all Lied and said that they Served our Client the First Asbo Folder when they did not. More Forged statements by officers were created to cover this fact up and first seen in the 1st Asbo Court Case Hearing, “

- **Defendants Name:** Mr. Simon Cordell
- **Asbo Wrongly Granted at Highbury & Islington Lower Court on the:** 04/08/2015.
- **Date:** 26/10/2015
- **Court House:** Wood Green Crown Court
- **Reason:** Appeal Stage / Mention Hearing

- **Judges Name:** Lyons
- **Contra's Name:** Robert Talalay.
- **Our Barristers Name:** Mr. Andrew Locke
- **Note 1:** Miss Sally Gilchrist Legal Executive Director Met Police was Present!

This leads the evidence to demonstrate that the statements were not made straight after they were said to have been served on the 12/09/2014, due to the complaint that was made and with another fact being that the failed to be served Asbo application as complained about was also accepted by police staff on duty for them to then place the Asbo folder into the lost property room of the Edmonton Police Station and while labelling it as found in a public place showing it as not served and to conclude its surety of compliance as to being served in accordance to the service of rules the police

then lost the folder for the folder never be able to be found again by police. No official investigation was followed up by police as requested and no attempt of service was attempted again after such failures. This means that the likelihood of statements being developed on the date they were stamped to being very unlikely and especially when considering all the telephone calls and legally made complaints in the Response to an Asbo folder that was partially developed to address these points.

No statements were provided thought the dates of the **12/09/2014** of said incident of said service and not, right

- 2) **Police Officer:** A/Ps 556ye Petrucci,

Statements were all forged after the prosecuting team released the holes in the case they brought against our client and with one of those holes in defense being that he was not served, and they therefore collaborated frauded statement to stop these holes being demonstrated in the Asbo "**Appeal Stage**

There were more than just the statements added about serves of the Asbo being not law abiding and within these 2 months of the CPS and police and Council getting the Asbo files ready for the Appeal

12/01/2013, about trespassing being present.

"I asked Shannon, 'Can you feel someone playing about with our lives around this time?'" What was meant by our client in this conversation was the Government officials who were then probing with his name and manipulating those facts of intel by the use of their media departments, causing his name to go viral for negative reasons such as:

- Covering up the truth of what had occurred within the Asbo.
- Prior involvement the Government officials had with our client.
- Complaints made by multiple other persons to the Police, CPS & Court House on his behalf.

• Enfield Council state they were not involved in the ASBO case but if they were not involved why is Enfield Council named in the ASBO files? why are there statements from Enfield Council in the ASBO files which can be proven.

• There are reasons I believe I was never helped by Enfield Council with the issues with the neighbors the above is one of them.

Hi Simon,

1+ The council complaints team have advised us that you recently contacted them to request for a meeting with a manager to discuss your concerns about Enfield Council involvement in you having an ASBO and curfew which in your view is based on 'hearsay evidence'.

2+ Could you please clarify what ASBO you refer to because as far as we are concerned, it is the police that took out the ASBO against you, not Enfield Council and therefore you should direct any queries/ concerns about it to them.

3+ Also, we are not aware of any curfew as Enfield Council did not apply for one.

4+ However, if you wish to discuss the ongoing injunction proceedings, please let me know so that we can arrange a suitable date for us to meet. Please note that we cannot discuss the details of the evidence so as not to prejudice the case, more so as this will be disclosed in due course.

Kind Regards
