Section 3 of the Criminal Law Act 1967

“A person may use such force as is reasonable in the circumstances in the prevention of crime, or in effecting or assisting in the lawful arrest of offenders or suspected offenders or of persons unlawfully at large.”

On TUESDAY 26th AUGUST 2025 I was on duty in full uniform attached to U343 in a marked police carrier on commissioners reserves in NA BCU.

We were on route to an arrest enquiry to 280 DURANTS ROAD EN3 7AZ to arrest Simon CORDELL 26/01/1981 where he had breached his bail conditions on 17/08/25 for failing to make himself available upon a visit at 2115 hours and for a battery breach on 20/08/2025 where his tag had depleted at 0218 hours. Before we was on route I conducted all the checks and on the police system and replayed all the information to my colleagues on the breach conditions and background checks on CORDELL. It showed that CORDELL a lot of previous dealing with the police and he flashed suicidal, self-harm and Ailment.

We arrived at the address at 1945 hours myself PC DECHAMPS, PC CHEUNG, PS WARD and PC AFREHMENSA JNR made our way to the door as I got there I knocked on the door as we was waiting for answer we could hear two males talking inside PC DECHAMPS stated “CAN YOU OPEN THE DOOR” a male occupant inside stated “WHAT DO YOU WANT” to where I replied “IT’S THE POLICE WE NEED TO SPEAK TO SIMON” the male occupant stated “WHAT DO YOU NEED TO SPEAK TO SIMON?” then another male voice stated “DON’T OPEN THE DOOR ITS THE POLICE THEY WILL ARREST ME”. We asked several times to the occupants to open the door, then a black male wearing a green NHS uniform opened the door slightly and stated “EXCUSE ME WHAT DO YOU WANT?” PC DECHAMPS explained to him that we had to speak to Simon, I now know the male to be Earl who is Simon’s father, he was being very obstructive and would not let us into the property and speak to Simon. Earl kept asking why we was here to speak to Simon; we explained that Simon was an Adult and that if he let us into the property or let us speak to Simon we would be able to explain. As we was trying to Explain why we was there the other male in the property was light skinned male wearing a grey t-shirt and dark trousers who I now know to be Simon CORDELL, he was shouting in the back while Earl was holding the door half way “DON’T LET THEM IN” both males was being very obstructive and was refusing to let us. CORDELL kept saying he has been in the house every day and the Tag company came yesterday. PC DECHAMPS explained the we could enter by force under Section 7 of the bail Act 1976 and also under section 17 Police and criminal evidence act.

Earl was still holding the door and both males was trying to push the door against PC DECHAMPS at that point myself and PC DECHAMPS entered the property under Section 17 Entry, nominated power from section 7(3)(b) Bail Act 1976, as we entered CORDELL started to move back and a slight run into

the front room, as he was moving back he raised his right arm towards PC DECHAMPS and assaulted in him the left side of his shoulder. At that point PC DECHAMPS grabbed CORDELL as he was resisting and managed to get him onto the sofa to detain him. I quickly ran and assisted PC DECHAMPS I grabbed hold of CORDELL'S right arm to try and detain him as he was aggressively resistant and was tensing his body, PC CHEUNG and PC AFREH-MENSA JNR also came and assisted to detain CORDELL, he was then arrested by PC DECHAMPS for breaching his bail. I tried to keep hold of his right arm as he was very strong so I had to struggle to keep him detained with the help of my colleagues so I can get my handcuffs out and secure him, I then managed to get my handcuffs out and passed them to PC DECHAMPS where CORDELL was then placed in handcuffs and secured.

We got CORDELL up off the sofa and stood him up and made sure he was alright, he was further arrested for Assault on emergency worked by PC DECHAMPS.

Whilst we were waiting for the van I went into the kitchen and spoke to Earl where I gave him all the details of the breach and explained to him as to why we were here.

The van turned up CORDELL was taken to WOOD GREEN CUSTODY and then went back into the address with PS WARD where we explained again the details of the breach and I then left the address.

These notes were completed at 2233 hours at WOOD GREEN CUSTODY.

I am a police officer attached to U3:4 of TSG (Territorial Support Group) 3 Area. My core roles are tackling serious public order offences and proactive policing, targeting violent crimes involving weapons and drugs on a day to day basis.

During this statement I may refer to force used under the following legislation:

Common Law

"A person may use such force as is reasonable and necessary to defend themselves or another against attack"

Section 3(1) Criminal Law Act 1967

"A person may use such force as is reasonable in the circumstances in the prevention of crime, or in effecting or assisting a lawful arrest or offenders or suspected offenders or of persons unlawfully at large"

Section 117 PACE

"Where any provision of this act confers a power on a constable and does not provide that the power may only be exercised with the consent of some person, the officer may use reasonable force, if necessary, in the exercise of the power."

On Tuesday 26th August 2025 I have been on duty as part of U343 with Inspector HORTON, Sergeant WARD, PC WHITE, PC KENNY, PC CHEUNG, PC AFREH-MENSAH JNR and PC SUDOOLLAH. At around 1945hours, we have attended 280 DURANT ROAD, EN3 7AZ to conduct an arrest enquiry for a Simon CORDELL dob 26/01/1981 who was wanted for breach of tag. CORDELL has breached his tag conditions as set out by the court where on

the 17th August 2025 he has failed to make self available upon visit, and on the 20th August 2025 at 02:18hours there has been a battery breach.

Upon arrival, I have knocked at the door to the address, I could hear voices coming from inside although mumbled I could make out what I believe to be two male voices. I have heard one of the males say who is it, I have responded saying it is the police, I have then heard from behind the closed door someone say what do you want. I have then asked for them to open the door, and I would speak to them. On saying this, I have heard one of the male voices say words to the effect of ‘don’t open the door, they are going to arrest me’. The door has then been opened, and I have seen a IC3 male, with a bald head at the door the IC3 male with a bald head has appeared to be trying to hide whom was behind him as he has tried to keep the door half closed. I have asked to speak with Simon, I have then seen another male popped from behind the IC3 bald male, who I instantly recognised from a custody image that I have viewed on way to the address. I have asked to come past the IC3 male, but he has continued to stand in between myself and Simon at this point I have closed the gap so that the door could not be closed. I could feel straight away that the door was being pressed against me as if it was being tried to shut on me. I have continued to try and reason with the IC3 male, but he has remained in the way asking why we was there, I have tried to explain that we were here to speak with Simon, and that because he was an adult I would need to speak with him directly. Whilst speaking with the IC3 male who I have noticed was wearing a NHS uniform on some descript, he has throughout continued to push the door against me, and at times Simon has joined him as well. I have tried to speak with Simon but throughout he has been shouting, a lot of which I could not make out as I was also being spoken at by the IC3 male. I have tried to keep my eyes on Simon, as I was mindful of him running out of the back and also the possible consequences of him running inside where he could possibly arm himself with a weapon. I have stated to them both that I could use force to gain entry if needed but did not want to do this and have throughout tried to reason with them both. After a minute or two, and on Simon appearing to become further agitated I have pushed past the IC3 male to take control of Simon. On doing this I thought that the risk posed to myself, and colleagues has raised to a high risk, I have that Simon was planning to do something to myself in trying to get away. I have seen that behind where Simon was going towards was a kitchen where there are multiple weapons available. I have chased

after Simon, to arrest him for the breaches where on doing so Simon, has flung his right arm towards me when I have gone to grab him which has hit me on the left shoulder area. I have immediately then taken control of Simon where I have taken him to the floor but landed on the sofa, where have shouted at him several times to calm down, Simon was continuing to resist officers. I have at 1950hours, told Simon 'YOU ARE UNDER ARREST FOR BREACH OF BAIL' I have then cautioned Simon. I have been unable to explain the full circumstances to Simon at this time due to his behaviour and resisting officers and fighting with us putting him into handcuffs. After a short time and with the assistance of other officers, Simon as been placed into handcuffs in a rear stack position where they have been doubled locked. Once under control we have stood Simon up where I have then explained why he was under arrest and provided the dates as mentioned above. I have also at this time arrested Simon for assault on an emergency worker as when trying to detain him he has swung out at me hitting me. Throughout Simon has persisted in acting verbally aggressive towards officers and even when in handcuffs he has continuing to tense up where it was necessary to control Simon. When speaking at officers and being animated spit has come from Simon's mouth, I have controlled Simon and forced his face away from me. I have warned Simon about this. I have asked Simon if he needed his shoes, and a jacket and any other property which he has asked for.

I have entered the property using Section 7 Bail Act, and Section 17 PACE to effect entry to arrest a wanted person.

Simon has been taken a caged van that had been requested that was waiting outside. Before placing Simon into the caged van, I have checked his handcuffs and loosened these as when initially placed on this was during a struggle. I have doubled locked them again. Simon has then been conveyed to Wood Green custody where the facts of the arrest have been relayed to the custody Sergeant who has authorised Simon's detention. I have had no further dealings with Simon after this.

Both Simon and the IC3 male, from opening the door to leaving was extremely obstructive towards police.
