Good morning Ian,

Thanks again for your call yesterday as it was appreciated. I've completed the forms and bundled as requested and placed everything into a single **WinRAR file**, now attached for your convenience.

I've filled in Section 1 with clarity, and I'll follow up shortly regarding the appropriate adult note and I hope your morning runs smoothly!

Warm regards, Mr. Simon Paul Cordell.

Dear Simon Cordell,

Thank you for the phone call of today's date.

As discussed I attach two Legal Aid Authorities to apply for Legal Aid online and one request to transfer Legal Aid. Please sign and date both of these documents on page 2 and complete what you can of the first page but do not worry about the USN the firm will complete this section.

I have also enclosed the request to transfer please complete in as much detail as you can Section 1 for me.

I would also be grateful if you could confirm the reason that you had an appropriate adult when you were interviewed in relation to the first matter we discussed since clearly the police determined you as vulnerable.

I would be grateful if could return these forms today because I will at the very least want to get them date stamped so that the Legal Aid process starts from today.

Should you wish to forward me anything further please do so but the priority currently is for the forms attached to be signed and returned.

Accordingly I await hearing from you.

Kind regards,

Ian McLarty
