Health and well-being assessment

There are 4 possible health and well-being priorities (shown below) and each one is worth the points shown in the table below. The definitions of health and well-being are set out below.

Priority Level	Definition
A	Urgent need to move This is where the applicant's current living conditions: • put the applicant's life at risk* if they do not move, or • are so unsuitable that the applicant cannot be discharged from hospital, or • cause the applicant to be completely housebound and they
