

Defendant's conduct we would seek permission to have service of the application dispensed with.

The Judge read the application and the Claimant's witness statements and agreed that service could not be effected and as a result agreed to have all 3 applications served by email upon the Defendant's mother Ms Lorraine Cordell, pursuant to CPR 81.10(5)(b).

Therefore what is missing from the Court order is an additional paragraph which gives the Claimant permission to serve BOTH committal applications (05.02.2018 and 20.04.2018) by email on Mrs Cordell. Such position was accepted by the Judge at the hearing but unfortunately is not reflected in the Court Order. This was requested in the application notice and agreed by the Judge, We would therefore like the order to be amended accordingly.

We would be grateful if this letter could be passed on to the Judge to have the order amended accordingly. Please note that the next hearing on this case is listed on 30 May 2018, 2pm and we would be grateful if the order could be amended as a matter of urgency.

Yours faithfully,

 Kamilla Iyavoo

WITNESS STATEMENT OF MR JOHN IRVING

I, Mr John Irving, of 117 Burncroft Avenue, Enfield, EN3 7JQ (Leaseholder) make this statement believing it to be true and understand that it may be placed before court.

Insofar as the content of this witness statement is within my own personal knowledge it is true and insofar as it is not within my personal knowledge it is true to the best of my knowledge.

I WILL SAY AS FOLLOWS

1. I am the landlord of Flat 117 Burncroft Avenue, Enfield, EN3 7JQ. The flat is located just above the Defendant's. The Property is currently let to Mr Mathiyalakan and it is being occupied by him, wife and his children.
2. I make this Witness Statement in support of the Claimant's application for an injunction to stop the Defendant from causing intimidation, harassment

201

and alarm to me, my tenants and other residents on Burncroft Avenue, Enfield, EN3 7JQ. The application also seeks access to the Defendant's Property to enable the Claimant to carry out checks on the Defendant's water pipes which are possibly affecting my tenant's water pressure and supply.

Background

3. In the evening of 12 July 2017, I met with one of the Council's in house legal surveyors, Mr Neville Gray with regards to an ongoing low water pressure issue. Mr Gray attended my property (Flat 117) at 11am on the day and agreed that the water pressure was not adequate. An attempt was made to gain access to the two flats immediately below, including the Defendant's but this was unsuccessful.
4. At approximately 17.00 hrs the same day I was contacted by the managing agent informing me that there was now no water at the flat. I contacted Mr Gray and we both decided to attend the Property out of hours. I arrived at the flat to discover that water had been totally cut off for approx. 30 minutes, but surprisingly shortly after our arrival a supply was resumed and with good pressure. This despite the fact that low pressure had been a continual problem since 27 December 2016. Thames Water and plumbers have attended my property on at least 5 occasions but could not find a reason for the low pressure.
5. The Defendant lives in Flat 109 and In conjunction with his mother/mediator, was contacted by Mr Neville Gray with the intention of inspecting his flat. However, this was declined by the Defendant. Although I was inside the block, (on the landing), I watched the discussion from the open window. It was obvious the Defendant was becoming increasing agitated by the raised voices and approaches towards Mr Gray. I could

see that he was not comfortable with the situation, and he backed off. He seemed to be very vocal with an aggressive manner, which was intimidating; at this point Mr Gray called for the police to attend.

6. I wish to add that on a previous visit to the property on 26 January 2017, to resolve the low water pressure, the Defendant had informed me that he was restricting the supply and stated: 'you will not solve the problem as I am restricting their water supply'. This was mentioned to me in front of an independent witness, a plumber who was attending with me. As I was leaving my Property, I saw the Defendant in the communal hallway and asked whether he could reinstate the water pressure to my tenant's property, however he responded by saying 'I cannot do anything at the moment I will sort it out later'. This information has previously been reported to the Claimant.

WITNESS STATEMENT OF MR NEVILLE GRAY

I, Mr Neville Gray, of PO BOX 50, Civic Centre, Silver Street, Enfield, EN1 3XA make this statement believing it to be true and understand that it may be placed before court.

Insofar as the content of this witness statement is within my own personal knowledge it is true and insofar as it is not within my personal knowledge it is true to the best of my knowledge.

I WILL SAY AS FOLLOWS

1. I am employed by the London Borough of Enfield as an in-house legal disrepair surveyor and have been so employed since February 2014. My role consists of carrying out property inspections, diagnosis and the management of repairs to the councils entire housing stock along with dealing with and overseeing all disrepair claims.

204

2. I make this Witness Statement in support of the Claimant's application for an injunction to stop the Defendant from causing intimidation, harassment and alarm to me, other Council Officers and residents near his property on Burncroft Avenue, Enfield, EN3 7JQ. The application also seeks access to the Defendant's Property to enable the Claimant to carry out routine and maintenance inspections.

Background

3. The Defendant is a secure tenant of Flat 109 Burncroft Avenue, Enfield EN3 7QJ.
4. I first visited this property in the morning of 12 July 2017 at 11.00 am after complaints were made from the tenants at Flat 117 regarding the low pressure of their water supply. I knocked on the Defendant's flat at 109 but there was initially no answer, I had noticed that the front entrance door to the property was unlocked and slightly open; I could also hear a dog barking which appeared very aggressive. I shouted through the open door and explained that I needed to come to his property and check the water tap but he refused to come to the door. The Defendant was shouting and swearing at me to go away. At that time I had immediately backed off and called the Claimant's call centre who then called his mother Ms Lorraine Cordell, on my behalf who then attended the Defendant's Property with her brother. The Defendant's still refused access and was extremely vocal and so that visit did not proceed but was re-scheduled for Thursday 13 July and then changed to Monday 17 July as his mother was not available.
5. On 12 July 2017 at 5.39pm, I received calls from both the Leaseholder and the Managing Agents of Flat 117 advising that their tenants' (Mr and Mrs Mathiyalakan) water supply had stopped completely. I also called the tenant of 113 (Mr Quinton) and he had agreed to meet me at his property. I then called Ms Cordell and expressed urgency of accessing his property

205

also this evening to check his stop cock. It was agreed for her to meet me at the property along with the tenant of 113 and the Leaseholder of 117. I contacted one of the Claimant's housing managers, Mr Clive Green who expressed his concern of me attending out of hours but it was then agreed that I could attend but call him as soon as I arrived and at ten minute intervals.

6. On route to the property the Leaseholder of Flat 117 Mr John Irving called and said that their pressure was on and normal and was off for approximately 30 minutes. The pressure was poor that morning and became non-existent the same evening for 30 minutes without explanation and then returned to normal better than it had been since December 2016. This caused me concern as there was a strong suggestion that the Defendant was restricting pressure to the tenants of Flats 113 and 117 who have both confirmed the problems they have had and that the Defendant had said to them that he was controlling the water pressure previously.
7. Mr Quinton of Flat 113 said that he has not been at his property for 6 months as he is scared of the Defendant's violent conduct who had also banged and kicked on his front door previously.
8. The leaseholder of Flat 117 Mr John Irving also reported to me that the Defendant has been demanding money off of his tenant at 117 to the value of £500.
9. The Defendant refused access again in the evening on 12 July 2017 but when I was about to return to my car he came out and although he was initially reasonable, he then started shouting and swearing at me outside the main communal front entrance. I backed away and made my way to my car but he started following me continually showing aggression and using vile language, this must have been around 19.30pm. At that point I called

one of my managers and advised that I required assistance. The Defendant's behaviour continued to worsen against me and so I called the Police as he would not allow me to approach my car. A police reference number was provided to me on the day 775912072017 CAD.

10. I awaited the Police and they spoke to the Defendant's mother Lorraine Cordell. The Defendant refused to come out or allow access. He wanted me to return on Monday of which I have now refused to do because of his threats and violence.

WITNESS STATEMENT OF MR MARKANDU MATHIYALAGAN

I, Mr Markandu Mathiyalagan, of Flat 117 Burncroft Avenue, Enfield, EN3 7JQ make this statement believing it to be true and understand that it may be placed before court.

Insofar as the content of this witness statement is within my own personal knowledge it is true and insofar as it is not within my personal knowledge it is true to the best of my knowledge.

I WILL SAY AS FOLLOWS

1. I am the tenant of Flat 117 Burncroft Avenue, Enfield, EN3 7JQ. My flat is located two floors above the Defendant's. I live there with my wife and children. I have been house to this Property with my family on 11th September 2014 by Waltham Forest District Council. The Property was given to me as a temporary accommodation.

208

2. I make this Witness Statement in support of the Claimant's application for an injunction to stop the Defendant from causing intimidation, harassment to me and other residents.

BACKGROUND

3. The problem with the Defendant started a few months after we moved into the property, after the Defendant approached me asking me to write a letter of support in relation to a problem he was having with the lady that used to live at Flat 113 Burncroft Avenue. I refused to write the letter and told the Defendant that I do not want to get involved as I did not have any problems with the lady. Since then the Defendant has made living in this block difficult for me and my family. He has been very aggressive to my family and I and has continuously intimidated, threatened and harassed my wife, cousin and me.
4. The Defendant have repeatedly accused us of making noise inside our flat even though our flat is situated two floors above his and the person living directly below us have never complained to us about noise. He has shouted abuse at us, damaged our properties and aggressively demanded money from me. My family and I are constantly living in fear and my wife is frightened to stay at home and has had to accompany me to work on several occasions and stayed in the car with our young daughter until I finish work.
5. The Defendant has slashed my car tyres, damaged my fuse box and has physically threatened to hit me with a piece of wood. He has a big dog that he brings out with him without a lead when he approaches us and he has used the dog to intimidate us. He also allows the dog to bark and run freely inside the communal hallway and staircase without a lead. I have reported

all the issues to the police and Waltham Forest, the local authority that placed me in the property but each time the police attends, the Defendant will lock himself inside his flat and will refuse to answer his door.

6. On 6th August 2016 at 6pm, the Defendant threatened and shouted abuse at me and my wife, he aggressively demanded money from me and threatened to beat me up. He repeatedly swore at my wife, called her a 'witch' and tried to stop me from going up the stairs to my flat by standing in front of me and placing his hands on the railings.
7. On 8th August 2016, the Defendant aggressively banged on my front door, shouted abuse at me and my wife and accused us of making noise. He then used a screw driver to damage the lock on my electric meter cupboard and removed the fuse box thereby cutting off our electricity supply. I reported the incident to the police and was given reference number CAD 7934/August 2016.
8. On 27th September 2016 at 11:45pm, I was confronted by the Defendant as I returned to my flat with my wife and young daughter and he threatened and swore at me and demanded money from me.
9. On 28th September 2016 at 5:30pm, the Defendant aggressively banged on my front door and threatened and shouted verbal abuse and swear words at me and my wife. He also aggressively demanded money from me.
10. On 8th December 2016, the Defendant aggressively banged on my front door while my wife was alone in our flat with our young daughter and accused her of making noise. He also shouted abuse and threats at her. The incident was reported to the police and I was given reference number 5227336/16.

11. On 11th December 2016, the Defendant aggressively banged on my front door and accused us of making noise, he also shouted abuse and threats at me and my wife.

12. On 23rd December 2016 at 3:43pm, the Defendant banged on my front door while my wife was alone at home with our young daughter, he shouted abuse at her and asked her to go to the bathroom and turn off the taps. He also removed our electricity fuse thereby cutting off our power supply. I reported the incident to the police and was given reference number 5753/23rd December 2016.

13. On 26th December 2016 at about 12:30pm, my family and I was going out and as we got to the first floor, the Defendant came running up the stairs towards us with a towel round his waist and started to shout abuse at us and accused us of tampering with water and stopping the water supply to his flat. I tried to explain to him that we also have restricted water supply to our flat but he will not listen and continued to shout abuse at us and followed us until we left the block.

14. On 3rd January 2017 at 10:47pm, the Defendant confronted me, my wife and our two-year-old daughter as we returned from a family outing and followed us up the stairs and started to shout that we were deliberately banging on the water pipes and making noise. The Defendant also talked about saving me from being beaten up by some unknown persons, he stated that he caught my wife and I making noise inside my bathroom, called me a 'lying cunt' and asked me to swear on my baby's life that we were not banging. He continued to shout abuse and threats at us for about 15 minutes.

15. On 21st January 2017 at 6:21pm, the Defendant aggressively banged on my front door, swore and shouted abuse and threats at us and accused us of making noise.

16. On 31st January 2017 at 6:10pm, the Defendant aggressively banged on my front door, shouted abuse and threats at us and accused us of banging on the floor. Later in the evening of the same day I discovered that all four tyres of my car which was parked outside the block have been slashed with a sharp object.

17. On 5th May 2017, I was walking out of the block when I saw the Defendant talking to two council officials and as I walked past them, the Defendant said to me that he will ruin my life and that he was going to present evidence to the police about my illegal activities. I did not respond or say anything to him.

18. On 12th May 2017 at about 12pm, my wife, was at home with my daughter and my cousin when the Defendant came up to my front door and started to bang and push aggressively on the door, shouting for my wife to open the door saying that he wanted to talk to her. The Defendant knew that I had gone to work and that my wife may be alone with our young daughter but he insisted on my wife opening the door for him while shouting abuse at her.

19. On 1st June 2017, I was at work when my wife telephoned me to complain that the Defendant and two other males came and banged on my front door for about two minutes. My wife was alone with our young daughter at the time and she was very frightened because of the loud banging on our front door.

20. On 9th June 2017, my cousin returned from work late at night and as he opened the main communal door, the Defendant came out of his flat and started to shout abuse at him. As my cousin brought out his mobile phone to record the incident, the Defendant snatched the phone from him. A struggle ensued as my cousin tried to get his phone back from the Defendant. The Defendant then physically attacked my cousin; he grabbed my cousin round his arm and neck and injured his arm thereby causing it to bleed. My cousin managed to get his phone back and called the police. The police attended within 10 minutes and my cousin explained to them what happened and they went to speak to the Defendant but he refused to let them in.

21. On 16th June 2017 at 11:55am, the Defendant confronted my wife outside the main entrance door as she was going to pick our daughter from school and accused her of making noise. The Defendant also said to my wife that he has our bank account and personal details and that she should tell me to pay him money.

22. On 18th June 2017 at 11:55am, the Defendant confronted my wife outside the communal entrance door as she was going to pick our daughter from school and said to her that he knows what time she goes out and when she returns and to tell her husband that he wants to speak to him.

23. On 23rd June 2017, my cousin returned from work at 11:35pm and as he entered the block, the Defendant came out of his flat with his dog barking and without a lead and started to swear and shout abuse at my cousin. The Defendant then attacked my cousin by punching him twice on the chest and tried to push my cousin out of the block. The Defendant snatched my cousin's mobile phone as he tried to record the incident but he managed to get the phone back. My wife heard the commotion and woke me up and as we came out of my flat shouting at my cousin and wanting to know what

was happening, the Defendant went back into his flat. We then called the police, they attended and we explained what happened. The police then went and knocked on the Defendant's door but he refused to let them in.

24. On 28th June 2017 at 11:45am, the Defendant confronted my wife outside the main entrance door as she was going to pick up our daughter from school and demanded to talk to her. My wife told him that she cannot stop to speak with him as she was on her way to collect her daughter from school but the Defendant ran after my wife, stood in front of her and started to shout at her. The Defendant told my wife that he knows all our personal details including our full names, date of birth and bank details. The Defendant demanded that we should pay him some money and that my wife should tell me to come and talk to him. The Defendant also accused my wife of making noises inside our flat.

25. On 30th June 2017 at 11:45am, the Defendant confronted my wife as she was leaving the block to go and pick up our daughter from school and accused her of slamming the door. My wife denied slamming the door and the Defendant called her a liar and proceeded to swear and shout abuse at her.

26. On 2nd July 2017 at 5:18pm, my family and I was going out to visit some friends and as we were about to exit the block, the Defendant popped his head out of his front door and asked me when I was going to hand over the money to him. I told him that I was not going to give him any money and that he should go and work so that he could earn some money. As we left the block, the Defendant came running after us and was shouting abuse and swearing at me and said to me that I should pay him some money if I want him to leave me and my family alone. The Defendant also said to me that he has all our personal details including phone numbers, date of birth

and bank details and that I must pay him to have them back. I told him that I will not pay him and to do whatever he likes with the details.

27. The constant verbal abuse, swearing, intimidation and aggressive behaviour from the Defendant towards my family and I have made it difficult for us to live in our own home. The fear of not knowing when we will be confronted with vile and aggressive behaviour as my wife and I go out or return to our home has caused us severe stress and anxiety. My wife is afraid of leaving our flat on her own due to fear that the Defendant will confront and shout abuse at her. We are having to tip-toe inside our flat for fear of being accused of making noise even though we live two floors above the Defendant. The Defendant has caused us immense hardship by vandalising my property and although I cannot prove it, I am certain that the Defendant was responsible for slashing my car tyres, damaging my meter cupboard and removing my electricity fuse several times and restricting water flow to my flat. Also, I no longer park my car outside my block in Bumcroft Avenue because of the car being vandalized. I now park a few streets away, about ten or fifteen minutes from my home instead of outside my block which is about a minute from my flat. I do not see why we should have to live this way.

WITNESS STATEMENT OF MR GEORGE QUINTON

I, Mr George Quinton, of 113 Burncroft Avenue, Enfield, EN3 7JQ make this statement believing it to be true and understand that it may be placed before court.

Insofar as the content of this witness statement is within my own personal knowledge it is true and insofar as it is not within my personal knowledge it is true to the best of my knowledge.

I WILL SAY AS FOLLOWS

1. I am the tenant of Flat 113 Burncroft Avenue, Enfield, EN3 7JQ. My flat is located the next floor above the Defendant's. I have lived at this property since the 2nd May 2016.

216

2. I make this Witness Statement in support of the Claimant's application for an injunction to stop the Defendant from causing intimidation, harassment to me and other residents.

BACKGROUND

3. The problems that I have encountered with this tenant have been a regular occurrence since the commencement of my tenancy. The Defendant would come to my flat three or four times a week, on occasion this would occur more frequently whereby he would extend this harassment to not only myself but to my visitors also often following them as they would leave the building. He would often play loud music after which he would become very argumentative and bang on my door accusing me and my visitors of maliciously making loud noises to annoy him.
4. The Defendant would often make threats to me and on one particular occasion the Defendant said to me, 'he is on a curfew for 12 days but he would come 'after me' once this is over'.
5. The Defendant had also made accusations claiming that the noises I was allegedly causing had resulted in the sudden death of his child.
6. On another occasion on the 9th October 2016, the Defendant came to my flat banging on the door and when I answered immediately started shouting at me. He then went downstairs and about ten minutes later he approached my moped which was parked outside the building and started smashing it with a wooden stick. The damage that caused was to my vehicle was significant and prevented me from using it for some time and caused me to lose my job through lack of transport which was a requirement of my employment. The damage to the motorcycle was damage to tyres, the side panels, the headlights both front and rear along

with both the breaks and the mirrors. The matter was reported to the Police who attended and arrested the Defendant. A crime reference number was obtained relating to this incident and I will be happy to provide this at the hearing when I attend. I also have a recording of conversation between the Defendant and I, where he admitted to have caused damages to my moped. The recording will be provided at the hearing.

7. A further incident occurred with the Defendant around January 2017 whereby he came to my front door and started shouting and complaining about noise and that he was being wrongfully accused by the Police and accused myself and other tenants of 'being out to get him'. I asked him to leave but he refused to do this so I then left my flat to stay at my friends as the Defendants behaviour had scared me. When I returned to the property a couple of days later, superglue had been inserted into the front entrance door lock preventing me from gaining access, this also caused the key to break.
8. This was reported to the council and an order was required to gain entry to my property. This was recorded under works order reference number 1814013/1.
9. Due to the erratic and abusive behaviour of this tenant I have been forced to flee my property because I feel scared and uncomfortable and I have not returned since. As a result of this I have also fallen into arrears, I am now facing homelessness.

WITNESS STATEMENT OF MR LEMMY NWABUISI

I, Mr Lemmy Nwabuisi, of PO BOX 50, Civic Centre, Enfield, EN1 3XA make this statement believing it to be true and understand that it may be placed before court.

Insofar as the content of this witness statement is within my own personal knowledge it is true and insofar as it is not within my personal knowledge it is true to the best of my knowledge.

I WILL SAY AS FOLLOWS

1. I am employed by the London Borough of Enfield as an Anti-Social Behaviour Coordinator in the Community Safety Unit. I have held this employment since August 2016. My role as an Anti-Social Coordinator consists of investigating and dealing with reports of anti-social behaviour involving council and non-council tenants. My involvement with the Defendant was due to allegations of verbal abuse, threats, harassment and intimidation made against him by some of his neighbours.

220

2. I make this Witness Statement in support of the Claimant's application for an injunction to stop the Defendant from causing intimidation, harassment and alarm to other residents and their visitors on Burncroft Avenue.
3. The Defendant is a secure tenant of the Claimant at 109 Burncroft Avenue, Enfield, Middlesex, EN3 7JQ. His tenancy commenced on 14th August 2006. I hereby attach a bundle of documents relating to this case as exhibit number **LN1**. A copy of the Defendant's tenancy agreement and terms and conditions are hereby attached at pages 1-24.
4. The reports concerning the Defendant's alleged anti-social behaviour towards his neighbours was first brought to my attention in October 2016 when a case involving the Defendant and one of his neighbours was referred to me for investigation. The Defendant was reported to have caused frequent acts of harassment and anti-social behaviour against an elderly neighbour. The Defendant was arrested by the Police and bailed to a different address. The matter was referred to the Highbury Corner Magistrates' Court on 05 October 2016 where a first hearing took place. The Defendant pleaded not guilty and the trial was fixed for 17 November 2016. However, the trial did not proceed due to insufficient support as the elderly tenant was unable to attend Court due to health reasons. A copy of a letter from the Magistrate Court is attached to this statement at pages 25-26.
5. The Defendant was previously known to the Claimant and an anti-social behaviour order was made on 4 August 2015 by the Magistrates Court to prevent him from knowingly using or supplying property, personal or otherwise, for the use in a rave as defined in s.63(1) of the Criminal Justice Order Act 1994. The order was made for a duration of 5 years. A copy of the Order is at page 27 of the exhibit bundle.

6. On 6th August 2016, the Defendant threatened and shouted abuse at Mr and Mrs Mathiyalagan tenants of 117 Burncroft Avenue. He aggressively demanded money from him and threatened to beat him up. The Defendant also repeatedly swore at Mr Mathiyalagan's wife, called her a 'witch' and tried to stop the Mr Mathiyalagan from going up the stairs to his flat by standing in front of him and blocking his advance by placing his hands on the staircase railings. Mr Mathiyalagan has already provided a witness statement in support these proceedings to confirm that this incident happened. A file note of this report is exhibited at pages 28-30 of the exhibit bundle LN1.
7. On 8th August 2016, Mr Mathiyalagan reported that the Defendant aggressively banged on his front door, shouted abuse at him and his wife and accused them of making noise. Mr Mathiyalagan reported to us that he believes that the Defendant used a screw driver to damage the lock on his meter cupboard and removed the fuse box thereby cutting off their electricity supply. Mr Mathiyalagan reported this incident to the police and was given reference number CAD 7934/August 2016. A file note of this report is exhibited at pages 28-30 of the exhibit bundle.
8. On 27th September 2016, Mr Mathiyalagan reported that the Defendant confronted him as he returned to his flat with his wife and young daughter and threatened and swore at him and demanded money from him. A file note of the report is on pages 28-30 of the bundle.
9. On 28th September 2016, Mr Mathiyalagan reported that the Defendant aggressively banged on his door and threatened and shouted abuse and swear words at him and his wife. The Defendant also aggressively demanded money from Mr Mathiyalagan. A file of the report is at pages 28-30 of the exhibit bundle.
10. On 11th November 2016, my former colleague, Sarah Fletcher interviewed an elderly resident who wished to remain anonymous. He said that the Defendant approached him as he came out of his flat and started to shout abuse, swear at him and threatened to burn down the elderly neighbour's flat. The report

continued that sometime around mid-September 2016, one of the Defendant's neighbours reported that the Defendant confronted him outside his block as he was going to the local park and started to shout abuse and threats at him and said to him "I can get you over at the park, I know you go for a walk". This incident led to his arrest and to the matter being referred to the Magistrates Court. A file note of the report is exhibited on page 31 of the exhibit bundle LN1.

11. I had meetings with Mr George Quinton, one of the Defendant's neighbours on 16th December 2016 and 11th January 2017. He reported that he was experiencing problems with the Defendant's behaviour, and that on 4th October 2016, the Defendant aggressively banged on his ceiling and accused him of making noise. The Defendant then went to the neighbour's flat upstairs and started kicking and banging on the front door and was swearing and shouting at him. The Defendant later went downstairs, dragged the neighbour's motorbike from where it was parked and started to hit it with a piece of wood. A file note of the report is at pages 32-34 of the exhibit bundle.

12. On 22nd November 2016, during a telephone conversation with my former colleague Ms Sarah Fletcher, the Defendant was heard saying to his mother, who was present with him, 'I'm gonna do her over, I'm gonna take her job just for fun' referring to Ms Fletcher. A file note of the incident is at page 34A of the exhibit bundle.

13. I hereby attach a case history detailing incidents of reports from Mr Mathiyalagan about the abuse, threats and persistent intimidation by the Defendant. The case history is at pages 35 to 40 of the exhibit bundle LN1. It shows that Mr Mathiyalagan reported incidents too numerous to set out in this statement about abuse, threats, attempts to extort money and intimidation by the Defendant. Examples are that the Defendant banged on his front door while his wife was alone at home with their young daughter and shouted abuse at his wife and asked her to turn off the bathroom taps. He also removed his electricity fuse thereby

cutting off their power supply. Mr Mathiyalagan reported the incident to the police and was given CAD 5753/23 December 2016. A file note of this incident is at page 37 of the exhibit bundle.

14. Other examples of aggressive and anti-social behaviour reported by Mr Mathiyalagan were that on 21st January 2017, the Defendant aggressively banged on his door, swore and shouted abuse and threats at him and his family and accused them of making noise.
15. On 9th June 2017, the Defendant attacked Mr Mathiyalagan's cousin in the communal hallway as he returned from work late at night by grabbing him on the arm and neck thereby causing bruising to his arm and neck. The Defendant also snatched his mobile phone from him as he tried to record the incident.
16. On 16th June 2017, the Defendant confronted Mr Mathiyalagan's wife as she was exiting the main entrance at 11:55am and said to her that he had her bank and personal details. He also reported that the Defendant told his wife that he wanted her and her husband to pay him some money.
17. On 23rd June 2017, the Defendant came out of his flat with his dog and attacked Mr Mathiyalagan's cousin as he returned from work at 11:35pm. He reported that the Defendant punched his cousin twice on the chest, tried to push him out of the block and snatched his mobile phone as he tried to record the incident.
18. On 28th June 2017, the Defendant confronted Mr Mathiyalagan's wife as she was leaving the block at 11:45am, swore at her, shouted abuse and accused her of making noise inside her flat. He said to her that he knows all her personal details and that of her husband including their full names, date of birth, phone numbers and bank details. The Defendant demanded that they pay him some money and asked her to tell Mr Mathiyalagan to come and see him.
19. On 2nd July 2017, Mr Mathiyalagan reported that the Defendant confronted him with his dog barking and without a lead as he was going out with his family at

5:18pm and asked him when he was going to hand over the money. He also reported that as they left the block, the Defendant ran after them swearing and shouting abuse and demanded that he must pay him money if he wants him to leave him alone. The Defendant also said to him that he has all their personal details. A report of the incident is at page 40 of the case history.

20. Case history notes exhibited at pages 41-46 show reports of similar aggressive and intimidating behaviour displayed to Mr Mathiyalagan was being experienced by another tenant who wishes to remain anonymous because of fear of reprisal from the Defendant.

21. Similarly, further case notes exhibited at pages 47-52 show that another tenant who wishes to remain anonymous was being subjected to the Defendant's anti-social behaviour. She had to be moved from the block because of the harassment from the Defendant and because she suffered from mental health problems and was particularly vulnerable and unable to deal with the threats and harassment from the Defendant.

22. On 7th February 2017, the Defendant approached the leaseholder of 117 Burncroft Avenue and his plumber outside the block as they were attempting to resolve low water pressure issues affecting the flat. The Defendant informed the leaseholder that there were problems between him and his tenants but did not give specific details. The leaseholder explained to the Defendant that his tenants were experiencing low water pressure in their flat and that they were trying to fix the problem. The Defendant said to the leaseholder, "you will not resolve the problem as I am restricting their water supply". The leaseholder later asked the Defendant to increase the water pressure and the Defendant stated "I cannot do anything at the moment, I will sort it out later". A report of this incident is at page 55 of the exhibit bundle.

23. On 24th February 2017, the Claimants officers Sarah Fletcher and Steve Kirk attended the Defendant's property following reports of low water pressure in the

flats above his. While inside his flat they noticed that the Defendant have installed a metal security gate inside his front door. It also appeared that the Defendant may have removed the wall between his kitchen and living room thereby creating an open plan living space. A copy of the file note is pages 56-57 of the exhibit bundle.

24. On 8th May 2017, the Claimant's officers, Ms Fletcher, a Neighbourhood officer who has since left the Council and Mr Steve Stirk, a Surveyor visited the Defendant's block of flats following reports of low water pressure to flats 109, 113 and 117 Burncroft Avenue. While the Claimant's officers were outside flat 113, the Defendant came up to them and started to complain about his perceived victimization by his neighbours, the police and the council. While the Defendant was talking to the officers, Mr Mathiyalagan came down the stairs and the Defendant said to him, "I'm going to the police station now with my evidence about you and I'm going to ruin your life". A file note of this report is exhibited at page 58 of the exhibit bundle and an email from Steve Stirk is at page 59.

25. On 14th May 2017, yet another neighbour who wishes to remain anonymous reported that the Defendant aggressively banged on her door, shouted abuse and threats at her and falsely accused her of making noise and coming into his flat to attack him. The neighbour stated that the Defendant later followed her to her car as she was leaving the block shouting abuse and wanting to know where she was going. The neighbour also reported that the Defendant allowed his dog to roam freely in the communal area of the block without a lead. A file note of the report is at page 60 of the exhibit bundle LN1.

26. On 28th May 2017, the Defendant was issued with a first instance Harassment letter by the police following allegations of harassment and threatening behaviour made to the police by his neighbour. A copy of the letter and the PC's statement are at pages 61-62 of the exhibit bundle LN1.

27. On 12th July 2017, Mr Neville Gray, the Claimants repairs surveyor attended the Defendant's flat to investigate reports of low water pressure to the flats above the Defendant's flat but the Defendant refused him access. Mr Neville Gray attended the Defendant's flat again at about 5:39pm following reports from the leaseholder of flat 117 Burncroft House that the water supply had stopped completely, but the Defendant also refused him access. The Defendant later shouted abuse and swear words at Mr Gray and would not allow him to approach his car. Mr Gray has provided a witness statement in relation to this incident.

28. The Defendant is in breach of the following conditions of his tenancy agreement;

- i. Condition 10 – "You must not act in any way which causes, or is likely to cause, a nuisance or annoyance or is anti-social."
- ii. Condition 21 – "You must not abuse, harass, make offensive comments and/or malicious allegations, use or threaten to use violence against any of our officers or agents, or against a councillor. This applies at any time and in any place. We may report the matter to the Police".
- iii. Condition 31 – "You must take care not to cause damage to your property or the property of your neighbours".
- iv. Condition 33 – "You must keep the inside of your property clean and in reasonable decorative order".
- v. Condition 34 – "You must not use the property in any way that may cause a health and safety hazard or encourage vermin and/or pests (for example, by hoarding items inappropriately)"
- vi. Condition 53 – "You must keep the inside of the property, the fixtures and fittings and glass in the property in good repair during the tenancy"

29. I have corresponded with the Defendant regarding the reports of anti-social behaviour made against him by his neighbours and invited him to meetings with his mother Lorraine Cordell but he declined to attend. Letters were sent to him on 29th November 2016 inviting him for a meeting on 6th December 2016, 31st

January 2017 inviting him for a meeting on 9th February 2017, 16th February 2017 for a meeting on 22 February 2016 and 16th March 2017 for a meeting on 22nd March 2017. These letters are exhibited at pages 63-70 of the exhibit bundle.

30. I have enquired with the Mental Health Team whether the Defendant is currently known to the team and was informed that he is no longer under their care.

31. The Claimant's operatives have had difficulties in accessing the Defendant's flat to inspect the state of the property and the unauthorised works and modifications which the Defendant is purported to have carried out without a written consent from the Claimant. The Claimant has also been unable to check whether the Defendant is restricting water supply/pressure to the properties above his since December 2016. The Defendant has admitted to restricting the water supply but has refused to allow the Claimant's maintenance operatives access to his property to investigate and rectify the problem.

32. The Defendant has intimidated the residents in the entire block and because of his behaviour, we have received numerous complaints from residents, requests to be transferred from the block and we have had to move a vulnerable tenant from the block.

33. I have made attempts to engage with the Defendant but he has not been cooperative and has continuously displayed abusive and threatening behaviour towards the Claimant's members of staff and his neighbours. A Notice of Seeking Possession has been served on him and possession action is being considered. However, in the meantime, this injunction is required to ensure that the other residents are not subjected to further intimidation and harassment by the Defendant. This application is being made without notice because if the Defendant were given notice, he would intimidate the witnesses in an attempt to prevent the order being made.

Section 1

General terms

This is your Tenancy Agreement. It is a legally binding document which sets out your rights and responsibilities as one of our tenants.

It is an important legal document and should be kept in a safe place.

Conditions of Tenancy are marked in red text as they are important, and you must comply with them.

If you break any of these tenancy conditions we may have to take legal action against you in the courts. This could lead to you losing your home.

For further explanation of anything contained in this document, please see the fact sheets on our website.

Where 'you' is used in this agreement, it means you, all members of your household and any visitors to your property.

Where 'we' or 'us' is used in this agreement it means Enfield Council or any agent acting on its behalf.

1.1 Interpretation

Unless the contrary is stated or implied, the rights and obligations set out in this agreement are intended to replicate the rights and obligations established by statute, for example, the Housing Act 1985, Part IV. The contrary may be implied where, for example, rights and obligations are set out in the contract that either are not addressed by statute or where the statute gives the council discretion.

1.2 What this agreement means

By signing the Tenancy Agreement you are entering into a legal contract with us to keep to all the conditions of your tenancy set out in this document.

This agreement is for both introductory and secure tenancies. If your tenancy is an introductory one, you do not have all the rights that you will have when your tenancy is secure. The section below, under the heading 'Introductory tenancies', outlines the rights you do have as an introductory tenant. Whether you are an introductory or a secure tenant, all the conditions will apply.

In this agreement, 'you' always means you, the tenant, or - in the case of joint tenancies - any or all of the joint tenants. Sometimes 'you' will include members of your household and visitors to your home. In this agreement, 'we' or 'us' means the London Borough of Enfield and its agents or representatives.

1.3 Personal information and photographs

Fair Processing Notice

We collect and process personal information to allow us to allocate homes and manage and improve services. This may involve sharing your personal data with other organisations that are contracted to carry out services on our behalf. This includes services provided to you such as repairs but also services delivered to us such as fraud detection provided by credit reference agencies. These organisations are obliged to keep your personal details secure. When we share information, we will draw up an agreement with the organisation that we need to share the information with. This is so that both sides understand why the information is being passed on, and what it can be used for.

We may pass on certain personal information to other organisations (such as local authorities, the courts or the police) where this is requested or we have a legal requirement to do so such as during a criminal investigation, a court case or to report benefit fraud.

Condition 1. By signing this agreement you agree that we can use the personal information you give us in accordance with the Data Protection Act 1998 for the purpose of detecting and preventing fraud.

Condition 2. By signing the Tenancy Agreement you agree to us taking a photograph of you at the beginning of your tenancy, and in the future, whether at your home or at our offices. This is for the purpose of detecting and preventing fraud. We will keep a copy of your photograph with our records.

1.4 Tenancy verification

Condition 3. By signing this agreement, you agree to provide us with up to date details of you and your household when requested, such as during a tenancy audit interview, at your home. You will agree to our officers inspecting your home to comply with health and safety requirements. If you refuse to comply with this or any reasonable request, we may take legal action which could lead to eviction and you may also incur court costs.

1.5 Introductory tenancies

All new Enfield tenants will be introductory tenants unless you were already a secure tenant of a local authority or an assured tenant of a registered provider at a previous property.

An introductory tenancy will last for a trial period of 12 months. Under the Housing Act 2004, we can extend the introductory tenancy period for a further 6 months if there has been a breach of the tenancy conditions in the probationary period.

If, during your introductory tenancy, you break any of the tenancy conditions, or if you made a false or misleading statement to obtain the tenancy, we may take action to end your tenancy by serving you a Notice of Possession Proceedings.

If you do not break any of the tenancy conditions during this time, you will automatically become a 'secure tenant' after a 12 month period.

As an introductory tenant, you do NOT have all the rights of a secure tenant. You do not have the right to:

- buy the property
- exchange the property with another tenant
- vote for a change to a new landlord
- take in lodgers
- sublet all or part of your home
- make any alterations or improvements.

If you break any of the conditions during your introductory tenancy, we may take legal action to end your tenancy.

1.6 Secure tenancies

If you are a secure tenant, you have the legal right to live in the property for which you hold the tenancy.

We will not interfere with this right unless we have to take action because of reasons given in the Housing Act 1985 or any future law. We may take formal action if you break any of the tenancy conditions. We cannot evict you from the property unless we can prove grounds to do so in a court and the court grants an order for possession. As a secure tenant you will enjoy a number of rights not available to introductory tenants.

1.7 Sheltered accommodation

Some of our flats are designated as sheltered accommodation. Sheltered accommodation is intended for the over 60s and people with support needs and is considered unsuitable for families with children. If you live in one of these flats, you may be covered by some different local conditions due to the type of accommodation you are occupying.

1.8 Making a complaint

If we fail in any of our responsibilities, you have the right to make a complaint through our complaints system, which has the following stages:

Stage 0 – if you contact us to report something you are unhappy about and we can resolve the issue simply within 2 working days, we will record your dissatisfaction and handle the matter as Stage 0.

If the matter is unresolved, you may request that a formal Stage 1 complaint is logged.

Stage 1 – your complaint will be investigated by a senior manager from the team where the alleged service failure occurred. They will respond within 10 working days.

Stage 2 – your complaint will be reviewed by the Executive Management Team, who will aim to reply within 10 working days

Stage 3 – The Chief Executive of Enfield Council will arrange for your complaint to be independently reviewed by a senior officer in Enfield Council who does not work for Enfield Homes. They will write to you with a decision within 30 working days of receiving your complaint.

We hope our complaints procedure will help us to sort out, with you, any problems you may have with the way our services are provided, but if you are still not satisfied you have further options:

From 1st April 2013 the Localism Act 2011 provides that the tenants of housing associations, local authorities and ALMOs will be able to ask for their complaints to be considered by a 'designated' person when all stages of their landlord's internal complaints procedure are finished.

A designated person can be an MP, local Councillor or a Tenant Panel. If you want more information on who they are and how you can contact them, please contact us directly on **freephone 0800 40 80 160** or email us at **info@enfieldhomes.org**

When the Housing Ombudsman receives a complaint that has gone through all stages of the landlord's internal complaints procedure, they will always ask if it has then been referred to a designated person and if a tenant is clear that they do not want to make use of that opportunity for local resolution (if it is more than 8 weeks from the end of the landlord's complaints process) the Housing Ombudsman will consider the case.

The Housing Ombudsman Service can be contacted at:

1.9 Taking legal action against the council

If you think we have not met our obligations as stated in this agreement, you have the right to take legal action against us. You must obtain your own independent legal advice.

1.10 Serving legal notices on the council

If you wish to serve any Notice on us, you should send it as described in the section 'Ending your tenancy' on page 16.

Section 2

Your conditions of tenancy

2.1 Rent

We can change your rent and other charges at any time. We have to give you 28 days' written notice of any change in your rent and the change must start on a Monday but we can change your water and other charges at any time.

The notice will specify the revised net rent and other charges. This notice may be left at or posted to your property.

Our usual practice is to increase the rent and other charges no more than once a year in April although this does not preclude a change in rent or other charges at any other time in the year when necessary.

2.1.1 Failure to pay

Condition 4. You must pay your total rent – which includes any charges on the property, for example water rates and service charges for amenities – in full on or before the date the payment is due.

If you fail to pay your rent and/or charges, the council may take legal action to recover the debt or ask the court to grant us possession of the property. This could lead to you being evicted.

Condition 5. You must tell us if you are unable to pay your rent in full or on time, and you must make an agreement to pay any rent arrears.

We will treat your payments as rent due before we credit them to any other charges.

If you owe rent or any other charges for a previous tenancy, we may require you to pay these through your current rent account.

2.1.2 Miscellaneous recharges

Condition 6. You must pay the cost of any items or works which are not our responsibility and for general damage to and misuse of the property. Examples are broken glass due to damage caused by you, a member of your household, or visitors to your household, the replacement of lost keys or fobs or the reinstatement of unauthorised alterations.

2.1.3 Liability of joint tenants

Condition 7. If you are a joint tenant, you are responsible for all the rent and other charges when they are due.

In a joint tenancy, each tenant has full responsibility for paying the rent and any other charges due on the property.

If one of you leaves the property without ending the tenancy, or does not pay the rent and the account goes into arrears, each joint tenant will continue to be responsible for the rent and any arrears on the account.

If you have a joint tenancy, the tenancy ends for both joint tenants if you or the other joint tenant serves a valid Notice to Quit on us.

If you serve a Notice to Quit on us, it is valid if it is in writing and served at least 4 weeks before the date of termination. The day of termination must always be a Sunday. This must be signed and dated by you.

Condition 8. If you or another joint tenant is intending to leave, or has left the property, you must inform us in writing.

If you are a joint tenant with your partner and your relationship breaks down, we may inform you about where you can get independent legal advice on your rights.

2.2 Conduct and behaviour

Condition 9. You, the tenant, are responsible for the behaviour of anyone, including your children, living in or visiting your home. This means that you must ensure that they do not act in breach of any of these conditions. Also, you must not encourage them to act in such a way. This applies in the property, in communal and surrounding areas, any property belonging to the council and or anywhere else within Enfield borough.

2.2.1 Anti-social behaviour, nuisance and noise disturbance

We will consider all legal remedies available to us to deal with anti-social behaviour, domestic abuse, harassment, hate crime, nuisance, gang activity and other criminal activity where this is supported by sufficient evidence.

If we take legal action, we will ask the court to give us an order against you for the legal costs we have incurred.

Condition 10. You must not act in any way which causes, or is likely to cause, a nuisance or annoyance or is anti-social.

Examples of this sort of behaviour include but are not limited to:

- playing loud music including noisy parties and congregations
- unreasonable noise caused by inadequate insulation and/or soundproofing of any type of flooring
- noisy DIY at unsocial hours
- loud arguments and/or fighting
- offensive and/or disruptive drunkenness
- dumping rubbish and furniture
- fly tipping
- slamming doors
- allowing your dog(s) to bark persistently and/or cause a mess
- not keeping your pet(s) under control
- playing ball games close to people's homes
- disruptive and/or intimidating loitering
- spraying or writing graffiti
- skateboarding and cycling on footpaths and balconies

- damaging or vandalising any council property
- setting fires
- riding motorbikes, mopeds, quad bikes anywhere other than on the road
- installing or using equipment such as aerials to operate illegal radio broadcasts from your own or any other council property or shared roof
- extensive repairing of cars and/or other motorised vehicles on estate roads or parking areas
- obstructing any shared areas, doorways or exits
- throwing items from balconies or windows
- feeding pigeons, squirrels; foxes, wild birds or any other non-domesticated animal
- jamming communal doors open
- letting people into communal blocks who do not have a right to be there.

If you are suffering abuse or annoyance, you should report the matter to us.

Condition 11. You must not install any audio and/or video equipment or carry out any physical measures to respond to any nuisance or anti-social behaviour which you are suffering from, without first consulting us.

Condition 12. You must ask for our written permission to install hardwood, laminate or tiled flooring and provide us with written specification of the proposed works prior to installation.

We would strongly advise that, in flats, you fit carpets. Do not remove existing carpets. You should not install tiling, hardwood or laminate-type flooring because fitting these may increase the way noise travels between floors and through walls. So if it disturbs your neighbours, we may consider it to be a nuisance and a breach of the conditions.

Condition 13. You must not carry out household tasks using machinery such as a washing machine, tumble dryer, dishwasher or vacuum cleaner between the hours of 10pm – 7am.

2.2.2 Domestic abuse

Condition 14. You must not cause any member of your household to leave your home because of domestic abuse. If you do, we will take action against you. This may result in your home being repossessed.

Condition 15. If you abuse or mistreat a child or, as a result of any such abuse or mistreatment, a child is endangered or taken into care, we may seek possession of your home and evict you.

2.2.3 Harassment and hate crime

Condition 16. You must not harass or threaten to harass anyone because of their age, colour, culture, disability, ethnic origin, gender, gender reassignment, HIV status, nationality, race, religion, sexual orientation or for any reason.

Examples of harassment include:

- using or threatening to use violence towards any person including our staff
- unprovoked physical assaults
- stalking, including cyber stalking
- domestic violence and abuse
- verbal abuse
- threatening or abusive behaviour
- threatening or abusive letters, telephone calls or text messages
- writing threatening, abusive, insulting or hate motivated graffiti
- racist comments and/or abuse
- damage to property or threats to damage property
- making false complaints about someone.
- abusing and/or bullying people through social media such as Facebook, Twitter, Instagram and text messaging.

2.2.4 Gang activity

Condition 17. You must not be involved in gang related activity or violence. This includes using or threatening to use violence, or verbally assaulting other people residing in the locality, so that they leave the property.

If you or other members of your household who are identified as being involved in, or potentially involved in, gang activity co-operate with us and/or our partner agencies, we will take this into account when considering tenancy enforcement action.

2.2.5 Criminal activity

Condition 18. You must not use the property or locality for criminal, immoral or illegal purposes, such as dealing in illegal drugs or substances or prostitution and/or human trafficking. If you are convicted of such an offence, in your home, locality or anywhere else within Enfield borough, this will be a breach of your tenancy conditions.

In particular, you must not use your home or any communal area, or anywhere else in Enfield borough, in connection with:

- selling, using, storing, manufacturing or growing of illegal drugs
- storing or handling stolen goods
- keeping illegal or unlicensed guns or weapons within the property with an illegal intent
- dealing in illegal pornography
- theft
- burglary
- criminal damage
- committing an offence during a riot
- cyber crime
- public order offences.

Condition 19. You must not use the communal area, any neighbouring areas or any garage or pram shed for any illegal purpose including, but not limited to:

- arson or attempted arson
- interference with security and safety equipment
- wilful damage to shared areas or facilities, including sheds
- breaking windows or doors or writing graffiti
- using weapons such as guns and/or knives
- using pets or dogs as a weapon
- using and/or dealing drugs.

You will be responsible for the cost of renewing any door that has been damaged following any forced entry by the Police and reclaiming the cost from the Police.

Condition 20. You must not keep any firearm, shot gun, or air rifle in your property without all the necessary certification required by law and without our written permission.

2.2.6 Other unacceptable behaviour

Condition 21. You must not abuse, harass, make offensive comments and/or malicious allegations, use or threaten to use violence against any of our officers or agents, or against a councillor. This applies at any time and in any place. We may report the matter to the Police.

If you fail to keep this tenancy condition, we will support our officers if they refuse to interview you, visit you, or speak to you on the telephone. We may also refuse you entry to our offices and take legal action against you.

2.3 Use of premises

Condition 22. You must live in your property and use it as your only or main home.

If you are to be away from your home for a continuous period of more than a month, you should inform us. If you do not do so, we may think that the property has been abandoned and take action to recover possession of it. You must tell us how and where you can be contacted in case of an emergency.

If you move out of your property and allow someone else to live there, you will no longer be a secure tenant. We will take action to recover possession of the property by serving a Notice to Quit.

Condition 23. You must not allow your home to become overcrowded by other people living or staying there. You will not receive priority to transfer to larger accommodation under our Allocations Scheme if you do so.

Condition 24. You must notify us in writing, within 14 days, of any change, compared to those listed on your Tenancy Agreement, in the people who are living in your home. The notification must give:

- the person's full name, gender and date of birth
- the date of the change and
- whether s/he moved in or out of your home.

Condition 25. You are allowed to take in lodgers but must notify us in writing as required by Condition 24.

Introductory tenants are not allowed to take in lodgers.

Condition 26. You must not sublet or give up the whole of your property. If you do this, your secure tenancy may end. You may only sub-let part of your property with our prior written permission.

Condition 27. You can only assign your tenancy under certain circumstances which are described on page 19. You must have our written permission to do so.

Condition 28. You must not carry on or advertise any trade or business at your premises without our written permission and the necessary legal or planning requirements.

This Tenancy Agreement only gives you the right to use your property as a private residence. If we give written permission for you to use your property for business purposes, you must still meet any necessary legal or planning requirements for your business use. If your business causes nuisance or annoyance to neighbours or local residents, we can withdraw our permission.

Condition 29. It is your responsibility to pay for all gas and electricity used in your property, directly to the appropriate gas and electricity company unless you live in a block where the heating is communal and the landlord charges you directly for this as a service charge.

2.4 Sheltered accommodation

Condition 30. If you live in sheltered accommodation, you must seek your Sheltered Estate Manager's permission if anyone is moving in with you for more than a few days.

This should not be a permanent arrangement. However, your Sheltered Estate Manager may inform you of other housing options that may be more suitable for you.

2.5 Home contents insurance

Enfield Council is responsible for insuring the building and structure of your home but not the contents.

The council's building insurance does not cover contents insurance for your possessions. **You are responsible for insuring your home contents.** We are not responsible for loss or damage to your belongings including that caused by other residents.

2.6 Looking after your home

Condition 31. You must take care not to cause damage to your property or the property of your neighbours.

You should have any washing machine or dishwasher, electric or gas cooker, professionally installed. You must not use any of these if you know or suspect them to be faulty. If we send an electrician to check the electrical circuit and s/he finds that your appliance is faulty, we may recharge you the cost of the circuit check.

Refer to our website for advice on how to check if you have a faulty appliance. (See Appendix 3 for website details.)

Condition 32. You must not neglect your property and let it fall into disrepair. This includes individual gardens as well as shared access pathways and steps in houses. Tenants of flats and maisonettes are expected to report defects to communal areas; for example, defective floor tiles.

Condition 33. You must keep the inside of your property clean and in reasonable decorative order.

Condition 34. You must not use the property in any way that may cause a health or safety hazard or encourage vermin and/or pests (for example, by hoarding items inappropriately).

You must take reasonable steps to secure your property, for example, lock windows and doors when you go out.

It is your responsibility to decorate your home when it is needed.

Condition 35. If your property suffers from condensation or damp, you must inform our Customer Services Team and follow any reasonable advice given to you.

To help prevent condensation, you should:

- wipe dry the insides of windows
- open the windows and close the doors of any room used for hanging wet clothes
- not overcrowd any rooms with furniture or possessions.

2.7 Shared areas (communal)

Condition 36. You must not cause an obstruction in any shared area, including balconies, garage and shed areas. You must co-operate with us to help keep shared areas clean and tidy.

Everyone living in a block of flats or maisonettes is responsible for cleaning the landing area outside their flat.

Condition 37. You must NOT:

- store or leave any personal belongings such as flower pots, children's buggies, bicycles, boots and shoes in shared areas
- leave your rubbish in shared areas
- use inflatables (or other paddling/ swimming pools, trampolines, bouncy castles) in shared areas such as communal gardens without our prior written permission. In deciding whether to grant permission, you will need to demonstrate that you have the necessary public liability insurance cover and that adult supervision will be provided at all times
- install swings and/or slides in communal areas
- use barbeques on balconies or in communal areas
- use a shared walkway/balcony/staircase to hang out washing
- store any items within communal area cupboards, communal loft spaces, intake, water tanks and communication equipment cupboards, other than allocated pram sheds
- adopt for sole use any communal area or land; for example landing, balcony, garden area, shared drying room, communal loft space. This also includes extending any existing individual garden.
- cut down, top, lop, uproot, damage or destroy any tree, shrub, plant or hedge on communal land
- store re-chargeable motorised vehicles without our express consent to do so
- use extension leads to charge/use any appliances on or within communal areas
- throw anything inappropriate down the communal rubbish chute; for example wood, bricks and children's buggies.

We reserve the right to remove any items that are placed in shared areas without permission and dispose of them, as well as repairing any damage arising from misuse of those areas, and recharge the cost to the tenant responsible where known.

Condition 38. You must co-operate fully with any measures we take to protect the security of your home and others' homes and you must keep all shared doors closed (for example: fire doors on landings).

Condition 39. You and/or anyone living with you or visiting you must not interfere with any equipment for detecting or for putting out fires in shared areas.

Condition 40. You must not install a gate leading on to shared footpaths and communal balconies without our prior written permission.

Condition 41. You must not erect any structure on communal land. This includes fencing off communal land.

Condition 42. You must not swap sheds with another resident without getting our prior written permission.

Not all flats are allocated with a shed. We reserve the right to take back the shed if it is swapped without permission or misused.

We will not be responsible for the loss or damage to any items stored in your shed. You will need to cover this on your own home contents insurance.

Condition 43. You must not use any shed for sleeping accommodation.

2.8 Improvements and alterations

Condition 44. You must obtain our prior written permission before carrying out any alterations, improvements or structural work to the property. You may need to obtain other permissions such as planning permission or building regulations approval.

Condition 45. You will be responsible for maintaining and/or repairing any alterations or improvements that you have carried out to your home.

Condition 46. You must not make any alterations to any gas appliance or installation in your home (including any gas and electric meter and any other associated pipe work or equipment or lighting installations).

If you wish work to be carried out on such appliances or installations you must obtain our prior written permission before any work is carried out. Any such work may only be carried out by a suitably qualified Gas Safety Registered contractor. Failure to do so may have fatal results and we will regard it as a serious breach of your tenancy.

Condition 47. If you carry out any works without our permission and we incur costs for reinstatement works, we will recharge you for the cost of those works.

2.9 Right to Improve (secure tenants only)

There are certain improvements for which you can claim compensation when you notify us that you are going to leave the property. We will be able to give you details of the improvements that qualify and the conditions that must be met under the Right to Improve scheme. **You must seek our written permission before carrying out any works under the Right to Improve scheme.**

Condition 48. You must obtain written permission from us before you erect, or arrange to have erected, any radio, television aerials, dishes, cameras/videos or any other electronic receiving equipment.

This is to prevent damage to the external fabric of the building as well as public safety considerations. Permission will not be unreasonably withheld for houses.

Condition 49. You must ask for our written permission to install hardwood, laminate or tiled flooring and provide us with a specification of the proposed works prior to installation.

2.10 Repairs and access to your property

Condition 50. You must not cause damage to any of our fixtures and fittings, in your home or communal areas, deliberately or through misuse or negligence. You must not allow your visitors to do so.

If you do cause damage, or allow your visitors to do so, you will be responsible for repairing, renewing or replacing the damaged item. If you do not make good the damage caused, we may carry out the work and charge you for it.

Condition 51. You must get our written permission before you remove or replace any of OUR fixtures and fittings.

Condition 52. You are responsible for repairing and maintaining any fixtures and fittings YOU install.

We are only responsible for maintaining our fixtures and fittings. If you move, you must remove any fixtures or fittings that you have installed and put the property back the way it was at the start of your tenancy. If you remove your fixtures and fittings and do not replace them to our satisfaction, we will carry out the necessary work and charge you for it.

Condition 53. You must keep the inside of the property, the fixtures and fittings and all glass in the property in good repair during the tenancy.

Condition 54. You must report promptly any disrepair or defect where we are responsible for putting it right.

When you sign for your tenancy we will give you information about our website which shows you which repairs are our responsibility and which repairs are your responsibility. It tells you how long repairs will take and gives advice about items in your home that might need repair and what information you should give when you report a repair to us.

Condition 55. You must carry out any necessary minor repairs to your home.

Condition 56. You must not carry out noisy repairs/improvements such as drilling, sanding and loud hammering at the following times:

weekdays 6pm – 8am

and weekend times as follows:

Saturday 5pm – Sunday 9am

Sunday 4pm – Monday 8am

Condition 57. You must allow our employees, representatives and contractors to come into your property to service any electrical and gas supplies and appliances that we are responsible for maintaining.

Condition 58. You must allow our employees, representatives and contractors into your property to carry out repairs, servicing, inspections, or other works, where we consider it necessary.

Condition 59. You must allow our employees, representatives and contractors into your property if we need to carry out work to an adjoining property, and there is no other reasonable means of access (examples of such works are, but not limited to, scaffolding, access to boundary walls, roofing, tree works).

If we need to carry out any work to your property, we will give you adequate notice of the date and the reason. If you refuse us access, or we are unable to gain access, we will apply to the court for permission to gain entry to carry out the works.

If the court gives us permission, you will be responsible for the court costs and any additional costs that result from us not being able to gain access to your property.

If you live in a flat or maisonette we may need to carry out work or repairs on your block for which we will require access to a number of properties. If we need to come into your property, we will give you adequate notice of the date and the reason. If, on that date, we are unable to gain access to your property, we will force entry under certain circumstances. Those circumstances would be where:

- essential works could not be carried out unless all tenants give access on the date given
- other tenants would be caused extreme inconvenience or distress
- we would have to pay additional costs
- damage is being caused to communal parts; for example, service ducts.

The circumstances would be those that could result in a fire hazard, gas leak or flooding.

Our usual practice is to give at least 24 hours' written notice that we need to access your property. In case of an emergency or when urgent health and safety repairs are required, we may have to enter your property without giving notice and, if necessary, force entry.

If we need to carry out work to the outside of your block, we will ask you to remove objects from your individual balcony. If you refuse to remove them and your refusal means that we are unable to complete the planned work, we will move the objects and may dispose of them.

If we require access to your home and you prevent us from entering, and this causes further damage to your property or to another, we may charge you for any repairs that then become necessary.

You should always ask contractors or workers for official identification before you let them into your property. If they do not have proof of identity, you can refuse to allow them into your home.

2.11 Fences

Condition 60. You are responsible for keeping dividing fences in good repair and not causing any willful damage to fencing.

If you live in a flat, maisonette or house with direct access to a private garden, you may be allowed to have more than one pet. You will need our written permission.

If you live in sheltered accommodation, you are required to nominate a friend or relative to take responsibility for your pet if you are taken into hospital or otherwise unable to look after it.

Pets must be kept in appropriate enclosures which are adequate for their needs and from which they cannot escape and with regard to their well-being.

2.18 Ending your tenancy

Condition 100. You must give at least 4 weeks' notice in writing if you are going to end your tenancy. If we offer you a transfer, we will set the date for termination. If you do not give proper notice, your tenancy will not end and you will continue to be responsible for the rent, service charges and any other payments due in respect of your tenancy.

The 4 weeks' notice must end on a Sunday.

If you are unable to give 4 weeks' notice, we may accept surrender of your tenancy earlier unless you are a joint tenant seeking to terminate it without the consent of the other joint tenant(s). As soon as you know you are leaving, you must contact us to discuss what you must do on surrender.

You can give notice to end your tenancy by writing to the address below:

Enfield Council
c/o Enfield Homes
The Edmonton Centre
36-44 South Mall
London N9 0TN

This is the address to which any Notices served on us should be sent.

Whether you or we end the tenancy the following conditions apply:

Condition 101. You must return all keys, including all main door entry controlled system keys or fobs, for the property to us at the above address by 12 noon on the Monday of the week you leave.

Condition 102. You must pay the rent and any other charges up to the date that your tenancy ends.

If you owe us money when you leave, you must make arrangements to repay the debt. If you do not, or if you make an agreement but do not keep to it, we may refuse to grant you another council tenancy. We will take legal action to recover the debt.

Condition 103. You must not leave anyone living in your home when your tenancy ends.

If there are people living in the property when your tenancy has ended, we will take action to evict them and charge you for the cost of the action. We may also charge you use and occupation charges for the property until the person is removed.

Condition 104. You must leave your property and garden in good repair and clean and tidy, with all fixtures and fittings in the same condition when you move out as they were at the start of the tenancy except for fair wear and tear.

We will charge you the cost of repairing any damage, installing missing or damaged fixtures and fittings and the cost of any cleaning that is necessary.

Condition 105. You must remove all rubbish, personal effects, including fitted carpets or other floor coverings and furniture from inside the property and garden, and any of your belongings or rubbish from communal areas. For further details see our website for advice and our Clean and Clear policy.

We cannot store tenants' belongings left on the premises after the tenancy has been terminated and the keys have been returned to us because the cost and conditions of insuring against loss and damage would be complicated and unreasonably expensive.

Therefore, we will get rid of any items that are left at the end of the tenancy and charge you the cost of removal. If we do not know your forwarding address, we will put the debt into an account in your name and pursue the debt.

When you leave your home, it is your responsibility to ensure that we have your forwarding address in writing.

Condition 106. You may not be granted another council tenancy if you:

- are evicted from this council tenancy
- abandon this property and do not return the keys
- owe rent on this or a previous property
- leave this property in a poor condition and fail to pay for repair and replacement.

If you need advice on ending your tenancy, please discuss this with us.

Section 3

Our responsibilities

3.1 Repairs and maintenance

We will keep in good repair the structure and outside of your property, including drains, gutters and external pipes. This will not apply if the damage is caused deliberately or through misuse of the property by you, your household or visitors.

We will keep in good repair and proper working order the installations in the property for the supply of water, gas, electricity, sanitation, heating and hot water. This will not apply if the damage is caused deliberately or through misuse of the installations by you, your household or visitors.

Our responsibility for repairing the internal structure of your property and the above installations only begins when we are told that a repair is needed.

If we are aware of damage that was caused by you which you refuse to repair, if it is dangerous to others, we will carry out the repair. We will charge you the cost of any work that is necessary to remove the danger.

The repairs part of our website will tell you our policy on repairs, and sets out which repairs are our responsibility and which are your responsibility.

We will keep in good repair all communal areas and amenities.

We are responsible for making sure that communal and external areas are in a reasonable condition, even when we are not told that a repair is needed.

We will carry out an annual gas safety inspection and an annual service of our gas appliances.

3.2 Right to Repair

We will pay you compensation if certain urgent repairs are not carried out within specified time limits decided by law.

This is the Right to Repair scheme and the details of the repairs that qualify for this, and the time scales, are on our website.

3.3 Major Works Improvements

We will seek and consider the views of all affected tenants on any proposed major repair and improvement scheme.

3.4 Consultation and information

We will consult you about important changes to the way in which the Housing Service is managed, particularly those relating to your tenancy.

We will provide you with information about our performance, how the Housing Service is paid for and how your money is spent. Performance information is available on our website.

We will make sure that any information about you is held in a way that complies with the Data Protection Acts.

We keep information about you that we need, to provide you with a service. Such information will be confidential and we will use it only for the purpose for which it was obtained, and will keep it as accurate and as up to date as possible. This information is held on computer and manual records, and you have the right, provided certain conditions are met, to see it.

3.5 Quiet enjoyment

We will not interfere with your quiet enjoyment of the property as long as you, your household and any visitors to your property, keep to the conditions of this Tenancy Agreement. If we need to gain access to your property in an emergency, we have the right to do so without giving you notice. If we have to force entry, we will make sure that your property is secured before we leave.

We have a legal responsibility to allow you, as long as you pay your rent and keep all other tenancy conditions, to live peaceably and without any interference from us or anyone acting on our behalf.

If we need to come into your home, we will give you a minimum of 24 hours' notice wherever we can. However, there are situations where we might have to gain immediate access. If in such a situation, we could not gain access, we have the right to force entry into your property.

The situations where we have this right include those where we believe:

- that water or sewage flowing into another property is from your home
- there is a gas leak in your property
- there is an animal in distress in your property
- our assistance is urgently needed in your property.

3.6 Conduct and behaviour

We will work with you to keep your estates and locality safe and free from anti-social behaviour and behaviour which causes a nuisance and/or distress to residents:

If a tenant or a member of their household or their visitor behaves towards you in a way that causes you nuisance or annoyance, we will tell you what action you can take against the person who is breaking the conditions and explain what we can do to help you.

Our statement of policies and procedures on tackling anti-social behaviour is available on our website or by request to an officer.

3.7 Equality and diversity

We will act fairly in all matters connected with your tenancy and will not unlawfully discriminate against you or disadvantage anyone on the grounds of age, religious belief or faith, disability, ethnicity, gender, gender reassignment or sexual orientation.

3.8 Courtesy

Our officers and anyone acting on our behalf will treat you with courtesy and respect.

If any of our officers or representatives fails to do this, you can make a complaint through our complaints system.

3.9 Transfers

We will consider any application you make for a transfer to another property in line with our Allocations Scheme.

The offer of a new tenancy within this borough will depend on the urgency of your housing need compared with the needs of other transfer applicants and also on the accommodation available. If you have enough priority to qualify for an offer, you may be eligible to bid for vacant council or housing association homes advertised on our bidding system (see Enfield Council's website at the housing pages at www.enfield.gov.uk for more information).

3.10 Variation of tenancy conditions

If we want to change or vary any conditions of your tenancy, we will send you a notice:

- telling you that we are going to serve a Notice of Variation
- explaining what the changes are and their effect
- inviting you to comment on the proposed changes within a given time.

We will consider your comments before we decide whether to go ahead with the changes. When we serve the Notice of Variation it will:

- give details of the changes
- say when the changes begin
- be served at least 4 weeks before the date of the change.

3.11 Right to succeed

When you die your tenancy will pass to your husband, wife or civil partner or cohabitee of more than 12 months' duration if they were living with you at the time of your death. This is called 'succession'. If you do not have a husband, wife, civil partner or cohabitee of more than 12 months' duration, the tenancy can pass on to a member of your family if they had been living with you continuously for the 12 months before your death. If a joint tenant dies, the tenancy will pass to the other joint tenant and this will count as a succession. The law only allows one right of succession.

If you are a sheltered housing tenant, your spouse, civil partner or cohabitee of more than 12 months' duration will succeed to the tenancy as long as they were living in the property as their only or main home with you at the time of your death. If you do not have a spouse living with you, the tenancy could pass to a partner or family member as long as they are eligible for sheltered housing and were living with you for at least 12 months before you die. Failing this, we may consider granting a tenancy of another suitable property.

3.12 Right to assign

If you are a secure tenant or an introductory tenant, you can under certain circumstances, assign (legally transfer) your tenancy.

If you are a secure tenant or an introductory tenant, the law allows you to assign your tenancy to a person who would have been able to succeed to your tenancy if you had died immediately before assigning it. This means that, if you are a sole tenant, you can assign your tenancy to your spouse, civil partner, or to a family member, including cohabitee, or same-sex partner who has been residing with you for 12 months at the time of assignment. If you are a joint tenant you cannot assign the tenancy to another family member if they are not the other existing joint tenant. Effecting an assignment means that there will no further right to succession upon the death of the tenant to whom the tenancy has been assigned.

If you are a secure tenant, you have the right, provided certain conditions are met, to assign your tenancy by exchanging with one of our tenants or the tenant of another local authority or a housing association.

This right of mutual exchange does not apply to introductory tenants.

The court has the right to assign a secure or introductory tenancy on the breakdown of a marriage or relationship.

If you are a joint tenant and your relationship has broken down and you wish to transfer the tenancy into your sole name, we will ask you to obtain a court order from the County Court.

You must not assign your tenancy unless you have our written permission to assign your tenancy.

If we have begun court action against you for any breach of the Tenancy Agreement, or any other matter such as an injunction, we will refuse your request for a mutual exchange.

3.13 Right to Buy

Existing secure tenants will normally have the Right to Buy the freehold or leasehold of your home after they have been a tenant for 5 years.

You cannot buy your property during your introductory tenancy, but your period of introductory tenancy will count towards the 5 years.

If you are a sheltered housing tenant, under the Housing Act 1985, you do not have the right to buy your home.

If you have been guilty of anti-social behaviour, we can apply to court to request an order suspending your right to buy for a period that the court may specify.

You will not have the Right to Buy if we have obtained a suspended Possession Order against you.

3.14 Right to manage

This allows tenants' organisations to take over the management of their homes and to run services that we would normally be responsible for such as rent collection and the repairs service. A tenants' organisation is eligible for the right to manage if it can show that it represents the views of all its members and does what they ask of it.

3.15 If we end your tenancy

We may terminate your tenancy by leaving at your property, a Notice of Seeking Possession or a Notice to Quit or any Notice required by law.

All notices we leave in connection with your tenancy, including any Notice of Seeking Possession or Notice to Quit or other similar Notice, will be treated as properly served and received by you if left at the tenancy address, addressed to you.

This means that if we leave a Notice to Quit or a Notice of Seeking Possession addressed to you at your tenancy address, even if you are not living there, the court will recognise this as legal service of the notice.

If we serve a Notice of Seeking Possession on you, or any legal notice, the notice will contain reasons for our actions.

3.16 Housing related support

If you are an Enfield sheltered housing tenant, you may receive certain support services from the council, such as a daily visit from your Sheltered Housing Officer, in exchange for an extra charge added to your rent.

3.17 Welfare Benefit Reform

Through the Welfare Reform Act, the government has introduced new rules for the receipt of welfare benefits. For further information, and to see if you are affected, please contact us.

3.18 Prevention of Social Housing Fraud

The Prevention of Social Housing Fraud Act 2013 has been introduced which makes it a criminal offence to fraudulently sub-let social housing. The offences are punishable by a prison sentence, a large fine and/or an order for the repayment of any profits earned.

Home visit conducted on Friday 4th Nov 16. And emotional support was provided. At the time [REDACTED] was having problems remembering the timeline of dates pertaining to incidents. [REDACTED] said he was quite friendly with Simon Cordell – leading up to current events – and was somewhat perplexed as the sudden change in the attitude of the accused.

[REDACTED] and alleged other residents felt the problem could have something to do with a resident named [REDACTED]. [REDACTED] has since moved – [REDACTED] made reference to Simon Cordell boasting in having something to do with her departure.

[REDACTED] was trying to recall events and said it could have been in the month of July, – when Simone Cordell shouted abuse and swore at him and threatened to burn his flat down – Mr [REDACTED] did not call the housing or police to report the threat. His friend, another resident who did not want his name mentioned, said that it was it was on 6th July. Mr [REDACTED] could not quite remember when the second incident occurred but said that it was around mid-September. Simon Cordell approached Mr [REDACTED] outside his flat, when Mr [REDACTED] was on his way to the fields – and threatened him. A lady called Karen also a resident of Burncroft witness the threat and asked Mr Cordell to leave the viw alone. With encouragement from other residents – Mr [REDACTED] called the police a few days after the threat to make a report.

Mr [REDACTED] said the police a lot of police some with riot gear – entered his flat with officers posted to the front and rear of the building. They managed to coax Mr Cordell out of his flat and arrested him.

The case has since been heard in court and Simone Cordell pleaded not guilty. He has been bailed with conditions – to stay away from Mr [REDACTED] and also not to enter the Burncroft area.

Mr [REDACTED] is required to stand witness in court on the 17th Nov 2016. However, Mr [REDACTED] is feeling quite anxious and feels there may be reprisals to him giving evidence. I asked Mr [REDACTED] if he would like me to attend the hearing in support he said yes he would not mind. I also visited another resident Christine – to get her account of things.

Action

- Contact the witness service and arrange a pre-court trial visit and other assistance.
- Possibly arrange transportation on the day of the hearing – and for the pre-court trial visit

Any other assistance/support we can provide Mr [REDACTED] with.

Threats and intimidation (General)

Perpetrator has been harassing complainant for a while in relation to alleged noise nuisance. Yesterday evening the perpetrator was banging on the ceiling (the complainant lives above perpetrator) and then came upstairs and tried to kick the door in. He was very aggressive, shouting through the door. He then went outside, dragged the complainant's motorcycle from its parking space and started smashing it up. The police were called and the perpetrator was arrested.

16/12/2016 : 11/01/2017 :

I met with Mr Quinton today at the Civic Centre to discuss his complaints against Mr Simon Cordell. Mr Quinton stated that the problems started soon after he moved into the block in April 2016. He

stated that soon after he moved into his flat, he went round to SC's flat to introduce himself. After he introduced himself, SC said to him that there is some kind of war going on between him and other neighbours. SC also told him that he's got a load of issues with the police and that he was trying to sue them because he felt that they were treating him unfairly. He told SC that he was a musician and that he does not want anything to do with his issues.

Straight after he moved in, SC will come up to his flat at least once a week to shout at him and complain about loud banging from his flat and knocking pipes. SC would accuse him of making noise on purpose to wind him up and he will always explain to him that it is not true, that he does not make any banging noises inside his flat and that he cannot explain why the pipes were making knocking noises.

Mr Quinton stated that on 4/10/16, he was sleeping when SC started to bang on his ceiling but he ignored him. SC then came up and started kicking at his door and he still ignored him. SC then went downstairs, dragged Mr Quinton's motorbike from where he parked it, threw it on the ground and started to hit it with what he believed to be a mop pole, he is not sure how many times he hit it. He then called the police and they came and took him away, CAD No. 3309/4 Oct. 2016.

On 11/12/16, SC came up to his flat 3 times to shout abuse and complain about noise from his flat.

Mr Quinton explained that the first time, he was running a bath when SC came and knocked on the door to complain about knocking pipes. He did not open the door and he shouted abuse at him and his friends and called them homophobic names. He later came back again to bang on his door and shout further abuse. He also made threatened him and his exact words are 'I'm off curfew in 12 days, when I'm, I am coming for you', he shouted further abuse and walked off. Mr Quinton stated that he is not sure why he came back the second time but he assumed that it was because of the pipes again. He later came back again the third time and this time he opened the door because he has had enough. SC complained about noise from his flat and he told him that he was not making any noise. SC then went on to tell him that he has been away for a long time and that his family was coming to look after his dog. He asked SC if he knew anything about his bike and SC replied 'You know what, I'm a grown man I'm not gonna lie, it was me that smashed your bike and I was gutted that the stick broke and I couldn't smash it up more'. He then asked SC about his tyres which was punctured with a knife and he denied cutting them. He then explained to SC that the knocking pipes has nothing to do with him and that he does not bang or make deliberate noise and he advised SC to play his music over the noise if it happens again as there is nothing he can do about the pipes and the noise as it is the nature of the building. SC said cool, fair enough and walked off and as he walked off, he turned round and gave him a dirty look.

About a week later, 2 of his friends left his flat and a short while later he heard SC running out of the front door. Soon after one of his friends called and told him that they have just had a confrontation with SC in the street. His friend informed him that SC ran up to them in the street and confronted his friend Jazz about the knocking pipe noises from his flat. Jazz told SC that it has nothing to do with him. SC then head-butted Jazz and as Jazz fell on the floor, SC jumped on top of him and started to punch him. His other friend Jevon who was with Jazz at the time pulled SC off Jazz and held him until 2 Turkish men came and separated them.

Mr Quinton stated that the police did not contact him to update him on what action was taken against SC regarding his smashed bike. He stated that he has recording of SC admitting to smashing up his bike and played the recording to me. Although it was very faint but you could make out what sounded like SC talking about smashing the bike. He stated that he wants to sue SC for criminal damage, he also wants to take out a restraining order against him and possibly an injunction.

He stated that his friends Simon Cocks (07393285528), Julian Jackson (07387277163) and Jazz Bramble (07375651241) are willing to provide witness statements and will attend court to give evidence on his behalf. He also wants us to find out why what action the police took regarding his smashed bike.

08/02/2017 :

I did an announced visit to Mr Quinton at 113 Burncroft Avenue following recent email from Mrs Cordell concerning noise disturbances from the flat as a result of wooden flooring but there was no response. I then telephoned Mr Quinton and left a voice message for him.

07/03/2017 : 27/07/2017 :

I telephoned Mr Quinton for updates on any recent incidents and he stated that there has been none as he has been staying at his flat. He stated that he has been staying with friends and family and only goes back to his flat to check his letters.

He stated that he will give a witness statement and will attend court if required to do so.

Telephone call received from Mr Cordell 22.11.16

I received a call from Simon Cordell of 109 Burncroft Avenue at approx. 1.20pm. The call was transferred by the customer services team informing me that Mr Cordell wished to discuss his housing options/how to move. I took the call – he sounded agitated and said that he had a few things that he wished to discuss with me. He said he was calling in response to a letter that I had sent him requesting the removal of a CCTV camera that he had installed on the inner communal/fire door on the ground floor of the block. He informed me that he would not be removing the camera as he believed he was legally allowed to have the camera as the communal area was his. I explained that he was in breach of his tenancy conditions as permission had not been sought or granted for the installation and he could not install anything in the communal area as this belonged to the Council. He maintained that his neighbour in another block had a camera and had taken the Council to court about it and won the case. I responded that I could not comment about other cases but my position remains as per the letter I sent: That the camera was in breach of tenancy conditions, was invasive to the privacy of other residents in the block as it points at the outer communal door and should be removed by Friday 25th November or the Council will remove it and charge him for the cost of doing so. He then said that the camera was fake so it didn't need to be removed. I responded that it did still need to be removed. His voice was raised throughout the exchange and I had to ask him to calm down and lower his voice more than once. He then said that he wanted to move on to finding out about moving to another address. He proceeded to give me a full history of his experiences with the police and previous housing management and alleged that 'Jackie', who had previously lived above him and 'Stan', his immediate neighbour on the ground floor, had victimised him over a long period of time and that he had done nothing wrong. This history was very full and it was difficult to get a word in because he was so worked up so I let him relay the information to me as it seemed like he wanted to get it off of his chest. He was very derogatory about the police and previous housing staff who had signed a request for an asbo application against him. I told him that I could not comment about previous action taken. He then came on to more recent events and stated that there had been an incident between him and another resident where she had shouted at him out of her window because of him starting up a scrambler bike in his garden. He maintained that he was courteous during the exchange but the police came and arrested him because she told them that he had threatened to kill her and that he had been put in the mental hospital, had won his case in court and was able to go home as of today. He said that he wanted me to give him 'points' so that he could move. I explained that his best means of moving would be through a mutual exchange but he was adamant that he did not want to do this and wanted to be moved in the same way that he moved into this property 11yrs ago by being given points. I explained that a transfer was unlikely based on what he had told me so far but that I could look into the position for him. He said a lot about his perceived victimisation by his neighbours and expressed that he felt that I should have a duty to protect him. I explained that I had a responsibility to all residents living at Burncroft Avenue and took the opportunity to mention that I had received some reports about anti-social behaviour by him that I would need to discuss with him but suggested that we leave that for today. He then put his mother on the line (she had been trying to interject throughout the conversation) who said she wanted to know why I had not responded to her messages to call her. I apologised for this and explained that I have been very busy but that I needed to know whether we had written permission from Mr Cordell for us to speak to her – she said that there was a written note recorded on our files in 2015. Mr Cordell asked her what I was asking her and when she replied that I was querying permission I clearly heard Mr Cordell say angrily and aggressively "I'm gonna do her over" and then "I'm gonna take her job just for fun". I informed Mrs Cordell that I had overheard these remarks and that I was ending the call. She said that her son had now left the room and she was talking to me. I repeated that I would be ending the call and that she should put what she wanted to say in writing to me.

I interviewed the Complainant. He reported that the issues have been on going for about 18 months (He, his wife and daughter have lived at Burncroft Avenue in temporary accommodation provided by Waltham Forest DC for 2.5yrs). Please see attached notes of interview - The complainant is really frightened for his family - Mr Cordell is very aggressive and has previously kicked him in the nose/face and threatened to hit him with a piece of wood; his wife is so scared that she accompanies him to work and waits in the car with their daughter for his shifts.

28/11/2016 :

Mr Mathiyalagan telephoned to report that Simon Cordell aggressively banged on his front door and accused them of making noise. He stated that he also shouted abuse and threats and swore at them.

22/12/2016 : 10/01/2017 : 13/01/2017 :

Mr and Mrs Mathiyalagan attended the Civic Centre to report incidents that happened over the Christmas and New Year period. Mr Mathiyalagan stated the following,
23/12/16 at about 3.43pm - Mr Cordell banged on his front door while his wife was at home alone with their young daughter and shouted abuse at her and asked her to go to the bathroom and turn off the tap. He also removed their electricity fuse thereby cutting off power supply. He stated that the incident was reported to the police, CAD 5753/23 December 2016 and they were advised to contact the council.

26/12/16 at about 12.30pm - Mr Mathiyalagan stated that he and his family was going out and that as they got to the first floor, he saw Mr Cordell running up the stairs towards them with a towel tied round his waist. He stated that Mr Cordell started shouting abuse at them and accused them of tampering with his water supply and stopping the water. He stated that he tried to explain to him that there may be a problem with the water supply to the whole block as they also have the same problem with their water supply but Mr Cordell will not listen and continued to accuse them of tampering with his water supply. He and his wife told him to please go away and leave them alone but he continued to swear and shout abuse at them. They then walked away.

31/1/17 at 10.47pm - Mr Mathiyalagan stated that Mr Cordell followed him and his family up the stairs as they returned from a family outing and was shouting at them about deliberately banging on the pipes and making noise. He also stated that the person sleeping on his sofa was banging on the floor, talked about saving him from getting beaten up by local youths, stated that he caught him and his wife making noise inside their bathroom, called him 'a lying cunt' and asked him to swear on his baby's life that he was not banging.

Mr Mathiyalagan stated that the constant harassment from Mr Cordell is making it difficult for them to continue living at Burncroft Avenue and wanted to know if I can contact Waltham Forest to see if they can rehouse them. I promised to speak to Waltham Forest and explain to them that they are victims of anti-social behaviour and to see if they rehouse them.

16/01/2017 : 16/01/2017 : 23/01/2017 :

Mr Mathiyalagan telephoned today to report an incident that happened at 6.21pm on Saturday 21/1/17 when Mr Cordell aggressively banged on his front door, swore and shouted abuse and threats at him and his wife and accused them of making noise. He stated that there was no noise in his flat at the time and that Mr Cordell is just picking on them. He stated that they were fed up of being picked on and wanted to know what the council is doing to stop Mr Cordell from harassing them. I informed him that I will discuss his reports with Mr Cordell and will ask him to stop knocking on his door and to report any noise disturbances to the council to deal with.

01/02/2017 :

Mr and Mrs Mathiyalagan attended the Civic Centre today, 1/2/17 to report an incident that occurred yesterday 31/1/17. Mrs Mathiyalagan stated that at about 6.30pm, she was inside her flat with her two and a half year old daughter when Mr Cordell aggressively banged on her front door while she was feeding her baby and shouted abuse and threats at her and accused her of making noise. Mrs Mathiyalagan denied making noise at the time and stated that she does not know why Mr Cordell accused her making noise.

She stated that she is terrified of moving around inside her flat for fear of being accused of making noise. I asked whether she recorded the incident and she said she did not. She also stated that she did not report the incident to the police as it only lasted for a few minutes. I advised her to log any further incident and to call the police if she feels threatened.

06/02/2017 : 08/02/2017 :

I visited Mr Mathiyalagan at 117 Burncroft Avenue today to look at the flooring following email from Mrs Cordell concerning noise as a result of wood flooring in the flat. I noticed that there is laminate flooring in the whole flat and ceramic tiles in the kitchen. Mr Mathiyalagan stated that the flooring was already in the flat when they moved in. He stated that they do not make noise deliberately and that any noise from his flat is household noise. He also stated that as far as he is aware that the person living below them have not complained of noise and that he will be the one that will be affected if there is excessive noise from his flat. He also stated that he has asked the council if they are causing noise disturbances and he said they are not. He also requested that Mr Cordell should contact the council if he is being disturbed by noise from his flat instead of harassing him and his family by banging on his front door, shouting abuse at him and his wife, threatening them and confronting them when they come into the block.

I informed him that laminate flooring can generate some noise and to be mindful of his neighbours while walking around inside his flat.

I then went and knocked at flat 113 but there was no response.

Telephone call from Mr Cordell regarding the letter sent to him to attend the Civic Centre on 22/2/17 to discuss the on going reports of harassment, verbal abuse and threatening behaviour made against him by his neighbours. File note of the telephone conversation attached.

20/03/2017 :

I visited 109 Burncroft Avenue on 17/3/17 to hand deliver to post a letter through Mr Cordell's door and as I got into my car to drive off after posting the letter, Mr Cordell ran after me shouting and screaming abuse. I did not stop to speak to him and he ran after me until I turned left into Green Street. As he was running after my car, he was shouting at people passing by to stop the car. By the time I returned to the office, Mr Cordell had telephoned me several times. I telephoned him back and he wanted to know whether I was the person that posted a letter through his letterbox and I said yes. He asked why I did not stop when he ran after me and I told him that I had another visit and did not have the time to stop and talk to him. He stated that he will not attend the meeting at the Civic Centre or any of the council and that I should come to his flat. I offered to have the meeting at a neutral venue like the local library or even at his mother's house but he refused and shouted to shout abuse and accuse me of taking sides with his neighbours. He denied doing the things that he is accused of doing and stated that he is the victim and that the council have refused to deal with his complaints against his neighbours. He stated that he has been suffering noise disturbances from his neighbours since he moved into his flat and that the council have refused to deal with it. He alleged that the council is conniving with the police to victimise him and threatened to put in a complaint against me. He continued shouting abuse and will not let me say a word. I then advised him that I will have to terminate the conversation as we were getting no where.

05/05/2017 :

Mr Mathiyalagan telephoned me to report that Mr Cordell went to his flat while he was at work and his wife was at home with his cousin and daughter and started to bang on his door and shout abuse and threats. He stated that he was at work and was scared for his wife and daughter. I advised him to call the police.

08/05/2017 :

Mr Mathiyalagan telephoned to report an incident that happened this morning as he was leaving the block to go to work. He stated that as he walked down the stairs, he saw Mr Cordell talking to 2 council officials and as he walked past, Mr Cordell threatened him by shouting that he was going to ruin his life and that he was going to the police with evidence about him. He stated that he did not respond.

12/05/2017 :

Find attached my file notes related to Sarah Fletcher's (Neighbourhood Officer) visits to Burncroft Avenue and encounters with Mr Cordell.

15/05/2017 :

Mr and Mrs Mathiyalagan attended the Civic Centre to report that Mr Cordell has started to regularly harass them again. They complained that Mr Cordell now comes to bang on their front door and shout and scream abuse and threats every other day. He stated that the latest incident happened at 12pm on 12/5/17 when Simon came and started banging on his door aggressively while his wife was at home with his daughter and cousin and was telling his wife to open the door. He stated that Simon knew that he was at work and that his wife was probably alone at home with his daughter. Mr Mathiyalagan stated that he is scared for his and his family's safety and wants something done urgently to keep them safe from Mr Cordell. They pleaded with me to speak to Waltham Forest to find an alternative accommodation for them as it is no longer safe for them to continue living in Burncroft Avenue. I took the contact details of the property manager at Waltham Forest and called and left a message for him to call me back. The details are Mr Osmani, tel. 02084965503 and his manager is Taylor tel. 02084965496, also 02084965502/5506.

02/06/2017 :

Mr Mathiyalagan telephoned to report that he was at work yesterday, 1/6/17 when his wife called him to complain that Mr Simon Cordell and two other males came and banged on his front door for about 1 or 2 minutes. He stated that his wife and daughter were alone in the flat at the time and that they were very frightened as a result of the loud banging on his front door. I advised him to call the police if Simon bangs on his door again.

12/06/2017 :

Mr Mathiyalagan telephoned to report an incident that happened late night on Friday 9/6/17 between Mr Cordell and his cousin. Mr Mathiyalagan stated that his cousin returned from work late at night and as he opened the front door, Mr Cordell came out of his flat and confronted him. He stated that as his cousin brought out his phone to record the incident, Mr Cordell snatched the phone from him. A struggle ensued as his cousin tried to get his phone back from Mr Cordell and Mr Cordell attacked his cousin, grabbed him round the neck and also injured him on the arm causing his arm to bleed. He stated that his cousin managed to get his phone back from Mr Cordell and came up to his flat and told him what happened. He then called the police and they attended within 10 minutes. They explained what happened to the police and they went to Mr Cordell's flat to speak to him but he refused to let them in. Mr Mathiyalagan also stated that the dog was barking throughout.

19/06/2017 :

Mr Mathiyalagan telephoned to report an incident that happened today at 11.55am as his wife was going to pick their daughter from school. He stated that Simon confronted her outside the communal entrance door and said to her that he knows what time she goes out and when she returns and to tell her husband that he wants to speak to him. He also stated that another incident happened on Friday 16/6/17 at 11.55am when Simon confronted his wife as was going to pick their daughter from school and accused her of making noise. He stated that Simon also told his wife that he has their bank account and personal details and that she should tell him to pay him money.

26/06/2017 :

Mr Mathiyalagan telephoned to report an incident that occurred on Friday 23/6/17. He stated that his cousin returned from work at 11.35pm and as he entered the block, Simon Cordell came out of his flat with his dog swearing and shouting abuse at his cousin and attacked him by punching him twice on the chest. He stated that SC tried to push his cousin out of the block and snatched his cousin's mobile phone as he tried to record the incident but he managed to get the phone back from him. He stated that SC's dog was also barking loudly and was not on a lead. Mr M stated that his wife overheard the commotion and woke him up and as they came down the stairs shouting at his cousin and asking what was going on, SC went back to his flat. They called the police and when the police came, they explained what happened. The police then went and knocked on SC's door to talk to him but he refused to let them in. He stated that his cousin did not provoke SC in any way and did not do anything to cause SC to attack him.

03/07/2017 :

Mr and Mrs Mathiyalagan attended the Civic Centre today to report further incidents with Simon Cordell and gave me a DVD recording of another incident. Mr Mathiyalagan stated that on 28/6/17 at 11.45am, Simon confronted his wife at the main entrance door as she was going to pick up their daughter from school and demanded to talk to her. His wife told him that she cannot stop to talk to him as she was on her way to collect her daughter from school but he insisted on talking to her. He stated that Simon ran after her, stood in front of her, accused her of making noise inside their flat and started shouting at her and said to her that he knows all their personal details including their full

names, dates of birth and bank details. He also demanded money and told his wife to tell him to come and talk to him.

He stated that the second incident happened on 30/6/17 at 11.45am when Simon confronted his wife as she was leaving the block and accused her of slamming the door. He then called his a liar when she denied slamming the door and proceeded to shout abuse at her. Mr Mathiyalagan also stated that on 2/7/17, he and his family was going out to visit some friends at about 5.18pm and as they were about to exit the block, Simon popped his head out of his door and asked him when he was going to hand over the money. He told him that he was not going to give him any money and that he should go and work so that he can earn some money. He stated that as they left the block, Simon came running after them shouting and swearing at him and said to him that he should pay him money if he wants him to leave him and his family alone. He stated that Simon also said to him that he has all of their personal details including phone numbers, full names, date of birth and bank details and that he must pay him some money to have them back. He stated that he told Simon that he will not pay him any money and to do whatever he likes with the details. He stated that he does not know how Simon came across their personal details, if he has them. He stated that his wife lost her phone some weeks ago and that it is possible that he may accessed their details from the phone if he has it because his wife stored their personal details on her phone.

13/07/2017 : 19/07/2017 :

NOSP served on Mr Cordell today at 4.05pm with Enfield Highway DWOs, copy attached.

27/07/2017 :

I telephoned Mr Mathiyalagan for updates on any recent incidents and he stated that there has been none. He also confirmed that he is willing to give a signed witness statement and will attend court to give if required to do so.

On request I contacted the viw explained the reason for my call – Mr [REDACTED] did have some reservations about going to court. Therefore I have arranged to conduct a home visit scheduled for Friday 4th Nov 16 at 2:30 pm then we discuss the matter further.

03/11/2016 :

Research conducted on Northgate – shows that Sarah Fletcher is the housing officer. I spoke to Sarah who is aware of issues with Simon Cordell and the action against him – however, she said she needs to gather more information as she has had a member's enquiry from Waltham Forest. As to our viw Mr [REDACTED] she has not had any complaints or court action. Therefore it is possible that the legal proceeding has been taken by the police.

04/11/2016 :

Phone call made to the Witness Service from the victims home – to possible arrange a pre-court trial visit to no avail.

I spoke to Sabran Witness Service Highbury & Islington court she advised pre-court trial visit are no longer arranged directly by them. I will have to go through Citizens Advice national contact centre. I she gave me a number however, I was getting no response on the number given 0208 733 6422. I also called 101 and was given another number 0208 733 5480 – again a voice recording with no one to take the call. I contacted the call centre again and was given another number with on digit difference to the previous 0208 733 6423 Clair Lockwood. A voice recording again I therefore left a message requesting a call back.

I received a call from Thomas Jones – Witness Care he advised that the CPS have dropped the case of [REDACTED] v Cordell. Reason – Not enough evidence to provide a realistic prospect of any conviction. In further discussion Thomas said DC Campbell was of ill – has now returned; however, he said he will contact Mr [REDACTED] in relation to the current position of the matter. I asked Tom if the CPS will be writing to Mr [REDACTED] directly – he said they should to advise accordingly. Tips given to report further incidents and keep records.

The recent event which took place a week ago. She was on her way out to attend her appointment with her CPN when he apprehended her and threatened to kill her. She was pretty shaken from the incident that instead of attending her appointment, returned home immediately. She advised that she contacted the police but, wasn't taken seriously as they assumed she was drunk at the time of the call. She advised that she wasn't in the list drunk but, just the way she spoke due to her condition. She still wasn't taken seriously and had to abandon the call.

She found this very frustrating and advised that it was not the first time this would happen to her. Her CPN also confirmed her statement and expressed her dissatisfaction at the way she was treated.

██████████ felt completely let down by the police and became frightful for her safety especially, as she knows the perpetrators has shells in his flat.

I observed in her flat that her floors were very creaky, I was made aware by Dawn that most of the flats in the block are like that. Unfortunately, the creakiness exacerbates the noise level in the flats and cause more problems than usual.

I advised that I will contact the police to make further enquiries. I will also contact MHT to enquire if Mr Cordell is known to them. At some point the perpetrator will need to be interviewed and a warning letter issued on him. I will contact the repairs team and try to arrange a surveyor to visit her flat and see what assistance can be offered

I further advised that her case will be investigated and an officer will get back to her to discuss further with her. Her CPN and TMO will be kept informed of updates

Bola Quadri has already put in place a safe guard alert.

At some point the perpetrator will need to be interviewed and a warning letter issued on him. I will contact the repairs team and try to arrange a surveyor to visit her flat and see what assistance can be offered

I further advised that her case will be investigated and an officer will get back to her to discuss further with her. Her CPN and TMO will be kept informed of updates

Bola Quadri has already put in place a safe guard alert.

Home visit to [REDACTED] advised that her neighbour at number 109 has for the past few months harassed, intimidated, stalked her and made a life a complete misery. He continuously plays loud music, bangs on her ceiling and door alleging that she is monitoring his movements in his flat. She feels petrified by his presence and as a result refused to leave her flat for fear bumping into him on her way out. She has missed a few appointments with her social worker. She has now been subjected to making home appointments pending the time this matter is resolved.

She explained that they use to be acquaintance's before the relationship went sour. She believes the whole problem started when he claimed the decoration in his flat was damaged as a result of a leak coming from her flat. She confirmed that she had a leak from her overflow a few months ago which has since been repaired but, the damage alleged had occurred.

Hi Dolly,

Myself and Nick attended [REDACTED] a while ago and spoke to the [REDACTED] a while ago when she originally called Police. At the time she didn't want us to speak to her neighbour as things had got better. The lady handed us a letter about what had happened but none of it made any sense.

We believe she was suffering from mental health issues. On another occasion we popped round to see her and she wouldn't come and speak to us so instead she spoke through her letterbox to us. The male at 109 - Simon Cordell who is causing the problems is very well known to Police and is also very anti Police. I know some Officers went round and spoke to him and things seemed to get better. After that we have had no further calls from the lady at [REDACTED]

We will try and get round to see her when were back on duty on Monday.

Kind Regards

Good afternoon Mark,

Could you kindly assist with this query please. Following reports of ASB by the above tenant, my colleague and I visited her this morning and were alarmed by the nature of her complaints. She has in the past few months being constantly harassed, intimidated, bullied, stalked and threatened to kill by her neighbour at 109.

As a result of his behaviour, she has become too scared to leave her flat for fear of what may happen to her. She is a vulnerable tenant who requires support from services. However, the unsettling behaviour exhibited by number 109, has hindered her from attending her appointments and exacerbated her condition. At the moment, she feels very disorientated / agitated and will like the harassment to stop.

She advised that she had reported this to the police a few times but, wasn't taken seriously.

I will appreciate if you could stop over at [REDACTED] to reassure her that the matter is being dealt with and also to stop by 109 and advise him that you are aware of what is going on and the repercussions should it continue.

Thank you for your support and assistance

low water pressure - harassment by tenant at 109

Thurs 26/01/17 - While in attendance at 117 Burncroft, where we were attempting to resolve a low water pressure issue, we were approached by the tenant of 109 Burncroft the ground floor flat. He stated that there were problems between him and the tenants of 117 without going into specific details. I was with a private plumber who was looking at the low water pressure problem at 117. We explained the problem to the tenant from 109 who stated 'you will not solve the problem as I am restricting their water supply!' obviously both myself and the plumber were shocked at this statement. Despite thorough investigation to the low water pressure problem we were unable to increase the pressure. However, before leaving the site I knocked at 109 asking whether he would increase their pressure, he stated 'I cannot do anything at the moment I will sort it out later!'. Despite the attendance of Thames Water (twice), the agents plumber, my plumber and various sub contractors from Enfield Homes this matter remains unresolved.

Simon Cordell – 109 Burncroft Avenue, EN3 7JQ

Following reports of continued low water pressure/supply to 117 Burncroft Avenue (second floor) despite information from Thames Water indicating that they had attended and that supply to the block 109-119 Burncroft Avenue was of a sufficient bar pressure, I tried to coordinate access to all flats on the right-hand side of the block potentially affected by the issue: 109, 113 and 117.

I wrote and hand delivered letters to all 3 of the properties requesting access for the Council Surveyor to visit and assess the water pressure in each on Friday 24th February 2017 between 10am and 12pm.

I spoke by telephone with Mr Irving, the leaseholder of 117, who had instigated the water pressure complaint who agreed that he would attend and give access.

I spoke by telephone with Mr George Quinton, the tenant of 113, who agreed that he would give access.

I spoke by telephone with Lorraine Cordell, mother of Simon Cordell, the tenant of 109 who said that no one was available to give access.

I attended with Steve Stirk, surveyor, on Friday 24th February 2017 at 10am. We were given access to 117 and Steve Stirk investigated the water pressure to the taps in the kitchen and bathroom.

We were unable to gain access to 113 as the tenant was not home – I called and left voicemail messages for the tenant but did not get any further response.

Steve Stirk suggested that we knock at 109 just on the off chance that someone was home. Mr Simon Cordell answered the door and, once Steve Stirk had explained that we were investigating the low water pressure/supply issue to the block, he allowed us into the property.

While Steve Stirk checked the water pressure in the kitchen, I introduced myself to Mr Cordell. He then became quite agitated and proceeded to regale me with the same issues that he had relayed to me during our previous telephone conversation including issues about his neighbours, the police and the Council conspiring to ruin his life as well as his work arranging community music events. He did not give me much of an opportunity to respond and kept talking over me when I tried to do so. Steve Stirk then went and checked the bathroom taps which he discovered were all already open (water running in wash basin; water running in bath which was full and going down overflow). We then thanked Mr Cordell for his time and left the property.

Outcome: It is unclear whether Mr Cordell running all of the taps constantly is linked to the issue of low water pressure as he is on the ground floor and 117 is 2 floors up (we had been unable to check the pressure in 113). Steve Stirk to liaise again with Thames Water about the issue and to consider separation of the water supply to the ground floor flat.

made some observations whilst in Mr Cordell's property, 109 Burncroft Avenue which are of some concern:

There is a security gate installed on the inside of the front door.

There were 3 large 'industrial' matrix type printers in the property (1 in the hallway and 2 in the living room)

Mr Cordell talked about running 'events'

A non-standard kitchen ie. a wall seemed to have been removed between the kitchen and the living room creating an open plan effect: No fire door

Much of the property was taken up by the printers, boxes and folders – possible hoarding (6)?

Simon Cordell – 109 Burncroft Avenue, EN3 7JQ

Further to ongoing issues related to water pressure/supply to the block at 109 – 119 Burncroft Avenue particularly to the right hand supply affecting 109, 113 and 117, I visited the block on Monday 8th May 2017 at 11am with Steve Stirk, Surveyor, and an MCP locksmith.

The purpose of the visit was to gain access to 113 Burncroft Avenue to assess the water pressure/supply to this property. Several attempts had been made previously to do this but the tenant was not there to give access so a 'forced' entry was made and the locks subsequently changed (the tenant had been notified previously that we would be taking this action if he did not provide access).

We entered the property so that Steve Stirk could test the water taps in the kitchen and bathroom. There was no flooring laid except for a rug in the living room (the kitchen was accessed through here) and the floorboards made a significant amount of noise as we stepped on them.

The resident from the property underneath, Mr Simon Cordell, heard us in the property and came upstairs. Steve Stirk and I were outside the property at this point as the locksmith started to undertake the work to install new locks on to the door (he was inside the hallway).

Mr Cordell proceeded to 'rant' at Steve Stirk and myself about his perceived victimisation by his neighbours. He was very agitated and loud – recounting his experience with the police, previous housing management, a previous partner, a previous neighbour and allegations of anti-social behaviour made against him.

Steve Stirk tried to explain that we were there to deal with a specific issue and that this was not the time or place to address these concerns. Mr Cordell did not want to listen and became fixated on Steve Stirk being 'dismissive' towards him (Mr Cordell's words). He went on at length about his upstairs neighbours, both past and present on first and second floors, 'banging' hammers deliberately above his head.

He continued to go on, in his agitated state, about how he had been treated by the police and previous housing managers who had promised him that they would re-lay the floor of flat 113 but had not done so. At this point the resident from 117, Mr Mathiyalakan Markandu, came down the stairs on his way out of the building. As he came down past us Mr Cordell focussed his attention on him and said to him: 'I'm going to the police station now with my evidence about you and I'm going to ruin your life'. Mr Mathiyalakan Markandu did not respond and proceeded to walk past and go down the stairs and out of the building.

Both Steve Stirk and I commented to Mr Cordell that the way he had behaved was threatening in nature and was not acceptable. Mr Cordell responded 'it's not a threat it's a fact'. He then continued to repeat his history with the police and previous housing management.

I asked Mr Cordell to calm down and tried to explain that some of these issues could have been addressed by attending the meeting that Lemmy Nwabusi in the CSU team had tried to convene with him. He said that he was not prepared to attend such a meeting but wanted to speak to me, his housing officer, now. I explained that as Steve Stirk had already said, that we could not address his issues there and then. I suggested that a meeting could be convened with both the CSU and neighbourhood teams to look at some of the issues with Mr Cordell. He indicated that he would be willing to do this if we came to his home to do so.

Further to my conversation today please note the following
I carried out a joint visit with Sarah back in January regarding low water pressure to 117
While on location the following was noted:

Kitchen internal wall has been partly removed
3 large industrial type printers found with assorted inks and cleaning liquids
Internal gate installed to front door
While all these items could be used in normal day to day interests the tenant made claims he was actively involved in planning and conduction events and the equipment was used to produce marketing leaflets and posters

This Monday we had reason to attend 113 to carry out a full lock change given accusation from the tenant that his lock had been glued so was unable to gain access the tenant claim the damage was caused by 109, (this cannot be confirmed) as the tenant did not attend both Sarah and myself did go in and while there was confronted by the tenant from 109, the tenant for about twenty minutes would not leave us alone and became increasingly aggressive despite attempt to explain to him that we had not come to see him or indeed were able to comment on any of his accusations on how Enfield had ruin his life were putting him in danger by leaving him in his flat, during this confrontation the tenant from 117 passed through the passage and the tenant from 109 stated he was going to ruin his life and generally became more irate towards the tenant.
It is clear that we are unable to allow this to continue as the body posture from 117 was defensive and did not wish to reply or get into any form of conversation with this tenant
Given that two member of staff were present and the confrontational attitude towards not only us but the other resident I believe we need to action this event to try and stop any further escalation from this tenant

Lastly I would recommend that we need full access to 109 to assess what is the true cause of the low water pressure to the flats above given the items found in the flat as well these need to be removed as does the internal gate please advise so I can carry out a full inspection as this is a complaint from the lease holder as they have very little water flow in the flat above and given the nature of the conditions and life style of 109 we are unable to show if he has caused the issue, on a housing point the internal wall that has been partly removed needs to be put back as it is a breach of fire regs

I telephoned Miss [REDACTED] to discuss her complaints against Mr Cordell and agree an action plan. Miss [REDACTED] stated that she has lived in the block since April 2015 and that the problems with Mr Cordell started about a year ago. She stated that he bangs on her door when she is sleeping at night and also follows her to her car asking her where is going or where she is coming from. She alleged that on 14th May 2017 Mr Cordell came and aggressively banged on her door, shouted abuse and threats at her and falsely accused her of making noise inside her flat. She stated that she does not make noise and that her flat is on the opposite side of Mr Cordell flat and therefore he should not hear any noise from her flat. She stated that Mr Cordell came up to her face in a very aggressive and intimidating manner to accuse her of coming into his flat to attack him and asking her why she comes into his flat. She denied going into flat and stated that he does everything to try and intimidate her.

She also complained that she feels scared every time she is going out or returning to her flat as Mr Cordell allows his dog to run freely inside the block.

She stated that Mr Cordell has banged on her door about 4 times in the past 2 months. She also alleged that he has followed her to her car twice in the past 1 month accusing her of coming into his flat to attack him and also kept asking her where she was going or coming from. She alleged that on one occasion, Mr Cordell stood in front of her car and will not let her drive away. She stated that he has been verbally aggressive and intimidating but has not been physically aggressive towards her. She stated that she suffers from mental illness and that this has exacerbated her problems and that she no longer feels safe living in her property. She stated that she has asked her neighbourhood officer to rehouse her as a result of the harassment from Mr Cordell. She stated that she is unable to complete incident diaries as a result of her illness but will telephone to report any further incidences. She stated that she has reported the matter to the police several times and believes that they are dealing with it. She stated that she has been staying with friends and family as she no longer feels safe to stay in her property on her own.

I write with regards to reports of anti-social behaviour, intimidation, harassment and threatening behaviour made against you by your neighbours.

The reports include using threatening, abusive and insulting words and language, aggressively demanding money, intimidation and making threats towards your neighbours. It is also alleged that on 4th October 2016, you banged on your ceiling and you later started to bang and kick at your neighbour's door. It is alleged that you were very aggressive and was shouting through your neighbour's door and that you then proceeded to drag his motorbike from where it was parked and started to smash it up.

It is also alleged that your dogs are left by themselves all day and night barking and causing noise disturbances to your neighbours. Your neighbours have also alleged that you have installed a CCTV in the communal area with the camera pointing towards the main entrance to the block thereby making them to feel very uncomfortable when entering and leaving the block. Your neighbours have alleged that this is an invasion of their privacy.

If these allegations are true, they are in breach of the following terms and conditions of your Tenancy Agreement:

Dear Mr Cordell,

Re: Allegations of Anti-Social Behaviour, Harassment, Intimidation and Threatening Behaviour

I write with regards to reports of anti-social behaviour, intimidation, harassment and threatening behaviour made against you by your neighbours.

As requested, I sent an email to you on 10th February 2017 with details of the allegations made against you. We now need to meet with you to discuss these allegations and give you the opportunity to respond to them.

I have therefore arranged for you to meet with me at the Civic Centre, Silver Street, Enfield, EN1 3XY at 2.30pm on Wednesday, 22nd February 2017 to discuss this matter. You should contact me on 02083795354 to rearrange the meeting if this date is not convenient for you. Please ask to see Mr Lemmy Nwabuisi from the ASB Team, Community Safety Unit at the reception when you get to the Civic Centre.

Dear Mr Cordell,

Re: Allegations of Anti-Social Behaviour, Harassment, Intimidation and Threatening Behaviour

I write with regards to reports of anti-social behaviour, intimidation, harassment and threatening behaviour made against you by your neighbours.

I wrote to you on 29th December 2016 to arrange to meet with you on 6th December 2016 to discuss these reports but you cancelled the meeting. I wrote to you again on 31st January 2017 to arrange to meet with you on 9th February 2017, you also cancelled the meeting. I then wrote to you again on 16th February 2017 to arrange to meet with you on 22nd February 2017 and again you cancelled the meeting. I have enclosed all three letters for your information.

It is unfortunate that you have repeatedly refused to meet with us to discuss this matter and look at ways to resolve the problems between you and your neighbours. The allegations made against you by your neighbours, if true, are very serious breaches of your tenancy conditions. It is important that we meet with you to discuss these allegations and give you the opportunity to respond to them.

I have therefore arranged for you to meet with me at the Civic Centre, Silver Street, Enfield, EN1 3XY at 3pm on Wednesday, 22nd March 2017 to discuss this matter. You should contact me on 02083795354 to rearrange the meeting if this date is not convenient for you.

Please note that if you fail to attend or call to rearrange this meeting, then we will have no option but to serve a notice of seeking possession against your tenancy without further warning. The council may also take further tenancy enforcement and/or legal action against you if further substantiated allegations are made against you.

Kind Regards

Yours Sincerely
