Mr Simon Cordell
109 BURNCROFT Ave
Enfield Middlesex

Council Tax: 55508596

Housing ref: 1623514

NI Ref: JH653811D

24/07/2013

To Whom It May Concern:

I am writing this letter after a letter I got dated

18/07/2013

about my housing benefit and council tax being suspended from the

08/07/2013

due to you getting information as to me being in prison. I was remanded to prison for 1 day and was released on the

28/06/2013.

I did call your offices on the

16/07/2013

to ask if my benefits for housing and council tax was still being paid due to me just finding out my DWP payments had been stopped. I was told on this date they were still being paid and the lady my mum spoke to on the phone told her that due to me having some issue I could get council tax reduction due to mental impairment and that the Lady would send out the paper work. I have put an appeal into the DWP about my claim being stopped and I am waiting to hear from them. Since I got released from prison after one day on the

28/06/2013

I have had nothing to live on I have not got any food or gas or electric at my address for the last few days as it has now run out and I have no way to live until the DWP looks at my appeal.

I called the DWP today

24/07/2013

to see if there is any update on my claim and have been told as of to date there is no update. But they should have something in the next few days, I told them I have no way to live but they cannot speed anything up. They got my letter on the

19/07/2013

but it has yet to be scanned into their system. I am therefore asking if my housing benefit and council tax can be put back into place so there are no missing payments within my claim.

Mr. Simon Cordell

We have looked again at our decision

You made an appeal against a decision about not being entitled to Income Support upon release from prison, issued to you on 09-Aug-2013.

We have looked again at the facts and evidence used to make our decision. As a result, we have changed that decision and have decided you retained your entitlement to Income Support following your release from prison but have no entitlement for the two days you were in prison.

What happens now: --

Your appeal will not be sent to an independent tribunal as the decision has been changed in your favour.

As explained in our previous letter, if you still think the decision is wrong you have the right to appeal. You should normally appeal within one month of the date of that letter.

The Income Support payment section will be in touch to advise what happens next.

Yours sincerely,

S Anderson

Claim reference: 1623514 The rent you are charged each week is £92.49. Housing Benefit cannot pay for some service charges that are included in your rent. The rent you pay has to be reduced by the amount of these service charges. These amounts are shown below:
--	---

Actual amount for Ineligible Water **£5.65**

Total deductions for services £5.65

The amount of rent after deducting these charges is called your maximum eligible rent. Your rent of £92.49 must be reduced by £5.65, to £86.84 each week. This is your maximum eligible rent.

The maximum Housing Benefit you can get is £86.84 each week. This figure is used when working out 'your total weekly Housing Benefit'.

The amount of Housing Benefit has been worked out by comparing the money you have coming in each week, to an amount the Government has decided is the minimum that someone in your circumstances needs to cover basic living expenses.

Your Total Weekly Income

The amount of money you have coming in each week has been worked out as follows:

Total weekly income £0.00

Your Total Savings

Subject: Re: Complaint Simon Cordell

To Whom It May Concern:

Complaint.

I am writing this email to many issues with my address of 109 Burncroft Avenue, Enfield, EN3 7JQ, over many years now I have had big issues with damp to my flat, I believe there is a wide area of concern being that. I believe there are leaks to pipe work in other flats above and beside me. This is causing the conditions I am living in and the flat is very damp. I have had large amounts of work done to try and stop this to my flat but believe due to other flats having issues this is causing my flat to suffer and this is causing my health to suffer. My flat has been unliveable due to the damp and the issues just being covered up and not repaired in the way in which they should. Since some major work was carried out in my flat for damp, they had to remove the radiators in my flat also due to leaks in pipe work under the floors. These were never replaced once the work was completed, so I have had to live for years now with no heating. When they come to do a lot of work to my flat, they had to take the flooring up in my bedroom, and bathroom, they had to replace part of it, due to the leaking pipes the floor and joist have very badly bowing and rioting. But due to them not fixing the leaks the rest of my floor in my bedroom has now started to sink, so I know the problem has not been fixed, also the smell of damp as soon as you enter the bedroom is very bad. and this is also still ruining my belongings, I have already had to replace everything, and I am not willing to keep replacing due to things not being done, correctly. I have had around 12 surveyors to my flat each time them saying they would sort heating out for my flat and other things which has never happened therefore I have been living at my flat with no heating since the large amount of work was done. I have made many phone calls each time they just say they would send a surveyor again to look what needed doing. but how can they keep doing this and not correct the problems, until around Jan of **2015** all the information was on their system about all the problems this now seems to be missing, I am told people will call me back but the calls never come. The last set of surveyors sent was around Nov **2014** and all work was planned to be done, the person came to see how much pipe work was needed, but no one has come to do the work, and when I call all I get told it is being looked into. When work was also carried on my flat re doing the electric, they wired in fire alarms and a Carbon Monoxide alarm, I made many calls to say these had not been fitted correctly, and due to this got carbon monoxide poisoning due to a faulty boiler and the Carbon Monoxide alarm not working. when they did come out in Nov **2014** I was left with no boiler for weeks until parts could be ordered, work was also meant to be done to rewire the incorrect rewiring of the alarms this has again not been done and I feel very unsafe. They also repaired a new damp section to my wall, but due to them not fitting the under-laying problems with other flats this has again come back. I believe to leaking pipe work. I have told the council many

1770,

times about the other flats but nothing has been done and this is causing my health to suffer badly this is

	now just not good enough. They were also meant to repair my back-door window this is not just a back door it has windows each side to it. That has a large hole around the window frame where you can see outside. this was also meant to be fixed and has not been. the other day I got up to a large amount of water on the floor due to the hole around the frame of the window and it had been raining this has happened more than once due to this and it raining. also, the window in my bedroom does not lock and needs a new hinge. Also, where the police kicked of my front door, I give the CAD number to get this address as my front door is not safe nothing again has been done to sort this. Also, the new toilet wish was fitting is not secure I have had this repaired once already but it still is moving around, and I feel unsafe. I just want a home to live in and to be warm and not have all these problems and for them to be addressed but I am getting nowhere, so the only option I have left is to put this complaint in. If I did not pay my rent, you would soon get me out of the flat but when it is repairs that need done nothing gets done. I am paying full rent for a flat I cannot use right; I have to sit there with covers on just to try and keep warm this is no way to live and I had enough of nothing being done. I would like a reply to this complaint within the next 14 days as I feel I have waited long enough for work to be carried out on my flat. could you please reply via this email, and also confirm you have my email? Dear Mr Cordell

I refer to your enquiry regarding your request to be exempt from 19.5% Council tax liability. According to our records, you are currently not in receipt of the required welfare benefit that would entitle you to full Council Tax Support. Whilst I appreciate your comments regarding the delay in changing your benefit status, until I receive information from the Department of Work and Pensions that you are in receipt of the correct benefit that will give you full Council Tax exemption, I am unable to change my records and the 19.5% Council Tax liability remains payable. I suggest that if you are still experiencing difficulty in paying this, that you apply on-line for a Council Tax hardship payment at enfield.gov.uk

Dear Lorraine,

The police provide a CAD number as a call logging only. When a crime/incident has taken place, they will provide a full crime reference number. Enfield Homes Procedure is that we require this reference number to enable us to carry out repairs/renewals without recharging the tenant.

Dear Ned Johnson

Thank you for the reply to the freedom of information act I put in. I do however believe there is a lot of data that has been left out, so maybe I need to clarify the data that is being requested. To information is regarding Disused or abandoned buildings or any industrial estates buildings or open-air land. For the dates all of **2013** to date. This would include all data if there were occupiers/squatters in said building/parties/raves. This would include the dates these buildings/Disused or abandoned buildings/ or any industrial estates was first known to the Environment & Street Scene Department.

• All information would cover all wards boundaries for Enfield Council. Information is also needed for some areas within the Enfield Council borough.

- Within the area of Pretoria Road N.
- Within the area of A406.
- Within the area of Montagu Road.
- Within the area of Meridian Way.
- Within the area of Ponders End Train Station.
- Within the area of Woodall Road.
- Within the area of Wharf Road.
- Within the area of Millmarsh Lane.
- Within the area of A10 Great Cambridge Road.
- Within the area of Crown Road.
- Within the area of Southbury Road.

The information would cover if police were in attendance, if calls were made to the Environment & Street Scene Department by police, and any

police officer information that the Environment & Street Scene Department holds about any police officer. This information would also include any calls that were made from the Environment & Street Scene

1805.

Department to police in relation to any Disused or abandoned buildings or any industrial estates buildings or open-air land that the Environment & Street Scene Department felt could have a problem with. There is also an issue with the information in your email

18/5/14: 3 calls after event

19/5/14: 6 calls after event

21/5/14: 1 call after event

But have not given the date of the event itself, are the below layout ones was when events have taken place as it just has calls at the end of the dates could you please clarify

31/5/14: 2 calls

1/6/14: 6 calls

Also, in your email it seems that there was more of a problem with crown road over some months but from how I am reading your email it seems no one ever attended from the Environment & Street Scene Department on any of the dates in your list can this also be clarified in more detail. I know you have until the 10/03/2015 to supply the information I have asked for. But I do feel your email was very incomplete, I do hope that I have not got to wait 20 more days now as I need all the data by 10/03/2015 and I did ask for all information and I feel that has not been given. Could you get back to me via email as to the time it will take to get all the information I have asked for within my request?

To whom it my Concern:

Complaint

I am writing this email about the re the below email and also the attached file.

I have been on incapacity/income support for many years now on the highest rate due to illness.

In April **2013** council tax changed their rules and a 19.5% needed to be paid unless exempt from this change.

As you will be aware the DWP has been in the process of changing everyone that was getting the old benefit incapacity benefit to the new benefit ESA, this should have all been completed by now, but due to things going wrong there is still people on incapacity that have not been moved over yet to the new Benefit ESA.

I am one of these people, but once they move me over, I will be in the support group of ESAs.

I have called the DWP many times and they cannot give me a timeline of the changeover.

Under the new rules I would be exempt from the 19.5% council tax, it is not my fault the DWP are not working fast enough to move people over the new benefits.

I would like to know the full policy for this and has this been taken into account when working out the new policies.

Surely if my benefits are still under the old policy, I should still be exempt.

Regards

Simon Cordell

Dear Jackie Gubby

When the surveyors came around there was a list of jobs that they said needed to be done.

1. The electrics needed sorting and the detectors (this has now been done they sent someone out nearly right away after the surveyors came and done the report)
2. Bathroom sink (repaired now)
3. Bathroom toilet (repaired now)
4. Heating pipes not been covered that are running all round the walls and down the walls. (Now it is winter my son has his heating on but has burned himself more than once walking past the pipes as they are so hot, this is bad being left like this as it is a danger due to how hot the pipes get. (Not done)
5. Bedroom floor (not done)
6. Bedroom window (not done)
7. Front room window/door frame (surveyors said that the water was still coming in due to the outside step and this needed to be sorted) (Not done)
8. Pipes banging all the time (the surveyors saw this when they came out) (Not done)
9. Wall still wet in front room (we have been told this is due to the guttering needs to be renewed which was meant to be done, 111 has guttering in his back garden that has fallen off the roof some time ago, but now what also has been noticed is that in the main hallway water is dripping down the walls leaving puddles of water on the stairway which people have to walk up and down this is a danger for people they could have an accident, believe this is due to the guttering needs to be replaced or the roof. (Not Done) I am sure there was also some other jobs that needed to be done the surveyors that came the day you were meant to have come took a full list and wrote everything down. So how is none of these jobs on the system that have not been done? It seems once again things have not been put on the system. Why should we have to keep calling for jobs to be done when they were already meant to have been done, and surveyors and inspectors have been out more than once over the years why are they not on the system, as it seems someone is not doing their job.

The electrics needed sorting and the detectors (this has now been done they sent someone out nearly right away after the surveyors came and done the report) 2. Bathroom sink (repaired now) 3. Bathroom toilet (repaired now) 4. Heating pipes not been covered that are running all round the walls and down the walls. (Now it is winter my son has his heating on but has burned himself more than once walking past the pipes as they are so hot, this is bad being left like this as it is a danger due to how hot the pipes get. (Not done) 5. Bedroom floor (not done) 6. Bedroom window (not done)

7. Front room window/door frame (surveyors said that the water was still coming in due to the outside step and this needed to be sorted) (Not done)
8. Pipes banging all the time (the surveyors saw this when they came out) (Not done)
9. Wall still wet in front room (we have been told this is due to the guttering needs to be renewed which was meant to be done, 111 has guttering in his back garden that has fallen off the roof some time ago, but now what also has been noticed is that in the main hallway water is dripping down the walls leaving puddles of water on the stairway which people have to walk up and down this is a danger for people they could have an accident, believe this is due to the guttering needs to be replaced or the roof. (Not Done) I am sure there was also some other jobs that needed to be done the surveyors that came the day you were meant to have come took a full list and wrote everything down. So how is none of these jobs on the system that have not been done? It seems once again things have not been put on the system. Why should we have to keep calling for jobs to be done when they were already meant to have been done, and surveyors and inspectors have been out more than once over the years why are they not on the system, as it seems someone is not doing their job.

Yesterday I got a call from the repair team in regard to a leak my son had in his flat from the flat above. They had to have a repair team out and shut my son lighting of in his bathroom due to the water leaking into the electrics and blowing out all my son's electrics. Today I got a call from the council saying

they believe the leak is coming from the flat above 113 which would be 117 which is privacy owned and someone would be coming to see my son today from 117. The people from 117 have been to see my son today and have had someone check there flat and they are 100% the leak is not coming from there flat. And that they believe it is coming from 113 which is Debbie's flat the person my son has been having trouble with for over a year now and the council have done nothing about this. The people from 117 have tried to speak to 113 but she won't open the door to them to see where the problem is coming from. Just a little while ago my son saw Debbie care worker and he spoke to them and told them again what has been going on and he cannot take it any longer, the care worker told my son that Debbie will not even let them into the flat any more. Something has to be done as this has caused my son heath to go downhill badly and this cannot go on anymore. I am getting no replies to any complaints that have gone in and the ASB team are doing nothing. I have booked a date to see my son's local MP also now as this is having a huge effect on my son's heath, and due to the council doing nothing I don't know where else to turn any longer. I have just called the repair team and spoke to a lady Linda, who has tried to call 113 Debbie and could not take to her, so she is sending a letter out to 113 Debbie,
