For the attention of District Judge Dias

THE LONDON BOROUGH OF ENFIELD

VS

MR SIMON CORDELL

Dear District Judge Dias

It is with concern that I must now bring this matter to your attention regarding the hearing of the 09th August 2018 case reference E00ED049 for which you was the presiding judge

Whereby You asked Enfield Council to draft the order and to be submitted to the court for it to be sealed, Enfield Council contacted Mr Cordell's solicitor regarding amendments that were made, Mr Cordell's solicitor was away on annual leave, when Mr Cordell solicitor came back from annual leave she made amendments to Enfield Council's draft order but has never heard back regarding the amendments she made.

Enfield Council's draft order was somehow then sealed by the court a few days after Mr Cordell's solicitor sent the draft order she had made to Enfield Council and the

courts. At this time the 22 November 2018 we still have not had a copy of the courts sealed order.

I believe there is errors within Enfield Council's draft order to what was actually said in court, and I do not know how to address this, but Enfield Council is stating things to people that was not even stated in court.

At this time I am trying to put in an application to obtain the transcripts of the court hearing, but I am waiting for some information from the court in order to be able to do this.

Mr Cordell has not long been released from hospital where he was under section, Enfield Council have still not moved him and he still living in hell regarding what the neighbours are doing to him.

It would seem Enfield Council has been relaying incorrect information to the mental health team regarding the court hearings, and I believe they are being able to get away with this due to how they drafted the court order of the 09th August 2018 hearing.

It seems Enfield Council is doing everything they can not to move my son, they have even stated they are going for a possession order of his flat, in fact they told the mental health team:

“Enfield Council has decided to seek possession of Mr Cordell's flat via the courts. In a recent court case the judge recommended that Enfield Council re-house Mr Cordell on the proviso that he engages with the mental health team which is failed to do.”

This was not said in court in fact when Enfield Council tried to put this in place you told them no you would not allow this.

It seems as if Enfield Council will stop at nothing to not move my son, I have been trying to liaison with Enfield Council and the mental health team regarding moving my son, it would seem shortly after the court hearing my son was moved over to a

new mental health team who I was in contact with asking for help in regards to them writing a letter regarding my son's housing which they refused to do until they had met him, this in itself was going to cause a problem because as you are aware my son does not feel as if he has a mental health problem, I even emailed Angela Hague as she was the last person to have assessed my son in June 2018 which the court had a report of and was read before the court on the 26 June 2018 at the hearing.

The issue seems to be with the like to like property, which I do not believe is appropriate as I believe my son needs family support and someone staying with him in order for us to try and make him understand that he needs support from the mental health team, I know this was spoken about in court on 9 August 2018 where I believe Enfield Council is stating you told them to consider this, but Enfield Council will not consider this unless I get a letter from the mental health team, Enfield Council is also under the assumption I stated my son needed supported accommodation, I did not state this in court, I said I did not want my son in supported accommodation that if my son had a two-bedroom property his family would support him which I believe in the correct things to do for my son.

It seems as if Enfield Council is continuously passing information that is incorrect to the mental health team, and the only reason I can see for this is that they are trying to keep him in hospital.

From the point my son was hospitalised and taken out of that flat his health started to improve greatly in hospital, even the doctors and nurses noticed this, they tried to put in place a section 3 due to what Enfield Council has said to them, the section 3 was not granted due to laws within section 3 and my son not being detain-able under section 3, my son stated he was willing to stay voluntarily in hospital and he was willing to do this, but due to the doctors not getting the section 3 they wanted, they then discharged my son the following day with no support in place because they needed the beds.

Since my son has gone back to the flat his health has started to decline again, due to what the neighbours are doing. When my son was in hospital his cousin was staying at the flat to look after my son's dog, the first day he stayed there he himself was going

to go up to the neighbours regarding the constant banging, the next day the neighbours saw my son's cousin from their window and I believe at that point they knew my son was not there, so the banging stopped.

Since my son was getting no help from Enfield Council I took it upon myself to make an appointment to see his MP, his MP is in contact with Enfield Council, but the longer my son is left in that flat the worst his health is going to get due to what the neighbours are doing. I believe the MP has now also caught adult social services involved in at this time we are waiting for a letter from Enfield Council regarding moving my son, but I am scared due to Enfield Council knowing my son has been released from hospital they are going to start court proceedings for a possession order, although the MP has told me not to worry about my son being evicted I cannot help but worry, I have tried to get hold of my sons solicitor who acted for him but due to them being more involved in criminal law I do not believe as was stated in court on 9 August 2018 they understand civil in the way it should be, a belief they feel that the case was concluded on 9 August 2018, and therefore have little involvement thereafter.

When I called the court and explained the situation the court bought up the order of 9 August 2018, and stated there is not an order that my son is moved by Enfield Council, I was under the belief that this is what the court did order, therefore I fail to understand why it is not included as part of the court order Enfield Council drafted.

Any help would be greatly appreciated as at this point in time I am not sure what to do or where I stand to help my son, it seems Enfield Council can do what they want to leave my son in the flat which is affecting his health due to what the neighbours are doing, mislead the mental health service in what Enfield Council is saying to them, not once since this order was made has Enfield Council bothered to even want to see my son to see how he is coping, I'm sure there should be some duty of care towards my son yet Enfield Council don't seem to believe they need to follow that.

It just like the way throughout all the court hearings Enfield Council was at, where they misled the court regarding to my son's health, I am asking for help as at this point I don't know where to turn and what to do.

I look forward to hearing from you with your views and recommendations in regards to this.

Yours Sincerely
