Subject: RE: SIMON CORDELL

Dear Mr. Dear Forster

Could you please put this email in front of the legal adviser, the alleged erroneous entries on my PNC as you have put it, are made up from the court as the police would not be able to put records on a person's PNC record without a case being put in front of the courts.

My Mother has asked the court to check all the registries at the court against the records the police hold on my PNC record. This showed the errors and as you said to my mother at the court if a case is not listed at the court, then it was never heard at the court.

There are 5 errors of no listing on my PNC that the court does not have in the court register how can this be?

My mother has been to the police who do not want to address this issue therefore she came to the court as the court should hold all records.

By the legal adviser not wanting to write a letter showing my records have been checked by the court what is this saying. why should a person be able to ask the court to check their records, yet the court does not want to get involved in errors they found? This is a miscarriage of justice; the court has not found records in the court registries that are on my PNC record, yet the court does not want to do anything about it.

Regards

Simon Cordell

Dear Mr. Cordell,

Further to your request for a letter from the court regarding the alleged erroneous entries on the PNC, the legal adviser has stated that the court cannot supply this information: you must make your request through the police.

There was a list that took some time for you to go over, and then my mother Lorraine Cordell came to the court to pick them up once you had looked every up. Since this time, we have been trying to get this addressed as there were a number that was not in the court record, you gave my mother a printout that you had done with stars on the ones that was not in the courts register, please see attached document. Since this time, we have been dealing with Flo at Highbury Corner court to get a letter done by you to say you did in fact look at the court register and did not find these records on the court register. My Mother and I have sent many emails to Highbury Corner Court and have gone to the court and spoke with Flo and we see to not be able to get this issue addressed. Therefore my mother came to Enfield court on the 15/09/2015 to see if she could speak to you, but you were on leave so she asked for your direct email, I am writing this email directly to you to see if this issue can be addressed and a letter written saying you looked at the courts registers and did not find the ones marked on the list you gave my mother. As it seems the printout you gave her is not enough and it does

need a court headed letter to show in fact the work that you carried out looking into my data the court holds.

Could you please investigate this issue and let me know if a court headed letter can be made up and if so, my mother Lorraine Cordell could come to the court and pick it up, if you could let me know by replying to this email, I would be most grateful.
