(BARNET, ENFIELD AND HARINGEY MENTAL HEALTH NHS TRUST);

Dear all,

Happy New Year.

I wonder if I could email about Simon Cordell?

He has remained administratively open to the forensic outreach team for consultation if needed, in case it was possible to contribute to a professionals meeting about him if needed. Where are things up to? Are we able to close his referral to us if there is no current contact with services?

Kind regards

17/02/2019	<u>117 Burncroft Avenue was Empty / vacated!</u> Mother see some new people in the flat of 117 she told me when she came into my flat! After she left, I went up the stairs to see if this was true and to say hello to the new tenants. When I got to the top floor I noticed that the front door was open and I could smell paint I noticed two decorators in the flat and said hello to them both, they were both polite, had my mother not told me about seeing people in the flat I would have not even known that they were even there. I asked them both if they were contracted to also repair the floor boards and they replied no. I asked them if they council speak to John Iron about getting the floor fixed before any other persons got moved int the premises the both agreed to do so. We all said good bye to each other and I left them to finish their work. <u>The banging Started!</u> <u>Si Note:</u> <u>1</u> <u>Summary!</u> <u>Disrepair!</u> <u>Time Spent Building;</u> In the background of everything going on I could no longer work on my first company Too Smooth due to the amount of time I had to put toward s defending myself. • **117 Burncroft Avenue**

The 2ND set of Tenant's since the Problems Started with the Flat being used as an Offensives Weapons against my Person and against my free will.

has been "Re-Vacated" again by John Iron

--

117 Burncroft Avenue has been rented out again by John Iron and the Enfield Council pretty soon after what the Mathiyalagans Family have been doing to me and without any fair follow up, by any official persons.

The reason that I understand that there is new tenant's that live within side of the premises of 117 is that when on my computer writing my report, I noticed a person directly above my head jumping on the floor.

I was not too sure if it was the builders whom I had met just the other day on the date of 00/00/20019

Who were maybe still re-decorating the flat? The Jumping above my head was directly above my work desk to where I was sitting in my managers chair and was not the average noise that the builders had been making while in the flat after it getting done up by the decorators straight after the Mathiyalagan Family moved out just after The

31st February 2019.

I do not think that it is right or fair that he has been allowed to get away with what he has done to me by allowing the Mathiyalagan Family to live in his property and attack me the way they have with him knowing what they are doing to me and joining in while this breach of my human right gets accomplished.

On this day I had been in the block of flats that I live in all morning and life had been quite peaceful but this lasted only for a little while.

That said to mean that no person was bagging on the wall at me and I had no person flushing the toilet every time that I went into the bathroom and used it and also the fact that I had no person squeaking the floor boards above my head deliberately to hurt me or to have a negative effect on my way of life.

My peaceful morning changed when I noticed someone above my flat start to squeak the floor board continually above my head to where I was sitting. I stayed quiet and just let the person or people do what they were doing in the flat.

I could tell what was get done to me was not coming from the flat directly above mine and I knew that the flat in the middle was not vacated with occupiers due to what had happened to Ambrose.

After about what seemed like an hour but was only in fact 20 Minutes, I decided to get up from where I was setting and move to another location inside of my flat and on my route to make sure it was obvious that I had gotten up and moved.

Once I had done this and took a seat on my sofa, it never took more than a couple of seconds for the person to follow me and start doing the same again.

This is easily done by any occupier or person that is inside of the flat of 117 Burncroft Avenue because of what has been done to me in the past by the past tenants.

The flat floor boards have already been said to have seduced the fair standard of living as said by Sarah Flexure and a survivor in the Councils History and them officials who sublet the premises out also understand the problems that I have been suffering through because of their neglect and people's criminal intentions.

Soon afterwards I got fed up of what was clearly being done to me again by un known persons at this stage and decided to go to my toilet but got followed again by a person stamping their feet on the floor to where they could hear me below or assume, I would be.

I waited for the night time to arrive while still getting tampered with and decided to take a trip to my local shop to pick up a few accessories for my so, called home. On

the way back from the shop and as I approached my block of flats, I took a look up at the window of 117 Burncroft Avenue.

The reason I had done this was to see if I could notice who had been in flat above just a little while prior. I also knew that there had been no curtains nets placed on the window since the Mathiyalagan Family vacated the property.

When I done this, I noticed a man about the same age as myself he looks Turkish in complex.

He was watching me as if in to say Hello I am the one now attacking you.

I continued to walk straight into my flat and stayed calm. Not much else happened that night but I was expecting it to.

The banging Started!

20/05/2019	<u>Alley & Co, Opening my front door in safety: --</u> <u>Morning: --</u> I Woke up this morning and I felt fed up of all the work that I am now faced with in creating my defence paperwork so to be able to receive the correct gratitude my life deserves. These people have now been highlighted as such, to which led to evidence getting contained within side of this document of mine. ------------	---

When I went to my front door to see who was knocking, I looked through my keyhole to see who was present.

I noticed one person that I had meet about 2 times before had of this day.

I could remember his name well and this was because his chosen choice of action's in the past dates leading up to this date that had accumulated over about a half a year period of time prior.

What he had done to me in the past has and still does caused me a large negative effect and therefore caused damage to my way of life.

Together himself who is named as Alley from North London Southgate Area and his friend who I introduce as

Alleys friend 1 Ambrose the correct past tenancy holder of 113 Burncroft Avenue, Between the date of

00/00/0000;

00/00/0000.

Had both continued to attack me against my free will, as already explained in this document.

After asking him what he wanted I heard Alleys voice it never took me too long to recognise who it was after seeing him and hearing him.

Alleys voice is very recognisable because when he speaks his voice and attitude towards himself and others are as if he can deceive any person in the world, an example, I know he has attacked me even low he does not know me,

But yet he still came to my front door chatting as if we had been best friends for twenty years or more of our life's and without any acceptance or acknowledgment of the position him and Ambrose have left me in by taking apart in the evil and cruel treatment that they subjected me towards.

Alleys voice on this day and the past six other actions that he has come down to my front door without myself ever answering the door in total to him, sounds like he has never done any of the evil thigs that he has to me in layman terms he sounds fake and unsympathetic towards the issues, but yet still sounds like he is trying to be your best friend when his actions speak different.

When asking Alley why he was at my front door he explained to me that he just wanted to say hello to me alongside with this following comment, Ally explained that he still had a key for the flat upstairs referring to 113 Burncroft Avenue

And that he intended to enter the premises and sleep over the night.

I found this wired as I have never really got along with him as I have explained and I also understood that the flat had gotten vacated about 2 months prior.

I explained that this was not my decision to take apart of and that I personal did not have a problem with his decision personally, when I said this to him I hoped that he had the brain cells available to possess the whole citation, for himself to then on after in a respectful manner, if he did chose to go ahead with his decision.

While Alley was present still outside of my front door I asked Alley what was going on with Ambrose , because it was Alley who had come down to my front door and told me that he was going to be staying upstairs for a little while until the Enfield Council took the keys back of them both due to Ambrose losing the Flat and getting placed into a Mental Hospital again for the reason of testing positive on a drug test alongside other problems of his. I was shocked before when told what had happened to Ambrose, even allow, he had been the one attacking me without any fair cause not that any person should be issuing punishment without law anyway.

I knew that I was right also on this day by not opening the door to Ally from the start and then on afterwards by deciding that I was defiantly not going to open it to him.

I had heard a part of what Ally had to say.

A few bangs on the floor but nothing major or abnormal to standard living.

Later the same day:

"Ally and Friend 2 Unnamed at this time"

	All of a sudden, a loud intrusive mad banging started above my head and did not stop I moved around my flat and the people / person in 1113 were following me around again banging objects above my head • <u>No front door</u> On my flat due to what the police have done to my home and me / Dated:25/05/2019. Getting Arrested Partly for Trusting Alley!

While indoors I started to tidy up, straight after awaking at 07:00am. I soon afterwards found myself sitting back at my commuter table working hard and of no bother to any other person by the time of 7;30Am.

When working I noticed that I was again getting attacked by other people or a person's, adding more upset to my problems.

To further my understanding of what was happening to myself.

I noticed someone or more were inside of the flat above mine hitting the floor with objects. Door number 113 Burncroft Avenue

I decided to move to another location within side of my flat and see if I got followed to where I stood for the same action of others to re occur.

Doing this made me sure that the banging above my head was not just Alley Squatting in a residential flat doing a so-called normal living routing.

At that point of time I believed it to be Alley, who had knocked at my front door the day before and explained to me that he was going to be staying inside of the flat in turn meaning without legal consent I.e. Squatting in a residential premise.

While getting attacked I felt upset that I had trusted him again after what he and Ambrose had done prior to me I.e.

- 1) Hitting the floor with objects.
- 2) Following me around in my flat
- 3) Flushing the toilet continuously when I am in my bathroom.
- 4) Not allowing me to live in my rented home while enjoying it.
- 5) Slamming Windows
- 6) Flooding the flat.

As prior explained, because of the current day prior, I thought that this person would be Alley, who had knocked at my front door so I decided that I would go upstairs and ask him if he could mind what he is doing in the flat.

When I knocked on the front door, I was quite supposed to hear a young females voice

and his Friend 2 a female with an unknown name as this time.

2:00Pm Soon after staring work stuck the clock.

Making another phone call to mother took place at 12:45. I knew not to start the conversation by jumping straight into the deep end of what I wanted then to understand from her. A simple hello seduced the moment of time and I was of trying to make factful placement of all the key elements to which she realised to me of the tip of her tongue. After the usual I conversation interval, I asked the question of and what is going on with my Brother I herd a moments silence in her voice I was straight onto her give away clue, by saying you have already received a reply haven’t you. again, I herd another pause of silence., At this point I noticed my voice become more Manley “As I had to still stay aware that I was on the phone to my Mother.” Mother Replied with the comment of yes, I have and the answer is no, he will not be getting his legal right to an Appeal. I new the conversation could turn for the worst from that point of time as I also believe mother did, so we both terminated or call. <u>4</u> <u>Simon Cordell’s MP3’S Indexed</u> Stage 1 <u>1x Recording</u> 01m. 16. 999 finally pick up 31_05_2019 Page Number: Update Page Number 1, <u>5</u> <u>Simon Cordell’s MP3’S Indexed</u> Stage 1 <u>1x Recording</u> 01m. oxford ty (1) 31_05_2019 Page Number: Update Page Number 1, Update <u>6</u> <u>Simon Cordell’s MP3’S Indexed</u> Stage 1

117 Burncroft Avenue

The 3rd set of Tenant's since the Problems Started with the Flat being used as an
Offensives Weapons against my Person and against my free will.

has been "**Re-Vacated**" again by John Iron

Another set of new Tenants have moved into the address of 117 Burncroft Avenue
Enfield EN3 7JQ.

I have not yet meet them and don't really intend to share our personal lives that much
if we do come across each other's paths.

I noticed straight away that they seemed to understand what had already happened to
me in my home and how their new home had been used against me as a vicious
weapon to deteriorate my wellbeing and then on afterward victimise me.

What I am intending to explain is that they the new occupiers of 117 since the
11/06/2019 come right above my head to where I am sitting and start to squeak the
floor boards.

As it is the 1st day that they have moved into the flat I cannot be sure if they are just
checking out the problems to get them fixed so, for now I will continue to write
everything down that happens, because the people doing this to me are new tenant's
and the police and the Enfield Council will not doing anything to protect me anyways,
the police Enfield Council and the Neighbour Hood Watch Team will not even take a
victim statement if myself, I get left to keep on documenting down the true facts to
what has become of my life.

Today while the new tenant's relaxed and moved in I continued to work on my
computer.

I did notice some unnormal occupation from within side of the flat of 117.

What I did notice was the seeking of the floor boards had still not been fixed by John
Ivan before releasing the fat out again and even low Sarah Flexure says in the Enfield
Councils History, alongside with a Survivor that the flats floorboards of 117 Burncroft
Avenue do not meet the standards of fair living and the Councils own tenancy policy
even for tempory accommodation, say laminated flooring must do be layered down of
upper floor flats, as 117 is.

She told me that she will send an email to my solicitor and the Edmonton lower court house who have allowed these malicious allegations to get reinstated. After a few hours and near on towards the time of 2:30pm I had not received a reply back so I decided to make another phone call to my mother to find out what was going on. In this conversation she said to me that she had received a message back from my solicitor who had sent an email to the Enfield Council and the Lower Court House as well. What he or she did explain is that they had gotten a email back from the Enfield Council who said that they want to carry the possession order forward, as if in to mean that they want to carry on with the court proceedings against me. Myself and my mother continued our conversation with the logic and the view of myself being an innocent person and came to a conclusion of outcomes. <u>Summary!</u> <u>Disrepair!</u> <u>Time Spent Building:</u> In the background of everything going on I could no longer work on my first company Too Smooth due to the amount of time I had to put toward s defending myself. 30/06/2019	<u>113 Burncroft Avenue is Empty!</u> <u>Si Note:</u> <u>1</u> Getting Ready to go upstairs; When in my flat today I continued to work on the computer writing my report due to what has been and continues to happen to me. I have noticed that the new tenants are also attacking me of 117 Burncroft Avenue in a copycat style as the past occupiers. What I mean is that when I woke up this morning, I done so in my front room as this is where I tend to sleep. Today while in my flat I continued to look after my unwell dog lady, while doing so we both took a seat in my hall way as this is where it is cooler. The reason why it is cooler is because the sun rises and stays at its peak through my front room window and my hallway is in-between. another reason being is that my dog has been waiting with me to get of this police and courts curfew not to forget the Enfield Council who also had to sign for this all to take place to myself. As what seems to have been a life time now, but has really been a long few year s to me the new tenants who moved into 117 acted no differently from the last tenants who infringed my Human Rights on this day along with the couple days of their temporary tenancy beforehand. I started to notice that the new tenants in 117 had decided that this day would be a better day for them to attempt and harder and more strengthened approach to attacking myself. Because of the heat from the sun and the both of us being locked in until I sort the corruption that I am facing on a mass scale. on this day and lady my dog having cancer it was a lot harder for her to breath any air I found this strange after talking to the new lady who moved into the flat on the 30/06/2019 <u>The banging Started!</u> <u>Summary!</u> <u>Disrepair!</u> <u>Time Spent Building:</u> In the background of everything going on I could no longer work on my first company Too Smooth due to the amount of time I had to put toward s defending myself. 02/07/2019	<u>113 Burncroft Avenue is Empty!</u> <u>Si Note:</u> <u>1</u> No person stayed in the flat of 117 after what happened to me last night I.e. Getting stabbed with a big Kitching Knife. After what happened between myself and the current new occupiers of 117 Burncroft Avenue yesterday I decided to stay cautious in regards to my safety. I stayed on the computer working hard on my report right until the time of 21:00 hours when I noticed a lot of bagging coming from inside of the communal hall. When paying attention to what the notice was, I could tell it was the communal door getting slammed hard as a person or persons were going up and down the stairs carrying things. At the time I was on the mobile phone at the time and I got asked who was making all the noticed while in my front room at my computer desk While hearing the noise and there on after I decided not to go out of my front door due to what might re occur. I could hear footsteps in the flat 2 floors above me soon afterwards so I knew that the new occupiers of 117 had returned. <u>The banging Started!</u> <u>Summary!</u> <u>Disrepair!</u> <u>Time Spent Building;</u> In the background of everything going on I could no longer work on my first company Too Smooth due to the amount of time I had to put toward s defending myself. 04/07/2019	<u>113 Burncroft Avenue is Empty!</u> <u>Si Note:</u> <u>1</u> I decided to go to sleep at about 21:00 Hours as I was feeling tiered and I also wanted my stab wound to get better. I had not noticed any activity inside of the flat of 117 and or 113 Burncroft Avenue since the new tenants of 117 stabbed me and then after came to my front door saying I have got something bigger for you till he run of out of the block because I shouted that I have called the police even when at this stage I had not. My dog lady was looking at me as in to say please take me out but I did not want to stand outside of the block just in case this man comes back with his knife or friends and a knives, so I decided to take a look out of my back garden door and see if the windows on the flats above had been uttered, the reason being is after the man had run of the windows on the back of the flat were left closed. When taking a proper look, I noticed that they were wide open so I understood that there had been some person whom had entered the flat while I had been to sleep or that they may have been in the flat all the time along. I took my dog out the front so that it could see the outside world as we both do not go out that much due to the police not protecting us as they should by abusing the laws with malicious process. There were no problems mind you I did not stay outside for longer than five minutes. The people inside of the flat could hear me typing on my keyboard and I think they have realised that I am now adding them to my report and slammed the front communal door as they left the building g to go to their other Council Property. 113 Burncroft Avenue is Empty!

Si Note:

1

The Flat above me that is occupied and is named as 117 Burncroft Avenue stayed quiet all Morning and evening at the night time it was also quite but I did see the man who had tried to take my life with a knife.

What did happen is that when I took lady out the front because going out seems to be her last request of me before she goes to doggy heaven. I tried to stay out the front for a short of a period of time as possible. As I never wanted to bump into the man who moved into 117.

I heard foot steps approaching the communal door, it was a person about to enter the block of flats.

while outside in the dark the moon was providing just another light to be able to see any person clearly on their approach.

I had placed myself to the right of the building as you leave the flats

When doing this any person would end up on a piece of lorn with hedges protecting vision from the street when ducked down lower than the bushes.

I could see a man and that the colour of his skin was the same of that to the new occupier off 117 who had just stabbed me. At the time I thought oh no this is all I need while lady is ill.

I see his face clearly and could see that he was the right height also the fact that I could recognise his face from the prior time and other occasions in the past.

He just went up the stairs as he done this, I quickly got my dog and rushed her back into the flats and towards my front door.

As I done this, I heard the Man who had stabbed me, prior, slam his front door and hurry back down the stairs the disappear off.

I stayed working on computer and looking after my dog Lady

I could see her front teeth slightly as she smiled and this is how I knew that she was happy. 11/07/2019	<u>113 Burncroft Avenue is Empty!</u> <u>Lady My dog Passed away!</u> <u>Tyrone got moved prison</u> <u>Si Note:</u> <u>1</u> <u>The Day BT Open Reach Came to my Home:</u> <u>Van Reg:</u> Police refuse to arrest any criminals in my favour again. I was just laying down on my sofa after lady sadly passing away this morning and I decided to lay down with all electrical appliances turned off. While laying down from somewhat of the best part of what I would say would have been half an Hour I got disturbed: At First, I heard a person come in to the block of flats, what I heard was the communal door getting slammed closed hard. I continued to lay down on my sofa and make no noise at all. I noticed people had entered the premises of 117 Burncroft Avenue, as, they had slammed their own front door closed as well. Soon afterwards I started to notice the occupiers had started to step on the squeaking floor boards to upset me, I stayed quiet still. The floor boards have not been fixed thought all of the tenants whom have lived there as, of so, far. After 10Minutes or so I heard a person come into my down stairs section of the block that leads to mine and stains flats as they have to open a separate door on the ground floor, at first and this door makes a creaking sound as it opens and closes, I thought that this person would have most probably been Stain but I was soon after to find out that it was not. I continued to lay down while being quietly waiting to hear Stain close his front door and the occupiers off 117 to continue on their path of breaching my Human Rights with Criminal Activity's and pure evil intentions. What I noticed was that Stain never opened his front door and I then heard my front door getting forcefully opened I thought at first, to myself that I best make reinsurance of the sounds that my ears could hear, as I hoped that I might be wrong about someone trying to burgle my premises, while still in doors. I then analysed any other person in my head of who this could be, and came up with no answer. For myself to be able to sneak up on my house burglar I had to tip toe quietly up to my front door and then without disturbing them "Catch them in the act." Luckily for myself I had gotten all my floor boards replaced, even low I live on the ground floor. I done this when I first moved into Burncroft Avenue in the year of 2006 or 2007 say and up a till date they are still quiet. Tip toeing on my way, when I arrived to my replacement of a front door, I could see fingers they were whitey in colour and mednation in complex. The reason for seeing fingers other than the fact that some body was trying to rob me is that the chip board of a replacement of a front door that has gotten hanged with the hinge's flat on the outside of the premises as the door and frame were damaged so badly on the 26/05/2019 by police again trying to set me up "Which the Case has Now Been No Further Actioned For". Once I was at the front door, I tried to look through the gaps that the chip board does not cove due to the door frame getting damaged and I could not see any uniforms or hi – vis clothing. I could see that the fingers belonged to a man and that they were breaking into my premises. I decided to say in a loud voice, what are you doing. Straight away I noticed
------------	---

the man jump back and pull his fingers from within side of my premises out into the communal hall way to where they belonged.

I asked again what are you doing as I received no reply the first time that I request the unauthorised person to identify themselves, what I heard next was a man's voice who sounded like an Indian person I could tell that the voice was getting put on to cover up the unauthorised persons real identity and the reason being is that the voice did not sound natural.

As always, I decided to keep my front door closed until I had worked out what was going on a bit more.

What the man's voice said is hello I am just fixing Virgin; I took this to mean the TV Company Virgin and he was trying to fix the cables that run up the buildings brick wall eternally "Outside" he continued to make up a pack of lies to explain why he had been trying to rip my front door down. What he said was that he was trying to get to the other side. His words came out "I thought this entrance led to another department." I knew that I had caught a Burglar trying to rob my home of its belongings.

I told him in a deep voice that he must leave the block of flats, I then I heard the man say that he was just going to go upstairs next.

With this I understood that this man was a terrible person and just to put it in other words "Taking the fiddle" I had to take the facts into perception, after all I do understand for sure that I am not alone in the fact that a bad stories of what happens with door sales people and the vulnerable, that could take place anywhere.

I decided to speak more clearly in my approach to the person who had just been trying to gain illegal entry into my home and I done this in a louder voice, what I said was if you do not leave this block of flats now and without going upstairs, I will call the police on you.

He replied ok in a low voice.

I listened for him to leave the flats but on stead I heard him going up the stairs to the other flats, premises.

I decided to open my front door and go out to see the face of the person, of whom had just done all of this to me and my home and then afterwards never took my good advice to leave and made their way to the other homes once advised not to.

Because of the temp replacement chip board door, I do not have the privilege of having any spy hole so, to be able to see who is outside of my front door.

In these moments of time on this day my safety again become a concern due to others wrong doings.

This meant that my dog came to light, the fact that lady had just passed away the same morning as this man had tried to break into my home, made my home less secure than normal.

Also, not to forget the fact that the new tenants of 117 came down to my flat with a balaclava and a big knife just a few days prior because he was attacking me while his wife and child were out and then afterwards the next day his wife was caught by myself using the bathroom appliances to copycat the past wrongdoers.

I know this for sure because on the second occasion of interaction I and the occupiers of 117 had I was in my home and I went to his door to ask them to stop. "unarmed might I add"

And the Woman I had spoken to in the stairs was in the bathroom slamming the taps on and off, in her bathroom to have an effect on my home below and myself. The bathroom is next to the flats front door and you can touch the wall that her sink is on in her bathroom because of the hall way stair given any person access.

Another fact that Ambrose of 113 had just had his face cut in his flat just a few months prior while I was illegally getting detained in Chase Farm Hospital.

All of this passing through in my head before I opened my front door to check on this Virgin man meant to me that I needed to pick up my mobile phone before I went outside of my front door and this is what I did.

Anyways back to this day present

I decided to use my mobile phone that I had picked up on the way out of my front door while going to see who this person was I made a phone call to my mother, straight away I started to explain to her what had just happened to me while I was in my home. While then standing in the corridor.

When I was on my way out to the main corridor front door, I noticed a hammer on the floor and picked it up.

I also noticed that the virgin man never came back down the stairs after a few minutes' and I knew that he was still in the block of flats, I could even hear him talking to the woman in the flat of 117 Burncroft Avenue and then enter the flat, while still on the phone to my mother.

I decided to go outside of the block and take a look back at the flats in doing so I noticed that the windows of 117 Burncroft Avenue were open the Bedroom being the biggest window was left just short of a shut eye, open and the bathroom window was open to the maximum extent.

I noticed the female whom I had met on the stairs and talked to through the front door of 117 a few days earlier, looking down at me with her mobile phone in her hand while she had a set of music headphones on, white with red parts on them or maybe pink, these people were 3 floors high but I could see them very clearly as the weather was sunny and I have superb eye vision.

In other words, I do not need to go to spectacles.

I asked her who the man was that she had just let into her flat she decided to try and speak to someone on a mobile phone, while trying to capture me on her phone camera at the same time. I suspected that she was on the phone to the police trying to set me up for fun or sport, then all of a sudden the man whom had just come and tried to break into my home popped up behind her and then came in front of her to the window to address my question.

I listened to the words that rolled off his tongue and out of his mouth to myself.

What he replied was; I am Working for BT my van is over there as he showed me and load of what looked like plastic ID Cards that were around his neck, held on with a black secure neck-band.

My Mother heard the conversation while still being on the phone to me.

I took a glance at where the man had pointed towards in reference towards his company's vans location. I heard my mother's voice on the phone to me asking me what was going on and I explained to her the update of the incident in commotion. We both agreed that it would be best to take the registration and make a model of the van down, due to fingers being inside of my front door and this person now not working for Virgin media but BT instead.

To achieve taking the van's information down I had to walk closer to it as it was not parked directly outside of my accommodation, no longer than 2 minutes distance and I was telling mother all the information to document down and back into my flat.

Before mine and my mother's conversation came to an end. She explained to me that she was going to check on this BT man's story.

I found myself back in my flat alone and my burglar hid upstairs, with my so called new next-door neighbours, whom had already hurt myself.

As an incredible coincidence to all what was going on, I could hear a radio and when recognising this sound, I knew that this was the police just outside of my front door again in the communal hallway to where I live. I did not want to let the police into my home as I understood what they have decided to treat me like for a long time now years even.

In explaining what they want to do to me and why they want to do the things they do to me I would explain that the Metropolitan Police Force want to get me on to a cocktail of prescribed drugs so that in turn I believe that there are signatures on the victim's statements in the first Asbo Case and this is alongside the rest of the criminal activities that took place after the Asbo order got developed.

Anyways while I am still hear and have not been set up, I best continue to explain the day's events.

What I heard come over the police radio is like the message that I heard while in the back of the police van on the date of the 26/05/2019.

It's too late he has done it again.

I could hear a lot of people whom I believe were police officers rushing into the corridor at this point of time.

The reason I believe the words of; "It's too late, he has done it again." Had gotten said over the police radio system other than the oblivious is that my mother had already made a telephone call to BT Open Reach due to me telling her what had just happened and this included sending emails to them.

When on the phone the van reg got checked and the gentlemen said to mother that she must call the police and send a report of what has just happened to themselves and this is what she did.

This meant that Met CCC understood that it was to late for all the police who travelled to my house to set me up for this incident to arrest me,

A knock at my front door.

Even low all that had took place the police officers present in my communal hallway seem to want to get me to open my front door to them.

I refused to do so and explained to them with my front door closed what had just happened.

The police officers keep asking me to open my door to them they were calm in attitude and spoke to myself polite but I was still not getting fooled by any of them.

I said to the police that my mother is on the phone and already in her car on the way here please can they wait for her if they must speak to any person.

I asked the police officer way he wanted me to open the front door and he explained to me that 117 has reported a breach of the peace about me.

I told him that I was in my house when he arrived at that there had been no breach of the peace and in any since I would take his words as my first verbal warning and make sure that there is no breach of the peace in resecting the law.

He was quite a bit.

I continued the conversation by asking what he was doing about the person who had just made an attempt to break into my home, the so, called Virgin BT man. The police officer understood who I was on about and even explained to me that he had the right as he is a BT man doing work.

With this being said to me I told the police officer that there is no authorisation for any person to rip my front door open and then on causing criminal damage to my property.

The police officer continued to try an undermine me, I even explained to him what BT had just said on the phone to my mother.

Because the police officer refused to arrest the person

I told them that my dog had just died the same morning and asked them if they could kindly leave me in peace and this would all be on the police officers body cameras if they had them turned on.

The police officers told me that they were going to wait for my mother to arrive. I asked them why and received no reply.

Mother soon afterwards arrived at my home address and I could hear her speaking to the police outside of my front door. I personally understand that my mother continued to recorded the rest of the interview with the police on her mobile phone's camera.

Finally, after what was like the best part of twenty minutes the police left and I opened the front door for my mother to enter into my flat.

Key Notes:

1. The open reach worker did not have any legal consent to put his hand's inside of the chip board tempory door and try to rip the door open, forcefully.

	2. From the date off 26/05/2019 I have had no front door and what was put into place as a temporary door is no sufficient, accurate to be able to leave my premises safely on its own and especially with what my neighbours have been doing to me. There is a cheap padlock provided by the door security company after the police Ripped my original front door down and this lock gets put on the outside of the door the padlock was not present. I had already damaged the BT phone line myself and had to call BT just prior of a couple of months. 3. The Woman in 117 Burncroft Avenue opened her top window when I went outside to see were the worker had gone inside of the block of flats. 4. <u>The banging Started!</u> <u>Summary!</u> <u>Disrepair!</u> <u>Time Spent Building;</u> In the background of everything going on I could no longer work on my first company Too Smooth due to the amount of time I had to put toward s defending myself. 21/12/2019	<u>Police came to mine again</u> From the second that I woke up I was getting attacked by my neighbours with their evil intentions 113 and 117 Burncroft Avenue had decided to do whatever they could do to try and drive me crazy. it got to a time in the mid-day when I needed to go to the shops for some living accessory's, so I locked my front door and started to walk out of the communal front door to my housing block of flats. As soon as I done this, I noticed Christine and her younger niece whom her younger niece I had met many years prior when I accidentally damaged Christine's car wing mirror. On the date of 00/00/201 I decided to approach Christine and ask her why she has taken apart in and or allowed the bad things that have taken a place to me, other the last few years. Her reply was rude and Sharpe like a knife; "You must be unwell or something, you seem to think that I have done something bad to you, when it was not me. And as I heard her reply come out of her open mouth and in understanding the damage she has surly caused me in my life alongside the evidence I have to prove my claims, I told her that she was a liar, with my comment her niece got upset and jumped in she was not rude at first and I can remember what she said; Don't speak to my nan like that. The upsetting thing to me was she carried on by saying something peculiar <u>Update</u> <u>The reason that the poice turned up i9s b</u> <u>Si Personal Note:</u> <u>1</u> <u>The banging Started!</u> <u>Summary!</u> <u>Disrepair!</u> <u>Time Spent Building;</u> <u>Working at Home doing Court Case Defense Work!</u> <u>Time Spent Building;</u> In the background of everything going on I could no longer work on my first company Too Smooth due to the amount of time I had to put toward s defending myself.
