worked there, but their profile suggests they were working elsewhere during the same dates, along with a discrepancy in their age based on their profile picture, here are some steps to consider:

1. Verify Information:

- Double-check the accuracy of both sources (clinical notes and LinkedIn).
- Ensure you have the correct person, and that the LinkedIn profile indeed belongs to the individual in question.

2. Discuss with the Individual:

- Reach out to the person directly (if possible) to clarify the discrepancies.
- Ask about their employment history during the specified period and any potential reasons for the inconsistencies.

3. Consider Context:

- Sometimes people update their LinkedIn profiles retrospectively or inaccurately.
- Consider whether the clinical notes might have errors or missing context.

4. Document and Communicate:

- Document your findings, including the discrepancies and any communication with the individual.
- If relevant, discuss this with colleagues or supervisors to determine the best course of action.

5. Maintain Professionalism:

- Approach the situation with sensitivity and professionalism.
- Avoid making assumptions or drawing conclusions without further evidence.

When faced with such discrepancies, it's essential to approach the situation thoughtfully. Here are some steps you might consider:

1. Gather Evidence:

- Collect all available evidence, including clinical notes, LinkedIn profiles, and any other relevant information.
- Ensure you have accurate details about the person's identity.

2. Contact the Individual:

- Reach out to the person directly (if possible) to discuss the discrepancies.
- Ask about their employment history, any changes, and the reasons behind them.

3. Document Everything:

- Keep detailed records of your findings, conversations, and any additional evidence.

- Note timestamps and relevant context.
- 4. **Consult Colleagues or Supervisors:**
 - Discuss the situation with colleagues or supervisors.
 - Seek guidance on how to proceed.
- 5. **Consider Privacy and Professionalism:**
 - Maintain confidentiality and professionalism throughout.
 - Avoid making assumptions or accusations without solid evidence.
- 6. **Verify Identity:**
 - Confirm that the LinkedIn profile indeed belongs to the same person mentioned in the clinical notes.
 - Sometimes profiles can be misleading or mistaken.

Remember, your primary goal is accuracy and patient care. If significant concerns persist, follow organizational protocols or consult legal or HR professionals. ☺

13/08/2012	<u>The reasons to why we are demonstrating these Days Exhibits!</u> • Is because we have most important took time to thoroughly examine the evidence presented and served to us, meaning that we have considered any inconsistencies or potential manipulation in order to determine the veracity and reliability of these	

documents. This evaluation was crucial to us in the making of these case files that we Exhibit as we understand that we must mandatory provide a fair and informed judgment in these proceedings.

- Another reason is because this information was illegally shared and then afterwards used against Mr. Simon Paul Cordell to build a mental health history against him to help Enfield Council and North London Police get away with a frauded Asbo Application and years of prior harassment.
- This avoidance of justice for the mentioned also includes using their media departments and available resources to undermine the Now Clients Good Character and well-being in the public's view that inspired hatred by them against him to an extent where they tried to take his life away from him continuously with vicious assaults that ranged from both mentally and physically attacks. These attacks continued throughout each day and night and were never stopped no matter how violent they became. The days and night have now turned into years that add up to 10 years and more, but yet nothing has been done to prevent these crimes from being stopped.
- Further information about these days' exhibits can be found inside of the PNC Files we submit with these files.

- My mother was contacted as I have learning difficulties and therefore needed an appropriate adult, on records. This was due to being disadvantaged in reading and writing but that changed by official personal to Mental Health Reasons, unfairly.
- I went to the hospital with the police simply because I believed I had been spiked and this is why the Exhibits 1 and 2 are doctors' notes.

Exhibit 1 - Police Acro Notes

This exhibit pertains to the arrest made by the police at the defendant's home for a robbery crime allegedly committed 7 years prior. The defendant, upon being informed of the allegations, vehemently denied any involvement and provided an explanation. The defendant claimed to have attended a festival, where they consumed alcohol and subsequently became ill, experiencing hallucinations. he stats that he had been resting at home, contemplating whether to call an ambulance, until the police arrived and arrested him for armed robbery. As a result, the police opted to take the defendant directly to a hospital. Due to the defendant's learning difficulties, his mother was contacted to act as an appropriate adult.

- The Rio note when received were not in a chronological order making them very hard to understand as the Server printout was inputted to be and it is said that this was deliberately manipulated to cover up the true facts of what has really occurred as to what we complain about.

WHEN EXAMINING EXHIBIT 2 EVEN MORE!

- The doctors' notes mentioned in Exhibits 1 And 2 are related to the defendant being spiked.
- Exhibit 2 is obtained from our clients RIO Notes and contains a Hospital A+E Arrival Note.

a) **Dr Smith sent to the Mental Health services a Record of notes**

b) **Mohammad Fohim is the person who updated those notes into RIO.**

- **THIS SECTION OF PARAGRAPH IS TO BE ABLE TO CONCLUDE WHETHER THE NOTED EXHIBITS ON THIS DAY WERE FABRICATED IN THE FUTURE DUE TO THEM BEING REQUESTED FROM EXHIBITS DISPLAYED ON THIS DAY: --**

- It is possible that these notes were extracted from our client NHS Medical Notes and used to create RIO Records for him to which were received by him on the **26/01/2019**.
- There is also a possibility of them being original notes made and created on the very same day as the **14/08/2012**.

- When being certain of which way to believe in these circumstances to debate fairly and with a fair reasonable discretion it is fair to say that: -- Due to this day's exhibits, I.E. Exhibit 2 and 3, which are both RIO notes that we have paginated in day and time order, we can Aser firm that: --

- The likelihood of them being frauded, when considering this aspect, it becomes hard to stipulate whether or not these documents were fraudulently made
- Most notes are made from prior doctor's notes submitted into RIO and this causes the intel to become entangled from the true facts that really occurred or become that of the doctor or member of staff who entered the original notes being able to conclude their work notes without their personal opinion taking a prescription

Please take note that in the likelihood of our provided documents in these proceedings being fraudulent when provided to us, we have taken into consideration the possibility of those files that may have been created using prior doctor's notes submitted into the RIO system. And in such a situation we have concluded that in those circumstances it would cause the information to become entangled or distorted, and or may still potentially influenced by the personal opinions or biases of the doctors or staff members who entered the original notes.

However, the exhibits titled as 13/08/2012 - 1, 2, 3 provide valuable evidence. Exhibit 1 is a printout from the RIO Database, which showcases the original notes stored on their servers and created on the specified dates. These notes appear to be unmodified or entangled, accurately reflecting the events that unfolded during those times.

Exhibit 2 consists of RIO Notes, including a Hospital A+E Arrival Note. It is suspected that these notes were extracted from our client's NHS Medical Notes and used to create RIO Records, which were subsequently received by our client on 26/01/2019. However, there is also a possibility that these notes were originally

		created on 14/08/2012. In order to determine the most accurate scenario, it is important to consider the following: ➤ The RIO notes exhibited as Exhibit 3 are timestamped at 18:58pm, indicating that they were created later. On the other hand, exhibit 2 is timestamped at 12:51pm, providing no evidence to suggest otherwise. A fair and reasonable evaluation of these circumstances leads to the conclusion that... ➤ (continue with your argument or conclusion). ➤ What these exhibits titled as the 13/08/2012 - 1, 2, 3, prove: ➤ The Exhibited as number 1 is a printout from ➤ RIO Database that demonstrates the original notes on their servers made on the listed dates. The notes seem to be unmodified or entangled from the true events that unravelled on the dates mentioned. THE 13 August 2012 a) Exhibit 1 : Time Stamped Is: 10:30AM This would be the time of arrest it statters but b) Exhibit 2 : Time Stamped Is: 12:51PM While c) Exhibit 3: Time Stamped Is: 18:58pm,

1+ Faxed referral received from CFH A&E Dr Smith

2+ Reported SC was under police arrest (for? crime related offence) and four police officers brought him to CFH A&E due to effects of LSD he took over the weekend.

3+ He had about 2 x paper LSD last Saturday and 25mcg liquid LSD on Sunday, also had about 1 bottle of rum yesterday.

4+ Had been partying over the weekend at a festival.

5+ Was under care of medics (? had first aid) at the festival.

6+ Was agitated on arrival, but calm down later.? hallucinating, seeing different colours.

7+ No other risk or symptoms identified. Dr Smith reported that these LSD effects might last for about 48hours.

8+ Referral triaged and advised that he did not need an emergency mental health assessment at present. Advised for him to see his GP. Likely would be arrested by police.

Exhibit demonstrates the incident that took place entangled from the true events that occurred and evidences the reasons behind the polices unruly methods for detention.

- Police Came to mine and arrested me “for an accused shop robbery, I got held then bailed for the robbery case and while leaving the custody room the next day, I got re arrested, straight away for a separate car case, I got transported from Hertfordshire to Birmingham!

The Third exhibit highlights the discrepancy between the actual events and how they were portrayed, showcasing the chaotic nature of the police's approach to the defendant's detainment. Following the first arrest for robbery, the defendant was later re-arrested the next day for an unrelated car-related case, leading to their transportation from Hertfordshire to Birmingham.

It has been discovered that the first arrest is retroactively dated back to 7 years and 3 months ago, as indicated in the "Combined Acro Report."

Exhibit 3 - Investigation on Mohammad Fohim's Validity

Upon careful examination of Exhibit 3, it is evident that Mohammad Fohim received a fax on 13 Aug 2012 at 19:13 from the accident and emergency department at the North Middlesex Hospital. The sender of this fax was Dr. Smith, and Mohammad Fohim appears to be the original author.

Furthermore, it is also crucial to consider the weight of the additional evidence presented by the government official in Mr. Simon Paul Cordell's RIO Records, as this evidence may also suggests that Exhibited correspondent labeled as number 2 could have been fabricated at a later date with the intention of fraudulently adding information to our client's records, particularly the records created by Doctors in the RIO Records.

It is pertinent to note that our client, the Now claimant, has been deemed innocent in these proceedings as the police and CPS took no further action in the case.

Moreover, our client has had no recent encounters with the police for the past 8 years. However, the police have backdated the case by 8 years.

Dr. Smith, the assessing doctor, noted in his report that Mr. Simon Paul Cordell displayed no other concerning symptoms or risks aside from the effects of LSD, which he estimated to last approximately 48 hours. Dr. Smith advised the Referral triaged team that our client did not require an emergency mental health assessment for this incident but recommended a visit to his GP.

On 19 Oct 2018 at 12:57, Mr. Simon Paul Cordell discovered the damage caused by the unauthorized use of his name. This discovery substantiates the violation of his privacy and raises further concerns.

Mohammad Fahim is affiliated with Barnet, Enfield, and Haringey Mental Health NHS Trust (BEH), an organization that provides integrated mental health

and community health services in North London.

BEH employs approximately 3,000 staff members and serves a population of just over a million people. With an annual income of approximately £210 million, BEH offers specialized services such as

- a) The North London Forensic Service at Chase Farm Hospital.
- b) The “Eating Disorder Service at St Ann's Hospital. And
- c) The Child and Adolescent Inpatient Services at Edgware Community Hospital,
- d) Additionally, they operate the Halliwick Centre for personality disorders and the National Fixated Threat Assessment Centre.
- e) Furthermore, BEH has taken over Enfield community services as part of the Transforming Community Services program in 2010.
- f) It is noteworthy that BEH recently sold a site at St Ann's Hospital in Haringey for £53 million in May 2018, with the intention of utilizing the proceeds for housing purposes.

For more specific information or if you have any further questions, please feel free to inquire using the provided contact information: Bay Tree House, Christchurch Close, Enfield EN2 6NZ. You may also reach BEH at 0208 702 4070 or send general inquiries to BEH-TR.EnfieldCAMHSSAFE@Nhs.net. In case of emergencies, access the 24/7 Crisis Line at 0800 151 0023.

Mohammad Fahim's collaboration with the Barnet, Enfield, and Haringey Mental Health NHS Trust (BEH) commenced in **2021**, following the establishment of a partnership between BEH and Camden and Islington NHS Foundation Trust (C&I). This collaborative effort aims to enhance mental health care across North London, focusing on local, preventive, co-produced, and person-centered support for service users and communities.

- On the **19 Oct 2018 12:57** it is archived that **Mohammad Fohim logged back into Mr. Cordell's records** and left another Record on intel, which proves he was monitoring or taking a part in the coordination of our client's life by use of these records.
- It is Noted that he and other were trying to arrange a bed in a mental health ward for me after reading the notes and being able to tell the truth!
- It is part of Mohammad Fohim job to understand the Mental Health Aspect of the RIO Records and after all its his name logged into the records in question and it is also correct to say that this is why his working department was sent the original notes by Dr Smith. So, how could he not be able to understand what we as members of the public, can now prove with the records as to what has really happened.

➤ The Bios Decision that was made by the Enfield Councils Staff was intentionally caused to deter the true ongoing from being established as justice in the United Kingdom prevails it must i.e.

- a) Forged asbo and it being published even when, we appealed by the police first and Council in them knowing of our complaints about the Asbo.
- b) Emails about Neighbors attacking Mr. Simon Cordell due to the Asbo being published in the Newspapers alongside with the use of the same media department then on afterwards using those departments to entwine the true events to lose that did not really occur to undermine his character and use that intel then afterwards again to deprive him physically by use of NHS Services

- Classified Information was illegally shared with Dolly Ogunseye, while he was working for the Enfield Council of Mr. Simon Paul Cordell's.
- **E.G. "I appreciate the detailed information you've provided"**
- The Classified information that was illegal shared was stated that it would be used to assist the Enfield Councils Community Safety Unit in deciding a way forward.
- **E.G. "It will assist us in deciding a way forward."**
- The decision made to request the information from the start was with evil intent as to the true facts that were ongoing that the Enfield Council were in receipt of due to.
- **I.E.**
- It was not Mr. Simon Cordell who was stating that the Neighbors were attacking him, it was another person, his mother. Which would mean that they would of need to request her records as well and also meet the victims first and reply to any correspondence being sent to them about emergency situations such as when someone is being attacked.

3+ Discharged from MH services, suicidal thoughts are longstanding from early childhood and present at times of high stress, not 'A typical' of other forms of suicide as relates to thoughts as opposed to wish to die, and usually found in context of those presenting with early childhood trauma as a way of expressing emotions.

A.1

4+ 00/11/2014: Nov 14 - Mental Health Act assessment, not detained in hospital, discharged from mental health services. Presented highly volatile, angry & paranoid about motives of others, presented in context of social stressors due to on-going issues with police & court process - mother reported he has been targeted by police causing him stress??

5+ He has a medical history of Crohn's disease which may impact on mood stability particularly if not compliant with treatment and monitoring of symptoms. All assessments completed by mental health services have found no evidence of serious mental illness, he appears to be a very angry young man who has had an extremely difficult and traumatic early childhood which is likely to explain his distrust of people in authority (e.g., police) and being angry at others and at the world....

Sandra Muschett

Sandra Muschett is associated with the **Barnet, Enfield & Haringey Mental**

- today to inform her and she has told Simon.
- 5+ Extremely unhappy, says he is going to come here with his solicitor - took down our address.
 - 6+ Says he has always said he would see me (this is true). Although refused me, the doc and AMHP access the other week.
 - 7+ Demanding I find out the nature of the warrant and what do I know about it. Asking to see me this afternoon.
 - 8+ He wants a call back in half an hour.
 - 9+ He is due for an MHA assessment tomorrow at 10am.
 - 10+ Police are coming.
 - 11+ The mother has clearly disclosed details of the assessment tomorrow to Simon. We are going to walk into a very hostile situation.
 - 12+ I believe he may have CCTV cameras outside his flat facing the street as he mentioned to me previously that he saw someone sitting in their car (although this could be part of his paranoia).
 - 13+ He does have CCTV in the entrance hallway.
 - 14+ Could the police/assessing team please have forewarned.
 - 15+ Maybe we need to meet around the corner rather than park outside his flat.

Thanks,
Amal Pomphrey

I apologize for any inconvenience. It appears that **Lucas House at 305-309 Fore Street, Edmonton, N9 0PD** does not have a registered company number on the **Companies House** website. There could be several reasons for this:

1. **Non-Company Entity:** Lucas House might not be a registered company in the traditional sense. It could be a different type of organization, such as a charity, community service, or government entity.
2. **Unregistered Business:** Some businesses operate without formal registration as a limited company. They might be sole traders, partnerships, or other legal structures.
3. **Privacy or Confidentiality:** Certain organizations choose not to disclose their company details publicly due to privacy concerns or other reasons.
4. **Recent Establishment:** If Lucas House is a relatively new establishment, it might not have completed the registration process yet.

For more specific information, I recommend contacting Lucas House directly or checking with local authorities. If you have any other questions, feel free to ask! 😊

If **Lucas House** is a government entity, you can find information about it through the **North Middlesex University Hospital**. The **Forest Team** operates from **Lucas House at 305-309 Fore Street, Edmonton, N9 0PD**. [They provide a wide range of home and community-based nursing services in Enfield,](#)

including holistic assessments, scheduled and unscheduled care, case management, wound care, and palliative care¹. Additionally, you can explore the **Community Mental Health Centre** located at the same address². For further details, consider contacting the relevant authorities or visiting the hospital's website. If you have any other questions, feel free to ask! 😊

- **The Police Were Looking Through My Record for Anything They Could Find and Use Against Me to Approach Trying to Set Me Up as They Came Across Any Intel They Could Find.**
- We have looked in the Now Claimants Diary and Extracted Our Exhibits, as we have found that the first arrest backdated 7 years & 3 months.
- The following snippet is an extract from the **“Combined Acro Report”** and is the wrongly Alleged robbery Case that our client suffered because of and this Exhibit of ours demonstrates
 - a) **The Offence Date of The Offence**

		b) The Arrest/Summons Ref: c) The Noted -- a) Offence Date: 16/04/05 13:40 PM. b) Arrest/Summons Ref: 12/41HQ/01/20685J. c) Noted: No other risk or symptoms identified. -- ➤ With the Offence Date being the 16/04/05. ➤ And the Date of Arrest being the 13/08/2012, as marked in this document main table. Which means the arrest was backdated 7 years & 3 months. ➤ This Demonstrates: 1+ A 2+ A 3+ A ➤ These are just a few aspects extracted of concern extracted from the original files.
		Exhibit 15 The alleged robbery offense is stated to have occurred on 16/04/2005 at 13:40 PM, while the date of arrest was 13/08/2012, leaving a period of time in between that requires clarification. These pieces of information are mere excerpts from the original file, pointing out that the defendant had not come into contact with the police regarding any other offenses. Additionally, we present another extracted file that exhibits the defendant's last known prior arrest date for shoplifting, which occurred on 14/10/2009.

		○ Another extracted file that we exhibit is the last prior arrest date that our client is known for and the type of offence! 14/10/09 Shoplifting ➤ As this piece of evidence demonstrates that Mr. S. Cordell had not been in trouble with the police until they wrongly arrested him and detained him to attend court on the date listed in this documents main table which is the 13/08/2012 for which he was not charged to go to court due to him claiming to be innocent and providing evidence to those facts to which the police and CPS based upon their own evidence could not contend against. This information was wrongly being used to obtain Home Mental Health Warrants. Detain Our Client in mental hospitals. Build a negative repour about our client. Enforce medication and medical intervention within his life.

○ **Statement**

Exhibit 1: +

- We are not too concerned about the Asbo at the present time in this document but due to obvious reasons such as making a timeline to reference ongoing, we have included these notes here and in a few other dates locations.
- One being that the Enfield council and the police both developed the Asbo together and signed certificates to that fact even aloe this was not noticed by our client as they never attended court, our client released after the Lower Court Conviction of their involvement.
- Sunday Going Out on Motor Bikes!
- This case was ongoing when the Asbo was developed and placed inside of it but I won the case before the Asbo trial and they refused to account for my winning and

The interviewing police officer manipulating the true events to gain a wrongful guilty conviction by being the first arresting officer and lying about the amount of damage caused and disregarding important facts like 3 people being prior arrested and NFA'D for the same crime on a date before the date to which he was claiming for our client to have caused the damage to the property then in question and also, due to our client finding out this hidden and relevant information because he was being wrongly accused and detained away from his freedom, did he and others manage to contact the insurance company then being also claimed against for the 1st hidden event to then be provided with that intel including pictures of the damage and police officers name in charge for them to be able to work out that it was the same interviewing officer setting him up in the interview room as he was in charge of both investigations and new of our client's innocence for the accusations he brought to court. It is correct to say that 3 quarters of the way through the lengthy and unruly court proceedings and police proceeding did our client take it upon himself to contact his doctor to explain to him of the damage being caused to his life by the <u>"Police and CPS Keep Extending the Bail Conditions and Wrongfully!"</u> and this was because of the way the case he won was making him feel, I.E: -- 1) They as the accused started to 2) J

CASE HISTORY

24/01/2017: On the 24/01/2017 My mother had requested my personal Data held about myself on the Enfield Councils computer system and so on to delivered to ourselves and this is the date that the information got taken out of there computer systems.

Y

01/03/2012: March 12- 1st contact with MH services following arrest after a bad trip of taking LSD & alcohol, mental state assessed remained in custody of police - no MH input

Z

02/03/2014: March 14 - 2nd contact, assessed by team psychiatrist, presented with anxiety & suicidal thoughts in context of social stressors due to pending court case leading to stress. Discharged from MH services, suicidal thoughts are longstanding from early childhood and present at times of high stress, not 'A typical' of other forms of suicide as relates to thoughts as opposed to wish to die, and usually found in context of those presenting with early childhood trauma as a way of expressing emotions.

A.1

00/11/2014: **Nov 14** - Mental Health Act assessment, not detained in hospital, discharged from mental health services. Presented highly volatile, angry & paranoid about motives of others, presented in context of social stressors due to on-going issues with police & court process - mother reported he has been targeted by police causing him stress??

He has a medical history of Crohn's disease which may impact on mood stability particularly if not compliant with treatment and monitoring of symptoms. All assessments completed by mental health services have found no evidence of serious mental illness, he appears to be a very angry young man who has had an extremely difficult and traumatic early childhood which is likely to explain his distrust of people in authority (e.g. police) and being angry at others and at the world....

The below was granted as a FOI **24/01/2017**
The Enfield Council and NHS and Co illegally used it to create a forged Mental Health History in our client's name.

Debbie

Good afternoon, Mark,
Just received some disturbing news about an incident
that took place today. I was made aware that Simon
Cordell attempted to strangle the tenant of 113

extremely shaken by the whole episode. She is petrified
at the moment and refuses to leave her flat. Would it be
possible to contact / visit her today ASAP please?

Thank you

classified documentation in a public place in knowing what she was doing was against the rules to which she was entrusted.

- It is also said that Sophie Theodoulou then later forged a statement to cover up the true events to which she made occur on this date.
- It would be a very unlikely situation for the 4 attending police officer who attended at 109 Burncroft Avenue Enfield, on the 12/09/1014 not to of had their body cams on record when serving the Asbo order on this date.
- A complaint was issued and served directly to the Edmonton police station and other complaints have not stopped being made ever since in regard to what really happened.
- The serves of their post were contended as to being served in accordance to post.
- The file was accepted by the Edmonton police station as lost property found in a public place but yet no follow ups accord that highlighted the failures committed by these police offices.
- When the file was requested from lost property the police said they had lost it in the property room and therefore could never return it.
- Instead of the correct follow up by police officials, management left manipulative messages through the 999 calling systems introductive messages that the property room could no longer be talked about over the telephone.
- PC Sophie Theodoulou Lied and said that she Served the First Asbo Folder and mad a backdated statement that was submitted in the [year of 2015](#) to cover up her tracks and make the Asbo look like it was in accordance to law when she and others clearly knew the truth of it not being.

On Friday 12th September **2014** I attended the address of Simon Cordell in BUMCROFT Avenue EN3 with A/PS 556YE PETRUCCI, PCSO NASSEER and PCSO TILLEY.

I knocked on Simon Cordell's front door at 1230 hours and he opened the door and asked what we wanted; I asked him if he was Simon Cordell, to which he replied, "Yeah." I stated to him that I was here to issue him with a summons to attend Highbury Corner Magistrates Court on 6th October **2014** at 1:30pm. Mr. Cordell stated, "What is this for?" I informed him that it was for an ASBO; I showed him the summons and the folder and as I went to hand him the folder and the summons Cordell stated, "I'm not accepting that, I'm not having that." Cordell then placed the folder on the floor, outside his door, in the hallway. I stated to him that he does not have to accept it and that I have already informed him of the date, time and where to go. Mr. Cordell then shut the door before I could hand him the summons, so I posted it through his letter box. Mr. Cordell was also told to inform his solicitor of this. Mr. Cordell was a light skinned, mixed race male, with short black hair and was of medium build.

"Telephone call received from Simon's Mother to say that he is really unwell."

1) Lucy Clitherow

2) This statement lacks Clarification from the now claimants' mother as she disputes making any telephone calls to the NHS about her son and in fact states it was them who called her.

"**1.** He is extremely paranoid towards her; **2.** he thinks the television is talking to him and **3.** he is having quite a lot of trouble with the police."

 - 1) [History: No](#)
 - 2) This is the first piece of evidence that is present for the **19/11/2014** by us and in the RIO Notes
 - 3) The Exhibited as exhibit 1 for the 19/11/2014 was received after a subject access request was granted by the NHS Services on the **26/01/2019**.
 - 4) The data contained in the RIO report that we requested is not complete with the complete intel that the NHS hold or held so, the released intel becomes misleading to the true events that occurred on this date in question with part of the reason being that presented in **Exhibit 6** is **point 3+ of the 19/11/2014: --** which is an exhibit that was extracted from the RIO Records of our Client that demonstrate that the NHS Hold more data that is relevant to this day and with the reason being the

statement made in Exhibit 6 / point 3+ of the 19/11/2014 states as follows: --

a) **Extracted Snippet from Exhibit 6 - Point 3+ Of The 19/11/2014, Which Is This Same Day:** -- “We attended the flat around 17.30. There were police outside. They had been attempting to enter as they had received complaints from neighbours due to Simon screaming out in distress.”

5) The Extracted Snippet clearly demonstrates:

a) The file or files that are missing due to a doctor prior being able to see them and make his report assumptions from them.

b) Relates to the memories of what really happened between our client and his mother to do with this very same incident that complies with the doctors’ notes and not the notes left for us to read on this day, I.E. **“Complaints from Neighbors Due to Simon Screaming.”**

c) The date we received the files was at the start of the year of 2019, which leads to doubt about their Certification.

d) If our client never put the doctor’s assessment notes into the 19/03/2015 due to them showing the day’s true events, then what we would have seen on this date it just notes setting his mother up.

e) From the start of the Enfield Council and the doctor’s involvement with our client how they manipulated the true events in his life to criminalize him as a criminal in knowing that they were setting him up and to also be able to use the NHS mental Health Services powers governed under the Mental Health act 1969 for wrongful self-gain to any extent when depriving him of his life property and/or

wellbeing. It is evident that Dawn Allen and Dera Morgan both fabricated true facts to create a mental health record than address true facts that were made official to themselves to convict Mr. Simon Paul Cordell by using past records that should not have been shared and that they and other continued to manipulate any true event while creating fake events against him there on afterwards, so it is heron said that to believe in the accuracy of the very same records that they developed from the start while they and others defaced true fact as make it impossible to determine the true events from those frauded records but neither the less as we continue to proceed we become faced with files that have been deliberately removed.

not hear our client or his first partner when living in their own rented flats during the first five years.

13) Both Ozzie's and our Clients flats run ajar to each other sharing a complete wall that run through their front r

14) The cost of finding out the truth was worse than losing a large amount of money.

- I was to find out how much this was a lie.
- I was angry with Ozzie because he caused a lot of unneeded stress on my relationship, for so many years prior and he kept breaking promises to fix the problem.
- So, when the police arrested me in the burglary case and I got put on the bail conditions I had gone to Ozzie house and spoke to him, I took a seat in his flat with him, so to sort out the problems in mine and my partner's life's, I did this so to address Ozzie with the issue.
- I explained myself in full and how this was having an effect on us.
- After coming home, I had been upset due to what had got explained to me, by my new partner at that point in time.
- What I was to find out later was that Ozzie had been listening through the walls of my upset.
- I still to date cannot believe what he has done to me, and my loved ones, he had made an emergency 999 phone call to the police about overhearing me in my own home and then the police called the doctors to arrive for the first time in my life and this was not the only time the doctors would visit me.

		➤ Allegations state that I became paranoid about my mother to whom I and my mother disputed, the home treatment team attended my home address on this date and made a call to my mother. ➤ When the home treatment team turned up to my flat the police was already there, the home treatment team phoned and spoke to my mother asking her, if she understood why the police was there, which she replied to them no, she also explained to the home treatment team that the police kept coming into my flat for no reason. ➤ The Home treatment team then talked to the police and left my mother on hold. ➤ My mother heard what got said by the police to the home treatment team as too why they were at my address again. ➤ The police said they got a phone call: stating that I was shouting, they gave the home treatment team 3 different door numbers to my entrance door, which were all wrong. Not one person admitted that they understood who made the 999 calls to the police. ➤ The Home treatment team told the police to leave. ➤ On this day I was fine until the police turned up at my flat once again. ➤ I was not shouting or upset, so do not really, believe someone called the police, worried about me or if they did, they were setting me up. ➤ Due to how the police are with me, I got upset and would not open the door, so I sometimes shout to the police in these situations, through the door, as I feel safer, the police do not leave me alone, so why

would I open my door when I am on my own, I always feel safer waiting until someone I have contacted gets to my flat, so they can see what is going on.

- Home treatment team told my mother I seemed to upset for them to talk to and she told them it was no wonder the police are going to his flat all the time when he has done nothing wrong.

1) hjj

In short, the files exhibited within this day were requested and received in the year of 2019.

The now claimant mother telephoned her son and told him what was going on with the doctors contacting her and wanting to do a Mental Health assessment. she even provided recording equipment in his home because of this and that's how the assessments were recorded.

The now claimant knows that on this day he came back to his home after having a conversation with his then partner and laid on his front room floor and shouted allowed to himself that he was upset with Ozzie his next-door neighbour because if he had stopped renting his flat out like he had promised to and Shaked our clients hand ion an agreement to then he would have still been in the same relationship and not have met anyone knew.

Draft notes

- **It was Bang, Bang, Bang Time for our clients due to the Police, Doctors and his Next-door Neighbors, with one in particular being a man nicknamed as Ozzy Who Lives Next Door and his Real Name Is Hassan Ozman whom all went into a criminal motion to mess up our client's life!**

- **Additional Notes Are:** --
a) This form was created on this day of the **19/11/2014**.
b) This is an exhibit disclosing the notes left by doctors for our analysis.
c) The presented information serves to establish the occurrence of events.
- 1+ The parties named within this document may be held accountable for any civil or criminal wrongdoing that can be proven to have been committed against our client.
- 2+ Notably, an official form, specifically the "Enfield Crisis Resolution and Home Treatment team Referral Form," was unjustly leveraged against our client.
- 3+ **Crisis Care Practices**
Compliance with specific crisis care practices is mandatory when completing

		an Enfield Crisis Resolution and Home Treatment team Referral Form. It is alleged that these regulations were intentionally violated, particularly in regard to providing accurate information. Our exhibited evidence strongly suggests that the professionals involved in the referral, application, and assessment purposefully jeopardized the life of Mr. Simon Paul Cordell by fabricating events. This manipulation of facts points directly to their culpability in terms of providing accurate information.
	4+	Accurate Information. Furthermore, it is alleged that the professionals knowingly neglected to ensure the accuracy and currency of the information utilized and presented in the Official Crisis Referral Form. They manipulated true events to construct a negative profile against our client, ultimately undermining his well-being and quality of life. This improper and illegal misuse of their professional powers reflects an abusive manner of conduct.
	5+	Relevant Details When Applying to The Courts:
	6+	Relevant Details During and After the Official Assessment Took Place! The lack of inclusion of crucial details in the referral, application, and assessment further highlights the professionals' misconduct. They failed to document the true series of events and overlooked evidence that demonstrated our client's innocence. Instead, they incorporated negative hearsay that had clearly been

		manipulated by themselves and their colleagues.
		7+ These actions, which can now be proven to stem from fabricated facts, when Dawn Allen and Co painted our client who was an innocent member of the public asking for their help into a perpetrators and members of his neighbors who were the true perpetrators into the victim as now it has become clear that our client was not the wrongdoer. Consequently, the relevant details regarding our client's health, condition, symptoms, and recent incidents leading to the crisis were omitted, disregarding the importance of providing fair, specific, and concise information.
		8+ Risk Assessment: When the Accused as liable Assess the risk level carefully. If the person is in immediate danger or poses a risk to themselves or others, clearly indicate this on the form. Include any relevant information about suicidal thoughts, self-harm, or violent behavior.
		9+ Consent: Obtain consent from the person in crisis (if possible) before submitting the referral. Explain the purpose of the referral and the involvement of the Crisis Resolution and Home Treatment team.
		10+ Urgency: Indicate the level of urgency. If the situation requires immediate attention, mark it as urgent. Otherwise, provide relevant context regarding the timeline for intervention.
		11+ Collaboration: Collaborate with other professionals involved in the person's care. If the crisis is related to an

existing mental health condition, share relevant information from their treatment history.

- 12+** Remember that crisis resolution and home treatment teams aim to provide timely and effective support to individuals experiencing mental health crises but instead tried to deprive our client of his wellbeing and / or life.
- 13+** It is also said that if the official guidelines were followed within protocol, then this would have ensured that our client would not have been abused with a referral process frauded to be used like a knife out of a kitchen cupboard draw.

Subject: Re: Complaint Simon Cordell

To Whom It May Concern:
Complaint.

1+ I am writing this email to many issues with my address of 109 Burncroft Avenue, Enfield, EN3 7JQ, over many years now I have had big issues with damp to my flat, I believe there is a wide area of concern being that. I believe there are leaks to pipe work in other flats above and beside me. This is causing the conditions I am living in and the flat is very damp. I have had a large amount of work done to try and stop this to my flat but believe due to other flats having issues this is causing my flat to suffer and this is causing my health to suffer. My flat has been unlivable due to the damp and the issues just being covered up and not repaired in the way in which they should. Since some major work was carried out in my flat for damp, they had to remove the radiators in my flat also due to leaks in pipe work under the floors. These were never replaced once the work was completed, so I have had to live for years now with no heating. When they came to do a lot of work to my flat, they had to take the flooring up in my bedroom, and bathroom, they had to replace part of it, due to the leaking pipes the floor and joists have very badly bowing and rioting. But due to them not fixing the leaks the rest of my floor in my bedroom has now started to sink, so I know the problem has not been fixed, also the smell of damp as soon as you enter the bedroom is very bad. and this is also still ruining my belongings, I [have already had to replace everything](#), and I am not willing to keep replacing due to things not being done correctly. I have had around 12 surveyors to my flat each time they saying they would sort heating out for my flat and other things which has never happened therefore I have been living at my

flat with no heating since the large amount of work was done. I have made many phone calls each time they just say they would send a surveyor again to look what needed doing. but how can they keep doing this and not correct the problems, until around Jan of **2015** all the information was on their system about all the problems this now seems to be missing, I am told people will call me back, but the calls never come. The last set of surveyors sent was around Nov **2014** and all work was planned to be done. The person came to see how much pipework was needed, but no one has come to do the work, and when I call all, I get told it is being looked into. When work was also carried on my flat re doing the electric, they wired in fire alarms and a Carbon Monoxide alarm, I made many calls to say these had not been fitted correctly, and due to this got carbon monoxide poisoning due to a faulty boiler and the Carbon Monoxide alarm not working. When they did come out in Nov **2014** I was left with no boiler for weeks until parts could be ordered, work was also meant to be done to rewire the incorrect rewiring of the alarms this has again not been done and I feel very unsafe. They also repaired a new damp section to my wall, but due to them not fitting the underlaying problems with other flats this has again come back. I believe to leaking pipe work. I have told the council many.

Page 1770,

2+ times about the other flats but nothing has been done and this is causing my health to suffer badly, this is now just not good enough. They were also meant to repair my back-door window, this is not just a back door it has windows each side to it. That has a large hole around the window frame where you can see outside. This was also meant to be fixed and has not been. The other day I got up to a

large amount of water on the floor due to the hole around the frame of the window and it had been raining, this has happened more than once due to this, and it is raining. Also, the window in my bedroom does not lock and needs a new hinge. Also, when the police kicked off my front door, I give the CAD number to get this address as my front door is not safe and nothing again has been done to sort this out. Also, the new toilet wish was fitting is not secure I have had this repaired once already but it still is moving around, and I feel unsafe. I just want a home to live in and to be warm and not have all these problems and for them to be addressed but I am getting nowhere, so the only option I have left is to put this complaint in. If I did not pay my rent, you would soon get me out of the flat but when it is repairs that need done nothing gets done. I am paying full rent for a flat I cannot use right; I have to sit there with covers on just to try and keep warm, this is no way to live, and I have had enough of nothing being done. I would like a reply to this complaint within the next 14 days as I feel I have waited long enough for work to be carried out on my flat. could you please reply via this email, and also confirm you have my email?

Regards
Simon Cordell

Dear Dawn Allen

- 1+ I do not understand why all my phone calls and emails are not getting addressed, I have really tried and so has my son, we have been making calls all the time to try and get something done and I have sent a lot of emails including a complaint email dated **01/07/2015** which I still have had no reply to.
- 2+ My son and I have tried to talk to the neighbors which have done nothing they still keep on. My son's health is suffering due to what has been ongoing for a long time. We have tried to get help from the council as if the council speaks to them maybe they will stop what they are doing.
- 3+ I also went to 117 but I believe they were not at home so did not speak to them about the issues.
- 4+ I went to Debbie at 113 to try and talk to her but she just started to shout at me through the door. I did try and say to her through the door could she let me speak but she was just screaming at me so I went back down to my son flat the banging is very bad, and you can clearly hear they are doing this is not just someone living their life as normal people would.
- 5+ You can even hear her following my son around in his flat banging; he does not even want to take a bath because he can hear her above him banging on the floor.
- 6+ Yet she still keeps coming down to my son door asking him for money to buy drinks my son has told her could she please leave him alone and stop coming to his door and to please stop following him around and banging on the floor and pipes, but this has not helped she just acts like nothing is going on.
- 7+ Debbie has now started to go to my other neighbors at 111 and they are drinking and now 111 is also banging.
- 8+ I don't know if it is due to Debbie liking my son and when his and his partner ended in **Mid-2013** she was hoping something would come of this, as this is the time when she started to come to my son flat door a lot more. when my son was with his partner, she used to come to his door maybe once a week for money but after they ended, she was coming down more and more she even was trying to give my son drink, he does not drink so would not accept it. She was also writing my son letters and putting them through his door, the letters are not readable. The main problem with Debbie seemed to start when she came to my 1st son's front door and saw a girl in his flat. She saw the girl more than once and I think this upset her. Since this time things have got worse and worse, and my son's health is really suffering.
- 9+ Please can something be done as we really do not know what to do any longer, if you cannot do anything about the neighbors in the block can you please see if you can move my son as he cannot take any more, he needs to be able to rest and sleep which at this time it is impossible, this is unfair what is going on to my son's health.
- 10+ Please can you reply to this email as you have not done to any of my other emails or calls or the calls my son

	has made regarding this issue, which I do not understand why. Regards Mother

- 7+ Debbie has now started to go to my other neighbors at 111 and they are drinking and now 111 is also banging.

If this happened as selected and nothing has been done about it as of today's date 25/07/2024 even aloe we have attempted to follow legal process leading to staff allowing violent disorder against Mr. Simon Cordell by members of his neighbours and anyone who copies them, also the staff have made up more fake claims about Mr. Cordell and attempted to process them as court application to which they lost at court without trials due to using the fake claims from the start and then when realizing they will lose at trial they used the same fake claims to create a mental health history against him and then afterwards used those fabricated Mental Health records to take away his legal capacity to litigate and otherwise, just to stop the court proceedings they brought in knowing they were frauded to then be ordered by the judge to rehouse Mr. Cordell but to refuse then afterwards out of court to comply and develop more fake claims instead
Question: what has been done wrong in this selected email?

Based on the information provided, the following specific aspects of the situation could be deemed problematic or erroneous:

1. Failure to address ongoing incidents of violent disorder: Despite repeated phone calls, emails, and complaints from the victim and his mother, the staff has not taken any action to address the violent behavior of the neighbors and others who are causing harm to Mr. Simon Cordell. This lack of response indicates a failure to fulfill their duty to ensure the safety and well-being of residents.

2. Fabrication of false claims and court applications: The staff has made up additional false claims against Mr. Cordell and attempted to submit them as court applications. This unethical behavior not only undermines the integrity of the legal process but also obstructs justice by using fabricated claims to impede court proceedings.

8+ I don't know if it is due to Debbie liking my son and when he and his partner ended in Mid-2013 she was hoping something would come of this, as this is the time when she started to come to my son flat door a lot more. when my son was with his partner, she used to come to his door maybe once a week for money but after they ended, she was coming down more and more she even was trying to give my son drink, he does not drink so would not accept it. 10+ Please can you reply to this email as you have not done to any of my other emails or calls or the calls my son has made regarding this issue which I do not understand why.

Regards
Mother

3. Refusal to comply with a court order: Despite being ordered by the court to relocate Mr. Cordell, the staff has refused to comply, further prolonging the situation and disregarding legal requirements.

4. Withholding communication and lack of response: The staff has failed to respond to multiple phone calls and emails from the victim's mother, indicating a lack of communication and a disregard for addressing the serious concerns raised by the family.

Overall, the staff's inaction, fabrication of claims, refusal to comply with court orders, and lack of communication contribute to an environment that enables ongoing violence and fails to protect the well-being and rights of Mr. Cordell.

Based on the information provided, several human rights violations and legal breaches can be identified in this situation:

1. **Right to Safety and Security:** The failure to address ongoing incidents of violent disorder against Mr. Simon Cordell by his neighbors and others violates his right to safety and security. The staff's inaction in response to complaints and their refusal to take measures to protect him are concerning¹.

2. **Fabrication of False Claims:** The staff's creation of fake claims against Mr. Cordell and their attempt to process them as court applications undermines the integrity of the legal process. Fabricated claims obstruct justice and prevent fair trials¹.

3. **Refusal to Comply with Court Order:** Despite a court order to rehouse Mr. Cordell, the staff's refusal to comply demonstrates a disregard for legal requirements and exacerbates the situation¹.

4. **Lack of Communication and Responsiveness:** The staff's

failure to respond to phone calls and emails from the victim's mother violates basic communication rights. [It shows a lack of accountability and concern for addressing serious concerns raised by the family](#)¹.

[In addition to these specific violations, it's important to note that the UK government has faced criticism for policies that weaken human rights protections, including laws affecting asylum seekers, voter disenfranchisement, judicial oversight, and the right to peaceful protest](#)². These broader issues may also be relevant in evaluating the situation. However, the specific actions of the staff described in the email directly contravene Mr. Cordell's rights and legal protections. [Learn more](#)

That's not clear enough can you do it as if in you were a solicitor, please

Certainly, let me provide a more concise legal analysis:

1. Negligence and Breach of Duty:

The staff's failure to address ongoing violent disorder against Mr. Simon Cordell by his neighbors and others constitute negligence. As part of their duty of care, they should have taken reasonable steps to ensure his safety and security. Their inaction could be seen as a breach of that duty.

2. Fabrication of False Claims: The staff's creation of false claims and their attempt to process them as court applications is highly irregular. Fabricating claims undermine the integrity of legal proceedings and obstructs justice. This behavior could be legally actionable.

3. Contempt of Court: Refusing to comply with a court order to rehouse Mr. Cordell is a serious matter. It may amount to contempt of court, which carries legal consequences. The court's

orders must be followed promptly and in good faith.

4. **Communication Failures:** The staff's lack of responsiveness to phone calls and emails from the victim's mother is concerning. It demonstrates a lack of professionalism and may violate basic communication rights.

In summary, Mr. Cordell's situation involves potential legal violations related to negligence, fabrication of claims, contempt of court, and communication failures.

I recommend seeking legal advice promptly to address these issues effectively. Please consult with a solicitor who can provide personalized guidance based on the specific details of the case.

what about attempted murder

Copilot

Using the web

Sent by Copilot:

In order for a person to be guilty of attempted murder, they must deliberately, intentionally, or recklessly, with extreme disregard for human life, attempt to kill someone.

The crucial element is that there should be a substantial step toward committing the crime¹.

Essentially, attempted murder involves both an action (a direct step toward killing) and the specific intent to kill the victim².

If you have further questions or need legal advice, I recommend consulting with a solicitor who can provide personalized guidance based on the specific details of the case.

Would this account to attempted murder?

if a member of the police, Enfield Council, or Mental Health Doctors, deliberately allow member of the public to keep using their rented homes of themselves, as tools to hurt an individual who also rents his home from them on a housing estate in the UK on purpose as to what happens is the following: --

The police, Enfield Council, created a forged Asbo that keeps him locked up in his house illegally even aloe they state otherwise and when he is in his in his home both the next doors flat and the two flats above him all banging on the walls and floors that they can reach as adjoining walls or celling to his flat and deliberately torture him by with drills and creaking noises and ;loud banging, they following him in any room he goes in to hurt him and once reported this was allowed to continue without any fair intervention due to the initial reason it started being of when the police, and Enfield Council, both created the forged Asbo they published it against him in a bad light and due to him being able to prove his innocents by way of demonstrating their corruption they choose to abolish of him by any means possible.

This has gone on for years at a time now and without any fair investigation as the situation stays unmonitored by all as he is in his flat and also more than one person states this to be factual to the Council and police as well as doctors.

Member of the police, Enfield Council, and Mental Health Doctors deliberately allowed members of the public to use their rented homes from them as tools to harm Mr. Simon Cordel who is an individual who also rents his home from them on a UK housing estate. The following occurred

- The police and Enfield Council have created a forged Anti-Social Behavior Order (ASBO) that unlawfully confined him to his house, despite their claims to the contrary.
- When he is at home on this illegal curfew, both the neighbor's flat next door and the two flats above

		him repeatedly bang on the walls and floors, intentionally tormenting him with drills, creaking noises, and loud banging. • They even follow him from room to room, inflicting harm. Despite reporting this, no fair intervention has occurred because the initial issue arose when the police and Enfield Council fabricated the ASBO against him and spread news to the fact that he had been made guilty by use of their media departments and resources. • By demonstrating their corruption, he has proven his innocence, yet they persist in their unjust actions, effectively silencing him. • This situation has persisted for years without proper investigation, as it remains unmonitored by relevant authorities. Multiple individuals have attested to its factual accuracy when communicating with the Council, police, and doctors.
		The law defines “conspiracy to commit murder” as when the defendant agrees with one or more other people to intentionally and unlawfully kill someone, and any of them takes some act in pursuance of such agreement¹. In other words, if multiple individuals conspire to commit murder and at least one of them takes steps to further that agreement, it can be considered conspiracy to murder. However, it’s essential to consult legal professionals for precise advice based on the specific circumstances. 📄👤

Hi **Dolly,**
Nick and I
attended a while
ago and spoke to
the A while ago
when she
originally called
Police.
At the time she
didn't want us to
speak to her
neighbor as things
had got better.
The lady handed
us a letter about
what had
happened but
none of it made
any sense.
We believe she
was suffering
from mental
health issues.
On another
occasion we
popped round to
see her, and she
wouldn't come
and speak to us
so instead she
spoke through her
letterbox to us.
The male at 109 -
Simon Cordell
who is causing the
problems is very
well known to
Police and is also
very anti Police.
I know some
Officers went
around and spoke
to him and things
seemed to get
better.
After that we have
had no further
calls from the lady

umpteen
complaints about
the neighbors
spanning the last 6
months which you
can see from the
emails, this is not
including the
numerous amount
of phone calls
being made (which
cannot be proved
but were made and
noted in emails
sent) why do you
feel it lawful to
ignore me and not
address my issues
but when a
neighbor has an
issue with me, the
speed you act with
to help them only
shows you wanted
to victimize me and
make me suffer the
way I have been for
all this time. Also,
this shows a
complete lack of
due care towards
Mr. Cordell. Why is
it that Enfield
Council received in
their words lots of
complaints from
Debra Andrews but
when we received
the SAR, they only
start on the
23/09/2021?

We will try and get around to see her when were back on duty on Monday.

Kind Regards

Good afternoon,
Mark,

Could you kindly assist with this query please.

Following reports of ASB by the above tenant, my colleague and I visited her this morning and were alarmed by the nature of her complaints.

She has in the past few months being constantly harassed, intimidated, bullied, stalked, and threatened to kill by her neighbor at 109.

As a result of his behavior, she has become too scared to leave her flat for fear of what may happen to her.

She is a vulnerable tenant who requires support from services.

However, the unsettling behavior exhibited by number 109

has hindered her from attending her appointments and exacerbated her condition.

At the moment, she feels very

disorientated / agitated and would like the [harassment](#) to stop.

She advised that she had reported this to the [police a few times](#) but, wasn't taken seriously.

I would appreciate it if you could stop over at to reassure her that the matter is being dealt with and to stop by 109 and advise him that you are aware of what is going on and the repercussions should it continue.

Thank you for your support and assistance

[Doliy Ogunseye Anti-Social Behavior Officer 58,](#)

In light of the [above, has](#) been identified as one of many cases involved in this process. You will shortly hear from an office with the community Safety Unit advising you of the name of the officer that will be dealing with the case.

Dear Dawn Allen

- 1+ Was meant to send a surveyor out to see how the pipes have been laid for my heating system, but this has not been done.
- 2+ When work was carried on my flat re doing the electric, they wired in fire alarms and a Carbon Monoxide alarm, I made many calls to say these had not been fitted correctly, and due to this got carbon monoxide poisoning and ended up in hospital due to a faulty boiler and the Carbon Monoxide alarm not working. when they did come out in **Nov 2014** I was left with no boiler for weeks until parts could be ordered as they had to cap the boiler off, work was also meant to be done to rewire the incorrect rewiring of the alarms this has not been done and I feel very unsafe as I feel if my boiler went wrong again the Carbon Monoxide alarm would not go off.
- 3+ The window in my bedroom does not lock and needs new hinges.
- 4+ The new toilet wish was fitting is not secure. I have had this repaired once already but it still is moving around, and I feel unsafe.
- 5+ The Sink has come away from the wall in bathroom.
- 6+ After major works being done to my flat for damp the smell of damp as soon as you enter the bedroom is very bad.
- 7+ They fixed damp in my front room, and this is still not died out due to them not fixing the reason for the damp.
- 8+ I was told that the guttering was causing the damp in my flat and needed it to be done. Someone came around months ago and told me the work was due to be done this has never been done.
- 9+ The pipes bang in the flat really bad I was told it was the main stop cock that needed replacing the pipes are still banging badly so this cannot have been done.
- 10+ When the man came out to do my heating the council had told them I had removed all the pipes from my home, the man was stocked to see them all still in place and

9+ It is said by us that on the **00/00/0000** the following took place.

could not understand why he had been told this.

11+ I have had so many surveyors come to my flat and say work is going to be done but it never is I think this is most of the list that still needs to be done.

immediately. She advised that she contacted the police but, wasn't taken seriously as they assumed, she was drunk at the time of the call.

-
- 5+ For a fact this would not have been able to have occurred due to the simple fact that the accused incident had not happened until the **30/09/2015 / 28/09/2015** and 100% means that the council history was created after this date, to cover up what had really happened and was allowed to continue.
- 6+ On the **30/09/2015 / 28/09/2015** my mother and I both sent an email to Dawn Allen explain what had really happened on this date and this was never added to the Enfield Councils History due to information providing a fair account of the true ongoing that situated on the **28/09/2015** that proved my innocence.
- 7+ On the **22/12/2016** Debra Andrews made up information was explained in brief to I and my mother by Geoffrey Mann but not in full as he understood that he was Dawn Allen's Team Leader and he held an obligation of responsibility for what he had allowed to continue to proceed to myself and the way that the Official paperwork had been fabricated behind mine and my mother's back while we were making Official complaints in respect of the ongoing at the same time.
- 8+ Debra Andrews at this stage was a Super bad alcoholic who had been diagnosed as a Mental Health High Risk Patient sufferer, she had also had children in her past and the Government had taken custody and visiting rights away from her. I am not to sure of the reasons to why this had happened to her but in the years that I had gotten to know her before she had no intention of ever seeing them again and she just would not give

for the past few months harassed, intimidated, stalked her and made a life a complete misery. He continuously plays loud music, bangs on her ceiling and door alleging that she is monitoring his movements in his flat. She feels petrified by his presence and as a result refuses to leave her flat for fear of bumping into him on her way out. She has missed a few appointments with her social worker and as a result, she has now been subjected to making home appointments pending the time this matter is resolved.

She explained that they used to be acquaintances before the relationship went sour. She believes the whole problem started when he claimed the decoration in his flat was damaged as a result of a leak coming from her flat. She confirmed that she had a leak from her overflow a few months ago which has since been repaired but, the damage

up drinking acholic drinks to get them back

9+ No Council History was built for Debra Andrews that contained the emails my mother and I had both been sending to the Enfield Council.

10+ **The Enfield Council responded to my mother for the first time** 00/00/201

11+ **Perpetrator Simone Cordell**

12+ Dawn Allen and her team labelled me a perpetrator without no fair investigating even when the doctors warned her of Debra Andrews behavior on the **18/09/2015** while my mother was also sending complaints about her and others copying her cruel behavior towards myself

13+ Dawn Allen and her careers were not honest when being complacent with Debra's past Mental Health history and acholic dependences and not to forget the fact that she had her own light skin children taken away from her for their own safety

14+ [Dawn Allen and none of the Government teams had ever met me or spoken to myself](#)

		alleged had occurred. Ms. also recalled an incident when the perp spat in her face. It's been one issue after the other she advised 55, The recent event which took place a week ago. She was on her way out to attend her appointment with her CRN when he apprehended her and threatened to kill her. She was pretty shaken from the incident that instead of attending her appointment, returned home immediately. She advised that she contacted the police but, wasn't taken seriously as they assumed, she was drunk at the time of the call. She advised that she wasn't on the list drunk but, just the way she spoke due to her condition. She still wasn't taken seriously and had to abandon the call. She found this very frustrating and advised that it was not the first time this would happen to her. Her GPN also confirmed her statement and expressed her dissatisfaction at			

		the way she was treated. I felt completely let down by the police and became frightful for her safety especially, as she knows the perpetrator has shells in his flat. I observed in her flat that her floors were very creaky, I was made aware by Dawn that most of the flats in the block are like that. Unfortunately, the creakiness exacerbates the noise level in the flats and cause more problems than usual. I advised that I contact the police to make further enquiries. I will also contact MHT to enquire if Mr. Cordell is known to them. At some point the perpetrator will need to be interviewed and a warning letter issued on him. I will contact the repairs team and try to arrange a surveyor to visit her flat and see what assistance can be offered I further advised that her case will be investigated, and an officer will get back to her to discuss further with her. Her CPN and TMO will be

Hi Dolly,

6+ I'm well thanks,

7+ I see your department is busy as ever...

8+ Re: SC, he is not open to MH services and doesn't have a MH worker.

11+ Discharged from MH services, suicidal thoughts are longstanding from early childhood and present at times of high stress, not 'A typical' of other forms of suicide as relates to thoughts as opposed to wish to die, and usually found in context of those presenting with early childhood trauma as a way of expressing emotions.

12+ 00/11/2014: Nov 14 - Mental Health Act assessment, not detained in hospital, discharged from mental health services. Presented highly volatile, angry & paranoid about motives of others, presented in context of social stressors due to on-going issues with police & court process - mother reported he has been targeted by police causing him stress??

13+ He has a medical history of Crohn's disease which may impact on mood stability particularly if not compliant with treatment and monitoring of symptoms. All assessments completed by mental health services have found no evidence of serious mental illness, he appears to be a very angry young man who has had an extremely difficult and traumatic early childhood which is likely to explain his distrust of people in authority (e.g., police) and being angry at others and at the world....

Formal Complaint

Dear Louise Brown:

1+ I believe you are the person dealing with the complaints put in due to the behavior of Debbie who lives at number 113 Burncroft Av EN3 7 JQ. My son Simon Cordell is the person who lives at 109 Burncroft Av EN3 7 JQ.

2+ Yesterday the **15/10/2015** you attended my son Simon Cordell flat with 2 police officers. Why would you turn up at someone flat with 2

2+ It is said by us that on the **00/00/0000** the following took place.

police officers and not even ask or set up a meeting to do this? Could I please ask why a meeting was not set up to see him, and you just turned up at his flat with the police? I am the person looking after my son and have been in contract with the council and was meant to have been there at the meeting, so this was meant to have been arranged not that you just turn up with police. You said you were in the area and had the case file for this so just attended, when was you given the case file for you to address on what date? As I believe it was some time ago, we had no contact from you.

- 3+** You asked my son what had been going on, yet you took no notes or a report of anything my son was saying. How is this addressing the issue when you did not even take notes at what was meant to be called a meeting, may I ask what was the point of this meeting?
- 4+** You did not want to look at any of the videos that my son had recorded re what had been going on and what Debbie had been doing.
- 5+** You did not want to look at any of the evidence my son had, the letters Debbie was putting in my son's door in one letter she even put £20 in there which was posted back in her door as my son did not want her money, the videos my son had recorded, nothing so how are you doing your job.
- 6+** You did not want to hear about the attack on my son, when Debbie was at the bins and my son walked be hide her to the main door and when she turned around and saw my son she started screaming and attacking my son.
- 7+** You said to my son Debbie had not been in her address for the last 2 weeks that she had been in a hotel. And asked my son if he knew this how is my son meant to know this?
- 8+** I think you told him this because he said things had been better the last few weeks, but there were still problems. Which if you had looked at the Videos you would have seen things from the last 2 weeks, but you did not do this did you.
- 9+** When you left you made my son give his word, he would not hurt Debbie, like Debbie is the victim here and not my son.
- 10+** My son has never hurt Debbie so why would you make him give his word he would not hurt her?
- 11+** Debbie is the person who attacked my son not the other way around here. Which was reported?
- 12+** You have given Debbie support, moved her to a hotel like she is the victim yet failed to

support my son in any way here, yet he is the victim of what Debbie is doing. Not taking a report does not ask anyone what has been going on, as there is witness as to what Debbie is doing. My son's friends and I have heard what is going on and what Debbie is doing. I even went up to Debbie's door to try and speak with her, she asked who was at the door and I said I was Simon mum and would like to speak to her to try and sort the issue out what was going on, that if we spoke maybe we could sort this out, she just started shouting so many things at me and sounded drunk, I left and went down to my son flat and said she would not speak to me, I was there around 3 hours after that and Debbie did not bang once or doing anything, yet the 2 hours I was there before going up to her flat to speak to her the banging was ongoing and was making my son so upset we could not do the work I was there for that is why I went up to speak to her.

13+ I believe my son has been to her door 2 times and ask her to stop well he begged her to stop She just started shouting and then called the police, one of these times my son friend Katie was there, and heard what Debbie was doing and spoke to the police when they came to my son door. Katie goes to my son's flat a lot along with a friend called Nash and a few other people. Each of these people has heard what Debbie is doing.

14+ Debbie has been to my son's door more than once when Katie has been at my son's flat offering my son cans of alcohol which my son refused as he does not drink and asking my son for money and other things.

15+ So please don't make this out as if it is my son that is causing the problem here as that is how you made him feel yesterday. We are the ones who put the reports in from around a year ago, yet you have done nothing to support my son the 1st time you even went to see him was the 15/10/15 yet you been out to see Debbie and seem to have given her support. Yet each time I told the council how ill this is making my son, where is his support?

16+ Am I of the understanding you said to my son that you believe Debbie has feelings for my son and this is the reason you believe Debbie is acting the way in which she is?

17+ My son has never acted in a way to make Debbie think my son had any interest in

- her, he has only ever helped his neighbors, which is the type of person my son is. Has Debbie said she has feelings for my son?
- 18+** And as Debbie has already attacked my son unprovoked is, he in any harm from a next attack?
- 19+** This is making my son ill, but you don't care about how ill this is making my son do you or you would have addressed the issue when contact was made with the council about this issue.
- 20+** You have said you are moving Debbie back in, but what has been done to the so-called feelings you think Debbie has got for my son, have they just gone away?
- 21+** We know Debbie has mental health issues and she is an alcoholic, and that she needs help, but I am sorry this is making my son ill, and something does need to be done as it has been going on to long now and you have done nothing.
- 22+** My son lived in his flat even before Debbie moved there and he has never caused a problem. In fact, he has only ever tried to help his neighbors.
- 23+** I would like to know what has been done to address this and what is being done to help my son. I do not think you have addressed this in the correct manner, and I feel that you feel Debbie needs more support due to her being vulnerable, but have you asked if my son is vulnerable what heath conditions he has nope you have not and I feel it is due to him being a male and Debbie a female, I feel as if you think males can't be vulnerable.

2+ I even went up to Debbie's door to try and speak with her, she asked who was at the door and I said I was Simon mum and would like to speak to her to try and sort the issue out what was going on, that if we spoke maybe we could sort this out, she just started shouting so many things at me and sounded drunk, I left and went down to my son flat and said she would not speak to me, I was there around 3 hours after that and Debbie did not bang once or doing anything, yet the 2 hours I was there before going up to her flat to speak to her the banging was ongoing and was making my son so upset we could not do the work I was there for that is why I went up to speak to her. I believe my son has been to her door 2 times and ask her to stop well he begged her to stop She just started shouting and then called the police, one of these times my son friend Katie was there, and heard what Debbie was doing and spoke to the police when they came to my son door. Katie goes to my son's flat a lot along with a friend called Nash and a few other people. Each of these people has heard what Debbie is doing. Debbie has been to my son's door more than once when Katie has been at my son's flat offering my son cans of alcohol which my son refused as he does not drink and asking my son for money and other things. So please don't make this out as if it is my son that is causing the problem here as that is how you made him feel yesterday. We are the ones who put the reports in from around a year ago, yet you have done nothing to support my son the 1st time you even went to see him was the 15/10/15 yet you been out to see Debbie and seem to have given her support. Yet each time I told the council how ill this is making my son, where is his support? Am I of the understanding you said to my son that you believe Debbie has feelings for my son and this is the reason you believe Debbie is acting the way in which she is? My son has never acted in a way to make Debbie think my son had any interest in her, he has only ever helped his [neighbors](#), which is the type of person my son is. Has Debbie said she has feelings for my son? And as Debbie has already attacked my son unprovoked is, he in any harm from a next attack? This is making my son ill, but you don't care about how ill this is making my son do you or you would have addressed the issue when contact was made with the council about this

issue. You have said you are moving Debbie back in, but what has been done to the so-called feelings you think Debbie has got for my son, have they just gone away? We know Debbie has mental health issues and she is an alcoholic, and that she needs help, but I am sorry this is making my son ill, and something does need to be done as it has been going on too long now and you have done nothing. My son lived in his flat even before Debbie moved there and he has never caused a problem. In fact, he has only ever tried to help his [neighbors](#). I would like to know what has been done to address this and what is being done to help my son. I do not think you have addressed this in the correct manner, and I feel that you feel Debbie needs more support due to her being vulnerable, but have you asked if my son is vulnerable what health conditions he has none you have not and I feel it is due to him being a male and Debbie a female, I feel as if you think males can't be vulnerable.

Lorraine Cordell

Telephoned and spoke to Lorraine. Advised that we will offer a non-urgent appointment from EAS. Lorraine reported her concern that we would be tell her son about her reporting her son and that this would damage their relationship for good. Reported that about three years ago she called an ambulance when her son was vomiting and he is still complaining and talking about it. Reported that her son has been in trouble with the police since the age of 14 said he was addicted to driving. Many charges and cases over the years. Feels that the police have victimised her son and her other children because they are mixed race. Reported that they are appealing against some of the charges and his name being publicised in the papers which is due in court in February next year. Lorraine reported that she visits her son almost every day to check on him and make sure he has food in the house. Reported that he is eating but not as regularly as before, some weight loss, has IBS but is drinking well.

Reported that he talks about the TV talking to him and also when they are out when she scratches her head or something, he believes that she is sending messages and becomes paranoid that someone will harm him.

Reported that he has lots of friends but stops no longer goes out with them and also does not have them come around his home. Reported however he does have a scrambling bike that he goes out on and has injured his ankle and wrist but refuses medical attention. Reported that he has been suspicious about doctors since his childhood and having tonsillitis.

Reported that his mood does fluctuate but most days she will get text messages from him talking about killing himself when his name is cleared in next year after the court case, no current plans or intent.

Asked if she believes her son will see professionals if they visit, said she believes that he will shout but otherwise not aggressive, feels he will agree to be seen as a follow up following his

assessment last year. Feels he needs some help and support but uncertain what her son needs. Whilst talking to Lorraine her mobile phone rang and she spoke to the person said it was Maggie Garrod AMHP. Said she has been phoning them and they called her back yesterday and that they have told them that she should have a carers assessment as she is finding it difficult to cope. Reported that they had also told her that her son should be seen urgently. Agreed to speak to the AMHP office.

Discussion with AMHP manager Debbie

Morgan. Informed reported that Lorraine had spoken to Maggie and Lorraine had been advised about the carers centre in Enfield and also advised to go along with whatever plan there is with the assessment service.

From description from mother does not appear to be crisis, is eating and drinking and no active plans to and, gradual deterioration in mental health over the past year.

Plan to offer assessment with EAS medic and Social Worker. Patient already known to Community Safety Officer, and this may be a route into the assessment given the concerns raised by other residents. Community Safety Officer already informed. EIS also informed as may be and psychotic illness.

Dear **George & Bola,**

- 1+** Thank you for your email, I have only copied you both as there is other information on Mr. Cordell that urgently needs to be considered.
- 2+** I received an email informing me that a **mental health warrant had been granted** for Mr. Cordell. This will cause a greater issue especially if he is released back into the community. My fear is that this will indirectly cause further distress for Deborah. A plan needs to be put in place with full consideration.
- 3+** Please can an urgent mental health strategy meeting be held regarding Deborah Andrews, given the above information and the urgent need for full consideration in this case due to the complex needs and issues with both clients, who are known to your services and tenants of Enfield Council.
- 4+** Deborah is contacting me if not daily every other day these calls are coming through at all different days and times. She is informing me that she is not coping with everything and wants to go back into supported accommodation, she feels extremely frightened and vulnerable. I must confirm that it's Deborah stating that she is not coping as I am not in a position to make these decisions. When I speak with Deborah asking if she is attending her appointments, she states that" it is a quick jab, in and out no one speaks with you.
- 5+** With regards to the management transfer, this is still being prepared and waiting to be heard by panel, I am waiting to hear the next available date for this. It was explained when I suggested this action may be a route forward that this is not a quick process, and all elements need to be considered. It is not necessary for Ms. Andrews to currently go into emergency accommodation either. This case will be assisted by moving Ms. Andrews; however, this may not resolve all of the concerns or the overall future welfare of Ms. Andrews.
- 6+** Transferring Ms. Andrews into another independent accommodation without fully assessing her current needs and the full support required should be considered before this happens. As moving her may not solve all of Deborah Andrews' concerns. She is only going out when SJOG are visiting, however they are only allocated 3 hours

	per week. More recommendations need to be put forward to provide a comprehensive package to support.

The text below labelled as **(A)** got forged to make thing sound worse for myself than the original letter stated as the original letter stated that I was a drug addicted but this still proves that this was 1st contact between the Enfield Council and the Mathiyalagan family. My mother and I had complained about the Mathiyalagan family on a numerous number of different days before this.

I was a secure tenant and had no prior complaints in my name since **2006** till Lemmy and Co forged the computer systems after the **11/01/2016** and before the **24/01/2017**, when the Enfield Council had to release an FOI of my personal data in a subject access request. The Mathiyalagan's were temporary accommodation and did not have a secure tenancy and therefore were on a trial basis and had no stern stability in their word.

➤ **The Mathiyalagan Family**

Sarah Flexure the neighborhood officer at the time had checked the Enfield Councils computer systems and there was no history against me on the date of **20/10/2016**:

IN THE EDMONTON COUNTY COURT
BETWEEN:
{CLAIMANT}
THE MAYOR AND BURGESSES OF THE LONDON
BOROUGH OF ENFIELD
-AND-
(DEFENDANT)
MR. SIMON CORDELL
DIRECTIONS ORDER**

2. I make this Witness Statement in support of the Claimant's application for an injunction to stop the Defendant from causing intimidation, harassment and alarm to other residents and their visitors on Burncroft Avenue.
3. The Defendant is a secure tenant of the Claimant at 109 Burncroft Avenue, Enfield, Middlesex, EN3 7JQ. His tenancy commenced on **14th August 2006**. I hereby attach a bundle of documents relating to this case as exhibit number **LN1**. A copy of the Defendant's tenancy agreement and terms and conditions are hereby attached at pages 1-24.

	4. The reports concerning the Defendant's alleged anti-social behavior towards his neighbors was first brought to my attention in October 2016 when a case involving the Defendant and one of his neighbors was referred to me for investigation. The Defendant was reported to have caused frequent acts of harassment and anti-social behavior against an elderly neighbor. The Defendant was arrested by the Police and bailed to a different address. The matter was referred to the Highbury Corner Magistrates' Court on 05 October 2016 where a first hearing took place. The Defendant pleaded not guilty, and the trial was fixed for 17 November 2016. However, the trial did not proceed due to insufficient support as the elderly tenant was unable to attend Court due to health reasons. A copy of a letter from the Magistrate Court is attached to this statement at pages 25-26. 5. The Defendant was previously known to the Claimant and an anti-social behavior order was made on 4 August 2015 by the Magistrates Court to prevent him from knowingly using or supplying property, personal or otherwise, for the use in a rave as defined in s.63(1) of the Criminal Justice Order Act 1994. The order was made for a duration of 5 years. A copy of the Order is at page 27 of the exhibit bundle. 6.

Simon believes that since he met me, I caused him to be in hospital. Mother informed me that Simon was working at the moment; she said he was doing his own work. Mother informed me that Simon's court case is on 17 Nov 2016. She said that Simon wants to move from current property and will require support from EIP. He believes that if he moves, he will not have the kind of problems he is going through. I advised mother to ask Simon to apply to Housing and I added EIP will be willing give supporting letter.

I asked Lorraine about Simon's court case. He was due to report to court for **sentencing** on 17 and Lorraine did not answer**and rather asked if I could get Simon moved from his current accommodation.****I said to Lorraine that Simon should contact me to discuss his housing needs.****Lorraine then said that Simon agreed to call me tomorrow to discuss his housing.**

I did not have time or opportunity to ask about Simon's mental state and mood.

1+ On 11th November 2016, my former colleague, Sarah Fletcher interviewed an elderly resident who wished to remain anonymous. He said that the Defendant approached him as he came out of his flat and started to shout abuse, swear at him, and threatened to bum down the elderly neighbor's flat. The report continued that sometime around mid-September 2016, one of the Defendant's neighbors reported that the Defendant confronted him outside his block as he was going to the local park and started to shout abuse and threats at him and said to him "I can get you over at the park, I know you go for a walk". This incident led to his arrest and to the matter being referred to the Magistrates Court. A file note of the report is exhibited on page 31 of the exhibit bundle **LN1**.

Mr. Cordell then started shouting abuse and threats at Karen. Christine stated that she is not prepared to give a statement and that she will not keep incident logs.

We then met with Karen outside the block.

She stated that she and Christine witnessed the incident that happened in September, she stated that Mr. Cordell was shouting abuse and threats at Mr. Curtis and that she told him to leave Mr. Curtis alone as he is an old man and that Mr. Cordell then turned against her and started threatening her. She stated that she is not afraid of him when she is on her own, that her only concern is that she is looking after 2 very vulnerable children, and she will not be able to defend herself and them if Mr. Cordell was to attack her when she is with them.

She is happy to make a statement and will log any further incidents.

4+ It is said by us that on the 00/00/0000 the following took place.

Simon Cordell's
The 1st Injunction Order Dated: 00/00/2014
INDEX

Sarah Fletcher from the council claims that on **22nd November 2016** during a telephone conversation between you, Mrs. Cordell your mother and Ms. Sarah Fletcher, [neighborhood officer](#), Ms. Fletcher reported that:
 she overheard you threaten her by saying 'I'm going to do her over' and then I' am going to take her job just for fun'.

This is a copy of the Council's memo of a telephone call on that day: --

1+	I received a call from Simon Cordell of 109 Burncroft Avenue at approx. 1.20pm.
2+	The call was transferred by the customer services team informing me that Mr. Cordell wished to discuss his housing option show to move.
3+	I took the call- he sounded agitated and said that he had a few things that he wished to discuss with me.
4+	He said he was calling in response to a letter that I had sent him requesting the removal of a CCTV camera that he had installed on the inner communal/fire door on the ground floor of the block. He informed me that he would not be removing the camera as he believed he was legally allowed to have the camera
5+	as the communal area was his.
6+	I explained that he was in breach of his tenancy conditions as permission had not been sought or granted for the installation and he could not install anything in the communal area as these belonged to the Council.
7+	He maintained that his neighbor in another block had a camera and had taken the Council to court about it and won the case, I respond November , I could not comment on other cases, but my position remains as per the letter I sent That the camera was in breach of tenancy conditions, was invasive of the privacy of other residents in the block as it points at the outer communal door and should be removed by Friday 25th November or the Council will remove it and charge him for the cost of doing so.

8+	He then said that the camera was fake, so it didn't need to be removed. I responded that it did still need to be removed.
9+	His voice was raised throughout the exchange, and I had to ask him to calm down and lower his voice more than once.
10+	He then said that he wanted to move on to finding out about moving to another address.
11+	He proceeded to give me a full history of his experiences with the police
12+	and previous housing management
13+	and alleged that 'Jackie', who had previously lived above him and 'Stan', his immediate neighbor on the ground floor, had victimized him over a long period of time and that he had done nothing wrong.
14+	This history was very full
15+	and it was difficult to get a word in because he was so worked up
16+	So, I let him relay the information to me as it seemed like he wanted to get it off of his chest.
17+	He was very derogatory about the police and previous housing staff who had signed a request for an Asbo application against him.
18+	I told him that I could not comment about the previous action taken.
19+	He then came on to more recent events and stated that there had been an incident between him and another resident where she had shouted at him out of her window because of him starting up a scrambler bike in his garden. He maintained that he was courteous during the exchange, but the police came and arrested him because she told them that he had threatened to kill her and that he had been put in the mental hospital, had won his case in court and
20+	was able to go home as of today.
21+	He said that he wanted me to give him 'points' so that he could move.
22+	I explained that his best means of moving would be through a mutual exchange, but he was adamant that he did not want to do this and wanted to be moved in the same way that he moved into this property 1 l yrs. ago by being given points.
23+	I explained that a transfer was unlikely based on what he had told me so far but that I could look into the position for him.
24+	He said a lot about his perceived victimisation by his neighbors
25+	and expressed that he felt that I should have a duty to protect him.
26+	I explained that I had a responsibility to all residents living at Burncroft Avenue

27+	and took the opportunity to mention that I had received some reports about antisocial behavior by him that I would need to discuss with him
28+	but suggested that we leave that for today.
29+	He then put his mother on the line (she had been trying to interject throughout the conversation) who said she wanted to know why I had not responded to her messages to call her.
30+	I apologised for this and explained that I have been very busy,
31+	but that I needed to know whether we had written permission from Mr. Cordell for us to speak to her
32+	she said that there was a written note recorded on our files in 2015
33+	Mr. Cordell asked her what I was asking her and when she replied that I was querying permission
34+	I clearly heard Mr. Cordell say angrily and aggressively "I am goanna do her over" and then "I am goanna take her job just for fun".
35+	I informed Mrs. Cordell that I had overheard these remarks and that I was ending the call.
36+	She said that her son had now left the room and she was talking to me. I repeated that I would be ending the call and that she should put what she wanted to say in writing to me.
37+	Sarah Fletcher Neighborhood Officer.

They gave me an eating disorder by this stage: --

After speaking to many friends and family who have witnessed the on goings of torture committed by 117, 111 and 113 Burncroft avenue inclusive of Carron Dunno 000 or either having it explained to them with the evidence I had present and provided, the general return of reply of them decent people, was to approach my housing officer and ask him or her for a fresh start, by way of adding points for an emergency move to a new safe home, I chose to take the good advice given to me at the time and to then make a phone call to them and this is what I did, this can be proved by my mother's phone bill and corresponding emails also the council officials own correspondent that I claimed in a subject access request being granted to me from, when I requested it prior. To me somebody had got themselves into trouble and for once it had not been me, I could no longer do a lot with my company, so it started to suffer a lot and I lost loads of contracts, I definitely had started to get fed up with trying so hard, this was due to the bail conditions that I had got imposed, too, I felt sick in

5+ It is said by us that on the **00/00/0000** the following took place.

knowing that I had done nothing wrong, so I understood that by me actually being put under these conditions, that they had changed my life for the worse, I assume it would be fair for me to say, that at this moment in my life everything had changed in it a lot and this was at no fault of my own, it was because of them.

- 2+ This is not true
- 3+ The reason that it is not true is because what has now been stated to have occurred is more than just misinterpreted information of the so called Mid – day event.
- 4+ The Council's memo of a telephone call on that day:
- 5+ Is forged and therefore incorrect and is not supported by self and mother to be true facts that have been documented with a fair processes by the statement maker. The context contained within side the statement had been fabricated so to support the claimant's claim.
- 6+ While also set out to avoid disciplinary action for the statement makers and hardworking colleague's incompetence leading to negligence and gross misconduct, set out against myself and then on afterwards having a negative effect also within my loved one's life's.

even low it is still 100% incorrect. I and my mother are sure of this as we cared very much so when deciding to make the phone call to my housing officer that we both documented down all relevant information accurately.

12+ When doing so we noted down the precise time of 01:04Pm

13+ I did get transferred by customer services when making the phone call to my housing officer about the way I was getting victimised, this did not take too long.

14+ Once on the phone to Sarah Fletcher I started to explain to her a short list of emergency issues that I was having while renting my home.

26+ He proceeded to give me a full history of his experiences with the police and previous housing management and alleged that 'Jackie', who had previously lived above him and 'Stan', his immediate neighbor on the ground floor, had victimised him over a long period of time and that he had done nothing wrong. This history was very full, and it was difficult to get a word in because he was so worked up so, I let him relay the information to me as it seemed like he wanted to get it off of his chest.

27+ He was very derogatory about the police and previous housing staff who had signed a request for an Asbo application against him.

28+ I told him that I could not comment about the previous action taken.

29+ He then came on to more recent events and stated that there had been an incident between him and another resident where she had shouted at him out of her window because of him starting up a scrambler bike in his garden.

30+ He maintained that he was courteous during the exchange, but the police came and arrested him because she told them that he had threatened to kill her and that he had been put in the mental hospital, had won his case in court and was able to go home as of today.

31+ He said that he wanted me to give him 'points' so that he could move.

32+ I explained that his best means of moving would be through a mutual exchange, but he was adamant that he did not want to do this and wanted to be moved in the same way that he moved into this property 1 l yrs. ago by being given points.

33+ I explained that a transfer was unlikely based on what he had told me so far but that I could look into the position for him.

34+ He said a lot about his perceived victimisation by his neighbors and expressed that he felt that I should have a duty to protect him.

35+ I explained that I had a responsibility to all residents living at Burncroft Avenue and took the

opportunity to mention that I had received some reports about antisocial behavior by him that I would need to discuss with him but suggested that we leave that for today.

36+ He then put his mother on the line (she had been trying to interject throughout the conversation) who said she wanted to know why I had not responded to her messages to call her.

37+ I apologised for this and explained that I have been very busy, but that I needed to know whether we had written permission from Mr. Cordell for us to speak to her - she said that there was a written note recorded on our files in **2015**.

38+ Mr. Cordell asked her what I was asking her and when she replied that I was querying permission I clearly heard Mr. Cordell say angrily and aggressively "I am goanna do her over" and then "I am goanna take her job just for fun".

39+ I informed Mrs. Cordell that I had overheard these remarks and that I was ending the call.

40+ She said that her son had now left the room and she was talking to me.
I repeated that I would be ending the call and that she should put what she wanted to say in writing to me.

Re: Formal Complaint due to letter dated 29/11/**2016** this Formal Complaint is to be added to the Formal Complaint dated 24/08/**2016**.

18,

You have also stated:

1+ "Your **neighbors** have also alleged that you have installed a CCTV in the communal area with the camera pointing towards the main entrance to the block thereby making them to feel very uncomfortable when entering and leaving the block. Your **neighbors** have alleged that this is an invasion of their privacy".

2+ I have already put an appeal in my formal complaint dated **24/11/2016** in regard to the CCTV and I am awaiting a reply as to what information I need and how I address the appeal. I will say that CCTV is for security, but so far has protected me due to malicious information that has been passed to people, but it was not installed for that reason but has helped in this the main reason it was installed was due to security.

7+ It is said by us that on the **00/00/0000** the following took place.

3+ But since the **14/08/2016** when the police themselves damaged the CCTV camera due to what they were doing to Mr. Simon Cordell, it has not worked. So, at this time there is no CCTV in operation in the communal area of the block the only CCTV that is operational at this time is the ones inside Mr. Simon Cordell flat itself. When Mr. Simon Cordell was on a phone call to Sarah Fletcher on the **22/11/2016** she did say if the CCTV camera was facing Mr. Simon Cordell's front door there would be no problem with that this is at this time being acted on.

4+ It also seems that this complaint has come in very late as if any [neighbors](#) felt that this was an invasion of their privacy why was this not acted **on in 2013** when it was installed? Why has it taken them **until 2016** to say they feel this is an invasion of their privacy?

5+ In fact I feel it has protected Mr. Simon Cordell's [neighbors](#) there has been crime in the area and many break ins within the housing estate where everyone lives, yet not one person has been effected in the block Mr. Simon Cordell lives in by crime and I believe this is due to the CCTV being there, and if anything happened to any of the [neighbors](#) in the block the police could obtain a copy. The CCTV camera does not show any [neighbors](#) living in the block, front doors, or windows. And only showed part of the ground floor communal area leading up to Mr. Simon Cordell's own front door.

6+ It also makes us feel the only reason that the [neighbors](#) have now said about the CCTV is due to what they are trying to say about Mr. Simon Cordell in these complaints, I feel that at this time the CCTV is the thing that protected Mr. Simon Cordell against what the [neighbors](#) have alleged, why else would it have taken them over 3 years to say they now felt it was an invasion of their privacy?

7+ As said in my formal complaint the police don't like Mr. Simon Cordell and this has been for many years when the police go to Mr. Simon Cordell flat, he feels safer that the CCTV is there as it shows what the police are doing to Mr. Simon Cordell so makes him feel safer, has the police put a report in about the CCTV camera also?

8+ As stated these allegations are very serious and I would like them addressed as soon as possible but until I have the information I have asked for so know what dates and times these complaints were put in I feel that Enfield council is only taking one side to this and that is

	the neighbors, as since 2014 all my calls and emails and letter about my complaints re the neighbors Enfield Council has done nothing to help me or Mr. Simon Cordell address this. 9+ Mr. Simon Cordell feels he has no option left to him but to move away from his home due to what has been ongoing for a long time with no one addressing it. He feels that is the only way he will feel safe again from what the neighbors are doing to him, yet Enfield Council have said they will do nothing about this to help him and while this is ongoing it is affecting his health more and more.

RE: Formal Complaint dated [24/11/2016](#)

To Whom It May Concern:

1+ I am writing this letter on behalf on my son Simon Cordell of 109 Burncroft Ave, EN3 7 JQ.

2+ Over the past few years my son has been having some issues with his [neighbors](#) this started due to what the police wrote about him in the newspapers about an ASBO that was granted by the lower courts in the newspaper the truth was not printed in the newspapers or on the Met Police website, the judge did grant the ASBO order but not on the grounds the police case was for we are still trying to work on how this was done to this day, this was not related to his [neighbors](#) why the police took this action it was due to lies by the police, this case is still waiting an appeal hearing at the crown court which will be held **Jan 2017**

3+ It was after this was printed in the newspaper and on the met website my son started to have issues with [neighbors](#) banging all the time and the way they were treating him and talking about him and not letting him have any rest to sleep due to the banging all the time emails were sent to Enfield Council yet very little was done yet my son has video footage of it which the council has never wanted to see or take any reports, this has made his health suffer, I feel this was due to what the police have been telling Enfield Council and Enfield Council just taking the word of the police without asking my son or myself to explain as since all this started Enfield Council has not wanted to help in any way, could this be due to the color of my

3+ It is said by us that on the [00/00/0000](#) the following took place.

son's skin as I am lost for words that Enfield Council has done nothing to help.

- 4+ My son has been a tenant for many years now with no complaints about him until this all started above, and things were put in the newspapers for all to see when my son had done nothing wrong and will prove this at his appeal in **Jan 2017**
- 5+ The police do not like my son and have not for the past 21 years and there is a lot of issues that Enfield Council is not aware of about the police and my son this is getting addressed with the I PCC and police complaints, and we are now sorting out legal action as to what this has done to our life's over the years this has been ongoing the legal action is taking time due to how long this has been ongoing with the police.
- 6+ There is also a subject access request attached to this email which I am asking for everything Enfield Council hold information about in regard to my son, this will also include any police reports that the police have handed to Enfield Council. If this needs to be handed to the correct department to deal with this or there is a cost please advise via this email, I have also included a letter of authority from my son so I can act on his behalf.
- 7+ I do already know there is data being held by Enfield Council that is not correct and I want to be able to get this correct under the data protection act.
- 8+ On the **14/08/2016** my son had some friends round to his home they came there at around 13:30 hours, after they left the police showed up at his address to arrest him this was due to one of the [neighbors](#) said my son had gone out in his garden at 17:10 hours looked up at her windows and made threats to kill, this person lives 3 gardens down from my son on the 2 floor at 105 Burncroft Ave EN3 7 JQ, this is imposable as my son did not go out in his garden he was with his 4 friends and there baby in his home all day and videos were taken while they were at his flat, his friends have made statements to say this as they did not leave his flat until around 18:15 hours, not long before the police came to my son's home. I Miss L Cordell even went around his flat as he needed some things. In fact, my son does not go out of his home, and this has been for some time now due to how he is being treated.
- 9+ When he was arrested on the **14/08/2016** my son was held in the police station sectioned under the mental health act and could not be interviewed so was put on bail until the

04/10/2016 when he was due to go back to the police station to be interviewed.

10+ On the **04/10/2016** my son was getting ready at his home for me to pick him up for the bail to return, when I got a phone call from my son to say the police was again at his flat to arrest him this was around 1 hour before he was due to be at the police station, I went to his flat and was told by the police they wanted to arrest him I told them he was getting ready to go to the police station for a bail to return, the police again arrested my son for criminal damage due to something his **neighbor** said who lives above him, but he had not been out of his home he was in fact in the bath when the police came to his home.

11+ Both cases for the **14/08/2016** and the **04/10/2016** were dropped by the CPS this was done on the

12+ **15/11/2016** with no case to answer towards my son, yet my son was victimized and had false accusations put against his name and arrested.

13+ My son is scared to go home due to what the **neighbors** are doing and saying and putting false allegations into the police, it seems they really don't want him to live there and will do anything they can to get him out.

14+ On the **16/11/2016** I tried to speak to my son's housing officer Sarah Fletcher to see what could be done and update her to what was ongoing her phone was set to do not disturb so I asked for an email to be sent over for her to call me as a matter of emergency, no one returned a call back to me.

15+ Since the **16/11/2016** I have been calling every day to speak to Sarah Fletcher her phone is always set to do not disturb and I have asked for emails to be sent every day for her to call me back as a matter of emergency, I even asked to speak to her manager or any person in their team but it seems all their phones are set to do not disturb so I asked for emails to be sent for a call back, no one called me back. I was also told that the police had been in contact with the council and that Sarah Fletcher would talk to me about this when she called this was on the **21/11/2016** and I was told that Sarah Fletcher would 100% call me that day.

16+ On the **22/11/2016** I went to my son's home and there was a letter from Sarah Fletcher dated the

17+ **18/11/2016** which was to do with 1 CCTV camera my son has outside his front door, this CCTV camera does not impose on any

person's rights, it does not show any person's front door who lives in the block or windows. In fact, on the **14/08/2016** when the police went to my son's flat to arrest him when they noticed the CCTV camera, they ripped the wire out and since this time it has not worked this is also getting address with the police. In the letter Sarah Fletcher said the CCTV camera had to be removed by the **25/11/2016** or Enfield Council would remove the CCTV camera and costs would be charged to my son for any repairs which there is none. At seeing the letter, I was upset as it seemed Sarah Fletcher could take the time to write this letter but not call me when each email that was sent said it's a matter of emergency, I spoke to her.

18+ I tried to call and again like each other time I call it takes an hour or over to be able to speak to anyone, due to being busy I had to cut off to leave my son's flat and was going to call again later.

19+ When I got home, I showed my son the letter from Sarah Fletcher. He himself was upset for some reason, as me that she could take time to write this letter but not call us back. So, he then called this time he did get to speak to Sarah Fletcher and yes, he was upset due to what has been going on and said many times he was upset that she had not called, and they spoke about the CCTV camera which my son said he wants to appeal it having to be taken down. They also spoke about my son being moved out of his flat to a new place, Sarah Fletcher replied she cannot do anything to do that and the only way for him to move was by way of housing moves and he should sign up to that and nothing else can be done. My son did not explain fully as he was really upset. Sarah Fletcher also said that there had been complaints put in about my son but said it not the right time to address this and that would be addressed at a next time, so it seems that Enfield Council does address complaints from other people but not my son or on behalf of my son, as I am still waiting for replies to complaints that were put in **2014** and **2015** about my son's [neighbors](#).

20+ After my son spoke to her he passed me the phone, I asked why she had not called me back and was told that it not my tenancy, which I replied there has already been sent a letter of authority sent to Enfield Council some time back I believe it was maybe between **2013** to **2015** this was sent there was more than one of them sent which I can prove as they were sent via emails which I still have, which gives

me Miss Mother authority to deal and speak to anyone at Enfield Council on behalf of my son and it would be on their systems as it was emailed and I knew they had it. My son at this in the background also said I have authority to deal and speak to anyone at Enfield Council and it's on their systems.

21+ Due to my son speaking in the background I went to a next room to speak; my son came into the room and was going on about writing the letter of complaint about what had been going on and that she could end up losing her job if she did not deal with this correctly. It was at this Sarah Fletcher said she could no longer talk to me that my son had made threats towards her and told me to put it in writing what I wanted to say put the phone down.

22+ I feel at this time Enfield Council is doing nothing to help my son, they don't even want to speak to me so I can explain fully what is going on. My son is under the early intervention team, and they are willing to help my son get moved as they themselves have seen what is going on. They would do this by way of writing a letter to Enfield council if asked to do so by Enfield Council.

- I would like to speak to someone as this cannot be left like this and my son is suffering due to all of this. My contact number is 000
- I would like to find out if Enfield Council is willing to move my son due to the reasons in this letter and the help of the early intervention team.
- I would also like full dates and times that my son's [neighbors](#) have put any complaints in and what they have said he has done and on what date.
- I would like a full report of any police reports that have been given to Enfield Council by the police about my son.
- I would like information as to how to appeal about removing my CCTV camera and be allowed not to remove it until this appeal has happened, as so far this is the only thing that has proven my son has done nothing wrong.

Dear Mr. Cordell,

**Re: Reports of Anti-Social Behavior,
Harassment, Intimidation and
Threatening Behavior**

1+ I write with regard to reports of
anti-social behavior, intimidation,
harassment, and threatening
behavior made against you by your
[neighbors](#).

2+ The reports include using
threatening, abusive, and insulting
words and language, aggressively
demanding money, intimidation
and making threats towards your
[neighbors](#). It is also alleged that
on 4th October **2016**, you banged
on your ceiling, and you later
started to bang and kick at your
[neighbor's](#) door. It is alleged that
you were very aggressive and were
shouting through your [neighbor's](#)
door and that you then proceeded
to drag his motorbike from where
it was parked and started to
smash it up.

3+ It is said by us that on the **00/00/0000**
the following took place.

3+ It is also alleged that your dogs are left by themselves all day and night barking and causing noise disturbances to your **neighbors**. Your **neighbors** have also alleged that you have installed a CCTV in the communal area with the camera pointing towards the main entrance to the block, thereby making them feel very uncomfortable when entering and leaving the block. Your **neighbors** have alleged that this is an invasion of their privacy.

4+ If these allegations are true, they are in breach of the following terms and conditions of your Tenancy Agreement:

1+ Just to keep you updated on your complaint, I wanted to let you know that a senior Manager within the Housing Neighborhood Team will be meeting with the Community Safety Team later this week to discuss the issues in your complaint.

2+ Those teams will be working closely together after the meeting on Thursday to provide our response.

3+ Due to the complexity of the case, we are likely to need some more time to supply you with the response, although we will try and provide it to you as soon as we can - hopefully before the Christmas break.

4+ If I have any further news for you, I will try and let you know.

Dear Daniel

1+ Thank you for the update but why has this taken so long to arrange? if you knew the senior Manager within the Housing Neighborhood Team was going to be needed to address this then why was this not already started?

2+ My son is being left in a situation where he should not be with no update as to if the housing is doing anything at all to address moving

him. I think my son has already suffered enough, which has caused his health to go downhill, and this cannot be allowed to go on any longer.

3+ Will I also be invited to go to this meeting to see what is being said about my son and what will be done after all this meeting is about my son so feel someone with my son's interest should be there. As so far it seems everything is being blamed on my son when my son has done nothing wrong.

4+ I do know there are issues that do need to be addressed but leaving my son in a place he does not feel safe in and has suffered since **2014** is not acceptable.

5+ Also, I still have not heard anything from the people that are meant to be dealing with the subject access request. I am not sure if a payment will be needed to process this or if not if the data has started to be processed so I will get all data. Could you please update to this?

Cordell Formal Complaint

24/11/2016 [SEC=OFFICIAL]

Dear Daniel

- 1+** Is there any update to the below email as from what you updated me with the meeting is due to take place tomorrow and I would like a reply to know if I will be invited to this meeting seeing as you will be talking about my son?
- 2+** If I am not allowed to go to this meeting, I would like the full minutes taken so when I get the subject access request, I will know what has been said.
- 3+** No one has also yet even spoken to me or my son, the only thing you have is all the letters, emails and calls that have been made. So how in this meeting are the people going to a full understanding as **since 2014** no reports have ever been taken from my son as to what has been on going and how he is suffering?
- 4+** I also still have not heard anything from the person dealing with the subject access request and would like an update.
- 5+** And I would like to know if anything is being done to move my son out of the situation he has been left in **since 2014**. As I think at this point this is the most important part to get my son moved somewhere else where he will not have to suffer any longer and hopefully this will help his health.
- 6+** It does seem Enfield Council is more worried over the formal complaints than removing the situation my son has been left in. which has said it is affecting his health. I cannot understand why nothing is being done and more time is being asked for, yet no updates given to the situation my son is being left in. Or is it the case nothing is going to be done to move my son and he is just going to be left where he is to suffer even more?
- 7+** I would be most grateful for an update.

Regards

Dear Concetta Nobile

- 1+** Thank you for the update and information you will need. I have my driving license but since 08/06/2015 the paper part is no longer needed so I do not have this so do not have both parts only the card.
- 2+** I have bills to show my address dated within the last 3 months so that should not be a problem.
- 3+** As for the information I have asked for it is all the information that is held by Enfield Council within all departments.
- 4+** This would not be limited to just the things that I have put in this would also include any data that the police have passed to Enfield Council about me. Any meetings that were held with police and any other body and Enfield Council about me. and any other government body that has passed information to Enfield Council about me.
- 5+** The minutes from the meeting that was held about me by Enfield council on the **15/12/2016** with regard to the formal complaints that were put in. I did request minutes were taken when I was told I could not attend.
- 6+** Any phone calls made by myself or my mother on my behalf to Enfield Council
- 7+** All that was put in for Enfield Council to address this would include all comments made on any such report such as I have removed all my piping for my heating system.

1+ It is said by us that on the **00/00/0000** the following took place.

8+ All my housing benefit and anything to do with my rent account and council Tax.

9+ Any complaints that have been put in about me this would include any [neighbors](#) or police or any other body that Enfield Council has received about me, I do understand that some sections names would need to have redaction added for names and addresses but the date and body of the complaint should be kept. and if it a governing body such as the police names or IDs should not need redaction.

10+ If Enfield Council has any data, I want this subject access request to cover this data and if any data is going to be withheld, I would like to know this and the reason why it is being withheld.

11+ As for dates this request would go back as far as possible with any data Enfield Council holds within all departments being released.

12+ If you could get back to me about the ID, I would be grateful and get this emailed across to you so that this can be dealt with.

Dear Mr. Cordell,
Re: Allegations of Anti-Social Behavior,
Harassment, Intimidation and
Threatening Behavior

- 1+** I write with regard to reports of anti-social behavior, intimidation, harassment and threatening behavior made against you by your **neighbors**.
- 2+** I wrote to you on **29/11/2016** regarding these reports and invited you to meet with me at the Civic Centre on **06/12/2016** to discuss the allegations made against you, copy attached. I received a letter from your mother dated **24/12/2016** in which she stated that she does not believe that it is justified to hold the meeting before your formal complaint and subject access request is dealt with. I understand these have now been dealt with.
- 3+** The Enfield Council, Community Safety Unit, Anti-Social Behavior Team have continued to receive various allegations from your **neighbors** against you concerning alleged nuisance and anti-social behavior towards them. The allegations include using threatening, abusive and insulting words and language, aggressively demanding money, intimidation, making threats towards your **neighbors** and tampering with the electricity and water supply to their flat.
- 4+** These are very serious breaches of tenancy conditions and it is very important that we meet with you to discuss these allegations and

Dear Lemmy Nwabuisi

- 1+ I am writing this email to say you have stated in your last letter the subject access request has been dealt with, but we are still waiting for the data.
- 2+ I have asked for the dates these complaints were put in and yet have had nothing about the dates and times.
- 3+ Could you please forward me a list of dates and times these complaints were put in, and list them in an order like this so we know if more complaints have been put in by one person.
 - a) Complaint from **A** on date and Time: Body of complaint from **A**.

Page 121,

- b) Complaint from **B** on date and Time: Body of complaint from **B**.
 - c) Complaint from **C** on date and time: Body of complaint from **C**
- 4+ And it can carry on like this until all complaints are listed. As at this time you have just listed complaints and failed to supply any other information.
- 5+ If I can get this back today, I would be most grateful, as it has been asked for before.
- 6+ Also we have said this before more than once on calls and emails, the person's living at 113 and 117 I believe which is the 2 people living on top of my son, 113 has since he moved in no carpet put down and also his floor boards needs fixing, 117 which is the top floor has laid wooden flooring, due to the way these flats have no sound proofing in between floors and only wooden flooring due to how they were built, we were thinking this would have already been addressed and has not and the
- 7+ [neighbors](#) have been allowed to keep the flooring the way it is, my son can hear everything and only feels nothing has been done as Enfield Council wants my son's health to get worse and also to make him suffer.
- 8+ As for the date of the 09/02/2017 as stated before until we have had all dates and times and body of complaints and the subject access request, I still do not feel it is justified my son has a meeting as he will be walking into a meeting only with very limited information, and due to his health which is being caused by his [neighbors](#) and Enfield Council doing nothing I feel my son is only being setup due to issues and the color of my son's skin. And this is why no one from Enfield council has ever taken a report from him about what has been ongoing for a long time ago.
- 9+ We want to clear this up as much as you do, but it seems Enfield Council is not fulfilling what we have asked for in order to be able to do this.

Regards

Lorraine Cordell

Thank you for your email.

1+ I will put the complaints in the format you have requested and emailed same to you by **Friday 10/02/2017** and a copy will be sent to Mr. Cordell's address. I will also schedule another appointment as we need to discuss these allegations with Mr. Cordell.

Could you please ask Mr. Cordell to refrain from doing this? He should contact his [neighborhood officer](#), the Anti-Social Behavior Team or the Enfield Council noise team if he has any complaints about noise disturbances or any other type of anti-social behavior against his [neighbors](#) instead of confronting them. If the behavior persists then the council will have no option but to take out an injunction against him to stop him from harassing his [neighbors](#).

1+ It is said by us that on the **00/00/0000** the following took place.

We received a report that on **07th February 2017** that the Defendant approached the [leaseholder of 117](#) Burncroft Avenue and his plumber outside the block as they were attempting to resolve the problem causing low water pressure in the flat. The Defendant said to the leaseholder that there were problems between him and his tenants but did not give any specific details. The leaseholder explained to the Defendant that his tenants were experiencing low water pressure in the flat and the Defendant said to him 'you will not solve the problem as I am restricting their water supply'. The leaseholder later knocked on the Defendant door and asked whether he would increase the water pressure and the Defendant stated 'I cannot do anything at the moment, I will sort it out later'.

Dear Lemmy Nwabuisi

- 1+ Thank you for the reply to my email and I look forward to getting the information by the **10/02/2017**. I know that Dionne Grant is now dealing with the subject access request as Concetta who was dealing with it has had to take some leave.
- 2+ Mr. Cordell has not been up to his [neighbors](#) at 117, in fact he has only tried to help in the last few weeks by allowing people into his home due to the low water pressure. (Which I will state has nothing to do with my son flat)
- 3+ The other day also another [neighbor](#) got around 7 of his friends to come and intimidate and harass my son for no apparent reason.
- 4+ We will be asking for evidence which substantiates your allegations as to what the [neighbors](#) are stating in their complaints.
- 5+ As clearly it seems from your below email as if you in fact believe what 117 is saying before even having addressed the issues.
- 6+ Does this mean you have seen evidence which substantiates 117 complaints?
- 7+ Due to the complaints and how they have been set out this should be a matter for the police and my son should have been arrested.
- 8+ Mr. Cordell has been arrested and dismissed for some of accusation that you have wrote in your letters, So I hope there is evidence which substantiates these allegations.
- 9+ We just need to see if any of the other complaints have been addressed by the police.
- 10+ In fact, my son has put a lot of complaints about his [neighbors](#) into the police himself, which also seem to never get addressed by police just like they never get addressed by Enfield Council, yet the [neighbors'](#) complaints always get followed up instantly, I wonder why?
- 11+ You have not again said what you will be doing about no flooring on the 2 flats above my son. Is anything ever going to be done or does he need to live being tormented, intimidated and harassed by the [neighbors](#) with nothing being done by Enfield Council every day he lives there?
- 12+ It is not Mr. Cordell harassing his [neighbors](#) it is the [neighbors](#) tormenting, intimidate

and harassing him and Enfield Council is doing nothing about, it is starting to seem like a witch hunt until they and Enfield Council get him out of his flat.

Mother

Dear Lemmy Nwabuisi

1+ Just an update email that I wanted to put to you today as it is very worrying, this morning at around 08:00 my son Mr. Cordell's door knocked. He was not expecting anyone but went and shouted who it was without opening his door. the male replied I am from the council about the water, my son was not expecting anyone from the council and something did not feel right to my son and he asked the person to wait, he then made a call to the council to be told no one had been sent to his address by them, after the call to the council the male was not at his door, but my son heard people talking, one was his [neighbor](#), just after this the male who came to my son's door went out of the block and got into a car which my son has got the registration for.

2+ He does know which [neighbor](#) the person was talking to as I do. But at this time, he feels too unsafe to give the person's door number.

3+ Why should my son be made to feel so unsafe in his own home, please tell me why someone

2+ It is said by us that on the **00/00/0000** the following took place.

would come to my son's door and say they were the council?

4+ This is getting way too much now, and Enfield Council needs to do something about it before my son gets hurt.

5+ My son is lucky he does not open the door to people and calls before opening his door to see who it is and does not go outside his flat as I feel something would have already happened to him.

6+ And yes, we are keeping a full history of what has been ongoing.

Dear Ms. Cordell,

1+ The allegations are from at least three residents of Burncroft Avenue.

2+ They have alleged that he is coming up to their front door to shout abuse and threats and they have provided evidence to back up their allegations. Some of them have also alleged that he has confronted them outside the block and on different occasion have followed them up the communal staircase shouting abuse and threats and on at least one occasion have tried to prevent them from going up to their flat. They have also provided evidence to back up the allegations.

3+ I am aware that some of these incidents have been reported to the police and it is up to the police to deal with them as they see fit. However, irrespective of whether the accusations were dismissed by the police or not, they are very serious allegations and if true, constitute a breach of tenancy conditions and they need to be addressed by the council. It is therefore very important that we meet with Mr. Cordell to discuss the allegations made against him and give him the opportunity to respond to them.

4+ We are not aware that Mr. Cordell's neighbor allegedly "got around 7 of his friends" to

Mr. Cordell did not report the incident to the council, and I will advise him to report it through the appropriate channel and provide the name and address of the [neighbor](#) to enable us to investigate and take appropriate action. He should also report the matter to the police.

5+ With regards to your concerns regarding the nature of the flooring in the two flats above your son's. We have inspected one of the flats and we have made an appointment to inspect the second flat. I will arrange for a noise impact assessment to be carried out as soon as we complete our initial investigations to determine the level of noise transmission and make appropriate recommendations if necessary. We will need access to Mr. Cordell's flat to enable us to investigate this matter and we will contact him in due course to arrange access.

6+ You have stated that it is not Mr. Cordell that is harassing his [neighbors](#) and that it is his [neighbors](#) that is harassing him. Could you please ask Mr. Cordell to provide evidence of this to enable us to investigate and take appropriate action if necessary.

I and my mother requested a data subject access request for my personal data, dated 24/01/2017 to get disclosed to we and the information was put into that request as a cover up. Shortly after my mother and I being showed the

➤ **Si Notes.**

I had just come back to my home from being at my mother's house due to being on bail conditions Sarah Flexure and her team had met the Mathiyalagan's on the **11/11/2016** and let them make up claims about me. She also went on a fishing exploration to aid in building a case against me while

not doing a fair investigation into what had been explained to her prior, by going to stains house after Lemmy went there on the **04/11/2016** and he realised that I had not been arrested for any Stain Case as prior thought by the telephone call made to the Enfield Council on the **31/10/2016** and in knowing that Stain could not recollect any dates of any relevance. I had also made a phone call to Sarah flexure while at my mother's house on the **22/11/2016** to express my concerns about what gets done to me illegal in my rented home by their other clients, she also, manipulated the true events of the phone call in her notes.

a. She said that it was safe for me to go back home and that there was no reason for them to help me or to get an emergency transfer, in knowing that she had met the Mathiyalagan's on the **11/11/2016**

b. XX

c. To my understanding Sarah Flexure took over Dawn Allen's position in job, while Dawn Allen got moved into another department in the same company after what she had done to me. I understand this because I made phone calls to their place of work and asked questions. Part of the reason that I am explaining this is that she already understood that my mother had put complaints in first.

 Dear Mr. Cordell,
 Re: Allegations of Anti-Social Behavior, Harassment,
 Intimidation and Threatening Behavior
 I write with regard to reports of anti-social behavior,
 intimidation, harassment, and threatening behavior
 made against you by your **neighbors**.
 I wrote to you on **29th December 2016** to arrange to
 meet with you on **6th December 2016** to discuss these
 reports, but you cancelled the meeting.
 I wrote to you again on **31st January 2017** to arrange to
 meet with you on **9th February 2017**, you also cancelled
 the meeting.
 I then wrote to you again on **16th February 2017** to
 arrange to meet with you on **22nd February 2017** and
 again you cancelled the meeting.
 I have enclosed all three letters for your information.
 It is unfortunate that you have repeatedly refused to
 meet with us to discuss this matter and look at ways to
 resolve the problems between you and your **neighbors**.
 The allegations made against you by your **neighbors**, if
 true, are very serious breaches of your tenancy
 conditions. It is important that we meet with you to
 discuss these allegations and give you the opportunity to
 respond to them.
 I have therefore arranged for you to meet with me at the
 Civic Centre, Silver Street, Enfield, EN1 3XY at 3pm on
 Wednesday, **22nd March 2017** to discuss this matter.
 You should contact me on 02083795354 to rearrange the
 meeting if this date is not convenient for you.

- 6+ You seem to have asked for Mr. Cordell's health records who was this asked from and who gave the data?
- 7+ There seems to be a long list of information that is missing both from the request in **March 2016** and the request that was submitted on the **24/11/2016**
- 8+ Can this please be looked into and if you are withholding any data for any reason could you please let me know this and what data it is and why you are withholding it.
- 9+ There is also a lot of incorrect data that is being held and it seems that Enfield Council has chosen to put Mr. Cordell as the perpetrator, by the ASBT there is lists of emails that is missing that I have sent in regards to complaints as to what the **neighbors** was doing to Mr. Cordell, I have also requested all my phone records as it seems there is no lists of all the calls I made on behalf of complaints regarding Mr. Cordell's **neighbors**. As it also seems there is missing calls that Mr. Cordell made himself regarding what his **neighbors** was doing to him, lucky for me I do keep all emails, but it seems Enfield Council does not and to try and get the selves out of trouble due to not doing what they were meant to this data is missing.
- 10+ I will give 14 days for this to be corrected and if it has not, I will have no other option but to go to the ICO.
- Regards
Mother

Dear Lemmy Nwabuisi,

1+ I will get back to you with a date.

2+ But I am very upset at what is on file within the subject access request it seems as if you put everything onto Mr. Cordell and large amounts of data is missing.

3+ Like the information about Deborah Andrews this is incorrect, and the only reason we have found out about this is due to the subject access request.

4+ But there are lots of emails that are missing that I sent about Deborah Andrews and what the **neighbors** were doing, that are dated before any complaints went in

2+ It is said by us that on the **00/00/0000** the following took place.

from Deborah Andrews and the [neighbors](#). yet nothing was done for Mr. Cordell about this.

5+ Also, there is missing dates and times of complaints, as to when things were meant to have happened and what time they were meant to have happened why?

6+ I do have many issues, with the report and why no emails are in the subject access request that was put in by me that are dated well before the [neighbors](#) put complaints in yet Enfield Council done nothing about this, There is also no phone calls I made or my son made, but as soon as the [neighbors](#) put complaints in these were taken up right away by Enfield Council.

7+ I will get back to you with a date I am due to see someone on the 09/03/2017 when I will be showing them all the information. So, it will need to be after this date. Dionne Grant has also got until the 02/03/2017 to deal with the subject access request and if I have not heard anything by this date, I will pass this on to the ICO.

[24/02/2017](#)

➤ **File note 24/02/2017**

Simon Cordell - 109 Burncroft Avenue, EN3 7JQ

- 1+ Following reports of continued low water pressure/supply to 117 Burncroft Avenue (second floor) despite information from Thames Water indicating that they had attended and that supply to the block 109-119 Burncroft Avenue was of a sufficient bar pressure, I tried to coordinate access to all flats on the right-hand side of the block, potentially affected by the issue: 109, 113 and 117.
- 2+ I wrote and hand delivered letters to all 3 of the properties requesting access for the Council Surveyor to visit and assess the water pressure in each on **Friday 24th February 2017** between 10am and 12pm.
- 3+ I spoke by telephone with Mr. Irving, the [leaseholder of 117](#), who had instigated the water pressure complaint who agreed that he would attend and give access.
- 4+ I spoke by telephone with Mr. George Quinton, the tenant of 113, who agreed that he would give access.
- 5+ I spoke by telephone with Lorraine Cordell, mother of Simon Cordell, the tenant of 109, who said that no one was available to give access.
- 6+ I attended with Steve Stirk, surveyor, on **Friday 24th February 2017 at 10am**. We were given access to 117 and Steve Stirk investigated the water pressure to the taps in the kitchen and bathroom.
- 7+ We were unable to gain access to 113 as the tenant was not home -1 called and left voicemail messages for the tenant but did not get any further response.
- 8+ Steve Stirk suggested that we knock at 109 just on the off chance that someone was home. Mr. Simon Cordell answered the door and, once Steve Stirk had explained that we were investigating the low water pressure/supply issue to the block, he allowed us into the property.
- 9+ While Steve Stirk checked the water pressure in the kitchen, I introduced myself to Mr. Cordell. He then became quite agitated and proceeded to regulate me with the same issues that he had relayed to me during our previous telephone conversation including issues about his [neighbors](#), the police and the Council conspiring to ruin his life as well as his work arranging community music events. He did not give me much of an opportunity to respond and kept talking over me when I tried to do so. Steve Stirk then went and checked the bathroom taps which he discovered were all

	already open (water running in wash basin; water running in bath which was full and going down overflow). We then thanked Mr. Cordell for his time and left the property. 10+ Outcome: It is unclear whether Mr. Cordell running all of the taps constantly is linked to the issue of low water pressure as he is on the ground floor and 117 is 2 floors up (we had been unable to check the pressure in 113). Steve Stirk to liaise again with Thames Water about the issue and to consider separation of the water supply to the ground floor flat. 11+ made some observations whilst in Mr. Cordell's property, 109 Burncroft Avenue which are of some concern: 12+ There is a security gate installed on the inside of the front door. 13+ There were 3 large 'industrial' matrix type printers in the property (1 in the hallway and 2 in the living room) 14+ Mr. Cordell talked about running 'events' 15+ A non-standard kitchen Re.-a wall seemed to have been removed between the kitchen and the living room creating an open plan effect: No fire door 16+ Much of the property was taken up by the printers, boxes and folders - possible hoarding (6)? 17+ Dog feces in private back garden Sarah Fletcher Neighborhood Officer

Dear Mr. Cordell,

Re: Allegations of Anti-Social Behavior, Harassment, Intimidation and Threatening Behavior

1+ I write with regard to reports of anti-social behavior, intimidation, harassment and threatening behavior made against you by your [neighbors](#).

2+ I wrote to you on **29/12/2016** to arrange to meet with you on **05/12/2016** to discuss these reports but you cancelled the meeting. I wrote to you again on **31/01/2017** to arrange to meet with you on **09/02/2017** but you also cancelled the meeting. I then wrote to you again on **15/02/2017** to arrange to meet with you on **22/02/2017** and again you cancelled the meeting. I have enclosed all three letters for your information.

	resolve the problems between you and your neighbors. The allegations made against you by your neighbors, if true, are very serious breaches of your tenancy conditions. It is important that we meet with you to discuss these allegations and give you the opportunity to respond to them. 4+ I have therefore arranged for you to meet with me at the Civic Centre, Silver Street, Enfield, EN1 3XY at 3pm on Wednesday, 22/03/2017 to discuss this matter. You should contact me on 02083795354 to rearrange the meeting if this date is not convenient for you. 5+ Please note that if you fail to attend or call to rearrange this meeting, then we will have no option but to serve a notice of seeking possession against your tenancy without further warning. The council may also take further tenancy enforcement and/or legal action against you if further substantiated allegations are made against you. Kind Regards Yours Sincerely Lemmy Nwabuisi ASB Team

	EXHIBIT • 2 On 17th March 2017 1+ Lemmy Nwabuisi, ASB Coordinator visited 109 Burncroft Avenue to post a letter through the Defendant door and as he got into his car to drive off after posting the letter, the Defendant ran after him shouting and screaming abuse. The letter requested that the Defendant attend the Council office to discuss the nuisance reports being received from his neighbors. By the time he returned to the office, the Defendant had telephoned him several times. Lemmy Nwabuisi telephoned the Defendant back and the Defendant asked whether he was the person that posted a letter through his letterbox and Lemmy	2+ It is said by us that on the 00/00/0000 the following took place.

	Nwabuisi said yes. The Defendant asked why he did not stop when he ran after him and Lemmy Nwabuisi stated that he had another visit and did not have the time to stop and talk to him. The Defendant stated that he will not attend the meeting at the Civic Centre or any of the council offices as he is unable to leave his flat and that the meeting should take place in his flat. Mr. Nwabuisi offered to have the meeting at a neutral venue and suggested the local library or at his mother's house, but the Defendant refused saying that he have done nothing wrong and accused Lemmy Nwabuisi of taking sides with his neighbors. 17/03/2017

also a subject access request that was put in to Enfield Council that we was waiting to be addressed and to receive the data back which as you are aware did take a considerable amount of time, and also the complaint also was delayed in a reply. As stated to you via email we felt it was unjustified to hold a meeting when there was an ongoing complaint, and a subject access request that we were waiting for, as you are aware there are still issues regarding the subject access request, which does need to be addressed.

- 4+** You then stated that she wrote again on 16 February 2017 and arranged a meeting for 22 February 2017 which was also cancelled, but you was also notified there was still issues with the subject access request, and that I had a meeting regarding the issues which was set for the 9 March 2017, I stated to you that I would get back to you with a convenient date for the meeting to take place, but due to illness things have got delayed.
- 5+** You have also stated that it is very unfortunate that there have been repeated refusals to meet in regards to the issues with the [neighbors](#), I feel that this is very misleading we have not refused once to have a meeting with you, but due to ongoing issues meetings have had to be cancelled with a justified reason, so how you can take this as a refusal is beyond me, we have kept you informed at every stage of every letter that you send out giving you reasons as to why the meetings could not take place. Therefore, I do not understand how you can interpret this as a refusal.
- 6+** You will also be aware that my son does have health problems and that he does not leave his flat, not once have you thought in all the letters that you sent out how someone that does not leave his flat is going to be able to attend a meeting at the Civic Centre, therefore I am asking for the meeting to take place at Mr. Cordell's home address, due to Mr. Cordell's health, arrangements will need to be made that someone is at the meeting with Mr. Cordell, and under no circumstances will Mr. Cordell be addressing the issues while he is on his own.
- 7+** You have also stated that if Mr. Cordell does not attend or set a new date that you will be putting an application seeking possession of his home, it seems that Enfield Council have already made their mind up that Mr. Cordell is guilty of what has been alleged in the complaints, you also state that if any further allegations are made against Mr. Cordell that you can take legal action, since your last update with the dates has there been any more allegations against Mr. Cordell?
- 8+** Next week I have a number of hospital appointments so it will really be hard to do the 22 March 2017, if you could get back to me with some dates that the meeting can take place at Mr. Cordell's home address, I would be most grateful. or if there is any problem with this, please let me know.

Regards

Dear MS Cordell,

1+ Thanks for your email. I sorry to hear and learn that you have been unwell, I wish you speedy recovery. The first letter I wrote to Mr. Cordell was dated **29/11/2016 - 29 November 2016** and not **29/12/2016 29 December** so, apologies for the mistake and the first meeting was **2+ 06/12/2016 - 06 December 2016** and not **06/01/2017 - 06 January 2017** as you stated in your email below. I am not aware that Mr. Cordell is unable to leave his flat due to health reasons as he has not provided us with a letter from his Doctor to support this claim. Also, when Mr. Cordell telephoned me on **17/02/2017 - 17 February 2017** following my letter to him dated **16/02/2017 - 16 February 2017** he informed me that he will not come to the Civic Centre or the council offices in Edmonton Green because there are gang members looking for him in these areas. I cannot recall him saying anything about him not being able to leave his flat due to health reasons. Also, Mr. Cordell chased my car down the road when I went to deliver my last letter to his flat on **17/03/2017 - 17 March 2017** this is not the attitude of someone who cannot leave his flat for health reasons. I am inviting Mr. Cordell to a formal meeting to discuss the allegations made against him and due to the serious nature of the allegations, the meeting will have been held in the council offices with a minute taker present. However, if Mr. Cordell presents a letter from his doctor stating that he is unable to leave his flat for health reasons, then we can discuss an alternative venue. I am happy for Mr. Cordell to bring someone with him to the meeting.

Dear Lemmy Nwabuisi

- 1+ I have enclosed 2 letters that could help to show my son won't leave his flat he had a DWP assessment, and a letter had to be written to his GP to ask if the GP could write a letter to get a home assessment, please see both letters.
- 2+ It will also be noted on his file under the mental health team that he won't leave his flat.
- 3+ And I cannot understand how you said on the phone today that you knew nothing on my son's health, as clearly it is in the limited subject access request, I got from Enfield Council under the ASB teams' information as you requested if he was known to the mental health team.
- 4+ Information you have asked for please see below:
- 5+ Barnet, Enfield and Haringey Mental Health NHS Trust
- 6+ The doctors name he was under when he was sectioned in [August 2016, Dr Julia Cranitch](#), Haringey Assessment Ward, St Ann's Hospital.
- 7+ When he left hospital, he was under the home treatment team support and referral to community team.
- 8+ [Early Intervention: Goodie Adama: Locum CMHN, Locum Community Mental Health Nurse, Early Intervention for Psychosis, Lucas House 305-309 Fore Street London. N9](#)
- 9+ As stated on the phone I have many emails to backup that complaints was put in on behalf of my son regarding what the [neighbors](#) was doing, well before any complaints was put in by the [neighbors](#), yet nothing was done by Enfield Council, each email even states the [neighbors](#) was not letting him sleep and this was having a large impact on his health, this is what has upset me so much, as phone calls was being made emails sent, even my son was making calls, but you seem to have nothing of anything that was submitted so where has it all gone, please can you look into this and get back to me as I really do not understand how so much can be missing from Enfield Councils systems?
- 10+ I am grateful that you called me back today and we were able to speak, sorry if I sounded loader on the phone but since the operation as I said my voice and throat are very sore, I believe due to the tube they put down their when they were doing the 2nd operation.
- 11+ I am grateful that you will deal with this, and you cancelled tomorrow's meeting when we spoke, and you seemed to have some idea of what was going on which you seem to have not known before, I will await a reply from you as to how we can deal with this.

his life and that I was going to the police with the evidence that I have off all the illegal activities of him. Sarah Fletcher in the stairway with another gentlemen then had together been in the flat 113 while it had been empty and started to play above my head were I had seat to work on my computer, I knew that the flat should be empty because George had just moved out so I waited for a little while so that I can make sure that what was being done to me was deliberant then I went upstairs to find these two coming out. I confronted them both about when the work was to be completed that they had noticed had been wrong to be playing with it. When talking to them in the hallway Mathiyalagan come down the stairs with a black bag full of rubbish and I looked at him in front of the council workers and said I am going to send you to prison for what you are doing to me and that will ruin your life do you want that, in a polite voice. The council officers tried to question me by turning my words around but then I corrected them in the meaning of my inherited English Enfield council claim that we received a report that on 5th May **2017** you threatened, one of your [neighbors](#) by saying that you will ruin his life and that you were going to the police to present evidence about his illegal activities.

WARNINGS FROM MY HEART: --

2+ It is said by us that on the **00/00/0000** the following took place.

1+ My heart hurts me, so bad, it hurts me, so, so, so much, it feels like the Mathiyalagan family and co, with Co including Mr. Stan Curtis and Deborah Andrews, not to forget George Quinton can do what they want to me as they clearly where all out of control and without any authority in sight, even when mutable amounts of phone calls got made to them all about the problems that I had to face because of them all involved, continued to victimise me, they all used there floorboards or other house fixtures to have a negative effect on me, some of what they done to me included such hatred, as the continual slamming on and off the water taps hours at a time, while using there cooking pots and pans to hit the wall's, they done this so loud to put me in fright of my life, it was like there chosen weapons of choice to them; Morning; Evening and of night, whether a full moon or not, all day long, they just simply keep on banging, and banging, and banging, no matter how many time I asked them, to stop, doing the evil things that they were subjecting me towards, nothing ever did change, right up until my heart just would not stop hurting me, it was like they all were having a private epiphany; which gave them, versatility, enthusiasm, agility and unconventional methods of behavior. While I got left to have my own epiphany; in turn creating a cartoon version of the true events that they put me through. I noticed in my mirage of a brief reflection inside of my epiphany, that they were hitting me across my heart with the wooden floor boards, and this was happening, continuously to me, like they were all dancing around a bomb fire, dancing around, and dancing around, in furious circle's, all together and as happy as could be, while they keep going around in a circle hitting me with their floorboards, and to me; the bad part is, that I' am the person in the middle of that's bomb fire, who got set on fire; at the end of the epiphany; I come back from my vision; and therefore I knew that by this stage, I must do something about it, as they just simplify wanted to kill me dead and I could not allow for this to happen, I knew that I needed to survive, somehow some way.

	EXHIBIT • 2 File Note 09/05/2017 Simon Cordell — 109 Burncroft Avenue, EN3 7JQ 1+ Further to ongoing issues related to water pressure/supply to the block at 109 - 119 Burncroft Avenue particularly to the right-hand supply affecting 109,113 and 117, I visited the block on Monday 8th May 2017 at 11am with Steve Stirk, surveyor, and .an MCP locksmith. 2+ The purpose of this visit was to gain access to 113 Bumcroft Avenue so to assess the water pressure/supply to this property. Several attempts had been made previously to do this, but the tenant was not there to give access so a 'forced' entry was made and the locks subsequently changed (the tenant had been notified previously that we would be taking this action if he did not provide access). 3+ We entered the property so that Steve Stirk could test the water taps in the kitchen and bathroom. There was no flooring laid except	2+ It is said by us that on the 00/00/0000 the following took place.

for a rug in the living room (the kitchen was accessed through here) and the floorboards made a significant amount of noise as we stepped on them.

- 4+ The resident from the property underneath, Mr. Simon Cordell, heard us in the property and came upstairs. Steve Stirk and I were outside the property at this point as the locksmith started to undertake the work to install new locks on to the door (he was inside the hallway).
- 5+ Mr. Cordell proceeded to 'rant' at Steve Stirk and me about his perceived victimisation by his [neighbors](#). He was very agitated and loud - recounting his experience with the police, previous housing management, a previous partner, a previous [neighbor](#) and allegations of anti-social behavior made against him-
- 6+ Steve Stirk tried to explain that we were there to deal with a specific issue and that this was not the time or place to address these concerns. Mr. Cordell did not want to listen and became fixated on Steve Stirk being 'dismissive' towards him (Mr. Cordell's words). He went on at length about his upstairs [neighbors](#), both past and present on first and second floors, 'banging' hammers deliberately above his head.
- 7+ He continued to go on, in his agitated state, about how he had been treated by the police and previous housing managers who had promised him that they would re-lay the floor of flat 113 but had not done so. At this point the resident from 117, Mr. Mathiyalagan Markandu, came down the stairs on his way out of the building. As he came down past us Mr. Cordell focused his attention on him and said to him: 'I'm going to the police station now with my evidence about you and I'm going to ruin your life'. Mr. Mathiyalagan Markandu did not respond and proceeded to walk past and go down the stairs and out of the building.
- 8+ Both Steve Stirk and I commented to Mr. Cordell that the way he had behaved was threatening in nature and was not acceptable. Mr. Cordell responded, 'it's not a threat it's a fact'. He then continued to repeat his history with the police and previous housing management.
- 9+ I asked Mr. Cordell to calm down and tried to explain that some of these issues could have been addressed by attending the meeting that Lemmy Nwabusi in the CSU team had tried to convene with him. He said that he was not prepared to attend such a meeting but wanted to speak to me, his housing officer, now. I

	explained that as Steve Stirk had already said that we could not address his issues there and then I suggested that a meeting could be convened with both the CSU and unneighborly teams to look at some of the issues with Mr. Cordell. He indicated that he would be willing to do this if we came to his home to do so. Sarah Fletcher Neighborhood officer

The 1st Injunction Order / Lemmy / pub Book Issue: 1! Council surveyor Steve Stirk Notes / Page Numbers: 65 65 Lemmy Nwabuisi From: Steve Stick. Sent: 10 May 2017 / 08:42 To: Lemmy Nwabuisi Subject: 109, BURNCROFT AVENUE ENFIELD, EN3 7JQ 1+ Further to my conversation today please note the following, 2+ I carried out a joint with Sarah back in January regarding low water pressure to 117 While on location the following was noted 3+ Kitchen internal wall has been partly removed 4+ 3 large industrial type printers found with assorted inks and cleaning liquids Internal gate installed to front door	1+ It is said by us that on the 00/00/0000 the following took place. 2+ It is said by us that on the 00/00/0000 the following took place.

5+ While all these items could be used in normal day-to-day interests the tenant made claims he was actively involved in planning and conducting events, and the equipment was used to produce marketing leaflets and posters.

6+ This Monday we has reason to attend 113 to carry out a full lock change given accusation from the tenant that his lock had been glued so was unable to gain access the tenant claim the damaged was caused by 109, (this cannot be confirmed) as the tenant did not attend both Sarah and myself did go in and while there was confronted by the tenant from 109, the tenant for about twenty minutes would not leave us alone and became increasingly aggressive despite attempt to explain to him that we had not come to see him or indeed were able to comment of any of his accusations on how Enfield had ruin his lie were putting him in danger by leaving him in his flat, during this confrontation the tenant from 117 passed through the passage and the tenant from 109 stated he was going to ruin his life and generally became more irate towards the tenant.

7+ It is clear that we are unable to allow this to continue as the body posture from 117 was defensive and did not wish to reply or get into any form of conversation with this tenant

8+ Given that two members of staff were present and the confrontational attitude towards not only us but the other resident I believe we need to action this event to try and stop any further escalation from this tenant

9+ Lastly I would recommend that we need full access to 109 to assess what is the true cause of the low water pressure to the flats above given the items found in the flat as well these need to be removed as does the internal gate please advise so I can carry out a full inspection as this is a complaint from the lease holder as they have very little water flow in the flat above and given the nature of the conditions and life style of 109 we are unable to show if he has caused the issue, on a housing point the internal wall that has been partly removed needs to be put back as it is a breach of fire regs

about more than one reason. The reason I asked my mother to do this for me was because a lot of disturbing things had started to take place against my person. One of the reasons at this time in my life I had requested my mother's help to write correspondence to the council and police was because of my next door neighbors who all had started to attack me in my own home and this was when I had been on Asbo conditions so, I had decided to staying out of troubles way E.g. the police and stay indoors till I had got the conditions taken of me thought the period that I had to fight the case in court proceeding to prove my innocence.

I did not realise at this time in my life that Enfield Council was the company who also built the Asbo against me.

**THIS NOTICE IS THE FIRST STEP TOWARDS
REQUIRING YOU TO GIVE UP**

**POSSESSION OF YOUR DWELLING. YOU
SHOULD READ IT AND ALL THE
NOTES VERY CAREFULLY.**

To: Mr. Simon Cordell

NOTES TO PARAGRAPH 1

If you need advice about this Notice, and what you should do about it, take it as quickly as possible to a Citizens' Advice Bureau, a Housing Aid Centre, or a Law Centre, or to a Solicitor. You may be able to receive Legal Aid, but this will depend on your personal circumstances.

The Landlord, the Mayor and Burgesses of the London Borough of Enfield intends to apply to the Court for an order requiring you to give up possession of:

109 Burncroft Avenue, Enfield, Middlesex, EN3 7JQ

NOTES TO PARAGRAPH 2

If you are a secure tenant under the Housing Act 1985, you can only be required to leave your dwelling if your landlord obtains an order for possession from the Court. The order must be based on one of the Grounds, which are set out in the 1985 Act (see paragraphs 3 and 4 below).

If you are willing to give up possession without a Court order, you should notify the person who signed this Notice as soon as possible and say when you would leave.

Possession will be sought on Grounds 1 & 2 of Schedule 2 to the Housing Act 1985, which read:

Ground 1

Rent lawfully due from the tenant has not been paid or an obligation of the tenancy has been broken or not performed.

Ground 2

The tenant or a person residing in or visiting the dwelling-house -

has been guilty of conduct causing or likely to cause harassment, alarm or distress to a person residing, visiting or otherwise engaging in unlawful activity in the locality, or

(aa) has been guilty of conduct causing or likely to cause a nuisance or annoyance to the landlord of the dwelling-house, or a person employed (whether or not by the landlord) in connection with the landlord's housing management functions, and that is directly or indirectly related to or affects those functions, or
has been convicted of—

using the dwelling-house or allowing it to be used for immoral or illegal purposes, or
an indictable offence committed in, or in the locality of, the dwelling-house.

NOTES TO PARAGRAPH 3

Whatever Grounds for possession are set out in paragraph 3 of this Notice, the Court may allow

any of the other Grounds to be added at a later stage. If this is done, you will be told about it so you can argue at the hearing in Court about the new Ground, as well as the Grounds set out in paragraph 3, if you want to.

The reasons for taking this action are: -

You have failed to comply with the following obligations of your tenancy agreement which commenced on 14th August 2006.

The relevant conditions of the tenancy agreement are as follows:

NOTES TO PARAGRAPH 4.

Before the Court will grant an order on any of the Grounds 1 to 8 or 12 to 16, it must be satisfied that it is reasonable to require you to leave. This means that, if one of these Grounds is set out in paragraph 3 to this Notice, you will be able to argue at the hearing in Court that it is not reasonable that you should have to leave, even if you accept that the Ground applies.

Before the court grants an order on any of the Grounds 9 to 16, it must be satisfied that there will be suitable alternative accommodation for you when you have to leave. This means that the Court will have to decide that, in its opinion, there will be other accommodation which is reasonably suitable for the needs of you and your family, taking into particular account various factors such as the nearness of your place of work, and the sort of housing that other people with similar needs are offered. Your new home will have to be let to you on another secure tenancy or a private tenancy under the Rent Act of a kind that will give you similar security.

There is no requirement for suitable alternative accommodation where Grounds 1 to 8 apply. If your landlord is not a local authority, and the local authority gives a certificate that it will provide you with suitable accommodation, the Court has to accept the certificate.

One of the requirements of Ground 10A is that the landlord must have approval for the redevelopment scheme from the Secretary of State (or, in the case of a housing association landlord, the Housing Corporation). The landlord must have consulted all secure tenants affected by the proposed redevelopment scheme.

Court proceedings for possession of the dwelling house can be begun immediately. **The date by which the tenant is to give up possession of the dwelling-house is Monday the 24th of August 2017.**

NOTES TO PARAGRAPH 5

Court proceedings cannot be begun until after this date, which cannot be earlier than the date when your tenancy or license could have been brought to an end.

This means that if you have a weekly or fortnightly tenancy, there should at least 4 weeks between the date this Notice is given and the date in this paragraph.

After this date, court proceedings may be begun at once or at any time during the following twelve months. Once the twelve months are up this Notice will lapse, and a new Notice must be served before possession can be sought.

	<u>12/01/2018</u> - On 9th January 2018 at about 12.18pm, you telephone Lemmy Nwabuisi (ASB Behaviour officer) and accused him of forging documents to get an antisocial behaviour order against him and you told him that he had made you a prisoner within your home. - You also stated that you knew where he lives in Enfield and that he and his family were not safe from you. - You also told him that you would watch him leave the office and you would have followed him home and he needed to watch his back. - You called the ASB officer again 30 minutes later and told him that you knew he has a flat in Edmonton and also knew that one of his colleagues' lives in Edmonton. - You also stated that you knew where they live, and they were not safe. - I was complaining to the police, Enfield Council, Neighborhood watch team, NHS & Co, about what Lemmy, Dawn Allen, Sarah Fletcher, and all involved to do with the Asbo had done to me inclusively of the next-door neighbors who were attacking me on a daily basis. - I had won the 1st Possession order and the 1st Injunction order to which were of the same forged context. - I contact the Enfield Council to obtain Justice by providing them with evidence for what I had been complaining about I.E. fraud, a malicious prosecution, and abuse of process. This is what the 2 x calls were made by me to obtain, to which were fabricated to create the Second injunction order. - When at the Lower Edmonton court for the wrongly accused telephone calls the judge residing the case started proceedings. - Lemmy acted as if he had never been in a court before and sat on the side wall basic Charis due to his decision and the court room not having a proper public gallery. I had my suite and shoes on and carried my	2+ It is said by us that on the 00/00/0000 the following took place.

briefcase. I sat at the prosecution and defences gallery before his honour the judge and placed my note pad & pen as well as pencil case on the table ready for taking notes.

- After the basic formality the judge asked Lemmy, while he was sitting on the side wall, what the claim he brought was about, he repeated the above.
- The judge then asked me to explain to him in short what happened.
- I explained to him that I had contacted Lemmy after winning the last case he brought to get justice about the evidence I had and throughout that conversation
- I accused Enfield Council staff off forging an antisocial behaviour order against me to which has illegally made me a prisoner within my own rented home from them.
- I also accused the Enfield Council of manipulating true facts to tarnish my life.
- And I accused Lemmy of then afterwards also forging documents to get a possession order and a injunction order as well as prior fabricating council records to create me a Enfield Council History.
- To which all that I had said was all legal to prove and say.
- The judge then asked if the following was correct: --
- You also stated that you knew where he lives in Enfield and that he and his family were not safe from you.
- You also told him that you would watch him leave the office and you would have followed him home and he needed to watch his back.
- I replied to the judges' questions by saying: --
That I did explain to Lemmy that I know where he lives, and I also know about his education as a legal defender as well as other thing, but I had done nothing wrong by knowing or saying this to Lemmy and with the reason being that I.E. I am a single person who has no children, so I look after myself. If I had a child and a person of paid for services is hired by me to look after that child, then I would do a job reference against that person and as I would do for my child, I do for myself. Lemmy as a member of a paid for authority became a case handler against me and therefore, I done a job reference against him. I found online at company house, "Public Records" about him. And I intend to use that information to be able to make a claim against him for the services he rendered through his service for the Enfield Council and to do this I serve him at his home address and the company to which he works.
Lemmy tried to say from the sidewall that this was unfairly obtained intel, but the judge stood on my side as I took my notes and stated he can not prosecute for me obtaining public records about Lemmy.
- I was very clear of my intention to sue for the prior Gross misconduct and that is was Lemmy who had committed it with other.

- The Judge advised Lemmy to do a out of court settlement due to past court proceedings and this case now also, as I suggested to all, but Lemmy refused to the offer and another court date was set.
- More files got added to the 2nd Injunction order that were all the same as the past refused and stuck out application.
- As towards the second question I explained that I have not left my house in years due to forged Asbo ++++++
- Meaning that being on the phone meant that there was No Immediate Danger that warranted an application of such a sort, even aloe Mr. S. Cordell never said the following: --
 - 1) You also told him that you would watch him leave the office and you would have followed him home and he needed to watch his back.
- I ensured the Jude that everything I had done was all in the constraints of the law and he agreed.

The Judge even sent Lemmy and Co a form and directed him to a page in that form that when read explained about how to do an out of court settlement.....

- We would also like it noted that Lemmy Nwabusi also wrongly accused Mr. Simon Paul Cordell of claims to do with himself in the prior application: the 1st Injunction order, to which he was also the case handler.
- It is said that Lemmy Nwabusi fabricated his own statements and other persons, and these alleged incidents were so fabricated that he nor any other person could not present any evidence towards those claims due to them being not true and as an example, he stated the following:
 - 1) “16. On 17th March 2017 Lemmy Nwabuisi, ASB Coordinator visited 109 Burncroft Avenue to post a letter through your door and as he got into his car to drive off after posting the letter, you ran after him shouting and screaming abuse.
 - 2) The letter requested that you attend our offices to discuss the nuisance reports being received from your neighbours.
- And continues...
- It is said that
- Lemmy added the evil document to do with the Asbo into the file, proving the Council had the files. “Attend Court and dis us and we will re-man.” ++++++

This is also in Lemmy’s 1st Injunction Order for the Enfield Council: --

20/04/2018	EXHIBIT 1 <u>The 2ND Injunction Order</u> Start Date 10/01/2018 End Date 09/08/2018	1+ It is said by us that on the 00/00/0000 the following took place. After I won the case for the 1st possession Order and the 1st Injunction Order. It is said that a Dawn Allen who worked for the Enfield Council with other persons who we accuse of being accused as our liable deliberately ignored emergency correspondence to allow our client to maliciously get killed or at the minimum hurt to such an extent that he would not be able to complain about the wrongs they had committed against him in the Asbo and afterwards it is also explained that what was done to our client was done to such an extent of cruelty to deter others away by being so scared of what they could notice that they would more than likely not help him in case similar was done to themselves. The Enfield Councils Team failed to identify any of the alleged victims in the claim files so none could be called to court to be challenged and this was the same for the address, in fact they redacted this information out with a black marker. Enfield Council were made aware of these obvious facts but failed to disclose the names and address and instead demanded for meetings to be held again our client.

Lemmy & Ludmilla lyavoo keep going into the Edmonton lower court trying to get the case reopened and the judge ordered for the case claims to be stuck out and not re submitted.

Under a new case number, the Enfield Council and Edmonton Lower Court allowed Lemmy Newbusi to file a new claim for himself and the employees of the Enfield council which with Ludmilla lyavoo what was the 2nd Injunction Order.

At First it was just Lemmy's and Lubminya Name in it and he stayed as his own case handler / solicitor against me.

He soon afterwards against the 2nd injunction Order Judges ruling added in the same 31 allegations into the files

- Inside of the "**Housing Transfer Files,**" dated **20/04/2018** is an Affidavit in a REVATHY MATHIYALAGAN name and the dates accused in this document are: --
1+ While the 2nd Injunction order was ongoing is these dates: -- 11/11/2017, on 02-03 January 2018.
2+ After the 2nd Injunction order finished are these dates: -- 01/03/2018 and the 26th of February.

11/11/2017, on 02-03 January 2018. Added on the **20/04/2018.**

01/03/2018 and the 26th of February. Added on the **20/04/2018.**

- The Affidavit was not served in accordance to post rules and the timeline for the council to report the offences one reported to themselves was 103 days as demonstrated below: -
-

Q

How many days months and years in between these:

The affiant said to be created by REVATHY MATHIYALAGAN **20/04/2018.**

The 2nd injunction end date **08/01/2018.**

A

Between the creation date of the **affiant** (attributed to **Revathy Mathiyalagan**) on **April 20, 2018**, and the end date of the **2nd injunction** on **January 8, 2018**, there is an overlap in the dates. Let's calculate the duration:

1. **Days Between Dates:**

- From January 8, 2018, to April 20, 2018, there are 103 days¹.

2. **Months and Years:**

- This corresponds to approximately **3 months and 12 days**.

Therefore, the duration between these dates is approximately **3 months, 12 days, and 103 days**.

They went back to court and sent correspondence that we know of on the following date to apply for the case to be reopened: --

Statement Exhibit 3 / 01/01/2018.

2. On the **09/08/2017** in the **first injunction order Claim Number: D02ED073**) Enfield Councils solicitor states that: *"The Defendant's anti-social behaviour has ceased towards the neighbours and no complaints have been received from them, she said this on the date of the 03/01/2018."*

- The Affidavit dated **20/04/2018** was attempted to be served but failed "**Seven Days**" before the 2nd injunction order was finally dropped by the Judge on the **08/01/2018**.
- The three dates of the **11/11/2017 & 02nd & 03rd of January 2018** were all not mentioned until months later as detailed below and these leads to the assumption of them being fabricated.

Q

How many days and months and years in between these dates including the days started **11/11/2017** took from the **20/04/2018**.

A

Between November 11, 2017, and April 20, 2018, there are 92 days in total, including both the start and end dates. This corresponds **to approximately 3 months** (including the end date)

Q

How many days and months and years in between these dates including the days

started 02nd January 2018 took from the 20/04/2018.

A

Between January 2, 2018, and April 20, 2018, there are 108 days in total, including both the start and end dates. This corresponds to approximately **3 months and 18 days.**

- The 2nd Possession Order Was said to have been served on **06/02/2019** which starts with **the same 30 prior stuck out claims** that Lemmy Nwabuisi and Co created and that were latter refused by his honour to be allowed as reinstated but with **one difference being the 31st allegation,** which leads us to confusion.
- The next date is another date added from the same Affidavit dated the **20/04/2018** which was supposedly reported by REVATHY MATHIYALAGAN and created by Ludmilla Lyavoo which in the **2nd Possession Order** which is dated the **06/02/2019** is the 32nd allegation against our client.

1+ 32. 11th November 2017 at 11.30am, it is alleged by one of his **neighbours**

2+ 33. On 2nd January 2018 at 6.30pm, it is alleged that the Defendant stood outside his **neighbour's**

3+ 34. On 9th January 2018 at about 12.18pm, the Defendant telephoned Lemmy Nwabuisi

The date of the **3rd of January** is missing, and it is said that this is because

This is not true as can be checked with Mathiyalagan's Statements and the fact that they lived in the building since 2013? The reason being to cover up a home that they already had paid for in their names.

I am the tenant of Flat 117 Burncroft Avenue, Enfield, EN3 7JQ. My flat is located two floors above Mr. Cordell (thereafter 'the Defendant'). I live there with

Asbo Summery

A Deception in Events Leading Up to The Claimed For: "What Took Place and Can Be Evidenced and that is relevant to the ongoing!"

The Enfield Council & Neighbourhood watch Team inclusive of the Metropolitan Police Force created a forged Court Order Application to deprive me of my life and wellbeing and then even when not served in Accordance with statue of services of post and practice and directions of judgments and orders they continued to force that application illegally upon Mr. S Cordell. The forged Asbo Application was not severed.

Due to Mr. S Cordell's mother finding the Asbo folder left outside of the front door she took the documentation that she found left scattered on the

floor in a community Based Public Area. And took it home and photocopied it due to it having her sons' personal details printed on the pieces of paper she had found. The paperwork stated that it belonged to the Edmonton Police Station and was brought back to themselves. A lost property receipt got given to my mother with text stating one blue folder found outside of Mr Simon Cordell's property that belongs to Mr. S. P. Cordell. Because Miss Cordell Mother of Mr. Cordell had photocopied what documentation she had found and was concerned she showed her son, Mr Cordell, who managed to see part of the Prosecutions applicating being brought into motion against him.

At first glance of the bits of paper found pertaining to an Asbo application Mr. Cordell could noticed that he was being accused of illegal activities that he had not committed. Shocked that he had not been arrested

as the

knew that he was an innocent man due to not organising any illegal raves within the application.

Stain was allowed to attack me.

I never got arrested for Stain, but I did for his friends Christine and Carron, because Christine and Carron had set me up by lying and saying I went in my back garden and looked up at the 2nd floor window and threatened Carron and her children, I never even went in my garden on this date and never had any such conversation. This was to help stain and the rest of my neighbors in my block of flats get away with what the police and council had that them get my neighbors do to me without any fair investigation.

N. The Order made by the Judge on the **06/11/2017** did not get met to by the Enfield Councils Solicitor Ludmilla lyavoo by the set deadline of the **17/11/2016** as she overlooked what she had to do.

O. The Court stated that it received the Claimant's questionnaire on **20/11/2017** and therefore ordered that the Claim be struck out and that the interim injunction order be discharged.

13/12/2017

P. On **13/12/2017**, the Edmonton Lower Court made an order striking out the Enfield Council claim on the basis that it failed to file its direction questionnaire on **17/11/2017** as directed.

The court by its letter dated 13/12/2017 stated that the sanctions on the order of 6 November 2017 applies because the Claimant's Directions Questionnaire was received by the court on the 20/11/2017,

	21/12/2017	Q. 21/12/2017 The court having discharged the injunction against the Defendant and the Claimant's claim having been struck out, the Defendant respectfully requested the court to make an order that the Claimant pays his costs in the case. V. Ludmilla lyavoo went to court on the **03/01/2017** to get the cases reopened. What did in fact happen is that while on the telephone he said to me that he was going to kill my moth++er and once we ended our telephone conversation, he made a phone call to the police and lied he said that I threatened him, and the police came and arrested me for threats to kill. While I was in the police station he went to the court and put in for another emergency application for an injunction order against me. 2+ A Search Warrant for the 3+ 10/01/2018 4+ when the police came into my flat/ Lemmy case Alleged Threats to kill him while on the Mobile Phone. 5+ <u>The Occupier Should Keep This Notice In A Safe Place In Case It Is Needed For Further Reference. Mr. Curtis said that he has had no further problems from Simone Cordell, however, he was aware of actions between Simone Cordell and other residents in the block. Mr. Curtis said he will still maintain his own logs and call the police and the council if necessary. The camera directly outside of Simone Cordell flat has been removed however, we notice that there was a camera in the communal area pointed toward the staircase we need to find out who the camera belongs to.

Speaker: 00:00 Thank you for calling. You're welcome to Edmonton County Court our telephone lines are open from 9Am till 5Pm Monday to Friday. The court building is open from 9:00 AM to 4:00 PM. Please be advised we operate a telephone counter appointment system, which is designated for urgent work.

Speaker: 00:16 Good morning, Edmonton County Court how can I help.

Speaker: 00:22 hello. How are you doing?

Speaker: 00:24 I am good you.

Speaker: 00:24 Okay. Feeling a bit better.

Speaker: 00:32 How can I help.

Speaker: 00:32 I was just wondering if you can tell me an update to where a case stands that's being held in your court

Speaker: 00:38 Right. Have you got a case number?

Speaker: 00:39 The case number is just right about here one second if fact two seconds because it keeps changing. I think it might be E.O.O.

Speaker: 00:50 Hm.

Speaker: 00:50 E.D.O.4.9.

Speaker: 00:50 His got it

Speaker: 00:52 E..O. E.D.O.4.9.

Speaker: 00:54 **Ber, with me for one moment.**

Speaker: 00:54 **[Staff Noise in the Background] All staff laughing together and - You're dead.**

Speaker: 00:54 **[Staff Noise in the Background] Ha, ha, ha, ha, ha.**

Speaker: 00:54 **Ha, ha, ha, ha**

Speaker: 00:54 **[Staff Noise in the Background] Settle down.**

Speaker: 00:54 **[Staff Noise in the Background] Yes, yes**

Speaker: 00:54 And your name is?

Speaker: 01:06 Mr. Cordell Simon Cordell.

Speaker: 01:08 Okay. Um, let me have a look. Right, It went up to the judge and did not come back down yet.

Speaker: 01:19 Um, what do you mean what did, what would you that mean?

Speaker: 01:22 Well, it's gone up to the judge.

Speaker: 01:23 What today.

Speaker: 01:23 No, no. it went up on the 1st of June

Speaker: 01:28 on the 1st of June and who

Speaker: 01:28 Hm, hm.

Speaker: 01:31 It can take a while before it comes, comes back down. [inaudible] ifey [inaudible] let's see, um, I think a claim about a lettering and that was sent up to the judge.

Speaker: 01:39 A letter came in from who.

Speaker: 01:39 From the claimant.

Speaker: 01:42 From.

Speaker: 01:42 London Borough of who is it the London Borough of who is it London Borough of Haringey Enfield oh, Enfield

Speaker: 01:49 Enfield. Lemmy and so forth

Speaker: 01:49 yes.

Speaker: 01:49 And do you know what, um, the last actual writ, what the actual order was on the 30th.

Speaker: 01:54 I will have a look 30th of what?

Speaker: 01:56 Um, May.

Speaker: 02:02 **[Staff Noise in the Background] Your dead.**

Speaker: 02:02 The last order here was the 14 of May,

Speaker: 02:02 [Staff Noise in the Background] [inaudible]

Speaker: 02:03 14th of May and that is

Speaker: 02:05 Bear, with me bear, bear with me two seconds. So, I can get into it.

Speaker: 02:15 Uh, they claimant wanted the older to be amended. Wishes to amend the application yes, and that went up I think the oldest upon; Da, da, da, da, da, [inaudible]

Speaker: 02:31 To my understanding, yeah.

Speaker: 02:34 Hm.

Speaker: 02:34 That the application has never been put onto me, what actually initially happened is there was a lady judge and she, she brought the court into the um, to the courtroom just as you come around the stairs. Like there's a little court room on the left there and you go for a little room and then going into the courtroom,

Speaker: 02:49 Ok.

Speaker: 02:49 she basically dealt with the case. I was just wondering if you could help me by telling me what Judges they are and telling me what court numbers they are as well. because I'm building my report and I want to put all of this information in it and on first time Lemmy put a first application in which is from Enfield council and he

falsified the paperwork inside off all of that and I have all the evidence for it, 100% to prove. that he, he that he will get done for his target in Malice which is a 12-year sentence.

Speaker: 03:14 Yeah. And I would like that to be brought forward to him yet. And what my problem is, I explained to this judge, she was like an um, she was like a fair skin colored um, lady. And I explained to her in that courtroom what Lemmy had done, she decided to abuse her position as a judge. And she forced upon, she let them force the paperwork through the court, eventually I kept proven what I was saying was right and I think a few others, what she'd done is she let other judges deal with the case in between. Now she's the one that initially opened up this file and allowed Lemmy to do these things. Now, Lemmy has continuously lost the cases and the points and the judges have dropped it out for silly reasons like time limits and that because they know if I get to trial I'm going to show the truth and it's goanna cause a lot more trouble than what it's worth, for Lemmy and that and now Lemmy and that seem to keep forcing the paperwork through that every time the judge strikes the whole application out he would just change the dates on it and then he'll repay for it to go back through again.

Speaker: 04:13 And then they are reusing the same thing, less abuse, a process, unfair process. And, and that's been allowed to continue by the directors of your court and served.

Speaker: 04:20 [Staff Noise in the Background] [inaudible].

Speaker: 04:20 And I'm concerned about what judges have actually allowed this to happen. Now the other day I had the police come here and they tried to Nick me and activate the injunction. I was on the phone to a gentleman called Paul who was being quite polite. He was being very polite, thought helping me and speaking to me and just doing what's right from both parties, basically [inaudible]. And then what I've noticed was that the police come in and try to activate the injunction and took me to the police station. I've proved that the claims were wrong anyway and fabricated, but I've also got video evidence proving that I wasn't served. That someone come into the affidavit of service from one letter box, and they have accepted that, and they've told me that then not going to activate the injunction for that and let me come back home afterwards.

Speaker: 05:02 So now I'm concerned that this judge, knew this judge, she goes, she, she allowed this to happen in the beginning now on the 30th I was supposed to have another man judge, but I think he seen how much trouble there and told her to clean up her own mess. She's gone into court and she's waiting. [inaudible] and let a new barrister in. She's pretending she was all friendly to me, but her true intentions were to try to kill me in that courtroom and abuse our powers and get me in prison when she knew the truth from the beginning and throughout and she's been informed by all the charges of what is happening on her case that she opened up and allowed to happen. Now I want this Judge struck off the register yes and I don't play about, yeah, I've already got the Directors of Enfield and Wood Green going to court with me and we're going to the Old Bailey, and I was going to leave this court alone, but I'm at a stage where I'm going to Sue this court and prosecute against this court as well now. Yeah, for what they're doing to people and what's not what's not right. It's a lower court and they shouldn't be abusing their powers in such a way. So, I was wondering if you can help me with the list of the judges that have dealt with my cases, and I'll give you another claim number as well.

Speaker: 06:03 Right. You need what you need to do. Write in. you will have to write in.

Speaker: 06:07 Ok.

Speaker: 06:07 And the date that you had to hearing or the orders done, you need to write in and say right. I need the list of the judges that actually dealt with my case.

Speaker: 06:17 Can you tell me who the lady judge is now? You can just tell me off the computer. You can see her; I will come down to the offices if I have to with all of the paperwork and we will cause a big commotion down there.

Speaker: 06:26 Right, where the order What was the last order that you got with a name on it?

Speaker: 06:29 The last order Yeah. Is there was a lady that attended what went into the court? She opened up the first injunction and opened up all the upper injunctions. Now she has allowed this to happen thought in my name now.

Speaker: 06:41 Yes, have you got the order in front of you.

Speaker: 06:41 Year I have made all brand-new books for the orders.

Speaker: 06:45 Yeah, but what I am saying is that the order in front of you would have the names of all the judges that done dealt with it.

Speaker: 06:50 Na

Speaker: 06:51 That's what I'm saying

Speaker: 06:51 Na, what it has is, Na what it has is; I have got a book here for litigation and process, the English legal process and I've got a book to fill out. Any applications, civil law and co and everything. Now, I can, I've got the civil litigation 2016 and 17 book in front of me and it shows me where the stamps and the Seals should be how to fill out the forms and what should be happening,

Speaker: 07:11 but we're not talking about that. You want to know what Judges actually dealt with your case.

Speaker: 07:17 That's who, that's who opened. That's who signed, signed, sealed. That could be the court clerk. That can be any person.

Speaker: 07:23 No, no, no. That's right. What you have to do, like I said, you have to write in.

Speaker: 07:28 I've got it in front of me now, in front of me right now, and the paperwork, you tell me any page, or I should go to the first pages of any application. I made all special PDF books for them.

Speaker: 07:36 There dead.

Speaker: 07:36 Yes so now. Like if you go to adobe and InDesign and that, you can just wait for an Epub book. Yeah. Now I've made brand new websites sick of the range the best of every angry calling.

Speaker: 07:46 **There dead.**

Speaker: 07:46 I've made all brand-new digital books I've put them all up, we're there all interactive so things can jump out at the books and show them where their Frauded everything and I've done the whole lot the court is going to get ripped apart by a policed by IPOC, in a minute

Speaker: 07:59 Sir, I have to cut this call because I'm on the counter and somebody is waiting for me. What you need to do, you must write in and ask for all the judges that dealt with your case, your list of their names. Yes

Speaker: 08:11 It's this injunction order on me now

Speaker: 08:13 you got another injunction order have you before that, year

Speaker: 08:15 No, I've won every case.

Speaker: 08:17 Okay, so what's the, what's the name on that injunction order that you have got

Speaker: 08:20 I've got, I've got here now two case numbers, and I won each one. I won the first case number in your

Speaker: 08:27 Ok, let's just do this one that you gave me.

Speaker: 08:30 There all ruined.

Speaker: 08:30 There ruined.

Speaker: 08:30 What is the name of this judges that you got on the order? What's the name of it?

Speaker: 08:36 **There dead.**

Speaker: 08:36 I've got about seven of them on the application. It says in the Edmonton County Court claim EEO, blah blah, blah. The London borough, Mr. Simon Cordell, the district judge Leftham sitting at the County Court.

Speaker: 08:45 Ok, that is one.

Speaker: 08:45 Yeah,

Speaker: 08:45 Ok, what is the other order that you have got there.

Speaker: 08:45 I've got loads of them.

Speaker: 08:50 yes. But this is what's happening. It's.

Speaker: 08:53 Yes, but what you need to do sir is highlight on your order that you have all of your orders highlight the Judges

Speaker: 09:00 I have Yeah, I've done that already.

Speaker: 09:01 Right.

Speaker: 09:01 and I've copied all of their pictures and then I've got a.

Speaker: 09:05 Yes, but again you a hostage. Right

Speaker: 09:05 wall of shame and I've put them in the wall of shame on their diaries. I've got every person that's in this application, I've got

their names, but more judges than that have dealt with me. More judges have dealt with me.
Speaker: 09:17 Okay.

Speaker: 09:17 You've got lesson that is one of the Judges that have deal with you. yes.

Speaker: 09:18 Pardon, yes

Speaker: 09:18 Was another judge there?

Speaker: 09:23 [Staff Noise in the Background] Yes.

Speaker: 09:23 Yes, there has been a lot of Judges.

Speaker: 09:26 And what is the other order. What was the name of that judge on the other order?

Speaker: 09:29 If I go to massive books hang on let me get it out for a second, give me one second yes. This is the next order here. The first Injunction Order book here I have got them here in all brand-new folders. So, the first injunction order when I open it, what happened is, Lemmy has put a copy. You got a copy of Caron's statement because they are all now Indexed. Lemmy's harassment. Lemmy, John Ivons statement in Wood Green crown court. And you have the initial copy, the initial claim forms, which would go in obviously.

Speaker: 09:56 [inaudible].

Speaker: 09:56 Because I'll put everything all indexed and everything we done brand new pages there brand new top of the range books.

Speaker: 10:01 Hello

Speaker: 10:02 But what you do need to do, is look at the orders just the orders I don't want to hear about claim forms get the orders together.

Speaker: 10:09 ok.

Speaker: 10:09 and then tell me the names of the judging.

Speaker: 10:15 Notice of discontinuation, hang on one second. Case history this is because Lemmy has put too much in here.

Speaker: 10:18 Your Dead.

Speaker: 10:18 What I'm goanna to do is go through them all myself now and let you explain to me after to go from one myself.

Speaker: 10:26 Yeah. write the name of the judges all of the judges. And then call us back.

Speaker: 10:31 I will do that thank you.

Speaker: 10:31 Yes. All right then. Bye. Bye. Bye.

I received a letter of Goodie from the Early Prevention Team Mental health Enfield stating

that they once again had received a request to come and do another assessment on me, they asked if I would attend their offices this time and I ended up calling them to cancel whatever they believed they were doing in accordance with the statute of their police's and the United Kingdom's Laws.

Speaker: 00:09 Good afternoon customer services Justine speaking. How may I help you?

Speaker: 00:12 Hello, who am, I'm speaking to Justine. It's Mr. Cordell speaking and I'm phoning because I found a whistle blowing policy, the procedure that sort of Enfield Council and he has told me to phone up on and that this is the fraud line and that you will be able to handle any fraud that is outside or dealing with an employee for the company? I have proof beyond reasonable doubt that an employee is acted beyond, beyond what the company's procedures and that he has breached his contract that he has signed into with yourselves. He's invaded my privacy and breach my right to life, and he has put me in threat of my life. He's not acted within fair process and acted in a bias manner towards me. I've had to make her web; I've had to make a website and I've put his voice recordings on and the evidence up on the website and I'd like to be able to go through this with a person. Is that possible please?

Speaker: 01:11 Yeah. shh. hold the line just give me a second what I can do sir is I can **transfer** you throw to HR department.

Speaker: 01:23 To what department may I ask?

Speaker: 01:25 HR.

Speaker: 01:26 HR. Okay. Okay. Human Resources. Is that where you are and regarding,

Speaker: 01:32 yeah. Human Resources yes.

Speaker: 01:32 Non auditable

Speaker: 01:36 And who is it that we'll be speaking to?

Speaker: 01:38 That is the general line for human resources so they can check the employee.

Speaker: 01:44 What about a, okay. Okay. Okay. Human Resources is normally had Julia macnega. Is that correct? Resources. Operations Julia macnega. Enfield 0208-83793970. Eight three seven nine three nine seven zero

Speaker: 01:59 I am just looking now just let me check this now for you quickly

Speaker: 02:03 Julia macnega.

Speaker: 02:06 What's the name?

Speaker: 02:07 He's Julia macnega. J. U. L. I. A. - M. I. M. N. A. G. H. Is it possible to speak to her please?

Speaker: 02:20 Yeah, she, she's it is her, but she is in a conference call at the moment. She's on the other line.

Speaker: 02:26 Okay. What is it put out? I'm happy to wait for her. Is it possible to speak somewhere else in the meantime then? Like James Rolfe, James Rolfe the director of resources or with Ian Davis is even better. The chief executive, I've been speaking to heather Littler, I have recordings of her, and she is completely fouled the whistle blowing policies. When I've informed her of what her employees below her doing, I'm very concerned. She's putting me a fear of my life and I would like her, or some investigate it at the same time.

Speaker: 02:55 What's her name?

Speaker: 02:56 I'm heather Littler is the chief executive admin and she's, she's, she's, she's a secretary I believe yourself, but she's, she's at the, um, at the chief executive level. I've been speaking to her so I can speak to Ian Davis in Regards because he's the director of the company and uh, and the recordings of what she's been promising me are just void of, of disheartened promise's, and.

Speaker: 03:20 ok.

Speaker: 03:20 I feel that I've been let down completely. I'd like to speak to Ian Davis himself or somebody at director if that is possible. Christine Webster, the risk assessment management PR for the company because the company should be risk assessed and all procedures should be risk assessed. And I don't feel that my case has been treated. We've been in procedures either. So even speaking to Christine Webster, head of internal audit and risk management, would do me fine at the present.

Speaker: 03:46 Yeah, she, she is in a meeting as well. I am just checking let me just check if she would be out soon just a second fast.

Speaker: 03:53 I'm close to having to come down to the term to the civic Center myself and make this much more formal than what we are actually having, and I believe that that's going to cause a lot of problems for people around the Christmas period if I do so. So, if we can deal with this behind closed doors in a more informative way, I make sure that both parties, you and your employees, are happy and then, I'm happy. I'm happy too. I'm, I'm happy to do a settlement in some form of manner, but you seem to have solicitor firms in place, and I'm concerned about them or I'm at a stage where I would like Pacific members that are acting as subcontractors for, for the Civic Enfield Civic Centre as their legal department such as Limidia Luvu. I believe that she's corrupt and acted in misconduct as well. I'm with foul play yeah, and when she's been informed, she's not acted under the whistle blowing procedures or any of that and in accordance to the company's memorandum or statute of Article.

Speaker: 04:51 Okay. I'm just checking Ian Davis for you sir, but he has been away for two hours.

Speaker: 04:57 Okay.

Speaker: 04:57 umm

Speaker: 05:04 it's a Lot of information. I'm trying.

Speaker: 05:07 I'm not even started if I had to explain. Do you have Google available to yourself?

Speaker: 05:12 Are we doing? Yes.

Speaker: 05:13 If you could go to a website called horrific corruption.com and I'm just going to turn that on it.

Take me less than six seconds for you and I can show you the corruption and audio of some of it. What I have put up and the videos of what I'm suffering through and.

Speaker: 05:29 Right, are you talking about the Video's

Speaker: 05:30 Some of it is videos or audio evidence? I've made a full report and official report of every day of my sufferings and the neglect that I have suffered because the reasonable people that represent Enfield Council and Enfield Homes have failed in their obligations towards me. I'm very concerned about this and I'm very concerned that the way

that I'm still being treated at present, and the employees are still working inside of the company in dealing with people's personal data other than mine.

Speaker: 05:58 Right, so that's a great cost of trouble, yes, towards you.

Speaker: 06:03 I'm just turning on the switch here. If you have Google available, it's just going to take me two seconds.

Speaker: 06:06 We do but I won't be able to view these videos, sir

Speaker: 06:10 you don't have to view the videos. You can just have a look; a brief looks over that. The actual website itself and actually see I'm just, I'm turning it on right now. It's going to be on in less than six seconds. Horrific corruption.com and this is my concerns and they're official and then there are at large that they still haven't been being apprehended and been dealt with to an extent where I feel satisfied and I'm at a stage where I might have to promote this into the general public, and I'm concerned that this can cause even further problems. And dis May and I would like to be able to have this dealt with as constructively and positively in an even quick and informative way and time as possible.

Speaker: 06:51 Right, yeah. Just a second, sir. I'm just trying to check who I can **transfer** you to who can deal with the matter the Ian Dave's has been away for two hours but he's going to be free at four o'clock.

Speaker: 07:11 Is it possible that, do you actually have control of his diary? Is it possible that we can arrange a time that I can call?

Speaker: 07:17 We not doing this here? Uh, no. If you could call us back, then we can try and **transfer** you. Um, otherwise I won't be able to do it.

Speaker: 07:27 Okay.

Speaker: 07:27 Let me just check the other people for you. You're said about Christian Webster as well.

Speaker: 07:31 yes that is correct.

Speaker: 07:31 Christian Webster. She is still in a meeting.

Speaker: 07:40 Bob Chunkdick. C. U. N. D. I. C. K.

Speaker: 07:57 Yeah, Bob

Speaker: 07:57 Bob, Bob and then C. U. N. D. I. C. K. Chung Dick.

Speaker: 08:04 Yes. I can see this person he's been away for 25 minutes.

Speaker: 08:08 Counter fraud manager.

Speaker: 08:10 I watched three

Speaker: 08:14 Ian Davis sounds just like the sort of person that I really do need to be speaking to in regard to these issues. So, if I do try again at four o'clock would it be possible for you to explain to him that I will be calling at four o'clock

Speaker: 08:26 eh, you have to call, call back and explain your issue again sir.

Speaker: 08:30 Yeah, I'm happy to. I'm happy to explain that but is it, is there a way that we can actually get a message on to his desk or a message to him that I am going to be called in at 4:00 for him possibly if he can arrange and fit me in Within his schedule.

Speaker: 08:45 Year we don't do this here. No, unfortunately because we are customer services. We are not sending messages through the system to order so you need to call us back and we come **transfer** you, we've this met matter yes.

Speaker: 08:59 ok.

Speaker: 08:59 I could try Bob Cundick. He's been away, but maybe he will pick up the phone. Eh, let me, let me check. Unless she wants to call us. Back

Speaker: 09:09 I will attempt to call you back about four o'clock and speak to Ian Davis directly and see how we can get along. in resolving these issues.

Speaker: 09:14 No problem.

Speaker: 09:14 As discreetly as possible.

Speaker: 09:17 Yes. Solve the issue.

Speaker: 09:19 Okay. Well, I've left the website on for half an hour if you have some time. Yeah. Um, to be able to go throw it.

Speaker: 00:02 So, you want to speak to someone about the Whistle blowing policy is that correct?

Speaker: 00:03 Yeah. About the whistle blowing policy about fraud in the company. I want to speak to somebody because employees have not acted reasonably. They've actually with misconduct, gross misconduct and negligence towards my life and the forced processing information and I'm even receiving the letter as recently as yesterday. That's been falsified and I can prove it and I want something done about it.

Speaker: 00:29 Okay. Who did you speak to um, did you speak to Jen Middleton outlay?

Speaker: 00:35 Who.

Speaker: 00:35 She is our legal person

Speaker: 00:36 to who? Jane.

Speaker: 00:37 Yeah.

Speaker: 00:37 Jane I thought. I thought that Jeremy Chambers Something, Jeremy.

Speaker: 00:43 She works for Jeremy Chambers

Speaker: 00:44 Jeremy Chambers has already been done for most gross misconduct himself. Is that not, correct? I've already had to put him in my website, and he was **transferred** over for sexual assault and now they're predator me in knowing that I'm an innocent man and a and he's been given a second chance in that company. I'm not even done anything wrong. Yeah, I can prove my innocence and they keep attacking me. Every letter I'm getting is with Jeremy signature and he's letting this Lumina who I can prove they falsified all the timestamps, all the information and falsified a Possession Order and went to still my home. Yeah, that they've held me in my house from an ASBO case that they know is Illegal and they know that there are threats in the Asbo and they're sending me the Threats, like if you.

Speaker: 01:22 [Indictable].

Speaker: 01:22 attend court and discuss we're goanna re - man and that's what they keep doing. Use lot keep re - manning. Or as they, as they say, people are getting, getting, getting allowed to leave the companies without no disciplinary action happening. New people are coming in place. Then the new people are attacking me, and this continues to happen. I want something done about it and my lives in danger because of Enfield Councils employees

Speaker: 01:43 Have you gone to the police If your life is in danger.

Speaker: 01:44 The Metropolitan.

Speaker: 01:44 You need to report that to the police.

Speaker: 01:44 The Metropolitan police and the Enfield Council together

Speaker: 01:50 Because the Council can't protect you

Speaker: 01:52 Yeah. May, I'm asking the council I'm not. What I'm explaining is the council can; the council can, can, can put misconduct or gross misconduct and take the employees that they know are acting fraudulently in the company. They shouldn't be in the company if I can prove they're acting fraudulently. They're touching people's personal data such as mine and others. This is against the law and the ruling for what the mandatory company was out and the mandate, the mandate was to Act in the company to achieve. In the beginning what I'm saying is there's fraud in the company. I can prove it. Lemmy forcefield a possession order. He completely falsified all the claims in it and sent it to my address. I phoned him and I had recordings of all of this. They also together in the metropolitan police and the Enfield Council held a meeting inside the civic Center in **2014** and it took Steve ELLs more who I've gotten your release in the release forms from use lot.

Speaker: 02:43 Saying that Steve, Steve, and a gentleman or maybe a lady called Pat in your offices made the Asbo and what they'd done is they never had no true victims, or no members of the public, they falsified an Asbo and called it the organization of illegal raves and advertised this in the newspapers about me, but no one even arrested me. All the signatures are forged. All their timestamps are false. It says that white people commit the crime. I'm not even white. Yeah, I'm, I've been trying to prove to Enfield council for the last five years that I'm not white and you are legally holding me because use lot have falsified an Asbo application and forgot to arrest me and, and everything that's wrong with it. Now because of that, your employee people like, Lemmy who started in October **2016** he's coming straight into the company overlooking everyone else work and all the emails of complaints that have gone in and he's Falsifying a possession order and going to steal from my house and make me pay court costs and everything else. And he is asking for custodial sentences. Now you've got keep phoning up the doctors. You phoned up the doctors again yesterday and asked for the doctors to come to my address today.

Speaker: 03:44 Why are you putting the phone down?

Speaker: 03:49 Okay.

This was our third conversation. I have recorded the other two recordings. She's **transfer**red me over to a non-existent number and today when explaining to her my listed priorities of emergency graded issues, she has been rude and uncourteous towards me and put the phone down. In understanding that she is being paid a salary to prevent these things from happening that I'm talking about the telephone number that I am phoning on is the 3910 number I believe. 1+ Two applications for committal were made on **05 February 2018** and **20 April 2018** on the basis that the Defendant has breached some of the terms of the order. The matter has been listed for a hearing in the Edmonton County Court on **30 May 2018** to consider the two committals applications, the hearing is also a return hearing, the time estimate for that hearing is of two hours.

X. Mr. S Cordell is due to report back to Woodgreen Police Station on 5th February 2018.

Y. The County Court Order made at the Edmonton Lower Court by District Judge Cohen on the **05/02/2018**. Paragraphs 1 and 2 of the Order directed the Claimant to file and serve an affidavit of service of the Claim form, but also to serve by First Class Post a copy the application notice by no later than 4pm on **09/02/2018**.

05/02/2018 page 71 & 75

1+ The Defendant has made threats to the Claimant's employees on **09/01/2018** by stating that he knew where they worked/ lived and threatening one of the employees that he should watch his back. The employees are concerned by the threats made and would like the interim injunction order to be varied to prevent the Defendant from approaching the Claimant's employees

at their place of staff work and personal address.

2+ The application to vary is supported by the witness statements of Mr. Mwabuisi dated **02/02/2018** and

3+ Ms. Mudhub dated **05/02/2018** along a draft order.

--

4+ The Defendant has breached the terms of the interim injunction order on **24/01/2018** by harassing and intimidating one of the Claimant's employees by calling her on her work number on two occasions.

5+ The telephone calls constituted threats, harassment and intimidation causing the employee to put the phone down during the first phone call, but the Defendant continued to call again.

6+ The Claimant therefore wants to! Defendant to be arrested in light if those incidents.

7+ The details of the telephone conversation are covered in the affidavit of Ms. Maudhub dated **05/02/2018**.

1+ 4) On 24th January 2018 the Defendant contacted me at work twice by telephone on an anonymous number. The first call was at approximately 16:50 and stated he was Simon Cordell. He said that Lemmy Nwabuisi must go to prison, he also stated to have stripped our computers without us knowing, he also added to have in his possession one of my colleagues' emails, named Miss Jeans. The Defendant further added to have the emails that witness protection had sent to him. I then proceeded to tell the Defendant that I was going to terminate the phone call and I put the phone down.

1+ The Defendant telephoned me again at approximately 16.53 on an anonymous number and left a voice recording the contents of which are as follows:

2+ "It's Mr. Cordell, I think that you putting the phone down on me when I'm explaining to you what the people that you're in charge of are doing illegally to me. Lemmy understood what he was doing, I've recorded every conversation with Lemmy since the day the witness care team told you's lot that I have no case to answer against Mr. Mathiyalagan and you decided to make a possession order.

		That possession order says that I've got a possession order for having printers in my house which are legal to have and I have them in the back garden now cause you'z lot won't tell me what conditions I'm in breach of, basically I've got Lemmy on recording he admits to doing certain things and I'm 100% sure he should got to prison for what's happened and you as his manager should do something about this you're the one advising him to do it and I'm goanna see you at court and I'm goanna serve you lot my official report, I'm taking this case up to judicial review cause this lower court doesn't have the ability to deal with this case and the fraudulent activity and the sentences you lot should get 25 years you should be getting for ? in public office, that is more than 2 life sentences that's what I believe that you lot deserve for breaching your statutory duties and the evidence I've got on you, I'll be contacting, I'll see you in court " 3+ The voice mail would be made available to the Court. The Defendant's acts constitute acts of harassment and intimidation, and he is therefore in breach of paragraph 4 of the interim injunction Order. -- Si Note + more I never took out. -- We would therefore ask the Court to consider the application in light of the recent incidents and to commit the Defendant to an arrest.
	09/02/2018	Z. 2+ Mathiyalagan who is one of our witnesses in the committal applications.

3+ Such behavior was also displayed towards District Judge Taylor and members of staff and security of the Edmonton County Court.

4+ On the day our case was called at 10.10am and the hearing proceeded in the Defendant's absence. The Defendant and his mother eventually arrived at 10.25am. As he came into the Court room, he kept on saying 'I'm not meant to be here, this is not meant to happen'. He then shouted out that the judge was conniving with me and Enfield Council as we wanted to keep him prisoner in his own home. He also stated that the County Court had no jurisdiction to hear the case and he wished to be heard by a jury. District Judge Taylor then responded by saying that this was a civil matter, and he cannot use a jury.

5+ The Defendant then turned to me and waived a file of paper at me and said to me that he knows that I went to Westminster University, he also threatened that he was going to destroy me.

- 6+** He also accused me of killing his baby and of destroying his life. He continued to shout abuse and swore at everyone including the judge.
- 7+** As the Defendant continued to act disrespectfully, District Judge Taylor asked the Defendant to calm down; he responded by calling her a corrupt judge, told her to shut up and swore at her. He was coming towards Mr.
- 8+** Mathiyalagan (one of the Claimant's witnesses in the injunction and committal application) in an aggressive manner so I stood up between them to stop any risks of altercations. Two security guards were called and
- 9+** entered the Court room who asked the Defendant to calm down and to sit down. However, he became even more agitated and asked for their name, he also said that he will find out where they live and will come after them families. At that point District Judge Taylor ordered a short adjournment to allow the Defendant to calm down.

Page 148

- 10+** While waiting in the corridor outside the Court room, the Defendant kept on shouting abuse at me, Mr. Mathiyalagan and other people waiting in the Court corridor. I then decided to go to the other side of the Court waiting area with Ms. Geddes Kaur and Mr. Mathiyalagan to avoid further abusive behavior from the Defendant; however, we could still hear him from the other end of the Court.
- 11+** The Judge called the parties back in and directions were made including adjourning the hearing to 30 May 2018. As I left the Court building with Ms. Kaur Geddes and Mr. Mathiyalagan, the Defendant, and his mother Lorraine Cordell was waiting outside of the Court entrance, on the other side of the road. The Defendant started shouting and abusing us. I then spoke to the Defendant and said to him that he was ruining people's life by his conduct.
- 12+** The Defendant tried to come after us, but his mother held him back.
- 13+** Because of his threatening and aggressive conduct, I had to take a different direction to my car to avoid the Defendant and ensure that the people who were with me were safe. Ms. Kaur Geddes was a party to the incident and a separate witness statement in support of the application
- 14+** notice is being provided by her.

15+ The above incident constitutes a clear breach of the injunction order, and I would like this to be added to the committal application dated 20 April 2018 and that it be considered at the hearing on 30 May 2018.

- **Si Note:**

1+ This did not happen on this day. What did really happen is I and my mother arrived at the court and we may have arrived late but that would be with good cause, my mother phoned the court to explain why we were late and that we would be arriving shortly.

2+ I was upset with what the Enfield councils' staff had been taking part in and while also, supporting my [neighbors](#) to attack me.

3+ I knew that I had not committed any of the offences that I had been getting setup for and I understood why the council and police would not support me by doing a fair investigation and that was to aid in covering up what they had started e.g. the forged Asbo and other Court Orders and this was while slandering my name in the public to undermine me thought court proceedings that they had brought against me all fraudulently.

4+ I went to Court well prepared and so, did my mother but because of the abuse of legal process I knew that if I stayed quite I would get robbed of my home and Mental Sectioned and forced to take tablets that would make me think that the time went backwards or that I could see signatures that was not really present or make me believe that I had been banging on my [neighbors](#) front doors when I had not.

5+ What I had done was ask my mother to write to the Enfield Council and the Metropolitan Police Force to stop the bad things that was continuously getting done to me and the reason I done this was because I did not want to get in trouble partly because I had seen the paperwork that was inside of the Asbo folder and knew that I would be able to get compensation and that would help me sort a few things in my life out.

6+ As I walked into the court not attended any of the prior court cases. I was 100% sure of what he had been doing to me and that I had never done any of the things that he had been accusing me of.

7+ I had a clear understanding of the lead up that had brought me to the court and could also see Lemmy and knew that he had set me up to try and get the Court application in

mutable different ways. I knew that I could prove that I had not done anything wrong and could also evident that I had not been served by Video evidence.

8+ As angry as I felt for Lemmy and the Mathiyalagan's I felt for the Judge as I had made many telephone calls to the Edmonton Lower County Court prior to this and recoded them in respect of them allowing the applications to continue after the 1st Court application got struck out and I had explained to the about not getting legally served.

9+ To prevent them walking all over myself I stood up for what was right and spoke aloud to let more people than they would like to hear the ongoing at the time in a polite roundabout way.

10+ The Judge knew that I had them all where I wanted, and they had already tried the Mental doctor route to get out of things, but I had shut the avenue down.

11+ On the way out of the Court Lemmy and others had waited for me and my mother to leave the court and this is 100% what happened, when we was leaving the court Lemmy started on me I can't remember fully what he done I might have marked it up in the diary but the bottom line of things is that I never bit to him trying to lead me into trouble instead I crossed the road with my mother or she would have shouted at me and I did not need that of her in public in Edmonton but Lemmy seemed to imagen even more to help him try and get the Court Order that he wanted on me so, bad that he forged everything illegally.

1+ I make this second Witness Statement in support of the Claimant's application notice dated 10th May 2018 seeking to 1) Ask the Court for permission that the two committal applications dated 05. February and 20 April 2018 be dispensed with personal service on the basis that the

STATE AS FOLLOWS: -

That I did on Friday:11 May 2018 a~
approximately 9.00.am attend in close proximity
to the defendant's address supplied to me for
him of 109 Burncroft Avenue, Enfield, Middlesex
EN3 7JQ.

1+ The purpose of my attendance being to meet
and personally serve the above-named
defendant with a single envelope containing
the following:

2+ That I did at the time of attendance, having
been unable to gain access to the building
initially attempt to gain the attention of the
above-named defendant by tapping at the
glass of the downstairs window, with no
response. At approximately 9.20.am after
having gained access to the building as a
resident was leaving the building, I did knock
at the front door of the defendant of 109
Burncroft Avenue, Enfield, Middlesex EN3
7JQ. With the above-named defendant
responded from behind the front door and as
on my previous attendance at the address
asked, "who is it". After having identified
myself as I had done so on my previous
attendance and the nature of my attending
and with the defendant stating he had no
wish to open the door to me and therefore
refusing to accept service personally of the
aforementioned envelope containing the
documents referred to in this my statement; I
did ask on more than one occasion if the
defendant would oblige by opening the front
door. That I did after having been refused
access to personal service at the address
and with the letterbox to the address quite
clearly being obstructed by what left like a
'wooden plate' proceed to find a fixing for the
sealed envelope addressed to the above-
named defendant containing the
aforementioned documentation. That I did
continue to affix the envelope whilst the
defendant continued to speak in what could
be best described as in a nonsensical
manner as the conversation bore no
relevance to my attending the address or the
nature of my attendance. The defendant
continues to speak about the 'unlawful' act I
was performing by affixing with a cable tie the
sealed envelope in a plastic wallet to the
external door hinge of 109 Burncroft Avenue,
EN3 7JQ. That I did whilst performing this act
explain to the defendant that by his refusing
to open the door to me and by sealing access
through the letterbox that by effecting
'lodgement' at the address in this manner

			was the only course of action left open to me. That I did having re-affirmed this to the defendant and his saying "what if someone takes this off in five minutes" state by virtue of our conversation and his knowledge of my action did not excuse his not wishing to be informed of the Claimant attempting to effect service upon the above-named Defendant. That I did at approximately 9.35.am affix with a cable tie in a plastic wallet attached to the side hinge 'barrel' of the door frame of 109 Burncroft Avenue, EN3 7JQ a sealed envelope addressed to the defendant in order that its content would have come to the attention of the Defendant.

		15/05/2018	• <u>URGENT</u> Dear Sirs Re: The London Borough of Enfield-v- Cordell-E00ED049 1+ We write further to the Claimant's ex parte application which was considered by Deputy

District Judge Genn on **14/05/2018** in the Edmonton County Court.

- 2+** The Claimant collected a copy of the Order, which was drafted shortly, after the hearing.
- 3+** However, **paragraph 2** of the order is slightly ambiguous and incomplete.
- 4+** It reads as follows:
- 5+** 'Permission pursuant to **CPR 81.10 (5) {b}** to serve the amended application by email on Mrs. Cordell, Defendant's mother because she has successfully _brought previous proceedings to Defendant".
- 6+** The Claimant's application notice Issued on **14 May 2018** and considered by the Judge requested the following:
 - 1)** The Claimant seeks permission from the Court to dispense with personal service of the applications dated **05/02/2018** and **20/04/2018** pursuant to **CPR 81.10 (5)** and.
 - 2)** To dispense with personal service of the application notice dated **11/05/2016**.
- 7+** At the hearing it was explained to the judge that the Defendant has evaded personal service of the committal applications dated **05/02/2018** and **20/04/2018** and of the application notice dated **11/05/2018**.
- 8+** The witness statements provided with the application also support the position.
- 9+** It was further explained that as a result of the Defendant's conduct we would seek permission to have service of the application dispensed with.
- 10+** The Judge read the application and the Claimant's witness statements and agreed that service could not be affected and as a result agreed to have all 3 applications served by email upon the Defendant's mother Ms. Lorraine Cordell, pursuant to **CPR 81.10(5)(b)**.
- 11+** Therefore, what is missing from the Court order is an additional paragraph which gives the Claimant permission to serve BOTH committal applications (**05/02/2018** and **20/04/2018**) by email on Mrs. Cordell.
- 12+** Such position was accepted by the Judge at the hearing but unfortunately is not reflected in the Court Order.
- 13+** This was requested in the application notice and agreed by the Judge,
- 14+** We would therefore like the order to be amended accordingly.
- 15+** We would be grateful if this letter could be passed on to the Judge to have the order amended accordingly.

16+ Please note that the next hearing on this case is listed on **30/05/2018, 2pm** and we would be grateful if the order could be amended as a matter of urgency

1+ Two applications for committal were made on **05 February 2018** and **20 April 2018** on the basis that the Defendant has breached some of the terms of the order. The matter has been listed for a hearing in the Edmonton County Court on **30 May 2018** to consider the two committals applications, the hearing is also a return hearing, the time estimate for that hearing is of two hours.

2+ Backgrounds to the case

3+ The Claimant obtained an interim injunction against the Defendant on 09 January 2018. Two committal applications were made against the

4+ Defendant on 05 February and 20 April 2018 on the basis that he has [breached the terms of the interim injunction by making threats to me and another employee of Enfield Council](#). There were also incidents were the

5+ Defendant has physically assaulted one of his [neighbors](#) and acted in a threatening and intimidating way towards them. The two committals applications were sent to the Defendant by the Court by post but the

Page 146

Claimant failed to personally serve those two applications. A Court hearing took place on **01 May 2018** to consider the committal application dated 20 April 2018; however, **District Judge Taylor** adjourned the hearing of the application to **30 May 2018** to allow the Claimant time to personally serve the committal application.

I made 2 calls to Simon's mobile to try and speak with him about his health and Police case. I wanted to simply offer support. There was no answer.

t/c I spoke with Simon's mother [she is not too well with bad back] because Simon will not talk to me.

Simon believes that since he met me, I caused him to be in hospital.

Mother informed me that Simon was working at the moment; she said he was doing his own work
Mother informed me that Simon's court case is on **17 Nov 2016**.

She said that Simon wants to move from current property and will require support from EIP.

He believes that if he moves, he will not have the kind of problems he is going through.

I advised mother to ask Simon to apply to Housing and I added EIP will be willing give supporting letter.

t/c to Lorraine, Simon's mother and I asked if I could speak with him. Lorraine told me that Simon was sleeping but I could clearly hear him say that he did not wish to speak with me.

I asked Lorraine about Simon's court case. He was due to report to court for **sentencing** on 17 and Lorraine did not answer

and rather asked if I could get Simon moved from his current accommodation.

I said to Lorraine that Simon should contact me to discuss his housing needs.

Lorraine then said that Simon agreed to call me tomorrow to discuss his housing.

I did not have time and opportunity to ask about Simon's mental state and mood.

Or whether or not he is taking medication.

- A.** On the 22/11/2016 I went to my son's home and there was a letter from Sarah Fletcher dated the 18/11/2016 which was to do with 1 CCTV camera my son has outside his front door, this CCTV camera does not impose on any person's rights, it does not show any person's front door who lives in the block or windows.
- B.** In fact, on the 14/08/2016 when the police went to my son's flat to arrest him when they noticed the CCTV camera, they ripped the wire out and since this time it has not worked this is also getting address with the police.
- C.** In the letter Sarah Fletcher said the CCTV camera had to be removed by the 25/11/2016 or Enfield Council would remove the CCTV camera and costs would be charged to my son for any repairs which there is none.
- D.** At seeing the letter, I was upset as it seemed Sarah Fletcher could take the time to write this letter but not call me when each email that was sent said it's a matter of emergency, I speak to her.
- E.** I tried to call and again like each other time I call it takes an hour or over to be able to speak to anyone, due to being busy I had to cut off to leave my son's flat and was going to call again later.
- F.** When I got home, I showed my son the letter from Sarah Fletcher he himself was upset for some reason as me that she could take time to write this letter but not call us back. So, he then called this time he did get to speak to Sarah Fletcher and yes, he was upset due to what has been going on and said many times he was

upset that she had not called, and they spoke about the CCTV camera which my

Simon Cordell's

The 1st Injunction Order Dated: 00/00/2014

INDEX

This is a copy of the Council's memo of a telephone call on that day: --

1+	I received a call from Simon Cordell of 109 Burncroft Avenue at approx. 1.20pm.
2+	The call was transferred by the customer services team informing me that Mr. Cordell wished to discuss his housing option show to move.
3+	I took the call- he sounded agitated and said that he had a few things that he wished to discuss with me.
4+	He said he was calling in response to a letter that I had sent him requesting the removal of a CCTV camera that he had installed on the inner communal/fire door on the ground floor of the block. He informed me that he would not be removing the camera as he believed he was legally allowed to have the camera
5+	as the communal area was his.
6+	I explained that he was in breach of his tenancy conditions as permission had not been sought or granted for the installation and he could not install anything in the communal area as these belonged to the Council.
7+	He maintained that his neighbour in another block had a camera and had taken the Council to court about it and won the case, I responded that I could not comment on other cases, but my position remains as per the letter I sent That the camera was in breach of

				tenancy conditions, was invasive of the privacy of other residents in the block as it points at the outer communal door and should be removed by Friday 25th November or the Council will remove it and charge him for the cost of doing so.	
			8+	He then said that the camera was fake, so it didn't need to be removed. I responded that it did still need to be removed.	
			9+	His voice was raised throughout the exchange, and I had to ask him to calm down and lower his voice more than once.	
			10+	He then said that he wanted to move on to finding out about moving to another address.	
			11+	He proceeded to give me a full history of his experiences with the police	
			12+	and previous housing management	
			13+	and alleged that 'Jackie', who had previously lived above him and 'Stan', his immediate neighbour on the ground floor, had victimised him over a long period of time and that he had done nothing wrong.	
			14+	This history was very full	
			15+	and it was difficult to get a word in because he was so worked up	
			16+	so, I let him relay the information to me as it seemed like he wanted to get it off of his chest.	
			17+	He was very derogatory about the police and previous housing staff who had signed a request for an Asbo application against him.	
			18+	I told him that I could not comment about the previous action taken.	
			19+	He then came on to more recent events and stated that there had been an incident between him and another resident where she had shouted at him out of her window because of him starting up a scrambler bike in his garden. He maintained that he was courteous during the exchange, but the police came and arrested him because she told them that he had threatened to kill her and that he had been put in the mental hospital, had won his case in court and	
			20+	was able to go home as of today.	

			21+	He said that he wanted me to give him 'points' so that he could move.	
			22+	I explained that his best means of moving would be through a mutual exchange, but he was adamant that he did not want to do this and wanted to be moved in the same way that he moved into this property 1 yrs. ago by being given points.	
			23+	I explained that a transfer was unlikely based on what he had told me so far but that I could look into the position for him.	
			24+	He said a lot about his perceived victimisation by his neighbours	
			25+	and expressed that he felt that I should I have a duty to protect him.	
			26+	I explained that I had a responsibility to all residents living at Burncroft Avenue	
			27+	and took the opportunity to mention that I had received some reports about antisocial behaviour by him that I would need to discuss with him	
			28+	but suggested that we leave that for today.	
			29+	He then put his mother on the line (she had been trying to interject throughout the conversation) who said she wanted to know why I had not responded to her messages to call her.	
			30+	I apologised for this and explained that I have been very busy,	
			31+	but that I needed to know whether we had written permission from Mr. Cordell for us to speak to her	
			32+	she said that there was a written note recorded on our files in 2015	
			33+	Mr. Cordell asked her what I was asking her and when she replied that I was querying permission	
			34+	I clearly heard Mr. Cordell say angrily and aggressively "I am goanna do her over" and then "I am goanna take her job just for fun".	
			35+	I informed Mrs. Cordell that I had overheard these remarks and that I was ending the call.	
			36+	She said that her son had now left the room and she was talking to me. I repeated that I would be ending the call and that she should put what she wanted to say in writing to me.	

22/11/2016	Exhibit 6 / 22/11/2016; “Housing Transfer Information.” == <u>They gave me an eating disorder by this stage:</u> == After speaking to many friends and family who have witnessed the on goings of torture committed by 117, 111 and 113 Burncroft avenue inclusive of Carron Dunno 000 or either having it explained to them with the evidence I had present and provided, the general return of reply of them decent people, was to approach my housing officer and ask him or her for a fresh start, by way of adding points for an emergency move to a new safe home, I chose to take the good advice given to me at the time and to then make a phone call to them and this is what I did, this can be proved by my mother’s phone bill and corresponding emails also the council officials own correspondent that I claimed in a subject access request being granted to me from, when I requested it prior. To me somebody had got themselves into trouble and for once it had not been me, I could no longer do a lot with my company, so it started to suffer a lot and I lost loads of contracts, I definitely had started to get fed up with trying so hard, this was due to the bail conditions that I had got imposed, too, I felt sick in knowing that I had done nothing wrong, so I understood that by me actually being put under these conditions, that they had changed my life for the worse, I assume it would be fair for me to say, that at this moment in my life everything had changed in it a lot and this was at no fault of my own, it was because of them.

Statement Exhibit 7 / 22/11/2016; “Housing Transfer Information.”

1. Particulars of Breaches (8)

Reply:

- A. Sarah Fletcher neighbourhood officer from the council claims that on **22nd November 2016** during a telephone conversation between her, myself and mother that she overheard me threaten her by saying 'I'm going to do her over' and then 'I'm going to take her job just for fun'.
- B. This is not true.
- C. The reason that it is not true is because what has now been stated to have occurred is more than just misinterpreted information of the so called Mid – day event.
- D. The Council’s Memo of a Telephone Call on This Day are forged and therefore incorrect and are not supported to be correct articles of factual evidence and is not supported by self and mother to be true facts that have been documented with a fair process by the statement maker. The context contained within side the statement had been fabricated so to support the claimants claim.
- E. While also set out to avoid disciplinary actions for the statement makers who are her and her working colleague’s.
- F. The reason being a large part in their incompetence has caused negligence and gross misconduct, set out against myself
- G. This incompetence behaviour of staff then on afterwards has caused negative effects within my loved one’s life’s.
- H. All what has been achieved by the Enfield Council since the start of my official complaint to themselves has gotten managed with criminal intention to put I in harm’s way.
- I. From the of start of themselves handling my case load of an official workload.
- J. Sarah Fletcher as mentioned whom once was a neighbourhood officer who did work in collaboration with the Enfield Council, states that she received a call from Mr. Simon Paul Cordell
- K. Whom is an Enfield secure resident within his housing tenancy that is attached to the address of 109 Burncroft Avenue at around the time of Mid – Day: 01:20Pm?
- L. The time that Sarah Fletcher states she received the phone call is incorrect but not by far even low it is still 100% incorrect. I and my

mother am sure of this as we cared very much so when deciding to make the phone call to my housing officer that we both documented down all relevant information accurately.

- M. When doing so we noted down the precise time of 01:04Pm
- N. I did get transferred by customer services when making the phone call to my housing officer about the way I was getting victimised, this did not take too long.
- O. Once on the phone to Sarah Fletcher I started to explain to her a shorted down list of emergency issues that I was having while renting my home.
- P. And that my mother had also, been contacting her and her team, without any fair acknowledgment.
- Q. And this has continued up a till date and without any fair follow ups as company protocol states is mandatory.
- R. Due to this lack of concern of staff I have continued to suffer for a much further time frame than ever would have been necessary if her and other persons jobs were followed correctly.

- A. I do not believe that it is justified to hold this meeting before the formal complaint is dealt with as stated many points in your letter has been covered in my formal complaint dated **24/11/2016**, also until I have the subject access request information dealt with and have a list of dates and times these so-called complaints were meant to have taken place and the reports from police that have been sent to Enfield Council, I do not think holding this meeting would be appropriate.

I am writing this letter on behalf on my son Simon Cordell of 109 Burncroft Ave, EN3 7 JQ. B. Over the past few years my son has been having some issues with his neighbours this started due to what the police wrote about him in the newspapers about an ASBO that was granted by the lower courts in the newspaper the truth was not printed in the newspapers or on the Met Police website, the judge did grant the ASBO order but not on the grounds the police case was for we are still trying to work on how this was done to this day, this was not related to his neighbours why the police took this action it was due to lies by the police, this case is still waiting an appeal hearing at the crown court which will be held Jan 2017 C. It was after this was printed in the newspaper and on the met website my son started to have issues with neighbours banging all the time and the way they were treating him and talking about him and not letting him have any rest to sleep due to the banging all the time emails were sent to Enfield Council yet very little was done yet my son has video footage of it which the council has never wanted to see or take any reports, this has made his health suffer, I feel this was due to what the police have been telling Enfield Council and Enfield Council just taking the word of the police without asking my son or myself to explain as since all this started Enfield Council has not wanted to help in any way, could this be due to the colour of my

son's skin as I am lost for words that Enfield Council has done nothing to help.

- D. My son has been a tenant for many years now with no complaints about him until this all started above, and things were put in the newspapers for all to see when my son had done nothing wrong and will prove this at his appeal in **Jan 2017**
- E. The police do not like my son and have not for the past 21 years and there is a lot of issues that Enfield Council is not aware of about the police and my son this is getting addressed with the I PCC and police complaints, and we are now sorting out legal action as to what this has done to our lives over the years this has been ongoing the legal action is taking time due to how long this has been ongoing with the police.
- F. There is also a subject access request attached to this email which I am asking for everything Enfield Council hold information about in regard to my son, this will also include any police reports that the police have handed to Enfield Council. If this needs to be handed to the correct department to deal with this or there is a cost please advice via this email, I have also included a letter of authority from my son so I can act on his behalf.
- G. I do already know there is data being held by Enfield Council that is not correct and I want to be able to get this correct under the data protection act.
- H. On the **14/08/2016** my son had some friends round to his home they came there at around 13:30 hours, after they left the police showed up at his address to arrest him this was due to one of the neighbours said my son had gone out in his garden at 17:10 hours looked up at her windows and made threats to kill, this person lives 3 gardens down from my son on the 2 floor at 105 Burncroft Ave EN3 7 JQ, this is imposible as my son did not go out in his garden he was with his 4 friends and there baby in his home all day and videos were taken while they were at his flat, his friends have made statements to say this as they did not leave his flat until around 18:15 hours, not long before the police came to my son's home. I Miss L Cordell even went around his flat as he needed some things. In fact, my son does not go out of his home, and this has been for some time now due to how he is being treated.
- I. When he was arrested on the **14/08/2016** my son was held in the police station sectioned

under the mental health act and could not be interviewed so was put on bail until the **04/10/2016** when he was due to go back to the police station to be interviewed.

- J.** On the **04/10/2016** my son was getting ready at his home for me to pick him up for the bail to return, when I got a phone call from my son to say the police was again at his flat to arrest him this was around 1 hour before he was due to be at the police station, I went to his flat and was told by the police they wanted to arrest him I told them he was getting ready to go to the police station for a bail to return, the police again arrested my son for criminal damage due to something his neighbour said who lives above him, but he had not been out of his home he was in fact in the bath when the police came to his home.
- K.** Both cases for the **14/08/2016** and the **04/10/2016** were dropped by the CPS this was done on the
- L.** **15/11/2016** with no case to answer towards my son, yet my son was victimised and had false accusations put against his name and arrested.
- M.** My son is scared to go home due to what the neighbours are doing and saying and putting false allegations into the police, it seems they really don't want him to live there and will do anything they can to get him out.
- N.** On the **16/11/2016** I tried to speak to my son's housing officer Sarah Fletcher to see what could be done and update her to what was ongoing her phone was set to do not disturb so I asked for an email to be sent over for her to call me as a matter of emergency, no one returned a call back to me.
- O.** Since the **16/11/2016** I have been calling every day to speak to Sarah Fletcher her phone is always set to do not disturb and I have asked for emails to be sent every day for her to call me back as a matter of emergency, I even asked to speak to her manager or any person in their team but it seems all their phones are set to do not disturb so I asked for emails to be sent for a call back, no one called me back. I was also told that the police had been in contact with the council and that Sarah Fletcher would talk to me about this when she called this was on the **21/11/2016** and I was told that Sarah Fletcher would 100% call me that day.

- P. On the **22/11/2016** I went to my son's home and there was a letter from Sarah Fletcher dated the
- Q. **18/11/2016** which was to do with 1 CCTV camera my son has outside his front door, this CCTV camera does not impose on any person's rights, it does not show any person's front door who lives in the block or windows. In fact, on the **14/08/2016** when the police went to my son's flat to arrest him when they noticed the CCTV camera, they ripped the wire out and since this time it has not worked this is also getting address with the police. In the letter Sarah Fletcher said the CCTV camera had to be removed by the **25/11/2016** or Enfield Council would remove the CCTV camera and costs would be charged to my son for any repairs which there is none. At seeing the letter, I was upset as it seemed Sarah Fletcher could take the time to write this letter but not call me when each email that was sent said it's a matter of emergency, I speak to her.
- R. I tried to call and again like each other time I call it takes an hour or over to be able to speak to anyone, due to being busy I had to cut off to leave my son's flat and was going to call again later.
- S. When I got home, I showed my son the letter from Sarah Fletcher he himself was upset for some reason as me that she could take time to write this letter but not call us back. So, he then called this time he did get to speak to Sarah Fletcher and yes, he was upset due to what has been going on and said many times he was upset that she had not called, and they spoke about the CCTV camera which my son said he wants to appeal it having to be taken down. They also spoke about my son being moved out of his flat to a new place, Sarah Fletcher replied she cannot do anything to do that and the only way for him to move was by way of housing moves and he should sign up to that and nothing else can be done. My son did not explain fully as he was really upset. Sarah Fletcher also said that there had been complaints put in about my son but said it not the right time to address this and that would be addressed at a next time, so it seems that Enfield Council does address complaints from other people but not my son or on behalf of my son, as I am still waiting for replies to complaints that were put in **2014** and **2015** about my son's neighbours.

			T. After my son spoke to her he passed me the phone, I asked why she had not called me back and was told that it not my tenancy, which I replied there has already been sent a letter of authority sent to Enfield Council some time back I believe it was maybe between 2013 to 2015 this was sent there was more than one of them sent which I can prove as they were sent via emails which I still have, which gives me Miss Mother authority to deal and speak to anyone at Enfield Council on behalf of my son and it would be on their systems as it was emailed and I knew they had it. My son at this in the background also said I have authority to deal and speak to anyone at Enfield Council and it's on their systems. U. Due to my son speaking in the background I went to a next room to speak; my son came into the room and was going on about writing the letter of complaint about what had been going on and that she could end up losing her job if she did not deal with this correctly. It was at this Sarah Fletcher said she could no longer talk to me that my son had made threats towards her and told me to put it in writing what I wanted to say put the phone down. V. I feel at this time Enfield Council is doing nothing to help my son they don't even want to speak to me so I can explain fully what is going on. My son is under the early intervention team, and they are willing to help my son get moved as they themselves have seen what is going on. They would do this by way of writing a letter to Enfield council if asked to do so by Enfield Council. W. I would like to speak to someone as this cannot be left like this and my son is suffering due to all of this. My contact number is 000 X. I would like to find out if Enfield Council is willing to move my son due to the reasons in this letter and the help of the early intervention team. Y. I would also like full dates and times that my son's neighbours have put any complaints in and what they have said he has done and on what date. Z. I would a full report of any police reports that have been given to Enfield Council by the police about my son. AA. I would like information as to how to appeal about removing my CCTV camera and be allowed not to remove it until this appeal has	

		happened, as so far this is the only thing that has proven my son has done nothing wrong. Subject: RE: (Case Ref: JR5802)

Dear Alev

- A. Thank you for the update but there are 3 formal complaints to Enfield Council for the lack of doing nothing in regard to this issue
- B. I have had not calls back no information if they are dealing with the main issue **which at this time is to move my son** and keep getting put off all the time.
- C. The dates I sent the formal complaints which was also CC into Joan was
1. **24/11/2016**
 2. **05/12/2016**
 3. **08/12/2016**
- D. All of these emails where CC to Joan Enfield Council is leaving my son not my brother in a nightmare this has been ongoing since **2014** and Enfield Council has done nothing to address any issues and also did not reply to any of the complaints that was put in

			around that time which I still have all the emails I just don't have the dates of all the calls that was made in 2014/2015 about this. E. I am so upset that I have had to find the details of all the high up people in the council and CC all including Joan into the last 3 emails I should not have had to do this. F. I am most grateful that a letter has been sent to Enfield Council from Joan but this need addressing ASAP as my Son's Heath has gone downhill so far due to what he is living with he is not being allowed to sleep and this is not helping his heath and I am very worried. Dear Daniel

- A. Thank you for the update but why has this taken so long to arrange? if you knew the senior Manager within the Housing Neighbourhood Team was going to be needed to address this then why was this not already started?
- B. My son is being left in a situation he should not be with no update as to if the housing is doing anything at all to address moving him. I think my son has already suffered enough which has caused his health to go downhill and this cannot be allowed to go on any longer.
- C. Will I also be invited to go to this meeting to see what is being said about my son and what will be done after all this meeting is about my son so feel someone with my son's interest should be there. As so far it seems everything is being blamed on my son when my son has done nothing wrong.
- D. I do know there are issue that do need to be addressed but leaving my son in a

place he does not feel safe in and has suffered since **2014** is not acceptable.

- E. Also, I still have not heard anything from the people that are meant to be dealing with the subject access request. I am not sure if a payment will be needed to process this or if not if the data has started to be processed so I will get all data. Could you please update to this?

Complaint **24/11/2016** [SEC=OFFICIAL]

Dear Daniel

- A. Is there any update to the below email as from what you updated me with the meeting is due to take place tomorrow and I would like a reply to know if I will be invited to this meeting seeing as you will be talking about my son?
- B. If I am not allowed to go to this meeting, I would like full minutes taken so when I get the subject access request, I will know what has been said.
- C. No one has also yet even spoken to me or my son the only thing you have is all the letters, emails and calls that have been made. So how in this meeting are the people going to a full understanding as since **2014** no reports have ever been

taken from my son as to what has been on going and how he is suffering?

- D. I also still have not heard anything from the person dealing with the subject access request and would like an update.
- E. And I would like to know if anything is being done to move my son out of the situation he has been left in since 2014?
As I think at this point this is the most important part to get my son moved somewhere else where he will not have to suffer any longer and hopefully this will help his heath.
- F. It does seem Enfield Council is more worried over the formal complaints then removing the situation my son has been left in. which has said it is affecting his heath. I cannot understand why nothing is being done and more time is being asked for, yet no updates given to the situation my son is being left in. Or is it the case nothing is going to be done to move my son and he is just going to be left where he is to suffer even more?
- G. I would be most grateful for an update.

Lorraine

Dear Mrs Cordell,

- I write in response to your email below and further to our telephone conversation held a few minutes ago.
- As explained, it is not usual practice for a management transfer application to be forwarded to the applicant as this is a document which is usually completed by a housing officer and used internally.
- So please accept my apologies if you may have been advised previously that this would be the case.
- However, we are happy to discuss its contents with you should you wish to.
- I enclose a copy of the Enfield Housing Allocation Scheme, which is used by the exceptions panel before considering a management transfer application.
- I explained to you that if the application goes ahead tomorrow (this was the earliest exceptions panel meeting), Simon could only be considered for a transfer of property which is similar to the one he currently occupies (like for like transfer).
- You explained to me that you believe that your son requires supported accommodation.
- You also said that he has agreed to see a consultant of the Enfield Mental Health Team and was given an appointment on **31/08/2018 at 9.30am.**
- I have explained that Simon will need to be assessed by the team in order to be considered for supported accommodation.
- On that basis you agreed to have the management transfer application deferred to be considered at the next panel meeting which will take place on **28/09/2018**, this would allow more time for an assessment to be carried out by the Mental health team.
- **Please confirm that this is agreed by yourself and Simon.**
- I also confirmed that the exceptions panel meetings are attended by professionals which means that tenants or members of their family are not allowed to attend.
- However, the meetings can be attended by mental health workers.
- I hope this email answers your queries, please do not hesitate to contact me if you have further questions.

1954,

Dear Ludmilla, Lyavoo

- Could you please forward the housing management transfer application that Lemmy called me about last night **15/08/2018 at 16:15 hours**, as I have the mental health team calling me regarding the like-to-like section in the application.
- I have not yet seen the application that has been filled in for my son by Enfield Council, and I would like to see it before it is submitted to the broad tomorrow.
- Also, would it be possible to get a copy of Enfield Councils guidelines and policies for the management transfer application, I do believe I have a copy but want to make sure I have the correct one.
- As you are aware at court it was stated I had to fill an application in by today, but it was not stated as to what application it was, and then it was found out the application had to be done by the council so all the wrong information was told to the judge, and as you are aware what I said to the judge regarding a 2 bedroom and then what Lemmy said to the judge that my son would not get one, then what the judge said to Lemmy regarding a 2 bedroom.
- I do not want my son placed into a new home that is not going to be appropriate, I want to get it right for him, after all his health has gone downhill due to all the court cases and what the neighbours were and are still doing to him and Enfield council took no notice of the hell my son was living in all they done was believed the neighbours, then on top Enfield Council basically telling the courts there was nothing wrong with my son's health even though I was telling Enfield Council since the start of **2015** via emails the impact this was having on my son regarding what the neighbours were doing.

			▪ I want Enfield Council to take this seriously as so far where my son has been concerned you have only blamed him for everything and gone one sided and never heard what my son or I have had to say. ▪ I believe if Enfield Council had done the correct investigations, they would have seen there was a lot more going on here then what the neighbours was saying, but Enfield Council only blamed without wanting to know the facts. ▪ My son has to be re-housed, and I want that to be done correctly even if more time is needed and this is not taken to the panel until next week. ▪ I do want it done as soon as possible due to what the neighbours are still doing, I don't want things rushed by Enfield Council because they know now, they have done wrong and made beaches regarding my son I want it done correctly ▪ As stated I want the mental health input if they are willing to give it as it seems since I put the complaint in they do not seem to want to talk with me as stated to you outside the court room, but that is being addressed and I am waiting for a call back today regarding the housing issue, I have spoken with a few people over the last week regarding this, but due to a change over with the people dealing with my son and him not given a named worker yet it has been hard. ▪ Also, can you tell me if I am allowed to attend the panel hearing and also maybe a mental health worker if they are willing to attend also? ▪ I will await to hear from you today. Dear Mrs Cordell,

Re: Simon Cordell- 109 Burncroft Avenue,
Enfield, EN3 7JQ

- We write further to your emails, enquiring about the progress of your son's management **transfer** application.
- We advised you by email on 16/08/2018 that Simon could make a management **transfer** application **and if successful**, the **transfer** will be made on a like for like basis.
- **We explained that as Simon lives in a one-bedroom flat, he will be transferred to another property like the one he currently has, if his application is successful.**
- You explained to us that in view of his mental health problems you did not feel that a like for like **transfer** was appropriate and asked that he be **transferred** to a supported accommodation or to a larger property.
- We explained to you that for the Community Safety Unit to consider such an application **they would need to have the Mental Health Team involved**. You then explained that **Simon was given an appointment to see Dr Benyure from the Enfield** Community Mental Health Services on **31/08/2018**, and it was agreed that the management **transfer** application **will be put on hold until the next Panel meeting on 28/09/2018**, to allow time for the Mental Health assessment to be carried out.
- We have since been advised that Simon failed to attend the scheduled appointment and did not engage with the Mental Health team.
- As this meant there was no report to support a management **transfer** application the Community Safety Unit was unable to submit an application on his behalf.
- **The Panel would require medical evidence** in support of an application for a supported accommodation or for a larger property and we did not have one by the date of the last Panel meeting on 28/09/2018.

ENFIELD ADULT NORTH LOCALITY TEAM

- On the 5th of Oct I attended a meeting with Lemmy Nwabuisi (Anti-Social Behaviour Coordinator, Community Safety Unit, Environmental & Community Safety, Enfield Council) and Alan Dinala, Forensic CPN.
- This meeting was part of the safeguarding process for Alan's client.
- Si Note: Ambrose
- SC has allegedly been aggressive on more than one occasion towards Alan's client.
- Lemy informed me that SC has a past and current history of physical and verbal aggression towards residents in the building.
- Lemy informed me that the council has tried to work with him but to no avail. Lemy informed me that SC is getting easily irritated even by the sound of a flushing toilet cistern; this happened very recently, and he threatened Alan's client.
- Lemy thinks these are signs of mental illness and that BEH should proceed with an MHA.
- Lemy argued that this is for the protection of others as well as SC's own safety.
- I have asked Lemy to email me a list of incidents in chronological order. Lemy stated that he would need information from our team to confirm if SC is engaging or not with our service.
- I have advised Lemy to email his request to the Team Manager, George Benyure.
- Enfield Council will be seeking possession of SC's flat via the courts.
- Lemy stated that in a recent court case the judge recommended that Enfield Council re-house SC on the proviso that he engages with the MH Team.

Plan:

Discuss in MDT Lemy to email a risk log

I need to check for other files here as I never done a proper job

		1+ The 12/10/2018, Exhibited files by us, contradicts the Pre Action-Letter claims, dated the 15/10/2018 as to being factual. 2+ It is also to be noted that Alan Dinala, Forensic CPN, wrongly alleged client who claimed to be a victim when he was really the perpetrator towards Mr. Simon Paul Cordell. Had the Enfield Council & Co take an application for a mental Health Warrant to assess him in his home without his consent but was refused and when doing so they failed to mention any of the addition claims added into the 2nd Possession Order. 3+ The Enfield Council and Co also failed to mention any of the additional entries to his solicitor himself or his support network to which all correspondence is also mandatory to be sent to. 4+ There are no people that are named that can be called to the court to be questioned within the application. 5+ You cannot tell if this is still Complaint A, B & C or if it more or less. 6+ Just the word Neighbors is used.

Complaint 05/12/2018

On behalf of Mr Simon Cordell of
109 Burncroft Ave,
Enfield,
EN3 7JQ

- I am writing this email due to issues I have regarding a member of staff who works for Enfield Council by the name off Mr Lemmy Nwabuisi the Anti-Social Behaviour Coordinator, since **2016** when Mr Lemmy Nwabuisi the Anti-Social Behaviour Coordinator started working for Enfield Council he has been working on investigations relating to my son Mr. Simon Cordell.
 - In this time not once has Mr Lemmy Nwabuisi the Anti-Social Behaviour Coordinator, come to see my son's side to the alleged allegations regarding what the neighbours have put in about my son.
 - Mr Lemmy Nwabuisi the Anti-Social Behaviour Coordinator has taken one side to these said alleged allegations without no investigations,' Mr Lemmy Nwabuisi it seem has taken one side to everything that has been said and that is the side of the neighbours, Mr Lemmy Nwabuisi has been told many times we have information which would proof my son had not done things which have been stated by the neighbours Mr Lemmy Nwabuisi the Anti-Social Behaviour Coordinator knows my son does not leave the flat he was told this, and also told that if he wanted to attend a meeting with my son he could do so with police there to have a meeting to hear my son's side, he has never got back to me regarding having a meeting at my son's home because he never wanted to, which I am sure if someone is a vulnerable person where was the duty of care where has it ever been for my son?
 - I believe Mr Lemmy Nwabuisi the Anti-Social Behaviour Coordinator just through to himself that my son is in the wrong he is a vulnerable person I will put pressure on him and get him out without even thinking there is 2 side to anything.
 - And just blamed my son without even talking to him this is how it has been since Mr Lemmy
- Page 4386.**
- Nwabuisi the Anti-Social Behaviour Coordinator starting working for Enfield Council.
 - I also feel Mr. Lemmy Nwabuisi has taken information and not relayed it back correctly

many times regarding my son's health even to the courts. Information is being passed and obtained relating to my son which should never have been passed to 3 parties or used, how can this be allowed.

- There are many other points and failings which have been allowed to happen and this needs to stop.
- I will be drafting up a full complaint of failings and submitting it, but this will take a while to draft up as I have got to go back some years.
- Mr. Lemmy Nwabuisi also had my son arrested on the 09/01/**2018** and even though we asked many times, even my own son's solicitors could not understand why he was the person still investigating my son.
- When his case was part of the court actions being taken against my son by Enfield Council this is against the law that someone is investigating something within their own case, and it beaches many other things.
- At this point in time, I want Mr. Lemmy Nwabuisi taken off dealing with anything to do with my son or related to him, I feel he has not done acted correctly and feel he has not investigated anything which would prove my son has done nothing wrong and only wanted to blame him for everything, I have asked this before and heard nothing back regarding this.
- But it has got to the point in time that this needs to happen.
- Could someone please get back to me as soon as possible regarding this?

Regards
Lorraine Cordell

I Received a Letter

From the court this morning: --

I received a letter from the court this morning with the order from the judge at Edmonton lower court that got ordered on the 15/08/2016 and to my surprise a different order to which had gotten drafted between the claimant the Enfield Council and my solicitor inclusively of my mother and I had been changed for a different document and then after sent to the court and **sealed**. The shop next to me never had the electric machine working and I had to call mother to come down and give me a hand to get to the other shop nearby. I also asked mother what was going on with my cases and getting free while getting justice against those who have illegal wronged myself. Thought the day I got a couple of little stamps that were deliberately done to me above my head to where I am working on my computer in the front room.

Subject: RE: Mr Simon Cordell.

109 Burncroft Avenue, EN3 7JQ

Dear Andrea Clemons

- Today the MP's aid for Joan Ryan, Alev Cazimoglu sent me a copy of your letter dated the 12/12/**2018**, I am shocked to see what is written within it and the misleading information being passed over to the MP Joan Ryan.
- It was not agreed on the condition that Mr Cordell should engage with mental health services and provide medical evidence to support the housing management **transfer** application.
- The court did not state this, so I do not know where this is coming from.
- I also do not understand where it is coming from that Mr Cordell had to provided supporting letter from the mental health services to support his management **transfer** application, and he has not done this, he was never meant to have done this and the management **transfer** application was completed by Enfield Council to go to the panel on the 17/08/**2018** and it was ready to go to the panel on this date, but this was deferred to be considered at the next panel meeting which would have taken place on 28/09/**2018**, which never happened.
- The reason for it being deferred was so that I Miss Lorraine Cordell could try and get a letter from the mental health team, which I could not so it therefore should have gone ahead to the panel on the 28/09/**2018**, **which I do have the emails to prove this.**
- **I also do not understand why Enfield Council is stating supported accommodation** was being asked for as this was never asked for.
- I did however state in court that a 2 bedroom would be better as my son could have family live with him so he could get support from his family.

I have never said I am his carer I have never said a lot of things that Enfield Council is stating I have said.

- It was stated in the court order.
- UPON the Defendant's mother Mrs Lorraine Cordell, confirming that she will engage with the Claimant and assist the Defendant's neighbourhood officer in making a housing management **transfer** application on or before 16 August **2018**.
- UPON the Claimant agreeing that it will deal with the housing management **transfer** application as quickly as possible after being made.
- AND UPON the Defendants mother agreeing to engage with the Enfield Mental Health Unit team so the Defendant could receive assistance with his mental health conditions and housing.
- The order was to be agreed with my son's solicitor upon being drafted by Enfield Council, but my son's solicitor was on annual leave and therefore did not reply to Enfield Council order until she came back of leave, but when you emailed her, it came back that she was on annual leave so Enfield Council was well aware of this.
- Upon her return from annual leave her amended order was sent over to Ludmilla Lyavoo, which my son's solicitor never had a reply back from Ludmilla Lyavoo regarding her amended order, but some days after the amended order was sent over to Ludmilla Lyavoo, it seems an order was sealed at Edmonton Country Court which was not agreed on which was Enfield Council drafted order, which we never agreed to and feel it is misleading as to what was said in court.
- I believe a lot of what was said in court is not being told and misleading information is being said, maybe someone should ask Ludmilla Lyavoo what the judge said when Ludmilla Lyavoo said she would go for a possession order to the judge because she did not get what she wanted.

Page 4447,

- There is also the fact that my son was willing to stay in Hospital when he was sectioned on the 25/10/**2018**, it was the hospital that discharged him on the 15/11/**2018** due to not getting the section 3 on my son they wanted, that was heard on the 14/11/**2018**, my son said as soon as he knew they was not allowing the section 3 on the 14/11/**2018** that they would kick him out of the hospital, as this is what they did in **2016**, and the next day the 15/11/**2018** that is what the doctors did kicked him out the hospital, yet my son was willing to stay and build trust up with the doctors and the mental health team, which had broken

down due to what has been ongoing for some time.

- Which in fact would have been a lot better as if he had been allowed to stay in hospital like he wanted maybe by now they would have been trust built up with the doctors and teams, this is what Soohah [Appadoo](#) wanted to do as he saw that there was a real problem with trust and stated this at the appeal on the section 2 at the hearing.
- On the 16/11/2018 I myself spoke to Soohah [Appadoo](#) on the phone, but since that we have heard nothing from him is this what is being called support put in place when
- my son was discharged from hospital.
- This misleading information needs to stop as it is a breach of the data protection act. I look forward to hearing from you regarding this, please can you reply as I did not get a reply from you to my last email, I sent to you.

Regards

Lorraine Cordell

Dear Trishna Kerai

- I have sent some emails to you and I have had no replies regarding issues I am having regarding the court order
- that was made on the 09/08/2018.
- Today I got a letter from Enfield Council which stated that you agreed with Enfield Council draft order on the 13/08/2018 but was waiting instructions from me.
- Please see below
- "In relation to the allegations made in regard to the draft Order submitted to the Court.
- Ms lyavoo explains that she contacted Ms Trishna Kerai, of Stuart Miller Solicitors; the caseworker instructed on behalf of Simon Cordell on 10th August 2018 and emailed her a draft order.
- Ms lyavoo did not hear from Ms Kerai, so she emailed her again on 13th August 2018 and asked that she provides her agreement as soon as possible and if no response was made by 4pm on the same day she will have to email the draft to the Judge.
- Ms lyavoo states that she received a response from Ms Kerai on the same day stating that she was in agreement with the order, but she was waiting for your instructions.
- As no response was forthcoming, Ms lyavoo had to email the order to the Court on 15th of August 2018 and she also copied Simon's caseworker to the email.
- Ms. Kerai has never indicated that she was on annual leave during the time of the correspondence but confirmed that the delay was due to the receipt of your instructions.
- " I am very upset as you were well aware when you sent me the draft order on the 13th August 2018 to me, I did not agree to it and you said you was going to try and rewrite it that day, which was not done until after you came back from leave.
- So how is Enfield Council blaming that on me saying you stated the delay was due to me not getting back to you with instructions? I am having a great deal of issues with Enfield Council they are not moving Simon and are going to take him back to court to try and get his flat. They have not put the management **transfer** application in front of the panel and are saying they will not do this.

- It seems due to the way the court order was worded this is being put down to me, due to this section in the order please see below.
 - AND UPON the Defendants mother agreeing to engage with the Enfield Mental Health Unit team so the Defendant could receive assistance with his mental health conditions and housing.
 - I know you feel that this was dealt with and you should not need to do any other work regarding this, but this is a mess and I need some help as my son is suffering due to the on goings of Enfield Council.
 - I await your reply

THE ASBO

THE 1ST POSSESSION ORDER IS when I found out about the emails that had been getting sent between the Council and my mother even low, I had asked her to help by contacting the police and the Council to help stop what my **neighbors** were doing to me while I was in my own home. I managed to get a few of the emails of my mother but they were all in images and not in date order, as she would not allow me access to her outlook account.

I had to put all the emails into date order by opening the images then OCRing the images to text, when doing this a lot of the images where so faint in print that I had to analyse the documents and manually repair the images to text by hand, while filing and indexing the information.

When I got set up by **Cristine and Carron**, I got taken to the police station and then to the St Ann's Mental hospital **00/00/2016** and this is when I stopped working on my festival paperwork and started to put all my time into documenting down what was getting done to me. Soon afterwards I needed a filing system, and the government was undermining me behind closed doors so, I decided that I will build a website to show more people what was illegally getting done to me to help protect myself.

I turned the website on public view while in chase farm hospital to stop Doctor Greenside and others robbing me of my life, just after the **25/10/2018**.

Once I got realised from the hospital and without ever having a Mental Health diagnosis.

I continued document my evidence down and placing it in my website. On the **26/01/2019** my birthday my mother gave me the missing emails and more information that had got requested from government computer that was held in my name. the emails that she given to me I had never seen prior, and these emails spread all over the years that I had already documented and were important to simulating my past events in my life rather than ruin my indexes and other work I rebuilt the lot again.

The 1St Possession Order

- a. Once I had found out about what was going on I decided to give the telephone numbers on the paperwork and record the conversation with my dictator. I spoke to a man called Lemmy Nwabusi.
In them conversations we talk about
 - What my **neighbors** had been doing to me and what he could do about stopping them.
 - The Asbo, Lemmy lied and denied ever knowing anything about the Asbo application. He done this so he could serve the possession order against me that he and his colleagues had just forged in aid of them robbing me of my home while allowing me to continuously get harmed by members of my housing estate and all while keeping me detained on Asbo conditions that was created in the same company, same department as he was then employed by, the Enfield Council.

Lemmy Nwabusi had spoken to my mother about the Asbo in emails prior to me chatting to him.

I asked Lemmy Nwabusi if he would go into the files in his office and find the Asbo files and take a close inspection of them and report his findings so, that the Asbo restrictions against my person could be removed.

I made a reference towards the Victim statements without any signatures all wrote in a 3rd perspective view and the inaccurate time stamps in the Cads from the 999-call dispatch system.

At the same time my mother was in communications with the Enfield Council by way of emails in respect of **xxxxxx xxxxxx xxxxx**

My mother was chatting to a man named as Daniel Ellis who is an employee of the Enfield Council, and his position is **Communications and xxxxxx**

Daniel Ellis had gotten asked in an email subject access request for all information in respect of the Asbo to do with myself and the council's reply was they did not have anything to do with the Asbo and therefore do not have the files to do with it. This is a lie and can proved to be a lie for the following reasons.

After I had spoken to [Lemmy Nwabusi](#), he went to the Asbo files and overlook all that I had explained to him and took one of the most horrible pages out of the application and placed it in the 1st Injunction order

This page had got given to my mother after I had walked out of the Lower Magistrates Court at the Highbury and Islington after hearing a guilty conviction.

The page had subliminal threat messages made from it. The Court clerk who put his name to the document and then after handed it to my mother had himself or allowed another member of staff to mod its context of text to say "Attend Court and Dis Us and We Will Re-Man." On the day that my mother was handed the document she even got upset and handed it back to the court clerk for it to get recertified to me understand she called the subliminal threats to me and any solicitor I asked to represent me who would notice the page on the first pages of the Appeal folders "Spelling mistakes" The paperwork was not amended when my mother requested for it to get done.

I never knew about this page until much later, when I was on bail conditions to stay at my mother's house because of the alleged Christine & Carron and Stain Case and the Georges Bike Case. When at my mother's house she had to go to my solicitor firm who was then on acting on my half, "Michal Carrols office" to collect the folders as they did not want to represent me through the whole case and tried to get taken of the records as my acting representatives [twice at the courts](#).

I had not been allowed access to building the response folder at this stage as my solicitor dd not want me to attend her offices due to disagreement about the way my case was getting managed.

I disputed with her the fact that I wanted to submit all the fraud that I could prove, and she did not and also, because she said that I was wrong about section (s144 LASPOA) and the police needed to prove trespass to use section 63 of the raves bill 1994. Josie seemed to have convinced my mother that I was wrong in my point of law, and therefore my mother and Josie, who was my solicitor, built everything without me. I keep sending my mother proof of section 63 and the need for trespass to be present by way of email until she realised that I was correct and questioned Josie as can get seen by emails. **00/00/0000**

[Michael Carols](#)

When my mother brought the Asbo folder home from my acting solicitors so, we could apply for Legal Aid for the Appeal stage.

I had a chance to add some files into it, so I spent the next day before my mother sent them away again to write a few documents of my own and I got my mother to place them into the response bundle and therefore they are contained in the back. I still had not noticed the Subliminal Threat or the spelling mistakes as my mother called them, by this stage.

On the **17/11/2016** the alleged The Christine Carron and Stain Case and the Georges Bike Case were all dropped, and I was allowed to go back home but I still never went back until the **23/12/2016**.

In this time, I had

The Asbo placed against me illegally

My **neighbors** attacking me while I was in my home every day.

Got arrested For the Christine and Carron and Stain case when I had done nothing wrong and everything they had said was completely made up.

I got arrested and not interviewed or told why I was detained for 2 days and without a superior police officer extending my 24 hours stay and then taken to St Ann's Mental Hospital without reasonable cause, Because I never got interviewed once I got out of the hospital, I had to return to the Edmonton police station on police bail. In the morning of the day to return to the police station to find out who had set me up and what for I started to get attacked again by the **neighbor** in 113 Burncroft Avenue while in my Barth. I went up to his front door to be civilised, but he had no respect for my life and had been hurting me every day almost since he moved into the flat as he wanted to be a copycat killer and I was his victim. The police arrived at my front door and arrested me for criminal damage to George's bike. I got charged and taken to court and realised on bail conditions to live and reside at my mother's home while court proceedings continued.

for their lies and put into a mental hospital

When the 1st Injunction order was not served to myself, I received copies of the documents of my mother as they were emailed to my mother.

- **PDF Page 53 and in context has a marker pen page number saying page 258**
<https://flipbooks.zapto.org/Flipbook8-3-PDF/>
text to say "Attend Court and Dis Us and We Will Re-Man."
- **The 2nd Injunction Order**
Part of the reason that this application was created is because I made a telephone call to Lemmy who worked for the Enfield Council.
I made this phone call after winning the case at the Lower County Court on the 00/00/201

The police soon afterward arrived at my front door and arrested me.
While in the police station

Date of telephone call to Enfield Council employee Lemmy Nwabusi
The Defendant has made threats to the Claimant's employees on **09th January 2018**
by stating that he knew where they worked/ lived and threatening one of the employees that he should watch his black.
The employees are concerned by the threats made and would like the interim injunction order to be varied to prevent the Defendant from approaching the Claimant's employees at their place of staffs work and personal address.
The application to vary is supported by the witness statements of Mr. Mwabuisi dated **02.02.2018** and Ms. Mudhub dated **05.02.2018** along a draft order.

The Defendant has breached the terms of the interim injunction order on **24.01.2018** by harassing and intimidating one of the Claimant's employees by calling her on her work number on two occasions. The telephone calls constituted threats, harassment and intimidation causing the employee to put the phone down during the first phone call, but the Defendant continued to call again.

The Claimant therefore wants the Defendant to be arrested in light of those incidents.

The details of the telephone conversation are covered in the affidavit of Ms. Maudhub dated **05.02.2018**.

85,

Dear Dr Scurlock,

- A.** I am the solicitor in conduct of a claim for an injunction against Mr Cordell and write in response to your email to Kaunchita Maudhub on 15th June 2018.
- B.** I would need further clarification on the content of your email and hope you will be able to respond as soon as possible as a hearing has been listed on Tuesday 26th June 2018.
- C.** You explained that you have been trying to see Mr Cordell but he has not attended the assessments offered to him although he has phoned the assessment team.
- D.** Can you please confirm the dates of the assessments offered to Mr Cordell and details of the conversations that were held?
- E.** You mentioned that he had contact with various mental health teams and had one brief admission on the Haringey assessment ward in August 2016.

Whether the defendant understands the terms of the injunction order dated

09 January 2018

	F. Will it be possible to have details of the contacts held and the assessment that was carried out? G. If possible, we would like a detailed history of the contacts/ admissions so we could provide the information to the Court. H. You suggested that a report is to be commissioned from a Consultant Forensic Psychiatrist from North London Forensic Service as this is not something you would provide. I. Can you please confirm what would the report achieve? J. If this is not a service you could provide, why did your department contact Mr Cordell and offered him an assessment in the first place? K. I look forward to hearing from you. Kind regards, Ludmilla Lyavoo 86,87,88,89

1. Introduction

- * This is Enfield’s Housing Allocations Scheme. It tells you how we assess applications for housing and allocate social rented homes owned by Enfield Council and partner housing associations to households on Enfield’s Housing Register.
- Enfield is a very popular place to live. Many people want to rent from a Council or housing association in Enfield. We expect demand for socially rented homes in Enfield to increase as a result of the current economic climate and cuts in public expenditure including government welfare reform policies.
- We have a severe shortage of housing. Just under 8,000 households are looking for this type of home through our Housing Register. On average 400 households join the Register each month. We expect to let 730 homes next year of which only 165 homes will have 3 or more bedrooms.
- We are committed to increasing the supply of homes in the borough and our 15-year Housing Strategy describes our plans for doing this.
- Most people on Enfield’s Housing Register will never be offered a Council or housing association home. They will need to consider other housing options. This would include low-cost home ownership schemes and renting from a private landlord.

2. Enfield Council’s Aims

- * Enfield’s Housing Allocations Scheme has been developed in a way that supports the Council’s aims of:
 - Fairness for all
 - Building Strong Communities

- Growth and Sustainability
- Fairness for all

- * Fairness for all will be demonstrated in the following ways through the Allocations Scheme:
 - Setting the Allocations Scheme within a wider housing advice and options approach
 - Assisting applicants with a disability, older people and those with support needs to apply for housing through the Housing Register
 - Enabling housing applicants to exercise choice through our choice-based lettings system and taking preference into account when we make direct offers
 - Maximizing the supply of accessible homes for those with a disability
 - Enabling everyone to understand how social rented housing is allocated through:
 - Having a revised Allocations scheme that is transparent and reasonably simple, clear, easily understood and accessible
 - Explaining who makes decisions, how long people may have to wait to be housed
 - Managing expectations and raising awareness by providing facts and figures about local pressures and the amount of housing available for letting
 - Monitoring and publishing better quality information about the people we house and the properties we let
 - Explaining what is being done to increase the amount of social rented housing

3. Building Strong Communities

- * Building Strong Communities will be demonstrated in the following ways through the Allocations Scheme:
 - Addressing severe overcrowding within social rented homes
 - Supporting households back into work and creating a more balanced mix of residents on every housing estate in the borough.
 - Requiring housing applicants to have a local connection with Enfield to be considered for affordable and social rented homes in the borough.
 - Developing local lettings plans to address specific issues on estates or neighborhoods.

4. Growth and Sustainability

- * Make best use of social rented homes by:
 - Addressing under occupation o Bringing empty homes back into use quickly o Regenerating Council-owned estates
 - Enabling tenants to participate in mobility schemes

5. Enfield Council's Values Are:

- *One Team* – Working together across teams, departments and partners to deliver the best possible services for Enfield's residents.

- *Customer First* – Treating the community, colleagues and partners with fairness and respect, listening and responding to their needs and designing our services around the people we serve.
- *Achieving Excellence* – Consistently striving to deliver standards of excellence through ambition, creativity, innovation, pride in our achievements and a ‘cando’ attitude to new challenges.
- *Empowering People* – Enabling our staff and the local community to make informed choices and giving our staff the skills, knowledge and confidence to improve services, take personal responsibility, accept risk and recognize success.

- * We are committed to continuously improving our housing options and advice services and actively embedding these values within our services to improve customer satisfaction.

6. What We Took into Account When Devising Enfield’s Housing Allocations Scheme

- * As well as Enfield’s aims and values, a wide range of documents including national and regional guidance, legislation, local strategies and consultation feedback has been taken into account when putting together this Housing Allocations Scheme for Enfield. These are set out in detail in Appendix 3.

7. Enfield’s Vision for Housing in The Borough

- * Enfield has a vision for housing in the borough which is set out in its 15-year Housing Strategy. The vision is:

❖ "Increase The Supply of Well Managed, Good Quality and Affordable Homes; Promote Housing Choices and Build Strong Neighborhoods"

The Aims of the Strategy are:

- **Aim 1:** Address housing need and promote personalized housing advice, options and choices
- **Aim 2:** Increase housing supply to meet the needs of local people
- **Aim 3:** Improve the quality of homes and neighborhoods and contribute to strong communities
- * Enfield’s Allocations Scheme makes an important contribution to achieving these aims.

The Aims of Enfield’s Housing Allocations Scheme 2012-17

- * The aims of Enfield’s Housing Allocations Scheme are

8. To Have A Scheme That Is Clear And Easily Understood By Everyone By

- Adopting a simplified points scheme for assessing housing need and quotas for allocating social rented homes

- Increasing the number of demand groups from 4 to 6 to make it clearer who is being allocated social rented homes
- Publishing a clear summary of our allocations scheme and make it available at our offices and on the Council's website.

9. To Ensure Social Rented Homes Are Allocated in A Fair, Flexible, Efficient And Accountable Way By:

- Following legislative requirements, case law, national, regional and local strategies and policies
- Monitoring lettings and publishing better quality information about the people we house and the homes we let
- Using information technology to register and assess housing applications online
- Improving customer satisfaction by putting in place better systems, processes and procedures for assessing applications and allocating social rented homes
- Reviewing annually Enfield's local priorities for social rented homes

10. To Ensure the Scheme Allows the Council and Its Partner Organizations To Make Best Use Of Enfield's Social Rented Homes By

- Keeping nomination agreements under review
- Putting in place reciprocal arrangements with housing associations where the council has approved an emergency or exceptional transfer because of harassment, domestic violence or hate crime
- Addressing under-occupation and severe overcrowding within social rented homes

11. To Enable Housing Applicants to Have A Choice Of Or Express A Preference About The Social Rented Housing They Would Like To Live In By

- Managing expectations about the availability of social rented housing in the borough by providing applicants with sufficient information to help them make informed choices about where they live from a full range of housing options including social rented homes, affordable home ownership and private rented homes.
- Minimising the use of accommodation provided by Enfield Council for households owed the full housing duty under the homelessness law
- Taking applicants' preferences into account as far as possible when making direct offers
- Enabling applicants to exercise choice through the choice-based lettings system

12. To Assist in Building Sustainable and Cohesive Neighborhoods in Enfield By

- Giving priority to households with a local connection o
- Regenerating our Council-owned estates

- Supporting households back into work and creating a more balanced mix of residents on every housing estate in the borough.

13. Enfield's Statement on Choice

- * Enfield's Allocations Scheme has been framed to allow applicants to express preferences in the type of property and area in which they wish to live, and between the Council and housing associations as landlords.

Choice is enabled through:

- most vacant social rented homes being advertised through the Choice Based Lettings system, Home Connections
- applicants' preferences being taken into account as far as possible when the Council makes them a Direct Offer
- many, but not all, categories of housing applicants having the opportunity to receive more than one offer.
- Information being published regularly on the websites of the Council and the Home Connections on the letting of vacant social rented homes in the borough including where homes were located, the type of homes let, which categories of applicants were housed, how many were let by choice-based lettings and how many were let by direct offer, approximate waiting times for different categories of applicant. This information will enable applicants to compare their own circumstances with those housed and understand better their own chances of being housed.
- In the context of a severe shortage of Council and housing association homes in Enfield and the concentration of most socially rented homes in the east of the borough, it may not be possible to fulfil applicants' preferences.
- Enfield expects applicants to be flexible, consider compromising and decide what is most important when making decisions about their preferences for a social rented home: that is, area, type of housing and preferred landlord.
- The penalties for refusing offers are clearly set out in this Scheme. For example, applicants who think they may be able to hold out for a house rather than a flat in their area of their choice may find their housing application is cancelled if they refuse offers of accommodation the Council believes are reasonable and meet the needs of the applicant's household.

14. The Following Circumstances Outline Where It Is Particularly Unlikely That the Council Can Fulfil Every Aspect of Applicants' Preferences:

- Where an existing Council or housing association tenant has to be moved urgently
- Where the applicant needs accommodation which rarely becomes available, EG, wheelchair-adapted accommodation or homes with 4 or more bedrooms
- Where an applicant has not engaged with the choice-based lettings system and the Council has decided to make them a direct offer

15. Reviewing Enfield's Allocations Scheme

- There will be an on-going review of Enfield's Allocations Scheme during the first year of operation. Minor amendments will be agreed by the Cabinet Member for Housing and Area Improvement to address practical issues revealed by the on-going review or made necessary due to further legislation or case law. Major changes will be reported back to Cabinet at the end of one year.

16. Valuing Equality, Diversity and Accessibility

- Enfield has one of the most diverse populations in London and the council is working hard to strengthen and build sustainable communities and neighborhoods. We value our diverse community and will seek to ensure all applicants have fair access to the Allocations Scheme and services we provide.
- We have carried out a comprehensive Equalities Impact Assessment of our Allocations Scheme which is available on Enfield's website: www.enfield.gov.uk/housingpolicies
- A summary Housing Equalities Report is produced annually which describes the people who apply for and are allocated Enfield's council and Housing association homes. A copy is available on the Council's website.

17. Accessibility

- In order to ensure that everyone is able to access housing advice and assistance and, where appropriate, bid for housing through our choice-based lettings system, Home Connections, we provide the following:
 - **The Housing pages of Enfield Council's website**
 - (a) Enfield's website has been built to be accessible to those who are hard of hearing or visually impaired. It is compatible with popular screen readers and can be navigated easily using a series of keyboard shortcuts.
 - (b) For those that have difficulty reading, have limited vision or for those for whom English is not a first language Enfield's website has text-to speech technology and all pages can be translated into one of 65 languages
 - (c) For those with visual impairments the website has been designed to allow you to select the colour scheme that you find easiest to view such as black on white or white on blue.
 - **Literature**

 - (b) Letters and documents can be translated on request to a language of your choice if English is not your first language.

(c) We provide quick guides which show you how to bid online, over the phone or via text message.

○ **Access to the internet**

- We know that not everyone has access to a computer and the internet. There are a number of places across the borough that people can go to in order to access the internet for free. Internet access is available at all Enfield libraries. Website information on internet access and computer hire in Enfield's libraries is available at this address:
http://www.enfield.gov.uk/info/442/libraries-computers_and_the_internet/227/internet_access_and_computer_hire_in_libraries
- Other places where you can use a computer to find out about housing options in Enfield include:
(a) Enfield's Housing Options and Advice Service
- For those who have never used a computer before or who want a quick refresher course the libraries also offer training on how to access the internet.

18. Finding out how social rented homes are allocated in Enfield

- Enfield's priorities for allocating social rented homes will be reviewed annually and published on Enfield's website here:
www.enfield.gov.uk/socialhousingpriorities
- We will report on the outcomes of our Allocations Scheme and publish information on the Council's website so that our applicants, residents and partners can understand what we are doing and how well we are performing.
- You can go to Appendix 1 to find out facts and figures about the amount and location of social rented housing in Enfield.

❖ **How to apply to Enfield's Housing Register**

- Most people can apply for housing by making an application to join Enfield Council's Housing Register. There are legal rules that mean that some people are not able to join the Housing Register. Information about who is not eligible to apply is set out later in **section xx**.
- Every application for housing is considered and decided in accordance with this Allocations Scheme.
- Tenants of Enfield Council or tenants of housing associations living in Enfield who wish to move to another socially rented home are assessed, prioritised and registered on the Housing Register in the same way as other housing applicants.
- Applicants to whom Enfield Council has accepted a duty to house because they are homeless are automatically placed on the Housing Register.

❖ **Where to obtain a Housing Register application form**

❖ Housing register application forms can be obtained from:

19. The Future – An Online Assessment And Registration Service

- * During 2013, we will be replacing paper application forms to apply for social rented housing with an online housing registration and assessment service. The reasons for doing this are:
 - To make it easier for customers to apply for housing at a time that suits them.
 - Customers will receive a faster assessment of their application and chances of getting a council or housing association home.
 - Customers will be provided with information and advice on a full range of housing options.

20. Rights of the Applicant

- * Our Allocations Scheme has been framed to ensure that an applicant has the right to request information to enable them to assess:
 - How their application is likely to be treated under the Scheme. In particular, whether they are likely to be regarded within the reasonable and local preference categories.

- Whether a home appropriate to their needs is likely to be made available to them and, if so, how long they can expect to wait to secure a successful move.

* We will also ensure that applicants are:

- Treated fairly, with respect and without prejudice.
- Notified in writing of any decision made regarding their application for rehousing and the grounds on which that decision was reached.
- Given the opportunity of review against decisions made in respect of their application. For further information regarding reviews go to [section XXX](#).

21. What do we expect from Applicants?

* In this Allocation Scheme we will outline what our applicants can expect from us, but there are also some things that we expect from them:

22. Honesty

* We will be honest with our applicants. We will keep them informed of the progress of their application and we will explain any decisions that we make, including how we made them. In turn we expect applicants to be honest about your circumstances so that we can fairly assess their housing need and ensure they receive the right housing advice to suit them. Social housing is in very short supply, and we will do everything that we can to ensure that best use is made of it.

* Applicants must:

- Provide all information requested that is, or may be, relevant to their application for rehousing
- Advise of any changes in circumstances. This includes, but is not restricted to;
 - any changes to their address including change of tenure
 - the birth of a child
 - the removal of someone from their application
 - the addition of someone to their application
- If we discover that the applicant or someone acting on their behalf have willfully supplied false information or have failed to provide us with information that is relevant to their application in order to gain a social rented home, we will immediately cancel their application.
- If the applicant has obtained a social rented home through the Housing Register and it is discovered that they or someone acting on their behalf has supplied false information or failed to provide us with information that would have been relevant to the applicant's ability to secure that social rented home, we will work with their landlord to end the tenancy.
- **It is an offence to obtain, or attempt to obtain, a tenancy by deception.**

- **S.171 of the Housing Act 1996¹¹ makes it an offence to knowingly or recklessly provide or withhold information when applying for housing and subsequently if your circumstances should change.**
- **Anyone suspected of giving false information or withholding relevant information is also liable to be prosecuted and fined up to £5000.**

23. Courtesy

- We will always be polite to applicants and treat them with respect. We ask that applicants treat our staff in the same way, and verbal or physical abuse will not be tolerated. Anyone using abusive, racist or derogatory language will be politely asked to stop. Failure to do so will result in a written warning. Should this behaviour continue, we will either only communicate with them in writing or may instead reduce their priority or cancel their application depending on the severity of their actions.

24. Requesting, Sharing and Verifying Information

- Where an applicant has been assessed and may have priority under Enfield's Allocations Scheme, the Council will seek further information or supporting evidence from a variety of third parties. In applying for housing in Enfield, the applicant gives the Council permission to share information with third parties and make further enquiries to finalise the assessment of their housing application.
- In order to offer the applicant appropriate advice and to assess their application, it may also be necessary to contact those people or organisations whose details have been provided in addition to any other relevant parties whose details come to light during our enquiries. This may include:
 - Cross checking the information given by the applicant against the full Register of Electors of the London Borough of Enfield or any other Council.
 - Cross-checking the information given by the applicant with other Council sections e.g. Housing Benefit, Council Tax and other Council and Benefit Agencies.
 - Contacting current and previous landlords.
 - Sharing information with partner Housing Associations (Registered Social Landlords).
 - Cross checking with data matching companies e.g. Experian or other credit reference agencies. These agencies will record details of any search made whether or not the application proceeds.
 - Other third parties considered relevant to the application.
- Applicants may also be asked to provide further evidence in order to verify the information given to us. This includes but is not restricted to.

- Photographic proof of ID (passport or driving licence).
- Proof of any welfare benefits claimed
- Birth certificates for each household member included on the application.
- National Insurance Number.
- Proof of current and/or previous addresses (utility bill, bank statement, Council Tax payment book).
- Proof of income (pay slips for four weeks if paid weekly or last two months if paid monthly), a letter from their employer confirming their annual salary; tax returns / business accounts to evidence self-employed work.
- Passport size photo.
- Immigration documents.
- Information regarding property ownership.

* Failure to provide information requested when required to do so may result in the following outcomes:

- a delay in finalising the assessment of the application or the application being cancelled if information is not provided within 4 weeks
- an offer of a social rented home being withdrawn if information required is not provided within 24 hours.

* Applicants would then need to submit a new application if they wanted to reapply to join Enfield's Housing Register.

* Where appropriate, any information provided by the applicant may be shared with partner housing associations (registered housing providers or registered social landlords).

25. Assessing and prioritising applications for housing

26. The Law

- * The law requires all local authorities to have an Allocations Scheme for determining priorities and a procedure to be followed in allocating social rented housing in their districts.
- * Under Part 6 of the Housing Act 1996¹ (as amended) Enfield's Allocations Scheme is framed to ensure 'reasonable preference' (also known as a head start) to some applicants. They are Summarised below:
 - People who are homeless
 - People occupying insanitary, overcrowded or otherwise unsatisfactory housing
 - People who need to move for medical or welfare reasons, and
 - People who need to move to a particular location, for example to be nearer to special medical facilities.

- * Enfield Council also has some groups of applicants which will give a local reasonable preference. These are:
 - Enfield's Council tenants who need to move because, due to changes in welfare benefit entitlement, they can no longer afford to occupy their current homes and need to move to a smaller home
 - Enfield's Council tenants who need to move because their home is part of an estate regeneration scheme
 - Enfield's Council and housing association tenants who are severely overcrowded because they lack 2 or more bedrooms
- * Appendix 2 defines the housing circumstances which Enfield will have regard to when awarding an applicant reasonable preference.

27. Who Is Ineligible for Housing?

- By law, social rented housing can be allocated to eligible people.
- * The following groups of people are defined in law² as ineligible for an allocation of housing and are therefore cannot join the Housing Register:

28. People subject to immigration control

- People are not eligible if they are subject to immigration control, or they are a person from abroad which the Secretary of State has prescribed is ineligible. These include people from abroad who are subject to immigration control under the Asylum and Immigration Act 1996 unless they are:
 - already a secure or introductory tenant of the Council or an assured tenant of housing allocated to them by a Council; or
 - in a class prescribed by regulations made by the Secretary of State.
- ❖ *S166A(3) Housing Act 1996, as amended by S147 of the Localism Act 2011*
- ❖ *S160ZA, Housing Act 1996, as amended by S146 of the Localism Act 2011*

29. People prescribed as ineligible for an allocation in any regulations made by the Secretary of State unless they are:

- already a secure or introductory tenant of a Council or an assured tenant of housing allocated to them by a Council.

30. People prescribed by Enfield as being ineligible for an allocation of social rented housing

- * Behaviour

- (a) People who have supplied false or misleading information on their application for housing.
- (b) Any applicant who has paid money to obtain a tenancy with either the Council or a housing association operating within the Borough.
- (c) Any applicant, partner or other member of their household has been convicted of, or had legal action taken against them for violence, racial harassment, threatening behaviour, any physical or verbal abuse towards staff and residents in the applicant's neighborhood. Legal action here includes convictions, serving of injunctions, notice of intention to seek possession, court order, revocation of licence to occupy.
- An applicant who suffers from a mental illness and has either been convicted or has had legal action taken against them as defined above shall not be ineligible if the conduct in question was directly attributable to their mental illness. In these circumstances the Council will usually require medical evidence to help determine the applicant's eligibility.
- Applications from people excluded under this section will need to demonstrate a change in behaviour. Usually, applications under (1) will be reconsidered after 12 months, and applications under (2) and (3) after five years, during which there has been no repeat occurrence. Earlier reviews may be considered.

31. Assets, Income and Savings

- If an applicant or their partner owns a property or a share in their property or have enough assets (£50,000 savings) or income (£70,000 – household with children or £40,000 – single person or couple without children) to meet their own housing need, they will be ineligible to apply for housing.
- The Council will review these financial limits during the first year of the scheme and annually thereafter.
- More information on current financial limits is contained in Appendix 2

32. Applicants under the age of 18

- Anyone aged 16 or over (except those described above as 'ineligible' for housing) can apply to the Council to join the Housing Register. Some landlords, however, may only offer tenancies to applicants under the age of 18 if they have a guarantor.

33. Right of Review

- Applicants have a right of review against any decision taken by the Council to cancel their application from Ed's Housing Register on grounds of ineligibility. See the section on Rights of Information, Review and Complaints which gives information on how to request a review of a decision taken by the Council.

34. Other things we take into account

- In addition to legislation, local authorities have to make sure their housing allocations policies comply with
 - decisions made by judges in court cases (case law)
 - government guidance on how to implement the law and case law
- * We will also take account of additional factors relevant to the needs of the applicant. They include:
 - The urgency of an applicant's housing need
 - How long the applicant has been on the Housing Register
 - The financial resources available to a person to meet their housing needs
 - Other locally defined reasons
- * The severe shortage of social rented homes in Enfield means the Council must make best use of housing stock in the borough by taking into account the availability and suitability of all alternative housing options and solutions for meeting an applicant's housing need.

35. Reasons for canceling Housing Register applications

- * Applications on the Housing Register will be cancelled and removed for a number of reasons including the following: the applicant
 - (a) Has been evicted because of rent arrears after they apply to the Housing Register
 - (b) Has been involved in proven or evicted for anti-social behaviour after they apply to the Housing Register
 - (c) No longer wants to be housed
 - (d) Has died
 - (e) Has had a change in their immigration status and is no longer eligible to be on the Housing Register
 - (f) Has been housed by Enfield Council or a Housing Association
 - (g) Is a person prescribed by the Secretary of State in regulations as ineligible

- B. Lemmy did state that Mr Cordell would not get this due to him being a single person, but the judge saw past this and stated I seen many cases where a person needed an extra bedroom for a carer which Mr Cordell clearly does, so I am not understanding what you mean by a like to like property.

4+ UPON the Claimant agreeing that it will deal with the housing management transfer application as quickly as possible after being made.

This is in progress, and it was stated my son would need a 2-bedroom place due to needing someone with him.

The council is already trying to get away with this by saying a like to like place which I see they are trying to do a 1-bedroom place.

Page 1949,

5+ And UPON the Defendant's mother agreeing to engage with the Enfield Mental Health Unit team so the Defendant could receive assistance with his mental health conditions and housing.

The above section is wrong I did not agree to engage with Enfield Mental Health Unit team, so the Defendant could receive assistance with his mental health conditions and housing.

(What was stated I was dealing with the mental health team due to a complaint, and it was stated I would ask the mental health team if they would help regarding moving Simon, this is being done ATM,
I cannot say my son will take assistance with his mental health conditions, due to the fact that will

be down to him and not me I can try and get him to get help, but it's not down to me if he takes it.

IT IS ORDERED:

6+ The interim injunction order dated **09 January 2018** be discharged forthwith.

It was stated it would be dismissed not discharged the judge asked them if they wanted discharged or dismissed and they stated dismissed,

I see now why they are trying to change this to discharged.

As discharged means discharge is an unconditional discharge where the Court finds that a crime has technically been committed, but that any punishment of the defendant would be inappropriate, and the case is closed.

It has never been proven that my son done anything.

7+ The Claimant's claim and application for an injunction dated **09 January 2018**, the Claimant's applications for the Defendant's committal dated **05 February 2018** and **20 April 2018** and the Claimant's application notice dated **07 August 2018** do stand dismissed.

This should be all police as it on record and if he gets arrested at any police station this can come up if it's not removed from full record.

Dear Trishna

- A. I was wondering if you had time as yet to rewrite the order as it need to go to the court so that the order is sealed.
- B. I have made edited it not sure if it can be worded this way but please see attached.
- C. The reason I do not believe they can put
- D. **"And UPON** the Defendant's mother agreeing to engage with the Enfield Mental Health Unit team so the Defendant could receive assistance with his mental health conditions and housing. "
- E. Is due to Simon rights I can give input but there is little I can do if Simon does not agree to take help, and this is where I run into issues and have for a while now.
- F. If it is ordered that I will do it and can't then I am breaking the order. so, I have just removed this from the order as I do what I can anyways I do not need the council telling me I have to do it.
- G. Also are there any notes from the barrister who was there for Simon or any documents I have not got as Simon likes to keep all documents from all his cases.

Dear Trishna,

- I write further to my email to you and Mrs Lorraine Cordell.
- Our allocation manager has advised us that as Mr Cordell is an existing council tenant, he is entitled to apply for a transfer of tenancy and cannot make a rehousing application.
- I am advised that the application needs to be done via Mr Cordell's neighbourhood officer.
- I have emailed the officer and asked him to contact Mrs Cordell as soon as possible.

- Mrs Cordell is also encouraged to contact the Mental Health Team so they can support him with his MH issues and rehousing.
- I have amended the order to reflect the above and look forward to hearing from you.

Please see below a list of reports made against you: 1+ On 6th July 2016 it is alleged that you approached an elderly	3+ It is said by us that on the 00/00/0000 the following took place. <u>Statement Exhibit</u> This information is extracted from our clients RIO Records held against him. The Rio Records were requested while the Now Claimant was inside of chase farm hospital and the first section of the FOI was given to him on his birthday which was 26/01/2019. <u>Enfield Council pop up with new allegations that were never mentioned to me until I got put into Chase Farm Hospital 25/10/2018.</u> <u>They change Lemmy's 31 Allegations into 48.</u> When in the Hospital doctor greenside never turned up to do an introduction assessment as he was on holiday and no other person would do an assessment stating the reasons for detention. Eventually he arrived and had the reasons for detention wrong so to keep detaining our client he used the neighbors claims that had never been proved in court and showed our client and his mother in the meeting a copy of the exhibited below that Enfield council had sent them and not the claimant or his

neighbor as he came out of his flat and started to shout abuse and swear at him and threatened to burn down his flat.

2+ Sometime in **July 2016** it is alleged that you damaged the lock of a neighbor's electric cupboard and removed his fuse box resulting in no electricity to his flat.

3+ On **6th August 2016**, it is alleged that you threatened one of your neighbors and his wife and aggressively demanded money from him. It is also alleged that you repeatedly swore and shouted abuse at him and his wife and called his wife a 'bitch' and tried to stop him from going up the stairs to his flat by standing in front of him.

4+ Sometimes in **September 2016** it is alleged that you confronted an elderly neighbor outside your block of flats, 109 - 119 Burncroft Avenue as he was going to the local park with another resident and started to shout abuse and

Page 14

threats at him and said to him 'I can get you over at the park, I know you go for a walk'.

5+ On **27th September 2016** it is alleged that you confronted one of your neighbors as he was returned to his flat with his family and threatened and swore at him and demanded money from him. It is also alleged that you later banged on his door, shouted further abuse and swear words at him and accused him of making noises inside his flat.

6+ On **28th September 2016** it is alleged that you aggressively banged on a neighbor's door and threatened and shouted verbal abuse and swearwords at them. It is also alleged that you aggressively demanded money from him.

7+ On **4th October 2016** it is alleged that you aggressively banged on your ceiling and accused one of your neighbors of making noises, you then went to your neighbor's flat and started kicking and

support network. It is also known by the council that all documentation they send to our client must be sent to his support network as well.

The initial reason our client was sent to the Mental Hospital was because Ludmilla Lyavoo Lawyer for the Director of Law and Governance had acted recklessly & in crime & prior but was not apprehended due to her fellow co dees in crime helping her evade justice so she could strike again by manipulating official document to suite her wrongful intentions.

It is said that Ludmilla Lyavoo sent the police to our client's front door to serve him a warning letter with no dates inside of it context after losing another forged court order in knowing she was committing a felony against the state and our client. The police involved arrested our client in the wrongful believe that he spat at them, but this was demonstrated to be inaccurate due to the police officer body camera footage displaying this incident.

Enfield council and its employees sneaked this maliciously after committing fraud into our client RIO notes. She was in communication with our client mother and failed to tell her of these concerns, in fact she only talked about our client making a telephone call to her on the **18/10/2018** to which she wrongfully evaded the true facts of the conversation to avoid disciplinary actions for her own part in the crimes we exhibit as committed.

The Enfield Council and their team also understood that our client had been found not guilty as they had not managed to bring a case in 5 years of legal process against him to a trial stage and this was out of 3 of the same claims that were said not to be allowed to be re filed in court again after the first attempt that failed but yet the Government employees. All still refused to act fairly and in accordance with the law and instead they all listed as the liable attempted to use their powers of work to manipulate the true events even further and just for their own wrongful Sefl gains.

It is said that the Enfield Council Employees after losing the second injunction order acted in crime, rather

banging on his front door aggressively, accused him of banging on the floor and was swearing and shouting abuse at him. It is also alleged that you later went downstairs, dragged your **neighbor's** motorbike from where it was parked and started to hit it with a piece of wood.

8+ On **22nd November 2016** during a telephone conversation between you, Mrs. Cordell your mother and Ms. Sarah Fletcher, **Neighborhood Officer**, Ms. Fletcher reported that she overheard you threatened her by saying 'I'm going to do her over' and then 'I'm going to take her job just for fun'.

9+ On **8th December 2016**, it is alleged that you aggressively banged on one of your **neighbors'** front door, shouted abuse and threats and accused him of making noise.

10+ On **11th December 2016**, it is alleged that you aggressively banged on your **neighbor's** door several times and accused them of banging on pipes. It is also alleged that you shouted abuse and threats at them.

11+ On **14th December 2016**, it is alleged that you were verbally abusive towards a woman who was visiting one of your **neighbors** as she knocked on your **neighbor's** door.

Page 15

12+ On **23rd December 2016**, it is alleged that you banged on a **neighbor's** front door, shouted abuse at them and asked them to turn their tap off. You then removed their electricity fuse thereby cutting off their power supply.

13+ On **26th December 2016**, it is alleged that you ran up the communal stairs to the first floor and confronted one of your **neighbors** as he was going out with his family and started to shout abuse and threats at him and his wife and

than provide a new home for our client as the Jude Had ordered as they listed as the liable all committed even further crimes by manipulating the court order and by writing to our client GP again on the **17/10/2018**. As exhibit due to the Council using MHA to deprive our client of his life and property with forged notes that they added into Rio to requested for another Mental Health Assessment based on those forged notes.

In this time not once has Mr. Lemmy Nwabuisi the Anti-Social Behaviour

Coordinator, come to see my son's side to the alleged allegations regarding what the neighbours have put in about my son.

Mr. Lemmy Nwabuisi the Anti-Social Behaviour Coordinator has taken one side to these said alleged allegations without no investigations,' Mr. Lemmy Nwabuisi it seems has taken one side to everything that has been said and that is the side of the neighbours, Mr. Lemmy Nwabuisi has been told many times we have information which would proof my son had not done things which have been stated by the neighbours

Mr. Lemmy Nwabuisi the Anti-Social Behaviour Coordinator knows my son does not leave the flat he was told this, and also told that if he wanted to attend a meeting with my son he could do so with police there to have a meeting to hear my son's side, he has never got back to me regarding having a meeting at my son's home because he never wanted to, which I am sure if someone is a vulnerable person where was the duty of care where has it ever been for my son?

I believe Mr. Lemmy Nwabuisi the Anti-Social Behaviour Coordinator just through to himself that my son is in the wrong, he is a vulnerable person I will put pressure on him and get him out without even thinking there is 2 side to anything. And just blamed my son without even talking to him, this is how it has been since Mr. Lemmy Nwabuisi the Anti-Social Behaviour Coordinator starting working for Enfield Council.

I also feel Mr. Lemmy Nwabuisi has taken information and not relayed it back correctly many times regarding my son's health even to the courts. Information is being passed and obtained relating to my son which should never have been passed to 3rd parties or used, how can this be allowed. There are many other points and failings which have been allowed to happen and this needs to stop. I will be drafting up a full complaint of failings and submitting it but this will take a while to draft up as I have got to go back some years.

Mr. Lemmy Nwabuisi also had my son arrested on the 09/01/2018 and even though we asked many times, even my own son's solicitors could not understand why he was the person still investigating my son. When his case was part of the court actions being taken against my son by Enfield Council this is against the law that someone is investigating

something within their own case, and it beaches many other things.

At this point in time, I want Mr. Lemmy Nwabuisi taken off dealing with anything to do with my son or related to him, I feel he has not done acted correctly and feel he has not investigated anything which would prove my son has done nothing wrong and only wanted to blame him for everything, I have asked this before and heard nothing back regarding this. But it has got to the point in time that this needs to happen.

Could someone please get back to me as soon as possible regarding this?

But this cannot be allowed to carry on, this is making my son's health worse with what is going on and him being in that flat, the banging does not stop even people I am I getting to stay with my son don't want to be there due to how bad it is it does not stop. Enfield Council is now making my son stay in a flat living

in hell, they know the issues why have they not just moved him out of there?
How long is it going to take with letters going backwards and forwards with no end to it? All awhile my son is suffering badly, and it is impacting on his health how far is Enfield Council going to let this go?
Enfield Council has not once asked my son's side to this they only go with what is being said about my son is this right?
This are always 2 sides to anything so why is Enfield Council only taking ne side to all of this and not once hearing our side?
Enfield Council has had long enough to move my son why have they not. I need help to deal with this and I can't wait months for anything to be done, and that is not saying you are not doing your best as I know you are it seems Enfield Council are the ones holding this up and really for what reason, is it so they can make my son suffer more?

Dear Trishna Kerai

I am writing this email to see if you can help regarding the case that went on at Edmonton Country Court. There has been a great deal of issues with Enfield Council and not doing what the Judge stated for them to do. I have had to write to the judge regarding what Enfield Council are doing and I have had a reply back from the court. The order that Enfield Council drafted does not even mean they have to move my son; he is living in hell, and I am working with the MP also regarding issues. But the order Enfield Council wrote needs to go back into court and get addressed as this can no longer carry on as it is impacting my son's health. Could you please take a look at the letter and order that the court sent as we have never had a sealed copy of the order until the other day due to the letter I wrote. It would also seem that Enfield Council when they got our amended order just asked the court to seal their order. Also, the barrister that attended court for my son on the 09/08/**2018** did he make any court notes up if he did could you send them to me. I would be grateful for any help on this matter

Regards
Lorraine

Thank you for your recent enquiry, which I forwarded to my officers in the Community Safety Unit Anti-Social Behaviour team. I can confirm that the Anti-Social Behaviour Team is aware of the ongoing issues between Mr Cordell and his neighbours. Your enquiry has been added to the Anti-Social Behaviour database (Case Reference 17834). I can confirm that we have liaised with the Council solicitors and have been advised that following the court order of 9 August **2018**, the council agreed to consider and assist Mr Cordell in making a housing management **transfer** application. This was agreed on the condition that Mr Cordell should engage with mental health services and provide medical evidence to support the housing management **transfer** application. I have been advised that Mr Cordell has not provided any supporting letter from the mental health services to support his application and therefore we do not have sufficient evidence at this time to put in a management **transfer** application on his behalf. I have also been advised that the council will commence possession proceedings against Mr Cordell because of the seriousness of the allegations made against him. Please contact me if I can be of any further assistance.

Dear Alev

Thank you for the update email, it is shameful what Enfield Council is trying to say, may I ask have you ever seen a copy of the court order? as I believe you will see as I have attached it that it does not state my son has to cooperate with the mental health team to get moved. Please see attached copy of court

order. It is me that Enfield Council has to work with not my son, and it is also me the mental health team have to work with not my son, the Judge would not order that my son has to work with the mental health team even when Enfield Council asked her to make that order. I have done what I was meant to have done regarding the move the paperwork was completed by Enfield Council, which is how it is done; I was not even allowed to see the application that was made for my son, which I have all the emails to prove that. At this time the file is back with the judge to get more directions due to the letter I wrote and asking for the full transcripts from the court, at this time this is being dealt with and the judge has the file and upon speaking to the court this morning we should have a letter by around next week from the judge. If it does not say what I need and I am refused the full transcripts from the court, I will be bring this back into court as I have had a reply from the court dated the 03/12/**2018** allowing me to do this, but I have been told this morning to hold off doing this until I hear from the judge regarding the full transcripts and any directions she gives. I have already done my application for the court; I will just need to update once I get the letter from the judge. Please do not show this email to Enfield Council as at this time I do not want Enfield Council to know I have gone to the judge in this matter at this time or what I have asked for. I believe you will see for yourself from the attached court order, it does not say my son needs to cooperate with the mental health team to get moved, so I really do not know why Enfield Council is stating this as it is not correct.

Dear Andrea Clemons and Alev Cazimoglu

Today the MP's aid for Joan Ryan, Alev Cazimoglu sent me a copy of your letter dated the 12/12/**2018**, I am shocked to see what is written within it and the misleading information being passed over to the MP Joan Ryan. It was not agreed on the condition that Mr Cordell should engage with mental health services and provide medical evidence to support the housing management **transfer** application. The court did not state this, so I do not know where this is coming from. I also do not understand where it is coming from that Mr Cordell had to provided supporting letter from the mental health services to support his management **transfer** application, and he has not done this, he was never meant to have done this and the management **transfer** application was completed by Enfield Council to go to the panel on the 17/08/**2018** and it was ready to go to the panel on this date, but this was deferred to be considered at the next panel meeting which would have taken place on 28/09/**2018**, which never happened. The reason for it being deferred was so that I Miss Lorraine Cordell could try and get a letter from the mental health team, which I could not so it therefore should have gone ahead to the panel on the 28/09/**2018**, which I do have the emails to prove this. I also do not understand why Enfield Council is stating supported accommodation was being asked for as this was never asked

for. I did however state in court that a 2 bedroom would be better as my son could have family live with him so he could get support from his family; I have never said I am his carer I have never said a lot of things that Enfield Council is stating I have said.

It was stated in the court order.

- UPON the Defendant's mother Mrs Lorraine Cordell, confirming that she will engage with the Claimant and assist the Defendant's neighbourhood officer in making a housing management **transfer** application on or before 16 August **2018**.
- UPON the Claimant agreeing that it will deal with the housing management **transfer** application as quickly as possible after being made.
- AND UPON the Defendants mother agreeing to engage with the Enfield Mental Health Unit team so the Defendant could receive assistance with his mental health conditions and housing.

The order was to be agreed with my son's solicitor upon being drafted by Enfield Council, but my son's solicitor was on annual leave and therefore did not reply to Enfield Council order until she came back of leave, but when you emailed her, it came back that she was on annual leave so Enfield Council was well aware of this. Upon her return from annual leave her amended order was sent over to Ludmilla Lyavoo, which my son's solicitor never had a reply back from Ludmilla Lyavoo regarding her amended order, but some days after the amended order was sent over to Ludmilla Lyavoo, it seems an order was sealed at Edmonton Country Court which was not agreed on which was Enfield Council drafted order, which we never agreed to and feel it is misleading as to what was said in court. I believe a lot of what was said in court is not being told and misleading information is being said, maybe someone should ask Ludmilla Lyavoo what the judge said when Ludmilla Lyavoo said she

4424,

would go for a possession order to the judge because she did not get what she wanted. There is also the fact that my son was willing to stay in Hospital when he was sectioned on the 25/10/**2018**, it was the hospital that discharged him on the 15/11/**2018** due to not getting the section 3 on my son they wanted, that was heard on the 14/11/**2018**, my son said as soon as he knew they was not allowing the section 3 on the 14/11/**2018** that they would kick him out of the hospital, as this is what they did in **2016**, and the next day the 15/11/**2018** that is what the doctors did kicked him out the hospital, yet my son was willing to stay and build trust up with the doctors and the mental health team, which had broken down due to what has been ongoing for some time. Which in fact would have been a lot better as if he had been allowed to stay in hospital like he wanted maybe by now they would have been trust built up with the doctors and teams, this is what Soohah Appadoo wanted to do as he saw that there was a real problem with trust and stated this at the appeal on the section 2 at the hearing. On the 15/12/**2018** I myself spoke to Soohah Appadoo on the phone, but since that we have heard nothing from him is this what is

being called support put in place when my son was discharged from hospital?

Subject: RE: Mr Simon Cordell. 109 Burncroft Avenue. EN3 7JQ

Dear Andrea Clemons and Alev Cazimoglu

Today the MP's aid for Joan Ryan, Alev Cazimoglu sent me a copy of your letter dated the 12/12/2018, I am shocked to see what is written within it and the misleading information being passed over to the MP Joan Ryan. It was not agreed on the condition that Mr Cordell should engage with mental health services and provide medical evidence to support the housing management **transfer** application. The court did not state this, so I do not know where this is coming from. I also do not understand where it is coming from that Mr Cordell had to provide supporting letter from the mental health services to support his management **transfer** application, and he has not done this, he was never meant to have done this and the management **transfer** application was completed by Enfield Council to go to the panel on the 17/08/2018 and it was ready to go to the panel on this date, but this was deferred to be considered at the next panel meeting which would have taken place on 28/09/2018, which never happened. The reason for it being deferred was so that I Miss Lorraine Cordell could try and get a letter from the mental health team, which I could not so it therefore should have gone ahead to the panel on the 28/09/2018, which I do have the emails to prove this. I also do

not understand why Enfield Council is stating supported accommodation was being asked for as this was never asked for. I did however state in court that a 2 bedroom would be better as my son could have family live with him so he could get support from his family; I have never said I am his carer I have never said a lot of things that Enfield Council is stating I have said.

It was stated in the court order.

- UPON the Defendant's mother Mrs Lorraine Cordell, confirming that she will engage with the Claimant and assist the Defendant's neighbourhood officer in making a housing management **transfer** application on or before 16 August **2018**.
- UPON the Claimant agreeing that it will deal with the housing management **transfer** application as quickly as possible after being made.

4426.

- AND UPON the Defendants mother agreeing to engage with the Enfield Mental Health Unit team so the Defendant could receive assistance with his mental health conditions and housing. The order was to be agreed with my son's solicitor upon being drafted by Enfield Council, but my son's solicitor was on annual leave and therefore did not reply to Enfield Council order until she came back of leave, But when you emailed her it came back that she was on annual leave so Enfield Council was well aware of this. Upon her return from annual leave her amended order was sent over to Ludmilla lyavoo, which my son's solicitor never had a reply back from Ludmilla lyavoo regarding her amended order, but some days after the amended order was sent over to Ludmilla lyavoo, it seems an order was sealed at Edmonton Country Court which was not agreed on which was Enfield Council drafted order, which we never agreed to and feel it is misleading as to what was said in court. I believe a lot of what was said in court is not being told and misleading information is being said, maybe someone should ask Ludmilla lyavoo what the judge said when Ludmilla lyavoo said she would go for a possession order to the judge because she did not get what she wanted. There is also the fact that my son was willing to stay in Hospital when he was sectioned on the 25/10/**2018**, it was the hospital that discharged him on the 15/11/**2018** due to not getting the section 3 on my son they wanted, that was heard on the 14/11/**2018**, my son said as soon as he knew they was not allowing the section 3 on the 14/11/**2018** that they would kick him out of the hospital, as this is what they did in **2016**, and the next day the 15/11/**2018** that is what the doctors did kicked him out the hospital, yet my son was willing to stay and build trust up with the doctors and the mental health team, which had broken down due to what has been ongoing for some time. Would it please be possible to know if the neighbours have be charged with the Assault on my son Simon, or charged with the weapon they used in the assault on my son Simon as there was an independent witness to the assault, or the criminal damage they caused to the neighbours car and camper van due to the weapon they used, or charged with anything else as there was evidence I believe enough to have charged them, or has the charges been dropped also for them?

Dear Alev

I called and got a call back from Simon case team the other day. From what I am being told they say they sent him an appointment for the 04/12/**2018** for a review, which I know nothing about, it was also for Simon to go to their clinic, which I said Well you know Simon does not leave the flat so why would you not have booked to go and see him at home. He stated that it would be better for Simon to go to them, I said but how is he going to do that when he does not leave the flat, and you are well aware of that, are you not meant to be working in the best interest of the client, and you are well aware Simon does not cope when he goes out so you are making it worse for him why don't you go and see Simon at home. He tried all he could to get out of it, but then said he would talk to the team regarding if they can go see Simon at home and would let me know the outcome after the meeting regarding it.

Then she went on leave and did not do the rewrite until she came back of leave. This was when her amended order was sent back to Ludmilla Lyavoo, and she got no reply and a few days after this Enfield Council draft order was sealed by the court. I did not agree to submit a housing management transfer to be considered by the exceptions panel on 17/08/2018, As Ms lyavoo is well aware it is Enfield Council neighbourhood officer that has to complete this application, In fact I have nothing to do with the making of this application I was not even allowed to see it after it was completed by the neighbourhood officer even when I asked to see it I was not allowed to be sent it as it is only used internally. I did not only email Ludmilla Lyavoo I had calls with her, and we spoke, I also left voice messages for her, when the management transfer application was deferred on the 16/08/2018 it was only due to be deferred until the next panel meeting on 29/09/2018 when it should have gone before the panel even if it was a like to like move but this did not happen. When I emailed Ms Ludmilla Lyavoo on the 28/09/2018 I asked	1+ It is said by us that on the 00/00/0000 the following took place. 2+ It is said by us that on the 00/00/0000 the following took place. 3+ It is said by us that on the 00/00/0000 the following took place.

for an update as I had not heard anything, I did not know I was meant to have given her an update regarding the appointment; and I am sure I said to her on a phone call when the management **transfer** application was deferred if I got any medical information I would email it to her as soon as I got it, so by not sending anything to her I sure she would have known I had not got anything, in fact the mental health team was not replying to me at all, looking back now I believe that was due to them looking into the complaint I had sent. But the medical evidence was not necessary for it to have gone to the housing panel.

4435,

I did not get any updates from Ludmilla Lyavoo at this stage or any reasons it was not put forward to the panel on that date. I again emailed Ms Ludmilla Lyavoo on the 01/10/2018 and after talking to Lemmy Nwabuisi on the 02/10/2018 via a phone call I sent a next email to Ms Ludmilla Lyavoo asking for an update on the 02/10/2018, I did get a reply on the 02/10/2018 from Ms Ludmilla Lyavoo stating she had been in meetings and was unable to attend to my voice messages call's or emails, and that she was taking instructions from her office and would get back to me in due cause. I again emailed Ms Ludmilla Lyavoo on the 07/10/2018 as I still had not had any updates, I did not get a reply so again sent an email on the 09/10/2018 to Ms Ludmilla Lyavoo, on the 12/10/2018 I did get a reply to that email, but from my emailed it would have been very clear I wanted it to go to the panel, at that point I was very busy and did not have time to reply to that email, I then got a next email on the 15/10/2018 from Ms Ludmilla Lyavoo stating court action was going to start. At this point I knew in my heart Enfield Council was never going to put this to the panel and only wanted one thing and this were the real reason it took Ms Ludmilla Lyavoo so long to reply to my emails and calls, so it was around this time I made arrangements to see my son's MP as I felt I was not getting anywhere and through maybe it was better coming from the MP. The issue with appointments being made they are for my son to go to the clinic; I have told them many times my son does not leave the flat and a home appointment should be made, which they are still falling to do. I spoke to Soohah Appadoo, North Locality Team more than once saying this is an issue and been told he will get back to me regarding it after he has a meeting with his team about it but he has not done this yet. If you are now agreeing that the court did not actually record that my son submits a housing **transfer** application on the condition that he engages with mental health team, why has Enfield Council been stating this to everyone as this is incorrect is it not? I believe this should be corrected, should it not?

Yes, I agreed to talk with the mental health team which I have done, and it is clear I have done this as it stated in your letters and replies to the MP, so I am doing what I

4436,

was asked to do by Enfield Council at court, so why is Enfield Council not doing what they were meant to do?

This section in the court order "AND UPON the Defendants mother agreeing to engage with the Enfield Mental Health Unit

team so the Defendant could receive assistance with his mental health conditions and housing.” is also something I did not agree to, and it was this point I asked to be rewritten or removed along with other sections. The reason I did not agree to it being written in the court order was due to the fact I knew I was limited in what I could do with the mental health team, and really the way the draft court order is worded by Enfield Council was not said in court that way and was I believe only written this way for Enfield Council to get out of moving my son. There is only so much I can do as my son has rights even under the mental health act, so, when I agreed I knew I would be limited in what I could do. It seems Enfield Council are just passing the buck over to anyone they can and not doing anything to help my son and passing incorrect information over all the time to people. There is a duty of care and so far, Enfield Council has beached that in every way possible regarding my son, also the beaches in data protection is beyond anything I have ever seen when is this going to stop? By now you would have the complaint outcome letter that was submitted to the mental health team, which was upheld, which should have been learned from, but it seems the sharing of information regarding my son is even worse now than when it was when I submitted the complaint to the mental health team. There has never been no consent from my son for Enfield Council to share data the way they have with the mental health team the way it has been shared. When is Enfield Council going to help my son? not leave him to suffer the way Enfield Council has done since the end of **2014** when I started making calls about what was going on with the neighbours, from the start of **2015** I had to start sending emails to Enfield Council regarding what was going on with the neighbours because Enfield Council was just not getting back to me regarding the phone calls and still no one got back to me until 21/09/**2015**, it seems Enfield Council only acts when it is against my son, as I was putting in reports and complaints regarding what the

4437,

neighbours were doing well before any report or complaint went in regarding my son, I was told so many times by Lemmy Nwabuisi to forget all about the emails I sent, and it seems Enfield Council don't seem to have many of the emails I sent begging for help with what was ongoing. To me this is one sided only and not once has Lemmy Nwabuisi ever asked to see anything this is a beach and discrimination against my son, not even the police take one side to everything at least they do an investigation, which I believe the council also have a duty to do. Why is Enfield Council also allowed to try and pressure neighbours into doing? statements against their will, against my son and don't think I don't know about this as I do, why am I being told by neighbours Enfield Council is out to get my son really badly and are not going to stop until they do get him out, why are neighbours even being talked to about my son? It seems Enfield Council will stop at nothing regarding my son. Why has Lemmy Nwabuisi or any other Enfield Council worker ever taken any report from my son regarding anything when they have been told time and time again, we have proofed my son has not done the things that is being said he has done?

Why does Enfield Council see fit to wait months and months and months to tell us about any reports? The list can go on and on but we know already Enfield Council will do nothing for my son but disregard him. Please could you clarify for me whether or not you are seeking possession order for my son's flat? Because you have now admitted in your letter to me dated the 28/12/2018 that the information used in your letter dated the 12/12/2018 was incorrect as it was not stated in the court order my son had to engage with mental health team to be able to get a housing management **transfer**, and that my son did not need to provide medical evidence to support the housing management **transfer** application, and you did in fact have enough information to put this to the panel as the application was completed by the 16/08/2018. As it really seems to me that Enfield Council has not done what was within the court order or taken anything the Judge said in court on the 09/08/2018 into account, and the basis for the seeking possession order on my son's

4438,

flat was based on facts that was clearly not in the court order, if Enfield Council had put this before the panel, then this would not even be an issue and we would not need to address this now. Also, I would like to say at this point Trishna Kerai from Stuart Miller solicitors is no longer acting solicitors for my son, so there is no need for the legal team or any other team within Enfield Council to forward any documents to her regarding my son. I apologise for the sternness of this letter, but it seems where my son and I are concerned we seem to take one step forward then two back and I am sure you can sympathise with how frustrating this must be. I look forward to hearing from you soon.

Regards

Lorraine Cordell

Dear Ms Cordell,

4+ It is said by us that on the **00/00/0000** the following took place.

Re: Simon Cordell

I am writing in response to your emails dated 17th and 20th December 18 where you have raised that you feel that some of the information provided in my letter to Joan Ryan MP dated 12th December **2018** is incorrect. I have therefore asked for legal clarification on the points raised. I accept that the order made by the Edmonton County Court on 9th August **2018** did not actually record that your son submits a housing **transfer** application on the condition that he engages with mental health team. However, you agreed that you would engage with the Enfield Mental Health Unit Team, so your son could receive assistance with his mental health conditions and housing. I understand that you. Agreed to submit a housing management **transfer** to be considered by the exceptions panel on 171081**2018**. However, following a discussion held with Ms lyavoo, one of the Council's lawyers on 16th August **2018** you were advised that the application being unsupported by medical evidence, if successful, would only result in a **transfer** of a property on a like for like basis. You explained to Ms lyavoo that your son needed support and would benefit from a larger property, so someone could come and live with him, and you were advised that this type of application must be supported by medical evidence. As your son was given an appointment to see the Enfield Mental Health Team on,31't August **2018**, you asked that your son's application be deferred until the next panel meeting which was to take place on 29th September **2018**. This was also confirmed in an email to Ms lyavoo on the same day.

4.20pm where you asked for an update regarding your son's management transfer application. You were aware that the panel meeting would take place on 29th September **2018** but only contacted Ms lyavoo less than 24 hours before the meeting. You also failed to provide Ms lyavoo with an update regarding the appointment I and whether you had managed to obtain the necessary medical evidence. Ms lyavoo contacted you on 12th October **2018** and advised you that the next panel meeting was to take place on 18th October **2018** and any applications would need to be submitted by 18th October **2018**. She also asked that you clarify the basis of the application and whether you were able to provide medical

evidence. Unfortunately, you did not respond to' her. In relation to the allegations made in regard to the draft Order submitted to the Court. Ms lyavoo explains that she contacted Ms Trishna Kerai, of Stuart Miller Solicitors; the caseworker instructed on behalf of Simon Cordell on 10th August **2018** and emailed her a draft order. Ms lyavoo did not hear from Ms Kerai, so she emailed her again on 13th August **2018** and asked that she provides her agreement as soon as possible and if no response was made by 4pm on the same day she will have to email the draft to the Judge. Ms lyavoo states that she received a response from Ms Kerai on the same day stating that she was in agreement with the order, but she was waiting for your instructions. As no response was forthcoming, Ms lyavoo had to email the order to the Court on 15th August 2018 and she also copied Simon's case worker to the email. Ms Kerai has never indicated that she was on annual leave during the time of the correspondence but confirmed that the delay was due to the receipt of your instructions. Ms lyavoo indicates that the order was following guidance provided by District Judge Dias. The Court order does not propose to be verbatim or to be a summary of all arguments exchanged in Court. I apologise for the delay in responding over the Christmas period and I will contact you shortly to advise you about where any future enquiries on this matter should be addressed.

Dear Andrea Clemons

Today the MP's aid for Joan Ryan, Alev Cazimoglu sent me a copy of your letter dated the 12/12/2018, I am shocked to see what is written within it and the misleading information being passed over to the MP Joan Ryan. It was not agreed on the condition that Mr Cordell should engage with mental health services and provide medical evidence to support the housing management **transfer** application. The court did not state this so I do not know where this is coming from. I also do not understand where it is coming from that Mr Cordell had to provided supporting letter from the mental health services to support his management **transfer** application, and he has not done this, he was never meant to have done this and the management **transfer** application was completed by Enfield Council to go to the panel on the 17/08/2018 and it was ready to go to the panel on this date, but this was deferred to be considered at the next panel meeting which would have taken place on 28/09/2018, which never happened. The reason for it being deferred was so that I Miss Lorraine Cordell could try and get a letter from the mental health team, which I could not so it therefore should have gone ahead to the panel on the 28/09/2018, which I do have the emails to prove this. I also do not understand why Enfield Council is stating supported accommodation was being asked for as this was never asked for. I did however state in court that a 2 bedroom would be better as my son could have family live with him so he could get support from his family. I have never said I am his carer I have

	never said a lot of things that Enfield Council is stating I have said. It was stated in the court order. UPON the Defendant's mother Mrs Lorraine Cordell, confirming that she will engage with the Claimant and assist the Defendant's neighbourhood officer in making a housing management transfer application on or before 16 August 2018. UPON the Claimant agreeing that it will deal with the housing management transfer application as quickly as possible after being made. AND UPON the Defendants mother agreeing to engage with the Enfield Mental Health Unit team so the Defendant could receive assistance with his mental health conditions and housing.

Thank you for the updated email and getting back to me. You sent me Ludmilla updated order on the 13/08/**2018** and I replied saying I did not agree with their order on the

14/08/2018 I sent an attachment with that email showing what I did not agree to, and you said you would rewrite it. But I never heard anything if this had been done, I emailed you a few times after that you was on leave so I rewrote the order and sent to you, you amended that order and it was sent to Ludmilla. And you did not hear back from her. But this is not how they are saying it happened and it seems I am being blamed for not dealing with it. Also, it was funny as when you sent the order to Ludmilla, and she never got back to you Her order was sealed at the court a few days after you sent it. Also Enfield Council is saying a lot to other bodies which in fact are not even in the order, and are misleading everyone they can, they have also never put the application to the panel for the move and are misleading other bodies as to the reasons this has not been done, by way of saying that the order stated Simon had to work with the mental health team and this was agreed in the court order when it clearly was not as the judge would not allow that, this is just some of the issues I am trying to deal with and Simon is suffering each day that goes by.

Hi Lorraine,

Thank you for your emails.

Please see emails attached sent to Ludmilla in relation to the below. Emails had been sent to her and she did not respond confirming whether the amendments were accepted or not. The only time we were waiting for your instructions were when we were waiting for an amendment in the Order.

Dear Trishna Kerai

I have sent some emails to you and I have had no replies regarding issues I am having regarding the court order that was made on the

09/08/2018.

Today I got a letter from Enfield Council which stated that you agreed with Enfield Council draft order on the

13/08/2018

but was waiting instructions from me.

Please see below

"In relation to the allegations made in regard to the draft Order submitted to the Court. Ms lyavoo explains that she contacted Ms Trishna Kerai, of Stuart Miller Solicitors; the caseworker instructed on behalf of Simon Cordell on 10th August **2018** and emailed her a draft order. Ms lyavoo did not hear from Ms Kerai, so she emailed her again on 13th August **2018** and asked that she provides her agreement as soon as possible and if no response was made by 4pm on the same day she will have to email the draft to the Judge. Ms lyavoo states that she received a response from Ms Kerai on the same day stating that she was in agreement with the order, but she was waiting for your instructions. As no response was forthcoming, Ms lyavoo had to email the order to the Court on 15th. August **2018** and she also copied Simon's caseworker to the email. Ms · Kerai has never indicated that she was on annual leave during the time of the correspondence but confirmed that the delay was due to the receipt of your instructions." I am very upset as you was well aware when you sent me the draft order on the 13th August **2018** to me, I did not agree to it and you said you was going to try and rewrite it that day, which was not done until after you came back from leave. So how is Enfield Council blaming that on me saying you stated the delay was due to me not getting back to you with instructions?

I am having a great deal of issues with Enfield Council they are not moving Simon and are going to take him back to court to try and get his flat. They have not put the management **transfer** application in front of the panel and are saying they will not do this. It seems due to the way the court order was worded this is being put down to me, due to this section in the order please see below. AND UPON the Defendants mother agreeing to engage with the Enfield Mental Health Unit team so the Defendant could receive assistance with his mental health conditions and housing. I know you feel that this was dealt with and you should not need to do any other work regarding this, but this is a mess and I need some help as my son is suffering due to the on goings of Enfield Council. I await your reply

Dear Mr Cordell,

Re: Vexatious and Unreasonable Complaints

We write to bring to your attention our concern regarding the volume of your contact, your repetitive complaints raised and the occasionally threatening tone of your telephone correspondence. Most recently, you spoke with the Chief Executive's office on 6 June and were abusive during the call.

The Council is of the view that the aspects of your correspondence are deemed as being unreasonable complainant behaviour. Unreasonable and unreasonably persistent complainants are those complainants who, because of the nature or frequency of their contacts with an organisation, hinder the organisation's consideration of their, or other people's complaints.

We have concluded your contact is vexatious for the following reasons:

This is not an exhaustive list but examples of unreasonable actions and behaviour which can be deemed as vexatious:

- You have sent frequent and overlapping correspondence on this same matter. Your contact is disproportionate and have or are likely to cause an unjustified level of disruption, irritation or distress.
- You are making excessive demands on the time and resources of staff with lengthy phone calls, emails to numerous council staff, or frequent emails / letters to staff.
- Submitting repeat contacts which have been addressed, essentially about the same issues, with additions/ variations which the complainant insists make these 'new'.
- Refusing to accept the decision; repeatedly arguing points with no new evidence.

Council Officers have spent copious amounts of time on your contact which detracts from the Council being able to conduct its business effectively. We hereby conclude that the Council's Community Safety Unit will no longer respond to your repetitive correspondence. Any further contact received will be placed on file and coordinated through a single point of contact until such time as the current situation is concluded

377,

and the volume of letters becomes reasonable. This includes correspondence from other family members acting on your behalf. The Council had received contact from your mother where issues were repetitive to what you have raised. We have explained to your mother that the Council cannot continue to respond to various parties on the same matters and that going forward we will be following the arrangement put in place whereby issues are solely raised by you to your single point of contact.

In relation to the arrangements outlined here for a single point of contact, may I remind you that the Council does not tolerate offensive and inappropriate behaviour. We therefore ask that you reflect on such behaviour and stop contacting the Council officers in such a manner.

The medium of contact that you should use to correspond with the Council for future requests should be by email only and through your single point of contact who will be Dionne Grant. These restrictions will be in place for a year and will then be reviewed accordingly. Should you wish to appeal this decision to restrict your contact, please contact Dionne Grant, Complaints and Access to Information Manager at: complaintsandinformation@enfield.gov.uk within 20 working days of this letter.

Yours sincerely

Jeremy Chambers

Dear Sir / Madam,

Re: Claim No: F00ED222
London Borough of Enfield v Simon Cordell

We write to inform that we have written to the Court asking that the Order dated 18 June 2019 of Deputy District Judge Harris striking out the Claimant claim, be set aside as the Court failed to put before the judge our letter requesting that the matter be restored.

We wait for a new order and directions from the Court.

Yours faithfully,

Paul Buckridge,

Response sent via email

Dear Mr Cordell,

Re: Vexatious and Unreasonable Complaints

Further to the letter we sent you on the 27th June 2019 (copy attached), we are writing to confirm that we will be extending the single point of contact for another 12 months from the date of this letter.

During the past 12 months, you have failed to follow the single point of contact detailed in the original letter and on the 23rd June 2020, you phoned the council, repeating the same issues you have previously raised, despite having been told in previous correspondence these would not be dealt with.

We reaffirm the information given to you in June 2019 that Council Officers have spent copious amounts of time on your contact which detracts from the Council being able to conduct its business effectively.

We hereby conclude that the Council's Community Safety Unit will no longer respond to your repetitive correspondence. Any further contact received will be placed on file and coordinated through a single point of contact until such time as the current situation is concluded and the volume of letters becomes reasonable. This includes correspondence from other family members acting on your behalf. The Council had received contact from your mother where issues were repetitive to what you have raised. We have explained to your mother that the Council cannot continue to respond to various parties on the same matters and that going forward we will be following the arrangement put in place whereby issues are solely raised by you to your single point of contact.

In relation to the arrangements outlined here for a single point of contact, may I remind you that the Council does not tolerate offensive and inappropriate behaviour. We therefore ask that you reflect on such behaviour and stop contacting the Council officers in such a manner.

The medium of contact that you should use to correspond with the Council for future requests should be by email only and through your single point of contact who will be Karen Hale. These restrictions will be in place for a year and will then be reviewed accordingly. Should you wish to appeal this decision to restrict your contact, please contact Karen Hale, Complaints and Access to Information Manager at: complaintsandinformation@enfield.gov.uk within 20 working days of this letter.

Response sent via email

Dear Mr Cordell,

Re: Vexatious and Unreasonable Complaints

We write to bring to your attention our concern regarding the volume of your contact, your repetitive complaints raised and the occasionally threatening tone of your telephone correspondence. Most recently, you spoke with the Chief Executive's office on 6 June and were abusive during the call.

The Council is of the view that the aspects of your correspondence are deemed as being unreasonable complainant behaviour. Unreasonable and unreasonably persistent complainants are those complainants who, because of the nature or frequency of their contacts with an organisation, hinder the organisation's consideration of their, or other people's complaints.

We have concluded your contact is vexatious for the following reasons:

This is not an exhaustive list but examples of unreasonable actions and behaviour which can be deemed as vexatious:

- You have sent frequent and overlapping correspondence on this same matter. Your contact is disproportionate and have or are likely to cause an unjustified level of disruption, irritation or distress.
- You are making excessive demands on the time and resources of staff with lengthy phone calls, emails to numerous council staff, or frequent emails / letters to staff.
- Submitting repeat contacts which have been addressed, essentially about the same issues, with additions/ variations which the complainant insists make these 'new'.
- Refusing to accept the decision; repeatedly arguing points with no new evidence.

Council Officers have spent copious amounts of time on your contact which detracts from the Council being able to conduct its business effectively. We hereby conclude that the Council's Community Safety Unit will no longer respond to your repetitive correspondence. Any further contact received will be placed on file and coordinated through a single point of contact until such time as the current situation is concluded

Dear Karen Hale

I was wondering if you sent a copy of this to my son via his home address and if so on what date? Or has it just been sent to me?

If you could also, please send me a list of all dates and times my son has called and for what reason he has called for the past year, highlighting dates where you state he has been Vexatious, and Unreasonable, I would be most grateful.

Also, I am sorry for the updated email the reason is due to me reading the letter fully what you have written, can you also please supply me with dates in the last year I have contracted the council for my son regarding the issues listed in the letter dated the 23/06/2020, again highlighting all dates and times you state I have been Vexatious and Unreasonable.

- I believe I contracted the council named officer once after the letter dated 27/06/2020 which I had no reply to.
- The other contract I had was due to an ongoing court case, in which most of the time my son's solicitors was contracting the council towards the end of the case, I had to address the council directly as my son no longer had a solicitor acting for him.
- The only other time I had contract was when the MP was addressing issues regarding a court order which the court made which the council did not comply with.
- And the only other time I have had contact is due to repairs that needed doing to my sons flat.

Could you therefore supply me with the above information as soon as possible so this can be addressed in a timely manner?

Regards

Lorraine

Dear Mr Cordell,

Re: Vexatious and Unreasonable Complaints

Further to the letter we sent you on the 27th June 2019 (copy attached), we are writing to confirm that we will be extending the single point of contact for another 12 months from the date of this letter.

During the past 12 months, you have failed to follow the single point of contact detailed in the original letter and on the 23rd June 2020, you phoned the council, repeating the same issues you have previously raised, despite having been told in previous correspondence these would not be dealt with.

We reaffirm the information given to you in June 2019 that Council Officers have spent copious amounts of time on your contact which detracts from the Council being able to conduct its business effectively.

We hereby conclude that the Council's Community Safety Unit will no longer respond to your repetitive correspondence. Any further contact received will be placed on file and coordinated through a single point of contact until such time as the current situation is concluded and the volume of letters becomes reasonable. This includes correspondence from other family members acting on your behalf. The Council had received contact from your mother where issues were repetitive to what you have raised. We have explained to your mother that the Council cannot continue to respond to various parties on the same matters and that going forward we will be following the arrangement put in place whereby issues are solely raised by you to your single point of contact.

In relation to the arrangements outlined here for a single point of contact, may I remind you that the Council does not tolerate offensive and inappropriate behaviour. We therefore ask that you reflect on such behaviour and stop contacting the Council officers in such a manner.

Dear Mr Cordell,

Re: Vexatious and Unreasonable Complaints

We write to bring to your attention our concern regarding the volume of your contact, your repetitive complaints raised and the occasionally threatening tone of your telephone correspondence. Most recently, you spoke with the Chief Executive's office on 6 June and were abusive during the call.

The Council is of the view that the aspects of your correspondence are deemed as being unreasonable complainant behaviour. Unreasonable and unreasonably persistent complainants are those complainants who, because of the nature or frequency of their contacts with an organisation, hinder the organisation's consideration of their, or other people's complaints.

We have concluded your contact is vexatious for the following reasons:

This is not an exhaustive list but examples of unreasonable actions and behaviour which can be deemed as vexatious:

- You have sent frequent and overlapping correspondence on this same matter. Your contact is disproportionate and have or are likely to cause an unjustified level of disruption, irritation or distress.
- You are making excessive demands on the time and resources of staff with lengthy phone calls, emails to numerous council staff, or frequent emails / letters to staff.
- Submitting repeat contacts which have been addressed, essentially about the same issues, with additions/ variations which the complainant insists make these 'new'.
- Refusing to accept the decision; repeatedly arguing points with no new evidence.

Council Officers have spent copious amounts of time on your contact which detracts from the Council being able to conduct its business effectively. We hereby conclude that the Council's Community Safety Unit will no longer respond to your repetitive correspondence. Any further contact received will be placed on file and coordinated through a single point of contact until such time as the current situation is concluded

08/05/2021	08/05/2021 The 08/05/2021 was like most days in my thirties I was in doors working on what the Police, Council NHS and neighbours had been doing to me illegally while I continued to get attacked.
	09/05/2021 I was in my front room, and I had been getting attacked as per usual by multiple different next-door neighbours all day long and without any due care in response to my health from what they were committed to set out to achieve, deprive me of my life and or wellbeing while harming me in their attempt. I can clearly remember taking notes on this day of the ongoing to which I was adduced to suffer throughout. The notes are marked that Ozzy.
	Part 1 of 2 - 10/05/2021 On the 10/05/2021 I made a telephone call to Sarah Flexure and warned her about what my neighbours. <i>“The Enfield Councils and Enfield Homes clients were doing to me and that is also inclusive of my estates community”</i> are continuing to illegally do to me while I am making my insurance claim against the Enfield Council and teams, and this is that conversation recording transcribed.

And Onwards “Reasons part given to why they were doing this to me”
