Hi josey

Yes I forgot to add the information for her

Nikki Diamond
cunningham and Lindsey
Aquila House,
35 London Rd,
Redhill,
Surrey
RH1 1NJ

I am sure they do have a London address also,

Nikki Diamond direct number is 07766785525 the office number is 01737 784600
I called the office when I 1st contacted them and they give me Nikki mobile number
I am sure I had her email but I can't find it now but the office or calling her you should be able to get it.

Trevor Allaway said there would be no problems with the statements and pictures as it was direct information from the insurance company not the insurer. He said it would be good for you to take a full statement from Nikki Diamond as she got all the case information for the claim so not only is the pictures good she will know a lot of information.

I am also sending over the to him the pictures that we got from the police as he would like Nikki Diamond to see them as they are the same mess as in her pictures which we saw today as he had a copy of them here in the file.

Hi Josey

As said on the phone to you we had a meeting with the insurance man Mr Trevor Allaway today, the meeting went well for both of us in the fact that information was given on both side and the Trevor Allaway said this will help both of us.

There is some fact he told us and confirmed that with Nikki Diamond while here on the phone as Nikki Diamond was the main person dealing with the insurance claim before I talked to her on the phone some time ago about the claim Mr Patel & D Patel had put in. She then handed it over to Trevor Allaway.

We have been told that the problem the insurance company had with the claim that was put in Feb 2013 was that they did not believe them. When taking out insurance you have to state the conduction of the property they believe he did not do this correctly as when the damage was reported and Nikki Diamond went to see the property the damage and conduction to the property did not look correct at all. He also said that he is not insured for the contents in the building. He only has insurance for the building.

The insurance company also said that it is down to the owner to keep the building in a conduction of repair which was not the case when Nikki Diamond went to see it on the 28/03/2013. you could see there was damage that was being claimed for that was done a lot earlier. And the building was not kept to a good state.

There is 3 cases that have been put in total in damage on the invoice that was put in was under one invoice as Mr Petal told the insurance company he could not see what damage had been done when this is why the case was joined together after he put the claim in on the 07/06/2013 the invoice was for a total cost of £40,000.

The dates claims was made for are

16/02/2013 after the party

25/03/2013 a next claim was put in for the alarm. Which he was meant to have fixed but I sure he did not as there was a next break in on that date.

Nikki Diamond then went to see the building for the 1st time on the 28/03/2013 she took pictures of all the damage at this time.

Then they put a next claim in on the 07/06/2013

Now when Nikki Diamond went to the building on the 28/03/2013 and took pictures of the damage, they are the same as the pictures the police took of inside the building in May 2013, nothing had been done to that building the mess was still there where the stock was, and the list of damage they have for the earlier case is all the damage the roof the brick walls the graffiti, the front fore door, the alarm, the staircase and more was listed. This damage to this building was there when Nikki Diamond went to see the building on the 28/03/2013 so how could Simon have done any of this damage.

Mr petal also never told the insurance company about the building being

squatted he only said the building was broken into.

There was more said but the end part is really we help them they help us and Mr Trevor Allaway said that we need to get Simon solicitors to set a meeting with Nikki Diamond so a statement can be taken from Nikki Diamond about the claims. I asked him will she do this and he replied yes she will do a statement about the case for Simon. He also said he needs to go back and have a think about what to do with this claim as some of the things he was told by us.

So can you please set up a meeting with Nikki Diamond to take a statement from her for Simon Case.

Lorraine/Simon
