to say in writing to me.
37+	Sarah Fletcher Neighbourhood Officer.

A. I do not believe that it is justified to have a meeting before the formal complaint is taken with as stated many points in your letter have been covered in my formal complaint dated **24/11/2016**, also until I have subject access request information with and have a list of dates and times so-called complaints were meant to have taken place and the reports from them have been sent to Enfield Council. RE: Formal Complaint dated **24/11/2016**

To Whom It May Concern:

A. I am writing this letter on behalf of Simon Cordell of 109 Burncroft Avenue, Waltham Cross, Herts, SG12 8JQ.

B. Over the past few years my son has been having some issues with his neighbours. This started due to what the police wrote about him in the newspapers about an ASBO that was granted by the lower courts in 2014. In the newspaper the truth was not printed. In the newspapers or on the Met Police website the judge did grant the ASBO order on the grounds the police case was fair. I am still trying to work on how this was

this day, this was not related to his neighbours why the police took this was due to lies by the police, this waiting an appeal hearing at the court which will be held **Jan 2017**

- C.** It was after this was printed in the and on the met website my son still have issues with neighbours banging time and the way they were treating talking about him and not letting him any rest to sleep due to the banging time emails were sent to Enfield Council very little was done yet my son has footage of it which the council has wanted to see or take any reports made his health suffer, I feel this is what the police have been telling Council and Enfield Council just the word of the police without asking myself to explain as since all this Enfield Council has not wanted to way, could this be due to the color son's skin as I am lost for words that Council has done nothing to help.
- D.** My son has been a tenant for many with no complaints about him until started above, and things were put newspapers for all to see when my done nothing wrong and will prove appeal in **Jan 2017**
- E.** The police do not like my son and for the past 21 years and there is a lot that Enfield Council is not aware of police and my son this is getting a with the IPCC and police complaints are now sorting out legal action as this has done to our lives over the has been ongoing the legal action time due to how long this has been with the police.
- F.** There is also a subject access request attached to this email which I am everything Enfield Council hold in about in regard to my son, this will include any police reports that they have handed to Enfield Council. It to be handed to the correct department deal with this or there is a cost please advice via this email, I have also included letter of authority from my son so his behalf.
- G.** I do already know there is data being Enfield Council that is not correct to be able to get this correct under protection act.

- H. On the **14/08/2016** my son had so round to his home they came then 13:30 hours, after they left the police up at his address to arrest him this to one of the neighbours said my son gone out in his garden at 17:10 hours up at her windows and made threats this person lives 3 gardens down the road from my son on the 2 floor at 105 Burncroft Road, JQ, this is impossible as my son did not go out in his garden he was with his 4 friends there baby in his home all day and they were taken while they were at his home. Friends have made statements to the police that they did not leave his flat until around 18:00 hours, not long before the police came to his son's home. I Miss L Cordell even went around his flat as he needed some things. In fact, my son does not go out of his home this has been for some time now and he is being treated.
- I. When he was arrested on the **14/08/2016** my son was held in the police station under the mental health act and did not get interviewed so was put on bail until **04/10/2016** when he was due to go to the police station to be interviewed.
- J. On the **04/10/2016** my son was getting ready to go to the police station at his home for me to pick him up to return, when I got a phone call from my son to say the police was again at his home to arrest him this was around 1 hour before he was due to be at the police station. He came to his flat and was told by the police that they wanted to arrest him I told them he was getting ready to go to the police station on bail to return, the police again arrested my son for criminal damage due to something his neighbour said who lives above him. In fact he had not been out of his home he was in the bath when the police came to his home.
- K. Both cases for the **14/08/2016** and **04/10/2016** were dropped by the police as no case to answer was done on the
- L. **15/11/2016** with no case to answer as my son, yet my son was victimised by false accusations put against him and he was arrested.
- M. My son is scared to go home due to what his neighbours are doing and saying and putting false allegations into the police, if they really don't want him to live there they will do anything they can to get him out of there.
- N. On the **16/11/2016** I tried to speak to my son's housing officer Sarah Fletcher

what could be done and update her. As this was ongoing her phone was set to do not disturb so I asked for an email to be sent for her to call me as a matter of emergency, no one returned a call back to me.

- O. Since the **16/11/2016** I have been calling every day to speak to Sarah Fletcher. Her phone is always set to do not disturb so I have asked for emails to be sent for her to call me back as a matter of emergency, I even asked to speak to a manager or any person in their team. It seems all their phones are set to do not disturb so I asked for emails to be sent for a call back, no one called me back. I was told that the police had been in contact with the council and that Sarah Fletcher would talk to me about this when she called. This was on the **21/11/2016** and I was told that Sarah Fletcher would 100% call me the next day.
- P. On the **22/11/2016** I went to my son's flat and there was a letter from Sarah Fletcher dated the
- Q. **18/11/2016** which was to do with the CCTV camera my son has outside his front door. This CCTV camera does not impose on a person's rights, it does not show a person's front door who lives in the flat or the windows. In fact, on the **14/08/2016** the police went to my son's flat to check the camera when they noticed the CCTV camera they ripped the wire out and since this did not work this is also getting added to the police. In the letter Sarah Fletcher said the CCTV camera had to be removed by the **25/11/2016** or Enfield Council would be responsible for the CCTV camera and costs would be charged to my son for any repairs, but there is none. At seeing the letter, I was angry as it seemed Sarah Fletcher could have had time to write this letter but not call me. Each email that was sent said it's a matter of emergency, I speak to her.
- R. I tried to call and again like each other time it takes an hour or over to be able to speak to anyone, due to being busy. I was cut off to leave my son's flat and was told to call again later.
- S. When I got home, I showed my son the letter from Sarah Fletcher he himself was angry for some reason as me that she could have had time to write this letter but not call us but then called this time he did get to speak to Sarah Fletcher and yes, he was upset about what has been going on and said it

he was upset that she had not call them back. When they spoke about the CCTV camera, my son said he wants to appeal it has been taken down. They also spoke about my son being moved out of his flat to a new flat. Sarah Fletcher replied she cannot do anything to do that and the only way for my son to move was by way of housing minister. My son should sign up to that and nothing can be done. My son did not explain fully what was really upset. Sarah Fletcher advised that there had been complaints previously from my son but said it not the right time to address this and that would be addressed at a next time, so it seems that Enfield Council does address complaints from other residents but not my son or on behalf of my son. I am still waiting for replies to complaints that were put in **2014** and **2015** about my son's neighbours.

T. After my son spoke to her he passed the phone, I asked why she had not call me back and was told that it not my turn to speak which I replied there has already been a letter of authority sent to Enfield Council some time back I believe it was made between **2013** to **2015** this was sent and was more than one of them sent with evidence to prove as they were sent via emails which I still have, which gives me Miss Fletcher authority to deal and speak to anyone at Enfield Council on behalf of my son. My son would be on their systems as it was on his phone and I knew they had it. My son at the time of the background also said I have authority to deal and speak to anyone at Enfield Council as it's on their systems.

U. Due to my son speaking in the background, I went to a next room to speak; my son went into the room and was going on about the letter of complaint about what was going on and that she could end up losing her job if she did not deal with this complaint. When I was at this Sarah Fletcher said she would no longer talk to me that my son had made threats towards her and told me to stop writing what I wanted to say put the phone down.

V. I feel at this time Enfield Council is not doing anything to help my son they don't want to speak to me so I can explain fully what is going on. My son is under the early intervention team, and they are waiting to help my son get moved as they think they have seen what is going on. They v

this by way of writing a letter to Enfield Council if asked to do so by Enfield Council.

W. I would like to speak to someone who can help me. My son cannot be left like this and my son is suffering due to all of this. My contact number is 000

X. I would like to find out if Enfield Council is willing to move my son due to the information in this letter and the help of the early intervention team.

Y. I would also like full dates and times when my son's neighbours have put any complaints in and what they have said he has done and on what date.

Z. I would a full report of any police reports that have been given to Enfield Council and any police about my son.

AA. I would like information as to how much it would cost about removing my CCTV camera and if it is allowed not to remove it until this situation has happened, as so far this is the only way it has proven my son has done nothing wrong.

Regards

Dear Daniel

		A. Thank you for the update but why has it taken so long to arrange? if you have a senior Manager within the Housing Neighbourhood Team was going to be needed to address this then why has it not already started? B. My son is being left in a situation where he should not be with no update and the housing is doing anything at all about moving him. I think my son has suffered enough which has caused his health to go downhill and this cannot be allowed to go on any longer. C. Will I also be invited to go to the meeting to see what is being said about my son and what will be done after all the meeting is about my son so feedback with my son's interest should be given. so far it seems everything is being done on my son when my son has done nothing wrong. D. I do know there are issues that need to be addressed but leaving my son in that place he does not feel safe in and he has suffered since 2014 is not acceptable. E. Also, I still have not heard anything from the people that are meant to be dealing with the subject access request. I am sure if a payment will be needed to process this or if not if the data has already started to be processed so I will wait for the data. Could you please update me on this? Regards Mother

Dear Daniel

- A. Is there any update to the below from what you updated me with? The meeting is due to take place tomorrow and I would like a reply to know if I am invited to this meeting seeing as I will be talking about my son?
- B. If I am not allowed to go to this meeting I would like full minutes taken so I can get the subject access request to know what has been said.
- C. No one has also yet even spoken to my son the only thing you have given me are letters, emails and calls that he has made. So how in this meeting are you people going to a full understanding of the situation since 2014 no reports have even been taken from my son as to what he is doing on going and how he is suffering.
- D. I also still have not heard anything from the person dealing with the subject access request and would like to know the outcome.
- E. And I would like to know if any decision is being done to move my son out of the situation he has been left in since 2014. As I think at this point this is the most important part to get my son moved out of somewhere else where he will not suffer any longer and hopefully get help for his health.
- F. It does seem Enfield Council is more worried over the formal complaint than removing the situation my son is being left in, which has said it is affecting his health. I cannot understand what is being done and more time is being asked for, yet no updates given on the situation my son is being left in. In the case nothing is going to be done to move my son and he is just going to be left where he is to suffer even more.
- G. I would be most grateful for any help.

1954,

Dear Ludmilla, Lyavoo

- Could you please forward the housing management transfer application that I called me about last night **15/08/2018 10.00 hours**, as I have the mental health team meeting with me regarding the like-to-like section in the application.
- I have not yet seen the application that I filled in for my son by Enfield Council. I would like to see it before it is submitted to the broad tomorrow.
- Also, would it be possible to get a copy of the Council's guidelines and policies for the management transfer application, I do not have a copy but want to make sure I have the correct one.

- As you are aware at court it was stated to fill an application in by today, but it was stated as to what application it was, and it was found out the application had to go to the council so all the wrong information went to the judge, and as you are aware what the judge regarding a 2 bedroom and Lemmy said to the judge that my son would get one, then what the judge said to Lemmy regarding a 2 bedroom.
- I do not want my son placed into a new home that is not going to be appropriate, I want what is right for him, after all his health has gone downhill due to all the court cases and what the neighbours were and are still doing to him. Enfield council took no notice of the harm he was living in all they done was believe the neighbours, then on top Enfield Council was basically telling the courts there was nothing wrong with my son's health even though I was telling Enfield Council since the start of the emails the impact this was having on my son regarding what the neighbours were doing.
- I want Enfield Council to take this seriously from now on far where my son has been concerned. They have only blamed him for everything and gone one sided and never heard what my son had to say.
- I believe if Enfield Council had done the proper investigations, they would have seen a lot more going on here then what the neighbours was saying, but Enfield Council only listened to the neighbours without wanting to know the facts.
- My son has to be re-housed, and I want it to be done correctly even if more time is needed and this is not taken to the panel until it is done.
- I do want it done as soon as possible. I don't want what the neighbours are still doing, I don't want things rushed by Enfield Council because I now know, they have done wrong and I want beaches regarding my son I want it done correctly.
- As stated I want the mental health input. They are willing to give it as it seems since the first complaint in they do not seem to want to deal with me as stated to you outside the court but that is being addressed and I am not calling back today regarding the housing. I have spoken with a few people over the last week regarding this, but due to a change with the people dealing with my son and I have given a named worker yet it has been a while.
- Also, can you tell me if I am allowed to attend the panel hearing and also maybe a mental health worker if they are willing to attend.
- I will await to hear from you today.

Regards
Lorraine Cordell

Dear Mrs Cordell,

Re: Simon Cordell- 109 Burncroft Ave
Enfield, EN3 7JQ

- We write further to your emails, enquiring about the progress of your son's management application.
- We advised you by email on 16/08/2018 that Simon could make a management **transfer** application **and if successful**, the **transfer** could be made on a like for like basis.
- **We explained that as Simon lives in a bedroom flat, he will be transferred to a property like the one he currently has if his application is successful.**
- You explained to us that in view of his health problems you did not feel that a **transfer** was appropriate and asked that he be **transferred** to a supported accommodation or to a larger property.
- We explained to you that for the Community Safety Unit to consider such an application **would need to have the Mental Health Act involved.** You then explained that Simon was given an appointment to see Dr Benyamin at the Enfield Community Mental Health Centre on **31/08/2018**, and it was agreed that the management **transfer** application **will be held until the next Panel meeting on 28/09/2018**, to allow time for the Mental Health assessment to be carried out.
- We have since been advised that Simon will attend the scheduled appointment and will engage with the Mental Health team.

- As this meant there was no report to management **transfer** application the Community Safety Unit was unable to application on his behalf.
- **The Panel would require medical evidence** support of an application for a support accommodation or for a larger property did not have one by the date of the last meeting on 28/09/2018.

Complaint 05/12/2018

On behalf of Mr Simon Cordell of

- I am writing this email due to issues I have regarding a member of staff who works for Enfield Council by the name of Mr Lemmy Nwabuisi the Anti-Social Behaviour Coordinator since 2016 when Mr Lemmy Nwabuisi the Anti-Social Behaviour Coordinator started working for Enfield Council he has been working on investigations relating to my son Mr. Simon Cordell.
- In this time not once has Mr Lemmy Nwabuisi the Anti-Social Behaviour Coordinator seen my son's side to the alleged allegations regarding what the neighbours have said about my son.
- Mr Lemmy Nwabuisi the Anti-Social Behaviour Coordinator has taken one side to the alleged allegations without any investigation. Mr Lemmy Nwabuisi it seems has taken one

everything that has been said and that of the neighbours, Mr Lemmy Nwabuisi told many times we have information would proof my son had not done this have been stated by the neighbours Nwabuisi the Anti-Social Behaviour C knows my son does not leave the flat this, and also told that if he wanted to meeting with my son he could do so v there to have a meeting to hear my son has never got back to me regarding his meeting at my son's home because he wanted to, which I am sure if someone vulnerable person where was the duty where has it ever been for my son?

- I believe Mr Lemmy Nwabuisi the Anti-Social Behaviour Coordinator just through to that my son is in the wrong he is a vulnerable person I will put pressure on him and without even thinking there is 2 side to
- And just blamed my son without even talking to him this is how it has been since Mr L

Page 4386,

- Nwabuisi the Anti-Social Behaviour Coordinator starting working for Enfield Council.
- I also feel Mr. Lemmy Nwabuisi has taken information and not relayed it back to me many times regarding my son's health to the courts. Information is being passed on obtained relating to my son which should have been passed to 3 parties or used for this be allowed.
- There are many other points and failures that have been allowed to happen and this should stop.
- I will be drafting up a full complaint or statement and submitting it, but this will take a while to draft up as I have got to go back some time.
- Mr. Lemmy Nwabuisi also had my son on the 09/01/2018 and even though we have met many times, even my own son's solicitor cannot understand why he was the person investigating my son.
- When his case was part of the court action being taken against my son by Enfield Council this is against the law that someone is investigating something within their own home and it breaches many other things.
- At this point in time, I want Mr. Lemmy Nwabuisi taken off dealing with anything to do with my son or related to him, I feel he has not done his job correctly and feel he has not investigated anything which would prove my son had nothing wrong and only wanted to blame everything, I have asked this before and he has nothing back regarding this.

		▪ But it has got to the point in time that to happen. ▪ Could someone please get back to me as possible regarding this? Regards Lorraine Cordell

I Received a Letter

From the court this morning: --

I received a letter from the court this morning with the order from the judge at Edmondson court that got ordered on the 15/08/2018. To my surprise a different order to which was drafted between the claimant the Enfield Council and my solicitor inclusively of my motion had been changed for a different document then after sent to the court and sealed. I next to me never had the electric machine working and I had to call mother to come and give me a hand to get to the other side nearby. I also asked mother what was with my cases and getting free while getting justice against those who have illegal cases myself. Thought the day I got a couple of stamps that were deliberately done to my head to where I am working on my head in the front room.

Subject: RE: Mr Simon Cordell.
109 Burncroft Avenue, EN3 7JQ

Dear Andrea Clemons

- Today the MP's aid for Joan Ryan, Alev Cazimoglu sent me a copy of your letter dated the 12/12/2018, I am shocked to see the letter written within it and the misleading information being passed over to the MP Joan Ryan.
- It was not agreed on the condition that Lorraine Cordell should engage with mental health services and provide medical evidence.

support the housing management **transfer** application.

- The court did not state this, so I do not know where this is coming from.
- I also do not understand where it is claimed that Mr Cordell had to provide support from the mental health services to support the management **transfer** application, as he has not done this, he was never meant to do this and the management **transfer** application was completed by Enfield Council to the panel on the 17/08/2018 and it was referred to the panel on this date, but this was to be considered at the next panel meeting which would have taken place on 28/09/2018, which never happened.
- The reason for it being deferred was so that Miss Lorraine Cordell could try and get support from the mental health team, which I have never said I have, so it therefore should have gone ahead to the panel on the 28/09/2018, **which I do not have emails to prove this.**
- **I also do not understand why Enfield Council is stating supported accommodation is being asked for as this was never asked for.**
- I did however state in court that a 2 bedroom flat would be better as my son could have support with him so he could get support from the council. I have never said I am his carer I have said a lot of things that Enfield Council is saying I have said.
- It was stated in the court order.
- UPON the Defendant's mother Mrs Lorraine Cordell, confirming that she will engage with the Claimant and assist the Defendant's neighbourhood officer in making a housing management **transfer** application on or before 16 August 2018.
- UPON the Claimant agreeing that it will support the housing management **transfer** application as quickly as possible after being made.
- AND UPON the Defendant's mother agreeing to engage with the Enfield Mental Health team so the Defendant could receive assistance with his mental health conditions and housing.
- The order was to be agreed with my son's solicitor upon being drafted by Enfield Council but my son's solicitor was on annual leave therefore did not reply to Enfield Council until she came back on leave, but when I emailed her, it came back that she was on annual leave so Enfield Council was told of this.
- Upon her return from annual leave her email order was sent over to Ludmilla Lyavchenko but my son's solicitor never had a reply by

Ludmilla Lyavoo regarding her amended order but some days after the amended order was sent over to Ludmilla Lyavoo, it seemed it was sealed at Edmonton Country Court. It was not agreed on which was Enfield's drafted order, which we never agreed on. It is misleading as to what was said in court.

- I believe a lot of what was said in court was being told and misleading information. What was said, maybe someone should ask Ludmilla Lyavoo what the judge said when Ludmilla Lyavoo said she would go for a possession order to the judge because she did not get what she wanted.

Page 4447,

- There is also the fact that my son was sectioned in Hospital when he was sectioned on 25/10/2018, it was the hospital that discharged him on the 15/11/2018 due to not getting section 3 on my son they wanted, that was on the 14/11/2018, my son said as soon as he knew they were not allowing the section on 14/11/2018 that they would kick him out of hospital, as this is what they did in 2017. The next day the 15/11/2018 that is what they did. They kicked him out of the hospital, yet my son was willing to stay and build trust up with the hospital and the mental health team, which has broken down due to what has been ongoing for a long time.
- Which in fact would have been a lot better if he had been allowed to stay in hospital. What they wanted maybe by now they would have built up trust with the doctors and team. What Soohah Appadoo wanted to do was to say that there was a real problem with trust. He stated this at the appeal on the section 3 hearing.
- On the 16/11/2018 I myself spoke to Soohah Appadoo on the phone, but since that time I have heard nothing from him. This is what is called support put in place when my son was discharged from hospital.
- This misleading information needs to be a breach of the data protection act. I look forward to hearing from you regarding this, please let me know your reply as I did not get a reply from you on my last email, I sent to you.

Lorraine Cordell

- Ms lyavoo explains that she contacted Trishna Kerai, of Stuart Miller Solicitors, a caseworker instructed on behalf of Simon Cordell on 10th August **2018** and emailed her the draft order.
- Ms lyavoo did not hear from Ms Kerai. She emailed her again on 13th August **2018** and asked that she provides her agreement.

I had to put all the emails into date order by opening the images then OCRing the images to text, when doing this a lot of the images were so faint in print that I had to analyse the documents and manually repair the images to text by hand, while filing and indexing the information.

When I got set up by [Cristine and Carron](#), I got taken to the police station and then to the St Ann's Mental hospital **00/00/2016** and this is when I stopped working on my festival paperwork and started to put all my time into documenting down what was getting done to me. Soon afterwards I needed a filing system, and the government was undermining me behind closed doors so, I decided that I will build a website to show more people what was illegally getting done to me to help protect myself.

I turned the website on public view while in chase farm hospital to stop Doctor Greenside and others robbing me of my life, just after the **25/10/2018**.

Once I got realised from the hospital and without ever having a Mental Health diagnosis.

I continued document my evidence down and placing it in my website. On the **26/01/2019** my birthday my mother gave me the missing emails and more information that had got requested from government computer that was held in my name. the emails that she given to me I had never seen prior, and these emails spread all over the years that I had already documented and were important to simulating my past events in my life rather than ruin my indexes and other work I rebuilt the lot again.

The 1St Possession Order

a. Once I had found out about what was going on I decided to give the telephone numbers on the paperwork and record the conversation with my dictator. I spoke to a man called Lemmy Nwabusi.

In them conversations we talk about

- What my [neighbors](#) had been doing to me and what he could do about stopping them.
- The Asbo, Lemmy lied and denied ever knowing anything about the Asbo application. He done this so he could serve the possession order against me that he and his colleagues had just forged in aid of them robbing me of my

home while allowing me to continuously get harmed by members of my housing estate and all while keeping me detained on Asbo conditions that was created in the same company, same department as he was then employed by, the Enfield Council.

Lemmy Nwabusi had spoken to my mother about the Asbo in emails prior to me chatting to him.

I asked Lemmy Nwabusi if he would go into the files in his office and find the Asbo files and take a close inspection of them and report his findings so, that the Asbo restrictions against my person could be removed.

I made a reference towards the Victim statements without any signatures all wrote in a 3rd perspective view and the inaccurate time stamps in the Cads from the 999-call dispatch system.

At the same time my mother was in communications with the Enfield Council by way of emails in respect of

XXXXXX XXXXXX XXXX

My mother was chatting to a man named as Daniel Ellis who is an employee of the Enfield Council, and his position is **Communications and** XXXXXXX

Daniel Ellis had gotten asked in an email subject access request for all information in respect of the Asbo to do with myself and the council's reply was they did not have anything to do with the Asbo and therefore do not have the files to do with it. This is a lie and can proved to be a lie for the following reasons.

After I had spoken to [Lemmy Nwabusi](#), he went to the Asbo files and overlook all that I had explained to him and took one of the most horrible pages out of the application and placed it in the 1st Injunction order

This page had got given to my mother after I had walked out of the Lower Magistrates Court at the Highbury and Islington after hearing a guilty conviction.

The page had subliminal threat messages made from it. The Court

clerk who put his name to the document and then after handed it to my mother had himself or allowed another member of staff to mod its context of text to say "Attend Court and Dis Us and We Will Re-Man." On the day that my mother was handed the document she even got upset and handed it back to the court clerk for it to get recertified to me understand she called the subliminal threats to me and any solicitor I asked to represent me who would notice the page on the first pages of the Appeal folders "Spelling mistakes" The paperwork was not amended when my mother requested for it to get done.

I never knew about this page until much later, when I was on bail conditions to stay at my mother's house because of the alleged Christine & Carron and Stain Case and the Georges Bike Case. When at my mother's house she had to go to my solicitor firm who was then on acting on my half, "Michal Carrols office" to collect the folders as they did not want to represent me through the whole case and tried to get taken of the records as my acting representatives [twice at the courts](#).

I had not been allowed access to building the response folder at this stage as my solicitor dd not want me to attend her offices due to disagreement about the way my case was getting managed.

I disputed with her the fact that I wanted to submit all the fraud that I could prove, and she did not and also, because she said that I was wrong about section (s144 LASPOA) and the police needed to prove trespass to use section 63 of the raves bill 1994. Josie seemed to have convinced my mother that I was wrong in my point of law, and therefore my mother and Josie, who was my solicitor, built everything without me. I keep sending my mother proof of section 63 and the need for trespass to be present by way of email until she realised that I was correct and questioned Josie as can get seen by emails. **00/00/0000**

[Michael Carols](#)

When my mother brought the Asbo folder home from my acting solicitors so, we could apply for Legal Aid for the Appeal stage.

I had a chance to add some files into it, so I spent the next day before my mother sent them away again to write a few documents of my own and I got my mother to place them into the response bundle and therefore they are contained in the back.

I still had not noticed the Subliminal Threat or the spelling mistakes as my mother called them, by this stage.

On the **17/11/2016** the alleged The Christine Carron and Stain Case and the Georges Bike Case were all dropped, and I was allowed to go back home but I still never went back until the **23/12/2016**.

In this time, I had

The Asbo placed against me illegally My [neighbors](#) attacking me while I was in my home every day.

Got arrested For the Christine and Carron and Stain case when I had done nothing wrong and everything they had said was completely made up.

I got arrested and not interviewed or told why I was detained for 2 days and without a superior police officer extending my 24 hours stay and then taken to St Ann's Mental Hospital without reasonable cause, Because I never got interviewed once I got out of the hospital, I had to return to the Edmonton police station on police bail. In the morning of the day to return to the police station to find out who had set me up and what for I started to get attacked again by the [neighbor](#) in 113 Burncroft Avenue while in my Barth. I went up to his front door to be civilised, but he had no respect for my life and had been hurting me every day almost since he moved into the flat as he wanted to be a copycat killer and I was his victim. The police arrived at my front door and arrested me for criminal damage to George's bike. I got charged and taken to court and realised on bail conditions to live and reside at my

mother's home while court proceedings continued.

for their lies and put into a mental hospital

When the 1st Injunction order was not served to myself, I received copies of the documents of my mother as they were emailed to my mother.

- PDF Page 53 and in context has a marker pen page number saying page 258

text to say "Attend Court and Dis Us and We Will Re-Man."

- **The 2nd Injunction Order**

Part of the reason that this application was created is because I made a telephone call to Lemmy who worked for the Enfield Council.

I made this phone call after winning the case at the Lower County Court on the 00/00/201

The police soon afterward arrived at my front door and arrested me. While in the police station

The employees are concerned by the threats made and would like the interim injunction order to be varied to prevent the Defendant from approaching the Claimant's employees at their place of staffs work and personal address.

The application to vary is supported by the witness statements of Mr. Mwabuisi dated **02,02.2018** and Ms.

Mudhub dated 05.02.2018 along a draft order.

The Defendant has breached the terms of the interim injunction order on 24.01.2018 by harassing and intimidating one of the Claimant's employees by calling her on her work number on two occasions. The telephone calls constituted threats, harassment and intimidation causing the employee to put the phone down during the first phone call, but the Defendant continued to call again. The Claimant therefore wants the Defendant to be arrested in light of those incidents.

The details of the telephone conversation is covered in the affidavit of Ms. Maudhub dated 05.02.2018.

85,

Dear Dr Scurlock,

- A.** I am the solicitor in conduct of a claim for an injunction against Mr Cordell and write in response to your email to Kaunchita Maudhub on 15th June 2018.
- B.** I would need further clarification on the content of your email and hope you will be able to respond as soon as possible as a hearing has been listed on Tuesday 26th June 2018.
- C.** You explained that you have been trying to see Mr Cordell but he has not attended the assessments offered to him although he has phoned the assessment team.
- D.** Can you please confirm the dates of the assessments offered to Mr Cordell and details of the conversations that were held?
- E.** You mentioned that he had contact with various mental health teams and had one brief admission on the Haringey assessment ward in August **2016**.
- F.** Will it be possible to have details of the contacts held and the assessment that was carried out?
- G.** If possible, we would like a detailed history of the contacts/ admissions so we could provide the information to the Court.
- H.** You suggested that a report is to be commissioned from a Consultant Forensic Psychiatrist from North London Forensic Service as this is not something you would provide.

	I. Can you please confirm what would the report achieve? J. If this is not a service you could provide, why did your department contact Mr Cordell and offered him an assessment in the first place? K. I look forward to hearing from you. Kind regards, Ludmilla Lyavoo 86,87,88,89

1. Introduction

- * This is Enfield’s Housing Allocations Scheme. It tells how we assess applications for housing and allocate rented homes owned by Enfield Council and partner associations to households on Enfield’s Housing Register.
- Enfield is a very popular place to live. Many people rent from a Council or housing association in Enfield. We expect demand for socially rented homes in Enfield to increase as a result of the current economic climate and cuts in public expenditure including government housing reform policies.
- We have a severe shortage of housing. Just under 100,000 households are looking for this type of home through the Housing Register. On average 400 households join the Register each month. We expect to let 730 homes each month of which only 165 homes will have 3 or more bedrooms.

- We are committed to increasing the supply of homes in the borough and our 15-year Housing Strategy describes plans for doing this.
- Most people on Enfield's Housing Register will not be offered a Council or housing association home. This means we need to consider other housing options. This would include low-cost home ownership schemes and renting from a private landlord.

2. Enfield Council's Aims

- * Enfield's Housing Allocations Scheme has been developed in a way that supports the Council's aims of:
 - Fairness for all
 - Building Strong Communities
 - Growth and Sustainability
 - Fairness for all
- * Fairness for all will be demonstrated in the following ways through the Allocations Scheme:
 - Setting the Allocations Scheme within a wider context of advice and options approach
 - Assisting applicants with a disability, older people and those with support needs to apply for housing through the Housing Register
 - Enabling housing applicants to exercise choice through our choice-based lettings system and taking preferences into account when we make direct offers
 - Maximizing the supply of accessible homes for people with a disability
 - Enabling everyone to understand how social rented housing is allocated through:
 - Having a revised Allocations scheme that is transparent and reasonably simple, clear, consistent, understood and accessible
 - Explaining who makes decisions, how long applicants may have to wait to be housed
 - Managing expectations and raising awareness by providing facts and figures about local provision and the amount of housing available for letting
 - Monitoring and publishing better quality information about the people we house and the properties
 - Explaining what is being done to increase the supply of social rented housing

3. Building Strong Communities

- * Building Strong Communities will be demonstrated in the following ways through the Allocations Scheme:
 - Addressing severe overcrowding within social rented homes
 - Supporting households back into work and creating a more balanced mix of residents on every housing list in the borough.
 - Requiring housing applicants to have a local connection with Enfield to be considered for affordable and social rented homes in the borough.

- Developing local lettings plans to address specific needs on estates or neighborhoods.

4. Growth and Sustainability

- * Make best use of social rented homes by:
 - Addressing under occupation o Bringing empty homes back into use quickly o Regenerating Council-owned estates
 - Enabling tenants to participate in mobility schemes

5. Enfield Council's Values Are:

- *One Team* – Working together across teams, departments and partners to deliver the best services for Enfield's residents.
 - *Customer First* – Treating the community, colleagues and partners with fairness and respect, listening and responding to their needs and designing our services around the people we serve.
 - *Achieving Excellence* – Consistently striving to meet the highest standards of excellence through ambition, creativity, innovation, pride in our achievements and a 'can-do' attitude to new challenges.
 - *Empowering People* – Enabling our staff and the community to make informed choices and give feedback. Staff the skills, knowledge and confidence to improve services, take personal responsibility, accept criticism and recognize success.
- * We are committed to continuously improving our services, options and advice services and actively embedding our values within our services to improve customer satisfaction.

6. What We Took into Account When Devising Enfield's Allocations Scheme

- * As well as Enfield's aims and values, a wide range of documents including national and regional guidance, legislation, local strategies and consultation feedback have been taken into account when putting together the Allocations Scheme for Enfield. These are set out in Appendix 3.

7. Enfield's Vision for Housing in The Borough

- * Enfield has a vision for housing in the borough which is set out in its 15-year Housing Strategy. The vision is:

❖ "Increase The Supply of Well Managed, Good Quality Affordable Homes; Promote Housing Choices and Build Stronger Neighborhoods"

The Aims of the Strategy are:

- **Aim 1:** Address housing need and provide personalized housing advice, options and choices

- **Aim 2:** Increase housing supply to meet the needs of local people
 - **Aim 3:** Improve the quality of homes in neighborhoods and contribute to strong communities
 - * Enfield's Allocations Scheme makes an important contribution to achieving these aims.
- The Aims of Enfield's Housing Allocations Scheme***
- * The aims of Enfield's Housing Allocations Scheme

8. To Have A Scheme That Is Clear And Easily Understood By Everyone By

- Adopting a simplified points scheme for assessing housing need and quotas for allocating social rented homes
- Increasing the number of demand groups from 3 to 5 to make it clearer who is being allocated social rented homes
- Publishing a clear summary of our allocations scheme and make it available at our offices and on the council website.

9. To Ensure Social Rented Homes Are Allocated in A Flexible, Efficient And Accountable Way By:

- Following legislative requirements, case law, regional and local strategies and policies
- Monitoring lettings and publishing better quality information about the people we house and the homes we let
- Using information technology to register and allocate housing applications online
- Improving customer satisfaction by putting in place better systems, processes and procedures for applications and allocating social rented homes
- Reviewing annually Enfield's local priorities for social rented homes

10. To Ensure the Scheme Allows the Council and Its Organizations To Make Best Use Of Enfield's Social Rented Homes By

- Keeping nomination agreements under review
- Putting in place reciprocal arrangements with housing associations where the council has approved emergency or exceptional transfer because of harassment, domestic violence or hate crime
- Addressing under-occupation and severe over-occupation within social rented homes

11. To Enable Housing Applicants to Have A Choice Of Council Preference About The Social Rented Housing They Want To Live In By

- Managing expectations about the availability of social rented housing in the borough by providing applicants with sufficient information to help them make choices about where they live from a full range of options

- housing options including social rented homes, affordable home ownership and private rented accommodation
- Minimising the use of accommodation provided by Enfield Council for households owed the full housing duty under the homelessness law
- Taking applicants' preferences into account as far as possible when making direct offers
- Enabling applicants to exercise choice through a choice-based lettings system

12. To Assist in Building Sustainable and Cohesive Neighborhoods in Enfield By

- Giving priority to households with a local connection
- Regenerating our Council-owned estates
- Supporting households back into work and creating a more balanced mix of residents on every housing estate in the borough.

13. Enfield's Statement on Choice

- * Enfield's Allocations Scheme has been framed to enable applicants to express preferences in the type of property, area in which they wish to live, and between the Council and housing associations as landlords.

Choice is enabled through:

- most vacant social rented homes being advertised through the Choice Based Lettings system, Home Connections
 - applicants' preferences being taken into account as far as possible when the Council makes them a direct offer
 - many, but not all, categories of housing applicants having the opportunity to receive more than one direct offer
 - Information being published regularly on the website of the Council and the Home Connections on the number of vacant social rented homes in the borough including where homes were located, the type of homes, the categories of applicants were housed, how many were let by choice-based lettings and how many were let by direct offer, approximate waiting times for different categories of applicant. This information will enable applicants to compare their own circumstances with those housed and understand better their own chances of being housed.
-
- In the context of a severe shortage of Council and housing association homes in Enfield and the concentration of socially rented homes in the east of the borough, it may not be possible to fulfil applicants' preferences.
 - Enfield expects applicants to be flexible, consider compromises and decide what is most important when making decisions about their preferences for a social rented home: that is, area, type of housing and preferred landlord.
 - The penalties for refusing offers are clearly set out in the Allocations Scheme. For example, applicants who think they can hold out for a house rather than a flat in the borough of their choice may find their housing application is refused. If they refuse offers of accommodation the Council

are reasonable and meet the needs of the applicant household.

14. The Following Circumstances Outline Where It Is Particularly Unlikely That the Council Can Fulfil Even Some of Applicants' Preferences:

- Where an existing Council or housing association home is to be moved urgently
- Where the applicant needs accommodation which becomes available, EG, wheelchair-adapted accommodation or homes with 4 or more bedrooms
- Where an applicant has not engaged with the choice-based lettings system and the Council has decided to make a direct offer

15. Reviewing Enfield's Allocations Scheme

- There will be an on-going review of Enfield's Allocation Scheme during the first year of operation. Minor amendments will be agreed by the Cabinet Member for Housing and Area Improvement to address practical issues revealed by the on-going review or made necessary by further legislation or case law. Major changes will be reported back to Cabinet at the end of one year.

16. Valuing Equality, Diversity and Accessibility

- Enfield has one of the most diverse populations in London and the council is working hard to strengthen and sustain sustainable communities and neighborhoods. We value our diverse community and will seek to ensure all applicants have fair access to the Allocation Scheme and the services we provide.
- We have carried out a comprehensive Equalities Assessment of our Allocation Scheme which is available on Enfield's website: www.enfield.gov.uk/housingpages/equality
- A summary Housing Equalities Report is produced annually which describes the people who apply for and are allocated Enfield's council and Housing association homes and is available on the Council's website.

17. Accessibility

- In order to ensure that everyone is able to access advice and assistance and, where appropriate, bid for housing through our choice-based lettings system, Connections, we provide the following:
 - **The Housing pages of Enfield Council's website**
 - (a) Enfield's website has been built to be accessible to people who are hard of hearing or visually impaired. It is compatible with popular screen readers and can be navigated easily using a series of keyboard shortcuts
 - (b) For those that have difficulty reading, have limited English or for those for whom English is not a first language, Enfield's website has text-to speech technology. All web pages can be translated into one of 65 languages

(c) For those with visual impairments the website is designed to allow you to select the colour scheme you find easiest to view such as black on white or black on blue.

○ **Literature**

(a) Information is available to download from the Council's website and from Home Connections.

(b) Letters and documents can be translated on request into the language of your choice if English is not your first language.

(c) We provide quick guides which show you how to use the internet online, over the phone or via text message.

○ **Access to the internet**

- We know that not everyone has access to a computer or the internet. There are a number of places across the borough that people can go to in order to access the internet for free. Internet access is available at all Enfield Libraries. Website information on internet access and computer hire in libraries is available at this address:
http://www.enfield.gov.uk/info/442/libraries-computers_and_the_internet/227/internet_access_and_computer_hire_in_libraries
- Other places where you can use a computer to find out about housing options in Enfield include:
 - (a) Enfield's Housing Options and Advice Service
- For those who have never used a computer before or want a quick refresher course the libraries also offer courses on how to access the internet.

18. Finding out how social rented homes are allocated

- Enfield's priorities for allocating social rented homes are reviewed annually and published on Enfield's website at www.enfield.gov.uk/socialhousingpriorities
- We will report on the outcomes of our Allocations Scheme and publish information on the Council's website so that our applicants, residents and partners can understand what we are doing and how well we are performing.
- You can go to Appendix 1 to find out facts and figures about the amount and location of social rented housing in Enfield.

❖ **How to apply to Enfield's Housing Register**

- Most people can apply for housing by making an application to join Enfield Council's Housing Register. There are some rules that mean that some people are not able to join the Housing Register. Information about who is not eligible to apply is set out later in **section xx**.

- Every application for housing is considered and decided in accordance with this Allocations Scheme.
- Tenants of Enfield Council or tenants of housing associations living in Enfield who wish to move to a socially rented home are assessed, prioritised and registered on the Housing Register in the same way as housing applicants.
- Applicants to whom Enfield Council has accepted a house because they are homeless are automatically registered on the Housing Register.

❖ **Where to obtain a Housing Register application**

- ❖ Housing register application forms can be obtained from:
 - Enfield's website: www.enfield.gov.uk, go to the Housing Register Section (then go to Advice to Find a Home) where you can download and print off a copy of the Housing Register application, complete it and send it to the Housing Assessment Team at the address shown below
 - Enfield's Customer Services Team by calling 0208 362 2000
 - Housing Advice and Options Service at John Wilkes House, 179 High Street, Ponders End, London EN3 4EN
 - Enfield's main office at the Civic Centre, Silver Street, London EN1 3XL
 - Enfield Homes at 36-44 South Mall, The Edmonton Centre, Edmonton
 - Green, N9 0TN, Tel: 0800 40 80 160, Email: info@enfieldhomes.org
- Completed Housing Register forms should be returned to the Housing Assessment Team at John Wilkes House, 179 High Street, Ponders End, London EN3 4EN.
- **If an incomplete application form is received, it will not be registered.**

Enfield's Housing Allocations Scheme – November 2012
Page 15 of 120

19. The Future – An Online Assessment And Registration Service

- * During 2013, we will be replacing paper applications with an online service to apply for social rented housing with an online housing registration and assessment service. The reasons for this are:
 - To make it easier for customers to apply for housing at a time that suits them.

- Customers will receive a faster assessment of their application and chances of getting a council or housing association home.
- Customers will be provided with information about the available options on a full range of housing options.

20. Rights of the Applicant

- * Our Allocations Scheme has been framed to ensure that every applicant has the right to request information to enable us to assess:
 - How their application is likely to be treated under the Allocation Scheme. In particular, whether they are likely to be regarded within the reasonable and local preference categories.
 - Whether a home appropriate to their needs is likely to be made available to them and, if so, how long they can expect to wait to secure a successful move.
- * We will also ensure that applicants are:
 - Treated fairly, with respect and without prejudice.
 - Notified in writing of any decision made regarding their application for rehousing and the grounds on which the decision was reached.
 - Given the opportunity of review against decisions made in respect of their application. For further information regarding reviews go to [section XXX](#).

21. What do we expect from Applicants?

- * In this Allocation Scheme we will outline what our applicants can expect from us, but there are also some things we expect from them:

22. Honesty

- * We will be honest with our applicants. We will keep them informed of the progress of their application and we will explain any decisions that we make, including how we reached them. In turn we expect applicants to be honest about their circumstances so that we can fairly assess their need and ensure they receive the right housing accommodation. Social housing is in very short supply, and we will do everything that we can to ensure that best use is made of it.
- * Applicants must:
 - Provide all information requested that is, or may be, relevant to their application for rehousing
 - Advise of any changes in circumstances. This includes, but is not restricted to; o any changes to their household including change of tenure o the birth of a child
 - the removal of someone from their application o the addition of someone to their application

- If we discover that the applicant or someone acting on their behalf have willfully supplied false information or failed to provide us with information that is relevant to their application in order to gain a social rented home, we will immediately cancel their application.
- If the applicant has obtained a social rented home through the Housing Register and it is discovered that the applicant or someone acting on their behalf has supplied false information or failed to provide us with information that would have been relevant to the applicant's ability to occupy that social rented home, we will work with their landlord to end the tenancy.
- **It is an offence to obtain, or attempt to obtain, a social rented home by deception.**
- **S.171 of the Housing Act 1996¹¹ makes it an offence to knowingly or recklessly provide or withhold information when applying for housing and subsequently if the circumstances should change.**
- **Anyone suspected of giving false information or withholding relevant information is also liable to be prosecuted and fined up to £5000.**

23. Courtesy

- We will always be polite to applicants and treat them with respect. We ask that applicants treat our staff in the same way, and verbal or physical abuse will not be tolerated. Anyone using abusive, racist or derogatory language will be politely asked to stop. Failure to do so will result in a warning. Should this behaviour continue, we will communicate with them in writing or may instead cancel their priority or cancel their application depending on the severity of their actions.

24. Requesting, Sharing and Verifying Information

- Where an applicant has been assessed and may be given priority under Enfield's Allocations Scheme, the Council may seek further information or supporting evidence from a variety of third parties. In applying for housing in Enfield, the applicant gives the Council permission to share information with third parties and make further enquiries to facilitate the assessment of their housing application.
- In order to offer the applicant appropriate advice and assess their application, it may also be necessary to contact those people or organisations whose details have been provided in addition to any other relevant parties. Details may also come to light during our enquiries. This may include:
 - Cross checking the information given by the applicant against the full Register of Electors of the London Borough of Enfield or any other Council.

- Cross-checking the information given by the applicant with other Council sections e.g. Housing Benefit, Council Tax and other Council and Benefit Agencies.
 - Contacting current and previous landlords.
 - Sharing information with partner Housing Associations (Registered Social Landlords).
 - Cross checking with data matching companies such as Experian or other credit reference agencies. These agencies will record details of any search made and whether or not the application proceeds.
 - Other third parties considered relevant to the assessment of the application.
- Applicants may also be asked to provide further evidence in order to verify the information given to the Council. This includes but is not restricted to.
 - Photographic proof of ID (passport or driving licence).
 - Proof of any welfare benefits claimed
 - Birth certificates for each household member on the application.
 - National Insurance Number.
 - Proof of current and/or previous addresses (utility bills, bank statement, Council Tax payment book).
 - Proof of income (pay slips for four weeks if paid weekly, last two months if paid monthly), a letter from employer confirming their annual salary; tax returns and business accounts to evidence self-employed income.
 - Passport size photo.
 - Immigration documents.
 - Information regarding property ownership.
- * Failure to provide information requested when requested to do so may result in the following outcomes:
- a delay in finalising the assessment of the application
 - the application being cancelled if information is not provided within 4 weeks
 - an offer of a social rented home being withdrawn if the information required is not provided within 24 hours
- * Applicants would then need to submit a new application if they wanted to reapply to join Enfield's Housing Register
- * Where appropriate, any information provided by the applicant may be shared with partner housing associations (registered housing providers or registered social landlords)

25. Assessing and prioritising applications for housing

26. The Law

- * The law requires all local authorities to have an Allocations Scheme for determining priorities and a procedure to be followed in allocating social rented housing in their districts.

* Under Part 6 of the Housing Act 1996¹ (as amended) Enfield's Allocations Scheme is framed to ensure 'reasonable preference' (also known as a head start) for some applicants. They are Summarised below:

- People who are homeless
- People occupying insanitary, overcrowded or unsatisfactory housing
- People who need to move for medical or welfare reasons, and
- People who need to move to a particular location for example to be nearer to special medical facilities

* Enfield Council also has some groups of applicants who will give a local reasonable preference. These are:

- Enfield's Council tenants who need to move because of changes in welfare benefit entitlement and can no longer afford to occupy their current home and need to move to a smaller home
- Enfield's Council tenants who need to move because their home is part of an estate regeneration scheme
- Enfield's Council and housing association tenants who are severely overcrowded because they lack 2 bedrooms

* Appendix 2 defines the housing circumstances which we will have regard to when awarding an applicant reasonable preference.

27. Who Is Ineligible for Housing?

- By law, social rented housing can be allocated to eligible people.
- * The following groups of people are defined in law as ineligible for an allocation of housing and are therefore cannot join the Housing Register:

28. People subject to immigration control

- People are not eligible if they are subject to immigration control, or they are a person from abroad which the Secretary of State has prescribed is ineligible. The following people from abroad who are subject to immigration control under the Asylum and Immigration Act 1996 unless:
 - already a secure or introductory tenant of the Council; or
 - an assured tenant of housing allocated to the Council; or

- in a class prescribed by regulations made by the Secretary of State.

- ❖ S166A(3) Housing Act 1996, as amended by S147 Localism Act 2011
- ❖ S160ZA, Housing Act 1996, as amended by S146 Localism Act 2011

29. People prescribed as ineligible for an allocation in regulations made by the Secretary of State unless

- already a secure or introductory tenant of a Council or assured tenant of housing allocated to them by the Council.

30. People prescribed by Enfield as being ineligible for allocation of social rented housing

*** Behaviour**

- (a) People who have supplied false or misleading information on their application for housing.
- (b) Any applicant who has paid money to obtain a tenancy with either the Council or a housing association operating within the Borough.
- (c) Any applicant, partner or other member of the household has been convicted of, or had legal action taken against them for violence, racial harassment, threatening behaviour, any physical or verbal abuse towards staff and residents in the applicant's neighborhood. Legal action here includes commencing of injunctions, notice of intention to seek possession, court order, revocation of licence
- An applicant who suffers from a mental illness and either been convicted or has had legal action taken against them as defined above shall not be ineligible if the offence in question was directly attributable to their mental illness. In these circumstances the Council will usually require medical evidence to help determine the applicant's eligibility.
- Applications from people excluded under this section need to demonstrate a change in behaviour. Usually applications under (1) will be reconsidered after 1 year and applications under (2) and (3) after five years, after which there has been no repeat occurrence. Early applications may be considered.

31. Assets, Income and Savings

- If an applicant or their partner owns a property or has a property or have enough assets (£50,000 savings or income (£70,000 – household with children or £40,000 single person or couple without children) to meet their housing need, they will be ineligible to apply for housing.
- The Council will review these financial limits during the first year of the scheme and annually thereafter.

8+ It is said by us that on the **00/00/0000** the following took place.

- More information on current financial limits is contained in Appendix 2

32. Applicants under the age of 18

- Anyone aged 16 or over (except those described as 'ineligible' for housing) can apply to the Council to be added to the Housing Register. Some landlords, however, may offer tenancies to applicants under the age of 18 if they have a guarantor.

33. Right of Review

- Applicants have a right of review against any decision by the Council to cancel their application from the Housing Register on grounds of ineligibility. See the section on Information, Review and Complaints which contains information on how to request a review of a decision by the Council.

34. Other things we take into account

- In addition to legislation, local authorities have to ensure that their housing allocations policies comply with
 - decisions made by judges in court cases (case law)
 - government guidance on how to implement the Housing Act
- * We will also take account of additional factors relating to the needs of the applicant. They include:
 - The urgency of an applicant's housing need
 - How long the applicant has been on the Housing Register
 - The financial resources available to a person to meet their housing needs
 - Other locally defined reasons
- * The severe shortage of social rented homes in Enfield means that the Council must make best use of housing stock in the borough by taking into account the availability and cost of all alternative housing options and solutions for an applicant's housing need.

35. Reasons for canceling Housing Register applications

- * Applications on the Housing Register will be cancelled or removed for a number of reasons including the following for the applicant
 - (a) Has been evicted because of rent arrears after being added to the Housing Register
 - (b) Has been involved in proven or alleged anti-social behaviour after they apply to the Housing Register
 - (c) No longer wants to be housed
 - (d) Has died
 - (e) Has had a change in their immigration status and is no longer eligible to be on the Housing Register
 - (f) Has been housed by Enfield Council or a Housing Association

9+ It is said by us that on the 00/00/0000 the following took place.

10+ It is said by us that on the 00/00/0000 the following took place.

IN THE COUNTY COURT AT EDMONTON

District Judge Dias
E00ED049

BETWEEN CLAIMANTS
THE LONDON BOROUGH OF ENFIELD
AND
DEFENDANT MR SIMON CORDELL

ORDER

hearing Solicitor for the Claimant and Defendant's mother, the Defendant's uncle, and the Defendant.

The Court reviewing the psychiatrist report of Dr. [redacted] dated **08 July 2018** confirming that the Defendant lacks capacity to litigate and/or capacity to understand the injunction order made on 09 January 2018.

The Defendant's mother Mrs Lorraine Cordell, will engage with the Claimant and assist the Defendant's neighbourhood officer in making a housing transfer application on or before **16 August 2018**.

The Claimant agreeing that it will deal with the housing transfer application as quickly as possible.

progress, and it was stated my son would need assistance due to needing someone with him.

is already trying to get away with this by saying which I see they are trying to do a 1-bedroom property.

5+ And UPON the Defendant's mother agreeing to engage Enfield Mental Health Unit team so the Defendant could receive assistance with his mental health conditions and housing.

The above section is wrong I did not agree to engage with Mental Health Unit team, so the Defendant could receive assistance with his mental health conditions and housing.

(What was stated I was dealing with the mental health team a complaint, and it was stated I would ask the mental health team they would help regarding moving Simon, this is being done. I cannot say my son will take assistance with his mental health conditions, due to the fact that will be down to him and not me. I will try and get him to get help, but it's not down to me if he takes it.

IT IS ORDERED:

6+ The interim injunction order dated **09 January 2018** be discharged forthwith.

It was stated it would be dismissed not discharged the judge said they if they wanted discharged or dismissed and they still want it dismissed,

I see now why they are trying to change this to discharge. As discharged means discharge is an unconditional discharge where the Court finds that a crime has technically been committed but that any punishment of the defendant would be inappropriate and the case is closed.

It has never been proven that my son done anything.

7+ The Claimant's claim and application for an injunction dated **January 2018**, the Claimant's applications for the Defendant's committal dated **05 February 2018** and **20 April 2018** and the Claimant's application notice dated **07 August 2018** be dismissed.

8+ The Claimant should serve a copy of this order upon the Green Police station.

This should be all police as it on record and if he gets arrested at any police station this can come up if it's not removed from the record.

There be no order as to costs save for detailed assessment of Defendant's publicly funded costs.

Dear Trishna,

- I write further to my email to you and Mrs Lorraine Cordell.
- Our allocation manager has advised us that as Mr Cordell is an existing council tenant, he is entitled to apply

for a transfer of tenancy and cannot make a rehousing application.

- I am advised that the application needs to be done via Mr Cordell's neighbourhood officer.
- I have emailed the officer and asked him to contact Mrs Cordell as soon as possible.
- Mrs Cordell is also encouraged to contact the Mental Health Team so they can support him with his MH issues and rehousing.
- I have amended the order to reflect the above and look forward to hearing from you.

Please see below a list of reports made against you: 1+ On 6th July 2016 it is alleged that you approached an elderly neighbor as he came out of his flat and started to shout abuse and swear at him and threatened to burn down his flat. 2+ Sometime in July 2016 it is alleged that you damaged the lock of a neighbor's electric cupboard and removed his fuse box resulting in no electricity to his flat. 3+ On 6th August 2016, it is alleged that you threatened one of your neighbors and his wife and	1+ It is said by us that on the 00/00/0000 the following took place. 2+ It is said by us that on the 00/00/0000 the following took place. 3+ It is said by us that on the 00/00/0000 the following took place. Statement Exhibit This information is extracted from our clients RIO Records held against him. The Rio Records were requested while the Now Claimant was inside of chase farm hospital and the first section of the FOI was given to him on his birthday which was 26/01/2019. Enfield Council pop up with new allegations that were never mentioned to me until I got put into Chase Farm Hospital 25/10/2018. They change Lemmy's 31 Allegations into 48. When in the Hospital doctor greenside never turned up to do an introduction assessment as he was on holiday and no other person would do an assessment stating the reasons for detention. Eventually he arrived and had the reasons for detention wrong so to keep detaining our client he used the neighbors claims that had never been proved in court and showed our client and his mother in the meeting a copy of the exhibited below that Enfield council had sent them and not

aggressively demanded money from him. It is also alleged that you repeatedly swore and shouted abuse at him and his wife and called his wife a 'bitch' and tried to stop him from going up the stairs to his flat by standing in front of him.

- 4+** Sometimes in **September 2016** it is alleged that you confronted an elderly neighbor outside your block of flats, 109 - 119 Burncroft Avenue as he was going to the local park with another resident and started to shout abuse and

threats at him and said to him 'I can get you over at the park, I know you go for a walk'.

- 5+** On **27th September 2016** it is alleged that you confronted one of your neighbors as he was returned to his flat with his family and threatened and swore at him and demanded money from him. It is also alleged that you later banged on his door, shouted further abuse and swear words at him and accused him of making noises inside his flat.

- 6+** On **28th September 2016** it is alleged that you aggressively banged on a neighbor's door and threatened and shouted verbal abuse and swearwords at them. It is also alleged that you aggressively demanded money from him.

- 7+** On **4th October 2016** it is alleged that you aggressively banged on your ceiling and accused one of your neighbors of making noises, you then went to your neighbor's flat and started kicking and banging on his front door aggressively, accused him of banging on the floor and was swearing and shouting abuse at him. It is also alleged that you later went downstairs, dragged your neighbor's motorbike from where it was parked and started to hit it with a piece of wood.

- 8+** On **22nd November 2016** during a telephone conversation between you, Mrs. Cordell your mother and Ms. Sarah Fletcher, **Neighborhood**

the claimant or his support network. It is also known by the council that all documentation they send to our client must be sent to his support network as well.

The initial reason our client was sent to the Mental Hospital was because Ludmilla Lyavoo Lawyer for the Director of Law and Governance had acted recklessly & in crime & prior but was not apprehended due to her fellow co dees in crime helping her evade justice so she could strike again by manipulating official document to suite her wrongful intentions.

It is said that Ludmilla Lyavoo sent the police to our client's front door to serve him a warning letter with no dates inside of it context after losing another forged court order in knowing she was committing a felony against the state and our client. The police involved arrested our client in the wrongful believe that he spat at them, but this was demonstrated to be inaccurate due to the police officer body camera footage displaying this incident. Enfield council and its employees sneaked this maliciously after committing fraud into our client RIO notes. She was in communication with our client mother and failed to tell her of these concerns, in fact she only talked about our client making a telephone call to her on the **18/10/2018** to which she wrongfully evaded the true facts of the conversation to avoid disciplinary actions for her own part in the crimes we exhibit as committed.

The Enfield Council and their team also understood that our client had been found not guilty as they had not managed to bring a case in 5 years of legal process against him to a trial stage and this was out of 3 of the same claims that were said not to be allowed to be re filed in

Officer, Ms. Fletcher reported that she overheard you threatened her by saying 'I'm going to do her over' and then 'I'm going to take her job just for fun'.

9+ On **8th December 2016**, it is alleged that you aggressively banged on one of your **neighbors'** front door, shouted abuse and threats and accused him of making noise.

10+ On **11th December 2016**, it is alleged that you aggressively banged on your **neighbor's** door several times and accused them of banging on pipes. It is also alleged that you shouted abuse and threats at them.

11+ On **14th December 2016**, it is alleged that you were verbally abusive towards a woman who was visiting one of your **neighbors** as she knocked on your **neighbor's** door.

Page 15

12+ On **23rd December 2016**, it is alleged that you banged on a **neighbor's** front door, shouted abuse at them and asked them to turn their tap off. You then removed their electricity fuse thereby cutting off their power supply.

13+ On **26th December 2016**, it is alleged that you ran up the communal stairs to the first floor and confronted one of your **neighbors** as he was going out with his family and started to shout abuse and threats at him and his wife and accused him of tampering with your water supply, you also attempted to stop him from leaving the block.

14+ On **3rd January 2017**, it is alleged that you confronted one of your **neighbors** as he returned to the block with his wife and two-year-old daughter and started shouting abuse and threats at them.

15+ On **21st January 2017**, it is alleged that you aggressively banged on your **neighbor's** door, swore, and shouted

court again after the first attempt that failed but yet the Government employees. All still refused to act fairly and in accordance with the law and instead they all listed as the liable attempted to use their powers of work to manipulate the true events even further and just for their own wrongful Sefl gains.

It is said that the Enfield Council Employees after losing the second injunction order acted in crime, rather than provide a new home for our client as the Jude Had ordered as they listed as the liable all committed even further crimes by manipulating the court order and by writing to our client GP again on the **17/10/2018**. As exhibit due to the Council using MHA to deprive our client of his life and property with forged notes that they added into Rio to requested for another Mental Health Assessment based on those forged notes.

17+ We received a report that on **7th February 2017** you approached the **leaseholder of 117** Burncroft Avenue and his plumber outside the block as they were attempting to resolve the problem causing low water pressure in the flat. You said to the leaseholder that there were problems between you and his tenants but did not give any specific details. The leaseholder explained to you that his tenants were experiencing low water pressure in the flat and you said to him 'you will not solve the problem as I am restricting their water supply'. The leaseholder later knocked on your door and asked whether you would increase the water pressure and you stated, 'I cannot do anything at the moment, I will sort it out later'.

18+ On **24th February 2017** Sarah Fletcher (**Neighborhood Officer**) and Steve Stirk (Maintenance Surveyor) attended your property at flat 109 Burncroft Avenue to inspect the property following reports of low water pressure from flats 113 and 117 Burncroft Avenue. While inside your flat, they observed that you have installed an iron security gate inside your front door. It also appeared to them that the wall between your kitchen and living room seemed to have been removed thereby creating an open plan effect. Much of the property was

ceased, and you refused him access. You then followed him to his car swearing and shouting abuse at him and prevented him from entering his car. He then called the police.

32+ On **11th November 2017** at 11.30am, it is alleged by one of your **neighbors** that you came to their front door, opened the letterbox, and peeped through it to see who was inside the flat. You then started swearing and shouting abuse and banging on their front door as soon as you saw the **neighbor's** wife.

33+ On **2nd January 2018** at 6.30pm, it is alleged that you stood outside your **neighbor's** property for more than twenty minutes swearing and shouting abuse. You went away and returned half an hour later, you lifted their letterbox, stuck your mobile phone through the letterbox and started to record his family while swearing and shouting abuse. This went on for about fifteen minutes.

34+ On **9th January 2018** at about 12.18pm, you telephone Lemmy Nwabuisi (ASB Behavior officer) and **accused him of forging documents to get an antisocial behavior order against him and you told him that he had made you a prisoner within your home.** You also stated that you knew where he lives in Enfield and that he and his family were not safe from you. You also told him that you would watch him leave the office and you would have followed him home and he needed to watch his back. You called the ASB officer again 30 minutes later and told him that you knew he has a flat in Edmonton and also knew that one of his colleagues' lives in Edmonton. You also stated

that you knew where they live, and they were not safe.

35+ On **9th January 2018** you called Kaunchita Maudhub (ASB Behavior officer) and left a long voicemail on her work telephone number and made threats.

36+ On **26th February 2018**, at around 11.45pm it is alleged that you came to one of your **neighbor's** front doors and started making loud banging noises and rattling with their letter box. You ran away after the **neighbor** opened her front door.

37+ On **1st March 2018** it is alleged that you knocked on one of your **neighbors'** doors loudly, you started rattling with their letter box and started shouting. This went on for 5 to 10 minutes, but you left after you've heard that the neighbor was calling the police.

38+ On **15th March 2018** it is alleged that you swore, shouted, and assaulted one of your **neighbors** in front of his wife and his 3 years old child.

39+ On **1st May 2018**, you attended the Edmonton County Court as there was a hearing listed in relation to an injunction. It is alleged that you started shouting abuse, swore and make threats to two of the Claimant's employees (Lemmy Nwabuisi, ASB officer and Balbinder Kaur Geddes, lawyer) and to one of your **neighbors** who attended Court to give evidence. You also swore at a judge. These incidents were witnessed by members of staff working at the Court.

40+ On **29th May 2018**, it is alleged that you attended one of your **neighbors'** properties; you took your dog with you and waited

by their front door. It is alleged that you tried to intimidate them as they were due to attend a hearing in the Edmonton County Court to give evidence in support of a claim for an injunction issued against you.

41+ On **30th May 2018**, it is alleged that you made threats to kill to one of your **neighbors**. The matter was reported to the police. You were arrested and released on bail.

42+ You assaulted one of your **neighbors** on the **26th of August 2018** for flashing his toilet.

43+ You telephoned two council officers (Lemmy Nwabuisi and Ludmilla lyavoo) on **12th September 2018** and made threats to them over the telephone. You also accused them of fraud and of fabricating evidence to support the Council's claim for an injunction

44+ On **12th September 2018** at about 3.50pm, you called one of your **neighbors** on his mobile phone using a private number. It is not known how you obtained his number, but he terminated the call. You called again using the same private number, but he terminated the call as soon as he heard your voice. You called repeatedly after that.

45+ On **24th September 2018** at about 11.30am, one of your **neighbors** returned home from dropping her daughter at school and as she entered their block of flat, she noticed that the middle door on the ground floor was open as

- well as your front door. As she went up the stairs to their

second floor flat, your dog came out of your flat and started barking at her. The neighbor had to run up the stairs to her flat to escape from the dog. It was reported that your dog is always barking whenever they go out or return to the block and the neighbor and 4 years old daughter are terrified.

46+ One of your neighbors reported that his cousin was leaving the block at about on **2nd October 2018** at 12.45pm, and as you exited the block, you followed him and suddenly grabbed his jacket from behind and tried to pull him to the ground. The cousin started shouting to attract neighbors and managed to push you off.

47+ There are other reports from one of your neighbors who reported that on **30th September 2018**, you attempted to break down his front door by kicking it several times only because he flashed his toilet.

48+ It is reported that you continue to harass and intimidate other residents on a regular basis.

I made an application today for a Warrant under Section 135(1) of the Mental health Act 1983/2007.

The District Judge was of the opinion there was insufficient recent evidence that he was being "kept under proper control" as he is living alone.

She further considered that there is insufficient recent medical evidence that "he is unable to care for himself" i.e., particularly his mental health, has he been prescribed / has he been taking it?

It could be considered that he is not going out to avoid accusations that he is in breach of his Tenancy conditions. There is a report dated **8.7.2018** which indicates that he may lack capacity to adhere to the conditions of an injunction against him.

The District Judge felt that there may be other legal options that could be used in preference to her issuing a S135 (1) warrant for which she considered there is insufficient evidence to consider he is unable to care for himself.

To gain the necessary evidence there needs to be a further Psychiatric assessment offered to Mr Cordell at a time when his mother might be available to facilitate the appointment as had been previously planned.

Margaret Garrod is associated with the **North London Mental Health Partnership** (NLMHP). This partnership comprises the **Barnet, Enfield, and Haringey Mental Health NHS Trust (BEH)** and the **Camden and Islington NHS Foundation Trust (C&I)**.

Their **five-year strategy** aims to provide cutting-edge, local, preventative, co-produced, person-centered mental health and well-being support to service users and communities in North London. The key goals include:

I am writing this email due to issues I have with staff who works for Enfield Council by the name of Mr. Lemmy Nwabuisi the Anti-Social Behaviour

Coordinator,

Since 2016 when Mr. Lemmy Nwabuisi the Anti-Social Behaviour Coordinator started working for Enfield Council, he has been working on investigations relating to my son's case.

In this time not once has Mr. Lemmy Nwabuisi the Anti-Social Behaviour Coordinator taken one side to these said alleged allegations.

Coordinator, come to see my son's side to the story regarding what the neighbours have put in writing.

Mr. Lemmy Nwabuisi the Anti-Social Behaviour Coordinator has taken one side to these said alleged allegations, 'Mr. Lemmy Nwabuisi it seems like you are taking everything that has been said and that is the way you are investigating,' Mr. Lemmy Nwabuisi has been told many times that my son has been told many times that the information which would prove my son had been stated by the neighbours.

Mr. Lemmy Nwabuisi the Anti-Social Behaviour Coordinator, my son does not leave the flat he was told that he wanted to attend a meeting with my son at the police station there to have a meeting to hear my son's side of the story. I got back to me regarding having a meeting because he never wanted to, which I am so sorry that my son is a vulnerable person where was the duty of care that has been for my son?

I believe Mr. Lemmy Nwabuisi the Anti-Social Behaviour Coordinator just through to himself that my son is a vulnerable person I will put pressure on him without even thinking there is 2 sides to any story. My son without even talking to him, this is the way Mr. Lemmy Nwabuisi the Anti-Social Behaviour Coordinator is working for Enfield Council.

I also feel Mr. Lemmy Nwabuisi has taken my son's side and relayed it back correctly many times regarding the courts. Information is being passed on to my son which should never have been passed on to him. How can this be allowed. There are many cases which have been allowed to happen and the police are drafting up a full complaint of failings and taking a while to draft up as I have got to go to court.

Mr. Lemmy Nwabuisi also had my son arrested and even though we asked many times, even the solicitors could not understand why he was being investigated my son. When his case was put against my son by Enfield Council.

that someone is investigating something w
it beaches many other things.

At this point in time, I want Mr. Lemmy Nw
with anything to do with my son or related
done acted correctly and feel he has not in
which would prove my son has done nothi
wanted to blame him for everything, I have
heard nothing back regarding this. But it ha
that this needs to happen.

Could someone please get back to me as s
regarding this?

Regards

I Received a Letter

From the court this morning: --

I received a letter from the court this morning with the order from the judge at Edmonton lower court that got ordered on the 15/08/2016 and to my surprise a different order to which had gotten drafted between the claimant the Enfield Council and my solicitor inclusively of my mother and I had been changed for a different document and then after sent to the court and **sealed**. The shop next to me never had the electric machine working and I had to call mother to come down and give me a hand to get to the other shop nearby. I also asked mother what was going on with my cases and getting free while getting justice against those who have illegal wronged myself. Thought the day I got a couple of little stamps that were deliberately done to me above my head to where I am working on my computer in the front room.

Dear Trishna Kerai

I am writing this email to see if you can help regarding the case that went on at Edmonton Country Court. There has been a great deal of issues with Enfield Council and not doing what the Judge stated for

	them to do. I have had to write to the judge regarding what Enfield Council are doing and I have had a reply back from the court. The order that Enfield Council drafted does not even mean they have to move my son; he is living in hell, and I am working with the MP also regarding issues. But the order Enfield Council wrote needs to go back into court and get addressed as this can no longer carry on as it is impacting my son's health. Could you please take a look at the letter and order that the court sent as we have never had a sealed copy of the order until the other day due to the letter I wrote. It would also seem that Enfield Council when they got our amended order just asked the court to seal their order. Also, the barrister that attended court for my son on the 09/08/2018 did he make any court notes up if he did could you send them to me. I would be grateful for any help on this matter Regards Lorraine

While on my computer Ozzie started to try and wind me up by playing with a drill on the wall. I just worked through it as hard as it can become. When Ozzie is upsetting me by doing unmoral thigs to be in turn torturing me, he is breaching my human rights, and this does get achieved with criminal intent of persecution against my person.

I have said and proved what he has done to me but yet no person respects my rights to justice by arresting him and the others that have joined in with him on this rampage of a campaign to breach all or most of my Human Rights.

Thank you for your recent enquiry, which I forwarded to my officers in the Community Safety Unit Anti-Social Behaviour team. I can confirm that the Anti-Social Behaviour Team is aware of the ongoing issues between Mr Cordell and his neighbours. Your enquiry has been added to the Anti-Social Behaviour database (Case Reference 17834). I can confirm that we have liaised with the Council solicitors and have been advised that following the court order of 9 August **2018**, the council agreed to consider and assist Mr Cordell in making a housing management **transfer** application. This was agreed on the condition that Mr Cordell should engage with mental health services and provide medical evidence to support the housing management **transfer** application. I have been advised that Mr Cordell has not provided any supporting letter from the mental health services to support his application and therefore we do not have sufficient evidence at this time to put in a management **transfer** application on his behalf. I have also been advised that the council will commence possession proceedings against Mr Cordell because of the seriousness of the allegations made against him. Please contact me if I can be of any further assistance.

Dear Alev

Thank you for the update email, it is shameful what Enfield Council is trying to say, may I ask have you ever seen a copy of the court order? as I believe you will

see as I have attached it that it does not state my son has to cooperate with the mental health team to get moved. Please see attached copy of court order. It is me that Enfield Council has to work with not my son, and it is also me the mental health team have to work with not my son, the Judge would not order that my son has to work with the mental health team even when Enfield Council asked her to make that order. I have done what I was meant to have done regarding the move the paperwork was completed by Enfield Council, which is how it is done; I was not even allowed to see the application that was made for my son, which I have all the emails to prove that. At this time the file is back with the judge to get more directions due to the letter I wrote and asking for the full transcripts from the court, at this time this is being dealt with and the judge has the file and upon speaking to the court this morning we should have a letter by around next week from the judge. If it does not say what I need and I am refused the full transcripts from the court, I will be bring this back into court as I have had a reply from the court dated the 03/12/**2018** allowing me to do this, but I have been told this morning to hold off doing this until I hear from the judge regarding the full transcripts and any directions she gives. I have already done my application for the court; I will just need to update once I get the letter from the judge. Please do not show this email to Enfield Council as at this time I do not want Enfield Council to know I have gone to the judge in this matter at this time or what I have asked for. I believe you will see for yourself from the attached court order, it does not say my son needs to cooperate with the mental health team to get moved, so I really do not know why Enfield Council is stating this as it is not correct.

Dear Andrea Clemons and Alev
Cazimoglu

Today the MP's aid for Joan Ryan, Alev
Cazimoglu sent me a copy of your letter
dated the 12/12/**2018**, I am shocked to
see what is written within it and the
misleading information being passed over
to the MP Joan Ryan. It was not agreed on
the condition that Mr Cordell should
engage with mental health services and
provide medical evidence to support the
housing management **transfer**
application. The court did not state this,
so I do not know where this is coming
from. I also do not understand where it is
coming from that Mr Cordell had to
provided supporting letter from the
mental health services to support his
management **transfer** application, and he
has not done this, he was never meant to
have done this and the management
transfer application was completed by
Enfield Council to go to the panel on the
17/08/**2018** and it was ready to go to the
panel on this date, but this was deferred
to be considered at the next panel
meeting which would have taken place on
28/09/**2018**, which never happened. The
reason for it being deferred was so that I
Miss Lorraine Cordell could try and get a
letter from the mental health team, which
I could not so it therefore should have
gone ahead to the panel on the
28/09/**2018**, which I do have the emails to
prove this. I also do not understand why
Enfield Council is stating supported
accommodation was being asked for as
this was never asked for. I did however
state in court that a 2 bedroom would be
better as my son could have family live
with him so he could get support from his
family; I have never said I am his carer I
have never said a lot of things that Enfield
Council is stating I have said.

It was stated in the court order.

- UPON the Defendant's mother Mrs
Lorraine Cordell, confirming that she will
engage with the Claimant and assist the
Defendant's neighbourhood officer in
making a housing management **transfer**
application on or before 16 August **2018**.
- UPON the Claimant agreeing that it
will deal with the housing management
transfer application as quickly as
possible after being made.

• AND UPON the Defendants mother agreeing to engage with the Enfield Mental Health Unit team so the Defendant could receive assistance with his mental health conditions and housing. The order was to be agreed with my son's solicitor upon being drafted by Enfield Council, but my son's solicitor was on annual leave and therefore did not reply to Enfield Council order until she came back of leave, but when you emailed her, it came back that she was on annual leave so Enfield Council was well aware of this. Upon her return from annual leave her amended order was sent over to Ludmilla Lyavoo, which my son's solicitor never had a reply back from Ludmilla Lyavoo regarding her amended order, but some days after the amended order was sent over to Ludmilla Lyavoo, it seems an order was sealed at Edmonton Country Court which was not agreed on which was Enfield Council drafted order, which we never agreed to and feel it is misleading as to what was said in court. I believe a lot of what was said in court is not being told and misleading information is being said, maybe someone should ask Ludmilla Lyavoo what the judge said when Ludmilla Lyavoo said she

4424,

would go for a possession order to the judge because she did not get what she wanted. There is also the fact that my son was willing to stay in Hospital when he was sectioned on the 25/10/**2018**, it was the hospital that discharged him on the 15/11/**2018** due to not getting the section 3 on my son they wanted, that was heard on the 14/11/**2018**, my son said as soon as he knew they was not allowing the section 3 on the 14/11/**2018** that they would kick him out of the hospital, as this is what they did in **2016**, and the next day the 15/11/**2018** that is what the doctors did kicked him out the hospital, yet my son was willing to stay and build trust up with the doctors and the mental health team, which had broken down due to what has been ongoing for some time. Which in fact would have been a lot better as if he had been allowed to stay in hospital like he wanted maybe by now they would have been trust built up with the doctors and teams, this is what Soohah Appadoo wanted to do as he saw that there was a real problem with trust

and stated this at the appeal on the section 2 at the hearing. On the 15/12/**2018** I myself spoke to Soohah Appadoo on the phone, but since that we have heard nothing from him is this what is being called support put in place when my son was discharged from hospital? This misleading information needs to stop as it is a breach of the data protection act. I look forward to hearing from you regarding this, please can you reply as I did not get a reply from you to my last email I sent to you.

Dear Andrea Clemons and Alev
Cazimoglu

Today the MP's aid for Joan Ryan, Alev Cazimoglu sent me a copy of your letter dated the 12/12/**2018**, I am shocked to see what is written within it and the misleading information being passed over to the MP Joan Ryan. It was not agreed on the condition that Mr Cordell should engage with mental health services and

provide medical evidence to support the housing management **transfer** application. The court did not state this, so I do not know where this is coming from. I also do not understand where it is coming from that Mr Cordell had to provide supporting letter from the mental health services to support his management **transfer** application, and he has not done this, he was never meant to have done this and the management **transfer** application was completed by Enfield Council to go to the panel on the 17/08/2018 and it was ready to go to the panel on this date, but this was deferred to be considered at the next panel meeting which would have taken place on 28/09/2018, which never happened. The reason for it being deferred was so that I Miss Lorraine Cordell could try and get a letter from the mental health team, which I could not so it therefore should have gone ahead to the panel on the 28/09/2018, which I do have the emails to prove this. I also do not understand why Enfield Council is stating supported accommodation was being asked for as this was never asked for. I did however state in court that a 2 bedroom would be better as my son could have family live with him so he could get support from his family; I have never said I am his carer I have never said a lot of things that Enfield Council is stating I have said. It was stated in the court order.

- UPON the Defendant's mother Mrs Lorraine Cordell, confirming that she will engage with the Claimant and assist the Defendant's neighbourhood officer in making a housing management **transfer** application on or before 16 August 2018.
- UPON the Claimant agreeing that it will deal with the housing management **transfer** application as quickly as possible after being made.

4426,

- AND UPON the Defendants mother agreeing to engage with the Enfield Mental Health Unit team so the Defendant could receive assistance with his mental health conditions and housing. The order was to be agreed with my son's solicitor upon being drafted by Enfield Council, but my son's solicitor was on annual leave and therefore did not reply to Enfield Council order until she came

back of leave, But when you emailed her it came back that she was on annual leave so Enfield Council was well aware of this. Upon her return from annual leave her amended order was sent over to Ludmilla lyavoo, which my son's solicitor never had a reply back from Ludmilla lyavoo regarding her amended order, but some days after the amended order was sent over to Ludmilla lyavoo, it seems an order was sealed at Edmonton Country Court which was not agreed on which was Enfield Council drafted order, which we never agreed to and feel it is misleading as to what was said in court. I believe a lot of what was said in court is not being told and misleading information is being said, maybe someone should ask Ludmilla lyavoo what the judge said when Ludmilla lyavoo said she would go for a possession order to the judge because she did not get what she wanted. There is also the fact that my son was willing to stay in Hospital when he was sectioned on the 25/10/**2018**, it was the hospital that discharged him on the 15/11/**2018** due to not getting the section 3 on my son they wanted, that was heard on the 14/11/**2018**, my son said as soon as he knew they was not allowing the section 3 on the 14/11/**2018** that they would kick him out of the hospital, as this is what they did in **2016**, and the next day the 15/11/**2018** that is what the doctors did kicked him out the hospital, yet my son was willing to stay and build trust up with the doctors and the mental health team, which had broken down due to what has been ongoing for some time. Thank you for the update regarding my son Simon Cordell. Would it please be possible to know if the neighbours have be charged with the Assault on my son Simon, or charged with the weapon they used in the assault on my son Simon as there was an independent witness to the assault, or the criminal damage they caused to the neighbours car and camper van due to the weapon they used, or charged with anything else as there was evidence I believe enough to have charged them, or has the charges been dropped also for them?

Dear Alev
I called and got a call back from Simon
case team the other day. From what I am
being told they say they sent him an
appointment for the 04/12/**2018** for a
review, which I know nothing about, it was
also for Simon to go to their clinic, which I
said Well you know Simon does not leave
the flat so why would you not have
booked to go and see him at home. He
stated that it would be better for Simon to
go to them, I said but how is he going to
do that when he does not leave the flat,
and you are well aware of that, are you
not meant to be working in the best
interest of the client, and you are well
aware Simon does not cope when he goes
out so you are making it worse for him
why don't you go and see Simon at home.

	He tried all he could to get out of it, but then said he would talk to the team regarding if they can go see Simon at home and would let me know the outcome after the meeting regarding it. Then she went on leave and did not do the rewrite until she came back of leave. ------------	---	---

Lyavoo, and she got no reply and a few days after this Enfield Council draft order was sealed by the court. I did not agree to submit a housing management **transfer** to be considered by the exceptions panel on 17/08/**2018**, As Ms lyavoo is well aware it is Enfield Council neighbourhood officer that has to complete this application, In fact I have nothing to do with the making of this application I was not even allowed to see it after it was completed by the neighbourhood officer even when I asked to see it I was not allowed to be sent it as it is only used internally. I did not only email Ludmilla Lyavoo I had calls with her, and we spoke, I also left voice messages for her, when the management **transfer** application was deferred on the 16/08/**2018** it was only due to be deferred until the next panel meeting on 29/09/**2018** when it should have gone before the panel even if it was a like to like move but this did not happen. When I emailed Ms Ludmilla Lyavoo on the 28/09/**2018** I asked for an update as I had not heard anything, I did not know I was meant to have given her an update regarding the appointment; and I am sure I said to her on a phone call when the management **transfer** application was deferred if I got any medical information I would email it to her as soon as I got it, so by not sending anything to her I sure she would have known I had not got anything, in fact the mental health team was not replying to me at all, looking back now I believe that was due to them looking into the complaint I had sent. But the medical evidence was not necessary for it to have gone to the housing panel.

4435.

I did not get any updates from Ludmilla Lyavoo at this stage or any reasons it was not put forward to the panel on that date. I again emailed Ms Ludmilla Lyavoo on the 01/10/**2018** and after talking to Lemmy Nwabuisi on the 02/10/**2018** via a phone call I sent a next email to Ms Ludmilla Lyavoo asking for an update on the 02/10/**2018**, I did get a reply on the 02/10/**2018** from Ms Ludmilla Lyavoo stating she had been in meetings and was unable to attend to my voice messages call's or emails, and that she was taking instructions from her office and would get back to me in due cause. I again emailed Ms Ludmilla Lyavoo on the 07/10/**2018** as

I still had not had any updates, I did not get a reply so again sent an email on the 09/10/**2018** to Ms Ludmilla Lyavoo, on the 12/10/**2018** I did get a reply to that email, but from my emailed it would have been very clear I wanted it to go to the panel, at that point I was very busy and did not have time to reply to that email, I then got a next email on the 15/10/**2018** from Ms Ludmilla Lyavoo stating court action was going to start. At this point I knew in my heart Enfield Council was never going to put this to the panel and only wanted one thing and this were the real reason it took Ms Ludmilla Lyavoo so long to reply to my emails and calls, so it was around this time I made arrangements to see my son's MP as I felt I was not getting anywhere and through maybe it was better coming from the MP. The issue with appointments being made they are for my son to go to the clinic; I have told them many times my son does not leave the flat and a home appointment should be made, which they are still falling to do. I spoke to Soohah [Appadoo](#), North Locality Team more than once saying this is an issue and been told he will get back to me regarding it after he has a meeting with his team about it but he has not done this yet. If you are now agreeing that the court did not actually record that my son submits a housing **transfer** application on the condition that he engages with mental health team, why has Enfield Council been stating this to everyone as this is incorrect is it not? I believe this should be corrected, should it not?

Yes, I agreed to talk with the mental health team which I have done, and it is clear I have done this as it stated in your letters and replies to the MP, so I am doing what I

4436,

was asked to do by Enfield Council at court, so why is Enfield Council not doing what they were meant to do?

This section in the court order "AND UPON the Defendants mother agreeing to engage with the Enfield Mental Health Unit team so the Defendant could receive assistance with his mental health conditions and housing." is also something I did not agree to, and it was this point I asked to be rewritten or removed along with other sections. The reason I did not agree to it being written in

the court order was due to the fact I knew I was limited in what I could do with the mental health team, and really the way the draft court order is worded by Enfield Council was not said in court that way and was I believe only written this way for Enfield Council to get out of moving my son. There is only so much I can do as my son has rights even under the mental health act, so, when I agreed I knew I would be limited in what I could do. It seems Enfield Council are just passing the buck over to anyone they can and not doing anything to help my son and passing incorrect information over all the time to people. There is a duty of care and so far, Enfield Council has beached that in every way possible regarding my son, also the beaches in data protection is beyond anything I have ever seen when is this going to stop? By now you would have the complaint outcome letter that was submitted to the mental health team, which was upheld, which should have been learned from, but it seems the sharing of information regarding my son is even worse now than when it was when I submitted the complaint to the mental health team. There has never been no consent from my son for Enfield Council to share data the way they have with the mental health team the way it has been shared. When is Enfield Council going to help my son? not leave him to suffer the way Enfield Council has done since the end of **2014** when I started making calls about what was going on with the neighbours, from the start of **2015** I had to start sending emails to Enfield Council regarding what was going on with the neighbours because Enfield Council was just not getting back to me regarding the phone calls and still no one got back to me until 21/09/**2015**, it seems Enfield Council only acts when it is against my son, as I was putting in reports and complaints regarding what the

4437,

neighbours were doing well before any report or complaint went in regarding my son, I was told so many times by Lemmy Nwabuisi to forget all about the emails I sent, and it seems Enfield Council don't seem to have many of the emails I sent begging for help with what was ongoing. To me this is one sided only and not once has Lemmy Nwabuisi ever asked to see

4+ It is said by us that on the **00/00/0000** the following took place.

anything this is a beach and discrimination against my son, not even the police take one side to everything at least they do an investigation, which I believe the council also have a duty to do. Why is Enfield Council also allowed to try and pressure neighbours into doing? statements against their will, against my son and don't think I don't know about this as I do, why am I being told by neighbours Enfield Council is out to get my son really badly and are not going to stop until they do get him out, why are neighbours even being talked to about my son? It seems Enfield Council will stop at nothing regarding my son. Why has Lemmy Nwabuisi or any other Enfield Council worker ever taken any report from my son regarding anything when they have been told time and time again, we have proofed my son has not done the things that is being said he has done? Why does Enfield Council see fit to wait months and months and months to tell us about any reports? The list can go on and on but we know already Enfield Council will do nothing for my son but disregard him. Please could you clarify for me whether or not you are seeking possession order for my son's flat? Because you have now admitted in your letter to me dated the 28/12/**2018** that the information used in your letter dated the 12/12/**2018** was incorrect as it was not stated in the court order my son had to engage with mental health team to be able to get a housing management **transfer**, and that my son did not need to provide medical evidence to support the housing management **transfer** application, and you did in fact have enough information to put this to the panel as the application was completed by the 16/08/**2018**. As it really seems to me that Enfield Council has not done what was within the court order or taken anything the Judge said in court on the 09/08/**2018** into account, and the basis for the seeking possession order on my son's **4438**, flat was based on facts that was clearly not in the court order, if Enfield Council had put this before the panel, then this would not even be an issue and we would not need to address this now. Also, I would like to say at this point Trishna

Kerai from Stuart miller solicitors is no longer acting solicitors for my son, so there is no need for the legal team or any other team within Enfield Council to forward any documents to her regarding my son. I apologise for the sternness of this letter, but it seems where my son and I are concerned we seem to take one step forward then two back and I am sure you can sympathise with how frustrating this must be. I look forward to hearing from you soon.

Lorraine Cordell

Dear Ms Cordell,

Re: Simon Cordell

I am writing in response to your emails dated 17th and 20th December 18 where you have raised that you feel that some of the information provided in my letter to Joan Ryan MP dated 12th December **2018** is incorrect. I have therefore asked for legal clarification on the points raised. I accept that the order made by the Edmonton County Court on 9th August **2018** did not actually record that your son submits a housing **transfer** application on the condition that he engages with mental health team. However, you agreed that you would engage with the Enfield Mental Health Unit Team, so your son could receive assistance with his mental health conditions and housing. I understand that you. Agreed to submit a

housing management **transfer** to be considered by the exceptions panel on 171081**2018**. However, following a discussion held with Ms lyavoo, one of the Council's lawyers on 16th August **2018** you were advised that the application being unsupported by medical evidence, if successful, would only result in a **transfer** of a property on a like for like basis. You explained to Ms lyavoo that your son needed support and would benefit from a larger property, so someone could come and live with him, and you were advised that this type of application must be supported by medical evidence. As your son was given an appointment to see the Enfield Mental Health Team on,31't August **2018**, you asked that your son's application be deferred until the next panel meeting which was to take place on 29th September **2018**. This was also confirmed in an email to Ms lyavoo on the same day.

You also failed to provide Ms lyavoo with an update regarding the appointment I and whether you had managed to obtain the necessary medical evidence. Ms lyavoo contacted you on 12th October **2018** and advised you that the next panel meeting was to take place on 18th October **2018** and any applications would need to be submitted by 18th October **2018**. Ms lyavoo explains that she contacted Ms Trishna Kerai, of Stuart Miller Solicitors; the caseworker instructed on behalf of Simon Cordell on 10th August **2018** and emailed her a draft order. Ms lyavoo did not hear from Ms Kerai, so she emailed her again on 13th August **2018** and asked that she provides her agreement as soon as possible and if no response was made by 4pm on the same day she will have to email the draft to the Judge. Ms lyavoo states that she received a response from Ms Kerai on the same day stating that she was in agreement with the order, but she was waiting for your instructions. As no response was forthcoming, Ms lyavoo had to email the order to the Court on 15th August 2018 and she also copied Simon's case worker to the email. Ms Kerai has never indicated that she was on annual leave during the time of the correspondence but confirmed that the delay was due to the receipt of your instructions. Ms lyavoo indicates that the order was following guidance provided by District Judge Dias. The Court order does not propose to be verbatim or to be a summary of all arguments exchanged in Court. I apologise for the delay in responding over the Christmas period and I will contact you shortly to advise you about where any future enquiries on this matter should be addressed.

Dear Andrea Clemons

Today the MP's aid for Joan Ryan, Alev Cazimoglu sent me a copy of your letter dated the 12/12/2018, I am shocked to see what is written within it and the misleading information being passed over to the MP Joan Ryan. It was not agreed on the condition that Mr Cordell should engage with mental health services and provide medical evidence to support the housing management **transfer** application. The court did not state this so I do not know where this is coming from. I also do not understand where it is coming from that Mr Cordell had to provided supporting letter from the mental health services to support his management **transfer** application, and he has not done this, he was never meant to have done this and the management **transfer** application was completed by Enfield Council to go to the panel on the 17/08/2018 and it was ready to go to the panel on this date, but this was deferred to be considered at the next panel

	meeting which would have taken place on 28/09/2018, which never happened. The reason for it being deferred was so that I Miss Lorraine Cordell could try and get a letter from the mental health team, which I could not so it therefore should have gone ahead to the panel on the 28/09/2018, which I do have the emails to prove this. I also do not understand why Enfield Council is stating supported accommodation was being asked for as this was never asked for. I did however state in court that a 2 bedroom would be better as my son could have family live with him so he could get support from his family. I have never said I am his carer I have never said a lot of things that Enfield Council is stating I have said. It was stated in the court order. UPON the Defendant's mother Mrs Lorraine Cordell, confirming that she will engage with the Claimant and assist the Defendant's neighbourhood officer in making a housing management transfer application on or before 16 August 2018. UPON the Claimant agreeing that it will deal with the housing management transfer application as quickly as possible after being made. AND UPON the Defendants mother agreeing to engage with the Enfield Mental Health Unit team so the Defendant could receive assistance with his mental health conditions and housing.

Dear Trishna

Thank you for the updated email and getting back to me. You sent me Ludmilla updated order on the 13/08/**2018** and I replied saying I did not agree with their order on the 14/08/**2018** I sent an attachment with that email showing what I did not agree to, and you said you would rewrite it. But I never heard anything if this had been done, I emailed you a few times after that you was on leave so I rewrote the order and sent to you, you amended that order and it was sent to Ludmilla. And you did not hear back from her. But this is not how they are saying it happened and it seems I am being blamed for not dealing with it. Also, it was funny as when you sent the order to Ludmilla, and she never got back to you Her order was sealed at the court a few days after you sent it. Also Enfield Council is saying a lot to other bodies which in fact are not even in the order, and are misleading everyone they can, they have also never put the application to the panel for the move and are misleading other bodies as to the reasons this has not been done, by way of saying that the order stated Simon had to work with the mental health team and this was agreed in the court order when it clearly was not as the judge would not allow that, this is just some of the issues I am trying to deal with and Simon is suffering each day that goes by.

Dear Trishna Kerai

I have sent some emails to you and I have had no replies regarding issues I am having regarding the court order that was made on the

09/08/2018.

Today I got a letter from Enfield Council which stated that you agreed with Enfield Council draft order on the

13/08/2018

but was waiting instructions from me.

Please see below

"In relation to the allegations made in regard to the draft Order submitted to the Court. Ms lyavoo explains that she contacted Ms Trishna Kerai, of Stuart Miller Solicitors; the caseworker instructed on behalf of Simon Cordell on 10th August **2018** and emailed her a draft order. Ms lyavoo did not hear from Ms Kerai, so she emailed her again on 13th August **2018** and asked that she provides her agreement as soon as possible and if no response was made by 4pm on the same day she will have to email the draft to the Judge. Ms lyavoo states that she received a response from Ms Kerai on the same day stating that she was in agreement with the order, but she was

waiting for your instructions. As no response was forthcoming, Ms lyavoo had to email the order to the Court on 15th. August **2018** and she also copied Simon's caseworker to the email. Ms · Kerai has never indicated that she was on annual leave during the time of the correspondence but confirmed that the delay was due to the receipt of your instructions." I am very upset as you was well aware when you sent me the draft order on the 13th August **2018** to me, I did not agree to it and you said you was going to try and rewrite it that day, which was not done until after you came back from leave. So how is Enfield Council blaming that on me saying you stated the delay was due to me not getting back to you with instructions?

I am having a great deal of issues with Enfield Council they are not moving Simon and are going to take him back to court to try and get his flat. They have not put the management **transfer** application in front of the panel and are saying they will not do this. It seems due to the way the court order was worded this is being put down to me, due to this section in the order please see below. AND UPON the Defendants mother agreeing to engage with the Enfield Mental Health Unit team so the Defendant could receive assistance with his mental health conditions and housing. I know you feel that this was dealt with and you should not need to do any other work regarding this, but this is a mess and I need some help as my son is suffering due to the on goings of Enfield Council. I await your reply

Lorraine Cordell

Dear Mr Cordell,

Re: Vexatious and Unreasonable Complaints

We write to bring to your attention our concern regarding your repetitive complaints raised and the occasionally telephone correspondence. Most recently, you spoke on 6 June and were abusive during the call.

The Council is of the view that the aspects of your contact being unreasonable complainant behaviour. Unreasonable persistent complainants are those complainants who, frequency of their contacts with an organisation, hinder consideration of their, or other people's complaints.

We have concluded your contact is vexatious for the following reasons:

This is not an exhaustive list but examples of unreasonable behaviour which can be deemed as vexatious:

- You have sent frequent and overlapping correspondence. Your contact is disproportionate and have or a level of disruption, irritation or distress.
- You are making excessive demands on the time of staff. lengthy phone calls, emails to numerous council officers, letters to staff.
- Submitting repeat contacts which have been about the same issues, with additions/variations which they claim are 'new'.
- Refusing to accept the decision; repeatedly arguing without evidence.

Council Officers have spent copious amounts of time and resources from the Council being able to conduct its business effectively. That the Council's Community Safety Unit will no longer engage in correspondence. Any further contact received will be processed through a single point of contact until such time as the Council is satisfied that you are no longer a vexatious complainant.

Further to the letter we sent you on the 27th June 2020 to confirm that we will be extending the single point of contact from the date of this letter.

During the past 12 months, you have failed to follow in the original letter and on the 23rd June 2020, you have raised the same issues you have previously raised, despite having had correspondence these would not be dealt with.

We reaffirm the information given to you in June 2019 that we will not accept copious amounts of time on your contact which detracts from the Council's ability to conduct its business effectively.

We hereby conclude that the Council's Community Support Team will not respond to your repetitive correspondence. Dear Mr Cordell,

Re: Vexatious and Unreasonable Complaints

We write to bring to your attention our concern regarding your repetitive complaints raised and the occasionally through telephone correspondence. Most recently, you spoke with on 6 June and were abusive during the call.

The Council is of the view that the aspects of your correspondence being unreasonable complainant behaviour. Unreasonable persistent complainants are those complainants who, because of the frequency of their contacts with an organisation, hinder the consideration of their, or other people's complaints.

We have concluded your contact is vexatious for the following reasons:

This is not an exhaustive list but examples of unreasonable behaviour which can be deemed as vexatious:

- You have sent frequent and overlapping correspondence. Your contact is disproportionate and have or are likely to cause a level of disruption, irritation or distress.
- You are making excessive demands on the time of Council staff through lengthy phone calls, emails to numerous council staff and letters to staff.
- Submitting repeat contacts which have been addressed on the same issues, with additions/variations which the Council deems these 'new'.
- Refusing to accept the decision; repeatedly arguing without evidence.

Council Officers have spent copious amounts of time on dealing with you from the Council being able to conduct its business effectively. As a result, that the Council's Community Safety Unit will no longer receive your correspondence. Any further contact received will be placed through a single point of contact until such time as the Council is able to deal with you.

Importance: High

Dear Karen Hale

I was wondering if you sent a copy of
this to my son via his home address
and if so on what date? Or has it just
been sent to me?

If you could also, please send me a list of all dates and times my son has called and for what reason he has called for the past year, highlighting dates where you state he has been Vexatious, and Unreasonable, I would be most grateful.

Also, I am sorry for the updated email the reason is due to me reading the letter fully what you have written, can you also please supply me with dates in the last year I have contracted the council for my son regarding the issues listed in the letter dated the 23/06/2020, again highlighting all dates and times you state I have been Vexatious and Unreasonable.

- I believe I contracted the council named officer once after the letter dated 27/06/2020 which I had no reply to.
- The other contract I had was due to an ongoing court case, in which most of the time my son's solicitors was contracting the council towards the end of the case, I had to address the council directly as my son no longer had a solicitor acting for him.
- The only other time I had contract was when the MP was addressing issues regarding a court order which the court made which the council did not comply with.
- And the only other time I have had contact is due to repairs that needed doing to my sons flat.

Could you therefore supply me with the above information as soon as possible so this can be addressed in a timely manner?

Regards
Lorraine

Dear Mr Cordell,

Re: Vexatious and Unreasonable Complaints

Further to the letter we sent you on the 27th June 2019 to confirm that we will be extending the single point of contact from the date of this letter.

During the past 12 months, you have failed to follow the advice in the original letter and on the 23rd June 2020, you have raised the same issues you have previously raised, despite having received correspondence these would not be dealt with.

We reaffirm the information given to you in June 2019 that we require copious amounts of time on your contact which detracts from our ability to conduct its business effectively.

We hereby conclude that the Council's Community Safety Team is responding to your repetitive correspondence. Any further contact will be coordinated through a single point of contact until the situation is concluded and the volume of letters becomes manageable. Correspondence from other family members acting on your behalf or received contact from your mother where issues were previously raised. We have explained to your mother that the Council's policy is to deal with correspondence to various parties on the same matters and that going forward a single point of contact arrangement put in place whereby issues are solely raised with the Council.

In relation to the arrangements outlined here for a single point of contact, you that the Council does not tolerate offensive and inappropriate behaviour and therefore ask that you reflect on such behaviour and deal with it in such a manner.

Dear Mr Cordell,

Re: Vexatious and Unreasonable Complaints

We write to bring to your attention our concern regarding your repetitive complaints raised and the occasionally the telephone correspondence. Most recently, you spoke with us on 6 June and were abusive during the call.

The Council is of the view that the aspects of your correspondence being unreasonable complainant behaviour. Unreasonable persistent complainants are those complainants who, by the frequency of their contacts with an organisation, hinder the consideration of their, or other people's complaints.

We have concluded your contact is vexatious for the following reasons:

This is not an exhaustive list but examples of unreasonable behaviour which can be deemed as vexatious:

- You have sent frequent and overlapping correspondence. Your contact is disproportionate and have or are causing a level of disruption, irritation or distress.
- You are making excessive demands on the time of staff by lengthy phone calls, emails to numerous council officers and letters to staff.
- Submitting repeat contacts which have been addressed on the same issues, with additions/variations which the Council has deemed these 'new'.
- Refusing to accept the decision; repeatedly arguing without evidence.

Council Officers have spent copious amounts of time on your correspondence from the Council being able to conduct its business effectively. As a result, the Council's Community Safety Unit will no longer respond to your correspondence. Any further contact received will be dealt with through a single point of contact until such time as the Council is satisfied that your contact is no longer vexatious.

and the volume of letters becomes reasonable. This includes other family members acting on your behalf. The Council will support your mother where issues were repetitive to what you have raised to your mother that the Council cannot continue to respond to the same matters and that going forward we will be following a process whereby issues are solely raised by you to your single point of contact.

In relation to the arrangements outlined here for a single point of contact, you that the Council does not tolerate offensive and inappropriate behaviour and therefore ask that you reflect on such behaviour and standards expected of officers in such a manner.

The medium of contact that you should use to correspond with the Council should be by email only and through your single point of contact be Dionne Grant. These restrictions will be in place for 12 months and will be reviewed accordingly.
