Officers attended the location of Burncroft Avenue in relation to an allegation of threats to kill made towards the subject Simon CORDELL by a neighbour.
The neighbour stated to officers that on
31/05/2018
at approximately 1000Hours she was standing at her window with her two children which looks out onto the rear garden when the Simon has noticed her and shouted words to the effect of' You fucking bitch' I'm gone fucking kill you and your children' ' I've got a bomb for you, I will get in your block and kill you'. This has alarmed viw causing distress resulting in her calling the police.
Simon is known to suffer from mental health issues. He was arrested for threats to kill and breach of injunction.

This report was initially bragged as Green by the PPD. The Merlin was then assessed by Adult Social Worker **Shannon Miles** who states police research is not required as the subject is known to Social Care or the incident does not raise safeguarding concerns which warrants information sharing. If it becomes apparent research is required, Adult Social Care are to make contact with the PPD.
Adults
The Care Act **2014** states there is a duty to undertake the safeguarding of adults where a local authority has reasonable cause to suspect that an adult in its area has need of care and support, or is experiencing, or is at risk of, abuse or neglect, and is unable to protect himself or herself against the abuse or neglect or the risk of it. The need to safeguard protecting a vulnerable subject is paramount and I believe in keeping with the directions in the Care Act **2014**, the health, safety and wellbeing of the subject outweighs the public interest risk of not sharing this information
IF NO CONSENT/UNABLE TO CONSENT:
Because of the incident, I have considered the following;
1. The individuals need for care and support including mental health
2. The Individuals vulnerability to abuse or neglect
3. The Individuals ability to protect themselves, the impact on the individual and their wishes, and

4. The risk of repeated or increasingly serious acts involving children, this or another adult vulnerable to abuse or neglect. The intelligence gathered has led me to the decision that I am over riding consent and share with Social care for their intervention or allocation and promote the welfare; along with

EAS screening
Police notification received regarding contact on 31.5.18. Reported to have made threats to kill his neighbour and her children.
He was arrested for threats to kill and breach of an injunction - **outcome not known.**
Contacted by phone - **no answer then he called me back.**
Long conversation.
Mood labile- calm, polite to irritable, aroused, accusing Difficult to follow content ■ sounded thought disordered
Rambling about previous contact with MH services - difficult to follow.
Legalise references, human right act. **Believes his rights were breached & that he has proof of injustice / illegal treatment**
Reference to being part of **several companies. Health worker and government are part of different companies Thinks he has been "set up".**
" if I give you an amp, I'll get 5 years"
"I've been illegally detained in my home for 9 years"
"The government is trying to push me out of the country"
"They are trying to label me as having a disease"
"I'm not a super grass"
Neighbour upstairs has MH problems (her name is familiar to me from previous team). He blames MH services for allowing her to live there and cause him problems.
Has placed cameras in every room to record evidence of things which happen - will use this to defend himself States he is preparing a case for the supreme court, also has built a website to record injustices Constantly collecting evidence
States he initially trusted Goode but felt let down when he was later assessed under MHA
Would be prepared to meet someone from EIS if they visited him at home - would like to discuss some of the evidence he has gathered.
Does not want CRHTT - **thinks they acted illegally in the past" giving me medication when I was not section 117". Plan - forward referral to EIS**

Dear Steven Hall
As stated on the news phone call there is a lot of issues, and i would like a meeting with miss Millichap. I dont think lusting the emails would help i believe she would have a much better view regarding the issues by seeing the paperwork and evidence, i feel this will be the only way this will not be covered up like it has been for far to long now.
If you can let me know as soon as possible if miss Millichap is willing to have a meeting if she is not i will take it higher.

[SEC=OFFICIAL] - URGENT
Dear Clare,
Please see attached interim injunction order that the London Borough of Enfield obtained against a council housing tenant (Simon Cordell of 109 Burncroft Avenue) in January 18.
We attended court on 30th May 18 as the matter was listed for the return date for the injunction and for an application for committal following incidents which we submit have breached the terms.
At the hearing DJ Dias was concerned about Mr Cordell's mental health following submissions from his mother in his absence.
Although we have no evidence that he does not have capacity the Judge wants to satisfy herself that there are no issues in him understanding the injunction and the proceedings. Therefore, she has made an order (a draft of which is attached) including that:
By 4pm on 13th June the Defendant shall undergo a medical assessment by the community mental health team at an appointment to be arranged of which the defendant (Simon Cordell) shall be given at least 24 hours' notice and a report shall be prepared in relation to the Defendant's capacity to litigate and capacity to understand the meaning of the interim injunction dated 9th January 18 and that report shall be filed at court and served on each party to the litigation.
Apologies for the short timescale but could you please arrange for an appointment to be given to the defendant (Simon Cordell) as per the court order in order for these issues to be clarified.
It would also be useful for some clarification about if Mr Cordell has been known to mental health services previously including the history and assessments or any previous sections etc
Please let me know if you need any more detail or wish to discuss this further
We await your reply

Summary!
My Heart has really started to hurt me every day, I am having an early aged mild heart attacks because of what Debra Andrews and the mathilgen Markandu family as well as stain Curtis and George Quinton get and got away with, inclusively of what the police and local council members are getting away with each day by holding me hostage with no first hand witness and then on allowing my estate members to carry out their hate crime in a cover up to send me crazy or to an early death by flushing the toilet below me and bagging at me causing me sufferings and no peace also letting the named attack me when I am in the bath tub and getting undressed and this does not stop their I continue to get assaulted with the water taps getting slammed on and off causing a loud bagging sound at a fast rate and slamming object and or jumping on the floorboards above my head damaging my work studies and private family life and making me a Vulnerable person!
I have also had a lot of problems with eating because of what they keep all doing to me!
My canine has victualing its paws because of what 113 – 117 and 111 are getting away with I have taken pictures of the damage this is doing to us in this flat!
If what they do to me finally kills me then it would also kill a lot of other people in the process!

Disrepair!
It is not correct for me to get kept in my rented flat in the conditions that it is in!

Time Spent Building;
In the back ground of everything going on I could no longer work on my first company Too Smooth due to the amount of time I had to put toward s defending myself.

Dear Steven Hall
As stated on the phone call there is a lot of issues, and I would like a meeting with miss Millichap. I don't think listing the issues would help I believe she would have a much better view regarding the issues by seeing the paperwork and evidence, I feel this will be the only way this will not be covered up like it has been for far too long now.
If you can let me know as soon as possible if miss Millichap is willing to have a meeting if she is not, I will take it higher.

Dear Steven Hall
It has been some time since we spoke and we exchanged emails, I have not heard from you since I wrote you the email below and would like t know if Miss Millichap is willing to have a meeting with me or not, I do not think it is too much to ask for a meeting, but it does seem that the police are not willing to act on this unless I give them full facts so it can be investigated before we have the meeting, as said before I do not feel this will work as there is a lot of concerns regarding more than one issue there is also a lot of paperwork I would like Miss Millichap to see.
If Miss Millichap is not willing to see me for a meeting please let me know by 18/06/2018 as I will take it higher, I do not feel I should need to explain to others which has been done many times before with nothing coming of it and it's just like no one was spoken to.

Dear Steven Hall
As stated on the phone call there is a lot of issues, and I would like a meeting with miss Millichap. I don't think listing the issues would help I believe she would have a much better view regarding the issues by seeing the paperwork and evidence, I feel this will be the only way this will not be covered up like it has been for far too long now.

If you can let me know as soon as possible if miss Millichap is willing to have a meeting if she is not, I will take it higher.

[00:00:27] err, Okay.
[00:00:28] How can I help you.
[00:00:30] I have a case that seems to be ongoing since **2016**. They keep putting claims in against me I'm not once in the lower court. It's been like 3 4 claims put in against me claim numbers. Not every single one of these claims. I've had two of them strike out and I look to have the third one now strikes out the fourth one strike out as well. Yeah but the judges decided to play in favour of misconduct. She's acting in target malice which is a 12-year sentence for any judge. I've already got the previous judges from other cases that are already going up for disciplinary action and I don't think we need a judge from the lower court from down in your ends going up for disciplinary action.
[00:01:11] Can I just stop you their Sir,
[00:01:11] Yeah go on.
[00:01:13] Right, my colleagues have spoken to already. You need to put everything that you're saying in writing then you are referred to as a judge.

[00:01:34] I cannot hear you other the phone. Nothing Will happen.
[00:01:38] OK, can I make an appointment please. Can I make an appointment? Emergency application appointment to bring my evidence down to that courtroom. Yeah. Can you give me.
[00:01:45] No, it does not work like that, if you have evidence you can bring it and put it in the post-box inside, but you do not need to come.
[00:01:51] I have video evidence I have video evidence I have taped evidence you can't send video to any court email yet you do your emails do you not accept a court.
[00:02:01] You come to the court drop in the post box in an envelope.
[00:02:06] It is in a CD, I would like to call an emergency application meeting, I would like you to put a statutory declaration of notice in against, towards the judge and I would like an EGM.

[00:02:19] I do not understand what you are saying.
[00:02:19] A Statutory declaration of notice means.
[00:02:22] I'm recording this conversation I'm goanna be putting this online.
[00:02:25] I'm Going to get this phone because you are recording.
[00:02:27] I'm allowed to record I'm allowed to take minutes of any meetings of any conversations we have.

Telephone call from Simon,
long conversation, asking about his appointment he has been offered for next week, who made the referral and why. Same discussed and remembers that they had already spoken with lain Williams. Difficult to follow his conversation and to interrupt. Says he has been on a 10pm curfew for the past 9 years afraid to leave his house as he feels the police have set this up. Mistaken identity reports he has read all give descriptions of different people, 4 in total, not him. All happened because of a party on Lincoln Road, he was not involved but happened because people were disturbed by the noise. Because of the curfew says he lost his relationship with his first love has or had a second girlfriend. Said he has been dialling 999 they get 15,000 calls per day; their time is going backwards on their records and do not have a RUN number.
Says he does not have a mental illness no previous contact with services has been good. Sectioned in the past human rights broken, people coming into his house, says he was giving them access. Has tape recordings and LinkedIn, Facebook pages of all involved, has set up a web page. Discussed that they reason I had contacted him was to offer an appointment next Tuesday 11am, asking why we are coming, offered to see at Lucas House instead he declined this says prefers to be seen at home. Asked why I am not treating with dignity and respect that he has told me all about my colleagues and their treatment of him and I have not apologised to him and investigating. Discussed that he has the right to compliant which he says he already has and knows how to make a complaint, reported that he was taping our conversation and was making a digital copy which he has made of most interactions with people. He agreed to a home visit next week. The home visit is with EIS **Amal Pomphrey.**

Telephone call from Simon's mother Lorraine Cordell. Sounded tearful on the phone, reported that she has spoken with Simon and he told her that we went to see him today, myself and Amal. Said that he told her that the appointment went well and that we had told him there is nothing mentally wrong with him, that he does not need psychiatric services and is well.
Says she is finding it distressing, very worried about her son as she believes, and everyone else can see that her son is ill. Said he is struggling to cope, not leaving the house, feels persecuted by his neighbours. Not managing the court case well. Believes that the has **lost trust in services** and feels he **needs to build trust with professionals again.**
Reported that when she was in court the information that was given was that her son had PTSD and was discharged form services, believes it was inaccurate and did not know where the information came from, though perhaps it was lain Williams as he had around the same time called to speak to Simon about his referral.

Discussed that we would need Simons consent to discuss his case. Reported that her mother suffered with schizophrenia and she has a lot of experience around people who have mental

3971,

illness not believing they have a mental health problem and don't require treatment. Says she is happy to encourage her son to engage with services as far as possible.

Home visit today as arranged with Amal Pomphrey from EIS. Client previously under EIS from **2015** discharged in January this year, difficult to engage. History well known so not repeated.

Simon was friendly and welcoming into his home. Put his pet dog outside in the garden, visible through patio doors. Dog appeared in good health though Simon reported that his dog is stressed about his neighbours the police and mental health services to the point it has chewed some of the fur off his front paws.

Simon stood for some time keen to talk about the evidence he has gathered against the police, and local authority, has taped and logged everything on a website. Showed his website says not live as yet, all he has to do is click a button and it will show how he has been unfairly treated by the local authority and police. Website and all written video and audio recordings linked. Showed a couple of examples CCTV inside his flat, conversation with ASBO team and written documents. Also showed us paper files that the has maintained in large ring binders, containing copies of e-mails and all correspondence. Informed us that he tapes all conversations he has with health, local authority and police staff. Has CCTV cameras placed internally and externally around his flat?

Spoke of how his issues began many years ago trouble with the police over holding illegal parties. Reported that he is currently not going out feels afraid. No restrictions placed on him regarding going out other than not allowed in Industrial areas or 24-hour venues such as MacDonald's or Tesco's. Reported recently in court with regards to his neighbour, representing himself does not feel he needs a solicitor. Recommendation is that he has an assessment with a psychiatrist. However, said he will not attend as the letter has not been properly dated and stamped and therefore believes he is not bound by it.

Mental state:

Simon was casually dressed, his hygiene appeared fair. He maintained good eye contact and rapport. His speech appeared slightly pressured difficult to interrupt but not irritable when interrupted.

Grandiose ideas around his intelligence, says he is a millionaire property from wealthy relatives who have deceased, successful businesses, earning hundreds and thousands of pounds. Paranoid about his neighbours, believes they and others have spread information that he may have had herpes. Paranoid delusions believe his neighbours are deliberately following him from room to room banging on his ceiling. Believes they want to kill him. Though he did not express any thoughts of wanting to harm anyone. Believes he is being paid to look after vulnerable people in poor situations.

3972,

Appears to be a mood element to his condition pressured speech grandiose, tangential jumping from topic to topic. However, reported that at times his mood can be depressed and upset by his neighbours. On one occasion he drank some liquid in an attempt to poison himself, found by mother and taken to A&E discharged. Denied having any current suicidal ideation or thought to harm himself.

There was no evidence of any hallucinations. Personality appears to be intact.

Simon appears to lack insight, asked if he believes he has a mental health condition denied this said he has never taken medication as he does not believe he has any mental health problem to require medication.

Impression:

37-year-old male appears to have had a difficult childhood spoke about scars on his legs from beatings form his father. Wants to protect children, and vulnerable people believes it is his duty. **2015** diagnosed with psychotic illness and referred to EIS does not appear to have engaged with treatment offered, previously prescribed Olanzapine. Does not appear to require crisis team or mental health act assessment at this time. But would benefit from assertive follow up in the community. EIS state that has gone beyond EIS three-year treatment period.

Plan therefore to refer to North Locality Team Locality Team. E-mail sent.

EIS agree to liaise and advise court regarding the request for a report.

Closed to EIS.

15th June 2018 Case Ref: E00ED049
Attention of Judge Dias
I am writing this letter regarding the above case ref: E00ED049 and the hearing that took place on the 30th May 2018. As stated, Mr Cordell did not attend court on this day due to him being unwell, this was explained to the court when we asked for the case to have an adjournment due to Mr Cordell being unwell.
A list of details was spoken about and at the end of the hearing you asked the barrister for the claimant to write the details down email them to you and you would then sign them off.
I have been waiting for the court order to be sent and as of today's date 15th June 2018 I have not had anything sent to me via the claimant.
In this time since the hearing on the 30th June 2018 I have called the court 3 times and been told there was nothing on the system and it can take up to two weeks. Today however I spoke to Paul and was told the order was sent out on the 05th June 2018 which the claimant was meant to send to me which they have not, I would say that the claimants would have had this order by now and cannot understand why they have not sent it as they were the ones that put the application in on the 14th May 2018 asking the court to make the order that everything is sent to me. Which I still need to make an application to the court to be able to get this removed, I do not believe the court should have accepted a without notice application from the claimants to the court regarding having all documents served on me without me being there.
At this point of time I am not aware of anything that was due to take place and the claimants have not had any contact with me at all.
499,
I need the order from the court so an application can be put to the court regarding many issues.
There are many issues I feel that happened in court on the 30th June 2018, but due to the claimant barrister stating in court that I was not allowed to speak on behalf of Mr Cordell I was not allowed to say the information was misleading which was stated in court. As you stated it was helpful me being there as you could ask things to me, but I still am very unsure as to why an adjournment was not granted due to Mr Cordell being unwell as this was not stated in court. It just seemed the claimant barrister in fact was saying I was not telling the truth that Mr Cordell was unwell, and you just seemed to accept that, and the hearing carried on.
I would also like to be able to pick up from the court the 3 bundles I handed in with my application of the 29th May 2018 which was not heard by the court as I will need the 3 bundles so that I am able to make a court application.
But as of today's date 15th June 2018 I have had no information to the order that claimant barrister done for the court and sent to the court and was signed off by you so have no idea what is going on.
Regards
Lorraine Cordell

I was wondering if there was any update this has now been ongoing since the 24 May 2018 when I made the call and asked for a meeting to be setup. I cannot understand why it is taking this long to get a meeting setup. In my last email I asked for this to be addressed by today the 18/06/2018 which it has not as I not heard back to saying if a meeting will be setup or not. Could you pls get back to me as soon as possible to address this.

It has been some time since we spoke and we exchanged emails, I have not heard from you since I wrote you the email below and would like t know if Miss Millichap is willing to have a meeting with me or not, I do not think it is too much to ask for a meeting, but it does seem that the police are not willing to act on this unless I give them full facts so it can be investigated before we have the meeting, as said before I do not feel this will work as there is a lot of concerns regarding more than one issue there is also a lot of paperwork I would like Miss Millichap to see. If Miss Millichap is not willing to see me for a meeting please let me know by 18/06/2018 as I will take it higher, I do not feel I should need to explain to others which has been done many times before with nothing coming of it and it's just like no one was spoken to.

Dear Steven Hall
As stated on the phone call there is a lot of issues, and I would like a meeting with miss Millichap. I don't think listing the issues would help I believe she would have a much better view regarding the issues by seeing the paperwork and evidence, I feel this will be the only way this will not be covered up like it has been for far too long now. Telephone call from Simon, long conversation, asking about his appointment he has been offered for next week, who made the referral and why. Same discussed and remembers that they had already spoken with lain Williams. Difficult to follow his conversation and to interrupt. Says he has been on a 10pm curfew for the past 9 years afraid to leave his house as he feels the police have set this up. Mistaken identity, reports he has read all give descriptions of different people, 4 in total, not him. All happened because of a party on Lincoln Road, he was not involved but happened because people were disturbed by the noise. Because of the curfew says he lost his relationship with his first love has or had a second girlfriend. Said he has been dialling 999 they get 15,000 calls per day; their time is going backwards on their records and do not have a RUN number.
Says he does not have a mental illness no previous contact with services has been good. Sectioned in the past human rights broken, people coming into his house, says he was giving them access. Has tape recordings and linked in, Facebook pages of all involved, has set up a web page. Discussed that they reason I had contacted him was to offer an appointment next Tuesday 11am, asking why we are coming, offered to see at Lucas House instead he declined this says prefers to be seen at home. Asked why I am not treating with dignity and respect that he has told me all about my colleagues and their treatment of him and I have not apologised to him and investigating. Discussed that he has the right to compliant which he says he already has and knows how to make a complaint, reported that he was taping our conversation and was making a digital copy which he has made of most interactions with people. He agreed to a home visit next week. The home visit is with EIS Amal Pomphrey.
Originator: HAGUE, Angela 19 Jun 2018,13:57 [Nursing]
Telephone call from Simon's mother Lorraine Cordell. Sounded tearful on the phone, reported that she has spoken with Simon and he told her that we went to see him today, myself and Amal. Said that he told her that the appointment went well and that we had told him there is nothing mentally wrong with him, that he does not need psychiatric services and is well. Says she is finding it distressing, very worried about her son as she believes, and everyone else can see that her son is ill. Said he is struggling to cope, not leaving the house, feels persecuted by his neighbours. Not managing the court case well. Believes that the has lost trust in services and feels he needs to build trust with professionals again.
Reported that when she was in court the information that was given was that her son had PTSD and was discharged form services, believes it was inaccurate and did not know where the information came from, though perhaps it was lain Williams as he had around the same time called to speak to Simon about his referral.
Discussed that we would need Simons consent to discuss his case. Reported that her mother suffered with schizophrenia and she has a lot of experience around people who have mental
76
illness not believing they have a mental health problem and don't require treatment. Says she is happy to encourage her son to engage with services as far as possible.

Home visit today as arranged with Amal Pomphrey from EIS. Client previously under EIS from **2015** discharged in January this year, difficult to engage. History well known so not repeated.
Simon was friendly and welcoming into his home. Put his pet dog outside in the garden, visible through patio doors. Dog appeared in good health though Simon reported that his dog is stressed about his neighbours the police and mental health services to the point it has chewed some of the fur off his front paws.
Simon stood for some time keen to talk about the evidence he has gathered against the police, and local authority, has taped and logged everything on a website. Showed his website says not live as yet, all he has to do is click a button and it will show how he has been unfairly treated by the local authority and police. Website and all written video and audio recordings linked.
Showed a couple of examples CCTV inside his flat, conversation with ASBO team and written documents. Also showed us paper files that the has maintained in large ring binders, containing copies of e-mails and all correspondence. Informed us that he tapes all conversations he has with health, local authority and police staff. Has CCTV cameras placed internally and externally around his flat?
Spoke of how his issues began many years ago trouble with the police over holding illegal parties. Reported that he is currently not going out feels afraid. No restrictions placed on him regarding going out other than not allowed in Industrial areas or 24-hour venues such as MacDonald's or Tesco's. Reported recently in court with regards to his neighbour, representing himself does not feel he needs a solicitor. Recommendation is that he has an assessment with a psychiatrist. However, said he will not attend as the letter has not been properly dated and stamped and therefore believes he is not bound by it.
Mental state:
Simon was casually dressed, his hygiene appeared fair. He maintained good eye contact and rapport. His speech appeared slightly pressured difficult to interrupt but not irritable when interrupted.
Grandiose ideas around his intelligence, says he is a millionaire property from wealthy relatives who have deceased, successful businesses, earning hundreds and thousands of pounds.
Paranoid about his neighbours, believes they and others have spread information that he may have had herpes. Paranoid delusions believe his neighbours are deliberately following him from room to room banging on his ceiling. Believes they want to kill him. Though he did not express any thoughts of wanting to harm anyone. Believes he is being paid to look after vulnerable people in poor situations.
77
Appears to be a mood element to his condition pressured speech grandiose, tangential jumping from topic to topic. However, reported that at times his mood can be depressed and upset by his neighbours. On one occasion he drank some liquid in an attempt to poison himself, found by mother and taken to A&E discharged. Denied having any current suicidal ideation or thought to harm himself.
There was no evidence of any hallucinations. Personality appears to be intact.
Simon appears to lack insight, asked if he believes he has a mental health condition denied this said he has never taken medication as he does not believe he has any mental health problem to require medication.
Impression:
37-year-old male appears to have had a difficult childhood spoke about scars on his legs from beatings form his father. Wants to protect children, and vulnerable people believes it is his duty. **2015** diagnosed with psychotic illness and referred to EIS does not appear to have engaged with treatment offered, previously prescribed Olanzapine. Does not appear to require crisis team or mental health act assessment at this time. But would benefit from assertive follow up in the community. EIS state that has gone beyond EIS three-year treatment period.
Plan therefore to refer to North Locality Team Locality Team. E-mail sent.
EIS agree to liaise and advise court regarding the request for a report.
Closed to EIS.

Dear Trishna Kerai
Please see attached documents that were sent from Enfield Council yesterday the 21/06/2018, sent to my email at 17:40 which I did not see till this morning. They say they have put a hard copy in the post to me as of yet nothing has come. They have not done anything of the order of 12/06/2018 we have had no dates for Simon to go see any doctors, yet on the order it states everything was meant to be done by the 13/06/2018, but yet the court order is dated the 12/06/2018 The only reason I got the order is I called the court 3 times 2 of them times I was told nothing was on the system and that it can take 2 weeks for us to get the order, the last call on the 15/06/2018 on the I spoke with Paul a member of court staff he said he did not know why I did not have the order and sent it in the post to me so I got that on the 19/06/2018 and I called Kiran.
I said to Kiran I will do a write-up over the next few days and send it to give a sort of time line things happened.

Dear Trishna
Thank you for the update really need to know if they will do the adjournment, and they have done nothing not even got the bundles to me on time, and never sent the court order of the 30/06/2018, when this should have been emailed to me as soon as they got it but was not, it was lucky I was calling the court. But it's the same old thing and they just want to rail road my son, and why is none of the orders signed by a judge as they should have been, and why are they allowing an employment judge to hear this sort of case.

Dear Trishna
Please see below email from Enfield council regarding information the judge asked to see on the 30/06:2018. Seems that Enfield Council feel they can get away with doing what they want. When the judge asked to see it I said I would send if I could, as we was leaving court it was then stated by the judge to send to her and the council which I said I was not happy doing the council have lied all along and done nothing for my son. Enfield Council can access this information themselves. It's like all they want to do is turn my son against me any way they can. Can I ask you to make contract with the councils' solicitors and tell them you are dealing with this please?

We offered him an assessment to establish if he had a current mental health problem that we could offer treatment for Our offer to assess him was not connected to any legal matters. It might assist the Court to have an assessment from a specialist Forensic Psychiatrist who are experts in mentally disordered offenders and risk assessment and management Best wishes HS

85,
Dear Dr Scurlock,
I am the solicitor in conduct of a claim for an injunction against Mr Cordell and write in response to your email to Kaunchita Maudhub on 15th June 2018. I would need further clarification on the content of your email and hope you will be able to respond as soon as possible as a hearing has been listed on Tuesday 26th June 2018.
1. You explained that you have been trying to see Mr Cordell but he has not attended the assessments offered to him although he has phoned the assessment team.
Can you please confirm the dates of the assessments offered to Mr Cordell and details of the conversations that were held?
2. You mentioned that he had contact with various mental health teams and had one brief admission on the Haringey assessment ward in August **2016**.

Will it be possible to have details of the contacts held and the assessment that was carried out? If possible, we would like a detailed history of the contacts/ admissions so we could provide the information to the Court.

3. You suggested that a report is to be commissioned from a Consultant Forensic Psychiatrist from North London Forensic Service as this is not something you would provide.

Can you please confirm what would the report achieve? If this is not a service you could provide, why did you department contact Mr Cordell and offered him an assessment in the first place?

I look forward to hearing from you.

Kind regards,

Ludmilla Iyavoo

Dear Trishna Kerai
Please see attached documents that were sent from Enfield Council yesterday the 21/06/2018, sent to my email at 17:40 which I did not see till this morning.

They say they have put a hard copy in the post to me as of, yet nothing has come.
They have not done anything of the order of 12/06/2018 we have had no dates for Simon to go see any doctors, yet on the order it states everything was meant to be done by the 13/06/2018, but yet the court order is dated the 12/06/2018
The only reason I got the order is I called the court 3 times 2 of them times I was told nothing was on the system and that it can take 2 weeks for us to get the order, the last call on the 15/06/2018 on the I spoke with Paul a member of court staff he said he did not know why I did not have the order and sent it in the post to me so I got that on the 19/06/2018 and I called Kiran.
I said to Kiran I will do a write-up over the next few days and send it to give a sort of timeline things happened.
Regards
Lorraine

I found this unamusing because it's of no fault of my own and I feel as if when I should get supported by the Enfield Council and then four times within their statutory duties in rectifying the disrepair issues within my home such as the non-existent heating!

Disrepair!
I continue to highlight my issues of concern causing me dissatisfaction with the disrepair issues within my flats but no reasonable person from Enfield Council or Enfield homes complies with their statutory duties and the time that these problems have got left to eclipse is unprofessional behaviour!

The banging Started!

Summary!

My Heart has really started to hurt me every day, I am having an early aged mild heart attacks because of what Debra Andrews and the mathilgen Markandu family as well as stain Curtis and George Quinton get and got away with, inclusively of what the police and local council members are getting away with each day by holding me hostage with no first hand witness and then on allowing my estate members to carry out their hate crime in a cover up to send me crazy or to an early death by flushing the toilet below me and bagging at me causing me sufferings and no peace also letting the named attack me when I am in the bath tub and getting undressed and this does not stop their I continue to get assaulted with the water taps getting slammed on and off causing a loud bagging sound at a fast rate and slamming object and or jumping on the floorboards above my head damaging my work studies and private family life and making me a Vulnerable person!
I have also had a lot of problems with eating because of what they keep all doing to me!
My canine has victualing its paws because of what 113 – 117 and 111 are getting away with I have taken pictures of the damage this is doing to us in this flat!
If what they do to me finally kills me then it would also kill a lot of other people in the process!

Disrepair!

The Damp in my home is causing me breathing issues and the cold weather makes me wake up in cold and hot sweats of the night time this is causing my health to deteriorate all I can do is pray that the problems get resolved soon!

Time Spent Building;

In the back ground of everything going on I could no longer work on my first company Too Smooth due to the amount of time I had to put toward s defending myself.
My mother Stopped working on my website

Working at Home doing Court Case Defense Work!

I spent time and recourses costing expenditure building my defence case alongside my mother's commitments against the allegations getting put against me at the Time Start: 00:00 and Time End: 00:00

To Whom It May Concern:
I am writing this email to find out if an adjournment has been granted by the court in case number EOOED049, the hearing is due to take place on the 26th June 2018, but we only got the count order from the hearing 30/06/2018 on the 19/06/2018 due to calling the court and Paul a member of staff sending it out.
We have asked for a solicitor to deal with this case and I know they wrote to the court last week asking for an adjournment, they called the count on the 22/06/2018 and was told they would get a reply to their request for an adjournment. I know this morning they had not heard from the court and called and was asked to send some things over to the court in order to deal with this adjournment, therefore could I please be advised if the adjournment was granted by the court.

Speaker 1:	00:02	Good morning, Barnet and Haringey mental Health Trust afternoon, good afternoon, Barnet and Harringay mental Health Care Marie speaking, how can I help.
New Speaker:	00:04	Hello Marie It's Mr. Simon Cordell speaking here and I'm an Enfield um, tenant. I've been told, I've been informed today on the telephone that I'm supposed to be yet again having another appointment for an assessment within side of my own home by a mental health department team.
New Speaker:	00:24	Right, right.
New Speaker:	00:24	And I'm very concerned about the abuse of process cause this will be the 74th time that I've had to spend 74th day of my life recently that I have had to spend with these doctors why they're trying to set me up to, to, to be able to prescribe me as mentally ill when there's nothing wrong with me.
New Speaker:	00:40	Right.
New Speaker:	00:40	The reason that they again wanted to, sorry, I'm just wanting to continue to reason that yet again, we'll need to have another meet and it's because the number of judges concerned in another case in which they're trying to set off in an Asbo on me. They're trying to make the Asbo set of so I'll get to five years in prison because they know they was missing all the signatures in the beginning. Just they're just labelled either disease in the general public breach in my personal DPA when I never had nothing wrong with me. And I've got water recordings of the clinics for that. Plus, I bought all your doctors, Simon Clark, all the directors, our cooker and all that in my house. And I've got recordings of them in my house.
New Speaker:	01:11	Right, Are you under Simon Clark's team.
Speaker 2:	01:14	Um, I think that once upon a time I was but, I think because of the complaint that I put in regards to him in the recordings I have of him, I think he's been pushed to the side. He got labelled that he wasn't the manager for five minutes or the director for five minutes? No, not a director, no more. Now he's a manager because when he dealt with me, he was a director and I've got recordings obviously and I made a website and that now, uh, and I got everything ready to go.
New Speaker:	01:38	I wouldn't cause I'm scared in threat of what you're doing tomorrow. I'm about to go public and that's going to ruin over 150 people's homes and lives because I've got 150 names on my wall and I'm concerned about you lot. I'm goanna go public right now.
Speaker 1:	01:52	Right, Hold on, hold on. Um, what is this about an assessment.
Speaker 2:	01:58	Yes, this is another assessment and the 70 75th assessment that I've got in my diary of you is not containing me. That's the day is included that I had to spend in St Anne's hospital. And every time I've gone to a Tribune when people that there's nothing wrong with me. This is all started because I'm writing a nine-year curfew inside of my house right now, which is illegal for a terrorist to even do a nine-year curfew.
Speaker 1:	02:19	Right, Okay, hold on, hold on. You're gone way too fast for me now.
New Speaker:	02:22	Yeah.
New Speaker:	02:23	Are you on the community treatment order
Speaker 2:	02:25	no? No, there's nothing I've had. What initially happened is in **2014** I had a police case put against me. I won the police case after a year and it barred me from the whole of central London and it barred me from going anywhere. Like I had to signed on at police station at four o'clock in the day time, plus I had to be on curfew by eight o'clock after a year of being on this, um, curfew, I won the case. But in the meantime, of that, it made me and my thirteen-year relationship breakup. She left the door and I couldn't go out and chase her cause I was on curfew. I met another partner. Got with another partner. She was of a different ethnicity to; she was white and basically, I was looking after her child. We were all happy. There were no problems.
Speaker 2:	03:04	We had our own, but we she like she got a spot on the top of her arse when she went to go and check and see if she was having a baby. She come back and told me, while I was painting the kid's bedroom that she had this spot on her ass and that she was then on getting checked for herpes. Yeah. I said, it's not a problem. We'd be

		together. We were together for a few months. I come back home and I have a fit in my own home for five seconds. A little hunky Dunky Dory, one of my neighbours over hear and phone up the police. The police phone you lot up Yeah. And Use lot send out loads of people hmm, doctors to my front door. And you couldn't get access to,
Speaker 1:	03:35	Right and when was this?
Speaker 2:	03:36	This all started in **2014**.
New Speaker:	03:38	So, we are talking about **2014**.
New Speaker:	03:38	Year, and now because of year, and right now today because of the case, because, of the missing, because of all of this the police set me up and they gave me nine years. They went missing all their signatures on the application. So, each police officer done four statements pretending that four different people got kept up at one party that I never really through, I copied the Facebook profile which proves I never threw that party. It was somebody else. And I also looked and noticed that on the four statements of the people that got kept up overnight. There were no signatures at the bottom of them, so now each police officer has done for statements with no signatures that I've got the true Facebook accounts that I got set up for, yeah. Plus, on top of having the Facebook account, I've got police officers, statements from different boroughs proven that they initially pulled the party over when I wasn't there and they've, they stopped the people and wrote their names down as the organizers.
Speaker 2:	04:25	Now all of a sudden, because I'm complaining on the telephone about these things, which are my human rights, they're **telling me down the phone that I'm a dead man,** that I've been robbed. They're spreading stuff about me and my partners now. I've had your now because of that, your doctors started to come to my front doors, "seven" 52 times. They've come to my front door in my diary and I've got all the recordings for them all transcribed now, 24, something like 14 days in the hospital. I had to spend, which are one the case as well at tribunal now because I'm still complaining about these missing signatures and I've got to write another two and a half years in my house still. Yeah, from 20014 now until 2020 November. Yeah, and I'm refusing to ride another two and a half years and walk. I'm scared to walk out of my house before 10 o'clock for the curfew because the police are trying to grab me.
Speaker 2:	05:10	They're are trying to get in my house and put injunctions on me in my house on top.
New Speaker:	05:13	of the one outside of my house. Now that now another judge has got worried because I've noticed that they're missing a load of stuff in the case again and what she's gone and done. is said, I've got have another order, but I let your doctors into my house less than a week ago and I've got them on recording a week ago again, and they were more than happy in my house and the recordings shows that they were happy and I don't see why I should have done another assessment.
Speaker 1:	05:35	Okay. who have you last had contact with?
Speaker 2:	05:40	I had two ladies come to my house. I've got them on recording their names, but I'm dealing with so many different names right now and I'm two trans comes, I can't remember their names, but I built a website, do you have googled available to you.
Speaker 1:	05:52	I don't my computers are not working our network is down.
New Speaker:	06:00	Err, because.
New Speaker:	06:00	Today
New Speaker:	06:00	our computers are not working today
New Speaker:	06:00	Yeah. I'm just, trying to get to the bottom of this um, can I take your name
Speaker 2:	06:05	My name is Mr. Simon Cordell.
Speaker 1:	06:08	Simon Cordell.
New Speaker:	06:09	Yep.
Speaker 2:	06:09	The Judge is basically ordering it right now because she's saying that they; because they have put an Asbo on me outside of my house. Since they've done that, they have put a possession, order on me inside of my house they are trying to take my home.
New Speaker:	06:20	Right, you one.
New Speaker:	06:20	to try and ban me from the country. Yeah. Then after the possession order,

New Speaker:	06:24	right.
New Speaker:	06:24	sorry.
New Speaker:	06:24	No go on
Speaker 1:	06:26	Sorry to interrupt but this is the mental health act office.
New Speaker:	06:28	yeah.
New Speaker:	06:31	Um, "WE KILL PEOPLE WHO, UM WHO ARE DETAINED ON SECTION, UM, ARE YOU UNDER SECTION?"
Speaker 2:	06:41	No, I'm section, yeah, of course. With them. Of course. With them. Of course. I'm not saying I've never been section, there's never been, nothing wrong with me. I've had to spend since.
New Speaker:	06:49	Right, O.K.
New Speaker:	06:49	I've been complaining about these signatures missing and being held in my house on a nine year curfew, that I've had the doctors come and attack me 73 times. The first time they come and attack me. Come with Simon Clark. Now, I had a record in my house. They come with council officers, police officers and everything.
New Speaker:	07:05	Right, O.K.
New Speaker:	07:05	Yeah, no, I've got that recording now. They all break down. The whole team breaks down the mental health team breakdown on that recording and they admit that they've filled in a section one 135 to get into my house illegally saying I wouldn't give them access.
New Speaker:	07:18	Right, Ok.
New Speaker:	07:18	when I had a meeting with them two days prior yet again.
Speaker 1:	07:21	Okay. So, when was this section 135 just one, three, five, one? When was that? What did that
Speaker 2:	07:26	the one 135 was issued in **2014** yeah. Si Note: I Should have said **2016**"
New Speaker:	07:29	year , Oh, Right, so we are still talking about **2014** then.
New Speaker:	07:29	Year that's right. "Si note this was the wrong date said by myself"
Speaker 2:	07:32	yeah. Now, now in **2014**. I'm writing an official complaint. Even now, I'm with the NHS advocacy in regards to it. I built a website and I've got all the audio recordings of them doctors coming in my house with a fake section 135 and admitting that we have filled it in illegally and all that and I have put them in the website. Yeah, now I have gone and built all brand-new pdf books, digital books that you flip open and everything and put all the pages of everything happens every day. I've kept an official report, year and I've done all the problem statements, factual questions and everything. Yeah. For it now. Yeah. Now these people that are working in your department, I believe we're going to be putting to disciplinary very shortly and they, you know, not themselves and I let all try to avoid evade disciplinary and they're not, they're trying to attack me again and they want in my house again and they want to label me as crazy when there's nothing actually wrong with me.
Speaker 2:	08:21	Yeah. And this is the 75th time that they're attempting to do it now. I knew that they would, that the judge was concerned about another case the other day that they've sent me up for that they have put a possession order in against me on top of the Asbo for nine years. They put an in junctional order in against me while in my house after the nine years and they put another injunction order and then another injunction order. Yeah. These people got five. Five People got hired into the civic centre Enfield. Yeah, because it takes Enfield Council and the Metropolitan Police to make an Asbo and a victim. Yeah. Now they never had no victim the council and the police. I've got all the signatures of them having the meetings, which they have to do by law in the council office. Yeah. Now because I'd been phoned the council saying, well, you're missing your signatures.
Speaker 2:	09:05	Please. Can you call an emergency general meeting, an EGM meeting and can you go back to the court rather than me, write to you lot, um, and putting, um, down all the corruption and the missing signatures and the timestamps that are wrong to your call centres? In the paperwork, it says that I'm a white person committed the crimes. Yeah. It says that all white males and all females are the ones that done it. Yeah. But I'm not even white, so how can I, now I've got the recording of all the doctors coming in my house and showing them all of this evidence. Yeah. And they're all going, yeah, you're right Simon. You're right, Simon. Now for some reason these

		doctors all admitting it on the recordings that I'm correct when we're going through all of the folders in my hose but they keep attacking me and keep coming to my front door and keep on wanting assessments.
Speaker 1:	09:47	Oh, Right Simon Um, is there a social worker that you are under?
Speaker 2:	09:51	I don't have no social worker. I'm a director, I'm and I'm a young person that is set to be an entrepreneur. I've built the festival papers I need to build; I've built everything. I've built print companies ready to establish. I'm legally not allowed to trade any company with inside my house or start any company in my house. If I want to work for any festival, I have to go to Enfield Council and they're the only Borough that I am aloud to work with. And I, and I've wrote to the other 32 boroughs and they've all said I'm not allowed to work with them because the order says.
New Speaker:	09:51	
New Speaker:	10:18	the Organization of illegal raves. Yeah. But on the thing, I never got arrested. If something's illegal, you must be arrested for it. They never arrested me and gave me a nine-year curfew. The maximum sentence, if they did arrest me six months. So, you would only do three months in prison if the maximum sentence for any person caught doing parties is six months. So, why am I riding a nine-year curfew and I never even got arrested. Yeah. And now all these doctors are admitting what I'm saying is correct on tape, but they keep abusing their position and that's a criminal offense, breach of positions is it is a breach of process. Fair process. Yeah.
Speaker 1:	10:52	Simon, . What would, what would you like us to help you, how would you like us to move forward?
Speaker 2:	10:57	I would like, so I would like to, I would like the person that's supposed to be um, contact the person that's supposed to be coming to my house tomorrow, um,.
New Speaker:	11:04	Right.
New Speaker:	11:04	To contact me today.
New Speaker:	11:06	Ok.
New Speaker:	11:06	In regards to that me and if it has to be put over to another date,.
New Speaker:	11:09	Right, OK.
New Speaker:	11:09	I'd like it to be put forward to another date.
Speaker 1:	11:11	Okay. Okay. So, I'll take it. There was an appointment that there was someone due to come see you.
Speaker 2:	11:17	I had some body come to meet me less than, um, a week, two weeks, a week ago I called to called your departments and they sent two nurses and two nurses.
New Speaker:	11:25	Ok.
New Speaker:	11:25	they come in my house.
New Speaker:	11:27	and you can't remember their names?
Speaker 2:	11:29	I got them on the recordings, but I have to play the recordings back to myself. I'm still not yet to transcribe them up.
New Speaker:	11:34	Yeah.
Speaker 1:	11:35	I'm trying desperately to help you hear Simon and my network is down, our network is down if I could, if I could put you through to a team, I could could've done it by now. Um, but you can't remember the name. Um, what's, what's your date of birth?
Speaker 2:	11:49	26 of the first 1981 I just want to know who's coming to my house tomorrow.
Speaker 1:	11:55	Okay. Um, you mentioned Simon Clark several times to me.
Speaker 2:	12:00	Yeah. that was in the beginning of it all. And He, since I've, I've pinpointed him out he is disappeared sort of thing, but they keep sending all of their colleagues to my address.
Speaker 1:	12:10	Okay. And are those colleagues, do you think they come under Simon Clarks Team?
Speaker 2:	12:15	Um, some of them I initially did when, when the lady that come here the other day, Elaine, her name was, I think one of them is Elaine.
New Speaker:	12:20	Yeah, Right, O.k.
New Speaker:	12:22	Now, she, she was the one that had done, wrong, what I'm upset about is she's one of the people that I had on recording. Yeah. She's the main one that filled in the section 135 in **2014** illegally. Now, the other day I phoned up and arranged a

		meeting with use lot. They come out to my house and it's the same woman that I've got the complaint in against, sitting there listening.
New Speaker:	12:39	Right.
New Speaker:	12:39	I sill said to her that even low I know it's, you that I have got the complaint in against just come into my house. Anyway, I let her in my house anyway and I showed her everything that I have been building, against her yeah and then and I've got all that on recording on my dictator and on the video cameras in my front room and that I know she's, there run out and left. Now I've got some new doctors coming again tomorrow and I don't think why do the doctors need to keep coming to my home.
Speaker 1:	13:03	Right, Okay, well I can't answer that to be honest, hmm, right,
Speaker 2:	13:14	there in the recordings admitting that there's no signatures and tat white people commit the case. The doctors I have played I have showed all the doctors, my hospital notes saying that I didn't have no disease in 14 in this front room and I showed them, I paid audio, audio recordings of me speaking to those clinics as well. Then they still get all this happened to me, Shannon and Heidi till date and they've let all these rumours be spread about us and endangered our lives.
New Speaker:	13:36	O.k.
New Speaker:	13:36	To cover up these signatures.
New Speaker:	13:38	Alright.
New Speaker:	13:38	Now these doctors are trying to kill me and get me put into a hospital. I've already spent two weeks on my life inside of a hospital, when after getting labelled as a disease and they were so horrible. Judy Krzanich, the head of the hospital put me in front of a sex clinic in St Ann's. Now I'm watching all these girls queue up in St Ann's and I have to say to them and there banging at me from upstairs knowing what the neighbours were doing before I said to them, why?
Speaker 2:	13:58	Why are you lot?, Um, why are all of these girls going inside of there? they go that is a sex clinic sex, So, I was like so there is a sex clinic in here and I wrote them a waver and told them to go inside to the sex clinic and check with Evergreen Clinic and see if I've ever had anything wrong with me. Cause Evergreen clinics where I've always gone and they've always gave me my letters proving that there was nothing wrong with me. I had blood tests done after Shannon showed me the spot. I forced them. They said that they don't want to do tests because it's so common. A forced the blood test. When I've got the blood test, the woman phoned me back and she said to me, sit down Simon. You can't, I got it all on recording. You can't have sex with anyone again. You can't kiss anyone again. I was like, what? Even with protection, she was like, not even weed protection.
Speaker 2:	14:31	You can't cause there's a chance that you give it some, I'll put the phone down. I broke my heart. Yeah, now, she never called me for a consultation. They took me two weeks to get my head around it. When I ended up at the bottom of my mom's bed talking to her like a kid again, saying mum, this is what is being said about me. Mum year, Like boom, boom. This one was saying this. My Mom said did she call you for consultation. I went down to Evergreen clinic. Yeah, because I never had a consultation when I, when I sat there with the cliniticiton and looked at what the papers say. He said, I suggest you may have been a carrier of it yeah, in your blood Yeah. I've never had nothing, no symptoms with me. I've never had nothing on me. And then this government was so scared of what?
Speaker 2:	15:06	What happened and then missing signatures and timestamps. that they called use lot like, every single day of forcing you lot to come to my house knowing that I'm building a report and that it is going to damage these people's careers, the next person that comes to my front door is lost their job as well. Yeah. And I'm not my playing about all of the recordings and videos. I've, got I've done a proper website. It's not fair that they're using you lot to cover up what they've all done and
New Speaker:	15:28	His won it.
New Speaker:	15:28	use lot seem to be happy to go with the company you are representing A lot of them members seem to be happy for that to happen
Speaker 1:	15:34	Okay. Simon, Simon, would you mind very much if I made contact with Simon Clarke and gave him your phone number?

Speaker 2:	15:40	Um, I don't think Simon is the right person for me to be speaking to again right now. with everything that I'm building against him and what's happening to me. The doctors come into my house tomorrow. Yeah. I'm telling you I'm leaving this website live. I can get a phone under a section two in the hospitals. I'm allowed to compute in hospitals under section two and I've got the website loaded. With everything in it? Yeah, I've got all access to 20 million emails here. that I've not used once since this has happened. I've got 20 million emails, which are worldwide. Yeah. And I've got over 500,000 telephone numbers. Yeah. I will press return and multi spam everybody with everything, year, with what has happened, all the audios and videos and all of my diary and my report. Yeah. If anyone comes to my house and tries to bully me again tomorrow or abuse their position.
Speaker 1:	16:26	Right, Okay, hold on
Speaker 2:	16:26	so, so you can tell Simon that if anyone comes to my house tomorrow and tries to take me away when they all know that there's is nothing wrong with me.
Speaker 1:	16:32	Right I will tell you what, let me keep you Simon's number.
New Speaker:	16:34	I am going public
Speaker 2:	16:34	I don't want to phone Simon Clark I'm writing a complaint against him. It would be prejudice towards the case on the ongoing is at present. I'll put a complaint with the NHS advocacy in regards to him and his behaviour in the way that he's left me and foul treatmenting people.
New Speaker:	16:49	Right, O.K.
New Speaker:	16:49	It is over a hundred page document just there and my website. Now he's thousands of pages. Every day I do a diary, full diary, every email, this phone conversation I'm going to take that now and transcribe it and it's going to go inside the diary.
New Speaker:	17:02	Mutter
New Speaker:	17:02	I've got the full book.
Speaker 1:	17:04	Okay. How do you spell your surname is it?
Speaker 2:	17:06	C O. R. D. E. Double L.
New Speaker:	17:09	Okay.
Speaker 1:	17:09	Alright. Um, bear with me. Hold on.
New Speaker:	17:12	Okay.
New Speaker:	18:01	Hello Simon.
New Speaker:	18:03	Hello.
New Speaker:	18:06	Hello, Sorry to keep you holding.
New Speaker:	18:06	Err thank you, thanks
New Speaker:	18:06	I got the Complaints numbers if it is any help to you.
Speaker 2:	18:09	I've already got complaint with in with the NHS Advocacy. I'll take it off.
New Speaker:	18:11	Oh, you got them.
New Speaker:	18:11	You know, I've already gotten an official complaint in with the NHS advocacy in the process.
New Speaker:	18:16	O.K.
New Speaker:	18:16	And that is what I'm saying?
New Speaker:	18:16	O.K.
New Speaker:	18:16	And basically.
New Speaker:	18:18	Ok.
New Speaker:	18:18	she's saying to me, look, can I just send it to everybody? And I'm saying no just hold back for a second because I don't want to ruin everyone's jobs.
New Speaker:	18:24	Alright.
New Speaker:	18:24	Yeah, I'm saying just hold it there. Hold it there for a second. Yeah. Even though I know what they'd done and what I had to go through and what I suffered because of them, I'm still acting better than them and saying just hold your finger on the button for a second now that I called the doctors the other day and let them in my house again now they have come to my door again and now they want to come to my door again tomorrow.
New Speaker:	18:42	Right.
New Speaker:	18:42	I'm going to tell her to press return and send it over to use lot.
Speaker 1:	18:46	Okay. Okay. Let me give you three numbers here. Okay. Have you got pen?
New Speaker:	18:51	Yeah. Okay.

New Speaker:	18:51	Okay. You can try the Barnet office.
New Speaker:	18:56	Okay.
New Speaker:	18:56	I got.
New Speaker:	18:56	which is (0208) 702-3839 and there is the Enfield Office as well which is 02087026456 and there is our Haringey office, which is 0208
Speaker 2:	19:21	I got most of these already. I've got them in my report.
New Speaker:	19:24	year you got that one.
New Speaker:	19:24	and the people inside of the departments that I have dealt with, all of them I have got all of them because I've got a wall of shame. I've done a wall of shame. I've done, I've done, I've done everything.
New Speaker:	19:24	
New Speaker:	19:31	I've met, made a new newspaper called horrific corruption.com and it's a blogging website. Yeah. Now I've made it all brand new out of adobe if you check adobe InDesign. Yeah. In designs. A good software to learn. It shows you how to make all the latest brand-new pdf books that flip open. Now I have every email because that was before this all started and your doctors got involved. There were 500 emails from **2014** to **2016** yeah. To the MP'S. And to the councils and to everyone in regards to what was happening with the case and in regards to my neighbours being left to attack me and the video evidence that I've got of my neighbours is attacking me yeah, and now your Mental Health team come here
Speaker 2:	20:07	for an instance, and when they come here, there was a woman called Debbie that lived above me now. She lived there for six years and I looked after her. Now she started attacking me. Now I thought. She was a nun,
New Speaker:	20:18	Right.
New Speaker:	20:18	but now I found that recently she wasn't a nun. She actually had two children. Debra Andrews, she is under your mental health teams. I explained that to the doctors, what she was doing to me in this, that house and showed them video all on the recordings and then they moved Debra out of the house into a hotel. Then they'd moved her back into the flat again and let her attack me again. Yeah, and they all knew that Deborah had her children taken away from her. Because Stain just recently told me, yes, Stain, told me that she had her children taken away from her and use lot have let her treat me like her children that you've lot have got taken away and she's been banging and done all of this. Now I have a letter, I've gone and met another woman afterwards. I've got another woman.
Speaker 1:	20:55	Right, Simon,.
New Speaker:	20:55	Yes go on.
New Speaker:	20:55	Right, can I stop you here because I think you're better off speaking to a patient experience advisor.
New Speaker:	21:00	Ok.
New Speaker:	21:00	If I can give you their name that their number because I don't want to repeating what you're telling me.
New Speaker:	21:09	I apricate that I am so sorry.
New Speaker:	21:09	if that will save your time yet.
New Speaker:	21:11	I am sorry for going on but.
New Speaker:	21:11	if that will save your time.
New Speaker:	21:11	year.
New Speaker:	21:11	year, It's 02087026705 or you can put it in writing to this address,.
New Speaker:	21:24	Ok.
New Speaker:	21:24	which is Barnet and Enfield and Haringey
Speaker 3:	21:27	yeah.
Speaker 1:	21:28	Mental health. NHS Trust.
Speaker 3:	21:32	Okay.
Speaker 1:	21:33	Patient experience team.
Speaker 3:	21:35	Okay.
Speaker 1:	21:37	St Ann's hospital.
New Speaker:	21:40	Yea, Julia Cranach I have already got it all.
New Speaker:	21:40	Yeah, you got it

Speaker 2:	21:43	It's all in my email based off took all of the hospitals and everyone's names, all the MPs and everyone's, I phoned everyone, there was 500 emails. Yeah. So, the 500 emails that my mom was writing towards all of the director's formal complaints. Subject access requests, freedom of information and all that telling them that my neighbours are doing this to me and Debra is doing all that. I phoned my mum has gave me all those emails so I phoned up all of the names on them, which is obviously, all the complaints have climbed up to the highest points of all the departments now. I phoned them up afterwards and recorded them all and like all the directors for all, most all of the companies recorded them all because I wanted to see what they were doing with the complaints. Now I have loaded all of them up and the departments, so just for like the mental health department, I've got like a hundred recordings of all the boss's and everything that's gone on explaining to everyone and I have put them in the report and I've uploaded that to its own part in the website.
Speaker 2:	22:33	Then I've done the same for the police call centres. The same for the sexual clinics. The same for everyone, which proves all the evidence of what's been going on and what they've all been neglecting to have there when they were supposed to be acting as responsible people, reasonable people under the tout tool, laws of civil litigation, they, they have not acted reasonable or in compliance to what is actually going in regards to these things and I think that this is going to be a massive cases and that a lot of people are going to learn.
New Speaker:	22:57	All right, Simon
Speaker 1:	22:58	People are going to be changed from this.
New Speaker:	22:59	Simon I think that your best talk call is to talk to patient experience.
New Speaker:	23:00	Thank you, yeah, I will do,.
New Speaker:	23:03	all right thank you madam.
New Speaker:	23:06	You seem like a really nice person.
New Speaker:	23:07	Thank you.
New Speaker:	23:07	Do you know what I'm most probably not even goanna to put this in there I won't even put this in there. I'm even going to put this in there.
New Speaker:	23:11	I hope everything goes ok\.
New Speaker:	23:11	
New Speaker:	23:15	Err, well thank you.
New Speaker:	23:15	There are people that I don't want to have an effect on.
New Speaker:	23:17	Alright, thank you for that.
New Speaker:	23:18	No, you have a good day.
New Speaker:	23:20	You too.
New Speaker:	23:23	Bye. Bye.

1500,
Defendant's conduct we would seek permission to have service of the application dispensed with.
The Judge read the application and the Claimant's witness statements and agreed that service could not be affected and as a result agreed to have all 3 applications served by email upon the Defendant's mother Ms Lorraine Cordell, pursuant to CPR 81.10(5)(b). '
Therefore what is missing from the Court order is an additional paragraph which gives the Claimant permission to serve BOTH committal applications (05.02.2018 and 20.04.2018) by email on Mrs Cordell. Such position was accepted by the Judge at the hearing but unfortunately is not reflected in the Court Order. This was requested in the application notice and agreed by the Judge, we would therefore like the order to be amended accordingly.
We would be grateful if this letter could be passed on to the Judge to have the order amended accordingly. Please note that the next hearing on this case is listed on 30 May 2018, 2pm and we would be grateful if the order could be amended as a matter of urgency.
faithfully,

IN THE EDMONTON COUNTY COURT CLAIM NO:

BETWEEN:

THE MAYOR AND BURGESSES OF
THE LONDON BOROUGH OF ENFIELD Claimant

-and-

MR SIMON CORDELL Defendant

WITNESS STATEMENT OF MR JOHN IRVING

I, Mr John Irving, of 117 Burncroft Avenue, Enfield, EN3 7JQ (Leaseholder) make this statement believing it to be true and understand that it may be placed before court.

Insofar as the content of this witness statement is within my own personal knowledge it is true and insofar as it is not within my personal knowledge it is true to the best of my knowledge.

I WILL SAY AS FOLLOWS

1. I am the landlord of Flat 117 Burncroft Avenue, Enfield, EN3 7JQ. The flat is located just above the Defendant's. The Property is currently let to Mr Mathiyalakan and it is being occupied by him, wife and his children.

2. I make this Witness Statement in support of the Claimant's application for an injunction to stop the Defendant from causing intimidation, harassment

201

and alarm to me, my tenants and other residents on Burncroft Avenue, Enfield, EN3 7JQ. The application also seeks access to the Defendant's Property to enable the Claimant to carry out checks on the Defendant's water pipes which are possibly affecting my tenant's water pressure and supply.

Background

3. In the evening of 12 July 2017, I met with one of the Council's in house legal surveyors, Mr Neville Gray with regards to an ongoing low water pressure issue. Mr Gray attended my property (Flat 117) at 11am on the day and agreed that the water pressure was not adequate. An attempt was made to gain access to the two flats immediately below, including the Defendant's but this was unsuccessful.

4. At approximately 17.00 hrs the same day I was contacted by the managing agent informing me that there was now no water at the flat. I contacted Mr Gray and we both decided to attend the Property out of hours. I arrived at the flat to discover that water had been totally cut off for approx. 30 minutes, but surprisingly shortly after our arrival a supply was resumed and with good pressure. This despite the fact that low pressure had been a continual problem since 27 December 2016. Thames Water and plumbers have attended my property on at least 5 occasions but could not find a reason for the low pressure.

5. The Defendant lives in Flat 109 and In conjunction with his mother/mediator, was contacted by Mr Neville Gray with the intention of inspecting his flat. However, this was declined by the Defendant. Although I was inside the block, (on the landing), I watched the discussion from the open window. It was obvious the Defendant was becoming increasing agitated by the raised voices and approaches towards Mr Gray. I could

202

see that he was not comfortable with the situation, and he backed off. He seemed to be very vocal with an aggressive manner, which was intimidating; at this point Mr Gray called for the police to attend.

6. I wish to add that on a previous visit to the property on 26 January 2017, to resolve the low water pressure, the Defendant had informed me that he was restricting the supply and stated: 'you will not solve the problem as I am restricting their water supply'. This was mentioned to me in front of an independent witness, a plumber who was attending with me. As I was leaving my Property, I saw the Defendant in the communal hallway and asked whether he could reinstate the water pressure to my tenant's property, however he responded by saying 'I cannot do anything at the moment I will sort it out later'. This information has previously been reported to the Claimant.

Statement of Truth

I believe the facts in this Witness Statement are true.

Signed.....

Name: Mr John Irving

Dated this 28 day of July 2017

85,
Dear Dr Scurlock,
I am the solicitor in conduct of a claim for an injunction against Mr Cordell and write in response to your email to Kaunchita Maudhub on 15th June 2018.
I would need further clarification on the content of your email and hope you will be able to respond as soon as possible as a hearing has been listed on Tuesday 26th June 2018.
1. You explained that you have been trying to see Mr Cordell but he has not attended the assessments offered to him although he has phoned the assessment team.

Can you please confirm the dates of the assessments offered to Mr Cordell and details of the conversations that were held?

2. You mentioned that he had contact with various mental health teams and had one brief admission on the Haringey assessment ward in August **2016**.

Will it be possible to have details of the contacts held and the assessment that was carried out. If possible we would like a detailed history of the contacts/ admissions so we could provide the information to the Court.

3. You suggested that a report is to be commissioned from a Consultant Forensic Psychiatrist from North London Forensic Service as this is not something you would provide.

Can you please confirm what would the report achieve? If this is not a service you could provide, why did you department contact Mr Cordell and offered him an assessment in the first place?

I look forward to hearing from you.

Kind regards,

Ludmilla Iyavoo

[00:00:31] Sorry. we are a bit late. Err, you have put the dog in the garden.
[00:00:38] Yes, that is correct.
[00:00:38] Thank you.
[00:00:39] You can sit here if you want.
[00:00:40] thank you.
[00:00:40] thanks Simon.
[00:00:40] I will sit here.
[00:00:40] you can take a sit and that I t is all clean I just everything has just been washed and is clean.
[00:00:40] Is he alright.
[00:00:40] Yes, she just has a scratch all the time when she is worried about the police coming here and that, Lady stop. It is when people are coming in, she has eaten all of her paws.
[00:00:56] Worried about who coming in.
[00:01:00] The police and yourselves.
[00:01:01] Err,
[00:01:01] She's has eaten all of her paws. see her paws she has got no paws, no fur on her feet.
[00:01:07] she eats the compete paws because you've let Debbie Andrews who lived up above me when I informed you and Goodie and everybody that she was attacking me and I have got all of the videos.
[00:01:14] Simon, do want to sit here and I will sit next to Angela.
[00:01:17] I'm going to sit there and wait because of control my computer so, that I show you what's actually going on.
[00:01:22] Well alright, OK.
[00:01:22] I'm upset because of.
[00:01:23] What actually happened is that I am getting attacked.
[00:01:24] I've showing everybody that I have hmm, I was in this house for a Gazebo in **2013** and I've been on curfew since **2013** and I'm not been allowed outside of this house. I'm scared because your colleagues keep attacking me and because the Metropolitan Police keep attacking me. I'm lots of 100% percent evidence to prove I'm correct. Now,

everything I have done I have put into an official website which is a new a new thing and have made brand new books for everything all the latest Pdf Digital books, which is all of your work and everyone's else and their signatures.
[00:01:54] Like. This is the Asbo and this is how it all started. This is all the emails which there are five hundred Email's and this isn't complete but is in a digital version there was 500 e-mails to the MP's and the council **2013** I was I had the police knock at front door twenty five police officers come into this house I had been throwing parties in London I would admit that I'm happy to admit that within the constraints of the laws.
[00:02:17] This was for the raves wasn't it.
[00:02:18] No, this is this wasn't raves.
[00:02:21] Oh.
[00:02:21] What this was I went to the Civic Centre I keep going to the business enterprise which you will be able to see in all of the emails, that are in all the index is to all of the book is will show you in a second and then basically I kept going to the Enfield Business centre to anyone else's showing them that I had built a festival and I trusted in Glastonbury management systems.
[00:02:37] So what I got was 32 folders.
[00:02:39] So every test you have to do to be yourself under the Mental Health Act I got the folder for all of your qualifications that you'd get for your city & Guiles.
[00:02:45] This isn't mental health Act assessment.
[00:02:48] This is this is a Mental Health thing but no I'm saying that if you are training to be a mental health worker, I put folder to which you have to take for your course.
[00:02:54] Err, OK.
[00:02:55] And You get past at the college for your city & Guiles the same for a Mathematics the same for a police officer because I trusted in the Glastonbury files and in the Isle of Wight folder, Isle of Wight turns the whole island into a city so it runs under one constitution and it is managed through.
[00:03:10] The same process is as a festival is that same framework legal frame it's the mini festival side we're inside of the city when you get the same paper it's not all the fault there's no a brand-new constitution.
[00:03:22] I have built a Too Smooth Website and there was charity for the people I've been building it from **2010** I spent over 500 grands on the website up and all the stuff I needed to meet the regulations.
[00:03:31] Gosh where did you get over 500 grands from.
[00:03:34] I saved a lot of money.
[00:03:34] my mum and that inherited a lot of money when my grandmother died and we inherit a couple of million pound into the Cordell family.
[00:03:39] On the menu and I threw the cold out of the House of course the carpet which my nan's left for me of a house in Scotland I'm half Scottish so because I'm half Scottish I put before I even got mixed race and people more stereotypical about prejudice I'm about equally to the last to present to the West when he piece of land most white people get stopped to Scotland and then they become a guest on Scotland so this is new Scotland's backyard. It says on the police station New Scotland Yard. Yeah enough people precious to me to tie me up I'll be banned from the country because I think they don't want to be disciplined for what I can prove. He wants to know what initially happened is usually happen it's **2013 2014** or just from in **2012** I was going to the civic centre.
[00:04:20] Central Business was asking to stop a festival.
[00:04:23] They kept it seems to me pushing me out and kind of supporting me away. So, I went and met people. I got invited into a private party. My first party was in this area actually and I met a group of people are facing this much better being homeless and we're stuck in poverty. We got along with each other two fires on September there was a pipe for a black local Dylan. Same colour as me and it was in hope in central London in London but moved to a standstill was all in the newspapers and every bad one was watching on the news. Dylan was a mixed-race bloke working with white people and he got banned from the country also. There was loads of pictures and stuff made about him nothing and I was my exams they left the country. Now I've come in front of the Civic Centre to lend to business class I'm all over the place in the cars trying to sell the best way to pushing me out. So, I've met the people I've got infected an asylum system. I put up seven planes before **2010** report them as pie for about three four years of seven planes making the money to buy asylum system here. Now once I put my sound system, they have their first flight in the hope and last and they use me as a pawn. I said do you want to come. They wanted to build. Fair enough so I went down at first by I was about to leave. This was just about November **2010** straight off to November **2010**. Because it is a bit of history to it so it's best to explain so you understand the winners and that's I'm not someone that's trying to be deceitful cover my tracks so I think I'm picking up funding constraints a little **2010** piece what should we talk about building first.
[00:05:43] Everybody off the Senate brings before you the other thing is, they believed what they were laughing gas. Think that's Microsoft's idea. It's not working against you.
[00:05:52] I didn't want to sell drugs to my friend. I sent a fake food and the plane the size of a full back group of people when I not feel like I wasn't giving nothing back to the people in festivals. So, I throw my on last summer showed me a grappling. So, I thought well at least I'm giving something back and taking some money and not these people I want

them to give me a tenner for a ticket they are going to be are going to run the company when I was younger. I want to do something bigger than just mug everyone. So, I'll find the blues. The festival's getting intimate fast as it brings. I'm waiting for him to bring that to you. I'm being like 55 some kind of stairs down there. Those are medical bills all glass can be is not put him in. And why are you doing this to our festivals. It's all in the sun newspaper pollutants pop up out of London let's say because I want to be the same as you. That's how a couple of people. This is a way it's a legal way. It's a loophole in the law now I'm getting sick. That would explain what I explain. So, let me continue in there anyway. Let's get the money for sound systems. Then I went to my first party which was **2010**. So, on our terms the festival's first and a fund sports offer a stepping stone to get up to the festival I one where I was going in my head start building the paperwork paying for the websites to be fair and I think I needed the piece come in. I offer my first part of my arm after **2010 2012** come with front end times on offer. The other was build and taken up for some tech or something that. I'm not making me up two chess pieces thrown away as an empty place that some people are living in over me and. So, we missed out on Ivan and then together it's the space from Mitt coming to the peace to come when I'm on my own with my scientist and for the first time. Then it hit me. My asylum system to the asylum system of ninety-five and ten on the second part with the others. So, I looked at the asylum system for a year and it given back to me in April **2012**. You can check my first ever fly in London minor and give Riverside system was a mother can attend this. Yeah you can check it one day Mother Keiko when me was a system where you can check it then your own son. When did mother care when he started to fight until April my first part? I have my ups and downs shut down about 10 random speakers and then all three parties to **2013** in London. So, I pity parties in London on my own for one-year **2013**. I hope the peace come here and meet that is by **2012**. Coming up the front parties is in London for a year.
[00:08:05] Why would they. Because they should have you and there is a build.
[00:08:09] I met through the year. Front part of the main perspective. She has six children. She's got a lovely heart. When they find out she's there to help the family she become part of the main of the network looking after everyone. So, I respect the fact that she's going to get children taken from her one day. So, I went to her house hundreds of flights. The house was a terrible state so I'm pretty cool mermaids. We got the washing machine from the outside. They put things where order came from you. It was like got kids were going to show is bringing us all the clothes for the homeless people were for me and all the home of all the animals were wearing these building six names and the young children hand I were in a broken system and we're cycle in the moment of change ourselves. I'm happy to do a. Yes, check and I'm happy to go into training programs. I got all the emotional support and mutual concern. The refugees are dropping food to lots of stuff but not in the year and I'm throwing parties. Well to put it in the peace come in me for the gazebo. Because what happened is there was a building up to that one you support. It was an empty shell. Yet there was a point that a year prior they put a hole in the wall next door is the family where they buried stuff now but they don't just burn anything they've done with a brand-new disease. But is this toxic next season so much now. The underwear was too back when it got, they found will be stuck getting burned. O'Brien you stuff that energy to. I didn't know I was on curfew in this house but the gazebo. Thanks. Now when I release, he's asked me to do a birthday party no one would do anything for us. I said give me a plot outside in the park. Yeah. I can accept her choice. Where was the peace Sharfstein. So somehow it was in the next closest place. Is this the O show that we go to the front of the old show and there's a hole in the wall? So, in that way that gone in the year before. I've looked through the hole and the hole are not being ripped on the foot for my own life. It's something I would like to own myself so what I wouldn't want to see it damaged yet so I was upset and being Laden in Pakistan a pipe dream followed and that's what needs to be a stomach so that we're doing with a few women ever think when you read them. Read forever and I think so you can imagine anyway I fix up all my days. I'm in the long run because all produced a receipt for it and held them bad conditions for a year. Yes, for real but far from going to central London I had to give my passport to the police so I wasn't allowed to leave the country. I find some time there. Sure. Yeah. Plus, I had to be. I just signed up to Section 4 but then I was on February 8 o'clock in this house. My four-year relationship best Diana had come out of hospital nose or told me about what season I was a 10-year-old pregnant. We spent two years went to sleep together for a year now because of the curfew I get from where she wants making numbers Storey Book Original diary start pack

I apologise for the length of time it has taken to make contact with you regarding your concerns.
I am sure you can understand that finding time in Helen Millichap's diary can be a challenge, I have however managed to find sometime for an initial telephone conversation with Ma'am Millichap. I appreciate that you want to meet with Ma'am and a telephone call may not be exactly what you want. That being said this will allow Helen to listen to some of your concerns with the hope of being able to progress them.
I have provisionally booked 1:30pm on Wednesday 11th July. Is that time convenient and suitable for you.
As previously mentioned, if you have any documents or correspondence which would assist Helen, you can forward these to me and I will make sure she is sighted prior to your meeting.
I have attached the link to the MPS complaints website should you feel you require it.

Telephone call from Simon, long conversation, asking about his appointment he has been offered for next week, who made the referral and why. Same discussed and remembers that they had already spoken with lain Williams. Difficult to follow his conversation and to interrupt. Says he has been on a 10pm curfew for the past 9 years afraid to leave his house as he feels the police have set this up. Mistaken identity reports he has read all give descriptions of different people, 4 in total, not him. All happened because of a party on Lincoln Road, he was not involved but happened because people were disturbed by the noise. Because of the curfew says he lost his relationship with his first love has or had a second girlfriend. Said he has been dialling 999 they get 15,000 calls per day; their time is going backwards on their records and do not have a RUN number.
Says he does not have a mental illness no previous contact with services has been good. Sectioned in the past human rights broken, people coming into his house, says he was giving them access. Has tape recordings and LinkedIn, Facebook pages of all involved, has set up a web page. Discussed that they reason I had contacted him was to offer an

appointment next Tuesday 11am, asking why we are coming, offered to see at Lucas House instead he declined this says prefers to be seen at home. Asked why I am not treating with dignity and respect that he has told me all about my colleagues and their treatment of him and I have not apologised to him and investigating. Discussed that he has the right to compliant which he says he already has and knows how to make a complaint, reported that he was taping our conversation and was making a digital copy which he has made of most interactions with people. He agreed to a home visit next week. The home visit is with EIS Amal Pomphrey.

Originator: HAGUE, Angela 19 Jun 2018,13:57 [Nursing]

Telephone call from Simon's mother Lorraine Cordell. Sounded tearful on the phone, reported that she has spoken with Simon and he told her that we went to see him today, myself and Amal. Said that he told her that the appointment went well and that we had told him there is nothing mentally wrong with him, that he does not need psychiatric services and is well. Says she is finding it distressing, very worried about her son as she believes, and everyone else can see that her son is ill. Said he is struggling to cope, not leaving the house, feels persecuted by his neighbours. Not managing the court case well. Believes that the has lost trust in services and feels he needs to build trust with professionals again.

Reported that when she was in court the information that was given was that her son had PTSD and was discharged form services, believes it was inaccurate and did not know where the information came from, though perhaps it was lain Williams as he had around the same time called to speak to Simon about his referral.

Discussed that we would need Simons consent to discuss his case. Reported that her mother suffered with schizophrenia and she has a lot of experience around people who have mental

1827,

illness not believing they have a mental health problem and don't require treatment. Says she is happy to encourage her son to engage with services as far as possible.

Originator: HAGUE; Angela 19Jun 2018, 14:33 [Nursing]

Home visit today as arranged with Amal Pomphrey from EIS. Client previously under EIS from 2015 discharged in January this year, difficult to engage. History well known so not repeated.

Simon was friendly and welcoming into his home. Put his pet dog outside in the garden, visible through patio doors. Dog appeared in good health though Simon reported that his dog is stressed about his neighbours the police and mental health services to the point it has chewed some of the fur off his front paws.

Simon stood for some time keen to talk about the evidence he has gathered against the police, and local authority, has taped and logged everything on a website. Showed his website says not live as yet, all he has to do is click a button and it will show how he has been unfairly treated by the local authority and police. Website and all written video and audio recordings linked. Showed a couple of examples CCTV inside his flat, conversation with ASBO team and written documents. Also showed us paper files that the has maintained in large ring binders, containing copies of e-mails and all correspondence. Informed us that he tapes all conversations he has with health, local authority, and police staff. Has CCTV cameras placed internally and externally around his flat.

Spoke of how his issues began many years ago trouble with the police over holding illegal parties. Reported that he is currently not going out feels afraid. No restrictions placed on him regarding going out other than not allowed in Industrial areas or 24-hour venues such as Mac Donalds or Tescos. Reported recently in court with regards to his neighbour, representing himself does not feel he needs a solicitor. Recommendation is that he has an assessment with a psychiatrist. However said he will not attend as the letter has not been properly dated and stamped and therefore believes he is not bound by it.

Mental state:

Simon was casually dressed, his hygiene appeared fair. He maintained good eye contact and rapport. His speech appeared slightly pressured difficult to interrupt but not irritable when interrupted.

Grandiose ideas around his intelligence, says he is a millionaire property from wealthy relatives who have deceased, successful businesses, earning hundreds and thousands of pounds. Paranoid about his neighbours, believes they and others have spread information that he may have had herpes. Paranoid delusions believe his neighbours are deliberately following him from room to room banging on his ceiling. Believes they want to kill him. Though he did not express any thoughts of wanting to harm anyone. Believes he is being paid to look after vulnerable people in poor situations.

1828,

Appears to be a mood element to his condition pressured speech grandiose, tangential jumping from topic to topic. However reported that at times his mood can be depressed and upset by his neighbours. On one occasion he drank some liquid in an attempt to poison himself, found by mother and taken to A&E discharged. Denied having any current suicidal ideation or thought to harm himself.

There was no evidence of any hallucinations. Personality appears to be intact.

Simon appears to lack insight, asked if he believes he has a mental health condition denied this said he has never taken medication as he does not believe he has any mental health problem to require medication.

Impression:

37-year-old male appears to have had a difficult childhood spoke about scars on his legs from beatings form his father. Wants to protect children, and vulnerable people believes it is his duty. 2015 diagnosed with psychotic illness and referred to EIS does not appear to have engaged with treatment offered, previously prescribed Olanzapine. Does not

appear to require crisis team or mental health act assessment at this time. But would benefit from assertive follow up in the community. EIS state that has gone beyond EIS three-year treatment period.
Plan therefore to refer to North Locality Team Locality Team. E-mail sent.
EIS agree to liaise and advise court regarding the request for a report.
Closed to EIS.

Speaker 1:	00:05	"The doctors were supposed to do an Mental health assessment on me as the Judge ordered for this to take place from Edmonton lower court. The doctors had phoned my mother and told her that they were outside of my flats and could not gain access, so I went outside looking for them I walked out of my front door and waited outside for the doctors to arrive, as they were late; While on the mobile phone to my mother this is what took place."
New Speaker:	00:05	I am outside of the front and I cannot see no person outside of the block of flats. while it is nine minutes past and

New Speaker:	00:05	minutes past and it not hard to get the code is it and there is no reason for the to rush of in five minutes is there or for them to disappear. I don't believe that. I don't believe that they've came here. I believe that they know that they can get in trouble and they just saying that they've come to my front door. It's nine minutes past. Can you find that direct number for these people and their names, who they are, who you are actually dealing with, yeah well can you get their full names please as well, thank you.
New Speaker:	00:05	
New Speaker:	02:19	they never had problems getting access before
New Speaker:	05:14	Hello.
New Speaker:	05:36	Well, I am outside of this front door here now and no person is here outside of it and I can see the blocks in the line and there is no person standing outside of the rest, So, if somebody was going to be attended, pardon? that would be very unusual for them to be there. I've never known another person to make such a mistake.
New Speaker:	06:24	She is here, she was just around the corner. I will phone you back in a minute.
New Speaker:	06:24	Hi, sorry to keep you waiting.
Speaker 2:	06:26	Hello, How are you doing?
New Speaker:	06:26	I'm good. Sorry. I was in a hurry. Mr Crompton?
New Speaker:	06:29	Mr. Cordell. Cordell.
New Speaker:	06:31	Okay, please go ahead.
New Speaker:	06:32	I was just wanting to understand what laws are you actually wanting to hold this meeting with me under.
New Speaker:	06:37	Well your Solicitor, wanted to do.
New Speaker:	06:39	Not my solicitor.
New Speaker:	06:39	The judge.
New Speaker:	06:43	The Judge but your solicitor has instructed me so I'm not.
New Speaker:	06:45	Not my solicitor has instructed. my solicitor what's has been instructed is a judge has ordered for you to come into my house. I've had the doctors come on 73 other occasions to my address in the last, in the last three years I won't. I've been on a curfew for, I'm on a nine-year curfew. The nine-year curfew, illegally got obtained against me. They falsified all the paperwork and missing the signatures. At the bottom of the folder, I started phoning the police and asking the police, please can, you're holding me for nine years. I never got arrested for this offense. The Organization of a legal Raves, you're setting me up.
Speaker 2:	07:17	I copied the Facebook profiles of the people that actually done the events and I have the Facebook profiles, but I'm not going to give them to you the police because I'm not getting paid your salary to be a, to be a grass or an informant. I never done any events, so I have the Facebook profiles. Now the maximum sentence. If they did arrest you for, for throwing parties is six months in prison. Yeah. So, you do three months in prison, three months out. I never even got arrested and they have legally given me nine years. I've looked at the victim statements. This is over four people being kept up over night because they heard music from the party and all that. Each police officer has done four statements and they're all missing their signatures now because they're holding me for nine years in my house on curfew.
Speaker 2:	07:57	I'm not allowed to leave and because I've noticed the signatures, I can't leave my house before nine o'clock because the police are trying to grab me outside. Then they've sent you doctors here 74 times. They start spreading personal data about me, pretending that I had the disease and stuff like that is in the public when there was nothing wrong with me and I've got all of the medical notes inside all the clinical notes. I've got hundreds of recordings of me calling there call centres explaining it.
New Speaker:	08:19	You are recording this conversation right now then.
New Speaker:	08:19	yes, because this is the minutes of are meeting and you are being paid right now as a civil servant to interact with me. So, I'm allowed to take minutes in a digital format. I'm allowed to take minutes in, in by writing of our conversation you are being paid to have this conversation with me so I'd like to record this conversation.

Speaker 2:	08:36	I've made a full official report and every person that has met me, I've took and I have transcribed up and I put them into a full report online, online with a website that I haven't published yet and now I've been doing this since **2012** making an official.
New Speaker:	08:51	So, who is your solicitor?
New Speaker:	08:51	I've just took a solicitor on just recently!
New Speaker:	08:53	What's the agency?
New Speaker:	08:53	The agency you just called the agency I believe or one your workers.
New Speaker:	08:58	So I have spoken to your solicitor this morning. So, the council approached me because the judge said that you need a mental capacity assessment to see if you understand.
New Speaker:	09:08	Whether I have been served a services.
New Speaker:	09:08	Can you let me finish first.
New Speaker:	09:13	Yeah.
New Speaker:	09:13	The conditions.
New Speaker:	09:13	of the injunction.
New Speaker:	09:13	Whether I understand the conditions of the injunction.
New Speaker:	09:13	And if you can undergo court.
New Speaker:	09:16	I understand that I have video evidence inside now,.
New Speaker:	09:19	you.
New Speaker:	09:19	I record every,.
New Speaker:	09:21	You, da, da, da.
New Speaker:	09:21	can I just explain.
New Speaker:	09:21	No, that is fine.
New Speaker:	09:21	Can I just explain, no, no, no.
New Speaker:	09:25	I am not here to judge anything.
New Speaker:	09:25	May I just explain something.
New Speaker:	09:25	So, I'm going to explain to you where the judge is wrong. Yeah, so.
New Speaker:	09:28	I can't have a conversation in the middle of the street and do an assessment.
Speaker 2:	09:34	I understand that but you're trying to gain access to my house and legally, yeah,.
New Speaker:	09:38	illegally, no, no, no.
New Speaker:	09:38	Yes, because it's abuse of position and unfair process. It's unfair.
New Speaker:	09:43	We asked you to agree?
New Speaker:	09:44	No, no, I'm being forced to have this appointment.
New Speaker:	09:46	If you don't want the appointment I can leave.
New Speaker:	09:46	I'm being forced,.
New Speaker:	09:47	I can leave, I don't have to be here.
New Speaker:	09:47	I'm being forced to have a meeting with you and if I don't have a meeting with you, I'm not allowed to have a trial and defend myself and that's what the judges have done in the, in the first case, they have also done this in the second case. Now this is a third court and they have used exactly the same tactics to avoid disciplinary action.
New Speaker:	10:02	I want.
New Speaker:	10:02	I will invite you into my house and I'm going to show you the evidence.
New Speaker:	10:04	I've made you aware.
New Speaker:	10:05	I do not need to see any evidence.
New Speaker:	10:05	No, I'm going to show you that I've got video.

The HHSRS and the housing Act 1985 inclusive of many other right of mine and many other people's rights mean that these problems of disrepair must not get left by the Enfield Council and the Enfield Homes teams to carry on the way is does as it is causing me to have no enjoyment out of my flat and emotional distress!

Psychiatric Report on Mr Simon Cordell 109 Burncroft Avenue Enfield EN3 7JQ

1. Introduction

This report is prepared at the request of London Borough of Enfield, Antisocial Behaviour Team following directions from the Edmonton County Court to undertake an assessment on Mr Cordell. My instructions were received in a letter dated 5 July 2018 and outlined as below:

1. Whether the defendant has the mental capacity to litigate and give instructions in his defence.
2. Whether the defendant understands the terms of the injunction order dated 9 January 2018.

2. Details of current proceedings

The current proceedings relate to an interim injunction order issued against Mr Cordell, at the Edmonton County Court on 9 January 2018. This followed numerous complaints from neighbours about Mr Cordell's acts of harassment and antisocial behaviour. However, it has been reported that Mr Cordell has continued to breach the order. It has been reported that a neighbour has been assaulted, harassed and has received threats from Mr Cordell. He has also made threats towards certain council employees. The local authority issued applications for committal due to Mr Cordell's breach of the injunction, however the applications could not be considered due to concerns about his mental capacity.

3. Sources of information

3.1 I was provided with the following information to aid in the assessment:

1. Claim form for an injunction with supporting documents
2. Order for an injunction dated 9.1.2018
3. Report of Angela Hague from the Enfield Assessment Team
4. Court order made by DJ Dias, Edmonton County Court at the hearing on 30.05.2018 and 26.6.2018.

1
02,

4. I assessed Mr Cordell on 6 July 2018, at his flat 109 Burncroft Avenue, Enfield EN3 7JQ, accompanied by two officers from the Enfield Housing Team. I can confirm that prior to my assessment; I explained to Mr Cordell my role and the purpose of my visit. I also explained to him that I was acting on the instructions of the Enfield Council at the directions of the Court.

4. Assessment of Mr Cordell

· Mr Cordell spoke to us for a few minutes outside his flat and upon explaining the purpose of the visit, he allowed us into his flat. He agreed to tie the dog outside in the garden. The flat although disorganised with papers and folders scattered around, did not appear overly cluttered. Mr Cordell presented as a young, slim built, mixed race male with reasonable hygiene. We explained our roles and the purpose of our visit. Mr Cordell informed us that he was recording our conversation.

· Mr Cordell seemed very keen and enthusiastic to talk and we had to explain the reason of our visit several times to maintain some structure and focus. He maintained appropriate eye contact and we managed to establish a rapport after a while. His demeanour was polite and appropriate. There was evidence of psychomotor agitation as he appeared

generally restless and overactive. Mr Cordell described his appetite and sleep pattern as fine. Objectively I would regard his mood as labile, rapidly fluctuating between euthymia (normal mood) and irritability.

· Mr Cordell's comprehension of information presented to him appeared adequate. He was able to understand the queries presented to him. His responses however were very elaborate and circumstantial. His speech was very pressured, difficult to interrupt and at times frankly rambling. There was clear evidence of thought disorder with flight of ideas (rapid shift of ideas with some superficial apparent connection). Mr Cordell struggled to sustain his goal of thinking as he often derailed to themes of relevance to him, digressing away from the topic of discussion. It was very difficult to obtain a direct response to the queries posed to him and follow his thread of conversation.

4.4. Mr Cordell's thought content was replete with various delusional beliefs of persecutory and grandiose nature. places in central London and placed on a curfew from 10 pm. Mr Cordell informed that he followed these restrictions imposed on him for about a year and returned to Court and won the case. Mr Cordell then went on to talk about Sally Gillcrest, the legal executive for the metropolitan police who he alleged set him up for a million pounds and brought on an ASBO against him, which ended with him being imposed on a nine-year curfew. Mr Cordell stated that Sally Gillcrest in conjunction with the borough commander Jane Johnson and the community officer started spreading rumours that he was *"suffering from herpes and has hurt a woman"* which the neighbours in his block became aware of and started sending him messages addressing him as "*you; black boy.* Mr Cordell implied that Sally Gillcrest colluded with the neighbours as she had a vested interest in getting him out of this country. He stated that the neighbours above him deliberately bang on his ceiling and have also subject him to other forms of harassment since **2014**. Mr Cordell implied that the neighbours were responsible for the miscarriage suffered by his then girlfriend and also held them responsible for the separation from his previous girlfriends. He further stated that between **2014** and **2016**, his mother has made numerous complaints to the council regarding the harassment he has been subject to and he has won a criminal case against his neighbours

5. Mr Cordell then went on to elaborate his grievance against Lemmy, the officer who works for the Enfield local authority. He claimed that he received an email from lemmy threatening that he would obtain a possession order against him and asking him to attend a meeting. He then stated that the ASBO that was served against him was not valid due to lack of signature. Therefore, Lemmy built a false case against him by using *"lower grade cases* "to pursue a possession order and subsequently an injunction order, by falsifying statements and using *"statements from dead cases".* According to Mr Cordell this was declared as invalid by a Judge, however Lemmy has continued to produce false orders against him in the way of a second injunction, which he claimed has never been served on him. Mr Cordell described this as *"targeted malice"* by Lemmy as he has used the injunction as a smoke screen to cover up the ASBO by providing false statements and witnesses.

6. In addition, Mr Cordell also described a number of grandiose beliefs, stating that he was building a constitution on CIC, which he explained to be Community Interest Company. He also spoke of a number of other businesses. He was keen to show us the various documents, emails and recordings he has accrued as evidence to support his case.

Psychiatric Report on Mr Simon Cordell 109 Burncroft Avenue Enfield EN3 7JQ

4. Introduction

This report is prepared at the request of London Borough of Enfield, Antisocial Behaviour Team following directions from the Edmonton County Court to undertake an assessment on Mr Cordell. My instructions were received in a letter dated 5 July 2018 and outlined as below:

1. Whether the defendant has the mental capacity to litigate and give instructions in his defence.
2. Whether the defendant understands the terms of the injunction order dated 9 January 2018.

5. Details of current proceedings

The current proceedings relate to an interim injunction order issued against Mr Cordell, at the Edmonton County Court on 9 January 2018. This followed numerous complaints from neighbours about Mr Cordell's acts of harassment and antisocial behaviour. However, it has been reported that Mr Cordell has continued to breach the order. It has been reported that a neighbour has been assaulted, harassed and has received threats from Mr Cordell. He has also made threats towards certain council employees. The local authority issued applications for committal due to Mr Cordell's breach of the injunction, however the applications could not be considered due to concerns about his mental capacity.

6. Sources of information

3.2 I was provided with the following information to aid in the assessment:

1. Claim form for an injunction with supporting documents
2. Order for an injunction dated 9.1.2018
3. Report of Angela Hague from the Enfield Assessment Team
4. Court order made by DJ Dias, Edmonton County Court at the hearing on 30.05.2018 and 26.6.2018.

7. I assessed Mr Cordell on 6 July 2018, at his flat 109 Burncroft Avenue, Enfield EN3 7JQ, accompanied by two officers from the Enfield Housing Team. I can confirm that prior to my assessment; I explained to Mr Cordell my role and the purpose of my visit. I also explained to him that I was acting on the instructions of the Enfield Council at the directions of the Court.

4. Assessment of Mr Cordell

- Mr Cordell spoke to us for a few minutes outside his flat and upon explaining the purpose of the visit, he allowed us into his flat. He agreed to tie the dog outside in the garden. The flat although disorganised with papers and folders scattered around, did not appear overly cluttered. Mr Cordell presented as a young, slim built, mixed race male with reasonable hygiene. We explained our roles and the purpose of our visit. Mr Cordell informed us that he was recording our conversation.
- Mr Cordell seemed very keen and enthusiastic to talk and we had to explain the reason of our visit several times to maintain some structure and focus. He maintained appropriate eye contact and we managed to establish a rapport after a while. His demeanour was polite and appropriate. There was evidence of psychomotor agitation as he appeared generally restless and overactive. Mr Cordell described his appetite and sleep pattern as fine. Objectively I would regard his mood as labile, rapidly fluctuating between euthymia (normal mood) and irritability.
- Mr Cordell's comprehension of information presented to him appeared adequate. He was able to understand the queries presented to him. His responses however were very elaborate and circumstantial. His speech was very pressured, difficult to interrupt and at times frankly rambling. There was clear evidence of thought disorder with flight of ideas (rapid shift of ideas with some superficial apparent connection). Mr Cordell struggled to sustain his goal of thinking as he often derailed to themes of relevance to him, digressing away from the topic of discussion. It was very difficult to obtain a direct response to the queries posed to him and follow his thread of conversation.

4.4. Mr Cordell's thought content was replete with various delusional beliefs of persecutory and grandiose nature. He spoke of an elaborate conspiracy which involves the Enfield local authority and the metropolitan police, dating back since **2013**, when he claimed that he was arrested for putting up a gazebo in his garden which led to him being barred from visiting

He claimed that he received an email from lemmy threatening that he would obtain a possession order against him and asking him to attend a meeting. to Mr Cordell this was declared as invalid by a Judge, however Lemmy has continued to produce false orders against him in the way of a second injunction, which he claimed has never been served on him. Mr Cordell described this as *"targeted malice"* by Lemmy as he has used the injunction as a smoke screen to cover up the ASBO by providing false statements and witnesses.

5. Opinion and Recommendations

Mr Cordell is a resident at the Enfield borough, who was served an injunction on 9 January 2018, following numerous complaints by his neighbours of antisocial behaviour and harassment. Despite this, Mr Cordell has continued to breach the order with further incidents of harassment, threats and assault against the neighbours. In addition, it has been reported that some council employees have also received threats from Mr Cordell. According to available information, Mr Cordell has had sporadic contact with the mental health services and has been recently assessed by the Enfield Mental Health Assessment Service. During my assessment, Mr Cordell was preoccupied with a number of persecutory and grandiose delusional beliefs. In addition, he also presented with other symptoms such as labile mood, pressured speech, overactivity and flight of ideas. In my view, Mr Cordell's current presentation is consistent with Schizoaffective Disorder, which is recognised as an enduring mental illness.

I have received specific instructions to address the following issues:

1. Whether Mr Cordell has the mental capacity to litigate and give instructions to his defence?

As highlighted above, Mr Cordell's mental state is replete with complex persecutory delusional belief system. During my assessment, Mr Cordell was convinced that the local authority and the police have been colluding alongside his neighbours to pursue false claims and allegations against him. In his view, the possession order and the injunction order were based on false statements, created against him and this did not stand up in Court and therefore an injunction was not issued against him. In my view, although there are no significant deficits in Mr Cordell's comprehension or retention of information, his ability to process information relevant to the current proceedings is likely to be influenced by his underlying delusional beliefs. During my interaction, it was evident that his interpretation of events and actions of others are influenced by his abnormal beliefs. Mr Cordell perceives himself as a victim and is aggrieved by the injustice carried out against him. In my view,

Mr Cordell's ability to weigh the information relevant to the current proceedings is impaired due to his tendency to misinterpret any information presented to him to fit into his entrenched persecutory delusional beliefs. Moreover, Mr Cordell presents with significant thought disorder and it is unlikely that he will be able to give coherent instructions to the defence.

It is therefore my opinion that Mr Cordell lacks capacity to litigate and give appropriate instructions to the defence.

4

10

2. Whether Mr Cordell understands the terms of the injunction order dated 9 January 2018?

Mr Cordell is currently suffering from symptoms of Schizoaffective Disorder and presents with florid psychotic symptoms. His thinking and behaviour are influenced by his underlying persecutory beliefs. Mr Cordell is convinced that the injunction order is a cover up by the local authority for the errors and mistakes of the ASBO and therefore did not stand up in Court. Mr Cordell is convinced that the injunction order has been falsified by certain individuals (particularly Lemmy possibly in conjunction with others). He therefore does not value the order or the contents contained within it. In my opinion Mr Cordell's capacity to process the information relevant to the order is again impacted by his delusional beliefs.

Dear Sirs **URGENT**

Re: The London Borough of Enfield v Cordell
Claim number: E00ED049- Edmonton County Court

We write further to the Order made by District Judge Dias following the hearing on 26th June 2018.

Paragraph 1 of the order states the following: *'By 4pm on 10 July 2018 the Defendant shall undergo a mental capacity assessment by a Consultant Psychiatrist at an appointment to be arranged of which the Defendant shall be given at least 24 hours' notice and a report shall be prepared in relation to the Defendant's capacity to litigate and capacity to understand the meaning of the interim injunction dated 09 January 2018 and that report shall be filed at court and served on each party to the litigation'.*

We confirm that the Defendant was assessed by Dr Dhinakaran, a psychiatrist consultant on 5th July 2018. A copy of her assessment report is attached to this email and it confirms that the Defendant lacks capacity to litigate/ understand the terms of the injunction order.

The Claimant was also directed to file a witness statement in response to this assessment if so advised by 10th July 2018. We confirm that the Claimant has no comments to make at this stage. We have asked the Defendant's solicitors to contact the Enfield Assessment Mental Health team and instruct them to release the Defendant's medical documents so the Claimant could consider them and make further comments. However we have had no confirmation from the Defendant's solicitors as to whether the Defendant has provided the relevant consent and we therefore reserve the right to make further submissions until these documents are received by the Claimant.

Psychiatric Report on Mr Simon Cordell 109 Burncroft Avenue Enfield EN3 7JQ

1. Introduction

This report is prepared at the request of London Borough of Enfield, Antisocial Behaviour Team following directions from the Edmonton County Court to undertake an assessment on Mr Cordell. My instructions were received in a letter dated 5 July 2018 and outlined as below:

(1) Whether the defendant has the mental capacity to litigate and give instructions in his defence.
(2) Whether the defendant understands the terms of the injunction order dated 9 January 2018.

2. Details of current proceedings

The current proceedings relate to an interim injunction order issued against Mr Cordell, at the Edmonton County Court on 9 January 2018. This followed numerous complaints from neighbours about Mr Cordell's acts of harassment and antisocial behaviour. However it has been reported that Mr Cordell has continued to breach the order. It has been reported that a neighbour has been assaulted, harassed, and has received threats from Mr Cordell. He has also made

threats towards certain council employees. The local authority issued applications for committal due to Mr Cordell's breach of the injunction, however the applications could not be considered due to concerns about his mental capacity.

3. Sources of information

3.1 I was provided with the following information to aid in the assessment:

1. Claim form for an injunction with supporting documents
2. Order for an injunction dated 9.1.2018
3. Report of Angela Hague from the Enfield Assessment Team
4. Court order made by DJ Dias, Edmonton County Court at the hearing on 30.05.2018 and 26.6.2018.

212

1837,

3.2 I assessed Mr Cordell on 6 July 2018, at his flat 109 Burncroft Avenue, Enfield EN3 7JQ, accompanied by two officers from the Enfield Housing Team. I can confirm that prior to my assessment; I explained to Mr Cordell my role and the purpose of my visit. I also explained to him that I was acting on the instructions of the Enfield Council at the directions of the Court.

4. Assessment of Mr Cordell

4.1 Mr Cordell spoke to us for a few minutes outside his flat and upon explaining the purpose of the visit, he allowed us into his flat. He agreed to tie the dog outside in the garden. The flat although disorganised with papers and folders scattered around, did not appear overly cluttered. Mr Cordell presented as a young, slim built, mixed race male with reasonable hygiene. We explained our roles and the purpose of our visit. Mr Cordell informed us that he was recording our conversation.

4.2 Mr Cordell seemed very keen and enthusiastic to talk and we had to explain the reason of our visit several times to maintain some structure and focus. He maintained appropriate eye contact and we managed to establish a rapport after a while. His demeanour was polite and appropriate. There was evidence of psychomotor agitation as he appeared generally restless and overactive. Mr Cordell described his appetite and sleep pattern as fine. Objectively I would regard his mood as labile, rapidly fluctuating between euthymia (normal mood) and irritability.

4.3 Mr Cordell's comprehension of information presented to him appeared adequate. He was able to understand the queries presented to him. His responses however were very elaborate and circumstantial. His speech was very pressured, difficult to interrupt and at times frankly rambling. There was clear evidence of thought disorder with flight of ideas (rapid shift of ideas with some superficial apparent connection). Mr Cordell struggled to sustain his goal of thinking as he often derailed to themes of relevance to him, digressing away from the topic of discussion. It was very difficult to obtain a direct response to the queries posed to him and follow his thread of conversation.

4.4 Mr Cordell's thought content was replete with various delusional beliefs of persecutory and grandiose nature. He spoke of an elaborate conspiracy which involves the Enfield local authority and the metropolitan police, dating back since 2013, when he claimed that he was arrested for putting up a gazebo in his garden which led to him being barred from visiting

212

1838,

places in central London and placed on a curfew from 10 pm. Mr Cordell informed that he followed these restrictions imposed on him for about a year and returned to Court and won the case. Mr Cordell then went on to talk about Sally Gilcrest, the legal executive for the metropolitan police who he alleged set him up for a million pounds and brought on an ASBO against him, which ended with him being imposed on a nine-year curfew. Mr Cordell stated that Sally Gilcrest in conjunction with the borough commander Jane Johnson and the community officer started spreading rumours that he was *"suffering from herpes and has hurt a woman"* which the neighbours in his block became aware of and started sending him messages addressing him as *"you black bo*y". Mr Cordell implied that Sally Gilchrest colluded with the neighbours as she had a vested interest in getting him out of this country. He stated that the neighbours above him deliberately bang on his ceiling and have also subject him to other forms of harassment since 2014. Mr Cordell implied that the neighbours were responsible for the miscarriage suffered by his then girlfriend and also held them responsible for the separation from his previous girlfriends. He further stated that between 2014 and 2016, his mother has made numerous complaints to the council regarding the harassment he has been subject to and he has won a criminal case against his neighbours

4.5 Mr Cordell then went on to elaborate his grievance against Lemmy, the officer who works for the Enfield local authority. He claimed that he received an email from Lemmy threatening that he would obtain a possession order against him and asking him to attend a meeting. He then stated that the ASBO that was served against him was not valid due to lack of signature. Therefore Lemmy built a false case against him by using *"lower grade cases"* to pursue a possession order and subsequently an injunction order, by falsifying statements and using *"statements from dead cases".* According to Mr Cordell this was declared as invalid by a Judge, however Lemmy has continued to produce false orders against him in the way of a second injunction, which he claimed has never been served on him. Mr Cordell described this as *"targeted malice"* by Lemmy as he has used the injunction as a smoke screen to cover up the ASBO by providing false statements and witnesses.

4.6 In addition, Mr Cordell also described a number of grandiose beliefs, stating that he was building a constitution on CIC, which he explained to be Community Interest Company. He also spoke of a number of other businesses. He was keen to show us the various documents, emails, and recordings he has accrued as evidence to support his case.

213

1839,

5. Opinion and Recommendations

Mr Cordell is a resident at the Enfield borough, who was served an injunction on 9 January 2018, following numerous complaints by his neighbours of antisocial behaviour and harassment. Despite this, Mr Cordell has continued to breach the order with further incidents of harassment, threats, and assault against the neighbours. In addition, it has been reported that some council employees have also received threats from Mr Cordell. According to available information, Mr Cordell has had sporadic contact with the mental health services and has been recently assessed by the Enfield Mental Health Assessment Service. During my assessment, Mr Cordell was preoccupied with a number of persecutory and grandiose delusional beliefs. In addition, he also presented with other symptoms such as labile mood, pressured speech, overactivity, and flight of ideas. In my view, Mr Cordell's current presentation is consistent with Schizoaffective Disorder, which is recognised as an enduring mental illness.

I have received specific instructions to address the following issues:

1. Whether Mr Cordell has the mental capacity to litigate and give instructions to his defence?

As highlighted above, Mr Cordell's mental state is replete with complex persecutory delusional belief system. During my assessment, Mr Cordell was convinced that the local authority and the police have been colluding alongside his neighbours to pursue false claims and allegations against him. In his view, the possession order and the injunction order were based on false statements, created against him and this did not stand up in Court and therefore an injunction was not issued against him. In my view, although there are no significant deficits in Mr Cordell's comprehension or retention of information, his ability to process information relevant to the current proceedings is likely to be influenced by his underlying delusional beliefs. During my interaction, it was evident that his interpretation of events and actions of others are influenced by his abnormal beliefs. Mr Cordell perceives himself as a victim and is aggrieved by the injustice carried out against him. In my view,

Mr Cordell's ability to weigh the information relevant to the current proceedings is impaired due to his tendency to misinterpret any information presented to him to fit into his entrenched persecutory delusional beliefs. Moreover Mr Cordell presents with significant thought disorder and it is unlikely that he will be able to give coherent instructions to the defence.

It is therefore my opinion that Mr Cordell lacks capacity to litigate and give appropriate instructions to the defence.

213

1840,

2. Whether Mr Cordell understands the terms of the injunction order dated 9 January 2018?

Mr Cordell is currently suffering from symptoms of Schizoaffective Disorder and presents with florid psychotic symptoms. His thinking and behaviour are influenced by his underlying persecutory beliefs. Mr Cordell is convinced that the injunction order is a cover up by the local authority for the errors and mistakes of the ASBO and therefore did not stand up in Court. Mr Cordell is convinced that the injunction order has been falsified by certain individuals (particularly Lemmy possibly in conjunction with others). He therefore does not value the order, or the contents contained within it. In my opinion Mr Cordell's capacity to process the information relevant to the order is again impacted by his delusional beliefs.

Simon Cordell - assessment complaint [SEC=OFFICIAL]

Classification: OFFICIAL

Dear Lorraine,

I am writing further to our recent telephone conversation about your son's mental health assessment.

I have been provided with the following comments from the team handling the case:

On 30th May 2018, the Court ordered the Claimant (Enfield Council) to appoint a consultant psychiatrist to assess whether Mr Cordell has capacity to litigate. Before we arranged the appointment with the consultant psychiatrist, we sought approval from Mr Cordell's solicitors who were provided with the consultant's details and CV. The consultant was an independent consultant. The court does not appoint assessors. The solicitors did not oppose the proposed appointment and their consent was sought at all times, we also agreed the appointment with them including dates and times.

I can confirm that two council officers attended Mr Cordell's flat with the Consultant Psychiatrist at 9.30am on Friday 6th July 2018 and waited while the consultant assessed Mr Cordell. It was necessary to send the officers to ensure that the consultant was not at risk. Previously, on 3 July 2018, a previous consultant had met with Mr Cordell on her own to carry out an assessment but did not feel safe and had to leave without completing the assessment. The council officers were not part of the assessment and only attended the appointment to ensure that the consultant was not at risk.

I do understand from our conversation that you intend to pursue this matter further via solicitors.

Kind regards,

Daniel Ellis

Dear Steven Hall

It has been some time since we spoke and we exchanged emails, I have not heard from you since I wrote you the email below and would like to know if Miss Millichap is willing to have a meeting with me or not, I do not think it is to much to ask for a meeting, but it does seem that the police are not willing to act on this unless I give them full facts so it can be investigated before we have the meeting, as said before I do not feel this will work as there is a lot of concerns regarding more than one issue there is also a lot of paperwork I would like Miss Millichap to see.

If Miss Millichap is not willing to see me for a meeting please let me know by 18/06/2018 as I will take it higher, I do not feel I should need to explain to others which has been done many times before with nothing coming of it and its just like no one was spoken to.

4018.

As stated on the phone call there is a lot of issues, and I would like a meeting with miss Millichap. I don't think listing the issues would help I believe she would have a much better view regarding the issues by seeing the paperwork and evidence, I feel this will be the only way this will not be covered up like it has been for far too long now.

If you can let me know as soon as possible if miss Millichap is willing to have a meeting if she is not, I will take it higher.

Subject: RE: Concerns for male
Hi Giudi,
SC was seen and assessed at home on 19th June. He is not currently under a community team, the service has received several referrals since **2015** pertaining concern for his mental state, however upon assessment he's not been found to be so unwell that restrictive measures have to be taken to engage him. He often presents with grandiose/paranoid ideations involving past involvement **with police**, and more recently involvement with the **housing department** and **neighbour(s).**
He is currently involved with court proceedings involving his neighbour/housing department arising from on-going dispute in which he alleges neighbour to be deliberating causing him distress by making noise (he appears to be noise sensitive). Housing are exploring eviction proceedings in which information has recently been provided for court regarding his mental health needs. I understand he is representing himself in court and the court has questioned his mental capacity/mental health to do so?
I also understand he has CCTV inside and outside the property and often tapes interactions with others. He also has a dog on the premises and frequently makes reference to the evidence he has gathered about the alleged wrongs done to him by police, neighbours and housing department; a full ring-binder folder was observed in his flat with this alleged evidence.
There was no significant concern regarding his mental state when recently assessed to require a more intrusive intervention, he was not deemed to be psychotic but some acknowledgement of a paranoid personality type with grandiose beliefs. He is reluctant to engage with mental health services as he does not believe he is mentally unwell and therefore does not wish to engage to explore possible treatment options. The plan following the assessment was for a referral to be made to the North Locality Community Team for further engagement to build rapport over a period of time to try and engage/encourage him for further assessments and/or support.
Regards,
Debbie

Just wanted to ask I told Simon about coming to see you on the 18th at 13:00 and he asked if it can be done at his home address, I am not sure if you can do this but I would be there with him of you can. I said I would ask you.
Also is a date fixed yet for the next hearing at court as far as I know we have not got the real court letter yet with the new date.
Also have you got any of the emails from the council yet that was sent to the mental health and what the mental health replied to them

Dear Daniel
Thank you for the reply, I believe what you have been told is misleading, as the council are very aware everything is recorded our side.
I also notice you have only covered one issue that was spoke about when you called me after my brother called you, but I had a feeling that would happen.
I do understand that things are complexed as Enfield Council has only ever gone one sided and never heard or wanted to hear anything we had to say, this was clearly shown in the call when you stated we have not been able to talk to anyone regarding issues, but that is the way that Enfield Council wanted it they just wanted to believe what they wanted, but only hearing one side to everything is not correct as there is two sides to everything.

Dear Lorraine,
I am writing further to our recent telephone conversation about your son's mental health assessment.
I have been provided with the following comments from the team handling the case:
On 30th May 2018, the Court ordered the Claimant (Enfield Council) to appoint a consultant psychiatrist to assess whether Mr Cordell has capacity to litigate. Before we arranged the appointment with the consultant psychiatrist, we sought approval from Mr Cordell's solicitors who were provided with the consultant's details and CV. The consultant was an independent consultant. The court does not appoint assessors. The solicitors did not oppose the proposed appointment and their consent was sought at all times, we also agreed the appointment with them including dates and times.
I can confirm that two council officers attended Mr Cordell's flat with the Consultant Psychiatrist at 9.30am on Friday 6th July 2018 and waited while the consultant assessed Mr Cordell. It was necessary to send the officers to ensure that the consultant was not at risk. Previously, on 3 July 2018, a previous consultant had met with Mr Cordell on her own to carry out an assessment but did not feel safe and had to leave without completing the assessment. The council officers were not part of the assessment and only attended the appointment to ensure that the consultant was not at risk.
I do understand from our conversation that you intend to pursue this matter further via solicitors.
Kind regards,
Daniel Ellis

My Heart has really started to hurt me every day, I am having an early aged mild heart attacks because of what Debra Andrews and the mathilgen Markandu family as well as stain Curtis and George Quinton get and got away with, inclusively of what the police and local council members are getting away with each day by holding me hostage with no first hand witness and then on allowing my estate members to carry out their hate crime in a cover up to send me crazy or to an early death by flushing the toilet below me and bagging at me causing me sufferings and no peace also letting the named attack me when I am in the bath tub and getting undressed and this does not stop their I continue to get assaulted with the water taps getting slammed on and off causing a loud bagging sound at a fast rate and slamming object and or jumping on the floorboards above my head damaging my work studies and private family life and making me a Vulnerable person!
I have also had a lot of problems with eating because of what they keep all doing to me!
My canine has victualing its paws because of what 113 – 117 and 111 are getting away with I have taken pictures of the damage this is doing to us in this flat!
If what they do to me finally kills me then it would also kill a lot of other people in the process!

Disrepair!
Now that the problems I raise have gotten left to get placed into the background I know that the circumstances have become somewhat offensive be continual reckless behaviour of the Enfield Councils and the Enfield homes complete breach of my equality rights!

Dear Sirs **URGENT**

Re: The London Borough of Enfield v Cordell
Claim number: E00ED049- Edmonton County Court

We write further to the Order made by District Judge Dias following the hearing on 26th June 2018.

Paragraph 1 of the order states the following: *'By 4pm on 10 July 2018 the Defendant shall undergo a mental capacity assessment by a Consultant Psychiatrist at an appointment to be arranged of which the Defendant shall be given at least 24 hours' notice and a report shall be prepared in relation to the Defendant's capacity to litigate and capacity to understand the meaning of the interim injunction dated 09 January 2018 and that report shall be filed at court and served on each party to the litigation'.*

We confirm that the Defendant was assessed by Dr Dhinakaran, a psychiatrist consultant on 5th July 2018. A copy of her assessment report is attached to this email and it confirms that the Defendant lacks capacity to litigate/ understand the terms of the injunction order.

The Claimant was also directed to file a witness statement in response to this assessment if so advised by 10th July 2018. We confirm that the Claimant has no comments to make at this stage. We have asked the Defendant's solicitors to contact the Enfield Assessment Mental Health team and instruct them to release the Defendant's medical documents so the Claimant could consider them and make further comments. However we have had no confirmation from the Defendant's solicitors as to whether the Defendant has provided the relevant consent and we therefore reserve the right to make further submissions until these documents are received by the Claimant.

Dear Trishna
I sent Simon the report and he read it. He says no way are the council getting his medical records he does not agree to this, could the council get a court order to get his medical records?
He is upset due to what it says about him, but he knows this hurts the council as well because they never done their job towards him and only ever taken one side and not wanted to hear a word we had to say, everything has just been put on him. I know he wants to see or chat to you this week, I know it was said for today, but I cannot do today, if you could give us a day for this week and time, I would be grateful.

Lorraine

Dear Trishna
I sent Simon the report and he read it.
He says no way are the council getting his medical records he does not agree to this, could the council get a court order to get his medical records?
4048,
He is upset due to what it says about him, but he knows this hurts the council as well because they never done their job towards him and only ever taken one side and not wanted to hear a word we had to say, everything has just been put on him. I know he wants to see or chat to you this week, I know it was said for today, but I cannot do today, if you could give us a day for this week and time, I would be grateful.

That's great news.
Enough time for us to apply for legal aid and have that arranged. I doubt that they will arrange to assess him within the next 3 days, but if any issue, you can give Simon my number and ask him to contact me whilst you're away. Have a good trip.

Just would like to say thank you for all your help in this matter.
4050,
Just got home from the court it has been adjourned for 28 days so things can be done one of them is the assessment of my son. I am going away today and will be back on the 30th June, so I hope that the council does not arrange a date for this week for the assessment to take place.

  Telephone call from Lorraine Cordell mother of Simon, said I sent a report to court without her or Simons consent. She read out a progress note I had written in

15th June,
unhappy as she is named and her son has issues with Trust.
I am unable to see on Rio that I sent any reports to Enfield council. Lorraine agreed to e-mail me what she has with the details for her to review. Reported that she wishes to make a compliant.

Dear Angela Hague
Thank you for taking the time to spoke to me today, I have called before this date trying to speak to you regarding this but each time you were not in the office. I also was wrong on the date of your assessment of Simon it was the 19th June 2018 at 11:00 hours. so, it was between this time the report was spent over to Enfield Council and they then used it in court on the 26th June 2018 which as stated on the phone we did not have access to your report on that day only Enfield Council did and the Judge. I am very shocked that this report has been sent to Enfield Council as you was very aware there was going to be a court assessment of Simon and before Simon had the assessment with you, me and Simon made sure it was nothing to do with the court assessment that had been ordered, and you clearly told both of us your assessment had nothing to do with the court assessment one you just wanted to make sure Simon was ok. Your assessment report has also been used when the court assessment was done Enfield Council passed that on to the doctor who was doing the assessment. I also do not understand why my name is all over it stating things I did not say to you or anyone, I seems like all the mental health team want to do is make my son lose trust in me, stating things I am meant to have said and have not this is not the 1st time the mental health team has done this and I am not happy with what is going on here. You are meant to be there to help people and yet the mental health team is causing more problems than anything else breaching someone trust is a very big issue and once again this has been done without a care of the impact that is going to cause. This seems to not be the only information that has been given to Enfield Council as Enfield Council has said things in court multiple times even using incorrect information so I would also like to know where Enfield Council is being passed this information from about my son's health and why no consent has been given to pass this information over to Enfield Council. When I spoke with you I told you my son had lost all trust and this is the sort of reasons why reports being sent out to other body's when in fact there was no right to do so, my son has never given consent for any of his medical records to be given out to Enfield Council and we want to know the reason as to who and why this report was handed to Enfield Council, then used in a court of law and then passed to a doctor to do the court assessment, and is going to use in court many times what rights was used when this report was handed out and what duty of care was used. I would like this looked into as soon as possible, and the person name who is sending this information to Enfield Council and the department they work for, I would also like to know the complaints Email as I believe what has been done regarding this is wrong in law and a breach of data protection as well as other breaches towards my son and the use of my name

Telephone call from Lorraine Cordell mother of Simon, said I sent a report to court without her or Simons consent. She read out a progress note I had written in 15th June, unhappy as she is named and her son has issues with Trust.
I am unable to see on Rio that I sent any reports to Enfield council. Lorraine agreed to e-mail me what she has with the details for her to review. Reported that she wishes to make a compliant.

Sorry I have not been in contract with you I have had many appointments that I could not miss. Simon spoke to me today and he does want a meeting with you as soon as possible. I cannot do Wednesday or Thursday this week but any other day would be fine if that is possible with you before the next hearing in court. Simon also asked if there was any update as to how this is going to be dealt with. He also asked will he need to attend court on the 09/08/2018 as he really does not feel up to it. Once again sorry I cannot be in contract with you.

Dear Trishna

I sent Simon the report and he read it. He says no way are the council getting his medical records he does not agree to this, could the council get a court order to get his medical records?

He is upset due to what it says about him, but he knows this hurts the council as well because they never done their job towards him and only ever taken one side and not wanted to hear a word we had to say, everything has just been put on him. I know he wants to see or chat to you this week, I know it was said for today, but I cannot do today, if you could give us a day for this week and time, I would be grateful.

Summary!

My Heart has really started to hurt me every day, I am having an early aged mild heart attacks because of what Debra Andrews and the mathilgen Markandu family as well as stain Curtis and George Quinton get and got away with, inclusively of what the police and local council members are getting away with each day by holding me hostage with no first hand witness and then on allowing my estate members to carry out their hate crime in a cover up to send me crazy or to an early death by flushing the toilet below me and bagging at me causing me sufferings and no peace also letting the named attack me when I am in the bath tub and getting undressed and this does not stop their I continue to get assaulted with the water taps getting slammed on and off causing a loud bagging sound at a fast rate and slamming object and or jumping on the floorboards above my head damaging my work studies and private family life and making me a Vulnerable person!

I have also had a lot of problems with eating because of what they keep all doing to me!

My canine has victualing its paws because of what 113 – 117 and 111 are getting away with I have taken pictures of the damage this is doing to us in this flat!

If what they do to me finally kills me then it would also kill a lot of other people in the process!

Disrepair!

I Keep waking up feeling sick from the flu at night-time when I blow out breath from my mouth what should be a warm air into no re warmer room temeture air I can see the warm air from my mouth hit the cold within my front room or any other room due to the non-existence of the heating and non-upkeep of the needed replacement system!

Time Spent Building;

In the back ground of everything going on I could no longer work on my first company Too Smooth due to the amount of time I had to put toward s defending myself.

Every Morning I wake up and stay motivated I'm trying my best to keep the flat to a fair level of upkeep but the damped continues to establish itself to add to the disrepair the main floor in the bedroom as you enter the door has a by foot hole in it were the floor got so rotted from the damp, this is no re than dangers, it's a hazarded to my safety, I have called the complaints department at Enfield Council and Enfield home and another date has got set for it to looked at by a survivor!

to an early death by flushing the toilet below me and bagging at me causing me sufferings and no peace also letting the named attack me when I am in the bath tub and getting undressed and this does not stop their I continue to get assaulted with the water taps getting slammed on and off causing a loud bagging sound at a fast rate and slamming object and or jumping on the floorboards above my head damaging my work studies and private family life and making me a Vulnerable person!

Disrepair!
I got made to feel infuriated by the Enfield Councils and the Enfield Homes dissertated practice towards their Statutory Duty of conduct towards their clients, because it makes me sufferer every day and night by their staff's negligence after their intentional inflection of emotional distress that I gets inflected upon me, in the staff understanding the urgency of me having heating in my home and not correcting the issues of the Damp, Sound Proofing and one existence of the Heating!

Dear Trishna
Sorry I have not been in contract with you I have had many appointments that I could not miss. Simon spoke to me today and he does want a meeting with you as soon as possible. I cannot do Wednesday or Thursday this week but any other day would be fine if that is possible with you before the next hearing in court. Simon also asked if there was any update as to how this is going to be dealt with. He also asked will he need to attend court on the 09/08/2018 as he really does not feel up to it. Once again sorry I cannot be in contract with you.

Dear Trishna
I sent Simon the report and he read it.
He says no way are the council getting his medical records he does not agree to this, could the council get a court order to get his medical records?
He is upset due to what it says about him, but he knows this hurts the council as well because they never done their job towards him and only ever taken one side and not wanted to hear a word we had to say, everything has just been put on him. I know he wants to see or chat to you this week, I know it was said for today, but I cannot do today, if you could give us a day for this week and time, I would be grateful.

I hope you had a good holiday; I did email you the below email when you were away, and was wondering if there is any update, Simon called me today and is worried regarding the court hearing and if he will need to attend. I know also he would like to see you or maybe have a call with you before the court date. I was also wondering if there have been any updates from Enfield Council as they should have by now given a bundle and was wondering if anything new is in it.

I have not received anything new from Enfield Council as of yet. He will need to attend, unless you have a medical note / doctor’s letter explaining that he does not like to leave the house... I am available tomorrow or Wednesday anytime if you and him wish to attend the office. Any time would be fine by me.
Please let me know.

I hope you had a good holiday; I did email you the below email when you were away, and was wondering if there is any update, Simon called me today and is worried regarding the court hearing and if he will need to attend. I know also he would like to see you or maybe have a call with you before the court date. I was also wondering if there have been any updates from Enfield Council as they should have by now given a bundle and was wondering if anything new is in it.

Sorry I have not been in contract with you I have had many appointments that I could not miss. Simon spoke to me today and he does want a meeting with you as soon as possible. I cannot do Wednesday or Thursday this week but any other day would be fine if that is possible with you before the next hearing in court. Simon also asked if there was any update as to how this is going to be dealt with. He also asked will he need to attend court on the 09/08/2018 as he really does not feel up to it. Once again sorry I cannot be in contract with you.

Dear Trishna

I sent Simon the report and he read it. He says no way are the council getting his medical records he does not agree to this, could the council get a court order to get his medical records?

He is upset due to what it says about him, but he knows this hurts the council as well because they never done their job towards him and only ever taken one side and not wanted to hear a word we had to say, everything has just been put on him. I know he wants to see or chat to you this week, I know it was said for today, but I cannot do today, if you could give us a day for this week and time, I would be grateful.

Dear Trishna,

Dear Rachel Yona
Thank you for the reply email, I believe there is other section I would like to know which have not been included in your email. I also asked for the names of the people and what department they work for who have sent information regarding Simon to other bodies and what bodies have been sent the information. A full list of what information that has been passed to other bodies as we would like to know everything that has been shared and stated in the shared information. We want to see any information Enfield Council has sent to the mental health trust along with any requests for data regarding Simon. I would also like information as to your procedure and protocol for sharing information with other bodies, and under what reason would you send information if you had a request to do so and what format that data would be sent in. I will be putting a SAR into the mental health team and also Enfield Council as I also do feel there are errors on both which I will be working to get corrected along with my son. At this time, I cannot think of anything else I would like, but later today when I speak to Simon I will ask if he wants anything added that he would like to know. As started on the call I will get the consent from Simon today and email that over.

Would it be possible to have a contract email for Michael Adugyamfi as you know I am on a short time scale ordered by the judge of 7 days to get this addressed. Also, would it be possible to get the time scale as to when I will get the order form the court, and has the police been informed regarding the dismissal of both the injection orders.

Dear Mrs Cordell,

I have emailed Michael Adu- Gyamfi and asked him to contact you as soon as possible, please note that he's aware of the deadline and will be in touch in due course. I have emailed a draft order to Trishna Kerai of Stuart Miller solicitors and I'm currently waiting her approval. Once I have this, I will be in a position to email the Court with the agreed order. I can't confirm the time it will take the Court to approve the order but as soon as this is done, I am sure Ms Kerai will contact you and let you know. We will contact the police regarding the discharge of the injunction order; however, we would need a sealed copy of the court order to be received first before such notification takes place.

Dear Ludmilla lyavoo
Thank you for the update email, as you will see form my below email I had already been told it would been a housing management **transfer**, my brother had a long talk with Nadine and he did try and speak to Michael Adugyamfi but he was in a meeting, Nadine kindly sent him an email with my email details for him to contract me, but the best phone number to call me on is 07807 333545. Would it be possible to have a contract email for Michael Adugyamfi as you know I am on a short time scale ordered by the judge of 7 days to get this addressed. Also, would it be possible to get the time scale as to when I will get the order form the court, and has the police been informed regarding the dismissal of both the injection orders.

Dear Ms Cordell,
Thank you for your emails.
I have made enquiries with our housing allocation manager and since Mr Cordell is an existing council tenant, he will need to apply for a **transfer**, so he does not need to make a new rehousing application. This **transfer** application must to be done via Simon Cordell's neighbourhood officer. I have emailed the officer in question and will ask him contact you as soon as possible. Can you please provide me with a preferred contact number so the officer can make an appointment with you and Mr Cordell?
I have copied Mr Cordell's solicitors to this email.

Dear Ludmilla lyavoo

I believe what we need as this is what we have just been told on the phone we need to do a housing management **transfer** to be able to get this done as Simon should not need to fill out a new housing application as he is already a tenant.

Dear Michael Adu-Gyamfi
As stated in court on the 09/08/2018 I stated I wanted a 2 bedroomed for my son due to my son needing a carer which the family are willing to do, Lemmy did state that Mr Cordell would not get this due to him being a single person, but the judge saw past this and stated I seen many cases where a person needed an extra bedroom for a carer which Mr Cordell clearly does, so I am not understand what you mean by a like to like property. Maybe it would be better if you called me and we discussed this before it goes to the panel my phone number is 07807 333545.

Dear Trishna,
I write further to my email to you and Mrs Lorraine Cordell. Our allocation manager has advised us that as Mr Cordell is an existing council tenant, he is entitled to apply for a **transfer** of tenancy and cannot make a rehousing application.

I am advised that the application needs to be done via Mr Cordell's neighbourhood officer. I have emailed the officer and asked him to contact Mrs Cordell as soon as possible. **Mrs Cordell is also encouraged to contact the Mental Health Team** so they can support him with his **MH issues** and rehousing. I have **amended the order to reflect the above and look forward to hearing from you.**

Dear Trishna,
I write further to my email to you and Mrs Lorraine Cordell. Our allocation manager has advised us that as Mr Cordell is an existing council tenant, he is entitled to apply for a transfer of tenancy and cannot make a rehousing application.
I am advised that the application needs to be done via Mr Cordell's neighbourhood officer. I have emailed the officer and asked him to contact Mrs Cordell as soon as possible. Mrs Cordell is also encouraged to contact the Mental Health Team so they can support him with his MH issues and rehousing. I have amended the order to reflect the above and look forward to hearing from you.

Dear Michael Adu-Gyamfi
As stated in my reply email to you yesterday it was stated in court about my son needing a 2 bedroom so that someone can be with him with the family to look after him. which all the family have agreed to do. I also wanted to understand something you wrote, you have said about the application for management **transfer**, and I believe from what I am reading you complete this application, what I am not sure of is if once you have completed it do you send it to me for agreement before it goes to the housing exceptions panel on the 17/08/2018 or do you just send it to them without me seeing it?
I would like to see the application before it goes to the housing exceptions panel on the 17/08/2018 so I can fully go over it, and make any comments needed.

[00:00:07] 01:54.
[00:00:08] Emergency what service.
[00:00:08] Hello Can you put me through to the police please.
[00:00:09] Police, thank you.
[00:00:11] Sorry, I rung a second ago the phone was playing but I couldn't speak.

[00:00:17] Hello you are through to police emergency.
[00:00:18] Hello how are you doing. I've been contacting you in regards to issues I've been having in my house.
[00:00:21] You just recently yesterday sent a police officer out to my house.
[00:00:26] OK.
[00:00:26] And he was. He wasn't able to deal with any of the on goings. For some reason he heard he's passed it along to another gentleman. And every time my phone calls in regards to my neighbours attacking me they're flush in the toilet every time I go, above the toilet go to the toilet above my head. They're continuously banging above me when I'm getting in the bath. I understand the noise talks of law civil litigation. I understand that Christy v Davey is the first ever people banging each of which calls noise pollution. The police keep saying this is a noise complaint and if you check on your computers. I've called you over 130 times in regards to getting assaulted. by these neighbours that I once helped. Now they keep saying you lot keep saying it's a noise problem. I'm very upset that you've not realized that this is turning to hate crime which is a crime because it says hate crime and it's from hate crime it's turned into attempted manslaughter. I want these people prosecuted for attempted manslaughter against me in my own home.
[00:01:20] But why is there, sorry, sorry hmm but why is it attempted manslaughter
[00:01:21] Because we say.
[00:01:26] if it’s a noisy neighbour.
[00:01:27] Thought OK if we go through this very slowly year you understand that we live in. We live in the UK and we live under our human rights which is a 1998 Human Rights and when in 1942 in our continental human rights in our human rights just in Article two it says the right to life. We have that within the UK here. Now when somebody tries to take away my right to life that becomes attempted manslaughter or attempted murder. Now also Article three if my Human Rights says that if any person physically assaults me or physically or mentally assaults me. Both of them said they touch me or they physically assault me not touch me. This will amount to torture. So, it says that in equal free physical or mental sufferings yeah which are right now I'm complaining about that mental sufferings that they're mentally attacking me and my sanity. And that this is amounting in the way that they're attacking me will leave me in a hospital and could leave me and leave me with heart pains anxiety I'm having high anxiety pains in my heart I keep writing into the council.
[00:02:32] OK, can I stop you there. Can I stop you there so, basically what you are saying is that you do not feel that it has been dealt with as adequately?
[00:02:36] two hundred and thirty phone calls to yourselves to you all I have got over.
[00:02:39] OK, OK.
[00:02:39] I have got over three hundred videos of you all
[00:02:39] OK, OK I am just trying to establish the facts here, so do you so do you want to make a complaint. Because I cannot comment on the way that police have dealt with that. Okay.
[00:02:51] I don't know all of the details.
[00:02:52] But you can handle it you can handle a case from this second I'm informing you my neighbours woke me up again this morning attacking me.
[00:02:59] Right OK, so how were they attacking you I just needed to get some of the facts here.
[00:03:04] They are getting pots and pans from in their kitchen they're entering their front room with the pots and pans and they're smashing the pots and pans above where I sleep. They're also doing this when I go into the bathroom.
[00:03:14] Right OK,
[00:03:14] In their bathroom room they have --- floor.
[00:03:15] So, they are being extremely noisy and they are trying to antagonize you.
[00:03:19] Not extremely noisy and in the extreme legalism and ignore easy when I don't really legally eavesdrop into my privacy yeah into my private home and I listen to what room I enter into when I enter into them rooms. Yeah, they will follow me into them rooms with their hate crime and they will try to cover up them left fabricate that they've made. Yeah, they're trying to cover up the fabricated statements and the fact that they've killed my unborn child in my own firm. I've got the medical notes my turn and they put me and my partner through so much through so much mental stress in our homes and you know not protecting us that she had a miscarriage in our own home when we should be safeguarded and have the right to a private and family life or equal 13 with inside of my home.
[00:04:05] I paid the rent and I I'm a secure tenant and they're not even secure tenants I'm not I think I'm goanna call them a customer.
[00:04:16] I do understand what you're saying. OK.
[00:04:19] But this has already been dealt with so I can deal with one happy outcome. A complaint each of the comments. I think you speak for me.
[00:04:34] Thank you. Did you call you back to discuss the issue? You have the ongoing issue and you feel the police to support you.
[00:04:47] I called your calls and an me.

[00:04:53] Well I can't tell you because you should not have attended my party once in fact to in five years in recordings, I've shown them video evidence of the people I talk to me it.
[00:05:10] It's not something I can comment on.
[00:05:13] Would you come. You can do it. We can do is do what the NSIR signed you up to do.
[00:05:17] Listen, listen, you are not listening to me are you.
[00:05:17] Of course I am madam.
[00:05:22] No, you are not, no you are not.
[00:05:23] Of course I am madam.
[00:05:23] You're not
[00:05:23] I just have a different opinion to you.
[00:05:25] You are constantly speaking over me.
[00:05:27] I'm hurt, I just may have a different opinion to you for what your job tells you are there to do.
[00:05:29] If you want to listen to me about what I am going to tell you
[00:05:32] Your Constitution tells you that you must protect me.
[00:05:35] OK, I will wait until you are ready then I will wait until you are ready.
[00:05:35] year I will prefer that.
[00:05:36] Your Constitution tells you if someone calls you for as a CFS a call for services which I am calling you a member of the public. Your constitution that you sign so, that you can work for a company to friendly association social that you do you now.
[00:05:51] Right listen I am going to stop, I am going to stop you now, OK.
[00:05:51] You have NSIR regulations says this CD data says that you should protect me if I give you a graded listed issue yeah and perjury is of the highest attempted manslaughter.
[00:06:01] Listen to me, Listen to me.
[00:06:02] You Look grading your issues.
[00:06:02] Listen, listen, listen.
[00:06:03] You need to get a police officer to my house within 60 seconds of someone doing it and take the evidence, under the evidence Act 1941.
[00:06:06] If you are not prepared to listen to me, I am going to have to clear the line.
[00:06:10] I am recording this and I am going to put this into my report.
[00:06:13] Yeah and I'm goanna play this back to the general public and within the next couple of weeks or months with everything else that I've recorded I've got your call centres is calling me a black bastered and telling me that I have been robbed down the phone I have everyone of them.
[00:06:22] I do not believe that for one moment.
[00:06:26] do you want me to play it to you right now.
[00:06:26] This is something that you can discuss with
[00:06:30] don't challenge me.
[00:06:31] I am not challenging you.
[00:06:32] Don't challenge me if I'm telling you that I have got the evidence.
[00:06:33] I am clearing the line now.
[00:06:35] okay. you are being totally unreasonable.

[00:00:01] Emergency Service.
[00:00:02] Hello can you put me through o the police Please.
[00:00:02] Police Thank you.

[00:00:03] Thank you.
[00:00:09] Hello you are through to the police, what is your emergency.
[00:00:09] Hello. I have a few questions to ask you. I'm trying to I have noticed something yeah; some people were trying to set me up upstairs which the police. No, it's Mr. Simon called at 109 Burncroft Avenue.
[00:00:21] I've been complaining about Mathiyalagan and Rethity err Mathiyalagan they can live at 1 1 7 Burncroft Avenue. Now I've let stuff go on for two years I've been phoning your call centres continuously recording all of these things. I made a website called horrific corruption and I've loaded uploaded all the recordings and done the transcripts and it proves everything I've been talking about. Now the conversation that I want to have with you is very serious.
[00:00:46] Hello Sir you have called the emergency line.
[00:00:46] Yes, this is this is about terrorism. It's about terrorism about bombing people up and about and about fake fraudulent names, marriages and fake names. Yeah. And in fulfilling in court case paperwork and in setting me up in a fake marriage name yeah
[00:01:00] Now what the terrorism I'm trying to explain here is this. Yeah, the reason I've explained to you the history is that this has gone on for two years now just recently. 1 1 7 who live upstairs. put another application in with the council. Now what they thought when they put their application in with the council was they put a doctor's note in the application in that doctor's note it has her real address in her previous address which is 14 Netley Road Walthamstow then they have lined over and put 1 1 7 Burncroft Avenue. So, I done checks on 14 Netley Road and start to do my homework when the people are setting me up. If that makes any sense now what I find is very concerning. Now the woman the woman upstairs goes by Ravity Mathiyalagan.
[00:01:43] She used R A V A T HY.
[00:01:46] Sir sorry we are on the emergency line and this if for something that is taking place right now.
[00:01:51] I'm explaining to you that let me explain to you where there is terrorism and that goes 100 houses her sister I found her sister her sisters is a suicide bomber a lite suicide bomber and that they've got their forged there marriage name forge their marriage names with fake names.
[00:02:06] Were does the sister live.
[00:02:07] You see the sister the sisters live in. I'm not too sure where the sister is living at present but they have over 100 houses in their name yeah.
[00:02:14] How do you know that this is a suicide bomber if you do not know where she lives
[00:02:16] Because what I've done is there from there from there from what do you call it from Sri Lanka and in 2009 Sri Lanka was having a war year a Genocide war that lasted for 1983.
[00:02:31] And what makes you think that she apart of that.
[00:02:31] That's got her surname and I've got her both with a surname so Mathiyalagan's wife uses yoga Java is one of the surnames Thambrisa is was another surname.
[00:02:42] What does that have to do with her connection.
[00:02:42] No, no, no, no, no. Now what. What happens is Rethity is not her real name. The name that she's is filling all of the court paperwork's in with and go into court against me is not her real name. She owns over 50 houses in a real name. Then she went to the marriage place and used a fake marriage name which I can prove here now because I have got all of their marriage certificates all the sensor records and everything here. She forged her marriage a first name and forced her last name so that she can get a council flat and hide the other hundred houses that were hit in a real name. I found the other 100 houses. Yeah, I've got one hundred houses in real life that she really Young's no dad really owns none the less she built over a million pound. Yeah, I find all of the paperwork they send in over a million pound to Sri Lanka through school's children's schools in that yeah, and kid's schools.
[00:03:32] Right Sir can you go down to the police station with all that information and all that paperwork.
[00:03:36] Yeah, I will do that 100%.
[00:03:38] Can you do that now go down to the police station.
[00:03:39] I will tell you I'm being serious with you I'm not mucking about. I'm not 100 percent.
[00:03:44] All right Sir go down to the police station now go straight to Edmonton
[00:03:44] Sure. I will do that.
[00:03:47] Thank you bye, bye.

Dear Trishna,
I write further to my email to you and Mrs Lorraine Cordell. Our allocation manager has advised us that as Mr Cordell is an existing council tenant, he is entitled to apply for a transfer of tenancy and cannot make a rehousing application.
I am advised that the application needs to be done via Mr Cordell's neighbourhood officer. I have emailed the officer and asked him to contact Mrs Cordell as soon as possible. Mrs Cordell is also encouraged to contact the Mental Health Team so they can support him with his MH issues and rehousing. I have amended the order to reflect the above and look forward to hearing from you.

TN THE COUNTY COURT AT EDMONTON Claim No: E00ED049
Before District Judge Dias
B ETWEEN
THE LONDON BOROUGH OF ENFTELD
and
Claimant
MR STMON CORDELL
Defendant

--

ORDER

--

UPON hearing Solicitor for the Claimant and Defendant, the Defendant's mother, the Defendant's uncle, and the Defendant not attending

UPON the Court reviewing the psychiatrist report of Dr Dhinakaran dated 08 July 2018 confirming that the Defendant lacks capacity to litigate and/or capacity to understand the terms of the injunction order made on 09 January 2018

UPON the Defendant's mother Mrs Lorraine Cordell, confirming that she will engage with the Claimant and assist the Defendant's neighbourhood officer in making a housing management transfer application on or before 16 August 2018.

UPON the Claimant agreeing that it will deal with the housing management transfer application as quickly as possible after being made.

This is in progress and it was stated my son would need a 2-bedroom place due to needing someone with him. The council is already trying to get away with this by saying a like to like place which I see they are trying to do a 1-bedroom place.

1949,

And UPON the Defendant's mother agreeing to engage with the Enfield Mental Health Unit team so the Defendant could receive assistance with his mental health conditions and housing.

The above section is wrong I did not agree to engage with Enfield Mental Health Unit team, so the Defendant could receive assistance with his mental health conditions and housing. (what was stated I was dealing with the mental health team due to a complaint, and it was stated I would ask the mental health team if they would help regarding moving Simon, this is being done ATM, I cannot say my son will take assistance with his mental health conditions, due to the fact that will be down to him and not me I can try and get him to get help, but it's not down to me if he takes it.

IT IS ORDERED:

The interim injunction order dated 09 January 2018 be discharged forthwith.

It was stated it would be dismissed not discharged the judge asked them if they wanted discharged or dismissed and they stated dismissed, I see now why they are trying to change this to discharged. As discharged means discharge is an unconditional discharge where the Court finds that a crime has technically been committed, but that any punishment of the defendant would be inappropriate, and the case is closed. It has never been proven that my son done anything.

The Claimant's claim and application for an injunction dated 09 January 2018, the Claimant's applications for the Defendant's committal dated 05 February 2018 and 20 April 2018 and the Claimant's application notice dated 07 August 2018 do stand dismissed.

The Claimant should serve a copy of this order upon the Wood Green Police station.

This should be all police as it on record and if he gets arrested at any police station this can come up if it's not removed from full record.

There be no order as to costs save for detailed assessment of the Defendant's publicly funded costs.

Dear Ludmilla lyavoo
Could you please forward the housing management **transfer** application that **Lemmy called me about last night 15/08/2018 at 16:15 hours,** as I have the mental health team calling me regarding the like to like section in the application.
I have not yet seen the application that has been filled in for my son by Enfield Council, and I would like to see it before it is submitted to the **broad tomorrow.**
Also, would it be possible to get a copy of Enfield Councils guidelines and policies for the management **transfer** application, I do believe I have a copy but want to make sure I have the correct one.
As you are aware at court it was stated I had to fill an application in by today, but it was not stated as to what application it was, and then it was found out the application had to be done by the council so all the wrong information was told to judge, and as you are aware what I said to the judge regarding a 2 bedroom and then what Lemmy said to the judge that my son would not get one,
then what the judge said to Lemmy regarding a 2 bedroom.
I do not want my son placed into a new home that is not going to be appropriate, I want to get it right for him,

after all his health has gone downhill due to all the court cases
and what the neighbours were and are still doing to him
and Enfield council took no notice of the hell my son was living in
all they done was believed the neighbours,
then on top Enfield Council basically **telling the courts** there was **nothing wrong with my son's health** even though I was **telling Enfield Council since the start of 2015 via emails the impact this was having on my son regarding what the neighbours were doing,**
I want Enfield Council to take this seriously as so far where my son has been concerned you have only blamed him for everything and gone one sided and never heard what my son or I have had to say,
I believe if Enfield Council had done the correct investigations they would have seen there was a lot more going on here then what the neighbours was saying, but Enfield Council only blamed without wanting to know the facts.
My son has to be re-housed and I want that to be done correctly even if more time is needed and this is not taken to the panel until next week, I do want it done as soon as possible due to what the neighbours are still doing, I don't want things rushed by **Enfield Council because they know now they have done wrong** and made beaches regarding my son I want it done correctly, as stated I want the mental health input if they are willing to give it as it seems since I put the complaint in they do not seem to want to talk with me as stated to you outside the court room, but that is being addressed and I am waiting for a call back today regarding the housing issue, I have spoken with a few people over the last week regarding this, but due to a change over with the people dealing with my son and him not given a named worker yet it has been hard.
Also, can you tell me if I am allowed to attend the panel hearing and also maybe a mental health worker if they are willing to attend also?
I will await to hear from you today.

Thank you for the update email, as you will see form my below email I had already been told it would been a housing management **transfer**, my brother had a long talk with Nadine and he did try and speak to Michael Adugyamfi but he was in a meeting, Nadine kindly sent him an email with my email details for him to contract me, but the best phone number to call me on is 07807 333545. Would it be possible to have a contract email for Michael Adugyamfi as you know I am on a short time scale ordered by the judge of 7 days to get this addressed. Also, would it be possible to get the

time scale as to when I will get the order form the court, and has the police been informed regarding the dismissal of both the injection orders.

Dear Ms Cordell,
Thank you for your emails. I have made enquiries with our housing allocation manager and since Mr Cordell is an existing council tenant, he will need to apply for a **transfer**, so he does not need to make a new rehousing application. This **transfer** application must to be done via Simon Cordell's neighbourhood officer. I have emailed the officer in question and will ask him contact you as soon as possible. Can you please provide me with a preferred contact number so the officer can make an appointment with you and Mr Cordell? I have copied Mr Cordell's solicitors to this email.

Dear Mrs Cordell,
I write in response to your email below and further to our telephone conversation held a few minutes ago. As explained, it is not usual practice for a management **transfer** application to be forwarded to the applicant as this is a document which is usually completed by a housing officer and used internally. So please accept my apologies if you may have been advised previously that this would be the case. However, we are happy to discuss its contents with you should you wish to. I enclose a copy of the Enfield Housing Allocation Scheme, which is used by the exceptions panel before considering a management **transfer** application. I explained to you that if the application goes ahead tomorrow (this was the earliest exceptions panel meeting), Simon could only be considered for a **transfer** of property which is similar to the one he currently occupies (like for like **transfer**). You explained to me that you believe that your son requires supported accommodation. You also said that he has agreed to see a consultant of the Enfield Mental Health Team and was given an appointment on 31/08/2018 at 9.30am. I have explained that Simon will need to be assessed by the team in order to be considered for supported accommodation. On that basis you agreed to have the management **transfer** application deferred to be considered at the next panel meeting which will take place on 28/09/2018, this would allow more time for an assessment to be carried out by the Mental health team. Please confirm that this is agreed by yourself and Simon.
I also confirmed that the exceptions panel meetings are attended by professionals which means that tenants or members of their family are not allowed to attend. However, the meetings can be attended by mental health workers.
I hope this email answers your queries, please do not hesitate to contact me if you have further questions.

Dear Ludmilla lyavoo
I am not saying my son needs are of supported accommodation as I believe in Enfield Council teams that means him being place in accommodation where a person looks after people that are in supported accommodation and my son would not know this person or have any options. What I am saying is what I said in court that I would like my son to have a two bedroom accommodation so that the very supported family he has got can be with him, which the whole family has agreed to help we are a very close family and we are always there for each other when help is needed.
The enclosed Enfield Housing Allocation Scheme only has limited information regarding management **transfer** application and I am sure there is a more detailed management **transfer** policy within Enfield Council. At this stage we do agree to have the management **transfer** application deferred I have spoken to Simon regarding this, we do not want things rushed and not done correctly with all information, I believe the next panel is on the 28/09/2018 as you have stated.
I know an appointment has been booked on the 31/08/2018 at 9.30am as yet that is all the information we have been given as this was told to me to over the phone yesterday, I am not sure yet who it is with, but we should get a letter regarding this shortly. As stated, I am dealing with this and at this time need no help due to the ongoing complaint that is being addressed which goes into many issues. I know you have asked more than once if you can contract them, at this time we do not agree with this due to issues that are being dealt with in the complaint and I do not want any more confusion then there already is with data.

4130,
I do not want my son placed into a new home that is not going to be appropriate, I want to get it right for him, after all his health has gone downhill due to all the court cases and what the neighbours were and are still doing to him and Enfield council took no notice of the hell my son was living in all they done was believed the neighbours, then on top Enfield Council basically telling the courts there was nothing wrong with my son's health even though I was telling Enfield Council since the start of **2015** via emails the impact this was having on my son regarding what the neighbours were doing, I want Enfield Council to take this seriously as so far where my son has been concerned you have only blamed him for everything and gone one sided and never heard what my son or I have had to say, I believe if Enfield Council had done the correct investigations they would have seen there was a lot more going on here then what the neighbours was saying, but Enfield Council only blamed without wanting to know the facts. My son has to be re-housed and I want that to be done correctly even if more time is needed and this is not taken to the panel until next week, I do want it done as soon as possible due to what the neighbours are still doing, I don’t want things rushed by Enfield Council because they

know now they have done wrong and made beaches regarding my son I want it done correctly, as stated I want the mental health input if they are willing to give it as it seems since I put the complaint in they do not seem to want to talk with me as stated to you outside the court room, but that is being addressed and I am waiting for a call back today regarding the housing issue, I have spoken with a few people over the last week regarding this, but due to a change over with the people dealing with my son and him not given a named worker yet it has been hard. Also, can you tell me if I am allowed to attend the panel hearing and also maybe a mental health worker if they are willing to attend also?
I will await to hear from you today.

Dear Mrs Cordell,
I have emailed Michael Adu- Gyamfi and asked him to contact you as soon as possible, please note that he's aware of the deadline and will be in touch in due course. I have emailed a draft order to Trishna Kerai of Stuart Miller solicitors and I'm currently waiting her approval. Once I have this, I will be in a position to email the Court with the agreed order. I can't confirm the time it will take the Court to approve the order but as soon as this is done, I am sure Ms Kerai will contact you and let you know. We will contact the police regarding the discharge of the injunction order; however, we would need a sealed copy of the court order to be received first before such notification takes place.

Dear Ms Cordell,
Thank you for your emails.
I have made enquiries with our housing allocation manager and since Mr Cordell is an existing council tenant, he will need to apply for a **transfer**, so he does not need to make a new rehousing application. This **transfer** application must to

be done via Simon Cordell's neighbourhood officer. I have emailed the officer in question and will ask him contact you as soon as possible. Can you please provide me with a preferred contact number so the officer can make an appointment with you and Mr Cordell? I have copied Mr Cordell's solicitors to this email.

Dear Mrs Cordell,
I write in response to your email below and further to our telephone conversation held a few minutes ago.
As explained, it is not usual practice for a management transfer application to be forwarded to the applicant as this is a document which is usually completed by a housing officer and used internally. So please accept my apologies if you may have been advised previously that this would be the case. However we are happy to discuss its contents with you should you wish to.
I enclose a copy of the Enfield Housing Allocation Scheme, which is used by the exceptions panel before considering a management transfer application.
I explained to you that if the application goes ahead tomorrow (this was the earliest exceptions panel meeting), Simon could only be considered for a transfer of property which is similar to the one he currently occupies (like for like transfer).
You explained to me that you believe that your son requires supported accommodation. You also said that he has agreed to see a consultant of the Enfield Mental Health Team and was given an appointment on 31/08/2018 at 9.30am. I have explained that Simon will need to be assessed by the team in order to be considered for supported accommodation. On that basis you agreed to have the management transfer application deferred to be considered at the next panel meeting which will take place on 28/09/2018, this would allow more time for an assessment to be carried out by the Mental health team. **Please confirm that this is agreed by yourself and Simon.**
I also confirmed that the exceptions panel meetings are attended by professionals which means that tenants or members of their family are not allowed to attend. However the meetings can be attended by mental health workers.
I hope this email answers your queries, please do not hesitate to contact me if you have further questions.

Dear Ludmilla, Iyavoo
Could you please forward the housing management transfer application that Lemmy called me about last night 15/08/2018 at 16:15 hours, as I have the mental health team calling me regarding the like to like section in the application. I have not yet seen the application that has been filled in for my son by Enfield Council, and I would like to see it before it is submitted to the broad tomorrow.
Also would it be possible to get a copy of Enfield Councils guidelines and policies for the management transfer application, I do believe I have a copy but want to make sure I have the correct one.
As you are aware at court it was stated I had to fill an application in by today, but it was not stated as to what application it was, and then it was found out the application had to be done by the council so all the wrong information was told to the judge, and as you are aware what I said to the judge regarding a 2 bedroom and then what Lemmy said to the judge that my son would not get one, then what the judge said to Lemmy regarding a 2 bedroom.
I do not want my son placed into a new home that is not going to be appropriate, I want to get it right for him, after all his health has gone downhill due to all the court cases and what the neighbours were and are still doing to him and Enfield council took no notice of the hell my son was living in all they done was believed the neighbours, then on top Enfield Council basically telling the courts there was nothing wrong with my son's health even though I was telling Enfield Council since the start of 2015 via emails the impact this was having on my son regarding what the neighbours were doing, I want Enfield Council to take this seriously as so far where my son has been concerned you have only blamed him for everything and gone one sided and never heard what my son or I have had to say, I believe if Enfield Council had done the correct investigations they would have seen there was a lot more going on here then what the neighbours was saying, but Enfield Council only blamed without wanting to know the facts.

Introduction

This is Enfield's Housing Allocations Scheme. It tells you how we assess applications for housing and allocate social rented homes owned by Enfield Council and partner housing associations to households on Enfield's Housing Register.

Enfield is a very popular place to live. Many people want to rent a Council or housing association in Enfield. We expect demand for social rented homes in Enfield to increase as a result of the current economic climate and cuts in public expenditure including government welfare reform policies.

We have a severe shortage of housing. Just under 8,000 households are looking for this type of home through our Housing Register. On average 400 households join the Register each month. We expect to let 775 homes next year of which only 212 homes will have 3 or more bedrooms.

We are committed to increasing the supply of homes in the borough and our 15 year Housing Strategy describes our plans for doing this.

Most people on Enfield's Housing Register will never be offered a Council or housing association home. They will need to consider other housing options. This would include low cost home ownership schemes and renting from a private landlord.

Enfield Council's Aims

Enfield's Housing Allocations Scheme has been developed in a way that supports the Council's aims of:

- Fairness for all
- Building Strong Communities
- Growth and Sustainability

- **Fairness for all**

Fairness for all will be demonstrated in the following ways through the Allocations Scheme:

- Setting the Allocations Scheme within a wider housing advice and options approach
- Assisting applicants with a disability, older people and those with support needs to apply for housing through the Housing Register
- Enabling housing applicants to exercise choice through our choice based lettings system and taking preference into account when we make direct offers
- Maximising the supply of accessible homes for those with a disability

1965.

- Enabling everyone to understand how social rented housing is allocated through:
    - Having a revised Allocations scheme that is transparent and reasonably simple, clear, easily understood and accessible
    - Explaining who makes decisions, how long people may have to wait to be housed
    - Managing expectations and raising awareness by providing facts and figures about local pressures and the amount of housing available for letting
    - Monitoring and publishing better quality information about the people we house and the properties we let
    - Explaining what is being done to increase the amount of social rented housing

- **Building Strong Communities**

Building Strong Communities will be demonstrated in the following ways through the Allocations Scheme:

- Addressing severe overcrowding within social rented homes
- Supporting households back into work and creating a more balanced mix of residents on every housing estate in the borough.
- Requiring housing applicants to have a local connection with Enfield to be considered for affordable and social rented homes in the borough.
- Developing local lettings plans to address specific issues on estates or neighbourhoods.

- **Growth and Sustainability**

- Make best use of social rented homes by:
    - Addressing under occupation
    - Bringing empty homes back into use quickly
    - Regenerating Council-owned estates
    - Enabling tenants to participate in mobility schemes

1966.

Enfield Council's **values** are:

- *One Team* – Working together across teams, departments and partners to deliver the best possible services for Enfield's residents.

- *Customer First* – Treating the community, colleagues and partners with fairness and respect, listening and responding to their needs and designing our services around the people we serve.

- *Achieving Excellence* – Consistently striving to deliver standards of excellence through ambition, creativity, innovation, pride in our achievements and a 'can-do' attitude to new challenges.

- *Empowering People* – Enabling our staff and the local community to make informed choices and giving our staff the skills, knowledge and confidence to improve services, take personal responsibility, accept risk and recognise success.

We are committed to continuously improving our housing options and advice services and actively embedding these values within our services to improve customer satisfaction.

What we took into account when devising Enfield's Housing Allocations Scheme

As well as Enfield's aims and values, a wide range of documents including national and regional guidance, legislation, local strategies and consultation feedback has been taken into account when putting together this Housing Allocations Scheme for Enfield. These are set out in detail in Appendix 3.

Enfield's Vision for housing in the borough

Enfield has a vision for housing in the borough which is set out in its 15 year Housing Strategy. The vision is:

> "increase the supply of well-managed, good quality and affordable homes; promote housing choices and build strong neighbourhoods"

The Aims of the Strategy are:

Aim 1: Address housing need and promote personalised housing advice, options and choices

Aim 2: Increase housing supply to meet the needs of local people

Aim 3: Improve the quality of homes and neighbourhoods and contribute to strong communities

Enfield's Allocations Scheme makes an important contribution to achieving these aims.

The Aims of Enfield's Housing Allocations Scheme 2012-17

The aims of Enfield's Housing Allocations Scheme are

- **To have a scheme that is clear and easily understood by everyone** by
    - Adopting a simplified points scheme for assessing housing need and quotas for allocating social rented homes
    - Increasing the number of demand groups from 4 to 6 to make it clearer who is being allocated social rented homes
    - Publishing a clear summary of our allocations scheme and make it available at our offices and on the Council's website.

- **To ensure social rented homes are allocated in a fair, flexible, efficient and accountable way** by:
    - Following legislative requirements, case law, national, regional and local strategies and policies
    - Monitoring lettings and publishing better quality information about the people we house and the homes we let
    - Using information technology to register and assess housing applications on line
    - Improving customer satisfaction by putting in place better systems, processes and procedures for assessing applications and allocating social rented homes
    - Reviewing annually Enfield's local priorities for social rented homes

- **To ensure the scheme allows the Council and its partner organisations to make best use of Enfield's social rented homes** by
    - Keeping nomination agreements under review
    - Putting in place reciprocal arrangements with housing associations where the council has approved an emergency or exceptional transfer because of harassment, domestic violence or hate crime
    - Addressing under-occupation and severe overcrowding within social rented homes

- **To enable housing applicants to have a choice of or express a preference about the social rented housing they would like to live in** by
    - Managing expectations about the availability of social rented housing in the borough by providing applicants with sufficient information to help them make informed choices about where they live from a full range of housing options including social rented homes, affordable home ownership and private rented homes.
    - Minimising the use of accommodation provided by Enfield Council for households owed the full housing duty under the homelessness law
    - Taking applicants' preferences into account as far as possible when making direct offers
    - Enabling applicants to exercise choice through the choice based lettings system

- **To assist in building sustainable and cohesive neighbourhoods in Enfield** by
    - Giving priority to households with a local connection
    - Regenerating our Council-owned estates
    - Supporting households back into work and creating a more balanced mix of residents on every housing estate in the borough.

1969,

Enfield's Statement on Choice

Enfield's Allocations Scheme has been framed to allow applicants to express preferences in the type of property and area in which they wish to live, and between the Council and housing associations as landlords.

Choice is enabled through:

- most vacant social rented homes being advertised through the Choice Based Lettings system, Home Connections
- applicants' preferences being taken into account as far as possible when the Council makes them a Direct Offer
- many, but not all, categories of housing applicants having the opportunity to receive more than one offer.

Information being published regularly on the websites of the Council and the Home Connections on the letting of vacant social rented homes in the borough including where homes were located, the type of homes let, which categories of applicants were housed, how many were let by choice based lettings and how many were let by direct offer, approximate waiting times for different categories of applicant. This information will enable applicants to compare their own circumstances with those housed and understand better their own chances of being housed. In the context of a severe shortage of Council and housing association homes in Enfield and the concentration of most social rented homes the east of the borough, it may not be possible to fulfil applicants' preferences.

Enfield expects applicants to be flexible, consider compromising and decide what is most important when making decisions about their preferences for a social rented home: that is, area, type of housing and preferred landlord.

The penalties for refusing offers are clearly set out in this Scheme. For example, applicants who think they may be able to hold out for a house rather than a flat in their area of their choice may find their housing application is cancelled if they refuse offers of accommodation the Council believes are reasonable and meet the needs of the applicant's household.

The following circumstances outline where it is particularly unlikely that the Council can fulfil every aspect of applicants' preferences:

- Where an existing Council or housing association tenant has to be moved urgently
- Where the applicant needs accommodation which rarely becomes available, e.g. wheelchair-adapted accommodation or homes with 4 or more bedrooms
- Where an applicant has not engaged with the choice based lettings system and the Council has decided to make them a direct offer

1970,

Reviewing Enfield's Allocations Scheme

There will be an on-going review of Enfield's Allocations Scheme during the first year of operation. Minor amendments will be agreed by the Cabinet Member for Housing and Area Improvement to address practical issues revealed by the on-going review or made necessary due to further legislation or case law. Major changes will be reported back to Cabinet at the end of one year.

1971,

Valuing Equality, Diversity and Accessibility

Enfield has one of the most diverse populations in London and the council is working hard to strengthen and build sustainable communities and neighbourhoods. We value our diverse community and will seek to ensure all applicants have fair access to the Allocations Scheme and services we provide.

We have carried out a comprehensive Equalities Impact Assessment of our Allocations Scheme which is available on Enfield's website:

www.enfield.gov.uk/housingpolicies

A summary Housing Equalities Report is produced annually which describes the people who apply for and are allocated Enfield's council and Housing association homes. A copy is available on the Council's website.

Accessibility

In order to ensure that everyone is able to access housing advice and assistance and, where appropriate, bid for housing through our choice based lettings system, Home Connections, we provide the following:

- **The Housing pages of Enfield Council's website**
  - Enfield's website has been built to be accessible to those who are hard of hearing or visually impaired. It is compatible with popular screen readers and can be navigated easily using a series of keyboard shortcuts.
  - For those that have difficulty reading, have limited vision or for those for whom English is not a first language Enfield's website has text-to speech technology and all pages can be translated into one of 65 languages
  - For those with visual impairments the website has been designed to allow you to select the colour scheme that you find easiest to view such as black on white or white on blue.
- **Literature**
  - Information is available to download from the Enfield Council's website and from Home Connections website
  - Letters and documents can be translated on request to a language of your choice if English is not your first language.
  - We provide quick guides which show you how to bid online, over the phone or via text message.

1972,

Access to the internet

We know that not everyone has access to a computer and the internet. There are a number of places across the borough that people can go to in order to access the internet for free. Internet access is available at all Enfield libraries. Website information on internet access and computer hire in Enfield's libraries is available at this address:

http://www.enfield.gov.uk/info/442/libraries-computers_and_the_internet/227/internet_access_and_computer_hire_in_libraries
Other places where you can use a computer to find out about housing options in Enfield include:

Enfield's Housing Options and Advice Service

For those who have never used a computer before or who want a quick refresher course the libraries also offer training on how to access the internet.

Finding out how social rented homes are allocated in Enfield

Enfield's priorities for allocating social rented homes will be reviewed annually and published on Enfield's website here:

www.enfield.gov.uk/socialhousingpriorities

We will report on the outcomes of our Allocations Scheme and publish information on the Council's website so that our applicants, residents and partners can understand what we are doing and how well we are performing.

You can go to Appendix 1 to find out facts and figures about the amount and location of social rented housing in Enfield.

1973,

How to apply to Enfield's Housing Register

Most people can apply for housing by making an application to join Enfield Council's Housing Register. There are legal rules that mean that some people are not able to join the Housing Register. Information about who is not eligible to apply is set out in pages 20 to 21.

Every application for housing is considered and decided in accordance with this Allocations Scheme.

Tenants of Enfield Council or tenants of housing associations living in Enfield who wish to move to another social rented home are assessed, prioritised and registered on the Housing Register in the same way as other housing applicants.

Applicants to whom Enfield Council has accepted a duty to house because they are homeless are automatically placed on the Housing Register.

Making an application online to be placed on the Housing Register

The online application system was set up in 2013 to make it easier for customers

- to apply for housing at a time that suits them
- to receive a faster assessment of their application and chances of getting a council or housing association home.
- to be provided with information and advice on a full range of housing options.

If you don't have a computer to make an online application, you can access computers at the below local offices.

- At local libraries across the borough
- Enfield's main office at the Civic Centre, Silver Street, London EN1 3XL
- John Wilkes House, 179 High Street, Ponders End, London EN3 4EN

If an incomplete application form is received, applicants will not be registered.

1974,

Rights of the Applicant

Our Allocations Scheme has been framed to ensure that an applicant has the right to request information to enable them to assess:

- How their application is likely to be treated under the Scheme. In particular, whether they are likely to be regarded within the reasonable and local preference categories.
- Whether a home appropriate to their needs is likely to be made available to them and, if so, how long they can expect to wait to secure a successful move.

We will also ensure that applicants are:

- Treated fairly, with respect and without prejudice.
- Notified in writing of any decision made regarding their application for rehousing and the grounds on which that decision was reached.
- Given the opportunity of review against decisions made in respect of their application. For further information regarding reviews go to the section for Rights of Information, Review and Complaints on page 89.

What do we expect from Applicants?

In this Allocation Scheme we will outline what our applicants can expect from us, but there are also some things that we expect from them:

Honesty

We will be honest with our applicants. We will keep them informed of the progress of their application and we will explain any decisions that we make, including how we made them. In turn we expect applicants to be honest about your circumstances so that we can fairly assess their housing need and ensure they receive the right housing advice to suit them. Social housing is in very short supply and we will do everything that we can to ensure that best use is made of it.

Applicants must:

- Provide all information requested that is, or may be, relevant to their application for rehousing
- Advise of any changes in circumstances. This includes, but is not restricted to;
    - any changes to their address including change of tenure
    - the birth of a child
    - the removal of someone from their application
    - the addition of someone to their application

1975,

If we discover that the applicant or someone acting on their behalf have wilfully supplied false information or have failed to provide us with information that is relevant to their application in order to gain a social rented home we will immediately cancel their application.

If the applicant has obtained a social rented home through the Housing Register and it is discovered that they or someone acting on their behalf has supplied false information or failed to provide us with information that would have been relevant to the applicant's ability to secure that social rented home we will work with their landlord to end the tenancy.

It is an offence to obtain, or attempt to obtain, a tenancy by deception. S.171 of the Housing Act 1996[11] makes it an offence to knowingly or recklessly provide or withhold information when applying for housing and subsequently if your circumstances should change.

Anyone suspected of giving false information or withholding relevant information is also liable to be prosecuted and fined up to £5000.

Courtesy

We will always be polite to applicants and treat them with respect. We ask that applicants treat our staff in the same way, and verbal or physical abuse will not be tolerated. Anyone using abusive, racist or derogatory language will be politely asked to stop. Failure to do so will result in a written warning. Should this behaviour continue we will either only communicate with them in writing or may instead reduce their priority or cancel their application depending on the severity of their actions.

Requesting, Sharing and Verifying Information

Where an applicant has been assessed and may have priority under Enfield's Allocations Scheme, the Council will seek further information or supporting evidence from a variety of third parties. In applying for housing in Enfield, the applicant gives the Council permission to share information with third parties and make further enquiries to finalise the assessment of their housing application.

In order to offer the applicant appropriate advice and to assess their application, it may also be necessary to contact those people or organisations whose details have been provided in addition to any other relevant parties whose details come to light during our enquiries. This may include:

- Cross checking the information given by the applicant against the full Register of Electors of the London Borough of Enfield or any other Council.
- Cross checking the information given by the applicant with other Council sections e.g. Housing Benefit, Council Tax and other Council and Benefit Agencies.

1976,

- Contacting current and previous landlords.
- Sharing information with partner Housing Associations (Registered Social Landlords).
- Cross checking with data matching companies e.g. Experian or other credit reference agencies. These agencies will record details of any search made whether or not the application proceeds.
- Other third parties considered relevant to the application.

Applicants may also be asked to provide further evidence in order to verify the information given to us. This includes but is not restricted to;

- Photographic proof of ID (passport or driving licence).
- Proof of any welfare benefits claimed
- Birth certificates for each household member included on the application.
- National Insurance Number.
- Proof of current and/or previous addresses (utility bill, bank statement, Council Tax payment book).
- Proof of income (pay slips for four weeks if paid weekly or last two months if paid monthly), a letter from their employer confirming their annual salary; tax returns / business accounts to evidence self-employed work.
- Passport size photo.
- Immigration documents.
- Information regarding property ownership.

Failure to provide information requested when required to do so may result in the following outcomes:

- a delay in finalising the assessment of the application or the application being cancelled if information is not provided within 4 weeks
- an offer of a social rented home being withdrawn if information required is not provided within 24 hours.

Applicants would then need to submit a new application if they wanted to reapply to join Enfield's Housing Register.

Where appropriate, any information provided by the applicant may be shared with partner housing associations (registered housing providers or registered social landlords).

1977,

Assessing and prioritising applications for housing

The Law

The law requires all local authorities to have an Allocations Scheme for determining priorities and a procedure to be followed in allocating social rented housing in their districts.

Reasonable preference

Under Part 6 of the Housing Act 1996[1] (as amended) Enfield's Allocations Scheme is framed to ensure 'reasonable preference' (also known as a head start) to some applicants. They are summarised below:

- People who are homeless
- People occupying insanitary, overcrowded or otherwise unsatisfactory housing
- People who need to move for medical or welfare reasons, and
- People who need to move to a particular location, for example to be nearer to special medical facilities.

Enfield Council also has some groups of applicants which it will give a local reasonable preference. These are:

- Enfield's Council tenants who need to move because, due to changes in welfare benefit entitlement, they can no longer afford to occupy their current homes and need to move to a smaller home
- Enfield's Council tenants who need to move because their home is part of an estate regeneration scheme
- Enfield's Council and housing association tenants who are severely overcrowded because they lack 2 or more bedrooms

Appendix 3 defines the housing circumstances which Enfield will have regard to when awarding an applicant reasonable preference.

Who is ineligible for Housing?

By law, social rented housing can be allocated to eligible people.

The following groups of people are defined in law[2] as ineligible for an allocation of housing and are therefore cannot join the Housing Register:

[1] S166A(3) Housing Act 1996, as amended by S147 of the Localism Act 2011
[2] S160ZA, Housing Act 1996, as amended by S146 of the Localism Act 2011

1978,

People subject to immigration control

People are not eligible if they are subject to immigration control or they are a person from abroad which the Secretary of State has prescribed is ineligible. These include people from abroad who are subject to immigration control under the Asylum and Immigration Act 1996 unless they are:

- already a secure or introductory tenant of the Council or an assured tenant of housing allocated to them by a Council; or
- in a class prescribed by regulations made by the Secretary of State.

People prescribed as ineligible for an allocation in any regulations made by the Secretary of State unless they are:

- already a secure or introductory tenant of a Council or an assured tenant of housing allocated to them by a Council.

People prescribed by Enfield as being ineligible for an allocation of social rented housing

Behaviour

(1) People who have supplied false or misleading information on their application for housing.

(2) Any applicant who has paid money to obtain a tenancy with either the Council or a housing association operating within the Borough.

(3) Any applicant, partner or other member of their household has been convicted of, or had legal action taken against them for violence, racial harassment, threatening behaviour, any physical or verbal abuse towards staff and residents in the applicant's neighbourhood. Legal action here includes convictions, serving of injunctions, notice of intention to seek possession, court order, revocation of licence to occupy.

An applicant who suffers from a mental illness and has either been convicted or has had legal action taken against them as defined above shall not be ineligible if the conduct in question was directly attributable to their mental illness. In these circumstances the Council will usually require medical evidence to help determine the applicant's eligibility.

Applications from people excluded under this section will need to demonstrate a change in behaviour. Usually, applications under (1) will be reconsidered after 12 months, and applications under (2) and (3) after five years, during which there has been no repeat occurrence. Earlier reviews may be considered.

1979,

Assets, Income and Savings

If an applicant or their partner owns a property or a share in their property, or have enough assets (£50,000 savings) or income (£70,000 – household with children or £40,000 – single person or couple without children) to meet their own housing need, they will be ineligible to apply for housing.

The Council will review these financial limits during the first year of the scheme and annually thereafter.

More information on current financial limits is contained in Appendix 2

Applicants under the age of 18

Anyone aged 16 or over (except those described above as 'ineligible' for housing) can apply to the Council to join the Housing Register. Some landlords, however, may only offer tenancies to applicants under the age of 18 if they have a guarantor.

Homeless applicants post 9th November 2012 who are placed into private rented accommodation

Homeless applicant's that are owed a full housing duty by Enfield Council will in most cases be housed in the private rented sector. However, the council is aware that there may be some rare situations where it would not be suitable for a person to live in private rented accommodation. The Council will decide whether the applicant's circumstances are so exceptional that it would not be suitable for them to live in the private rented accommodation.

Right of Review

Applicants have a right of review against any decision taken by the Council to cancel their application from Enfield's Housing Register on grounds of ineligibility. See the section on Rights of Information, Review and Complaints on page 89, which gives information on how to request a review of a decision taken by the Council.

Other things we take into account

In addition to legislation, local authorities have to make sure their housing allocations policies comply with

- decisions made by judges in court cases (case law)
- government guidance on how to implement the law and case law

1980,

We will also take account of additional factors relevant to the needs of the applicant. They include:

- The urgency of an applicant's housing need
- How long the applicant has been on the Housing Register
- The financial resources available to a person to meet their housing needs
- Other locally defined reasons

The severe shortage of social rented homes in Enfield means the Council must make best use of housing stock in the borough by taking into account the availability and suitability of all alternative housing options and solutions for meeting an applicant's housing need.

Reasons for canceling Housing Register applications

Applications on the Housing Register will be cancelled and removed for a number of reasons including the following: the applicant

- Has been evicted because of rent arrears after they apply to the Housing Register
- Has been involved in proven or evicted for anti-social behaviour after they apply to the Housing Register
- No longer wants to be housed
- Has died
- Has had a change in their immigration status and is no longer eligible to be on the Housing Register
- Has been housed by Enfield Council or a Housing Association
- Is a person prescribed by the Secretary of State in regulations as ineligible

1981,

An Overview of Enfield's Allocation Scheme

Enfield Council uses a points system for assessing applications for council and housing association homes. Enfield Council's Points Scheme is described in more detail in pages 31 to p39.

Grouping Housing Applicants

All applicants for social rented housing will be placed in one of 6 groups as follows:

1. Council and Housing Association tenant applicants
(also known as Transfers)

These are existing tenants of Enfield Council and housing associations in Enfield who need to move because:

- their current home is too small or too big for them
- they have high health and well-being reasons for needing to move
- they have an exceptional or emergency reason for needing to move

Reciprocals

Enfield Council expects housing associations to respond to the exceptional and emergency needs of their tenants by using their own housing stock.

In exceptional circumstances the Council may agree to assist housing association tenants on a reciprocal basis by making the housing association tenant one direct offer of suitable alternative accommodation.

All reciprocal arrangements are agreed on a discretionary basis and the Council retains the right to decline a request.

Reciprocals are only agreed when there is no material loss to the Council in terms of available housing stock. In most cases, this means that the Council will expect back a property of equal or larger size than the home offered. The home must also be comparable in terms of quality and type.

In exceptional circumstances, the Council may agree to accept two smaller homes in exchange for a larger home of the same number of bedrooms. This will only be considered where there is no other re-housing option available to the applicant and where there is a strong welfare reason to support the request.

The Council expects to receive back the replacement home within twelve months of the housing association tenant's start date for their new tenancy.

1982,

The housing association concerned will be required to provide a written commitment to the terms of the reciprocal, as agreed by Enfield Council.

If the direct offer is unreasonably refused the reciprocal arrangement concerned will be cancelled.

2. Estate Regeneration Tenants with Decant Status
(also known as Decants)

These are tenants of Enfield Council living on council-owned estates that are going to be knocked down and rebuilt. Applicants will need to have been given Decant Status to qualify for inclusion in this group.

The Council has plans for regenerating Council housing estates in the borough and will need to move on average 600 tenants between 2012 and 2017. Enough social rented homes will need to be set aside each year to achieve these moves.

The terms of any moves, including priorities for moving, will be set out in a separate offer to affected tenants. Tenants required to move will be supported to find alternative accommodation and where necessary direct offers will be made.

Tenants of Enfield Council who live in a home that is due to be redeveloped in the future as part of a regeneration programme, but have not yet been awarded Decant Status, will have their application assessed under Group 1 criteria.

3. Special Applications and Quotas

Quotas will be allocated to the following groups:

- Young single people who have been in the care of Enfield Council and require one bedroom homes
- Residents living in Enfield supported housing schemes who are ready to live independently in one bedroom homes
- Former Armed Services personnel who fall within one or more of the statutory reasonable preference categories and have urgent housing needs
- Bereaved spouses and civil partners of members of the Armed Services leaving Services Family Accommodation following the death of their spouse or partner
- Enfield's New Generation Scheme which plans to help a small number of adult children of Council tenants to move into independent accommodation. Applicants qualify if:
  - > the applicant is engaged in approved education, training or work and/or
  - > there is severe overcrowding in the household would be lessened

1983,

- Enfield Council employees whose tenancy and home goes with their job and the Council has agreed to move them to an alternative social rented home due to ill-health or retirement.

  > 1st priority if releasing a 3 bedroom home or the home occupied is needed for another employee

- Applicants with a legal right to succeed to an Enfield-owned social rented home which is larger than required. The Council will require applicants to move to smaller accommodation

- Applicants with no legal right to succeed to an Enfield Council home but is occupying a home larger than the applicant needs and the Council has agreed to house the applicant into a smaller home

- Single people with a physical disability, learning difficulty, mental health issue who have been assessed by one of Enfield's Housing Panels as needing an independent home (Studio or 1 bedroom homes as required)

- No other housing circumstances apply but the applicant has been awarded:

  > A high health and well-being priority

  > A medium health and well-being priority

- Enfield's Key Workers as set out in Appendix 5

- Post Homelessness (Suitability of Accommodation) Order 2012: Households in accommodation provided by Enfield Council owed a full housing duty under the homelessness law with exceptional needs that are not suitable for living in the private rented sector

- Applicant is homeless but Enfield Council does not owe the full homelessness duty towards them following an assessment. This group includes non-priority homeless and intentionally homeless cases. Applicants will be considered for studio and one bedroom homes only.

- Private Rented Sector Tenants or households living with family / friends with no health and well-being issues.
  > Applicant lacks 3 bedrooms

- Applicants who have been assessed and recommended for housing by Enfield's Fostering or Adoption Panels in the following circumstances:
  - as an approved Foster Parent
  - as an approved family or friend's foster carer
  - an approved adoptive parent application

- Applicants agreed for housing through Enfield's established Multi Agency Public Protection Arrangements (MAPPA)

1984.

- Emergency and Exception Priority cases requiring an urgent move (e.g., through the National Witness Mobility Scheme, Enfield children safeguarding cases, etc.) which have been approved by the Exceptions and Special Applications Housing Panel.

Each category of applicants will be prioritised on the basis of points and the date of their application to the Housing Register.

4. Households in accommodation provided by Enfield Council owed a full housing duty under the homelessness law
(also known as Tenants in Enfield's Temporary Accommodation)

The Localism Act 2011 introduced important changes to the way that councils can provide accommodation for homeless people. After the 9th November 2012 councils have been able to house homeless applicants in the private rented sector. Depending whether you applied before or after 9th November 2012 will determine whether the council can offer you private rented sector housing. How this works is explained below.

1) **Pre November 2012 homeless applicants**

If you applied to Enfield Council as a homeless person before 9th November 2012 and the council owes you a full housing duty, the council cannot by law offer you accommodation in the private rented sector. These households will have been provided with temporary accommodation

These households will be prioritised in date of order of moving into accommodation provided by Enfield Council unless:

- The household is a working household and has been assessed as experiencing financial hardship because income from work is not enough to meet rent payments. These households will be treated as top priority in this demand group and made a direct offer of suitable accommodation as soon as possible. Where there are two working households experiencing financial hardship needing the same sized home, the date they moved into this type of accommodation will determine priority. A quota of homes will be made available for this group.

- Non-working households given accommodation by Enfield Council under the homelessness law where the household's welfare benefits have been reduced by Government welfare reform and the Council has carried out an assessment and decided that they are not in a position to find work and are experiencing financial hardship. These households will be treated as second priority in this demand group and made a direct offer of suitable accommodation as soon as possible. Where there are two such households, the date of moving into this type of accommodation will decide priority. A quota of homes will be made available for this group.

1985,

2) Post 9th November 2012 homeless applicants

If you applied to the council as a homeless person on or after 9th November 2012 and the council owes you a full housing duty, the council is able to offer you accommodation in the private rented sector in discharge of the full housing duty.

These households will have been placed in temporary accommodation; pending an offer of a private rented accommodation. Applications will be prioritised in date order of moving into temporary accommodation provided by Enfield Council.

5. Mobility Applicants

This demand group enables the Council to make best use of special and adaptable Council and housing association homes in the borough for people that need them.

Applicants in this group include:

- existing social rented tenants who need a transfer or need to be housed because they are currently living on an estate which is to be rebuilt/regenerated
- those who live in the private rented sector and it has been agreed by the Exceptions and Special Applications Housing Panel that a social rented home is the best option for the household.
- Households in accommodation provided by Enfield Council owed a full housing duty under the homelessness law

and they need a home which has one or more of the following features:

- Is all on one level internally,
- has level access from the street / outside
- is adapted for mobility or wheelchair use.

Homes of the type outlined are in very short supply and applicants for them will be housed in date order unless the Exceptions and Special Applications Housing Panel decides otherwise.

Access to this type of accommodation will be decided by:

- a Health and Well-being Assessment which results in a medium or high rating

and

- an assessment by an Occupational Therapist confirms the need for a home of the type offered to Mobility applicants

Priority is determined by the date of Enfield's Occupational Therapy assessment. This date is overridden if the applicant is a serving or former member of the Armed or Reserve Forces who have serious injury, medical condition or disability sustained as a result of their service.

1986.

The priority of applicants in Group 5 may be reduced for the same reasons as applicants in Groups 1, 2, 3 and 4, that is for having rent arrears, being involved in anti-social behaviour which has resulted in legal action being taken by the landlord.

6. Older Applicants

This group includes:

- Older people who qualify for special housing designed for their housing and support needs
- People over 55 with a disability may be considered at the discretion of the Council

Types of homes that each group will be considered for

Applicants in Groups 1, 2, 3 and 4

If a housing applicant is placed in one of the groups 1, 2, 3 or 4 and have enough priority to be housed, they will be considered for 'general needs' social rented homes. A general needs home has been built without any special adaptations or modifications which help people cope better with mobility or other disability issues.

Some general needs social rented homes that become available for letting have adaptations because they were installed for a previous tenant. Where adaptations have been installed in the past, it may be possible to use the adaptations in the home for another housing applicant with similar mobility or disability requirements or let as it is to a new tenant with no mobility or disability requirements.

Applicants in Group 5

Applicants in Group 5 who have enough priority to be housed will be allocated homes which have one or more of the following features which the applicant needs:

- all on one level internally,
- have level access from the street / outside
- and / or are adapted for mobility or wheelchair use.

Applicants in Group 6

Applicants in group 6 who have enough priority to be housed will be allocated homes which are designated for older people with housing and support needs. See the section on **Applicants in Group 6 seeking a home for older people** which describes this type of home in more detail.

1987,

How Enfield assesses a housing applicant's priority

This section sets out how the priority of applicants for different types of homes will be assessed.

There are three different systems for prioritising applicants, one of which will be applied depending on which Group the housing applicant has been placed in.

- For applicants in Groups 1, 2, 3 and 4 who are applying for general needs social rented homes see the definition in the section (see pages 24 to 27) **Applicants in Groups 1, 2, 3 and 4**, a points and date order system is used to assess priority.

- For applicants in Group 5, priority for housing is informed first by a health and well-being assessment carried out by the Council's Housing Options and Advice Team and then an assessment carried out by an Occupational Therapist[3].

- For applicants in Group 6, housing and support needs are assessed to decide priority. The system for this is set out in the section on **Applicants in Group 6 seeking a home for older people**.

Applicants in Groups 1, 2, 3 and 4 who are seeking a general needs social rented home

Applicants in Groups 1, 2, 3 and 4 will be given a base number of points. Where applicants are given a base number of points, the base number can be increased for reasons which are set out in the section on **Increasing Base Points (See page 43)**.

Because of the severe shortage of social rented housing in the borough, Enfield Council cannot help everyone who would like to move into a social rented home. As a result Enfield Council has selected a limited list of housing circumstances which the Council considers most in need of assistance or will assist with Enfield's priorities and objectives for social rented housing in the borough. Enfield's priorities and objectives for social rented housing in the borough are set out in its draft Statutory Tenancy Strategy.

The housing circumstances of housing applications which will be given points to assess their housing need are set out below. The list also shows the base number of points these applications will receive:

[3] An occupational therapist works with people of all ages to help them deal with the effects of disability caused by physical or psychological illness, ageing or accident. In the housing field, they make recommendations on what type of home and what type of adaptations to a home would be suitable for people who have a disability.

1988.

Assessment of Health and Well-being Issues

A Health and Well-being priority will not be considered where

- The applicant or member of the household has a temporary health and well-being issue. Examples include:
  - pregnancy
  - having a common cold, flu, blocked nose or cough
  - a broken leg
- The applicant or member of their household is waiting for the outcome of a medical condition if it is unclear how they will be affected in the long term

How Health and Well-being issues will be assessed

Applicants wishing to be assessed for health and well-being points are required to complete a Health and Well-being Assessment Form.

The Health and Well-being Assessment will be carried out by a Medical Assessment Officer and will be based on the information completed on the Self-Assessment Form. Applicants should not ask their GP or anyone else to write to us. We may request supporting evidence from the applicant's GP, Hospital Consultant, social worker or other relevant professional identified by the Applicant

Applicants should not ask us to reassess their health or independence needs unless they have changed significantly since they were last assessed, for example, the applicant has been diagnosed with a new health problem, or their independence has been reduced

Issues to be considered

Health and Well-being issues to be considered by a Medical Assessment Officer during the assessment include:

- How and to what extent the applicant's current living conditions affect their illness or disability or well-being.
- An applicant's housing need
- How a current health issue affects the applicant or member of the household
- The severity of the health issue and how long it has lasted
- The cumulative effect on the whole household where there is more than one person in the applicant's household with a severe illness or disability.

1998.

- Past health issues and the extent to which the applicant's symptoms have been controlled or improved by treatment

- The reasonableness of putting in place 'in-situ' solutions such as aids and adaptations to enable the applicant to continue living in their present home

The Medical Assessment Officer may recommend a particular type of home that is suitable for the applicant.

A Housing Officer within the Housing Options and Advice Service will consider:

- An applicant's financial and other resources

- The availability of 'in-situ' solutions such as aids and adaptations to enable the applicant to continue living in their present home

- The availability of alternative housing solutions, including private rented homes

Poor Quality homes and Disrepair

The Council is committed to improving poor quality housing, whatever the tenure. Our Private Sector Housing Team can arrange property inspections, and can offer advice and support to owners and landlords on how to make homes safer. Where necessary, they will take enforcement action. This may include issuing a statutory notice ordering the landlord to undertake the work to repair the home. Where the landlord does not carry out the repairs, the Council may carry out the works in default or take action to prosecute the landlord.

Where there is disrepair and the applicant states that the health and well-being issue is related to the poor state of repair of the property then the Council will expect the property owner, landlord or Agent to remedy the disrepair.

Where possible, we encourage tenants and occupiers to stay in their homes.

If an applicant's housing is assessed as being of poor quality, including hazards identified under the Housing Health and Safety Rating System, we will award five points.

Applicants who move into unsuitable housing and request housing assistance from Enfield Council

Applicants with a pre-existing medical condition who move into a private rented home that does not meet their needs will be expected to find alternative private rented homes. This provision in the Allocations Scheme is designed to prevent applicants from deliberately worsening their housing conditions to take advantage of the health and well-being criteria to enhance their housing priority. In these cases, no health and well-being priority will be awarded. The Council will provide advice and assistance to help the applicant find somewhere else to live.

1999,

Applicants who agree to a mutual exchange and move into unsuitable housing

Applicants with a pre-existing medical condition who agree to a mutual exchange and move into a social rented home which does not meet their needs will be deemed to have deliberately worsened their housing conditions and not be awarded a health and wellbeing priority. The Council will provide advice and assistance to help the applicant find another place to live. This will include help to find a private rented home through Enfield's Fresh Start rent deposit Scheme.

Applicants receiving disability and other related benefits

Applicants who are entitled to disability benefits will not receive an automatic award of health and well-being priority. Applicants will be assessed in accordance with the Allocations Scheme/

Health and Wellbeing Priority with Definitions:

Health and Well-being Priority will be only awarded to applicants who have been assessed as needing to move to an alternative council or housing association home.

The priority level and definitions are set out below:

Priority Level	Suggested Definition
High	Urgent need to move This is where the applicant's current living conditions: • put the applicant's life at risk* if they do not move, or • causes the applicant to be completely housebound and they would regain substantial independence if an alternative property were made available, including needing a level access home because the applicant is a wheelchair user. *risk to life here does not include terminal illness or illnesses that involve unpredictable crises
Medium	An applicant's living conditions are unsuitable but their need to move is less urgent and not life threatening but if left unresolved, their quality of life will deteriorate
Low	The applicant's living conditions cause them difficulty in carrying out their daily activities but this is neither life threatening nor would greater harm or progression of the illness be caused if they did not move.
Zero	One of the following applies: • Applicants current housing situation has no adverse impact on the health issues presented, or • A move would offer no improvement; or a solution other than moving into a social rented home is available, e.g. the adaptation of the current home, a move to a private rented home.

Exceptional Reasons for needing to live in Enfield

Points for exceptional reasons for needing to live in Enfield may be awarded in the following circumstances:

- Medical treatment vital to the long-term or life-long health of the applicant is only available in Enfield
- A close relative needs the support of the applicant and there are no other support services available in the community
- The police have asked Enfield to house someone through the National Witness Mobility Scheme.

Enfield's Definition of working

Working Households
This Scheme supports Enfield's corporate aim of Growth and Sustainability and will contribute to the economic growth of Enfield.

Enfield wants to encourage people who can, to work and to raise levels of aspiration and ambition in the borough. Increased priority will be given to applicants who are working.

Definition of Working Households
Working households are those where the applicant or their partner is in employment.

For the purposes of this Allocations Scheme employment is described as having a permanent contract, working as a temporary member of staff or being self-employed.

Applicants will only qualify if the worker has been employed for 6 out of the last 12 months.

Verification will be sought at the point of application as well as at the point of making an offer of a council or housing association home.

2004.

For verification, applicants will be asked to provide:

- Employed applicants:
  - payslips (pay slips for the last four weeks if paid weekly or the last two months if paid monthly or a letter from their employer confirming their annual salary;
  - the most recent P60
  - the last 3 months of bank statements
- Self-employed applicants:
  - Most recent tax returns and business accounts to evidence self-employed work.
  - The last 3 months of bank statements

2005.

Reducing an applicant's housing priority

Where applicants on the Housing Register have a priority for housing, their priority for housing may be reduced to zero points if tenants[4] are in arrears with their rent and owe more than eight times the weekly accommodation charge[5] or have not maintained a repayment agreement for 6 months. The detail is set out in a separate guidance note.

Tenants may be considered for housing in exceptional circumstances, for example where the case for housing is urgent or it is in the Council's interest to house the applicant (e.g. for estate regeneration decant reasons) or where an applicant has suffered unavoidable debt, such as having to pay for funeral costs. Discretion will also be used on the repayment period where rent arrears have arisen due to unavoidable debt. This decision will be taken by the Exceptions and Special Applications Housing Panel (ESAP)

Applications where priority has been reduced because of rent arrears will have their points reduced to zero and their application will become inactive until the arrears are cleared or an agreement to repay them has been maintained for 6 months.

[4] Includes Council and housing association tenants, private rented tenants and tenants in accommodation given to them by any local authority under the homelessness legislation

[5] Weekly accommodation charge means charges an applicant is liable to pay for their accommodation including service charges, water rates and other charges – see local authority guidance

2006.

Applicants in Group 6 seeking a home for older people

The process of assessment of and prioritising applications for homes for older people has to include measuring an applicant's housing need as well as measuring their need for housing-related support. The latter also includes an assessment of health and well-being needs. Having both types of assessment ensures that the applicant fits the criteria for Supporting People (SP) funding which funds the services in homes for older people schemes. SP funding requires compliance with the Supporting People Quality Assurance Framework (SPQAF).

Local lettings plans will be put in place for schemes for older people during the 12 months following this Allocations Scheme coming into force. The aims of each scheme's local lettings plan include maintaining an appropriate mix of housing support needs which can be catered for in each scheme to ensure the health and well-being of all residents and staff.

The following paragraphs set out how housing need and housing-related support needs for sheltered housing applications are measured.

Measuring Housing Need

To measure Housing need, an applicant for sheltered housing should be able to say 'Yes' to one or more of the following types of circumstances:

Group 6 - Housing Need	
Circumstances	**Classification of these circumstances**
The applicant has an urgent need to move This is where the applicant's current living conditions: • put the applicant's life at risk* if they do not move, or • cause the applicant to be completely housebound and they would regain substantial independence if an alternative property were made available. *risk to life here does not include terminal illness or illnesses that involve unpredictable crises	**High**

2007,

Group 6 - Housing Need	
Circumstances	**Classification of these circumstances**
The applicant's current Council or housing association home is too big for them	**High**
An applicant's living conditions are unsuitable but their need to move is less urgent and not life threatening but if left unresolved, their quality of life will deteriorate	**Medium**
The applicant is working with the council to prevent becoming homeless	**Medium**
The applicant is a homeless applicant in temporary accommodation provided by Enfield Council	**Medium**
Due to age, frailty or infirmity the applicant is unable to mobilise with ease and manage stairs in their current home and would benefit from a supported housing environment to promote independence and well-being and there are no other suitable options for meeting their needs.	**High**
The applicant satisfies proposed local connection hardship criteria	**High**
The applicant has urgent and exceptional circumstances agreed by the Exceptions and Special Applications Housing Panel	**High**

Where an applicant's housing circumstances are reflected in more than one of categories shown above, the one with the highest classification will be the one chosen.

Assessing the level of Housing-related Support needed by an applicant for sheltered housing

An applicant's housing support needs for sheltered housing is assessed against five types of housing support needs in sheltered housing. There will also be an assessment of health and well-being needs.

- Assessing an Applicant's Housing-related Support Needs for Sheltered Housing

The table below shows the five types of housing support needs in sheltered housing and the type of activity that would address them. An applicant will be assessed against each of the five types of housing support need and be awarded a level of points.

Group 6 – Assessment of Housing-related Support Needs **Groups of Housing Support needs in Sheltered Housing and activities that would address them**	**Score if applicant would benefit from any activity in each group**
Support Need 1: Being financially better off The applicant needs • support with maximising their income including help to apply and obtain the right benefits • help with budgeting to reduce their debts • help with obtaining paid work or keeping their job going.	Yes = 1 No = 0
Support Need 2: Enjoy and get more out of life The applicant will • keep or improve their quality of life • feel less isolated • get involved in the leisure/cultural/faith/informal learning activities you enjoy • achieve meaningful personal goals • Establish contact with external services/family/friends	Yes = 1 No = 0
Support Need 3: Be healthy The applicant will be able to better manage • their physical health	Yes = 1 No = 0

2009,

Group 6 – Assessment of Housing-related Support Needs Groups of Housing Support needs in Sheltered Housing and activities that would address them	Score if applicant would benefit from any activity in each group
• their mental health issues • their substance misuse • Being able to live independently with the right help, aids and adaptations	
Support Need 4: Staying safe The applicant will • Be safe from fearing or being a victim of assault, burglary or anti-social behaviour • Feel safe to leave their home • Know how to protect themselves and deal with the risk of harm	Yes = 1 No = 0
Support Need 5: Making a positive contribution • Greater choice and/or involvement and/or control at service level and within the wider community • Service users will acquire skills and confidence to manage their own affairs	Yes = 1 No = 0

Health and well-being assessment

There are 4 possible health and well-being priorities (shown below) and each one is worth the points shown in the table below. The definitions of health and well-being are set out below.

Priority Level	Definition
A	Urgent need to move This is where the applicant's current living conditions: • put the applicant's life at risk* if they do not move, or • are so unsuitable that the applicant cannot be discharged from hospital, or • cause the applicant to be completely housebound and they

2010,

Priority Level	Definition
	would regain substantial independence if an alternative property were made available. *risk to life here does not include terminal illness or illnesses that involve unpredictable crises, e.g., xxxx.
B	An applicant's living conditions are unsuitable but their need to move is less urgent and not life threatening but if left unresolved, their quality of life will deteriorate
C	The applicant's living conditions cause them difficulty in carrying out their daily activities but this is neither life threatening nor would greater harm or progression of the illness be caused if they did not move. An applicant's daily activities would be made easier if an alternative property was offered.
Zero	One of the following applies: • Applicants current housing situation has no adverse impact on the health issues presented • A move would offer no improvement; or a solution other than moving into a social rented home is available e.g. adaptation of the current home, a move to a private rented home.

- Calculating Housing-related Support Levels for sheltered housing applicants

Calculating whether an applicant has low, medium or high housing related support needs comes from multiplying the score from the Housing-related Needs for Sheltered Housing with the score for the Health and Well-being assessment

That is:

Housing-related Needs Score x Health and Well-being Assessment Score = Housing-related Support Score

2011,

Housing Related Support Score	Level of Housing Related Support Needs
15-20	High
6-14	Medium
1-5	Low

Bringing Housing Need and Housing Related Support scores together

The matrix below summarises how applicants' housing need and housing-related support scores will be prioritised.

		Housing-related Support Needs		
		H	M	L
Housing Needs	H			
	M			
	L			

Scoring an H for Housing Needs plus an H for Housing-related Support Needs means an applicant would have high priority for sheltered housing. Conversely, scoring an L for Housing Needs plus an L for Housing-related Support means an applicant would have low priority for sheltered housing.

The colours red, amber and green highlight the distinction; with red indicating high need, amber indicating medium need and green indicating low need.

Another way of illustrating this is in the following table:

Housing Need	Housing Related Support	Coded as
High	High	HH
High	Medium	HM
High	Low	HL
Medium	High	MH
Medium	Medium	MM
Medium	Low	ML
Low	High	LH
Low	Medium	LM
Low	Low	LL

2012,

Prioritising between Group 6 applicants – final step

A sheltered applicant assessed as having a housing need will be prioritised by:

- The local lettings plan for the sheltered scheme and the level of housing-related support currently being catered for. For example, if there are already tenants in a sheltered scheme with high levels of housing-related need, adding an additional person may stretch resources too far. If that would the case, then applicants with lower housing-related support needs would be looked at.

- Applicants will be chosen in terms of level of their housing related support need (high, medium or low) which is supportable at the time by a sheltered scheme, and where these are equal by date of application, and where these are equal, by length of residence in Enfield.

Some worked examples on working out sheltered housing application scores

Ms X
On Housing Support needs for sheltered housing Ms X would benefit from 4 out of the 5 types of housing-related support needs shown. Her score for this is therefore 4.

On Health and Well-being, Ms X has been awarded priority level C. Her score for this is therefore 2.

Multiplying these two scores together: 4 x 2 = 8

A score of 8 equates with a Medium level of support needs

Ms X's Housing-related Support level is Medium (M).

Ms X's Housing Need is scored as High (H)

Her overall prioritisation for sheltered housing would be MH.

Mr Y
On Housing-related Support needs for Sheltered Housing Mr Y would benefit from 5 out of the 5 outcomes shown. His score for this is therefore 5.

On health and well-being, Mr Y has been awarded priority level B. His score for this is therefore 3.

Multiplying these two scores together: 5 x 3 = 15

Mr Y's Housing-related Support level is High (H).

Mr Y's Housing Need is scored as H.

His overall prioritisation for sheltered housing would be HH

2013.

Matching both the above cases against the matrix below, both applicants have a high priority for sheltered housing.

If a home became available for which they were both suitable, they would be prioritised by first looking at existing housing-related support needs in the sheltered scheme(s) they had expressed a preference for and a decision made on whether their housing-related support needs could be catered for. If they could, then in the example of prioritising these two applicants for a sheltered home, Mr Y's circumstances would be given priority because his housing supported needs are higher than Mr X's.

2014.

Definition of a Household

We will only consider applications to house the applicant, their partner, their immediate family, and anyone else with an exceptional need to live with them (and which is the 'eligible household' or household for the purpose of this scheme). This is because we have such a severe shortage of larger properties, so families need to consider whether other people living in their household could move into smaller properties of their own.

Partner
Partner means someone who lives with the applicant as a partner, or who would live with them if they were able to. This includes mixed-gender and same-sex couples, whether or not they are married or in a civil partnership.

Immediate Family
Immediate family means the applicant's children or their partner's children, aged 21 or less, who live with the applicant all the time, or for four or more nights every week. If a child is living with a partner or has his/her own children, s/he may not be included on the application unless they have an exceptional need to live with the applicant.

Immediate family does not include the applicant's (or their partner's) parents, grandparents, brothers, sisters, aunts, uncles, grandchildren, nieces, nephews, cousins, friends or lodgers – unless they have an exceptional need to live as part of the household. Please note that the applicant's children, or their partner's children, aged 21 or over will not be included as part of the household for the purposes of being re-housed, unless the children have an exceptional need to live as part of the household (see below).

Separating
If the applicant and partner are separating, they must provide us with evidence of who is legally allowed to remain in the property, such as a court property order detailing to whom the property is assigned. Accommodation for children will be allowed for with only one parent, on whom the children are dependent.

Exceptional reasons
In order for a relative to be included in the application under the ground of exceptional reason they would normally need to be living with the applicant and have done so on a long term basis.

People who have an exceptional need to live with the applicant means people who are not included in the definition of 'immediate family', but who have a real need to live as part of the household in order to give or to receive care or support. This may include:

- A child (of the applicant or partner) aged 21 or over, who cannot live independently because of a disability or care need

- A carer, if someone in the household needs full-time care and no one in their immediate family is able to provide this. In exceptional cases consideration will

2015.

be given to a household containing a person with a disability who has an occasional need for a carer to stay overnight

- An adult (or elderly) relative who needs to receive care. This includes a relative living elsewhere who is no longer able to live independently and requires a higher level of care and support. For some elderly people, moving to sheltered accommodation is the best alternative

- Children who have been born since the registration date, or other children aged under 21 where it is proved that the main applicant is the sole legal guardian and that there is no other available legal guardian who could reasonably accommodate the children.

Where a household has been accepted as homeless and qualifies for housing under Demand Group 4, the application can include anyone who we accepted as part of the original homelessness application. For families with children aged 22 or older, the Council will encourage them to seek independent housing if possible, to increase the chance of the applicant being rehoused in a reasonable time.

Other people living with the applicant

The Council assesses who is eligible for rehousing, and bases its assessment of what size property someone needs using this definition.

It does not mean that other people cannot live with the household, even if it makes them overcrowded, but the Council will not take them into account in assessing the need for rehousing.

Some households will feel overcrowded but not be eligible for overcrowding priority, because we do not include everyone living there in one application. Council and Housing Association tenants who make themselves overcrowded may be in breach of their tenancy conditions.

- **Tenants with children aged 21 or over**
  If we agree to house a council or housing association tenant and we agree to rehouse immediate family but not everyone else who is currently living in the property, the tenant is responsible for ensuring none of the remaining occupants continue to live in the property after they have moved out.

- **Applicants who live with family or friends who are not part of their immediate family**

- **Applicants may be rehoused separately from them** – for example, if the applicant and their partner or children live with the applicant's parents in their home.

If it is a council or housing association home and when the applicant moves, the home would be too big for the tenant(s), the offer made to the applicant may be contingent upon them also taking up an offer of an alternative tenancy.

2016.

If an applicant moves in with a council or housing association tenant and the property becomes overcrowded, the applicant can apply to the Housing Register in their own right. In such cases overcrowding priority may not be awarded and alternative housing options should be considered.

Family members who are not currently living with the applicant

Anyone who is part of the immediate family can be included in the application, even if they do not currently live with the applicant:

- If members of immediate family live abroad, they can be included on the application, but the Council will not award priority for them until the family have the right to reside in the UK
- If members of the immediate family live elsewhere in the UK, they can be included on the application, but we encourage families to consider applying to be rehoused where they live, especially if the demand for housing is lower there
- Children of a shared residence order can only be included on one application, with the parent who is the main care provider. This means that the children live with the applicant for more than half the week (four nights or more). We will require evidence of this.
    - Any consideration of a larger home in the context of a shared residence order will also take account of affordability. Where the applicant claims welfare benefits, welfare benefit regulations enable only one of the parents, the designated 'main carer', to receive additional benefit for extra bedrooms required.

General Points

If an applicant wishes to include people not in their immediate family on their housing application, they must explain on their application why it is necessary for them to live with the applicant. The applicant may also be required to provide evidence such as: a court order, benefit entitlement, a social services or occupational therapy assessment. If an applicant has not had a care assessment for a relative, we may require the applicant to arrange one. If the person coming to live with the applicant is moving from abroad, we will require evidence that they have recourse to public funds or a sufficient sponsorship undertaking in place.

If the applicant has priority for housing and assessed as requiring a one bedroom or studio home and have children who visit on a regular basis, they will be assessed as requiring a one-bedroom property rather than a studio.

Anyone included on the application must not have a legal interest in any other property. The applicant or any member of their household cannot be included on more than one live housing register application at any one time.

2017,

Working out the size of home needed by Applicants

The Council will work out the size of home suitable for the applicant and members of their household reasonably expected to live with them regardless of how the applicant uses their current home.

The Council will use two bedroom standards:

- One for Council-owned homes
- One for homes in Enfield owned by housing associations under nomination agreements

The bedroom standard for Council-owned homes

A notional number of bedrooms will be allocated based on the age, sex, marital status and relationship to family members, as follows:

- A married or cohabiting couple or single parent will be entitled to one bedroom
- pairs of adolescents from their 10th birthday and above of the same sex will be expected to share a bedroom
- pairs of children of either sex aged up to their 10th birthday will be expected to share a bedroom
- children of the main applicant who are aged over 21 will be expected to share a bedroom with a same sex sibling who is younger, including where that younger sibling is under the age of 10 (unless there are safeguarding issues).
- Where Enfield has accepted that the relatives listed have an exceptional reason for living with the main applicant, they will be expected to share a bedroom with the applicant's children where they are the same sex (unless there are safeguarding issues):
    - nieces, nephews, step children and grandchildren
- Where Enfield has accepted that an older relative has an exceptional reason for living with the main applicant e.g. an older (60+) grand/parent(s), aunt or uncle, they will be entitled to a bedroom of their own

Entitlement to an Additional Bedroom

An extra bedroom may be considered where:

- A household is overcrowded in their current home, and
    - includes an adult child of the main applicant aged over 21 who has significant care needs being met by their family and
    - alternative housing options are not suitable for that dependent adult

2018.

- The applicant has been approved as a Foster Parent or Family or Friend's Foster Carer
- An applicant has a child with behavioural syndromes including extreme hyperactivity or autism and a Health and Well-being assessment has confirmed the applicant needs their own room
- An applicant's household includes a child who uses a wheelchair and/or needs significant equipment (e.g. hoists) to be able to live at home.
- someone in the household needs full-time care and no one in their immediate family are able to provide this. In exceptional cases consideration will be given to a household containing a person with a disability who has an occasional need for a carer to stay overnight.

Applicants requesting homes with one bedroom less than the household needs

- Housing applicants may let the Council know if they would prefer to receive an offer of a social rented home which is one bedroom less than their household needs. The Council will not make offers of homes where the household would be severely overcrowded (that is, two or more bedrooms short).

- An applicant who chooses to move into a home with one bedroom less than they need will not be awarded Overcrowding Points for a transfer at a later date except in exceptional circumstances

Under occupying households giving up larger homes

- Council and Housing Association tenants under-occupying their home, who would normally qualify for a one bedroom and are giving up a 3, 4 or 5 bedroom house or a 4 or 5 bedroom flat, could be offered a 2 bedroom home suitable for 3 people (2B/3P) but not a two bedroom home suitable for 4 people (2B/4P). Applicants awarded an additional room for reasons outlined above must be able to demonstrate to the Council they can afford the rent from earned income or benefits.

Council Undertakings

- We will consider anyone we have made an undertaking to offer a particular size home to as part of a legal agreement

Calculating the Size of Home Needed by Applicants

The following table shows how Enfield will calculate the size of home needed by different sized households. It should be noted that lettings of social rented homes with 4 or more bedrooms are rare: during the period 2007/08 to 2010/11 there were only 50 social rented homes with 4 and 5 bedrooms let in Enfield out of a total of 3425 lettings.

2019,

Applicants who are overcrowded and living in a Council or housing association home are advised to read **Enfield's approach to dealing with overcrowding**

Space standards for bedrooms will be taken into account when deciding whether an offer is suitable. Minimum space standards that will be taken into account are set out in the London Housing Design Guide[6]. The minimum area of a single bedroom should be 8 sq m. The minimum area of a double or twin bedroom should be 12 sq m with the minimum width of a double/twin room being 2.75 m.

Housing associations may operate their own bedroom standard which will be clearly stated on the advert when a home is advertised for letting.

2021,

Allocating Council and Housing Association Homes in Enfield

Target Allocations

Each year the Council will give guidance on the number of households to be rehoused for each Demand Group.

Deciding how many homes will go to the Demand Groups

Before the start of each financial year the Council will estimate the number of Council and housing association homes in Enfield likely to become available for letting in the coming 12 months.

Homes for older people will be allocated to applicants in Group 6.

Level access, ground floor, mobility- and wheelchair adapted homes will be allocated to applicants in Group 5.

When sharing out the remaining Council and housing association homes

- The Council will estimate the percentage of general needs homes required for Group 2 applicants who need to move under the Council's estate regeneration plans and the number of homes required for care leavers in Group 3. A percentage of homes will be allocated to these groups.
- The Council will give a percentage of the remaining homes to each group of applicants in Groups 1, 3, and 4
- A maximum of 5% of relets[8] will be put forward for Group 1 applicants under the Mayor of London's pan-London Mobility Scheme called "housingmoves".

[8] Relets are homes which have been let before and have become available again for letting. They do not include homes that are newly built and have been handed over to Council to be let for the first time.

2022,

An EXAMPLE of sharing out available general needs homes to each of the Demand Groups 1, 2, 3 and 4 is shown below:

Size of home	Group 1	Group 2	Group 3	Group 4	TOTAL
Homes with 1 bedroom	20%	20%	50%	10%	100%
Homes with 2 bedrooms	30%	40%	5%	25%	100%
Homes with 3 or more bedrooms	40%	40%	5%	15%	100%

Example

In the example above, if there were one hundred one bedroom homes likely to become available, 20 could be allocated to applicants in Group 1, 20 could be allocated to applicants in Group 2, 50 could be allocated to applicants in Group 3 and 10 could be allocated to applicants in Group 4.

Responding to changes in the lettings forecast

If too many homes have been set aside for Group 2 applicants compared with the forecast, then the extra homes will be allocated to Group 4 applicants.

More specific targets for categories in each Demand Group

Within each Demand Group we will have more specific targets for how many properties should be allocated to applicants in each category.

Targets are based on meeting the housing needs of applicants and will be kept under review during the year and may be adjusted to respond to changing circumstances.

2023,

How we allocate different types of vacant homes amongst the Demand Groups

This section describes how Enfield will fairly distribute different types of homes across all the Demand Groups.

Our property rating system for allocating homes

All vacant general needs homes will be scored using a simple Rating System based on:

- The type of property, (for example a house or flat)
- The floor level (low rise or high rise).

Some worked examples are in the table below:

Property Example	**Dwelling Type** House = 1 Maisonette = 2 Flat = 3	**Floor Level** LR - Street level = 1 LR in a block with up to 6 floors = 2 HR any floor in a block with more than 6 floors = 3	**Score**
Flat on first floor of a 2 storey house	3	2	5
Flat on ground floor of 2 storey house	3	1	4
Flat on 5th floor of a Low Rise block	3	2	5
Flat on 5th floor of a High Rise block	3	3	6
Flat on 10th floor of a High Rise block	3	3	6
Maisonette on 5th and 6th floors of a High Rise block	2	3	5
House	1	1	2

Monitoring Outcomes

The Allocations Team will monitor outcomes from the Rating System and take corrective action to address any imbalance in the different types of homes between the Demand Groups.

2024.

Which homes will applicants be able to bid for or receive a Direct Offer?

Here we explain which housing applicants can bid for a Council or housing association home using the choice based lettings system, Home Connections, or be made a direct offer.

Applicants in Groups 1, 2, 3 and 4 will be able to bid for or receive a direct offer of a general needs home. The section on **Types of homes that each group will be considered for** which explains what a general needs home is.

Applicants in Groups 5 and 6 will be made direct offers.

Applicants in Groups 1, 2, 3 and 4 needing General Needs Homes

A limited pool of applicants will be created from Groups 1, 2, 3 and 4.

Based on current estimates there will be around 1,200 applicants in the pool who can either bid for a general needs social rented home or be made a direct offer of one. The pool will be kept under review.

How we allocate particular types of homes

This section explains the type of applicants we prioritise for homes with particular types of facilities, amenities or layout.

Houses

Maisonettes with gardens, as well as terraced, semi-detached or detached houses are included in this definition.

Houses are in very short supply and will normally be only considered for families with children under the age of 15. Exceptions to this rule are where:

- A council tenant gives up a 4, 5 or 6 bedroom house under the Council's Under-occupation Scheme
- Tenants living in houses who are required by the Council to move as part of an estate regeneration programme, a Compulsory Purchase Order, a Closing Order or to release a specialised home.

Houses which have two living rooms will be allocated as though the second living room is a bedroom. This is provided that the rooms have not been knocked through into one and the kitchen is large enough for chairs and a table for dining.

2025.

Homes with gardens/safe play areas

Homes with gardens or safe play areas will be prioritised wherever possible for applicants who have received a recommendation for this facility from a medical Assessment Officer or Occupational Therapy Team.

Ground floor flats

Ground floor flats with level access will be prioritised for applicants who have been awarded priority on health and welfare grounds as needing these homes unless there are no applicants waiting for this type of home.

Level access (wheelchair), mobility and adapted homes

These types of homes are defined as:

- Level access homes designed for people confined to wheelchairs, and include space for a wheelchair

- Homes with no extra space which are accessible for people with mobility issues.

Level access homes will be prioritised for applicants who have had a health and well-being assessment that resulted in a recommendation for this type of home.

Mobility- and wheelchair-adapted homes will be prioritised for applicants who have undergone a health and well-being assessment that resulted in a recommendation for one or both of these types of home.

2026.

How we let Council and Housing Association homes

This section explains how vacant social rented homes are let either through the Choice Based Lettings System or by the Council matching an applicant with a suitable home, also known as a Direct Offer.

Choice Based Lettings (CBL) – Home Connections

Adverts

Most vacant council and housing association homes will be advertised on Enfield's Choice Based Letting website called Home Connections

Vacant properties may also be posted weekly to housing applicants in Enfield who have requested a paper copy of the adverts.

Other methods of advertising may also be used to ensure the information reaches as many people as possible.

Each advert will identify key features of the property

- How big it is
- Whether it is suitable for people needing accessible housing
- Who is the landlord
- What type of tenancy agreement is being offered
- What the rent and any service charges are

Withdrawing a Property after it has been advertised on Home Connections

In exceptional circumstances the Council may have to withdraw a home from the CBL system after it has been advertised and bids received. These circumstances are:

- it is needed for a household in emergency or urgent priority
- it has been incorrectly advertised.

If a home has been incorrectly advertised it may be withdrawn at any point prior to an applicant signing the tenancy agreement. This is because it is essential that the Council makes best use of all housing stock to meet the needs of applicants on the Housing Register.

2027,

Bidding

A bid can be placed using the Website or by phone.

By placing a bid, an applicant is saying to the Council that they would like to receive a formal offer of the home if their bid is successful.

Applicants are given their own unique User ID and password.

Applicants must keep their User ID and password safe and are not allowed to share their own User ID or password with anyone else or use anyone else's User ID or password to make a bid for a home that is advertised on Home Connections.

The Choice Based Lettings System is not a first come, first served service.

- Applicants can bid between Wednesday and Sunday each week.
- The advert for each home will show a closing date for bids.

Placing a bid using the Home Connections Website

The Home Connections website can be accessed through the following web addresses:

- Enfield council's website at www.enfield.gov.uk/ and enter 'choice based lettings' in the Search box
- Home Connections website at www.homeconnections.org.uk/
- Council Housing' website http://www.enfield.gov.uk/councilhousing and click on the 'Choose - your home' quick link.

Placing a Bid by Phone

Bids can also be placed by phone on 0845 402 7882 and then by following the instructions.

Helping Applicants to place bids

Applicants can get help with bidding from any of the following

- Friends and family
- Their Social Worker
- Their housing advice worker

2028.

- Their Key Worker if living in supported housing
- A local library can provide training on how to access the internet

Applicants must make sure their User ID and password are kept safe

Reviewing who is and who is not placing eligible bids

The bidding activity of all applicants is kept under review. If an applicant has been awarded priority for housing we would expect them to bid for a home.

What happens if applicants with enough priority do not bid?

Applicants who have not placed any bids within prescribed time limits set out below will be contacted to find out why. They will be offered help and support which includes.

- finding out whether a home being advertised is suitable for their needs
- help with placing a bid
- understanding their expectations about the kind of council or housing association home they are looking for and the availability of these homes
- advice on alternative housing options

When will applicants be contacted?

- Applicants who need a studio, or home with one bedroom will be contacted after 3 months if they have not placed a bid.
- Applicants who need a home with two bedrooms will be contacted after 3 months if they have not placed a bid.
- Applicants who need homes with 3 or more bedrooms will be contacted after 6 months.

These time limits reflect the availability of homes for letting in Enfield with fewer homes with three or more bedroom homes becoming available for letting.

If, after receiving help and support an applicant still does not place bids they will be made a direct offer of a home after the period of time set out below:

- For applicants needing a studio, or one bedroom home the council will make a direct offer if no bids have been placed 6 months after the date of receiving help and support.

2029,

- For applicants needing a two bedroom home the council will make a direct offer if no bids have been placed within 6 months after the date of receiving help and support.
- For applicants needing a home with 3 or more bedrooms, the Council will make a direct offer if no bids have been placed within 9 months of receiving help and support.

Making direct offers will be subject to the availability of homes for letting.

Maximum Number of bids an Applicant can place in one week

Applicants may bid for a maximum of 3 properties per week.

If an applicant places more than 3 bids, only the first three made will be considered.

Bidding for the right home

All applicants must take care when selecting and bidding for homes.

Before bidding for a vacant social rented home an applicant must consider the following issues to ensure the home they thinking of bidding for meets their needs:

Things to think about will include:

- Recommendations made by the Council following a Health and Wellbeing assessment. Any medical and/or disability needs of the applicant or someone in their household must be considered.
- Ease of access to a child's school
- Ease of access to any care or support needed by the applicant or someone in their household
- Ease of access to work
- Ability to afford the rent using earned income or benefits. Further information Affordability is set out in Appendix 8 which also includes information on budgeting tools.
- Access to local transport including buses and trains
- Applicants wishing to place a bid are strongly advised to:

2030.

- visit the area where the vacant social rented home is situated to help them decide if it is suitable for their needs

- speak to their family, friends or advisors about the home they are thinking of bidding for

An eligible bid

An eligible bid is one which is

- for a property of the right size for which the applicant is eligible

- for the right Demand Group

- meets any specific criteria in the advert

Bids for homes where the applicant's circumstances do not meet the advertised criteria will not be accepted.

IMPORTANT

ALL APPLICANTS MUST ONLY BID FOR A SOCIAL RENTED HOME THEY HAVE CONSIDERED THEY CAN REASONABLY AFFORD AND ARE PREPARED TO MOVE INTO. IF AN APPLICANT BIDS FOR A HOME AND RECEIVES A FORMAL WRITTEN OFFER FOR THE PROPERTY, THE CONSEQUENCES OF REFUSING THE OFFER OF THE CHOSEN HOME CAN BE SERIOUS.

The consequences of refusing an offer are described in the Allocations Scheme

Short listing successful Bidders

The Housing Allocations Team will start short listing successful bidders after the deadline for bidding has closed. The deadline for bidding is usually midnight on Sunday.

Shortlisted applicants with the highest priority will be contacted with the viewing details and be invited to view the vacant property. The viewing must take place within the time available. Applicants who are not able to do so or need help to view a property must the Allocations Team. An applicant who does not follow this procedure will be treated as having refused the property.

If an applicant accepts the property they will be given advice on moving in and their application on the Housing Register will be cancelled.

2031,

If the property is refused it will be offered to the next bidder with the highest priority.

Circumstances in which an applicant will **not** be shortlisted for, or offered a social rented home

Enfield Council reserves the right to refuse to shortlist or to make an offer of a social rented home to an applicant, for example, new information becomes available which requires a fresh assessment of the applicant's housing need.

Direct Offers

Where the Council matches an applicant to a suitable available home and makes them an offer of it, this is called a Direct Offer. There are some types of social rented homes that will usually be let by Direct Offer. There are also some types of applicants who will usually be made a Direct Offer. These are set out below:

Homes which will be let by direct offer

Where a home has been advertised through the CBL system once and has not attracted a successful bidder then it will be let by Direct Offer. This will ensure the property is let quickly to a household in need. We will have regard to an applicants' preference for the areas in the borough they want to live in but will not always be able to take this into account, e.g. the applicant has specified an area in which there are few social rented homes. Refusing a direct offer of a home on the grounds that it is not in the applicant's area of preference will not be accepted as a reason.

Applicants to whom a Direct Offer will be made

Direct Offers are designed to help an applicant to find a home if they need to do so urgently or have been unable to find a home themselves. The circumstances for a Direct Offer include:

- The applicant is a Council tenant who needs to move for exceptional and emergency reasons. Reciprocal arrangements may apply for Housing Association Tenants. The offer made will be 'like for like', that is, it will be similar to the applicant's existing accommodation. However, discretion will be used to alleviate severe overcrowding at the same time.

An applicant who is not engaging with the Choice Based Lettings System and not bidding, even after the Council has provided or offered help and support as set out in the section on **Reviewing who is and who is not placing eligible bids**

- An applicant has been awarded a High Health and Well-being need and the Council decides an urgent move is more likely to be achieved quickly with a Direct Offer than through the Choice Based Letting System
- An applicant placed in accommodation because they are owed a full housing duty by Enfield Council under the homelessness law, and the Exceptions and Special Applications Housing Panel decide a Direct Offer should be made for exceptional reasons. Exceptional reasons include:

2032,

- the lease of the home currently occupied is about to come to an end and no other housing options are available or
- the household has assessed disability needs requiring an urgent move
- financial hardship

- Homes on one level, mobility and wheelchair-adapted homes (Group 5 Applicants)

  Direct offers will take into account recommendations from Health and Well-being assessments and occupational therapy assessments as well as the area the applicant has expressed a preference to live in although the latter cannot always be taken into account. See section on Enfield's Statement of Choice for further details.

- Homes for older people

  During the first year of this Allocation Scheme, consultation and planning will take place to introduce access to the CBL system for letting homes for older people

Letting of homes with Affordable Rent Tenancies

Besides Council and housing association homes that are rented at significantly lower than full market rents, the Choice Based Lettings system, Home Connections, will also advertise some housing association properties with higher rents which can be up to 80 per cent of local market rents.

These homes will be clearly marked as 'Affordable Housing' when advertised in Home Connections.

Affordable housing rents are usually includes service charges that you will need to pay for the home.

Please note that Enfield will continue to advertise all the homes it owns at the standard rent level.

Bidding for Affordable Rent homes

All applicants with enough priority can bid for homes advertised as Affordable Rent homes in exactly the same way as for other advertised properties.

If an applicant is successful the housing association may want to check they have enough income to pay the higher rent, whether working or on benefits. If the applicant is currently a housing association tenant the rent they pay on their present home will not be affected by this change.

2033,

Fixed term tenancies

The tenancies for affordable housing and some other housing association properties may now be for a shorter period than the present lifetime tenancies offered by housing associations. The phrase 'Fixed term tenancy' in the adverts will help applicants identify these properties.

The tenancy details will be explained to successful applicants when viewing the property.

Verification of Applications

Housing Officers will verify applications before making an offer of a Council or Housing Association home to a successful bidder or by way of a Direct Offer. Applicants are advised to gather in advance all documents required for verification of their application in order to avoid losing an offer of a home.

We will confirm:

- The property meets the applicant's needs in terms of size and assessed need.
- The Applicant is eligible to be made an offer. Reasons why an applicant may be ineligible for housing are described in the section - **Who is ineligible for Housing?** An example include the applicant's immigration status has changed and they are no longer eligible for housing
- The Applicant has not acquired a legal or beneficial interest in any other home
- The Applicant's priority for housing has reduced. Reasons for reducing an applicant's priority are described in the section on **Reducing an applicant's housing priority**. In exceptional circumstances where an urgent move is required the Exceptions and Special Applications Housing Panel may decide to waive the requirement to reduce priority

An offer will be withdrawn if an application cannot be verified within 24 hours or fraudulent information is uncovered.

Outcomes for applicants who refuse an offer of a home

Outcomes for applicants who have received a formal written or verbal offer of a social rented home whether they bid for through the Choice Based Lettings System or through a direct offer, and which they refuse or are deemed to have refused are set out below:

- Group 1 – Exceptional and Emergency Transfers
  Where Enfield has agreed a transfer of an existing social rented tenant for Exceptional and Emergency reasons (Group 1) the applicant will be made one offer of a suitable alternative home. If that offer is refused the applicant's status of Exceptional and Emergency Transfer will be removed and no further offers of accommodation will be made.

- Group 1 – Social Rented Severely Overcrowded Transfers
  Where Enfield has agreed a transfer of an existing social rented tenant who is severely overcrowded (lacks two bedrooms) (applicant in Group 1) and the applicant has refused two offers of a suitable alternative home (whether these were chosen by the applicant through the CBL system or made by direct offer), the applicant will be unable to access the choice based lettings system or receive a direct offer of a social rented home for a period of 12 months

- Group 2 – Social Rented tenants who have to move because their estate is being rebuilt
  Where an applicant in Group 2 (existing social rented tenants who have to move because their estate is being rebuilt) has refused two offers of a social rented home (whether these were chosen by the applicant through the CBL system or made by direct offer), a Possession Order will be sought to protect the Council's and other tenants' interests in ensuring the estate regeneration programme is not held up. A third and final offer that meets the requirements of the household will be made when eviction is due.

- Group 3 Applicants
  For applicants in Group 3 the outcome for refusing offers is set out in the table below:

2035,

Categories of applicant	No. of offers applicable	Outcome if offers refused
• Residents with support needs who have been assessed as needing an independent home (Enfield's Supporting People move on)	2	No further offers will be made. Housing application will be cancelled.
• Single people under 25 leaving Enfield Council's care	2	No further offers will be made. Housing application will be cancelled
• Former Armed Services personnel who fall within one or more of the statutory reasonable preference categories and have urgent housing needs	2	No further offers will be made. Housing application will be cancelled.
• Bereaved spouses and civil partners of members of the Armed Services leaving Services Family Accommodation following the death of their spouse or partner	2	No further offers will be made. Housing application will be cancelled.
• Single people living with a physical disability, learning difficulty, mental health issue who have been assessed as needing to move to an alternative social rented home by one of Enfield's Housing Panels	2	No further offers will be made. Housing application will be cancelled.
• Enfield New Generation Scheme applicants (small number of adult children of existing Enfield Council tenants to move into independent accommodation)	1	No further offers will be made. Housing application will be cancelled.
• Enfield Council employee whose Council home goes with their job and the Council has agreed to move them to an alternative social rented home because of ill health or retirement ○ if releasing a 3 bedroom home or home occupied is needed for another employee	2	No further offers will be made. Housing application will be cancelled.
• Applicant has legal right to succeed to an Enfield-owned social rented home which is larger than required. Council requires applicant to move to smaller accommodation	2	If both offers are refused, the Council will take possession action and one further offer will be made at the time of applying for

2036.

Categories of applicant	No. of offers applicable	Outcome if offers refused
○ Applicant is releasing a home with 3 or more bedrooms ○ Applicant is releasing a 2 bedroom home		an eviction order.
• Applicant has no legal right to succeed to an Enfield–owned Council or Housing Association home but is occupying a home larger than the applicant needs and the Council has agreed to house them into a smaller home because it would otherwise owe them a full housing duty under the homelessness legislation ○ applicant is living in a home with 3 bedrooms more than they require ○ applicant is living in a home with 2 bedrooms more than they require ○ applicant is living in a home with 1 bedroom more than they require	2	No further offers will be made. Housing application will be cancelled. The Council will start possession proceedings. The applicant will be found intentionally homeless if they present as homeless.
• No other housing circumstances apply but applicant has been awarded ○ A high health and well-being priority ○ A medium health and well-being priority	1	No further offers will be made. Housing application will be cancelled.
• Enfield Key Worker	1	No further offers will be made. Housing application will be cancelled.
Post Homelessness Order 2012: • Households in accommodation provided by Enfield Council owed a full housing duty under the homelessness law that are assessed as not suitable for living in the private rented sector	1	No further offers will be made. Their housing application will be cancelled, Enfield's housing duty discharged and applicants will need to find their own accommodation.
• Applicant is homeless and has been provided with accommodation in Enfield by another local authority	1	No further offers will be made. Housing application will be cancelled.

2037,

Categories of applicant	No. of offers applicable	Outcome if offers refused
• Applicant is homeless but Enfield Council does not owe the full homelessness duty towards them (includes non-priority homeless and intentionally homeless cases)	1	No further offers will be made. Housing application will be cancelled.
• Emergency & Exceptional Priority requiring an urgent move (e.g., as part of a National Witness Mobility Scheme, Enfield children safeguarding cases, etc.)	1	No further offers will be made. Housing application will be cancelled.
• Applicants referred through Enfield's established Multi Agency Public Protection Arrangements (MAPPA)	1	No further offers will be made. Housing application will be cancelled.
• Enfield's Fostering and Adoption Panel quota cases ○ for homes with 3 or more bedrooms	2	No further offers will be made. Housing application will be cancelled.
• Private rented sector tenants or living with family or friends ○ Lacking 3 bedrooms ○ Lacking 2 bedrooms ○ Lacking 1 bedroom	1	No further offers will be made. Housing application will be cancelled.

- Group 4 - Pre-9th November- 2012 applicants: Households in accommodation provided by Enfield Council owed a full housing duty under the homelessness law. Where the household has refused two offers of a Council or Housing Association home (whether these were chosen by the applicant through the CBL system or made by direct offer), the Council will discharge its duty towards the household and cancel their accommodation. The household will be expected to either take the second offer of a social rented home or make their own housing arrangements.

- Group 5 – Applicants applying homes which assist with mobility needs
Applicants in this group have a wide range of mobility and access needs. Enfield Council will work with applicants in Group 5, through its Occupational Therapy service, to ensure applicants' mobility and access needs are met. However, there is a severe shortage of social rented housing in the borough, particularly of mobility- and wheelchair adapted homes. The Council will try to meet all needs possible through assisting with adaptations to suitable homes but will require applicants to make compromises. For example, a suitable home may not always be in the area of choice an applicant wants.

2038.

Where an applicant's mobility needs are low and suitable adaptations have been offered, the Council will place their housing application in abeyance for 12 months after 2 offers are refused.

Where an applicant's mobility needs are high, for example, the applicant needs a wheelchair-adapted home; the Council will keep the housing application open until the requirement for a suitable home is resolved as long as the applicant accepts that the Council may not be able to offer accommodation in the area of their choice. If the applicant does not compromise on the area of choice, then the application will be cancelled after 2 offers have been made and the applicant will have to make their own arrangements to find a suitable home.

- Group 6 – Applicants for homes for older people

Where applicants refuse 2 offers of a home for older people, no further offers will be made and the application will be cancelled.

Right of Review
Applicants have a right of review regarding the outcome from refusing an offer. More information can be found in the section on Rights of Information, Review and Complaints.

Publishing the Results

We will publish information about the homes we let and the people we let Council and housing association homes to. This information can be found on the Housing pages of Enfield Council's website (www.enfield.gov.uk).

Our Summary Annual Equalities Report published on the Council's website provides more detailed information about the homes we let.

Enfield's Statutory Tenancy Strategy and Tenancy Policies

This section sets out what a Statutory Tenancy Strategy and tenancy policies are and how they relate to each other.

Enfield's Statutory Tenancy Strategy

Enfield is required by law to have a Tenancy Strategy which sets out the matters to which social landlords in its area should have regard to when setting their tenancy policies.

The matters social landlords should have regard include a local authority's objectives for its area and for social housing in its area.

Enfield's Tenancy Strategy is available as a separate document on Enfield's website here:

www.enfield.gov.uk and type 'Tenancy Strategy' in the search box.

Tenancy Policies

All social landlords are required to publish Tenancy Policies. Tenancy policies set out the following information:

- What types of tenancies social landlords grant
- The circumstances in which social landlords will grant a tenancy of a particular kind
- Where tenancies are for fixed terms, the length of the term
- The circumstances in which social landlords will grant a further tenancy when the existing tenancy comes to an end

Current Tenancy Policies for all social landlords working in Enfield, including one for Council-owned homes, can be found on Enfield's website:

www.enfield.gov.uk and type 'Tenancy Policies' in the search box

Local Lettings Plans

Local Lettings plans will operate for Council and housing association owned Estate Regeneration Schemes where new homes will be built. They will also operate where we consider that there is an overriding need to respond to local conditions.

They will:

- Have clear aims and align with priorities set out in Enfield's Housing Strategy, Tenancy Strategy, Tenancy Policy and the priorities of Enfield's Allocations Scheme
- Accord with relevant legislation and statutory guidance
- Be area or estate based
- Be time-limited
- Matters which could be considered in a Local Lettings Plan include:
    - Commitments made to Council tenants who were decanted from estates to be regenerated
    - The proportion of incoming tenants with experience of maintaining a tenancy.
    - Vulnerable households in need of support
    - Child density
    - Flexibility in relation to occupancy levels
    - Tenants choice strategy
    - How low or high demand homes will be let
    - Reversing the impact of Anti-social behaviour
- Have an Equalities Impact Assessment where it is relevant or proportionate.
- Be clearly communicated to housing association partners and other relevant stakeholders including tenants and residents
- Be monitored regularly to ensure the aims of LLPs are being met
- Be reviewed at regular intervals to ascertain whether an LLP is still relevant

If a Local Lettings plan is in operation then this will be stated on the advert for a property. When a Local Lettings Plan applies, the property will be advertised for applicants satisfying stated criteria

Tenancy Agreements and Types of Tenancies

Applicants who accept an offer of social rented housing will be asked to sign a Tenancy Agreement. A Tenancy Agreement is a contract between the applicant (the tenant) and their landlord (e.g. Enfield Council or a Registered Social Landlord). It sets out the rights and responsibilities between the tenant and the landlord, for example, the tenant will agree to pay the rent on time and the landlord agrees to keep the home in good repair.

Tenancy Agreements will vary depending on whether the landlord is Enfield Council or a Registered Social Landlord.

Homes owned by Enfield Council	Homes owned by Housing Associations
Starter tenancy Applicants who have never held a social rented housing tenancy before are given an introductory tenancy that lasts for 12 months. Introductory tenancies are easily brought to an end if the tenant breaks the conditions of the tenancy at any time during the 12-month period. Legislation requires the courts to give possession of the home back to the Council if proof is provided that the tenant broke the conditions of an introductory tenancy. Existing tenants of Enfield Council or a Registered Social Landlord who have transferred to another home owned by Enfield Council are not given this type of tenancy	**Introductory tenancy** Applicants who have never held a social rented housing tenancy before are given an introductory tenancy that lasts 12 months. Introductory Tenancies are easily brought to an end if the tenant breaks the conditions of the tenancy at any time during the 12-month period. Legislation requires the courts to give possession of the home back to the Council if proof is provided that the tenant broke the conditions of an introductory tenancy. Existing tenants of Enfield Council or a Registered Social Landlord who have transferred to another home owned by a Registered Social Landlord are not given this type of tenancy.
Secure Tenancy This type of tenancy is given to a tenant by the Council after an Introductory Tenancy has ended and provided the tenant has kept to the tenancy conditions during its 12 month term. The rights and obligations of a secure tenancy are all set out in an Act of Parliament (the Housing Act 1985). If the Council wants to repossess a secure tenancy, the courts have discretion about whether they give the home back to the Council.	**Assured Tenancy** This type of tenancy is given to a tenant by an RSL after an Introductory Tenancy has ended provided the tenant has kept to the tenancy conditions during its 12 month term. Some of the rights and obligations for Assured Tenancies are set out in an Act of Parliament (The Housing Act 1988) but most of the terms and conditions in an RSL assured tenancy follow guidance of the regulator of RSLs, the Tenancy Services Authority. For some

2044.

	breaches of assured tenancy agreements, the courts have no discretion and have to give the home back to the RSL if they request it.
	Affordable rent tenancies These are fixed term tenancies (e.g. lasting for 5 years or more) at rents up to 80% of market rents and can be renewed or brought to an end when the fixed term is finished.
No tenancies can be brought to an end without a possession order being granted by the Courts	

Where the household includes a couple (married, civil partnership or cohabiting), a joint tenancy will be created.

Applicants aged 16/17

Applicants who are 16 or 17 may apply to the Housing Register. If a person aged 16 or 17 accepted an offer of social rented housing they will be given a "tenancy in trust" for them and then given a tenancy agreement in their own name when they reach 18.

2045.

Confidentiality and Access to Personal Information

Employees of the Council and Enfield Council Housing will treat all information provided by applicants in accordance with the Council's confidentiality procedures and with any inter-agency protocols that apply to particularly sensitive information known to the council.

Our approach to sharing information is set out in the section on **Requesting, Sharing and Verifying Information**.

Access to Information

All applicants for housing have the right to see information held about them by the Council, in accordance with the Data Protection Act 1998.

The right applies to all personal information regardless of the date that information was recorded.

All applicants are entitled to information about how their application for a social rented home was assessed and also about their prospects of being housed.

An applicant will be entitled to receive in writing the Council's decision not to consider them for housing because of unacceptable behaviour by them and reasons for the decision.

Rights of Information, Review and Complaints

This section tells you about housing applicants' right to information, review of decisions and when to complain.

Rights of Information and Review

The Housing Act 1996[9] gives housing applicants the right to know the facts of their case which have been or are likely to be taken into account by Enfield Council or Enfield Homes when considering their application to join the Housing Register or to make them an offer of a social rented home.

Applicants are entitled to receive this information in writing together with information that explains how and by when they can request an internal review of a decision made that they do not agree with.

Homeless applicants have an additional right of review under Section 202 of the Housing Act 1996 about the suitability of any offer of a social rented home.

Which decisions in this Allocations Scheme can a housing applicant ask to be reviewed?

A housing applicant can ask Enfield Council Housing to review the following decisions:

Type of Decision	Who will deal with an internal review
• Deciding outcome of request to review ineligibility for housing	Enfield's Housing Options and Advice Service: Team Leader / Review Officer level
• Whether facts have not been taken into account in assessing a housing application	Enfield's Housing Options and Advice Service: Team Leader / Review Officer level
• Whether the Housing Register application should be cancelled	Enfield's Housing Options and Advice Service: Team Leader / Review Officer level
• Reducing priority for housing for rent arrears	Enfield's Housing Options and Advice Service: Team Leader / Review Officer level
• Review of outcomes of refusing an offer of a Council or housing association home	Enfield's Housing Options and Advice Service: Team Leader / Review Officer level

2047,

Timescale for requesting a review

When an applicant receives a decision in writing (by post or email) about their housing application, they can request a review of it within 15 working days.

At the same time as requesting a review, the applicant, or whoever they would like to represent them, should also provide any additional details or information they would like Enfield Council Housing to take into account.

Both the request for a review and any additional details and information an applicant would like considered should be sent in writing (by post or email) to Enfield Council Housing. The table above outlines which organisation deals with the review of particular types of decisions. The letter containing the original decision will say which organisation will deal with any review.

How we will deal with a request for a review

When we receive a request for a review, we will write to the housing applicant within 5 working days:

- Acknowledging receipt of their request for a review
- Explaining the review procedure;
- Explaining that the housing applicant will know the outcome of the review within 20 working days, unless a longer time is agreed with the applicant.

When we receive the housing applicant's written representation, we will review our original decision, taking into account any additional information and any other relevant facts. A more senior officer than the one who made the original decision will carry out the review.

We will let the applicant know the outcome of a review in writing. Where we confirm our original decision, we will explain why.

Complaints

Enfield Council and Enfield Council Housing aim to provide a housing assessment and allocation service of high quality. We are always looking to improve our services. Your complaints, along with other feedback, can help us to do this.

Appendix 1 – Social Rented Housing in Enfield

The Size of Enfield's Housing Register

On 31st March 2015 there were 2,581 applicants on Enfield's Housing Register.

Of this number

- 739 social rented tenants were seeking a transfer to another home
- 1,596 households were homeless applicants in temporary accommodation
- 246 applicants were living in private rented homes, living with family or friends or living elsewhere

As at October 2015 there were 2073 applicants who had enough points to be able to bid on the choice based lettings system or able to receive a direct offer.

On average around 1,000 applicants join the Housing Register each year.

Enfield's Housing Register is reviewed annually. Applicants who do not have enough priority for housing are removed after one year unless they tell the council they want to stay on the Register.

Some Facts about Housing Need in Enfield

At 31st March 2015 there were

- 2,764 homeless households living in temporary accommodation
- 322 applicants living in private rented homes and social rented homes were overcrowded by one bedroom. 62 applicants were severely overcrowded because they lacked two or more bedrooms.

Who provides social rented homes in Enfield?

Enfield Council owns 11,136 homes and 7991 homes are owned by housing associations (HAs). There are different types of social rented homes and a breakdown of them is shown in the table on the next page

2051,

Table 1

Type of social rented home	No. of Enfield Council-owned homes	No. of RSL-owned homes[10]	Total Homes of each type

Appendix 2 – What was taken into account when writing Enfield's Allocations Scheme

When writing the Housing Allocations Scheme for Enfield, the Council took into account a wide range of documents and information. These included government guidance, legislation, legal cases, best practice and new national and regional government policy. The main documents and information we have taken into consideration are set out below:

Legislation

- Housing Act 1996, Part VI
- Localism Act 2011

The Localism Act 2011 amended the Housing Act 1996 to include:

"A local housing authority in England must, in preparing or modifying their allocation scheme, have regard to:

(a) their current homelessness strategy under section 1 of the Homelessness Act 2002,

(b) their current tenancy strategy under section 137 of the Localism Act 2011, and

(c) in the case of an authority that is a London borough council, the London Housing Strategy."

Predicting the supply of social rented homes in Enfield every year

Every year we estimate how many and the size of homes that might become available for the letting to applicants on Enfield's Housing Register by:

- Taking as a guide the number and size of lettings in the previous year
- Taking account of any new homes that will be built and completed in the coming year from our Development Programme involving Housing Associations
- Reviewing the number of homes that are undergoing major repairs and likely to have the repairs completed during the coming year
- Reviewing how many homes are likely to become vacant in the year and how many of these will not become available for letting in the coming year because they need major repairs or might be demolished as part of a regeneration scheme.
- Reviewing the number of social rented homes that might be bought through right to buy sales that will not become available for letting.

We use these predictions to monitor lettings throughout the year to see that the three main types of housing applicant (homeless, transfers and others) access an appropriate share of available social rented homes.

Consultation and engagement

Community engagement and involvement has shaped the development of a revised Allocations Scheme for Enfield with feedback showing how community involvement made a difference.

Appendix 3 – List of housing circumstances regarded as a reasonable preference

Part 6 of the Housing Act 1996 (as amended) expects local authority housing allocations schemes to give a 'reasonable preference', or a head start, to the following groups of applicants for social rented housing:

- People who are homeless
- People occupying insanitary, overcrowded or otherwise unsatisfactory housing
- People who need to move for medical or welfare reasons, and
- People who need to move to a particular location, for example to be nearer to special medical facilities.

Giving a reasonable preference to an applicant does not mean they will have automatic priority for a social rented home.

The lists below set out the housing circumstances that Enfield will have regard to when awarding reasonable preference:

Insanitary, overcrowded and unsatisfactory housing conditions

Nationally defined circumstances:

- Lacking bathroom or kitchen
- Lacking inside WC
- Lacking cold or hot water supplies, electricity, gas, or adequate heating
- Lack of access to a garden for young children
- Sharing living room, kitchen, bathroom/WC
- Property in disrepair
- Poor internal or external arrangements
- Young children in flats above ground floor

Locally defined circumstances

- Enfield's Council tenants who need to move because, due to changes in welfare benefit entitlement, they can no longer afford to occupy their current homes and need to move to a smaller home
- Enfield's Council tenants who need to move because their home is part of an estate regeneration scheme
- Enfield's Council and housing association tenants who are severely overcrowded because they lack 2 or more bedrooms

People who need to move on medical or welfare grounds (criteria may apply to any member of the household)

Nationally defined circumstances

- A mental illness or disorder
- A physical or learning disability
- Chronic or progressive medical conditions (e.g. MS, HIV/AIDS)
- Infirmity due to old age
- The need to give or receive care
- The need to recover from the effects of violence (including racial attacks) or threats of violence, or physical, emotional or sexual abuse
- Ability to fend for self-restricted for other reasons
- Young people at risk
- People with behavioural difficulties
- Need for adapted housing and/or extra facilities, bedroom or bathroom
- Need improved heating (on medical grounds)
- Need sheltered housing (on medical grounds)
- Need ground floor accommodation (on medical grounds)
- Need to be near friends/relatives or medical facility on medical grounds
- Need to move following hospitalisation or long term care

2059,

Appendix 4 – Assets, income and savings

If you have sufficient financial resources to resolve your own housing need, you will not be eligible to apply for social rented housing.

The Council will review the financial limits during the first year of the scheme and annually thereafter. We will take into account any significant changes in:

- house prices in the Borough;
- income levels;
- the availability of affordable home ownership;
- private rents.

The financial limits applicable at 5 November 2012 are:

- Household gross income greater than £70,000, or savings greater than £50,000 for families seeking properties with two or more bedrooms
- Household income greater than £40,000 or savings greater than £50,000, for single people or couples seeking a studio or one-bed flat.

If you own a property, or a share in a property, and the value of your share is greater than the savings limit, then you will be assessed as having sufficient financial resources and be ineligible to go on Enfield's Housing Register.

If you are aged 60 or over you may still be eligible for sheltered housing if you also have a support need.

If you own a share in a property but are unable to live there, for example, if your relationship has broken down – then we will assess your financial circumstances on the basis of the money that could reasonably be expected to be released if the property was sold.

2060.

Appendix 5 – Enfield's Quota Schemes

Quota Housing Schemes play an important role in

- Meeting housing need and preventing homelessness
- Encouraging residents to develop local connections in the area
- Building mixed and sustainable communities

The number of homes set aside for each quota scheme will be kept under review to ensure they continue to meet local priorities.

Enfield's Children Leaving Care

Studio and one bedroom homes will be made available to young people leaving the care of the local authority who are owed a duty by Enfield Council under the Children (leaving care) Act 2000. The size of this quota varies year on year to meet need from these housing applicants. Enfield Council's Children and Families Services usually nominate these applicants. In exceptional circumstances a reciprocal arrangement may be agreed with another local authority who has been placed in Enfield at the discretion of Enfield Council. For more information see Care Leavers Housing Panel.

Residents Moving on from Enfield's Supported Housing Schemes

Studio and one bedroom homes are made available for specific Enfield Council Supported Housing Schemes which receive Supporting People funding to address the needs of residents with support needs.

An applicant will be put forward by the Supported Housing Scheme provided

- their support needs have been addressed and they are suitable for independent living
- renting privately is not an option

Foster parents and adoptive parents

Enfield's Fostering or Adoption Panels may nominate from the following:

- Approved Foster Parents
- Approved family or friend's foster carer
- Applicants approved for adoption

2061,

New Generation Enfield Residents Scheme

Studio and one bedroom homes may be made available under the New Generation Enfield Residents scheme. Applicants for this scheme will include single people and childless couples living with parents in Enfield Council homes meeting the following criteria:

- Aged between 25 and 60
- Have lived with parent(s) continuously for at least 3 years and
- The parent(s) has lived in a council property owned by Enfield for at least 3 years
- The applicant and/or their partner (if a childless couple) are working – see section on Enfield's Definition of Working

Within this group of applicants, priority will be given to moving an adult child/couple where this would help resolve or reduce severe overcrowding in the parental Council-owned home.

Enfield's Key Workers

Enfield's Key Workers are people in professions that are important to maintaining local services, particularly in health, education and community safety.

Enfield uses the Government's definition of Key Worker that is set out in its Homebuy literature. This can be found on the Homebuy website:
http://www.homebuy.co.uk/key_worker_eligibility.aspx

Key Workers can purchase homes at a below market level price. The definition of a key worker will be reviewed annually so that additional classes of occupations can be included if necessary.

A key worker can apply for Council or housing association homes in Enfield provided their main place of work is in Enfield.

Applicants who have sufficient finances to resolve their housing need by renting or buying in the intermediate housing sector (e.g. below market rent or shared ownership) or the private sector will be given information and advice on alternative housing options.

housingmoves – Pan-London Mobility Scheme for London

Enfield has agreed to participate in the Mayor of London's pan London Mobility Scheme which will help council and housing association tenants move across London boroughs. Under the terms of the scheme Enfield will put forward up to 5% of qualifying council and housing association homes for eligible tenants.

Further information about the scheme can be found online using this web address: www.**housingmoves**.org

Former Armed Services Personnel

An annual quota of homes of all sizes will be made available for former Armed Services personnel who fall within one or more of the statutory reasonable preference categories and have urgent housing needs. This enables Enfield to comply with the Government's statutory code of guidance on Allocation of Accommodation

Bereaved Spouses and civil partners of Members of the Armed Services

An annual quota of homes of all sizes will be made available for bereaved spouses and civil partners of Members of the Armed Services leaving Services Family Accommodation following the death of their spouse or partner.

Single people living with a physical disability, learning disability or mental health issue agreed for housing by one of Enfield's Housing Panels

An annual quota of studio and 1 bedroom homes will be made available for single people living with a physical disability, learning disability or mental health issue who have been recommended for housing by one of Enfield's relevant Housing Panels (see Appendix 7 for information on Enfield's Housing Panels).

Council employees whose Council home goes with their job and the Council has agreed to house them in an alternative home

An annual quota of homes of all sizes will be made available for Council employees whose Council home goes with their job and for reasons of ill-health or retirement the Council, through the Exceptions and Special Applications Housing Panel, has agreed to house them in an alternative social rented home. Ill-health in this context is illness which the Council's Occupational Therapy Service recommends is long-term and debilitates the employee to a point where they are unable to carry out their duties effectively. A higher priority will be given to a Council employee releasing a home with 3 or more bedrooms.

Applicant with legal right to succeed to a Council owned property who is and under-occupying

An annual quota of homes of all sizes will be made available for applicants who have a legal right to succeed to a Council home in Enfield, is under-occupying it and the Council requires the applicant to move smaller accommodation. A higher priority will be given to an applicant who is releasing a home with 3 or more bedrooms.

2063.

Applicant has no legal right to succeed to a Council owned home and is under-occupying

An annual quota of homes will be made available for applicants who have no legal right to succeed to a social rented home in Enfield. The Council has agreed to house them because if evicted the Council would otherwise owe them a duty to house under the homelessness legislation. A higher priority will be given to applicants releasing a social rented home with 3 or more bedrooms.

No other housing circumstances apply but the applicant has been assessed as having a high or medium Health and Well-being need

An annual quota of homes of all sizes will be made available for applicants who have been assessed by the Council's Medical Assessment Officer as having a high or medium Health and Well-being need.

Post Homelessness Suitability of Accommodation Order 2012: some applicants provided with accommodation b Enfield and owed a full rehousing duty under the homelessness law

An annual quota of studio and one bedroom homes will be made available for applicants for whom Enfield has accepted the full homelessness duty towards them, has assessed the applicant as having exceptional needs and decided not to discharge the duty to house the applicant via the private rented sector as per the Homelessness (Suitability of Accommodation) (England) Order 2012 (SI 2012/2601).

Applicant provided with temporary accommodation in Enfield by another local authority under the homelessness legislation

An annual quota will be made available for applicants living in temporary accommodation in Enfield provided to them by another local authority under the homelessness legislation.

Applicant is homeless but Enfield does not owe them a full homelessness duty and the applicant has exceptional need

An annual quota of 6 studio or 1 bedroom homes will be made available for applicants who are homeless but Enfield does not owe them a full homelessness duty and the applicant has exceptional need for housing in Enfield.

Applicants living in the private rented sector or with family or friends

An annual quota of homes with 3 or more bedrooms will be made available for applicants living in the private rented sector or with family or friends and are severely overcrowded through lacking 3 bedrooms.

Enfield MAPPA Cases

An annual quota will be made available for applicants referred for social rented housing to Enfield under Multi-Agency Public Protection Arrangements (MAPPA). Direct offers will be made of usually studio or one bedroom social rented homes.

These applicants will not be able to access the choice based lettings system. MAPPA applicants will be placed in the community sensitively.

Emergency and Exceptional priority cases (not Enfield Council or Enfield housing association tenants)

An annual quota will be made available for homes of all sizes to assist with urgent moves required such as under the National Witness Mobility Scheme or safeguarding Enfield children issues. These will be applicants who are not already tenants of Enfield Council or housing associations with homes in Enfield.

The National Witness Mobility Scheme supports people who are witnesses to serious crimes to move away from the area where the perpetrator lives, to minimise the risk of intimidation or repercussions when they give evidence in court. Applicants in this situation will be considered on a case by case basis and agreed a direct offer of suitable accommodation

Keeping Quota Schemes Under Review

The quota schemes will be reviewed by the Council annually to ensure they continue to meet local need.

Appendix 6 – Enfield's Housing Panels

The Council's Housing Panels are important for assessing an applicant's housing and support needs. Each panel will consider an applicant's priority for social rented housing and the support they will need to live independent lives. Each Housing Panel comprises Senior Officers and who have been granted delegated authority by the Council to make decisions about housing as appropriate.

Mental Health Housing Panels

Applicants are referred to the Mental Health Assessment Panel where there is a need for more in depth discussions and sharing of information about their mental health issues. The Panel will assess:

- The vulnerability on grounds of mental health of applicants requesting assistance from Enfield Council because they are homeless
- Whether to award a mental health priority to an applicant applying through the Housing Register for a Council or housing association home

The Panel reviews on average 120 cases each year. Of this number about 40 cases will involve a review of an applicant's housing and support needs.

The Panel is chaired by the Medical Assessment Officer and comprises a Senior Community Mental Health worker and Team manager from the Council's Housing Options and Advice Service. This panel may refer applicants to the full Mental Health Panel if necessary.

The Mental Health Panel reviews on average 40 cases each year. The Head of Housing Options and Advice or other delegated officer chairs the meeting. Applicants may attend. The Panel comprises a Senior Officer from the Community Mental Health Team or Community Psychiatric Nurse to enable the panel to decide on the suitability of independent accommodation and award an appropriate priority.

Care Leavers Housing Panel

Enfield's Care Leavers Housing Panel reviews the cases of young people who are due to leave the care of the local authority because they are owed a duty by Enfield Council under the Children (Leaving Care) Act 2000.

The aim of the panel is to:

- ensure a young person is fully prepared for move-on into independent living
- identify their support needs with, for example, the CBL bidding process

- maximise the young person's ability to sustain their tenancy through early interaction between the young person, their support workers and Enfield Homes Rehousing, Tenancy Estate Management and Income Management teams.

Around 120 young people are reviewed by the Care Leavers Housing Panel annually and on average 40 cases are approved for independent living into council or housing association. The Panel is chaired by the Head of Service, Looked after Children (LAC), and comprises staff from:

- Enfield Council (LAC Head of Service, LAC Deputy Team Manager, Fostering Manager, Asylum Team Support Service Manager, Panel Administrator)
- Enfield's Arms Length Management Organisation, Enfield Homes (Rehousing Team plus Income Management Team/ASB Team rep as and when required).
- Housing Association partner (Floating Support Service)

Reciprocals

Young people leaving care who have been place in Enfield by another local authority under the Leaving Care Act 2000 may be considered at the discretion of the local authority under the terms of a reciprocal agreement (one for one) if the young person was placed in the borough prior to their 16th birthday has lived in the borough for and has lived there continuously a continuous period of 5 years

Learning Difficulties Panel (Resources)

Applicants who have learning difficulties will be referred to the joint Social Services/Housing Learning Difficulties Panel. This Panel reviews on average 60 cases each year. A Learning Difficulties manager chairs the meeting which is comprised of a Senior Officer from the Housing Options and Advice Service, Social Workers, Support / Care providers. Cases are presented by Social Workers to enable the Panel to decide on the suitability of independent accommodation.

Housing Options Panel for People with physical disabilities or visual impairment or hearing impairment

The Housing Options Panel will consider applications from people who have physical disabilities. The Panel reviews on average 80 cases per year. The Panel is chaired by a Manager from the Disabilities Team and comprises a Senior Occupational Therapist, Senior Officer from the Private Sector Housing Team and a Senior Manager from Enfield Homes. A Senior Housing Options and Advice Officer may attend. The Housing Options Panel will decide whether an applicant can remain in their home with appropriate and cost effective adaptations or recommend a move to more suitable housing.

Joint Assessment Panel (Older Persons)

The Joint Assessment Panel (Older Persons) will consider applications from older people needing to live in a housing scheme that provides extra care. Around 30 cases are considered per annum. This panel is chaired by Sheltered Housing Services Manager, and comprises a Medical Assessment Officer, an In House Home Care Manager, the Team Manager - Older People, a Housing Occupational Therapist.

Exceptions and Special Applications Housing Panel (ESAHP)

Enfield's Housing Allocations Scheme cannot cover every eventuality. Discretionary powers may be used to deal with special cases that may need to be treated in an exceptional way.

The Head of Housing Options and Advice or other senior delegated officer will chair the ESAHP.

The Assistant Director for Community Housing Services will hear appeals against Panel decisions.

Appendix 7 – Affordability

This Appendix sets out Enfield's approach to the affordability of social rented homes.

Currently (November 2012) around 70% of existing Council and housing association tenants receive full or partial housing benefit to help cover the cost of their rent.

Government welfare reforms will cap total benefit entitlement to households from April 2013, and reduced government funding for building new homes is likely to result in increased rents in the social rented sector in Enfield. Housing applicants will no longer be able to assume that housing benefit will pay their rent in full or partially. Benefit-dependent housing applicants will have to pay their rent from one pot of money paid to them 4 weeks in arrears by the DWP.

These changes in Government policy will make it **essential** that existing and prospective tenants of Council and housing associations homes who have priority on the Housing Register consider whether they have enough income from benefits or earnings to afford available social rented homes.

Budgeting tools are available on the internet which applicants can use to calculate whether they can afford the rents of available social rented homes. Examples can be found here:

- The Citizens Advice Bureau on www.adviceguide.org.uk, click on England and enter "budgeting tool" in the search box
- The This is Money website on www.thisismoney.co.uk, enter "household budget calculator" in the search box

Enfield Council reserves the right to refuse a bid for an available social rented home from a housing applicant whom it believes will not be able to afford the rent.

Appendix 8 – Housing Options and Advice

Applicants will find housing options information and advice on the housing pages on Enfield Council's website at www.enfield.gov.uk. Information about all of the options below can be found on the website.

www.housingoptions.org.uk is a useful website for applicants with learning difficulties

Applicants are strongly recommended to consider all possible options for their future housing. Even if applicants are awarded a high priority under Enfield's Allocations Scheme, other options may still meet their needs more quickly.

Housing Options and Advice for All

Homeless or at risk of being made homeless
We are committed to preventing homelessness where possible.

Applicants who are already homeless or at risk of losing their home, should contact the Council's Housing Options and Advice Service immediately. We may be able to help applicants keep their current home, at least for a little longer. Being made homeless does not mean an applicant will be housed more quickly than other people in need. Telephone 020 8379 1000 for more information or go to Enfield's website www.enfield.gov.uk and type "help if you are at risk of losing your home" into the search box.

Staying Put and getting help to make the property more suitable to live in

If your home is in a poor state of repair then please contact the Council's Private Sector Housing Enforcement Team on 020 8379 1000 for advice.

If you are having problems with your landlord or you have been asked to leave your private rented home there may be able to help. Please contact the Council's Housing Options and Advice Service on 020 8379 1000.

If you are an older person or you have a disability and are finding it difficult to live in your home and think it could be adapted to better meet your needs contact the Council on 020 8379 1000 for advice on your options.

Low cost home ownership homes.

FIRST STEPS to home ownership in London is a free to use service for first time buyers looking to buy a home for less. Go to www.firststeps/llondon.org to find out more.

2070,

Privately rented housing

Private rented homes play an important role in meeting housing need in the borough. Most people in housing need will find themselves renting from a private landlord.

Where a housing applicant is already living in the private rented sector there will be very few reasons for agreeing a move to a social rented home. A tenant living in a home that is too small for them and their family will be advised to look for an alternative larger home in the private rented sector. Advice and assistance will be offered to do this.

Applicants can contact local lettings agents and use the local newspaper papers to find privately rented properties.

Applicants on a low income and claiming benefits are strongly advised to check they can afford the rent from their own income or benefits before moving in. This is especially important for applicants wholly reliant on benefits who may be affected by government's welfare reforms. Go to the Direct Gov website and tap in Benefit caps to see if you are affected.

Serious Harassment
The Council and its Partner Housing Associations will not tolerate sexual, racial, homophobic or disability related harassment. Wherever possible, a social landlord will seek to resolve issues of anti-social behaviour and harassment by taking action against the perpetrator, rather than moving the victim. It is however recognised that in extreme cases it is no longer safe for the victim to remain in the property.

If a Council tenant pursues an application through the Council's Housing Register, it may be appropriate for Exceptional priority to be awarded on the grounds of preventing homelessness. In very exceptional cases, such as where the police believe that there is a serious danger to you in remaining in the home, the applicant's case can be referred to the Exceptions and Special Housing Panel to be considered for Emergency Priority and we may be able to assist applicants with temporary accommodation or a permanent home/

Housing Association Tenants are advised to contact their landlord for advice on their housing options for moving in exceptional circumstances.

Domestic Violence
If an applicant is suffering from domestic violence we will work with them to try to identify the best solution. This may include offering support to remain in the current home and excluding the perpetrator. Anyone experiencing domestic violence should seek advice immediately from their landlord, Refuge or the Housing Options and Advice Service. Go to the Council's website www.enfield.gov.uk and type "domestic violence" in the search box to get more information and advice on the options.

2071,

Applicants with support needs can apply for floating support services to help with keeping the tenancy going and budgeting advice
- 35-55s: advice and support with finding affordable self-contained homes in the private rented sector and support with finding work or claiming benefits to help pay for the rent. People with support needs can apply for floating support services to help with keeping the tenancy going and budgeting advice.
- Over 55s: advice and support with finding affordable self-contained homes in private rented sector and support with finding work or claiming benefits to help pay for the rent. People with support needs can apply for floating support services to help with keeping the tenancy going and budgeting advice.

Specialist housing for older people may be available for those who have a disability due to illness, accident, or age frailty.

Single people who mis-use substances
A rent deposit scheme is available (while funding lasts) for a limited number of single people who mis-use substances.

Housing options are otherwise as outlined above.

MAPPA Referrals

Enfield takes part in arrangements that involve a range of agencies whose purpose is to devise a suitable response for containing within the community offenders who pose a serious risk to the public. Part of the response is the provision of social or private rented housing.

Applicants referred for social rented housing to Enfield under Multi-Agency Public Protection Arrangements (MAPPA) will be made direct offers of usually studio or one bedroom social rented homes. These applicants will not be able to access the choice based lettings system. MAPPA applicants will be placed in the community sensitively.

2072,

Housing Pathways for Council and Housing Association Tenants

The sections set out the services and ways in which tenants of Enfield Council and housing associations can move.

A mutual exchange

This is where an existing Council tenant or Housing Association tenant agrees to swap homes, with their landlord's consent. There are rules about the size of home applicants can move into. Tenants can join the free national mutual exchange scheme called Homeswapper. For more information, visit the Homeswapper website at www.homeswapper.co.uk

Pan-London Mobility Scheme for London - housing moves

The Council participates in the Mayor of London's pan-London mobility arrangements called, housingmoves. The scheme helps eligible tenants to move to other London boroughs.

Up to 5% of Enfield's homes are made available to housingmoves varies each year. The number of homes put forward is based on the total number of lettings of general needs and sheltered homes in the previous year less the number of transfers, mutual exchanges or successions that have taken place.

The homes we put forward for the scheme are made available to transferring tenants from other boroughs.

The decision about which Council and Housing Association homes will be put forward to housingmoves for applicants from other boroughs will be made by a senior Housing Options and Advice or Allocations Officer

The ultimate decision as to which housingmoves registrant will be let the home made available will be made by a senior Housing Options and Advice or Rehousing Officer

Because Enfield participates in housingmoves existing tenants of Enfield Council and housing association tenants living in Enfield can make transfer applications through housingmoves to be considered for vacancies in other London local authority areas.

Renting from a private landlord - Fresh Start Rent Deposit Scheme

This scheme helps Tenants of Enfield Council and households in Enfield's Temporary Accommodation find a private rented home with the help of a rent deposit. Telephone 020 8379 1000 and ask for the Council's Accommodations Services Team to find out more on 020 8379 1000

2073,

Seaside and Country Homes Scheme
There are some flats, and a small number of bungalows, in seaside and country towns in the South of England South West, Lincolnshire, Norfolk, Suffolk, Shropshire and Wiltshire for single Londoners aged over 60, or couples where at least one partner is aged over 60. For more information, go to the Mayor of London's housingmoves website at www.housingmoves.org and type in seaside and country homes.

Low Cost Homeownership Schemes

As well as the schemes described above Enfield Council also has the following scheme:

Grants to Vacate Scheme

Grants are available to help some tenants of Enfield Council buy their own home. Applicants must have been a tenant for more than two years and not be in arrears with their rent. Download a guide to the scheme from enfield homes' Website at www.enfieldhomes.or.uk

Addressing severe overcrowding in Council and Housing Association Homes

Three bedroom Council and housing association homes are in very short supply. Homes with 4 or more bedrooms are rare. Over the last five years less than 60 homes with 4 and 5 bedrooms were let in Enfield through Enfield's Allocations Scheme.

We are committed to addressing severe overcrowding and will offer a Home Visit to all Tenants on the Housing Register lacking two or more bedrooms. We will carry out an Overcrowding impact Assessment to help applicants explore ways to reduce the impact of overcrowding.

- Gather information about the household and their circumstances to assess the level of overcrowding in the household. This will include:
    - Comparing the household's living arrangements against Enfield's bedroom standard
    - Treating an additional space such as a dining room or a second living room as an additional room when calculating the number of rooms available to a household unless the loss of the room means there is nowhere else in the home for the household to eat together.
    - Reviewing work patterns within the household and their impact on the family
    - Giving consideration to an appropriate level of privacy for members of the household including teenage children of different genders sharing a bedroom which indicates a lack of privacy and children under 10 / over 5 years sleeping in their parent's room or the living room.

2074.

- Establishing the amenities available to the household including access to a garden or park nearby

- Advise the applicant on options for reducing the impact of overcrowding in their current home which will include:
  - Decluttering and re-organising the way the home is used, e.g. changing the use and occupation of rooms
  - Advising on different types of space saving furniture, e.g. bunk beds or folding tables to make better use of space in the home
  - Advising on options to assist adult children to move into their own home including the New Generation Enfield residents Scheme
  - Use of libraries and Homework clubs / after school clubs to support children with their homework
- Advise the household on alternative housing options including the private rented sector and low cost home ownership schemes
- Where funding is available, make recommendations for a feasibility study to consider loft conversion or extension if funding is available.

Council Transfers for Exceptional and Emergency Reasons

Council tenants may be considered for an Exceptional or Emergency Transfer (known internally as 'Management Transfers') in the following circumstances including:

- Child abuse from within the family or within the neighbourhood
- Threat of violence or actual violence
- Rape or assault within the home or immediate locality
- Unnatural death (suicide or murder within the home
- Irretrievable breakdown in the relationship with neighbours
- Threat of or actual gang violence where this is confirmed after a full investigation with police reports, and all available legal remedies have been exhausted.

Enfield's Exceptions and Special Applications Housing Panel will usually decide an Exceptional or Emergency Transfer. Urgent moves will be decided by the Head of Housing Options and Advice or other delegated officer. The decision will be based on an investigation undertaken by housing management staff evidence of the reason for needing to move urgently and any health and well-being assessment available.

2075,

Only one offer of a similar type of home currently occupied will be made to applicants approved for a transfer for exceptional or emergency reasons. For example, a tenant who is living in a high rise flat will be offered an alternative high rise flat. If it is not possible provide a similar home to the one currently occupied, then as near to it as possible will be offered, e.g. if an applicant currently occupies a bungalow an alternative home on the ground floor in a block of flats will be regarded as a suitable alternative. The Panel's decision will include discretion to alleviate severe overcrowding at the same time.

What happens if offers of social rented homes are refused is set out in the section **Outcomes for applicants who refuse an offer of a home**.

End of picture!

Dear Ludmilla Lyavoo

Could you please forward the housing management transfer Application that Lemmy called me about last night at 16:15 hours, as I have the mental health team calling me regarding the like for like section in the application. I as of yet have not seen the application and would like to see it and what has been said.
Also would it be possible to get a copy of Enfield council guidelines and policies for the management transfer, I do believe I have a copy but want to be 100% I have the right one.

Lorraine Cordell

  T/C to Lorraine following call on Access. Relayed long history of issues Simon has had with Enfield Housing. Current concern appears to be that Simon may not be given a 2-bedroom flat as housing feel that this is not needed, however family disagree. Advised Lorraine that housing will have their policies/laws which they follow and mental health services can only provide supporting information that may or may not impact on final housing decision. Lorraine said that she would be at the review meeting with Simon on the 31st, advised that she/Simon could inform how they feel housing may impact on Simon's mental health in the longer term (in terms of support that family are able to provide) this can be included in the clinic review letter however psychiatrist will need to determine whether this is having/is going to affect Simon's mental state/risk. Lorraine was happy with this plan and will provide clinic review letter to housing following appointment on the 31st August.

Dear Trishna
I was wondering if you had time as yet to rewrite the order as it need to go to the court so that the order is sealed.
I have made edited it not sure if it can be worded this way but please see attached. The reason I do not believe they can put "And UPON the Defendant's mother agreeing to engage with the Enfield Mental Health Unit team so the Defendant could receive assistance with his mental health conditions and housing. " Is due to Simon rights I can give input but there is little I can do if Simon does not agree to take help and this is where I run into issues and have for a while now. If it is ordered that I will do it and can't then I am breaking the order. so, I have just removed this from the order as I do what I can anyways I do not need the council telling me I have to do it. Also are there any notes from the barrister who was there for Simon or any documents I have not got as Simon likes to keep all documents from all his cases.

Dear Trishna,
I write further to my email to you and Mrs Lorraine Cordell. Our allocation manager has advised us that as Mr Cordell is an existing council tenant, he is entitled to apply for a **transfer** of tenancy and cannot make a rehousing application.
I am advised that the application needs to be done via Mr Cordell's neighbourhood officer. I have emailed the officer and asked him to contact Mrs Cordell as soon as possible. Mrs Cordell is also encouraged to contact the Mental Health Team so they can support him with his MH issues and rehousing. I have amended the order to reflect the above and look forward to hearing from you.

Dear Trishna,
I write further to my email to you and Mrs Lorraine Cordell. Our allocation manager has advised us that as Mr Cordell is an existing council tenant, he is entitled to apply for a **transfer** of tenancy and cannot make a rehousing application.
I am advised that the application needs to be done via Mr Cordell's neighbourhood officer. I have emailed the officer and asked him to contact Mrs Cordell as soon as possible. Mrs Cordell is also encouraged to contact the Mental Health Team so they can support him with his MH issues and rehousing. I have amended the order to reflect the above and look forward to hearing from you.

T/C to Lorraine following call on Access. Relayed long history of issues Simon has had with Enfield Housing. Current concern appears to be that Simon may not be given a 2-bedroom flat as housing feel that this is not needed, however family disagree. Advised Lorraine that housing will have their policies/laws which they follow and mental health services can only provide supporting information that may or may not impact on final housing decision.
Lorraine said that she would be at the review meeting with Simon on the 31st, advised that she/Simon could inform how they feel housing may impact on Simon's mental health in the longer term (in terms of support that family are able to provide) this can be included in the clinic review letter however psychiatrist will need to determine whether this is having/is going to affect Simon's mental state/risk. Lorraine was happy with this plan and will provide clinic review letter to housing following appointment on the 31st August.

If it is ordered that I will do it and can't then I am breaking the order. so I have just removed this from the order as I do what I can anyways I do not need the council telling me I have to do it.

INSTRUCTIONS

Client not present, as he is ill.
Def's mother and Uncle attend.
Mother has a large correspondence file, which proves that emails were sent by her to the Council telling them about Def's mental illness.
(Mother is of the belief that the Council already knew what is contained in the latest Report).
Probably the most helpful thing mother tells me is that the construction of the flats where Def lives means that Def hears a lot of noise from the flat above. This causes tensions. If Def were moved to a more suitable flat, the current problems are less likely to recur.
Mother does not want to be a Litigation Friend as---Def might agree to this today, but 2 days later he could be accusing mother of being in league with the Council Mother does not want this case to drive a wedge between her and Def.
Mother says that the statements that the complainants made in this case are different to the statements they made against Def in the criminal case (no charge yet), which proves that they are lying in this case, and mother wants to take them to court for lying.
Spoke to representative from Enfield B.C. They appear to have no great plan, following the Report that says Def doesn't understand the injunction, and is not fit to take part in proceedings. They will suggest that the Court should make some Directions, to protect other residents, but they cannot suggest any particular Directions, and appear to want to leave that to the Judge.

There is the possibility of the Official Solicitor acting as Litigation Friend, but this would take some time to set up.

Disrepair!
I get left by the Enfield Council to suffer after asking their employees to respect my rights to equality by complying to their duty of care towards me but without any satisfaction in the disrepair issues being repaired in a fair time!

Dear Trishna
I was wondering if you had time as yet to rewrite the order as it need to go to the court so that the order is sealed. I have made edited it not sure if it can be worded this way but please see attached. The reason I do not believe they can put "And UPON the Defendant's mother agreeing to engage with the Enfield Mental Health Unit team so the Defendant could receive assistance with his mental health conditions and housing. " Is due to Simon rights I can give input but there is little I can do if Simon does not agree to take
4143,
help and this is where I run into issues and have for a while now. If it is ordered that I will do it and can't then I am breaking the order. so, I have just removed this from the order as I do what I can anyways I do not need the council telling me I have to do it. Also are there any notes from the barrister who was there for Simon or any documents I have not got as Simon likes to keep all documents from all his cases.

Dear Trishna,
I write further to my email to you and Mrs Lorraine Cordell. Our allocation manager has advised us that as Mr Cordell is an existing council tenant, he is entitled to apply for a **transfer** of tenancy and cannot make a rehousing application.
I am advised that the application needs to be done via Mr Cordell's neighbourhood officer. I have emailed the officer and asked him to contact Mrs Cordell as soon as possible. Mrs Cordell is also encouraged to contact the Mental Health Team so they can support him with his MH issues and rehousing. I have amended the order to reflect the above and look forward to hearing from you.

I have today spoken to the Mother of the above as I was unable to make telephone contact with the patient. I informed Mrs. Cordell that two male members of staff, one a Doctor and the other a nurse would be making a home visit to her Son on Friday 31st August **2018** at 9.15am to carry out an Assessment. Mrs. Cordell informed me that she would not be present at the appointment as she herself has a hospital appointment which she had been waiting for a while to ascertain and could not cancel this. I informed her that the Doctor and the Nurse would still attend for the appointment at the client's home address and she informed me that she would let her Son know. Mrs. Cordell said that her Son may not be happy about the visit but none the less she will inform him.

Dear Trishna
I was wondering if you had time as yet to rewrite the order as it need to go to the court so that the order is sealed.
I have made edited it not sure if it can be worded this way but please see attached. The reason I do not believe they can put "And UPON the Defendant's mother agreeing to engage with the Enfield Mental Health Unit team so the Defendant could receive assistance with his mental health conditions and housing. " Is due to Simon rights I can give input but there is little I can do if Simon does not agree to take help and this is where I run into issues and have for a while now. If it is ordered that I will do it and can't then I am breaking the order. so, I have just removed this from the order as I do what I can anyways I do not need the council telling me I have to do it. Also are there any notes from the barrister who was there for Simon or any documents I have not got as Simon likes to keep all documents from all his cases.

Dear Trishna,
I write further to my email to you and Mrs Lorraine Cordell. Our allocation manager has advised us that as Mr Cordell is an existing council tenant, he is entitled to apply for a **transfer** of tenancy and cannot make a rehousing application.
I am advised that the application needs to be done via Mr Cordell's neighbourhood officer. I have emailed the officer and asked him to contact Mrs Cordell as soon as possible. Mrs Cordell is also encouraged to contact the Mental Health Team so they can support him with his MH issues and rehousing. I have amended the order to reflect the above and look forward to hearing from you.

Who you are and in what capacity you know the patient, how long you have worked with them: My name is Soobah Appadoo? I am a CPN with the above-named team. I have been asked to compile this social circumstance report in support of above-named patient's Mental Health Review Tribunal (MHRT) appeal against his detention under Section 2 of the Mental Health Act. Mr Cordell was admitted on section 2 on the 26th October 2018. Mr Cordell was previously under the care of the Early Intervention Team for 3 years. The Early Intervention Team discharged him in June 2018 and at that point he was referred to our team. There is a suggestion on RIO notes that he did not engage well with that team. I was allocated to Mr Cordell in August 2018. We offered him an appointment at his flat on the 31st August. Mr Cordell rang our office the day before

Barnet, Enfield and Haringey Mental Health NHS Trust

My report is based on the information which I have extracted from RIO and my telephone conversation with Mr Cordell's mother.

Psychiatric history

On the 16th August **2016** Mr Cordell was admitted to CFH under Section 2 of the MHA. He was discharged on the 27th August **2016**. According to RIO notes Mr Cordell "was arrested at his home address after his mother raised concerns about his mental state - he was allegedly verbally threatening towards his neighbour and (?) neighbour's children. Simon's mother called police who arrested him. He was seen by the FME at Wood Green police station, was then referred for MHA."

He appealed against his Section. The Mental Health Review Tribunal discharged him from Section 2 on the 26th August **2016**.

Leading to current admission

As I stated above leading to this admission Mr Cordell did not attend appointments offered to him by our service. Subsequently due to the allegations made against him I was advised to attend a Safeguarding meeting for an alleged victim. In that meeting I was informed by the Council that Mr Cordell has a past and current history of physical and verbal aggression towards residents in the building. I was informed that the council has tried to work with Mr Cordell but to no avail. I was informed me that

Mr Cordell was getting easily irritated even by the sound of a flushing toilet; this happened very recently and he threatened the resident concerned. The Council was of the opinion that these are signs of mental illness and suggested that BEH should proceed with a MHA. The Council argued that this is for the protection of others as well as Mr Cordell's own safety. Subsequently the council sent us a copy of 'Anti-Social Behaviour, Tenancy concerns and breaches- pre-action letter' which contained a chronology of alleged incidents dating from **2016**. These alleged incidents were in the meaning of an antisocial behaviour presentation. On the 17th October Mr Cordell was discussed in our MDT meeting. A decision was made to conduct a MHA. A MHA was attempted on the 19th October. Mr Cordell did not cooperate and the assessment did not take place. On the 23rd October an application for a warrant was made but was declined on the grounds "that there was insufficient recent evidence that he was being "kept under proper control" as he is living alone and "insufficient recent medical evidence that "he is unable to care for himself. According to RIO, on the 25th October Mr Cordell was arrested for breaching a harassment order. It was alleged that he was aggressive towards the police and spat at them. He was assessed at the police station. On interview he had pressure of speech, delusions about his neighbours and the police and housing ganging up against him. He denied drug use. He said that does not have a mental disorder. The

doctors who assessed Mr Cordell found him "hypomanic, with flight of speech, grandiose and thought disordered"

Forensic history

Nil known.

Risk History

According to the Risk Assessment on RIO notes Mr Cordell had expressed suicidal thoughts in the past. This was related to stress from court cases. The date is not stated in the Risk Assessment. Around that time, he said that he had researched ways of harming himself (poisoning, OD, hanging). He had said in the past that he tried to hang himself aged 16 when he was in a young offender's institute. He had said that he needed resuscitation. He tried to

hang himself a second time after he was sentenced by a judge aged 20. He had said that he drank Nitrous Oxide in **2014** with intent to die.
According to his Risk Assessment he was regularly a victim or witness of his father's violent behaviour.
There are recent reports from the Council regarding alleged aggressive behaviours towards other residents. In June 2018 he was apparently involved in court case with the neighbours who he apparently threatened to harm.

Views of family

I telephoned Ms Cordell on the 7th November 2018. Ms Cordell told me that neighbours have been "terrorising" his son since **2014** in particular a neighbour on the 2nd floor. Ms Cordell told me that whilst her son is in hospital her nephew has been staying in the flat to look after the dog. The nephew has reported that the occupier on the 2nd floor have been "banging" on the floor. She said that the neighbour then realised that her son is not in the flat when they saw the nephew coming out of Mr Cordell's flat. She told me that since the 26th October the "banging" has stopped. She said that she has complained about the neighbour herself but thinks these situations are misinterpreted by the council and the mental health services and her son is then seen as the perpetrator and or being mentally unwell. Ms Cordell stated that the sound proofing is lacking and the noise is real. Other neighbours have made allegations that Mr Cordell has been aggressive towards them. She

said that there is no evidence of this; police have seen CCTV and found that her son had not left the flat at the time when these incidents were alleged to have happen. Ms Cordell gave another example in **2016** where it was alleged by a neighbour that her son had made threats to kill him. She said that the police initially charged her son with making threats to kill; after seeing video evidence they charged him with a 'Public Order Offence'. She said that around the time of this alleged incident her son was in his flat with some friends. Her son was not allowed to his flat and was bailed to her flat where he stayed until December **2016**. She said that the CPS after seeing evidence dismissed the case a day before the trial. She said that the council has never taken the responsibility to look at evidences; the allegations made against her son (physical assault, letting his dog on the loose) have not been proven. She said that on the 9th August in court the Judge ordered Enfield Council to move her son to a 2-bedroom flat but the Council wants/plans to evict him instead. She said that the Council has no grounds to apply for her son's eviction.

She said that her son has a one bedroom flat. She said that he does not want to live there. She said that he needs a 2-bedroom flat with the plan that his cousin could stay with him to provide emotional support. She said that her son has everything he needs in the flat. She told me that her son is very independent in activities of daily living; his personal care is extremely good; he cooks for himself, maintains the flat and takes responsibility for his bills. She told me that he has no financial difficulties/no debts.

She said that her son has a work history. In **2010** he was planning to set up a business in the entertainment industry. He has also built websites in relation to this. At present he is not in employment. He is in receipt of Employment Support Allowance but needs to make an application for Personal Independent Payment.

I asked her if she thinks her son has a mental illness; she told me that he suffers from stress and anxiety due to issues with the neighbours but does not think he has a mental illness. She said that the judged looked at evidence and did not grant a warrant in October 2018 for a mental health act to take place at her son's flat.

I asked Ms Cordell if she thinks her son could benefit from support from the community team. She said that he could do with some support but "we should stop labelling him as being delusional as he is not delusional".

After-Care

Potentially Mr Cordell care/treatment would be delivered via the Care Programme Approach. I am the allocated Care Coordinator and he will have a responsible clinician in the community. My role would be first of all to build a relationship with Mr Cordell as I have only met him on 2 occasions. I will try to motivate him to engage with myself and the multidisciplinary team. As his Care Coordinator I will review Mr Cordell regularly independently and with the Community RC.

We have a Team Clinical Psychologist and it would be vital for Mr Cordell to have some form of talking therapy. This is on the basis of the stress and anxiety that his mother states he suffers from.

We have a Dual Diagnosis Worker in the team who could offer drug counselling if necessary.

We have an organisation called 'Remploy' which is funded by the Local Authority. Potentially they could support Mr Cordell to find work. They meet regularly with clients whilst they are in work and also liaise with employers.

I could support Mr Cordell in making an application for PIP. Alternatively, he could get that support from 'Enfield Well-Being Connect'

The Mental Health Enablement Team could provide support in tenancy management as well as support to access education/training and work.

Opinion and recommendations

I have met Mr Cordell on two occasions only and I have not had the opportunity to assess him in the community. A rapport needs to be established with him.

On the basis of recent events, history of risks to self and alleged risks towards others, and taking into account the views of the MDT on the ward I think that he would benefit from a longer stay in hospital. This is in-order for the MDT to assess him comprehensively to determine if he has a severe and enduring mental illness such as schizophrenia/psychosis. If it is determined that he has a severe mental illness then this should be treated accordingly whilst he is in hospital.

New Speaker:	01:07	Err, what was his last name because we have two

Speaker 2:	01:08	I'm not too sure I just know that he has been, he is supposed to be quite new in the department and it's supposed to be a team leader.

New Speaker:	01:14	109 Burncroft Avenue.
Speaker 1:	01:29	And what is your door number
Speaker 2:	01:30	109
Speaker 1:	01:38	ok, so, let me, is it your neighbourhood officer, he is of line at the moment
Speaker 2:	01:41	He's offline at the moment. I keep leaving messages in regards to him contacting mw, well I have only left one so far, but he hasn't called me back. Is there somebody else that I can speak to that can take it?

Speaker 1:	02:23	You speaking to John Ogander from Enfield Council housing
Speaker 2:	02:26	Hello John, you're speaking to Mr Cordell. Simon Cordell from 109 Burncroft Avenue. I'm a secure tenant and I'm phoning in regards to the agenda at the moment with my caseload. I believe a Michael is supposed to be the case manager and I was supposed to have had a housing **transfer** already put into place in the emergency house in **transfer**, um, if I can just give you a couple of dates for just for the latest updates of what's happened on the eighth, on the eighth of this month from two facts on the 15th of the eighth of this year. Um, a court order was made that I must be **transfer**red four two bedrooms like to like house as an emergency case on the 15th of the 08th. The Enfield Council wrote to my solicitor and all the paperwork was agreed and a copy of that letter was sent to yourselves in agreement to that **transfer** that should be taken place. Um, within the first annual meeting AGM meeting held by the Enfield Council and yourselves was obviously on the 28, 08, 2018 and no person and

He's also in, in it, he's also got contact of official paperwork that is being paid a salary to deal with and he's got time and measurements that he should be meeting and level of grades to which the emergency application should be treated to and he's failing in all of these obligations towards me and towards his job title. So, if anybody else can actually deal with his job and do it more efficiently, I'd be, I'd be a lot happier because I wouldn't be living in the same house for the last few months when a judge has ordered something. Is there any way that you can deal with this case for me and, we can go through the process?
Speaker 1:	04:24	I'm afraid not because we all have our own patches. I have my own area to manage. Michael has got his own area.
New Speaker:	04:32	I can appreciate that.
New Speaker:	04:33	what I'm going to do. You see, you say that you are 109.

Dear Trishna
I was wondering if you had time as yet to rewrite the order as it need to go to the court so that the order is sealed.
I have made edited it not sure if it can be worded this way but please see attached. The reason I do not believe they can put And UPON the Defendant's mother agreeing to engage with the Enfield Mental Health Unit team so the Defendant could receive assistance with his mental health conditions and housing. " Is due to Simon rights I can give input but there is little I can do if Simon does not agree to take help and this is where I run into issues and have for a while now. If it is ordered that I will do it and can't then I am breaking the order. so, I have just removed this from the order as I do what I can anyways I do not need the council telling me I have to do it. Also are there any notes from the barrister who was there for Simon or any documents I have not got as Simon likes to keep all documents from all his cases.

Dear Trishna,
I write further to my email to you and Mrs Lorraine Cordell. Our allocation manager has advised us that as Mr Cordell is an existing council tenant, he is entitled to apply for a **transfer** of tenancy and cannot make a rehousing application.
I am advised that the application needs to be done via Mr Cordell's neighbourhood officer. I have emailed the officer and asked him to contact Mrs Cordell as soon as possible. Mrs Cordell is also encouraged to contact the Mental Health Team so they can support him with his MH issues and rehousing. I have amended the order to reflect the above and look forward to hearing from you.

Dear Trishna
I was wondering if you had time as yet to rewrite the order as it need to go to the court so that the order is sealed.
I have made edited it not sure if it can be worded this way but please see attached. The reason I do not believe they can put "And UPON the Defendant's mother agreeing to engage with the Enfield Mental Health Unit team so the Defendant could receive assistance with his mental health conditions and housing. " Is due to Simon rights I can give input but there is little I can do if Simon does not agree to take help and this is where I run into issues and have for a while now. If it is ordered that I will do it and can't then I am breaking the order. so, I have just removed this from the order as I do what I can anyways I do not need the council telling me I have to do it. Also are there any notes from the barrister who was there for simon or any documents I have not got as Simon likes to keep all documents from all his cases.

Dear Angela Hague
I am writing this as I have an issue and I have been trying to resolve it with the new team my son has been put under but it seems I am having issues and therefore wondered if you could help as you was the last team to see Simon before the changeover. It seems due to the change over to the new team they want do anything until they see my son, but I believe the mental health team has enough information on their system to be able to help in this matter which I will explain below. As you may be aware we were at court regarding Enfield Council and the neighbours case on the 09/08/2018 and the case against Mr Cordell was dismissed forthwith, the reason for this is I believe for 1st time the judge saw what Enfield Council has been doing along with the neighbours for a long time, I believe the Mental health team are well aware what my son has been dealing with and what he states has been ongoing since **2014** and it should be of record on the systems the hell he has been living with what the neighbours have been doing since **2014**, I know the mental health team are aware what the neighbours have been doing to my son due to being there more than once when my son has shown video and audio to the mental health team. I have asked more than once for the mental health team to help get my son move yet nothing has been done, and once again I am asking for help with this. On the 09/08/2018 the judge ordered that Enfield Council move my son as the flat he is in is clearly not suitable, I also spoke to the judge about the need for a suitable two bedroom property so that my son can have a spare room for his family so they could stay with him and support him. the judge agreed but it is this part that Enfield council are trying to get out of without the help and input of the mental health team, saying it would be more suitable for two bedroom property so Simon can get support from his family, Enfield Council is willing to move my son and there is going to be a hearing with the panel on the 28/09/2018 regarding moving my son, but unless the mental health team does a report saying he needs a 2 bedroom Enfield Council will only move him to a 1 bedroom. I do feel my son needs support and a 2 bedroom would allow family member to stay with him and help him and try and get him to understand he does need help. My son has been locked away on his own in the flat he is in since **2013** living in hell due to what the neighbours are doing he does not go out, he is not getting the contract with others, only when the family attend his home for a few hours, and due to what he is living with he
4180,
don't like people around there, which it has made it harder for the family to be there all the time to support him because of how and what he is living in with what the neighbours and Enfield Council has been doing. Therefore, I am asking for some help for a letter to be written from the mental health team saying a 2 bedroom would be more suitable as Simon could have someone with him and still be able to have his own space, as there would be a spare room for the family to stay in.

Lorraine Cordell

Dear Trishna
I was wondering if you had time as yet to rewrite the order as it need to go to the court so that the order is sealed.
I have made edited it not sure if it can be worded this way but please see attached.
The reason I do not believe they can put
"And UPON the Defendant's mother agreeing to engage with the Enfield Mental Health Unit team so the Defendant could receive assistance with his mental health conditions and housing. "
Is due to Simon rights I can give input but there is little I can do if Simon does not agree to take help and this is where I run into issues and have for a while now. If it is ordered that I will do it and can't then I am breaking the order. so I have just removed this from the order as I do what I can anyways I do not need the council telling me I have to do it.
Also are there any notes from the barrister who was there for Simon or any documents I have not got as Simon likes to keep all documents from all his cases.

Dear Trishna,

I write further to my email to you and Mrs Lorraine Cordell. Our allocation manager has advised us that as Mr Cordell is an existing council tenant, he is entitled to apply for a transfer of tenancy and cannot make a rehousing application.

I am advised that the application needs to be done via Mr Cordell's neighbourhood officer. I have emailed the officer and asked him to contact Mrs Cordell as soon as possible. Mrs Cordell is also encouraged to contact the Mental Health Team so they can support him with his MH issues and rehousing. I have amended the order to reflect the above and look forward to hearing from you.

Dear Trishna

I was wondering if you had time as yet to rewrite the order as it need to go to the court so that the order is sealed. I have made edited it not sure if it can be worded this way but please see attached. The reason I do not believe they can put "And UPON the Defendant's mother agreeing to engage with the Enfield Mental Health Unit team so the Defendant could receive assistance with his mental health conditions and housing. " Is due to Simon rights I can give input but there is little I can do if Simon does not agree to take help and this is where I run into issues and have for a while now. If it is ordered that I will do it and can't then I am breaking the order. so, I have just removed this from the order as I do what I can anyways I do not need the council telling me I have to do it. Also are there any notes from the barrister who was there for Simon or any documents I have not got as Simon likes to keep all documents from all his cases.

Dear Trishna,
4183,
I write further to my email to you and Mrs Lorraine Cordell. Our allocation manager has advised us that as Mr Cordell is an existing council tenant, he is entitled to apply for a **transfer** of tenancy and cannot make a rehousing application.
I am advised that the application needs to be done via Mr Cordell's neighbourhood officer. I have emailed the officer and asked him to contact Mrs Cordell as soon as possible. Mrs Cordell is also encouraged to contact the Mental Health Team so they can support him with his MH issues and rehousing. I have amended the order to reflect the above and look forward to hearing from you.

Dear Trishna,

I write further to my email to you and Mrs Lorraine Cordell. Our allocation manager has advised us that as Mr Cordell is an existing council tenant, he is entitled to apply for a **transfer** of tenancy and cannot make a rehousing application.

I am advised that the application needs to be done via Mr Cordell's neighbourhood officer. I have emailed the officer and asked him to contact Mrs Cordell as soon as possible. Mrs Cordell is also encouraged to contact the Mental Health Team so they can support him with his MH issues and rehousing. I have amended the order to reflect the above and look forward to hearing from you.

Kind regards,

Incident of 15 March 2018

On Thursday, 15th March 2018, my wife and I took our 3-year-old daughter to school and as we came out of the block, we saw the Defendant standing outside the main entrance to Block 109-117 Burncroft Avenue. As we walked towards my car, the Defendant followed us swearing and shouting abuse at us. I could not remember the Defendant's exact words but there were lots of swearing words like ‘fucking family, fucking bastards’ and lots of 'bad words. As we got in his car, the Defendant walked back towards the block. As I went to drive out, I saw the Defendant standing by the main door to the block and videoing me and my family with his mobile phone and swearing and shouting abuse at us. I got out of his car, brought out my mobile phone and started to video the Defendant who continued swearing. I stopped videoing Mr Cordell and turned to get back inside my car, but the Defendant pushed me to the ground from behind. The Defendant sat on top of me and started to punch me on the face and repeatedly banged my head on the ground. After a while, I managed to push him off.

6. I then went to my car to get something to defend myself and picked a piece of metal from my boot but I decided against using it, the Defendant rushed at me again and punched me in the face and I fell backwards to the ground. The Defendant then sat on my chest and started to punch me repeatedly on the face. By this time, my wife and daughter were crying, and my wife was screaming for neighbours to help but nobody came out. My wife tried to pull Mr Cordell off him as I was not able to defend myself, but she could not. She then grabbed the piece of metal from my boot and hit the Defendant with it as self-defence to stop him. Some neighbours come out of their flat after a while and the Defendant got off me and went into his flat. By then I was bleeding profusely on my lips and forehead and both my

wife and I called the police and ambulance service.

11. The Defendant's mother Lorraine Cordell turned up as I was being attended to inside the ambulance and started to shout abuse at my wife and accused her of attacking her son.

12. The police took my mobile phone and my daughter's scooter that was inside my boot. The ambulance officers advised me to go to the dentist immediately to have my teeth attended to as two of my front teeth was broken and another two were wobbly. The ambulance carried out an, assessment of my injuries. A written report of my injuries can be seen in **exhibit MM1.**

13. The police phoned me as I was driving to the dentist and asked me to return to the estate. I was then arrested for assaulting the D even though I never assaulted him but all I kept on doing was to defend myself. I was held in a cell overnight and bailed the next day.

14. As a result of the assault, I had to have 3 teeth removed and replaced with dentures. A written report from my dentist can be seen in **exhibit MM2.**

15. The Defendant was also arrested, interviewed on the same day but released. I don't understand how this could have happened, while l being a victim of his assault was kept in a cell overnight. The Anti-social behaviour team made enquiries to find out why the D. was not charged with breaching the terms of the Injunction order and they were told that no charges were made on the basis that I had apparently provoked the Defendant. This Is untrue as all I did on the day was to ignore him to take my daughter to school.

2. I make this affidavit in support of the Claimant's (my husband) application for the Defendant's committal on the basis of a breach of the interim injunction order made by the Edmonton County Court on **09 January 2018.**

3. I witnessed the terrible assault committed by the Defendant on my husband on **March 2018** and confirm the facts stated in my husband's affidavit dated **20 April 2018.**

4. Mr Cordell harassed, abused and repeatedly punched my husband on his face, causing him to bleed and to break two of his teeth. I tried to stop him, but he would not listen to me.

5. We contacted the police who arrested both Mr Cordell and my husband. My husband was kept by the police overnight while he was a victim of the assault. The police could see the facial injuries, bleedings and damages sustained to his face and teeth but decided to keep him at the police station while he was a victim of the assault. Surprisingly I heard that Mr Cordell was arrested, interviewed and released on the same day. The

police decided not to charge him for some unknown reasons.

6. I believe that the Police decision was wrong, as there is clear evidence of assault, I was not interviewed while being a key witness to the incident. The Defendant should have been arrested and brought back to the Court following the breach of the injunction order so it could decide on his arrest.

7. I fear for my family safety and feels that the interim injunction with the London Borough of Enfield obtained on **09 January 2018** is not providing me and my family protection as the police refuses to enforce the terms of the order despite clear evidence that Mr Cordell has breached the terms.

MR SIMON CORDELL

DIRECTIONS ORDER

The situation has left me and my family terrified. There's a letter from my GP which confirm that, as seen under exhibit RM1.

8. There were further incidents on **11 November 2017, on 02-03 January 2018, 01 March 2018 and 26 February** where Mr Cordell harassed me, but the police did nothing despite evidence of him breaching the injunction order. All they would do will be to attend the Property, speak to him and leave without investigating the incidents.

9. I feel let down by the system and constantly fear for my safety. I contacted my local authority (the London Borough of Waltham Forest) to be moved out of the estate as myself, husband and 3-year-old are afraid to stay there.

However, Waltham Forest is not taking any actions at the moment.

10. I feel that the existence of the injunction has not provided the adequate protection to me and my family. As things stand the Defendant feels that the injunction is ineffective as the lack of actions from the police currently encourages him to act badly towards me and my family. We therefore hope that the Court will support us and take appropriate actions following the breaches.

11. would therefore ask the Court to consider the application in light of the recent incidents, to commit the Defendant to an arrest and impose a sentence following his breaches of the injunction.

Dear Trishna,
Mr Cordell called me at 11.49am and we spoke for about 3 minutes. He was mumbling and said that he has seen my pictures on google and has information about my previous works. He has some recordings of my voice and is going to display the recordings and my pictures on his website.
He made threats that he was going to report me,
he's aware I am a solicitor and alleged I was committing corruption and fraud. He said that it was a shame he had to report me as I worked in the industry for a long time, I had to end the conversation as he was becoming more threatening. **He also called my colleague Lemmy Nwabuisi afterwards,** and was verbally abusive and made threats. He had to end the conversation as well. As you are aware the injunction is no longer in place, however this should not be a reason for Mr Cordell to call me or other officers at the council and make threats. Can you please advise him that he ceases from contacting me and my officers and ceases from making threats? If this carries on again, we would be left with no choice **but to report him to the police.** Please confirm that your client has been informed of the above.

Dear Trishna
I was wondering if you had time as yet to rewrite the order as it need to go to the court so that the order is sealed.
I have made edited it not sure if it can be worded this way but please see attached.
The reason I do not believe they can put
"And UPON the Defendant's mother agreeing to engage with the Enfield Mental Health Unit team so the Defendant could receive assistance with his mental health conditions and housing. "
Is due to Simon rights I can give input but there is little I can do if Simon does not agree to take help and this is where I run into issues and have for a while now. If it is ordered that I will do it and can't then I am breaking the order. so I have just removed this from the order as I do what I can anyways I do not need the council telling me I have to do it.
2122,
Also are there any notes from the barrister who was there for Simon or any documents I have not got as Simon likes to keep all documents from all his cases.

Dear Trishna,
I write further to my email to you and Mrs Lorraine Cordell. Our allocation manager has advised us that as Mr Cordell is an existing council tenant, he is entitled to apply for a transfer of tenancy and cannot make a rehousing application.
I am advised that the application needs to be done via Mr Cordell's neighbourhood officer. I have emailed the officer and asked him to contact Mrs Cordell as soon as possible. Mrs Cordell is also encouraged to contact the Mental Health Team so they can support him with his MH issues and rehousing. I have amended the order to reflect the above and look forward to hearing from you.

Hi Trishna
I was wondering if Ludmilla had contracted you in regards to the order yesterday I know she emailed you and me about a call that was made to her yesterday from Simon, but was wondering if she had also made any reply regarding the order as well. If she has not can you please send the rewritten order to the judge at the court, as by her sending the email yesterday about the call from Simon it shows she is just Ignoring the email regarding the court order, hoping we will not get a sealed order until after it goes to the panel on the 28/09/2018 so once again the council can get away with ignoring the hat the judge said in court.

Dear Trishna

I was wondering if you had time as yet to rewrite the order as it need to go to the court so that the order is sealed. I have made edited it not sure if it can be worded this way but please see attached. The reason I do not believe they can put "And UPON the Defendant's mother agreeing to engage with the Enfield Mental Health Unit team so the Defendant could receive assistance with his mental health conditions and housing. " Is due to Simon rights I can give input but there is little I can do if Simon does not agree to take help and this is where I run into issues and have for a while now. If it is **4195,**

ordered that I will do it and can't then I am breaking the order. so, I have just removed this from the order as I do what I can anyways I do not need the council telling me I have to do it. Also are there any notes from the barrister who was there for Simon or any documents I have not got as Simon likes to keep all documents from all his cases.

Regards

Lorraine

Dear Trishna,
I write further to my email to you and Mrs Lorraine Cordell. Our allocation manager has advised us that as Mr Cordell is an existing council tenant, he is entitled to apply for a **transfer** of tenancy and cannot make a rehousing application.
I am advised that the application needs to be done via Mr Cordell's neighbourhood officer. I have emailed the officer and asked him to contact Mrs Cordell as soon as possible. Mrs Cordell is also encouraged to contact the Mental Health Team so they can support him with his MH issues and rehousing. I have amended the order to reflect the above and look forward to hearing from you.

Dear Trishna
I was wondering if you had time as yet to rewrite the order as it need to go to the court so that the order is sealed. I have made edited it not sure if it can be worded this way but please see attached. The reason I do not believe they can put "And UPON the Defendant's mother agreeing to engage with the Enfield Mental Health Unit team so the Defendant could receive assistance with his mental health conditions and housing. " Is due to Simon rights I can give input but there is little I can do if Simon does not agree to take help and this is where I run into issues and have for a while now. If it is ordered that I will do it and can't then I am breaking the order. so, I have just removed this from the order as I do what I can anyways I do not need the council telling me I have to do it. Also are there any notes from the barrister who was there for Simon or any documents I have not got as Simon likes to keep all documents from all his cases.

Dear DJ Dias,
I was wondering if you can help at this time the hearing of the 09/08/2018 there is still an outstanding order to be sealed by the court. I know my son's solicitor has been trying to address this with Enfield Council and as yet has had no reply from them regarding the amended order. I know my son's solicitor has sent the amended order over to the court directly. I have also been working with them regarding the housing move for my son, but am being told they will only move him to a like to like property; this will be going to the housing panel on the 28/09/2018 regarding the move for my son, I know in Enfield Council order that was made up they included in this regarding the order from the court my son is moved I believe this was to give my son more weight with the housing panel. My son is not at all well and the and I believe he does need a two bedroom property so he can get the support he needs from his family as I said in court on the 09/08/2018, I am not just saying this to be able to get my son a two bedroom, I am saying this so my son can have family with him all the time so that I can try and get my son back to some sort of a normal life and the help he needs.
It is at this point that Enfield Council does not seem to want to reply to my son's solicitor's amended order that a two bedroom is looked into they have put everything else but that in there order, I am trying my hardest to work with everyone so my son gets the help that is needed and I do feel a two bedroom is needed so there can be someone for my son at all times as I feel that this is the best option for my son. If you can look into the amended order attached, I would be most grateful as I believe if it is added to the order it would give more weight when it goes to the panel on 28/09/2018.

Dear Trishna,
I write further to my email to you and Mrs Lorraine Cordell. Our allocation manager has advised us that as Mr Cordell is an existing council tenant, he is entitled to apply for a transfer of tenancy and cannot make a rehousing application.
I am advised that the application needs to be done via Mr Cordell's neighbourhood officer. I have emailed the officer and asked him to contact Mrs Cordell as soon as possible. Mrs Cordell is also encouraged to contact the Mental Health Team so they can support him with his MH issues and rehousing. I have amended the order to reflect the above and look forward to hearing from you.

If she has not can you please send the rewritten order to the judge at the court, as by her sending the email yesterday about the call from Simon it shows she is just Ignoring the email regarding the court

Dear Trishna
I was wondering if you had time as yet to rewrite the order as it need to go to the court so that the order is sealed.
I have made edited it not sure if it can be worded this way but please see attached.
The reason I do not believe they can put
"And UPON the Defendant's mother agreeing to engage with the Enfield Mental Health Unit team so the Defendant could receive assistance with his mental health conditions and housing. "
Is due to Simon rights I can give input but there is little I can do if Simon does not agree to take help and this is where I run into issues and have for a while now. If it is ordered that I will do it and can't then I am breaking the order. so I have just removed this from the order as I do what I can anyways I do not need the council telling me I have to do it.
Also are there any notes from the barrister who was there for Simon or any documents I have not got as Simon likes to keep all documents from all his cases.

Dear Trishna,
I write further to my email to you and Mrs Lorraine Cordell. Our allocation manager has advised us that as Mr Cordell is an existing council tenant, he is entitled to apply for a transfer of tenancy and cannot make a rehousing application.
I am advised that the application needs to be done via Mr Cordell's neighbourhood officer. I have emailed the officer and asked him to contact Mrs Cordell as soon as possible. Mrs Cordell is also encouraged to contact the Mental Health Team so they can support him with his MH issues and rehousing. Dear DJ Dias,
I was wondering if you can help at this time the hearing of the 09/08/2018 there is still an outstanding order to be sealed by the court. I know my son's solicitor has been trying to address this with Enfield Council and as yet has had no reply from them regarding the amended order. I know my son's solicitor has sent the amended order over to the court directly. I have also been working with them regarding the housing move for my son, but am being told they will only move him to a like to like property; this will be going to the housing panel on the 28/09/2018 regarding the move for my son, I know in Enfield Council order that was made up they included in this regarding the order from the court my son is moved I believe this was to give my son more weight with the housing panel.
My son is not at all well and the and I believe he does need a two bedroom property so he can get the support he needs from his family as I said in court on the 09/08/2018, I am not just saying this to be able to get my son a two bedroom, I

am saying this so my son can have family with him all the time so that I can try and get my son back to some sort of a normal life and the help he needs.
It is at this point that Enfield Council does not seem to want to reply to my son's solicitor's amended order that a two bedroom is looked into they have put everything else but that in there order, I am trying my hardest to work with everyone so my son gets the help that is needed and I do feel a two bedroom is needed so there can be someone for my son at all times as I feel that this is the best option for my son.
If you can look into the amended order attached, I would be most grateful as I believe if it is added to the order it would give more weight when it goes to the panel on 28/09/2018.

Dear Ludmilla Lyavoo
Could you please get back to me with an update as to what's going on. I have spoken to Lemmy today and he does not know anything, but when he gets back to the office he would give you a message to contract me, I have left voice messages for a call back for an update on your office number and I have also sent emails and heard nothing from you, could you please get back to me with an update, as my son can't take much more of what he is having to live with.

Officers attended 109 Burncroft avenue **as neighbours from 117 called police to report the subject for knocking on their door repeatedly.** On arrival it was clear to officers that the subject suffered with mental health due to his behaviour as well as repeating sentences over and over when police were tried to have a conversation him. The subject displayed agitated behaviour and did not like the presence of police officers, due to previous incidents in the past. The subject was continuously shouting at police, telling them to "fuck off' from his block and that the neighbours are the ones that are harassing him and they apparently always call police on him. The subject's mother showed up on scene shortly after, she was able to calm down the subject. The informant was spoken to by officers and so it was established that no offences have actually taken place, as he only knocked on the door. Neighbours were advised to call back in the event where he returns to their door and starts shouting/banging.

Subject: FW: LBE v Simon Cordell-E00ED049 Order 09082018 Importance: High

Dear DJ Dias,

I was wondering if you can help at this time the hearing of the 09/08/2018 there is still an outstanding order to be sealed by the court. I know my son's solicitor has been trying to address this with Enfield Council and as yet has had no reply from them regarding the amended order. I know my son's solicitor has sent the amended order over to the court directly. I have also been working with them regarding the housing move for my son, but am being told they will only move him to a like to like property; this will be going to the housing panel on the 28/09/2018 regarding the move for my son, I know in Enfield Council order that was made up they included in this regarding the order from the court my son is moved I believe this was to give my son more weight with the housing panel. My son is not at all well and the and I believe he does need a two bedroom property so he can get the support he needs from his family as I said in court on the 09/08/2018, I am not just saying this to be able to get my son a two bedroom, I am saying this so my son can have family with him all the time

4233,

so that I can try and get my son back to some sort of a normal life and the help he needs. It is at this point that Enfield Council does not seem to want to reply to my son's solicitor's amended order that a two bedroom is looked into they have put everything else but that in there order, I am trying my hardest to work with everyone so my son gets the help that is needed and I do feel a two bedroom is needed so there can be someone for my son at all times as I feel that this is the best option for my son. If you can look into the amended order attached, I would be most grateful as I believe if it is added to the order it would give more weight when it goes to the panel on 28/09/2018.

I write further to my email to you and Mrs Lorraine Cordell. Our allocation manager has advised us that as Mr Cordell is an existing council tenant, he is entitled to apply for a **transfer** of tenancy and cannot make a rehousing application. I am advised that the application needs to be done via Mr Cordell's neighbourhood officer. I have emailed the officer and asked him to contact Mrs Cordell as soon as possible. **Mrs Cordell is also encouraged to contact the Mental Health Team so they can support him with his MH issues and rehousing.** I have amended the order to reflect the above and look forward to hearing from you.

Dear Trishna
Sorry to email you again this is the email I wanted to talk to you about, it would seem by the date stated in the below email of the 6th September 2018, would mean that once you had sent the amended order to Ludmilla instead of her contacting you regarding it she went right to Edmonton Country Court and asked for her ordered to be sealed and sent out. This is not acceptable and I am not happy I have spoken to Edmonton Country court and it is 100% Ludmilla order that the court has sealed. I would like to know what can be done about this as I know the reason why Enfield Council has done this and it is not just about the two bedroom it is about the discharged section also; the order was not discharged it was dismissed at court. Can you get back to me regarding this?

Dear Angela Hague
I am writing this as I have an issue and I have been trying to resolve it with the new team my son has been put under but it seems I am having issues and therefore wondered if you could help as you was the last team to see Simon before the changeover. It seems due to the change over to the new team they want do anything until they see my son, but I believe the mental health team has enough information on their system to be able to help in this matter which I will explain below. As you may be aware, we were at court regarding Enfield Council and the neighbours case on the 09/08/2018 and the case against Mr Cordell was dismissed forthwith, the reason for this is I believe for 1st time the judge saw what Enfield Council has been going along with the neighbours for a long time.
I believe the Mental health team are well aware what my son has been dealing with and what he states has been ongoing since **2014** and it should be of record on the systems the hell he has been living with what the neighbours have been doing since **2014**,I know the mental health team are aware what the neighbours have been doing to my son due to being there more than once when my son has shown video and audio to the mental health team. I have asked more than once for the mental health team to help get my son move yet nothing has been done, and once again I am asking for help with this.
On the 09/08/2018 the judge ordered that Enfield Council move my son as the flat he is in is clearly not suitable, I also spoke to the judge about the need for a suitable two bedroom property so that my son can have a spare room for his family so they could stay with him and support him. the judge agreed but it is this part that Enfield council are trying to get out of without the help and input of the mental health team, saying it would be more suitable for two

bedroom property so Simon can get support from his family, Enfield Council is willing to move my son and there is going to be a hearing with the panel on the 28/09/2018 regarding moving my son, but unless the mental health team does a report saying he needs a 2 bedroom Enfield Council will only move him to a 1 bedroom. I do feel my son needs support and a 2 bedroom would allow family member to stay with him and help him and try and get him to understand he does need help.
My son has been locked away on his own in the flat he is in since **2013** living in hell due to what the neighbours are doing he does not go out, he is not getting the contract with others, only when the family attend his home for a few hours, and due to what he is living with he don't like people around there, which it has made it harder for the family to be there all the time to support him because of how and what he is living in with what the neighbours and Enfield Council has been doing. Therefore, I am asking for some help for a letter to be written from the mental health team saying a 2 bedroom would be more suitable as Simon could have someone with him and still be able to have his own space, as there would be a spare room for the family to stay in.
Regards
Lorraine Cordell

Dear Mrs Cordell,
I write in response to your email below and further to our telephone conversation held a few minutes ago. As explained, it is not usual practice for a management **transfer** application to be forwarded to the applicant as this is a document which is usually completed by a housing officer and used internally. So please accept my apologies if you may have been advised previously that this would be the case. However, **we are happy to discuss its contents with you should you wish to.**
.I enclose a copy of the Enfield Housing Allocation Scheme, which is used by the exceptions panel before considering a management **transfer** application. I explained to you that if the application goes ahead tomorrow (this was the earliest exceptions panel meeting), Simon could only be considered for a **transfer** of property which is similar to the one he currently occupies (like for like **transfer**). You explained to me that you believe that your son requires supported accommodation. You also said that he has agreed to see a consultant of the Enfield Mental Health Team and was given an appointment on 31/08/2018 at 9.30am. I have explained that Simon will need to be assessed by the team in order to be considered for supported accommodation. On that basis you agreed to have the management **transfer** application deferred to be considered at the next panel meeting which will take place on 28/09/2018, this would allow more time for an assessment to be carried out by the Mental health team. Please confirm that this is agreed by yourself and Simon. I also confirmed that the exceptions panel meetings are attended by professionals which means that tenants or members of their family are not allowed to attend. However, the meetings can be attended by mental health workers. **I hope this email answers your queries, please do not hesitate to contact me if you have further questions.**

Dear Ludmilla lyavoo
Could you please forward the **housing management transfer application** that **Lemmy called me about last night 15/08/2018** at 16:15 hours, as I have the mental health team calling me regarding the like to **like section in the application.** I have not yet seen the application that has been filled in for my son by Enfield Council, and I would like to see it before it is submitted to the **broad tomorrow.** Also, would it be possible to get a copy of Enfield Councils guidelines and policies for the management **transfer** application, I do believe I have a copy but want to make sure I have the correct one. As you are aware **at court it was stated** I had to fill an application in by today, but it was not stated as to what application it was, and then it was found out the application had to be done by the council so all the wrong information was told to the judge, and as you are aware what I said to the judge regarding a 2 bedroom and then what Lemmy said to the judge that my son would not get one, then what the judge said to Lemmy regarding a 2 bedroom.
I do not want my son placed into a new home that is not going to be appropriate, I want to get it right for him, after all his health has gone downhill due to all the court cases and what the neighbours were and are still doing to him and Enfield

council took no notice of the hell my son was living in all they done was believed the neighbours, then on top Enfield Council basically telling the courts there was nothing wrong with my son's health even though I was telling Enfield Council since the start of **2015** via emails the impact this was having on my son regarding what the neighbours were doing, I want Enfield Council to take this seriously as so far where my son has been concerned you have only blamed him for everything and gone one sided and never heard what my son or I have had to say, I believe if Enfield Council had done the correct investigations they would have seen there was a lot more going on here then what the neighbours was saying, but Enfield Council only blamed without wanting to know the facts. My son has to be re-housed and I want that to be done correctly even if more time is needed and this is not taken to the panel until next week, I do want it done as soon as possible due to what the neighbours are still doing, I don't want things rushed by Enfield Council because they know now they have done wrong and made beaches regarding my son I want it done correctly, as stated I **want the mental health input if they are willing** to give it as it seems since I put the complaint in they do not seem to want to talk with me **as stated to you outside the court room**, but that is being addressed and I am waiting for a call back today **regarding the housing issue**, I have spoken with a few people over the last week regarding this, but due to a **change over with the people dealing with my son** and him not given a named worker yet it has been hard. Also, can you tell me **if I am allowed to attend the panel hearing** and also maybe a mental health worker if they are willing to attend also?
I will await to hear from you today.

I have emailed a draft order to **Trishna Kerai of Stuart Miller solicitors** and I'm currently **waiting her approval.** Once I have this, **I will be in a position to email the Court with the agreed order.** I can't confirm the time it will take the **Court to approve the order** but as soon as this is done, I am sure Ms Kerai will contact you and let you know. Thank you for your emails.
I have made enquiries with our housing allocation manager and since Mr Cordell is an existing council tenant, he will need to apply for a **transfer**, so he does not need to make a new rehousing application. This **transfer** application must to be done via Simon Cordell's neighbourhood officer. I have emailed the officer in question and will ask him contact you as soon as possible. Can you please provide me with a preferred contact number so the officer can make an appointment with you and Mr Cordell? I have copied Mr Cordell's solicitors to this email.

For help with waste and recycling. Choose three for inquiries regarding homelessness, housing advice or Enfield council housing. Please press four or to

Speaker 2:	00:55	[inaudible] [inaudible] [inaudible] yeah.
Speaker 3:	01:33	[inaudible] [inaudible] [inaudible]
Speaker 1:	01:47	just so you know, we're getting a lot more calls.
New Speaker:	01:51	Good afternoon I 'am customer services. Your speaking to Mek, how can I help?
Speaker 4:	01:54	Hello? How are you doing? Is it possible to speak to a personal to do with my complaint please and deal with my case load that is ongoing with inside of the Enfield civic centre?
Speaker 1:	02:06	Okay. Um, uh, one moment. So, this, this case has been passed on already to complaints team, complaints and information department.
Speaker 4:	02:17	Yes, that's correct. It's been ongoing for a long time and it's never been addressed. Also, I would like to understand what's happening with my housing in regards to a **transfer**, an emergency **transfer** that was supposed to have happened on the **16th of last month of octo**
Speaker 1:	02:31	Okay.
Speaker 4:	02:32	September,
Speaker 1:	02:33	Are you in temporary accommodation.
Speaker 4:	02:35	No, I'm in, I'm a secure tenant, but I'm being, I've been victimized and assault in my house plus the erm employees for the Enfield Council have fraudulent fraud paperwork and put possession orders in which I can prove that they've done and they're still working inside of the company, like they are still dealing with my case. This person he's attacked me for two years since he started the company. Lemmy Nwabuisi. He fraudulently frauded, all of the paperwork and went for a possession order and he used the true perpetrators that I was already in contact with, the Enfield counsel and their complaints department, showing them what they were doing to me and he used the perpetrators to attack me. Basically, he's tried to take my life and my home and him and force me into prison under fraudulent claims that he created.
Speaker 4:	03:22	And I can prove this from your timestamps, so I want something done about it. He is now supposed to be dealing with a **transfer** house in **transfer** for me alongside with the solicitor. That I advised; he never had a solicitor and I advised him to get a solicitor, which I've got the recordings to prove because I told him on the phone, he had defrauded all of the paperwork and I could prove it from the time since I told him. Is he an illegal adviser? He, I knew that he had passed at Westminster. He said to me on the phone that um, no he isn't. He isn't acting as a legal profession. And I advised him to get a solicitor. He did get a solicitor, Lumina, I've got records speaking to their, her bosses and for her, for her previous company and I've got recordings of me explaining to her what Lemmy's done and what she, he's allowed, she's allowed to do and she still went for possession orders and still went for custodial sentences and.
New Speaker:	04:09	ok.
New Speaker:	04:09	court costs against me. I want something done.
Speaker 1:	04:12	Ok I see and the complaint is related to your housing situation?
New Speaker:	04:16	Yes, that is correct madam.
New Speaker:	04:16	It did.
New Speaker:	04:16	Okay. Um, I can bring up a veto from my system, but it's really because you're in front of the switch codes at the moment. Okay. So, it's really a beyond me at the moment. You will need to speak to the Enfield Council housing, regarding your housing situation because I don't have access to the system and regarding your complaint it's been passed on to complaints team. Let me just have a look at who is on duty today.
New Speaker:	04:40	Thank you.
New Speaker:	04:40	and I'll see if I can put you throw.
New Speaker:	04:43	Thank you.
New Speaker:	04:43	you are welcome
Speaker 2:	04:50	[inaudible]

Speaker 1:	04:52	okay. Just hold the line please. I will. Um, I'll see if I can put you throw but. I'll have to introduce the call. So, may I take your postcode please.
Speaker 4:	05:00	Echo November, three, seven Juliet Quebec
Speaker 1:	05:07	and your house number, sir?
Speaker 4:	05:08	109 Burncroft Avenue
Speaker 1:	05:11	109 ok, Mr. Simon Cordell.
New Speaker:	05:15	Yes, that's correct.
New Speaker:	05:16	Okay. Thank you.
New Speaker:	05:17	Okay, thank you.
New Speaker:	05:18	Just hold the line for a moment and I'll see if I can get through to the complaints team.
New Speaker:	05:22	Okay. Thank you.
New Speaker:	05:24	You're welcome.
Speaker 2:	06:09	[inaudible] [inaudible] [inaudible] [inaudible] [inaudible] yeah. [inaudible] [inaudible] [inaudible] [inaudible] [inaudible]
Speaker 4:	08:16	Hello Simon.
New Speaker:	08:16	Hello.
New Speaker:	08:16	Hi, you are throw to Mathew I am from the complaints team at Enfield Council.
New Speaker:	08:16	How are you doing? Mathew.
New Speaker:	08:25	Yeah I am alright how are you doing.
New Speaker:	08:25	Hmm. I am Okay. Not too happy to be quite honest. I'm very concerned about things I would like to get addressed. Is he, are you the person that could help me address, um, the framework and legal policies within the Enfield Council and its employees when they're not acting responsible or acting with neglect or misconduct? Can you help me in regards to them issues?
Speaker 1:	08:49	Yes so I work in the complaint team. Um, so my role is stop sort of take complaints, um, Log them to the relevant services. And I also respond to complaints as well. Um, the woman you spoke with on the phone to before said that you have got an active complaint from Enfield Council.
Speaker 4:	09:08	I've had multiple active complaints but they've been pushed aside and now a gentleman called Lemmy while I was putting complaints in of what they were allowed, what the, what the employee ums and directors were allowing to happen to me in my house, which I've got video evidence of. Um, they pushed away about 300 emails that are logged on your computer systems and they employed a gentleman called Lemmy Nwabuisi who works for the ASB team.
New Speaker:	09:36	Yep.
New Speaker:	09:36	and he has actually done and I can prove is I collected the data. I've collected a free freedom of information act from the Enfield Council but asking for any claims against me.
New Speaker:	09:46	Yep,
New Speaker:	09:46	of my neighbours. He's basically gone to the Enfield Council. He's a woman called Sarah Fletcher, was our neighbourhood office. while I was in a hospital when I wasn't in my property, she has found the perpetrators that live above and are in my first original 400 emails or 300 emails were about and basically, she Sarah Fletcher has phoned them.
Speaker 4:	10:07	The Perpetrators the true perpetrators who live up above me. She has, I'm let them forge a statement. Yeah, with three claims in it. What they initially done was phoned up the Enfield Council, wrote to the Enfield Council and when the Enfield Council received a letter on the 17th of the 10th **2016** of a them and it backdated a month prior. And what it said is the, I'm a drug addict and now that is how this started, so from a letter you lot receiving a letter which was which on the 17th 10, 16 saying that I'm a drug addict backdate in a month. Prior you use knew that I already had all these official emails in regards to these people and what they were doing and they were attempting to take my life Article 2 of my human rights and that they were, they were violating in my private and family life.
Speaker 4:	10:58	Article 13 and so fourth year. Now use lot new the seriousness of the original 400 complaints. Then when I'm not living in my house this Sarah Fletcher has invited the Mathiyalagan family, you lot received the first letter. Then they've made three

		telephone calls to use lot updated complaints. While I'm not in my house, so I'm living in my house. they have written a drug letter now three, updated telephone calls, then Sarah Fletcher, phones them up and ask them to come down to the civic centre on the 11th of the 11th **2016** she does a statement with them. They can remember the drug letter date, but they couldn't remember the three days of the phone calls that they made and update on your computer systems. So, they made a complete new three days up completely. So now that led to six days that they have made plus one more date, which was the drug letter date, seven days in total. So, but they couldn't remember the three telephone, the days that they telephoned you up on.
New Speaker:	11:59	yeah.
New Speaker:	11:59	when they send it.
New Speaker:	11:59	
Speaker 1:	12:00	yeah, but before you go, before you go on is it alright if I ask a couple of questions. Um, can you say that it was Sarah Fletcher's basically who sort of Um sent a letter you are saying that she shouldn't have well, was Sarah Flexure a neighbourhood officer?
Speaker 4:	12:14	Yes. Sarah Flexure. She's, she, she, she works under Jeffry oman who is the neighbourhood office watcher? The Enfield council.
New Speaker:	12:22	yeah.
New Speaker:	12:22	have their own police force. The metropolitan police force initially did not want the neighbourhood officers' teams to be established in history in our history and our British history. And that is because they aren't part of their own force in real life what they are. Is there a council's police force? So, the neighbour team belong to yourselves and not to the metropolitan police. And that is in our history. Yeah. So, these people are responsible.
New Speaker:	12:49	yeah, yeah, yeah.
New Speaker:	12:49	and reliable to yourself.
New Speaker:	12:51	I know this I no lee um.
New Speaker:	12:51	They're responsible and reliable.
New Speaker:	12:52	Yeah.
New Speaker:	12:53	They're reliable and responsible to yourself and questionable to yourselves. Yeah. And two and two offers. Yeah. So now what I'm concerned about is Sarah Fletcher has done this. Yeah. This isn't even the initial problem on being held hostage in my house, but that's another, that's the beginning section.
Speaker 4:	13:08	This is what Lemmy has done. So, after Lemmy's Sarah Fletcher's called them down. I phoned up Sarah Fletcher and I have a recording of Sarah Fletcher. And I explained to her, and I know that she frauded all of this paperwork because I wasn't living in my house at the time. Yeah. So, I was living at my mother's house. Now I've got the record in our Sarah Fletcher. Sarah Fletcher left her job yeah, because of it. So, she's no longer employed as a neighbour team officer. But then what's happened is this Lemmy Newer Bush has been hired by yourselves. He's come straight out of West minister. So, he's done a degree in law supposedly in the house in an all the rest of it. And what he's done is he's picked up, um, Sarah Fletcher's work. Now he's over, he's overseas, he's not, he's refused to look at any of the 400 emails that all your complaints departments were dealing with all the MPs are tied in and everybody else are tied in asking, you lot to protect me.
Speaker 4:	14:04	And then what he's done is he said, if I don't come to the Enfield, council in regards to Sarah, and these meetings and these allegations, that thing has done, he's going to put a possession order in and now. He tried to entrap me into the civic centre, into the civic centre for meeting and I refused in the recordings to go for that meeting because I'm being held in my house already because of the Enfield, council created a frauded Asbo application with the metropolitan police in your offices, which I've got the paperwork to prove, which is a bit of another story and I'm riding a nine year prison sentence in my house basically when I shouldn't be. Yeah, I never got arrested.
New Speaker:	14:04	

Speaker 1:	14:43	before you go on, before you go on, I'm on, I'm on. I'm don't mean to interrupt you but I'm just trying to take notes. So, when I interrupt you don't take it the wrong way
Speaker 4:	14:49	Yeah, we'll I won't do that. I won't do that. I won't do that. I've, I've built notes for you, I've built notes for you and I'll give you access to a website in a second if you would like and that website is going to show you all of the evidence that I've built and everything can regard on the report that I've built and that report shows my.
New Speaker:	15:04	yep.
New Speaker:	15:04	losses, my hours, everything that I've suffered through out and everything and I would like that taken into account.
New Speaker:	15:09	yep.
New Speaker:	15:09	and I
Speaker 1:	15:10	I'm just taking notes.
New Speaker:	15:12	Yeah.
New Speaker:	15:12	too log this all down.
Speaker 4:	15:13	I'm going to be serving,
New Speaker:	15:15	Non auditable.
New Speaker:	15:15	I've got a solicitor firm and my solicitor firm is just letting me finish off the last bits and I'm going to come and officially serve the Enfield Council my full report and official report of all of what I'm talking about. I've gave enough opportunities for this to be resolved. Yeah. Um, from the initial problem of what's happened. Well, I'll, I'll go for the initial problem in a second of how it all started, but we're going to continue with up to date at present, if that's okay with yourself. Is that okay? Yeah.
Speaker 1:	15:42	Yes, yes. So, what I am writing in here. Lemmy has taken over from set.
Speaker 4:	15:47	Sarah Fletcher. Yeah. Yeah. And I want, here's what it is.
Speaker 1:	15:52	and he has refused to look at any of the letters, is that right?
Speaker 4:	15:54	Yeah. Well, no. pardon well he has refused to look at any of the emails on, on the computer, which is explaining the true facts of what was ongoing in the, in the, in these, on this housing estate. So, what my mother was writing to Enfield Council and I was writing to Enfield Council and he has refused to look at them, he has picked up Sarah Fletcher's work. And there was also another case well two other cases that were ongoing with two other neighbours where I'd been set up which I have proved now. I got arrested for the other two cases, one with Stan and one with a woman called Karen and one a boy called George three cases. They all set me up and I went to court and won all three cases. Now a woman called Jean Burton, who's the witness care protection team for Hackney. She emailed a woman called Konichiwa whose, whose Lemmy's line manage yeah.
New Speaker:	16:44	No auditable
New Speaker:	16:44	And she told me,
Speaker 1:	16:46	okay,
Speaker 4:	16:46	yeah, Konichiwa. She in, I've got that email in that email. She, Explained um, Jeanette, Jeanette. or whatever her name is explains to Konichiwa that I have won the cases and I'm going to be released back home. So now Konichiwa, or whatever name is up, she, she messages Lemmy and she tells Lemmy to go to Stan's house. And to George's and that and to give them diaries. So Lemmy go to their houses and he gives them diaries telling them I'm goanna be coming back home and I've won the cases. Um, there's another day. Arrange that shortly. The day after with demo. So Lemmy arrange to go back the second day in his own personal notes when he gets back to the civic centre, he writes in his notes, which I've retrieved on his personal notes, that he noticed that there was no camera in my corridor.
Speaker 4:	17:36	So he writes that in his own notes and he didn't ever think I was going to get them. The next day he starts forcing hand delivering letters to my front door saying I've got to remove the camera. And knowing that the camera's not there and he's still force letter saying that I've got to think about the water pressure, which is another part of what's going on. Now he knows there's no cameras. Then he knows that the water pressure has been checked six times already by Sarah Fletcher a surveyor Thames Water the private plumber and Enfield Council plumber and all of them have said that there is no problem, now their force handwriting letters trying to get

		into my house and break into my house. Yeah. Now why? Why they're trying to break.
New Speaker:	18:16	Is this Lemmy.
New Speaker:	18:16	Yeah. Lemmy is forcing hand. Yeah.
New Speaker:	18:20	Non Auditable.
New Speaker:	18:20	Pardon? Pardon?
New Speaker:	18:23	Who is it that is trying to force letters on to you.
New Speaker:	18:23	Lemmy, Lemmy, Lemmy, Lemmy and other team members.
Speaker 4:	18:26	Yeah. Now you've got other players and there is a reason by hand. Lemmy doing this, but we're just, I'm just going through the Lemmy part now. What Lemmy does is iPhone Lemmy up and in the recording to Lemmy. I say to Lemmy, I'm not willing to come for the meeting with, you Lemmy and the reason I'm, I'm, I've just found it. I was okay to go through this conversation with you Lemmy, Lemmy say yes, he is happy to talk with me. I said, this is the first time I've spoken to Lemmy and the reason I was speaking to you is because my mother just shown me all of the emails for the first time that I didn't know that was going on. Now you're trying to, you and all the other team members are trying to kill my mother in emails and overload her as an enterprise, knowing that she's a single person and all she's trying to do is protect her son me, which is within our human rights and the rights for us to live in this country and it's in all your equality policies.
Speaker 4:	19:14	Yeah, diversity, equal opportunities to found a new de. All of your, all of the talk that you use lot the company seems to give the enterprise use what represent gives. Yeah. Now Lemmy, Lemmy, Lemmy, what he done because I'm on the phone to Lemmy, I asked, Lemmy, can you please go onto the computer and can you check the last complaint against me? Now this is on the seventh month of 2017 we're having this conversation now. Lemmy gets upset and he goes on the computer here him typing like that in the recording. And he checks the date and he go to me are the 1st of January. So now when he says the 1st of January, I know the laws that I represent. So, I say to him, Lemmy, you're out at the time limitation Act. Yeah. These cases that you're trying to put me to force me to the civic centre for meeting for are out of the time limitation act, I've already been arrested for them and I've already been fan not guilty in court.
Speaker 4:	20:06	Yeah. So, if you've had new information given to you, Lemmy, you're not a police officer. Give that to the police and the police do their investigations and then if you believe that there's, I'm found guilty then you as Enfield council can, you could representing Enfield council, can do whatever you believe is in the best interest for the rest of your Clow clients. Yeah. And what Lemmy does is he gets the hump and he puts the phone down now he copies all of Sarah Fletcher's work and he slams it in 31 seven times into a processional order and he slams a possession or the through my front door hand delivers it the next day and he goes to take my flat off me and steal it. Now he's copied and paste it. Now you can tell that the first statement that they'd done was we've Sarah Fletcher. Yeah, in a somehow a possession order got made in between that and all these got sent.
Speaker 4:	20:58	You can tell on the history there and then straight away Lemmy's already prepare the statement covering up all the information that he's put in the possession order he calls the Mathiyalagan's down again on the 2nd of August, 2017 and he makes them, they happily sign the forged paperwork that Lemmy's made and then they spend two years chasing me around in a court trying to steel my flat, making up allegations while this woman's chasing me and attacking me slamming toilet. I've got videos in every room record in every room of my house on what they've done to me in my font room and bathroom kitchen. Now the reason that they've turned evil, my neighbours have turned on me is because a sex scandal was created in my name and uh, and against me and my partner, which Enfield council played a massive role involved in. Now the way that I can prove that the council played a role in this is they put an Asbo against me and while I'd been on curfew for a year in my house, so I hadn't gone out and hadn't done nothing.
Speaker 4:	21:57	I was working for Enfield Council I took the keys from the local community Hall, Kemp hall and I was managing Kemp hall . I was doing kids with cellar palsy at

		winch mill Hill festival. I was doing lock to lock. Festival, with Enfield Council down next to Enfield lock. I was doing ponder end festival. Are you still their sir?
New Speaker:	22:17	Yes I am still listening.
New Speaker:	22:17	So I was a valued member to the community and I was making good commitments and ties to on relationships with people, networking and I was working alongside yourselves cause you're the red badge that use at represent this on every street post. and everything what is in all of the paperwork and the invoices that I got put through my bank account for doing these events. And so.
New Speaker:	22:38	year.
New Speaker:	22:38	I can prove that there was a conflict of work under the 1998 act when the Enfield council initially agreed to do this application for Asbo to be put through.
New Speaker:	22:48	yep.
New Speaker:	22:48	There is three different sorts of Asbo's.
Speaker 4:	22:51	Yeah. There's a County court order. There's a standalone Asbo. Yeah. Which is what they've put on me. A standalone Asbo which is for like kicking a football up the wall. Then there's a CBO Asbo. Now CBO Asbo is what they should have most probably tried to put on me. And what that means is after criminal conviction they can put an Asbo on you. Yeah. So, if something says the organization of illegal raves, it's illegal, means illegal. So, I should have been arrested yeah, they never arrested me for this case. Yeah. If you did get arrested for throwing a party and you did go through the proper channels, get arrested, go for the police station, go to court. The maximum sentence is six months in prison. Yeah. Six months in prison and a 20-grand fine. Somehow, they forgot to arrest me.
New Speaker:	23:40	What was the Asbo filed for.
New Speaker:	23:40	the organize the name.
Speaker 4:	23:42	The name of the application. Why we, it's called the organization of illegal raves. Yeah, that's what they're saying. Now I've got the paperwork here proven. I was never Found guilty.
New Speaker:	23:50	**There all dead.**
New Speaker:	23:50	I was never. found guilty in court. Yeah. Now what initially happened is if you picture this year for us, if you, okay. Cause if you, you know the area I suspect. Yeah. You've got, I'm on curfew for a year in my house for the gazebo case. I'm barred from central London. I've got a sign on eight o'clock every single day at the police station. I've got a tag on my leg and I've got bean in doors by 8 O'clock. I lost my first partner of 13 years, my first ever love yeah. And I've been with for 13 years. Diana, because she kept walking out of the door and I couldn't chase her after eight o'clock or nothing because I was like a little kid on curfew.
Speaker 4:	24:24	Yeah. I ended up with not I, I, while me and Diana broke up. I went out and met another partner. Yeah. I never had no problems with his partner. Me and her today have never argued. Yeah. At the same time as I met this new partner, the police served the Asbo folder outside my front door. Now that Asbo folder says it was created in your civic centre by Steven Ellis and by a Jane Johnson our commander now for an Asbo to be made. You need members of the public. Yeah. Now each police officer done a statement this hole Asbo is over people getting keep up overnight. At one place? Progress way. Yeah. Progress way is opposite. The BMW the new BMW factory on Lincoln road? Yeah. Where they sell BMWs. You know what I'm talking about sir?
New Speaker:	25:12	Yeah.
New Speaker:	25:12	Now there's another place Southbury train station at Southbury train station.
Speaker 4:	25:17	You've got the old man build in, which is the white building opposite the train station. Now if you, if the old man building while I was on curfew, you can check in your files cause you lot went they're enough times, I've got all of the, I've requested all of the paperwork for freedom of information acts and you sort of gave me the evidence proving that you lot went there yourselves on noise abatement teams didn't that and serve notice on them. God knows how many times. Now that you've got a group of people that are living in that building. The old man building while I 'am on curfew, I don't know now this gentleman has, there's a gentleman called Chris well let's call him Chris. He's his throwing a party in Essex's. Now the

		police have shut him down. A bloke, there's a police officer called Adrian Combs in Essex. Now agent Combs owns a company called big boss limited and he's in charge of every festival in the country. What he does is all the paperwork under the polices it big boss limited and you can check your up on the internet and he does all Glastonbury the lot. So, he's a, he's a top.
Speaker 1:	26:15	Yeah. Before you go on Mr Cordell before, before you go in terms of your complaint as a hole who is your complaint against, is it the Asbo behaviour team and Lemmy or
Speaker 4:	26:26	I've got all of the directors on recording and I've been talking to them about their whistle blowing procedures and policies and I've got the full cabinet here. Yeah. And what my problem is.
New Speaker:	26:37	Arr.
New Speaker:	26:37	is that I've got all have a littler and recording. I've got every single one of them. I've got over 200 recordings here of me explaining to them all the different problems about the Mathiyalagan's, how they were selling another house and living upstairs as temporary accommodation and had been left to attack me. Yeah. Use lot are holding me for nine years. Yeah. See a standalone Asbo yeah. Is not supposed to be a form of punishment by any form of way of means people get released. Yeah. From prison by early release of curfew. A curfew should never have been put inside of a standalone Asbo so, I shouldn't never be on curfew if a six months, if you isn't got enough for criminal conviction, at court how can you give me a nine year curfew even if you did have enough criminal conviction and maximum is six months.
Speaker 4:	27:22	Now I'm phone in use I and I'm explaining to you. I've got the police Asbo folder and every police office, all this is over. People getting kept up overnight. I spoke to this big boss, limited Adrian Combs and he said to me, he, what happened, and I've got all the notes here for it. He was phoning this bloke called Chris up telling Chris not to throw a party. Chris kept putting the phone down on him, not realizing who he was, that he's a, he's a represent a good police officer to know he's in charge of all the festivals. He's given Chris a chance, but Chris was being a rude person and putting the phone down him. So, Adrian got in and helicopter. Chris tried to throw the party in Essex. Adrian got in a helicopter, I've got loads of news reporters putting them in the helicopter and he landed in the field and he shut Chris down.
Speaker 4:	28:05	He gave Chris Lurcher a noise abatement notice, which he's gave me all the paperwork for and he let them press all of it in the press newspapers. So, I have got all of the newspaper press saying that Chris throwed, this party. Now Chris has shut the party down because he's got kicked away and he's come to Enfield and he's gone to progress way. He never realized that the other lot were in the old man building. So, any cars from Essex have followed him to progress way the rest have got on trains and they've got at Southbury train stations seen the old man building turned on and they've walked straight into the old man building now. So, you can imagine all of the foot patrols have gone into the old man building and a couple of cars gone down to progress way. Now this is not my fault, the Adrian Combs sent the metropolitan police all of his work and sent a picture of Chris or white person in the folder.
Speaker 4:	28:56	Now the metropolitan police and the Enfield Council took Chris's picture out of it and put my picture in it. Yeah. Now imagine that. Yeah, put my picture in. And what made things worse was there was no phone calls to progress way or about progress way because no one really went to progress way. Everyone ended up at the old man building. So now all of the recordings say all of the nodes for the old man building are there all the nine, nine, nine. Calls. So, when I opened up the Asbo, it says crown road, crown road, crown road, the old man building. Now under oath. When I got the police officers under oath on that day in call, we asked them, are you sure when you created this folder with the council that every one of these are progress way? He says under oath. Yeah, we're, I'm sure that all of these crowns wrote, there was no party at crown road on this day. He's a 100% sure. Now he's lied because he forgot to take the X to Y locations out of it. He blocked out all the, all of the names of the streets, but when you check the X extra Y locations, they all

		show crown road all of nine, nine, nine calls in that Asbo are Really? Crown road. Yeah.
New Speaker:	30:01	Yeah.
Speaker 1:	30:02	Mr. Cordell before we're going to, we're going to have to wrap this call up, so what,
Speaker 4:	30:06	why would you want to wrap it up? If I'm talking about dishonour in your company, I'm going to turn my website on soon. I'm happy to do that and I'm confident that your goanna ends up with fraud departments. I'm sending it to the universal duh, duh, and to turn to the European committee, I'm going to send it to Christopher Jedit who's the queen secretary. I'm also going to send it to Teresa and I'm going to go online. I'm going to blast it everywhere. Yeah. You keep telling me to deal with this out of body. Yeah. Rather than inner body of yours.
Speaker 1:	30:32	I'm just, I'm just off just trying to wrap up the main details of your actual complaint.
Speaker 4:	30:36	Yeah. because, well, Lemmy, Lemmy, Lemmy has just try to steel my flat and your initial workers who are.
New Speaker:	30:41	yeah.
New Speaker:	30:41	Pat and Steve, which you are got in your release forms, who use it or who everyone's going to, you know, to do about Mr Cordell when me and my mom are writing Pat and Steve from the ASB team put the Asbo on him. Yeah. And so Pat and Steve are your players in your team and all your mates, all of Lemmy and all of that and in all of their release forms when they're all backstabbing me when overseeing and, and every time my mother writes to them says, please help Simon. Use lot to the doctors because the doctors say, are the councils writing to us again, telling us to come to you? Yes. I've got all the, all letters, all the doc letters off. The doctors proving that every time that use lot are.
Speaker 4:	31:15	phoning them every time my mom sends you an official letter the day after I got the doctor's at my house trying to kill me. Yeah. And that's because you're sending them there because you're receiving official emails telling you now Lemmy went one step further. Yeah. What Lemmy done in his, you can go and check this on page 258 or 248, two five eight or four. Eight of his new indexed Asbo of his new index. I mean injunction, remember, Lemmy went for a possession order and in injunction then another injunction order. Then another injunction order against me over two years. Remember in my recording I told Lemmy that first one and I told him about the time stamps, I'm about the time limitation Act I said to Lemmy on the phone like I'm explaining to you, you go and get the first Asbo folders made in your offices and noticed that each police officer has done four statements each pretending that they're members of the public, but there's no signatures at the bottom of them.
Speaker 4:	32:08	They've got no members of the witness and members of public saying that anything has ever happened. This is illegal. What they're doing to me. Yeah. Even says the white people commit the crime and I never committed the crime. This is nine years of my life. Use lot are steel here. Now I asked Lemmy to go to the folder. Lemmy put the phone down. He goes to the folder and on the third page, fourth page of the Asbo, in **2015** when I got so called found guilty, which I can prove I never in the transcripts because they couldn't prove a legality. The judge says it in the transcripts. We can't prove that nothing illegal happened. Yeah, so but now, but she still gave me an Asbo. Anyway. Yeah. Now what I told Lemmy to do was go when I got found, so-called, found guilty they made, they made my bail conditions up.
Speaker 4:	32:51	I'm not allowed out. I am not allowed to go to a party. I'm not allowed to go to an industrial estate. I'm not allowed to hire no sound equipment without Enfield Councils authority and all the rest of it. Yeah. Now someone went along and made threats out of it all they scribbled little bits of it and it says attend court and we'll re - man and we'll re attend court and dis us and we're re - man, that's what he says. Yeah, they made threats out on my bail conditions. Now I can never prove the person had done this because Sally Gilchrist, who is in charge of all of the cases, what she'd done was gave it to my solicitor Josephine as Josephine was walking away from the case from me. Yeah. Cause she knew how much trouble the case was. So, I fought Josephine could have done it or, or Sally Gilchrist could've done it.

Speaker 4:	33:34	But I've collected the folders from Josephine's office. Yeah, you with me? Yeah sir.
New Speaker:	33:41	With the threats and that.
New Speaker:	33:41	Yeah Mr. Cordell.
New Speaker:	33:41	Now let me just explain this one. Let me just explain this to you because this is quite serious what I'm explaining to you. Yeah, please. Let me just finish this one part and I will stop. I'm not meaning to be rude, but we're talking about seven years and not nine years and me being held in this house. Yeah. Now what Lemmy went and done is I've collected the folders from Josephine Walden, Michael Carol's in hard copy, so I couldn't approve this Sally Gilchrist and put these threats in it, but then somehow Sally Gill, Chris mess gave used or copy of the folders. Now you've got all your mate. I'm Daniel Ellis and all that in order to be his emails messaging me when I'm talking to Daniel Ellis in the recordings and Daniel Ellis is saying he?
Speaker 4:	34:15	He don't have a copy of the first Asbo in that building. There's never been a copy of the first Asbo but now I know that's a lie. Yeah, because it's late being admitted now in paperwork. There is a copy in that in them offices. And what Lemmy went and done when I told him about the misses about the missing signatures on the time limitation, he went to the folder to check them and he took the threats out of page out of the first Asbo and put them into his in-junction order. Yeah. So, if you go to page two four, five eight or two, four, two five eight in his injunction you see the threats Yeah, from the first Asbo. that in **2015** when Sadie Gilchrist sent it to your offices. Now have you checked the emails that my mother was sending you at the same time my mum was sending you asking you lot to protect me and use lot are getting Sally Gilchrist, sending you all this forged paperwork that use lot know and you watching all the threats in it and then Lemmy, and you're watching all this happen and you're doing all of this to me and Shannon and Heidi.
Speaker 4:	35:14	Mr. Cordell.
New Speaker:	35:14	You have caused a sex scandal, in our names, your company has to cover up all of the holding me in my house for nine years. And I told Lemmy about emergency applications.
Speaker 1:	35:23	Mr. Cordell, Mr. Cordell, What I am going to do is speak with Lemmy's manager after this call as soon as we go off the phone. Um, but while I've been advised is that any communication should go through your lawyer,
Speaker 4:	35:37	Throw my lawyer, I'm not going out to a lawyer, I'm going to go public. I'm going to go public year, and you watch the police one into your buildings and grab you lot. if you don't deal with it internally, tell whoever's advising you to, to take sensible advice and to deal with me because I don't mind. I will wipe all of the corruption away like I've said in every recording and I will not talk about it to use lot. If you lot go and call an emergency application like I taught, Lemmy how to do and he's done for the last two years wrecking my life and you get this Asbo of me trespass was never proved. You can I will turn a copy, let me turn the website on for you now and show you lot how much.
New Speaker:	36:11	Mr. Cordell.
New Speaker:	36:12	Have you got Google about you.
New Speaker:	36:14	Mr. Cordell.
New Speaker:	36:14	Have You got Google about yeah. Let me show you how I've updated this website. Let me show you the report and how much trouble will not ask your friend if he wants to advise you to. Same advice after. Do you want to see the website?
Speaker 4:	36:27	Mr. Cordell like I said I have been advised that all communication must go through your lawyer.
New Speaker:	36:29	No, it mustn't. listen to this If you get this right, there's a word called. There's a word, there's a word there which is called, I'm allowed to act for myself here. I don't need a solicitor to act for me. Yeah, I don't need a solicitor in a court. You don't need a solicitor to act for you. I am acting for you. You are my, you take money off me. I am your client under the landlord and reforms act alone. You are in breach of what? Of your agreement. You are signed into a mutual contract with me and you're refusing to talk to me about breaches within your company and within my contract that you've signed with me. We're in contract. So how are you not obliged into your part of the contract and acting with fairness and fair processing in

regards to the issues that I'm bringing to you. I'll in a higher standard of evidence that is more relevant and beyond the reasons that I can use your own timestamps to prove what your employee's done when they were acting with neglect and misconduct towards my life and try and steal my property while in trapping me in my home. And you're telling me that you are not prepared to talk to me and to talk to her as Lisa in regards to my contract, but you still want to take money off me.

Speaker 3: 37:41 Hello?

Kanathran was in 117 Burncroft Avenue as I see him entering the building, he did not notice me. He then went upstairs into the flat of 117 Burncroft Avenue and started to attack me by banging on the walls and the floors with intent of victimising me

Speaker 2:	01:29	Simon Paul Cordell. C. O. R. D. E double L.
Speaker 1:	01:35	okay, that's fine. and can I take your oh just bear with me just for one second let me just see what I can find about it here. Yeah. Okay. and can I just double confirm your address please Simon.
Speaker 2:	01:49	24 um 109 Burncroft Avenue.
Speaker 1:	01:52	Okay. That is fine thank you, just bear with me and we will see what we have got here.
New Speaker:	01:55	Ok, Thank you.
Speaker 3:	02:05	[inaudible]
Speaker 1:	02:11	Right I am just going to see what we got on our system here to see what is going on with your
Speaker 2:	02:14	how many calls? How many calls have I actually made to the call centre roughly over the last say five years?
Speaker 1:	02:20	Okay. Um, I can't tell that because we don't actually go that far back on our system here. I mean, that the older things would have been archived.
Speaker 2:	02:28	Okay. How far, how far can you truthy go back? may I ask.
New Speaker:	02:32	Um. ,
Speaker 1:	02:33	I mean, like I said, well I think we can go back about a year here.
New Speaker:	02:36	Rufley.
New Speaker:	02:36	in the system. Yeah. I mean I've got I can see here in front of me that there are a few calls that you've made right in front of me and I'm just looking up one of them to see exactly what's happening with that and what the sort of status is for it [inaudible]
Speaker 2:	02:44	I appreciate. I appreciate your time.
Speaker 1:	02:46	Yeah. that's alright, just, bear with me for a second Thanks.
Speaker 3:	02:48	Okay.
New Speaker:	03:00	Okay. let’s see what is going on
New Speaker:	03:00	
Speaker 2:	03:09	Do you have Google available to use lot?
Speaker 1:	03:13	Yeah. Yeah, we do.
Speaker 2:	03:15	I've got a website, horrific corruption.com that I've had to put up and it's got loads of corruption and what I'm actually complaining about in the video evidence of what people are doing to me and it's got lots of evidence of what's happened. And I want someone to pay attention to the evidence inside that website and treat my human rights with respect and to treat the company's policies with respect. And that's what I'm,
New Speaker:	03:38	ok.
New Speaker:	03:38	that's what my main, my main concern and my main goal is right now.
Speaker 1:	03:43	Okay. Alright, will you just bear with me for a minute and I will just see what's happening with you I am just going to put you on hold for just one second. alright, just bear with me Simon just stay there, alright thanks
Speaker 3:	04:19	[inaudible]
Speaker 2:	04:25	slam your windows as much as you want.
Speaker 1:	04:28	Hello Simon?
New Speaker:	04:30	Hello.
New Speaker:	04:30	Yeah, HI there I have had a quick look through the notes, so on the system here already, and what I can do is I can sort of just chase it up for you. It is being dealt with by the IPPCO as far as I can see. Okay.

Speaker 2:	04:40	By the who? IPCC
Speaker 1:	04:43	[inaudible]
Speaker 2:	04:43	IOPC they have changed their name now. IOPC.
Speaker 1:	04:48	okay. Well, yeah. Okay. Well yeah, they are dealing with it at the moment.
Speaker 2:	04:51	Who is actually handling that case? I've not been told that and I'm not spoke to anybody and when I phoned them, they say that they're not dealing with the issues and.
New Speaker:	04:57	Right.
New Speaker:	04:57	that this is the police need to deal with their own.
New Speaker:	05:00	yeah.
New Speaker:	05:00	whistle plumbing and policies and efficiently.
Speaker 1:	05:02	Yeah, Well that's the only thing I can do is I can only go on what's on the record in front of me.
Speaker 2:	05:05	Who does it have a name there? Does it have a name?
Speaker 1:	05:08	No, no, it doesn't. I'm afraid. No.
Speaker 2:	05:09	Who actually signed, who actually signed in and actually [inaudible] the ID to the actual log who actually created the log and said that and actually raised that this was going to be dealt with by the.
New Speaker:	05:18	yeah.
New Speaker:	05:18	by the IOPC
Speaker 1:	05:21	when well that would be the Inspector at the time that put that on Um,
Speaker 2:	05:24	what inspector was that inspector Sing or Sang or something there,
Speaker 1:	05:28	No it doesn't say the name of the individual, it's just the pay number is on there and that is all And um, but like if I can actually, put a new note on there now for this call you're making right now.
New Speaker:	05:37	ok.
New Speaker:	05:37	just so you're following this up.
New Speaker:	05:39	Yeah.
New Speaker:	05:40	Yeah, and to see exactly when and where we can go from here. What's going on with this?
Speaker 2:	05:44	Okay. So, can I phone the IOPC now and take a CAD reference number of yourselves and say that.
New Speaker:	05:50	ha.
New Speaker:	05:50	and say that this is now an active complaint with them. That is 100% been dealt with by the IOPC. The metropolitan police have informed me this information
Speaker 1:	05:58	and I would like to speak to a case handler. Is that possible for me to do that?
New Speaker:	06:03	Well, that's just what is on, well I mean, just one second and let me see what is on here again or what else we can get? Um, yeah, I can give you the Cad Number, for were that is mentioned actually. Have you got a pen there?
New Speaker:	06:14	Yeah. I am ready to go.
New Speaker:	06:15	Okay. let me just find it again, just give me one second
New Speaker:	06:19	Um Okay. Yeah. The Cad Number is 4360 okays.
New Speaker:	06:24	4360.
New Speaker:	06:24	Yeah. And that's of the 6th of October.
New Speaker:	06:28	Six of October 2018.
New Speaker:	06:28	Yes that is right, because I think you were saying you did not take a reference number before.
New Speaker:	06:33	Na.
New Speaker:	06:33	You saying that it is recorded but you didn't actually take a reference number so you need to write one down.
New Speaker:	06:40	Okay.
New Speaker:	06:41	Yeah. So that is the one that is making the reference to the IPCC but if you went ahead and called them and quote this cad reference number.
New Speaker:	06:49	Okay.
New Speaker:	06:51	As you suggested Yeah. Okay. Yeah. And See how you um, see how, hopefully they catch they.
New Speaker:	06:57	I would Appreciate that . I appreciate your help today. You'd be most courteous sir. have a good day,

New Speaker:	07:01	Your very welcome.
New Speaker:	07:01	Okay. Thank you for your call,
New Speaker:	07:05	Ok. Bye.
New Speaker:	07:05	Bye now.
New Speaker:	07:05	Bye.

Dear Mrs Cordell,
Re: Simon Cordell- 109 Burncroft Avenue, Enfield, EN3 7JQ
We write further to your emails, enquiring about the progress of your son's management **transfer** application. We advised you by email on 16/08/2018 that Simon could make a management **transfer** application **and if successful,** the **transfer** will be made on a like for like basis. **We explained that as Simon lives in a one bedroom flat, he will be transferred to another property like the one he currently has, if his application is successful.** You explained to us that in view of his mental health problems you did not feel that a like for like **transfer** was appropriate and asked that he be **transfer**red to a supported accommodation or to a larger property. We explained to you that for the Community Safety Unit to consider such an application **they would need to have the Mental Health Team involved.** You then explained that Simon was given an appointment to see Dr Benyure from the Enfield Community Mental Health Services on 31/08/2018, and it was agreed that the management **transfer** application **will be put on hold until the next Panel meeting on 28/09/2018,** to allow time for the Mental Health assessment to be carried out. We have since been advised that Simon failed to attend the scheduled appointment and did not engage with the Mental Health team. As this meant there was no report to support a management **transfer** application the Community Safety Unit was unable to submit an application on his behalf. **The Panel would require medical evidence** in support of an application for a supported accommodation or for a larger property and we did not have one by the date of the last Panel meeting on 28/09/2018.

4262,
We have been advised that the next Panel meeting will take place on Thursday 18/10/2018. The next deadline for submitting the management **transfer** application therefore falls due on Monday 15/10/2018. Please let me know whether Simon would like his application considered at the next Panel meeting and that you would be able to submit the **required medical report.**
Yours sincerely,

ENFIELD ADULT NORTH LOCALITY TEAM
On the 5th Oct I attended a meeting with Lemmy Nwabuisi (Anti-Social Behaviour Coordinator, Community Safety Unit, Environmental & Community Safety, Enfield Council) and Alan Dinala, Forensic CPN. This meeting was part of the safeguarding process for Alan's client.
Si Note: Ambrose
SC has allegedly been aggressive on more than one occasion towards **Alan's client.** Lemy informed me that SC has a past and current history of physical and verbal aggression towards residents in the building. Lemy informed me that the council has tried to work with him but to no avail. Lemy informed me that SC is getting easily irritated even by the sound of a flushing toilet cistern; this happened very recently and he threatened Alan's client. Lemy thinks these are signs of mental illness and that BEH should proceed with an MHA. Lemy argued that this is for the protection of others as well as SC's own safety. I have asked Lemy to email me a list of incidents in chronological order. Lemy stated that he would need information from our team to confirm if SC is engaging or not with our service. I have advised Lemy to email his request to the Team Manager, George Benyure. Enfield Council will be seeking possession of SC's flat via the courts. Lemy stated that in a recent court case the judge recommended that Enfield Council re-house SC on the proviso that he engages with the MH Team.
Plan:
Discuss in MDT Lemy to email a risk log

Speaker 2:	00:54	[inaudible].
Speaker 1:	00:54	Thank you. You will now be **transfer**red to customer service.
Speaker 2:	01:06	[inaudible]
Speaker 1:	01:07	Its funny your throw to the, IOPC. Helen speaking. Can I take your name please?
Speaker 3:	01:11	My name Simon. Mr. Simon, Paul Cordell C. O. R. D. E. L.L
Speaker 1:	01:19	Thank you have you been in contact with us before
Speaker 3:	01:20	I've had dealings with yourselves.
Speaker 1:	01:23	Have you got an reference number with us at the moment?
Speaker 3:	01:26	um, I can't remember one of the top of my head I'd have to go through my case paperwork. I've got a fresh, I've got a fresh Cad number that I've just spoke to the metropolitan police on the phone for and they've told me that they've passed over a K or they passed over my whole case load to you. Everything that I'm dealing with. Um, they've gave me a CAD number for that and a date that they've passed this over to you. They've told me now to contact you. I have an official website that's live and I'd like to be able to give an assistant that website now and it's got a load of police officers, detailed recordings of them telling me to have been robbed and everything done. The phone it's got evidence that they're holding me hostage in my

		house for nine years with no first-hand witnesses and no, no nothing. They falsified all of the paperwork and their timestamps go backwards and everything. I would like somebody to be able to deal with, this isn't a matter of emergency.
Speaker 1:	02:14	Um Mr. Cordell . We have no emit over criminal matters but if the force is saying that they've referred a complaint. If you made a police complaint about the way you've been treated by the police.
New Speaker:	02:23	Yes that is correct.
New Speaker:	02:23	Are you saying that they have referred it to us.
New Speaker:	02:26	Yes, that is correct.
New Speaker:	02:26	Okay. Can you just, um, confirm your address for me please?
Speaker 3:	02:31	I'm 24, I'm 109 Burncroft Avenue.
Speaker 3:	02:37	I have problems yeah, because there might be a conflict of work of interest because one of the IOPCS, I've noticed that there's a lot of fraud and investigations going on with inside of your department internally, already, and I've already had a case that's just on gone with the IOPC, and it was dealt with in efficiently and I've had to, and I'm producing, I'm not fully put that up in the website yet, so there isn't a conflict work yet, but this is one of my previous cases that you were there that you've dealt with in all of the work of that I'm employee is going to be all put onto the internet as well and yeah.
Speaker 1:	03:10	Okay. Well I'm having a look; I'm just having a look on the system. What we've got at the moment and I can't see anything recent. It says the referral but I 'am going to put you through to the team who will be aware if a referral has been made.
New Speaker:	03:19	I would appreciate that madam.
New Speaker:	03:19	And you said that it was the Metropolitan police who issued it.
Speaker 3:	03:23	Yes. That's 100% correct. I've got that on recording.
New Speaker:	03:25	Yes, ok
Speaker 1:	03:26	Alright, bear with me. I'm just going to put you through to that department.
New Speaker:	03:52	Thank you.
New Speaker:	03:52	Hello, you are through to Sake in administration team. How can I help today?
Speaker 3:	03:55	Hello, Sake. My name's Mr. Simon Cordell and I'm just first off hoping that you're up and on a good day. Really?
Speaker 1:	04:03	Okay. Yes, yes. How can I help?
Speaker 3:	04:06	Basically, do you have access to Google may I ask?
Speaker 1:	04:10	Sorry
Speaker 3:	04:10	do you have access to Google may ask?
Speaker 1:	04:14	Um, it depends on what circumstance.
Speaker 3:	04:17	I've got a case number that I have been given. I've had lots of on dealings with the IOPC in the past.
New Speaker:	04:22	ok.
New Speaker:	04:22	and they was dealing with one of my cases where I have recordings of a police officer saying that it's going to set me up the IOPC, through time brushed the, complaint away and I've got the evidence which is 100% condemning. This shouldn't have happened, what should have happened and I shouldn't have taken losses due to that ongoing. To that case, I'm now to, as of today being held hostage in my house by the metropolitan police, I'm on the nine-year curfew and what that, what that curfew is supposedly for is the organization of illegal raves. Now if something's illegal and sure that you would come to the understanding as well as any other person would that you must be arrested. I never got arrested for something that's illegal and if anyone checked my criminal record, you would not find the organization of illegal raves on my criminal record.
Speaker 3:	05:16	The reason that.
New Speaker:	05:17	[inaudible].
New Speaker:	05:17	this is the reason that this is so is that they put this, they put an Asbo injunction on me, falsified the paperwork the police did all of the time stamps are wrong to their nine, nine, nine call Cad centre.
New Speaker:	05:31	[inaudible].
New Speaker:	05:31	when the play, I've got the, when the police were and when the police were under oath in the court, they were asked if the case, if they, when they created the folder

		did they only put one event in the, in in it on certain dates really they scrubbed out redacted all of the information for the names of the roads and left the X to Y locations in the crimits by mistake.
New Speaker:	05:55	Ok, Mr. Cordell.
New Speaker:	05:55	Now the extra y locations, if you
Speaker 1:	05:56	Mr. Cordell if I could just stop you there
Speaker 3:	05:58	Just because I don't want you to have to repeat yourself twice with this, have you made a complaint to the police force?
New Speaker:	06:04	I've made over. I've made over 400 complaints to the police force over the last five years while they've been holding me and they're telling me on the phone that I'm a black bastard and that I have been robbed. I've recorded all of the recordings and I've put them up in a website called horrific corruption.com now I'd like one of you to go to horrific corruption.com
Speaker 1:	06:22	What I am just trying to do is pass you through to the team here that deals with appeals. If you think in an appeal right by the police force following an investigation into your complaint or if they have chosen or if they think that you're a [inaudible] for them there not going to record your complaint. Then you can submit an appeal to us
Speaker 3:	06:41	I would just like to speak to any person in this department and that can deal with whistleblowing, with police officers refusing to act on the efficiency act 1999 2003 or within their whistle blowing policies or any of their cabinets policies. I've got, I've got police officers down the phone now and I've got all of.
New Speaker:	06:58	ok, I will tell you what I am going to have to do for you Mr. Cordell
New Speaker:	06:58	them recorded. Yeah,
Speaker 1:	06:59	Is Err, I've got to put you back through to our customer contact centre and we would deal with that there in the administration team.
Speaker 3:	07:07	Okay. Well I would, appreciate that. Okay,
New Speaker:	07:09	Just give me a minute and I will put you through
Speaker 1:	07:09	
Speaker 3:	07:10	Just as long as I get through to the correct person. Thank you.
Speaker 1:	08:21	Good morning. you are through to Stacie in the customer contact centre, am I speaking to a Simon Cordell.
New Speaker:	08:24	Yes that is correct.
New Speaker:	08:24	And how is it that we can help today?
Speaker 3:	08:28	I've been past back through to the customer services because I was trying to get somebody that can create an a case with me and go through it and the evidence that I have in regards to it and I basically got **transfer**red to a department and they believed that they can only deal with appeals only. They said that I need to be **transfer**red back through to yourselves and **transfer** to the correct department.
New Speaker:	08:49	Laughing in the background
Speaker 1:	08:51	Right. Okay. just so that I can have a look on our system in case you've had previous contact with us. Can I just take your address please?
Speaker 3:	08:57	Do you lot have Google available to yourselves.
Speaker 1:	09:00	Google. We can use Google. If we need to,
Speaker 3:	09:04	would you like to check our website out? I'll tell you staff to check a website called horrific corruption.com and it's got all that
Speaker 1:	09:10	I wouldn't all we are here to do basically in this particular department is advise you on the process or where you're up to on the process as far as looking into or investigating a complaint, it actually has to go through the professional standards department first. So, you know, by all means, I can advise you of where you need to go and how you need to put your complaint through to them. Um, but looking into or investigating anything, that's unfortunately not what we do.
Speaker 3:	09:38	Yeah. Well, uh, in your own personal time if you feel to cause the sex scandals caused in mine and my partner's name, where they said that I'd done something to cover up a load and missing signatures and timestamps and what a load of police officers were doing to me, there's loads of recordings of the police officers me making over 200 calls asking them to protect me and that and they are telling me that I am a black bastered. I have been robbed down the phone. I've got all the

		recordings online, horrific corruption.com. So, even if for your own personal use maybe just to go to and have a look, it's for something good power for the people sort of thing. Um,
New Speaker:	10:07	ok.
New Speaker:	10:07	yeah. Is it possible to speak to somebody then that can actually deal with this then and start writing down some writing down some notes and efficiently and actually doing an investigation please?
Speaker 1:	10:16	Well it's the professional standards department of the force. You're going to have to put your complaint into writing first of all.
Speaker 3:	10:20	The complaint is in writing it's in a website and I'd just like to know who I've got to forward that website to and that person.
New Speaker:	10:26	ok.
New Speaker:	10:26	can use the digital website from the second on. There's an official report already drafted up inside the website and I can give.
New Speaker:	10:33	ok.
New Speaker:	10:33	the person access so they can just help me finish off filling out the rest. Every day from **2012** of my life is there. And every efficient of correspondence and every official recording brand new PDF book of all of the case files, everything is built ready to go for your case handlers to be able to handle.
Speaker 1:	10:50	Okay, it won't come to us. It goes to the professional standards first.
Speaker 3:	10:53	I thought that's who I am. Speaking to the.
New Speaker:	10:55	[inaudible].
New Speaker:	10:55	professional standards is that.
New Speaker:	10:56	No.
New Speaker:	10:56	not.
New Speaker:	10:57	no, no.
New Speaker:	10:57	who am I actually speaking to?
Speaker 1:	10:58	Every police force in England and Wales have a professional standard department
Speaker 3:	11:02	I understand that.
New Speaker:	11:02	Yeah.
New Speaker:	11:02	And who am I actually speaking to then? because that's phoned the IOPC
Speaker 1:	11:07	yeah, we're separate body. We're independent of the police.
Speaker 3:	11:11	Yeah you are. You are the, you are the IOP C yes,
Speaker 1:	11:14	yes. And we did it just to oversee that the professional standards deal with the complaints
Speaker 3:	11:19	efficient, efficiently, efficiently.
Speaker 1:	11:21	Yeah, and in line with legislation
Speaker 3:	11:22	They have been telling me that I'm robbed on the phone and they don't give a damn and they're holding me for nine years. They forgot to even arrest me. Yeah. And then they did 25 coppers went to court. None of them would bring any, any, any witnesses to court. I was asking them, can you bring the, they've all done this to somebody else at the same time when they were doing it to me, a sex scandal, they've slept. I can't even walk down the street right now, but it can spitted because.
New Speaker:	11:44	Shut up. (To the people in the background)
New Speaker:	11:44	of the lies they've spread yeah.
New Speaker:	11:46	[inaudible].
New Speaker:	11:46	I never had nothing wrong with me. I've never argued with my partner in my whole life, my partners in danger with the child as well. Right. I can't leave my house. I'm a nine-year curfew. They've just put a possession order, in then, three more injunction orders on top of an Asbo and I've, and I've proved that they falsified all of the cases.
Speaker 3:	12:04	I've won them all at the courts. The judges are telling them to do an out of court settlement with me and they're all telling them they refused and to deal with the deal with it. And leaven the people still working in their companies. Yeah, this is unfair. What's happening.
New Speaker:	12:16	[inaudible].
New Speaker:	12:16	I'm still, no one would call an emergency application. They've run around with a company credit card and they've spent hundreds of grands in real life on and ask

		him for me to pay custodial fee, pay for all the court fees and everything. You just see the damage. When I go through it with somebody, I can show the damage that they've really caused I' am phoning up everybody correctly and they just tell me, your **black bastard,** you've **been robed.** Um, there's nothing that you can do **per spitting down.**
New Speaker:	12:40	[inaudible].
New Speaker:	12:40	**Your dead.**
New Speaker:	12:40	**the phone at me** and all of that. That's not fair. I shouldn't be treated like that. All I've asked for them to do is know is that they force a, at the paperwork, all their timestamps go backwards to their centres.
New Speaker:	12:50	[inaudible].
New Speaker:	12:50	that are not the right colour skin.
New Speaker:	12:52	This is the police sorry.
New Speaker:	12:52	Yeah. This is the police,
New Speaker:	12:53	This is the police sir.
New Speaker:	12:53	the police and the Enfield Council.
Speaker 1:	12:56	You need to get this information to the right place with police force is it.
New Speaker:	12:59	Laughing in the background
Speaker 3:	13:00	The Met, Um, Edmonton police force. It was, but the Borough commander, Jane Johnson got fired throughout this and now she's somehow working back in West Westminster. They've shut Edmonton police station down now and wood green PlayStation deals with it all. Well Edmonton police station. Don't hold custodial no more.
Speaker 1:	13:17	Okay. Well, what I'll do is give you the email address for the place that you need to email your complaint too. If you got a pen and paper. Ready?
New Speaker:	13:25	Yeah, of course madam.
New Speaker:	13:25	yep, So, it is **D.P.S mail box, M.A.I.L.B.O.X** all one word.
New Speaker:	13:38	yep, got that.
New Speaker:	13:39	and then the hi friend or me Door Dash. Then a stock C, S P, which is C for Charlie, S for Sierra, T for tango dot. P N N, P for Papa, and for November and for November. Okay. police.uk
Speaker 3:	14:07	stop. Police.uk Okay. Okay. Well use lot have a good day in there.

Mrs Lorraine Cordell

Dear Mrs Cordell,

Re: Simon Cordell- 109 Burncroft Avenue, Enfield, EN3 7JQ

We write further to your emails, enquiring about the progress of your son's management transfer application.

We advised you by email on 16/08/2018 that Simon could make a management transfer application and if successful, the transfer will be made on a like for like basis. We explained that as Simon lives in a one bedroom flat he will be transferred to another property like the one he currently has, if his application is successful.

You explained to us that in view of his mental health problems you did not feel that a like for like transfer was appropriate and asked that he be transferred to a supported accommodation or to a larger property. We explained to you that for the Community Safety Unit to consider such an application they would need to have the Mental Health Team involved. You then explained that Simon was given an appointment to see Dr Benyure from the Enfield Community Mental Health Services on 31/08/2018, and it was agreed that the management transfer application will be put on hold until the next Panel meeting on 28/09/2018, to allow time for the Mental Health assessment to be carried out.

We have since been advised that Simon failed to attend the scheduled appointment and did not engage with the Mental Health team. As this meant there was no report to support a management transfer application the Community Safety Unit was unable to submit an application on his behalf. The Panel would require medical evidence in support of an application for a larger property and we did not have one by the date of the last Panel meeting on 28/09/2018.

Please let me know whether Simon would like his application considered at the next Panel meeting and that you would be able to submit the required medical report.

Speaker 1:	00:01	How are you doing Paul? It's Mr. Simon Cordell calling here.
New Speaker:	00:04	Hi.
New Speaker:	00:05	I'm quite concerned Paul we've everything that's been going on, I've been going through our conversations that I've recorded recently and I've took a copy of the actual court order, which is just all of the court orders. I've made a new Transition a new, I've made a new menu for it all, so I've got everything that's happened in that courthouse and when I'm actually going through it use lot are trying to kill me in that court house and when I'm going through the tape recordings and what I'm informing you of. I'm concerned that you're still working in your position, Paul and I'm suffering the way that I am inside of my house and the recordings that I've got from beforehand of all the other employees like Lemmy and that use lot are letting Lemmy and that run in that courthouse with that company credit card and spend money on it and make lies and not once since **2016** have I been allowed to speak.
Speaker 1:	00:50	Yeah, and explain myself, but you've let, Lemmy run in there doing X part A's asking him to put 300 pound and no one would tell me whether I needed a criminal solicitor or a civil solicitor. So, I'm not being allowed to solicitor all of the way through this. Yeah. Now I've been told I've got to get a criminal solicitor. I don't even know if the applications on me I, there's over 300 there's over 400 Lemmy just serve me a brand-new application with over 315 pages I have teared it apart and checked every single page for what is in it.
New Speaker:	01:18	Every page is to do with the old claim number and he's just made up is he made up a load of lies on the phone like I explained to you the other day to set off the application. He, he, he says, he said that, I've threatened him when I've got the recording of him telling me, Down, the phone is going to kill me and my mother.

Speaker 1:	01:33	Then he sent the police to my address while I'm in the police station. He's coming to your court again, use lot have let him get the same application again and refile it how, Lemmy started it like I explained to you. Yeah. I've got all the recordings of all the directors Sally Gilchrist who set me up for the first Asbo and I'm explaining to them on the phone calls like, I'm talking to you going through the case saying look I am not a white person and in this case says that I'm a white person, so how am I getting sat for nine years? Sally Gilchrist, the legal executives breaking down on the phone to me. Yeah. So, I continue with you've got. No signatures I break her to pieces like I'm breaking, you now? Yeah. You should listen to yourself. When I played back these conversations, Paul that we have had. Yeah you are. They're all in my report and they're all online now. ready to go public Paul, Paul I do not think, you're going to have your job for much longer after this. Yeah. And use lot are all running to the judges and telling the judges. You're concerned about our conversations. Our compensations are official. Your paid money to deal with me. Are you paid a wage Paul?
Speaker 1:	02:35	Hello?
New Speaker:	02:35	Hello I am here I am here.
New Speaker:	02:35	Yeah. You are paid a wage to deal with the public are you not, so why are you scared and telling the judges that you're scared to talk to me, to deal with me when I'm telling you things that make sense and why are you lot forge. the Magistrate's court. Yeah, at Highbury they called the doctors and the doctors said there was nothing wrong with me. When I started showing them corruption withinside of their court, I went to Wood Green, I showed Wood green corruption within it and they called the doctors and set me up. The first time I attended your lower court, that judge dealt with it and I showed her all the evidence that I had of Lemmy. Cause what Lemmy done is he made a procession. He was trying to threaten me and my mother. Yeah. To go to court to go to the civic centre for a meeting the reason he was trying to threaten me and my mother to go for a meeting is, me and my mother had put to over 500 emails into the MPS and the councils explaining what my neighbours, the Mathiyalagan's were doing to me.
Speaker 1:	03:27	The people that are now supposed to supposedly the victims in your case load that use lot have got against me now. They were attacking me now I've got loads of videos. I showed the doctors, some of them, the other day in my flat and they run out of my flat. Yeh when I showed them the videos of what I've been telling you that I had already and asking you if I can bring them back to the court and you've refused, you use lot told me to put them through in a post box. You're outside the court. Yeah. I don't think that's fair. Yeah. And I'm suffering an injunction order cause use lot have accepted. God knows how much money off for Lemmy. You've not once, let me speak in that courthouse and explain myself or show one bit of evidence and you're making me suffer in mind. Now you're letting this one the upstairs try and sit me up
Speaker 1:	04:06	I can't even walk out to go to the shops cause I go to the shops. They follow me to the shops. Then start saying that I'm setting them up and try and activate this injunction order. Lemmy, yeah, Lemmy after the 500 emails to the MPS and the councils and all to the police and to everyone else, I've got them all in a diary and I've got all the, I've made special pub books, brand new digital books for them all. Yeah. Now I've got all the emails to 500 emails to the council. Then what Lemmy does is he says to me, I arrested for stan case in **2016** supposedly threatening Stan. What I was supposed to have said to Stan is, if you keep doing this to me and Shannon and banging on them walls with pots and pans at me, I'm going to get you in the park now because I said that to Stan in **2016** if you keep in danger mine and Shannon and Heidy's life.
Speaker 1:	04:52	I got, Stan got me arrested by the police for criminal investigation while that case was ongoing. I've got, I've got, I've got refused bail and take them to court the next day the court heard the case and he let me play a couple of video tapes to him of what Stan was doing to me. The judge threw the case straight out of the court. Now once the judge threw the case out of court, I come back home to my flat. But Lemmy got a message off the witness care team in Angel Islington saying that stan

		had lost the case. So now what's what Stan what, what, what's the, what's the what? Lemmy never gotten the message directly. Lemmy's line manager got it because I've got a copy of it, I strip their computers and got the copies of it. Yeah. And now so, the witness care message team message Lemmy Kenitchwa his line manager and said the case is over.
Speaker 1:	05:39	Then Lemmy started messaging me and my mum and started saying if we don't go from meetings at that civic centre about this dead case that I've already won at court, he's going to put a possession order in. I said to Lemmy that, that is entrapment. I've got all the recordings. That's entrapment. Lemmy please can you go to the first Asbo folder that is in your offices that you made and realize that there's no, no signatures. Now what Lemmy does is he goes to the first Asbo folder in the offices and he notices that there's a page on there that I could never prove before. This is like another part of the story. But in my first Asbo when I was going for trial, every time I went for trial, solicitor firm would try and run and leave the case because they didn't want to do corruption.
Speaker 1:	06:17	Talk about corruption. Yeah. So, what happened is on one of the occasions before the trial, the solicitor my solicitor tried to do this and that, the judge said if, my solicitor, my solicitor can't leave without Michael Carroll the main director come in to court. They can't leave the case. Yeah. So now.
New Speaker:	06:32	[inaudible].
New Speaker:	06:32	now I had to wait another six months for another trial because this was the day before the trial. The day before trial again, solicitor done the same thing again. Try to scream and run out at a court case. Now this time the judge went back on his words, which I've got writing and what he'd done is he said,
New Speaker:	06:49	inaudible.
New Speaker:	06:49	are you're listening to this because this is important this part? Yeah.
New Speaker:	06:52	Yep.
New Speaker:	06:52	What? Lemmy has done what he has done. What, what? what the solicitor done. The second time she tried to run away from the case.
Speaker 1:	06:57	The judge let her do it before I got to the court. Now I went into the court and I had to go at the judge. I've got the paperwork, you said that the solicitors are not allowed to leave me. Yeah. And that they have been paid too much money. already? Yeah, but you've now let them go before I even got to court on the day of my trial for the second time now the judge said there's nothing he can do. He's going against his word, but I need to go to the solicitor firm, collect the folders, the Abo folders. So now I went to the solicitor firm and I collected the, Asbo folders later that evening for court the next day for trial. When I collected the folders, my solicitor had given them all of my paperwork, my defence paperwork for the first Asbo.
Speaker 1:	07:34	And because I had done all the page numbers on it, she gave that to Sally Gilchrist. So, Sally Gilchrist made a brand new Asbo application and changed all the page numbers when she'd done this on the third page, she used my bail conditions and my conditions and she made a threat, attend court and dis us and were re - man scribbling out words on it. Now I collected that of, my Solicitor Josie and I could never prove it because I never had it digitally given to me. No one sent it by email. So, my Josie could have done it to me or, or the legal firm; Sally Gilchrist and that could have done it. Made the threats in the folder. Now Lemmy on the phone. to Lemmy the other day after he forged the possession order what he done was he was forcing me for a meeting at the civic centre on the dead case with Stan, what he'd done is I told him on the phone, can you tell me the last complaint that you've ever had from me about me now this was on the seventh of 2017 yeah, he said each went on the computer like you hear him typing and he goes are the 1st of January is the first complaint.
New Speaker:	07:34	
New Speaker:	07:34	
New Speaker:	07:34	
New Speaker:	07:34	
New Speaker:	07:34	

New Speaker:	07:34	
Speaker 1:	08:34	So I laughed at him. I said, I, the time limitation act is out Lemmy all of your cases are out of date and I've been arrested for them already. Now he got the hump and what he'd done is he copied and pasted all of the dates and slammed them all over. So now everything that's happen in this happened three times and he served me a possession order. Now I've got all the council's history, what he done was, he made a big mistake and put all of the council's history for each claimant inside of the folder as well. So now I've took all the claimants' histories and the dates that they went to the civic centre and they made a phone call and you can see all the extra dates that Lemmy copied and pasted. Now I also went to the council and got a freedom of information act just prior to Lemmy and I've got all of the counsel's information.
Speaker 1:	09:17	Any way that is on their computers. So now all these dates you can prove that Lemmy copied and pasted them, which is under the fraud company at 2006 and tried to Nick my flat off me at the same time. All of the letters he sending me, he is sending me like 15 letters saying if he can't get back into my flat to turn the water back on for the Mathiyalagan family to keep on assaulting me. He's taking my flat. That's what this was over. He wants to turn the water back on to let them, so that they can attack me. I've got loads of videos of what they were doing when the water was on. Yeah. No one's let me play them to them yet. Lemmy. I made 220 phone calls to the nine, nine, nine call centres in regards to them protecting me and I've requested all of them recordings.
Speaker 1:	09:55	It took a year to get them. The cops didn't want to give it to me, but then it gave me the recordings of me phoning about the Mathiyalagan's and that. Yeah, so now I'd like to bring that in. Now Lemmy forged the possession order, which I can prove. Then he also, he also copied and pasted because of the dates. Then he also, when he went to the Asbo folder the first Asbo folder and he took the threats out of the Asbo folder and he forgot to turn he forgot to notice the signatures that were missing and he put the threats inside of the injunction order and he served it to me through email. Now I've got the email here, because Josie never served it to me by email. Neither did, neither did the other firm with all the threats attend court and re - man, and were re - man and do your basically now Lemmy didn't know that.
Speaker 1:	10:41	They didn't send that to me digitally and I couldn't prove that he sent that digitally and he sent it in the latest folder, which means that the writing and the threats come from inside the civic centre because it's in their folders as well. Yeah. Now I want them arrested for this and I don't want your court to keep playing with me and I don't want your court to accept no more money off for Lemmy yeah, in regards to applications or ex - party applications. And not, especially when they're not telling me whether I need a civil solicitor or a criminal solicitor, yeah, now, I'm telling you I'm going to go public unless, you can organize this inside of your court. Paul, I'm telling you I'm going to go public and I believe I'm, I'm, I'm, I'm 1000% sure use lot are all going to get spun by special operation in your goanna buy a IPOC all over you and you're going to have all the public at you as well.
Speaker 1:	11:27	Wanting to throw eggs and tomatoes at use lot. Yeah, because what I've got here, yeah. What, I've built what I've done an investigation on use lot. I knew your court, couldn't touch me the same as the magistrates on the upper courts, because I've got the recordings to prove my innocence. Every time I've knocked on their front door, I phoned the police first before I go upstairs. I go upstairs after the police tell me they're not going to protect me and you can hear me knocking on their door like that normally. But you can watch me in my front room for an hour before I go upstairs and call the police and you can watch them attacking me. Bang, bang, bang, bang. For an hour beforehand. I called the police. Like a reasonable person. The police say they're not goanna do nothing. I'll knock on that door like a reasonable person.
Speaker 1:	12:06	The Lemmy's copied and pasted, aggressively banging and aggressively banging. This isn't fair. Now you've got Lemmy because Lemmy lost all of the cases. He's gone and said he lied. I've got a record and he said that I frightened him on the 9th on the 10th January. That I frightened him down the phone when really in the

		conversation I'm saying you've been defrauding all this paperwork. Lemmy, how can you do that? I'm phoning all the executive directors. Lemmy's boss main bosses above Konnichiwa on this and I am recording all of them as well. I've got loads of recordings of heavy littler and all the emails to her that my mum sent in from 14 to 16. Every email my mum sent from 14 to 16 to all the MPS I have took all the names and I phoned them all up like I phoned you up Paul. And I've recorded every single one of them. Now I've recorded all of them.
Speaker 2:	12:52	Now everyone that avoided all the them FOI's all of the official complaints. Yeah, I've got them all on recording every everyone. Yeah. I'm telling you; you aren't ready for more case when it comes to that court. Yeah. And half of you are going to get arrested. I'm not joking. I don't need to destroy no lives. I don't need to do that. What I wanted was the keys to the park.
Speaker 3:	13:14	Um, obviously we know one would want anyone's to destroy anyone's life's we are a court.
Speaker 2:	13:19	No you lot do and you're lying.
New Speaker:	13:21	I am a saint.
New Speaker:	13:21	at first. At first you didn't, but that you fought, you fought yet. You know what? At first you didn't use lot, use lot, while I was watching the court and recording it and use it. We're acting reasonably. Then Lemmy started. forging you, you throw. You struck the first Asbo folder out the first injunction order out, which the judge done, which was right that that judge did. Yeah. Then judge Cohn's, wherever his name is, John Cohn's.
New Speaker:	13:41	non auditable.
New Speaker:	13:41	he sat there and he started going against what every other judge has done, reinstate it all, shyness. If you look at the right and the history behind this case and what they've done to me do you know how many times use lot have broken the laws. Yeah, use lot, use lot more than criminals in there more than criminals. I've done nothing wrong.
Speaker 2:	14:00	You've not let me speak once. Lemmy is writing his own caseload, this is Lemmy got me arrested for threats to kill, after forging all of this, after me record in all of the directors saying, Lemmy has forged all the possession order. I can prove it. All that is set me up to cover up the FOI's, he has stopped me from getting these people arrested. Then he's gone to the true perpetrator perpetrators. He's picked them and made them look like victims and made me look like the perpetrator when there's 500 emails and videos proving that these are the ones attacking me and Shannon and Heidi. Yeah, and they're going against you what your constitution says, they'd been let, let, let to do political persuasion and pinpointing me out for like HIV and AIDS and treating me worse than a person that's ever supposed to be treated.
Speaker 2:	14:43	Yeah. And I don't think this is fair. My personal date, it's been spread and I've got all the recordings and the clinics, the hospitals, everyone saying that there's never been nothing wrong with me. Yeah. In real life they banged throw my nans death. I was in my house, they banged throw my nans death yeah, none stop, you watched the videos of what they'd done to me, throw my nans death, I had to put headphones on and listen to audio books on and rock in my front room, while stain and the Mathiyalagan family are banging, banging, banging, bang. I've got another woman after that, met another woman. We had a baby and they bang so much. When you have a woman come into my house that she lost the baby as well and I've got the paper, I've lost the child here. I'm locked in my house on conditions since **2016** because of your court and I've been all conditions from 16 all the way up till now and I and, and I'm not even done. Nothing wrong. Yeah. I'm not even allowed to be an explained myself or give use lot evidence once you, every time I go to your court, you shut me down. The only people that I can speak to, Paul is you lot and I'm telling you the truth. Recording you lot, and you lot are all planning on avoiding it all and putting the phone down and nothing's happening about it. What do you get paid for in there?
Speaker 3:	15:48	How can I help you on the phone right now?
Speaker 2:	15:50	I've asked you loads of times to call this back to court and stop it before these conversations wouldn't be happening if you had listened to me in the beginning and

		called it back before court and done the next part. I done, done a declaration of notice. I told you I had evidence to prove that I was innocent and I had videos to prove that I wasn't served. I've told you I had evidence of everything all the way through since 16 on the phone and so was my mother had been telling you and you've allowed it to continue and every time all you say is how can I help you on the phone? I'm suffering in my house. With conditions and this family upstairs are the family that done this to me Shannon and Heidi and made the whole wide world know all this shit about my personal data. That isn't true. Yeah. And now use lot are protecting them in that court and trying to get me five years in prison and I never done nothing. Apart from build a community event in my front room and work hard every day. How are you lot letting this happen. You look court of Law; this is supposed to be the UK. We're supposed to have the best Judicial systems in the whole of the world, in this country. So why are you lot acting so, with so much neglect and misconduct towards me.
Speaker 3:	16:50	Do you have your case number on you?
Speaker 2:	16:52	I've gotten this two case numbers. Yeah, I do. E my electrics just gone off on my house. I'd have to tell you; I'm going to go to the shop and get some more electric. I'm going to let you let go. I'm going to come with my solicitor and sort this out with use lot.
New Speaker:	17:02	ok.
New Speaker:	17:02	Have a good day, Paul. Man,
New Speaker:	17:05	you to, bye.
Speaker 3:	17:05	To bye.

41. On 24th September 2018 at about 11.30am, one of your neighbours returned home from dropping her daughter at school and as she entered their block of flat, she noticed that the middle door on the ground floor was open as

20,

well as your front door. As she went up the stairs to their second floor flat, your dog came out of your flat and started barking at her. The neighbour had to run up the stairs to her flat to escape from the dog. It was reported that your dog is always barking whenever they go out or return to the block and the neighbour and 4 years old daughter are terrified.

42. One of your neighbours reported that his cousin was leaving the block at about **on 2nd October 2018** at 12.45pm, and as you exited the block, you followed him and suddenly grabbed his jacket from behind and tried to pull him to the ground. The cousin started shouting to attract neighbours and managed to push you off.

43. **There are other reports from one of your neighbours who reported that on 30th September 2018,** you attempted to break down his front door by kicking it several times only because he flashed his toilet.

44. **It is** reported that you continue to harass and intimidate other residents on a regular basis.

The London Borough of Enfield takes all acts of anti-social behaviour very seriously and will not tolerate such behaviour.

You have been served ample warning regarding the complaints made against you. You have breached your tenancy agreement and conditions:

"You must not abuse, harass, make offensive comments and/or malicious allegations, use or threaten to use violence against any of our officers or agents, or against a councillor. This applies at any time and in any place. We may report the matter to the Police."

Condition 31

"You must take care not to cause damage to your property or the property of your neighbours."

Condition 33
"You must keep the inside of your property clean and in reasonable decorative order."
Condition 34
"You must not use the property in any way that may cause a health or safety hazard or encourage vermin and/or pests (for example, by hoarding items inappropriately)."
Condition 44
"You must obtain our prior written permission before carrying out any alterations, improvements or structural work to the property. You may need to obtain other permissions such as planning permission or building regulations approval."

Condition 79
"You must always keep your dog(s) on a lead in communal areas and on our land."

Social Circumstances Report for S.C Rio no 11214451 on Section 2 of the MHA 1983/2007

Date of birth:	26TH January 1981
Home address:	109 Burncroft Avenue, Enfield, Middlesex EN3 7JQ
Date of Admission:	26TH October 2018
Hospital/Ward:	Chase Farm Hospital, Dorset Ward
Care Coordinator:	Soobah Appadoo- Allocated August 2018
Report prepared by:	Soobah Appadoo
Sources of Information:	Electronic Documentation on Rio
Nearest Relative:	Ms Cordell (mother)
Date of this report:	7th November 2018

Who you are and in what capacity you know the patient, how long you have worked with them: My name is Soobah Appadoo? I am a CPN with the above-named team. I have been asked to compile this social circumstance report in support of above-named patient's Mental Health Review Tribunal (MHRT) appeal against his detention under Section 2 of the Mental Health Act. Mr Cordell was admitted on section 2 on the 26th October 2018.
Mr Cordell was previously under the care of the Early Intervention Team for 3 years. The Early Intervention Team discharged him in June 2018 and at that point he was referred to our team. There is a suggestion on RIO notes that he did not engage well with that team.
I was allocated to Mr Cordell in August 2018. We offered him an appointment at his flat on the 31st August. Mr Cordell rang our office the day before and spoke to me. I informed him that I am his new Care Coordinator. He said that he had been seen for "76 days by his CC" and there was "nothing

wrong with me". He said that the reason we want to see him is to "cover for missing signatures?". He said he "will ruin anyone who come to my house" and he has "recording cameras and audios" to ruin us. He said if you come to my house "I f...ing will scar you for life". He used foul languages throughout this contact. He said that I "can take the f...ing referral and stick it up my a..e". He said that he does not want to see us. I could not interrupt him: very verbally aggressive with pressure in speech". I did manage to say that we are a different team from Lucas House and we want him to have a fresh start- He said "I don't f...ing care"
Further to that the MDT advised that we should assess Mr Cordell in clinic due to the potential risks. We then offered him an appointment on the 28th September which Mr Cordell did not attend.

66,

Barnet, Enfield and Haringey Mental Health NHS Trust

NHS

My report is based on the information which I have extracted from RIO and my telephone conversation with Mr Cordell's mother.

Psychiatric history

On the 16th August **2016** Mr Cordell was admitted to CFH under Section 2 of the MHA. He was discharged on the 27th August **2016**. According to RIO notes Mr Cordell "was arrested at his home address after his mother raised concerns about his mental state - he was allegedly verbally threatening towards his neighbour and (?) neighbour's children. Simon's mother called police who arrested him. He was seen by the FME at Wood Green police station, was then referred for MHA."
He appealed against his Section. The Mental Health Review Tribunal discharged him from Section 2 on the 26th August **2016**.

Leading to current admission

As I stated above leading to this admission Mr Cordell did not attend appointments offered to him by our service. Subsequently due to the allegations made against him I was advised to attend a Safeguarding meeting for an alleged victim. In that meeting I was informed by the Council that Mr Cordell has a past and current history of physical and verbal aggression towards residents in the building. I was informed that the council has tried to work with Mr Cordell but to no avail. I was informed me that Mr Cordell was getting easily irritated even by the sound of a flushing toilet; this happened very

recently and he threatened the resident concerned. The Council was of the opinion that these are signs of mental illness and suggested that BEH should proceed with a MHA. The Council argued that this is for the protection of others as well as Mr Cordell's own safety. Subsequently the council sent us a copy of 'Anti-Social Behaviour, Tenancy concerns and breaches- pre-action letter' which contained a chronology of alleged incidents dating from **2016**. These alleged incidents were in the meaning of an antisocial behaviour presentation.

On the 17th October Mr Cordell was discussed in our MDT meeting. A decision was made to conduct a MHA. A MHA was attempted on the 19th October. Mr Cordell did not cooperate and the assessment did not take place.

On the 23rd October an application for a warrant was made but was declined on the grounds "that there was insufficient recent evidence that he was being "kept under proper control" as he is living alone and "insufficient recent medical evidence that "he is unable to care for himself. According to RIO, on the 25th October Mr Cordell was arrested for breaching a harassment order. It was alleged that he was aggressive towards the police and spat at them. He was assessed at the police station. On interview he had pressure of speech, delusions about his neighbours and the police and housing ganging up against him. He denied drug use. He said that does not have a mental disorder. The

doctors who assessed Mr Cordell found him "hypomanic, with flight of speech, grandiose and thought disordered"

Forensic history

Nil known.

Risk History

According to the Risk Assessment on RIO notes Mr Cordell had expressed suicidal thoughts in the past. This was related to stress from court cases. The date is not stated in the Risk Assessment. Around that time, he said that he had researched ways of harming himself (poisoning, OD, hanging). He had said in the past that he tried to hang himself aged 16 when he was in a young offender's institute. He had said that he needed resuscitation. He tried to hang himself a second time after he was sentenced by a judge aged 20. He had said that

he drank Nitrous Oxide in **2014** with intent to die.
According to his Risk Assessment he was regularly a victim or witness of his father's violent behaviour.
There are recent reports from the Council regarding alleged aggressive behaviours towards other residents. In June 2018 he was apparently involved in court case with the neighbours who he apparently threatened to harm.

Views of family

I telephoned Ms Cordell on the 7th November 2018. Ms Cordell told me that neighbours have been "terrorising" his son since **2014** in particular a neighbour on the 2nd floor. Ms Cordell told me that whilst her son is in hospital her nephew has been staying in the flat to look after the dog. The nephew has reported that the occupier on the 2nd floor have been "banging" on the floor. She said that the neighbour then realised that her son is not in the flat when they saw the nephew coming out of Mr Cordell's flat. She told me that since the 26th October the "banging" has stopped. She said that she has complained about the neighbour herself but thinks these situations are misinterpreted by the council and the mental health services and her son is then seen as the perpetrator and or being mentally unwell. Ms Cordell stated that the sound proofing is lacking and the noise is real. Other neighbours have made allegations that Mr Cordell has been aggressive towards them. She said that there is no evidence of this; police have seen CCTV and found that her son had not left the flat at the time when these incidents were

alleged to have happen. Ms Cordell gave another example in **2016** where it was alleged by a neighbour that her son had made threats to kill him. She said that the police initially charged her son with making threats to kill; after seeing video evidence they charged him with a 'Public Order Offence'. She said that around the time of this alleged incident her son was in his flat with some friends. Her son was not allowed to his flat and was bailed to her flat where he stayed until December **2016**. She said that the CPS after seeing evidence dismissed the case a day before the trial. She said that the council has never taken the responsibility to look at evidences; the allegations made against her son (physical assault, letting his dog on the loose) have not been proven. She said that on the 9th August in court the Judge ordered Enfield Council to move her son to a 2-bedroom flat but the Council wants/plans to evict him instead. She said that the Council has no grounds to apply for her son's eviction.

She said that her son has a one bedroom flat. She said that he does not want to live there. She said that he needs a 2-bedroom flat with the plan that his cousin could stay with him to provide emotional support. She said that her son has everything he needs in the flat. She told me that her son is very independent in activities of daily living; his personal care is extremely good; he cooks for himself, maintains the flat and takes responsibility for his bills. She told me that he has no financial difficulties/no debts.

She said that her son has a work history. In **2010** he was planning to set up a business in the entertainment industry. He has also built websites in relation to this. At present he is not in employment. He is in receipt of Employment Support Allowance but needs to make an application for Personal Independent Payment.

I asked her if she thinks her son has a mental illness; she told me that he suffers from stress and anxiety due to issues with the neighbours but does not think he has a mental illness. She said that the judged looked at evidence and did not grant a warrant in October 2018 for a mental health act to take place at her son's flat.

I asked Ms Cordell if she thinks her son could benefit from support from the community team. She said that he could do with some support but "we should stop labelling him as being delusional as he is not delusional".

4

After-Care

Potentially Mr Cordell care/treatment would be delivered via the Care Programme Approach. I am the allocated Care Coordinator and he will have a responsible clinician in the community. My role would be first of all to build a relationship with Mr Cordell as I have only met him on 2 occasions. I will try to motivate him to engage with myself and the multidisciplinary team. As his Care Coordinator I will review Mr Cordell regularly independently and with the Community RC.

We have a Team Clinical Psychologist and it would be vital for Mr Cordell to have some form of talking therapy. This is on the basis of the stress and anxiety that his mother states he suffers from.

We have a Dual Diagnosis Worker in the team who could offer drug counselling if necessary.

We have an organisation called 'Remploy' which is funded by the Local Authority. Potentially they could support Mr Cordell to find work. They meet regularly with clients whilst they are in work and also liaise with employers.

I could support Mr Cordell in making an application for PIP. Alternatively, he could get that support from 'Enfield Well-Being Connect'

The Mental Health Enablement Team could provide support in tenancy management as well as support to access education/training and work.

Opinion and recommendations

I have met Mr Cordell on two occasions only and I have not had the opportunity to assess him in the community. A rapport needs to be established with him.

On the basis of recent events, history of risks to self and alleged risks towards others and taking into account the views of the MDT on the ward I think that he would benefit from a longer stay in hospital. This is in-order for the MDT to assess him comprehensively to determine if he has a severe and enduring mental illness such as schizophrenia/psychosis. If it is determined that he has a severe mental illness then this should be treated accordingly whilst he is in hospital.

weight, LFTs, prolactin etc. Admission Summary **17 Oct -** referred for MHA due to history of physical and verbal aggression towards his neighbours. EANLT MDT agreed that he is a risk to others and his behaviour could also put him at risk from others. Simon refused to engage with MHA. **Application for 135(1)** was made - Judge found insufficient evidence for 136. Forensic referral sent on 17/10 25 Oct - Simon was arrested as the police called to his flat re him breaking a harassment order and he assaulted the police who attended. He was taken to Wood Green police station. Found to be him thought disordered, hypomanic with flight of speech and grandiose delusions. Detained under MHA. On initial review he had pressured speech, difficulty interrupting, appeared elated in mood, and had grandiose beliefs e.g. started talking about owning a couple of local festivals and engaging in multiple charities involving children. At the time he has limited insight; he does not want any medication and has never believed he has a mental health disorder.

His UDS was positive to THC.
He immediately appealed his section. The tribunal was done on **8/11/18** which he lost.
On 5/11/18, Dr Greensides reviewed the patient and made an application for Section 3 as there are risks to his health and to others. It was felt that it would not be beneficial to take against his will unless he is subsequently detained on a section 3. However, there was a delay in the assessment so he was started on Risperidone 2mg ON which he refused to take.
He had a MHAA for a Section 3 on 14/11/18; it was felt that there was no evidence of Simon posing a risk of harm/safety to himself or others and there was no obvious risk of neglect. As a result, he was not sectioned.
It was decided that as a result of this, there was no reason for Simon to remain on an acute psychiatric ward as we are unable to treat him.
He was discharged as a result, with Dr Greensides emailing his CC about arranging an O/P consultant review and emailed the forensic consultant regarding an O/P forensic opinion.
Thank you for your continued care.
Here is his MSE on admission:
Simon is a 37-year-old male, who was appropriately dressed. He engaged in conversation and made eye contact throughout. Calm and polite, no aggression but did become mildly restless at points.
Pressurised speech, difficult to interrupt. Flight of ideas noted.
Described mood as good. High levels of energy and labile mood.
Paranoid delusions about the police and MH services and some grandiose delusions noted.

ENFIELD ADULT NORTH LOCALITY TEAM]
Discussed in MDT on Tuesday 16th Oct. Client has allegedly been physically aggressive towards another service user who lives in the building; a few residents have moved out due to aggressive behaviour. He has assaulted more than one person. Agreed that he is a risk to others and his behaviour could also put him at risk from others.
Plan:
Refer for MHA-**but no concrete info as yet from Lemmy regarding risk log-AMHP** office would ask for evidence of risks.
T /C to **Lemmy to ask if he could send an up-to-date risk log**. Lemmy said that he is seeking advice as to whether he could share info with us. He said he will get back to me later today.

New Speaker:	02:09	
New Speaker:	02:09	
New Speaker:	02:09	
New Speaker:	02:09	
Speaker 1:	02:11	Right, let's have a look so, that is Burn - Croft [inaudible] [inaudible] Oh yeah. Michael Had you Jeremy Free, will he know what it's regarding.
Speaker 2:	02:36	He should do in the back of his head that he isn't managing these caseloads, very um, correctly with fair process and he's on the eighth is okay. Just to go through it with you on the eight on the 15th of the eight, I won three cases against the Enfield County Court um, against the Enfield Council. The judge ordered that I get a like for like two-bedroom house and um, with back garden front garden and everything the paperwork went over to the Enfield Council solicitor firm. They've signed it and sent it over to my Solicitor firm. We've all agreed and sending over to them on eight for the 15th.
New Speaker:	03:08	Hm, hm.
New Speaker:	03:08	So this was an emergency **transfer**. Now somehow, they started to boycott the situation and they've said, okay, the next annual general meeting is on the 28th 8 they said that'd be 15 days in time. They, they, they, it's going to take them a bit longer to sort things out.
Speaker 2:	03:24	So the next annual general meeting will be on the ninth the ninth the end of the ninth so I must wait till the end of the ninth I said, this is an emergency **transfer** judges ordered it and it's for my safety and they've [inaudible] you shouldn't be treating it as an annual general meeting. You should treat it as such as what?
New Speaker:	03:40	hmm.
New Speaker:	03:40	It's classed as they've, they pushed it over, to the turn ninth. Anyway, I allowed for that to happen in the end because I didn't have much options. They've, they've held

		a S they've held a secret meeting which I'm not allowed to attend in the civic centre, **[inaudible]. I found that the, and to try and get them to go to the boardroom, meeting and I wasn't allowed to go on the ninth on in** the end of the ninth month. Now, no one has contacted me back since then.
Speaker 2:	04:03	**I'm now in the 17th of the 10th and this was all detached.**
New Speaker:	04:07	Hm.
New Speaker:	04:07	**from the transfer to happen on the eight feet and 15th of the eighth. And I feel that negligence is taking part now on his role because he understands my case load and I've won the cases, I'm** in the right and they have no reason to treat me the way that I'm being treated by them. I've had to build a website which shows all the past workers. I just refer to, um, which,
New Speaker:	04:26	um.
New Speaker:	04:26	which is called horrific corruption. And I've, I can show, do you have Google available to you by any chance?
Speaker 2:	04:34	No, not at the moment.
New Speaker:	04:34	But, do none of you lot in the office, because I don't turn it on otherwise cause otherwise the damage it can cause to.
New Speaker:	04:38	[inaudible]
New Speaker:	04:38	everyone's lives. I can turn it on and just let use, lot see into it for half an hour. So, you can have a look at what's actually going on here. They forcerfied a possession order, which can be proved because of the time stamps that the council did. Then they falsified another injunction order, another injunction order, which I've won. They also forcerfied an Asbo on me, um, before anything started and the, Asbo is missing all of the signatures of the people, that um, through that through the police officer, the victims, sorry, it says that white people commit the crime on not even white at the time the parties were going on. I never throw them. I, so I copied the Facebook profiles of the people that throw the parties, which proves that, and I'm not the organizer of these events.
Speaker 2:	05:19	Plus there's the timestamps to the. The police are call centre and go backwards. They made up the paperwork and set me up and they keep kept setting me up. So, I've made all brand-new PDF books and made all new websites of all the emails, that was 500 emails that went to your departments in the MP'S before anything happened. And they caught a sex scandal as a smokescreen in my name. When me and my partner have never argued, I never hurt my partner and they have endangered my life and endangered her life. And endangered the young sibling's life and none of us are happy about what they've done. We've got all the clinics, recordings at the time on our phone on up on the website. We've got everything to protect ourselves to prove the truth of what's really happened here and we just want someone to pay attention.
Speaker 2:	05:59	They're trying to let, they're just saying that the last case the judge, judge, judge knew he was in trouble and I could prove that the timestamps are wrong for the council on that. Lemmy Nwabuisi, is a new person who started the company had copied and pasted all of the stuff because I told him about the time limitation Act 1980 on the phone. I asked him, can you go into the computer please in the recording I was recording and he said yeah, I'll go into the computer and check that the day of the last claim. And they said anything about me and he checked in, he goes on at six months ago. So, I said at the time limitation Act is out and he was trying to force me for a meeting at the civic centre. And I was saying that you can't force me for a meeting you're not a police officer. He's saying well if you don't come for this meeting. I'm going to possession order in. So, he copied and pasted like three claimant's claims and he'd made 31 claims, then went for injunction orders possession orders. He was gone. He's lived in the court with the company credit card trying to kill me like he's an assassin since he started the company and I've proved I can prove that. So easy do use lot have not got Google available.
Speaker 1:	06:57	No, not at the moment, but what I will do is it says that his line is busy so I'm going to send him an email to ask him to call you.
Speaker 2:	07:05	He had an email yesterday and he had an email about two days ago and I've had all employees sending him emails already and he's not contacting me back now and it's

		the **17th and** I'm left suffering because of him not following protocol to what a judge has ordered and what has been signed by solicitors and what's under his company Mandate. Under his company reference alone, it says that he must deal with things efficiently and in a timely manner. With fair processing,
New Speaker:	07:28	Hmm.
New Speaker:	07:28	he isn't doing so as you can see by the dates. Now that I am phone in the 17th of the 10th but, I'm going to leave it to yourself, Madam, to make another call and another email to him and I might try again a bit later on this afternoon about two o'clock just after lunch, if that's okay with yourselves.
New Speaker:	07:43	Yeah. that's fine that's fine.
New Speaker:	07:44	And then if not I'm going to continue tomorrow.
New Speaker:	07:47	Okay.
Speaker 1:	07:48	And in mean time, I'll send an email to him.
New Speaker:	07:49	Alright I will appreciate that you lot have a good day.
New Speaker:	07:52	You're welcome. Thank you for calling ok I hope you kill yourself thank you. bye, bye [inaudible].

Dear All,
Mr Cordell called me and was very aggressive and made threats over the telephone. He's saying that we are trying to take his flat away. He also said that Lemmy and I have forged documents, that he's going to get me struck off and will put me in jail. I had to end the conversation. He has tried calling me 6 times after that. I am putting you on notice that I have contacted the police and reported his phone calls as harassment. Finally, I would refer to the letter before claim/warning letter which was sent to you on Monday 15th October 2018. Mr Cordell has clearly breached the warning. We are now instructed to commence possession proceedings.

Social Circumstances Report for S.C Rio no 11214451 on Section 2 of the MHA 1983/2007

Date of birth:	26TH January 1981
Home address:	109 Burncroft Avenue, Enfield, Middlesex EN3 7JQ
Date of Admission:	26TH October 2018
Hospital/Ward:	Chase Farm Hospital, Dorset Ward
Care Coordinator:	Soobah Appadoo- Allocated August 2018
Report prepared by:	Soobah Appadoo
Sources of Information:	Electronic Documentation on Rio
Nearest Relative:	Ms Cordell (mother)
Date of this report:	7th November 2018

Who you are and in what capacity you know the patient, how long you have worked with them: My name is Soobah Appadoo? I am a CPN with the above-named team. I have been asked to compile this social circumstance report in support of above-named patient's Mental Health Review Tribunal (MHRT) appeal against his detention under Section 2 of the Mental Health Act. Mr Cordell was admitted on section 2 on the 26th October 2018.

Mr Cordell was previously under the care of the Early Intervention Team for 3 years. The Early Intervention Team discharged him in June 2018 and at that point he was referred to our team. There is a suggestion on RIO notes that he did not engage well with that team.
I was allocated to Mr Cordell in August 2018. We offered him an appointment at his flat on the 31st August. Mr Cordell rang our office the day before and spoke to me. I informed him that I am his new Care Coordinator. He said that he had been seen for "76 days by his CC" and there was "nothing wrong with me". He said that the reason we want to see him is to "cover for missing signatures?". He said he "will ruin anyone who come to my house" and he has "recording cameras and audios" to ruin us. He said if you come to my house "I f...ing will scar you for life". He used foul languages throughout this contact. He said that I "can take the f...ing referral and stick it up my a..e". He said that he does not want to see us. I could not interrupt him: very verbally aggressive with pressure in speech". I did manage to say that we are a different team from Lucas House and we want him to have a fresh start- He said "I don't f...ing care"
Further to that the MDT advised that we should assess Mr Cordell in clinic due to the potential risks. We then offered him an appointment on the 28th September which Mr Cordell did not attend.

NHS

My report is based on the information which I have extracted from RIO and my telephone conversation with Mr Cordell's mother.
Psychiatric history
On the 16th August **2016** Mr Cordell was admitted to CFH under Section 2 of the MHA. He was discharged on the 27th August **2016**. According to RIO notes Mr Cordell "was arrested at his home address after his mother raised concerns about his mental state - he was allegedly verbally threatening towards his neighbour and (?) neighbour's children. Simon's mother called police who arrested him. He was seen by the FME at Wood Green police station, was then referred for MHA."
He appealed against his Section. The Mental Health Review Tribunal discharged him from Section 2 on the 26th August **2016**.
Leading to current admission

As I stated above leading to this admission Mr Cordell did not attend appointments offered to him by our service. Subsequently due to the allegations made against him I was advised to attend a Safeguarding meeting for an alleged victim. In that meeting I was informed by the Council that Mr Cordell has a past and current history of physical and verbal aggression towards residents in the building. I was informed that the council has tried to work with Mr Cordell but to no avail. I was informed me that Mr Cordell was getting easily irritated even by the sound of a flushing toilet; this happened very recently and he threatened the resident concerned. The Council was of the opinion that these are signs of mental illness and suggested that BEH should proceed with a MHA. The Council argued that this is for the protection of others as well as Mr Cordell's own safety. Subsequently the council sent us a copy of 'Anti-Social Behaviour, Tenancy concerns and breaches- pre-action letter' which contained a chronology of alleged incidents dating from **2016**. These alleged incidents were in the meaning of an antisocial behaviour presentation.

On the 17th October Mr Cordell was discussed in our MDT meeting. A decision was made to conduct an MHA. An MHA was attempted on the 19th October. Mr Cordell did not cooperate and the assessment did not take place.

On the 23rd October an application for a warrant was made but was declined on the grounds "that there was insufficient recent evidence that he was being "kept under proper control" as he is living alone and "insufficient recent medical evidence that "he is unable to care for himself. According to RIO, on the 25th October Mr Cordell was arrested for breaching a harassment order. It was alleged that he was aggressive towards the police and spat at them. He was assessed at the police station. On interview he had pressure of speech, delusions about his neighbours and the police and housing ganging up against him. He denied drug use. He said that does not have a mental disorder. The

doctors who assessed Mr Cordell found him "hypomanic, with flight of speech, grandiose and thought disordered"

Forensic history

Nil known.

Risk History
According to the Risk Assessment on RIO notes Mr Cordell had expressed suicidal thoughts in the past. This was related to stress from court cases. The date is not stated in the Risk Assessment. Around that time, he said that he had researched ways of harming himself (poisoning, OD, hanging). He had said in the past that he tried to hang himself aged 16 when he was in a young offender's institute. He had said that he needed resuscitation. He tried to hang himself a second time after he was sentenced by a judge aged 20. He had said that he drank Nitrous Oxide in **2014** with intent to die.
According to his Risk Assessment he was regularly a victim or witness of his father's violent behaviour.
There are recent reports from the Council regarding alleged aggressive behaviours towards other residents. In June 2018 he was apparently involved in court case with the neighbours who he apparently threatened to harm.
Social circumstances
Personal History
Mr Cordell is single. He has a partner. He has no children. He was born in Enfield and did his schooling in Edmonton. Left school aged 16. He studied and worked in mechanics and road works, electrical and computers after he left school (mother's report)

Views of family
I telephoned Ms Cordell on the 7th November 2018. Ms Cordell told me that neighbours have been "terrorising" his son since **2014** in particular a neighbour on the 2nd floor. Ms Cordell told me that whilst her son is in hospital her nephew has been staying in the flat to look after the dog. The nephew has reported that the occupier on the 2nd floor have been "banging" on the floor. She said that the neighbour then realised that her son is not in the flat when they saw the nephew coming out of Mr Cordell's flat.

She told me that since the 26th October the "banging" has stopped. She said that she has complained about the neighbour herself but thinks these situations are misinterpreted by the council and the mental health services and her son is then seen as the perpetrator and or being mentally unwell. Ms Cordell stated that the sound proofing is lacking and the noise is real. Other neighbours have made allegations that Mr Cordell has been aggressive towards them. She said that there is no evidence of this; police have seen CCTV and found that her son had not left the flat at the time when these incidents were alleged to have happen. Ms Cordell gave another example in **2016** where it was alleged by a neighbour that her son had made threats to kill him. She said that the police initially charged her son with making threats to kill; after seeing video evidence they charged him with a 'Public Order Offence'. She said that around the time of this alleged incident her son was in his flat with some friends. Her son was not allowed to his flat and was bailed to her flat where he stayed until December **2016**. She said that the CPS after seeing evidence dismissed the case a day before the trial. She said that the council has never taken the responsibility to look at evidences; the allegations made against her son (physical assault, letting his dog on the loose) have not been proven. She said that on the 9th August in court the Judge ordered Enfield Council to move her son to a 2-bedroom flat but the Council wants/plans to evict him instead. She said that the Council has no grounds to apply for her son's eviction.

She said that her son has a one bedroom flat. She said that he does not want to live there. She said that he needs a 2-bedroom flat with the plan that his cousin could stay with him to provide emotional support. She said that her son has everything he needs in the flat. She told me that her son is very independent in activities of daily living; his personal care is extremely good; he cooks for himself, maintains the flat and takes responsibility for his bills. She told me that he has no financial difficulties/no debts.

She said that her son has a work history. In **2010** he was planning to set up a business in the entertainment industry. He has also built websites in relation to this. At present he is not in employment. He is in receipt of Employment Support Allowance but needs to make an application for Personal Independent Payment.

I asked her if she thinks her son has a mental illness; she told me that he suffers from stress and anxiety due to issues with the neighbours but does not think he has a mental illness. She said

that the judged looked at evidence and did not grant a warrant in October 2018 for a mental health act to take place at her son's flat.
I asked Ms Cordell if she thinks her son could benefit from support from the community team. She said that he could do with some support but "we should stop labelling him as being delusional as he is not delusional".

After-Care
Potentially Mr Cordell care/treatment would be delivered via the Care Programme Approach. I am the allocated Care Coordinator and he will have a responsible clinician in the community. My role would be first of all to build a relationship with Mr Cordell as I have only met him on 2 occasions. I will try to motivate him to engage with myself and the multidisciplinary team. As his Care Coordinator I will review Mr Cordell regularly independently and with the Community RC.
We have a Team Clinical Psychologist and it would be vital for Mr Cordell to have some form of talking therapy. This is on the basis of the stress and anxiety that his mother states he suffers from.
We have a Dual Diagnosis Worker in the team who could offer drug counselling if necessary.
We have an organisation called 'Remploy' which is funded by the Local Authority. Potentially they could support Mr Cordell to find work. They meet regularly with clients whilst they are in work and also liaise with employers.
I could support Mr Cordell in making an application for PIP. Alternatively, he could get that support from 'Enfield Well-Being Connect'
The Mental Health Enablement Team could provide support in tenancy management as well as support to access education/training and work.
Opinion and recommendations
I have met Mr Cordell on two occasions only and I have not had the opportunity to assess him in the community. A rapport needs to be established with him.
On the basis of recent events, history of risks to self and alleged risks towards others, and taking into account the views of the MDT on the ward I think that he would benefit from a longer stay in hospital. This is in-order for the MDT to assess him comprehensively to determine if he has a severe and enduring mental illness such as

schizophrenia/psychosis. If it is determined that he has a severe mental illness then this should be treated accordingly whilst he is in hospital.

Enfield AMHP Service Attempted MHA Assessment
Dr Keyhani (S12)
Dr Albazaz (S12),
Anthony Manning (AMHP)
Larry Ryan (Trainee AMHP),
Soobah Appadoo (Care Coordinator),
Kingsley and Michelle (CRHTT).
11:15am Communal door to flat had been broken and closed with tape which opened easily. Simon's flat, 109 is on ground floor and door was closed and had a strap fastened to bottom of door as well. After knocking Simon asked who it was and when told " A social worker from Enfield Mental Health services" he said that he did not wish to see me and to go away, he talked rapidly about being subjected to **75 assaults at the hands of mental health** services and that he has **documented evidence and is taking action.** Claimed he would make us all redundant. **He warned us to leave.** A dog could be heard barking behind the door.
We left the block and gathered outside on the footpath to discuss plan. Shortly after Simon came out and approached as talking with pressured speech about his long battle with the police and legal system, how he is even now subject to a Curfew which keeps him from leaving his flat after 10.30 and this is in force until 2020, he claims.
It was difficult to follow his story but appeared to all relate to the organisation of raves and club nights. He recognised Dr Albazaz
from a previous assessment and said that he was there and he did not like him. Gradually a level of rapport was established and it was suggested to Simon that it might be a good idea to continue the discussion in his flat rather than in a public place.
He agreed to this and I asked him to lock the dog away he said he will lock it in the back garden. Prior to entering the flat I informed Simon that I am a trainee AMHP and myself and the 2 doctors with me will be conducting a Mental Health Act assessment. We then entered the flat which was very cluttered with musical equipment and stacks of books and records. On the coffee table was a modern Apple PC. There was no obvious smell of drugs only cigarette smoke. Upon entering the living room and the mention of the 2 doctors he pointed to Dr Albazaz and said that he will not talk to him and does not want him in the flat. I explained that we could not conduct the assessment without 2 doctors and that we would need to leave. He was very keen to show me things on his computer relating to conspiracies and torments that he perceives he is suffering but we left explain the assessment would need to happen at another time.

Plan: **Apply for S135 (1) warrant in view of his unwillingness to be assessed.**
Would require removal to a place of safety for assessment.
Plans to be made for care of dog if Service user is removed to POS.

9:45 am T/C :o Simon's mother and nearest relative Lorraine Cordell (07807333545) she informed me that she had talked to Simon last night on the phone and sounded "like his normal self" she took fish and chips over to him 2 days previously and he was bright and cheerful she reported. I explained that we are today going to assess him under the MHA and that I wanted to consult with her. She said that he rarely leaves the flat and she visits with shopping and takes the dog for a walk. His dog currently has an abscess and the vet has prescribed anti-biotics. It was a difficult conversation as the mobile reception was poor. **I agreed to call her after the assessment.**

Working on wix /
Bro at court
When in doors asleep I got awoke by my neighbours who are 117 the Mathiyalagans and this happened to me when I was in my front room laying on my sofa!
The Mathiyalagans started to jump up and down on the floor above were I got awoke.
This got done to me with evil intentions.
Rather than lead myself into trouble I decided to keep recording what was getting done to me on my camera system that is installed in each and every room in my home.
While I was getting attacked with hate crime I decided to continue to lay down and battened that I had not been awoke as the neighbours can hear my every movement even from to flats above mine as the sound proofing within my rented home is that of anon existence.
After not being able to take any more of what was getting done to me, I decided to head inn to my toilet so that I could have my wash.
When in the bathroom the now

When he then after super forged them and copied and pasted Sarah Flexures work and created 31 different claims then on after giving up on the trap meeting for him to then create a possession order to steel my home from his then on super forged claims against me to then needing the statement makers statements because I requested them of himself for Lemmy too then create an injunction order against me from the same claims to recover the missing victims missing statements to which I won the injunction order at a court he then created another injunction order to cover up what I can prove of threats to kill him while on the phone in turn getting me arrested when I never done what he said so that he could also then illegally reinstated the stuck out Mathiyalagan claims into his own application and then on adding as much lies to tarnish my life.

Social Circumstances Report for S.C Rio no 11214451 on Section 2 of the MHA 1983/2007

Date of birth:	26TH January 1981
Home address:	109 Burncroft Avenue, Enfield, Middlesex EN3 7JQ
Date of Admission:	26TH October 2018
Hospital/Ward:	Chase Farm Hospital, Dorset Ward
Care Coordinator:	Soobah Appadoo- Allocated August 2018
Report prepared by:	Soobah Appadoo
Sources of Information:	Electronic Documentation on Rio
Nearest Relative:	Ms Cordell (mother)
Date of this report:	7th November 2018

Who you are and in what capacity you know the patient, how long you have worked with them: My name is Soobah Appadoo? I am a CPN with the above-named team. I have been asked to compile this social circumstance report in support of above-named patient's Mental Health Review Tribunal (MHRT) appeal against his detention under Section 2 of the Mental Health Act. Mr Cordell was admitted on section 2 on the 26th October 2018.

Mr Cordell was previously under the care of the Early Intervention Team for 3 years. The Early Intervention Team discharged him in June 2018 and at that point he was referred to our team. There is a suggestion on RIO notes that he did not engage well with that team.

I was allocated to Mr Cordell in August 2018. We offered him an appointment at his flat on the 31st August. Mr Cordell rang our office the day before and spoke to me. I informed him that I am his new Care Coordinator. He said that he had been seen for "76 days by his CC" and there was "nothing wrong with me". He said that the reason we want to see him is to "cover for missing signatures?". He said he "will ruin anyone who come to my house" and he has "recording cameras and audios" to ruin us. He said if you come to my house "I f...ing will scar you for life". He used foul languages throughout this contact. He said that I "can take the f...ing referral and stick it up my a..e". He said that he does not want to see us. I could not interrupt him: very verbally aggressive with pressure in speech". I did manage to say that we are a different team from Lucas House and we want him to have a fresh start- He said "I don't f...ing care"

Further to that the MDT advised that we should assess Mr Cordell in clinic due to the potential risks. We then offered him an appointment on the 28th September which Mr Cordell did not attend.

NHS

My report is based on the information which I have extracted from RIO and my telephone conversation with Mr Cordell's mother.

Psychiatric history

On the 16th August **2016** Mr Cordell was admitted to CFH under Section 2 of the MHA. He was discharged on the 27th August **2016**. According to RIO notes Mr Cordell "was arrested at his home address after his mother raised concerns about his mental state - he was allegedly verbally threatening towards his neighbour and (?) neighbour's children. Simon's mother called police who arrested him. He was seen by the FME at Wood Green police station, was then referred for MHA."

He appealed against his Section. The Mental Health Review Tribunal discharged him from Section 2 on the 26th August **2016**.

Leading to current admission

As I stated above leading to this admission Mr Cordell did not attend appointments offered to him by our service. Subsequently due to the allegations made against him I was advised to attend a Safeguarding meeting for an alleged victim. In that meeting I was informed by the Council that Mr Cordell has a past and current history of physical and verbal aggression towards residents in the building. I was informed that the council has tried to work with Mr Cordell but to no avail. I was informed me that Mr Cordell was getting easily irritated even by the sound of a flushing toilet; this happened very recently and he threatened the resident concerned. The Council was of the opinion that these are signs of mental illness and suggested that BEH should proceed with a MHA. The Council argued that this is for the protection of others as well as Mr Cordell's own safety. Subsequently the council sent us a copy of 'Anti-Social Behaviour, Tenancy concerns and breaches- pre-action letter' which contained a chronology of alleged incidents dating from **2016**. These alleged incidents were in the meaning of an antisocial behaviour presentation. On the 17th October Mr Cordell was discussed in our MDT meeting. A decision was made to

conduct a MHA. A MHA was attempted on the 19th October. Mr Cordell did not cooperate and the assessment did not take place.

On the 23rd October an application for a warrant was made but was declined on the grounds "that there was insufficient recent evidence that he was being "kept under proper control" as he is living alone and "insufficient recent medical evidence that "he is unable to care for himself.

According to RIO, on the 25th October Mr Cordell was arrested for breaching a harassment order. It was alleged that he was aggressive towards the police and spat at them. He was assessed at the police station. On interview he had pressure of speech, delusions about his neighbours and the police and housing ganging up against him. He denied drug use. He said that does not have a mental disorder. The

doctors who assessed Mr Cordell found him "hypomanic, with flight of speech, grandiose and thought disordered"

Forensic history

Nil known.

Risk History

According to the Risk Assessment on RIO notes Mr Cordell had expressed suicidal thoughts in the past. This was related to stress from court cases. The date is not stated in the Risk Assessment. Around that time, he said that he had researched ways of harming himself (poisoning, OD, hanging). He had said in the past that he tried to hang himself aged 16 when he was in a young offender's institute. He had said that he needed resuscitation. He tried to hang himself a second time after he was sentenced by a judge aged 20. He had said that he drank Nitrous Oxide in **2014** with intent to die.

According to his Risk Assessment he was regularly a victim or witness of his father's violent behaviour.

There are recent reports from the Council regarding alleged aggressive behaviours towards other residents. In June 2018 he was apparently involved in court case with the neighbours who he apparently threatened to harm.

Social circumstances

Personal History

Views of family
I telephoned Ms Cordell on the 7th November 2018. Ms Cordell told me that neighbours have been "terrorising" his son since **2014** in particular a neighbour on the 2nd floor. Ms Cordell told me that whilst her son is in hospital her nephew has been staying in the flat to look after the dog. The nephew has reported that the occupier on the 2nd floor have been "banging" on the floor. She said that the neighbour then realised that her son is not in the flat when they saw the nephew coming out of Mr Cordell's flat. She told me that since the 26th October the "banging" has stopped. She said that she has complained about the neighbour herself but thinks these situations are misinterpreted by the council and the mental health services and her son is then seen as the perpetrator and or being mentally unwell. Ms Cordell stated that the sound proofing is lacking and the noise is real. Other neighbours have made allegations that Mr Cordell has been aggressive towards them. She said that there is no evidence of this; police have seen CCTV and found that her son had not left the flat at the time when these incidents were alleged to have happen. Ms Cordell gave another example in **2016** where it was alleged by a neighbour that her son had made threats to kill him. She said that the police initially charged her son with making threats to kill; after seeing video evidence they charged him with a 'Public Order Offence'. She said that around the time of this alleged incident her son was in his flat with some friends. Her son was not allowed to his flat and was bailed to her flat where he stayed until December **2016**. She said that the CPS after seeing evidence dismissed the case a day before the trial. She said that the council has never taken the responsibility to look at evidences; the

allegations made against her son (physical assault, letting his dog on the loose) have not been proven. She said that on the 9th August in court the Judge ordered Enfield Council to move her son to a 2-bedroom flat but the Council wants/plans to evict him instead. She said that the Council has no grounds to apply for her son's eviction.
She said that her son has a one bedroom flat. She said that he does not want to live there. She said that he needs a 2-bedroom flat with the plan that his cousin could stay with him to provide emotional support. She said that her son has everything he needs in the flat. She told me that her son is very independent in activities of daily living; his personal care is extremely good; he cooks for himself, maintains the flat and takes responsibility for his bills. She told me that he has no financial difficulties/no debts.
She said that her son has a work history. In **2010** he was planning to set up a business in the entertainment industry. He has also built websites in relation to this. At present he is not in employment. He is in receipt of Employment Support Allowance but needs to make an application for Personal Independent Payment.
I asked her if she thinks her son has a mental illness; she told me that he suffers from stress and anxiety due to issues with the neighbours but does not think he has a mental illness. She said that the judged looked at evidence and did not grant a warrant in October 2018 for a mental health act to take place at her son's flat.
I asked Ms Cordell if she thinks her son could benefit from support from the community team. She said that he could do with some support but "we should stop labelling him as being delusional as he is not delusional".

After-Care
Potentially Mr Cordell care/treatment would be delivered via the Care Programme Approach. I am the allocated Care Coordinator and he will have a responsible clinician in the community. My role would be first of all to build a relationship with Mr Cordell as I have only met him on 2 occasions. I will try to motivate him to engage with myself and the multidisciplinary team. As his Care Coordinator I will review Mr Cordell regularly independently and with the Community RC.

We have a Team Clinical Psychologist and it would be vital for Mr Cordell to have some form of talking therapy. This is on the basis of the stress and anxiety that his mother states he suffers from.
We have a Dual Diagnosis Worker in the team who could offer drug counselling if necessary.
We have an organisation called 'Remploy' which is funded by the Local Authority. Potentially they could support Mr Cordell to find work. They meet regularly with clients whilst they are in work and also liaise with employers.
I could support Mr Cordell in making an application for PIP. Alternatively, he could get that support from 'Enfield Well-Being Connect'
The Mental Health Enablement Team could provide support in tenancy management as well as support to access education/training and work.

Opinion and recommendations

I have met Mr Cordell on two occasions only and I have not had the opportunity to assess him in the community. A rapport needs to be established with him.

On the basis of recent events, history of risks to self and alleged risks towards others, and taking into account the views of the MDT on the ward I think that he would benefit from a longer stay in hospital. This is in-order for the MDT to assess him comprehensively to determine if he has a severe and enduring mental illness such as schizophrenia/psychosis. If it is determined that he has a severe mental illness then this should be treated accordingly whilst he is in hospital.

Enfield AMHP Service
I made an application today for a Warrant under Section 135(1) of the Mental health Act 1983/2007.
The District Judge was of the opinion there was insufficient recent evidence that he was being "kept under proper control" as he is living alone.
She further considered that there is insufficient recent medical evidence that "he is unable to care for himself' i.e. particularly his mental health, has he been prescribed / has he been taking it?
It could be considered that he is not going out to avoid accusations that he is in breach of his Tenancy conditions.
There is a report dated 8.7.2018 which indicates that he may lack capacity to adhere to the conditions of an injunction against him.
The District Judge felt that there may be other legal options that could be used in preference to her issuing a S135 (1) warrant for which she considered there is insufficient evidence to consider he is unable to care for himself.
To gain the necessary evidence there needs to be a further Psychiatric assessment offered to Mr Cordell at a time when his mother might be available to facilitate the appointment as had been previously planned.

Interlinked Table Numbers:
Today I got awoke by my Neighbors once again who are addressed at 117 Burncroft Avenue who are the Mathiyalagan family. What is getting done to me is achieved with evil criminal intentions.
When explain what was on this day getting done to me illegal and what is also a clear breach of my human rights, I explain that, when sitting down at home on my sofa I heard a knock on my front door when I went to answer it, I first took a look through my front door key hole, when doing so, I noticed two police officers one male and on female. I can remember asking the woman officer a question What I asked her was why they were outside of my front door and in short to why I asked the question
is I wanted to understand for what reason they wanted to speak to me, I received a reply of the Female police officer who replied to my question by saying that she just wanted to chat to me about something, I can remember replying to her by saying I can chat to you still without opening my front door and in blunt saying to her please can you just explain to me what you want, she said that she just wanted to give me some paperwork and did not want to arrest me for anything I again replied to her in a deeper voice and told her that I will not accept anything from them.
I held my letter box closed so that no mail could enter inside of my flat from the police officers who were outside. Soon afterwards I heard them both leave my communal hallway. When I was sure that they had left the building, I opened my front door.
I took a look on the floor and noticed that there was a letter left on the floor.
After picking it up I took a short peek at the heading and realised that it was another Harassment Letter against my person in Knowing that I never done anything wrong again so to be able to receive such a notice in a fair motion.
I Decided to question the police officer who had tried to post the letter through m front door.
In doing so I quickly run outside of my front communal door and looked around the streets locations to see if I could still catch up with the two police officers.
I noticed them both to my left when coming out of my building still walking towards their police car so I called out to them in a polite manner / not to load or neither hash in voice.
The police officers turned around towards myself and asked what I wanted, I replied to them both I just wanted to chat to them about what has been going on and as I was doing so I hurried towards them but in a settled manner, as I approached them I took my time as I chose my words and because of this I can remember what I said, what I did say was after noticing that they were both were body cameras and went a little something like this: --
Woman Police Officer:
what do you want?
Simon:
I would like to report a crime. A police officer has caused me to suffer from gross Misconduct and would like to report it to you under the police efficiency Act of Law 1999 or 2003 or under any police whistle blowing policy you must be in accordance to.
What I am reporting to you is that a police Officer that who is name as Steven Elesmore who works for your branch has forge official paper work and then on filed it against me alongside with other members of the Metropolitans Police Force.
Woman Police Officer:
I am not dealing with that; I am here only to serve you a Harassment Letter.
Simon:

That is not correct protocol when I explain to you about corruption that has been caused by one of your colleges must act upon it.

Woman Police Officer:

I am not here to deal with that.

Simon:

But I am reporting a crime to you.

Woman Police Officer:

Can you stop shouting at me?

Simon:

I am not shouting at you I am just talking to you.

Woman Police Officer:

I am going to turn my body camera on

Simon:

Why is it not on already?

Woman Police Officer:

"Woman Police Officer turned on her body cam"

Simon:

I have had another of this harassment from your police force and the council and this does also include the neighbors who choose to forge offal documents. I told the police force that the people making these claims tried to set me up by forging official paperwork to aid in taking my flat of me in the form of a forged possession order and I supported my clams of truth alongside with good evidence that I have to support my clams.

Woman Police Officer:

I am only here to deal with giving you a harassment letter.

Simon:

year, but what I am saying to you has to do with that harassment letter, this is bios.

Simon:

"I took the harassment letter that the police officer had left outside of my front door and decided to tear it up in front of them both and as I done this, I made a spitting sound and said well that's what I think of the way that the police deal with their laws. I done this as I was turning around to walk back towards my home."

Woman Police Officer:

The female Police Officer shouted out he spotted at me.

Simon:

I noticed a male's arm go around my neck and start to choke me from behind I could feel the man's weight on my back trying to bring me to the ground and after a few seconds I felt him become successful in his ambush against my person I can remember felling my hand and knees hurting me as the hit the concrete floor. I can remember finding it getting harder and harder to breath and with what felt like my last breath I managed to make a voice in the formation of a screech the words that came out of my mouth were that of "you are choking me."

Woman Police Officer:

The woman officer continued to try and get my hands while she continues to scream that I was still spitting even more so than from the start of their unneeded issues of concern with me.

Simon:

I can remember thinking he is going to kill me if I do not stop him and his bad temper, and in realizing so, I remembered the police body cameras were still recording so choose to take caution in doing so, what I did was stand up and run away from the two police officers. I run into my block and felt them hot on my toes I closed my communal door and reminded the polices officers of my dog by shouting my dog my dog my dog be careful my dog.

Woman & Male Police Officers:

Never followed me into my home and I decided to leave through my backdoor due to wanting things too cool down from both parties involved myself and police officers.

I walked through Durant's Park Enfield London and then walked up the Hertford Road

And back down Green Street to my home on my route I noticed a police car driving and decided that the best thing to do was stop the petrol car and ask for their assistance

I was happy to see different police officer from the ones that had just attacked me and made this point very clear to them I got told that I was under arrest and then on jumped in the back of the police car with them. While in the police car I got told that I was under arrest for assault "spitting at police officer" I explained the truth to them in short.

Simon:

I got taken out of the police car and then placed into the back of a police van and the transported to the Wood Green Police Station.

Wood Green Police Station

My Detention at wood Green Police Station.

I got transported to the police station and taken straight away out of the police van and brought into a holding cell.
While in the police holding cell, I got to speak to the police officer who had transported me to the police station. I remembered that I had met him before, while talking to him he reminded me where I knew him from, what he said was he was is that he was the police officer whom had come to speak to me at my home address before:
He continued our conversation by saying to me that he was the police officer whom had prior got called about an incident referring towards me hiring out my sound system.
After taken even more understanding towards what he was saying to myself I realised that he is a police officer that is involved in the first Asbo Case.

What did happen was: --

1 Falcon Park, Neasden Lane; NW10: --

On the 20th June **2014** it got alleged by members of the police that I got involved in the organisation of and/or supplied equipment for and/or attended an illegal rave at 1 Falcon Park, Neasden Lane, NW10.
This is not accurate information as the truth is that I had got contacted by way of mobile phone by a client, and he asked me if I would hire a sound system out for a gentleman's, birthday party. After our conversation I agreed to do so and a sound system and a van got hired out to that person and then later collected from outside of my home address.
My terms and conditions got signed, and a deposit got given to me, by the client.
Once the client left me, I continued with my day and then went back to my home.
When at my home, I ended up receiving a phone call at 1:00 hours in the morning by the same client who said that the police were in attendance, and they were seizing the sound system. I remember getting up from what I had prior gotten occupied with and leaving my home address at around 1am hours, so to attend to the private party location, which took place indoors.
Then soon after I arrived at the client's destination, at around the time of; 2:00 hours, I would claim that I took one hour and ten minutes to attend to, as I drove outside of the address that I had to be at so to park my car I can remember there being lots of different members of the police who were already present. When I approached to the address front door on my two feet, to which address I got given by the client, the police were there blocking any persons entrance, so I spoke to the police officers and explained to them by circumstances, this meant that I showed them a copy of the higher invoice and a copy of my terms and conditions of hire, I got allowed entry by the police officers who were present to pack the sound system away and once I finished doing this, I asked to get released with the equipment, it then got explained that the equipment was to get confiscated.
After a lengthy, debate, I had no option but to allow the police officers to seize the equipment, I got allowed to collect the sound system from the police at a later date, without being arrested or any charges being brought into motion. This meant; that I never returned the sound system to the same client ever again as he breached my terms and conditions and at no time did, I knowingly supply equipment for an illegal party. A few months' later this date got added to the Anti-Social Behavior Order against me, even low I caused no problems.

  Event Date

Once our conversation was finished, I knew that A police officer named Steven Elesmore who is the Asbo developer used his statement contained in a Crimit's and edited the intel and placed it inside of the Asbo folder.

End of conversation with the arresting police officer.

While at the Police Station getting Booked in: --

Once put in front of the custody officer so that I could get booked into the police station I asked him if he would document the following down.

1) Please take the police officers cloths and put them into forensics as my DNA will not be on them as I never done what I was getting accused of.

2) For a copy of the Police office seeing an FME / doctor.

3) For the police body cameras to get observed to prove that I never spat at any person or anything.

4) I asked if I could see a doctor about my medical injuries to which did happen.

I got put in a detention cell while I waited for members of the CID Force to put their paper work together.

I look after myself while I was in the police cell by asking the staff to contact my mother and allow me to speak with her also that of my solicitor, to which both legal rights of mine got completed without any issues.

I asked for food on two different occasions in my short time in detention, there was also no issues of concern revving food in the police station.

There was no bedding in the cell when I first entered it and I therefore asked for that to get rectified, this got achieved straight after I requested the bedding.

All of my detention in the cell I was on camera in the police cell.

Finally, the custody officer came up to me and told me that he was dropping the case against me but I could still not leave due to the fact that the Mental Health Doctors wanted to see me.

I asked him am I obliged to speak to them and explained to him that I had not acted with a Mental Illness throughout my detention in the police station in fact I had done the complete opposite and asked for food, drink, blanket, medical care, to speak to a solicitor, to speak to my mother, I managed to sleep for a while also.

The sergeant explained to me that it was not down to the police that the doctors wanted to speak with myself and I continued by explaining to him that it was also not down to anything that I had done while in custody or beforehand as well.

He pleaded with me to be in compliance to his official public servant's request in so many different words, by asked me to confirm to himself that I will do so, I explained to him that I did not want to speak to any doctors and did not see any reason to warrant such forced treatment but due to him having me detained in a police cell I did not feel like I did have any other choose in the matter.

Doctors came to cell door: --

Our conversation came to an end and as he moved his head away from the cell hatch, I noticed a few more people outside of my cell door, when taking a closer look, I can remember that in doing so I noticed quite a few of them from other prior occasions, as if in to mean who they were. The reason I remembered who they were easily is because on the

25/10/2018

Most of them came to my home on an un expected visit: --

What had happened on the 25/10/2018? --

What had happened is that the doctors from Silver Street Crisis Team had made a telephone call to my mother in the morning of the

25/10/2018

I never found this out until later in the evening as I had left my mobile phone turned off from the night before hand and also due to my mother having to go to another court case in **Oxford on the same Morning.**

While indoor I received a knock on my front door when I went to see who it was, I heard a reply of it is the doctors we want to speak to you about your mental health, I was quite shocked for the doctors to be at my front door again after all that had happened as of so far between me and them self's.

Because I never knew they were coming I never rushed and tydeid up my flat when first waking up and on stead had started work on my computer.

When speaking to the doctors with my home front door closed at first, I heard a man's voice say hello Simon we are the doctors and we want to do an assessment on your Mental Health under the Mental Health Act 1983.

I decided not to open my front door at first and to find out more to why they believed they had the rights to do yet again another assessment on me by speaking to them with the door keep shut.

They would not explain much to me and all preferred to walk away.

I waited for them to go out the door and tried to call my mother but her mobile phone was turned off.

After a few moments I decided to go outside and learn more to why they wanted to use the Mental Health Act against my wellbeing.

When outside of my block of flats I could see a few of the Mental Health team members sitting on a low built wall and the rest standing together all talking.

I approached them and asked why they keep attending my home address without any official person ever taking a statement of myself about what I claim about on stead of victimising me and then on doing the correct follow-up's.

The official Public servants outside of my home said the normal reply to myself by this date and that was "we got referred to you"

I explained that some person must do the correct follow ups about what I claim about for once and then these fake claims against me might stop.

The doctors said to me that speaking outside in the road will not help, so I offered for them to come inside of my flat and do their assessment yet again against me.

The doctors accepted my offer and followed me into my flat.

Doctor Abiza Came into my front room of my flat

After the doctors left my home, I made a few telephone calls to understand who sent them and put an official complaint in about what had just happened.

I recorded the recordings of myself making an official complaint to the Mental Health Act's Department at the Silver Street Department and this is the transcribes of them recordings: --

Back to the Date of the: 00/00/2018, "At the Police Station.": --

Because of what happened to me the last time with Maggie Fuller who is an Amp Worker for the NHS Mental Health trust,

Dated the: **25/10/2018**: --

I understood the situation that I was in with the public servants on the **25/10/2018**, so, I started to show why I must not get detained and in other words "put my defense forward to the doctors.": --

1) That I was not Mentally ill.

2) That my family and friends also did not think that I was Mentally unwell.

3) Why are they at my Police cell door to speak to me in the beginning!

4) That I noticed a few of them like Larry, who works for the Enfield Council, that came to my house to do another assessment against me on the Date of: **25/10/2018**, just a few days beforehand and the reason given to me was because of another case of abuse of position and with a bios opinion and unlawful at that, due to another bogus and therefore malicious phone call made by my neighbors about my person.

5) That this was now the **300000000** day that the doctors had come to assess me under the Mental Health Act and on all other occasions that there was nothing wrong with myself.

6)

7)

8)

9)

10)

While putting good reason that an assessment 2 must not get warranted as towards the grounds of the detention not being warranted, the police officer / Sargent allowed for this conversation to continue and opened my cell door and while we were taking.

The Doctors said that they needed a few minutes on their own to discuss with each other what was going on and not to long after he arrived back to my cell door and undone the cell hatch again but this time told me that I was getting sectioned under the Mental Health Act under an assessment 2.
I explained to them all present that I did not think that this was a fair assessment as I had not even been taken into a room with them or neither had they come into a room with me and that the conversation that we had just had with each other was just merely an introduction.
With this the doctors walked away and closed the hatch on the cell door.
Very soon after a normal ambulance arrive and two female officers who were both polite took me to the hospital named as Chaser Farm Hospital and then after brought me on to the Dorset wing.

Mr. Simon Cordell

My reasons for my opinions are: --

Mr. Cordell is known to psychiatric services but has not engaged with them in recent years. Today he was arrested for spitting at a police officer after they were called about him harassing his neighbors.
He has a number of non- molestation orders
Against him, forbidding him from contacting them.
On examination Mr. Cordell displayed a range of affective and psychiatric symptoms.
He Spoke rapidly and was thought disordered with overinclusive and tangential speech.
He held a number of grandiose and delusional beliefs.
He told us that the police were conspiring with medics and the council to silence him as he had uncovered police corruption.
He said he was targeted by police as they were envies of his abilities.
He told us that his neighbors two floors above were controlling the neighbors below them and caused them to stamp on the floor and disturb Mr. Cordell.
He did not believe that he was Mental unwell and was adamant that he would not see a physiatrist.
He lacked insight into his presentation.
He was irritable and has assaulted police officers and harassed his neighbors in recent days.
He poses a risk to others; therefore, his behavior poses him a risk of retaliatory Symptoms. This places his Health and safety at risk.
There is evidence that he has a Mental illness of a nature and degree which warrants assessment and treatment in hospital and without this there is a risk of harm to his health and safety and the safety of others.

My reasons for my opinions are: --

This man is hyper mental with flights of speech and ideation.
He has delusions that the police are targeting him are other residents in his block of flats.
He says people in the street are spitting at him because they believe he gave a woman herpes.
He is quite grandiose in his ideas about helping the world.

I got taken to the hospital "Dorset Wing"

Summary of assessment	
Patient's name	Simon Cordell

Date of assessment	25/10/2018

1. Referral details and any other precipitating factors

He was arrested today for spitting at a police officer after they were called about him harassing his neighbours. He also has a number of non-molestation orders against him, forbidding him contacting them. It was also reported that he appeared to be thoughts disorder, held a number of grandiose and delusional beliefs. Said the police were conspiring with medics and the council to silence him as he had uncovered police corruption. He also said his neighbours two floors above were controlling the neighbour below them and caused them to stamp on the floor and disturb him.
police liaison requested a mental health act assessment, recent attempted mental health assessment but he refused to engage, a report went to court but they refused a warrant to complete an assessment.

2. Relevant social and medical history

Mr Cordell was a victim of sexual abuse as a child and attended SAFE under Dr Caplan for a long time. He was arrested for burglary as a young man and was remanded in custody in a Young offender's institution for a prolonged period. During this period, he was discovered making preparation to kill himself by hanging.
It is recorded that he has used laughing gas and LSD.
He was arrested for organizing illegal raves It seems that he. may base his complaints for Police Harassment as he believes they have obstructed his ability to run this business. It is reported that he was made the subject of an ASBO, required to wear a tag and believed he could not go out at all for about a year. He was banned from visiting bams derelict buildings and factories and had a curfew. Medical: Mr Cordell suffers from Crohn's disease but does not eat properly to manage his symptoms and will not seek medical advice for this. In **2014** there were many deaths in the family from natural causes especially his grandmother to whom he was very close. He was assessed for admission in November 2104 but not detained.
During this period, he spent many hours in doors his mother kept smelling gas but no leak was detected despite repeated complaints. He felt very ill and spent some days in hospital. Sometime later it was discovered the gas and carbonmonixide meters were incorrectly installed and he was without heating or hot water for 6 weeks.

3. Record of interview with patient (Include where it was conducted who was present and use of police if required during process) Mental Health Act Assessment Wood Green Police Station, Dr s Hewitt and Dr P Keane.
section 2 application by Anthony manning. The patient seen in the police cell, he was arrested today as the police called to his flat re him breaking a harassment order, he assaulted the police who attended, and spat at them. on interview he had pressure of speech, delusions about his neighbours and the police and housing ganging up against him. He denied drug use. He does not feel he has a mental disorder, spoke about organising st Ann's when he was admitted in the past, both doctors found him hypomanic, flight of speech, and grandiose. Said the police were conspiring with medics and the council to silence him as he had uncovered police corruption. He also said his neighbours two floors above were controlling the neighbour below them and caused them to stamp on the floor and disturb him. police liaison requested a mental health act assessment, recent attempted mental health assessment but he refused to engage, a report went to court but they refused a warrant to complete an assessment, he was also thought disordered, see medical recommendation for evidence. taking all the circumstances of the case into consideration including his human rights I made a section 2 application based on two medical recommendations. See medical recommendations for details.
4. Assessment of risk to patient and/or to others
Mr Cordell seems to have a history of deteriorating behaviour and feelings of persecution and since 2014 after the deaths in his family and the carbon monoxide poisoning. He has been taping everything and has Closed circuit TV outside his flat. It is reported that he believes the TV is talking about him. He has been depressed in the past and attempted to take his own life. He seems to have some very grandiose plans to run Raves but no evidence that he has any funds for it. this is a long running issue that has not changed since his admission in 2016. given his presentation today he would be a risk to other if not assessed under the mental health act and then treated.
2 **October 2009**

Summary of assessment

Patient's name	Simon Cordell
Date of assessment	25/10/2018

5. Consultation with Nearest Relative and process of identifying the Nearest Relative

Lorraine Cordell his mother is one of the few people he still trusts to support him. He has become dependent on her to do his grocery shopping or care for his dog. He has no regular partner or child over 18 years. I deem his mother to be Nearest Relative, she believes there has been a difference in him since he suffered carbon monoxide poisoning in 2014. she sees no change in him but does feel he needs mental health assistance and treatment, she does feel he got detained under false pretence as we deemed him to be delusional in his thoughts about the police and his neighbours, she does feel he suffers from depression and does need treatment for this.

6. Consultation with Assessing Doctors

Both Doctors were of the opinion that he had pressure of speech and that his thought processes are delusional. they do not feel he can be treated in the community.

7. Views of others consulted

8. Mental Capacity Act 2005

Mr Cordell seemed to want to demonstrate his innocence and evidence that he was being unreasonably harassed. He had no concept that his behaviour would be seen as unacceptable and was in fact putting his tenancy at risk. He does not accept that his presentation may be the result of a mental disorder and that he needs an assessment of his mental state and treatment for this, so he could not agree to an informal admission. I deemed him to lack capacity to make this decision today.

9. Reason for decision to make the application (including choice of Section)

Mr Cordell seems to have a history of deteriorating behaviour and feelings of persecution and since 2014 after the deaths in his family and the carbon monoxide poisoning. He has been taping everything and has Closed circuit TV outside his flat. It is reported that he believes the TV is talking about him. He has been depressed in the past and attempted to take his own life.

He seems to have some very grandiose plans to run Raves but no evidence that he has any funds for it. this is a long running issue that has not changed since his admission in 2016.

given his presentation today he would be a risk to other if not assessed under the mental health act and then treated. section 2 allows a period of assessment and or treatment for his mental disorder so this was the appropriate section to make today.

Simon is a 37 years old gentleman well known to the services. Admitted on Dorset ward on Section 2 of the MHA. It was reported that he has not been engaging with the services in recent years. He was arrested today for spitting at a police officer after they were called about him harassing his neighbours. He also has a number of non-molestation orders against him, forbidding him contacting them. It was also reported that he appeared to be thoughts disorder, held a number of grandiose and delusional beliefs. Said the police were conspiring with medics and the council to silence him as he had uncovered police corruption. He also said his neighbours two floors above were controlling the neighbour below them and caused them to stamp on the floor and disturb him. It was reported that he appeared to lack insight into his presentation as he did not believe he was mentally unwell and was adamant to see a psychiatrist for treatment.
He was bought to the ward by ambulance crew and police officers. On arrival he appeared fairly calm and was observed interacting very well with his peers on the ward. Later, he was observed talking on his mobile phone, suddenly he became very angry talking on loud tone of voice. Later, staff approach him to engage him into conversation, but he

Dear Sirs **URGENT**

Re: The London Borough of Enfield v Cordell
Claim number: E00ED049- Edmonton County Court

We write further to the Order made by District Judge Dias following the hearing on 26th June 2018.

Paragraph 1 of the order states the following: *'By 4pm on 10 July 2018 the Defendant shall undergo a mental capacity assessment by a Consultant Psychiatrist at an appointment to be arranged of which the Defendant shall be given at least 24 hours' notice and a report shall be prepared in relation to the Defendant's capacity to litigate and capacity to understand the meaning of the interim injunction dated 09 January 2018 and that report shall be filed at court and served on each party to the litigation'.*

We confirm that the Defendant was assessed by Dr Dhinakaran, a psychiatrist consultant on 5th July 2018. A copy of her assessment report is attached to this email and it confirms that the Defendant lacks capacity to litigate/ understand the terms of the injunction order.

The Claimant was also directed to file a witness statement in response to this assessment if so advised by 10th July 2018. We confirm that the Claimant has no comments to make at this stage. We have asked the Defendant's solicitors to contact the Enfield Assessment Mental Health team and instruct them to release the Defendant's medical documents so the Claimant could consider them and make further comments. However we have had no confirmation from the Defendant's solicitors as to whether the Defendant has provided the relevant consent and we therefore reserve the right to make further submissions until these documents are received by the Claimant.

Psychiatric Report On
Mr Simon Cordell
109 Burncroft Avenue
Enfield EN3 7JQ

1. **Introduction**

This report is prepared at the request of London Borough of Enfield, Antisocial Behaviour Team following directions from the Edmonton County Court to undertake an assessment on Mr Cordell. My instructions were received in a letter dated 5 July 2018 and outlined as below:

1. Whether the defendant has the mental capacity to litigate and give instructions in his defence.
2. Whether the defendant understands the terms of the injunction order dated 9 January 2018.

2. **Details of current proceedings**

The current proceedings relate to an interim injunction order issued against Mr Cordell, at the Edmonton County Court on 9 January 2018. This followed numerous complaints from neighbours about Mr Cordell's acts of harassment and antisocial behaviour. However it has been reported that Mr Cordell has continued to breach the order. It has been reported that a neighbour has been assaulted, harassed and has received threats from Mr Cordell. He has also made threats towards certain council employees. The local authority issued applications for committal due to Mr Cordell's breach of the injunction, however the applications could not be considered due to concerns about his mental capacity.

3. **Sources of information**

3.1 I was provided with the following information to aid in the assessment:

1. Claim form for an injunction with supporting documents
2. Order for an injunction dated 9.1.2018
3. Report of Angela Hague from the Enfield Assessment Team
4. Court order made by DJ Dias, Edmonton County Court at the hearing on 30.05.2018 and 26.6.2018.

Social Circumstances Report for S.C Rio no 11214451 on Section 2 of the MHA 1983/2007

Date of birth:	26TH January 1981
Home address:	109 Burncroft Avenue, Enfield, Middlesex EN3 7JQ
Date of Admission:	26TH October 2018
Hospital/Ward:	Chase Farm Hospital, Dorset Ward
Care Coordinator:	Soobah Appadoo- Allocated August 2018
Report prepared by:	Soobah Appadoo
Sources of Information:	Electronic Documentation on Rio
Nearest Relative:	Ms Cordell (mother)
Date of this report:	7th November 2018

Who you are and in what capacity you know the patient, how long you have worked with them: My name is Soobah Appadoo? I am a CPN with the above-named team. I have been asked to compile this social circumstance report in support of above-named patient's Mental Health Review Tribunal (MHRT) appeal against his detention under Section 2 of the Mental Health Act. Mr Cordell was admitted on section 2 on the **26th October 2018.**
Mr Cordell was previously under the care of the Early Intervention Team for 3 years. The Early Intervention Team discharged him in June 2018 and at that point he was referred to our team.

There is a suggestion on RIO notes that he did not engage well with that team.
I was allocated to Mr Cordell in August 2018. We offered him an appointment at his flat on the 31st August. Mr Cordell rang our office the day before and spoke to me. I informed him that I am his new Care Coordinator. He said that he had been seen for "76 days by his CC" and there was "nothing wrong with me". He said that the reason we want to see him is to "cover for missing signatures?". He said he "will ruin anyone who come to my house" and he has "recording cameras and audios" to ruin us. He said if you come to my house "I f...ing will scar you for life". He used foul languages throughout this contact. He said that I "can take the f...ing referral and stick it up my a..e". He said that he does not want to see us. I could not interrupt him: very verbally aggressive with pressure in speech". I did manage to say that we are a different team from Lucas House and we want him to have a fresh start- He said "I don't f...ing care"
Further to that the MDT advised that we should assess Mr Cordell in clinic due to the potential risks. We then offered him an appointment on the 28th September which Mr Cordell did not attend.

My report is based on the information which I have extracted from RIO and my telephone conversation with Mr Cordell's mother.

Psychiatric history

On the 16th August **2016** Mr Cordell was admitted to CFH under Section 2 of the MHA. He was discharged on the 27th August **2016**. According to RIO notes Mr Cordell "was arrested at his home address after his mother raised concerns about his mental state - he was allegedly verbally threatening towards his neighbour and (?) neighbour's children. Simon's mother called police who arrested him. He was seen by the FME at Wood Green police station, was then referred for MHA."
He appealed against his Section. The Mental Health Review Tribunal discharged him from Section 2 on the 26th August **2016**.

Leading to current admission

As I stated above leading to this admission Mr Cordell did not attend appointments offered to him by our service. Subsequently due to the allegations made against him I was advised to attend a Safeguarding meeting for an alleged

victim. In that meeting I was informed by the Council that Mr Cordell has a past and current history of physical and verbal aggression towards residents in the building. I was informed that the council has tried to work with Mr Cordell but to no avail. I was informed me that Mr Cordell was getting easily irritated even by the sound of a flushing toilet; this happened very recently and he threatened the resident concerned. The Council was of the opinion that these are signs of mental illness and suggested that BEH should proceed with a MHA. The Council argued that this is for the protection of others as well as Mr Cordell's own safety. Subsequently the council sent us a copy of 'Anti-Social Behaviour, Tenancy concerns and breaches- pre-action letter' which contained a chronology of alleged incidents dating from **2016**. These alleged incidents were in the meaning of an antisocial behaviour presentation.
On the 17th October Mr Cordell was discussed in our MDT meeting. A decision was made to conduct a MHA. A MHA was attempted on the 19th October. Mr Cordell did not cooperate and the assessment did not take place.
On the 23rd October an application for a warrant was made but was declined on the grounds "that there was insufficient recent evidence that he was being "kept under proper control" as he is living alone and "insufficient recent medical evidence that "he is unable to care for himself.
According to RIO, on the 25th October Mr Cordell was arrested for breaching a harassment order. It was alleged that he was aggressive towards the police and spat at them. He was assessed at the police station. On interview he had pressure of speech, delusions about his neighbours and the police and housing ganging up against him. He denied drug use. He said that does not have a mental disorder. The

doctors who assessed Mr Cordell found him "hypomanic, with flight of speech, grandiose and thought disordered"

Forensic history

Nil known.

Risk History

According to the Risk Assessment on RIO notes Mr Cordell had expressed suicidal thoughts in the past. This was related to stress from court cases. The date is not stated in the Risk Assessment. Around that time, he said that he

had researched ways of harming himself (poisoning, OD, hanging). He had said in the past that he tried to hang himself aged 16 when he was in a young offender's institute. He had said that he needed resuscitation. He tried to hang himself a second time after he was sentenced by a judge aged 20. He had said that he drank Nitrous Oxide in **2014** with intent to die.
According to his Risk Assessment he was regularly a victim or witness of his father's violent behaviour.
There are recent reports from the Council regarding alleged aggressive behaviours towards other residents. In June 2018 he was apparently involved in court case with the neighbours who he apparently threatened to harm.

Views of family

I telephoned Ms Cordell on the 7th November 2018. Ms Cordell told me that neighbours have been "terrorising" his son since **2014** in particular a neighbour on the 2nd floor. Ms Cordell told me that whilst her son is in hospital her nephew has been staying in the flat to look after the dog. The nephew has reported that the occupier on the 2nd floor have been "banging" on the floor. She said that the neighbour then realised that her son is not in the flat when they saw the nephew coming out of Mr Cordell's flat. She told me that since the 26th October the "banging" has stopped. She said that she has complained about the neighbour herself but thinks these situations are misinterpreted by the council and the mental health services and her son is then seen as the perpetrator and or being

mentally unwell. Ms Cordell stated that the sound proofing is lacking and the noise is real. Other neighbours have made allegations that Mr Cordell has been aggressive towards them. She said that there is no evidence of this; police have seen CCTV and found that her son had not left the flat at the time when these incidents were alleged to have happen. Ms Cordell gave another example in **2016** where it was alleged by a neighbour that her son had made threats to kill him. She said that the police initially charged her son with making threats to kill; after seeing video evidence they charged him with a 'Public Order Offence'. She said that around the time of this alleged incident her son was in his flat with some friends. Her son was not allowed to his flat and was bailed to her flat where he stayed until December **2016**. She said that the CPS after seeing evidence dismissed the case a day before the trial. She said that the council has never taken the responsibility to look at evidences; the allegations made against her son (physical assault, letting his dog on the loose) have not been proven. She said that on the 9th August in court the Judge ordered Enfield Council to move her son to a 2-bedroom flat but the Council wants/plans to evict him instead. She said that the Council has no grounds to apply for her son's eviction.

She said that her son has a one bedroom flat. She said that he does not want to live there. She said that he needs a 2-bedroom flat with the plan that his cousin could stay with him to provide emotional support. She said that her son has everything he needs in the flat. She told me that her son is very independent in activities of daily living; his personal care is extremely good; he cooks for himself, maintains the flat and takes responsibility for his bills. She told me that he has no financial difficulties/no debts.

She said that her son has a work history. In **2010** he was planning to set up a business in the entertainment industry. He has also built websites in relation to this. At present he is not in employment. He is in receipt of Employment Support Allowance but needs to make an application for Personal Independent Payment.

I asked her if she thinks her son has a mental illness; she told me that he suffers from stress and anxiety due to issues with the neighbours but does not think he has a mental illness. She said that the judged looked at evidence and did not grant a warrant in October 2018 for a mental health act to take place at her son's flat.

I asked Ms Cordell if she thinks her son could benefit from support from the community team. She said that he could do with some support but

"we should stop labelling him as being delusional as he is not delusional".

After-Care

Potentially Mr Cordell care/treatment would be delivered via the Care Programme Approach. I am the allocated Care Coordinator and he will have a responsible clinician in the community. My role would be first of all to build a relationship with Mr Cordell as I have only met him on 2 occasions. I will try to motivate him to engage with myself and the multidisciplinary team. As his Care Coordinator I will review Mr Cordell regularly independently and with the Community RC.

We have a Team Clinical Psychologist and it would be vital for Mr Cordell to have some form of talking therapy. This is on the basis of the stress and anxiety that his mother states he suffers from.

We have a Dual Diagnosis Worker in the team who could offer drug counselling if necessary.

We have an organisation called 'Remploy' which is funded by the Local Authority. Potentially they could support Mr Cordell to find work. They meet regularly with clients whilst they are in work and also liaise with employers.

I could support Mr Cordell in making an application for PIP. Alternatively, he could get that support from 'Enfield Well-Being Connect'

The Mental Health Enablement Team could provide support in tenancy management as well as support to access education/training and work.

Opinion and recommendations

I have met Mr Cordell on two occasions only and I have not had the opportunity to assess him in the community. A rapport needs to be established with him.

On the basis of recent events, history of risks to self and alleged risks towards others, and taking into account the views of the MDT on the ward I think that he would benefit from a longer stay in hospital. This is in-order for the MDT to assess him comprehensively to determine if he has a severe and enduring mental illness such as schizophrenia/psychosis. If it is determined that he has a severe mental illness then this should be treated accordingly whilst he is in hospital.

Interview with Patient

Simon feels he is in hospital because the police have "falsified" a report that led to him being kept on a curfew for years. He proceeded to talk at length about circumstance that led him to be charged for handling of stolen goods and suspicion of burglary in **2013**. He believes the case was handled poorly and is sure the police were conspiring against him. "The abuse of process by the civil service was unreasonable".

Following this he reports being placed on a 2-year injunction and a 5-year curfew. He feels this has led to a breakdown in a 13-year relationship he had. He also reports this affecting his company -a community interest company he started up. At one-point Simon also mentioned the police targeting him for holding large parties that he was adamant were not hosted by him.

Simon reports owning a couple of local festivals and talks about engaging with multiple charities helping children. He says he had to stop this as police were harassing him in front of the children. He alleges to own his own company, his own paper and has just bought his own book maker for 70000 pounds. He also reports having 180000 friends on Facebook due to all his free parties.

When asked about his neighbours Simon said he believes his neighbours have been making up complaints about him. "My neighbours are calling up the police after forging the paperwork." He feels that his neighbours have been attacking him and reports feeling anxious in his house. Simon says he "kept writing to the police saying please can you protect me".

He does not think he is unwell and does not think he has a mental health problem. He admits he might be elevated but he believes this is a constructive state.

Simon reports not being compliant with any of his medication at any point. He is refusing to take any medication during this admission. "I've spent thousands of pounds showing you my brain, me being alert saves lives."

Simon would like to appeal his section and feels that by keeping him in hospital we are breaching his rights. "Physical or mental suffering amount to torture"

Reports sleeping, eating and drinking well. Later suggested this may not be the case stating "In the night time when my neighbours are asleep that's the best time for working".

Personal Hx: Born at? Chase farm hospital (previous entry on Rio NMUH), normal delivery. Was bullied at school by a female pupil. "I have loads of qualifications. My management system is my qualification - motor trade, gas laying, paving lay, I understand the formation of companies, my English is at 92%"

Family Hx: Has one brother and sister - he is the oldest brother. Parents recently broke up. He sees his parents regularly. Denies any issues with his father. His grandmother had some psychotic problems/depression after his grandfather passed

away. Rio notes report his maternal grandmother had BpAD/later changed to Schizophrenia, detained formally multiple times, responded well to **Clozapine.**

Social: Works from home currently. Does 9-10-hour shifts building, his website. Previously has had multiple different jobs including working at a market and brick laying. Has a new baby on the way with Katy - due to get married soon?
From Rio - "Enfield Council will be seeking possession of SC's flat via the courts. Lemy stated that in a recent court case the judge recommended that Enfield Council re-house SC on the proviso that he engages with the MH Team"

Forensic Hx:

Reports being linked to 500 cases but he has won every one. Says these are all linked to driving offences.
From Rio - **2015**- 5y ASBO for organising illegal raves- not allowed to enter industrial or disused premises between 10pm and 7 am. Young Offender's Institution at the age of 16 after repeated driving offences (driving without a license). Taken into custody for threats to kill.

Substance Misuse Hx:

"Clean as anything"
"Occasionally have a puff of a cigarrete" Denies drinking any alcohol
Note on Rio previous LSD and cannabis use

MEETING WITH LORRAINE CORDELL (MOTHER) AND ANDREW CORDELL (UNCLE)
I had a meeting with Simon's mother and uncle. They demanded copies of the detention papers. They were disputing the reasons for detention and more importantly the phrase that Simon is "Grandiose". They were very angry talking over each other and cutting across each other.
Lorraine said Simon has been harassed by is neighbours above him. He has reported many times to the authorities but no one is taking action but when the neighbours report of harassment about 15 police officers come to his flat.
Lorraine said the Court has ordered Enfield Council to move him to a 2-bedroom accommodation where family members can stay with him.
She confirmed that she will appeal against the detention.
She was reminded of the formulation meeting on Monday 29th at 3pm. She indicated her willingness to attend

Duty Doctor (CT1)- New ward admission Patient seen at 10.30
MHA Status: Section 2
PC: Patient was arrested due to complaints received regarding harassment of neighbours. He was taken to Wood green police station, found to have a manic presentation with grandiose delusional ideas and was detained under MHA.
Background: Patient previously given diagnosis of unspecified non-organic psychosis. He has a long-standing MH background and has been under both CAMHS and adult services in the past. Over the past few years, he has engaged poorly with services and is not currently on any medications. More recently he has been reviewed by EIS/Enfield north locality team.
Simon was seen in the quiet room with nursing staff present.
Prior to entering the room, Simon started to ask a lot of questions and asked the nurses for a pen for 'the meeting'. When nursing staff stated that he should wait till we get to the room to ask questions he responded 'she is in a male role so it's only fair that I speak to her in the same way'.
On arrival to the room he remained calm and polite. He started the conversation by asking for my name, which he wrote down on a paper. He then stated he has been detained here illegally because they think he is grandiose. He then went onto give me a timeline of events which were largely related to the police and his connection with mental health services. In summary he holds paranoid ideas that the police have charged him 'in illegal ways' for an ASBO for organisation of illegal raves. This has led to several on-going issues with the police who have involved mental health services and it is a conspiracy against him.
He states he wasn't assessed properly by doctors today and that the doctors who saw him today have previously tried to section him and 'failed' because he has 'video recordings' to prove he is innocent. He referred to multiple acts and dates which apparently are being broken by keeping him here.

He states he has several businesses that the police have tried to stop, including 'owning festivals' and a newspaper called 'horrific corruption' and associated newsroom which he uses to expose police and doctors who are working in illegal ways. He states he has 'been wronged 78 times by the police' and will 'expose all of the doctors and police' involved.
He spoke about being a 'privileged member of the community' and has never tried to hurt anyone. He reports the police have framed him in a 'sex scandal' and caused multiple issues. He described a negative relationship with neighbours and states that they bang from above continuously. He states a previous partner was pregnant and the neighbours banging led to the baby being lost.
He denies having a MH illness and states he will get out of here once he has his laptop containing video graphic proof and was requesting a tribunal. During the course of the conversation he refused to acknowledge he has been sectioned and was adamant he would be able to leave but was not forceful or physically attempting to leave.

SH:
Denies drug or alcohol use (current or past)
Personal history:
Abuse as a child from father.
Mental State Examination:
Simon is a 37-year-old male, who was appropriately dressed. He engaged in conversation and made eye contact throughout. Calm and polite, no aggression but did become mildly restless at points.
Pressurised speech, difficult to interrupt. Flight of ideas noted.
Described mood as good. High levels of energy and labile mood.

Paranoid delusions about the police and MH services and some grandiose delusions noted.
No perceptual abnormalities noted.
Orientated to TPP
Lacks insight, does not believe he has a MH condition and not willing to engage with services historically or currently. Unlikely to take medication willingly.
Risk:
No risk to self-identified.
Risk of physical and verbal aggression towards others noted. This in turn, increases risk of others retaliating, therefore harm towards Simon.
Impression:
Simon is a 37-year-old who has a background of a psychotic disorder. He presents with a deterioration in his mental state, with manic and psychotic symptoms.
Plan
1. Urine drug screen
2. Bloods in morning
3. Collateral history would be beneficial

Getting wrongly detained while Working on my report in the;
Chase Farm Mental Hospital on an Assessment Wing!
A nurse called Simon who was on night shift came to the room that I got detained in he tried to give me medication that was not prescribed by a doctor
The medication that he tried to give me I recognised from St Ann's Hospital
The name of the medication is Olispine
I told him that I understood that no doctor had been on duty to order this a s Dr Greenside was away on leave.
I noticed that the TV in the main room has broken as it has gotten old this did get reported to the nurses on the Dorset ward, what I noticed had happened is that the back light that glows up the picture on the screen had failed and could not get fixed, this meant that no person could watch the Tv.

Care coordinator:

This is only the second time meeting Simon. There have been issues with reports he is assaulting other residents in his council accommodation.
Nursing report: Appears paranoid on the ward.
Interview with patient:
Simon appears very agitated and vocal and is keen to put across his opinion that he has been illegally detained.
Simon reports issues with police actions in regard to not giving him the ASBO folder properly - this was left outside instead of giving it to him directly. Simon continued to explain other problems with the police's treatment of him. This includes the metropolitan police having placed a photo of Simon in a folder in regard to a party he had no involvement with. He denies being involved in any of the parties mentioned in the ASBO. Simon spoke at length about the injustices surrounding his placement on curfew and the ASBO order.
He describes how on multiple times doctors have tried to assess him under the MHA and he has explained to them at each time the situation with the police. He was once placed under a section 2 and was able to appeal his section.
Simon reports the neighbours ***(11*** floors up) trying to deliberately disturb him by making a lot of noise and flushing the toilet multiple times. He feels they want him to get distressed and go upstairs to address them. They have been doing this over the last 4 years and are doing this throughout the day. From Simons flat you can even hear them talking - there is apparently very poor sound proofing.
Simon has described a council official as having forged statements and falsely accusing him of threatening his life.
Simon reports that he is being assaulted by his neighbours as is his partner's small child. He feels the stress from this situation may have been linked to his partner's miscarriage. Simon denies any acts of antisocial behaviour, even in retaliation. At every point where he approaches the upstairs neighbours, he states he calls the police to ask then to "protect" him.
In regard to the recent arrest he reports the police attended due to a fraudulent call from the neighbours. The police tried to hand him a breach of harassment order which Simon ripped and spat on the paper. The police officer then yelled that he had spat on her. He was then arrested for assault to a police officer. This charge was dropped in the police station and he was referred for an MHA.
Simon is currently on benefits. He reports the expensive hardware he owns (e.g. 70000-pound bookmaker) he buys broken and second hand cheaply and fixes them. Simon works from home. He built a new model constitution - a community interest company which was a charity farm.
Collateral information:
His mother and uncle would like MHS to stop referring to Simon reporting the police as being prejudice against him as delusional - they believe this can be proved (showing photos of his company truck and hardware).
Simon's mother is very upset that doctors have submitted reports stating that he is delusional and grandiose. They feel the AMHP report is grossly inaccurate.
Simon's uncle is also upset that the MH team would not provide Simon with a letter to assist with his housing situation. They explain that the reason Simon has not be prosecuted for the complaints made by the neighbours is because each time Simon is able to "prove his innocence" directly to the police.
Simons mother believes he is very stressed due to the conditions of the ASBO and his neighbours disturbing him.
His uncle would like us to check the website that Simon has set up to highlight the injustices against him "horrificcorruption.com". (other websites mentioned by Simon include the Way back machine and too smooth)

1:1 with Simon who was agitated and blamed police for his admission. He was irritable and quite hostile. He was on the phone to his relative, complaining about police and claimed to be falsely accused. Staff tried to reassure him and he thanked staff for their support. He had pm ibuprofen. Has slept well at night.
At risk of confrontational behaviour and slow progress in his mental state due to poor compliance.

Mr Cordell is known to psychiatric services but has not engaged with them in recent years. Today he was arrested for spitting at a police officer after they were called about him harassing his neighbours. He has a number of non-molestration orders against him, forbidding him from contacting them. On examination Mr Cordell displayed a range of affective and psychotic symptoms. He spoke rapidly and was thought disordered with overinclusive and tangential speech. He held a number of grandiose

and delusional beliefs? He told us that the police were conspiring with medics and the council to silence him as he had uncovered police corruption. He said he was targeted by police as they were envious of his abilities. He told us that his neighbour two floors above were controlling the neighbour below them and caused them to stamp on the floor and disturb Mr Cordell. He did not believe that he was mentally unwell and was adamant he would not see a psychiatrist.

He lacked insight into his presentation. He was irritable and has assaulted police officers and harassed his neighbours in recent days. He poses a risk to others therefore. His behaviour places him at risk of retaliatory attacks from others and he will not accept treatment for his hypomanic symptoms. This places his health and safety at risk. There is evidence therefore that he has a mental illness of a nature and degree which warrants assessment and treatment in hospital and without this there is a risk of harm to his health and safety and the safety of others.

FICS Enfield - consultant's note
Simon had been referred to FICS for advice before he was detained under the MHA. I note the working diagnosis of psychosis. This would seem to be a possible explanation for some of the behaviours described and, if confirmed as a diagnosis, antipsychotic treatment might well alter the relevant risks longer term.
In terms of the inpatient assessment currently ongoing, if not already, some helpful corroborative information about Mr. Cordell's behaviour and tenancy problems might be obtained by contacting:

Chase Farm Mental Hospital on an Assessment Wing!
At 11:30 Hours I spoke to a lady called Dr Bruise and I asked her if I could speak to a Dr Green side about getting some trust to be able to leaver the ward, when doing so she agreed to look into the issue for myself.
Soon afterwards I was alone in room 24 on the Dorset Ward when Dr Greenside knocked on the door, I then on answered the door to get invited into a meeting
There were two other doctor presents in the room alongside with Dr greenside himself.

The conversation stayed polite and reasonable through
When taking an understanding to what was getting explained to me, I took the understanding that the doctors still wanted to further assess me, due to having a professional belief that I may have some form of mental health issue to which I know that I did explained
Soon after the meeting with the doctors I received a telephone call of my mother who started to explain to me that she had also received a telephone call of my chosen representing solicitor firm.
Waiting for board room meeting civic center for my housing transfer.
There is a Bad leak running all across the main floor in the communal room coming from the water machine.

Interview with Patient
Simon confirms his problems began in **2013**. He moved into his premises in **2013** - there was evidence of CO poisoning in the flat and all the boiler systems and alarms had to be replaced.
Simon has been held on curfew for a long time for organising a party and? wrongly accused of damaging the premises. Also was accused of burglary and handling of stolen goods - he was found innocent on both accounts.
Simon reports having had a "relationship" with his current partner Katy for the last ?20 years. She has a son from a previous relationship.
The problems with the neighbours have been going on for 4 years now. Simon is concerned about his neighbours, in particular to how their behaviour might affect their child. 6 flats in total in his council building - the neighbours that are problematic are 2 floors above Simons. These particular neighbours bang on the water pipes, stamps on the floor (these echoes through the flat between) - this happens first thing in the morning and goes on through the day.
Simon believes his neighbours sit in their flat eavesdropping on Simon's whereabouts. When he enters the bathroom, they enter their bathroom and flush the toilet a lot. Simon has Video and Audio recordings throughout his flat in order to prove his innocence. There is a husband and wife living there as well as a new born baby. Simon reports he can here this family talking but he can't make out what they are saying - he denies them saying anything negative about him "they've never spoke to me".
Simon has personal information about his neighbour which he feels is proof of? tax evasion - he reports the family own 50 houses in the UK. The neighbour has changed their surname in order to accommodate some scheme to avoid? tax - Simon reports he has "100% evidence" that this is true and feels it is relevant to him because of how they are treating him. Simon believes what the neighbours are doing is a hate crime.
Simon denies ever having felt like the TV was talking to him or that the council was advertising his information. Simon does feel his personal information is being advertised somehow - friends have approached him and have information about him he believes can only have come from secure computer systems.
Simon is not concerned about his tenancy at the moment - he states he has recordings that prove his innocence. Simon is aware the council has told him to stay away from his neighbours - since this time he states he hasn't approached his

neighbours. He wants to publish a book about what has been going on. Simon does not appear to accept that he has become fixated on this issue.
Simon does not think his problems with his neighbours are in any way due to him having a mental health problem.
Simon wouldn't like to take medication as he doesn't feel he needs it and is concerned medication may impact his ability work. He is particularly concerned that the medication will "dope him out".
Simon states he has a good family support network. He is happy to see the ward psychologist.
Simon has been informed that a referral to a forensic psychiatrist who may want to visit him on the ward.
Impression:
Presenting with persecutory delusions. Limited insight. Not currently deemed to be a risk to himself or others. Could be at risk of losing accommodation if continues untreated.
Plan:
For Section 17 leave

1. No medication at present
2. Refer to ward Psychologist - Dr Patkas

Getting wrongly detained while Working on my report in the;

Chase Farm Mental Hospital on an Assessment Wing
Today I took unattended leave from the hospital wing after doctor Greenside agreed for it to be O.K.
I left the wing at the time of 04:40 Hours and returned at the time of 04:10
The day was quiet and I continued to work on my own studies
In the evening time a Nurse came to my room that I have got detained in and explained to me that I am to get moved onto another wing below mine to which is a treatment wing that is named as Sussex Wing
I explained that I did not think that this was a fair or reasonable request from the staff to ask of me due to the fact that doctor Greenside had not diagnosed me with any Mental Health issues as of that time then.
Because of what I got told I decided the best form of action was to make a phone call to my mother
While on the phone to her I explained what the nurse had just said to me.
She was very surprised of what I had just said to her
I again latter decided to ask for leave and this got granted to me without any issues arising.
There is a Bad leak running all across the main floor in the communal room coming from the water machine.

Mental Health Tribunal Report

Date:01/11/18 Patient details

Mr Simon Cordell (11214451)
Date of birth: 26 Jan 1981
Address: 109 Burncroft Avenue, Enfield Post Code: EN3 7JQ

Circumstances of admission and background

Mr Cordell is a 37 years old man with previous diagnosis of F29X - Unspecified nonorganic psychosis. He has been known to CAMHS service in the past and to Adult Mental Health Services since **2014**. However, he has not been engaging with the services in recent years despite numerous attempts from mental health teams.
Mr Cordell become significantly unwell in mental health in **2014.** He deteriorated significantly in mental state but he refused engage with mental health service and declined to take medication. Consequently, he had to be detained under Section 2 of MHA in **2016.** He was treated with medication (Olanzapine) during the admission but soon after discharge he stopped taking his medication. He continued to be seen by Early Intervention service following a discharge but he continued to refuse any treatment for his condition. This led to further deterioration in mental health. When Mr Cordell is unwell, he presents with persecutory delusions about his neighbours, council staff and the police. As a result of paranoid beliefs, he becomes more aggressive and threatening especially towards neighbours. From **2016 to January 2018** there were numerous complaints from neighbours reported about Nr Cordell's acts of harassment and antisocial behaviour. This led to an interim injunction order (harassment order) to be issued against Mr Cordell, at the Edmonton County Court, in **January 2018.** Mr Cordell breached the order on multiple occasions. It has been reported that his neighbours have been assaulted, harassed and have received threats from Mr Cordell. In addition, Mr Cordell disengaged with EIS.

In **April 2018** further deterioration in mental health was observed when he contacted the police and complained about the neighbours making noise. EIS team was contacted and they offered to review Mr Cordell but he refused to work with them again.
On the 1st of June he was arrested for harassing his neighbours and breaching the injunction order against him. He threatened his neighbour who was at the time with her two children that he

will kill her and her children " You fucking bitch, I have a bomb for you, I will get in your block, kill you and your children At that point, EIS stated that he has gone beyond EIS three year treatment period and therefore they referred his case to Enfield North Locality Team in **June 2018.** During the period of next few months (from **June 2018 until October 2018** - they were reported numerous accounts of harassment and assaults to his council on his neighbour) Mr Cordell has continued to harass his neighbours and has refused to engage with mental health services. Few neighbours already moved out from their flats due to Mr Cordell's aggressive behaviour and Enfield Council decided to seek possession of Mr Cordell's flat via the courts. In a recent court case, the judge recommended that Enfield Council re-house Mr Cordell on the proviso that he engages with the MH Team. However, he failed to do that.
In **October 2018**, Mr Cordell was physically aggressive towards another service user who lives in the same building as him. Mr Cordell took him by the throat and left him feeling unable to walk around on the floor or even flush his toilet chain for fear of sparking another altercation (with no basis) about excessive noise.
This triggered a safeguarding process and Enfield Adult North Locality Team decided to organise MHA assessment as Mr Cordell refused to engage with them.
Consequently, he was referred for MHA assessment on the **17th of October 2018.** Enfield Adult North Locality Team agreed that he is at risk to others and his behaviour could also put him at risk from others. Application for 135(1) was made however a judge found insufficient evidence presented for a warrant. He was referred to a forensic sector following this event.
On the **25th of October** he was arrested as the police were called to his flat regarding him breaking a harassment order and that day, he allegedly assaulted the police who attended by spitting. Consequently, he was taken to Wood Green police station. He was found to be thought disordered with grandiose and persecutory delusions, hypomanic with flight of ideas and pressured speech. Therefore, MHA assessment was organised. He was detained under section 2 of MHA and admitted to Dorset ward, Chase Farm Hospital on the **25th of October 2018.**
Mr Cordell explained that the police were conspiring with medics and the council to silence him as he had uncovered police corruption. He also said his neighbours two floors above were controlling the neighbour below them and caused them to stamp on the floor and disturb him. It was reported that he appeared to lack insight into his presentation as he did not believe he was mentally unwell and was adamant to see a psychiatrist for treatment.

Mental state examination on admission

Mr Cordell is 37-year-old male, mixed origin, slim build. He was wearing casual and dirty clothes. He engaged in conversation and made eye contact throughout. He was calm and polite during the interview; no aggression was observed but did become mildly restless at points. The conversation was one sided with Mr Cordell keen to talk. He presented with pressured speech and flight of ideas. Mood, subjectively he described as "fine, a bit elated", objectively he was elated. Thoughts: He presented thought disordered with tangential thinking, grandiose and persecutory delusions. He was oriented to time, place and person. He presented with poor insight - does not want any medications, he does not believe that has a mental health disorder.

Risk

To self - high

Immediate risk to self is low as he denies any thoughts of self-harm or suicide. There are previous reports of suicide attempt as teenager. However, he is at high risk of being evicted from his property at present due to deterioration in his mental state and behaviour and his mental and physical health could be significantly affected if he becomes homeless.

To others - high

He denies thoughts or plans to hurt others. He has clearly documented history of aggressive behaviour and currently elated.

From others - high, as he can be aggressive towards others, he is at risk of retaliation from others.

Risk of physical and verbal aggression towards others noted. This in turn, increases risk of others retaliating, therefore harm towards Mr Cordell.

On the 25th of October he was arrested for breaching the injection order and spitting at the police officer on arrest.
Treatment and progress on the ward
On admission to Dorset ward, Mr Cordell presented elated, mildly irritable and thought disordered. On arrival to the room he remained calm and polite. He started the conversation by asking for duty doctor's name, which he wrote down on a paper. He then stated he has been detained here illegally because they think he is grandiose. He then went onto give the duty doctor a timeline of events which were largely related to the police and his connection with mental health services. In summary, he holds paranoid ideas that the police have charged him 'in illegal ways' for an ASBO for 'organisation of illegal raves. This has led to several on-going issues with the police who have involved mental health services and it is a conspiracy against him.
He states he wasn't assessed properly by doctors today **(25/10/18)** and that the doctors who saw him today **(25/10/18)** have previously tried to section him and 'failed' because he has 'video recordings' to prove he is innocent. He referred to multiple acts and dates which apparently are being broken by keeping him here.
He states he has several businesses that the police have tried to stop, including 'owning festivals' and his website called 'horrific corruption' and associated newsroom which he uses to expose police and doctors who are working in illegal ways. He states he has 'been wronged 78 times by the police' and will 'expose all of the doctors and police' involved.
He spoke about being a 'privileged member of the community' and has never tried to hurt anyone. He reports the police have framed him in a 'sex scandal' and caused multiple issues. He described a negative relationship with neighbours and states that they bang from above continuously. He states a previous partner was pregnant and the neighbours banging led to the

baby being lost.
He denies having a mental health illness and states he will get out of here once he has his laptop containing video graphic proof and was requesting a tribunal. During the course of the conversation he refused to acknowledge he has been sectioned and was adamant he would be able to leave but was not forceful or physically attempting to leave.
When he was seen by ward doctor on the **26th of October** Mr Cordell feels he is in hospital because the police have "falsified" a report that led to him being kept on a curfew for years.
He proceeded to talk at length about circumstance that led him to be charged for handling of stolen goods and suspicion of burglary in **2013.** He believes the case was handled poorly and is sure the police were conspiring against him. "The abuse of process by the civil service was unreasonable".
Following this he reports being placed on a 2-year injunction and a 5-year curfew. He feels this has led to a breakdown in a 13-year relationship he had. He also reports this affecting his company -a community interest company he started up.
At one-point Mr Cordell also mentioned the police targeting him for holding large parties that he was adamant were not hosted by him.
Mr Cordell reports owning a couple of local festivals and talks about engaging with multiple charities helping children. He says he had to stop this as police were harassing him in front of the children. He alleges to own his own company, his own paper and has just bought his own book maker for 70000 pounds. He also reports having 180000 friends on Facebook due to all his free parties.
When asked about his neighbours Mr Cordell said he believes his neighbours have been making up complaints about him. "My neighbours are calling up the police after forging the paperwork." He feels that his neighbours have been attacking him and reports feeling anxious in his house. Simon says he "kept writing to the police saying please can you protect me".
He does not think he is unwell and does not think he has a mental health problem. He admits he might be elevated but he believes this is a constructive state.
Mr Cordell reports not being compliant with any of his medication at any point. He is refusing to take any medication during this admission. "I've spent thousands of pounds showing you my brain, me being alert saves lives."
Mr Cordell would like to appeal his section and feels that by keeping him in hospital we are breaching his rights. "Physical or mental suffering amount to torture"
He reports sleeping, eating and drinking well. Later he suggested this may not be the case stating "In the night time when my neighbours are asleep that's the best time for working".

Impression was that he presented with paranoid and grandiose delusions with significant mood component. In view of long-term symptoms this is most likely consistent with a Schizoaffective disorder. He does not currently have capacity for treatment or admission.
He settled in over the weekend, personal hygiene remained poor, smell of cannabis on him was noticed.
On the **29th October 2018** when he was seen by a nurse, he was irritable and quite hostile. He was

on the phone to his relative, complaining about police and claimed to be falsely accused.
On the 29th of October Formulation meeting was held:
Care coordinator 's feedback: This is only the second time meeting Simon. There have been issues with reports he is assaulting other residents in his council accommodation.
Nursing report: He appears paranoid on the ward.
Interview with patient:
Mr Cordell appeared very agitated and vocal and was keen to put across his opinion that he had been illegally detained. Mr Cordell reports issues with police actions in regards to not giving him the ASBO folder properly - this was left outside instead of giving it to him directly. Mr Cordell continued to explain other problems with the police's treatment of him. This includes the metropolitan police having placed a photo of Mr Cordell in a folder in regards to a party he had no involvement with. He denies being involved in any of the parties mentioned in the ASBO. Mr Cordell spoke at length about the injustices surrounding his placement on curfew and the ASBO order.
He describes how on multiple times doctors have tried to assess him under the MHA and he has explained to them at each time the situation with the police. He was once placed under a section 2 and was able to appeal his section.
Mr Cordell reports the neighbours (72 floors up) trying to deliberately disturb him by making a lot of noise and flushing the toilet multiple times. He feels they want him to get distressed and go upstairs to address them. They have been doing this over the last 4 years and are doing this throughout the day. From Mr Cordell's flat you can even hear them talking - there is apparently very poor sound proofing.
Mr Cordell has described a council official as having forged statements and falsely accusing him of threatening his life.
Mr Cordell reports that he is being assaulted by his neighbours as is his partner's small child. He feels the stress from this situation may have been linked to his partner's miscarriage. Mr Cordell denies any acts of antisocial behaviour, even in retaliation. At every point where he approaches the upstairs neighbours, he states he calls the police to ask then to "protect" him.
In regards to the recent arrest he reports the police attended due to a fraudulent call from the neighbours. The police tried to hand him a breach of harassment order which Mr Cordell ripped and spat on the paper. The police officer then yelled that he had spat on her. He was then arrested for assault to a police officer. This charge was dropped in the police station and he was referred for a MHA.
Mr Cordell is currently on benefits. He reports the expensive hardware he owns (e.g. 70000-pound bookmaker) he buys broken and second hand cheaply and fixes them. Mr Cordell works from home. He built a new model constitution - a community interest company which was a charity farm.
Collateral information:
His mother and uncle would like mental health service to stop referring to Mr Cordell reporting the police as being prejudice against him as delusional - they believe this can be proved (showing

photos of his company truck and hardware).
Mr Cordell 's mother is very upset that doctors have submitted reports stating that he is delusional and grandiose. They feel the AMHP report is grossly inaccurate.
Mr Cordell 's uncle is also upset that the mental health team would not provide Mr Cordell with a letter to assist with his housing situation.
They explain that the reason Mr Cordell has not be prosecuted for the complaints made by the neighbours is because each time Mr Cordell is able to "prove his innocence" directly to the police.
Mr Cordell 's mother believes he is very stressed due to the conditions of the ASBO and his neighbours disturbing him.
His uncle would like us to check the website that Mr Cordell has set up to highlight the injustices against him "horrificcorruption.com". (other websites mentioned by Simon include the Wayback machine and toosmooth).
Impression was that Mr Cordell was unstable in mental state and behaviour. He presented with persecutory delusions and possibly auditory hallucinations.
Plan was:

1. Requires further review of notes
2. Liaise Enfield council re plans for housing - ask Rosie for input

Following the formulation meeting he presented very grandiose - showing staff and peers his website and that he has '20,000 emails and 500,000 phone contacts'. He seems elated and keen to get his message across.

Dr Timothy Rogers e-mailed Dr Greensides on the 30th of October 2018 as Mr Cordell was referred to a forensic sector prior MHAA and wrote that he has terrorised their patient (who lives above him) including one occasion taking him by the throat and left our patient feeling unable to walk around on the floor or even flush his toilet chain for fear of sparking another altercation (with no basis) about excessive noise.

Mr Cordell was reviewed on the 31st of October 2018 by Dr Greensides (Consultant psychiatrist), Dr Elia and Dr Bruce:

Mr Cordell confirms his problems began in **2013**. He moved into his premises in **2013** - there was evidence of CO poisoning in the flat and all the boiler systems and alarms had to be replaced.

Mr Cordell has been held on curfew for a long time for organising a party and? wrongly accused of damaging the premises. Also was accused of burglary and handling of stolen goods - he was found innocent on both accounts.

Mr Cordell reports having had a "relationship" with his current partner Katy for the last ?20 years. She has a son from a previous relationship.

The problems with the neighbours have been going on for 4 years now. Mr Cordell is concerned about his neighbours, in particular to how their behaviour might affect their child. 6 flats in total in his council building - the neighbours that are problematic are 2 floors above Mr Cordell's. These

particular neighbours bang on the water pipes, stamps on the floor (this echo through the flat between) - this happens first thing in the morning and goes on through the day.

Mr Cordell believes his neighbours sit in their flat eavesdropping on Mr Cordell's whereabouts. When he enters the bathroom, they enter their bathroom and flush the toilet a lot. Simon has Video and Audio recordings throughout his flat in order to prove his innocence. There is a husband and wife living there as well as a new born baby. Mr Cordell reports he can hear this family talking but he can't make out what they are saying - he denies them saying anything negative about him "they've never spoke to me".

Simon has personal information about his neighbour which he feels is proof of? tax evasion - he reports the family own 50 houses in the UK. The neighbour has changed their surname in order to accommodate some scheme to avoid? tax - Mr Cordell reports he has "100% evidence" that this is true and feels it is relevant to him because of how they are treating him. Mr Cordell believes what the neighbours are doing is a hate crime.

Mr Cordell denies ever having felt like the TV was talking to him or that the council was advertising his information. Mr Cordell does feel his personal information is being advertised somehow - friends have approached him and have information about him he believes can only have come from secure computer systems.

Mr Cordell is not concerned about his tenancy at the moment - he states he has recordings that prove his innocence.

Simon is aware the council has told him to stay away from his neighbours - since this time he states he hasn't approached his neighbours. He wants to publish a book about what has been going on. Simon does not appear to accept that he has become fixated on this issue.

Mr Cordell does not think his problems with his neighbours are in any way due to him having a mental health problem.

Mr Cordell wouldn't like to take medication as he doesn't feel he needs it and is concerned medication may impact his ability work. He is particularly concerned that the medication will "dope him out".

Mr Cordell states he has a good family support network. He is happy to see the ward psychologist.

Mr Cordell has been informed that a referral to a forensic psychiatrist who may want to visit him on the ward.

Impression was that he presented with persecutory delusions and poor insight into his condition. Not currently deemed to be a risk to himself or others. He could be at high risk of losing accommodation if continues untreated. Plan was:

1. For Section 17 leave
2. No medication at present
3. Refer to ward Psychologist - Dr Patkas

. He has terrorised our patient (who lives above him) including one occasion taking him by the throat and left our patient feeling unable to walk around on the floor or even flush his toilet chain for fear of sparking another altercation (with no basis) about excessive noise.

Opinion and recommendations

4. Mr Cordell suffers from a mental disorder, the symptoms of which at present are persecutory delusions, grandiose beliefs and attitude. In addition, he also presented thought disordered with circumstantial thinking. Probably he has

been experiencing auditory hallucinations too. His condition is complicated by poor insight into his mental health illness and substance misuse.

5. This illness is currently of a nature and degree to warrant detention under section 2 of the mental health act.
6. Without this there are risks to his health, principally mental health which is likely to continue to deteriorate without intervention. He is also at high risk from being evicted from his current accommodation which could put his mental and physical health at significant risk. His safety is compromised by possible retaliation from others when he is behaving aggressively towards other people. As well as the safety of others as he was aggressive to his neighbours, council employees and police prior to admission.
7. This cannot be carried out in the community as he has limited insight and refuses intervention, tried for a number of years and failed.
8. Should he be discharged then he will be referred to the HTT, but is not likely to engage.
9. Tribunal need no special arrangements to accommodate Mr Cordell.

Getting wrongly detained while Working on my report in the;
Chase Farm Mental Hospital on an Assessment Wing!
I awoke on Dorset wing and to my own shock, after what had gotten explained to me.
I asked for Leave at the time of 10:30 and it got agreed that I must arrive back to the wing by the time of 11:00
I did do so and without any problems occurring thought.
I spoke to my mother on the telephone at around the time of 8:00pm
When speaking to her she started to explained to me what had happened to her earlier in the day time. What she told me next left me even more in shock than I had been by what was already getting done to me illegally.
She said that doctor greenside had made a phone call to her about me
What she explained to me was in short because she was not too happy with my decisions
What was said is that a Doctor Green side who is the Main Clinician for the Mental Health team North London and manages the Dorset wing at Chase Farm hospital had called her mobile phone.

Part of the reason is that he is in Charge Mainly in charge alongside with other in looking after the patents who are under assessment or on a volunteer's basics while getting detained.
What happens to a person or a least what should happen to a person who is going to get detained under the Mental Health Act 1983 In the United Kingdom can very but in whole the same procedures / Standards and regulations mainly form from these listed same acts of Law.
There is a Bad leak running all across the main floor in the communal room coming from the water machine.

Another day on Dorset ward I aroused at around 6:00 Hours without much to do other than document down my defence so that when I have to deafened my legal rights I will be prepared and ready as well as able.
I had lunch; a bit latter than normal at around the time of 21:300 an di then after continued to work on my commuter.

At 18:00 Hours I asked the staff that were on duty if I could take some of my unescorted leave of the wing this got agreed and I returned back by the time of 18:176 Hours and without any issues of concern.

A lady nurse came to my cell at around 20:00 Hours and explained to me their she was my nurse carer on the wing her name was Bibi and I had met her a few times before we talk about my time on the wing, at the end of our conversation she seemed to be happy with me and left my hospital room.

I had a long discussion with his mother on Friday, I was not able to write up on RIO then as it was not working
I explained that I felt Simon was unwell and that he had paranoid psychotic symptoms and I felt at times was thought disordered, and heard things.
I didn't accept that the persecution he described from his neighbour
21
IMP - I have made an application for a section 3. he suffers with a paranoid psychosis, most likely schizophrenia and there are risks to his health (mental), safety (retaliation) and to others-he has threatened his neighbours, filmed through their letter box etc. in response to his paranoia 6 caused considerable psychological distress.
if this is upheld then we will start a trial of antipsychotic treatment, I do not wish to do this prior to any section 3 as it will not be beneficial to take medication against his will unless he is subsequently detained on a section 3.

Getting wrongly detained while Working on my report in the;
Chase Farm Mental Hospital on an Assessment Wing!
Monday Morning, I awoke to the now normal daily routine and soon after spoke to a kind gentleman who is a part of the estate management team, he oversees my problem of cause and retried it with ease E.G "broken bathroom window due to not being able to shut correctly"
What doctor green explained to me; next I think I took very well. He explained to me that he wanted to put me onto a section three of the Mental Health Act 1983.
How it happened!
Just before lunch time Doctor Greenside came to my room and asked me for a meeting with me. I agreed to what he had asked and walked with him into another room, when sitting down together we were both left quietly alone and then Doctor Greenside started to explain to me that he wanted to place me of the section 2 of the Mental Health Act 1983 and on to A section 3 of that act.
I took my time and asked him why he believed this was warranted as to the initial reasons to why I had been placed on a section two had been proven to be inaccurate to the assessment documentation of its statement of facts.
We went through what I had gotten accused of when first getting detained to hospital, which is: --
1. Mr. Cordell is known to psychiatric services but has not engaged with them in recent years.
Reply: --
This information is undermining towards the defamation of the definition of my character and influences a person beliefs into believing that I have gotten treated under the Mental Health Act 1983 as a person who has been diagnosed with a mental illness, to which I have not and to further my issues of raised concern it continues to state that I have not then on after accepted treatment as it states that I have not engaged with the Mental health Service in the following years to pass. This information is also not an 100% accurate fact towards the statement of the maker. As I have personal Telephoned Lucas house and also that of the Silver Street Mental Health Assessment Team arranged a meeting that did take place at my home address to which I took the Minutes of them meetings in a digital format to which I still claim the legal rights of and as a conclusion of them meetings I got diagnosed of well sanity.
2. Today he was arrested for spitting at a police officer after they were called about him harassing his neighbors.
Reply: --

3. He has a number of non- molestation orders against him, forbidding him from contacting them.
Reply: --

4. On examination Mr. Cordell displayed a range of affective and psychiatric symptoms.
Reply: --

5. He Spoke rapidly and was thought disordered with overinclusive and tangential speech.
Reply: --

6. He held a number of grandiose and delusional beliefs.
Reply: --

7. He told us that the police were conspiring with medics and the council to silence him as he had uncovered police corruption.
Reply: --

8. He said he was targeted by police as they were envies of his abilities.
Reply: --

9. He told us that his neighbors two floors above were controlling the neighbors below them and caused them to stamp on the floor and disturb Mr. Cordell.
Reply: --

10. He did not believe that he was Mental unwell and was adamant that he would not see a physiatrist.
Reply: --

11. He lacked insight into his presentation.
Reply: --

12. He was irritable and has assaulted police officers and harassed his neighbors in recent days.
Reply: --

13. He poses a risk to others; therefore, his behavior poses him a risk of retaliatory Symptoms. This places his Health and safety at risk.
Reply: --

14. There is evidence that he has a Mental illness of a nature and degree treatment in hospital and without this there is a risk of harm to his health and safety and the safety of others.
Reply: --

Sarah Hewitt
reasons are: --
This man is hyper mental with flights of speech and ideation.
He has delusions that the police are targeting him are other residents in his block of flats.
He says people in the street are spitting at him because they believe he gave a woman herpes.
He is quite grandiose in his ideas about helping the world.
While with doctor Greenside he persisted to prosiest thought or conversation that he believed that I was suffering with a Mental Health Disorder such as psychosis.
I continued to stayed adamant that I am of good health and that I do not suffer from any of the symptoms that a person would suffer from if they did have Psychosis and my family and loved ones also agree with myself.
He told me that he wanted to put me onto medication again I told him that this was unfair and would be a breach of the Mental Health process as he had no evidence that warrants my detention or any form of a Mental Health disorder.
I asked doctor greenside if he does believe that I had a mental health illness such as psychosis why would he give me un escorted leave of the Dorset Hospital wing two days into my detention, he never had a fair response to my simple question I also reminded him that I had not failed in that obligation of trust.
The next reply I said to the doctor greenside was that he is abusing his position as a clinical practitioner and that he had no legal right after I had proved that the reason for my detention was flawed within the assessment 2 and therefore incorrect information and also that of misleading information.

Doctor Greenside asked me if I had been smoking any weed, I asked him why he would ask me this and he explained that he thought that he could smell weed from inside my room when he came to it early to take me out for our meeting. I gave him the reply of no I have not been smoking weed in my room and that I was happy to do a urine sample.
I explained to him that I had just left the wing on unescorted leave and could also smell somebody outside smoking it.
While talking I explained that I had applied for my tribunal and wished for an absolute discharge of any Mental Health illness and understood that this would be the correct professional opinion.
At the end of our conversation I reminded him of a part of or past short conversation, when doing so I explained that he had said to me himself that he did not believe that I was a danger to myself or towards any other person and that is why he had granted me unescorted leave of the Hospital wing that is named as Dorset
Doctor Greenside finished or meeting by explain that he believed in the proof of what I had shown him to be correct as to the assessment 2 sheets wrote context being incorrect and told myself that he believed that since **2014** these problems that I had been questioned about by he had now caused me to suffer with Psychosis. I knew this not to be true.
Our meeting came to an end and I went back to my room on the hospital wing.
I took Leave of the wing at the time of
I arrived back without any issues.
It was about 21:18 Hours when my mother gave me a telephone call while I was in my room writing my defence
The conversation we had was quite up setting due to what had gotten explained to both me and my mother
Mum Told me that she had received another telephone call of a person who is named as
Who works at Silver Street Branch of the Mental Health Canter that is based opposite the Enfield Civic center
They had told her while on the phone that they had been telephoned by Doctor Greenside who had agreed that he would like them to visit the hospital to where I have been placed and for them to do an assessment on me so that I could get placed onto a section three of the Mental Health Act 1983
Erratic behavior: --
There is a Bad leak running all across the main floor in the communal room coming from the water machine.

Referral received from Dorset ward for a section 3 MHA assessment for Simon. Currently Simon is under section 2 of the MHA 1983/2007 which is due to expire on **23/11/18.** He was detained on section 2 on **26/10/18.**
Dr Greensides reviewed/examined Simon today **(05/11/18)** and felt that Simon is unwell and needing to start on new treatment. Dr Greensides does not wish to do this prior to any section 3 as feels that it will not be beneficial to take medication against his will unless he is subsequently detained on a section 3 (see Greensides progress notes below)
However, also, Simon has appealed his section - no confirmed date yet (see Rio entry by Dr BRUCE, Maria on **2 Nov 2018)**
Furthermore; when I phoned Simon's mother who I identified to be his Nearest Relative, in order to consult with her regarding carrying out a MHA assessment for section3, she argued that she has not been given sufficient time so that she could attend the assessment. She requested for notice or more time to enable her attends the assessment when it is set up.
Plan:
Explore above issues when considering setting up assessment

N Relative, mother, Lorraine Cordell, mobile, 07807333545 and tel 02082457454 wants sufficient notice to attend the assessment
Simon is appealing his section 2 detention.

Simon came into the room and spoke about how unfair it was that he was in hospital. He spoke about the police conspiring against him. Simon said the police were very careful in how they handled him. Simon said the police could not prove/find him guilty of anything. Simon said he did not have a psychosis but as he was suing the police, they would not put him in prison but made up the charge that he was psychotic. He said he was not grandiose and he did own and run a business. He said he was not bankrupt and despite receipts provided by his mother did not over spend. He mentioned that someone had accused him of something he'd done in his flat but it hadn't been true never the less the police had still brought him to hospital. He feels everything done to him is against his 'human
rights. Technician did try to point out /reason with him but he only reason things out according to his beliefs.

I had a long discussion with his mother on Friday, I was not able to write up on RIO then as it was not working
I explained that I felt Simon was unwell and that he had paranoid psychotic symptoms and I felt at times was thought disordered, and heard things.
I didn't accept that the persecution he described from his neighbour one floor up was happening as I didn't believe this was possible and I felt what was being described was paranoid psychosis. His mother does not agree and feels that this is to do with poor sound proofing St deliberate targeting by a neighbour and subsequent persecution by the authorities.
she asked me for a letter to be given to the legal dept, of Enfield council, advocating for simon to have a two bed property so that someone can stay to provide support for him.
I told her we do not write letters of this nature but that if the dept got in touch with us we would answer any questions they had.
she gave the details as Ludmilla Lyavoo tel 02083798323 ludmilla.lvavoo@enfield.gov.uk

I explained to his mother that I intended on applying for a section 3 as I felt he needed some treatment
5/11/18
I interviewed simon.
we went over some of the things, he maintained that the neighbour one floor above was persecuting him and was able to locate him in his flat and then bang, flush the toilet and make noise, the purpose of which was persecution.
he confirmed that this happens at all times of day and even if he changes his routine etc.
I asked him about the neighbour directly above
he said he was OK. but went on to describe one time when he 'went mad in his flat, following me round and banging on the floor like crazy' He admitted that he confronted him after this, but denied any assault etc (I have been informed that he attacked this neighbour and that he was subsequently very frightened to flush his toilet)
I explained to Simon that I felt he was unwell with a paranoid psychosis and that I felt he needed to take some treatment, he disagreed and then accused me of 'being leaned on by people above you' On closer questioning he was referring to the police.
I asked him if he smoked much cannabis, he said he used to, then said every now & then. I asked him about the smell of cannabis in his room, he said that he'd had a few visitors.
he agreed to provide a urine sample
at l/v
he is relatively well presented
his speech is rapid but not pressured, he makes frequent legal references some of which I know to be inaccurate (ie around the mental health act) and remains very preoccupied with his perceived persecution, of which this admission is part.
he is not elated or depressed in his mood
his thinking is unclear and his answers are often very circumstantial, in my view he is at times thought disordered he remains paranoid with a complex system involving his neighbour, the council, police and the NHS I suspect he suffers with auditory hallucinations he is insightless and will not accept any treatment
21
IMP - I have made an application for a section 3. he suffers with a paranoid psychosis, most likely schizophrenia and there are risks to his health (mental), safety (retaliation) and to others-he has threatened his neighbours, filmed through their letter box etc. in response to his paranoia 6 caused considerable psychological distress.
if this is upheld then we will start a trial of antipsychotic treatment, I do not wish to do this prior to any section 3 as it will not be beneficial to take medication against his will unless he is subsequently detained on a section 3.

Getting wrongly detained while Working on my report in the;
Chase Farm Mental Hospital on an Assessment Wing!
00:01 Hours I stayed up late on the hospital wing Dorset because I needed to get my defence ready for my tribunal.
I went to sleep around the time of 02:00 Hours and re awoke at the time of 9:00
After waking up I took a walk on to the Dorset wings communal area to see if I could find out some information about my tribunal
I wanted to know such questions as: --
Can I get a copy of the circumstances reports so that I can prepare myself in a fair and timely manner?
I got told by a member of staff who was in the main shared communal room that I had to go to the office and ask my questions.
When I went to do so I noticed that Mr. Greenside was outside of the main staff office, so I decided to take the opportunity in front of me to take a better understanding to the last days events, I approached the doctor / Clinical Wing Manager of my care treatment in a polite and pace full way.
When I did finally stand in front of him, I waited till I could see that he was not dealing with any other patients on a one to one basis.
I asked the Doctor the question of did you request for a section 3 assessment to take place and allow for them other staffs to call my mother and also ask for her permission or acknowledgment in you direct Medical order.
He replied with the answer of yes, he did, I then after continued the conversation that we were the having by replying with the following line of questioning relevant to my case history with getting detained: -
1. Can I get a copy of the circumstances reports so that I can prepare myself in a fair and timely manner?
2. I continued to express my facts of truth and them being, that I was trusted without any medication while being detained under the mental health act 1983 and my behaviour has not shown any evidence of a decline from the fabricated statements m

3. There are no Grounds to warrant my detention

4. I have been polite and showed no signs of a menta illness while being on the Dorset Wing and in fact I have help others into resolving some of their problems of cause since I have arrived onto the site, this sensible approach of mine has also meant that I have help the staff in keeping a steady upkeep of the wing.

5. I have been eating well and keep myself hygienic

6. I have managed my personal life with simplicity and elegance while being detained so to not be released in to a state of an un organised life and because of this I look forward to a good future were me and my family are independent from public funded services.

I also said to the doctor that he and the other relevant staff do not have the grounds or evidence to warrant my detention at the present under the assessment 2 initial grounds.

The reason that I gave was as I and my mother alongside with or family members had already proven them claims against my person to be largely fabricated and inaccurate that are contained within side of RIO and therefore must carry no weight of maker of the initial frauded / fabricated statements and in any sense, there is no evidence that I have or do suffer with a mental illness due to these facts of mine.

Soon after doctor green side walked off into another room along the corridor. So, I went to the officer door to finish making me inquires.

When doing this I got told that there was a letter in the office in my name.

I got a bit concerned after what my mother had told me about the assessment for a section 3 that doctor Greenside had ordered to take place while still waiting for my tribunal.

So, at first, I said that I was not sure if I wanted to accept the mail but the staff in the office explained to me that they understood who the sender of the mail is. On listen to them some more I got told that it was in regards to my tribunal date for my request of discharge from the Mental Health Services. As soon as this got explained to myself, I trust in what the staff had displayed to myself.

I took the letter and when reading the content of the letter I was not surprised to find my tribunal date

The date got set for 08/11/**2018** at the time of 02:15 hundred Hours and Minutes.

I left the office and went back into my room on the wing an made a phone call to my mother!

When on the phone I told her, what had just happened and she explained that she was not happy with the way my medical care was being handled and was following up her own line of complaints regarding my detention.

At around 17:54 Hours

I made a phone call to my solicitor and left her a message on her answering machine asking her to visit me so that I can go over my case with her.

At around the time of: 18:04

I received a visit from my solicitor who had come to see me we took a set in an empty room on the wing and started to go over what has been going on to do with my case load.

She explained to me that she had received some documentation in purist of my detention at the hospital.

After our conversation she allowed me to have a copy of the documents she had received and this was a Circumstances of admission and background report I never had any time to really go over it.

At about 19:30 hours

Mother came to the wing to see me and brought me some trainers and some new tracksuit bottoms and other bits while I got keep at the hospital, I explained to her what had happened when the solicitor arrived to speak to me earlier, I gave her the copy of the report that I had and asked her to send it back to me by email.

While my mother wanted in the waiting room I rushed to my room on the hospital wing to get the money for what my mother had prior got for me and I could not find my debit card in my room when I went to repay her I am not too sure of how I miss placed it so I just reported it to the bank as lost and stolen after fighting to get through the security procedures I managed to find out that no other money went of the card while it was missing.

Because of the time that my mother arrived to see me I missed my lunch and waited for the staff change over to get some munch, I went back to my room and eat the food.

I then after stayed in my bedroom and continued working on my defence paperwork ready for my tribunal

At 19:08

My mother sent the documentation back to my email and I started to go throw it and this is a copy.

There is a Bad leak running all across the main floor in the communal room coming from the water machine.

Patient details
Mr Simon Cordell (11214451)
Date of birth: 26 Jan 1981
Address: 109 Burncroft Avenue,
Enfield
Post Code: EN3 7JQ
Circumstances of admission and background
Mr Cordell is a 37 years old man with previous diagnosis of F29X - Unspecified nonorganic psychosis. He has been known to CAMHS service in the past and to Adult Mental Health Services since 2014. However he has not been engaging with the services in recent years despite numerous attempts from mental health teams.
Mr Cordell become significantly unwell in mental health in 2014. He deteriorated significantly in mental state, but he refused engage with mental health service and declined to take medication. Consequently he had to be detained under Section 2 of MHA in 2016. He was treated with medication (Olanzapine) during the admission but soon after discharge he stopped taking his medication. He continued to be seen by Early Intervention service following a discharge, but he continued to refuse any treatment for his condition. This led to further deterioration in mental health. When Mr Cordell is unwell, he presents with persecutory delusions about his neighbours, council staff and the police. As a result of paranoid beliefs he becomes more aggressive and threatening especially towards neighbours. From 2016 to January 2018 there were numerous complaints from neighbours reported about Nr Cordell's acts of harassment and antisocial behaviour. This led to an interim injunction order (harassment order) to be issued against Mr Cordell, at the Edmonton County Court, in January 2018. Mr Cordell breached the order on multiple occasions. It has been reported that his neighbours have been assaulted, harassed, and have received threats from Mr Cordell. In addition, Mr Cordell disengaged with EIS.
In April 2018 further deterioration in mental health was observed when he contacted the police and complained about the neighbours making noise. EIS team was contacted and they offered to review Mr Cordell, but he refused to work with them again.
On the 1st of June he was arrested for harassing his neighbours and breaching the injunction order against him. He threatened his neighbour who was at the time with her two children that he

will kill her and her children " You fucking bitch, I have a bomb for you, I will get in your block, kill you and your children At that point, EIS stated that he has gone beyond EIS three year treatment period and therefore they referred his case to Enfield North Locality Team in June 2018. During the period of next few months (from June 2018 until October 2018 - they were reported numerous accounts of harassment and assaults to his council on his neighbour) Mr Cordell has continued to harass his neighbours and has refused to engage with mental health services. Few neighbours already moved out from their flats due to Mr Cordell's aggressive behaviour and Enfield Council decided to seek possession of Mr Cordell's flat via the courts. In a recent court case the judge recommended that Enfield Council re-house Mr Cordell on the proviso that he engages with the MH Team. However he failed to do that.
In October 2018, Mr Cordell was physically aggressive towards another service user who lives in the same building as him. Mr Cordell took him by the throat and left him feeling unable to walk around on the floor or even flush his toilet chain for fear of sparking another altercation (with no basis) about excessive noise.
This triggered a safeguarding process and Enfield Adult North Locality Team decided to organise MHA assessment as Mr Cordell refused to engage with them.
Consequently, he was referred for MHA assessment on the 17th of October 2018. Enfield Adult North Locality Team agreed that he is at risk to others and his behaviour could also put him at risk from others. Application for 135(1) was made however a judge found insufficient evidence presented for a warrant. He was referred to a forensic sector following this event.
On the 25th of October he was arrested as the police were called to his flat regarding him breaking a harassment order and that day, he allegedly assaulted the police who attended by spitting. Consequently, he was taken to Wood Green police station. He was found to be thought disordered with grandiose and persecutory delusions, hypomanic with flight

of ideas and pressured speech. Therefore MHA assessment was organised. He was detained under section 2 of MHA and admitted to Dorset ward, Chase Farm Hospital on the 25th of October 2018.
Mr Cordell explained that the police were conspiring with medics and the council to silence him as he had uncovered police corruption. He also said his neighbours two floors above were controlling the neighbour below them and caused them to stamp on the floor and disturb him. It was reported that he appeared to lack insight into his presentation as he did not believe he was mentally unwell and was adamant to see a psychiatrist for treatment.
Mental state examination on admission
Mr Cordell is 37-year-old male, mixed origin, slim build. He was wearing casual and dirty clothes. He engaged in conversation and made eye contact throughout. He was calm and polite during the interview; no aggression was observed but did become mildly restless at points. The conversation was one sided with Mr Cordell keen to talk. He presented with pressured speech and flight of ideas. Mood, subjectively he described as "fine, a bit elated", objectively he was elated. Thoughts: He presented thought disordered with tangential thinking, grandiose and persecutory delusions. He was oriented to time, place, and person. He presented with poor insight - does not want any medications, he does not believe that has a mental health disorder.
Risk
To self - high

Immediate risk to self is low as he denies any thoughts of self-harm or suicide. There are previous reports of suicide attempt as teenager. However he is at high risk of being evicted from his property at present due to deterioration in his mental state and behaviour and his mental and physical health could be significantly affected if he becomes homeless.
To others - high
He denies thoughts or plans to hurt others. He has clearly documented history of aggressive behaviour and currently elated.
From others - high, as he can be aggressive towards others, he is at risk of retaliation from others.
Risk of physical and verbal aggression towards others noted. This in turn, increases risk of others retaliating, therefore harm towards Mr Cordell.
Past psychiatric history:
Mr Cordell reportedly had disrupted childhood spending some adolescence in care. He was under CAMHS due to anxiety as a teenager.
Mr Cordell tried to hang himself at the age of 16 when in a young offender's institution; he says he lost consciousness and needed to be resuscitated. He was moved to a high security hospital and kept in seclusion on a number of occasions, but he says he would destroy the padded cell with his teeth. He says he was seen regularly by a psychiatrist called Dr Caplin from "the safe project".
Mr Cordell says there was a second occasion where he tried to hang himself when in a cell after he was sentenced.
Mr Cordell denies any contact with Mental Health Services between that point and 2014.
In March 2014 - He was diagnosed with Adjustment reaction "anxiety and suicidal thoughts over the last nine months in the context of having a pending court case (accused of burglary). He was offered Sertraline 50mg OD.
In November 2014 - Mr Cordell was under Home Treatment Team. He was diagnosed with Psychotic episode - not deemed sanctionable under MHA. Following this episode he disengaged with mental health service.
In November 2015 - He was referred via BEH HUB to mental health services. At that time Mr Cordell was not eating, not sleeping, he was paranoid saying people were talking about him or laughing at him, believed the government was advertising things about him, the TV was talking about him and talking directly to him. He was smoking cannabis at that time. He was again found non sanctionable under MHA and disengaged with the service.
In February 2016 it was applied for Warrant 135 (1) - but not sufficient evidence was presented to the judge for a warrant.
In August 2016, he was admitted under Section 2 of the MHA following custody at Wood Green station for threats to kill - section 2 reversed on appeal. He was discharged on Olanzapine 5mg and followed up by EIS. It was reported poor compliance with medication on discharge. Consequently he was discharged from EIS due to disengagement.

whether he was the person that posted a letter through your letterbox and he said yes. You asked why he did not stop when you ran after him and he stated that he had another visit and did not have the time to stop and talk to you. You stated that you will not attend the meeting at the Civic Centre or any of the council offices as you are unable to leave your flat and that the meeting should take place in your flat. Mr Nwabuisi offered to have the meeting at a neutral venue and suggested the local library or at your mother's house, but you refused saying that you have done nothing wrong and accused him of taking sides with your neighbours.

On 9th January 2018 at about 12.18pm, you telephone Lemmy Nwabuisi (ASB Behaviour officer) and accused him of forging documents to get an anti-social behaviour order against him and you told him that he had made you a prisoner within your home. You also stated that you knew where he lives in Enfield and that he and his family were not safe from you. You also told him that you would watch him leave the office and you would have followed him

home and he needed to watch his back. You called the ASB officer again 30 minutes later and told him that you knew he has a flat in Edmonton and also knew that one of his colleagues lives in Edmonton. You also stated that you knew where they live, and they were not safe.

You also swore at a judge. These incidents were witnessed by members of staff working at the Court.

40. On 29th May 2018, it is alleged that you attended one of your neighbours' property; you took your dog with you and waited by their front door. 43. You telephoned two council officers (Lemmy Nwabuisi and Ludmilla lyavoo) on 12t

44. On 12th September 2018 at about 3.50pm, you called one of your neighbours on his mobile phone using a private number. It is not known how you obtained his number, but he terminated the call. 45. On 24th September 2018 at about 11,30am, one of your neighbours returned home from dropping her daughter at school and as she entered their block of flat, she noticed that the middle door on the ground floor was open as well as your front door. One of your neighbours reported that his cousin was leaving the block at about on 2nd October 2018 at 12.45pm, and as you exited the block, you followed him and suddenly grabbed his jacket from behind and tried to pull him to the ground. The cousin started shouting to attract neighbours and managed to push you off.

48. It is reported that you continue to harass and intimidate other residents on a regular basis.

On the 25th of October he was arrested for breaching the injection order and spitting at the police officer on arrest.

Treatment and progress on the ward

On admission to Dorset ward, Mr Cordell presented elated, mildly irritable and thought disordered. On arrival to the room he remained calm and polite. He started the conversation by asking for duty doctor's name, which he wrote down on a paper. He then stated he has been detained here illegally because they think he is grandiose. He then went onto give the duty doctor a timeline of events which were largely related to the police and his connection with mental health services. In summary, he holds paranoid ideas that the police have charged him 'in illegal ways' for an ASBO for 'organisation of illegal raves. This has led to several on-going issues with the police who have involved mental health services and it is a conspiracy against him.

He states he wasn't assessed properly by doctors today (25/10/18) and that the doctors who saw him today (25/10/18) have previously tried to section him and 'failed' because he has 'video recordings' to prove he is innocent. He referred to multiple acts and dates which apparently are being broken by keeping him here.

He states he has several businesses that the police have tried to stop, including 'owning festivals' and his website called 'horrific corruption' and associated newsroom which he uses to expose police and doctors who are working in illegal ways. He states he has 'been wronged 78 times by the police' and will 'expose all of the doctors and police' involved.

He spoke about being a 'privileged member of the community' and has never tried to hurt anyone. He reports the police have framed him in a 'sex scandal' and caused multiple issues. He described a negative relationship with neighbours and states that they bang from above continuously. He states a previous partner was pregnant and the neighbours banging led to the

baby being lost.

He denies having a mental health illness and states he will get out of here once he has his laptop containing video graphic proof and was requesting a tribunal. During the course of the conversation he refused to acknowledge he has been sectioned and was adamant he would be able to leave but was not forceful or physically attempting to leave.

When he was seen by ward doctor on the 26th of October Mr Cordell feels he is in hospital because the police have "falsified" a report that led to him being kept on a curfew for years.

He proceeded to talk at length about circumstance that led him to be charged for handling of stolen goods and suspicion of burglary in 2013. He believes the case was handled poorly and is sure the police were conspiring against him. "The abuse of process by the civil service was unreasonable".

Following this he reports being placed on a 2-year injunction and a 5-year curfew. He feels this has led to a breakdown in a 13-year relationship he had. He also reports this affecting his company -a community interest company he started up.

At one-point Mr Cordell also mentioned the police targeting him for holding large parties that he was adamant were not hosted by him.

Mr Cordell reports owning a couple of local festivals and talks about engaging with multiple charities helping children. He says he had to stop this as police were harassing him in front of the children. He alleges to own his own company, his own paper and has just bought his own book maker for 70000 pounds. He also reports having 180000 friends on Facebook due to all his free parties.

When asked about his neighbours Mr Cordell said he believes his neighbours have been making up complaints about him. "My neighbours are calling up the police after forging the paperwork." He feels that his neighbours have been attacking him and reports feeling anxious in his house. Simon says he "kept writing to the police saying please can you protect me".

He does not think he is unwell and does not think he has a mental health problem. He admits he might be elevated but he believes this is a constructive state.

Mr Cordell reports not being compliant with any of his medication at any point. He is refusing to take any medication during this admission. "I've spent thousands of pounds showing you my brain, me being alert saves lives."

Mr Cordell would like to appeal his section and feels that by keeping him in hospital we are breaching his rights. "Physical or mental suffering amount to torture"

He reports sleeping, eating, and drinking well. Later he suggested this may not be the case stating, "In the night-time when my neighbours are asleep that's the best time for working".

Impression was that he presented with paranoid and grandiose delusions with significant mood component. In view of long-term symptoms this is most likely consistent with a Schizoaffective disorder. He does not currently have capacity for treatment or admission.

He settled in over the weekend, personal hygiene remained poor, smell of cannabis on him was noticed.

On the 29th October 2018 when he was seen by a nurse, he was irritable and quite hostile. He was

on the phone to his relative, complaining about police and claimed to be falsely accused.

On the 29th of October Formulation meeting was held:

Care coordinator 's feedback: This is only the second time meeting Simon. There have been issues with reports he is assaulting other residents in his council accommodation.

Nursing report: He appears paranoid on the ward.

interview with patient:

Mr Cordell appeared very agitated and vocal and was keen to put across his opinion that he had been illegally detained. Mr Cordell reports issues with police actions in regard to not giving him the ASBO folder properly - this was left outside instead of giving it to him directly. Mr Cordell continued to explain other problems with the police's treatment of him. This includes the metropolitan police having placed a photo of Mr Cordell in a folder in regard to a party he had no involvement with. He denies being involved in any of the parties mentioned in the ASBO. Mr Cordell spoke at length about the injustices surrounding his placement on curfew and the ASBO order.

He describes how on multiple times doctors have tried to assess him under the MHA and he has explained to them at each time the situation with the police. He was once placed under a section 2 and was able to appeal his section.
Mr Cordell reports the neighbours (?2 floors up) trying to deliberately disturb him by making a lot of noise and flushing the toilet multiple times. He feels they want him to get distressed and go upstairs to address them. They have been doing this over the last 4 years and are doing this throughout the day. From Mr Cordell's flat you can even hear them talking - there is apparently very poor sound proofing.
Mr Cordell has described a council official as having forged statements and falsely accusing him of threatening his life.
Mr Cordell reports that he is being assaulted by his neighbours as is his partner's small child. He feels the stress from this situation may have been linked to his partner's miscarriage. Mr Cordell denies any acts of antisocial behaviour, even in retaliation. At every point where he approaches the upstairs neighbours, he states he calls the police to ask then to "protect" him.
In regard to the recent arrest he reports the police attended due to a fraudulent call from the neighbours. The police tried to hand him a breach of harassment order which Mr Cordell ripped and spat on the paper. The police officer then yelled that he had spat on her. He was then arrested for assault to a police officer. This charge was dropped in the police station and he was referred for an MHA.
Mr Cordell is currently on benefits. He reports the expensive hardware he owns (e.g. 70000-pound bookmaker) he buys broken and second hand cheaply and fixes them. Mr Cordell works from home. He built a new model constitution - a community interest company which was a charity farm.

Collateral information:

His mother and uncle would like mental health service to stop referring to Mr Cordell reporting the police as being prejudice against him as delusional - they believe this can be proved (showing

photos of his company truck and hardware).
Mr Cordell 's mother is very upset that doctors have submitted reports stating that he is delusional and grandiose. They feel the AMHP report is grossly inaccurate.
Mr Cordell 's uncle is also upset that the mental health team would not provide Mr Cordell with a letter to assist with his housing situation.
They explain that the reason Mr Cordell has not be prosecuted for the complaints made by the neighbours is because each time Mr Cordell is able to "prove his innocence" directly to the police.
Mr Cordell 's mother believes he is very stressed due to the conditions of the ASBO and his neighbours disturbing him.
His uncle would like us to check the website that Mr Cordell has set up to highlight the injustices against him "horrificcorruption.com". (other websites mentioned by Simon include the Way back machine and too smooth).
Impression was that Mr Cordell was unstable in mental state and behaviour. He presented with persecutory delusions and possibly auditory hallucinations.

Plan was:

1. Requires further review of notes
2. Liaise Enfield council re plans for housing - ask Rosie for input

Following the formulation meeting he presented very grandiose - showing staff and peers his website and that he has '20,000 emails and 500,000 phone contacts'. He seems elated and keen to get his message across.
Dr Timothy Rogers e-mailed Dr Greensides on the 30th of October 2018 as Mr Cordell was referred to a forensic sector prior MHAA and wrote that he has terrorised their patient (who lives above him) including one occasion taking him by the throat and left our patient feeling unable to walk around on the floor or even flush his toilet chain for fear of sparking another altercation (with no basis) about excessive noise.
Mr Cordell was reviewed on the 31st of October 2018 by Dr Greensides (Consultant psychiatrist), Dr Elia and Dr Bruce:
Mr Cordell confirms his problems began in 2013. He moved into his premises in 2013 - there was evidence of CO poisoning in the flat and all the boiler systems and alarms had to be replaced.
Mr Cordell has been held on curfew for a long time for organising a party and? wrongly accused of damaging the premises. Also was accused of burglary and handling of stolen goods - he was found innocent on both accounts.
Mr Cordell reports having had a "relationship" with his current partner Katy for the last ?20 years. She has a son from a previous relationship.
The problems with the neighbours have been going on for 4 years now. Mr Cordell is concerned about his neighbours, in particular to how their behaviour might affect their child. 6 flats in total in his council building - the neighbours that are problematic are 2 floors above Mr Cordell's. These

Mental Health NHS Trust
NHS
particular neighbours bang on the water pipes, stamps on the floor (this echo through the flat between) - this happens first thing in the morning and goes on through the day.
Mr Cordell believes his neighbours sit in their flat eavesdropping on Mr Cordell's whereabouts. When he enters the bathroom, they enter their bathroom and flush the toilet a lot. Simon has Video and Audio recordings throughout his flat in order to prove his innocence. There is a husband and wife living there as well as a new-born baby. Mr Cordell reports he can hear this family talking but he can't make out what they are saying - he denies them saying anything negative about him "they've never spoke to me".
Simon has personal information about his neighbour which he feels is proof of? tax evasion - he reports the family own 50 houses in the UK. The neighbour has changed their surname in order to accommodate some scheme to avoid? tax - Mr Cordell reports he has "100% evidence" that this is true and feels it is relevant to him because of how they are treating him. Mr Cordell believes what the neighbours are doing is a hate crime.
Mr Cordell denies ever having felt like the TV was talking to him or that the council was advertising his information. Mr Cordell does feel his personal information is being advertised somehow - friends have approached him and have information about him he believes can only have come from secure computer systems.
Mr Cordell is not concerned about his tenancy at the moment - he states he has recordings that prove his innocence.
Simon is aware the council has told him to stay away from his neighbours - since this time he states he hasn't approached his neighbours. He wants to publish a book about what has been going on. Simon does not appear to accept that he has become fixated on this issue.
Mr Cordell does not think his problems with his neighbours are in any way due to him having a mental health problem.
Mr Cordell wouldn't like to take medication as he doesn't feel he needs it and is concerned medication may impact his ability work. He is particularly concerned that the medication will "dope him out".
Mr Cordell states he has a good family support network. He is happy to see the ward psychologist.
Mr Cordell has been informed that a referral to a forensic psychiatrist who may want to visit him on the ward.
Impression was that he presented with persecutory delusions and poor insight into his condition. Not currently deemed to be a risk to himself or others. He could be at high risk of losing accommodation if continues untreated. Plan was:

1. For Section 17 leave
2. No medication at present
3. Refer to ward Psychologist - Dr Patkas

He has terrorised our patient (who lives above him) including one occasion taking him by the throat and left our patient feeling unable to walk around on the floor or even flush his toilet chain for fear of sparking another altercation (with no basis) about excessive noise.

Opinion and recommendations

1. Mr Cordell suffers from a mental disorder, the symptoms of which at present are persecutory delusions, grandiose beliefs, and attitude. In addition, he also presented thought disordered with circumstantial thinking. Probably he has been experiencing auditory hallucinations too. His condition is complicated by poor insight into his mental health illness and substance misuse.
2. This illness is currently of a nature and degree to warrant detention under section 2 of the mental health act.
3. Without this there are risks to his health, principally mental health which is likely to continue to deteriorate without intervention. He is also at high risk from being evicted from his current accommodation which could put his mental and physical health at significant risk. His safety is compromised by possible retaliation from others when he is behaving aggressively towards other people. As well as the safety of others as he was aggressive to his neighbours, council employees and police prior to admission.
4. This cannot be carried out in the community as he has limited insight and refuses intervention, tried for a number of years, and failed.
5. Should he be discharged then he will be referred to the HTT but is not likely to engage.
6. Tribunal need no special arrangements to accommodate Mr Cordell.

Dear Ms Ryan,

Mr Simon Cordell, 109 Burncroft Avenue, EN3 7JQ

Thank you for your recent enquiry, which I forwarded to my officers in the Community Safety Unit Anti-Social Behaviour team.

I can confirm that the Anti-Social Behaviour Team is aware of the ongoing issues between Mr Cordell and his neighbours. Your enquiry has been added to the Anti-Social Behaviour database (Case Reference 17834) and passed to Anti-Social Behaviour Coordinator Lemmy Nwabuisi to investigate.

I have liaised with Mr Nwabuisi and have been advised that the council was granted an interim injunction with a power of arrest on **9th January 2018** because of reports of anti-social behaviour and harassment made against Mr Cordell by some of his neighbours. The injunction was discharged at a hearing at Edmonton County Court on **9th August 2018** following a mental health assessment report that concluded that Mr Cordell did not have the mental capacity to litigate or understand the terms of the injunction.

Mr Nwabuisi has also advised that there is no court decision whereby the Judge stated that Mr Cordell is entitled to a 2-bedroom property so that his career, his mother, has a spare room to sleep in. He advised that Mrs Cordell informed the Judge at the hearing that her son requires a 2-bedroom property and the Judge asked the council to consider her request, however the Judge did not make an order that Mr Cordell should be offered a 2-bedroom property. Mr Nwabuisi further advised that the council is not aware that Mrs Cordell is Mr Cordell's register carer.

She was advised that her son will have to engage with the mental health team if he requires a 2-bedroom property, so they can assess him and make further recommendations. However, he has failed to do this and was recently sectioned when he was arrested by the police.

Report prepared by:	Soobah Appadoo

Sources of Information:	Electronic Documentation on Rio
Nearest Relative:	Ms Cordell (mother)
Date of this report:	7th November 2018

Who you are and in what capacity you know the patient, how long you have worked with them?

My name is Soobah Appadoo? I am a CPN with the above-named team. I have been asked to compile this social circumstance report in support of above-named patient's Mental Health Review Tribunal (MHRT) appeal against his detention under Section 2 of the Mental Health Act. Mr Cordell was admitted on section 2 on the 26th October 2018.
Mr Cordell was previously under the care of the Early Intervention Team for 3 years. The Early Intervention Team discharged him in June 2018 and at that point he was referred to our team. There is a suggestion on RIO notes that he did not engage well with that team.
I was allocated to Mr Cordell in August 2018. We offered him an appointment at his flat on the 31st August. Mr Cordell rang our office the day before and spoke to me. I informed him that I am his new Care Coordinator. He said that he had been seen for "76 days by his CC" and there was "nothing wrong with me". He said that the reason we want to see him is to "cover for missing signatures?". He said he "will ruin anyone who come to my house" and he has "recording cameras and audios" to ruin us. He said if you come to my house "I f...ing will scar you for life". He used foul languages throughout this contact. He said that I "can take the f...ing referral and stick it up my a..e". He said that he does not want to see us. I could not interrupt him: very verbally aggressive with pressure in speech". I did manage to say that we are a different team from Lucas House and we want him to have a fresh start- He said "I don't f...ing care"
Further to that the MDT advised that we should assess Mr Cordell in clinic due to the potential risks. We then offered him an appointment on the 28th September which Mr Cordell did not attend.

My report is based on the information which I have extracted from RIO and my telephone conversation with Mr Cordell's mother.

Psychiatric history

On the 16th August **2016** Mr Cordell was admitted to CFH under Section 2 of the MHA. He was discharged on the 27th August **2016**.
According to RIO notes Mr Cordell "was arrested at his home address after his mother raised concerns about his mental state - he was allegedly verbally threatening towards his neighbour and (?) neighbour's children. Simon's mother called police who arrested him. He was seen by the FME at Wood Green police station, was then referred for MHA."
He appealed against his Section. The Mental Health Review Tribunal discharged him from Section 2 on the 26th August **2016**.

Leading to current admission

As I stated above leading to this admission Mr Cordell did not attend appointments offered to him by our service. Subsequently due to the allegations made against him I was advised to attend a Safeguarding meeting for an alleged victim. In that meeting I was informed by the Council that Mr Cordell has a past and current history of physical and verbal aggression towards residents in the building. I was informed that the council has tried to work with Mr Cordell but to no avail. I was informed me that Mr Cordell was getting easily irritated even by the sound of a flushing toilet; this happened very recently and he threatened the resident concerned. The Council was of the opinion that these are signs of mental illness and suggested that BEH should proceed with a MHA. The Council argued that this is for the protection of others as well as Mr Cordell's own safety.
Subsequently the council sent us a copy of 'Anti-Social Behaviour, Tenancy concerns and breaches- pre-action letter' which contained a chronology of alleged incidents dating from **2016**. These alleged incidents were in the meaning of an antisocial behaviour presentation.
On the 17th October Mr Cordell was discussed in our MDT meeting. A decision was made to conduct a MHA. A MHA was attempted on the 19th October. Mr Cordell did not cooperate and the assessment did not take place.
On the 23rd October an application for a warrant was made but was declined on the grounds "that there was insufficient recent evidence that he was being "kept under proper control" as he is living alone and "insufficient recent medical evidence that "he is unable to care for himself.
According to RIO, on the 25th October Mr Cordell was arrested for breaching a harassment order. It was alleged that he was aggressive towards the police and spat at them. He was assessed at the police station. On interview he had pressure of speech, delusions about his

neighbours and the police and housing ganging up against him. He denied drug use. He said that does not have a mental disorder. The

doctors who assessed Mr Cordell found him "hypomanic, with flight of speech, grandiose and thought disordered"

Forensic history

Nil known.

Risk History

According to the Risk Assessment on RIO notes Mr Cordell had expressed suicidal thoughts in the past. This was related to stress from court cases. The date is not stated in the Risk Assessment. Around that time, he said that he had researched ways of harming himself (poisoning, OD, hanging). He had said in the past that he tried to hang himself aged 16 when he was in a young offender's institute. He had said that he needed resuscitation. He tried to hang himself a second time after he was sentenced by a judge aged 20. He had said that he drank Nitrous Oxide in **2014** with intent to die.

According to his Risk Assessment he was regularly a victim or witness of his father's violent behaviour.

There are recent reports from the Council regarding alleged aggressive behaviours towards other residents. In June 2018 he was apparently involved in court case with the neighbours who he apparently threatened to harm.

Views of family

I telephoned Ms Cordell on the 7th November 2018. Ms Cordell told me that neighbours have been "terrorising" his son since **2014** in particular a neighbour on the 2nd floor. Ms Cordell told me that whilst her son is in hospital her nephew has been staying in the flat to look after the dog. The nephew has reported that the occupier on the 2nd floor have been "banging" on the floor. She said that the neighbour then realised that her son is not in the flat when they saw the nephew coming out of Mr Cordell's flat. She told me that since the 26th October the "banging" has stopped. She said that she has complained about the neighbour herself but thinks these situations are misinterpreted by the council and the mental health services and her son is then seen as the perpetrator and or being mentally unwell. Ms Cordell stated that the sound proofing is lacking and the noise is real. Other neighbours have made allegations that Mr Cordell has been aggressive towards them. She said that there is no evidence of this; police have seen CCTV and found that her son had not left the flat at the time when these incidents were alleged to have happen. Ms Cordell gave another example in **2016** where it was alleged by a neighbour that her son had made threats to kill him. She said that the police initially charged her son with making threats to kill; after seeing video evidence they charged him with a 'Public Order Offence'. She said that around the time of this alleged incident her son was in his flat with some friends. Her son was not allowed to his flat and was bailed to her flat where he stayed until December **2016**. She said that the CPS after seeing evidence dismissed the case a day before the trial. She said that the council has never taken the responsibility to look at evidences; the allegations made against her son (physical assault, letting his dog on the loose) have not been proven. She said that on the 9th August in court the Judge ordered Enfield Council to move her son to a 2-bedroom flat but the Council wants/plans to evict him instead. She said that the Council has no grounds to apply for her son's eviction.

She said that her son has a one bedroom flat. She said that he does not want to live there. She said that he needs a 2-bedroom flat with the plan that his cousin could stay with him to provide emotional support. She said that her son has everything he needs in the flat. She told me that

her son is very independent in activities of daily living; his personal care is extremely good; he cooks for himself, maintains the flat and takes responsibility for his bills. She told me that he has no financial difficulties/no debts.
She said that her son has a work history. In **2010** he was planning to set up a business in the entertainment industry. He has also built websites in relation to this. At present he is not in employment. He is in receipt of Employment Support Allowance but needs to make an application for Personal Independent Payment.
I asked her if she thinks her son has a mental illness; she told me that he suffers from stress and anxiety due to issues with the neighbours but does not think he has a mental illness. She said that the judged looked at evidence and did not grant a warrant in October 2018 for a mental health act to take place at her son's flat.
I asked Ms Cordell if she thinks her son could benefit from support from the community team. She said that he could do with some support but "we should stop labelling him as being delusional as he is not delusional".

After-Care
Potentially Mr Cordell care/treatment would be delivered via the Care Programme Approach. I am the allocated Care Coordinator and he will have a responsible clinician in the community. My role would be first of all to build a relationship with Mr Cordell as I have only met him on 2 occasions. I will try to motivate him to engage with myself and the multidisciplinary team. As his Care Coordinator I will review Mr Cordell regularly independently and with the Community RC.
We have a Team Clinical Psychologist and it would be vital for Mr Cordell to have some form of talking therapy. This is on the basis of the stress and anxiety that his mother states he suffers from.
We have a Dual Diagnosis Worker in the team who could offer drug counselling if necessary.
We have an organisation called 'Remploy' which is funded by the Local Authority. Potentially they could support Mr Cordell to find work. They meet regularly with clients whilst they are in work and also liaise with employers.

I could support Mr Cordell in making an application for PIP. Alternatively, he could get that support from 'Enfield Well-Being Connect' The Mental Health Enablement Team could provide support in tenancy management as well as support to access education/training and work.
Opinion and recommendations
I have met Mr Cordell on two occasions only and I have not had the opportunity to assess him in the community. A rapport needs to be established with him.
On the basis of recent events, history of risks to self and alleged risks towards others, and taking into account the views of the MDT on the ward I think that he would benefit from a longer stay in hospital. This is in-order for the MDT to assess him comprehensively to determine if he has a severe and enduring mental illness such as schizophrenia/psychosis. If it is determined that he has a severe mental illness then this should be treated accordingly whilst he is in hospital.

	Jurisdiction. Preliminary and Procedural Matters	
1	**1.** The tribunal is satisfied that it has jurisdiction to consider this application. **2.** The solicitor for the patient sought permission to submit a 6-page document from Mrs Cordell, the nearest relative. The solicitor indicated that the document expressed the nearest relative's views-and those of a cousin the panel considered the request and noted that Mrs Cordell's views as regards her son's detention and the housing problems he has experienced were fully reflected in the social circumstances report provided. The panel would also allow her to speak at the tribunal hearing if she wished to do so. In those circumstances, we did not accept the submission of the document.

Reasons

3	**1.Backqround:** Mr. Simon Cordell is aged 37 and is single and resides in council accommodation in the community. There is a longstanding history of difficulties with neighbours at his accommodation which was detailed in the reports. His background and history were documented in the statutory reports provided to the panel. He has been known to Adult Mental Health Services since **2014**. He has had varied diagnoses in the past and has been found not to require section under the Mental Health Act in **2014** and **2015**. He was however detained subject to Section 2 in August **2016** and was subsequently discharged by a Tribunal. The history indicated that he was discharged on **prescribed medication** and followed up by EIS. He reportedly did not engage with services or medication and was thereafter discharged from EIS. He has a current working diagnosis of schizophrenia. The current admission follows an incident in October **2018** which led to safeguarding concerns and the Enfield Adult North Locality Team's decision to arrange an MHA assessment. Mr. Cordell was detained subject to Section 2 on the 02 .11.**2018**.

4	**2. The Responsible Authority's case:** The clinical case argued that the patient has a chronic and enduring mental illness. It is unclear whether the mental disorder responds to treatment as the patient has not engaged consistently with treatment. Currently, the patient has been assessed without medication as Mr. Cordell does not accept that he requires psychotropic medication. Mr. Cordell presents with a number of persecutory, paranoid thoughts in relation to his beliefs that the police and his neighbours are in some way targeting him. Mr. Cordell also exhibits thought disorder and some tangentiality in his response to questions posed. The professional evidence argued that the nature and degree of the mental disorder warranted the patient's continued detention of assessment which is justified in the interests of the patient's health, safety and the protection of others.

5	**3. The patient's view:** Mr. Cordell was polite and courteous towards the panel. He told the panel that he did not accept that he has a mental illness or any need for medication. He said he experienced anxiety and distress at his accommodation. He indicated that the 48 allegations between the: 06/07/**2016** and 02/10/**2018** set out in the medical report from an Enfield Council Report regarding concerns and breaches of his tenancy agreement were all fabricated. He did not accept that he was in any way at fault. He repeated on several occasions that his neighbours had submitted a litany of complaints to council officials about him in order to undermine his occupation of the premises. He said that <u>he has been stopped from organising festivals and had set up a website to air his frustrations about his perception of the injustice of his treatment.</u> He told the panel that he would remain as a voluntary patient.

6	**4. The nature and degree of the mental disorder:** As to the nature of the mental disorder, the patient's illness appears to be a chronic illness which has persisted for some time. It is unclear as to the patient's response to treatment as yet. Mr. Cordell told the panel that he did not take the psychotropic medication prescribed following his last discharge in **2016**. The clinical team have sought the first recommendation for Section 3 and intend to commence treatment with psychotropic medication in due course. Mr. Cordell displayed no insight into his mental health difficulties and sought to minimise his actions prior to the current admission. As to the degree of the mental disorder, the patient's evidence was tangential, guarded and there was clear thought disorder. Dr Greensides told the panel that he had looked at Mr. Cordell's website which indicated the presence of thought disorder. The panel asked Mr. Cordell about a telephone conversation with Mr. Appadoo which is detailed in the social circumstances report; the patient is alleged to have used foul and threatening language throughout the conversation. Mr. Cordell did not dispute the telephone conversation and sought to minimise his actions stating that the content was out of context. He was unable to contain his thoughts on the question posed as to whether, reflecting on the matter now, he thought his response was inappropriate. The nursing evidence in contrast to the panel's observation, indicated that the patient has not exhibited any psychotic symptoms. On a positive note there has been some improvement in the patient's presentation overall as he is no longer challenging, irritable or confrontational.

7	**5**. The detention is justified in the interests of the patient's health, safety and the protection of others As to the patient's health, the professional evidence indicated that psychotropic medication is to be commenced and the patient's response to treatment is to. be monitored. The clinical view is that a period of treatment is now required to address the patient's psychotic symptoms. The clinical view is that the patient is unlikely to engage as an informal patient and a previous attempt at treating the patient in the community was unsuccessful. As to the patient's safety, there is historical information that Mr. Cordell has attempted to self-harm in the past. This is not a current concern. Mr. Cordell's difficulties at his accommodation may pose a risk of eviction. However, further clarification is required during the period of the assessment on this point. There is a potential risk of retaliation from others when he is behaving aggressively towards others. As regards the protection of others, Mr. Cordell has entrenched and longstanding views and there have been incidents of aggression involving his neighbours, council officials, and the police prior to admission. He showed little capacity for self- reflection or remorse during his evidence when he was questioned about his telephone interaction with Mr. Appadoo. We note that the allegations of physical and verbal altercations with his neighbours were relied upon to obtain an order for an injunction as recently as the 9.1.**2018** which was later discharged in July **2018** due to the patient's lack of capacity to understand the conditions of the injunction due to his psychotic illness.

Dear Trishna,
I write further to my email to you and Mrs Lorraine Cordell. Our allocation manager has advised us that as Mr Cordell is an existing council tenant, he is entitled to apply for a **transfer** of tenancy and cannot make a rehousing application.
I am advised that the application needs to be done via Mr Cordell's neighbourhood officer. I have emailed the officer and asked him to contact Mrs Cordell as soon as possible. Mrs Cordell is also encouraged to contact the Mental Health Team so they can support him with his MH issues and rehousing. I have amended the order to reflect the above and look forward to hearing from you.

A pre-hearing examination of the patient was indicated under the Rules. The interview with the patient took place on 8th November 2018.

The Tribunal considered:

Oral evidence from Dr J. Greensides, RC; Nurse Thembi Magodlela; Mr Soobah Appadoo, CPN; Mr Simon Cordell, patient and Mrs Cordell, patient's mother.

Written evidence from Dr M. Elia, ST6; Nurse Bibi Khodabux; Mr Soobah Appadoo, CPN

Other material, namely Responsible Authority Statement of Information,

Observers: Mrs Fiona Bateman, (Judicial Shadowing Scheme) and Student Nurse Skubik

Jurisdiction. Preliminary and Procedural Matters

1. The tribunal is satisfied that it has jurisdiction to consider this application.
2. The solicitor for the patient sought permission to submit a 6-page document from Mrs Cordell, the nearest relative. The solicitor indicated that the document expressed the nearest relative's views and those of a cousin. The panel considered the request and noted that Mrs Cordell's views as regards her son's detention and the housing problems he has experienced were fully reflected in the social circumstances report provided. The panel would also allow her to speak at the tribunal hearing if she wished to do so. In those circumstances, we did not accept the submission of the document.

Grounds for the Decision

- The tribunal is satisfied that the patient is suffering from mental disorder or from mental disorder of a nature or degree which warrants the patient's detention in a hospital for assessment (or for assessment followed by medical treatment) for at least a limited period.
- The tribunal is satisfied that the patient's detention as aforesaid is justified in the interests of the patient's own health or safety, or with a view to the protection of other persons.
- The tribunal does not consider that it is appropriate to discharge the patient under its discretionary powers.

Reasons

1.Background

Mr Simon Cordell is aged 37 and is single and resides in council accommodation in the community. There is a longstanding history of difficulties with neighbours at his accommodation which was detailed in the reports. His background and history were documented in the statutory reports provided to the panel. He has been known to Adult Mental Health Services since **2014**. He has had varied diagnoses in the past and has been found not to require section under the Mental Health Act in **2014** and **2015**. He was however detained subject to Section 2 in August **2016** and was subsequently discharged by a Tribunal. The history indicated that he was discharged on prescribed medication and followed up by EIS. He reportedly did not engage with services or medication and was thereafter discharged from EIS. He has a current working diagnosis of schizophrenia.

The current admission follows an incident in October 2018 which led to safeguarding concerns and the Enfield Adult North Locality Team's decision to arrange an MHA assessment. Mr Cordell was detained subject to Section 2 on the 25.11.2018.

72

The Responsible Authority's case

2. The clinical case argued that the patient has a chronic and enduring mental illness. It is unclear whether the mental disorder responds to treatment as the patient has not engaged consistently with treatment. Currently, the patient has been assessed without medication as Mr. Cordell does not accept that he requires psychotropic medication. Mr. Cordell presents with a number of persecutory, paranoid thoughts in relation to his beliefs that the police and his neighbours are in some way targeting him. Mr. Cordell also exhibits thought disorder and some

tangentiality in his response to questions posed. The professional evidence argued that the nature and degree of the mental disorder warranted the patient's continued detention of assessment which is justified in the interests of the patient's health, safety, and the protection of others.

The patient's view

3. Mr. Cordell was polite and courteous towards the panel. He told the panel that he did not accept that he has a mental illness or any need for medication. He said he experienced anxiety and distress at his accommodation. He indicated that the 48 allegations between 6.7.**2016** and 2.10.2018 set out in the medical report from an Enfield Council Report regarding concerns and breaches of his tenancy agreement were all fabricated. He did not accept that he was in any way at fault. He repeated on several occasions that his neighbours had submitted a litany of complaints to council officials about him in order to undermine his occupation of the premises. He said that he has been stopped from organising festivals and had set up a website to air his frustrations about his perception of the injustice of his treatment. He told the panel that he would remain as a voluntary patient

The nature and degree of the mental disorder

4. As to the nature of the mental disorder, the patient's illness appears to be a chronic illness which has persisted for some time. It is unclear as to the patient's response to treatment as yet. Mr. Cordell told the panel that he did not take the psychotropic medication prescribed following his last discharge in **2016**. The clinical team have sought the first recommendation for Section 3 and intend to commence treatment with psychotropic medication in due course. Mr. Cordell displayed no insight into his mental health difficulties and sought to minimize his actions prior to the current admission. As to the degree of the mental disorder, the patient's evidence was tangential, guarded and there was clear thought disorder. Dr Greensides told the panel that he had looked at Mr. Cordell's website which indicated the presence of thought disorder. The panel asked Mr. Cordell about a telephone conversation with Mr. Appadoo which is detailed in the social circumstances report; the patient is alleged to have used foul and threatening language throughout the conversation. Mr. Cordell did not dispute the telephone conversation and sought to minimise his actions stating that the content was out of context. He was unable to contain his thoughts on the question posed as to

whether, reflecting on the matter now, he thought his response was inappropriate. The nursing evidence in contrast to the panel's observation, indicated that the patient has not exhibited any psychotic symptoms. On a positive note there has been some improvement in the patient's presentation overall as he is no longer challenging, irritable or confrontational.

The detention is justified in the interests of the patient's health, safety and the protection of others

5. As to the patient's health, the professional evidence indicated that psychotropic medication is to be commenced and the patient's response to treatment is to be monitored. The clinical view is that a period of treatment is now required to address the patient's psychotic symptoms. The clinical view is that the patient is unlikely to engage as an informal patient and a previous attempt at treating the patient in the community was unsuccessful.

73

As to the patient's safety, there is historical information that Mr Cordell has attempted to self-harm in the past. This is not a current concern. Mr Cordell's difficulties at his accommodation may pose a risk of eviction. However, further clarification is required during the period of the assessment on this point. There is a potential risk of retaliation from others when he is behaving aggressively towards others.

As regards the protection of others, Mr Cordell has entrenched and longstanding views and there have been incidents of aggression involving his neighbours, council officials, and the police prior to admission. He showed little capacity for self-reflection or remorse during his evidence when he was questioned about his telephone interaction with Mr Appadoo. We note that the allegations of physical and verbal altercations with his neighbours were relied upon to obtain an order for an injunction as recently as the 9.1.2018 which was later discharged in July 2018 due to the patient's lack of capacity to understand the conditions of the injunction due to his psychotic illness.

Our conclusions

6. We accept the clinical evidence as to the nature and degree of the mental disorder. We have no doubt that there is some element of neighbour dispute; however, Mr Cordell's response to such triggers appear to be rooted in a mental disorder which will need to be assessed during this admission. We also accept that the detention is justified in the interests of the patient's health, safety and the

protection of others for the reasons set out above.

Exercise of discretion

7. There were no special features of this case which persuaded us to exercise our discretion to discharge.

Statutory criteria

8. The grounds and statutory criteria are satisfied. The section is upheld

- I am a staff nurse on Dorset ward, and I have known Simon since his admission to the ward.

1. **Circumstances leading to admission**
   Simon is a 37-year-old service user admitted on 25/10/18 under section 2 of the MHA. It was reported that he had not been engaging with the services in recent years. He was arrested for spitting at a police officer after they were called about him harassing his neighbours. He also has a number of no molestation orders against him, forbidding him contacting them. He was taken to Wood Green police station and during Mental Health Act assessment he appeared to be thought disordered, had no insight, held several grandiose and delusional beliefs. On admission he was irritable in mood, elated and grandiose.
2. **Current nursing care**
   Simon is nursed in a safe environment. He has been encouraged to approach staff to discuss his feelings. A therapeutic outlet has been provided for him to ventilate his feelings.
3. **He has been offered 1:1**

- session with staff on each shift to discuss his care plan and also to gain his cooperation and to get him involved in his treatment. He was encouraged to get involved in his care plan and discuss his views. Staff encouraged him to gain insight so that he would engage.
- Staff initiated establishing rapport with him which has gradually improved.
- He has politely declined to attend occupational therapy sessions on the ward. He is currently nursed on general observation.

   He has been leaving the ward to proceed on unescorted section 17 leave and he complied with it.
   His mother and uncle visited him on the ward and observed to have interacted well with them.

He should be able to attend this tribunal and also cope with the outcome with the help and support from staffs.

12. **Opinion and recommendations**

Is detention in hospital for (S2) or the provision of medical treatment in hospital justified or necessary.

It is important that Simon remains in hospital under section 2 so that his mental state can be fully assessed followed by treatment.
He has no insight and is not willing to cooperate with his treatment.
He does not believe that he needs medication.
There is a high probability that he will not cooperate and disengage from services.
He will be putting himself and his neighbours at risk due to his aggressive and confrontational behaviour.
He will be at risk of losing his accommodation.

Social Circumstances Report for S.C Rio no 11214451 on Section 2 of the MHA 1983/2007

Care Coordinator: Soobah Appadoo- Allocated August 2018

Report prepared by: Soobah Appadoo

Sources of Information: Electronic Documentation on Rio

Nearest Relative: Ms Cordell (mother)

Date of this report: 7th November 2018

Who you are and in what capacity you know the patient, how long you have worked with them: My name is Soobah Appadoo. I am a CPN with the above-named team. I have been asked to compile this social circumstance report in support of above-named patient's Mental Health Review Tribunal (MHRT) appeal against his detention under Section 2 of the Mental Health Act.

- Mr Cordell was admitted on section 2 on the 26th October 2018.
- Mr Cordell was previously under the care of the Early Intervention Team for 3 years. The Early Intervention Team discharged him in June 2018 and at that point he was referred to our team. There is a suggestion on RIO notes that he did not engage well with that team.
- I was allocated to Mr Cordell in August 2018. We offered him an appointment at his flat on the 31st August. Mr Cordell rang our office the day before and spoke to me. I informed him that I am his new Care Coordinator. He said that he had been seen for "76 days by his CC" and there was "nothing wrong with me". He said that the reason we want to see him is to "cover for missing signatures?". He said he "will ruin anyone who come to my house" and he has "recording cameras and audios" to ruin us. He said if you come to my house "I f...ing will scar you for life". He used foul languages throughout this contact. He said that I "can take the f...ing referral and stick it up my a..e". He said that he does not want to see us. I could not interrupt him: very verbally aggressive with pressure in speech". I did manage to say that we are a different team from Lucas House and we want him to have a fresh start- He said "I don't f...ing care"
- Further to that the MDT advised that we should assess Mr Cordell in clinic due to the potential risks. We then offered him an appointment on the 28th September which Mr Cordell did not attend.

- My report is based on the information which I have extracted from RIO and my telephone conversation with Mr Cordell's mother.

1. Psychiatric history

- On the 16th August 2016 Mr Cordell was admitted to CFH under Section 2 of the MHA. He was discharged on the 27th August 2016. According to RIO notes Mr Cordell "was arrested at his home address after his mother raised concerns about his mental state - he was allegedly verbally threatening towards his neighbour and (?) neighbour's children. Simon's mother called police who arrested him. He was seen by the FME at Wood Green police station, was then referred for MHA."
- He appealed against his Section. The Mental Health Review Tribunal discharged him from Section 2 on the 26th August 2016.

2. Leading to current admission

- As I stated above leading to this admission Mr Cordell did not attend appointments offered to him by our service. Subsequently due to the allegations made against him I was advised to attend a Safeguarding meeting for an alleged victim. In that meeting I was informed by the Council that Mr Cordell has a past and current history of physical and verbal aggression towards residents in the building. I was informed that the council has tried to work with Mr Cordell but to no avail. I had informed me that Mr Cordell was getting easily irritated even by the sound of a flushing toilet; this happened very recently, and he threatened the resident concerned. The Council was of the opinion that these are signs of mental illness and suggested that BEH should proceed with an MHA. The Council argued that this is for the protection of others as well as Mr Cordell's own safety.
- Subsequently the council sent us a copy of 'Anti-Social Behaviour, Tenancy concerns and breaches- pre-action letter' which contained a chronology of alleged incidents dating from 2016. These alleged incidents were in the meaning of an antisocial behaviour presentation.
- On the 17th October Mr Cordell was discussed in our MDT meeting. A decision was made to conduct an MHA. An MHA was attempted on the 19th October. Mr Cordell did not cooperate, and the assessment did not take place.
- On the 23rd October an application for a warrant was made but was declined on the grounds "that there was insufficient recent evidence that he was being "kept under proper control" as he is living alone and "insufficient recent medical evidence that "he is unable to care for himself.
- According to RIO, on the 25th October Mr Cordell was arrested for breaching a harassment order. It was alleged that he was aggressive towards the police and spat at them. He was assessed at the police station. On interview he had pressure of speech, delusions about his neighbours and the police and housing ganging up against him. He denied drug use. He said that does not have a mental disorder. The

Mental Health NHS Trust

- doctors who assessed Mr Cordell found him "hypomanic, with flight of speech, grandiose and thought disordered"

3. Forensic history

- Nil known.

4. Risk History

- According to the Risk Assessment on RIO notes Mr Cordell had expressed suicidal thoughts in the past. This was related to stress from court cases. The date is not stated in the Risk Assessment. Around that time he said that he had researched ways of harming himself (poisoning, OD, hanging). He had said in the past that he tried to hang himself aged 16 when he was in a young offender's institute. He had said that he needed resuscitation. He tried to hang himself a second time after he was sentenced by a judge aged 20. He had said that he drank Nitrous Oxide in 2014 with intent to die.
- According to his Risk Assessment he was regularly a victim or witness of his father's violent behaviour.
- There are recent reports from the Council regarding alleged aggressive behaviours towards other residents. In June 2018 he was apparently involved in court case with the neighbours who he apparently threatened to harm.

5. Social circumstances

Personal History

- Mr Cordell is single. He has a partner. He has no children. He was born in Enfield and did his schooling in Edmonton. Left school aged 16. He studied and worked in mechanics and road works, electrical and computers after he left school (mother's report)

Accommodation

- Mr Cordell lives in a 1 bedroom flat on the ground floor. The flat has necessary amenities/facilities to allow independent living.

Employment

- He is not currently in employment Finances
- He claims ESA and needs to make an application for PIP

6. Views of family

- I telephoned Ms Cordell on the 7th November 2018. Ms Cordell told me that neighbours have been "terrorising" his son since 2014 in particular a neighbour on the 2nd floor. Ms Cordell told me that whilst her son is in hospital her nephew has been staying in the flat to look after the dog. The nephew has reported that the occupier on the 2nd floor have been "banging" on the floor. She said that the neighbour then realised that her son is not in the flat when they saw the nephew coming out of Mr Cordell's flat. She told me that since the 26th October the "banging" has stopped. She said that she has complained about the neighbour herself but thinks these situations are misinterpreted by the council and the mental health services and her son is then seen as the perpetrator and or being mentally unwell. Ms Cordell stated that the sound proofing is lacking, and the noise is real. Other neighbours have made allegations that Mr Cordell has been aggressive towards them. She said that there is no evidence of this; police have seen CCTV and found that her son had not left the flat at the time when these incidents were alleged to have happen. Ms Cordell gave another example in 2016 where it was alleged by a neighbour that her son had made threats to kill him. She said that the police initially charged her son with making threats to kill; after seeing video evidence they charged him with a 'Public Order Offence'. She said that around the time of this alleged incident her son was in his flat with some friends. Her son was not allowed to his flat and was bailed to her flat where he stayed until December 2016. She said that the CPS after seeing evidence dismissed the case a day before the trial. She said that the council has never taken the responsibility to look at evidences; the allegations made against her son (physical assault, letting his dog on the loose) have not been proven. She said that on the 9th August in court the Judge ordered Enfield Council to move her son to a 2-bedroom flat but the Council wants/plans to evict him instead. She said that the Council has no grounds to apply for her son's eviction.
- She said that her son has a one bedroom flat. She said that he does not want to live there. She said that he needs a 2 bedroom flat with the plan that his cousin could stay with him to provide emotional support. She said that her son has everything he needs in the flat. She told me that her son is very independent in activities of daily living; his personal care is extremely good; he cooks for himself, maintains the flat and takes responsibility for his bills. She told me that he has no financial difficulties/no debts.
- She said that her son has a work history. In 2010 he was planning to set up a business in the entertainment industry. He has also built websites in relation to this. At present he is not in employment. He is in receipt of Employment Support Allowance but needs to make an application for Personal Independent Payment.

- I asked her if she thinks her son has a mental illness; she told me that he suffers from stress and anxiety due to issues with the neighbours but does not think he has a mental illness. She said that the judged looked at evidence and did not grant a warrant in October 2018 for a mental health act to take place at her son's flat.
- I asked Ms Cordell if she thinks her son could benefit from support from the community team. She said that he could do with some support but "we should stop labelling him as being delusional as he is not delusional".

7. After-Care

- Potentially Mr Cordell care/treatment would be delivered via the Care Programme Approach. I am the allocated Care Coordinator and he will have a responsible clinician in the community.
- My role would be first of all to build a relationship with Mr Cordell as I have only met him on 2 occasions. I will try to motivate him to engage with myself and the multidisciplinary team. As his Care Coordinator I will review Mr Cordell regularly independently and with the Community RC.
- We have a Team Clinical Psychologist and it would be vital for Mr Cordell to have some form of talking therapy. This is on the basis of the stress and anxiety that his mother states he suffers from.
- We have a Dual Diagnosis Worker in the team who could offer drug counselling if necessary.
- We have an organisation called 'Remploy' which is funded by the Local Authority. Potentially they could support Mr Cordell to find work. They meet regularly with clients whilst they are in work and also liaise with employers.
- I could support Mr Cordell in making an application for PIP. Alternatively he could get that support from 'Enfield Well-Being Connect'
- The Mental Health Enablement Team could provide support in tenancy management as well as support to access education/training and work.

8. Opinion and recommendations

- I have met Mr Cordell on two occasions only and I have not had the opportunity to assess him in the community. A rapport needs to be established with him.
- On the basis of recent events, history of risks to self and alleged risks towards others and taking into account the views of the MDT on the ward I think that he would benefit from a longer stay in hospital. This is in-order for the MDT to assess him comprehensively to determine if he has a severe and enduring mental illness such as schizophrenia/psychosis. If it is determined that he has a severe mental illness, then this should be treated accordingly whilst he is in hospital.

Getting wrongly detained while Working on my report in the;
Chase Farm Mental Hospital on an Assessment Wing!
I stayed in my room at the hospital for most of the day I never eat breakfast and today I never eat lunch due to what is getting done to my person by the Mental Health team just them explaining that they want to put me on a section 3 and also provide me with medication is enough to make me feel tired.
Doctor greenside let David go home!
I eat dinner in the communal room and continued to work on my computer to clean my name from what is getting done to me while having to stay at the Chase Side hospital Wing named Dorset!
I wondered in and out of the main room and chatted to a few other people a few time thoughts doing my work.
There is a Bad leak running all across the main floor in the communal room coming from the water machine.
Broken TV

Getting wrongly detained while Working on my report in the;
Chase Farm Mental Hospital on an Assessment Wing!
WHEN I GOT UP OUT OF MY BED, I TOOK MY SHOWER IN MY ROOM THEN I WENT OUT AND GOT A CUP OF TEA
I Ordered Pizza for Everyone.
I could hear shouting in the main room and went to see if everyone was ok
I found a lady patient crying who I get along with since I arrived on the wing
When asking her why this was happening, she told me that
21:00 Hours I had a problem on the wing with a new addition
I noticed that the man came onto the Dorset wing last night as he was playing chess with one of the staffs in the main room.
The Tv got fixed: Changed for a new one."
The water Machine in the main communal room got turned off because of the bad leak.

Getting wrongly detained while Working on my report in the;
Chase Farm Mental Hospital on an Assessment Wing!
I woke up at around 7:00hours and decided to take a few more hours to sleep I re awoke at the time of 9:00 Hors and soon after went and took my shower.
Then afterwards I went to the communal room to get a cup of tea
While I was there, I see the staff who asked me to **take a blood test**. This got achieved and now I am back in my room doing my report.
12:00 Hours Lunch time I never bothered to go and get something to eat because I was to busy sorting out my documentation that I needed to defend myself!
I decided to take a break for a little while and laid down on my bed at the time of 13:00 Hours
After sleeping for some time, I re awoke at 14:56 hours and I am yet again typing away.
BIBI IN THE CORRIDOR AT 00:15: -
I spoke to Bibi in the corridor about the circumstances report that she had made
About me
I explained to her that I know what she wrote about me is nothing alike the truth and that she had committed fraud by doing so to aid in my illegal detention under the Mental Health Act 1983, she walked off from me when I was talking to her.
The water Machine in the main communal room got turned off because of the bad leak.
Mother came to the Dorset wing to give me some money of my card I asked Bib if I could go outside to see her and for some reason she was not sure if I had been taken of un escorted leave, she took her time as she was slightly busy checking the computers in the office so that she could confirm whether I was aloud of the wing, so, long that my mother got feed up of waiting outside for me my, my mum must of got feed up of waiting outside in the car and came into the Dorset wing, Bibi was shocked to see her and my mother had a few polite words in regards to my detention on the wing and the conditions imposed upon my person.
She quickly dropped the money off to me and left soon afterwards, about 5 minutes after her departure I noticed that she had not left me my socks that I had asked her to bring with her and called her back on my phone she agreed to meet me outside again and I asked Bibi if I could leave the wing she agreed this time and I went outside to the car park and collected my socks and went back into the wing and to my room to finish my work.

Getting wrongly detained while Working on my report in the;
Chase Farm Mental Hospital on an Assessment Wing!
I got awoke by the maintenance team coming into my room to fix the blocked sink
After they left if got up to see whether they had fixed the block sink
The answer to my question was no they had not
I decided I could not wait for another person to come along and ty to fix it because I needed to shave and to do this, I needed to use the sink in my Hospital room on Dorset Ward.
I got an empty bottle that I had save and put it around the circular sink Basin hole and squeezed it as hard as I could and then Wala, I had fixed it.
I woke up and cleaned my room.
I went and got my lunch at the time of 12:30 and eat in the main communal room.
16:35 My mother came to the wing and told me that I can go home for a few hours because she had spoken to doctor Greenside who had agreed that this would be ok
After staying at the hospital on the Dorset wing for two weeks four days I finally run low on fresh cloths so I decided to use the laundry room, when inside I noticed that that the room was clean as u=is the rest of the wing so decided to continue on my washing mission.
The room got unlocked for me by staff as I requested and without any delays,
I put my cloths into the first wash cycle and continued to work on my commuter in my room.
For Tumble Drier
The water Machine in the main communal room got turned off because of the bad leak.

1
Getting wrongly detained while Working on my report in the;
Chase Farm Mental Hospital on an Assessment Wing!
00:15:
I am still awake working on my computer and I am really hunger I decided to ask the staff on duty if I could go to the petrol station to buy some food
When I arrived at the office there was 3 staff available and no other persons in the communal area
I explained that because of the extra time that I have been putting into my work
I burn away more energy and this sometimes leaves me starving hungry.
I got laughed at and told no, I asked why and got told that this is because it was late at night
This led me to explaining in a very polite voice again about how hungry I was and further explain that I am a fully-grown man who Is only under an assessment 2 of the Mental Health Act.
10:30: -- Doctor Greenside came into my room and asked me to have a meeting
21:49: I was inside of the communal hall eating some toast at toast time and drinking some hot chocolate
While sitting down I could see into the staff office as it has a clear glass window and I could see Bibi my care coordinator she left the office and went up to the medication room.
"While this was going on I watch Nurse Daisy come into the same room, I had noticed that she had been funny with me since I got here in so many words that she never took a liking to me, what she said was how are you feeling today to me in front of every one in a sarcastic voice I replied to her comment by saying the following How do you think I am feeling today?"
She looked at me funny and gave no reply as she done, she started to walk out of the room. She walked up the corridor and went into the medication room were Bibi was.
I soon afterwards noticed her presence in the room once again but this time she had medication with her.

I studied her as she walked up to the patient beside me with caution., due to my earlier conversation with Doctor Greenside and with rightfully cause as she had what seemed like more medication in her hands ready to administer to other people.
The next thing I knew she was saying to me with a smile on her face Simon take your medication, I looked at her in disbelief and replied to her that I had explained to Doctor Greenside that I did not wish to take medication under his professional belief alone and that while under a section two of the mental health act I did not ned to take the medication by law.
She stormed of and told me that she is going to document down that I would not take the medication of her.
I watched her walk back of to the medication room I decided to go and complain about my concerns and when I also arrived at the medication room, I could see Bibi and Daisy talking to each other and the tablets still in the pot that Daisy was still carrying.
Being worried about my medical care I asked the following questions to the two staff present.
1) I never got given any Pliff / form explaining to me what the medication was neither did any staff talk to me about what medication I was to be take.
2) No Staff had asked me if I had ever taken this medication before and if so, what reverse effects it may have had.
3) No staff talked to me about my health which to me is a fettle part of administering prescribed medication to another person and this being due to my bad heart pains that I keep complaining about since I got to the Dorset Wing and beforehand in letters to the Enfield Council asking them to protect me from what the other tenants were doing to me in regards to banging and stamping above my head,
Including the stress from proving my innocents against the first Asbo and it appeal stage + Justical Review, the Possession Order, the 1st Injunction Order and the 2nd Injunction Order.
4) No person had provided any evidence showing that I had a mental illness to my mother or father who both also disputed that I have any mental illness alongside with many other friends and family.
5) and because I have not acted with any mental illness and the main reason being that doctor Greenside wanted me to get put on to a section 3 of the mental health Act 1983 is because I said to a doctor Sarah Kathrine Hewitt that: --
5.1) My Neighbours had been attacking me and this includes two of their already known patents who are named as

- Miss Debra Andrews;

And: --

- Ambrose Tariq.

5.2) The Doctor Greenside is saying that he wants to put me on a section three of the Mental Health Act and administer medication to myself because **I said that the police have set me up** and, in the doctors, chosen words "**a conspiracy has taken place against me."**

5.2.1) I never committed the offences that I am being accused if and then after punished.
5.2.2) I am not the right colour skin to fit the accused allegations that the police have place me on a 7-year curfew for 2 year for the injunction side of the Asbo and 65 years on top at sentencing none concurrent straight after a year on curfew for another crime that I did not commit and won the case at court after a lot of sufferings due to them police and court case on goings.
5.2.3) The time stamps to the 999 calls go backwards
5.2.4) There on no victim or witness signatures.
5.2.5) Hologynic effects
5.2.6) Psychosis
5.2.7) F432 - Adjustment disorder 11/03/**2015**
5.2.8) F29X – Unspecified Nonorganic Psychosis
5.2.9) Pressured speech
5.2.10) Grandiose and Delusional Beliefs, about helping other people in the world
6) Building a legal defence
7) I work with children and this will tarnish my future prospects of a bright future
8) I am building a festival and this will label me as vulnerable person when I am not, when making decisions for my companies' best interest if it gets used against me in the future. I felt upset about my medical treatment and did understood that it was getting administered to me for the right reasons.

Dear Alev
Thank you for the update email below and sorry it's taken me a few days to get back to you.
Would you please be able to send all information that has been sent regarding this to me including what you have written to them, so I can keep this on my records? On the 09/08/2018 the judge did state to me to make sure I keep everything that is being done regarding Enfield Council in case I need it.
This is in case they go for the possession proceedings against Simon Cordell which so far, they have not replied back to you regarding if they are going ahead with this or not.
It seems very mixed up as they told you from the start when you started to deal with this that they were not going to do this and go for possession proceedings.
That only changed due to me due to knowing what Enfield Council has done I chanced this up with their legal team and it only came to light when Paul Buckridge confirmed they were doing this on the 30/11/2018 and me making you aware of this you saw yourself Enfield council had not been telling you the facts, but it seems since then Enfield Council has not replied to you regarding this, that in itself does not surprise me as this is how Enfield Council has been all along when they just stop replying because something has been found out that they have been saying won't happen.

4304.
Dear Alev Cazimoglu
I know you said to me today on the phone that you would get back to me if you heard anything from Enfield Council. But this cannot be allowed to carry on, this is making my son's health worse with what is going on and him being in that flat, the banging does not stop even people I am I getting to stay with my son don't want to be there due to how bad it is it does not stop.
Enfield Council is now making my son stay in a flat living in hell, they know the issues why have they not just moved him out of there?
How long is it going to take with letters going backwards and forwards with no end to it? All awhile my son is suffering badly and it is impacting on his health how far is Enfield Council going to let this go?
Enfield Council has not once asked my son's side to this they only go with what is being said about my son is this right? This are always 2 sides to anything so why is Enfield Council only taking one side to all of this and not once hearing our side?
Enfield Council has had long enough to move my son why have they not.
I need help to deal with this and I can't wait months for anything t be done, and that is not saying you are not doing your best as I know you are it seems Enfield Council are the ones holding this up and really for what reason, is it so they can make my son suffer more?
Regards
Lorraine

Enfield AMHP Service
T/C to Lorraine Cordell mother on 07807333545. She confirmed that she will be available tomorrow and can attend the Ward at 2.00pm.
She told me at length about her concerns that her son had been misdiagnosed and that the evidence against him that he has mental illness is based on information from Enfield Council who she considers have been supporting allegations from his neighbours, ignoring his complaints that the neighbours are causing him serious noise nuisance. She said she had attended a court hearing on 9th August when Enfield housing had been giving evidence to evict Simon from his flat. Lorraine said that the Court was impressed with her copies of her evidence that disputed the Evidence from Enfield and no Eviction notice was granted. She told me he has colour CCTV that could give documentary evidence that he was in his flat when instances occurred outside.
She also said that in the past Simon had agreed to remain in hospital but had been discharged two days later due to lack of beds.
She told me that Simon had been given leave to visit his dog who since Simon's admission was found to have cancer and has undergone major surgery. She had felt he needed time to be with the dog, to which he is devoted, and planned to take him to visit her home today.
We agreed to meet on the ward tomorrow Wed 14.11.2018 at 2.00pm Dr Rao Independent S12 agreed to meet us on the ward at 2.00pm.
Dr Greensides agreed that he would be available on the ward. Simon has been very calm on the ward until the matter of him taking medication was raised. He thought there was sufficient evidence for a new med rec for Section 3 to be completed which he will be doing.

I met with Simon
I had been informed that the section 3 assessment is delayed as the AMHP office has a number of section 2 assessments to complete 8t as his section 2 is not near expiring he is at the bottom of the pile.
I explained this to Simon & that in the circumstances I feel it is important that he commences treatment
he became quite angry, he said he felt the tribunal made the wrong decision & that we were relying on evidence that had been 'thrown out' as it had 'expired' (this was the list of complaints the council had compiled)
he then said he would appeal again & would complain about me and that as a result I would not be his doctor as this would be 'a conflict of interests under the 1998 act' I asked him what the 1998 act was, he wasn't able to give a clear explanation.
I told him that I felt he was confused about points of law, and that often he would refer to things incorrectly-l know this in regards to his references around the mental health act in particular
at l/v
he was thought disordered (this is apparent much more when he is confronted about his beliefs/behaviour)
he continues to express paranoid views about the council & his neighbours, these haven't changed
he was paranoid about me and felt that I was persecuting him and trying to 'euthanise him' by prescribing medication, which he told me he would refuse
I explained I would prescribe risperidone 2mg at night.
he remains insight less and whilst generally calmer his core delusional beliefs remain.
Plan
-risperidone 2mg nocte -d/w AMHP office

Dear Ludmilla and Lemmy
As you will be aware Simon is in hospital, today I was at the hospital with his cousin for a meeting, I got a call regarding the person who lives at 113 a person that knows us and also Ambrose from 113 stated that Simon had beat him up, then that changed to a person who had been staying at Simon flat beat him up. And that now due to this people was going to come and beat us up. Then it changed again to the person who beat Ambrose from 113 up come from my sons flat. Until today I have not wanted to say anything but I think this is going too far now. I could say a lot more but I feel it is pointless as you have done nothing with anything I have said. Since Ambrose has moved in the main door lock has been ripped out and there is drug taking in the block on the level of 113 and people coming in and out of 113 at all times which I do have a few pictures off people taking drugs. After our meeting I went to Simon flat to check on it and put gas and electric on as the Electric had run out, as no one is staying there. This is not the 1st time we have been threatened by

113 and his friends for something we have not done or my son has not done. I have been told that Ambrose is taking drugs but do not know how true this is as it is from a 3 person. When I got home and spoke to the person who called me it seems Ambrose was badly hurt and I believe stabbed. This has nothing to do with my son or my family and I believe now Ambrose is aware this had nothing to do with us or my son, but I am sick of everything being blamed on my son, and the phone calls we get when something goes on in the block. I believe there is a lot Enfield Council is not aware off, and are turning a blind eye just so the blame can be put to my son. I have now seen the reports you have put into the MH services so have this in black and white now so it cannot be said it is not come from you. I will be talking to the MH tomorrow regarding a letter relating to a 2-bedroom property and would like my son moved as soon as possible. I do not think it is right you are trying to get my son to remind in hospital by what is being passed to the MH services via Enfield Council this needs to stop the worst part is that it is incorrect information, which can be proven. There is more I can say but I feel there is very little point as really all Enfield Council has wanted to do is blame my son for everything. Without not one meeting without looking at one bit of Evidence we have and we do have real evidence which the police have seen why do you think my son was not arrested was it due to you thinking they just could not be bothered no it was if they arrested him it
4309,
would be unlawful due to what they saw. I want this email kept Strictly confidential and not sent to anyone without my written Permission. I look forward to hearing from you.

Lorraine Cordell

ENFIELD AMHP SERVICE MHAA
Simon was assessed for further detention under S 3 in the quiet room on Dorset Ward with Dr Rao S12, Maggie Garrod AMHP, Larry Ryan Trainee AMHP, Lorraine Cordell, Mother, Jerome, Cousin. Simon was polite and appropriate. At the outset it was noticed that Simon had a mobile phone in his hand and was asked if he was recording the assessment. I informed him that he would require our consent prior to recording. He claimed that he had a legal right to do this. I asked the other professionals present if they objected and they did not. I reinforced with Simon that consent has to be given. Simon talked at length about his experiences of being victimised by the police when asked about reason for arrest. He reported injustices about forged statements, curfew being in place since **2014** which included any area apart from a residential area. He admitted the police believed he had spat but denied doing this. There seemed no evidence of thought disorder. There was some pressure of speech which appeared to be linked to his anxiety that he could be detained under S3 and his need to give us as comprehensive version of his situation in the shortest possible time. No ideas expressed of intention to self-harm ideas or of suicidality. Mother backed up all of his assertions about neighbours making noise. Cousin Jerome claimed to have heard the noises in the flat which he reported stopped once he considered the neighbours in flat above saw him leaving the property and he felt they stopped making noise from then. Denied having any mental health issues but agreed to remain in hospital as an informal patient and would consider taking medication providing, he is seen by a second opinion doctor. It is reported that a referral has been made for a Forensic Assessment by the Care Coordinator and this should be followed up. Dr Rao did not make a recommendation for detainment under S3 as she did not feel the criteria was met as she was not in a position to refute the evidence that Simon gave. No evidence of Simon presenting a risk of harm/safety to himself or others, no obvious risk of neglect.
Conclusion

He does not accept that he has a mental illness but is willing to stay in hospital so that, in his own words, “Dr Greensides can get to know me better”. Simon will be willing to take medication if a doctor giving a second opinion can justify the need to him. Simon was encouraged to cooperate with Dr Greenside and the community team when discharged.

Outcome

Simon is not detained under S3 but remains subject to the conditions of S2 until it's expiry unless Dr Greensides completed a S23 form to discharge him from section 2.

Report to follow

Simon maintains that he is not in need of any mental health follow up or treatment. he doesn't think he suffers with any kind of illness and will not accept any treatment I asked him about the 'second opinion' he mentioned yesterday to the assessing team, he told me they had misunderstood him and that he meant he would seek a second opinion if he was detained under a section 3. I asked him if he would see a community psychiatrist-he said that he would not I asked if he would see his CC Soobah, he said he would not he has agreed to the nursing staff contacting him after his discharge.

Plan

-discharge from section and discharge home -n/staff to carry out 7-day f/u
-I will inform the CC

New Speaker:	02:33	Yeah, at all times I will try and help you because I want to go home

New Speaker:	02:33	Simon, So, we've been called to do this assessments for a section three.
New Speaker:	02:40	Who has called you, Dr. Greenside himself has he referred you is it Dr. Greenside King.
New Speaker:	02:42	It erm, he would not refer to me direct.
New Speaker:	02:42	AR, ok, to yourselves.
New Speaker:	02:42	It would to the Amp Services and the Amp Service.
New Speaker:	02:42	To the Amp Services, okay.
New Speaker:	02:53	He caught me, He is of the opinion that you need to remain in hospital on a section three,
New Speaker:	02:58	I understand.
New Speaker:	02:58	which is why this has been set up

Speaker 3:	03:00	and in he's professional belief.
New Speaker:	03:00	That right.
New Speaker:	03:00	I'm Simon I'm Sorry I just see that you've got your phone there can I ask if you are recording that.
New Speaker:	03:07	I'm taking the minutes to the meeting in a digital format.
New Speaker:	03:09	Well I think that you need to have people permission.
New Speaker:	03:09	No, I don't have to do that! What I am allowed to do is write notes I am allowed to take notes down by pen. If I would like to. I have problem with literature and with writing. I went to speech therapy as a kid so I can't write to well with my hand, by hand but I can talk to my computer and my computer can type for me. Yes, there was a court law case study that says you're a person that's in my situation, or any person has the right to take the minutes to any means in digital format, if they can't if they choose to.
New Speaker:	03:37	Hmm.
New Speaker:	03:37	Right Simon I think that it's quite polite to ask people first. I mean, I don't know what other people feel about how they are recorded.
New Speaker:	03:43	It's I am allowed to have a pen and paper in here and I am allowed to write everything that goes on in here down.
New Speaker:	03:46	Year
New Speaker:	03:46	Your paid for professional servants and because of that your being paid to be here. So, I'm obliged. You're allowed to take the minutes to the meeting.
New Speaker:	03:57	Simon, usually its, You need someone's permission.
New Speaker:	03:58	That's incorrect madam.
New Speaker:	03:58	As professionals.
New Speaker:	03:58	May I ask my mum to explain this as well, the case study in Law as well and that I am correct!
Speaker 2:	04:05	there is a case study law where it counts. And uh, basically yes, I understand a load, of doctors don't like it, but as doctors, um, who actually practice the practice of allowing to be recorded, uh, they say that it's more transparent and open. So why wouldn't a doctor not want to allow it to happen.
New Speaker:	04:28	Hm, Hm.
New Speaker:	04:28	So, basically there's two sides of it. The transparency side of it and the [inaudible].
New Speaker:	04:34	It was won at High Court.
New Speaker:	04:34	Well what I am saying is that I need to ask everyone here if they're okay with that.
New Speaker:	04:42	Well I've had assessments before and the people that didn't want to do the assessments at my house and I've got the recordings of this, they've done checks as well and phoned up the law and governance to their departments and they have agreed that if I, I'm entitled to record the conversation. So, the people that chose not to do it called for other people to come and do other assessments.
New Speaker:	04:59	Yeah.
New Speaker:	04:59	So if you wasn't happy with yourself,
New Speaker:	05:02	I think it's a threat that's fine, um, I think what you do in you flat is fine.
New Speaker:	05:03	anywhere I am. Any government, any government servant who is being paid to deal with me a set fee, I'm allowed to record them minutes to that meeting and take them. And if you choose not to be a part of this meeting because of that.
New Speaker:	05:14	Well, I 'am not saying that.
New Speaker:	05:14	That's up to your own integrity.
New Speaker:	05:14	I do not want to argue with you, I just want to see if everyone is ok with it.
New Speaker:	05:14	Um,
New Speaker:	05:14	You have nothing to hide.
New Speaker:	05:26	What it is [inaudible].
New Speaker:	05:26	I've explained that from the beginning on the Wald that I will be doing this today.
New Speaker:	05:29	But I was not aware.
New Speaker:	05:29	I thought that Dr., Greenside had told you.
New Speaker:	05:29	okay, So, you know I just, Personally, I don't have a problem with it, but I would just like to be asked.
New Speaker:	05:38	I can appreciate that I can appreciate that.
New Speaker:	05:44	[Phone ringing in the background].

New Speaker:	05:44	Like I said it would have been nice if we had been told.
New Speaker:	05:44	I do apologize for that. I do apologise for that in all honesty
New Speaker:	05:44	No, No, that is fine
New Speaker:	05:44	I just want to make safeguards for myself.
Speaker 2:	05:55	All right. I do not have a problem with that I just like to no.
New Speaker:	05:55	Right, just to get back to the assessment, So, Simon why are you in hospital
Speaker 3:	06:01	initially on the 25th I was in my house and I was working on my computer. I was living a normal day. The police came to my house and what I believe happened is abuse of process. A Gentleman called Lemmy in the beginning he started working for the Enfield Council in **2016** and what he actually done this, he picked up another person's work while they had left the company a neighbourhood officer Sarah Fletcher and he kept arranging; trying to arrange meetings at the civic centre with my mother over allegations. So basically, my mother showed me what he was trying to do to get me to go to the civic centre, so I made a phone call to him and I asked him, I said, I'm, hello, Lemmy how are you. I'm recording this conversation. Are you happy for me to record?
Speaker 3:	06:39	We went through the procedure and he said he was happy to talk to me. I said I was concerned about the allegations that he was accusing me of because I hadn't done them, sort of thing and I wasn't happy to go to a meeting with him in that phone conversation he, I asked him, can you go into the computer and tell him the last time the claimant call about me? He told me on the 1st of January, this was 2018 and we were speaking on the 7th of June, 2018 I explained to him, well you are out of the time limitation at 1980 on the phone conversation, he got upset and put the phone down. After that he's copied and pasted Sarah Fletcher work and he copied and pasted 31 times. Now I've got a copy of the Councils history of all the claims history and you can check against them and you can see where these things were maliciously processed and put in.
Speaker 3:	07:21	Fraudulently done now he went for a possession order with 31 fraudulent claims about me, which initially started on the 11 cause while I was in hospital, basically at St Ann's last time going for my tribunal. A Woman upstairs made an allegation that I wrote a letter and she said, I'm a drug addict. I was writing Anti-drug policies in my house. I've never had no problem, I've never been an addict, so now she's backdated that a month while I was in hospital, she made three telephone calls to the council, which are on the system updated complaints, now she got phoned in to go from meeting with Sarah Fletcher on the 11/11/**2016** she went there and they didn't. They made a statement and they could, they can remember the date of the drug addict but they couldn't remember the three days that they phoned up while I was in hospital so they made three new dates up, which I couldn't have done because I wasn't living at my premises, so, in total that was seven offenses.
Speaker 3:	08:11	Lemmy has took that and he copied and pasted it. Then after in on the 2nd of August, 2017 because I was asking him for the statements that made the possession order off the people of the people claimant, he didn't have no statement. I've got a bit of a dry mouth here.
New Speaker:	08:33	Do you want a drink of water.
New Speaker:	08:33	Is it possible to get that.
New Speaker:	08:33	yeah.
New Speaker:	08:33	That would be great.
New Speaker:	08:33	Is it ok to continue or
New Speaker:	08:37	Yeah.
New Speaker:	08:37	Yeah.
New Speaker:	08:37	Yeah.
New Speaker:	08:37	basically Sarah Fletcher on the 11th which is in biro pen where she's done it and she's left her job. You've got them on our own free will rather than because I put it to her. I explained to her, I know what you've done.
New Speaker:	08:47	Hmm,
New Speaker:	08:47	I wasn't even in my house at these times, so she left her job. Lemmy start to come in and he picked it up. He started phoning my mum about the initial things that were on it and then because I've had the conversation with him about the time

		limitation Act he's copying and pasting it before their dates of them ever attending the civic centre or wherever, making the complaint and after made 31 claims put a possession order in and went to steal my flat off me and we explained to him well what are you doing, what are you doing and so [inaudible] committed a statement and so he's put an injunction order in as well and he's called the Mathiyalagan's down for the first time on the 2nd of August.
New Speaker:	09:17	Hmm.
New Speaker:	09:17	and he had, I can't, I think he's had a prepared statement covering all the things that he put in the possession Order and the Mathiyalagan's sign for it all on the 2nd of August and he remember more things than he could ever remember.
Speaker 3:	09:28	On the 11th August , they are temporary accommodation that live upstairs. I'm a secure tenant. I explained that this is causing me to have problems in my home and I'm having problems and I'm paying my rent and so forth. He says in my tendency, that all means will be taken as a secure tenant to protect me. I've asked the Council and asked my mother to ask the council to protect me from what they were doing and to move them out and to take account from my side of the story as well.
New Speaker:	09:52	Just may I stop you there for a moment and ask you a question, So you say you asked your mother for help to stop them from doing what they were doing.
New Speaker:	09:52	Year.
New Speaker:	09:52	Yes that is correct.
New Speaker:	09:52	I'm, well you can ask my cousin, well what have they done to you in the last couple of days.
New Speaker:	09:52	Let me just speak to you and understand what they have done to you.
New Speaker:	09:52	What was initially happening is there is my water pipe that runs through my flat and it feeds the two flats up above me.
New Speaker:	10:13	Right.
New Speaker:	10:13	So when somebody draws; has to use water. It will run through the pipe in my room.
New Speaker:	10:18	Yep, yeah.
New Speaker:	10:18	Now what they was doing is getting the taps and continuously slamming them off and on, off and on, off and on at a fast competitive beat for hours at a time.
New Speaker:	10:25	Here you go. [Man - Larry Re - enters the room]
New Speaker:	10:25	Thank you
Speaker 3:	10:25	Your welcome to it. [Hmm]
New Speaker:	10:25	And this was stopping me and disturbing my studies.
New Speaker:	10:30	Hmm.
New Speaker:	10:30	Now after one or two days it became more than just there's a Law tawt called Christie Vs Davey. When the first person started banging at; A women started banging at a man through his house, it is civil Law and becomes criminal when pushed, what it come under is Environmental Health 1990 a noise problem. Then after, after that noise problem comes hate crime 1998 and after Hate Crime it becomes attempt manslaughter or malicious prosecution. against somebody, So, through the time that this has been escalated for the last five years? I feel that all of them Act of Law have been drawn against me and no person's ever taken a statement off me or watched any of the video evidence of what I'm doing or any of my other cousins or my friends that stayed in my house, that fallen victim as well. If someone that took the statement or when Lemmy pick up the case, he decided to realize I'm a secure tenant, they are temporary accommodation, I'm not going to move out of the borough from my own family.
Speaker 3:	11:19	My mother and my sister,
New Speaker:	11:21	Hmm.
New Speaker:	11:21	They're are going back to Walthamstow anyway, so all he had to do was move them out and then there would be, none of this as none of this would have ever happened.
New Speaker:	11:28	hmm.
New Speaker:	11:28	Just recently on the 08/**2016**. The judge ordered that I have
New Speaker:	11:32	[inaudible]

New Speaker:	11:32	[inaudible] The judge ordered that all of the cases get dropped against me and I have a new home, because I was highlighting these issues. Basically, what Lemmy done is because he had lost a first Injunction Order; he's, I think the solicitor has gave that to Dr. Greenside and he's using them allegations,
New Speaker:	11:49	Yes.
New Speaker:	11:49	which are case number D something. Now after that case got struck out in November, 2017 that I won, without no doctor's help, Um, Lemmy go up set.
New Speaker:	11:59	I phoned Lemmy; Is it ok if I have a sip of this.
New Speaker:	11:59	Absolutely.
New Speaker:	11:59	So, I phoned Lemmy and explained to him I knew what he had done oversily his upset because he could lose his job for Targeted Malice, Malice of public Office and Malicious Prosecution. So now he's got a reason an [MO] he doesn't want to lose his career.
Speaker 3:	12:15	His just come out of Westminster. So basically from explaining to Lemmy what he had done, he decided to, Um, basically; I had a conversation with him after lose after he lost that case and I said to him, I checked on company house to see any information of who this person was and I find a woman called Tracy Willis who was a director with him. So, in our conversation I said to him I know who Tracy Williams is, is she related to you and he lost his temper on the phone and he went I'm going to kill you and your mother. Now, I recorded that as well so I've got that on recording. I put the phone down off the conversation straight away he's got off the phone and phoned the Metropolitan Police, told them that I've threatened him down the phone, the police come to my house and arrested me.
Speaker 3:	12:54	Now while I'm in the police station. He's yet again gone to the court called another emergency application, He didn't even know what an emergency application was in the beginning and his called another emergency application and put um, done threats to kill against me under a new claim number. And then what it's done is the strike out case, which has all the stuff um, The 31, 48 allegations,
New Speaker:	13:12	Yes.
New Speaker:	13:12	he's got them and he's called the Mathiyalagan's to come down to the, to the court and they've done an affidavit of service which is fraud under the 1911 Act, perjury. And then what she signed is she signed; I believe in my husband's statements. Yeah. So reinstated the closed day case number. Now she's never done a statement herself and it's all she, she, she sees her, she's doing the banging upstairs with another bloke that's up there while the husband's at work. Then the husband's coming back listening to what they're saying. Then he's going and doing the statements and he's not even there.
New Speaker:	13:43	yeah.
New Speaker:	13:43	So I can't even test the integrity of the true makers of the first time statements at court or nothing. The judge just threw it out by the end of it,
Speaker 2:	13:51	well, no. The judge; --- He was not in court, basically also in the report that there's sending me there stating that for Simon to be the judge stated for Simon to be helped into being removed, which basically I've been trying to do since **2015**.
New Speaker:	14:10	HA, HA.
New Speaker:	14:10	Uh, basically Simon had to work with the mental health team.
New Speaker:	14:17	Um
New Speaker:	14:17	Now you should have doctor um, Dr. Greenside's report there and it actually States in that.
New Speaker:	14:22	um.
New Speaker:	14:22	but that's not what was actually stated. The judge demanded they move.
New Speaker:	14:29	He won.
New Speaker:	14:29	because basically they lied in court and I'm going to say they lied, they said that I had they been in contact with the council. Um, they've not been out once to see Simon look at any evidence from Simon.
New Speaker:	14:46	Um.
New Speaker:	14:46	The police have because the neighbours are constantly calling the police, I bought a full CCTV for my son's property for the simple fact to show he hadn't been, wasn't leaving the property.

New Speaker:	14:58	Yeah.
New Speaker:	14:58	The police had been out on a number of occasions to arrested him.
Speaker 2:	15:03	Right.
New Speaker:	15:03	And even doctor Greenside. I wondered why he hadn't been arrested.
New Speaker:	15:08	Yes.
New Speaker:	15:08	And I said, because what's actually happened is the police have looked at the CCTV, which.
New Speaker:	15:14	He won.
New Speaker:	15:14	can't be Edited.
New Speaker:	15:16	EM.
New Speaker:	15:16	If they had actually arrested him, it would've been an unlawful arrest.
New Speaker:	15:18	I have been arrested low.
New Speaker:	15:18	yeah.
New Speaker:	15:18	and.
New Speaker:	15:22	May I say something.
New Speaker:	15:22	Hold on.
New Speaker:	15:22	It would have been an unlawful arrest and yet, we're proved beyond a reasonable doubt. He hadn't left his house we have asked the police to arrest them for false allegation, wasting police time the police are not doing that. So, the police are not doing their job. There's also 200, around 280 calls he's done to the police themselves about what the neighbours are doing.
New Speaker:	15:48	And I have got the recordings.
New Speaker:	15:48	and out of those say 280 calls.
New Speaker:	15:49	Yes.
New Speaker:	15:49	The police have been out three times, but anytime the neighbours call the police are out like 15 of them.
New Speaker:	15:56	What my main issues of concern are.
New Speaker:	15:56	Hold on, let me finish what I'm saying. Um, I have contacted Head - Helen Milkit which is they, um, uh, the police for this area, they, um, commissioner for this area.
Speaker 2:	16:13	And basically she's trying to put a load of stuff in place with Jack and alproof,
New Speaker:	16:19	um.
New Speaker:	16:19	uh,
New Speaker:	16:21	What do you mean by a load of stuff may I ask.
New Speaker:	16:21	Um, basically that the police do their job correctly.
New Speaker:	16:25	Ok.
New Speaker:	16:25	and basically deal with the false allegations because it's all now being written down.
New Speaker:	16:31	What my main concern is.
New Speaker:	16:31	she's dealing with it and basically that's being put into place. But the court order didn't state Simon has to work with the mental health team for Enfield Council to move them.
New Speaker:	16:44	Right.
New Speaker:	16:44	In fact, it actually says that I have got to work with the neighbourhood officer to actually get uh, because the neighbourhood officer is the one that would move Simon.
New Speaker:	16:54	Yeah, [inaudible].
New Speaker:	16:54	and basically that if I needed to contact a member of the Mental Health, no judge is going to demand that Simon interacts with the mental health team.
New Speaker:	17:06	Sometimes they do.
New Speaker:	17:07	Well no, she hasn't I have got the court order here.
New Speaker:	17:08	any way.
New Speaker:	17:08	Yeah, not on this occasion.
New Speaker:	17:08	right. So, you got arrested by the police on that occasion?
New Speaker:	17:14	Yes, that's correct.
New Speaker:	17:14	How did you end up here?-
Speaker 3:	17:16	What happened is I went to the police when I was at my house. They put a letter through my letterbox another harassment letter from a bogus call.
New Speaker:	17:22	yes.

New Speaker:	17:22	while I was working. I decided I went out, I opened up the door for Pcs. I heard them leaving and see the harassment. I went outside to go and speak to the police officers.
New Speaker:	17:30	yes.
New Speaker:	17:30	because I thought I challenge the integrity of it. I checked that they out their webcams on so that everything was being recorded, so I need you to play.
New Speaker:	17:36	Sure.
New Speaker:	17:36	with caution and be sensible.
New Speaker:	17:38	Sure.
New Speaker:	17:38	I spoke to them and it was a male and a female officer there I took the advantage of saying to them, talking to them about their whistle blowing policy and the initial reason why I'm on curfew, um, is, okay, just to split is and show what actually happened from there.
New Speaker:	17:49	yes.
New Speaker:	17:49	what actually happen from there. In **2013** I got put on remand on bail conditions, so I had to stay in my house for a gazebo case handling, burglary.
New Speaker:	17:55	Burglary.
New Speaker:	17:55	suspicion of burglary,
New Speaker:	17:59	hmm.
New Speaker:	17:59	I was on stringent of bail conditions.
Speaker 3:	18:00	I had to be in; sign on the Police Station four o'clock I had to be in doors by eight o'clock I had to, hand over a thousand pound also passport handed in. I won the case after a year.
New Speaker:	18:11	Right.
New Speaker:	18:11	and being stuck indoors, this damage my company, I got upset and went to silver street clinic on the 11th of the fifth and spoke to a doctor Jarvis, on my own free of accord.
New Speaker:	18:18	Right.
New Speaker:	18:18	and I explained to him the case paperwork. He said to me that um, it’s a bit of an adjustment order, but really at the end of the day, that it's not something that your goanna has problems with. He's got to wait for the court case to get the decision.
New Speaker:	18:30	I see it, that's it.
New Speaker:	18:30	Then I won the court case after a year anyway, and I've got released. This caused me to break up my 13-year partner. She could just walk out the door, eight o'clock I can even follow her.
Speaker 3:	18:40	So now straight away I met a new partner. The next thing I knew, I know another Asbo folder got thrown outside my front door.
New Speaker:	18:45	Right.
New Speaker:	18:45	Now it's a massive folder. It couldn't fit through my letterbox box. So, me and my mother took; I phoned, my mother and asked her to come and collect the folder. She come and collected. Without me going outside and she took it to Edmonton green police station Before she done that, she took a copy herself and.
New Speaker:	18:59	[inaudible].
New Speaker:	18:59	she got the stamp for it. Proven that it was handed in. Now, so, saying I never got served. Now what? In the copy that she gave me. I wasn't sure if there's any pages missing or anything, so I did not take it as I was served.
New Speaker:	19:10	Yep.
New Speaker:	19:10	I used it to my advantage. I looked through it and I noticed it was accusing me of being three people I know that I hadn't seen for the last year while I was on curfew and it was accusing me of being three
Speaker 3:	19:18	People that I just didn't even know who they were throwing parties. My mother went to Facebook and copied each one of their profile accounts, which is 100% evidence that they weren't my parties. I was in house building Bliss Charity with premature children working with the keys in my community Hall.
New Speaker:	19:31	So, they can easily say that we were not there if they were asked
New Speaker:	19:31	No, the second you show the Facebook profiles, it shows their name. They used their own personal names to start these events up.
New Speaker:	19:40	Yeah.

New Speaker:	19:40	and it shows them talking and inviting everyone approves it proves that the events had nothing to do with me. Yeah,
New Speaker:	19:45	Right.
New Speaker:	19:45	Hmm.
New Speaker:	19:45	It proves that I'm completely innocent.
New Speaker:	19:47	hm.
New Speaker:	19:47	Yeah, and now what I noticed is that; out of the six offences there is only one of them that had witnesses and victims in it and the victims are supposed to have got keep up overnight. At a party that happened on Lincoln road opposite the BMW factory, if you know it.
New Speaker:	20:00	I don't [inaudible].
New Speaker:	20:03	AR, well.
New Speaker:	20:03	Yeah, I do.
New Speaker:	20:03	On the A10.
New Speaker:	20:03	Yeah,
New Speaker:	20:03	And on the Southbury
New Speaker:	20:03	
Speaker 3:	20:04	And on Southbury Road at the same time, there's the old man building opposite Southbury Road train station. Now there was a load of people in that. The adults I call them. Yeah, inside that and I don't know, I'm on curfew. In my house, I have not even spoken to none of these for a year, now, this bloke spoke let's call him Chris, he's from Essex, so the police officer called Adrian Combs kept calling his mobile phone. Chris never done his homework on him. He's given Chris an opportunity,
New Speaker:	20:27	yeah.
New Speaker:	20:27	I think Chris see Adrian Combs owns a private company's called big boss limited and what he is. He's in charge of all of the festivals. He's a really nice police officer. I spoke to him in person since this happened. Yeah, and basically, he said. He got Chris kept putting the phone on him so he landed in it.
Speaker 3:	20:42	He got into his helicopter. With a load of reporters and when in search for them and found them in a field in Essex, he landed and shut them all down and done a noise abatement notice with them now he sent the paperwork over to the metropolitan police saying that this is Chris is party and Chris might be coming to London. Now somehow my pictures being taken, Chris's picture got taken out and mine got put into it and I've got set up now all the nine 999 calls in my Asbo folder, actually belonged to the old man building, which is on Southbury Road. When the police officer made it, he tried to cross out all of Crown Road but they got lazy in doing it and forgot to cross out the X to Y grid reference locations so it shows that this other party under the transcripts under oath that police officer got asked by my barrister, are you sure when you made all this list folder every day is the eighth yeah. And every day there was only one party, you're in a progressive way.
New Speaker:	21:29	yeah.
New Speaker:	21:29	The police Officer swears under Oath that there was not another party on that night. Me and my mom FOI into the Council and they've accepted, there was another party there as well. I looked at the nine, nine, nine calls to progress way and all the timestamps go backwards to them ones where the paperwork was made up and put it in the folder.
New Speaker:	21:44	Simon sorry to interrupt you but is this why you came into a Psychiatric Unit rather than being harassed in a
Speaker 3:	21:50	This is, this is, this is what doctor because I explained this to a Catherine, Catherine, Sarah, Catherine Hewitt who is a doctor outside. She un done the cell flat door. When the police officer come to my cell flap like this, I was in there all day trainer laces had blankets food looking after myself.
New Speaker:	22:05	yeah.
New Speaker:	22:05	Yeah. I've called my solicitor and everything spoke to my mother. So I was, I was independent and acting Okay.
New Speaker:	22:09	yeah.

New Speaker:	22:09	I don't cause no problems. He come to my cell door and he said he's going to drop the charges because the police officer believed that I had spit at her. I told him to watch the webcams. He watched them and realized I never done that. Yeah. So, they dropped, they dropped all charges at the cell.
New Speaker:	22:21	Right.
New Speaker:	22:21	Then they go. Some doctors want to speak to you. I said to him, I'm not too sure if I want the doctors to speak to me, do I have to.
Speaker 3:	22:28	He said you do and please do it for me. Please do it for me. The doctors come to my cell door un done my flap and said you are getting section. So, I un done the flap and said I know who use lot are again, sort of thing, I just put a complaint into Sobo last week about.
New Speaker:	22:40	yeah.
New Speaker:	22:40	you come into my house.
New Speaker:	22:41	yeah.
New Speaker:	22:41	and I have got an official complaint in again I think this is bios for you to ack on this and Now I've got the recordings on this here now of me from super put in that complaint in when they come to my house a couple of days prior. So, I thought, well there's a conflict of interesting in work under the 1998 Act for them to continue with dealing with my case and assess me, Sarah, acted bios in me explain it to Sarah. What happened, what she said is, I'm having grandiose ideas that I am going to help the rest of the world with my company, I don't think that's grandiose I think that's a good opinion to have as a gentleman or as a successor to be. Yeah. And the other thing that they said, I speak with pressured speech. I said that is a disability, that I have, I'm tongue tied and I went to speech therapy. So, I really thought, I find it hard to speak sometimes look see it there.
New Speaker:	23:23	You're doing very well.
New Speaker:	23:23	Yeah, I try my best. I don't want, I don't want to get sectioned for it, so trying to keep you aware. I'm trying to keep things reasonable between us.
Speaker 1:	23:31	Simon you talk about this curfew, I'm going, I am slightly confused because there is an Asbo that you are not allowed to go into disused industrial areas,
New Speaker:	23:38	No what it actually says.
New Speaker:	23:38	After 10:30 [inaudible].
New Speaker:	23:42	No, no, no.
New Speaker:	23:42	No what it actually says.
Speaker 3:	23:42	You have got, hold on, hold on, hold on,
New Speaker:	23:42	Please, let me speak mum. Please, let me speak mum. Please, mother let me answer my questions
Speaker 2:	23:45	I looked at the paperwork. You've got the wrong version of it. You've got the version that the magistrates keep, um, done.
New Speaker:	23:52	So, what is the curfew?
New Speaker:	23:52	You haven't got the version that the Crown Court made.
New Speaker:	23:54	And that is correct.
New Speaker:	23:54	and basically the why that it is worded and this has gone through solicitor after solicitor after solicitor. There is major under that breaches of my son's human rights because it doesn't just say; it basically states, he can only be in residential. Now that would include the present moment if being in this hospital, I don't know. This is not classified as residential.
New Speaker:	24:30	No, It's a commercial.
New Speaker:	24:30	commercial.
New Speaker:	24:31	It's commercial. now basically under his conditions. Really. He'll be in breach by staying here.
New Speaker:	24:35	What is [inaudible].
New Speaker:	24:35	He will be in breach by going to hospital, his being.
New Speaker:	24:39	mum in a short summary [inaudible]
Speaker 3:	24:42	[inaudible]. The Mental Act will trump
New Speaker:	24:49	Yeah, that is obvious, Is it ok if I speak mum, In a short summary in the Magistrates Courts what initially happened in the magistrates' court? Yes. They did set the

		conditions that you're saying and I knew that I'd won the case. All the way through, only 15 police officers turned up, I asked for witnesses or the victims to turn up.
New Speaker:	25:01	It was eight police.
New Speaker:	25:01	if I can't test the integrity of the people it was wrong and they knew that they were in trouble. Yeah. And so basically after that I went to the, I looked in my folder, my folder, I went, I had to collect my folders from my solicitor because my solicitor started acting funny. I've known them for years. I want and collected the folders of her and in it said in my bail conditions that they made in the courts which you've seen. They scribbled and sent it to me with some subliminal messages, attend court and dis us and we're goanna re - man. And them threats were for me, now I took it that Josie done them, because I had to collect them from her office. I took it that Josie could have made them or Sally Gilchrest who is the Metropolitan Police's Legal Director who went to all of the court cases. So, I didn't know who done it, yeah, to me so, I could not prove it.
New Speaker:	25:33	I am still not clear how you ended up here
Speaker 3:	25:40	Basically.
New Speaker:	25:51	you know that I can completely respect the legal aspect but my role here is to decide whether you should stay or not stay here.
New Speaker:	25:51	Doctor Greenside believes that I was having pressured speech because of what Catherine what Catherine wrote in there and when, when I already had a complaint against Sarah Catherine and also that I was having Grandiose ideas, that I can help the rest of the world. And also, um,
New Speaker:	26:07	he said I was having a halogenic, he believes I was having a Halogenic effects, which is far from the truth.
New Speaker:	26:12	And his neighbours making up all of the stories about him.
New Speaker:	26:12	And him being deluded.
New Speaker:	26:12	I think he was innocent. And I believe that there's a conspiracy of the police against me. Now what the truth is, he says, do organization of a legal raves. If something's illegal, you have to be arrested. I never got arrested the maximum sentence. If you did get arrested for throwing parties is six months, you do three insight on the 20-grand fine. Somehow, I'm doing a seven-year curfew just for that.
Speaker 3:	26:35	After doing the year curfew for the case that I won. That's eight years from 32 I've been locked up to 40 I can prove the timestamps are backwards and I'm scared to walk out my front before 10 o'clock because these police officers aren't being disciplined and they are still working in the area. Now I they advertise; I've got nicked in the paperwork. It doesn't go on my criminal record. There are two things called a standalone as by a CBO Asbo. The standalone Asbo say it's like kicking a football up the wall. It's not a criminal punishment. It doesn't go on your criminal record, which is why I've got. A CBO Asbo means you've been arrested for like the organization of illegal Raves you've done six months and they start the Asbo after. Now because of all of this, I kept saying all of this to, I explained this to Doctor Miss Catherine.
Speaker 3:	27:13	She said to me, she believes that I'm delusional in saying that there is a conspiracy against the police in **2014** and 16 all the doctors come in my house to do a section 135.
New Speaker:	27:25	February **2016**.
New Speaker:	27:25	And when they were in there with the Council, I did not realizes that the Council had made the Asbo with them. I've told the police to stay outside because I blame the police for it. Now, really the Council made it. We're going throw all the Asbo and that all of the Doctors and I showed them the missing signatures and it says that a White person committed the crime. I showed them that I am not even the right colour skin to fit the crime, let alone, I'm doing nine years, seven years, an eight-year curfew.
New Speaker:	27:46	Hmm.
New Speaker:	27:46	sort of thing. All the doctors. The doctors agree with me fully in the front room and they discharge me and say, that I'm okay and that there's no issues with me. Now, Doctor, because I've explained this to Catherine when she come to the cell, Sarah,

		Catherine, she's took it that in some things I might be delusional and she made her judgment on that day.
Speaker 3:	28:03	Now after that, it's just been a follow up between them.
New Speaker:	28:06	What did you get arrested for?
New Speaker:	28:06	They believe that; they believe that's spat at a police officer.
New Speaker:	28:09	What was, what were you arrested for.
New Speaker:	28:10	They believe that I spat, at a police, but I got them to check the videos. I asked for her clothes to be taken and everything and I said, no,
New Speaker:	28:18	Were you angry with her.
New Speaker:	28:18	No, of course not I didn't do nothing wrong. I didn't do nothing. All right. What I done was I upset them maybe I tore the paperwork up that they put throw my letter box in front of them. As I turned my back to them. Yeah, I went [purr] like that I made a noise of doing it yeah, that's what I think of your laws I was being a bit ambitious a bit. Now when I turned my back, she shouted. He spit at me because she believed I didn't, now the bloke police officer grabbed me from behind and put me in a headlock like that straight gone for my neck
Speaker 3:	28:41	Drag me down to the floor, I cut all of my knees and hands. The FME see it all and everything yeah, it is all in the reports and now he's choking me on the floor trying to proper choke me and she's laughing beside on the cameras and she is going he is still spitting he's still spitting and I am not even breathing I managed to get to get a speech out of my throat, your trying to kill me, I Knew that they were not going to let me go. So I stood up with him on me and that and went like that I wiggled out and run away from them, I see another police car coming down the road and said to the other police car; I jumped into the road and stopped it and said I am jumping in the car with use two until we get this sorted. I jumped in the back of the car with the other two police officers I explaining to them what happened because they were angry as well, believing that I had spat at a police officer.
Speaker 3:	29:15	They said, well we'll see how it pans out at the other end and they treated me with respect and took me back to the police station and I explained to the custody officer what I have explained to you. And then they watched the videos come to the cell, and said that we're dropping all charges. We know that they never done that; then Sarah Catherine has come and I have explained to her about the banging and the neighbours are doing and what I have got on video tape and she said that she is sectioning me under the section.
New Speaker:	29:35	You said that the neighbours have started on you as well.
New Speaker:	29:35	Yeah, outside of the front of the block. They see me and they have not banged since because they know that Simon is not there.
New Speaker:	29:41	Okay, fine
Speaker 3:	29:43	so he's not delusional. He's not making up. It is actually happening.
New Speaker:	29:47	[inaudible].
New Speaker:	29:47	[inaudible] I understand that and may I ask what you was going to say
Speaker 1:	29:50	I'm I am a bit confused about this curfews, why do you think there's a curfew?
New Speaker:	29:54	There is a curfew.
New Speaker:	29:54	[inaudible] Um, that's more than not being allowed in industry areas
Speaker 3:	30:03	Can I explain in short.
New Speaker:	30:04	It's not that, hold on, no, no, no,
New Speaker:	30:04	Let me answer the questions mother please.
New Speaker:	30:04	You need to listen and read and read what is in the paperwork.
New Speaker:	30:04	Please and in short the Enfield Council and the metropolitan police had to work together to create an Asbo and if they do not do that the criminal standards are not met. They both put a certificate that they made it in the Enfield Civic Centre together. Now they need victims to have that. They never had that and they forged the timestamps on that. So, in a pretence the Enfield Council. my landlords are saying I'm not allowed to be homeless. Yeah.
New Speaker:	30:33	I'm.
New Speaker:	30:33	What also says, if I stop at McDonald's 24 hours, that I would have to be arrested and go to prison. If I stop at a petrol station on the motorway, it's classed as an industrial estate and I would have to go to prison.

New Speaker:	30:43	year.
New Speaker:	30:44	year but you have had an hearing
New Speaker:	30:44	yeah, and that case never got won.
New Speaker:	30:48	So they put a nine year curfew for that first case.
Speaker 1:	30:53	My understanding, those are forensic reports the Doctor from forensics.
Speaker 3:	30:57	No, that's, that's a long time after.
New Speaker:	31:00	Yeah, this was **2014**.
New Speaker:	31:00	That is something total different; **2014** yes
New Speaker:	31:00	Na, there is one most recently. She's correct as well.
New Speaker:	31:10	Because in order of **2014**.
New Speaker:	31:10	Can I explained to you what happened.
New Speaker:	31:11	I thought you saw a forensic psychiatrist [inaudible]
New Speaker:	31:11	I think everyone's getting confused here slightly, what's actually happened is that first case happened, which is what the Enfield Council made.
New Speaker:	31:20	I was thinking.
New Speaker:	31:20	Yeah, your right.
New Speaker:	31:20	In this last year last year.
New Speaker:	31:22	Yeah. I'm just trying to explain to you
Speaker 1:	31:24	Someone who regarding the Asbo
Speaker 3:	31:28	No, it's not the Asbo.
New Speaker:	31:28	No.
New Speaker:	31:28	Mum stop for a moment.
New Speaker:	31:28	It’s the one to do with the neighbours.
New Speaker:	31:28	That's what I am just trying to explain. Can I explain it to you?
Speaker 1:	31:34	Go on Yeah, [inaudible] but they felt that there was no point in having it.
Speaker 3:	31:40	No, there's two separate things.
New Speaker:	31:41	No.
New Speaker:	31:41	there is more than two
New Speaker:	31:42	This is where everyone information is incorrect.
New Speaker:	31:42	The one about Industrial raves is about organizing illegal raves.
New Speaker:	31:48	Yes.
New Speaker:	31:48	And that's why you're allowed to go out.
New Speaker:	31:49	And that was **2014** and that is until 2020.
New Speaker:	31:51	And then there was a possession order,
New Speaker:	31:54	That is to do with the neighbours.
New Speaker:	31:54	then there was a possession order that was forged. Then from that forged possession Order that they made an injunction order to get the statements. Then after they lost that completely knew how much trouble they were in. So Lemmy done threats to kill, which is the next injunction order saying I threatened him and he's got the recording so, in total there is a first Asbo, which hasn't been taken off yet, but I've got the evidence when I go Highbury Corner Court.
New Speaker:	32:11	That’s at [inaudible].
New Speaker:	32:11	Then there was a possession order, made by the Council Frauded. So basically, what I'm saying is I'm not allowed to be homeless in the first one and then in the possession order they are saying they want my home of me? Then in the new one for the last two new injunction the conditions are, I'm not allowed to phone Enfield Council or make a complaint or I'm not allowed to go to the civic centre or I am not allowed my dog of the lead so I've had to sit there and let these people do this to me and I can't even phone the civic centre. otherwise I get five years in prison. That's the conditions Enfield Council are so contradicting, in all of the policies and the things that they have aimed at me for.
New Speaker:	32:41	Yes.
New Speaker:	32:41	And they have tarnished my whole life in doing so.
Speaker 2:	32:45	Okay.
New Speaker:	32:46	But what you've got to understand is the restrictions of the first Asbo of **2014** basically really at 10 o'clock at night, he's only allowed in residential. Anything non-residential is not allowed in. So, like he is not allowed to go to the cinema
Speaker 3:	33:02	[inaudible].

New Speaker:	33:02	I can't go Warehouse nightclub, I can't go out
New Speaker:	33:02	I can’t go out.
New Speaker:	33:02	He can't go to a pub. He can't go it's like
New Speaker:	33:02	Because I've complained about the time stamps being wrong and the missing signatures on each police officer done five statements each pretending they were victims.
New Speaker:	33:15	On the new restrictions he is allowed to go to one place for 30 while there on.
New Speaker:	33:15	and their missing all of the victim signatures at the bottom. So, there's, like about 15 reports saying that people were kept up overnight. They're all forged. And because of that, I've reported that now they are all still working in my area and no one's getting reprimanded so I won't even go back before 10 o'clock they're sending all their mates to my front door and that's why you lot are getting so many referrals.
New Speaker:	33:34	I mean you haven't been going out of your flat at all, have you [inaudible].
New Speaker:	33:36	I go to the shops a lot. I go to the shops and I go to the in the local facilities.
New Speaker:	33:40	Your mum has been bringing you round taking you around takeaways and things.
New Speaker:	33:40	I bring him around the big shop.
New Speaker:	33:40	Yeah.
New Speaker:	33:40	And I will go and get the milk and the bread and everything in the newspapers.
New Speaker:	33:49	And take the dog out for a walk.
New Speaker:	33:49	Yeah, my dog comes out with me occasionally, but not so much now. She's 12 years old now.
New Speaker:	33:52	And you do not go out much.
New Speaker:	33:52	Because she has not been well
Speaker 3:	33:55	[inaudible] during the day.
New Speaker:	33:55	[inaudible].
New Speaker:	33:57	This is because of the Asbo about the raves. Is this because you don't feel, do you feel safe when you go out?
New Speaker:	34:02	No, because of the 10 o'clock curfew. I've complained about these police officers who have done four statements each.
New Speaker:	34:07	Hmm, hmm
New Speaker:	34:07	and they're all missing their signatures. There's five of them each betending that people got keep up because I've reported that it's a criminal offense and the timestamps and me not being the right colour skin to fit the crime.
New Speaker:	34:16	But what is the reason that you are not going out very often.
New Speaker:	34:16	Because I've been phoning that I want the first Asbo taken off of me. These coppers are still working in the area and they'd been reprimanded.
New Speaker:	34:24	So, you feel vulnerable to the police.
New Speaker:	34:26	So, I feel vulnerable to the police going up before 10 o'clock until someone actually gets told this is wrong and this isn't supposed to happen.
New Speaker:	34:31	His right
Speaker 2:	34:32	See the thing that I've got major problem with is it's like the mental health team is using stuff the police are saying and their use stuff that Enfield Council are saying and at the present moment the original Asbo was with the CCRC. I don't know if understand or know who they are. Yeah. Uh, basically they've took the case up and basically, they know there's breaches in his human rights and everything else. In fact, even in the transcripts from the court, they state that it is okay. To breaches his Article 6 and Article.
New Speaker:	35:01	So
New Speaker:	35:01	err, and mutable Articles.
New Speaker:	35:01	Well lets
Speaker 3:	35:04	That may complicate things because everyone may not know what they are.
New Speaker:	35:04	I appreciate that
New Speaker:	35:04	Well lets, why we are here today to have a look at the middle lines.
Speaker 2:	35:13	So, until that is sorted out criminally,
New Speaker:	35:14	[inaudible]. There wasted
New Speaker:	35:14	you can't use that against him.
New Speaker:	35:18	Yeah, because I have not been found guilty for none of it
New Speaker:	35:18	Also,

New Speaker:	35:18	Where out!
New Speaker:	35:18	We've got solicitors that's dealing with everything. The Council, and neighbours are saying, your using that against him as that is a 100%
Speaker 3:	35:29	Well were not using anything yet.
New Speaker:	35:32	na, not yet.
New Speaker:	35:32	Your having a laugh.
New Speaker:	35:37	But Doctor Greenside has put treatment inside off these papers.
New Speaker:	35:37	No were not.
New Speaker:	35:37	Yes you lot are.
New Speaker:	35:37	Were trying to understand
Speaker 1:	35:38	you are because if.
New Speaker:	35:38	I just want to be allowed out again.
New Speaker:	35:38	One at a time, one at a time.
New Speaker:	35:38	you wasn't listening to the Council why did Dr. Greenside, write everything that the Council put inside of that report? for the section two Tribunal.
New Speaker:	35:50	Again, that's not here something that we need to discuss.
New Speaker:	35:55	I understand.
New Speaker:	35:55	So, basically.
New Speaker:	35:55	I don't have to answer.
New Speaker:	35:55	that is wrong in my eyes, your using stuff that has never been proven.
New Speaker:	35:55	Mum stop calm down for a moment.
New Speaker:	35:55	Lets have a break.
New Speaker:	35:55	Well let's have a break yeah.
New Speaker:	35:55	let's have a break.
New Speaker:	35:55	Lets have a break and we will have a little chat and we will come and get you.
New Speaker:	35:55	God bless you.
New Speaker:	35:55	Thank Simon
New Speaker:	35:55	
New Speaker:	36:03	[inaudible].
New Speaker:	36:09	yeah,
New Speaker:	36:12	So are we actually going to be meeting again today or is that the final conclusion to everything.
New Speaker:	36:14	Yeah, yeah, we will meet in a minute.
New Speaker:	36:14	okay. Yes definitely, Thank you.
New Speaker:	36:39	Your welcome.
New Speaker:	36:39	[inaudible].
New Speaker:	36:39	No, you'll interrupt him whenever you want to say what you say. Your car, you jump in when they're talking and everything. Yeah. Amy, she jumps in when they're talking in it. I'm sorry, I didn't even realize you yourself. Is there any way, can you tell him when it comes to try to give me a psychiatric report? Anything that comes to meet me. Wow. Couple of days. The one I wrote in the paperwork. Oh, he's, I think that's possible.

New Speaker:	01:00	Hmm.
New Speaker:	01:00	Year, and I arranged the other day, but because this has been brought up --- they haven't been able to cop him ---they said that he can come home for a couple of hours.
New Speaker:	01:10	Yes.
New Speaker:	01:10	You need to talk to doctor Greenside about that?
New Speaker:	01:10	Being voluntary changes everything. If they are saying I'm on that, if I'm allowed to do that, as long as I listen to what they are saying,
New Speaker:	01:17	Doctor Greenside gave his consent.
New Speaker:	01:17	Your an angel you lot are.
New Speaker:	01:17	you have had leave any way haven't you?
New Speaker:	01:17	year I have been able to leave since the second day.

New Speaker:	01:17	Yeah, I don't have too, I know what to do.
New Speaker:	01:17	but do try and cooperate because they. Doctor Greenside.
New Speaker:	01:28	Hmm.
New Speaker:	01:28	I'm going a circus tenant, I'm going to end up having a claim for the first one and get a circus tent and I will be back working in the community with everyone making something constructive for everyone.
New Speaker:	01:40	Yep of course.
New Speaker:	01:40	Erm, I'm we don't need to sort of elaborate any further.
New Speaker:	01:44	Okay.
New Speaker:	01:44	Okay.
New Speaker:	01:44	Um, that's where we are at as long as you, work with the nusis.
New Speaker:	01:50	Yeah, his a gentleman.
New Speaker:	01:50	God bless you all and I hope you all have a good day.

Simon was discharged from the ward. He waited till his mother came to pick him up. When his mother came, she expressed her concerns that he was being discharged as the situation with the flat had not been resolved. I stated that the care coordinator would be able to help with this. She stated that the discharge as " malicious". She was reassured that this was not the case.

Interviewed Simon maintains that he is not in need of any mental health follow up or treatment. he doesn't think he suffers with any kind of illness and will not accept any treatment I asked him about the 'second opinion' he mentioned yesterday to the assessing team, he told me they had misunderstood him and that he meant he would seek a second opinion if he was detained under a section 3. I asked him if he would see a community psychiatrist-he said that he would not I asked if he would see his CC Soobah, he said he would not he has agreed to the nursing staff contacting him after his discharge.
Plan
-discharge from section and discharge home -n/staff to carry out 7-day f/u
-I will inform the CC

in the light of his not being detained on a section 3 I see no reason for him to remain on an acute psychiatric ward as we are unable to treat him. he has requested a 'second opinion' I have no doubt that this will not change his view, he has seen many doctors over the last few years, all of whom have thought there is mental disorder, yet he still disagrees. I have emailed his CC about arranging an outpatient consultant review I have also emailed the forensic consultant regarding an outpatient forensic opinion I spoke with PC Tom yesterday, 07506523950. the police intend on charging him with assault. I have told the PC that we will discharge him later today.
CC will need to do 7-day f/u.

Pre-Hearing Medical Examination of the Patient

A pre-hearing examination of the patient was indicated under the Rules.

The interview with the patient took place on 8th November, 2018.

The Tribunal considered:

Oral evidence from Dr J. Greensides, RC; Nurse Thembi Magodlela; Mr Soobah Appadoo, CPN; Mr Simon Cordell, patient and Mrs Cordell, patient's mother.

Written evidence from Dr M. Elia, ST6; Nurse Bibi Khodabux; Mr Soobah Appadoo,CPN

Other material, namely Responsible Authority Statement of Information,

Observers: Mrs Fiona Bateman, (Judicial Shadowing Scheme) and Student Nurse Skubik

Jurisdiction, Preliminary and Procedural Matters

1. The tribunal is satisfied that it has jurisdiction to consider this application.
2. The solicitor for the patient sought permission to submit a 6 page document from Mrs Cordell, the nearest relative. The solicitor indicated that the document expressed the nearest relative's views and those of a cousin. The panel considered the request and noted that Mrs Cordell's views as regards her son's detention and the housing problems he has experienced were fully reflected in the social circumstances report provided. The panel would also allow her to speak at the tribunal hearing if she wished to do so. In those circumstances, we did not accept the submission of the document.

Grounds for the Decision

1. The tribunal is satisfied that the patient is suffering from mental disorder or from mental disorder of a nature or degree which warrants the patient's detention in a hospital for assessment (or for assessment followed by medical treatment) for at least a limited period.
2. The tribunal is satisfied that the patient's detention as aforesaid is justified in the interests of the patient's own health or safety, or with a view to the protection of other persons.
3. The tribunal does not consider that it is appropriate to discharge the patient under its discretionary powers.

Reasons

1.Background

Mr Simon Cordell is aged 37 and is single and resides in council accommodation in the community. There is a longstanding history of difficulties with neighbours at his accommodation which was detailed in the reports. His background and history was documented in the statutory reports provided to the panel. He has been known to Adult Mental Health Services since 2014. He has had varied diagnoses in the past and has been found not to require section under the Mental Health Act in 2014 and 2015. He was however detained subject to Section 2 in August, 2016 and was subsequently discharged by a Tribunal. The history indicated that he was discharged on prescribed medication and followed up by EIS. He reportedly did not engage with services or medication and was thereafter discharged from EIS. He has a current working diagnosis of schizophrenia.

The current admission follows an incident in October, 2018 which led to safeguarding concerns and the Enfield Adult North Locality Team's decision to arrange an MHA assessment. Mr Cordell was detained subject to Section 2 on the 25.11.2018.

Appeal-section-2-Outcome-14-11-2018.pdf

2. The Responsible Authority's case

The clinical case argued that the patient has a chronic and enduring mental illness. It is unclear whether the mental disorder responds to treatment as the patient has not engaged consistently with treatment. Currently, the patient has been assessed without medication as Mr Cordell does not accept that he requires psychotropic medication. Mr Cordell presents with a number of persecutory, paranoid thoughts in relation to his beliefs that the police and his neighbours are in some way targeting him. Mr Cordell also exhibits thought disorder and some tangentiality in his response to questions posed. The professional evidence argued that the nature and degree of the mental disorder warranted the patient's continued detention of assessment which is justified in the interests of the patient's health, safety and the protection of others.

3. The patient's view

Mr Cordell was polite and courteous towards the panel. He told the panel that he did not accept that he has a mental illness or any need for medication. He said he experienced anxiety and distress at his accommodation. He indicated that the 48 allegations between 6.7.2016 and 2.10.2018 set out in the medical report from an Enfield Council Report regarding concerns and breaches of his tenancy agreement were all fabricated. He did not accept that he was in any way at fault. He repeated on several occasions that his neighbours had submitted a litany of complaints to council officials about him in order to undermine his occupation of the premises. He said that he has been stopped from organising festivals and had set up a website to air his frustrations about his perception of the injustice of his treatment. He told the panel that he would remain as a voluntary patient

4. The nature and degree of the mental disorder

As to the nature of the mental disorder, the patient's illness appears to be a chronic illness which has persisted for some time. It is unclear as to the patient's response to treatment as yet. Mr Cordell told the panel that he did not take the psychotropic medication prescribed following his last discharge in 2016. The clinical team have sought the first recommendation for Section 3 and intend to commence treatment with psychotropic medication in due course. Mr Cordell displayed no insight into his mental health difficulties and sought to minimise his actions prior to the current admission.

As to the degree of the mental disorder, the patient's evidence was tangential, guarded and there was clear thought disorder. Dr Greensides told the panel that he had looked at Mr Cordell's website which indicated the presence of thought disorder. The panel asked Mr Cordell about a telephone conversation with Mr Appadoo which is detailed in the social circumstances report; the patient is alleged to have used foul and threatening language throughout the conversation. Mr Cordell did not dispute the telephone conversation and sought to minimise his actions stating that the content was out of context. He was unable to contain his thoughts on the question posed as to whether, reflecting on the matter now, he thought his response was inappropriate.

The nursing evidence in contrast to the panel's observation, indicated that the patient has not exhibited any psychotic symptoms. On a positive note there has been some improvement in the patient's presentation overall as he is no longer challenging, irritable or confrontational.

5. The detention is justified in the interests of the patient's health, safety and the protection of others

As to the patient's health, the professional evidence indicated that psychotropic medication is to be commenced and the patient's response to treatment is to be monitored. The clinical view is that a period of treatment is now required to address the patient's psychotic symptoms. The clinical view is that the patient is unlikely to engage as an informal patient and a previous attempt at treating the patient in the community was unsuccessful.

Appeal-section-2-Outcome-14-11-2018.pdf

As to the patient's safety, there is historical information that Mr Cordell has attempted to self-harm in the past. This is not a current concern. Mr Cordell's difficulties at his accommodation may pose a risk of eviction. However, further clarification is required during the period of the assessment on this point. There is a potential risk of retaliation from others when he is behaving aggressively towards others.

As regards the protection of others, Mr Cordell has entrenched and longstanding views and there have been incidents of aggression involving his neighbours, council officials, and the police prior to admission. He showed little capacity for self-reflection or remorse during his evidence when he was questioned about his telephone interaction with Mr Appadoo. We note that the allegations of physical and verbal altercations with his neighbours were relied upon to obtain an order for an injunction as recently as the 9.1.2018 which was later discharged in July 2018 due to the patient's lack of capacity to understand the conditions of the injunction due to his psychotic illness.

6. Our conclusions

We accept the clinical evidence as to the nature and degree of the mental disorder. We have no doubt that there is some element of neighbour dispute; however Mr Cordell's response to such triggers appear to be rooted in a mental disorder which will need to be assessed during this admission. We also accept that the detention is justified in the interests of the patient's health, safety and the protection of others for the reasons set out above.

7. Exercise of discretion

There were no special features of this case which persuaded us to exercise our discretion to discharge.

8. Statutory criteria

The grounds and statutory criteria are satisfied. The section is upheld

16/11/**2018** Lorraine (mother) left a message at reception for me to call her back. -5A T/C with Lorraine. She said she is not happy that Simon was discharged from hospital. I said that I did not see any value for the ward to keep him as he is adamant that he does not have a mental illness and he has constantly declined medications. She said that Simon wanted to build up a relationship with the ward? She also mentioned that I have said that I will help Simon with housing issues; I clarified that I at no point have I said this but what I said that if Simon agrees to engage with CC in the community, I am more than happy to talk/listen to him. I reiterated that his housing issues does not fall under the remit of the Community Mental Health Team and that he/should liaise with the Enfield Council directly and/or challenge the eviction via the courts. She said that she plans to liaise with the Court. I said that I am happy to arrange a review with his Psychiatrist if that what he wants; she said that she will discuss this with Simon and call be next week.

From Dr Greensides RIO entry:
-He does not want to see CC
-He does not want to see Psychiatrist in the community
-He has agreed for nursing staff to call him (for 7 day follow up)

Hi Alev
Further to your enquiry regarding Simon Cordell. Please see the update below from Debbie Morgan.
SC was discharged from hospital on 15/11/18 having been detained under the Mental Health Act for the purpose of assessment of his mental health. SC did not believe he required to be in hospital or wish to accept the proposed treatment that was offered. As there is insufficient grounds or risk for further detention or to take any further intrusive measures against his will, he has been discharged.
SC does not believe he has a mental illness that requires him to take treatment or to maintain on-going engagement with mental health services. He appears disappointed with services in which he perceives to have received from both housing and metropolitan police believing he is being targeted for things he has not done. His assessment has not elicited he has care needs warranting supported accommodation or a package of care to sustain independent living as he can be adequately supported through universal services. He presents with adequate daily living skills and can live in general needs housing. He appears to be young man who has particular beliefs, which may lead to him having differences in opinion with others, which may impact on relationships with others; particularly those in positions of authority. His mental health/psychological state therefore remains fragile; however, the risk is not such that he can be forced to engage with services.
He was offered follow-up by mental health services in the community to which he declined, although agreed the he can be contacted by nurses from the ward to check on progress following discharge. He has been allocated a care coordinator (Soohah Appadoo, North Locality Team - 0208 379 4142) who will continue to try to engage him to build a relationship.
SC describes his main presenting need to be that of his relationship with particular neighbours within his block, whom he believes to be intentionally causing him a nuisance by way of making noise, and reports feeling disbelieved and unfairly treated by the housing department and police. He therefore wants to be moved from his current accommodation.
His mother approached the ward Consultant for a supporting letter to provide to housing for a 2-bedroom property citing she is his main carer. As there is no evidence to suggest SC requires to be looked after due to having care needs requiring a live-in carer her request was declined, she was advised to suggest housing put their request in writing should this be housing's request. Mental Health would support relocation to alternative accommodation to reduce further tensions between the residents within the block.
Hi mother advised that SC has/or is in the possess of eviction, and that he was discharged from hospital with no support which does not seem to be the case. Support has been offered which has been declined, and will continue to be offered to assist in managing the current situation or avoid and/or mitigation a situation of eviction.

Admission Summary

17 Oct - referred for MHA due to history of physical and verbal aggression towards his neighbours. EANLT MDT agreed that he is a risk to others and his behaviour could also put him at risk from others. Simon refused to engage with MHA. Application for 135(1) was made - Judge found insufficient evidence for 136. Forensic referral sent on 17/10

25 Oct - Simon was arrested as the police called to his flat re him breaking a harassment order and he assaulted the police who attended. He was taken to Wood Green police station. Found to be him thought disordered, hypomanic with flight of speech and grandiose delusions. Detained under MHA.

On initial review he had pressured speech, difficulty interrupting, appeared elated in mood, and had grandiose beliefs e.g. started talking about owning a couple of local festivals and engaging in multiple charities involving children. At the time he has limited insight; he does not want any medication, and has never believed he has a mental health disorder.

His UDS was positive to THC.

He immediately appealed his section. The tribunal was done on 8/11/18 which he lost.

On 5/11/18, Dr Greensides reviewed the patient and made an application for Section 3 as there are risks to his health and to others. It was felt that it would not be

beneficial to take against his will unless he is subsequently detained on a section 3. However, there was a delay in the assessment so he was started on Risperidone 2mg ON which he refused to take.
He had a MHAA for a Section 3 on 14/11/18; it was felt that there was no evidence of Simon posing a risk of harm/safety to himself or others and there was no obvious risk of neglect. As a result, he was not sectioned.
It was decided that as a result of this, there was no reason for Simon to remain on an acute psychiatric ward as we are unable to treat him. He was discharged as a result, with Dr Greensides emailing his CC about arranging an O/P consultant review and emailed the forensic consultant regarding an O/P forensic opinion. Thank you for your continued care.
Here is his MSE on admission:
Simon is a 37-year-old male, who was appropriately dressed. He engaged in conversation and made eye contact throughout. Calm and polite, no aggression but did become mildly restless at points.
Pressurised speech, difficult to interrupt. Flight of ideas noted.
Described mood as good. High levels of energy and labile mood.
Paranoid delusions about the police and MH services and some grandiose delusions noted.

No perceptual abnormalities noted. Orientated to TPP
Lacks insight, does not believe he has a MH condition and not willing to engage with services historically or currently. Unlikely to take medication willingly.

For the attention of District Judge Dias
For and on behalf of Mr Simon Cordell from Miss Lorraine Cordell (Mother) 22/11/2018
THE LONDON BOROUGH OF ENFIELD

Dear District Judge Dias

- It is with concern that I must now bring this matter to your attention regarding the hearing of the 09th August 2018 case reference E00ED049 for which you were the presiding judge
- Whereby You asked Enfield Council to draft the order and to be submitted to the court for it to be sealed, Enfield Council contacted Mr Cordell's solicitor regarding amendments that were made, Mr Cordell's solicitor was away on annual leave, when Mr Cordell solicitor came back from annual leave she made amendments to Enfield Council's draft order but has never heard back regarding the amendments she made.
- Enfield Council's draft order was somehow then sealed by the court a few days after Mr Cordell's solicitor sent the draft order, she had made to Enfield Council and the

1048

2252,

courts. At this time the 22 November 2018 we still have not had a copy of the courts sealed order.

- I believe there is errors within Enfield Council's draft order to what was actually said in court, and I do not know how to address this, but Enfield Council is stating things to people that was not even stated in court.
- At this time I am trying to put in an application to obtain the transcripts of the court hearing, but I am waiting for some information from the court in order to be able to do this.
- Mr Cordell has not long been released from hospital where he was under section, Enfield Council have still not moved him and he still living in hell regarding what the neighbours are doing to him.
- It would seem Enfield Council has been relaying incorrect information to the mental health team regarding the court hearings, and I believe they are being able to get away with this due to how they drafted the court order of the 09th August 2018 hearing.
- It seems Enfield Council is doing everything they can not to move my son, they have even stated they are going for a possession order of his flat, in fact they told the mental health team:
  "Enfield Council has decided to seek possession of Mr Cordell's flat via the courts. In a recent court case the judge recommended that Enfield Council rehouse Mr Cordell on the proviso that he engages with the mental health team which is failed to do."
- This was not said in court in fact when Enfield Council tried to put this in place you told them no you would not allow this.
- It seems as if Enfield Council will stop at nothing to not move my son, I have been trying to liaison with Enfield Council and the mental health team regarding moving my son, it would seem shortly after the court hearing my son was moved over to a

1048

2253,

new mental health team who I was in contact with asking for help in regards to them writing a letter regarding my son's housing which they refused to do until they had met him, this in itself was going to cause a problem because as you are aware my son does not feel as if he has a mental health problem, I even emailed Angela Hague as she was the last person to have assessed my son in June 2018 which the court had a report of and was read before the court on the 26 June 2018 at the hearing.

- The issue seems to be with the like to like property, which I do not believe is appropriate as I believe my son needs family support and someone staying with him in order for us to try and make him understand that he needs support from the mental health team, I know this was spoken about in court on 9 August 2018 where I believe Enfield Council is stating you told them to consider this, but Enfield Council will not consider this unless I get a letter from the mental health team, Enfield Council is also under the assumption I stated my son needed supported accommodation, I did not state this in court, I said I did not want my son in supported accommodation that if my son had a two-bedroom property his family would support him which I believe in the correct things to do for my son.
- It seems as if Enfield Council is continuously passing information that is incorrect to the mental health team, and the only reason I can see for this is that they are trying to keep him in hospital.
- From the point my son was hospitalised and taken out of that flat his health started to improve greatly in hospital, even the doctors and nurses noticed this, they tried to put in place a section 3 due to what Enfield Council has said to them, the section 3 was not granted due to laws within section 3 and my son not being detain-able under section 3, my son stated he was willing to stay voluntarily in hospital and he was willing to do this, but due to the doctors not getting the section 3 they wanted, they then discharged my son the following day with no support in place because they needed the beds.
- Since my son has gone back to the flat his health has started to decline again, due to what the neighbours are doing. When my son was in hospital his cousin was staying at the flat to look after my son's dog, the first day he stayed there he himself was going

1048

2254,

to go up to the neighbours regarding the constant banging, the next day the neighbours saw my son's cousin from their window, and I believe at that point they knew my son was not there, so the banging stopped.

- Since my son was getting no help from Enfield Council I took it upon myself to make an appointment to see his MP, his MP is in contact with Enfield Council, but the longer my son is left in that flat the worst his health is going to get due to what the neighbours are doing. I believe the MP has now also caught adult social services involved in at this time we are waiting for a letter from Enfield Council regarding moving my son, but I am scared due to Enfield Council knowing my son has been released from hospital they are going to start court proceedings for a possession order, although the MP has told me not to worry about my son being evicted I cannot help but worry, I have tried to get hold of my sons solicitor who acted for him but due to them being more involved in criminal law I do not believe as was stated in court on 9 August 2018 they understand civil in the way it should be, a belief they feel that the case was concluded on 9 August 2018, and therefore have little involvement thereafter.
- When I called the court and explained the situation the court bought up the order of 9 August 2018, and stated there is not an order that my son is moved by Enfield Council, I was under the belief that this is what the court did order, therefore I fail to understand why it is not included as part of the court order Enfield Council drafted.
- Any help would be greatly appreciated as at this point in time I am not sure what to do or where I stand to help my son, it seems Enfield Council can do what they want to leave my son in the flat which is affecting his health due to what the neighbours are doing, mislead the mental health service in what Enfield Council is saying to them, not once since this order was made has Enfield Council bothered to even want to see my son to see how he is coping, I'm sure there should be some duty of care towards my son yet Enfield Council don't seem to believe they need to follow that.
- It just like the way throughout all the court hearings Enfield Council was at, where they misled the court regarding to my son's health, I am asking for help as at this point, I don't know where to turn and what to do.

1049
2255,

- I look forward to hearing from you with your views and recommendations in regard to this.

Yours Sincerely
Miss Lorraine Cordell (Mother of Simon Cordell

Hi Alev

Further to your enquiry regarding Simon Cordell. Please see the update below from Debbie Morgan. SC was discharged from hospital on 15/11/18 having been detained under the Mental Health Act for the purpose of assessment of his mental health. SC did not believe he required to be in hospital or wish to accept the proposed treatment that was offered. As there is insufficient grounds or risk for further detention or to take any further intrusive measures against his will, he has been discharged. SC does not believe he has a mental illness that requires him to take treatment or to maintain on-going engagement with mental health services. He appears disappointed with services in which he perceives to have received from both housing and metropolitan police believing he is being targeted for things he has not done. His assessment has not elicited he has care needs warranting supported accommodation or a package of care to sustain independent living as he can be adequately supported through universal services. He presents with adequate daily living skills and can live in general needs housing. He appears to be young man who has particular beliefs, which may lead to him having differences in opinion with others, which may impact on relationships with others; particularly those in positions of authority. His mental health/psychological state therefore remains fragile; however, the risk is not such that he can be forced to engage with services.

4315,

He was offered follow-up by mental health services in the community to which he declined, although agreed the he can be contacted by nurses from the ward to check on progress following discharge. He has been allocated a care coordinator (Soohah Appadoo, North Locality Team - 0208 379 4142) who will continue to try to engage him to build a relationship. SC describes his main presenting need to be that of his relationship with particular neighbours within his block, whom he believes to be intentionally causing him a nuisance by way of making noise, and reports feeling disbelieved and unfairly treated by the housing department and police. He therefore wants to be moved from his current accommodation. His

mother approached the ward Consultant for a supporting letter to provide to housing for a 2-bedroom property citing she is his main carer. As there is no evidence to suggest SC requires to be looked after due to having care needs requiring a live-in carer her request was declined, she was advised to suggest housing put their request in writing should this be housing's request. Mental Health would support relocation to alternative accommodation to reduce further tensions between the residents within the block. Hi mother advised that SC has/or is in the possess of eviction, and that he was discharged from hospital with no support which does not seem to be the case. Support has been offered which has been declined, and will continue to be offered to assist in managing the current situation or avoid and/or mitigation a situation of eviction.

Dear Basit, Soobah,
I hope you are well. I'm just following up on the discharge of the above. It is a shame that it was not possible to start treatment in him but I see that a concerted attempt was made. I have put a note on RiO. I note that Simon was documented to be thought disordered and to experience delusions but to be refusing to take treatment or to see a psychiatrist in the community following not being detained under s3 MHA. He was referred for a forensic assessment but of course we have no additional powers to compel him, so it is difficult for us to add more in the immediate aftermath. We have not closed the referral made to us. Although it seems unlikely that Simon would agree to attend a forensic assessment given the above, I wonder whether the most helpful course of action to take would be to suggest/arrange a professionals' meeting, involving Enfield Housing and also a representative from the Police (perhaps the officer in the case in relation to the assault charge) or even MAPPA (he could be referred here?). FICS would be able to attend this if helpful.

Dear Mrs Cordell
Re: Your complaint regarding the sharing of your son's information
Thank you for passing on your concerns in your conversation and initial email with Angela Hague on 30th July 2018, and subsequently with Rachel Yona on 10th August 2018. You raised some key questions relating to information governance and the sharing of information regarding your son. Please accept our sincere apologies for the delay in our response to your queries, which was due to there being a separate ongoing investigation within the Trust regarding the matters you have raised.
Your concerns have been investigated and I am now in a position to respond to your complaint. Your concerns were investigated by Rachel Yona (Enfield Adult Mental Health Community Services Manager), and involved interviews with staff and a review of your son's clinical records.
You stated that a report written by Angela Hague regarding your son, dated 15th June 2018 and 19th June 2018, had been presented in court on 26th June 2018. You stated you had not had prior access to these reports, and explained that you had considered the court case and the assessments by Angela Hague were separate processes.
Please be assured that we have looked into this matter and I can confirm the report used in court was not a formal report, but rather a response by Angela to a request for information. The Trust had communicated to the Council Legal Services that we would not be providing a report for the Court and it was recommended they commission an independent report if this were required. However, as part of the investigation, it has been highlighted that this communication was only shared verbally with the Council Legal Services, and the position of the Trust was not clarified in writing.
During our communications with the Council Legal Services it was asked whether your son had engaged in his recent assessment, and it was for this reason the information presented in court was given. Our investigation found that the information which was sent was not a limited, direct response to the question posed to the Trust; I sincerely regret therefore that information was overshared and as such this aspect of your complaint is upheld.
This is a matter we have taken very seriously; I would like to offer you our sincere apologies that your son's information was used for anything other than it's intended use whilst in the hands of the
Chairman: Mark Lam
Chief Executive: Jinjer Kandola
4325,
Trust, and assure you that we fully understand our role in ensuring the security and safekeeping of records relating to all of those in our care. We have completed a full internal incident investigation into this matter, and I would like to assure you that all due processes and actions have been taken in relation to this breach.
I understand that you also were concerned about the processing of your son's information by the Court and the Local Authority. We are aware your son did not give consent for his records to be used in Court, and I can confirm the Trust also did not give consent for the sharing of information by the Local Authority with the Court. Our investigation found that the London Borough of Enfield requested to know if your son had engaged in treatment. As part of the legal proceedings the Court had asked for an assessment of your son's capacity to litigate and capacity to understand the meaning of the interim injunction from January 2018. Whilst we cannot speak on behalf of the Courts, we believe that this was why they passed on the information.

I am very sorry to learn that you feel the trust between yourself, your son, and the Mental Health Services has been broken. I understand that your son is now being seen by the Enfield North Locality Team, and I sincerely hope that they will be able to help rebuild the trust and develop a good working relationship with yourself and your son.
I understand that when you discussed your concerns with Rachel Yona (Enfield Community Services Manager) you raised your view that you feel there were inaccuracies within your son's report. Please be advised that whilst we are unable to retrospectively amend records, we are able to add additional entries to reflect your views and comments, and we would be very happy to add any information as you see fit.
Please be assured that the recommendations from this complaint will be shared with the London Borough of Enfield Legal Services and across our Enfield Adult Community Mental Health Teams, to ensure all agencies involved in this situation can learn from this regrettable incident.
We appreciate all feedback from service users' experience of our service as this helps us to assess, reflect on our actions and improve the care we provide. Staff members are committed to providing and delivering a high standard of care to all our service users. We try to ensure that through good support and training opportunities, staff are enabled to deal effectively and sensitively with the needs of all service users and their relatives. When members of our staff fall below the expected levels of performance, we ensure that issues are addressed and dealt with quickly. Our aim is to learn from these experiences and give assurances that any actions as a result of our investigation will be delivered.

Dear Ms Cordell,
Thank you for your emails.
I have made enquiries with our housing allocation manager and since Mr Cordell is an existing council tenant, he will need to apply for a **transfer**, so he does not need to make a new rehousing application.
This **transfer** application must to be done via Simon Cordell's neighbourhood officer. I have emailed the officer in question and will ask him contact you as soon as possible. Can you please provide me with a preferred contact number so the officer can make an appointment with you and Mr Cordell? I have copied Mr Cordell's solicitors to this email.

The Enfield Gov / Email's Issue:
1080. Dear-Jinjer-Kandola-MH-Complaint-28-11-**2018**
/ Page Numbers: 4350,4351,
1. Regarding Mr. Simon Cordell information:
2. New Complaint
Dated: 28/11/2018
Dear Jinjer Kandola
Thank you for the update letter regarding the complaint that was submitted to Angela Hague on the 30th July 2018 and Rachel Vona on the 10th August 2018.
I am very happy that you take the over-sharing of information very seriously, but it would seem that the sharing of my son's information has not stopped by the mental health teams, and is being continually breached even after I put in the complaint the mental health trust is continually passing information to Enfield Council. It would seem if Enfield Council ask for anything it is being passed to them from the mental health team.
There has been a lot of data that is being passed between the mental health trust and Enfield Council this needs to stop, as no consent has ever been given by my son or my son asked if this information can be shared.
It would also seem Enfield Council has not learned anything as they are still sharing said information that is being shared via the mental health team to Enfield Council.
Please see attached email this time is seems it has come from Debbie Morgan who works in the same said department as Angela Hague where the last breach of data happened.
The information was sent to Enfield Council by Debbie Morgan and then Denise Cook-Smith from Enfield Council who is a Note Taker it would seem, then passed it over to the MP's aid Alev Cazimoglu who is trying to address a move from Enfield Council for my son and it seems the only person trying to help my son. The move was ordered via the courts on the 09/08/2018 which Enfield Council has failed to do; it seems Enfield Council will stop at nothing not to do the right thing towards my son. And seems they are only interested in using his mental health and not doing the correct thing and moving my son from the hell he is living in, everything the mental health team is passing to Enfield Council is being used against my son not to help him.
I would like the full details of what was passed to Enfield Council by the Mental health team from Debbie Morgan as it would not surprise me if Enfield Council has changed it to the
1
4351,
words they wanted to use to send it to the MP as what is stated in the Email to the MP is not correct on many points and I am very angry it has been written this way as no one has any right to say the things that have been said in the email the way they have been said is plainly wrong why would anyone write this email the way it has been written.

I would like this investigated as it seems the 1st investigation has done nothing to stop this sharing of my son's information without consent via the mental health team.
What right and laws are being used to share this information?
As it seems all the information that is being shared goes against my son. How is any trust meant to be grained when this is happing all the time? This is not the only information that is being shared and I can prove this.
I want all information sharing to stop forthwith with Enfield Council from the mental health teams across all departments, as it seems Enfield Council does not care how this information is being used or shared or if it is correct when they pass it on. From this point if any information is going to be shared with Enfield Council then the information needs to be sent to this email 1st and written consent obtained before any information is shared this would include all departments in the mental health team.
I have included your letter of response as I am also including in this email the MP as all this incorrect information that is being used against my son needs to stop from this point in time.
I have submitted a subject access request of all data being held for my son by the mental health teams, which I am awaiting as I need to correct a great deal of data being held and find out what other information has been shared.
I look forward to hearing from you regarding this complaint dated 28/11/2018
Regards
Lorraine Cordell

Dear Mrs Cordell

Re: Your complaint regarding the sharing of your son's information

- Thank you for passing on your concerns in your conversation and initial email with Angela Hague on 30th July 2018, and subsequently with Rachel Yona on 10th August 2018. You raised some key questions relating to information governance and the sharing of information regarding your son.
- Please accept our sincere apologies for the delay in our response to your queries, which was due to there being a separate ongoing investigation within the Trust regarding the matters you have raised.
- Your concerns have been investigated and I am now in a position to respond to your complaint.
- Your concerns were investigated by Rachel Yona (Enfield Adult Mental Health Community Services Manager) and involved interviews with staff and a review of your son's clinical records.
- You stated that a report written by Angela Hague regarding your son, dated 15th June 2018 and 19th June 2018, had been presented in court on 26th June 2018. You stated you had not had prior access to these reports and explained that you had considered the court case and the assessments by Angela Hague were separate processes.
- Please be assured that we have looked into this matter and I can confirm the report used in court was not a formal report, but rather a response by Angela to a request for information. The Trust I had communicated to the Council Legal Services that we would not be providing a report for the Court and it was recommended they commission an independent report if this were required.
- However as part of the investigation, it has been highlighted that this communication was only shared verbally with the Council Legal Services, and the position of the Trust was not clarified in writing.
- During our communications with the Council Legal Services it was asked whether your son had engaged in his recent assessment, and it was for this reason the information presented in court was given. Our investigation found that the information which was sent was not a limited, direct response to the question posed to the Trust; I sincerely regret therefore that information was overshared and as such this aspect of your complaint is upheld.
- This is a matter we have taken very seriously; I would like to offer you our sincere apologies that your son's information was used for anything other than it's intended use whilst in the hands of the

Chairman: Mark Lam

Chief Executive: Jinjer Kandola

2278,

Trust, and assure you that we fully understand our role in ensuring the security and safekeeping of records relating to all of those in our care. We have completed a full internal incident investigation into this matter, and I would like to assure you that all due processes and actions have been taken in relation to this breach.

- I understand that you also were concerned about the processing of your son's information by the Court and the Local Authority. We are aware your son did not give consent for his records to be used in Court, and I can confirm the Trust also did not give consent for the sharing of information by the Local Authority with the Court. Our investigation found that the London Borough of Enfield requested to know if your son had engaged in treatment. As part of the legal proceedings the Court had asked for an assessment of your son's capacity to litigate and capacity to understand the meaning of the interim injunction from January 2018. Whilst we cannot speak on behalf of the Courts, we believe that this was why they passed on the information.
- I am very sorry to learn that you feel the trust between yourself, your son, and the Mental Health Services has been broken. I understand that your son is now being seen by the Enfield North Locality Team, and I sincerely hope that they will be able to help rebuild the trust and develop a good working relationship with yourself and your son.
- I understand that when you discussed your concerns with Rachel Yona (Enfield Community Services Manager) you raised your view that you feel there were inaccuracies within your son's report. Please be advised that whilst we are unable to retrospectively amend records, we are able to add additional entries to reflect your views and comments, and we would be very happy to add any information as you see fit.
- Please be assured that the recommendations from this complaint will be shared with the London Borough of Enfield Legal Services and across our Enfield Adult Community Mental Health Teams, to ensure all agencies involved in this situation can learn from this regrettable incident.
- We appreciate all feedback from service users' experience of our service as this helps us to assess, reflect on our actions and improve the care we provide. Staff members are committed to providing and delivering a high standard of care to all our service users. We try to ensure that through good support and training opportunities, staff are enabled to deal effectively and sensitively with the needs of all service users and their relatives. When members of our staff fall below the expected levels of performance, we ensure that issues are addressed and dealt with quickly. Our aim is to learn from these experiences and give assurances that any actions as a result of our investigation will be delivered.

ENFIELD ADULT NORTH LOCALITY TEAM
T/C to Police-PC Tom 07506 523950.
Asked him if SC had been charged for the assault on the police. He said he is dealing specifically with this case; he said that the police need to interview SC first before charging him for assault; he said that SC has not made himself available. Informed him that we plan to hold a Professionals Meeting on the 19th December. He said that I should try to call 101 to ask if Police can attend. He said that he cannot attend himself and would discuss this with his superiors. I gave him my direct contact number (work mobile) Rang 101. Police operator took some details. I relayed that SC is known to team; he does not engage and we cannot manage risks. Hence the reason for us to hold a Professionals Meeting. Police operator took my direct number and said that police will get back to me on this.

Enfield Council has failed to act correctly with what District Judge Dias stated needed to be done in the court order dated 09/08/2018. Enfield Council are using incorrect information and passing that on to other bodies which is incorrect. I need the full transripts of what was said in court so i can try and correct this. Also Enfield Council are now also trying to go for proceedings against Simon Cordell for possession of his flat. District Judge Dias spoke about this to Enfield Council on the 09/08/2018 and i would like the full transripts in order to prove what Enfield Council is stating is misleading.

Backgrounds facts

3. This matter was allocated to the Claimant's Legal Services department in **August 2017,** following many complaints received from some of the Claimant's employees and residents living in the same block as the Defendant. The Claimant's anti-social behaviour team instructed our legal services to issue an application for an injunction under the Anti- Social Behaviour, Crime and Policing Act **2014**.

4. An ex-parte application was made and the Court made an interim injunction order against the Defendant on **09th August 2017. The** matter was re-listed for a return hearing on **21st August 2017** but adjourned to **25th September 2017** where the Defendant attended with his legal representative. The Defendant indicated that it wished to defend the claim and some directions order was made.

5. The parties were ordered to file their directions questionnaire by **23rd October 2017;** however, this deadline was overlooked by me and the Court made an order on **06th November 2017** asking the Claimant to file a completed directions questionnaire by 4pm on **17th November 2017**. A copy of the Order can be found under exhibit L11.

6. On **17th November 2017 at 11 ;59**, I sent an email to the Court on the following address: enauiries@edmonton.countvcourt.asi.Qov.uk. with a copy of the Claimant's directions questionnaire. The Defendant's solicitors were also copied into this email. A copy of this email is attached in exhibit LI2.

7. Just before filing the directions questionnaire with the Court, I contacted the Defendant's solicitors on **16th November 2017,** Mr Emmanuel Onwusiri of VLS Solicitors, with a suggested draft directions order. However, he responded by saying that it was not necessary to agree directions in the proposed form. He was therefore fully aware of the fact that I was about to file the Claimant's directions questionnaire. A copy of my email correspondence to Mr Onwusiri can be found in exhibit LI3.

DIRECTIONS ORDER

8. I then received an order from the Court dated **13th December 2017**, advising me that a judge has considered the file and having seen that the questionnaire was received on 20th November **2017**, has decided to apply the sanction as set out in the order dated **06th November 2017.** As a result, the Claim was struck out and the interim injunction made on **09th August 2017** was discharged. A copy of the order is attached under exhibit LI4.

9. Upon receiving the above order, I emailed the Defendant's solicitors Mr Onwusiri and advised him that the Court made the order in error as the Claimant had filed the directions questionnaire electronically on **17th November 2017.** Mr Onwusiri was fully aware of this fact as he was copied in to the email. A copy of my email to Mr Onwusiri dated **15th December 2017** can be found under exhibit LI5.

10. On **14th December 2017,** Ms Zena Ndereyimana on behalf of the Claimant's legal services emailed the Edmonton County Court advising that Claimant's directions questionnaire was emailed to the Court on **17th November 2017** and provided evidence in support. The email requested that the Court reconsider the order dated **13th December 2017** as the Claimant has complied with the earlier directions order made on **06th November 2017.** A copy of the email correspondence to the Court can be found in exhibit LI6.

11. The Claimant has received no response from the Court following the email it sent out on 14th November 2017.

12. On **03rd January 2017** I received an order from the Edmonton County Court ordering the Claimant to pay the Defendant's costs of the action on a standard basis to be assessed if not agreed. Please refer to exhibit LI7. The order was made after the Defendant's representatives filed an application notice at Court on **21st December 2017.** The application was only received by the Claimant on **27 December 2017** and as l was on annual leave, the application notice only came to my attention on **03rd January 2017,** so I was not able to respond.

MR SIMON CORDELL

DIRECTIONS ORDER

13. It was inappropriate for the Defendant's representatives to have made this application as he was fully aware of the fact that our directions questionnaire was dully filed at Court on **17th November 2017**. He was copied in to all the correspondence sent to the Court. He was also advised by me that the Court must have made an error when it stated to have received the order on **20th November 2017** while clearly it received it electronically on **17th November 2017.**
I am of the view that the Defendant's representatives have taken advantage of the situation as when making this application he already knew of the fact that the Claimant's questionnaire was filed on **17th November 2017** and there could be a possibility of the Court

reconsidering its decision of striking out the Claim. I find his conduct against the spirit of the Civil Procedures Rules which encourage parties to cooperate, communicate and try to resolve dispute out of Court. The Court order dated **02nd January 2018** could have been avoided had the Defendant acted with more fairness and this conduct has partly triggered the necessity to make this application notice which means that the Claimant is now incurring more costs.

14. I am also instructed that since the Court made the interim injunction order on **09th August 2017,** the Defendant's anti-social behaviour has ceased towards the neighbours and no complaints have been received from them. I am therefore of the view that the residents and employees of the Claimant could be prejudice if the Claim and interim injunction order were not reinstated.

15. As a result of the above, we would like the Court to set aside the orders made on **13th December 2017** and **02nd December 2018.** The Claimant would also like the Claim and interim injunction to be reinstated and an order that the Defendant pays the Claimant's costs as his conduct has led to the necessity to make the present application.

The Enfield Gov / Email's Issue:

1096. On behalf of Mr Simon Cordell of 109 Burncroft Ave Enfield EN3 7JQ
/ Page Numbers: 4385,4386,
Complaint 05/12/**2018**
On behalf of Mr Simon Cordell of
109 Burncroft Ave,
Enfield,
EN3 7JQ
I am writing this email due to issues I have regarding a member of staff who works for Enfield Council by the name off Mr Lemmy Nwabuisi the Anti-Social Behaviour Coordinator, since **2016** when Mr Lemmy Nwabuisi the Anti-Social

Behaviour Coordinator started working for Enfield Council he has been working on investigations relating to my son Mr. Simon Cordell. In this time not once has Mr Lemmy Nwabuisi the Anti-Social Behaviour Coordinator, come to see my son's side to the alleged allegations regarding what the neighbours have put in about my son. Mr Lemmy Nwabuisi the Anti-Social Behaviour Coordinator has taken one side to these said alleged allegations without no investigations,' Mr Lemmy Nwabuisi it seem has taken one side to everything that has been said and that is the side of the neighbours, Mr Lemmy Nwabuisi has been told many times we have information which would proof my son had not done things which have been stated by the neighbours Mr Lemmy Nwabuisi the Anti-Social Behaviour Coordinator knows my son does not leave the flat he was told this, and also told that if he wanted to attend a meeting with my son he could do so with police there to have a meeting to hear my son's side, he has never got back to me regarding having a meeting at my son's home because he never wanted to, which I am sure if someone is a vulnerable person where was the duty of care where has it ever been for my son?
I believe Mr Lemmy Nwabuisi the Anti-Social Behaviour Coordinator just through to himself that my son is in the wrong he is a vulnerable person I will put pressure on him and get him out without even thinking there is 2 side to anything. And just blamed my son without even talking to him this is how it has been since Mr Lemmy
4386,
Nwabuisi the Anti-Social Behaviour Coordinator starting working for Enfield Council. I also feel Mr. Lemmy Nwabuisi has taken information and not relayed it back correctly many times regarding my son's health even to the courts. Information is being passed and obtained relating to my son which should never have been passed to 3 parties or used, how can this be allowed. There are many other points and failings which have been allowed to happen and this needs to stop. I will be drafting up a full complaint of failings and submitting it but this will take a while to draft up as I have got to go back some years. Mr. Lemmy Nwabuisi also had my son arrested on the 09/01/**2018** and even though we asked many times, even my own son's solicitors could not understand why he was the person still investigating my son. When his case was part of the court actions being taken against my son by Enfield Council this is against the law that someone is investigating something within their own case and it beaches many other things. At this point in time I want Mr. Lemmy Nwabuisi taken off dealing with anything to do with my son or related to him, I feel he has not done acted correctly and feel he has not investigated anything which would prove my son has done nothing wrong and only wanted to blame him for everything, I have asked this before and heard nothing back regarding this. But it has got to the point in time that this needs to happen. Could someone please get back to me as soon as possible regarding this?
Regards
Lorraine Cordell

Working on my report

I again noticed the date of the 04/10/**2016** and that I was not at my home when the Mathiyalagan's made their complaint up to about myself.

Ambrose's mate Alley came to?

On behalf of Mr Simon Cordell of 109 Burncroft Ave, Enfield, EN3 7JQ
I am writing this email due to issues I have regarding a member of staff who works for Enfield Council by the name off Mr Lemmy Nwabuisi the Anti-Social Behaviour Coordinator,
Since 2016 when Mr Lemmy Nwabuisi the Anti-Social Behaviour Coordinator started working for Enfield Council he has been working on investigations relating to my son Mr. Simon Cordell.
In this time not once has Mr Lemmy Nwabuisi the Anti-Social Behaviour Coordinator, come to see my son's side to the alleged allegations regarding what the neighbours have put in about my son.
Mr Lemmy Nwabuisi the Anti-Social Behaviour Coordinator has taken one side to these said alleged allegations without no investigations,' Mr Lemmy Nwabuisi it seem has taken one side to everything that has been said and that is the side of the neighbours, Mr Lemmy Nwabuisi has been told many times we have information which would proof my son had not done things which have been stated by the neighbours
Mr Lemmy Nwabuisi the Anti-Social Behaviour Coordinator knows my son does not leave the flat he was told this, and also told that if he wanted to attend a meeting with my son he could do so with police there to have a meeting to hear my son's side, he has never got back to me regarding having a meeting at my son's home because he never wanted to, which I am sure if someone is a vulnerable person where was the duty of care where has it ever been for my son?
I believe Mr Lemmy Nwabuisi the Anti-Social Behaviour Coordinator just through to himself that my son is in the wrong he is a vulnerable person I will put pressure on him and get him out without even thinking there is 2 side to anything. And just blamed my son without even talking to him this is how it has been since Mr Lemmy

1136
2291,
Nwabuisi the Anti-Social Behaviour Coordinator starting working for Enfield Council.
I also feel Mr Lemmy Nwabuisi has taken information and not relayed it back correctly many times regarding my son's health even to the courts. Information is being passed and obtained relating to my son which should never have been passed to 3 parties or used, how can this be allowed. There are many other points and failings which have been allowed to happen and this needs to stop. I will be drafting up a full complaint of failings and submitting it but this will take a while to draft up as I have got to go back some years.
Mr Lemmy Nwabuisi also had my son arrested on the 09/01/2018 and even though we asked many times, even my own son's solicitors could not understand why he was the person still investigating my son. When his case was part of the court actions being taken against my son by Enfield Council this is against the law that someone is investigating something within their own case, and it beaches many other things.
At this point in time I want Mr Lemmy Nwabuisi taken off dealing with anything to do with my son or related to him, I feel he has not done acted correctly and feel he has not investigated anything which would prove my son has done nothing wrong and only wanted to blame him for everything, I have asked this before and heard nothing back regarding this. But it has got to the point in time that this needs to happen.
Could someone please get back to me as soon as possible regarding this?
Regards
Lorraine Cordell

I Received a Letter

From the court this morning: --

I received a letter from the court this morning with the order from the judge at Edmonton lower court that got ordered on the 15/08/**2016** and to my surprise a different order to which had gotten drafted between the claimant the Enfield Council and my solicitor inclusively of my mother and I had been changed for a different document and then after sent to the court and **sealed.** The shop next to me never had the electric machine working and I had to call mother to come down and give me a hand to get to the other shop nearby. I also asked mother what was going on with my cases and getting free while getting justice against those who have illegal wronged myself. Thought the day I got a couple of little stamps that were deliberately done to me above my head to where I am working on my computer in the front room.

Dear Alev Cazimoglu
I know you said to me today on the phone that you would get back to me if you heard anything from Enfield Council. But this cannot be allowed to carry on, this is making my son's health worse with what is going on and him being in that flat, the banging does not stop even people I am I getting to stay with my son don't want to be there due to how bad it is it does not stop. Enfield Council is now making my son stay in a flat living in hell, they know the issues why have they not just moved him out of there?
How long is it going to take with letters going backwards and forwards with no end to it? All awhile my son is suffering badly and it is impacting on his health how far is Enfield Council going to let this go?
Enfield Council has not once asked my son's side to this they only go with what is being said about my son is this right?

This are always 2 sides to anything so why is Enfield Council only taking ne side to all of this and not once hearing our side?
Enfield Council has had long enough to move my son why have they not. I need help to deal with this and I can't wait months for anything to be done, and that is not saying you are not doing your best as I know you are it seems Enfield Council are the ones holding this up and really for what reason, is it so they can make my son suffer more?

Lorraine

Dear Trishna Kerai
I am writing this email to see if you can help regarding the case that went on at Edmonton Country Court. There has been a great deal of issues with Enfield Council and not doing what the Judge stated for them to do. I have had to write to the judge regarding what Enfield Council are doing and I have had a reply back from the court. The order that Enfield Council drafted does not even mean they have to move my son; he is living in hell and I am working with the MP also regarding issues. But the order Enfield Council wrote needs to go back into court and get addressed as this can no longer carry on as it is impacting my son's health. Could you please take a look at the letter and order that the court sent as we have never had a sealed copy of the order until the other day due to the letter I wrote. It would also seem that Enfield Council when they got our amended order just asked the court to seal their order. Also, the barrister that attended court for my son on the 09/08/**2018** did he make any court notes up if he did could you send them to me. I would be grateful for any help on this matter

Summary!

My Heart has really started to hurt me every day, I am having an early aged mild heart attacks because of what Debra Andrews and the mathilgen Markandu family as well as stain Curtis and George Quinton get and got away with, inclusively of what the police and local council members are getting away with each day by holding me hostage with no first hand witness and then on allowing my estate members to carry out their hate crime in a cover up to send me crazy or to an early death by flushing the toilet below me and bagging at me causing me sufferings and no peace also letting the named attack me when I am in the bath tub and getting undressed and this does not stop their I continue to get assaulted with the water taps getting slammed on and off causing a loud bagging sound at a fast rate and slamming object and or jumping on the floorboards above my head damaging my work studies and private family life and making me a Vulnerable person!

I have also had a lot of problems with eating because of what they keep all doing to me!

My canine has victualing its paws because of what 113 – 117 and 111 are getting away with I have taken pictures of the damage this is doing to us in this flat!

Dear Alev Cazimoglu
I know you said to me today on the phone that you would get back to me if you heard anything from Enfield Council. But this cannot be allowed to carry on, this is making my son's health worse with what is going on and him being in that flat, the banging does not stop even people I am I getting to stay with my son don't want to be there due to how bad it is it does not stop. Enfield Council is now making my son stay in a flat living in hell, they know the issues why have they not just moved him out of there?
How long is it going to take with letters going backwards and forwards with no end to it? All awhile my son is suffering badly and it is impacting on his health how far is Enfield Council going to let this go?

Enfield Council has not once asked my son's side to this they only go with what is being said about my son is this right? This are always 2 sides to anything so why is Enfield Council only taking one side to all of this and not once hearing our side?
Enfield Council has had long enough to move my son why have they not. I need help to deal with this and I can't wait months for anything t be done, and that is not saying you are not doing your best as I know you are it seems Enfield Council are the ones holding this up and really for what reason, is it so they can make my son suffer more?

I am still on the computer working hard to get realised from these police conditions that have over ruled my who life, now and without them even being lawful by a way of a legal justification. While on my computer Ozzie started to try and wind me up by playing with a drill on the wall. I just worked through it as hard as it can become. When Ozzie is upsetting me by doing unmoral thigs to be in turn torturing me, he is breaching my human rights and this does get achieved with criminal intent of persecution against my person.

Backwards and Forwards; --
Stain keeps going backwards and forwards in and out a of his house, when I checked out of my bedroom window, I notice it was him and saw him going into Christine's block of flats. I cannot believe that I am made to live beside stain the man that I treated as more than just a good friend, Stain the same man who decided to through all we had away by starting to attack me while knowing that I had never done anything wrong and then onwards damaging my good reputation with his cruel and evil intentions towards me and allowing the problems to have an effect that he was causing on so many other people's life's as well. I have said and proved what he has done to me but yet no person respects my rights to justice by arresting him and the others that have joined in with him on this rampage of a campaign to breach all or most of my Human Rights.

Thank you for your recent enquiry, which I forwarded to my officers in the Community Safety Unit Anti-Social Behaviour team. I can confirm that the Anti-Social Behaviour Team is aware of the ongoing issues between Mr Cordell and his neighbours. Your enquiry has been added to the Anti-Social Behaviour database (Case Reference 17834). I can confirm that we have liaised with the Council solicitors and have been advised that following the court order of 9 August **2018**, the council agreed to consider and assist Mr Cordell in making a housing management **transfer** application. This was agreed on the condition that Mr Cordell should engage with mental health services and provide medical evidence to support the housing management **transfer** application. I have been advised that Mr Cordell has not provided any supporting letter from the mental health services to support his application and therefore we do not have sufficient evidence at this time to put in a management **transfer** application on his behalf. I have also been advised that the council will commence possession proceedings against Mr Cordell because of the seriousness of the allegations made against him. Please contact me if I can be of any further assistance.

I am trying to deal with this; letters are going in and complaints. I need Lemmy taken off case then I can get where we need to be but I also got to wait for things like the SAR and until I got them it's hard as I need to see what is on Enfield Councils systems, I also need other SRA to come back I have asked for.

- We need to see what is down for you we need to see what has been shared there is a lot to deal with and it just can't be done overnight like you think it can.
- I am doing 4 major write-ups, and this is just for Enfield Council and these need to be done we need to get complaints upheld which in turn shows they are in the wrong right now we don't have that.
- I have asked for a list to be completed by you in regard to all the dates I sent over in a letter.
- I am also doing write-ups for the ASBO one for the IPCC, one for human rights and police misconduct solicitors in the hope we get some help, and one for the courts, which outlays everything that went on in court and what the police done.
- Yes one write-up can help with the next, I also writing a next write-up for the IPCC for what the lack of what the police have done regarding Enfield Council.
- These are not small write-up they are large but have to be kept on point.
- It would help me greatly if you can complete the dates, I outlined in the document I sent you. But to me it seems that is too much for you to do. I will send it again with this, but I don't think you will do but see attached.
- I think once you see everything, I am doing you will see I am not just sitting on my backside and doing nothing. We cannot bring a case into court without there being order and the paperwork correctly done. As that will just be all over the place and will go nowhere. Yes something's will take ages to complete but that does not mean other parts are not getting dealt with.
- I want the ASBO back in court as early as I can get it there, but the paperwork needs to be in order, and we have to have a clear outline of what went on.
- Enfield Council are just digging themselves deeper into this, but you got to let it run its cause.
- Things cannot be done overnight like you think they can be, and if you want this done correctly you will let me get on with it without keep abusing me.

Dear Alev

Thank you for the update email, it is shameful what Enfield Council is trying to say, may I ask have you ever seen a copy of the court order?, as I believe you will see as I have attached it that it does not state my son has to cooperate with the mental health team to get moved. Please see attached copy of court order. It is me that Enfield Council has to work with not my son and it is also me the mental health team have to work with not my son, the Judge would not order that my son has to work with the mental health team even when Enfield Council asked her to make that order. I have done what I was meant to have done regarding the move the paperwork was completed by Enfield Council which is how it is done; I was not even allowed to see the application that was made for my son, which I have all the emails to prove that. At this time the file is back with the judge to get more directions due to the letter I wrote and asking for the full transcripts from the court, at this time this is being dealt with and the judge has the file and upon speaking to the court this morning we should have a letter by around next week from the judge. If it does not say what I need and I am refused the full transcripts from the court, I will be bring this back into court as I have had a reply from the court dated the 03/12/**2018** allowing me to do this, but I have been told this morning to hold off doing this until I hear from the judge regarding the full transcripts and any directions she gives. I have already done my application for the court; I will just need to update once I get the letter from the judge. Please do not show this email to Enfield Council as at this time I do not want Enfield Council to know I have gone to the judge in this matter at this time or what I have asked for. I believe you will see for yourself from the attached court order it does not say my son needs to cooperate with the mental health team to get moved, so I really do not know why Enfield Council is stating this as it is not correct.

Lorraine Cordell

Dear Andrea Clemons
Today the MP's aid for Joan Ryan, Alev Cazimoglu sent me a copy of your letter dated the 12/12/**2018**, I am shocked to see what is written within it and the misleading information being passed over to the MP Joan Ryan.
It was not agreed on the condition that Mr. Cordell should engage with mental health services and provide medical evidence to support the housing management **transfer** application. The court did not state this so I do not know where this is coming from.
I also do not understand where it is coming from that Mr. Cordell had to provided supporting letter from the mental health services to support his management **transfer** application, and he has not done this, he was never meant to have done this and the management **transfer** application was completed by Enfield Council to go to the panel on the 17/08/**2018** and it was ready to go to the panel on this date, but this was deferred to be considered at the next panel meeting which would have taken place on 28/09/**2018**, which never happened.
The reason for it being deferred was so that I Miss Lorraine Cordell could try and get a letter from the mental health team, which I could not so it therefore should have gone ahead to the panel on the 28/09/**2018**, which I do have the emails to prove this. I also do not understand why Enfield Council is stating supported accommodation was being asked for as this was never asked for. I did however state in court that a 2 bedroom would be better as my son could have family live with him so he could get support from his family; I have never said I am his career I have never said a lot of things that Enfield Council is stating I have said.
It was stated in the court order.

- UPON the Defendant's mother Mrs. Lorraine Cordell, confirming that she will engage with the Claimant and assist the Defendant's neighborhood officer in making a housing management **transfer** application on or before 16 August **2018**.
- UPON the Claimant agreeing that it will deal with the housing management **transfer** application as quickly as possible after being made.
- AND UPON the Defendants mother agreeing to engage with the Enfield Mental Health Unit team so the Defendant could receive assistance with his mental health conditions and housing.

The order was to be agreed with my son's solicitor upon being drafted by Enfield Council, but my son's solicitor was on annual leave and therefore did not reply to Enfield Council order until she came back of leave, But when you emailed her it came back that she was on annual leave so Enfield Council was well aware of this.
Upon her return from annual leave her amended order was sent over to Ludmilla Lyavoo, which my son's solicitor never had a reply back from Ludmilla Lyavoo regarding her amended order, but some days after the amended order was sent over to Ludmilla Lyavoo, it seems an order was sealed at Edmonton Country Court which was not agreed on which was Enfield Council drafted order, which we never agreed to and feel it is misleading as to what was said in court.
I believe a lot of what was said in court is not being told and misleading information is being said, maybe someone should ask Ludmilla Lyavoo what the judge said when Ludmilla Lyavoo said she
4422,
would go for a possession order to the judge because she did not get what she wanted. This misleading information needs to stop as it is a beach of the data protection act. I look forward to hearing from you regarding this, please can you reply as I did not get a reply from you to my last email, I sent to you.

Lorraine Cordell

Which in fact would have been a lot better as if he had been allowed to stay in hospital like he wanted maybe by now they would have been trust built up with the doctors and teams, this is what Soohah Appadoo wanted to do as he saw that there was a real problem with trust and stated this at the appeal on the section 2 at the hearing. On the 15/12/**2018** I myself spoke to Soohah Appadoo on the phone, but since that we have heard nothing from him is this what is being called support put in place when my son was discharged from hospital?

Which in fact would have been a lot better as if he had been allowed to stay in hospital like he wanted maybe by now they would have been trust built up with the doctors and teams, this is what Soohah Appadoo wanted to do as he saw that there was a real problem with trust and stated this at the appeal on the section 2 at the hearing. On the 15/11/**2018** I myself spoke to Soohah Appadoo on the phone, but since that we have heard nothing from him is this what is being called support put in place when my son was discharged from hospital? This misleading information needs to stop as it is a beach of the data protection act. I look forward to hearing from you regarding this, please can you reply as I did not get a reply from you to my last email, I sent to you.

Summary!

My Heart has really started to hurt me every day, I am having an early aged mild heart attacks because of what Debra Andrews and the mathilgen Markandu family as well as stain Curtis and George Quinton get and got away with, inclusively of what the police and local council members are getting away with each day by holding me hostage with no first hand witness and then on allowing my estate members to carry out their hate crime in a cover up to send me crazy or to an early death by flushing the toilet below me and bagging at me causing me sufferings and no peace also letting the named attack me when I am in the bath tub and getting undressed and this does not stop their I continue to get assaulted with the water taps getting slammed on and off causing a loud bagging sound at a fast rate and slamming object and or jumping on the floorboards above my head damaging my work studies and private family life and making me a Vulnerable person!

I have also had a lot of problems with eating because of what they keep all doing to me!

My canine has victualing its paws because of what 113 – 117 and 111 are getting away with I have taken pictures of the damage this is doing to us in this flat!

Disrepair!

The lack of due diligence towards my life is Startling and I find it sensational that no person has repaired the disrepair issues in my home when and after notified!

Dear Mark Randall
Thank you for the update regarding my son Simon Cordell. Would it please be possible to know if the neighbours have be charged with the Assault on my son Simon, or charged with the weapon they used in the assault on my son Simon as there was an independent witness to the assault, or the criminal damage they caused to the neighbours car and camper van due to the weapon they used, or charged with anything else as there was evidence I believe enough to have charged them, or has the charges been dropped also for them?

Dear Alev
I called and got a call back from Simon case team the other day. From what I am being told they say they sent him an appointment for the 04/12/**2018** for a review, which I know nothing about, it was also for Simon to go to their clinic, which I said well you know Simon does not leave the flat so why would you not have booked to go and see him at home. He stated that it would be better for Simon to go to them, I said but how is he going to do that when he does not leave the flat, and you are well aware of that, are you not meant to be working in the best interest of the client, and you are well aware Simon does not cope when he goes out so you are making it worse for him why don't you go and see Simon at home. He tried all he could to get out of it, but then said he would talk to the team regarding if they can go see Simon at home and would let me know the outcome after the meeting regarding it.

 Simon Cordell – 109 Burncroft Ave, Enfield, EN3 7JQ - 28/12/**2018**
Dear Kaunchita Maudhub and Andrea Clemons
Thank you for the reply letter to my emails dated the 28/12/18, I have today contracted by email Mr Cordell's solicitors who were acting for my son Trishna Kerai, but she is away until the 2nd January **2019**, Trishna Kerai was well aware I did not agree with Enfield Council's draft order, which was sent to me by her on the 13th August **2018** at 15:14, I made a reply to her with the points I did not agree to right away, and she was due to rewrite them points I did not agree with. Then she went on leave and did not do the rewrite until she came back of leave. This was when her amended order was sent back to Ludmilla Lyavoo and she got no reply and a few days after this Enfield Council draft order was sealed by the court. I did not agree to submit a housing management **transfer** to be considered by the exceptions panel on 17/08/**2018**, As Ms lyavoo is well aware it is Enfield Council neighbourhood officer that has to complete this application, In fact I have nothing to do with the making of this application I was not even allowed to see it after it was completed by the neighbourhood officer even when I asked to see it I was not allowed to be sent it as it is only used internally. I did not only email Ludmilla Lyavoo I had calls with her and we spoke, I also left voice messages for her, when the management **transfer** application was deferred on the 16/08/**2018** it was only due to be deferred until the next panel meeting on 29/09/**2018** when it should have gone before the panel even if it was a like to like move but this did not happen. When I emailed Ms Ludmilla Lyavoo on the 28/09/**2018** I asked for an update as I had not heard anything, I did not know I was meant to have given her an update regarding the appointment; and I am sure I said to her on a phone call when the management **transfer** application was deferred if I got any medical information I would email it to her as soon as I got it, so by not sending anything to her I sure she would have known I had not got anything, in fact the mental health team was not replying to me at all, looking back now I believe that was due to them looking into the complaint I had sent. But the medical evidence was not necessary for it to have gone to the housing panel.
4435,
I did not get any updates from Ludmilla Lyavoo at this stage or any reasons it was not put forward to the panel on that date. I again emailed Ms Ludmilla Lyavoo on the 01/10/**2018** and after talking to Lemmy Nwabuisi on the 02/10/**2018** via a phone call I sent a next email to Ms Ludmilla Lyavoo asking for an update on the 02/10/**2018**, I did get a reply on the 02/10/**2018** from Ms Ludmilla Lyavoo stating she had been in meetings and was unable to attend to my voice messages call's or emails, and that she was taking instructions from her office and would get back to me in due cause. I again emailed Ms Ludmilla Lyavoo on the 07/10/**2018** as I still had not had any updates, I did not get a reply so again sent an email on the 09/10/**2018** to Ms Ludmilla Lyavoo, on the 12/10/**2018** I did get a reply to that email, but from my emailed it would have been very clear I wanted it to go to the panel, at that point I was very busy and did not have time to reply to that email, I then got a next email on the 15/10/**2018** from Ms Ludmilla Lyavoo stating court action was going to start. At this point I knew in my heart Enfield Council was never going to put this to the panel and only wanted one thing and this were the real reason it took Ms Ludmilla Lyavoo so long to reply to my emails and calls, so it was around this time I made arrangements to see my son's MP as I felt I was not getting anywhere and through maybe it was better coming from the MP. The issue with appointments being made they are for my son to go to the clinic; I have told them many times my son does not leave the flat and a home appointment should be made which they are still falling to do. I spoke to Soohah Appadoo, North Locality Team more than once saying this is an issue and been told he will get back to me regarding it after he has a meeting with his team about it but he has not done this yet. If you are now agreeing that the court did not actually record that my son submits a housing **transfer** application on the condition that he engages with mental health team, why has Enfield Council been stating this to everyone as this is incorrect is it not? I believe this should be corrected should it not?
Yes, I agreed to talk with the mental health team which I have done and it is clear I have done this as it stated in your letters and replies to the MP, so I am doing what I
4436,
was asked to do by Enfield Council at court, so why is Enfield Council not doing what they were meant to do?
This section in the court order "AND UPON the Defendants mother agreeing to engage with the Enfield Mental Health Unit team so the Defendant could receive assistance with his mental health conditions and housing." is also something I did not agree to, and it was this point I asked to be rewritten or removed along with other sections. The reason I did not agree to it being written in the court order was due to the fact I knew I was limited in what I could do with the mental health team, and really the way the draft court order is worded by Enfield Council was not said in court that way and was I believe only written this way for Enfield Council to get out of moving my son. There is only so much I can do as my

son has rights even under the mental health act, so, when I agreed I knew I would be limited in what I could do. It seems Enfield Council are just passing the buck over to anyone they can and not doing anything to help my son, and passing incorrect information over all the time to people. There is a duty of care and so far, Enfield Council has beached that in every way possible regarding my son, also the beaches in data protection is beyond anything I have ever seen when is this going to stop? By now you would have the complaint outcome letter that was submitted to the mental health team which was upheld, which should have been learned from, but it seems the sharing of information regarding my son is even worse now than when it was when I submitted the complaint to the mental health team. There has never been no consent from my son for Enfield Council to share data the way they have with the mental health team the way it has been shared. When is Enfield Council going to help my son? not leave him to suffer the way Enfield Council has done since the end of **2014** when I started making calls about what was going on with the neighbours, from the start of **2015** I had to start sending emails to Enfield Council regarding what was going on with the neighbours because Enfield Council was just not getting back to me regarding the phone calls and still no one got back to me until 21/09/**2015**, it seems Enfield Council only acts when it is against my son, as I was putting in reports and complaints regarding what the

4437,

neighbours were doing well before any report or complaint went in regarding my son, I was told so many times by Lemmy Nwabuisi to forget all about the emails I sent and it seems Enfield Council don't seem to have many of the emails I sent begging for help with what was ongoing. To me this is one sided only and not once has Lemmy Nwabuisi ever asked to see anything this is a beach and discrimination against my son, not even the police take one side to everything at least they do an investigation, which I believe the council also have a duty to do. Why is Enfield Council also allowed to try and pressure neighbours into doing? statements against their will, against my son and don't think I don't know about this as I do, why am I being told by neighbours Enfield Council is out to get my son really badly and are not going to stop until they do get him out, why are neighbours even being talked to about my son? It seems Enfield Council will stop at nothing regarding my son. Why has Lemmy Nwabuisi or any other Enfield Council worker ever taken any report from my son regarding anything when they have been told time and time again, we have proofed my son has not done the things that is being said he has done? Why does Enfield Council see fit to wait months and months and months to tell us about any reports? The list can go on and on but we know already Enfield Council will do nothing for my son but disregard him. Please could you clarify for me whether or not you are seeking possession order for my son flat? Because you have now admitted in your letter to me dated the 28/12/**2018** that the information used in your letter dated the 12/12/**2018** was incorrect as it was not stated in the court order my son had to engage with mental health team to be able to get a housing management **transfer**, and that my son did not need to provide medical evidence to support the housing management **transfer** application, and you did in fact have enough information to put this to the panel as the application was completed by the 16/08/**2018**. As it really seems to me that Enfield Council has not done what was within the court order or taken anything the Judge said in court on the 09/08/**2018** into account, and the basic for the seeking possession order on my son's

4438,

flat was based on facts that was clearly not in the court order, if Enfield Council had put this before the panel then this would not even be an issue and we would not need to address this now. Also, I would like to say at this point Trishna Kerai from Stuart miller solicitors is no longer acting solicitors for my son, so there is no need for the legal team or any other team within Enfield Council to forward any documents to her regarding my son. I apologise for the sternness of this letter but it seems where my son and I are concerned we seem to take one step forward then two back and I am sure you can sympathise with how frustrating this must be. I look forward to hearing from you soon.

Regards

Lorraine Cordell

Dear Ms Cordell,
Re: Simon Cordell
I am writing in response to your emails dated 17th and 20th December 18 where you have raised that you feel that some of the information provided in my letter to Joan Ryan MP dated 12th December **2018** is incorrect. I have therefore asked for legal clarification on the points raised. I accept that the order made by the Edmonton County Court on 9th August **2018** did not actually record that your son submits a housing **transfer** application on the condition that he engages with mental health team. However, you agreed that you would engage with the Enfield Mental Health Unit Team, so your son could receive assistance with his mental health conditions and housing. I understand that you. Agreed to submit a housing management **transfer** to be considered by the exceptions panel on 171081**2018**. However, following a discussion held with Ms lyavoo, one of the Council's lawyers on 16th August **2018** you were advised that the application being unsupported by medical evidence, if successful, would only result in a **transfer** of a property on a like for like basis. You explained to Ms lyavoo that your son needed support and would benefit from a larger property, so someone could come and live with him and you were advised that this type of application must be supported by medical evidence. As your son was given an appointment to see the Enfield Mental Health Team on,31't August **2018**, you asked that you son's application be deferred until the next panel meeting which was to take place on 29th September **2018**. This was also confirmed in an email to Ms lyavoo on the same day.

4.20pm where you asked for an update **regarding your son's management transfer application.** You were aware that the panel meeting would take place on 29th September **2018** but only contacted Ms lyavoo less than 24 hours before the meeting. You also failed to provide Ms lyavoo with an update regarding the appointment I and whether you had managed to obtain the necessary medical evidence. Ms lyavoo contacted you on 12th October **2018** and advised you that the next panel meeting was to take place on 18th October **2018** and any applications would need to be submitted by 18th October **2018**. She also asked that you clarify the basis of the application and whether you were able to provide medical evidence. Unfortunately, you did not respond to' her. ln relation to the allegations made in regard to the draft Order submitted to the Court. Ms lyavoo explains that she contacted Ms Trishna Kerai, of Stuart Miller Solicitors; the caseworker instructed on behalf of Simon Cordell on 1Oth August **2018** and emailed her a draft order. Ms lyavoo did not hear from Ms Kerai, so she emailed her again on 13th August **2018** and asked that she provides her agreement as soon as possible and if no response was made by 4pm on the same day she will have to email the draft to the Judge. Ms lyavoo states that she received a response from Ms Kerai on the same day stating that she was in agreement with the order, but she was waiting for your instructions. As no response was forthcoming, Ms lyavoo had to email the order to the Court on 15th August2OlS and she also copied Simon's case worker to the email. Ms Kerai has never indicated that she was on annual leave during the time of the correspondence but confirmed that the delay was due to the receipt of your instructions. Ms lyavoo indicates that the order was following guidance provided by District Judge Dias. The Court order does not propose to be verbatim or to be a summary of all arguments exchanged in Court. I apologise for the delay in responding over the Christmas period and I will contact you shortly to advise you about where any future enquiries on this matter should be addressed.

Subject: RE: Mr Simon Cordell. 109 Burncroft Avenue. EN3 7JQ
Dear Andrea Clemons
Today the MP's aid for Joan Ryan, Alev Cazimoglu sent me a copy of your letter dated the 12/12/**2018**, I am shocked to see what is written within it and the misleading information being passed over to the MP Joan Ryan. It was not agreed on the condition that Mr Cordell should engage with mental health services and provide medical evidence to support the housing management **transfer** application. The court did not state this so I do not know where this is coming from. I also do not understand where it is coming from that Mr Cordell had to provided supporting letter from the mental health services to support his management **transfer** application, and he has not done this, he was never meant to have done this and the management **transfer** application was completed by Enfield Council to go to the panel on the 17/08/**2018** and it was ready to go to the panel on this date, but this was deferred to be considered at the next panel meeting which would have taken place on 28/09/**2018**, which never happened. The reason for it being deferred was so that I Miss Lorraine Cordell could try and get a letter from the mental health team, which I could not so it therefore should have gone ahead to the panel on the 28/09/**2018**, **which I do have the emails to prove this. I also do not understand why Enfield Council is stating supported accommodation** was being asked for as this was never asked for. I did however state in court that a 2 bedroom would be better as my son could have family live with him so he could get support from his family; I have never said I am his carer I have never said a lot of things that Enfield Council is stating I have said. It was stated in the court order. UPON the Defendant's mother Mrs Lorraine Cordell, confirming that she will engage with the Claimant and assist the Defendant's neighbourhood officer in making a housing management **transfer** application on or before 16 August **2018**. UPON the Claimant agreeing that it will deal with the housing management **transfer** application as quickly as possible after being made. AND UPON the Defendants mother agreeing to engage with the Enfield Mental Health Unit team so the Defendant could receive assistance with his mental health conditions and housing. The order was to be agreed with my son's solicitor upon being drafted by Enfield Council, but my son's solicitor was on annual leave and therefore did not reply to Enfield Council order until she came back of leave, but when you emailed her it came back that she was on annual leave so Enfield Council was well aware of this. Upon her return from annual leave her amended order was sent over to Ludmilla Lyavoo, which my son's solicitor never had a reply back from Ludmilla Lyavoo regarding her amended order, but some days after the amended order was sent over to Ludmilla Lyavoo, it seems an order was sealed at Edmonton Country Court which was not agreed on which was Enfield Council drafted order, which we never agreed to and feel it is misleading as to what was said in court. I believe a lot of what was said in court is not being told and misleading information is being said, maybe someone should ask Ludmilla Lyavoo what the judge said when Ludmilla Lyavoo said she would go for a possession order to the judge because she did not get what she wanted.
4447,
There is also the fact that my son was willing to stay in Hospital when he was sectioned on the 25/10/**2018**, it was the hospital that discharged him on the 15/11/**2018** due to not getting the section 3 on my son they wanted, that was heard on the 14/11/**2018**, my son said as soon as he knew they was not allowing the section 3 on the 14/11/**2018** that they would kick him out of the hospital, as this is what they did in **2016**, and the next day the 15/11/**2018** that is what the doctors did kicked him out the hospital, yet my son was willing to stay and build trust up with the doctors and the mental health team, which had broken down due to what has been ongoing for some time. Which in fact would have been a lot better as if he had been allowed to stay in hospital like he wanted maybe by now they would have been trust built up with the doctors and teams, this is what Soohah Appadoo wanted to do as he saw that there was a real problem with trust and stated this at the appeal on the section 2 at the hearing. On the 16/11/**2018** I myself spoke to Soohah Appadoo on the phone, but since that we have heard nothing from him is this what is being called support put in place when my son was discharged from hospital?
This misleading information needs to stop as it is a beach of the data protection act. I look forward to hearing from you regarding this, please can you reply as I did not get a reply from you to my last email, I sent to you.
Regards

Lorraine Cordell

Dear Trishna Kerai
I have sent some emails to you and I have had no replies regarding issues I am having regarding the court order that was made on the 09/08/**2018**. Today I got a letter from Enfield Council which stated that you agreed with Enfield Council draft order on the 13/08/**2018**, but was waiting instructions from me.
Please see below
"In relation to the allegations made in regard to the draft Order submitted to the Court. Ms lyavoo explains that she contacted Ms Trishna Kerai, of Stuart Miller Solicitors; the caseworker instructed on behalf of Simon Cordell on 10th August **2018** and emailed her a draft order. Ms lyavoo did not hear from Ms Kerai, so she emailed her again on 13th August **2018** and asked that she provides her agreement as soon as possible and if no response was made by 4pm on the same day she will have to email the draft to the Judge. Ms lyavoo states that she received a response from Ms Kerai on the same day stating that she was in agreement with the order, but she was waiting for your instructions. As no response was forthcoming, Ms lyavoo had to email the order to the Court on 15th. August **2018** and she also copied Simon's caseworker to the email. Ms. Kerai has never indicated that she was on annual leave during the time of the correspondence but confirmed that the delay was due to the receipt of your instructions." I am very upset as you was well aware when you sent me the draft order on the 13th August **2018** to me, I did not agree to it and you said you was going to try and rewrite it that day, which was not done until after you came back from leave. So how is Enfield Council blaming that on me saying you stated the delay was due to me not getting back to you with instructions? I am having a great deal of issues with Enfield Council they are not moving Simon and are going to take him back to court to try and get his flat. They have not put the management **transfer** application in front of the panel and are saying they will not do this. It seems due to the way the court order was worded this is being put down to me, due to this section in the order please see below. AND UPON the Defendants mother agreeing to engage with the Enfield Mental Health Unit team so the Defendant could receive assistance with his mental health conditions and housing. I know you feel that this was dealt with and you should not need to do any other work regarding this, but this is a mess and I need some help as my son is suffering due to the on goings of Enfield Council. I await your reply

Dear Ms Cordell,

Re: Simon Cordell

I am writing in response to your emails dated 17th and 20th December 18 where you have raised that you feel that some of the information provided in my letter to Joan Ryan MP dated 12th December 2018 is incorrect.

I have therefore asked for legal clarification on the points raised. I accept that the order made by the Edmonton County Court on 9th August 2018 did not actually record that your son submits a housing transfer application on the condition that he engages with mental health team. However, you agreed that you would engage with the Enfield Mental Health Unit Team, so your son could receive assistance with his mental health conditions and housing.

I understand that you agreed to submit a housing management transfer to be considered by the exceptions panel on 17/08/2018. However, following a discussion held with Ms Iyavoo, one of the Council's lawyers on 16th August 2018 you were advised that the application being unsupported by medical evidence, if successful, would only result in a transfer of a property on a like for like basis. You explained to Ms Iyavoo that your son needed support and would benefit from a larger property, so someone could come and live with him and you were advised that this type of application must be supported by medical evidence. As your son was given an appointment to see the Enfield Mental Health Team on 31st August 2018, you asked that you son's application be deferred until the next panel meeting which was to take place on 29th September 2018. This was also confirmed in an email to Ms Iyavoo on the same day.

Unfortunately, you did not contact Ms Iyavoo until 28th September 2018 at

2316,

4.20pm where you asked for an update regarding your son's management transfer application. You were aware that the panel meeting would take place on 29th September 2018 but only contacted Ms Iyavoo less than 24 hours before the meeting. You also failed to provide Ms Iyavoo with an update regarding the appointment and whether you had managed to obtain the necessary medical evidence. Ms Iyavoo contacted you on 12th October 2018 and advised you that the next panel meeting was to take place on 18th October 2018 and any applications would need to be submitted by 15th October 2018. She also asked that you clarify the basis of the application and whether you were able to provide medical evidence. Unfortunately, you did not respond to her.

In relation to the allegations made in regard to the draft Order submitted to the Court. Ms Iyavoo explains that she contacted Ms Trishna Kerai, of Stuart Miller Solicitors; the caseworker instructed on behalf of Simon Cordell on 10th August 2018 and emailed her a draft order. Ms Iyavoo did not hear from Ms Kerai, so she emailed her again on 13th August 2018 and asked that she provides her agreement as soon as possible and if no response was made by 4pm on the same day she will have to email the draft to the Judge. Ms Iyavoo states that she received a response from Ms Kerai on the same day stating that she was in agreement with the order, but she was waiting for your instructions. As no response was forthcoming, Ms Iyavoo had to email the order to the Court on 15th August 2018 and she also copied Simon's caseworker to the email. Ms Kerai has never indicated that she was on annual leave during the time of the correspondence but confirmed that the delay was due to the receipt of your instructions.

Ms Iyavoo indicates that the order was following guidance provided by District Judge Dias. The Court order does not propose to be verbatim or to be a summary of all arguments exchanged in Court.

I apologise for the delay in responding over the Christmas period and I will contact you shortly to advise you about where any future enquiries on this matter should be addressed.

Yours Sincerely

Andrea Clemons

Dear Andrea Clemons
Today the MP's aid for Joan Ryan, Alev Cazimoglu sent me a copy of your letter dated the 12/12/2018, I am shocked to see what is written within it and the misleading information being passed over to the MP Joan Ryan.
It was not agreed on the condition that Mr Cordell should engage with mental health services and provide medical evidence to support the housing management transfer application. The court did not state this, so I do not know where this is coming from.
I also do not understand where it is coming from that Mr Cordell had to provided supporting letter from the mental health services to support his management transfer application, and he has not done this, he was never meant to have done this and the management transfer application was completed by Enfield Council to go to the panel on the 17/08/2018 and it

was ready to go to the panel on this date, but this was deferred to be considered at the next panel meeting which would have taken place on 28/09/2018, which never happened.
The reason for it being deferred was so that I Miss Lorraine Cordell could try and get a letter from the mental health team, which I could not so it therefore should have gone ahead to the panel on the 28/09/2018, which I do have the emails to prove this. I also do not understand why Enfield Council is stating supported accommodation was being asked for as this was never asked for. I did however state in court that a 2 bedroom would be better as my son could have family live with him so he could get support from his family; I have never said I am his carer I have never said a lot of things that Enfield Council is stating I have said.
It was stated in the court order.

- *UPON the Defendant's mother Mrs Lorraine Cordell, confirming that she will engage with the Claimant and assist the Defendant's neighbourhood officer in making a housing management transfer application on or before 16 August 2018.*
- *UPON the Claimant agreeing that it will deal with the housing management transfer application as quickly as possible after being made.*
- *AND UPON the Defendants mother agreeing to engage with the Enfield Mental Health Unit team so the Defendant could receive assistance with his mental health conditions and housing.*

The order was to be agreed with my son's solicitor upon being drafted by Enfield Council, but my son's solicitor was on annual leave and therefore did not reply to Enfield Council order until she came back of leave, But when you emailed her it came back
2320,
that she was on annual leave so Enfield Council was well aware of this.
Upon her return from annual leave her amended order was sent over to Ludmilla Iyavoo, which my son's solicitor never had a reply back from Ludmilla Iyavoo regarding her amended order, but some days after the amended order was sent over to Ludmilla Iyavoo, it seems an order was sealed at Edmonton Country Court which was not agreed on which was Enfield Council drafted order, which we never agreed to and feel it is misleading as to what was said in court.
I believe a lot of what was said in court is not being told and misleading information is being said, maybe someone should ask Ludmilla Iyavoo what the judge said when Ludmilla Iyavoo said she would go for a possession order to the judge because she did not get what she wanted.
There is also the fact that my son was willing to stay in Hospital when he was sectioned on the 25/10/2018, it was the hospital that discharged him on the 15/11/2018 due to not getting the section 3 on my son they wanted, that was heard on the 14/11/2018, my son said as soon as he knew they was not allowing the section 3 on the 14/11/2018 that they would kick him out of the hospital, as this is what they did in 2016, and the next day the 15/11/2018 that is what the doctors did kicked him out the hospital, yet my son was willing to stay and build trust up with the doctors and the mental health team, which had broken down due to what has been ongoing for some time.
Which in fact would have been a lot better as if he had been allowed to stay in hospital like he wanted maybe by now they would have been trust built up with the doctors and teams, this is what Soohah Appadoo wanted to do as he saw that there was a real problem with trust and stated this at the appeal on the section 2 at the hearing. On the 16/11/2018 I myself spoke to Soohah Appadoo on the phone, but since that we have heard nothing from him is this what is being called support put in place when my son was discharged from hospital?
This misleading information needs to stop as it is a beach of the data protection act.
I look forward to hearing from you regarding this, please can you reply as I did not get a reply from you to my last email, I sent to you.
Regards
Lorraine Cordell
