**David Philipse** Not your fault. End of the day rum and bass fucked it for everyone involved in the rave scene. Raves should never have come to Croydon it is the baitest area in london, look at the crime rate it's madness, so thy have bare police at the ready 24/7. Such a fucking shame I'm now broke cause I spent the last of my money getting up there and ended up being stranded 2 hours journey away from my house. Sorry it didn't happen mate you ain't to blame like I said the whole scene is fucked and squats are off my list for a while.

This day last year a soldier was killed on the streets of London by a terrorist quite sickening that not one status on my news feed has been about this HAVE You all FORGOT or chose to ignore the barbaric actions by more then a small minority R.I.P lee rigby.... by the way this isnt a open debate
