Subject: Legal Aid Defence

Introduction Email – Note for Complaint Submission

Subject: Submission of Formal Complaint and Evidential Chronology – Cordell v. Procedural Breach

Dear [Recipient Name or Title],

Please find attached a formal complaint detailing multiple procedural breaches, solicitor misrepresentations, and evidential contradictions that have directly impacted my legal defence, housing, and representation.

This complaint includes:

- A breakdown of Legal Aid misrepresentation and solicitor obstruction
- Evidence of charge substitution without arrest, caution, or interview
- Contradictions in MG11 statements and tenancy records
- A comparative table of offences showing statutory requirements bypassed
- Exhibits confirming the unlawful extension of bail conditions and GPS tagging

I am requesting a written response within 7 days. The record is timestamped, cross-referenced, and supported by over 40 exhibits. I am prepared to escalate this matter further if necessary.

Yours sincerely,

Simon Paul Cordell

109 Burncroft Avenue (currently inaccessible due to bail restrictions)
