Kelly Tiller KGM.doc

To Whom It May Concern:

I am writing due to the complaint I put in. I have forwarded emails to Broadsure Direct and spoken to Broadsure Direct who took the policy of insurance out policy no: MT3574694 I have been asking for information from KGM since **2013** and have heard nothing back. When the policy was taken out there was some reason it did not show up on the MID database Broadsure Direct and KGM was aware of this. Due to this fact I had my vehicles were sized a number of times I believe 8 or 9 times in all, where I had to pay the costs to get my vehicles out the compound each time. In the week when I was pulled by police it was not so bad as the insurance company was opened so when I showed the police my policy, they could call the insurance company. The seizers happened mostly at the weekend mostly due to the insurance company being closed and the police could not talk to anyone even when I had my policy on me at all times to prove I did in fact have insurance. I made many calls to the police, Broadsure Direct, KGM and the people who run the MID database, but the issue did not go away and my vehicles still did not show up on the MID database. There was also a time in Nov **2013** when my van was sized this was due to KGM telling the police I was not insured due to the police telling KGM that I had tools in my van. Which was a lie by the police as I did not have anything in my van. Kelly Tiller from the trade section was dealing with this and a few days later I got a letter from KGM saying they was going to cancel my policy. As you can understand I was very upset over this as I had done nothing wrong. At these times lots of calls was both made to KMG and Broadsure to stop the cancelation of my insurance policy, I spoke to Kelly Tiller many times, but she believed the police and I had no say in the matter. The police were off duty so I could not speak to them and Kelly Tiller was saying unless I could prove I did not have any tools in my van then the insurance policy would be cancelled which was very unfair as I had done nothing wrong, I knew I never had any tools. But I also asked Kelly Tiller did the police tell her what tools was meant to be in my van, to which she said no. KGM was not even aware I had mechanics trade on my policy so if my mechanics tools had been in my van at the time my insurance would still have been cancelled which to me what was the point in having insurance?

I then spoke to a wonderful operator at the police when I called told her what had gone on and was told by her to go to the police compound as when any vehicles are taken there, they have to do a full list of items that are in the vehicles as they are in fact legible if something goes missing. Over that weekend I sent emails to the compound and forwarded them to Broadsure as my insurance was due to be cancelled on the Monday. On Monday I got an email from Broadsure direct asking me to go to the compound as Kelly Tiller had no luck getting a reply from them also, and once there to call Kelly Tiller due to the time on the Monday I got the email it would have been too late to go the compound

1256,

and get a call to Kelly Tiller as she would have ended work for that day so I sent an email saying I would be going there early the next morning. I went the next day and asked to speak to the manager of the compound who in fact looked up my van and said nothing was in there, there was not tools I called Kelly Tiller and the manager of the compound spoke to her and confirmed there was nothing in the van when it was taken there by police and that I had put thing in the van when I had taken it out of the compound. At this point Kelly tiller believed me and said the policy would not be cancelled. But on my way back from the compound driving my phone ring and I stopped to pick it up and it was Broadsure direct saying my policy had in fact been cancelled I was very upset at this and told them what had happened, I was asked to hold on they was called KGM back and would call me right back. I waited till Broadsure direct called me back and confirmed my insurance policy had not been cancelled then drove home. From this point I have been asking for all information and putting data protection acts in which have not been dealt with and I have heard nothing from KGM. I have been back and forward to court due to no insurance and in fact 4 cases I did not get any summons so was in fact found guilty as I did not know it was even going to court. I have had points put on my driving licence for no reason and had to go back and forward to court many times when this should not have been the case. Then the case come up for the seizer when the police said I had tools in my van I went to court with all my documents but due to not having the information I had asked for from KGM many times about that case I was found guilty. I am very upset about the whole policy with KGM. I have put an appeal in, and this case will be going to crown court I have again asked for information and again heard nothing. These matters need to be addressed as I am suffering due to all of this. Martin Jenkins at Broadsure Direct knows everything that has gone on as he was my main contact. I also have all the emails the last one that I will enclose again, which I have heard nothing about and the 1st Subject access request under the Data Protection Act 1998 that I sent on the 26/11/**2013**. I did in fact send the Subject access request under the Data Protection Act 1998 about time times and asked Martin Jenkins to look into why I had heard nothing about more than once. Once I get the appeal date for crown court, I will ask the court to summon the people at KGM to deal with this matter as they know I was insurance and did nothing wrong and the police lied. All I have asked for is the data so there will be no need to summons people this way I can send the section 9 witness statements over to the crown and the other information and this case should be dropped against me. It just seemed that KGM does not want to do anything and give me the information I need to prove in fact I was insurance and the police lied to KGM to in fact make it that I was not insurance. There is a lot more I could say about the insurance I had with KGM, but this insurance policy was my worst nightmare. It

has messed my clean driving licence up and in fact got to the point I could not drive so could not work. Due to the fact, KGM could not send me the information over that was needed to prove I did have insurance. If you need o can send over all the emails that has been sent back and forward to Broadsure who sent them to KGM.

1257,

I have lost a lot of money, and time due to this insurance policy I have had to pay for my vehicles to be taken out of the police compound around 8 to 9 times at a cost of £180.00 to £200.00 a time. All the loss of work due to having to take time to go to the police compound, and all the times I have had to go to court for no insurance when in fact I had insurance. And points put on my driving licence to the fact I could not drive, this has all been costs to myself. My Mother Lorraine Cordell has also written many of the emails and is fine with dealing with this issue.

Regards

Simon Cordell

Dear Andrew
I will forward this to you within a few days I will ask the police compound to do a full print out as to all the tickets as I believe there is a few missing. I do have around 6 of the tickets here when the vehicles were sized I also do have court letters, and letters from DVLA, which I will forward over to you once I have scanned then in so please give me a few days and I will get back to you with this information as there is a lot of data.. The main one at this time I am worried about is the case where the vehicle was sized due to the police lying and me being found guilty at court you did have an email on the 30 November **2014** about what was needed and I do have the court letter showing I was found guilty and about the appeal. This data should have been given under the Subject access request under the Data Protection Act 1998 I put in, so was wondering what you can do about this and if you will need a new Subject access request under the Data Protection Act 1998 I have already sent 3 in so to do a 4th I do not feel I should need to do. KGM have in fact not followed the protocol for the Subject access request under the Data Protection Act 1998 which has been put in 3 times already to KGM, I will be addressing this with the Information Commissioner's Office as I do not see any reason you would have to stop the information I have asked for under this act to prove I was not in fact guilty of no insurance. And now say to deal with this you need information from me. I can understand you want the information for the complaint that has been put in, but not the information I asked for to show I was in fact I was insured for an appeal that is ongoing. And in fact, would not have been ongoing if the Subject access request under the Data Protection Act 1998 as I would not have been found guilty. I would like the data sent to the court as soon as possible in regards to this so they can look at the facts and see if fact I was insured so there should be no need for the appeal to go ahead with more of my time wasted going to court.

Dear Andrew
I will forward this to you within a few days I will ask the police compound to do a full print out as to all the tickets as I believe there is a few missing. I do have around 6 of the tickets here when the vehicles were sized I also do have court letters, and letters from DVLA, which I will forward over to you once I have scanned then in so please give me a few days and I will get back to you with this information as there is a lot of data.. The main one at this time I am worried about is the case where the vehicle was sized due to the police lying and me being found guilty at court you did have an email on the 30 November **2014** about what was needed and I do have the court letter showing I was found guilty and about the appeal. This data should have been given under the Subject access request under the Data Protection Act 1998 I put in, so was wondering what you can do about this and if you will need a new Subject access request under the Data Protection Act 1998 I have already sent 3 in so to do a 4th I do not feel I should need to do. KGM have in fact not followed the protocol for the Subject access request under the Data Protection Act 1998 which has been put in 3 times already to KGM, I will be addressing this with the Information Commissioner's Office as I do not see any reason you would have to stop the information I have asked for under this act to prove I was not in fact guilty of no insurance. And now say to deal with this you need information from me. I can understand you want the information for the complaint that has been put in, but not the information I asked for to show I was in fact I was insured for an appeal that is ongoing. And in fact, would not have been ongoing if the Subject access request under the Data Protection Act 1998 as I would not have been found guilty. I would like the data sent to the court as soon as possible in regards to this so they can look at the facts and see if fact I was insured so there should be no need for the appeal to go ahead with more of my time wasted going to court.

Subject: RE: MT3574694
To Whom It May Concern:
I am writing due to the complaint I put in. I have forwarded emails to Broadsure Direct and spoken to Broadsure Direct who took the policy of insurance out policy no: MT3574694 I have been asking for information from KGM since **2013** and have heard nothing back. When the policy was taken out there was some reason it did not show up on the MID database Broadsure Direct and KGM was aware of this. Due to this fact I had my vehicles were sized a number of times I believe 8 or 9 times in all, where I had to pay the costs to get my vehicles out the compound each time. In the week when I was pulled by police it was not so bad as the insurance company was opened so when I showed the police my policy,

they could call the insurance company. The seizers happened mostly at the weekend mostly due to the insurance company being closed and the police could not talk to anyone even when I had my policy on me at all times to prove I did in fact have insurance. I made many calls to the police, Broadsure Direct, KGM and the people who run the MID database, but the issue did not go away and my vehicles still did not show up on the MID database. There was also a time in Nov **2013** when my van was sized this was due to KGM telling the police I was not insured due to the police telling KGM that I had tools in my van. Which was a lie by the police as I did not have anything in my van. Kelly Tiller from the trade section was dealing with this and a few days later I got a letter from KGM saying they was going to cancel my policy. As you can understand I was very upset over this as I had done nothing wrong. At these times lots of calls was both made to KMG and Broadsure to stop the cancelation of my insurance policy, I spoke to Kelly Tiller many times, but she believed the police and I had no say in the matter. The police were off duty so I could not speak to them and Kelly Tiller was saying unless I could prove I did not have any tools in my van then the insurance policy would be cancelled which was very unfair as I had done nothing wrong, I knew I never had any tools. But I also asked Kelly Tiller did the police tell her what tools was meant to be in my van, to which she

1269,

said no. KGM was not even aware I had mechanics trade on my policy so if my mechanics tools had been in my van at the time my insurance would still have been cancelled which to me what was the point in having insurance?
I then spoke to a wonderful operator at the police when I called told her what had gone on and was told by her to go to the police compound as when any vehicles are taken there they have to do a full list of items that are in the vehicles as they are in fact legible if something goes missing. Over that weekend I sent emails to the compound and forwarded them to Broadsure as my insurance was due to be cancelled on the Monday. On Monday I got an email from Broadsure direct asking me to go to the compound as Kelly Tiller had no luck getting a reply from them also, and once there to call Kelly Tiller due to the time on the Monday I got the email it would have been too late to go the compound and get a call to Kelly Tiller as she would have ended work for that day so I sent an email saying I would be going there early the next morning. I went the next day and asked to speak to the manager of the compound who in fact looked up my van and said nothing was in there, there was not tools I called Kelly Tiller and the manager of the compound spoke to her and confirmed there was nothing in the van when it was taken there by police and that I had put thing in the van when I had taken it out of the compound. At this point Kelly tiller believed me and said the policy would not be cancelled. But on my way back from the compound driving my phone ring and I stopped to pick it up and it was Broadsure direct saying my policy had in fact been cancelled I was very upset at this and told them what had happened, I was asked to hold on they was called KGM back and would call me right back. I waited till Broadsure direct called me back and confirmed my insurance policy had not been cancelled then drove home. From this point I have been asking for all information and putting data protection acts in which have not been dealt with and I have heard nothing from KGM. I have been back and forward to court due to no insurance and in fact 4 cases I did not get any summons so was in fact found guilty as I did not know it was even going to court. I have had points put on my driving licence for no reason and had to go back and forward to court many times when this should not have been the case. Then the case come up for the seizer when the police said I had tools in my van I went to court with all my documents but due to not having the information I had asked for from KGM many times about that case I was found guilty. I am very upset about the whole policy with KGM. I have put an appeal in, and this case will be going to crown court I have again asked for information and again heard nothing. These matters need to be addressed as I am suffering due to all of this. Martin Jenkins at Broadsure Direct knows everything that has gone on as he was my main contact. I also have all the emails the last one that I will enclose again, which I have heard nothing about and the 1st Subject access request under the Data Protection Act 1998 that I sent on the 26/11/**2013**. I did in fact send the Subject access request under the Data Protection Act 1998 about time times and asked Martin Jenkins to look into why I had heard nothing about more than once. Once I get the appeal date for crown court, I will ask the court to summon the people at KGM to deal with this matter as they know I was insurance and did nothing wrong and the police lied. All I have asked for is the data so there will be no need to summons people this way I can send the section 9 witness statements over to the crown and the other information and this case should be dropped against me. It just seemed that KGM does not want to do anything and give me the information I need to prove in fact I was insurance and the police lied to KGM to in fact make it that I was not insurance. There is a lot more I could say about the insurance I had with KGM, but this insurance policy was my worst nightmare. It has messed my clean driving licence up and in fact got to the point I could not drive so could not work. Due to the fact, KGM could not send me the information over that was needed to prove I did have insurance. If you need o can send over all the emails that has been sent back and forward to Broadsure who sent them to KGM. I have lost a lot of money, and time due to this insurance policy I have had to pay for my vehicles to be taken out of the police compound around 8 to 9 times at a cost of £180.00 to £200.00 a time. All the loss of work due to having to take time to go to the police compound, and all the times I have had

1270,

to go to court for no insurance when in fact I had insurance. And points put on my driving licence to the fact I could not drive, this has all been costs to myself. My Mother Lorraine Cordell has also written many of the emails and is fine with dealing with this issue.

Information we need.pdf
Dear Andrew
Please see attached Insurance, which will show you full details of his insurance policy and dates covered. Yes, we do want full discloser so this mater can be sorted out by the court and I can send the information over to the CPS for the case of the 14/11/**2013** where the police officer told KGM I had tools in my van to void my insurance. Kelly Tiller from the trade section and Jessica know fully what went on and it was Jessica that took the phone call from the police officer. After this I believe Kelly Tiller took over dealing with my policy and she was the one that had the say to cancel my policy and she was the one that believed the police until I went to the police compound and spoke to the manager there where he spoke to Kelly Tiller. If I had not done this Kelly Tiller would have cancelled my policy of insurance and I have all the emails to prove this. After Kelly Tiller found out I was not lying about having no tools in my van the insurance policy was kept in place, I did ask Kelly Tiller on more than once to send me the information and put data requests in which was not replied to. Now I have been found guilty when Kelly Tiller knows the truth that there was not tools and the police officer lied to KGM on the phone call. I am the one that has suffered over all this not just on this case but all the times I have been taken to court for no insurance over the year my policy run with KGM due to it not showing on the MID database. You should have all the emails already from Broadsure Direct and many was sent by them to KGM as I was told KGM could not talk to me and I had to deal with Broadsure Direct about my policy Martin Jenkins from Broadsure Direct should also have copies of all emails as I do. I have spoken to DVLA today and asked for the data of how many times points was put on my licence due to not getting summons from police and then dealing with cases I knew nothing about and then I had to get the cases reopened, I have to write them a letter and they will send the data I have asked for in the post. I do have a lot of letters which I will sort out scan and send over. But the 1st part I want to deal with is the court case I was found guilty at and have put an appeal in that is the most important to me right now. We can deal with everything else once I get all the data scanned as there is really a lot and it was all due to KGM not sorting out why my insurance was not showing on the MID database. The seizers alone have left me out of pocket by around £1700.00. That is without all the days I have not been able to work due to my driving licence being messed up and showing points for no insurance. All the time going back and forward to the compound to collect my vehicles, and everything else I have had to deal with the courts when in fact I had done nothing wrong. I have tried to deal with this for months and months without going to the ombudsman and KGM has taken no notice, it has taken me to go to the ombudsman for KGM to take any notice and I don't feel anyone would be happy with the this sort of service from KGM let alone any company doing this and causing someone so much suffering.
1272,

It was one of the police in the end at the compound who in the end worked out why it was not showing up on the MID and that was because there had been a space put within my Reg Numbers. It was that bad two police compounds new me and said each time not again. As you can see, I am not very happy about all of this but I do not think anyone would be when they paid for their insurance and had done nothing wrong to suffer all this. Therefore, could you please get the information I need to send to the CPS, I have written what was needed from Nov **2014** and way before this, and it still has not been sent and I have this hanging over my head. I did not just get points on my licence I got disqualified from driving for 6 months due to repeat offending of no insurance please tell me why when I have paid for my insurance from KGM? The reason it has not been enforced is due to me putting an appeal in. You can contact my mother on 0208 245 7454 or 07961 833021

Dear Andrew
Please see attached Insurance, which will show you full details of his insurance policy and dates covered. Yes, we do want full discloser so this mater can be sorted out by the court and I can send the information over to the CPS for the case of the 14/11/**2013** where the police officer told KGM I had tools in my van to void my insurance. Kelly Tiller from the trade section and Jessica know fully what went on and it was Jessica that took the phone call from the police officer. After this I believe Kelly Tiller took over dealing with my policy and she was the one that had the say to cancel my policy and she was the one that believed the police until I went to the police compound and spoke to the manager there where he spoke to Kelly Tiller. If I had not done this Kelly Tiller would have cancelled my policy of insurance and I have all the emails to prove this. After Kelly Tiller found out I was not lying about having no tools in my van the insurance policy was kept in place, I did ask Kelly Tiller on more than once to send me the information and put data requests in which was not replied to. Now I have been found guilty when Kelly Tiller knows the truth that there was not tools and the police officer lied to KGM on the phone call. I am the one that has suffered over all this not just on this case but all the times I have been taken to court for no insurance over the year my policy run with KGM due to it not showing on the MID database. You should have all the emails already from Broadsure Direct and many was sent by them to KGM as I was told KGM could not talk to me and I had to deal with Broadsure Direct about my policy Martin Jenkins from Broadsure Direct should also have copies of all emails as I do. I have spoken to DVLA today and asked for the data of how many times points was put on my licence due to not getting summons from police and then dealing with cases I knew nothing about and then I had to get the cases reopened, I have to write them a letter and they will send the data I have asked for in the post. I do have a lot of letters which I will sort out scan and send over. But the 1st part I want to deal with is the court case I was found guilty at and have put an appeal in that is the most important to me right now. We can deal with everything else once I get all the data scanned as there is really a lot and it was all due to KGM not sorting out why my insurance was not showing on the MID database. The seizers alone have left me out of pocket by around £1700.00. That is without all the days I have not been able to work due to my driving licence being messed up and showing points for no insurance. All the time going back and forward to the compound to collect my vehicles, and everything else I have had to deal with the courts when in fact I had done nothing wrong. I have tried to deal with this for months and months without going to the ombudsman and KGM has taken no notice, it has taken me to go to the ombudsman for KGM to take any notice and I don't feel anyone would be happy with the this sort of service from KGM let alone any company doing this and
1279,
causing someone so much suffering. It was one of the police in the end at the compound who in the end worked out why it was not showing up on the MID and that was because there had been a space put within my Reg Numbers. It was that bad two police compounds new me and said each time not again. As you can see, I am not very happy about all of this but I do not think anyone would be when they paid for their insurance and had done nothing wrong to suffer all this. Therefore, could you please get the information I need to send to the CPS, I have written what was needed from Nov **2014** and way before this, and it still has not been sent and I have this hanging over my head. I did not just get points on my licence I got disqualified from driving for 6 months due to repeat offending of no insurance please tell me why when I have paid for my insurance from KGM? The reason it has not been enforced is due to me putting an appeal in. You can contact my mother on 0208 245 7454 or 07961 833021

Dear Andrew
I will forward this to you within a few days I will ask the police compound to do a full print out as to all the tickets as I believe there is a few missing.
I do have around 6 of the tickets here when the vehicles were sized I also do have court letters, and letters from DVLA, which I will forward over to you once I have scanned then in so please give me a few days and I will get back to you with this information as there is a lot of data..

289,

The main one at this time I am worried about is the case where the vehicle was sized due to the police lying and me being found guilty at court you did have an email on the 30 November 2014 about what was needed and I do have the court letter showing I was found guilty and about the appeal.
This data should have been given under the Subject access request under the Data Protection Act 1998 I put in, so was wondering what you can do about this and if you will need a new Subj etc. access request under the Data Protection Act 1998 I have already sent 3 in so to do a 4th I do not feel I should need to do.
KGM have in fact not followed the protocol for the Subject access request under the Data Protection Act 1998 which has been put in 3 times already to KGM, I will be addressing this with the Information Commissioner's Office as I do not see any reason you would have to stop the information I have asked for under this act to prove I was not in fact guilty of no insurance.
And now say to deal with this you need information from me. I can understand you want the information for the complaint that has been put in, but not the information I asked for to show I was in fact I was insured for an appeal that is

ongoing. And in fact, would not have been ongoing if the Subject access request under the Data Protection Act 1998 as I would not have been found guilty.
I would like the data sent to the court as soon as possible in regards to this so they can look at the facts and see if fact I was insured so there should be no need for the appeal to go ahead with more of my time wasted going to court.

Subject: RE: MT3574694
To Whom It May Concern:
I am writing due to the complaint I put in. I have forwarded emails to Broadsure Direct and spoken to Broadsure Direct who took the policy of insurance out policy no: MT3574694
I have been asking for information from KGM since 2013 and have heard nothing back.
When the policy was taken out there was some reason it did not show up on the MID database Broadsure Direct and KGM was aware of this.
Due to this fact I had my vehicles were sized a number of times I believe 8 or 9 times in all, where I had to pay the costs to get my vehicles out the compound each time. In the week when I was pulled by police it was not so bad as the insurance company was opened so when I showed the police my policy, they could call the insurance company.
The seizers happened mostly at the weekend mostly due to the insurance company being closed and the police could not talk to anyone even when I had my policy on me at all times to prove I did in fact have insurance.
I made many calls to the police, Broadsure Direct, KGM and the people who run the MID database, but the issue did not go away, and my vehicles still did not show up on the MID database.
There was also a time in Nov 2013 when my van was sized this was due to KGM telling the police I was not insured due to the police telling KGM that I had tools in my van. Which was a lie by the police as I did not have anything in my van. Kelly Tiller from the trade section was dealing with this and a few days later I got a letter from KGM saying they was going to cancel my policy. As you can understand I was very upset over this as I had done nothing wrong.
At this time lots of calls was both made to KMG and Broadsure to stop the cancelation of my insurance policy, I spoke to Kelly Tiller many times, but she believed the police and I had no say in the matter. The police was off duty so I could not

speak to them and Kelly Tiller was saying unless I could prove I did not have any tools in my van then the insurance policy would be cancelled which was very unfair as I had done nothing wrong I knew I never had any tools.
But I also asked Kelly Tiller did the police tell her what tools was meant to be in my van, to which she said no. KGM was not even

291,

aware I had mechanics trade on my policy so if my mechanics tools had been in my van at the time my insurance would still have been cancelled which to me what was the point in having insurance?
I then spoke to a wonderful operator at the police when I called told her what had gone on and was told by her to go to the police compound as when any vehicles are taken there they have to do a full list of items that are in the vehicles as they are in fact legible if something goes missing. Over that weekend I sent emails to the compound and forwarded them to Broadsure as my insurance was due to be cancelled on the Monday. On Monday I got an email from Broadsure direct asking me to go to the compound as Kelly Tiller had no luck getting a reply from them also, and once there to call Kelly Tiller due to the time on the Monday I got the email it would have been too late to go the compound and get a call to Kelly Tiller as she would have ended work for that day so I sent an email saying I would be going there early the next morning.
I went the next day and asked to speak to the manager of the compound who in fact looked up my van and said nothing was in there, there was not tools I called Kelly Tiller and the manager of the compound spoke to her and confirmed there was nothing in the van when it was taken there by police and that I had put thing in the van when I had taken it out of the compound.
At this point Kelly tiller believed me and said the policy would not be cancelled. But on my way back from the compound driving my phone ring and I stopped to pick it up and it was Broadsure direct saying my policy had in fact been cancelled I was very upset at this and told them what had happened, I was asked to hold on they was called KGM back and would call me right back. I waited till Broadsure direct called me back and confirmed my insurance policy had not been cancelled then drove home.
From this point I have been asking for all information and putting data protection acts in which have not been dealt with and I have heard nothing from KGM.
I have been back and forward to court due to no insurance and in fact 4 cases I did not get any summons so was in fact found guilty as I did not know it was even going to court.
I have had points put on my driving licence for no reason and had to go back and forward to court many times when this should not have been the case.
Then the case come up for the seizer when the police said I had tools in my van I went to court with all my documents but due to not having the information I had asked for from KGM many times about that case I was found guilty. I am very upset about the whole policy with KGM. I have put an appeal in, and this case will be going to crown court I have again asked for information and again heard nothing. These matters need to be addressed as I am suffering due to all of this.
Martin Jenkins at Broadsure Direct knows everything that has gone on as he was my main contact.
I also have all the emails the last one that I will enclose again, which I have heard nothing about and the 1st Subject access request under the Data Protection Act 1998 that I sent on the 26/11/2013. I did in fact send the Subject access request under the Data Protection Act 1998 about time times and asked Martin Jenkins to look into why I had heard nothing about more than once.
Once I get the appeal date for crown court, I will ask the court to summons the people at KGM to deal with this matter as they know I was insurance and did nothing wrong and the police lied. All I have asked for is the data so there will be no need to summons people this way I can send the section 9 witness statements over to the crown and the other information and this case should be dropped against me.
It just seemed that KGM does not want to do anything and give me the information I need to prove in fact I was insurance and the police lied to KGM to in fact make it that I was not insurance.
There is a lot more I could say about the insurance I had with KGM, but this insurance policy was my worst nightmare. It has

292,

messed my clean driving licence up and in fact got to the point I could not drive so could not work. Due to the fact, KGM could not send me the information over that was needed to prove I did have insurance.
If you need o can send over all the emails that has been sent back and forward to Broadsure who sent them to KGM.
I have lost a lot of money, and time due to this insurance policy I have had to pay for my vehicles to be taken out of the police compound around 8 to 9 times at a cost of £180.00 to £200.00 a time. All the loss of work due to having to take time to go to the police compound, and all the times I have had to go to court for no insurance when in fact I had insurance. And points put on my driving licence to the fact I could not drive, this has all been costs to myself.
My Mother Lorraine Cordell has also written many of the emails and is fine with dealing with this issue.

information as to the date of the 14/11/2013 and after this date as to any dealing Jessica had with the stop on the 14/11/2013.

- Copy of all phone recordings between the police officer, and Jessica on the date of 14/11/2013.
- All phone recordings of any calls that were made, to KGM from Simon Cordell or Lorraine Cordell to try to stop his insurance policy being cancelled and to address the stop that was made on the 14/11/2013.
- The phone recording of when Kelly Tiller had asked Simon Cordell to go to the police compound, and get someone from the compound to call Kelly Tiller about the list of tools that was meant to have been in the van when the police stopped Mr |Simon Cordell on the 14/11/2013. I believe Simon Cordell went to the police compound on the 26/11/2013 and this is where the manager of the compound and Simon Cordell spoke to called Kelly Tiller and confirmed there was in fact no tools in the van.
- Copies of all emails that were sent from KGM to Broadsure and Broadsure to KGM with regard to the police stop of Simon Cordell on the 14/11/2013. This would include all emails of dates after the 14/11/2014 when Simon Cordell was trying to stop his insurance policy from being cancelled and was trying to address this matter of what the police had said about there being tools in his Van which was why the insurance policy was going to be cancelled.

Section 9 witness statement from:

- Kelly Tiller as to any dealing she had with the police stop on Simon Cordell on the 14/11/2013. This would include all dealing with Broadsure about this matter and any calls that was made to her by Simon Cordell and Lorraine Cordell, and any calls Kelly Tiller made about this matter about the cancellation of the policy and the stop by the police on the 14/11/2014 until this issue was addressed.
- This would also include all details of the call that was made by the police compound to Kelly Tiller on the 26/11/2013 to prove there were no tools in the van. Which in turn stopped the cancelation of the insurance policy as I believe the reason for the cancellation was due to Kelly Tiller saying he had voided his insurance due to there being tools in the van.
- Full details as to why the insurance policy was going to be cancelled and what Mr Simon Cordell was meant to have done wrong which would have in fact made his insurance policy void.

- Full details as to why in the end the insurance policy was not cancelled and the reasons for not cancelling which was due to Mr Simon Cordell going to the police compound and the police compound confirming to Kelly Tiller over the phone there was in fact no tools in the van.
- The reason why until Jan 2014 that Mr Simon Cordell's insurance did not show up on the MID database.
- Confirmation Simon Cordell did have insurance to drive on the 14/11/2014 and did not void his insurance in any way.
- Why Kelly Tiller did not deal with all the data protection requests that had been submitted to KGM, under the data protection act 1998 subject access request, as if this had been done Simon Cordell would not be in the court system for this case.

Information we need.pdf
Dear Andrew
Please see attached Insurance, which will show you full details of his insurance policy and dates covered.
Yes, we do want full discloser so this mater can be sorted out by the court and I can send the information over to the CPS for the case of the 14/11/2013 where the police officer told KGM I had tools in my van to void my insurance. Kelly Tiller from the trade section and Jessica know fully what went on and it was Jessica that took the phone call from the police officer. After this I believe Kelly Tiller took over dealing with my policy and she was the one that had the say to cancel my policy and she was the one that believed the police until I went to the police compound and spoke to the manager there where he spoke to Kelly Tiller. If I had not done this Kelly Tiller would have cancelled my policy of insurance and I have all the emails to prove this.
After Kelly Tiller found out I was not lying about having no tools in my van the insurance policy was kept in place, I did ask Kelly Tiller on more than once to send me the information and put data requests in which was not replied to. Now I have been found guilty when Kelly Tiller knows the truth that there was not tools and the police officer lied to KGM on the phone call.
I am the one that has suffered over all this not just on this case but all the times I have been taken to court for no insurance over the year my policy run with KGM due to it not showing on the MID database.
You should have all the emails already from Broadsure Direct and many was sent by them to KGM as I was told KGM could not talk to me and I had to deal with Broadsure Direct about my policy Martin Jenkins from Broadsure Direct should also have copies of all emails as I do.
I have spoken to DVLA today and asked for the data of how many times points was put on my licence due to not getting summons from police and then dealing with cases I knew nothing about and then I had to get the cases reopened, I have to write them a letter and they will send the data I have asked for in the post.
I do have a lot of letters which I will sort out scan and send over. But the 1st part I want to deal with is the court case I was found guilty at and have put an appeal in that is the most important to me right now.
We can deal with everything else once I get all the data scanned as there is really a lot and it was all due to KGM not sorting out why my insurance was not showing on the MID database. The seizers alone have left me out of pocket by around £1700.00. That is without all the days I have not been able to work due to my driving licence being messed up and showing points for no insurance. All the time going back and forward to the compound to collect my vehicles, and everything else I have had to deal with the courts when in fact I had done nothing wrong.
I have tried to deal with this for months and months without going to the ombudsman and KGM has taken no notice, it has taken me to go to the ombudsman for KGM to take any notice and I don't feel anyone would be happy with the this sort of service from KGM let alone any company doing this and causing someone so much suffering.
It was one of the police in the end at the compound who in the end worked out why it was not showing up on the MID and that was because there had been a space put within my Reg Numbers. It was that bad two police compounds new me and said each time not again.
299,
As you can see, I am not very happy about all of this, but I do not think anyone would be when they paid for their insurance and had done nothing wrong to suffer all this.

Therefore could you please get the information I need to send to the CPS; I have written what was needed from Nov 2014 and way before this, and it still has not been sent and I have this hanging over my head. I did not just get points on my licence I got disqualified from driving for 6 months due to repeat offending of no insurance please tell me why when I have paid for my insurance from KGM? The reason it has not been enforced is due to me putting an appeal in.
You can contact my mother on 0208 245 7454 or 07961 833021

In the meantime, I am keen to assist you if I can in confirming when cover was in force.
Please can you confirm if there is a contact number, I can call you or your Mother on and a time that is acceptable so that I can try and help resolve this particular issue for you.

Dear Andrew
I will forward this to you within a few days I will ask the police compound to do a full print out as to all the tickets as I believe there is a few missing.
I do have around 6 of the tickets here when the vehicles were sized I also do have court letters, and letters from DVLA, which I will forward over to you once I have scanned then in so please give me a few days and I will get back to you with this information as there is a lot of data..
The main one at this time I am worried about is the case where the vehicle was sized due to the police lying and me being found guilty at court you
300,
did have an email on the 30 November 2014 about what was needed, and I do have the court letter showing I was found guilty and about the appeal.
This data should have been given under the Subject access request under the Data Protection Act 1998 I put in, so was wondering what you can do about this and if you will need a new Subject access request under the Data Protection Act 1998 I have already sent 3 in so to do a 4th I do not feel I should need to do.
KGM have in fact not followed the protocol for the Subject access request under the Data Protection Act 1998 which has been put in 3 times already to KGM, I will be addressing this with the Information Commissioner's Office as I do not see any reason you would have to stop the information I have asked for under this act to prove I was not in fact guilty of no insurance.
And now say to deal with this you need information from me. I can understand you want the information for the complaint that has been put in, but not the information I asked for to show I was in fact I was insured for an appeal that is ongoing. And in fact, would not have been ongoing if the Subject access request under the Data Protection Act 1998 as I would not have been found guilty.
I would like the data sent to the court as soon as possible in regards to this so they can look at the facts and see if fact I was insured so there should be no need for the appeal to go ahead with more of my time wasted going to court.

Simon Cordell

Subject: RE: MT3574694
To Whom It May Concern:
I am writing due to the complaint I put in. I have forwarded emails to Broadsure Direct and spoken to Broadsure Direct who took the policy of insurance out policy no: MT3574694
I have been asking for information from KGM since 2013 and have heard nothing back.
When the policy was taken out there was some reason it did not show up on the MID database Broadsure Direct and KGM was aware of this.
Due to this fact I had my vehicles were sized a number of times I believe 8 or 9 times in all, where I had to pay the costs to get my vehicles out the compound each time. In the week when I was pulled by police it was not so bad as the insurance company was opened so when I showed the police my policy, they could call the insurance company.
The seizers happened mostly at the weekend mostly due to the insurance company being closed and the police could not talk to anyone even when I had my policy on me at all times to prove I did in fact have insurance.
I made many calls to the police, Broadsure Direct, KGM and the people who run the MID database, but the issue did not go away, and my vehicles still did not show up on the MID database.
There was also a time in Nov 2013 when my van was sized this was due to KGM telling the police I was not insured due to the police telling KGM that I had tools in my van. Which was a lie by the police as I did not have anything in my van. Kelly Tiller from the trade section was dealing with this and a few days later I got a letter from KGM saying they was going to cancel my policy. As you can understand I was very upset over this as I had done nothing wrong.
At this time lots of calls was both made to KMG and Broadsure to stop the cancelation of my insurance policy, I spoke to Kelly Tiller many times, but she believed the police and I had no say in the matter. The police was off duty so I could not speak to them and Kelly Tiller was saying unless I could prove I did not have any tools in my van then the insurance policy would be cancelled which was very unfair as I had done nothing wrong I knew I never had any tools.
But I also asked Kelly Tiller did the police tell her what tools was meant to be in my van, to which she said no. KGM was not even aware I had mechanics trade on my policy so if my mechanics tools had been in my van at the time my insurance would still have
302,
been cancelled which to me What was the point in having insurance?
I then spoke to a wonderful operator at the police when I called told her what had gone on and was told by her to go to the police compound as when any vehicles are taken there they have to do a full list of items that are in the vehicles as they are in fact legible if something goes missing. Over that weekend I sent emails to the compound and forwarded them to Broadsure as my insurance was due to be cancelled on the Monday. On Monday I got an email from Broadsure direct asking me to go to the compound as Kelly Tiller had no luck getting a reply from them also, and once there to call Kelly

Tiller due to the time on the Monday I got the email it would have been too late to go the compound and get a call to Kelly Tiller as she would have ended work for that day so I sent an email saying I would be going there early the next morning.
I went the next day and asked to speak to the manager of the compound who in fact looked up my van and said nothing was in there, there was not tools I called Kelly Tiller and the manager of the compound spoke to her and confirmed there was nothing in the van when it was taken there by police and that I had put thing in the van when I had taken it out of the compound.
At this point Kelly tiller believed me and said the policy would not be cancelled. But on my way back from the compound driving my phone ring and I stopped to pick it up and it was Broadsure direct saying my policy had in fact been cancelled I was very upset at this and told them what had happened, I was asked to hold on they was called KGM back and would call me right back. I waited till Broadsure direct called me back and confirmed my insurance policy had not been cancelled then drove home.
From this point I have been asking for all information and putting data protection acts in which have not been dealt with and I have heard nothing from KGM.
I have been back and forward to court due to no insurance and in fact 4 cases I did not get any summons so was in fact found guilty as I did not know it was even going to court.
I have had points put on my driving licence for no reason and had to go back and forward to court many times when this should not have been the case.
Then the case come up for the seizer when the police said I had tools in my van I went to court with all my documents but due to not having the information I had asked for from KGM many times about that case I was found guilty. I am very upset about the whole policy with KGM. I have put an appeal in, and this case will be going to crown court I have again asked for information and again heard nothing. These matters need to be addressed as I am suffering due to all of this.
Martin Jenkins at Broadsure Direct knows everything that has gone on as he was my main contact.
I also have all the emails the last one that I will enclose again, which I have heard nothing about and the 1st Subject access request under the Data Protection Act 1998 that I sent on the 26/11/2013. I did in fact send the Subject access request under the Data Protection Act 1998 about time times and asked Martin Jenkins to look into why I had heard nothing about more than once.
Once I get the appeal date for crown court, I will ask the court to summon the people at KGM to deal with this matter as they know I was insurance and did nothing wrong and the police lied. All I have asked for is the data so there will be no need to summons people this way I can send the section 9 witness statements over to the crown and the other information and this case should be dropped against me.
It just seemed that KGM does not want to do anything and give me the information I need to prove in fact I was insurance and the police lied to KGM to in fact make it that I was not insurance.
There is a lot more I could say about the insurance I had with KGM, but this insurance policy was my worst nightmare. It has messed my clean driving licence up and in fact got to the point I could not drive so could not work. Due to the fact, KGM could
303,
not send me the information over that was needed to prove I did have insurance.
If you need o can send over all the emails that has been sent back and forward to Broadsure who sent them to KGM.
I have lost a lot of money, and time due to this insurance policy I have had to pay for my vehicles to be taken out of the police compound around 8 to 9 times at a cost of £180.00 to £200.00 a time. All the loss of work due to having to take time to go to the police compound, and all the times I have had to go to court for no insurance when in fact I had insurance. And points put on my driving licence to the fact I could not drive, this has all been costs to myself.
My Mother Lorraine Cordell has also written many of the emails and is fine with dealing with this issue.

Hi Martin

Thank you for getting back to me about this matter, and for you contacting KGM and getting this addressed, please see the below information that will be needed. We will also still need the section 9 witness statement from you.

The below section is what will be needed from KGM.

Section 9 witness statement from:

1. Jessica about the call that she took, from the police officer who called KGM after Simon Cordell was stopped on the 14/11/2013. This statement will include what was said on the phone call by the police officer and what Jessica said to the police officer this would also include what sort of tools the police officer said there was in the van. Any other information as to the date of the 14/11/2013 and after this date as to any dealing Jessica had with the stop on the 14/11/2013.

2. Copy of all phone recordings between the police officer, and Jessica on the date of 14/11/2013.

3. All phone recordings of any calls that were made, to KGM from Simon Cordell or Lorraine Cordell to try to stop his insurance policy being cancelled and to address the stop that was made on the 14/11/2013.

4. The phone recording of when Kelly Tiller had asked Simon Cordell to go to the police compound, and get someone from the compound to call Kelly Tiller about the list of tools that was meant to have been in the van when the police stopped Mr |Simon Cordell on the 14/11/2013. I believe Simon Cordell went to the police compound on the 26/11/2013 and this is where the manager of the compound and Simon Cordell spoke to called Kelly Tiller and confirmed there was in fact no tools in the van.

5. Copies of all emails that were sent from KGM to Broadsure and Broadsure to KGM with regard to the police stop of Simon Cordell on the 14/11/2013. This would include all emails of dates after the 14/11/2014 when Simon Cordell was trying to stop his insurance policy from being cancelled and was trying to address this matter of what the police had said about there being tools in his Van which was why the insurance policy was going to be cancelled.

• **Section 9 witness statement from:**

6. Kelly Tiller as to any dealing she had with the police stop on Simon Cordell on the 14/11/2013. This would include all dealing with Broadsure about this matter and any calls that was made to her by Simon Cordell and Lorraine Cordell, and any calls Kelly Tiller made about this matter about the cancellation of the policy and the stop by the police on the 14/11/2014 until this issue was addressed.

7. This would also include all details of the call that was made by the police compound to Kelly Tiller on the 26/11/2013 to prove there were no tools in the van. Which in turn stopped the cancelation of the insurance policy as I believe the reason for the cancellation was due to Kelly Tiller saying he had voided his insurance due to there being tools in the van.

8. Full details as to why the insurance policy was going to be cancelled and what Mr Simon Cordell was meant to have done wrong which would have in fact made his insurance policy void.

9. Full details as to why in the end the insurance policy was not cancelled and the reasons for not cancelling which was due to Mr Simon Cordell going to the police compound and the police compound confirming to Kelly Tiller over the phone there was in fact no tools in the van.

10. The reason why until Jan 2014 that Mr Simon Cordell's insurance did not show up on the MID database.

11. Confirmation Simon Cordell did have insurance to drive on the 14/11/2014 and did not void his insurance in any way.

12. Why Kelly Tiller did not deal with all the data protection requests that had been submitted to KGM, under the data protection act 1998 subject access request, as if this had been done Simon Cordell would not be in the court system for this case.

Lorraine

To Whom It May Concern:
I am writing due to the complaint I put in. I have forwarded emails to Broadsure Direct and spoken to Broadsure Direct who took the policy of insurance out policy no: MT3574694
I have been asking for information from KGM since 2013 and have heard nothing back.
When the policy was taken out there was some reason it did not show up on the MID database Broadsure Direct and KGM was aware of this.
Due to this fact I had my vehicles were sized a number of times I believe 8 or 9 times in all, where I had to pay the costs to get my vehicles out the compound each time. In the week when I was pulled by police it was not so bad as the insurance company was opened so when I showed the police my policy, they could call the insurance company.
The seizers happened mostly at the weekend mostly due to the insurance company being closed and the police could not talk to anyone even when I had my policy on me at all times to prove I did in fact have insurance.
I made many calls to the police, Broadsure Direct, KGM and the people who run the MID database, but the issue did not go away, and my vehicles still did not show up on the MID database.
There was also a time in Nov 2013 when my van was sized this was due to KGM telling the police I was not insured due to the police telling KGM that I had tools in my van. Which was a lie by the police as I did not have anything in my van. Kelly Tiller from the trade section was dealing with this and a few days later I got a letter from KGM saying they was going to cancel my policy. As you can understand I was very upset over this as I had done nothing wrong.
At this time lots of calls was both made to KMG and Broadsure to stop the cancelation of my insurance policy, I spoke to Kelly Tiller many times, but she believed the police and I had no say in the matter. The police was off duty so I could not speak to them and Kelly Tiller was saying unless I could prove I did not have any tools in my van then the insurance policy would be cancelled which was very unfair as I had done nothing wrong I knew I never had any tools.
But I also asked Kelly Tiller did the police tell her what tools was meant to be in my van, to which she said no. KGM was not even aware I had mechanics trade on my policy so if my mechanics tools had been in my van at the time my insurance would still have been cancelled which to me what was the point in having insurance?

I then spoke to a wonderful operator at the police when I called told her what had gone on and was told by her to go to the police compound as when any vehicles are taken there they have to do a full list of items that are in the vehicles as they are in fact legible if something goes missing. Over that weekend I sent emails to the compound and forwarded them to Broadsure as my insurance was due to be cancelled on the Monday. On Monday I got an email from Broadsure direct asking me to go to the compound as Kelly Tiller had no luck getting a reply from them also, and once there to call Kelly Tiller due to the time on the Monday I got the email it would have been too late to go the compound and get a call to Kelly Tiller as she would have ended work for that day so I sent an email saying I would be going there early the next morning.

310,

I went the next day and asked to speak to the manager of the compound who in fact looked up my van and said nothing was in there, there was not tools I called Kelly Tiller and the manager of the compound spoke to her and confirmed there was nothing in the van when it was taken there by police and that I had put thing in the van when I had taken it out of the compound.

At this point Kelly tiller believed me and said the policy would not be cancelled. But on my way back from the compound driving my phone ring and I stopped to pick it up and it was Broadsure direct saying my policy had in fact been cancelled I was very upset at this and told them what had happened, I was asked to hold on they was called KGM back and would call me right back. I waited till Broadsure direct called me back and confirmed my insurance policy had not been cancelled then drove home.

From this point I have been asking for all information and putting data protection acts in which have not been dealt with and I have heard nothing from KGM.

I have been back and forward to court due to no insurance and in fact 4 cases I did not get any summons so was in fact found guilty as I did not know it was even going to court.

I have had points put on my driving licence for no reason and had to go back and forward to court many times when this should not have been the case.

Then the case come up for the seizer when the police said I had tools in my van I went to court with all my documents but due to not having the information I had asked for from KGM many times about that case I was found guilty. I am very upset about the whole policy with KGM. I have put an appeal in, and this case will be going to crown court I have again asked for information and again heard nothing. These matters need to be addressed as I am suffering due to all of this.

Martin Jenkins at Broadsure Direct knows everything that has gone on as he was my main contact.

I also have all the emails the last one that I will enclose again, which I have heard nothing about and the 1st Subject access request under the Data Protection Act 1998 that I sent on the 26/11/2013. I did in fact send the Subject access request under the Data Protection Act 1998 about time times and asked Martin Jenkins to look into why I had heard nothing about more than once.

Once I get the appeal date for crown court, I will ask the court to summons the people at KGM to deal with this matter as they know I was insurance and did nothing wrong and the police lied. All I have asked for is the data so there will be no need to summons people this way I can send the section 9 witness statements over to the crown and the other information and this case should be dropped against me.

It just seemed that KGM does not want to do anything and give me the information I need to prove in fact I was insurance and the police lied to KGM to in fact make it that I was not insurance.

There is a lot more I could say about the insurance I had with KGM, but this insurance policy was my worst nightmare. It has messed my clean driving licence up and in fact got to the point I could not drive so could not work. Due to the fact, KGM could not send me the information over that was needed to prove I did have insurance.

If you need o can send over all the emails that has been sent back and forward to Broadsure who sent them to KGM.

I have lost a lot of money, and time due to this insurance policy I have had to pay for my vehicles to be taken out of the police compound around 8 to 9 times at a cost of £180.00 to £200.00 a time. All the loss of work due to having to take time to go to the police compound, and all the times I have had to go to court for no insurance when in fact I had insurance. And points put on my driving licence to the fact I could not drive, this has all been costs to myself.

My Mother Lorraine Cordell has also written many of the emails and is fine with dealing with this issue.

311,

Regards

Simon Cordell

Hi Martin

Thank you for getting back to me about this matter, and for you contacting KGM and getting this addressed, please see the below information that will be needed. We will also still need the section 9 witness statement from you.
The below section is what will be needed from KGM.

• **Section 9 witness statement from:**

1. Jessica about the call that she took, from the police officer who called KGM after Simon Cordell was stopped on the 14/11/2013. This statement will include what was said on the phone call by the police officer and what Jessica said to the police officer this would also include what sort of tools the police officer said there was in the van. Any other information as to the date of the 14/11/2013 and after this date as to any dealing Jessica had with the stop on the 14/11/2013.

2. Copy of all phone recordings between the police officer, and Jessica on the date of 14/11/2013.

3. All phone recordings of any calls that were made, to KGM from Simon Cordell or Lorraine Cordell to try to stop his insurance policy being cancelled and to address the stop that was made on the 14/11/2013.

4. The phone recording of when Kelly Tiller had asked Simon Cordell to go to the police compound, and get someone from the compound to call Kelly Tiller about the list of tools that was meant to have been in the van when the police stopped Mr |Simon Cordell on the 14/11/2013. I believe Simon Cordell went to the police compound on the 26/11/2013 and this is where the manager of the compound and Simon Cordell spoke to called Kelly Tiller and confirmed there was in fact no tools in the van.

5. Copies of all emails that were sent from KGM to Broadsure and Broadsure to KGM with regard to the police stop of Simon Cordell on the 14/11/2013. This would include all emails of dates after the 14/11/2014 when Simon Cordell was trying to stop his insurance policy from being cancelled and was trying to address this matter of what the police had said about there being tools in his Van which was why the insurance policy was going to be cancelled.

• **Section 9 witness statement from:**

6. Kelly Tiller as to any dealing she had with the police stop on Simon Cordell on the 14/11/2013. This would include all dealing with Broadsure about this matter and any calls that was made to her by Simon Cordell and Lorraine Cordell, and any calls Kelly Tiller made about this matter about the cancellation of the policy and the stop by the police on the 14/11/2014 until this issue was addressed.

7. This would also include all details of the call that was made by the police compound to Kelly Tiller on the 26/11/2013 to prove there were no tools in the van. Which in turn stopped the cancelation of the insurance policy as I believe the reason for the cancellation was due to Kelly Tiller saying he had voided his insurance due to there being tools in the van.

8. Full details as to why the insurance policy was going to be cancelled and what Mr Simon Cordell was meant to have done wrong which would have in fact made his insurance policy void.

9. Full details as to why in the end the insurance policy was not cancelled and the reasons for not cancelling which was due to Mr Simon Cordell going to the police compound and the police compound confirming to Kelly Tiller over the phone there was in fact no tools in the van.

10. The reason why until Jan 2014 that Mr Simon Cordell's insurance did not show up on the MID database.

11. Confirmation Simon Cordell did have insurance to drive on the 14/11/2014 and did not void his insurance in any way.

12. Why Kelly Tiller did not deal with all the data protection requests that had been submitted to KGM, under the data protection act 1998 subject access request, as if this had been done Simon Cordell would not be in the court system for this case.

Lorraine

Dear Mr Cordell,
Thank you for your emails. I note that you have been liaising with Canopius in regard to your complaint and from the correspondence we have on file that it is your intention to go to court. Lloyd's complaints procedure is to offer policyholders the option for a review by Lloyd's, should they remain dissatisfied with the way in which their complaint has been handled. This is an independent review by a case officer at Lloyd's. However please note once a complaint becomes the subject of a court case Lloyd's can take no further action and we would have to cease our investigation. Therefore, please can you confirm whether you are providing these emails for information only or whether you wish Lloyd's to review your case in place of potential court proceedings.

Dear Andrew
Please see attached Insurance, which will show you full details of his insurance policy and dates covered. Yes, we do want full discloser so this mater can be sorted out by the court and I can send the information over to the CPS for the case of the 14/11/**2013** where the police officer told KGM I had tools in my van to void my insurance. Kelly Tiller from the trade section and Jessica know fully what went on and it was Jessica that took the phone call from the police officer. After this I believe Kelly Tiller took over dealing with my policy and she was the one that had the say to cancel my policy and she was the one that believed the police until I went to the police compound and spoke to the manager there where he spoke to Kelly Tiller. If I had not done this Kelly Tiller would have cancelled me

Dear Mrs Cheryl Shannon
Thank you for the email it is not my intention to go to court yet. But due to the mess up with my insurance from KGM my driving licence has been very badly damaged, and I have suffered due to the insurance I had with KGM not showing up on the Police MID database. This in turn made me keep getting pulled by the police on the weekdays it was not so bad as I always had to carry my insurance policy and showed the police and they called my insurance company. But at the weekends due to the insurance company being closed the police could not confirm I had insurance so my vehicles were sized which in turn I suffered with the cost to take my vehicles out of the police compound and wasted my time having to go to the compound when there should have been no need. Also, it caused me problems getting home after the police sized my vehicles. I am out of pocket of around £1700.00 just for the cost to get my vehicles out of the compound this is without everything else that has led on due to it showing I was not insured. I have had to go to a number of court cases just to prove I had insurance and then there have been cases where I have had no summons from the police so could not file I was pleading not guilty so they found me guilty when I did not even know there was a court case going ahead. This has put points on my driving licence and fines, and I have been banned from driving. I have had to spend my time to get the cases reopened once I knew about them also.
1294,
In addition, there was one case when the police lied to my insurance company that I had tools in my van which I did not. Which I had to spend more of my time to prove to KGM that in fact there was no tools in my van as my insurance was getting cancelled for no good reason. I done this by way of having to go to the police compound as when any vehicle is impounded, they have list everything that was in the vehicle. When I got to the police compound I spoke to a manager who confirmed there were no tools, and a telephone call was made to Kelly Tiller at KGM and she spoke to the manager and he confirmed to her there was no tools when the van was taken into the police compound or when it was removed from the police compound. I knew this case would go to court as the police office had in fact tried to make my insurance void, so I put in Subject access request under the Data Protection Act 1998 to be able to get the information I knew I would need. KGM done nothing about this I did not get one reply from putting 3 Subject access requests under the Data Protection Act 1998 this was going back to Nov **2013**. this case was heard at court and due to not having the information I needed to prove the police office was not telling the truth I was found guilty and disqualified from driving for 6 months due to repeat offending of no insurance. I have appealed this as I was insured but need the data which KGM hold to prove this, but they will not give me it. This case is due to go to the crown court I have not got a date yet but if I can get the information to the CPS it will not need to go to appeal. I have asked KGM again in Nov **2014** for the information and written what would be needed just for this case, and they still have not sent it and I being asked for information. ATM as it stands KGM have failed to comply with 3 Subject access requests under the Data Protection Act 1998 and follow the correct protocol for acting on a Subject access request under the Data Protection Act 1998. All this is having a huge impact on my life not being able to drive due to points on my driving licence which in fact was clean now I have such a mess to sort out just to get all of this sorted when I was in fact insured and had paid for my insurance and have done nothing wrong. Yes, I am very upset over all of this and KGM is not helping I have been asking and asking and getting nowhere I should not be going through this. Yes I do want my money back I have lost but right now I want these court cases to be dealt with and for my driving licence to go back to being clean with no points this is the most important part for me but KGM does not seem to understand this and this is upsetting me even more, the insurance I took out with KGM has turned into a nightmare and I don't know when this is going to end and they are going to deal with this matter so I can clear my name with DVLA and the courts. I am forwarding you all the emails I am sending so you can see what is going on and keep updated. As you can see, I am not getting very far with the information I need to clear my name with the courts and DVLA. If KGM fail to comply with the Subject access request under the Data Protection Act 1998 and give me the information I need within 7 days I will be putting it in your hands to deal with all of the matters as this has been going on long enough.

Dear Andrew
Please see attached Insurance, which will show you full details of his insurance policy and dates covered. Yes, we do want full discloser so this mater can be sorted out by the court and I can send the information over to the CPS for the case of the 14/11/**2013** where the police officer told KGM I had tools in my van to void my insurance. Kelly Tiller from the trade section and Jessica know fully what went on and it was Jessica that took the phone call from the police officer. After this I believe Kelly Tiller took over dealing with my policy and she was the one that had the say to cancel my policy and she was the one that believed the police until I went to the police compound and spoke to the manager there where he spoke to Kelly Tiller. If I had not done this Kelly Tiller would have cancelled my policy of insurance and I have all the emails to prove this. After Kelly Tiller found out I was not lying about having no tools in my van the insurance policy was kept in place, I did ask Kelly Tiller on more than once to send me the information and put data requests in which was not replied to. Now I have been found guilty when Kelly Tiller knows the truth that there was not tools and the police officer lied to KGM on the phone call. I am the one that has suffered over all this not just on this case but all the times I have been taken to court for no insurance over the year my policy run with KGM due to it not showing on the MID

Dear Mrs Cheryl Shannon
1305,
Thank you for the email it is not my intention to go to court yet. But due to the mess up with my insurance from KGM my driving licence has been very badly damaged, and I have suffered due to the insurance I had with KGM not showing up on the Police MID database. This in turn made me keep getting pulled by the police on the weekdays it was not so bad as I always had to carry my insurance policy and showed the police and they called my insurance company. But at the weekends due to the insurance company being closed the police could not confirm I had insurance so my vehicles were sized which in turn I suffered with the cost to take my vehicles out of the police compound and wasted my time having to go to the compound when there should have been no need. Also, it caused me problems getting home after the police sized my vehicles. I am out of pocket of around £1700.00 just for the cost to get my vehicles out of the compound this is without everything else that has led on due to it showing I was not insured. I have had to go to a number of court cases just to prove I had insurance and then there have been cases where I have had no summons from the police so could not file I was pleading not guilty so they found me guilty when I did not even know there was a court case going ahead. This has put points on my driving licence and fines, and I have been banned from driving. I have had to spend my time to get the cases reopened once I knew about them also. In addition, there was one case when the police lied to my insurance company that I had tools in my van which I did not. Which I had to spend more of my time to prove to KGM that in fact there was no tools in my van as my insurance was getting cancelled for no good reason. I done this by way of having to go to the police compound as when any vehicle is impounded, they have list everything that was in the vehicle. When I

got to the police compound I spoke to a manager who confirmed there were no tools, and a telephone call was made to Kelly Tiller at KGM and she spoke to the manager and he confirmed to her there was no tools when the van was taken into the police compound or when it was removed from the police compound. I knew this case would go to court as the police office had in fact tried to make my insurance void, so I put in Subject access request under the Data Protection Act 1998 to be able to get the information I knew I would need. KGM done nothing about this I did not get one reply from putting 3 Subject access requests under the Data Protection Act 1998 this was going back to Nov **2013**. this case was heard at court and due to not having the information I needed to prove the police office was not telling the truth I was found guilty and disqualified from driving for 6 months due to repeat offending of no insurance. I have appealed this as I was insured but need the data which KGM hold to prove this, but they will not give me it. This case is due to go to the crown court I have not got a date yet but if I can get the information to the CPS it will not need to go to appeal. I have asked KGM again in Nov **2014** for the information and written what would be needed just for this case, and they still have not sent it and I being asked for information. Dear Andrew
Please see attached Insurance, which will show you full details of his insurance policy and dates covered.
Yes, we do want full discloser so this mater can be sorted out by the court and I can send the information over to the CPS for the case of the 14/11/2013 where the police officer told KGM I had tools in my van to void my insurance. Kelly Tiller from the trade section and Jessica know fully what went on and it was Jessica that took the phone call from the police officer. After this I believe Kelly Tiller took over dealing with my policy and she was the one that had the say to cancel my policy and she was the one that believed the police until I went to the police compound and spoke to the manager there where he spoke to Kelly Tiller. If I had not done this Kelly Tiller would have cancelled my policy of insurance and I have all the emails to prove this.
320,
After Kelly Tiller found out I was not lying about having no tools in my van the insurance policy was kept in place, I did ask Kelly Tiller on more than once to send me the information and put data requests in which was not replied to. Now I have been found guilty when Kelly Tiller knows the truth that there was not tools and the police officer lied to KGM on the phone call.
I am the one that has suffered over all this not just on this case but all the times I have been taken to court for no insurance over the year my policy run with KGM due to it not showing on the MID database.
You should have all the emails already from Broadsure Direct and many was sent by them to KGM as I was told KGM could not talk to me and I had to deal with Broadsure Direct about my policy Martin Jenkins from Broadsure Direct should also have copies of all emails as I do.
I have spoken to DVLA today and asked for the data of how many times points was put on my licence due to not getting summons from police and then dealing with cases I knew nothing about and then I had to get the cases reopened, I have to write them a letter and they will send the data I have asked for in the post.
I do have a lot of letters which I will sort out scan and send over. But the 1st part I want to deal with is the court case I was found guilty at and have put an appeal in that is the most important to me right now.
We can deal with everything else once I get all the data scanned as there is really a lot and it was all due to KGM not sorting out why my insurance was not showing on the MID database. The seizers alone have left me out of pocket by around £1700.00. That is without all the days I have not been able to work due to my driving licence being messed up

and showing points for no insurance. All the time going back and forward to the compound to collect my vehicles, and everything else I have had to deal with the courts when in fact I had done nothing wrong.
I have tried to deal with this for months and months without going to the ombudsman and KGM has taken no notice, it has taken me to go to the ombudsman for KGM to take any notice and I don't feel anyone would be happy with the this sort of service from KGM let alone any company doing this and causing someone so much suffering.
It was one of the police in the end at the compound who in the end worked out why it was not showing up on the MID and that was because there had been a space put within my Reg Numbers. It was that bad two police compounds new me and said each time not again.
As you can see, I am not very happy about all of this, but I do not think anyone would be when they paid for their insurance and had done nothing wrong to suffer all this.
Therefore could you please get the information I need to send to the CPS; I have written what was needed from Nov 2014 and way before this, and it still has not been sent and I have this hanging over my head. I did not just get points on my licence I got disqualified from driving for 6 months due to repeat offending of no insurance please tell me why when I have paid for my insurance from KGM? The reason it has not been enforced is due to me putting an appeal in.

Dear Andrew
I will forward this to you within a few days I will ask the police compound to do a full print out as to all the tickets as I believe there is a few missing.
I do have around 6 of the tickets here when the vehicles were sized I also do have court letters, and letters from DVLA, which I will forward over to you once I have scanned then in so please give me a few days and I will get back to you with this information as there is a lot of data..
The main one at this time I am worried about is the case where the vehicle was sized due to the police lying and me being found guilty at court you did have an email on the 30 November 2014 about what was needed and I do have the court letter showing I was found guilty and about the appeal.
This data should have been given under the Subject access request under the Data Protection Act 1998 I put in, so was wondering what you can do about this and if you will need a new Subject access request under the Data Protection Act 1998 I have already sent 3 in so to do a 4th I do not feel I should need to do.
KGM have in fact not followed the protocol for the Subject access request under the Data Protection Act 1998 which has been put in 3 times already to KGM, I will be addressing this with the Information Commissioner's Office as I do not see any reason you would have to stop the information I have asked for under this act to prove I was not in fact guilty of no insurance.
And now say to deal with this you need information from me. I can understand you want the information for the complaint that has been put in, but not the information I asked for to show I was in fact I was insured for an appeal that is ongoing. And in fact would not have been ongoing if the Subject access request under the Data Protection Act 1998 as I would not have been found guilty.

I would like the data sent to the court as soon as possible in regards to this so they can look at the facts and see if fact I was insured so there should be no need for the appeal to go ahead with more of my time wasted going to court.

Subject: RE: MT3574694

323,

To Whom It May Concern:

I am writing due to the complaint I put in. I have forwarded emails to Broadsure Direct and spoken to Broadsure Direct who took the policy of insurance out policy no: MT3574694

I have been asking for information from KGM since 2013 and have heard nothing back.

When the policy was taken out there was some reason it did not show up on the MID database Broadsure Direct and KGM was aware of this.

Due to this fact I had my vehicles were sized a number of times I believe 8 or 9 times in all, where I had to pay the costs to get my vehicles out the compound each time. In the week when I was pulled by police it was not so bad as the insurance company was opened so when I showed the police my policy, they could call the insurance company.

The seizers happened mostly at the weekend mostly due to the insurance company being closed and the police could not talk to anyone even when I had my policy on me at all times to prove I did in fact have insurance.

I made many calls to the police, Broadsure Direct, KGM and the people who run the MID database, but the issue did not go away, and my vehicles still did not show up on the MID database.

There was also a time in Nov 2013 when my van was sized this was due to KGM telling the police I was not insured due to the police telling KGM that I had tools in my van. Which was a lie by the police as I did not have anything in my van. Kelly Tiller from the trade section was dealing with this and a few days later I got a letter from KGM saying they was going to cancel my policy. As you can understand I was very upset over this as I had done nothing wrong.

At these times lots of calls was both made to KMG and Broadsure to stop the cancelation of my insurance policy, I spoke to Kelly Tiller many times, but she believed the police and I had no say in the matter. The police was off duty so I could not speak to them and Kelly Tiller was saying unless I could prove I did not have any tools in my van then the insurance policy would be cancelled which was very unfair as I had done nothing wrong I knew I never had any tools.

But I also asked Kelly Tiller did the police tell her what tools was meant to be in my van, to which she said no. KGM was not even aware I had mechanics trade on my policy so if my mechanics tools had been in my van at the time my insurance would still have been cancelled which to me what was the point in having insurance?
I then spoke to a wonderful operator at the police when I called told her what had gone on and was told by her to go to the police compound as when any vehicles are taken there they have to do a full list of items that are in the vehicles as they are in fact legible if something goes missing. Over that weekend I sent emails to the compound and forwarded them to Broadsure as my insurance was due to be cancelled on the Monday. On Monday I got an email from Broadsure direct asking me to go to the compound as Kelly Tiller had no luck getting a reply from them also, and once there to call Kelly Tiller due to the time on the Monday I got the email it would have been too late to go the compound and get a call to Kelly Tiller as she would have ended work for that day so I sent an email saying I would be going there early the next morning.
I went the next day and asked to speak to the manager of the compound who in fact looked up my van and said nothing was in there, there was not tools I called Kelly Tiller and the manager of the compound spoke to her and confirmed there was nothing in the van when it was taken there by police and that I had put thing in the van when I had taken it out of the compound.
At this point Kelly tiller believed me and said the policy would not be cancelled. But on my way back from the compound driving my phone ring and I stopped to pick it up and it was Broadsure direct saying my policy had in fact been cancelled I was very upset at this and told them what had happened, I was asked to hold on they was called KGM back and would call me right back. I

324,

waited till Broadsure direct called me back and confirmed my insurance policy had not been cancelled then drove home.
From this point I have been asking for all information and putting data protection acts in which have not been dealt with and I have heard nothing from KGM.
I have been back and forward to court due to no insurance and in fact 4 cases I did not get any summons so was in fact found guilty as I did not know it was even going to court.
I have had points put on my driving licence for no reason and had to go back and forward to court many times when this should not have been the case.
Then the case come up for the seizer when the police said I had tools in my van I went to court with all my documents but due to not having the information I had asked for from KGM many times about that case I was found guilty. I am very upset about the whole policy with KGM. I have put an appeal in, and this case will be going to crown court I have again asked for information and again heard nothing. These matters need to be addressed as I am suffering due to all of this.
Martin Jenkins at Broadsure Direct knows everything that has gone on as he was my main contact.
I also have all the emails the last one that I will enclose again, which I have heard nothing about and the 1st Subject access request under the Data Protection Act 1998 that I sent on the 26/11/2013. I did in fact send the Subject access request under the Data Protection Act 1998 about time times and asked Martin Jenkins to look into why I had heard nothing about more than once.
Once I get the appeal date for crown court, I will ask the court to summons the people at KGM to deal with this matter as they know I was insurance and did nothing wrong and the police lied. All I have asked for is the data so there will be no need to summons people this way I can send the section 9 witness statements over to the crown and the other information and this case should be dropped against me.
It just seemed that KGM does not want to do anything and give me the information I need to prove in fact I was insurance and the police lied to KGM to in fact make it that I was not insurance.
There is a lot more I could say about the insurance I had with KGM, but this insurance policy was my worst nightmare. It has messed my clean driving licence up and in fact got to the point I could not drive so could not work. Due to the fact, KGM could not send me the information over that was needed to prove I did have insurance.
If you need o can send over all the emails that has been sent back and forward to Broadsure who sent them to KGM.
I have lost a lot of money, and time due to this insurance policy I have had to pay for my vehicles to be taken out of the police compound around 8 to 9 times at a cost of £180.00 to £200.00 a time. All the loss of work due to having to take time to go to the police compound, and all the times I have had to go to court for no insurance when in fact I had insurance. And points put on my driving licence to the fact I could not drive, this has all been costs to myself.
My Mother Lorraine Cordell has also written many of the emails and is fine with dealing with this issue.
Regards
Simon Cordell

Hi Martin

Thank you for getting back to me about this matter, and for you contacting KGM and getting this addressed, please see the below information that will be needed. We will also still need the section 9 witness statement from you.

The below section is what will be needed from KGM.

- Section 9 witness statement from:

1. Jessica about the call that she took, from the police officer who called KGM after Simon Cordell was stopped on the 14/11/2013. This statement will include what was said on the phone call by the police officer and what Jessica said to the police officer this would also include what sort of tools the police officer said there was in the van. Any other

information as to the date of the 14/11/2013 and after this date as to any dealing Jessica had with the stop on the 14/11/2013.

2. Copy of all phone recordings between the police officer, and Jessica on the date of 14/11/2013.

3. All phone recordings of any calls that were made, to KGM from Simon Cordell or Lorraine Cordell to try to stop his insurance policy being cancelled and to address the stop that was made on the 14/11/2013.

4. The phone recording of when Kelly Tiller had asked Simon Cordell to go to the police compound, and get someone from the compound to call Kelly Tiller about the list of tools that was meant to have been in the van when the police stopped Mr |Simon Cordell on the 14/11/2013. I believe Simon Cordell went to the police compound on the 26/11/2013 and this is where the manager of the compound and Simon Cordell spoke to called Kelly Tiller and confirmed there was in fact no tools in the van.

5. Copies of all emails that were sent from KGM to Broadsure and Broadsure to KGM with regard to the police stop of Simon Cordell on the 14/11/2013. This would include all emails of dates after the 14/11/2014 when Simon Cordell was trying to stop his insurance policy from being cancelled and was trying to address this matter of what the police had said about there being tools in his Van which was why the insurance policy was going to be cancelled.

• **Section 9 witness statement from:**

6. Kelly Tiller as to any dealing she had with the police stop on Simon Cordell on the 14/11/2013. This would include all dealing with Broadsure about this matter and any calls that was made to her by Simon Cordell and Lorraine Cordell, and any calls Kelly Tiller made about this matter about the cancellation of the policy and the stop by the police on the 14/11/2014 until this issue was addressed.

7. This would also include all details of the call that was made by the police compound to Kelly Tiller on the 26/11/2013 to prove there were no tools in the van. Which in turn stopped the cancelation of the insurance policy as I believe the reason for the cancellation was due to Kelly Tiller saying he had voided his insurance due to there being tools in the van.

8. Full details as to why the insurance policy was going to be cancelled and what Mr Simon Cordell was meant to have done wrong which would have in fact made his insurance policy void.

9. Full details as to why in the end the insurance policy was not cancelled and the reasons for not cancelling which was due to Mr Simon Cordell going to the police compound and the police compound confirming to Kelly Tiller over the phone there was in fact no tools in the van.

10. The reason why until Jan 2014 that Mr Simon Cordell's insurance did not show up on the MID database.

11. Confirmation Simon Cordell did have insurance to drive on the 14/11/2014 and did not void his insurance in any way.

12. Why Kelly Tiller did not deal with all the data protection requests that had been submitted to KGM, under the data protection act 1998 subject access request, as if this had been done Simon Cordell would not be in the court system for this case.

Lorraine

Subject: RE: Notification Case No 8079/2014 - MT3574694
Dear Mrs Cheryl Shannon
332,
Thank you for the email it is not my intention to go to court yet.
But due to the mess up with my insurance from KGM my driving licence has been very badly damaged, and I have suffered due to the insurance I had with KGM not showing up on the Police MID database. This in turn made me keep getting pulled by the police on the weekdays it was not so bad as I always had to carry my insurance policy and showed the police and they called my insurance company. But at the weekends due to the insurance company being closed the police could not confirm I had insurance so my vehicles were sized which in turn I suffered with the cost to take my vehicles out of the police compound and wasted my time having to go to the compound when there should have been no need. Also it caused me problems getting home after the police sized my vehicles. I am out of pocket of around £1700.00 just for the cost to get my vehicles out of the compound this is without everything else that has led on due to it showing I was not insured.
I have had to go to a number of court cases just to prove I had insurance and then there have been cases where I have had no summons from the police so could not file I was pleading not guilty so they found me guilty when I did not even know there was a court case going ahead.

This has put points on my driving licence and fines, and I have been banned from driving. I have had to spend my time to get the cases reopened once I knew about them also.
In addition, there was one case when the police lied to my insurance company that I had tools in my van which I did not. Which I had to spend more of my time to prove to KGM that in fact there was no tools in my van as my insurance was getting cancelled for no good reason. I done this by way of having to go to the police compound as when any vehicle is impounded, they have list everything that was in the vehicle. When I got to the police compound I spoke to a manager who confirmed there were no tools, and a telephone call was made to Kelly Tiller at KGM and she spoke to the manager and he confirmed to her there was no tools when the van was taken into the police compound or when it was removed from the police compound.
I knew this case would go to court as the police office had in fact tried to make my insurance void, so I put in Subject access request under the Data Protection Act 1998 to be able to get the information I knew I would need. KGM done nothing about this I did not get one reply from putting 3 Subject access requests under the Data Protection Act 1998 this was going back to Nov 2013. this case was heard at court and due to not having the information I needed to prove the police office was not telling the truth I was found guilty and disqualified from driving for 6 months due to repeat offending of no insurance. I have appealed this as I was insured but need the data which KGM hold to prove this, but they will not give me it. This case is due to go to the crown court I have not got a date yet but if I can get the information to the CPS it will not need to go to appeal. I have asked KGM again in Nov 2014 for the information and written what would be needed just for this case, and they still have not sent it and I being asked for information.
ATM as it stands KGM have failed to comply with 3 Subject access requests under the Data Protection Act 1998 and follow the correct protocol for acting on a Subject access request under the Data Protection Act 1998.
All this is having a huge impact on my life not being able to drive due to points on my driving licence which in fact was clean now I have such a mess to sort out just to get all of this sorted when I was in fact insured and had paid for my insurance and have done nothing wrong.
Yes, I am very upset over all of this and KGM is not helping I have been asking and asking and getting nowhere I should not be going through this. Yes I do want my money back I have lost but right now I want these court cases to be dealt with and for my driving licence to go back to being clean with no points this is the most important part for me but KGM does not seem to understand this and this is upsetting me even more, the insurance I took out with KGM has turned into a nightmare and I don't know when this is going to end and they are going to deal with this matter so I can clear my name with DVLA and the courts.
I am forwarding you all the emails I am sending so you can see what is going on and keep updated. As you can see, I am not getting very far with the information I need to clear my name with the courts and DVLA. If KGM fail to comply with the Subject access request under the Data Protection Act 1998 and give me the information I need within 7 days I will be putting it in your hands to deal with all of the matters as this has been going on long enough.
333,
Regards

Dear Mr Cordell,
Thank you for your emails.
I note that you have been liaising with Canopius in regard to your complaint and from the correspondence we have on file that it is your intention to go to court.
Lloyd's complaints procedure is to offer policyholders the option for a review by Lloyd's, should they remain dissatisfied with the way in which their complaint has been handled. This is an independent review by a case officer at Lloyd's. However please note once a complaint becomes the subject of a court case Lloyd's can take no further action and we would have to cease our investigation.
Therefore, please can you confirm whether you are providing these emails for information only or whether you wish Lloyd's to review your case in place of potential court proceedings.
Kind regards Cheryl

Dear Andrew
Please see attached Insurance, which will show you full details of his insurance policy and dates covered.
Yes, we do want full discloser so this mater can be sorted out by the court and I can send the information over to the CPS for the case of the 14/11/2013 where the police officer told KGM I had tools in my van to void my insurance. Kelly Tiller from the trade section and Jessica know fully what went on and it was Jessica that took the phone call from the police officer. After this I believe Kelly Tiller took over dealing with my policy and she was the one that had the say to cancel my policy and she was the one that
334,
believed the police until I went to the police compound and spoke to the manager there where he spoke to Kelly Tiller. If I had not done this Kelly Tiller would have cancelled my policy of insurance and I have all the emails to prove this.
After Kelly Tiller found out I was not lying about having no tools in my van the insurance policy was kept in place, I did ask Kelly Tiller on more than once to send me the information and put data requests in which was not replied to. Now I have been found guilty when Kelly Tiller knows the truth that there was not tools and the police officer lied to KGM on the phone call.
I am the one that has suffered over all this not just on this case but all the times I have been taken to court for no insurance over the year my policy run with KGM due to it not showing on the MID database.
You should have all the emails already from Broadsure Direct and many was sent by them to KGM as I was told KGM could not talk to me and I had to deal with Broadsure Direct about my policy Martin Jenkins from Broadsure Direct should also have copies of all emails as I do.
I have spoken to DVLA today and asked for the data of how many times points was put on my licence due to not getting summons from police and then dealing with cases I knew nothing about and then I had to get the cases reopened, I have to write them a letter and they will send the data I have asked for in the post.
I do have a lot of letters which I will sort out scan and send over. But the 1st part I want to deal with is the court case I was found guilty at and have put an appeal in that is the most important to me right now.
We can deal with everything else once I get all the data scanned as there is really a lot and it was all due to KGM not sorting out why my insurance was not showing on the MID database. The seizers alone have left me out of pocket by around £1700.00. That is without all the days I have not been able to work due to my driving licence being messed up and showing points for no insurance. All the time going back and forward to the compound to collect my vehicles, and everything else I have had to deal with the courts when in fact I had done nothing wrong.
I have tried to deal with this for months and months without going to the ombudsman and KGM has taken no notice, it has taken me to go to the ombudsman for KGM to take any notice and I don't feel anyone would be happy with the this sort of service from KGM let alone any company doing this and causing someone so much suffering.
It was one of the police in the end at the compound who in the end worked out why it was not showing up on the MID and that was because there had been a space put within my Reg Numbers. It was that bad two police compounds new me and said each time not again.
As you can see, I am not very happy about all of this, but I do not think anyone would be when they paid for their insurance and had done nothing wrong to suffer all this.
Therefore could you please get the information I need to send to the CPS; I have written what was needed from Nov 2014 and way before this, and it still has not been sent and I have this hanging over my head. I did not just get points on my licence I got disqualified from driving for 6 months due to repeat offending of no insurance please tell me why when I have paid for my insurance from KGM? The reason it has not been enforced is due to me putting an appeal in.

Dear Andrew

I will forward this to you within a few days I will ask the police compound to do a full print out as to all the tickets as I believe there is a few missing.

I do have around 6 of the tickets here when the vehicles were sized I also do have court letters, and letters from DVLA, which I will forward over to you once I have scanned then in so please give me a few days and I will get back to you with this information as there is a lot of data..

The main one at this time I am worried about is the case where the vehicle was sized due to the police lying and me being found guilty at court you did have an email on the 30 November 2014 about what was needed and I do have the court letter showing I was found guilty and about the appeal.

This data should have been given under the Subject access request under the Data Protection Act 1998 I put in, so was wondering what you can do about this and if you will need a new Subject access request under the Data Protection Act 1998 I have already sent 3 in so to do a 4th I do not feel I should need to do.

KGM have in fact not followed the protocol for the Subject access request under the Data Protection Act 1998 which has been put in 3 times already to KGM, I will be addressing this with the Information Commissioner's Office as I do not see any reason you would have to stop the information I have asked for under this act to prove I was not in fact guilty of no insurance.

And now say to deal with this you need information from me. I can understand you want the information for the complaint that has been put in, but not the information I asked for to show I was in fact I was insured for an appeal that is ongoing. And in fact would not have been ongoing if the Subject access request under the Data Protection Act 1998 as I would not have been found guilty.

336,

I would like the data sent to the court as soon as possible in regards to this so they can look at the facts and see if fact I was insured so there should be no need for the appeal to go ahead with more of my time wasted going to court.

Regards

Simon Cordell

To Whom It May Concern:
I am writing due to the complaint I put in. I have forwarded emails to Broadsure Direct and spoken to Broadsure Direct who took the policy of insurance out policy no: MT3574694
I have been asking for information from KGM since 2013 and have heard nothing back.
When the policy was taken out there was some reason it did not show up on the MID database Broadsure Direct and KGM was aware of this.
Due to this fact I had my vehicles were sized a number of times I believe 8 or 9 times in all, where I had to pay the costs to get my vehicles out the compound each time. In the week when I was pulled by police it was not so bad as the insurance company was opened so when I showed the police my policy, they could call the insurance company.
The seizers happened mostly at the weekend mostly due to the insurance company being closed and the police could not talk to anyone even when I had my policy on me at all times to prove I did in fact have insurance.
I made many calls to the police, Broadsure Direct, KGM and the people who run the MID database, but the issue did not go away, and my vehicles still did not show up on the MID database.
There was also a time in Nov 2013 when my van was sized this was due to KGM telling the police I was not insured due to the police telling KGM that I had tools in my van. Which was a lie by the police as I did not have anything in my van. Kelly Tiller from the trade section was dealing with this and a few days later I got a letter from KGM saying they was going to cancel my policy. As you can understand I was very upset over this as I had done nothing wrong.
At this time lots of calls was both made to KMG and Broadsure to stop the cancelation of my insurance policy, I spoke to Kelly Tiller many times, but she believed the police and I had no say in the matter. The police was off duty so I could not speak to them and Kelly Tiller was saying unless I could prove I did not have any tools in my van then the insurance policy would be cancelled which was very unfair as I had done nothing wrong I knew I never had any tools.
But I also asked Kelly Tiller did the police tell her what tools was meant to be in my van, to which she said no. KGM was not even aware I had mechanics trade on my policy so if my mechanics tools had been in my van at the time my insurance would still have been cancelled which to me what was the point in having insurance?
I then spoke to a wonderful operator at the police when I called told her what had gone on and was told by her to go to the police compound as when any vehicles are taken there they have to do a full list of items that are in the vehicles as they are in fact legible if something goes missing. Over that weekend I sent emails to the compound and forwarded them to Broadsure as my insurance was due to be cancelled on the Monday. On Monday I got an email from Broadsure direct asking me to go to the compound as Kelly Tiller had no luck getting a reply from them also, and once there to call Kelly Tiller due to the time on the Monday I got the email it would have been too late to go the compound and get a call to Kelly Tiller as she would have ended work for that day so I sent an email saying I would be going there early the next morning.
I went the next day and asked to speak to the manager of the compound who in fact looked up my van and said nothing was in there, there was not tools I called Kelly Tiller and the manager of the compound spoke to her and confirmed there was nothing in the van when it was taken there by police and that I had put thing in the van when I had taken it out of the compound.
At this point Kelly tiller believed me and said the policy would not be cancelled. But on my way back from the compound driving
338,
my phone ring and I stopped to pick it up and it was Broadsure direct saying my policy had in fact been cancelled I was very upset at this and told them what had happened, I was asked to hold on they was called KGM back and would call me right back. I waited till Broadsure direct called me back and confirmed my insurance policy had not been cancelled then drove home.
From this point I have been asking for all information and putting data protection acts in which have not been dealt with and I have heard nothing from KGM.
I have been back and forward to court due to no insurance and in fact 4 cases I did not get any summons so was in fact found guilty as I did not know it was even going to court.
I have had points put on my driving licence for no reason and had to go back and forward to court many times when this should not have been the case.
Then the case come up for the seizer when the police said I had tools in my van I went to court with all my documents but due to not having the information I had asked for from KGM many times about that case I was found guilty. I am very upset about the whole policy with KGM. I have put an appeal in, and this case will be going to crown court I have again asked for information and again heard nothing. These matters need to be addressed as I am suffering due to all of this.

Martin Jenkins at Broadsure Direct knows everything that has gone on as he was my main contact.
I also have all the emails the last one that I will enclose again, which I have heard nothing about and the 1st Subject access request under the Data Protection Act 1998 that I sent on the 26/11/2013. I did in fact send the Subject access request under the Data Protection Act 1998 about time times and asked Martin Jenkins to look into why I had heard nothing about more than once.
Once I get the appeal date for crown court, I will ask the court to summons the people at KGM to deal with this matter as they know I was insurance and did nothing wrong and the police lied. All I have asked for is the data so there will be no need to summons people this way I can send the section 9 witness statements over to the crown and the other information and this case should be dropped against me.
It just seemed that KGM does not want to do anything and give me the information I need to prove in fact I was insurance and the police lied to KGM to in fact make it that I was not insurance.
There is a lot more I could say about the insurance I had with KGM, but this insurance policy was my worst nightmare. It has messed my clean driving licence up and in fact got to the point I could not drive so could not work. Due to the fact, KGM could not send me the information over that was needed to prove I did have insurance.
If you need o can send over all the emails that has been sent back and forward to Broadsure who sent them to KGM.
I have lost a lot of money, and time due to this insurance policy I have had to pay for my vehicles to be taken out of the police compound around 8 to 9 times at a cost of £180.00 to £200.00 a time. All the loss of work due to having to take time to go to the police compound, and all the times I have had to go to court for no insurance when in fact I had insurance. And points put on my driving licence to the fact I could not drive, this has all been costs to myself.
My Mother Lorraine Cordell has also written many of the emails and is fine with dealing with this issue.
Regards
Simon Cordell

Hi Martin
Thank you for getting back to me about this matter, and for you contacting KGM and getting this addressed, please see the below information that will be needed. We will also still need the section 9 witness statement from you.
The below section is what will be needed from KGM.
Section 9 witness statement from:
1. Jessica about the call that she took, from the police officer who called KGM after Simon Cordell was stopped on the 14/11/2013. This statement will include what was said on the phone call by the police officer and what Jessica said to the police officer this would also include what sort of tools the police officer said there was in the van. Any other information as to the date of the 14/11/2013 and after this date as to any dealing Jessica had with the stop on the 14/11/2013.
2. Copy of all phone recordings between the police officer, and Jessica on the date of 14/11/2013.
3. All phone recordings of any calls that were made, to KGM from Simon Cordell or Lorraine Cordell to try to stop his insurance policy being cancelled and to address the stop that was made on the 14/11/2013.
4. The phone recording of when Kelly Tiller had asked Simon Cordell to go to the police compound, and get someone from the compound to call Kelly Tiller about the list of tools that was meant to have been in the van when the police stopped Mr |Simon Cordell on the 14/11/2013. I believe Simon Cordell went to the police compound on the 26/11/2013 and this is where the manager of the compound and Simon Cordell spoke to called Kelly Tiller and confirmed there was in fact no tools in the van.
5. Copies of all emails that were sent from KGM to Broadsure and Broadsure to KGM with regard to the police stop of Simon Cordell on the 14/11/2013. This would include all emails of dates after the 14/11/2014 when Simon Cordell was trying to stop his insurance policy from being cancelled and was trying to address this matter of what the police had said about there being tools in his Van which was why the insurance policy was going to be cancelled.
Section 9 witness statement from:
6. Kelly Tiller as to any dealing she had with the police stop on Simon Cordell on the 14/11/2013. This would include all dealing with Broadsure about this matter and any calls that was made to her by Simon Cordell and Lorraine Cordell, and any calls Kelly Tiller made about this matter about the cancellation of the policy and the stop by the police on the 14/11/2014 until this issue was addressed.
7. This would also include all details of the call that was made by the police compound to Kelly Tiller on the 26/11/2013 to prove there were no tools in the van. Which in turn stopped the cancelation of the insurance policy as I believe the reason for the cancellation was due to Kelly Tiller saying he had voided his insurance due to there being tools in the van.
8. Full details as to why the insurance policy was going to be cancelled and what Mr Simon Cordell was meant to have done wrong which would have in fact made his insurance policy void.

342,

- Full details as to why in the end the insurance policy was not cancelled and the reasons for not cancelling which was due to Mr Simon Cordell going to the police compound and the police compound confirming to Kelly Tiller over the phone there was in fact no tools in the van.
- The reason why until Jan 2014 that Mr Simon Cordell's insurance did not show up on the MID database.
- Confirmation Simon Cordell did have insurance to drive on the 14/11/2014 and did not void his insurance in any way.
- Why Kelly Tiller did not deal with all the data protection requests that had been submitted to KGM, under the data protection act 1998 subject access request, as if this had been done Simon Cordell would not be in the court system for this case.

Dear Mr Cordell,
Unfortunately, Andy has been called away due to a family emergency, in his absence I have picked this matter up. The first order of business to my mind is dealing with the Court case, can you confirm when the date has been set for the hearing please? My thought is that we provide a Letter of Indemnity that basically confirms that you had a valid policy in force between said dates and on what vehicles, this should satisfy the Courts but if they need anything else, we will be happy to assist, just let me know what you require. I understand you were stopped several times and had vehicles seized, you are in the process of obtaining evidence of these vehicle seizures and the costs incurred by you as a result for us to consider compensation. When you have gathered this please forward the evidence to us as soon as possible. There is also the matter of your Data Subject Access Request. I have spent some time today tracking down recorded calls and various communications and hove notified our Data Protection Officer of your request. I can see that you have made a request, any request should correctly be sent on for the attention of the Data Protection Officer along with a £10 fee. Your request was addressed generally to KGM with no fee and it would appear not actioned. The underwriter dealing with your

request should have asked immediately for the fee payment and escalated your request accordingly. This was not done for which I must apologise, as a result we will waive the fee requirement and I would confirm this is now in hand. We have yet to issue a final response to your complaint and I would assure you we will do this as soon as we have received your response to the above points.

Dear Andrew
Please see attached Insurance, which will show you full details of his
1316,
insurance policy and dates covered. Yes, we do want full discloser so this mater can be sorted out by the court and I can send the information over to the CPS for the case of the 14/11/**2013** where the police officer told KGM I had tools in my van to void my insurance. Kelly Tiller from the trade section and Jessica know fully what went on and it was Jessica that took the phone call from the police officer. After this I believe Kelly Tiller took over dealing with my policy and she was the one that had the say to cancel my policy and she was the one that believed the police until I went to the police compound and spoke to the manager there where he spoke to Kelly Tiller. If I had not done this Kelly Tiller would have cancelled my policy of insurance and I have all the emails to prove this. After Kelly Tiller found out I was not lying about having no tools in my van the insurance policy was kept in place, I did ask Kelly Tiller on more than once to send me the information and put data requests in which was not replied to. Now I have been found guilty when Kelly Tiller knows the truth that there was not tools and the police officer lied to KGM on the phone call. I am the one that has suffered over all this not just on this case but all the times I have been taken to court for no insurance over the year my policy run with KGM due to it not showing on the MID database. You should have all the emails already from Broadsure Direct and many was sent by them to KGM as I was told KGM could not talk to me and I had to deal with Broadsure Direct about my policy Martin Jenkins from Broadsure Direct should also have copies of all emails as I do. I have spoken to DVLA today and asked for the data of how many times points was put on my licence due to not getting summons from police and then dealing with cases I knew nothing about and then I had to get the cases reopened, I have to write them a letter and they will send the data I have asked for in the post. I do have a lot of letters which I will sort out scan and send over. But the 1st part I want to deal with is the court case I was found guilty at and have put
1317,
We can deal with everything else once I get all the data scanned as there is really a lot and it was all due to KGM not sorting out why my insurance was not showing on the MID database. The seizers alone have left me out of pocket by around £1700.00. That is without all the days I have not been able to work due to my driving licence being messed up and showing points for no insurance. All the time going back and forward to the compound to collect my vehicles, and everything else I have had to deal with the courts when in fact I had done nothing wrong. I have tried to deal with this for months and months without going to the ombudsman and KGM has taken no notice, it has taken me to go to the ombudsman for KGM to take any notice and I don't feel anyone would be happy with the this sort of service from KGM let alone any company doing this and causing someone so much suffering. It was one of the police in the end at the compound who in the end worked out why it was not showing up on the MID and that was because there had been a space put within my Reg Numbers. It was that bad two police compounds new me and said each time not again. As you can see, I am not very happy about all of this but I do not think anyone would be when they paid for their insurance and had done nothing wrong to suffer all this. Therefore, could you please get the information I need to send to the CPS, I have written what was needed from Nov **2014** and way before this, and it still has not been sent and I have this hanging over my head. I did not just get points on my licence I got disqualified from driving for 6 months due to repeat offending of no insurance please tell me why when I have paid for my insurance from KGM? The reason it has not been enforced is due to me putting an appeal in. You can contact my mother on 0208 245 7454 or 07961 833021

Now I have been found guilty when Kelly Tiller knows the truth that there was not tools and the police officer lied to KGM on the phone call.
I am the one that has suffered over all this not just on this case but all the times I have been taken to court for no insurance over the year my policy run with KGM due to it not showing on the MID database.
You should have all the emails already from Broadsure Direct and many was sent by them to KGM as I was told KGM could not talk to me and I had to deal with Broadsure Direct about my policy Martin Jenkins from Broadsure Direct should also have copies of all emails as I do.
I have spoken to DVLA today and asked for the data of how many times points was put on my licence due to not getting summons from police and then dealing with cases I knew nothing about and then I had to get the cases reopened, I have to write them a letter and they will send the data I have asked for in the post.
I do have a lot of letters which I will sort out scan and send over. But the 1st part I want to deal with is the court case I was found guilty at and have put an appeal in that is the most important to me right now.
We can deal with everything else once I get all the data scanned as there is really a lot and it was all due to KGM not sorting out why my insurance was not showing on the MID database. The seizers alone have left me out of pocket by around £1700.00. That is without all the days I have not been able to work due to my driving licence being messed up and showing points for no insurance. All the time going back and forward to the compound to collect me
346,
vehicles, and everything else I have had to deal with the courts when in fact I had done nothing wrong.
I have tried to deal with this for months and months without going to the ombudsman and KGM has taken no notice, it has taken me to go to the ombudsman for KGM to take any notice and I don't feel anyone would be happy with the this sort of service from KGM let alone any company doing this and causing someone so much suffering.
It was one of the police in the end at the compound who in the end worked out why it was not showing up on the MID and that was because there had been a space put within my Reg Numbers. It was that bad two police compounds new me and said each time not again.
As you can see, I am not very happy about all of this, but I do not think anyone would be when they paid for their insurance and had done nothing wrong to suffer all this.
Therefore could you please get the information I need to send to the CPS; I have written what was needed from Nov 2014 and way before this, and it still has not been sent and I have this hanging over my head. I did not just get points on my licence I got disqualified from driving for 6 months due to repeat offending of no insurance please tell me why when I have paid for my insurance from KGM? The reason it has not been enforced is due to me putting an appeal in.
You can contact my mother on 0208 245 7454 or 07961 833021

Dear Andrew
348,
I will forward this to you within a few days I will ask the police compound to do a full print out as to all the tickets as I believe there is a few missing.
I do have around 6 of the tickets here when the vehicles were sized I also do have court letters, and letters from DVLA, which I will forward over to you once I have scanned then in so please give me a few days and I will get back to you with this information as there is a lot of data..
The main one at this time I am worried about is the case where the vehicle was sized due to the police lying and me being found guilty at court you did have an email on the 30 November 2014 about what was needed and I do have the court letter showing I was found guilty and about the appeal.
This data should have been given under the Subject access request under the Data Protection Act 1998 I put in, so was wondering what you can do about this and if you will need a new Subject access request under the Data Protection Act 1998 I have already sent 3 in so to do a 4th I do not feel I should need to do.
KGM have in fact not followed the protocol for the Subject access request under the Data Protection Act 1998 which has been put in 3 times already to KGM, I will be addressing this with the Information Commissioner's Office as I do not see any reason you would have to stop the information I have asked for under this act to prove I was not in fact guilty of no insurance.
And now say to deal with this you need information from me. I can understand you want the information for the complaint that has been put in, but not the information I asked for to show I was in fact I was insured for an appeal that is ongoing. And in fact would not have been ongoing if the Subject access request under the Data Protection Act 1998 as I would not have been found guilty.
I would like the data sent to the court as soon as possible in regards to this so they can look at the facts and see if fact I was insured so there should be no need for the appeal to go ahead with more of my time wasted going to court.
Regards

Subject: RE: MT3574694
To Whom It May Concern:
I am writing due to the complaint I put in. I have forwarded emails to Broadsure Direct and spoken to Broadsure Direct who took the policy of insurance out policy no: MT3574694
I have been asking for information from KGM since 2013 and have heard nothing back.
351,
When the policy was taken out there was some reason it did not show up on the MID database Broadsure Direct and KGM was aware of this.
Due to this fact I had my vehicles were sized a number of times I believe 8 or 9 times in all, where I had to pay the costs to get my vehicles out the compound each time. In the week when I was pulled by police it was not so bad as the insurance company was opened so when I showed the police my policy, they could call the insurance company.
The seizers happened mostly at the weekend mostly due to the insurance company being closed and the police could not talk to anyone even when I had my policy on me at all times to prove I did in fact have insurance.
I made many calls to the police, Broadsure Direct, KGM and the people who run the MID database, but the issue did not go away, and my vehicles still did not show up on the MID database.
There was also a time in Nov 2013 when my van was sized this was due to KGM telling the police I was not insured due to the police telling KGM that I had tools in my van. Which was a lie by the police as I did not have anything in my van. Kelly Tiller from the trade section was dealing with this and a few days later I got a letter from KGM saying they was going to cancel my policy. As you can understand I was very upset over this as I had done nothing wrong.
At this time lots of calls was both made to KMG and Broadsure to stop the cancelation of my insurance policy, I spoke to Kelly Tiller many times, but she believed the police and I had no say in the matter. The police was off duty so I could not speak to them and Kelly Tiller was saying unless I could prove I did not have any tools in my van then the insurance policy would be cancelled which was very unfair as I had done nothing wrong I knew I never had any tools.
But I also asked Kelly Tiller did the police tell her what tools was meant to be in my van, to which she said no. KGM was not even aware I had mechanics trade on my policy so if my mechanics tools had been in my van at the time my insurance would still have been cancelled which to me what was the point in having insurance?
I then spoke to a wonderful operator at the police when I called told her what had gone on and was told by her to go to the police compound as when
352,
any vehicles are taken there they have to do a full list of items that are in the vehicles as they are in fact legible if something goes missing. Over that weekend I sent emails to the compound and forwarded them to Broadsure as my insurance was due to be cancelled on the Monday. On Monday I got an email from Broadsure direct asking me to go to the compound as Kelly Tiller had no luck getting a reply from them also, and once there to call Kelly Tiller due to the time on the Monday I got the email it would have been too late to go the compound and get a call to Kelly Tiller as she would have ended work for that day so I sent an email saying I would be going there early the next morning.
I went the next day and asked to speak to the manager of the compound who in fact looked up my van and said nothing was in there, there was not tools I called Kelly Tiller and the manager of the compound spoke to her and confirmed there was nothing in the van when it was taken there by police and that I had put thing in the van when I had taken it out of the compound.
At this point Kelly tiller believed me and said the policy would not be cancelled. But on my way back from the compound driving my phone ring and I stopped to pick it up and it was Broadsure direct saying my policy had in fact been cancelled I was very upset at this and told them what had happened, I was asked to hold on they was called KGM back and would call me right back. I waited till Broadsure direct called me back and confirmed my insurance policy had not been cancelled then drove home.
From this point I have been asking for all information and putting data protection acts in which have not been dealt with and I have heard nothing from KGM.
I have been back and forward to court due to no insurance and in fact 4 cases I did not get any summons so was in fact found guilty as I did not know it was even going to court.
I have had points put on my driving licence for no reason and had to go back and forward to court many times when this should not have been the case.

Then the case come up for the seizer when the police said I had tools in my van I went to court with all my documents but due to not having the information I had asked for from KGM many times about that case I was found guilty. I am very upset about the whole policy with KGM. I have put an appeal in, and this case will be going to crown court I have again asked for

353,

information and again heard nothing. These matters need to be addressed as I am suffering due to all of this.
Martin Jenkins at Broadsure Direct knows everything that has gone on as he was my main contact.
I also have all the emails the last one that I will enclose again, which I have heard nothing about and the 1st Subject access request under the Data Protection Act 1998 that I sent on the 26/11/2013. I did in fact send the Subject access request under the Data Protection Act 1998 about time times and asked Martin Jenkins to look into why I had heard nothing about more than once.
Once I get the appeal date for crown court, I will ask the court to summons the people at KGM to deal with this matter as they know I was insurance and did nothing wrong and the police lied. All I have asked for is the data so there will be no need to summons people this way I can send the section 9 witness statements over to the crown and the other information and this case should be dropped against me.
It just seemed that KGM does not want to do anything and give me the information I need to prove in fact I was insurance and the police lied to KGM to in fact make it that I was not insurance.
There is a lot more I could say about the insurance I had with KGM, but this insurance policy was my worst nightmare. It has messed my clean driving licence up and in fact got to the point I could not drive so could not work.
Due to the fact, KGM could not send me the information over that was needed to prove I did have insurance.
If you need o can send over all the emails that has been sent back and forward to Broadsure who sent them to KGM.
I have lost a lot of money, and time due to this insurance policy I have had to pay for my vehicles to be taken out of the police compound around 8 to 9 times at a cost of £180.00 to £200.00 a time. All the loss of work due to having to take time to go to the police compound, and all the times I have had to go to court for no insurance when in fact I had insurance. And points put on my driving licence to the fact I could not drive, this has all been costs to myself.

354,

My Mother Lorraine Cordell has also written many of the emails and is fine with dealing with this issue.
Regards
Simon Cordell

Hi Martin

Thank you for getting back to me about this matter, and for you contacting KGM and getting this addressed, please see the below information that will be needed. We will also still need the section 9 witness statement from you.

The below section is what will be needed from KGM.

Section 9 witness statement from:

1. Jessica about the call that she took, from the police officer who called KGM after Simon Cordell was stopped on the 14/11/2013. This statement will include what was said on the phone call by the police officer and what Jessica said to the police officer this would also include what sort of tools the police officer said there was in the van. Any other information as to the date of the 14/11/2013 and after this date as to any dealing Jessica had with the stop on the 14/11/2013.
2. Copy of all phone recordings between the police officer, and Jessica on the date of 14/11/2013.
3. All phone recordings of any calls that were made, to KGM from Simon Cordell or Lorraine Cordell to try to stop his insurance policy being cancelled and to address the stop that was made on the 14/11/2013.
4. The phone recording of when Kelly Tiller had asked Simon Cordell to go to the police compound, and get someone from the compound to call Kelly Tiller about the list of tools that was meant to have been in the van when the police stopped Mr |Simon Cordell on the 14/11/2013. I believe Simon Cordell went to the police compound on the 26/11/2013 and this is where the manager of the compound and Simon Cordell spoke to called Kelly Tiller and confirmed there was in fact no tools in the van.
5. Copies of all emails that were sent from KGM to Broadsure and Broadsure to KGM with regard to the police stop of Simon Cordell on the 14/11/2013. This would include all emails of dates after the 14/11/2014 when Simon Cordell was trying to stop his insurance policy from being cancelled and was trying to address this matter of what the police had said about there being tools in his Van which was why the insurance policy was going to be cancelled.
Section 9 witness statement from:
6. Kelly Tiller as to any dealing she had with the police stop on Simon Cordell on the 14/11/2013. This would include all dealing with Broadsure about this matter and any calls that was made to her by Simon Cordell and Lorraine Cordell, and any calls Kelly Tiller made about this matter about the cancellation of the policy and the stop by the police on the 14/11/2014 until this issue was addressed.
7. This would also include all details of the call that was made by the police compound to Kelly Tiller on the 26/11/2013 to prove there were no tools in the van. Which in turn stopped the cancelation of the insurance policy as I believe the reason for the cancellation was due to Kelly Tiller saying he had voided his insurance due to there being tools in the van.
8. Full details as to why the insurance policy was going to be cancelled and what Mr Simon Cordell was meant to have done wrong which would have in fact made his insurance policy void.

- Full details as to why in the end the insurance policy was not cancelled and the reasons for not cancelling which was due to Mr Simon Cordell going to the police compound and the police compound confirming to Kelly Tiller over the phone there was in fact no tools in the van.
- The reason why until Jan 2014 that Mr Simon Cordell's insurance did not show up on the MID database.
- Confirmation Simon Cordell did have insurance to drive on the 14/11/2014 and did not void his insurance in any way.
- Why Kelly Tiller did not deal with all the data protection requests that had been submitted to KGM, under the data protection act 1998 subject access request, as if this had been done Simon Cordell would not be in the court system for this case.

My Birthday: --
I had a court case that was for No Insurance at Willesden that I did not know about. When later I found out I had got found guilty and 6 points where issued on my license and a £600 fine. Many emails were sent to get this case reopened and dealt with but no reply from the courts. Took this case to appeal as it seemed the only way to address this and won the decision.

THE CLERK OF THE COURT:	Are you Simon Cordell?
THE DEFENDANT:	Yes, that's correct.
THE CLERK:	Thanks. Take a seat.
THE RECORDER:	Mr Pottinger, yes?
MR POTTINGER:	My learned friend Mr Kennedy is for the appellant. Your Honour, the ~ this is a case of no insurance.
THE RECORDER:	Mm.
MR POTTINGER:	The defendant was stopped on Brixton Hill in a Ford Transit with a colleague. There are some disputes as to facts but according to the officer he appeared to be working at the time. There is in place a valid policy of insurance for that vehicle, the vehicle covering social, domestic, pleasure and motor trade purposes but not work.
THE RECORDER:	Social, domestic...?
MR POTTINGER:	Pleasure and motor trade purposes. I've been -1 was looking at Archbold with my learned friend just to see as far as what issues — who the burden is on. The prosecution has to prove that the defendant used a vehicle on a road. Once that is established, it's for the defendant to prove there was a valid policy of insurance in force at the time. There's no dispute the vehicle was being used on a road, there's no dispute there was a valid policy of insurance in force at the time. The dispute here is the nature of the use at the time and in the place. I just want to check before we start on whom that burden falls.
THE RECORDER:	Right.
MR POTTINGER:	Archbold is silent on the point. I was just reconsidering matters. I don't know if — I really think it should be established before we start just by looking at a court copy of Wilkinson although the difficulty being — or sometimes Blackstone is clearer than others. But I think it's something that really needs to just be checked before we start because
THE RECORDER:	I agree. Because if you can't prove it
MR POTTINGER:	Well, the Crown have — we have evidence that we say shows he was working at the time.

THE RECORDER:	Working?
MR POTTINGER:	The defendant will say other -- but who's — who's got to prove it and to what standard.

THE RECORDER:	I understand. Exactly.
MR POTTINGER:	The – I mean, it's — it's clear that the Crown say he was in work B clothes with a friend, covered in paint.
THE RECORDER:	Yes.
MR POTTINGER:	On a weekday afternoon. And he was -- gives some kind of explanation.
THE RECORDER:	So, if I drove home in my robes that might indicate that I was working instead of commuting?
MR POTTINGER:	If — well, that's the issue. Because there -- there is no dispute that there was in policy — in force a valid policy.
THE RECORDER:	Has -- anyone got this policy?
MR POTTINGER:	There's some correspondence which has been obtained, yes. The officer at the time made enquiries with the insurance company.
THE RECORDER:	Okay.
MR POTTINGER:	But whether it covers the use -- and I --1 do also have recollections that — I just want to see if I can find a reference because I
THE RECORDER:	Do you? Well, I think — I think you need to find
MR POTTINGER:	I think there are cases covering where there's a clause in the policy and what — what exactly offence, if anything, committed.
THE RECORDER:	Yes.
MR POTTINGER:	I just want to check that.
THE RECORDER:	Yes, I think — I think you need to.

219,

MR POTTINGER:	I was thinking -- just looking it up before that was fine but actually, thinking again, we're not ready because we just need to check this point of law.
THE RECORDER:	Yes, you need to clarify that. My knee-jerk reaction is that it will be on the Crown to prove that
MR POTTINGER:	That's my knee-jerk reaction as well.
THE RECORDER:	but I
MR POTTINGER:	But I just think we should clarify it.
THE RECORDER:	I agree entirely. Mr Kennedy, any views?
MR KENNEDY:	I agree with everything that's been said.
THE RECORDER:	Okay.
MR KENNEDY:	It's a single-issue case.
THE RECORDER:	Yes.
MR KENNEDY:	Whether he was using that vehicle for working that day.

THE RECORDER:	Right.
MR KENNEDY:	That's the issue.
THE RECORDER:	Can you help me with this? Whose -- policy is it? Is it a work policy? Is it a domestic policy? What are we talking?
MR KENNEDY:	It's this -- it's his policy.
THE RECORDER:	It's his policy. And has he got a copy of it?
MR KENNEDY:	Yes. We've got a copy available.
THE RECORDER:	Could — could — could we see a copy of it —
MR KENNEDY:	Sure.
THE RECORDER:	whilst this is going on so that we can at least have a look at what's -- happening.

220,

MR KENNEDY:	Mm.
THE RECORDER:	If you'd like to hand it to the clerk, maybe she'd be good enough to copy it for us and bring it through to us. We'll rise until you've sorted it out.
MR POTTINGER:	Yes.
MR KENNEDY:	I've got spare copies so
THE RECORDER:	Oh, thank you. That's even better. Good. Thank you very much. Let us know as soon as you're ready.
MR POTTINGER:	Yes. (There followed a short adjournment)
THE RECORDER:	How are you doing, Mr Pottinger?
MR POTTINGER:	Your Honour, I think gut-feeling is the right feeling so -- we didn't find a case directly on point but I think just looking at it very carefully and standing back, because the use has to be proved then it's the
THE RECORDER:	Yes.
MR POTTINGER:	And that's the fairest way of dealing with it in any event.
THE RECORDER:	So, the issue as far as the Crown is concerned is whether or not he was working at the time? Is that it?
MR POTTINGER:	Yes.
THE RECORDER:	Because
MR POTTINGER:	Or whether he was -- well, whether he was using the vehicle for work purposes.
THE RECORDER:	Yes. What concerns me is — is whether or not we in any event have enough information. Because this is merely the certificate of motor insurance. There should be a schedule of motor insurance. Is that available?

	The actual policy. Because it is the experience of those on the Bench that on occasions it is very difficult to ascertain the point that's being made here and that the policy itself may have a different specification to that set out on the certificate. In other

5

221,

THE RECORDER:	words, if KGM were asked "In the circumstances that we, the defence, put before you, were this man insured?" and the answer is "Yes" then how can this court adjudicate on this matter now in the absence of that information? Do you have that information? There's a nodding going on from behind you.
MR KENNEDY:	The information I have comes from the appellant himself regarding his version of the facts which is that — his contention is that he was driving to go and see somebody about
THE RECORDER:	Yes.
MR KENNEDY:	the possibility of future work.
THE RECORDER:	Right. I appreciate that.
MR KENNEDY:	And -- he spoke to his insurers
THE RECORDER:	Yes.
MR KENNEDY:	and asked whether he would be covered if that were the position
THE RECORDER:	Right.
MR KENNEDY:	to which the answer was Yes.
THE RECORDER:	All right.
MR KENNEDY:	I — I don't believe he can contend that if he were using it as a tradesman for working - which is the Crown's position - that he would have been covered.
THE RECORDER:	Right. So, he doesn't contend that. But you're saying that in fact he has evidence of or he has hearsay evidence of -1 don't know which it is at the moment - the fact that KGM say he would have been covered for what he was doing at the time?
MR KENNEDY:	He does. And I don't -- and I don't think the Crown take issue with that.
THE RECORDER:	All right.
MR KENNEDY:	Having discussed the matter briefly with the Crown, it really is a question (Inaudible).

6

223,

THE RECORDER:	Of what he was doing at the time. All right.
MR KENNEDY:	Yes.

THE RECORDER:	I'm jumping the gun. Thank you.
MR POTTINGER:	Well, I
THE RECORDER:	Over to you, Mr Pottinger.
MR POTTINGER:	I don't - the -1 don't - I
THE RECORDER:	If you call your evidence to show us that he was not covered and then we'll take it from there.
MR POTTINGER:	Well, we — we — we simply show what he was doing at the time and what he said to the officer.
THE RECORDER:	Yes. And so, if you want to adduce your evidence that says that he was driving not in accordance with this policy, then we can get on with it, can't we?
MR POTTINGER:	Yes. I don't know whether I'm being told I've been ~ I've made a concession which I haven't necessarily made.
THE RECORDER:	All right.
MR POTTINGER:	That — that's the point.
THE RECORDER:	Well, listen. I think I'm — I'm -- sort of jumping the gun here. We're -- concerned about the civil aspect of this.
MR POTTINGER:	Yes.
THE RECORDER:	And it may be that it will come to a position when in fact we can't carry on. But from what I've heard from the two of you at the moment, let's get on with it. And if it gets to that point and we think there's been an injustice done because it needs more input from KGM, then we'll say so. My concern is this -I'm quite frank - that I think this would be the simplest thing in the world to sort out, that somebody ought to get a letter from KGM and say "In the circumstances as told to us by Mr Cordell he is..." or "...isn't covered." If the Crown then say, "Well, what he's telling them is a load of porky pies" then you have a case.

224,

MR POTTINGER:	Yes.
THE RECORDER:	But without knowing the first part
MR POTTINGER:	Well, I've not seen anything and I — because I know the officer rang the company and said he's — he's using it for work but — but clearly the — touting for work or whatever. I don't know what the — what the position is as far as that's concerned. That's -- a matter for the defence to prove and at the moment they
MR KENNEDY:	Well, I'm getting slightly lost here and it's probably my fault. My understanding of this case is this, that he has an insurance policy for that vehicle. It wouldn't cover him if he were working. The Crown say that he was working. They're — they're about to call evidence to say so. His -- he says he wasn't. He says that he was going to see somebody about future work and I don't — as I understand it, I don't think the Crown suggest that if

	his position is correct or cannot be disproven that they — that his insurance was invalid.
THE RECORDER:	That's -- the point.
MR POTTINGER:	Yes.
THE RECORDER:	Are the — are the Crown taking that stance or not? Or are you saying, irrespective of what he says about it on that date now, and the Crown have the advantage of hearing what he said about it, presumably, at the court below, if your position is "We say, irrespective of what he said, he wasn't insured" then we need to sort that out. If you say — if you accept his version of events, "We accept he was insured" then we can bat on. Or we can bat on anyway.
MR POTTINGER:	Yes.
THE RECORDER:	But the point about it is all I'm trying to do is pre-empty
MR POTTINGER:	Yes.
THE RECORDER:	a situation where we suddenly have to start making enquiries from an insurance company. But all we're doing in fact is chewing the breeze and wasting time. **MR POTTINGER:**
THE RECORDER:	Yes.
MR POTTINGER:	So, let's get on with it.
MR POTTINGER:	Well, let's just carry on.

225,

THE RECORDER:	Yes. Fine.
MR KENNEDY:	Well, sorry. Can I establish whether the Crown -- it's set out in one-line following caution - "You don't know nothing. I was trying to get a job here. You don't understand, man." That in a nutshell is his position.
THE RECORDER:	Thank you.
MR KENNEDY:	That he was going to see somebody
THE RECORDER:	Right.
MR KENNEDY: —	about obtaining future work. My
THE RECORDER:	I've got it. Mr Pottinger, is that accepted? So that in other words what -- we're asking the Crown is do you accept that if in fact he was only going to look for work, as he asserts, that he was covered?
MR POTTINGER:	(After a long pause) I just (Inaudible). Not necessarily. I'm just thinking whether -- that — because obviously it's social, domestic, pleasure and motor trade purposes. If -- a man is driving round in rounds touting for work with a van and cards for work
THE RECORDER:	Well, this is what concerned me.
MR POTTINGER:	And there are cards in the van. I am concerned. I'm not sure that necessarily is

THE RECORDER:	I have my cards in the car. It doesn't mean I'm driving round touting for work.
MR KENNEDY:	Can I -- can I expand then. Not touting around looking for tradesman work or — or the like but was going to see somebody at a building that was going to be turned into a club, looking for a management role in the club.
THE RECORDER:	Yes.
MR KENNEDY:	That's what we would say clearly. So, it's not — it's not driving around looking for handiwork. The Crown's evidence seems — they're — they're obviously not constrained by what's simply in the one witness statement but it does seem geared very much towards saying that he is a tradesman going about his daily work.

9

226,

THE RECORDER:	Does the Crown know what its case is?
MR POTTINGER:	Well
THE RECORDER:	I — I — I — I'm really concerned about this because I'm concerned just taking it off one piece of paper, the certificate.
MR POTTINGER:	Yes.
THE RECORDER:	There is a policy in existence. There must be.
MR POTTINGER:	Yes.
THE RECORDER:	And the policy should set out the details of this certificate. **Q** And the Crown should be able to look at that policy and say Yes or No to the proposition that's being put forward or "We will make enquiries". Let's say, for the sake of example, Mr Cordell had run into the back of a police car and dented it and the insurance company had said "You weren't covered because of what you were or weren't doing" then we know where we are. What we don't know at the moment is what the insurance company say about what he was doing at the time on D his version of events. And without knowing that, how can we know whether he was covered or not just on the basis of a certificate of motor insurance which is not the full policy which may say or may explain whether or not he is? That -- that's my real concern about this. I — I think this — this situation is — is
MR KENNEDY:	I can't take an unfair advantage and I wouldn't seek to. The Crown — well, they had the advantage at the lower — at the lower court
THE RECORDER:	Exactly, yes.
MR KENNEDY:	of knowing what the position is. But it's the Crown to -- it's the Crown to prove the -- that the -- well, (Inaudible), I suppose.
THE RECORDER:	I — I am unhappy about proceeding without input, proper input, from KGM. That's the bottom line. You need it and you need it and it should have been done.

MR KENNEDY:	Well, I have the hearsay evidence. I'm not sure that I do
THE RECORDER:	Yes.
	need it for — for this reason. If it's — the burden is on the **A** Crown. Once you've got a prima facie valid insurance document, which we have

10

227,

MR KENNEDY:	A Thank you.
MR POTTINGER:	It was -- (To Mr Kennedy) I can lead on the date and time? Is that right?
MR KENNEDY:	Yes.
MR POTTINGER:	Yes. It was 14th November. That's a Thursday? Is that right?
A	Yes, that's correct.
Q	1300 hours? Is that right? And you were in Brixton Hill? Is that right?
A	Yes, Brixton Hill.
Q	And what were the nature of your duty, please?
A	It was a traffic operation.
Q	And what — were you monitoring the traffic flow and stopping various vehicles for checks?
A	Yes.
Q	Is that right?
A	Yes, there were officers up and down Brixton Hill and I believe there were also a couple of officers who were sort of spotting vehicles further up the road.
Q	Right. And were you given a registration number to - to stop?
A	Yes. Over the radio I received a message relating to a vehicle and that vehicle — actually I expected my colleagues to pull it over further up the road and for whatever reasons they didn't.
Q	But you stopped it further down? Is that right?
A	Yes. Well, Mr Cordell was pulling over anyway.
Q	And so you walked up to the vehicle and -- who was the driver, please?
A	Mr Cordell.
Q	And was there anybody — what conversation did you have with him, please?
A	So I walked over and explained to him that I was obviously stopping him - granted he'd already stopped -and that I was wanting to check his driving documents, specifically obviously driving licence and insurance.
Q	And what did he say to that?
A	He said that he's -- "I'm busy. I'm just off to do some work" and as part of that he sorts of gestured towards what — a building that used to be the South Beach nightclub or bar on Brixton Hill.

12

228,

Q	Just before you go any further, the vehicle itself -- what kind of vehicle was it?
A	It was a white Ford transit van and the vehicle registration mark was Charlie X- ray 52 Juliet Romeo Zulu.
Q	So he said "I'm busy. I'm just off to do some work." What did you then say to him?
A.	Obviously I explained to him that I needed to check his documents.
Q	And what else did he say?
A	"Well, I'll give you my insurance but I'm just going to be there to do some work."
Q	And what were he pointing to, please?
A	Towards the South Beach nightclub or bar on Brixton Hill.
Q	And what did you then explain to him?
A	I explained that he'd have to sort of wait with me whilst I obviously checked the documents that he was producing.
Q	I think he gave you his name and date of birth, 26th January 81? Is that right?
A	Yes, that's correct.
Q	Was there anybody else in the vehicle?
A	Yes, there was a passenger in the vehicle, in the front cab of the van, and that gentleman was a male, Dean Reid, with a date of birth of 11th February 1992.
Q	And he showed you an insurance certificate? Is that right?
A	Yes, that's correct.
Q	And what were the cover shown on the insurance certificate, please?
A	So it showed that Mr Cordell could drive any vehicle he owned or had possession of for social, domestic, pleasure and motor trade purposes.
Q	And given that, did you make any enquiries as far as the cover that was on his policy, please?
A	Yes, that's correct. I did so. And obviously given what he'd said to me at the time, I contacted a Jessica Kempton in the Underwriting Department at KGM Motor Insurance by telephone.
THE RECORDER:	Is there a hearsay notice, please?
MR POTTINGER:	No. Well, I — I was — I was not going to -- as far as you were - I don't want you to give the answers concerned, but did you — what did you tell

A	The insurers as far as you were concerned was the use that the vehicle was being used for?
A	I suspected the vehicle was being used for business purposes rather than any of A the social, domestic, pleasure or motor trade purposes and for that reason obviously I contacted them to see if it was covered, obviously suspecting that Mr Cordell wasn't actually covered to drive the vehicle on his policy that he produced.
Q	Just tell us what Mr Cordell's appearance was, please, that day? What was he wearing?

B	
A	In essence both Mr Cordell but also his -- colleague or his partner, the passenger in the vehicle, they were both sort of wearing working clothes covered in sort of paint and dirt which again gave me sort of cause to suspect that they were out to do some work for business.
C	
Q	What was the -- what was in the vehicle? What was the condition of the vehicle?
A	It was, I suppose, what I might describe as just an average kind of builder's sort of transit van, loose sort of debris, loose items and general dirt in the footwell area and over the dashboard. In the front of the van also was quite a number of business cards and those business cards had the names Simon and Dean on there, a sort of D company name or a trading name of TS Enterprise and it also on that card offered a range of services including general repairs, painting and decorating, man & van, removals, cleaning and property maintenance services.
Q	And so it's Simon Cordell, Dean Reid? That was the names of the two?
A	Yes.
E	I think you then pointed -- is that right? You then took the view that they were driving without valid insurance for — for the purpose? Is that right?
Q	Yes. That's the view I formed. I obviously suspected it already but kind of at that point I was -- yes, I pointed out the offence of driving without insurance.
A	
F	And you cautioned him? Is that right?
Q	Yes, I did.
A	And what did he say in reply to the caution?
Q	He said, "Nah, you don't know nothing. I was trying to get a job here. You don't understand me."
A	What -- had you proposed to do as far as the offence was concerned?
Q	Basically I would have issued a fixed penalty notice and obviously seized the vehicle also.
H	

230,

Q	Without going into detail, were you — were you able to issue the ticket at the time?
A	Not initially, no.
Q	But were you able to establish a satisfactory address at the scene of him?
A	Not at the scene, no, but subsequently we were able to issue a fixed penalty notice.
Q	Again in general terms was Mr Cordell being co-operative?
A	No.
Q	What was his demeanour and how did that develop?
A	I would say un-co-operative. I personally found some of the language he was using towards me quite offensive, some of the comments he was making.
Q	Did you call for assistance from — from a senior officer at one stage?
A	Mr Cordell insisted at one point that — that an Inspector attend. Fortunately, as it was, as I mentioned,

	a traffic operation, there was an Inspector within the sort of immediate area and an Inspector did come down and speak to Mr Cordell.
Q	After the Inspector had left, were you still able — were you then able to issue the fixed penalty notice?
A	No, I was not.
Q	I think you eventually - is that right? - arrested him? Is that right?
A	Yes. Unfortunately, I was inevitably having to deal with it by that way because, you know, he was so un-co-operative.
Q	But I think at the police station - is that right? - with the help of the custody sergeant you were then able to issue the fixed penalty notice?
A	Yes, yes.
Q	Is that right?
A	Yes.
Q	And I think you — you made a further check on the policy back at the police station to check it was social, domestic, and pleasure and -- motor trade? Is that right?
A	Yes. I contacted MIB, the Motor Insurance Bureau.
MR POTTINGER:	Yes. If you'd just like to wait there.

15

231,

A	**Cross-examined by MR KENNEDY**
B	
Q	Officer, you compiled your notes shortly after this incident, did you?
A	Yes, that's correct.
Q	And they're — it's a pretty detailed note you took, isn't it, of this incident?
A	Sort of the standard I like to try
Q	Yes.
A	and adhere to, yes.
Q	Comprehensive, isn't it?
A	Yes, I — as -- best I can say, yes.
C	All the relevant details that you could remember at the time of the writing of the notes?
Q	Yes.
A	Now my questions really are geared towards a single issue here. It's whether this man was working that day in his van. Whether Mr Cordell was working. He wasn't stopped in the initial -- what happens in these operations, isn't it, is that vehicles drive along and there's police at usually two different spots in the road and cars are stopped if you want to check their documents, cars and vehicles? Is that right? Obviously different operations will be organised differently but, yes, in general that —that sounds about right.
Q	And on this occasion Mr Cordell -- he wasn't actually stopped, he pulled up of his own accord close to where this operation was taking place? A Yes.
Q	And then you went and approached him? Is that right?
Q	Yes, that's correct. F
A	And you formed the impression, you have told us in as many words, that he was working that day?

Q	Yes.
A	Working as a — as some sort of tradesman that day? Yes. G
Q	Just to cover quick points, you didn't see him working?
Q	No.

16

232,

Q	You did not speak to anyone he was working for?
A	No.
Q	You did not seize or view any paperwork pertaining to him working that day?
A	No.
Q	When he was cautioned, he said "Nah, you don't know nothing. I was trying to get a job here. You don't understand, man"? That's what you've noted?
A	Yes.
Q	Isn't it the case that before he made that comment following arrest that he was explaining to you that he wasn't working and that he was actually going to see someone about getting future work?
A	The only comment I've made in my notes is — is that initial one which stated -- where he stated "I'll give you my insurance but I'm just going in there to do some work".
Q	Forget your notes for a moment. Let's concentrate on this phrase, this agreed phrase - "Nah, you don't know nothing. I was trying to get a job here. You don't understand, man." Okay? Before he said that, isn't it the position that he was explaining "I was trying to get a job here"?
A	I don't recall that. My — my recollection is that he was there to try and get some work.
Q	All right — sorry?
A	He was there to try and get some work. So, whether it — I don't know whether you're asking me about a job or work. It's
Q	That was — that was what he said? "I'm there to try and get some work"?
A	Yes.
Q	Now we know he said that after arrest. Yes? You've noted that.
A	I don't believe it was after arrest.
Q	Sorry. After caution.
A	Yes, after caution.
Q	Yes. He'd said that earlier before that, hadn't he?
A	Sorry, can I ask you just to go over that again?
Q	Yes. Right. You've said how you cautioned him. And you reasonably suspected Mr Cordell was driving the vehicle for business purposes. You pointed out the offence of no insurance and then you cautioned him to which the response

17

233,

Q	was "Nah, you don't know nothing. I was trying to get a job here. You don't understand, man." Okay?
A	Yes, that's correct.

Q	So, after the caution he said to you that you weren't understanding him and that he was trying to get a job? B A Yes, that's correct.
Q	Okay. Now what I'm suggesting to you is before the caution there was a conversation in which he was trying to get you to understand that he was looking — he had an appointment to see someone about future work.
C	I don't recall that, unfortunately.
A	the ~ it might just be a turn of phrase but you said that he was wearing working clothes in paint — covered in paint and dirt. That caused you to suspect he was working? Yes?
Q	Yes.
A	The — there was a dispute by the roadside, wasn't there, about whether he was working?
D	Yes, yes. That is fair to say.
Q	and he was saying he wasn't and you were saying he was?
A	Yes.
Q	Right. The initial conversation with him or the initial interaction with him you has said that he said "I'm busy. I'm just off to do some work. I'll give you my insurance. I'm just going in there to do some work." He never said that, did he?
A	Well, I believe he did, yes.
Q	You've just said a moment ago that he was disputing that he was working?
A	Yes. He subsequently did dispute that.
Q	Right. So, you're saying there was this change of tack? Is that your evidence?
A	Yes. My evidence is that Mr Cordell when he realised that the trader's policy wasn't going to sort of pull any wool over my eyes, he actually became -- that's what caused him to become un-co-operative towards me, when he realised that actually he wasn't going to be successful in fobbing me off.
F	Well, I suggest to you -- I'll make it plain. His case is that you are either being untruthful or mistaken when you say that he said that he was off to do some work?
A	Well, I certainly am being truthful.

18

234,

Q	So, we've got in terms of your - obviously informing your thinking of why he — why you thought he was working, you've got — it was a -- it was a week day and it was during working hours? Yes?
A	Yes.
Q	That's equally consistent with going to see someone about future work? Would you agree?
A	Yes, it's — in and of itself it's not enough, no.
Q	You make the point about his what you say were working clothes covered in paint and dirt?
A	Yes.

Q	I suggest to you you're wrong about that and in fact he had on maybe scruffy jeans but he wasn't in workmen's clothing?
A	(No audible reply)
Q	You're wrong, aren't you? He had scruffy jeans on but he didn't have workmen's clothing?
A	Well, I — I can't recall the exact clothing but he looked to me like a builder from the paint, the — the dirt on his clothes.
Q	But we've got no description of the clothing really, have we?
A	If I just refer to my notes. Yes. In my statement all I — all I say is that they were dressed in clothing covered with paint and other dirt.
Q	Jeans, overalls, colour?
A	I don't recall.
Q	This was a point you raised with him by the roadside and he explained to you that these weren't his — these weren't working clothes. Do you recall that?
A	No, I don't recall that, no.
Q	The cards that you rely on to -- that informed your thinking. Did you seize any of these cards?
A	Yes, I did seize one of those business cards.
Q	Have you got it?
A	No. Unfortunately, I do not have it with me.
Q	Why not?
A	I was unable to obtain it from the property store at Kennington police station.

19

235,

Q	Again this was a point that you raised with Mr Cordell by the roadside and he explained how the card wasn't for him working as a tradesman, rather that he has a company which acts as a middleman for tradesmen and that's why his name was on the card. Do you remember that?
A	No, I do not recall that.
Q	So we've got the time of the day, you've got his clothing, you've got the cards. Anything else?
A	And his initial comment of course.
Q	Workmen often, tradesmen, will carry tools around in a van, won't they?
A	Yes. Often.
Q	Any tools?
A	Not that I recall, no.
Q	There's no reference to tools in your statement, is there?
A	No.
Q	I think you were asked about this at the Magistrates' Court. There's no secret. This matter has been before the Magistrates' Court. And I think it's right you gave the same answer you've just given; you don't recall there being any tools?
A	Yes. I don't recall.
Q	You would have noted them?
A	I would like to think so.

Q	If you're noting factors which suggest that he is working as a tradesman that day, there's no way you'd have left that out, is there?
A	Well, never say never, I suppose. Obviously, Mr Cordell was un-co-operative, you know, throughout this sort of encounter from the moment he realised I was going to be looking — dealing with the offence that I had before me. But, no, I don't recall any tools.
Q	Okay. I've got a -- you spoke to the insurance company when you were by the roadside, didn't you?
A	Yes, I did.
MR KENNEDY:	I've got the — what I suggest is the tape of -- CD recording of this call. I just want to play an excerpt of it.
THE RECORDER:	Well, is this the call that the officer makes?
MR KENNEDY:	Yes.

20

<u>236,</u>

THE RECORDER: **MR KENNEDY:**	Thank you.
A	(An excerpt from the recording of the telephone call was played)
Q	That's -- you, yes?
A	Yes, it certainly sounds like me.
<u>(The recording continued)</u>	
Q	You said to the insurance company there "Looking at the van, it's got a load of tools in"?
A	Yes, yes. That does sound like that's what I said, yes.
Q	And when you said that to the insurance company, you were lying, weren't you?
A	I don't recall lying. I'm faced with two -- obviously I've got my recollection and my notes and then I've obviously got that recording.
Q	We went through that your notes were comprehensive. Yes? Didn't we? Officer?
A	Yes, you asked me, yes.
Q	Yes. And we went through that you had outlined the factors informing your view that these people were working? Yes?
A	Yes.
Q	Obviously, tools in the van would be an obvious indicator of that? Yes?
A	Yes.
Q	No reference in your statement to tools?
A	No. No reference to tools.
Q	No reference to tools in the Magistrates' Court? Yes?
A	No. Yes, correct.

Q	On the scene there you're ringing up the insurance company saying there's a load of tools in there - "It's got a load of tools in"?
A	(No audible reply)
Q	You — you were dishonest in your dealings with Mr Cordell, weren't you?
A	Well, I don't believe I was, no.

21

237,

Q	And it's not true that he said he was going to do some work. He said he was going to speak to someone about work? You had quite a conversation with him on the roadside. He was explaining to you?
A	(No audible reply)
Q	Yes?
A	I don't recall the conversation we had, obviously the specifics of it, no.
Q	You've told us about — do you remember that Mr Cordell spoke to the insurance company first?
A	No, I don't recall that.
Q	By the roadside what happens - see if this jogs your memory. Mr Cordell spoke to the insurance company about the insurance, yes? And then you — and then you rang subsequently. You were there when he rang them and then he was there when you rang them there? Yes?
A	I — I'm sure he probably was with me when I called them.
Q	Yes. And you've gone about — on about him being un-co-operative and so on. What actually happened is he took affront to you ringing the insurance company and lying to them about there being a load of tools in the van? Do you remember that?
A	No. Unfortunately, I do not recall that, no.
Q	And he was saying "Why are you lying to the insurance company? Why are you saying there's tools in the van? There isn't." Do you remember that?
A	No, I — I do not recall that, no.
Q	That's the exchange, I'd suggest, that you're characterising as him being uncooperative?
A	(No audible reply)
Q	Mm?
A	Sorry, I'm -- is there a question?
Q	That's the position, isn't it?
A	No. I don't recall that. My ---— I suppose my position would be that obviously on stopping the van I — I don't recall exactly when in the sequence I've -- contacted the insurance company. You see, I hadn't searched the van, I suppose. I — I — you know, I'd seen from a glance sort of loose items and debris in the - in the front of the van.
Q	So you hadn't searched the van?
A	No, I don't believe I had by the — when I was phoning the insurance company.

23

239,

	A Yes, a statement format so there – I have a copy of that. **MG11.**

MR POTTINGER:	The statement's dated 14th November.
THE RECORDER:	I'd like to see a copy of it, please. Thank you. When did you make this statement? A (No audible reply)
THE RECORDER:	I can't see a time or date-stamp on it.
MR KENNEDY:	Yes, I know. That's-well A It will have been 4.30 pm in the writing room at Peckham.
THE RECORDER:	How do you know that? **A** It's on the rear of the — the sheet.
MR KENNEDY:	Well, what do you have there? Oh sorry. That's the — is that the originals? **A** No, this isn't an original, no.
THE RECORDER:	Well, let's carry on. And I'd like to see, after the short adjournment, all the documents that this officer has been referring to. I'll hand this back now. And I want to see the originals that this officer is relying upon.
MR POTTINGER:	Yes, the - it's the - just
THE RECORDER:	Not now.
MR POTTINGER:	No. I'll just-—
THE RECORDER:	Let Mr Kennedy finish.
MR POTTINGER:	Certainly, your Honour. What the — what the document was that he — he relied on.
THE RECORDER:	Thank you. Mr Kennedy, forgive me for interrupting. We'll deal with it later on.
MR KENNEDY:	So, he was arrested, wasn't he?
THE RECORDER:	Yes.
MR POTTINGER:	The van was seized? Is that right? A Yes, the van was seized.

238,

Q	You hadn't searched the van
A	I was basing — I was basing
Q	but you were telling them there was a load of tools in there?
A	The conversation I will have had with the insurance company - obviously we've got the recording
Q	Mm.
A.	will have been based on my interaction at the scene and from my notes and my recollection it was based on that front of the cab, that front area where obviously the driver and passenger were.
Q	But what tools were in the front of the van then?
A	So - so what I -1 would suggest is that the loose items I refer to in my notes -perhaps some of those items were tools but I — I don't recall.
Q	Have you got your handwritten notes or the typed-up statement?
A	I've got my;
Q	It doesn't really matter.
A	I've got my typed statement. I don't know if.

MR KENNEDY:	Is it the same as the notebook?
THE RECORDER:	I'd like to see a copy. Have you got your actual notebook, officer? Have you got your actual notebook? **A** Not from the time, no.
MR KENNEDY:	The statement was
THE RECORDER:	Mr Kennedy, do you have a copy of the actual notebook?
MR KENNEDY:	No, I don't. Was-- there actually a notebook or is it **A** I believe it will have been original notes on the fixed penalty notice if — if that's what's being referred to.
MR KENNEDY:	Right.
THE RECORDER:	I'm slightly confused because at the outset of this officer's evidence it was put to him that he'd made notes and now it seems that we're not talking about notes, we're talking about a statement or a proforma.
MR KENNEDY:	Were — were your notes actually in a statement format?

239,

	A Yes, a statement format so there – I have a copy of that. **MG11.**
MR POTTINGER:	The statement's dated 14th November.
THE RECORDER:	I'd like to see a copy of it, please. Thank you. When did you make this statement? A (No audible reply)
THE RECORDER:	I can't see a time or date-stamp on it.
MR KENNEDY:	Yes, I know. That's-well A It will have been 4.30 pm in the writing room at Peckham.
THE RECORDER:	How do you know that? **A** It's on the rear of the — the sheet.
MR KENNEDY:	Well, what do you have there? Oh sorry. That's the — is that the originals? **A** No, this isn't an original, no.
THE RECORDER:	Well, let's carry on. And I'd like to see, after the short adjournment, all the documents that this officer has been referring to. I'll hand this back now. And I want to see the originals that this officer is relying upon.
MR POTTINGER:	Yes, the - it's the - just
THE RECORDER:	Not now.
MR POTTINGER:	No. I'll just-—
THE RECORDER:	Let Mr Kennedy finish.
MR POTTINGER:	Certainly, your Honour. What the — what the document was that he — he relied on.
THE RECORDER:	Thank you. Mr Kennedy, forgive me for interrupting. We'll deal with it later on.
MR KENNEDY:	So, he was arrested, wasn't he?

THE RECORDER:	Yes.
MR POTTINGER:	The van was seized? Is that right? A Yes, the van was seized.

24

240,

A

A	
Q	When you seize a van, you produce a seizure notice? Is that right?
A	Yes, that's correct.
Q	That would note --1 haven't got it to hand. Have you got that?
A	I don't have it here at the stand with me, no.
Q	No. But in general terms a seizure notice would note what the vehicle — who — who the vehicle's been seized from? Yes?
A	Yes.
Q	What the vehicle is?
A	Yes.
Q	Contents of the vehicle?
A	Yes.
Q	And so if there were tools in the vehicle then they would be noted, wouldn't they?
A	I believe that the particular interest is around the value so if it's something of value then it's recorded. So, if tools are of a value to the individual then, yes, they are, they will be recorded, yes.
Q	Well, I mean, let's use your — let's use your phrase, "a load of tools". If you seize someone you believe to be a workman's vehicle and it's got a load of tools in it, i.e. their livelihood, part of their livelihood, a seizure notice would be obliged to cover the fact that a load of tools had been seized, wouldn't it?
A.	Again I -- again I would come back to — to what extent they're of value. Certainly, if it was sort of large machinery then, yes. If it's maybe a couple of screwdrivers on the dashboard then I can see why that might get overlooked. But, yes, in general you do record what's -- in the vehicle, yes.
Q	Tools of the trade from a trade — you can't just go about taking a tradesman's van with a load of tools in it without giving them a receipt telling them what you've told - showing them what you're taking (Inaudible)?
A	Correct.
Q	I don't know if you — did you draft the seizure notice in this case?
A	I do not recall.
Q	No. There's no reference on the seizure notice in this case -- I think it will be agreed in due course. No reference to tools on the seizure notice. Are you able to explain that?
Q	No, I'm — I'm not able to explain. I — I don't recall whether it was myself or another colleague that completed the seizure notice.

25

241,

Q	All right. Just to make Mr Cordell's position plain, I accept you formed the impression that he was working. But he told you he wasn't. Yes?
A	Yes. Ultimately over the course of that interaction he did dispute that, yes.
Q	And when you say that at the outset of the conversation, he told you he was working, I suggest you're being dishonest?
A	No. I would reject that.
Q	And the reason that he got arrested and the van seized rather than a fixed penalty notice — you say it's because he was being un-co-operative? Yes?
A	In terms of the seizure?
Q	In terms of why this wasn't dealt with by way of a fixed penalty notice, why it was dealt with in terms of him being arrested and then the van needing to be seized.
A	Yes. He was being un-co-operative.
Q	Because you say he was being un-co-operative. I suggest to you he was standing his ground saying "I haven't been working here" and was saying "Why are you lying to my insurance company?"
A	I don't — I don't recall him saying that I'd lied to the insurance company.
THE RECORDER:	You certainly hadn't told them the truth, had you, on the face of it? **A** I certainly acknowledge there's a discrepancy there, your Honour.
THE RECORDER:	Yes.
MR KENNEDY:	Thank you. Nothing further. <u>Re-examined by MR POTTINGER</u>
Q	Did you — you said he became un-co-operative and at a later stage claimed that he was looking for work rather than working? Is that right?
A	Yes.
Q	Had you mentioned the insurance before he — in terms of him saying that he was actually looking for work rather than working, can you help us when that change happened?
A	As soon as — for me anyway, as soon as I'd asked — as soon as I'd asked for his documents initially and he'd said "Oh, you know, I'm busy. I'm just going to go in there and do some work" for me the — the suspicion was there, "Well, I need to make sure on the insurance that it covers him for..." — "...for business" and then of

A	course over the process of saying "Can I see your insurance certificate?" and so on, yes, it's become clear that I'm digging into his insurance.
Q	Can you actually recall seeing anything in the vehicle apart from loose items and debris?
A	No. Loose items
Q	And the cards?
A.	the business cards and debris, yes.

MR POTTINGER:	I've got no further questions. Does your Honour have any questions?
THE RECORDER:	Yes. Was it a solid van or an open transit?
A.	My apologies, your Honour. Can you repeat
Q	Was it a solid van or was it an open-backed
A.	It was a closed
Q.	Closed.
A	panel vans.
Q.	Did you look in it?
A.	No, not initially, no. I don't believe I did.
Q	Did you see any ladders?
A	No, I don't recall any ladders.
Q	Paint pots?
A	No, I don't recall any paint pots.
Q	Tools?
A	I don't recall any tools.
Q	Thank you. You rang the insurers having been given the certificate of motor insurance? Is that right?
A	Yes, that's correct.
Q	Where did you get the phone number from?
A	(No audible reply)
Q	I can't see it on this certificate. Perhaps it's just my eyesight but
A	I don't recall where I got the number from.

27

243,

Q	Right. I think somebody knows but we can deal with that later on. You don't recall anyway?
A	No.
Q	Thank you. Anything else? No. Thank you, officer. That's all. I would like you to remain at court, please, and I would like you to produce all the notes that you've relied upon this morning and hand them to Mr Pottinger. Thank you.
A	Yes, your Honour. Thank you.
Q	You may leave the courtroom but don't leave the building, please.
A	Yes, your Honour. Thank you.
(The witness withdrew)	
THE RECORDER:	Anything else, Mr Pottinger, you wish to call?
MR POTTINGER:	No.
THE RECORDER:	Any other evidence?
MR POTTINGER:	No.
THE RECORDER:	That's it, is it?
MR KENNEDY:	There's five minutes before lunch. I've got a submission. It's a ^ very short one. I can fit it in the five minutes.
THE RECORDER:	Yes. Thank you. Fire away.

MR KENNEDY:	Well, the burden is on the Crown to establish beyond reasonable doubt that Mr Cordell was working that day. They've only called one witness. I p suggest to you that he was a problematic witness and that in terms of the factors that he records that would suggest that he was working, they don't reach the threshold of beyond reasonable doubt. You've got that it was a work day during working hours but that doesn't really take the case anywhere. We've got a suggestion of paint on clothing. Well, you've heard that it's been challenged. It's a matter for you how much credibility you give that witness, but it doesn't take the G case to the threshold, I suggest. The same for cards. And there is - there's an absence — aside from that there's an absence of — of the sort of thing that you might expect to be produced to prove somebody was working. Your Honour just raised a couple but the list is long, isn't it? There are ladders, paint pots, tools, any paraphernalia. Not even a search of the van and no enquiries, it appears, made with — at the scene of the person he — it's — with anybody, no — no enquiries at the ® scene to establish that he was working.

28

244,

MR KENNEDY:	It's Galbraith (Inaudible), isn't it?
	Yes. I would suggest the answer is No.
THE RECORDER:	Thank y What you do have — the height of the Crown's case would be the admission that the — by Mr Cordell that he said at the start "I'm just going to work". That's the height of the Crown's case. In my submission, you cannot rely on that being an accurate and truthful note of the conversation that he -- because of the credibility issues concerning the one witness who gives that evidence. So taking a step back, can the Crown prove beyond reasonable doubt on the evidence we've heard already that — I know that's not the test at this stage but applying the correct test at this stage, the half-time test, could a reasonable -- could a reasonable tribunal properly directed convict on the evidence that they've heard? ou. Mr Pottinger?
MR KENNEDY:	What do you say about the burden of proof in relation to this offence not for the half-time submission but for the end of the day?
THE RECORDER:	(Inaud The evidence is that the defendant was there with Dean Reid, according to the officer in clothing consistent with work in a vehicle in a condition although without tools consistent with being used for work, with a number of business cards containing the names Dean and Simon, the two persons in that van, advertising a business in provision of general repairs, painting decorating, man and van removals, cleaning, property maintenance services. So, the Crown say that there's an obvious inference there. Simon and Dean were in a van together, there's a card saying Simon and Dean, general jobs - nothing to do with the motor trade because that would be covered by the use - in a van, consistent with it being used for odd jobs, in

	clothing consistent with being used with odd jobs and — and an admission at the start.ible).
MR POTTINGER:	On the Crown to prove beyond reasonable doubt that there was no policy in force?
THE RECORDER:	Well, no. No, it's not. It's for the defendant to prove on the balance of probabilities there was no policy in force for the use of that vehicle.
MR POTTINGER:	Sorry, for the defendant to prove
THE RECORDER:	It's for the defendant — sorry, for the defendant to prove on

29

245,

MR POTTINGER:	the balance of probabilities. It's really a question of the use of the vehicle and the nature of the use. So the
THE RECORDER:	It all comes down to the use, doesn't it?
MR POTTINGER:	Yes.
THE RECORDER:	Thank you.
MR POTTINGER:	That was the -- grey area which I was seeking just to think about briefly.
THE RECORDER:	Well, I understand. But I just wanted to clarify
MR POTTINGER:	Yes. No, you can — the -- it's an absolute offence. I think the — and the burden of proof section is at 32-179. The prosecution has to prove the vehicle — used a vehicle on the road. Once that is established it's for the defendant to prove there was a valid policy in force at the time. But the slight grey area here is the — it's the nature of the use that's being contested.
THE RECORDER:	Yes. Thank you. Anything else?
MR POTTINGER:	No.
THE RECORDER:	Thank you. Although it's after one o'clock, we're going to rise and we're going to come back within the next five or ten minutes and deal with this submission. I apologise to all those whose luncheon it will interfere with but it may take less time in the end. Thank you very much.
(There followed a short adjournment)

Dear Peter Wood

Thank you for picking this up and taking the time to deal with this matter. The date of the appeal I do not have yet. I are waiting for this but the court and CPS said if I get the information needed before the court date then it could be sent to the court who found me guilty and the CPS and this would be linked to the case and addressed. In addition, there should be no need for the appeal court case. I am trying to do this so that a next day is not got to be wasted of my time in court and getting to and from the court. The day that the police officer pulled me and told KGM that I had tools in my van, which the police officer lied, and the police officer has said this in court so lied to the judge is 14/11/**2013**. I think due to what the police officer said in court the CPS and judge would like to know the facts and what the police officer said on that phone call to KGM. In addition, when KGM spoke to the manager at the police compound and found out in fact there was not tools, I think the reason for this is the police officer committed perjury in the court. That is why they asked me to get proof that my insurance was not void, section 9 witness statements as to what the police officer told KGM on the phone to try to void my insurance, In addition, the facts how KGM found out I had in fact done nothing wrong and my insurance should not be cancelled. However, if you think a Letter of Indemnity would sort this matter out then if this could be done, I would be very grateful, but could you include in the letter only reason this has come about is due to what the police officer told KGM about the tools being in the van. In addition, this is the reason KGM told the police officer

that I would not then be covered by the insurance policy I had in force with them. This should cover it I hope as I really did nothing wrong and Kelly Tiller knows the police officer lied to get my insurance cancelled as she spoke to the police compound and they told her there was no tools. The vehicle registration I was driving on the 14/11/**2010** was CX52JRZ, this registration was included on my insurance. So, should have shown on the database along with my car. However, none showed up as being insured on the MID database, this is what has caused me all the problems with the police. As already aware yes, I was stopped around 8 or 9 times and had vehicles seized. I do have some of the some of them here already like do have the receipt what I paid to get the vehicle out of the compound for the 14/11/**2013** case I picked that up on the 16/11/**2013**. I have the ones for the 08/04/**2013**, 29/10/**2013**, 16/11/**2013**, 03/01/**2014** I just need to get the receipts for the other dates and also something that shows they was all sized due to no insurance from the police compound. As for the Data Subject Access Request, I am most grateful that this is being addressed. If I had known a fee was, needed I would have paid that right away, but due to no one getting back to me about the ones that were put in, I did not know a fee was needed.

Dear Mr Cordell,

Unfortunately, Andy has been called away due to a family emergency, in his absence I have picked this matter up. The first order of business to my mind is dealing with the Court case, can you confirm when the date has been set for the hearing please? My thought is that we provide a Letter of Indemnity that basically confirms that you had a valid policy in force between said dates and on what vehicles, this should satisfy the Courts but if they need anything else, we will be happy to assist, just let me know what you require. I understand you were stopped several times and had vehicles seized, you are in the process of obtaining evidence of these vehicle seizures and the costs incurred by you as a result for us to consider compensation. When you have gathered this please forward the evidence to us as soon as possible. There is also the matter of your Data Subject Access Request. I have spent some time today tracking down recorded calls and various communications and hove notified our Data Protection Officer of your request. I can see that you have made a request, any request should correctly be sent on for the attention of the Data Protection Officer along with a £10 fee. Your request was addressed generally to KGM with no fee and it would appear not actioned. The underwriter dealing with your request should have asked immediately for the fee payment and escalated your request accordingly. This was not done for which I must apologise, as a result we will waive the fee requirement and I would confirm this is now in hand. We have yet to issue a final response to your complaint and I would assure you we will do this as soon as we have received your response to the above points.

1330,

Dear Andrew

Please see attached Insurance, which will show you full details of his insurance policy and dates covered. Yes, we do want full discloser so this mater can be sorted out by the court and I can send the information over to the CPS for the case of the 14/11/**2013** where the police officer told KGM I had tools in my van to void my insurance. Kelly Tiller from the trade section and Jessica know fully what went on and it was Jessica that took the phone call from the police officer. After this I believe Kelly Tiller took over dealing with my policy and she was the one that had the say to cancel my policy and she was the one that believed the police until I went to the police compound and spoke to the manager there where he spoke to Kelly Tiller. If I had not done this Kelly Tiller would have cancelled my policy of insurance and I have all the emails to prove this. After Kelly Tiller found out I was not lying about having no tools in my van the insurance policy was kept in place, I did ask Kelly Tiller on more than once to send me the information and put data requests in which was not replied to. Now I have been found guilty when Kelly Tiller knows the truth that there was not tools and the police officer lied to KGM on the phone call. I am the one that has suffered over all this not just on this case but all the times I have been taken to court for no insurance over the year my policy run with KGM due to it not showing on the MID database. You should have all the emails already from Broadsure Direct and many was sent by them to KGM as I was told KGM could not talk to me and I had to deal with Broadsure Direct about my policy Martin Jenkins from

Broadsure Direct should also have copies of all emails as I do. I have spoken to DVLA today and asked for the data of how many times points was put on my licence due to not getting summons from police and then dealing with cases I knew nothing about and then I had to get the cases reopened, I have to write them a letter and they will send the data I have asked for in the post. I do have a lot of letters which I will sort out scan and send over. But the
1331,
1st part I want to deal with is the court case I was found guilty at and have put an appeal in that is the most important to me right now. We can deal with everything else once I get all the data scanned as there is really a lot and it was all due to KGM not sorting out why my insurance was not showing on the MID database. The seizers alone have left me out of pocket by around £1700.00. That is without all the days I have not been able to work due to my driving licence being messed up and showing points for no insurance. All the time going back and forward to the compound to collect my vehicles, and everything else I have had to deal with the courts when in fact I had done nothing wrong. I have tried to deal with this for months and months without going to the ombudsman and KGM has taken no notice, it has taken me to go to the ombudsman for KGM to take any notice and I don't feel anyone would be happy with the this sort of service from KGM let alone any company doing this and causing someone so much suffering. It was one of the police in the end at the compound who in the end worked out why it was not showing up on the MID and that was because there had been a space put within my Reg Numbers. It was that bad two police compounds new me and said each time not again. As you can see, I am not very happy about all of this but I do not think anyone would be when they paid for their insurance and had done nothing wrong to suffer all this. Therefore, could you please get the information I need to send to the CPS, I have written what was needed from Nov **2014** and way before this, and it still has not been sent and I have this hanging over my head. I did not just get points on my licence I got disqualified from driving for 6 months due to repeat offending of no insurance please tell me why when I have paid for my insurance from KGM? The reason it has not been enforced is due to me putting an appeal in. You can contact my mother on 0208 245 7454 or 07961 833021

To Whom It May Concern:
I am writing this email due to needing some information about my Son. I have written a large amount of emails and also contacted many people but cannot found a way to get my sons PNC record corrected. One case we have known about for some time and was told it would be correct, but it never has. We have his PNC record from the police case that he was found not guilty for in **2014**. The problem is when looking over his PNC record, I saw more errors so contacted the courts. I have the memorandum of conviction, which does show the case was dismissed but, on the PNC, it says he was found guilty of this offence. I have also contacted one other court about a number of records on his PNC that did not seem correct, it took them around 6 weeks to check, as they have to recheck a few times to make sure. However, they also seem very confused as 5 cases they do not have any records for the cases every been heard at the court, that are on my sons PNC record. Also, not all the records were checked as when I sent over the list to be checked there was a few dates missed out of my email to the courts to the persons that was doing the checks. I still have to check other records with other courts, but this is a great concern, and these mistakes needs to be addressed I just cannot find the right people to go to that can address these matters. I have been to the police and the 2 courts have been told of these errors, yet they do nothing and these records are still on my sons record which are having a great effect on his life. These records go back to around 1997 to 2009. And as said above I have not done a full check with the courts on all the records that are on the PCN, as I know other things are wrong. My son feels he has suffered due to these errors re bail and the court looking at these records when he has been in front of the courts. Please if this email has not gone to the correct place as I found this email on google could you please help me and tell me where I would need to go to get something like this addressed.
This email is private.

Dear Simon,
I spent some time last Friday tracking down a number of calls and did find the original call that the Police made to Jessica and the calls Kelly made to the Compound so we can provide these and it sounds like these are the important calls from the CPS and Courts viewpoint. I will pass these over to our Data Protection Officer of course but will ask if its ok for me to release them to you in the meantime before he does his official response. I think we should also do the Letter of Indemnity and will send this across to you in the next few days, there's no reason why you can't send this across now and it can do no harm. I'm conscious we have not done a formal final response yet to your complaint, I intend to do this as soon as we receive full details of the recovery costs you incurred and can make a decision on compensation, I trust that's acceptable. If you need anything else or have any questions in the meantime, please do not hesitate to contact us. I am keeping Andy in the loop as I am due to go on leave from 12/2/15 - 8/3/15 so he will need to pick up any issues that may arise during that time. We will be in touch shortly and await details from you as above in due course.

I are waiting for this but the court and CPS said if I get the information needed before the court date then it could be sent to the court who found me guilty and the CPS and this would be linked to the case and addressed. In addition, there should be no need for the appeal court case. I am trying to do this so that a next day is not got to be wasted of my time in court and getting to and from the court. The day that the police officer pulled me and told KGM that I had tools in my van, which the police officer lied, and the police officer has said this in court so lied to the judge is 14/11/**2013**. I think due to what the police officer said in court the CPS and judge would like to know the facts and
1358,
what the police officer said on that phone call to KGM. In addition, when KGM spoke to the manager at the police compound and found out in fact there was not tools, I think the reason for this is the police officer committed perjury in the court. That is why they asked me to get proof that my insurance was not void, section 9 witness statements as to what the police officer told KGM on the phone to try to void my insurance, In addition, the facts how KGM found out I had in fact done nothing wrong and my insurance should not be cancelled. However, if you think a Letter of Indemnity would sort this matter out then if this could be done, I would be very grateful, but could you include in the letter only reason this has come about is due to what the police officer told KGM about the tools being in the van. In addition, this is the reason KGM told the police officer that I would not then be covered by the insurance policy I had in force with them. This should cover it I hope as I really did nothing wrong and Kelly Tiller knows the police officer lied to get my insurance cancelled as she spoke to the police compound and they told her there was no tools. The vehicle registration I was driving on the 14/11/**2010** was CX52JRZ, this registration was included on my insurance. So, should have shown on the database along with my car. However, none showed up as being insured on the MID database, this is what has caused me all the problems with the police. As already aware yes, I was stopped around 8 or 9 times and had vehicles seized. I do have some of the some of them here already like do have the receipt what I paid to get the vehicle out of the compound for the 14/11/**2013** case I picked that up on the 16/11/**2013**. I have the ones for the 08/04/**2013**, 29/10/**2013**, 16/11/**2013**, 03/01/**2014** I just need to get the receipts for the other dates and also something that shows they was all sized due to no insurance from the police compound. As for the Data Subject Access Request, I am most grateful that this is being addressed. If I had known a fee was, needed I would have paid that right away, but due to no one getting back to me about the ones that were put in, I did not know a fee was needed.

Dear Mr Cordell,
Unfortunately, Andy has been called away due to a family emergency, in his absence I have picked this matter up. The first order of business to my mind is dealing with the Court case, can you confirm when the date has been set for the hearing please? My thought is that we provide a Letter of Indemnity that basically confirms that you had a valid policy in force between said dates and on what vehicles, this should satisfy the Courts but if they need anything else, we will be happy to assist, just let me know what you require.
1359,
I understand you were stopped several times and had vehicles seized, you are in the process of obtaining evidence of these vehicle seizures and the costs incurred by you as a result for us to consider
compensation. When you have gathered this please forward the evidence to us as soon as possible. There is also the matter of your Data Subject Access Request. I have spent some time today tracking down recorded calls and various communications and hove notified our Data Protection Officer of your request. I can see that you have made a request, any request should correctly be sent on for the attention of the Data Protection Officer along with a £10 fee. Your request was addressed generally to KGM with no fee and it would appear not actioned. The underwriter dealing with your request should have asked immediately for the fee payment and escalated your request accordingly. This was not done for which I must apologise, as a result we will waive the fee requirement and I would confirm this is now in hand. We have yet to issue a final response to your complaint and I would assure you we will do this as soon as we have received your response to the above points.

Dear Andrew
Please see attached Insurance, which will show you full details of his insurance policy and dates covered. Yes, we do want full discloser so this mater can be sorted out by the court and I can send the information over to the CPS for the case of the 14/11/**2013** where the police officer told KGM I had tools in my van to void my insurance. Kelly Tiller from the trade section and Jessica know fully what went on and it was Jessica that took the phone call from the police officer. After this I believe Kelly Tiller took over dealing with my policy and she was the one that had the say to cancel my policy and she was the one that believed the police until I went to the police compound and spoke to the manager there where he spoke to Kelly Tiller. If I had not done this Kelly Tiller would have cancelled my policy of insurance and I have all the emails to prove this.
1360,
After Kelly Tiller found out I was not lying about having no tools in my van the insurance policy was kept in place, I did ask Kelly Tiller on more than once to send me the information and put data requests in which was not replied to. Now I have been found guilty when Kelly Tiller knows the truth that there was not tools and the police officer lied to KGM on the phone call. I am the one that has suffered over all this not just on this case but all the times I have been taken to court for no insurance over the year my policy run with KGM due to it not showing on the MID database. You should have all the emails already from Broadsure Direct and many was sent by them to KGM as I was told KGM could not talk to me and I had to deal with Broadsure Direct about my policy Martin Jenkins from Broadsure Direct should also have copies of all emails as I do. I have spoken to DVLA today and asked for the data of how many times points was put on my licence due to not getting summons from police and then dealing with cases I knew nothing about and then I had to get the cases reopened, I have to write them a letter and they will send the data I have asked for in the post. I do have a lot of letters which I will sort out scan and send over. But the 1st part I want to deal with is the court case I was found guilty at and have put an appeal in that is the most important to me right now. We can deal with everything else once I get all the data scanned as there is really a lot and it was all due to KGM not sorting out why my insurance was not showing on the MID database. The seizers alone have left me out of pocket by around £1700.00. That is without all the days I have not been able to work due to my driving licence being messed up and showing points for no insurance. All the time going back and forward to the compound to collect my vehicles, and everything else I have had to deal with the courts when in fact I had done nothing wrong. I have tried to deal with this for months and months without going to the ombudsman and KGM has taken no notice, it has taken me to go to the ombudsman for KGM to take any notice and I don't feel anyone

would be happy with this sort of service from KGM let alone any company doing this and causing someone so much suffering.

1361,

It was one of the police in the end at the compound who in the end worked out why it was not showing up on the MID and that was because there had been a space put within my Reg Numbers. It was that bad two police compounds new me and said each time not again. As you can see, I am not very happy about all of this, but I do not think anyone would be when they paid for their insurance and had done nothing wrong to suffer all this. Therefore, could you please get the information I need to send to the CPS, I have written what was needed from Nov **2014** and way before this, and it still has not been sent and I have this hanging over my head. I did not just get points on my licence I got disqualified from driving for 6 months due to repeat offending of no insurance please tell me why when I have paid for my insurance from KGM? The reason it has not been enforced is due to me putting an appeal in. You can contact my mother on 0208 245 7454 or 07961 833021

To Whom It May Concern:

I am writing this email due to needing some information about my Son. I have written a large amount of emails and also contacted many people but cannot found a way to get my sons PNC record corrected. One case we have known about for some time and was told it would be correct, but it never has. We have his PNC record from the police case that he was found not guilty for in **2014**. The problem is when looking over his PNC record, I saw more errors so contacted the courts. I have the memorandum of conviction, which does show the case was dismissed but, on the PNC, it says he was found guilty of this offence. I have also contacted one other court about a number of records on his PNC that did not seem correct, it took them around 6 weeks to check, as they have to recheck a few times to make sure. However, they also seem very confused as 5 cases they do not have any records for the cases every been heard at the court, that are on my sons PNC record. Also, not all the records were checked as when I sent over the list to be checked there was a few dates missed out of my email to the courts to the persons that was doing the checks. I still have to check other records with other courts, but this is a great concern, and these mistakes needs to be addressed I just cannot find the right people to go to that can address these matters. I have been to the police and the 2 courts have been told of these errors, yet they do nothing and these records are still on my sons record which are having a great effect on his life. These records go back to around 1997 to 2009. And as said above I have not done a full check with the courts on all the records that are on the PCN, as I know other things are wrong. My son feels he has suffered due to these errors re bail and the court looking at

these records when he has been in front of the courts. Please if this email has not gone to the correct place as I found this email on google could you please help me
1373,
and tell me where I would need to go to get something like this addressed. This email is private.

Yes, please could you send the tapes out and the Letter of Indemnity I would be most grateful as I think this would cover the courts and would like to get the information to them as soon as possible to the court and CPS. As for the other information that is acceptable, as I not sure how long it will take the police compound to send me over the information, I will need to send to you they do take their time. I am just happy this matter is getting address as said the most worrying thing was the court case and this is the information I needed. I hope you have a great time on leave. I look forward to hearing from you and will pass the information over from the police compound as soon as I have it.

I spent some time last Friday tracking down a number of calls and did find the original call that the Police made to Jessica and the calls Kelly made to the Compound so we can provide these and it sounds like these are the important calls from the CPS and Courts viewpoint. I will pass these over to our Data Protection Officer of course but will ask if its ok for me to release them to you in the meantime before he does his official response. I think we should also do the Letter of Indemnity and will send this across to you in the next few days, there's no reason why you can't send this across now and it can do no harm. I'm conscious we have not done a formal final response yet to your complaint, I intend to do this as soon as we receive full details of the recovery costs you incurred and can make a decision on compensation, I trust that's acceptable. If you need anything else or have any questions in the meantime, please do not hesitate to contact us. I am keeping Andy in the loop as I am due to go on leave from 12/2/15 - 8/3/15 so he will need to pick up any issues that may arise during that time. We will be in touch shortly and await details from you as above in due course.

On Wednesday, 28 January 2015, 20:57,
Hi Josey, could you explain something to me, pleas**e:** --
I forgot to ask today when at the office. The police are relying on Criminal Justice and Public Order Act 1994 section 63
http://www.legislation.gov.uk/ukpga/1994/33/section/63
Now I have read this a number of times and so has Simon and at the last 2 court cases about this case the judge has, even asked if section 63 has not gotten defined.
I do not think it has at all because under section 63 it only covers gathering on land in the open air of 20 or more people.
How does this include indoors parties which most of the police case relies on?
Please read this also.
http://www.bailii.org/ew/cases/EWHC/Admin/**2010**/1814.html
As saw by the judge in the above case It will get noted that section 68(5) excludes the Highways and Roads excluded from section 61 under section 61(9)(b) but does not include in that exclusion, the exclusion in section 61(9)(a), which is where buildings got excluded from the application off section 61.
It will be further noted the exclusion in the section 61 got introduced by the words' "in this section" and so without more it does not apply to other sections.
Although the words "in the open air" where removed from section 68 of the 1994 Act, those same words got not removed from section 63 which concerns power to remove people attending or preparing for a rave, nor from section 77, which concerns powers to direct unauthorised campers to leave the land.
The District Judge's reasoning got contained in these paragraphs off the Case, where she said: "I find section 61 holds the relevant definition of land for sections 68 and 69, and that excludes buildings. So, by section 68(5)(b), referring to the application off section 61(b) of the definition off 'land'.
Amendments made by the Anti-Social Behaviour Act 2003 remove 'in the open air'.
Nothing is included, save for the explanatory note, I give that limited weight.
My view is the appellants could convict of a very serious offence by way of an explanatory note which, in the interests of justice, is manifestly, wrong and therefore I find no case to answer.
"Section 63 is what they are using in this case and as seen above has never had the words open air removed from section 63.
Simon called the guy he saw today and addressed this, but he says the police are using Simon character only in his case.
But how can this be the case as he does not got arrested before for anything to do with this?
I knew from the onset of this case due, to who they have got to deal with it, they are trying to push this law to include building under section 63, but a judge has already ruled this cannot be the case due to some sections not being amended.
If you look at what they want to give Simon this Asbo for and what he cannot do is under section 63?
You also have this.

Please read section 12.2 The Police and Criminal Evidence Act (PACE) does not apply to civil Proceedings but, in view of their powers of arrest, etc., the police could as a matter of good practice, conduct, interviews, of defendants, by applying the basic principles of PACE - e.g. advising them of the purpose of the interview and that they are not under arrest, allowing a legal adviser to be present.
When in fact have the police done this to Simon Never?

As for the other information that is acceptable, as I not sure how long it will take the police compound to send me over the information, I will need to send to you they do take their time.
362,
I am just happy this matter is getting address as said the most worrying thing was the court case and this is the information I needed. I hope you have a great time on leave.
I look forward to hearing from you and will pass the information over from the police compound as soon as I have it.

Dear Simon,
I spent some time last Friday tracking down a number of calls and did find the original call that the Police made to Jessica and the calls Kelly made to the Compound so we can provide these and it sounds like these are the important calls from the CPS and Courts viewpoint. I will pass these over to our Data Protection Officer of course but will ask if its ok for me to release them to you in the meantime before he does his official response.
I think we should also do the Letter of Indemnity and will send this across to you in the next few days, there's no reason why you can't send this across now and it can do no harm.
I'm conscious we have not done a formal final response yet to your complaint, I intend to do this as soon as we receive full details of the recovery costs you incurred and can make a decision on compensation, I trust that's acceptable.
If you need anything else or have any questions in the meantime, please do not hesitate to contact us.
I am keeping Andy in the loop as I am due to go on leave from 12/2/15 - 8/3/15 so he will need to pick up any issues that may arise during that time.
We will be in touch shortly and await details from you as above in due course.

Dear Peter Wood
Thank you for picking this up and taking the time to deal with this matter.
363,
The date of the appeal I do not have yet.
I are waiting for this but the court and CPS said if I get the information needed before the court date then it could be sent to the court who found me guilty and the CPS and this would be linked to the case and addressed. In addition, there should be no need for the appeal court case.
I am trying to do this so that a next day is not got to be wasted of my time in court and getting to and from the court.
The day that the police officer pulled me and told KGM that I had tools in my van, which the police officer lied, and the police officer has said this in court so lied to the judge is 14/11/2013.
I think due to what the police officer said in court the CPS and judge would like to know the facts and what the police officer said on that phone call to KGM. In addition, when KGM spoke to the manager at the police compound and found out in fact there was not tools, I think the reason for this is the police officer committed perjury in the court.
That is why they asked me to get proof that my insurance was not void, section 9 witness statements as to what the police officer told KGM on the phone to try to void my insurance, In addition, the facts how KGM found out I had in fact done nothing wrong and my insurance should not be cancelled.
However, if you think a Letter of Indemnity would sort this matter out then if this could be done I would be very grateful, but could you include in the letter only reason this has come about is due to what the police officer told KGM about the tools being in the van. In addition, this is the reason KGM told the police officer that I would not then be covered by the insurance policy I had in force with them.
This should cover it I hope as I really did nothing wrong and Kelly Tiller knows the police officer lied to get my insurance cancelled as she spoke to the police compound and they told her there was no tools.
The vehicle registration I was driving on the 14/11/2010 was CX52JRZ, this registration was included on my insurance. So should have shown on the database along with my car. However, none showed up as being insured on the MID database, this is what has caused me all the problems with the police.
As already aware yes, I was stopped around 8 or 9 times and had vehicles seized.

I do have some of the some of them here already like do have the receipt what I paid to get the vehicle out of the compound for the 14/11/2013 case I picked that up on the 16/11/2013.
I have the ones for the 08/04/2013, 29/10/2013, 16/11/2013, 03/01/2014 I just need to get the receipts for the other dates and also something that shows they was all sized due to no insurance from the police compound.
As for the Data Subject Access Request, I am most grateful that this is being addressed. If I had known a fee was, needed I would have paid that right away, but due to no one getting back to me about the ones that were put in, I did not know a fee was needed.

364,
Dear Mr Cordell,
Unfortunately Andy has been called away due to a family emergency, in his absence I have picked this matter up.
The first order of business to my mind is dealing with the Court case, can you confirm when the date has been set for the hearing please? My thought is that we provide a Letter of Indemnity that basically confirms that you had a valid policy in force between said dates and on what vehicles, this should satisfy the Courts but if they need anything else we will be happy to assist, just let me know what you require.
I understand you were stopped several times and had vehicles seized, you are in the process of obtaining evidence of these vehicle seizures and the costs incurred by you as a result for us to consider compensation. When you have gathered this please forward the evidence to us as soon as possible.
There is also the matter of your Data Subject Access Request. I have spent some time today tracking down recorded calls and various communications and hove notified our Data Protection Officer of your request. I can see that you have made a request, any request should correctly be sent on for the attention of the Data Protection Officer along with a £10 fee. Your request was addressed generally to KGM with no fee and it would appear not actioned. The underwriter dealing with your request should have asked immediately for the fee payment and escalated your request accordingly. This was not done for which I must apologise, as a result we will waive the fee requirement and I would confirm this is now in hand.
We have yet to issue a final response to your complaint and I would assure you we will do this as soon as we have received your response to the above points.

Dear Andrew
Please see attached Insurance, which will show you full details of his insurance policy and dates covered.
Yes, we do want full discloser so this mater can be sorted out by the court
365,
and I can send the information over to the CPS for the case of the 14/11/2013 where the police officer told KGM I had tools in my van to void my insurance. Kelly Tiller from the trade section and Jessica know fully what went on and it was Jessica that took the phone call from the police officer. After this I believe Kelly Tiller took over dealing with my policy and she was the one that had the say to cancel my policy and she was the one that believed the police until I went to the police compound and spoke to the manager there where he spoke to Kelly Tiller. If I had not done this Kelly Tiller would have cancelled my policy of insurance and I have all the emails to prove this.
After Kelly Tiller found out I was not lying about having no tools in my van the insurance policy was kept in place, I did ask Kelly Tiller on more than once to send me the information and put data requests in which was not replied to. Now I have been found guilty when Kelly Tiller knows the truth that there was not tools and the police officer lied to KGM on the phone call.
I am the one that has suffered over all this not just on this case but all the times I have been taken to court for no insurance over the year my policy run with KGM due to it not showing on the MID database.
You should have all the emails already from Broadsure Direct and many was sent by them to KGM as I was told KGM could not talk to me and I had to deal with Broadsure Direct about my policy Martin Jenkins from Broadsure Direct should also have copies of all emails as I do.

I have spoken to DVLA today and asked for the data of how many times points was put on my licence due to not getting summons from police and then dealing with cases I knew nothing about and then I had to get the cases reopened, I have to write them a letter and they will send the data I have asked for in the post.
I do have a lot of letters which I will sort out scan and send over. But the 1st part I want to deal with is the court case I was found guilty at and have put an appeal in that is the most important to me right now.
We can deal with everything else once I get all the data scanned as there is
366,
really a lot and it was all due to KGM not sorting out why my insurance was not showing on the MID database. The seizers alone have left me out of pocket by around £1700.00. That is without all the days I have not been able to work due to my driving licence being messed up and showing points for no insurance. All the time going back and forward to the compound to collect my vehicles, and everything else I have had to deal with the courts when in fact I had done nothing wrong.
I have tried to deal with this for months and months without going to the ombudsman and KGM has taken no notice, it has taken me to go to the ombudsman for KGM to take any notice and I don't feel anyone would be happy with the this sort of service from KGM let alone any company doing this and causing someone so much suffering.
It was one of the police in the end at the compound who in the end worked out why it was not showing up on the MID and that was because there had been a space put within my Reg Numbers. It was that bad two police compounds new me and said each time not again.
As you can see, I am not very happy about all of this, but I do not think anyone would be when they paid for their insurance and had done nothing wrong to suffer all this.
Therefore could you please get the information I need to send to the CPS; I have written what was needed from Nov 2014 and way before this, and it still has not been sent and I have this hanging over my head. I did not just get points on my licence I got disqualified from driving for 6 months due to repeat offending of no insurance please tell me why when I have paid for my insurance from KGM? The reason it has not been enforced is due to me putting an appeal in.
You can contact my mother on 0208 245 7454 or 07961 833021

Dear Andrew
I will forward this to you within a few days I will ask the police compound to do a full print out as to all the tickets as I believe there is a few missing.
I do have around 6 of the tickets here when the vehicles were sized I also do have court letters, and letters from DVLA, which I will forward over to you once I have scanned then in so please give me a few days and I will get back to you with this information as there is a lot of data..

The main one at this time I am worried about is the case where the vehicle was sized due to the police lying and me being found guilty at court you did have an email on the 30 November 2014 about what was needed and I do have the court letter showing I was found guilty and about the appeal.
This data should have been given under the Subject access request under the Data Protection Act 1998 I put in, so was wondering what you can do about this and if you will need a new Subject access request under the Data Protection Act 1998 I have already sent 3 in so to do a 4th I do not feel I should need to do.
KGM have in fact not followed the protocol for the Subject access request under the Data Protection Act 1998 which has been put in 3 times already to KGM, I will be addressing this with the Information Commissioner's Office as I do not see any reason you would have to stop the information I have asked for under this act to prove I was not in fact guilty of no insurance.

369,

And now say to deal with this you need information from me. I can understand you want the information for the complaint that has been put in, but not the information I asked for to show I was in fact I was insured for an appeal that is ongoing. And in fact would not have been ongoing if the Subject access request under the Data Protection Act 1998 as I would not have been found guilty.
I would like the data sent to the court as soon as possible in regards to this so they can look at the facts and see if fact I was insured so there should be no need for the appeal to go ahead with more of my time wasted going to court.

Subject: RE: MT3574694
To Whom It May Concern:
I am writing due to the complaint I put in. I have forwarded emails to Broadsure Direct and spoken to Broadsure Direct who took the policy of insurance out policy no: MT3574694
I have been asking for information from KGM since 2013 and have heard nothing back.
When the policy was taken out there was some reason it did not show up on the MID database Broadsure Direct and KGM was aware of this.

Due to this fact I had my vehicles were sized a number of times I believe 8 or 9 times in all, where I had to pay the costs to get my vehicles out the compound each time. In the week when I was pulled by police it was not so bad as the insurance company was opened so when I showed the police my policy, they could call the insurance company.
The seizers happened mostly at the weekend mostly due to the insurance company being closed and the police could not talk to anyone even when I had my policy on me at all times to prove I did in fact have insurance.

372,

I made many calls to the police, Broadsure Direct, KGM and the people who run the MID database, but the issue did not go away, and my vehicles still did not show up on the MID database.
There was also a time in Nov 2013 when my van was sized this was due to KGM telling the police I was not insured due to the police telling KGM that I had tools in my van. Which was a lie by the police as I did not have anything in my van. Kelly Tiller from the trade section was dealing with this and a few days later I got a letter from KGM saying they was going to cancel my policy. As you can understand I was very upset over this as I had done nothing wrong.
At this time lots of calls was both made to KMG and Broadsure to stop the cancelation of my insurance policy, I spoke to Kelly Tiller many times, but she believed the police and I had no say in the matter. The police was off duty so I could not speak to them and Kelly Tiller was saying unless I could prove I did not have any tools in my van then the insurance policy would be cancelled which was very unfair as I had done nothing wrong I knew I never had any tools.
But I also asked Kelly Tiller did the police tell her what tools was meant to be in my van, to which she said no. KGM was not even aware I had mechanics trade on my policy so if my mechanics tools had been in my van at the time my insurance would still have been cancelled which to me what was the point in having insurance?
I then spoke to a wonderful operator at the police when I called told her what had gone on and was told by her to go to the police compound as when any vehicles are taken there they have to do a full list of items that are in the vehicles as they are in fact legible if something goes missing. Over that weekend I sent emails to the compound and forwarded them to Broadsure as my insurance was due to be cancelled on the Monday. On Monday I got an email from Broadsure direct asking me to go to the compound as Kelly Tiller had no luck getting a reply from them also, and once there to call Kelly Tiller due to the time on the Monday I got the email it would have been too late to go the compound and get a call to Kelly Tiller as she would have ended work for that day so I sent an email saying I would be going there early the next morning.
I went the next day and asked to speak to the manager of the compound who in

373,

fact looked up my van and said nothing was in there, there was not tools I called Kelly Tiller and the manager of the compound spoke to her and confirmed there was nothing in the van when it was taken there by police and that I had put thing in the van when I had taken it out of the compound.
At this point Kelly tiller believed me and said the policy would not be cancelled. But on my way back from the compound driving my phone ring and I stopped to pick it up and it was Broadsure direct saying my policy had in fact been cancelled I was very upset at this and told them what had happened, I was asked to hold on they was called KGM back and would call me right back. I waited till Broadsure direct called me back and confirmed my insurance policy had not been cancelled then drove home.
From this point I have been asking for all information and putting data protection acts in which have not been dealt with and I have heard nothing from KGM.
I have been back and forward to court due to no insurance and in fact 4 cases I did not get any summons so was in fact found guilty as I did not know it was even going to court.
I have had points put on my driving licence for no reason and had to go back and forward to court many times when this should not have been the case.
Then the case come up for the seizer when the police said I had tools in my van I went to court with all my documents but due to not having the information I had asked for from KGM many times about that case I was found guilty. I am very upset about the whole policy with KGM. I have put an appeal in, and this case will be going to crown court I have again asked for information and again heard nothing. These matters need to be addressed as I am suffering due to all of this.
Martin Jenkins at Broadsure Direct knows everything that has gone on as he was my main contact.

374,

I also have all the emails the last one that I will enclose again, which I have heard nothing about and the 1st Subject access request under the Data Protection Act 1998 that I sent on the 26/11/2013. I did in fact send the Subject access request under the Data Protection Act 1998 about time times and asked Martin Jenkins to look into why I had heard nothing about more than once.
Once I get the appeal date for crown court, I will ask the court to summons the people at KGM to deal with this matter as they know I was insurance and did nothing wrong and the police lied. All I have asked for is the data so there will be no need to summons people this way I can send the section 9 witness statements over to the crown and the other information and this case should be dropped against me.
It just seemed that KGM does not want to do anything and give me the information I need to prove in fact I was insurance and the police lied to KGM to in fact make it that I was not insurance.

There is a lot more I could say about the insurance I had with KGM, but this insurance policy was my worst nightmare. It has messed my clean driving licence up and in fact got to the point I could not drive so could not work.
Due to the fact, KGM could not send me the information over that was needed to prove I did have insurance.
If you need o can send over all the emails that has been sent back and forward to Broadsure who sent them to KGM.
I have lost a lot of money, and time due to this insurance policy I have had to pay for my vehicles to be taken out of the police compound around 8 to 9 times at a cost of £180.00 to £200.00 a time. All the loss of work due to having to take time to go to the police compound, and all the times I have had to go to court for no insurance when in fact I had insurance. And points put on my driving licence to the fact I could not drive, this has all been costs to myself.
My Mother Lorraine Cordell has also written many of the emails and is fine with dealing with this issue.

375,

Regards
Simon Cordell

Dear Mr Cordell

RE: Letter of Indemnity - Policy Number MT3574694

We would confirm that the policy above was incepted at 00.01 AM on the 23/2/13 and was in force until Midnight on the 22/2/14 when it lapsed.

The policy is a Road Risks Motor Trade only,cover was Comprehensive with the use permitted of Social Domestic and Pleasure and for Motor Trade purposes only. Drivers under this policy were restricted to Mr Simon Cordell only.

The vehicles covered at inception of the policy were –

- Ford Zetec registration MA47LDY
- Ford Transit registration CX52JRZ

On the 8/4/13 at 11.05am the following vehicle was added to the policy –

- Renault Clio registration NA57LDY.

We understand that Mr Cordell was subjected to a number of Police stops during the policy period whilst driving these vehicles. The stops were due to these vehicles not showing as insured on the Motor Insurers Database (MID). We would confirm that it's a requirement for Motor Insurers to upload details of all insured policies & vehicles to the MID, the targets set are 95% of policies to be on the MID within 14 days for Motor Trade policies and 95% of vehicles to be on the MID within 21 days for Motor Trade. Accordingly we can note that whilst this database is very effective, it's not real time and not 100% accurate.

We have carried out an investigation to understand why Mr Cordells vehicles were not on the MID leading to these Police stops. It has been established that there is a "bug" in our system when copying and pasting a registration with a space in it into the policy record, that results in an unsuccessful upload to the MID. It does not happen when we receive

data electronically or when manually inputting data and was something we were unaware of until this case. We have of course changed our processes to prevent this occurring again.

The unfortunate outcome for Mr Cordell of course was that it appeared to the Police that he was driving uninsured and was subjected to unnecessary Police stops. This was not Mr Cordells fault in any way as he had a valid Insurance policy in force and was fully insured to drive these vehicles for the purposes permitted under this policy during the policy period.

We trust this letter meets the requirements of the Police and the Courts. Should you require any further assistance please do not hesitate to contact us.

MR SIMON CORDELL CX52 JRZ (28.9 KB)
26_11_**2013**_13_53__KellyTiller Kelly call to compound.wav
Hi Josey
I got the attached information from Simon's insurance company on Friday. After a lot of work to get it and a lot of emails and over a year of time. The letter of Indemnity is not correct with some points which I have asked peter wood to address. Simon has asked me to forward this to you. The reason is this show how far the police will go to lie. Not only did he lie to KGM Simon's insurance, about tools being in Simon's van to void Simon insurance cover and be able to seize his van. He then went on to lie in his statement of facts to be used at court saying nothing about tools just that the insurance said Simon's was not covered by his insurance. He then stood up in court and under oath when the judge asked him about tools being in the van said he did not say tools was in the van. The reason the judge asked this was he saw emails from KGM saying about the tools. Simon was found guilty of this and we have taken it to appeal and are waiting on a date. But in the Asbo case can this not be shown that the police will lie even under oath. They are trying to use Simon's char in the Asbo case and make him look bad. Why can we not show the police in the same light by using this information? Simon has asked can you get the case papers from the courts for this case and the Woolwich case. As these cases do show somewhat how far the police are willing to go with Simon. In the Asbo case papers you have police saying in their statement they know Simon is always insured it is on police file how much he was stopped. Yet he has around 8 cases at court for no insurance. In addition, most of these cases he never had a summons for and they found him guilty due to him knowing nothing about the case was due to be in court.

Dear Simon,
Please find attached the following –

- Recording of the original call made by the Police officer to KGM in which he advised that there were tools in your van.
- Recording of the call between Kelly Tiller and the Police compound in which Kelly was advised that

there were no tools in the vehicle.
- Receipt showing purchase of the van.
- E-Mail from Gareth Mullett from the compound confirming that there was nothing on the seizure notice to indicate that there were any tools removed from the vehicle or in the vehicle in the compound.
- Letter of Indemnity for the CPS/Courts.

I believe these are the relevant items you were after and hope this will assist you to resolve the court matters.
If you need anything else please let me know, or in my absence Andy Austin. Paul Donovan will respond separately in respect of your data request but hopefully the attached will meet your requirements. As soon as I receive documentation from you to support costs incurred, I can consider our response on compensation. No doubt I will hear from you shortly, in the meantime have a good weekend.

Dear Peter
Thank you very much for the information you have sent, I do see some errors in your letter of Indemnity.
Ford Zetec registration MA47LDY
• Ford Transit registration CX52JRZ
On the 8/4/13 at 11.05am the following vehicle was added to the policy –
• Renault Clio registration NA57LDY.
Ford Zetec registration MA47LDY
Renault Clio registration NA57LDY
This registration was always put in not correctly but was in fact given to Broadsure Direct correctly. The registration should have been Ford Zetec registration MA57LDY This was later correct after the 3rd time of telling the Ford Zetec registration as MA57LDY please see attached document. This is the registration that should have been on the policy from the start. We never knew it was not correct until 08/04/13 when again the correct registration was given. However, it was put down as Renault Clio registration NA57LDY, we then believe it was put in correctly and not a new car added. We were not sent any documents of that change so did not know there was again an error until the Oct **2013** when it was in fact corrected this time, we asked for new documents to be sent which they were so we could check. But they kept on

his policy Renault Clio registration NA57LDY we made a next call and told them this needed to be removed and was told it would be done. It seems this was never done by what you have sent in your email. I do believe I have emails also about this issue to Broadsure Direct and Martin Jenkins, can confirm this as he was the one, we dealt with at Broadsure Direct. He also should remember all the phone calls. There is also a next issue Simon was not just covered with the basic trade insurance with KGM, Broadsure Direct had a special section with KGM which included in his insurance he was in fact covered for his work as a mechanic, not just standard insurance of trade buying and selling that KGM as a rule only deals with. This has been discussed with the underwriters at KGM by Broadsure Direct re Martin Jenkins. This also caused issues with his insurance cover a few times. This was also meant to have been address and seems it was not. At the time we were not happy as we were told he was not covered when in fact he was. If you call Broadsure Direct and speak to Martin Jenkins, I feel that he can send you the paperwork and under writing of how Simon's insurance was meant to have been setup. As you can see there was a number of issues with his insurance with KGM that lead to problems. and even with the issues of 14/11/**2013** when a call was made to Kelly Tiller, we asked did the police say what tools was meant to have been in the van as if there were mechanic tools in there his insurance should have in fact covered this. Kelly Tiller said no the police officer did not say which tools. But also said he was again not insured for this again Martin Jenkins got a rude call from us and again he had to make calls to address this issue. Can you please confirm he was correctly insured with KGM and write this as I would like this addressed? And one last thing could you please say in your letter on the date of the 14/11/**2013** he was fully insured just so there cannot be any mistakes at court. Sorry, this is causing such an issue and taking up your time but I really want to have something that is fully correct, as I do not want any other issues with courts, police and anything else that could cause my Son problems.

1231,

Regards
Lorraine.

I am writing this email to find out to whom I would have to send information to within the CPS in regard to a case I was found guilty off at Wimbledon magistrate's court of driving without insurance. I put an appeal into Wimbledon magistrate's court on the same day, which was accepted by the Judge hearing my case in court. I was told by the court and CPS if I got the information that was needed to prove that I did in fact have insurance then I could pass this to the CPS to look at. I have yet to get the date of my appeal, but do have the information from my insurance company that I feel will prove I did in fact have insurance to drive on the day I was stopped by police and would like to forward that over by email to the CPS to address. Would it please be possible to get an email address of where the data can be sent to so that this can be done?

Dear Victoria
Just giving you an update, we are still waiting for an appeal date as to the no insurance case on the 14/11/**2013** and the police officer lying to void my son's insurance, and in his statement and in fact to the judge under oath at the last hearing where my son was found guilty. I have had some documents and tapes sent to us that will now prove this, which will be forwarded to the court who found him guilty to prove the police office did in fact lie to the judge and CPS dealing with this case where my son was found guilty. As said in the complaint the police officer went too far and lied, for what reason I do not know. But then to lie in his statement and put force facts, and then lie to the judge when the judge asked him about the tools he lied to the judge's face, I feel that the complaint will need updating to include these facts. It has taken a while to get the proof of this fact, but we do now have it all. I am hoping to deal with this on Monday with the court and CPS, so I hope to have some more information about this shortly.

Ms Cordell,
I tried to call you today to ask you a question about your son's complaint. I was unable to get hold of you. Please can you reply and let me know if your son is disputing his penalty notice or not. If he has requested a Court hearing (which his complaint would tend to indicate) the complaint will be classed as 'subjudice' Which means it will be put on hold until Court proceedings are complete.

MR SIMON CORDELL - CX52 JRZ (28.9 KB); 26_11_2013_13_53
Kelly-Tiller-Kelly-call to compound.wav

Hi Josey

I got the attached information from Simon's insurance company on Friday. After a lot of work to get it and a lot of emails and over a year of time. The letter of Indemnity is not correct with some points which I have asked peter wood to address.

Simon has asked me to forward this to you.

The reason is this show how far the police will go to lie. Not only did he lie to KGM Simon's insurance, about tools being in Simon's van to void Simon insurance cover and be able to seize his van. He then went on to lie in his statement of facts to be used at court saying nothing about tools just that the insurance said Simon's was not covered by his insurance. He then stood up in court and under oath when the judge asked him about tools being in the van said he did not say tools was in the van. The reason the judge asked this was he saw emails from KGM saying about the tools. Simon was found guilty of this and we have taken it to appeal and are waiting on a date.

But in the Asbo case can this not be shown that the police will lie even under oath. They are trying to use Simon's char in the Asbo case and make him look bad. Why can we not show the police in the same light by using this information?

Simon has asked can you get the case papers from the courts for this case and the Woolwich case. As these cases do show somewhat how far the police are willing to go with Simon.

In the Asbo case papers you have police saying in their statement they know Simon is always insured it is on police file how much he was stopped. Yet he has around 8 cases at court for no insurance. In addition, most of these cases he never had a summons for, and they found him guilty due to him knowing nothing about the case was due to be in court.

Dear Simon,
389,
I spent some time last Friday tracking down a number of calls and did find the original call that the Police made to Jessica and the calls Kelly made to the Compound so we can provide these and it sounds like these are the important calls from the CPS and Courts viewpoint. I will pass these over to our Data Protection Officer of course but will ask if its ok for me to release them to you in the meantime before he does his official response.
I think we should also do the Letter of Indemnity and will send this across to you in the next few days, there's no reason why you can't send this across now and it can do no harm.
I'm conscious we have not done a formal final response yet to your complaint, I intend to do this as soon as we receive full details of the recovery costs you incurred and can make a decision on compensation, I trust that's acceptable.
If you need anything else or have any questions in the meantime, please do not hesitate to contact us.
I am keeping Andy in the loop as I am due to go on leave from 12/2/15 - 8/3/15 so he will need to pick up any issues that may arise during that time.
We will be in touch shortly and await details from you as above in due course.

Dear Peter Wood
Thank you for picking this up and taking the time to deal with this matter.
The date of the appeal I do not have yet.
I are waiting for this but the court and CPS said if I get the information needed before the court date then it could be sent to the court who found me guilty and the CPS and this would be linked to the case and addressed. In addition, there should be no need for the appeal court case.
I am trying to do this so that a next day is not got to be wasted of my time in court and getting to and from the court.
The day that the police officer pulled me and told KGM that I had tools in my van, which the police officer lied, and the police officer has said this in court so lied to the judge is 14/11/2013.
I think due to what the police officer said in court the CPS and judge would like to know the facts and what the police officer said on that phone call to KGM. In addition, when KGM spoke to the manager at the police compound and found out in fact there was not tools, I think the reason for this is the police officer committed perjury in the court.
That is why they asked me to get proof that my insurance was not void, section 9 witness statements as to what the police officer told KGM on the phone to try to void my insurance, In addition, the facts how KGM found out I had in fact done nothing wrong and my insurance should not be cancelled.
390,
However, if you think a Letter of Indemnity would sort this matter out then if this could be done I would be very grateful, but could you include in the letter only reason this has come about is due to what the police officer told KGM about the tools being in the van. In addition, this is the reason KGM told the police officer that I would not then be covered by the insurance policy I had in force with them.

This should cover it I hope as I really did nothing wrong and Kelly Tiller knows the police officer lied to get my insurance cancelled as she spoke to the police compound and they told her there was no tools.
The vehicle registration I was driving on the 14/11/2010 was CX52JRZ, this registration was included on my insurance. So should have shown on the database along with my car. However, none showed up as being insured on the MID database, this is what has caused me all the problems with the police.
As already aware yes, I was stopped around 8 or 9 times and had vehicles seized.
I do have some of the some of them here already like do have the receipt what I paid to get the vehicle out of the compound for the 14/11/2013 case I picked that up on the 16/11/2013.
I have the ones for the 08/04/2013, 29/10/2013, 16/11/2013, 03/01/2014 I just need to get the receipts for the other dates and also something that shows they was all sized due to no insurance from the police compound.
As for the Data Subject Access Request, I am most grateful that this is being addressed. If I had known a fee was, needed I would have paid that right away, but due to no one getting back to me about the ones that were put in, I did not know a fee was needed.

Dear Mr Cordell,
Unfortunately Andy has been called away due to a family emergency, in his absence I have picked this matter up.
The first order of business to my mind is dealing with the Court case, can you confirm when the date has been set for the hearing please? My thought is that we provide a Letter of Indemnity that basically confirms that you had a valid policy in force between said dates and on what vehicles, this should satisfy the Courts but if they need anything else we will be happy to assist, just let me know what you require.
I understand you were stopped several times and had vehicles seized, you are in the process of obtaining evidence of these vehicle seizures and the costs incurred by you as a result for us to consider compensation. When you have gathered this please forward the evidence to us as soon as possible.
There is also the matter of your Data Subject Access Request. I have spent some time today tracking down recorded calls and various communications and hove notified our Data Protection Officer of your request. I can see that you have made a request, any request should correctly be sent on for the attention of the Data Protection Officer along with a £10 fee. Your request was addressed generally to KGM with no fee and it would appear not actioned. The underwriter dealing with your request should have asked immediately for the fee payment and escalated your request accordingly. This was not done for which I must apologise, as a
391,
result we will waive the fee requirement and I would confirm this is now in hand.
We have yet to issue a final response to your complaint and I would assure you we will do this as soon as we have received your response to the above points.

Dear Andrew
Please see attached Insurance, which will show you full details of his insurance policy and dates covered.
Yes, we do want full discloser so this mater can be sorted out by the court and I can send the information over to the CPS for the case of the 14/11/2013 where the police officer told KGM I had tools in my van to void my insurance. Kelly Tiller from the trade section and Jessica know fully what went on and it was Jessica that took the phone call from the police officer. After this I believe Kelly Tiller took over dealing with my policy and she was the one that had the say to cancel my policy and she was the one that believed the police until I went to the police compound and spoke to the manager there where he spoke to Kelly Tiller. If I had not done this Kelly Tiller would have cancelled my policy of insurance and I have all the emails to prove this.
After Kelly Tiller found out I was not lying about having no tools in my van the insurance policy was kept in place, I did ask Kelly Tiller on more than once to send me the information and put data requests in which was not replied to. Now I

have been found guilty when Kelly Tiller knows the truth that there was not tools and the police officer lied to KGM on the phone call.

392,

I am the one that has suffered over all this not just on this case but all the times I have been taken to court for no insurance over the year my policy run with KGM due to it not showing on the MID database.

You should have all the emails already from Broadsure Direct and many was sent by them to KGM as I was told KGM could not talk to me and I had to deal with Broadsure Direct about my policy Martin Jenkins from Broadsure Direct should also have copies of all emails as I do.

I have spoken to DVLA today and asked for the data of how many times points was put on my licence due to not getting summons from police and then dealing with cases I knew nothing about and then I had to get the cases reopened, I have to write them a letter and they will send the data I have asked for in the post.

I do have a lot of letters which I will sort out scan and send over. But the 1st part I want to deal with is the court case I was found guilty at and have put an appeal in that is the most important to me right now.

We can deal with everything else once I get all the data scanned as there is really a lot and it was all due to KGM not sorting out why my insurance was not showing on the MID database. The seizers alone have left me out of pocket by around £1700.00. That is without all the days I have not been able to work due to my driving licence being messed up and showing points for no insurance. All the time going back and forward to the compound to collect my vehicles, and everything else I have had to deal with the courts when in fact I had done nothing wrong.

I have tried to deal with this for months and months without going to the ombudsman and KGM has taken no notice, it has taken me to go to the ombudsman for KGM to take any notice and I don't feel anyone would be happy with the this sort of service from KGM let alone any company doing this and causing someone so much suffering.

It was one of the police in the end at the compound who in the end worked

393,

out why it was not showing up on the MID and that was because there had been a space put within my Reg Numbers. It was that bad two police compounds new me and said each time not again.

As you can see, I am not very happy about all of this, but I do not think anyone would be when they paid for their insurance and had done nothing wrong to suffer all this.

Therefore could you please get the information I need to send to the CPS; I have written what was needed from Nov 2014 and way before this, and it still has not been sent and I have this hanging over my head. I did not just get points on my licence I got disqualified from driving for 6 months due to repeat offending of no insurance please tell me why when I have paid for my insurance from KGM? The reason it has not been enforced is due to me putting an appeal in.

You can contact my mother on 0208 245 7454 or 07961 833021

Dear Andrew

I will forward this to you within a few days I will ask the police compound to do a full print out as to all the tickets as I believe there is a few

395,

missing.

I do have around 6 of the tickets here when the vehicles were sized I also do have court letters, and letters from DVLA, which I will forward over to you once I have scanned then in so please give me a few days and I will get back to you with this information as there is a lot of data..

The main one at this time I am worried about is the case where the vehicle was sized due to the police lying and me being found guilty at court you did have an email on the 30 November 2014 about what was needed and I do have the court letter showing I was found guilty and about the appeal.

This data should have been given under the Subject access request under the Data Protection Act 1998 I put in, so was wondering what you can do about this and if you will need a new Subject access request under the Data Protection Act 1998 I have already sent 3 in so to do a 4th I do not feel I should need to do.

KGM have in fact not followed the protocol for the Subject access request under the Data Protection Act 1998 which has been put in 3 times already to KGM, I will be addressing this with the Information Commissioner's Office as I do not see any reason you would have to stop the information I have asked for under this act to prove I was not in fact guilty of no insurance.

And now say to deal with this you need information from me. I can understand you want the information for the complaint that has been put in, but not the information I asked for to show I was in fact I was insured for an appeal that is ongoing. And in fact would not have been ongoing if the Subject access request under the Data Protection Act 1998 as I would not have been found guilty.

I would like the data sent to the court as soon as possible in regards to this so they can look at the facts and see if fact I was insured so there should be no need for the appeal to go ahead with more of my time wasted going to court.

To Whom It May Concern:
398,
I am writing due to the complaint I put in. I have forwarded emails to Broadsure Direct and spoken to Broadsure Direct who took the policy of insurance out policy no: MT3574694
I have been asking for information from KGM since 2013 and have heard nothing back.
When the policy was taken out there was some reason it did not show up on the MID database Broadsure Direct and KGM was aware of this.
Due to this fact I had my vehicles were sized a number of times I believe 8 or 9 times in all, where I had to pay the costs to get my vehicles out the compound each time. In the week when I was pulled by police it was not so bad as the insurance company was opened so when I showed the police my policy, they could call the insurance company.
The seizers happened mostly at the weekend mostly due to the insurance company being closed and the police could not talk to anyone even when I had my policy on me at all times to prove I did in fact have insurance.
I made many calls to the police, Broadsure Direct, KGM and the people who run the MID database, but the issue did not go away, and my vehicles still did not show up on the MID database.
There was also a time in Nov 2013 when my van was sized this was due to KGM telling the police I was not insured due to the police telling KGM that I had tools in my van. Which was a lie by the police as I did not have anything in my van.
Kelly Tiller from the trade section was dealing with this and a few days later I got a letter from KGM saying they was going to cancel my policy. As you can understand I was very upset over this as I had done nothing wrong.
At this time lots of calls was both made to KMG and Broadsure to stop the cancelation of my insurance policy, I spoke to Kelly Tiller many times, but she believed the police and I had no say in the matter. The police were off

I am writing this email to find out to whom I would have to send information to within the CPS in regard to a case I was found guilty off at Wimbledon magistrate's court of driving without insurance.
I put an appeal into Wimbledon magistrate's court on the same day, which was accepted by the Judge hearing my case in court.
I was told by the court and CPS if I got the information that was needed to prove that I did in fact have insurance then I could pass this to the CPS to look at.
I have yet to get the date of my appeal, but do have the information from my insurance company that I feel will prove I did in fact have insurance to drive on the day I was stopped by police and would like to forward that over by email to the CPS to address.
Would it please be possible to get an email address of where the data can be sent to so that this can be done?

Attachments: registration MA47LDY Corrected.pdf

Dear Peter

Thank you very much for the information you have sent, I do see some errors in your letter of Indemnity.

Ford Zetec registration MA47LDY

- Ford Transit registration CX52JRZ
- On the 8/4/13 at 11.05am the following vehicle was added to the policy -
- Renault Clio registration NA57LDY.

Ford Zetec registration MA47LDY Renault Clio registration NA57LDY

This registration was always put in not correctly but was in fact given to Broadsure Direct correctly.

The registration should have been Ford Zetec registration MA57LDY

This was later correct after the 3rd time of telling the Ford Zetec registration as MA57LDY please see attached document.

This is the registration that should have been on the policy from the start.

We never knew it was not correct until 08/04/13 when again the correct registration was given.

However, it was put down as Renault Clio registration NA57LDY, we then believe it was put in correctly and not a new car added.

We were not sent any documents of that change so did not know there was again an error until the Oct 2013 when it was in fact corrected this time, we asked for new documents to be sent which they were so we could check.

But they kept on his policy Renault Clio registration NA57LDY we made a next call and told them this needed to be removed and was told it would be done.

It seems this was never done by what you have sent in your email.

I do believe I have emails also about this issue to Broadsure Direct and Martin Jenkins, can confirm this as he was the one, we dealt with at Broadsure Direct. He also should remember all the phone calls.

There is also a next issue Simon was not just covered with the basic trade insurance with KGM, Broadsure Direct had a special section with KGM which included in his insurance he was in fact covered for his work as a mechanic, not just standard insurance of trade buying and selling that KGM as a rule only deals with.

This has been discussed with the underwriters at KGM by Broadsure Direct re Martin Jenkins. This also caused issues with his insurance cover a few times. This was also meant to have been address and seems it was not. At the time we were not happy as we were told he was not covered when in fact he was. If you call Broadsure Direct and speak to Martin Jenkins, I feel that he can send you the paperwork and under writing of how Simon's insurance was meant to have been setup.

As you can see there was a number of issues with his insurance with KGM that lead to problems. and even with the issues of 14/11/2013 when a call was made to Kelly Tiller we asked did the police say what tools was meant to have been in the van as if there was mechanic tools in there his insurance should have in fact covered this. Kelly Tiller said no the police officer did not say which tools. But also said he was again not insured for this again Martin Jenkins got a rude call from us and again he had to make calls to address this issue.

Can you please confirm he was correctly insured with KGM and write this as I would like this addressed.

And one last thing could you please say in your letter on the date of the 14/11/2013 he was fully insured just so there cannot be any mistakes at court.

Sorry, this is causing such an issue and taking up your time but I really want to have something that is fully correct, as I do not want any other issues with courts, police and anything else that could cause my Son problems.

416,

Regards

Lorraine.

- E-Mail from Gareth Mullett from the compound confirming that there was nothing on the seizure notice to indicate that there were any tools removed from the vehicle or in the vehicle in the compound.

I will pass these over to our Data Protection Officer of course but will ask if its ok for me to release them to you in the meantime before he does his official response.
I think we should also do the Letter of Indemnity and will send this across to you in the next few days, there's no reason why you can't send this across now and it can do no harm.
I'm conscious we have not done a formal final response yet to your complaint, I intend to do this as soon as we receive full details of the recovery costs you incurred and can make a decision on compensation, I trust that's acceptable.

Dear Peter Wood

Thank you for picking this up and taking the time to deal with this matter.

418,

The date of the appeal I do not have yet.

I are waiting for this but the court and CPS said if I get the information needed before the court date then it could be sent to the court who found me guilty and the CPS and this would be linked to the case and addressed. In addition, there should be no need for the appeal court case.

I am trying to do this so that a next day is not got to be wasted of my time in court and getting to and from the court.

The day that the police officer pulled me and told KGM that I had tools in my van, which the police officer lied, and the police officer has said this in court so lied to the judge is 14/11/2013.

I think due to what the police officer said in court the CPS and judge would like to know the facts and what the police officer said on that phone call to KGM. In addition, when KGM spoke to the manager at the police compound and found out in fact there was not tools, I think the reason for this is the police officer committed perjury in the court.

That is why they asked me to get proof that my insurance was not void, section 9 witness statements as to what the police officer told KGM on the phone to try to void my insurance, In addition, the facts how KGM found out I had in fact done nothing wrong and my insurance should not be cancelled.

However, if you think a Letter of Indemnity would sort this matter out then if this could be done I would be very grateful, but could you include in the letter only reason this has come about is due to what the police officer told KGM about the tools being in the van. In addition, this is the reason KGM told the police officer that I would not then be covered by the insurance policy I had in force with them.

This should cover it I hope as I really did nothing wrong and Kelly Tiller knows the police officer lied to get my insurance cancelled as she spoke to the police compound and they told her there was no tools.

The vehicle registration I was driving on the 14/11/2010 was CX52JRZ, this registration was included on my insurance. So should have shown on the database along with my car. However, none showed up as being insured on the MID database, this is what has caused me all the problems with the police.

As already aware yes, I was stopped around 8 or 9 times and had vehicles seized.

I do have some of the some of them here already like do have the receipt what I paid to get the vehicle out of the compound for the 14/11/2013 case I picked that up on the 16/11/2013.

I have the ones for the 08/04/2013, 29/10/2013, 16/11/2013, 03/01/2014 I just need to get the receipts for the other dates and also something that shows they was all sized due to no insurance from the police compound.

As for the Data Subject Access Request, I am most grateful that this is being addressed. If I had known a fee was, needed I would have paid that right away, but due to no one getting back to me about the ones that were put in, I did not know a fee was needed.

Yes, we do want full discloser so this mater can be sorted out by the court and I can send the information over to the CPS for the case of the 14/11/2013 where the police officer told KGM I had tools in my van to void my insurance. Kelly Tiller from the trade section and Jessica know fully what went on and it was Jessica that took the phone call from the police officer. After this I believe Kelly Tiller took over dealing with my policy and she was the one that had the say to cancel my policy and she was the one that believed the police until I went to the police compound and spoke to the manager there where he spoke to Kelly Tiller. If I had not done this Kelly Tiller would have cancelled my policy of insurance and I have all the emails to prove this.

After Kelly Tiller found out I was not lying about having no tools in my van the insurance policy was kept in place, I did ask Kelly Tiller on more than once to send me the information and put data requests in which was not replied to. Now I have been found guilty when Kelly Tiller knows the truth that there was not tools and the police officer lied to KGM on the phone call.

I am the one that has suffered over all this not just on this case but all the times I have been taken to court for no insurance over the year my policy run with KGM due to it not showing on the MID database.

You should have all the emails already from Broadsure Direct and many was sent by them to KGM as I was told KGM could not talk to me and I had to deal with Broadsure Direct about my policy Martin Jenkins from Broadsure Direct should also have copies of all emails as I do.

I have spoken to DVLA today and asked for the data of how many times points was put on my licence due to not getting summons from police and then dealing with cases I knew nothing about and then I had to get the cases reopened, I have to write them a letter and they will send the data I have asked for in the post.

I do have a lot of letters which I will sort out scan and send over. But the 1st part I want to deal with is the court case I was found guilty at and have put an appeal in that is the most important to me right now.

421,

We can deal with everything else once I get all the data scanned as there is really a lot and it was all due to KGM not sorting out why my insurance was not showing on the MID database. The seizers alone have left me out of pocket by around £1700.00. That is without all the days I have not been able to work due to my driving licence being messed up and showing points for no insurance. All the time going back and forward to the compound to collect my vehicles, and everything else I have had to deal with the courts when in fact I had done nothing wrong.

I have tried to deal with this for months and months without going to the ombudsman and KGM has taken no notice, it has taken me to go to the ombudsman for KGM to take any notice and I don't feel anyone would be happy with the this sort of service from KGM let alone any company doing this and causing someone so much suffering.

It was one of the police in the end at the compound who in the end worked out why it was not showing up on the MID and that was because there had been a space put within my Reg Numbers. It was that bad two police compounds new me and said each time not again.

As you can see, I am not very happy about all of this, but I do not think anyone would be when they paid for their insurance and had done nothing wrong to suffer all this.

Therefore could you please get the information I need to send to the CPS; I have written what was needed from Nov 2014 and way before this, and it still has not been sent and I have this hanging over my head. I did not just get points on my licence I got disqualified from driving for 6 months due to repeat offending of no insurance please tell me why when I have paid for my insurance from KGM? The reason it has not been enforced is due to me putting an appeal in.

You can contact my mother on 0208 245 7454 or 07961 833021

Dear Lorraine,
Thanks for your comments, don't worry I want to get this resolved as much as you and Simon, it's taken far too long already, so before I send an amended Indemnity Letter (LOI) please confirm my understanding as listed below –

- I will amend the registration of the Ford Zetec to show MA57LDY. Broadsure originally gave us the incorrect registration and as you say it was a while before this error was corrected and our policy history was confusing due to the incorrect Clio that I was not aware of previously.
- You are correct, looking back on the instructions from Broadsure I cannot see that they instructed Underwriters to delete the Renault Clio that was added in error following receipt of advices from Broadsure. I can amend the comment in the letter to show that this vehicle was added to the policy incorrectly following an effort on your part to correct the registration number of the Ford Zetec and was a broker error, are you happy with this?
- The letter states cover was for Social Domestic & Pleasure and Motor Trade Use. Motor Trade use would cover Simon to carry a Motor Mechanics tools being used in connection with Motor Trade but not any tools that would typically be used for any other purposes such as perhaps, paint/brushes/ladders/plumbing/Electrical (domestic/commercial except auto electrical) and so on. This is standard cover; however, I am happy to expand on

this statement in the letter if you would like me to in order to clarify that point?

- The Police officer asked if Simon would be covered for the carriage of tools to drive around doing "odd jobs". Later in the call he again confirmed that Simon was not covered "to drive around doing jobs". I sent you the call so you can listen to it yourself but the tone of the enquiry was suggesting that Simon was doing jobs not connected to the Motor Trade however I do feel there is plenty of room here for misunderstanding. If the question had been more specific with the officer stating that Simon had tools connected with the Motor Trade in the vehicle would he be covered – Yes. If he said that the tools were not connected to the Motor Trade (as per my comments above) then the answer is – No. Not something I can put into a Letter of Indemnity but certainly something to be argued with the CPS/Courts.
- I'm happy to confirm in the letter that cover was in force under this policy on the 14/11/**2013**. Once I hear back from you, I will revise the LOI accordingly and e-mail it across for you to sign off, I will also send an original in the post just in case! If you need anything else please do not hesitate to drop me and Andy a line, I am keeping Andy in the loop as I will be on leave from 12/2/15 – 9/3/15 so he will need to deal with anything in my absence.

Dear Peter
Thank you very much for the information you have sent, I do see some errors in your letter of Indemnity. Ford Zetec registration MA47LDY
• Ford Transit registration CX52JRZ
On the 8/4/13 at 11.05am the following vehicle was added to the policy -
• Renault Clio registration NA57LDY.
Ford Zetec registration MA47LDY Renault Clio registration NA57LDY
This registration was always put in not correctly but was in fact given to Broadsure Direct correctly. The registration should have been Ford Zetec registration MA57LDY. This was later correct after the 3rd time of telling the Ford Zetec registration as MA57LDY please see attached document. This is the registration that should have been on the policy from the start. We never knew it was not correct until 08/04/13 when again the correct registration was given. However, it was put down as Renault Clio registration NA57LDY, we then believe it was put in correctly and not a new car added. We were not sent any documents of that change so did not know there was again an error until the Oct **2013** when it was in fact corrected this time, we asked for new documents to be sent which they were so we could check. But they kept on his policy Renault Clio registration NA57LDY we made a next call and told them this needed to be removed and was told it would be done. It seems this was never done by what you have sent in your email. I do believe I have emails also about this issue to Broadsure Direct and Martin Jenkins, can confirm this as he was the one, we dealt with at Broadsure Direct. He also should remember all the phone calls. There is also a next issue Simon was not just covered with the basic trade insurance with KGM, Broadsure Direct had a special section with KGM which included in his insurance he was in fact covered for his work as a mechanic, not just standard insurance of trade buying and selling that KGM as a rule only deals with. This has been discussed with the underwriters at KGM by Broadsure Direct re Martin Jenkins. This also caused issues with his insurance cover a few times. This was also meant to have been address and seems it was not. At the time we were not happy as we were told he was not covered when in fact he was. If you call Broadsure Direct and speak to Martin Jenkins, I feel that he can send you the paperwork and under writing of how Simon's insurance was meant to have been setup. As you can see there was a number of issues with his insurance with KGM that lead to problems. and even with the issues of 14/11/**2013** when a call was made to Kelly Tiller, we asked did the police say what tools was meant to have been in the van as if there were mechanic tools in there his insurance should have in fact covered this. Kelly Tiller said no the police officer did not say which tools. But also said he was again not insured for this again Martin Jenkins got a rude call from us and again he had to make calls to address this issue. Can you please confirm he was correctly insured with KGM and write this as I would like this addressed?
And one last thing could you please say in your letter on the date of the 14/11/**2013** he was fully insured just so there cannot be any mistakes at court. Sorry, this is causing such an issue and taking up your time but I really want to have something that is fully correct, as I do not want any other issues with courts, police and anything else that could cause my Son problems.

Lorraine.

Dear Simon,
Please find attached the following –

- Recording of the original call made by the Police officer to KGM in which he advised that there were tools in your van.
- Recording of the call between Kelly Tiller and the Police compound in which Kelly was advised that there were no tools in the vehicle.
- Receipt showing purchase of the van.
- E-Mail from Gareth Mullett from the compound confirming that there was nothing on the seizure notice to indicate that there were any tools removed from the vehicle or in the vehicle in the compound.
- Letter of Indemnity for the CPS/Courts.

I believe these are the relevant items you were after and hope this will assist you to resolve the court matters. If you need anything else please let me know, or in my absence Andy Austin. Paul Donovan will respond separately in respect of your data request but hopefully the attached will meet your requirements. As soon as I receive documentation from you to support costs incurred, I can consider our response on compensation. No doubt I will hear from you shortly, in the meantime have a good weekend.

- You are correct, looking back on the instructions from Broadsure I cannot see that they instructed Underwriters to delete the Renault Clio that was added in error following receipt of advices from Broadsure. I can amend the comment in the letter to show that this vehicle was added to the policy incorrectly following an effort on your part to correct the registration number of the Ford Zetec and was a broker error, are you happy with this?
- The letter states cover was for Social Domestic & Pleasure and Motor Trade Use. Motor Trade use would cover Simon to carry a Motor Mechanics tools being used in connection with Motor Trade but not any tools that would typically be used for any other purposes such as perhaps, paint/brushes/ladders/plumbing/Electrical (domestic/commercial except auto electrical) and so on. This is standard cover; however, I am happy to expand on this statement in the letter if you would like me to in order to clarify that point?
- The Police officer asked if Simon would be covered for the carriage of tools to drive around doing "odd jobs". Later in the call he again confirmed that Simon was not covered "to drive around doing jobs". I sent you the call so you can listen to it yourself but the tone of the enquiry was suggesting that Simon was doing jobs not connected to the Motor

Trade however I do feel there is plenty of room here for misunderstanding. If the question had been more specific with the officer stating that

Yes, the below would cover everything I feel, so if you can go ahead and do this, I would be most grateful.
As said, I just do not want any way that the CSP and Court could have any confusion with anything.

Thanks for your comments, don't worry I want to get this resolved as much as you and Simon, it's taken far too long already, so before I send an amended Indemnity Letter (LOI) please confirm my understanding as listed below -
1. I will amend the registration of the Ford Zetec to show MA57LDY. Broadsure originally gave us the incorrect registration and as you say it was a while before this error was corrected and our policy history was confusing due to the incorrect Clio that I was not aware of previously.
2. You are correct, looking back on the instructions from Broadsure I cannot see that they instructed Underwriters to delete the Renault Clio that was added in error following receipt of advices from Broadsure. I can amend the comment in the

435,
3. letter to show that this vehicle was added to the policy incorrectly following an effort on your part to correct the registration number of the Ford Zetec and was a broker error, are you happy with this?
1. The letter states cover was for Social Domestic & Pleasure and Motor Trade Use. Motor Trade use would cover Simon to carry a Motor Mechanics tools being used in connection with Motor Trade but not any tools that would typically be used for any other purposes such as perhaps, paint/brushes/ladders/plumbing/Electrical(domestic/commercial

except auto electrical) and so on. This is standard cover; however I am happy to expand on this statement in the letter if you would like me to in order to clarify that point?

2. The Police officer asked if Simon would be covered for the carriage of tools to drive around doing "odd jobs". Later in the call he again confirmed that Simon was not covered "to drive around doing jobs". I sent you the call so you can listen to it yourself but the tone of the enquiry was suggesting that Simon was doing jobs not connected to the Motor Trade however I do feel there is plenty of room here for misunderstanding. If the question had been more specific with the officer stating that Simon had tools connected with the Motor Trade in the vehicle would he be covered - Yes. If he said that the tools were not connected to the Motor Trade (as per my comments above) then the answer is - No. Not something I can put into a Letter of Indemnity but certainly something to be argued with the CPS/Courts.

3. I'm happy to confirm in the letter that cover was in force under this policy on the 14/11/2013.

4. Once I hear back from you, I will revise the LOI accordingly and e-mail it across for you to sign off, I will also send an original in the post just in case!

5. If you need anything else please do not hesitate to drop me and Andy a line, I am keeping Andy in the loop as I will be on leave from 12/2/15 - 9/3/15 so he will need to deal with anything in my absence.

Dear Peter

Thank you very much for the information you have sent, I do see some errors in your letter of Indemnity.

Ford Zetec registration MA47LDY

1. Ford Transit registration CX52JRZ
On the 8/4/13 at 11.05am the following vehicle was added to the policy -

2. Renault Clio registration NA57LDY.

Ford Zetec registration MA47LDY Renault Clio registration NA57LDY

This registration was always put in not correctly but was in fact given to Broadsure Direct correctly.

The registration should have been Ford Zetec registration MA57LDY

This was later correct after the 3rd time of telling the Ford Zetec registration as MA57LDY please see attached document. This is the registration that should have been on the policy from the start.

We never knew it was not correct until 08/04/13 when again the correct registration was given.

436,

However, it was put down as Renault Clio registration NA57LDY, we then believe it was put in correctly and not a new car added.

We were not sent any documents of that change so did not know there was again an error until the Oct 2013 when it was in fact corrected this time, we asked for new documents to be sent which they were so we could check.

But they kept on his policy Renault Clio registration NA57LDY we made a next call and told them this needed to be removed and was told it would be done.

It seems this was never done by what you have sent in your email.

I do believe I have emails also about this issue to Broadsure Direct and Martin Jenkins, can confirm this as he was the one, we dealt with at Broadsure Direct. He also should remember all the phone calls.

There is also a next issue Simon was not just covered with the basic trade insurance with KGM, Broadsure Direct had a special section with KGM which included in his insurance he was in fact covered for his work as a mechanic, not just standard insurance of trade buying and selling that KGM as a rule only deals with.

This has been discussed with the underwriters at KGM by Broadsure Direct re Martin Jenkins. This also caused issues with his insurance cover a few times. This was also meant to have been address and seems it was not. At the time we were not happy as we were told he was not covered when in fact he was. If you call Broadsure Direct and speak to Martin Jenkins, I feel that he can send you the paperwork and under writing of how Simon's insurance was meant to have been setup.

As you can see there was a number of issues with his insurance with KGM that lead to problems. and even with the issues of 14/11/2013 when a call was made to Kelly Tiller we asked did the police say what tools was meant to have been in the van as if there was mechanic tools in there his insurance should have in fact covered this. Kelly Tiller said no the police officer did not say which tools. But also said he was again not insured for this again Martin Jenkins got a rude call from us and again he had to make calls to address this issue.

Can you please confirm he was correctly insured with KGM and write this as I would like this addressed.

And one last thing could you please say in your letter on the date of the 14/11/2013 he was fully insured just so there cannot be any mistakes at court.
Sorry, this is causing such an issue and taking up your time but I really want to have something that is fully correct, as I do not want any other issues with courts, police and anything else that could cause my Son problems.
Regards
Lorraine.

Please find attached the following -

1. Recording of the original call made by the Police officer to KGM in which he advised that there were tools in your van.
2. Recording of the call between Kelly Tiller and the Police compound in which Kelly was advised that there were no tools in the vehicle.
3. Receipt showing purchase of the van.
4. E-Mail from Gareth Mullett from the compound confirming that there was nothing on the seizure notice to indicate that there were any tools removed from the vehicle or in the vehicle in the compound.
5. Letter of Indemnity for the CPS/Courts.
6. I believe these are the relevant items you were after and hope this will assist you to resolve the court matters. If you need anything else please let me know, or in my absence Andy Austin.

As for the other information that is acceptable, as I not sure how long it will take the police compound to send me over the information, I will need to send to you they do take their time.
I am just happy this matter is getting address as said the most worrying thing was the court case and this is the information I needed. I hope you have a great time on leave.
I look forward to hearing from you and will pass the information over from the police compound as soon as I have it.

Dear Simon,
I spent some time last Friday tracking down a number of calls and did find the original call that the Police made to Jessica and the calls Kelly made to the Compound so we can provide these and it sounds like these are the important calls from the CPS and Courts viewpoint. I will pass these over to our Data Protection Officer of course but will ask if its ok for me to release them to you in the meantime before he does his official response.
438,

I think we should also do the Letter of Indemnity and will send this across to you in the next few days, threes no reason why you can't send this across now and it can do no harm.
I'm conscious we have not done a formal final response yet to your complaint, I intend to do this as soon as we receive full details of the recovery costs you incurred and can make a decision on compensation, I trust that's acceptable.
If you need anything else or have any questions in the meantime, please do not hesitate to contact us.

Dear Peter Wood
Thank you for picking this up and taking the time to deal with this matter.
The date of the appeal I do not have yet.
I are waiting for this but the court and CPS said if I get the information needed before the court date then it could be sent to the court who found me guilty and the CPS and this would be linked to the case and addressed. In addition, there should be no need for the appeal court case.
I am trying to do this so that a next day is not got to be wasted of my time in court and getting to and from the court.
The day that the police officer pulled me and told KGM that I had tools in my van, which the police officer lied, and the police officer has said this in court so lied to the judge is 14/11/2013.
I think due to what the police officer said in court the CPS and judge would like to know the facts and what the police officer said on that phone call to KGM. In addition, when KGM spoke to the manager at the police compound and found out in fact there was not tools, I think the reason for this is the police officer committed perjury in the court.
That is why they asked me to get proof that my insurance was not void, section 9 witness statements as to what the police officer told KGM on the phone to try to void my insurance, In addition, the facts how KGM found out I had in fact done nothing wrong and my insurance should not be cancelled.
However, if you think a Letter of Indemnity would sort this matter out then if this could be done I would be very grateful, but could you include in the letter only reason this has come about is due to what the police officer told KGM about the tools being in the van. In addition, this is the reason KGM told the police officer that I would not then be covered by the insurance policy I had in force with them.
439,
This should cover it I hope as I really did nothing wrong and Kelly Tiller knows the police officer lied to get my insurance cancelled as she spoke to the police compound and they told her there was no tools.
The vehicle registration I was driving on the 14/11/2010 was CX52JRZ, this registration was included on my insurance. So should have shown on the database along with my car. However, none showed up as being insured on the MID database, this is what has caused me all the problems with the police.
As already aware yes, I was stopped around 8 or 9 times and had vehicles seized.
I do have some of the some of them here already like do have the receipt what I paid to get the vehicle out of the compound for the 14/11/2013 case I picked that up on the 16/11/2013.
I have the ones for the 08/04/2013, 29/10/2013, 16/11/2013, 03/01/2014 I just need to get the receipts for the other dates and also something that shows they was all sized due to no insurance from the police compound.
As for the Data Subject Access Request, I am most grateful that this is being addressed. If I had known a fee was, needed I would have paid that right away, but due to no one getting back to me about the ones that were put in, I did not know a fee was needed.

Dear Mr Cordell,
Unfortunately Andy has been called away due to a family emergency, in his absence I have picked this matter up.
The first order of business to my mind is dealing with the Court case, can you confirm when the date has been set for the hearing please? My thought is that we provide a Letter of Indemnity that basically confirms that you had a valid policy in force between said dates and on what vehicles, this should satisfy the Courts but if they need anything else we will be happy to assist, just let me know what you require.

I understand you were stopped several times and had vehicles seized, you are in the process of obtaining evidence of these vehicle seizures and the costs incurred by you as a result for us to consider compensation. When you have gathered this please forward the evidence to us as soon as possible.
There is also the matter of your Data Subject Access Request. I have spent some time today tracking down recorded calls and various communications and hove notified our Data Protection Officer of your request. I can see that you have made a request, any request should correctly be sent on for the attention of the Data Protection Officer along with a £10 fee. Your request was addressed generally to KGM with no fee and it would appear not actioned. The underwriter dealing with your request should have asked immediately for the fee payment and escalated your request accordingly. This was not done for which I must apologise, as a result we will waive the fee requirement and I would confirm this is now in hand.
We have yet to issue a final response to your complaint and I would assure you we will do this as soon as we have received your response to the above points.

Dear Andrew
Please see attached Insurance, which will show you full details of his insurance policy and dates covered.
Yes, we do want full discloser so this mater can be sorted out by the court and I can send the information over to the CPS for the case of the 14/11/2013 where the police officer told KGM I had tools in my van to void my insurance. Kelly Tiller from the trade section and Jessica know fully what went on and it was Jessica that took the phone call from the police officer. After this I believe Kelly Tiller took over dealing with my policy and she was the one that had the say to cancel my policy and she was the one that believed the police until I went to the police compound and spoke to the manager there where he spoke to Kelly Tiller. If I had not done this Kelly Tiller would have cancelled my policy of insurance and I have all the emails to prove this.
After Kelly Tiller found out I was not lying about having no tools in my van the insurance policy was kept in place, I did ask Kelly Tiller on more than once to send me the information and put data requests in which was not replied to. Now I have been found guilty when Kelly Tiller knows the truth that there was not tools and the police officer lied to KGM on the phone call.
I am the one that has suffered over all this not just on this case but all
441,
the times I have been taken to court for no insurance over the year my policy run with KGM due to it not showing on the MID database.
You should have all the emails already from Broadsure Direct and many was sent by them to KGM as I was told KGM could not talk to me and I had to deal with Broadsure Direct about my policy Martin Jenkins from Broadsure Direct should also have copies of all emails as I do.
I have spoken to DVLA today and asked for the data of how many times points was put on my licence due to not getting summons from police and then dealing with cases I knew nothing about and then I had to get the cases reopened, I have to write them a letter and they will send the data I have asked for in the post.
I do have a lot of letters which I will sort out scan and send over. But the 1st part I want to deal with is the court case I was found guilty at and have put an appeal in that is the most important to me right now.
We can deal with everything else once I get all the data scanned as there is really a lot and it was all due to KGM not sorting out why my insurance was not showing on the MID database. The seizers alone have left me out of pocket by around £1700.00. That is without all the days I have not been able to work due to my driving licence being messed up and showing points for no insurance. All the time going back and forward to the compound to collect my vehicles, and everything else I have had to deal with the courts when in fact I had done nothing wrong.
I have tried to deal with this for months and months without going to the ombudsman and KGM has taken no notice, it has taken me to go to the ombudsman for KGM to take any notice and I don't feel anyone would be happy with the this sort of service from KGM let alone any company doing this and causing someone so much suffering.
It was one of the police in the end at the compound who in the end worked out why it was not showing up on the MID and that was because there had been a space put within my Reg Numbers. It was that bad two police compounds new me and said each time not again.
442,

As you can see, I am not very happy about all of this, but I do not think anyone would be when they paid for their insurance and had done nothing wrong to suffer all this.
Therefore could you please get the information I need to send to the CPS; I have written what was needed from Nov 2014 and way before this, and it still has not been sent and I have this hanging over my head. I did not just get points on my licence I got disqualified from driving for 6 months due to repeat offending of no insurance please tell me why when I have paid for my insurance from KGM? The reason it has not been enforced is due to me putting an appeal in.

Dear Andrew
I will forward this to you within a few days I will ask the police compound to do a full print out as to all the tickets as I believe there is a few missing.
I do have around 6 of the tickets here when the vehicles were sized, I also do have court letters, and letters from DVLA, which I will forward over to
444,
you once I have scanned then in so please give me a few days and I will get back to you with this information as there is a lot of data.
The main one at this time I am worried about is the case where the vehicle was sized due to the police lying and me being found guilty at court you did have an email on the 30 November 2014 about what was needed and I do have the court letter showing I was found guilty and about the appeal.
This data should have been given under the Subject access request under the Data Protection Act 1998 I put in, so was wondering what you can do about this and if you will need a new Subject access request under the Data Protection Act 1998 I have already sent 3 in so to do a 4th I do not feel I should need to do.
KGM have in fact not followed the protocol for the Subject access request under the Data Protection Act 1998 which has been put in 3 times already to KGM, I will be addressing this with the Information Commissioner's Office as I do not see any reason you would have to stop the information I have asked for under this act to prove I was not in fact guilty of no insurance.
And now say to deal with this you need information from me. I can understand you want the information for the complaint that has been put in, but not the information I asked for to show I was in fact I was insured for an appeal that is ongoing. And in fact would not have been ongoing if the Subject access request under the Data Protection Act 1998 as I would not have been found guilty.
I would like the data sent to the court as soon as possible in regards to this so they can look at the facts and see if fact I was insured so there should be no need for the appeal to go ahead with more of my time wasted going to court.

Simon Cordell

To Whom It May Concern:
I am writing due to the complaint I put in. I have forwarded emails to Broadsure Direct and spoken to Broadsure Direct who took the policy of insurance out policy no: MT3574694
447,
I have been asking for information from KGM since 2013 and have heard nothing back.
When the policy was taken out there was some reason it did not show up on the MID database Broadsure Direct and KGM was aware of this.
Due to this fact I had my vehicles were sized a number of times I believe 8 or 9 times in all, where I had to pay the costs to get my vehicles out the compound each time. In the week when I was pulled by police it was not so bad as the insurance company was opened so when I showed the police my policy, they could call the insurance company.
The seizers happened mostly at the weekend mostly due to the insurance company being closed and the police could not talk to anyone even when I had my policy on me at all times to prove I did in fact have insurance.
I made many calls to the police, Broadsure Direct, KGM and the people who run the MID database, but the issue did not go away, and my vehicles still did not show up on the MID database.
There was also a time in Nov 2013 when my van was sized this was due to KGM telling the police I was not insured due to the police telling KGM that I had tools in my van. Which was a lie by the police as I did not have anything in my van. Kelly Tiller from the trade section was dealing with this and a few days later I got a letter from KGM saying they was going to cancel my policy. As you can understand I was very upset over this as I had done nothing wrong.
At this time lots of calls was both made to KMG and Broadsure to stop the cancelation of my insurance policy, I spoke to Kelly Tiller many times, but she believed the police and I had no say in the matter. The police was off duty so I could not speak to them and Kelly Tiller was saying unless I could prove I did not have any tools in my van then the insurance policy would be cancelled which was very unfair as I had done nothing wrong I knew I never had any tools.
448,
But I also asked Kelly Tiller did the police tell her what tools was meant to be in my van, to which she said no. KGM was not even aware I had mechanics trade on my policy so if my mechanics tools had been in my van at the time my insurance would still have been cancelled which to me what was the point in having insurance?

I then spoke to a wonderful operator at the police when I called told her what had gone on and was told by her to go to the police compound as when any vehicles are taken there they have to do a full list of items that are in the vehicles as they are in fact legible if something goes missing. Over that weekend I sent emails to the compound and forwarded them to Broadsure as my insurance was due to be cancelled on the Monday. On Monday I got an email from Broadsure direct asking me to go to the compound as Kelly Tiller had no luck getting a reply from them also, and once there to call Kelly Tiller due to the time on the Monday I got the email it would have been too late to go the compound and get a call to Kelly Tiller as she would have ended work for that day so I sent an email saying I would be going there early the next morning.
I went the next day and asked to speak to the manager of the compound who in fact looked up my van and said nothing was in there, there was not tools I called Kelly Tiller and the manager of the compound spoke to her and confirmed there was nothing in the van when it was taken there by police and that I had put thing in the van when I had taken it out of the compound.
At this point Kelly tiller believed me and said the policy would not be cancelled. But on my way back from the compound driving my phone ring and I stopped to pick it up and it was Broadsure direct saying my policy had in fact been cancelled I was very upset at this and told them what had happened, I was asked to hold on they was called KGM back and would call me right back. I waited till Broadsure direct called me back and confirmed my insurance policy had not been cancelled then drove home.
From this point I have been asking for all information and putting data protection acts in which have not been dealt with and I have heard nothing from KGM.

449,

I have been back and forward to court due to no insurance and in fact 4 cases I did not get any summons so was in fact found guilty as I did not know it was even going to court.
I have had points put on my driving licence for no reason and had to go back and forward to court many times when this should not have been the case.
Then the case come up for the seizer when the police said I had tools in my van I went to court with all my documents but due to not having the information I had asked for from KGM many times about that case I was found guilty. I am very upset about the whole policy with KGM. I have put an appeal in, and this case will be going to crown court I have again asked for information and again heard nothing. These matters need to be addressed as I am suffering due to all of this.
Martin Jenkins at Broadsure Direct knows everything that has gone on as he was my main contact.
I also have all the emails the last one that I will enclose again, which I have heard nothing about and the 1st Subject access request under the Data Protection Act 1998 that I sent on the 26/11/2013. I did in fact send the Subject access request under the Data Protection Act 1998 about time times and asked Martin Jenkins to look into why I had heard nothing about more than once.
Once I get the appeal date for crown court, I will ask the court to summons the people at KGM to deal with this matter as they know I was insurance and did nothing wrong and the police lied. All I have asked for is the data so there will be no need to summons people this way I can send the section 9 witness statements over to the crown and the other information and this case should be dropped against me.
It just seemed that KGM does not want to do anything and give me the information I need to prove in fact I was insurance and the police lied to KGM to in fact make it that I was not insurance.

450,

There is a lot more I could say about the insurance I had with KGM, but this insurance policy was my worst nightmare. It has messed my clean driving licence up and in fact got to the point I could not drive so could not work.
Due to the fact, KGM could not send me the information over that was needed to prove I did have insurance.
If you need o can send over all the emails that has been sent back and forward to Broadsure who sent them to KGM.
I have lost a lot of money, and time due to this insurance policy I have had to pay for my vehicles to be taken out of the police compound around 8 to 9 times at a cost of £180.00 to £200.00 a time. All the loss of work due to having to take time to go to the police compound, and all the times I have had to go to court for no insurance when in fact I had insurance. And points put on my driving licence to the fact I could not drive, this has all been costs to myself.
My Mother Lorraine Cordell has also written many of the emails and is fine with dealing with this issue.
Regards
Simon Cordell

Dear Mr Cordell

RE: Letter of Indemnity - Policy Number MT3574694

We would confirm that the policy above was incepted at 00.01 AM on the 23/2/13 and was in force until Midnight on the 22/2/14 when it lapsed.

The policy is a Road Risks Motor Trade only, cover was Comprehensive with the use permitted of Social Domestic and Pleasure and for Motor Trade purposes only. For clarity we would advise that Motor Trade Use would allow the carriage of tools required specifically for use in connection with Motor Trade activities.

Drivers under this policy were restricted to Mr Simon Cordell only.

The vehicles covered at inception of the policy were –

- Ford Zetec registration MA57LDY
- Ford Transit registration CX52JRZ

On the 8/4/13 at 11.05am the following vehicle was added to the policy –

- Renault Clio registration NA57LDY. We have since established that in fact Mr Cordell was trying to correct the registration of the Ford Zetec that his broker had incorrectly advised Underwriters was MA47LDY at policy inception. Unfortunately the broker compounded that error with these instructions as the registration number was still incorrect (NA57LDY) and on the wrong vehicle leading Underwriters to add this vehicle onto the policy in error. Eventually the correct registration of the Ford Zetec was noted.
- Please note that whilst the registration of the Ford Zetec was incorrect on the policy record and on the Motor Insurers Database for some time as a result of the above error, Underwriters would confirm that in the event of any incident Mr Cordell would have been fully indemnified subject to the terms of this policy.

We understand that Mr Cordell was subjected to a number of Police stops during the policy period whilst driving these vehicles. The stops were due to these vehicles not showing as insured on the Motor Insurers Database (MID). We would confirm that it's a requirement for Motor Insurers to upload details of all insured policies & vehicles to the MID, the targets set are 95% of policies to be on the MID within 14 days for Motor Trade policies and 95% of vehicles to be on the MID within 21 days for Motor Trade. Accordingly we can note that whilst this database is very effective, it's not real time and not 100% accurate.

We have carried out an investigation to understand why Mr Cordells vehicles were not on the MID leading to these Police stops. It has been established that there is a "bug" in our system when copying and pasting a registration with a space in it into the policy record, that results in an unsuccessful upload to the MID. It does not happen when we receive data electronically or when manually inputting data and was something we were unaware of until this case. We have of course changed our processes to prevent this occurring again.

The unfortunate outcome for Mr Cordell of course was that it appeared to the Police that he was driving uninsured and was subjected to unnecessary Police stops. This was not Mr Cordells fault in any way as he had a valid Insurance policy in force and was fully insured to drive these vehicles for the purposes permitted under this policy during the policy period.

As stated above this policy was in force from 00.01 AM on the 23/2/13 and was in force until Midnight on the 22/2/14. We have been asked to specifically confirm that it was in force on the 14/11/2013 for both the Ford Zetec registration MA57LDY and the Ford Transit registration CX52JRZ.

We trust this letter meets the requirements of the Police and the Courts. Should you require any further assistance please do not hesitate to contact us.

Yours sincerely,

Dear Debbie Barnett
Thank you for taking the time to talk to me today on the phone one the 02/02/**2015**. Could you please also confirm by email that you have this email. As explained, there have been a number of issues with my son Simon Cordell **DOB:** 26/01/1981. The issues are one of not being insured. When in fact he was. There was a case heard on the 26/11/**2014** at Wimbledon Magistrates' Court where my son Simon Cordell was found guilty. Of using his vehicle for business purposes. This was only the case due to the police officer lying. Not just to KGM who my son was insured with, but in his statement of facts, and also on oath to the judge and CPS. The case is such that on the day my son was stopped the police office made a call to KGM the police office told KGM that my son Simon Cordell had lots of tools in his van and was doing odd jobs. Under my son insurance this would not have covered him, and the police officer would have known this already as my son had given the police officer his policy at the side of the road. My son was arrested and taken to the police station. Due to him refusing to sign the seizer notice and telling the police officer he was lying and to arrest him. My sons Van registration CX52JRZ was seized and taken to Chariton police vehicle pound, with no tools in there. The police office when wrote his statement not with what he told KGM on the phone call but with something totally incorrect information. The judge asked the police office at court about the tools as he saw emails from KGM the police office told the judge he knew nothing about any tools. The police officer I believed new he could not put tools down in his statement as calls was already being put into the police about complaints. So changed his story in his statement. The facts are that there are audio tapes of what the police officer said to KGM, and also the call that was made to Chariton police vehicle pound as KGM record all calls. I have both of the audio files from KGM and also a Letter of Indemnity and an email that a manager sent to Kelly Tiller at KGM. How can a police officer act in such a manner? I really do not understand why he did this. As also said on the phone there is a number of summons my son has not had regarding the other stops from police, these cases he has gone to court without him knowing and he been found guilty when he did not even know there was a case in court. I have sent many emails to get these cases set aside and sent his insurance documents to the court. 2 case we had to do statutory declarations one for Willesden and one for Bromley. The Willesden one seems to have been reheard at court on the 26/01/**2015** without us knowing again he was found guilty but they put this case under a new case number looking at the letter so all the documents that were sent before was not with the court file I would have through. But with both statutory declarations we added a copy of his insurance. I have been trying for some time to get all of this put together so it can all be addresses and so far, nothing has been done with all the emails I have sent to the court. We also asked at court when we went to Wimbledon Magistrates' Court, but nothing was done. Could you please tell us where we can sort this out about getting all?
1503,
the other cases addressed without the need to be going from one court to the next. This is a waste of courts time and money when clearly all that is needed to be is check my son's insurance that he was in fact insured. I am sure that the letter that has been sent of Indemnity from KGM would cover these other cases as proof he was in fact insured. Could you please advise what needs to be done with these other cases? Please can you address the issues in this email and get back to me by email.
Regards
Lorraine Cordell

Dear Mr Cordell

RE: Letter of Indemnity - Policy Number MT3574694

We would confirm that the policy above was incepted at 00.01 AM on the 23/2/13 and was in force until Midnight on the 22/2/14 when it lapsed.

The policy is a Road Risks Motor Trade only, cover was Comprehensive with the use permitted of Social Domestic and Pleasure and for Motor Trade purposes only. For clarity we would advise that Motor Trade Use would allow the carriage of tools required specifically for use in connection with Motor Trade activities.

Drivers under this policy were restricted to Mr Simon Cordell only.

The vehicles covered at inception of the policy were –

- Ford Zetec registration MA57LDY
- Ford Transit registration CX52JRZ

On the 8/4/13 at 11.05am the following vehicle was added to the policy –

- Renault Clio registration NA57LDY. We have since established that in fact Mr Cordell was trying to correct the registration of the Ford Zetec that his broker had incorrectly advised Underwriters was MA47LDY at policy inception. Unfortunately the broker compounded that error with these instructions as the registration number was still incorrect (NA57LDY) and on the wrong vehicle leading Underwriters to add this vehicle onto the policy in error. Eventually the correct registration of the Ford Zetec was noted.
- Please note that whilst the registration of the Ford Zetec was incorrect on the policy record and on the Motor Insurers Database for some time as a result of the above error, Underwriters would confirm that in the event of any incident Mr Cordell would have been fully indemnified subject to the terms of this policy.

We understand that Mr Cordell was subjected to a number of Police stops during the policy period whilst driving these vehicles. The stops were due to these vehicles not showing as insured on the Motor Insurers Database (MID). We would confirm that it's a requirement for Motor Insurers to upload details of all insured policies & vehicles to the MID, the targets set are 95% of policies to be on the MID within 14 days for Motor Trade policies and 95% of vehicles to be on the MID within 21 days for Motor Trade. Accordingly we can note that whilst this database is very effective, it's not real time and not 100% accurate.

We have carried out an investigation to understand why Mr Cordells vehicles were not on the MID leading to these Police stops. It has been established that there is a "bug" in our system when copying and pasting a registration with a space in it into the policy record, that results in an unsuccessful upload to the MID. It does not happen when we receive data electronically or when manually inputting data and was something we were unaware of until this case. We have of course changed our processes to prevent this occurring again.

The unfortunate outcome for Mr Cordell of course was that it appeared to the Police that he was driving uninsured and was subjected to unnecessary Police stops. This was not Mr Cordells fault in any way as he had a valid Insurance policy in force and was fully insured to drive these vehicles for the purposes permitted under this policy during the policy period.

As stated above this policy was in force from 00.01 AM on the 23/2/13 and was in force until Midnight on the 22/2/14. We have been asked to specifically confirm that it was in force on the 14/11/2013 for both the Ford Zetec registration MA57LDY and the Ford Transit registration CX52JRZ.

We trust this letter meets the requirements of the Police and the Courts. Should you require any further assistance please do not hesitate to contact us.

Yours sincerely,

To Whom It May Concern:
I am writing this email due today due to speaking to the CPS again about the case that was heard at Wimbledon Magistrates' Court on the 26/11/**2014** where my son was found guilty. My son's details are Mr Simon Paul Cordell **DOB:** 26/01/1981. An appeal was put in on the same date 26/11/**2014** and we have been waiting for an appeal date. But today when speaking to the CSP they told us a date was already set for the 05/03/**2015** at Kingston upon Thames Crown Court, we have had no letters of a date being set could you please forward to this email any letters that have been sent. At court when my son was found guilty the cps and the judge advised if we got the information needed from his insurance then it could be sent before we got a date for the appeal to the cps and court. which I spoke to Debbie Barnett from the CPS on the 02/02/**2015** and told her I was now able to send this data over. She asked me to send this via email which was done on the 03/02/**2015**, please see below email. Could you please link this email and all attachments to the court file? I do not know the case ref for the court due to not having any letters. There are 3 PDF files and 2 Audio files from his insurance company. Could you also please explain what format the audio files should be in to be used in this case, also should they be on CD of tape. and would we need to bring something to court to play them on. The insurance company need to know this ASAP seeing as the case is listed for the 05/03/**2015**. Could you also please tell us what time the case is listed for, and also reply to this email to let me know you have got it safely with the attached documents and audio files.

Subject: Re: Simon Cordell
Dear Debbie Barnett
Thank you for taking the time to talk to me today on the phone one the 02/02/**2015**. Could you please also confirm by email that you have this email. As explained, there have been a number of issues with my son Simon Cordell **DOB:** 26/01/1981. The issues are one of not being insured. When in fact he was.
1505,
There was a case heard on the 26/11/**2014** at Wimbledon Magistrates' Court where my son Simon Cordell was found guilty. Of using his vehicle for business purposes. This was only the case due to the police officer lying. Not just to KGM who my son was insured with, but in his statement of facts, and also on oath to the judge and CPS. The case is such that on the day my son was stopped the police office made a call to KGM the police office told KGM that my son Simon Cordell had lots of tools in his van and was doing odd jobs. Under my son insurance this would not have covered him, and the police officer would have known this already as my son had given the police officer his policy at the side of the road. My son was arrested and taken to the police station. Due to him refusing to sign the seizer notice and telling the police officer he was lying and to arrest him. My sons Van registration CX52JRZ was seized and taken to Chariton police vehicle pound, with no tools in there. The police office when wrote his statement not with what he told KGM on the phone call but with something totally incorrect information. The judge asked the police office at court about the tools as he saw emails from KGM the police office told the judge he knew nothing about any tools. The police officer I believed new he could not put tools down in his statement as calls was already being put into the police about complaints. So changed his story in his statement. The facts are that there are audio tapes of what the police officer said to KGM, and also the call that was made to Chariton police vehicle pound as KGM record all calls. I have both of the audio files from KGM and also a Letter of Indemnity and an email that a manager sent to Kelly Tiller at KGM. How can a police officer act in such a manner? I really do not understand why he did this. As also said on the phone there is a number of summons my son has not had regarding the other stops from police, these cases he has gone to court without him knowing and he been found guilty when he did not even know there was a case in court. I have sent many emails to

get these cases set aside and sent his insurance documents to the court. 2 case we had to do statutory declarations one for Willesden and one for Bromley. The Willesden one seems to have been reheard at court on the 26/01/**2015** without us knowing again he was found guilty but they put this case under a new case number looking at the letter so all the documents that were sent before was not with the court file I would have through. But with both statutory declarations we added a copy of his insurance. I have been trying for some time to get all of this put together so it can all be addresses and so far, nothing has been done with all the emails I have sent to the court. We also asked at court when we went to Wimbledon Magistrates' Court, but nothing was done. Could you please tell us where we can sort this out about getting all the other cases addressed without the need to be going from one court to the next. This is a waste of courts time and money when clearly all that is needed to be is check my son's insurance that he was in fact insured. I am sure that the letter that has been sent of Indemnity from KGM would cover these other cases as proof he was in fact insured. Could you please advise what needs to be done with these other cases? Please can you address the issues in this email and get back to me by email.
Regards
Lorraine Cordell

Dear Debbie Barnett
Thank you for taking the time to talk to me today on the phone one the 02/02/2015. Could you please also confirm by email that you have this email.
As explained, there have been a number of issues with my son Simon Cordell DOB: 26/01/1981.
The issues are one of not being insured. When in fact he was.
There was a case heard on the 26/11/2014 at Wimbledon Magistrates' Court where my son Simon Cordell was found guilty. Of using his
470,
vehicle for business purposes.
This was only the case due to the police officer lying. Not just to KGM who my son was insured with, but in his statement of facts, and also on oath to the judge and CPS.
The case is such that on the day my son was stopped the police office made a call to KGM the police office told KGM that my son Simon Cordell had lots of tools in his van and was doing odd jobs. Under my son insurance this would not have covered him, and the police officer would have known this already as my son had given the police officer his policy at the side of the road.

My son was arrested and taken to the police station. Due to him refusing to sign the seizer notice and telling the police officer he was lying and to arrest him.
My sons Van registration CX52JRZ was seized and taken to Chariton police vehicle pound, with no tools in there.
The police office when wrote his statement not with what he told KGM on the phone call but with something totally incorrect information. The judge asked the police office at court about the tools as he saw emails from KGM the police office told the judge he knew nothing about any tools.
The police officer I believed new he could not put tools down in his statement as calls was already being put into the police about complaints. So changed his story in his statement.
The facts are that there are audio tapes of what the police officer said to KGM, and also the call that was made to Chariton police vehicle pound as KGM record all calls.
I have both of the audio files from KGM and also a Letter of Indemnity and an email that a manager sent to Kelly Tiller at KGM.
How can a police officer act in such a manner. I really do not understand why he did this.
As also said on the phone there is a number of summons my son has not had regarding the other stops from police, these case he have gone to court without him knowing and he been found guilty when he did not even know there was a case in court.
I have sent many emails to get these cases set aside and sent his insurance documents to the court. 2 case we had to do statutory declarations one for Willesden and one for Bromley. The Willesden one seems to have been reheard at court on the 26/01/2015 without us knowing again he was found guilty but they put this case under a new case number looking at the letter so all the documents that were sent before was not with the court file I would have through. But with both statutory declarations we added a copy of his insurance.
I have been trying for some time to get all of this put together so it can all be addresses and so far, nothing has been done with all the emails I have sent to the court. We also asked at court when we went to Wimbledon Magistrates' Court, but nothing was done. Could you please tell us where we can sort this out about getting all the other cases addressed without the need to be going from one court to the next. This is a waste of courts time and money when clearly all that is needed to be is check my son's insurance that he was in fact insured. I
am sure that the letter that has been sent of Indemnity from KGM would cover these other cases as proof he was in fact insured. Could you please advise what needs to be done with these other cases.
Please can you address the issues in this email and get back to me by email.
Regards
Lorraine Cordell

Dear Mr Cordell

RE: Letter of Indemnity - Policy Number MT3574694

We would confirm that the policy above was incepted at 00.01 AM on the 23/2/13 and was in force until Midnight on the 22/2/14 when it lapsed.

The policy is a Road Risks Motor Trade only, cover was Comprehensive with the use permitted of Social Domestic and Pleasure and for Motor Trade purposes only. For clarity we would advise that Motor Trade Use would allow the carriage of tools required specifically for use in connection with Motor Trade activities.

Drivers under this policy were restricted to Mr Simon Cordell only.

The vehicles covered at inception of the policy were –

- Ford Zetec registration MA57LDY
- Ford Transit registration CX52JRZ

On the 8/4/13 at 11.05am the following vehicle was added to the policy –

- Renault Clio registration NA57LDY. We have since established that in fact Mr Cordell was trying to correct the registration of the Ford Zetec that his broker had incorrectly advised Underwriters was MA47LDY at policy inception. Unfortunately the broker compounded that error with these instructions as the registration number was still incorrect (NA57LDY) and on the wrong vehicle leading Underwriters to add this vehicle onto the policy in error. Eventually the correct registration of the Ford Zetec was noted.
- Please note that whilst the registration of the Ford Zetec was incorrect on the policy record and on the Motor Insurers Database for some time as a result of the above error, Underwriters would confirm that in the event of any incident Mr Cordell would have been fully indemnified subject to the terms of this policy.

We understand that Mr Cordell was subjected to a number of Police stops during the policy period whilst driving these vehicles. The stops were due to these vehicles not showing as insured on the Motor Insurers Database (MID). We would confirm that it's a requirement for Motor Insurers to upload details of all insured policies & vehicles to the MID, the targets set are 95% of policies to be on the MID within 14 days for Motor Trade policies and 95% of vehicles to be on the MID within 21 days for Motor Trade. Accordingly we can note that whilst this database is very effective, it's not real time and not 100% accurate.

We have carried out an investigation to understand why Mr Cordells vehicles were not on the MID leading to these Police stops. It has been established that there is a "bug" in our system when copying and pasting a registration with a space in it into the policy record, that results in an unsuccessful upload to the MID. It does not happen when we receive data electronically or when manually inputting data and was something we were unaware of until this case. We have of course changed our processes to prevent this occurring again.

The unfortunate outcome for Mr Cordell of course was that it appeared to the Police that he was driving uninsured and was subjected to unnecessary Police stops. This was not Mr Cordells fault in any way as he had a valid Insurance policy in force and was fully insured to drive these vehicles for the purposes permitted under this policy during the policy period.

As stated above this policy was in force from 00.01 AM on the 23/2/13 and was in force until Midnight on the 22/2/14. We have been asked to specifically confirm that it was in force on the 14/11/2013 for both the Ford Zetec registration MA57LDY and the Ford Transit registration CX52JRZ.

We trust this letter meets the requirements of the Police and the Courts. Should you require any further assistance please do not hesitate to contact us.

Yours sincerely,

Dear Lorraine/Simon,
Just a quick note to let you know that I will be on holiday from 12/2/15 returning on 9/3/15, so if you need anything in the meantime please communicate with Andy Austin. Can you let me know how you get on with the CPS and let me know if there is anything else, we can do or that you might need from us?
Just to confirm, I'm sure you are onto this, but you are currently pulling together evidence of the costs incurred by Simon for various release fee's following Police stop and seizures. As soon as you have provided this evidence, I can give further consideration to the compensation aspect of your complaint. I would prefer to deal with this myself when I return after the 9/3/15, I hope that's acceptable to you but if not please let me know and I will put something in place so that this can be handled in my absence. Finally, I would advise that the formal Data Subject Access Request you previously made has gone to our Data Protection Officer. He is aware that I have already provided the Indemnity Letter and some key call recordings to assist you. They are dealing with your request and he has asked that I send you his initial response, I have pasted this in below for your information –
Dear Mr Cordell
Further to your ongoing correspondence with Peter Wood in our Motor Operation, your request for information has been passed to me and whilst I can see we have fulfilled that request in part by sending you specific data, we would like to fulfil the element of your request which is a Subject Access Request. We apologise that this element of your request was not dealt with as quickly as it should have been. Accordingly, we will now gather relevant data and write to you with the results of that data gathering exercise as soon as possible. As Peter has already communicated, we will charge no fee for this request on this occasion. Please do not hesitate to contact me if you have any queries.
With kind regards
Paul Donovan

Dear Lorraine,
Thanks for your comments, don't worry I want to get this resolved as much as you and Simon, it's taken far too long already, so before I send an amended Indemnity Letter (LOI) please confirm my understanding as listed below –

- I will amend the registration of the Ford Zetec to show MA57LDY. Broadsure originally gave us the incorrect registration and as you say it was a while before this error was corrected and our policy history was confusing due to the incorrect Clio that I was not aware of previously.
- You are correct, looking back on the instructions from Broadsure I cannot see that they instructed Underwriters to delete the Renault Clio that was added in error following receipt of advices from Broadsure. I can amend the comment in the letter to show that this vehicle was added to the policy incorrectly following an effort on your part to correct the registration number of the Ford Zetec and was a broker error, are you happy with this?
- The letter states cover was for Social Domestic & Pleasure and Motor Trade Use. Motor Trade use would cover Simon to carry a Motor Mechanics tools being used in connection with Motor Trade but not any tools that would typically be used for any other purposes such as perhaps, paint/brushes/ladders/plumbing/Electrical (domestic/commercial except auto electrical) and so on. This is standard cover; however, I am happy to expand on this statement in the letter if you would like me to in order to clarify that point?
- The Police officer asked if Simon would be covered for the carriage of tools to drive around doing "odd jobs". Later in the call he again confirmed that Simon was not covered "to drive around doing jobs". I sent you the call so you can listen to it yourself but the tone of the enquiry was suggesting that Simon was doing jobs not connected to the Motor Trade however I do feel there is plenty of room here for misunderstanding. If the question had been more specific with the officer stating that Simon had tools connected with the Motor Trade in the vehicle would he be covered – Yes. If he said that the tools were not connected to the Motor Trade (as per my comments above) then the answer is – No. Not something I can put into a Letter of Indemnity but certainly something to be argued with the CPS/Courts.
- I'm happy to confirm in the letter that cover was in force under this policy on the 14/11/**2013**.

Dear Peter
I have sent the information over to the CSP I am waiting for a reply from them, I do believe however there is now an appeal date of the 05/03/**2015** which I am trying to confirm due to not getting any letters from the court. As for the data we need from the compound I have had to put a subject access request in, not sure how long this is going to take , but as soon as I heard anything I will let you know, Thank you again for dealing with this matter and I am sure we will talk soon, hope you have a great holiday.

Dear Lorraine/Simon,

Just a quick note to let you know that I will be on holiday from 12/2/15 returning on 9/3/15, so if you need anything in the meantime please communicate with Andy Austin. Can you let me know how you get on with the CPS and let me know if there is anything else, we can do or that you might need from us?
Just to confirm, I'm sure you are onto this, but you are currently pulling together evidence of the costs incurred by Simon for various release fee's following Police stop and seizures. As soon as you have provided this evidence, I can give further consideration to the compensation aspect of your complaint. I would prefer to deal with this myself when I return after the 9/3/15, I hope that's acceptable to you but if not please let me know and I will put something in place so that this can be handled in my absence. Finally, I would advise that the formal Data Subject Access Request you previously made has gone to our Data Protection Officer. He is aware that I have already provided the Indemnity Letter and some key call recordings to assist you. They are dealing with your request and he has asked that I send you his initial response, I have pasted this in below for your information –
[Dear Mr Cordell
Further to your ongoing correspondence with Peter Wood in our Motor Operation, your request for information has been passed to me and whilst I can see we have fulfilled that request in part by sending you specific data, we would like to fulfil the element of your request which is a Subject Access Request. We apologise that this element of your request was not dealt with as quickly as it should have been. Accordingly, we will now gather relevant data and write to you with the results of that data gathering exercise as soon as possible. As Peter has already communicated, we will charge no fee for this request on this occasion.

Dear Debbie Barnett
Thank you for taking the time to talk to me today on the phone one the 02/02/**2015**. Could you please also confirm by email that you have this email. As explained, there have been a number of issues with my son Simon Cordell **DOB:** 26/01/1981. The issues are one of not being insured. When in fact he was. There was a case heard on the 26/11/**2014** at Wimbledon Magistrates' Court where my son Simon Cordell was found guilty. Of using his vehicle for business purposes. This was only the case due to the police officer lying. Not just to KGM who my son was insured with, but in his statement of facts, and also on oath to the judge and CPS. The case is such that on the day my son was stopped the police office made a call to KGM the police office told KGM that my son Simon Cordell had lots of tools in his van and was doing odd jobs. Under my son insurance this would not have covered him, and the police officer would have known this already as my son had given the police officer his policy at the side of the road. My son was arrested and taken to the police station. Due to him refusing to sign the seizer notice and telling the police officer he was lying and to arrest him. My sons Van registration CX52JRZ was seized and taken to Chariton police vehicle pound, with no tools in there.

My sons Van registration CX52JRZ was seized and taken to Chariton police vehicle pound, with no tools in there. The police office when wrote his statement not with what he told KGM on the phone call but with something totally incorrect information. The judge asked the police office at court about the tools as he saw emails from KGM the police office told the judge he knew nothing about any tools. The police officer I believed new he could not put tools down in his statement as calls was already being put into the police about complaints. So changed his story in his statement. The facts are that there are audio tapes of what the police officer said to KGM, and also the call that was made to Chariton police vehicle pound as KGM record all calls. I have both of the audio files from KGM and also a Letter of Indemnity and an email that a manager sent to Kelly Tiller at KGM. How can a police officer act in such a manner? I really do not understand why he did this. As also said on the phone there is a number of summons my son has not had regarding the other stops from police, these cases he has gone to court without him knowing and he been found guilty when he did not even know there was a case in court. I have sent many emails to get these cases set aside and sent his insurance documents to the court. 2 case we had to do statutory declarations one for Willesden and one for Bromley. The Willesden one seems to have been reheard at court on the 26/01/**2015** without us knowing again he was found guilty but they put this case under a new case number looking at the letter so all the documents that were sent before was not with the court file I would have through. But with both statutory declarations we added a copy of his insurance. I have been trying for some time to get all of this put together so it can all be addresses and so far, nothing has been done with all the emails I have sent to the court. We also asked at court when we went to Wimbledon
1572,
Magistrates' Court but nothing was done. Could you please tell us where we can sort this out about getting all the other cases addressed without the need to be going from one court to the next. This is a waste of courts time and money when clearly all that is needed to be is check my son's insurance that he was in fact insured. I am sure that the letter that has been sent of Indemnity from KGM would cover these other cases as proof he was in fact insured. Could you please advise what needs to be done with these other cases?
Please can you address the issues in this email and get back to me by email.

Dear Debbie Barnett
Thank you for taking the time to talk to me today on the phone one the 02/02/**2015**. Could you please also confirm by email that you have this email.
1577,
As explained, there have been a number of issues with my son Simon Cordell **DOB:** 26/01/1981. The issues are one of not being insured. When in fact he was. There was a case heard on the 26/11/**2014** at Wimbledon Magistrates' Court where my son Simon Cordell was found guilty. Of using his vehicle for business purposes. This was only the case due to the police officer lying. Not just to KGM who my son was insured with, but in his statement of facts, and also on oath to the judge and CPS. The case is such that on the day my son was stopped the police office made a call to KGM the police office told KGM that my son Simon Cordell had lots of tools in his van and was doing odd jobs. Under my son insurance this would not have covered him, and the police officer would have known this already as my son had given the police officer his policy at the side of the road. My son was arrested and taken to the police station. Due to him refusing to sign the seizer notice and telling the police officer he was lying and to arrest him. My sons Van registration CX52JRZ was seized and taken to Chariton police vehicle pound, with no tools in there. The police office when wrote his statement not with what he told KGM on the phone call but with something totally incorrect information. The judge asked the police office at court about the tools as he saw emails from KGM the police office told the judge he knew nothing about any tools. The police officer I believed new he could not put tools down in his statement as calls was already being put into the police about complaints. So changed his story in his statement. The facts are that there are audio tapes of what the police officer said to KGM, and also the call that was made to Chariton police vehicle pound as KGM record all calls. I have both of the audio files from KGM and also a Letter of Indemnity and an email that a manager sent to Kelly Tiller at KGM. How can a police officer act in such a manner? I really do not understand why he did this. As also said on the phone there is a number of summons my son has not had regarding the other stops from police, these cases he has gone to court without him knowing and he been found guilty when he did not even know there was a case in court. I have sent many emails to get these cases set aside and sent his insurance documents to the court. 2 case we had to do statutory declarations one for Willesden and one for Bromley. The Willesden one seems to have been reheard at court on the 26/01/**2015** without us knowing again he was found guilty but they put this case under a new case number looking at the letter so all the documents that were sent before was not with the court file I would have through. But with both statutory declarations we added a copy of his insurance. I have been trying for some time to get all of this put together so it can all be addresses and so far, nothing has been done with all the emails I have sent to the court. We also asked at court when we went to Wimbledon Magistrates' Court, but nothing was done. Could you please tell us where we can sort this out about getting all the other cases addressed without the need to be going from one court to the next. This is a waste of courts time and money when clearly all that is needed to be is check my son's insurance that he was in fact insured. I am sure that the letter that has been sent of Indemnity from KGM would cover these other cases as proof he was in fact insured. Could you please advise what needs to be done with these other cases? Please can you address the issues in this email and get back to me by email.
Regards
Lorraine Cordell

Dear Mr Cordell

RE: Letter of Indemnity - Policy Number MT3574694

We would confirm that the policy above was incepted at 00.01 AM on the 23/2/13 and was in force until Midnight on the 22/2/14 when it lapsed.

The policy is a Road Risks Motor Trade only, cover was Comprehensive with the use permitted of Social Domestic and Pleasure and for Motor Trade purposes only. For clarity we would advise that Motor Trade Use would allow the carriage of tools required specifically for use in connection with Motor Trade activities.

Drivers under this policy were restricted to Mr Simon Cordell only.

The vehicles covered at inception of the policy were –

- Ford Zetec registration MA57LDY
- Ford Transit registration CX52JRZ

On the 8/4/13 at 11.05am the following vehicle was added to the policy –

- Renault Clio registration NA57LDY. We have since established that in fact Mr Cordell was trying to correct the registration of the Ford Zetec that his broker had incorrectly advised Underwriters was MA47LDY at policy inception. Unfortunately the broker compounded that error with these instructions as the registration number was still incorrect (NA57LDY) and on the wrong vehicle leading Underwriters to add this vehicle onto the policy in error. Eventually the correct registration of the Ford Zetec was noted.
- Please note that whilst the registration of the Ford Zetec was incorrect on the policy record and on the Motor Insurers Database for some time as a result of the above error, Underwriters would confirm that in the event of any incident Mr Cordell would have been fully indemnified subject to the terms of this policy.

We understand that Mr Cordell was subjected to a number of Police stops during the policy period whilst driving these vehicles. The stops were due to these vehicles not showing as insured on the Motor Insurers Database (MID). We would confirm that it's a requirement for Motor Insurers to upload details of all insured policies & vehicles to the MID, the targets set are 95% of policies to be on the MID within 14 days for Motor Trade policies and 95% of vehicles to be on the MID within 21 days for Motor Trade. Accordingly we can note that whilst this database is very effective, it's not real time and not 100% accurate.

We have carried out an investigation to understand why Mr Cordells vehicles were not on the MID leading to these Police stops. It has been established that there is a "bug" in our system when copying and pasting a registration with a space in it into the policy record, that results in an unsuccessful upload to the MID. It does not happen when we receive data electronically or when manually inputting data and was something we were unaware of until this case. We have of course changed our processes to prevent this occurring again.

The unfortunate outcome for Mr Cordell of course was that it appeared to the Police that he was driving uninsured and was subjected to unnecessary Police stops. This was not Mr Cordells fault in any way as he had a valid Insurance policy in force and was fully insured to drive these vehicles for the purposes permitted under this policy during the policy period.

As stated above this policy was in force from 00.01 AM on the 23/2/13 and was in force until Midnight on the 22/2/14. We have been asked to specifically confirm that it was in force on the 14/11/2013 for both the Ford Zetec registration MA57LDY and the Ford Transit registration CX52JRZ.

We trust this letter meets the requirements of the Police and the Courts. Should you require any further assistance please do not hesitate to contact us.

Yours sincerely,

Dear Mr Cordell

RE: Letter of Indemnity - Policy Number MT3574694

We would confirm that the policy above was incepted at 00.01 AM on the 23/2/13 and was in force until Midnight on the 22/2/14 when it lapsed.

The policy is a Road Risks Motor Trade only, cover was Comprehensive with the use permitted of Social Domestic and Pleasure and for Motor Trade purposes only. For clarity we would advise that Motor Trade Use would allow the carriage of tools required specifically for use in connection with Motor Trade activities.

Drivers under this policy were restricted to Mr Simon Cordell only.

The vehicles covered at inception of the policy were –

- Ford Zetec registration MA57LDY
- Ford Transit registration CX52JRZ

On the 8/4/13 at 11.05am the following vehicle was added to the policy –

- Renault Clio registration NA57LDY. We have since established that in fact Mr Cordell was trying to correct the registration of the Ford Zetec that his broker had incorrectly advised Underwriters was MA47LDY at policy inception. Unfortunately the broker compounded that error with these instructions as the registration number was still incorrect (NA57LDY) and on the wrong vehicle leading Underwriters to add this vehicle onto the policy in error. Eventually the correct registration of the Ford Zetec was noted.
- Please note that whilst the registration of the Ford Zetec was incorrect on the policy record and on the Motor Insurers Database for some time as a result of the above error, Underwriters would confirm that in the event of any incident Mr Cordell would have been fully indemnified subject to the terms of this policy.

We understand that Mr Cordell was subjected to a number of Police stops during the policy period whilst driving these vehicles. The stops were due to these vehicles not showing as insured on the Motor Insurers Database (MID). We would confirm that it's a requirement for Motor Insurers to upload details of all insured policies & vehicles to the MID, the targets set are 95% of policies to be on the MID within 14 days for Motor Trade policies and 95% of vehicles to be on the MID within 21 days for Motor Trade. Accordingly we can note that whilst this database is very effective, it's not real time and not 100% accurate.

We have carried out an investigation to understand why Mr Cordells vehicles were not on the MID leading to these Police stops. It has been established that there is a "bug" in our system when copying and pasting a registration with a space in it into the policy record, that results in an unsuccessful upload to the MID. It does not happen when we receive data electronically or when manually inputting data and was something we were unaware of until this case. We have of course changed our processes to prevent this occurring again.

The unfortunate outcome for Mr Cordell of course was that it appeared to the Police that he was driving uninsured and was subjected to unnecessary Police stops. This was not Mr Cordells fault in any way as he had a valid Insurance policy in force and was fully insured to drive these vehicles for the purposes permitted under this policy during the policy period.

As stated above this policy was in force from 00.01 AM on the 23/2/13 and was in force until Midnight on the 22/2/14. We have been asked to specifically confirm that it was in force on the 14/11/2013 for both the Ford Zetec registration MA57LDY and the Ford Transit registration CX52JRZ.

We trust this letter meets the requirements of the Police and the Courts. Should you require any further assistance please do not hesitate to contact us.

Yours sincerely,

I have sent the information over to the CSP I am waiting for a reply from them, I do believe however there is now an appeal date of the 05/03/2015 which I am trying to confirm due to not getting any letters from the court.
As for the data we need from the compound I have had to put a subject access request in, not sure how long this is going to take, but as soon as I heard anything, I will let you know,
Thank you again for dealing with this matter and I am sure we will talk soon; hope you have a great holiday.

Dear Lorraine/Simon,
Just a quick note to let you know that I will be on holiday from 12/2/15 returning on 9/3/15, so if you need anything in the meantime please communicate with Andy Austin.
Can you let me know how you get on with the CPS and let me know if there is anything else, we can do or that you might need from us?
Just to confirm, I'm sure you are onto this, but you are currently pulling together evidence of the costs incurred by Simon for various release fee's following Police stop and seizures. As soon as you have provided this evidence, I can consider the compensation aspect of your complaint. I would prefer to deal with this myself when I return after the 9/3/15, I hope that s acceptable to you but if not please let me know and I will put something in place so that this can be handled in my absence.
Finally, I would advise that the formal Data Subject Access Request you previously made has gone to our Data Protection Officer. He is aware that I have already provided the Indemnity Letter and some key call recordings to assist you. They are dealing with your request and he has asked that I send you his initial response, I have pasted this in below for your information-

Dear Lorraine,
Thanks for your comments, don't worry I want to get this resolved as much as you and Simon, it’s taken far too long already, so before I send an amended Indemnity Letter (LOI) please confirm my understanding as listed below -
- I will amend the registration of the Ford Zetec to show MA57LDY. Broadsure originally gave us the incorrect registration and as you say it was a while before this error was corrected and our policy history was confusing due to the incorrect Clio that I was not aware of previously.
- You are correct, looking back on the instructions from Broadsure I cannot see that they instructed Underwriters to delete the Renault Clio that was added in error following receipt of advices from Broadsure. I can amend the comment in the letter to show that this vehicle was added to the policy

incorrectly following an effort on your part to correct the registration number of the Ford Zetec and was a broker error, are you happy with this?

- The letter states cover was for Social Domestic & Pleasure and Motor Trade Use. Motor Trade use would cover Simon to carry a Motor Mechanics tools being used in connection with Motor Trade but not any tools that would typically be used for any other purposes such as perhaps,

paint/brushes/ladders/plumbing/Electrical(domestic/commercial except auto electrical) and so on. This is standard cover; however, I am happy to expand on this statement in the letter if you would like me to in order to clarify that point?

- The Police officer asked if Simon would be covered for the carriage of tools to drive around doing "odd jobs". Later in the call he again confirmed that Simon was not covered "to drive around doing jobs". I sent you the call so you can listen to it yourself but the tone of the enquiry was suggesting that Simon was doing jobs not connected to the Motor Trade however I do feel there is plenty of room here for misunderstanding. If the question had been more specific with the officer stating that Simon had tools connected with the Motor Trade in the vehicle would he be covered- Yes. If he said that the tools were not connected to the Motor Trade (as per my comments above) then the answer is - No. Not something I can put into a Letter of Indemnity but certainly something to be argued with the CPS/Courts.
- I'm happy to confirm in the letter that cover was in force under this policy on the 14/11/2013.

Once I hear back from you, I will revise the LOI accordingly and e-mail it across for you to sign off, I will also send an original in the post just in case!

If you need anything else please do not hesitate to drop me and Andy a line, I am keeping Andy in the loop as I will be on leave from 12/2/15 - 9/3/15 so he will need to deal with anything in my absence.

Subject: RE: MT3574694 Simon Cordell

Dear Peter

Thank you very much for the information you have sent, I do see some errors in your letter of Indemnity.

Ford Zetec registration MA47LDY

- Ford Transit registration CX52JRZ

On the 8/4/13 at 11.05am the following vehicle was added to the policy -

- Renault Clio registration NA57LDY.

Ford Zetec registration MA47LDY Renault Clio registration NA57LDY

This registration was always put in not correctly but was in fact given to Broadsure Direct correctly.

The registration should have been Ford Zetec registration MA57LDY

This was later correct after the 3rd time of telling the Ford Zetec registration as MA57LDY please see attached

document.

This is the registration that should have been on the policy from the start.

We never knew it was not correct until 08/04/13 when again the correct registration was given.

However, it was put down as Renault Clio registration NA57LDY, we then believe it was put in correctly and not a new car added.

We were not sent any documents of that change so did not know there was again an error until the Oct 2013 when it was in fact corrected this time, we asked for new documents to be sent which they were so we could check.

But they kept on his policy Renault Clio registration NA57LDY we made a next call and told them this needed to be removed and was told it would be done.

It seems this was never done by what you have sent in your email.

I do believe I have emails also about this issue to Broadsure Direct and Martin Jenkins, can confirm this as he was the one, we dealt with at Broadsure Direct. He also should remember all the phone calls.

There is also a next issue Simon was not just covered with the basic trade insurance with KGM, Broadsure Direct had a special section with KGM which included in his insurance he was in fact covered for his work as a mechanic, not just standard insurance of trade buying and selling that KGM as a rule only deals with.

This has been discussed with the underwriters at KGM by Broadsure Direct re Martin Jenkins. This also caused issues with his insurance cover a few times. This was also meant to have been address and seems it was not. At the time we were not happy as we were told he was not covered when in fact he was. If you call Broadsure Direct and speak to

Martin Jenkins, I feel that he can send you the paperwork and under writing of how Simon's insurance was meant to have been setup.
As you can see there was a number of issues with his insurance with KGM that lead to problems. and even with the issues of 14/11/2013 when a call was made to Kelly Tiller we asked did the police say what tools was meant to have been in the van as if there was mechanic tools in there his insurance should have in fact covered this. Kelly Tiller said no the police officer did not say which tools. But also said he was again not insured for this again Martin Jenkins got a rude call from us and again he had to make calls to address this issue.
Can you please confirm he was correctly insured with KGM and write this as I would like this addressed.
And one last thing could you please say in your letter on the date of the 14/11/2013 he was fully insured just so there cannot be any mistakes at court.
Sorry, this is causing such an issue and taking up your time but I really want to have something that is fully correct, as I do not want any other issues with courts, police and anything else that could cause my Son problems.
Regards
Lorraine.

Dear Simon,
Please find attached the following -

- Recording of the original call made by the Police officer to KGM in which he advised that there were tools in your van.
- Recording of the call between Kelly Tiller and the Police compound in which Kelly was advised that there were no tools in the vehicle.
- Receipt showing purchase of the van.

- E-Mail from Gareth Mullett from the compound confirming that there was nothing on the seizure notice to indicate that there were any tools removed from the vehicle or in the vehicle in the compound.
- Letter of Indemnity for the CPS/Courts.

I believe these are the relevant items you were after and hope this will assist you to resolve the court matters. If you need anything else please let me know, or in my absence Andy Austin.
Paul Donovan will respond separately in respect of your data request but hopefully the attached will meet your requirements.
As soon as I receive documentation from you to support costs incurred, I can consider our response on compensation.
No doubt I will hear from you shortly, in the meantime have a good weekend.

Dear Peter
Yes please could you send the tapes out and the Letter of Indemnity I would be most grateful as I think this would cover the courts and would like to get the information to them as soon as possible to the court and CPS.
As for the other information that is acceptable, as I not sure how long it will take the police compound to send me over the information, I will need to send to you they do take their time.
I am just happy this matter is getting address as said the most worrying thing was the court case and this is the information I needed. I hope you have a great time on leave.
I look forward to hearing from you and will pass the information over from the police compound as soon as I have it.

Subject: Re: MT3574694 Simon Cordell Dear Simon,
I spent some time last Friday tracking down a number of calls and did find the original call that the Police made to Jessica and the calls Kelly made to the Compound so we can provide these and it sounds like these are the important calls from the CPS and Courts viewpoint. I will pass these over to our Data Protection Officer of course but will ask if its ok for me to release them to you in the meantime before he does his official response.
I think we should also do the Letter of Indemnity and will send this across to you in the next few days, threes no reason why you can't send this across now and it can do no harm.
I'm conscious we have not done a formal final response yet to your complaint, I intend to do this as soon as we receive full details of the recovery costs you incurred and can make a decision on compensation, I trust that's acceptable.
If you need anything else or have any questions in the meantime, please do not hesitate to contact us.
I am keeping Andy in the loop as I am due to go on leave from 12/2/15 - 8/3/15 so he will need to pick up any issues that may arise during that time.
We will be in touch shortly and await details from you as above in due course.

Dear Peter Wood
Thank you for picking this up and taking the time to deal with this matter.
The date of the appeal I do not have yet.
I are waiting for this but the court and CPS said if I get the information needed before the court date then it could be sent to the court who found me guilty and the CPS and this would be linked to the case and addressed. In addition, there should be no need for the appeal court case.
I am trying to do this so that a next day is not got to be wasted of my time in court and getting to and from the court.
The day that the police officer pulled me and told KGM that I had tools in my van, which the police officer lied, and the police officer has said this in court so lied to the judge is 14/11/2013.

I think due to what the police officer said in court the CPS and judge would like to know the facts and what the police officer said on that phone call to KGM. In addition, when KGM spoke to the manager at the police compound and found out in fact there was not tools, I think the reason for this is the police officer committed perjury in the court.
That is why they asked me to get proof that my insurance was not void, section 9 witness statements as to what the police officer told KGM on the phone to try to void my insurance, In addition, the facts how KGM found out I had in fact done nothing wrong and my insurance should not be cancelled.
However, if you think a Letter of Indemnity would sort this matter out then if this could be done I would be very grateful, but could you include in the letter only reason this has come about is due to what the police officer told KGM about the tools being in the van. In addition, this is the reason KGM told the police officer that I would not then be covered by the insurance policy I had in force with them.
This should cover it I hope as I really did nothing wrong and Kelly Tiller knows the police officer lied to get my insurance cancelled as she spoke to the police compound and they told her there was no tools.
The vehicle registration I was driving on the 14/11/2010 was CX52JRZ, this registration was included on my insurance. So should have shown on the database along with my car. However, none showed up as being insured on the MID database, this is what has caused me all the problems with the police.
As already aware yes, I was stopped around 8 or 9 times and had vehicles seized.
I do have some of the some of them here already like do have the receipt what I paid to get the vehicle out of the compound for the 14/11/2013 case I picked that up on the 16/11/2013.
I have the ones for the 08/04/2013, 29/10/2013, 16/11/2013, 03/01/2014 I just need to get the receipts for the other dates and also something that shows they was all sized due to no insurance from the police compound.
As for the Data Subject Access Request, I am most grateful that this is being addressed. If I had known a fee was, needed I would have paid that right away, but due to no one getting back to me about the ones that were put in, I did not know a fee was needed.
Regards

Dear Mr Cordell,
Unfortunately Andy has been called away due to a family emergency, in his absence I have picked this matter up.
The first order of business to my mind is dealing with the Court case, can you confirm when the date has been set for the hearing please? My thought is that we provide a Letter of Indemnity that basically confirms that you had a valid policy in force between said dates and on what vehicles, this

should satisfy the Courts but if they need anything else, we will be happy to assist, just let me know what you require.
I understand you were stopped several times and had vehicles seized, you are in the process of obtaining evidence of these vehicle seizures and the costs incurred by you as a result for us to consider compensation. When you have gathered this please forward the evidence to us as soon as possible.
There is also the matter of your Data Subject Access Request. I have spent some time today tracking down recorded calls and various communications and hove notified our Data Protection Officer of your request. I can see that you have made a request, any request should correctly be sent on for the attention of the Data Protection Officer along with a 10 fee.
Your request was addressed generally to KGM with no fee and it would appear not actioned. The underwriter dealing with your request should have asked immediately for the fee payment and escalated your request accordingly. This was not done for which I must apologise, as a result we will waive the fee requirement and I would confirm this is now in hand.
We have yet to issue a final response to your complaint and I would assure you we will do this as soon as we have received your response to the above points.

Dear Andrew
Please see attached Insurance, which will show you full details of his insurance policy and dates covered.
Yes, we do want full discloser so this mater can be sorted out by the court and I can send the information over to the CPS for the case of the 14/11/2013 where the police officer told KGM I had tools in my van to void my insurance. Kelly Tiller from the trade section and Jessica know fully what went on and it was Jessica that took the phone call from the police officer. After this I believe Kelly Tiller took over dealing with my policy and she was the one that had the say to cancel my policy and she was the one that believed the police until I went to the police compound and spoke to the manager there where he spoke to Kelly Tiller. If I had not done this Kelly Tiller would have cancelled my policy of insurance and I have all the

emails to prove this.
After Kelly Tiller found out I was not lying about having no tools in my van the insurance policy was kept in place, I did ask Kelly Tiller on more than once to send me the information and put data requests in which was not replied to. Now I have been found guilty when Kelly Tiller knows the truth that there was not tools and the police officer lied to KGM on the phone call.
I am the one that has suffered over all this not just on this case but all the times I have been taken to court for no insurance over the year my policy run with KGM due to it not showing on the MID database.
You should have all the emails already from Broadsure Direct and many was sent by them to KGM as I was told KGM could not talk to me and I had to deal with Broadsure Direct about my policy Martin Jenkins from Broadsure Direct should also have copies of all emails as I do.

I have spoken to DVLA today and asked for the data of how many times points was put on my licence due to not getting summons from police and then dealing with cases I knew nothing about and then I had to get the cases reopened, I have to write them a letter and they will send the data I have asked for in the post.
I do have a lot of letters which I will sort out scan and send over. But the 1st part I want to deal with is the court case I was found guilty at and have put an appeal in that is the most important to me right now.
We can deal with everything else once I get all the data scanned as there is really a lot and it was all due to KGM not sorting out why my insurance was not showing on the MID database. The seizers alone have left me out of pocket by around 1700.00. That is without all the days I have not been able to work due to my driving licence being messed up and showing points for no insurance. All the time going back and forward to the compound to collect my vehicles, and everything else I have had to deal with the courts when in fact I had done nothing wrong.
I have tried to deal with this for months and months without going to the ombudsman and KGM has taken no notice, it has taken me to go to the ombudsman for KGM to take any notice and I don't feel anyone would be happy with the this sort of service from KGM let alone any company doing this and

causing someone so much suffering.
It was one of the police in the end at the compound who in the end worked out why it was not showing up on the MID and that was because there had been a space put within my Reg Numbers. It was that bad two police compounds new me and said each time not again.
As you can see, I am not very happy about all of this, but I do not think anyone would be when they paid for their insurance and had done nothing wrong to suffer all this.
Therefore could you please get the information I need to send to the CPS; I have written what was needed from Nov 2014 and way before this, and it still has not been sent and I have this hanging over my head. I did not just get points on my licence I got disqualified from driving for 6 months due to repeat offending of no insurance please tell me why when I have paid for my insurance from KGM? The reason it has not been enforced is due to me putting an appeal in.

Dear Andrew

I will forward this to you within a few days I will ask the police compound to do a full print out as to all the tickets as I believe there is a few missing.
I do have around 6 of the tickets here when the vehicles were sized I also do have court letters, and letters from DVLA, which I will forward over to you once I have scanned then in so please give me a few days and I will get

back to you with this information as there is a lot of data.
The main one at this time I am worried about is the case where the vehicle was sized due to the police lying and me being found guilty at court you did have an email on the 30 November 2014 about what was needed and I do have the court letter showing I was found guilty and about the appeal.
This data should have been given under the Subject access request under the Data Protection Act 1998 I put in, so was wondering what you can do about this and if you will need a new Subject access request under the Data Protection Act 1998 I have already sent 3 in so to do a 4th I do not feel I should need to do.
KGM have in fact not followed the protocol for the Subject access request under the Data Protection Act 1998 which has been put in 3 times already to KGM, I will be addressing this with the Information Commissioner's Office as I do not see any reason you would have to stop the information I have asked for under this act to prove I was not in fact guilty of no insurance.
And now say to deal with this you need information from me. I can understand you want the information for the complaint that has been put in, but not the information I asked for to show I was in fact I was insured for an appeal that is ongoing. And in fact, would not have been ongoing if the Subject access request under the Data Protection Act 1998 as I would not have been found guilty.
I would like the data sent to the court as soon as possible in regards to this so they can look at the facts and see if fact I was insured so there should be no need for the appeal to go ahead with more of my time wasted going to court.

Subject: RE: MT3574694
To Whom It May Concern:
I am writing due to the complaint I put in. I have forwarded emails to Broadsure Direct and spoken to Broadsure Direct who took the policy of insurance out policy no: MT3574694
I have been asking for information from KGM since 2013 and have heard nothing back.
When the policy was taken out there was some reason it did not show up on the MID database Broadsure Direct and KGM was aware of this.
Due to this fact I had my vehicles were sized a number of times I believe 8 or 9 times in all, where I had to pay the costs to get my vehicles out the compound each time. In the week when I was pulled by police it was not so

bad as the insurance company was opened so when I showed the police my policy, they could call the insurance company.
The seizers happened mostly at the weekend mostly due to the insurance company being closed and the police could not talk to anyone even when I had my policy on me at all times to prove I did in fact have insurance.
I made many calls to the police, Broadsure Direct, KGM and the people who run the MID database, but the issue did not go away, and my vehicles still did not show up on the MID database.
There was also a time in Nov 2013 when my van was sized this was due to KGM telling the police I was not insured due to the police telling KGM that I had tools in my van. Which was a lie by the police as I did not have anything in my van. Kelly Tiller from the trade section was dealing with this and a few days later I got a letter from KGM saying they was going to cancel my policy. As you can understand I was very upset over this as I had done nothing wrong.
At this time lots of calls was both made to KMG and Broadsure to stop the cancelation of my insurance policy, I spoke to Kelly Tiller many times, but she believed the police and I had no say in the matter. The police was off duty so I could not speak to them and Kelly Tiller was saying unless I could prove I did not have any tools in my van then the insurance policy would be cancelled which was very unfair as I had done nothing wrong I knew I never had any tools.
But I also asked Kelly Tiller did the police tell her what tools was meant to be in my van, to which she said no. KGM was not even aware I had mechanics trade on my policy so if my mechanics tools had been in my van at the time my insurance would still have been cancelled which to me what was the point in having insurance?
I then spoke to a wonderful operator at the police when I called told her what had gone on and was told by her to go to the police compound as when any vehicles are taken there they have to do a full list of items that are in the vehicles as they are in fact legible if something goes missing. Over that weekend I sent emails to the compound and forwarded them to Broadsure as my insurance was due to be cancelled on the Monday. On Monday I got an email from Broadsure direct asking me to go to the compound as Kelly Tiller had no luck getting a reply from them also, and once there to call Kelly Tiller due to the time on the Monday I got the email it would have been too late to go the compound and get a call to Kelly Tiller as she would have

ended work for that day so I sent an email saying I would be going there early the next morning.
I went the next day and asked to speak to the manager of the compound who in fact looked up my van and said nothing was in there, there was not tools I called Kelly Tiller and the manager of the compound spoke to her and confirmed there was nothing in the van when it was taken there by police and that I had put thing in the van when I had taken it out of the compound.
At this point Kelly tiller believed me and said the policy would not be cancelled. But on my way back from the compound driving my phone ring and I stopped to pick it up and it was Broadsure direct saying my policy had in fact been cancelled I was very upset at this and told them what had happened, I was asked to hold on they was called KGM back and would call me right back. I waited till Broadsure direct called me back and confirmed my insurance policy had not been cancelled then drove home.
From this point I have been asking for all information and putting data protection acts in which have not been dealt with and I have heard nothing from KGM.

I have been back and forward to court due to no insurance and in fact 4 cases I did not get any summons so was in fact found guilty as I did not know it was even going to court.
I have had points put on my driving licence for no reason and had to go back and forward to court many times when this should not have been the case.
Then the case come up for the seizer when the police said I had tools in my van I went to court with all my documents but due to not having the information I had asked for from KGM many times about that case I was found guilty. I am very upset about the whole policy with KGM. I have put an appeal in, and this case will be going to crown court I have again asked for information and again heard nothing. These matters need to be addressed as I am suffering due to all of this.
Martin Jenkins at Broadsure Direct knows everything that has gone on as he was my main contact.

I also have all the emails the last one that I will enclose again, which I have heard nothing about and the 1st Subject access request under the Data Protection Act 1998 that I sent on the 26/11/2013. I did in fact send the Subject access request under the Data Protection Act 1998 about time times and asked Martin Jenkins to look into why I had heard nothing about more than once.
Once I get the appeal date for crown court, I will ask the court to summon the people at KGM to deal with this matter as they know I was insurance and did nothing wrong and the police lied. All I have asked for is the data so there will be no need to summons people this way I can send the section 9 witness statements over to the crown and the other information and this case should be dropped against me.
It just seemed that KGM does not want to do anything and give me the information I need to prove in fact I was insurance and the police lied to KGM to in fact make it that I was not insurance.
There is a lot more I could say about the insurance I had with KGM, but this insurance policy was my worst nightmare. It has messed my clean driving licence up and in fact got to the point I could not drive so could not work.
Due to the fact, KGM could not send me the information over that was needed to prove I did have insurance.
If you need o can send over all the emails that has been sent back and forward to Broadsure who sent them to KGM.
I have lost a lot of money, and time due to this insurance policy I have had to pay for my vehicles to be taken out of the police compound around 8 to 9 times at a cost of 180.00 to 200.00 a time. All the loss of work due to having to take time to go to the police compound, and all the times I have had to go to court for no insurance when in fact I had insurance.
And points put on my driving licence to the fact I could not drive, this has all been costs to myself.
My Mother Lorraine Cordell has also written many of the emails and is fine with dealing with this issue.

Subject: Appeal against conviction for no insurance Regina v. Simon Paul Cordell on 5th March **2015** at Kingston Upon Thames Crown Court
Dear Mr Wood
I have been instructed by Mr Simon Paul Cordell and Miss Lorraine Cordell to assist in the appeal against conviction that is due to be heard at Kingston Upon Thames Crown Court on 5th March **2015** at 10am. Miss Cordell has played two recordings that she received from KGM which are pertinent to the appeal but at present as the telephone recordings have not been produced as an exhibit by KGM they will not be admissible at court. Can you therefore please write a section 9 statement confirming that:
(a) all recording equipment was working correctly
(b) KGM produced two recordings at the request of Ms Lorraine Cordell
(c) Confirmation that the recording of S Cordell call from police 141113 Recording was provided by KGM from their recorded calls and is authentic
(d) Confirmation that the recording between the Car Pound and Kelly Tiller was also provided from the KGM recorded calls and is authentic If we are in possession of a section 9 statement producing the recordings then we will not have to apply to the court for a Third Party Summons to compel an employee from KGM to attend to produce the recordings. This would be a complete waste of your time when all we require is a section 9 attesting to the recordings being retrieved from the system and exhibited as two separate recordings. If you require assistance with drafting a section 9 statement, then we would be happy to draft it and email it over. We would require the name of the person who retrieved the recordings. the dates that the recordings were retrieved, the dates the recordings relate to, confirmation that the recordings were sent to Lorraine Cordell by email so that she can produce CD's of the recordings so that they can be played in court and specifically refer to the email containing the recordings so that there is continuity in the chain of evidence. Ideally, we would like KGM to produce the CD's and exhibit them but failing this we will try to get the CPS to agree the CD's as produced from the email of Miss Cordell. We stress that the section in relation to the search and retrieval of the KGM database is essential and critical to ensuring that the chain of evidence is intact. We can serve these recordings on the CPS and the Court so that they are agreed in advance of the Appeal hearing. We thank you in advance for your anticipated cooperation in this matter and hope that we do not have to apply for a Third-party Witness Summons to compel the attendance of a KGM employee at the Appeal on the 5th March **2015**. We confirm that Miss Cordell is forwarding an email confirming that we are instructed and authorised to request this information.
Yours faithfully
MICHAEL CARROLL & CO.

Dear Peter

We have had to have a meeting today with a solicitor re the appeal case for my son. The reason for this is due to something about chain of evidence and submitting the tapes as exhibits to the court I think that was why the CPS and judge said to us last time we were in court we would need a section 9 witness statement. please can you address the email from Josephine Ward from **MICHAEL CARROLL & CO** that has been sent to you I have forwarded it below. This court appeal is a lot harder than I had ever dreamed.

- Confirmation that the recording of S Cordell call from police 141113 Recording was provided by KGM from their recorded calls and is authentic
- Confirmation that the recording between the Car Pound and Kelly Tiller was also provided from the KGM recorded calls and is authentic

If we are in possession of a section 9 statement producing the recordings, then we will not have to apply to the court for a Third-Party Summons to compel an employee from KGM to attend to produce the recordings. This would be a complete

waste of your time when all we require is a section 9 attesting to the recordings being retrieved from the system and exhibited as two separates

511,

recordings.

If you require assistance with drafting a section 9 statement, then we would be happy to draft it and email it over. We would require the name of the person who retrieved the recordings. the dates that the recordings were retrieved, the dates the recordings relate to, confirmation that the recordings were sent to Lorraine Cordell by email so that she can produce CD's of the recordings so that they can be played in court and specifically refer to the email containing the recordings so that there is continuity in the chain of evidence. Ideally, we would like KGM to produce the CD's and exhibit them but failing this we will try to get the CPS to agree the CD's as produced from the email of Miss Cordell. We stress that the section in relation to the search and retrieval of the KGM database is essential and critical to ensuring that the chain of evidence is intact.

We can serve these recordings on the CPS and the Court so that they are agreed in advance of the Appeal hearing.

We thank you in advance for your anticipated co-operation in this matter and hope that we do not have to apply for a Third-party Witness Summons to compel the attendance of a KGM employee at the Appeal on the 5th March 2015.

We confirm that Miss Cordell is forwarding an email confirming that we are instructed and authorised to request this information.

Yours faithfully

MICHAEL CARROLL & CO.

I work for KGM Motor Insurance, an Insurance Company based in London. I am an Operations Manager working for UK Specialty, Canopius. KGM is a member of the Canopius Group in the UK Specialty Division. I am responsible for managing the timely and accurate processing of all client records supplied to us via our Broker network.

Josephine Ward of Michael Carroll & Co (with Simon & Lorraine Cordell's permission) contacted me on the 8/2/2015 requesting a statement in respect of relevant recorded calls supplied plus a Letter of Indemnity pertaining to Mr Simone Cordell's policy number MT3574694. I understand the statement request is connected to an appeal against conviction for no insurance, Regina v. Simon Paul Cordell to be heard on the 5th March 2015 at Kingston Upon Thames Crown Court.

I would confirm that –

- The policy was incepted on the 23/2/2013 allowing Mr Simon Cordell only to drive at Comprehensive cover.

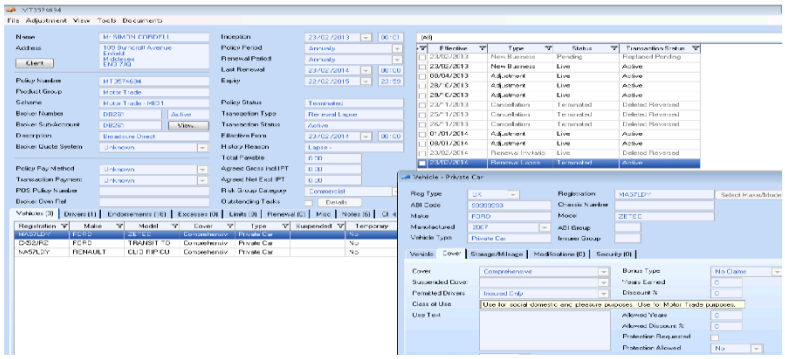

- The vehicles covered at inception were –
  - Ford Zetec registration MA57LDY.
  - Ford Transit registration CX52JRZ.
  - Use allowed was Social Domestic & Pleasure & or Motor Trade purposes only.

I have become involved in this matter following receipt of a Data Subject Access request and a complaint letter from Simon and Lorraine Cordell. During the course of my investigations to establish all the facts before responding to the letter of complaint it has been necessary for me to obtain and listen to various phone calls between the client and Underwriters, the Broker and Underwriters, Underwriters and the Police compound and the original call from the officer at the roadside and Underwriters.

I feel I have now reached a good understanding of the sequence of events and as a result have provided both a Letter of Indemnity and 2 relevant call recordings to Lorraine and Simon Cordell to support their appeal.

Josephine Ward has requested that in addition to this I provide a section 9 statement and confirm the following points –

- I have been able to search and locate, I believe, all of the relevant call recordings connected to this matter. I have located in total 8 call recordings but have provided the 2 relevant calls being the call from the officer at the roadside talking to Underwriters and the call from Underwriters to the Police compound. The fact that I have been able to search for and locate these calls proves to me that our call recording equipment was functioning correctly, certainly on the days in question, on the few occasions its not working the result is that you cannot locate any call recordings.
- I would confirm that the 2 calls I have provided to Simon and Lorraine are authentic and have come from KGM call recording systems. These 2 calls specifically are –
  - The call made to Underwriters by the Police officer on the 14/11/2013
  - The call made by Kelly Tiller to the Police compound on the 26/11/2013
- I would confirm that I was searching for and located these call recordings on the 23/1/2015.
- I would confirm that I e-mailed these call recordings across along with the Letter of Indemnity to Simon & Lorraine Cordell on the 30/1/2015.

Thank you for your email sent on the 4th & 10th December **2014**. Here at the Council Tax Recovery department we are mainly, responsible for the collection off the council tax and do not grant Council Tax Support. I got the understanding that you believe you should be exempt from paying the 19.5% shortfall in the Council Tax Support. Today I sent a memo to the Housing Benefit & Council Tax Support team asking them to review your Council Tax Support claim and decide if the 19.5% shortfall is applicable. I contacted Equity Collection Agency informing them to hold all recovery action for 3 weeks whilst we await a response from the Housing Benefit & Council Tax Support team. Yours sincerely
Mr Dunwell

To whom it may concern:
I am writing this email due to the number of problems I have been having due to a policy of insurance I had with KGM insurance which did not show up on the MID database in the week it was fine as I carried my insurance documents with me at all times and the insurance company could be called, but the problems was when the insurance company was closed as the police could not contact them. My mum Lorraine Cordell and I have sent many emails to the courts with my insurance documents, but there have been cases where I have not had a summons. So did not know about cases and they have been heard at court and I was found guilty of no insurance. I have done statutory declarations at court including my insurance documents and this still has not corrected anything. One of the statutory declarations was again heard at court on the 26/01/**2015** which again I did not know about for Willesden Magistrates' Court. But I have sent so many emails to this court with all documents and asked for them to be checked with the police officer at court to show I was insured to drive. This has not been done I have just again been found guilty due to not getting letters of a court hearing date. I have now also got a letter of Indemnity from KGM who I was insured with under policy number MT3574694. 00.01 AM on the 23/2/13 and was in force until Midnight on the 22/2/14 when it lapsed. Most of the cases are with the KGM policy you will see the reason as to why in the Letter of Indemnity from KGM. I also believe there was one case for Covea Insurance PLC policy number MT10 021608047 it was not showing on the MID due to the stop was the day after I took the policy out. Please can any cases be set aside and reopened and looked into and any other cases that have been heard for no insurance under these policies of insurance be addressed. You will in due cause be hearing from my solicitor, she is trying to address all the cases, but this is taking time. She has seen all the emails I have sent trying to address these issues and feels more should have been done as it would have only taken for the insurance policies to be checked and this would have stopped a waste of time and money for the courts, and myself at this time she wants to just appeal all cases to the crown court. Which would again be a waste of money for the courts. and again, of my time. But this is having an effect on my life my driving licence has been revoked 3 times for no insurance, when in fact I have always had insurance to drive and would not drive if I did not have insurance. Please see attached documents Could you get back to me as soon as possible by way of email, as it does seem there is an issue with my post and not getting letters that was meant to be sent to me? I am taking this up with the royal mail.
Regards
Simon Cordell

Hi Martin
Just giving you an update Simon has called to try and speak to you today to make a late payment on his insurance as he was a day late. could you please make sure someone calls us to make the payment?
As for KGM they are now dealing and addressing the issues, but it took me to start cc my emails to them to Lloyds. He has been having it really hard due to all this insurance with KGM and the courts, and not being able to drive half the time this policy has been in place due to them keep revoking his driving licence, until the courts then sort it and put it back in place. They have again revoked his driving licence this is the 3 time. I have had to get a solicitor now to help with the cases of no insurance because I seem to be getting nowhere. And also, to deal with the appeal case for the 14/11/**2013**. I do have the audio now from KGM that proves the police officer lied and some letters I will attach to this email just so you are updated. I can't send the audio due to most places will not accept that file type. So, I have included the transcript that the solicitor done Could you please also address doing your section 9 witness statement about the calls for the 14/11/**2013** as the appeal case is due to be heard on the 05/03/**2015**. Could you also please send over a copy of Simon no claims please?

We spoke to them prior to Christmas regarding the issues and they have been looking into the situation and as far as I am aware, they were going to respond directly. I look forward to hearing from you.

This case was appealed on the date I was found guilty and is due to be heard on the 05/03/**2015** at Kingston Upon Thames Crown Court. I am requesting a copy of the transcript for the trail hearing from Wimbledon Magistrates' Court to aid my appeal at the crown court. I am writing this email due many problems I have been having been having with my driving licence. I have made many phone calls asking for full information to try and clear this mess up and I am not really getting any joy. My driving licence has been revoked 3 times due to mistakes at court no insurance. The issue is with no insurance the time scale of this would cover the years **2013** to date. I do need this information as soon as possible to any cases that are on my licence, and also that have been removed from my licence by the court within this time scale. I am addressing these issues but there are cases I am not aware of which DVLA does hold. This is why I need this information so I can contact the courts that need to be contacted. If there is a fee for this service, please let me know by return email. I do not have time to post letters and then have to wait which I am being told on the phone; this is having a huge effect on my life which maybe you can understand.
Please could this be addressed as a matter of urgency?

Witness Statement 060215 S Cordell.docx
Hi Martin
Just giving you an update Simon has called to try and speak to you today to make a late payment on his insurance as he was a day late. could you please make sure someone calls us to make the payment.
As for KGM they are now dealing and addressing the issues, but it took me to start cc my emails to them to Lloyds.
He has been having it really hard due to all this insurance with KGM and the courts, and not being able to drive half the time this policy has been in place due to them keep revoking his driving licence, until the courts then sort it and put it back in place. They have again revoked his driving licence this is the 3 time. I have had to get a solicitor now to help with the cases of no insurance because I seem to be getting nowhere. And also to deal with the appeal case for the 14/11/2013. I do have the audio now from KGM that proves the police officer lied and some letters I will attach to this email just so you are updated.
I can't send the audio due to most places will not accept that file type. So I have included the transcript that the solicitor done
Could you please also address doing your section 9 witness statement about the calls for the 14/11/2013 as the appeal case is due to be heard on the 05/03/2015.
Could you also please send over a copy of Simon no claims please?

I look forward to hearing from you.

Dear Mr Cordell

RE: Letter of Indemnity - Policy Number MT3574694

We would confirm that the policy above was incepted at 00.01 AM on the 23/2/13 and was in force until Midnight on the 22/2/14 when it lapsed.

The policy is a Road Risks Motor Trade only, cover was Comprehensive with the use permitted of Social Domestic and Pleasure and for Motor Trade purposes only. For clarity we would advise that Motor Trade Use would allow the carriage of tools required specifically for use in connection with Motor Trade activities.

Drivers under this policy were restricted to Mr Simon Cordell only.

The vehicles covered at inception of the policy were –

- Ford Zetec registration MA57LDY
- Ford Transit registration CX52JRZ

On the 8/4/13 at 11.05am the following vehicle was added to the policy –

- Renault Clio registration NA57LDY. We have since established that in fact Mr Cordell was trying to correct the registration of the Ford Zetec that his broker had incorrectly advised Underwriters was MA47LDY at policy inception. Unfortunately the broker compounded that error with these instructions as the registration number was still incorrect (NA57LDY) and on the wrong vehicle leading Underwriters to add this vehicle onto the policy in error. Eventually the correct registration of the Ford Zetec was noted.
- Please note that whilst the registration of the Ford Zetec was incorrect on the policy record and on the Motor Insurers Database for some time as a result of the above error, Underwriters would confirm that in the event of any incident Mr Cordell would have been fully indemnified subject to the terms of this policy.

We understand that Mr Cordell was subjected to a number of Police stops during the policy period whilst driving these vehicles. The stops were due to these vehicles not showing as insured on the Motor Insurers Database (MID). We would confirm that it's a requirement for Motor Insurers to upload details of all insured policies & vehicles to the MID, the targets set are 95% of policies to be on the MID within 14 days for Motor Trade policies and 95% of vehicles to be on the MID within 21 days for Motor Trade. Accordingly we can note that whilst this database is very effective, it's not real time and not 100% accurate.

We have carried out an investigation to understand why Mr Cordells vehicles were not on the MID leading to these Police stops. It has been established that there is a "bug" in our system when copying and pasting a registration with a space in it into the policy record, that results in an unsuccessful upload to the MID. It does not happen when we receive data electronically or when manually inputting data and was something we were unaware of until this case. We have of course changed our processes to prevent this occurring again.

The unfortunate outcome for Mr Cordell of course was that it appeared to the Police that he was driving uninsured and was subjected to unnecessary Police stops. This was not Mr Cordells fault in any way as he had a valid Insurance policy in force and was fully insured to drive these vehicles for the purposes permitted under this policy during the policy period.

As stated above this policy was in force from 00.01 AM on the 23/2/13 and was in force until Midnight on the 22/2/14. We have been asked to specifically confirm that it was in force on the 14/11/2013 for both the Ford Zetec registration MA57LDY and the Ford Transit registration CX52JRZ.

We trust this letter meets the requirements of the Police and the Courts. Should you require any further assistance please do not hesitate to contact us.

Yours sincerely,

I work for KGM Motor Insurance, an Insurance Company based in London. I am an Operations Manager working for UK Specialty, Canopius. KGM is a member of the Canopius Group in the UK Specialty Division. I am responsible for managing the timely and accurate processing of all client records supplied to us via our Broker network.

Josephine Ward of Michael Carroll & Co (with Simon & Lorraine Cordell's permission) contacted me on the 8/2/2015 requesting a statement in respect of relevant recorded calls supplied plus a Letter of Indemnity pertaining to Mr Simone Cordell's policy number MT3574694. I understand the statement request is connected to an appeal against conviction for no insurance, Regina v. Simon Paul Cordell to be heard on the 5th March 2015 at Kingston Upon Thames Crown Court.

I would confirm that –

- The policy was incepted on the 23/2/2013 allowing Mr Simon Cordell only to drive at Comprehensive cover.

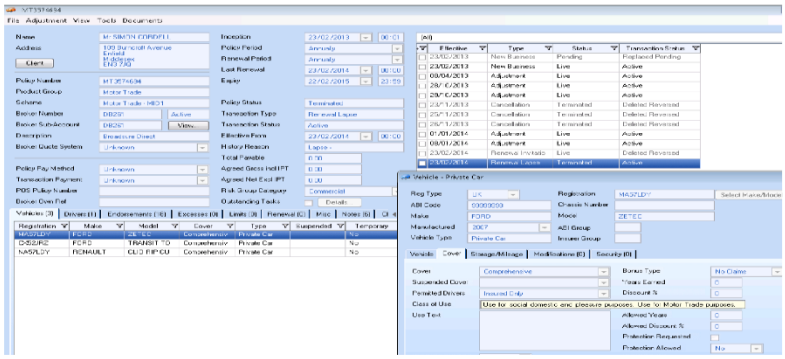

- The vehicles covered at inception were –
  - Ford Zetec registration MA57LDY.
  - Ford Transit registration CX52JRZ.
  - Use allowed was Social Domestic & Pleasure & or Motor Trade purposes only.

I have become involved in this matter following receipt of a Data Subject Access request and a complaint letter from Simon and Lorraine Cordell. During the course of my investigations to establish all the facts before responding to the letter of complaint it has been necessary for me to obtain and listen to various phone calls between the client and Underwriters, the Broker and Underwriters, Underwriters and the Police compound and the original call from the officer at the roadside and Underwriters.

I feel I have now reached a good understanding of the sequence of events and as a result have provided both a Letter of Indemnity and 2 relevant call recordings to Lorraine and Simon Cordell to support their appeal.

Josephine Ward has requested that in addition to this I provide a section 9 statement and confirm the following points –

- I have been able to search and locate, I believe, all of the relevant call recordings connected to this matter. I have located in total 8 call recordings but have provided the 2 relevant calls being the call from the officer at the roadside talking to Underwriters and the call from Underwriters to the Police compound. The fact that I have been able to search for and locate these calls proves to me that our call recording equipment was functioning correctly, certainly on the days in question, on the few occasions its not working the result is that you cannot locate any call recordings.
- I would confirm that the 2 calls I have provided to Simon and Lorraine are authentic and have come from KGM call recording systems. These 2 calls specifically are –
  - The call made to Underwriters by the Police officer on the 14/11/2013
  - The call made by Kelly Tiller to the Police compound on the 26/11/2013
- I would confirm that I was searching for and located these call recordings on the 23/1/2015.
- I would confirm that I e-mailed these call recordings across along with the Letter of Indemnity to Simon & Lorraine Cordell on the 30/1/2015.

Thank you for calling KGN accounts department to speak to an account handler please press 1

Female: Hello KGM

PC G: Hi there it is PC Geoghan from the Met Police I need to speak to someone about a policy of insurance a gentleman claims to have with you
Female: Okay if you hold the line, I will pass you through to our underwriting department **Carl KGM:** Good afternoon Carl speaking how can I help
PC G: Hi there it's PC Geoghan from the Metropolitan Police I've got a gentleman stopped and he has produced a certificate of insurance from KGM and I just wanted to clarify some of the limitation on the use.
Carl: Okay do you have a policy number
PC G: Yeah, I do it's MT3574694.
Carl: It's a Motor trade policy. Yeah, I might have to forward you to another Department
PC G: Yeah sure
Jessica: Hi you have been passed through to Jessica from KGM how I can help
PC G: I have a gentleman here who has been stopped with an insurance certificate issued by KGM. I've got a policy number and other details
Jessica: Okay I can see that from my screen
PC G: Basically it says motor trade and SDWP and use motor trade purposes- Looking at vehicle it's got a load of tools in and they appear to be workmen doing sort of work odd jobs here and there. Is that something motor trade would cover?
Jessica: No, he just covered for road trade, road risk only and SDWP and would not cover for any other occupation
PC G: Okay right, right. He's claimed he bought the vehicle today or yesterday and he's not able to produce any proof that he has done that
523,
Jessica: Rights
PC G: Em does he have to notify you of any vehicles
Jessica: When a client purchases a vehicle, they have 14 days to make us aware. If they didn't within 14 days they don't make us aware then they're not covered but anything like this happened we do need proof to show that he had only had it within the 14 days otherwise it would not cover it we need to obviously we would not ask for proof normally but say if he has like pulled over now we would ask because he could just say he bought it yesterday or a week ago and we would still cover him.
PC G So it definitely does not cover him on the if he literally going around with tools in the van doing jobs that is not something, he is covered for Jessica Certainly not
PC G: That's not something he is covered for
Jessica: No certainly not
PC G Can I just get your name obviously for my notes

Charlton Car pound - Car pound Metropolitan police service
James KMG: Yeah one second please. Okay I will just put you through
Kelly Tiller - Hello Kelly speaking
Gareth: Hello Kelly my name is Gareth, Manager of Charlton Car Pound Metropolitan Police Service I'm dealing with a Mr Simon Paul Cordell something about the tools in the back of his vehicle Kelly: Correct yeah
524,
Gareth: All I can do is I've looked at the seizure notice which would be given to Paul at the time and any property left was blank so if there was any tools in the back normally that would be registered as tools in the rear of the vehicle
Kelly: Right okay because we had a call from the police
Gareth: Yeah

Kelly: He advised that there were tools in the vehicle
Gareth: Do you want to speak to him a moment
Kelly: Who Sorry
Gareth: Paul because I have got him in front of me
Kelly: Yeah that's fine
SC Hello
Kelly: Hello
SC: You alright Kelly
Kelly: Okay what have they given you there
SC: They have not given me anything, but he did explain to you on the phone that threes' no tools on the vehicle on their CADs and in any case, they would write that down tools in the vehicle and so forth
Kelly: Right okay and has he gives you a printout of this.
SC: No you will have to ask him yourself
Kelly: Right can you pass me back to him
Gareth: Hello Kelly
Kelly: Hello, right okay so if there was any kind of tools in the vehicle it would be stated on there
Gareth: Well yeah what happens on the roadside a police officer will issue a seizure notice and he will say do you want to take any property out of the vehicle, normally they take satnavs, wallets, money whatever
Kelly: He could have taken the tools out of the vehicle
Gareth: Well I do not know I am not going to comment on that to be perfectly frank with you all I can do is comment on the paperwork that I see in front of me Right okay
Gareth: And there was nothing left in the vehicle
Kelly: At the time of when it come in but obviously Yeah
Kelly: He's had the opportunity to take items out of that vehicle
Gareth: But then it would have been mentioned that he had done that and there is nothing there saying that he had, and it would have also mentioned what was taken on the seizure notice yeah
Kelly: Is there any chance you can forward me a copy of this
Gareth: No we are not allowed to under the Police Act and God knows what else. All I
can confirm is what I have seen on the seizure notice
Kelly: Can you confirm that in an email to me please
Gareth: Right what you do
Kelly: I have already emailed yourselves and
Right
You've replied to say you would not have anything like that on record and I just need you to pop me over an email to say that
525,
Gareth: If you go to Charlton car Charlton documents and I can reply from there because
we have firewalls and God knows what else
Kelly: So you don't use the vcse one of whatever it is called
Gareth: No if you do charltondocuments@met.police.uk. What I am going to do I am going to bring up a copy of this seizure notice just double check that I have done everything right for you
Kelly: Are you a police officer
Gareth: No I work at the compound I am just one of the little plebs
Kelly: I have just forwarded you over a copy of the email and the reply that I got from the
vres Charlton@met.pnn.police.co.uk
Gareth: What I will do I can only go on what we have got here and I'm just bringing it up now if you bear with me. I am looking at the copy of
Kelly: Is that from a **PC G**eoghan
Gareth: Bear with me at the end of the day it is just a signature
Kelly: Oh alright okay
Gareth: All I can say is property left in the vehicle there is nothing in their Property removed from driver that is blank as well but obviously he did not remove anything else as that would have been registered
Kelly: Yeah
Gareth: He would have told the officer there's tools in there be careful as they're part of me trade
Kelly: Yeah
Gareth: Then that would have been registered they were within there. We take them out and put them into our property store for safe-keeping and then when he comes to collect them, they get given back then
Kelly: Right okay that fine it is just when we got a call from the officer when he has Mr Cordell at the road side he has advised us that he is carrying tools in his vehicle Gareth: Well I can't comment on that I can only go on the information

on that seizure notice and there was nothing been entered that the gentleman removed anything or there was anything left. That's all I can say

Kelly: That's fine no worries so if you can just reply to my email there and then that will be great. Thanks for your help.

This page consists of two pages and signed by me. It is true to the best of my knowledge and belief and I make it knowing that, if it is tendered evidence, I shall be liable to prosecution if I have wilfully stated anything in it that I know to be false, or do not believe to be true.

I work for KGM Motor Insurance, an Insurance Company based in London. I am an Operations Manager working for UK Specialty, Canopius. KGM is a member of the Canopius Group in the UK Specialty Division. I am responsible for managing the timely and accurate processing of all client records supplied to us via our Broker network.

Josephine Ward of Michael Carroll & Co (with Simon & Lorraine Cordell's permission) contacted me on the 8/2/2015 requesting a statement in respect of relevant recorded calls supplied plus a Letter of Indemnity pertaining to Mr Simone Cordell's policy number MT3574694. I understand the statement request is connected to an appeal against conviction for no insurance, Regina v. Simon Paul Cordell to be heard on the 5th March 2015 at Kingston Upon Thames Crown Court.

I would confirm that –

- The policy was incepted on the 23/2/2013 allowing Mr Simon Cordell only to drive at Comprehensive cover.
- The vehicles covered at inception were –
  - Ford Zetec registration MA57LDY.
  - Ford Transit registration CX52JRZ.
  - Use allowed was Social Domestic & Pleasure & or Motor Trade purposes only.

528,

I have become involved in this matter following receipt of a Data Subject Access request and a complaint letter from Simon and Lorraine Cordell. During the course of my investigations to establish all the facts before responding to the letter of complaint it has been necessary for me to obtain and listen to various phone calls between the client and Underwriters, the Broker and Underwriters, Underwriters and the Police compound and the original call from the officer at the roadside and Underwriters.

I feel I have now reached a good understanding of the sequence of events and as a result have provided both a Letter of Indemnity and 2 relevant call recordings to Lorraine and Simon Cordell to support their appeal.

Josephine Ward has requested that in addition to this I provide a section 9 statement and confirm the following points –

- I have been able to search and locate, I believe, all of the relevant call recordings connected to this matter. I have located in total 8 call recordings but have provided the 2 relevant calls being the call from the officer at the roadside talking to Underwriters and the call from Underwriters to the Police compound. The fact that I have been able to search for and locate these calls proves to me that our call recording equipment was functioning correctly, certainly on the days in question, on the few occasions its not working the result is that you cannot locate any call recordings.
- I would confirm that the 2 calls I have provided to Simon and Lorraine are authentic and have come from KGM call recording systems. These 2 calls specifically are –
  - The call made to Underwriters by the Police officer on the 14/11/2013
  - The call made by Kelly Tiller to the Police compound on the 26/11/2013
- I would confirm that I was searching for and located these call recordings on the 23/1/2015.
- I would confirm that I e-mailed these call recordings across along with the Letter of Indemnity to Simon & Lorraine Cordell on the 30/1/2015.

To whom it may concern:
I am writing this email due to the number of problems I have been having due to a policy of insurance I had with KGM insurance which did not show up on the MID database in the week it was fine as I carried my insurance documents with me at all times and the insurance company could be called, but the problems was when the insurance company was closed as the police could not contact them.
My mum Lorraine Cordell and I have sent many emails to the courts with my insurance documents, but there have been cases where I have not had a summons. So did not know about cases and they have been heard at court and I was found guilty of no insurance.
I have done statutory declarations at court including my insurance documents and this still has not corrected anything.
One of the statutory declarations was again heard at court on the 26/01/2015 which again I did not know about for Willesden Magistrates' Court. But I have sent so many emails to this court with all documents and asked for them to be checked with the police officer at court to show I was insured to drive. This has not been done I have just again been found guilty due to not getting letters of a court hearing date.
I have now also got a letter of Indemnity from KGM who I was insured with under policy number MT3574694. 00.01 AM on the 23/2/13 and was in force until Midnight on the 22/2/14 when it lapsed.
Most of the cases are with the KGM policy you will see the reason as to why in the Letter of Indemnity from KGM.
I also believe there was one case for Covea Insurance PLC policy number MT10 021608047 it was not showing on the MID due to the stop was the day after I took the policy out.
Please can any cases be set aside and reopened and looked into and any other cases that have been heard for no insurance under these policies of insurance be addressed.
You will in due cause be hearing from my solicitor, she is trying to address all the cases, but this is taking time. She has seen all the emails I have sent trying to address these issues and feels more should have been done as it would have only taken for the insurance policies to be checked and this would have stopped a waste of time and money for the courts, and myself at this time she wants to just appeal all cases to the crown court. which would again be a waste of money for the courts. and again of my time.
But this is having an effect on my life my driving licence has been revoked 3 times for no insurance, when in fact I have always had insurance to drive and would not drive if I did not have insurance.
Please see attached documents
Could you get back to me as soon as possible by way of email, as it does seem there is an issue with my post and not getting letters that was meant to be sent to me? I am taking this up with the royal mail.
Regards
Simon Cordell

Dear Mr Cordell

RE: Letter of Indemnity - Policy Number MT3574694

We would confirm that the policy above was incepted at 00.01 AM on the 23/2/13 and was in force until Midnight on the 22/2/14 when it lapsed.

The policy is a Road Risks Motor Trade only, cover was Comprehensive with the use permitted of Social Domestic and Pleasure and for Motor Trade purposes only. For clarity we would advise that Motor Trade Use would allow the carriage of tools required specifically for use in connection with Motor Trade activities.

Drivers under this policy were restricted to Mr Simon Cordell only.

The vehicles covered at inception of the policy were –

- Ford Zetec registration MA57LDY
- Ford Transit registration CX52JRZ

On the 8/4/13 at 11.05am the following vehicle was added to the policy –

- Renault Clio registration NA57LDY. We have since established that in fact Mr Cordell was trying to correct the registration of the Ford Zetec that his broker had incorrectly advised Underwriters was MA47LDY at policy inception. Unfortunately the broker compounded that error with these instructions as the registration number was still incorrect (NA57LDY) and on the wrong vehicle leading Underwriters to add this vehicle onto the policy in error. Eventually the correct registration of the Ford Zetec was noted.
- Please note that whilst the registration of the Ford Zetec was incorrect on the policy record and on the Motor Insurers Database for some time as a result of the above error, Underwriters would confirm that in the event of any incident Mr Cordell would have been fully indemnified subject to the terms of this policy.

We understand that Mr Cordell was subjected to a number of Police stops during the policy period whilst driving these vehicles. The stops were due to these vehicles not showing as insured on the Motor Insurers Database (MID). We would confirm that it's a requirement for Motor Insurers to upload details of all insured policies & vehicles to the MID, the targets set are 95% of policies to be on the MID within 14 days for Motor Trade policies and 95% of vehicles to be on the MID within 21 days for Motor Trade. Accordingly we can note that whilst this database is very effective, it's not real time and not 100% accurate.

We have carried out an investigation to understand why Mr Cordells vehicles were not on the MID leading to these Police stops. It has been established that there is a "bug" in our system when copying and pasting a registration with a space in it into the policy record, that results in an unsuccessful upload to the MID. It does not happen when we receive data electronically or when manually inputting data and was something we were unaware of until this case. We have of course changed our processes to prevent this occurring again.

The unfortunate outcome for Mr Cordell of course was that it appeared to the Police that he was driving uninsured and was subjected to unnecessary Police stops. This was not Mr Cordells fault in any way as he had a valid Insurance policy in force and was fully insured to drive these vehicles for the purposes permitted under this policy during the policy period.

As stated above this policy was in force from 00.01 AM on the 23/2/13 and was in force until Midnight on the 22/2/14. We have been asked to specifically confirm that it was in force on the 14/11/2013 for both the Ford Zetec registration MA57LDY and the Ford Transit registration CX52JRZ.

We trust this letter meets the requirements of the Police and the Courts. Should you require any further assistance please do not hesitate to contact us.

I have become involved in this matter following receipt of a Data Subject Access request and a complaint letter from Simon and Lorraine Cordell. During the course of my investigations to establish all the facts before responding to the letter of complaint it has been necessary for me to obtain and listen to various phone calls between the client and Underwriters, the Broker and Underwriters, Underwriters and the Police compound and the original call from the officer at the roadside and Underwriters.
I feel I have now reached a good understanding of the sequence of events and as a result have provided both a Letter of Indemnity and 2 relevant call recordings to Lorraine and Simon Cordell to support their appeal.
Josephine Ward has requested that in addition to this I provide a section 9 statement and confirm the following points -

3. I have been able to search and locate, I believe, all of the relevant call recordings connected to this matter. I have located in total 8 call recordings but have provided the 2 relevant calls being the call from the officer at the roadside talking to Underwriters and the call from Underwriters to the Police compound. The fact that I have been able to search for and locate these calls proves to me that our call recording equipment was functioning correctly, certainly on the days in question, on the few occasions it's not working the result is that you cannot locate any call recordings.
4. I would confirm that the 2 calls I have provided to Simon and Lorraine are authentic and have come from KGM call recording systems. These 2 calls specifically are -

- The call made to Underwriters by the Police officer on the 14/11/**2013**
- The call made by Kelly Tiller to the Police compound on the 26/11/**2013**

5. I would confirm that I was searching for and located these call recordings on the 23/1/**2015**
6. I would confirm that I e-mailed these call recordings across along with the Letter of Indemnity to Simon & Lorraine Cordell on the 30/1/**2015**.

data electronically or when manually inputting data and was something we were unaware of until this case. We have of course changed our processes to prevent this occurring again.

The unfortunate outcome for Mr Cordell of course was that it appeared to the Police that he was driving uninsured and was subjected to unnecessary Police stops. This was not Mr Cordell's fault in any way as he had a valid Insurance policy in force and was fully insured to drive these vehicles for the purposes permitted under this policy during the policy period.

We trust this letter meets the requirements of the Police and the Courts. Should you require any further assistance please do not hesitate to contact us.

Dear Sir,
Thank you for your email received 11 February. Unfortunately, you have contacted the DVA in Northern Ireland and we are unable to address the issue of your email. You should contact DVLA Swansea, and it is they who deal with driver licensing issues in the GB mainland.
You can contact them via the below link:

I am writing this email due many problems I have been having been having with my driving licence. I have made many phone calls asking for full information to try and clear this mess up and I am not really getting any joy. My driving licence has been revoked 3 times due to mistakes at court no insurance. The issue is with no insurance the time scale of this would cover the years **2013** to date. I do need this information as soon as possible to any cases that are on my licence, and also that have been removed from my licence by the court within this time scale. I am addressing these issues but there are cases I am not aware of which DVLA does hold. This is why I need this information so I can contact the courts that need to be contacted. If there is a fee for this service, please let me know by return email. I do not have time to post letters and then have to wait which I am being told on the phone; this is having a huge effect on my life which maybe you can understand. Please could this be addressed as a matter of urgency?

1. APPEAL AGAINST CONVICTION NO INSURANCE
I need to draft a section 9 statement re transcribing the recordings onto CD. I need to draft a section 9 statement for you also so that you can exhibit them. I will also need to obtain a copy of the Legal Adviser's notes re what was recorded as part of PC Geoghan's evidence. I need to obtain copies of the officer's pocketbook also. Can you access your email from my office in terms of files as emails will have to be printed off? A bundle will have to be prepared for the CPS and the Crown Court. What is your availability 16th or 17th February **2015**? I am flying home the next two weekends. I am then on duty quite a lot and will have murder case papers served so I will be hectically busy.
2. APPEAL AGAINST CONVICTION / SET ASIDE CONVICTION FOR 26.01.**2015**
Again, Lorraine it will take 1 2 hours to go through this, but I will need access to emails sent and received etc. I await hearing from you.

Hi Josey
1. APPEAL AGAINST CONVICTION NO INSURANCE
I think the 17th will be fine just give me a time. Not sure what you mean below about the CD should I burn a copy off and bring them with me to the office or do they need to be burned off at the office. I can access emails that are being sent to me from the office if I make sure I close outlook on my computer, but would have no access to the emails that are already in outlook as these have been directly downloaded to outlook from the virgin media server and I have that setup to del once they have been downloaded. Is it you who needs to ask for the Legal Adviser's notes re what was recorded as part of PC Geoghan's?
evidence and his officer's pocketbook or me?
2. APPEAL AGAINST CONVICTION / SET ASIDE CONVICTION FOR 26.01.**2015**
On the 2nd part as I have already taken my emails to outlook, they are not on a server so the only way to access them is from my computer.

1. APPEAL AGAINST CONVICTION NO INSURANCE
I need to draft a section 9 statement re transcribing the recordings onto CD. I need to draft a section 9 statement for you also so that you can exhibit them. I will also need to obtain a copy of the Legal Adviser's notes re what was recorded as part of PC Geoghan's evidence. I need to obtain copies of the officer's pocketbook also. Can you access your email from my office in terms of files as emails will have to be printed off? A bundle will have to be prepared for the CPS and the Crown Court. What is your availability 16th or 17th February **2015**? I am flying home the next two weekends. I am then on duty quite a lot and will have murder case papers served so I will be hectically busy.
2. APPEAL AGAINST CONVICTION / SET ASIDE CONVICTION FOR 26.01.**2015**
Again, Lorraine it will take 1 2 hours to go through this, but I will need access to emails sent and received etc. I await hearing from you.

Can you transfer all from server onto a USB as this may be the easiest way of accessing the data? I suggested my office so that everything can be printed off and put in bundles and scanned and sent in the DX. Re the discs you can burn off and exhibit, but I will deal with this in your section 9 statement. I will have to request the data from the court re the trial notes so all I will need is the date of conviction and the appeal date and I will send that email off in the next ten minutes. I need these for two reasons
(a) accurate transcript of what was said for the appeal hearing in Kingston Upon Thames
(b) for when the formal complaint to the IPCC is made.
I am snowed under at the moment to please keep Monday appointment if you can and likewise, I hope that I do not have to rearrange. Can you confirm with Simon whether he wants to apply to set aside the conviction which is the correct way to go about it? Time runs from date of conviction so 21 days so lodge appeal against conviction as I believe only a Crown Court Judge can sort out the licence being revoked. You also mentioned that there was another court in East London or South East London can you bring whatever you need doing on that also.

Hi Josey
The dates of conviction were the 26/11/**2014** Wimbledon magistrate's court. Appeal date is 05/03/**2015** at 10:00 at Kingston Upon Thames Crown Court I will try and put emails to something and bring them to the office do you need all the ones for all the driving with no insurance of just the ones for the appeal?
The complaints started on the phone to the police on the day this happened which was the 14/11/**2013** I am sure I have the person's name here in my files I will try and find the name of the officer who was dealing with this matter on the phone calls as she called me back a number of times. But I wrote to the IPCC on their form from their website on the 03/12/**2013**, I got the reply email for that form on 03/12/**2013** at 13:30 please see attached email. But this will need to be updated now due to what has happened in this case with the police officer. Please also see attached Peter Wood Statement. I will bring all emails I can what I can do is export the emails to PDF like the one I have done in the attached from the IPCC then put them to disc as there is a real lot of emails and in outlook just saving them does not save them with all details. so, as a rule I export to PDF. is this ok?

Dear All,
Please could you kindly assist Lorraine Cordell on behalf of her son Simon Cordell. They believe that a number of summons have been issued against Simon for the offence of no insurance since **2013** due to an error made by the insurance company as per the attached letter. Unfortunately, due to Simon not always receiving the summons/adjournment notice they are unsure how many cases have been issued against him and are trying to get them all reopened and listed before court to be heard together in light of the above. Please would you be able to check your database and confirm to the email address below the number of cases with reference number, court and conviction date. I have also spoken to her on the phone and informed Lorraine that she will need to contact the court directly to make application to reopen/stat decs, which she can only do so once the information has been obtained. The only matter the cps are currently aware of is for the case ref J63181495 which is listed for appeal at Kingston Crown Court 05/03/15. If you are unable to advise her on summons that have been issued on her son, please could you kindly advise her where she could obtain the information.

Subject: RE: Simon Cordell
To whom it may concern:
I am writing this email due to the number of problems I have been having due to a policy of insurance I had with KGM insurance which did not show up on the MID database in the week it was fine as I carried my insurance documents with me at all times and the insurance company could be called, but the problems were when the insurance company was closed as the police could not contact them. My mum Lorraine Cordell and I have sent many emails to the courts with my insurance documents, but there have been cases where I have not had a summons. So did not know about cases and they have been heard at court and I was found guilty of no insurance. I have done statutory declarations at court including my insurance documents and this still has not corrected anything. One of the statutory declarations was again heard at court on the 26/01/**2015** which again I did not know about for Willesden Magistrates' Court. But I have sent so many emails to this court with all documents and asked for them to be checked with the police officer at court to show I was insured to drive. This has not been done I have just again been found guilty due to not getting letters of a court hearing date. I have now also got a letter of Indemnity from KGM who I was insured with under policy number MT3574694. 00.01 AM on the 23/2/13 and was in force until Midnight on the 22/2/14 when it lapsed. Most of the cases are with the KGM policy you will see the reason as to why in the Letter of Indemnity from KGM. I also believe there was one case for Covea Insurance PLC policy number MT10 021608047 it was not showing on the MID due to the stop was the day after I took the policy out. Please can any cases be set aside and reopened and looked into and any other cases that have been heard for no insurance under these policies of insurance be addressed. You will in due cause be hearing from my solicitor, she is trying to address all the cases, but this is taking time. She has seen all the emails I have sent trying to address these issues and feels more should have been done as it would have only taken for the insurance policies to be checked and this would have stopped a waste of time and money for the courts, and myself at this time she wants to just appeal all cases to the crown court. which would again be a waste of money for the courts. and again, of my time. But this is having an effect on my life my driving licence has been revoked 3 times for no insurance, when in fact I have always had insurance to drive and would not drive if I did not have insurance. Please see attached documents Could you get back to me as soon as possible by way of email, as it does seem there is an issue with my post and not getting letters that was meant to be sent to me? I am taking this up with the royal mail.

Simon Cordell

Just focus on this appeal to Kingston Upon Thames and the appeal against conviction from 26th January **2015**. Can you get Simon to sign this and I will add the particulars to the appeal together with a chronology? I do not need the complaint emails yet just straightforward emails to and from court save to USB. Also emails to and from Peter Wood save to USB so I can out together a bundle.
Thanks

Can you transfer all from server onto a USB as this may be the easiest way of accessing the data? I suggested my office so that everything can be printed off and put in bundles and scanned and sent in the DX. Re the discs you can burn off and exhibit, but I will deal with this in your section 9 statement. I will have to request the data from the court re the trial notes so all I will need is the date of conviction and the appeal date and I will send that email off in the next ten minutes. I need these for two reasons
(a) accurate transcript of what was said for the appeal hearing in Kingston Upon Thames
(b) for when the formal complaint to the IPCC is made.

Dear All,
Please could you kindly assist Lorraine Cordell on behalf of her son Simon Cordell. They believe that a number of summons have been issued against Simon for the offence of no insurance since 2013 due to an error made by the insurance company as per the attached letter. Unfortunately due to Simon not always receiving the summons/adjournment notice they are unsure how many cases have been issued against him and are trying to get them all reopened and listed before court to be heard together in light of the above. Please would you be able to check your database and confirm to the email address below the number of cases with reference number, court, and conviction date. I have also spoken to her on the phone and informed Lorraine that she will need to contact the court directly to make application to reopen/stat decs, which she can only do so once the information has been obtained.
The only matter the cps are currently aware of is for the case ref J63181495 which is listed for appeal at Kingston Crown Court 05/03/15.
If you are unable to advise her on summons that have been issued on her son, please could you kindly advise her where she could obtain the information.
Kind Regards,
Emma O'Sullivan

Subject: RE: Simon Cordell
To whom it may concern:
I am writing this email due to the number of problems I have been having due to a policy of insurance I had with KGM insurance which did not show up on the MID database in the week it was fine as I carried my insurance documents with me at all times and the insurance company could be called, but the problems was when the insurance company was closed as the police could not contact them.
My mum Lorraine Cordell and I have sent many emails to the courts with my insurance documents, but there have been cases where I have not had a summons. So did not know about cases and they have been heard at court and I was found guilty of no insurance.
I have done statutory declarations at court including my insurance documents and this still has not corrected anything. One of the statutory declarations was again heard at court on the 26/01/2015 which again I did not know about for Willesden Magistrates' Court. But I have sent so many emails to this court with all documents and asked for them to be checked with the police officer at court to show I was insured to drive. This has not been done I have just again been found guilty due to not getting letters of a court hearing date.
I have now also got a letter of Indemnity from KGM who I was insured with under policy number MT3574694. 00.01 AM on the 23/2/13 and was in force until Midnight on the 22/2/14 when it lapsed.
Most of the cases are with the KGM policy you will see the reason as to why in the Letter of Indemnity from KGM.
I also believe there was one case for Covea Insurance PLC policy number MT10 021608047 it was not showing on the MID due to the stop was the day after I took the policy out.
Please can any cases be set aside and reopened and looked into and any other cases that have been heard for no insurance under these policies of insurance be addressed.
You will in due cause be hearing from my solicitor, she is trying to address all the cases, but this is taking time. She has seen all the emails I have sent trying to address these issues and feels more should have been done as it would have only taken for the insurance policies to be checked and this would have stopped a waste of time and money for the courts, and myself at this time she wants to just appeal all cases to the crown court. which would again be a waste of money for the courts. and again of my time.
But this is having an effect on my life my driving licence has been revoked 3 times for no insurance, when in fact I have always had insurance to drive and would not drive if I did not have insurance.
Please see attached documents
Could you get back to me as soon as possible by way of email, as it does seem there is an issue with my post and not getting letters that was meant to be sent to me? I am taking this up with the royal mail.
Regards
Simon Cordell

Subject: Appeal against conviction for no insurance Regina v. Simon Paul Cordell on 5th March 2015 at Kingston Upon Thames Crown Court
Dear Mr Wood
I have been instructed by Mr Simon Paul Cordell and Miss Lorraine Cordell to assist in the appeal against conviction that is due to be heard at Kingston Upon Thames Crown Court on 5th March 2015 at 10am.
Miss Cordell has played two recordings that she received from KGM which are pertinent to the appeal but at present as the telephone recordings have not been produced as an exhibit by KGM they will not be admissible at court.
Can you therefore please write a section 9 statement confirming that:
- all recording equipment was working correctly
- KGM produced two recordings at the request of Ms Lorraine Cordell
- Confirmation that the recording of S Cordell call from police 141113 Recording was provided by KGM from their recorded calls and is authentic
- Confirmation that the recording between the Car Pound and Kelly Tiller was also provided from the KGM recorded calls and is authentic

If we are in possession of a section 9 statement producing the recordings, then we will not have to apply to the court for a Third-Party Summons to compel an employee from KGM to attend to produce the recordings. This would be a complete waste of your
552,
time when all we require is a section 9 attesting to the recordings being retrieved from the system and exhibited as two separate recordings.
If you require assistance with drafting a section 9 statement, then we would be happy to draft it and email it over. We would require the name of the person who retrieved the recordings. the dates that the recordings were retrieved, the dates the recordings relate to, confirmation that the recordings were sent to Lorraine Cordell by email so that she can produce CD's of the recordings so that they can be played in court and specifically refer to the email containing the recordings so that there is continuity in the chain of evidence. Ideally, we would like KGM to produce the CD's and exhibit them but failing this we will try to get the CPS to agree the CD's as produced from the email of Miss Cordell. We stress that the section in relation to the search and retrieval of the KGM database is essential and critical to ensuring that the chain of evidence is intact.
We can serve these recordings on the CPS and the Court so that they are agreed in advance of the Appeal hearing.
We thank you in advance for your anticipated co-operation in this matter and hope that we do not have to apply for a Third-party Witness Summons to compel the attendance of a KGM employee at the Appeal on the 5th March 2015.
We confirm that Miss Cordell is forwarding an email confirming that we are instructed and authorised to request this information.
Yours faithfully
MICHAEL CARROLL & CO.

I have become involved in this matter following receipt of a Data Subject Access request and a complaint letter from Simon and Lorraine Cordell. During the course of my investigations to establish all the facts before responding to the letter of complaint it has been necessary for me to obtain and listen to various phone calls between the client and Underwriters, the Broker and Underwriters, Underwriters and the Police compound and the original call from the officer at the roadside and Underwriters.

I feel I have now reached a good understanding of the sequence of events and as a result have provided both a Letter of Indemnity and 2 relevant call recordings to Lorraine and Simon Cordell to support their appeal.

Josephine Ward has requested that in addition to this I provide a section 9 statement and confirm the following points –

- I have been able to search and locate, I believe, all of the relevant call recordings connected to this matter. I have located in total 8 call recordings but have provided the 2 relevant calls being the call from the officer at the roadside talking to Underwriters and the call from Underwriters to the Police compound. The fact that I have been able to search for and locate these calls proves to me that our call recording equipment was functioning correctly, certainly on the days in question, on the few occasions its not working the result is that you cannot locate any call recordings.
- I would confirm that the 2 calls I have provided to Simon and Lorraine are authentic and have come from KGM call recording systems. These 2 calls specifically are –
  - The call made to Underwriters by the Police officer on the 14/11/2013
  - The call made by Kelly Tiller to the Police compound on the 26/11/2013
- I would confirm that I was searching for and located these call recordings on the 23/1/2015.
- I would confirm that I e-mailed these call recordings across along with the Letter of Indemnity to Simon & Lorraine Cordell on the 30/1/2015.

Hi Josey
The dates of conviction were the 26/11/2014 Wimbledon magistrate's court.
Appeal date is 05/03/2015 at 10:00 at Kingston Upon Thames Crown Court
I will try and put emails to something and bring them to the office do you need all the ones for all the driving with no insurance of just the ones for the appeal?
The complaints started on the phone to the police on the day this happened which was the 14/11/2013 I am sure I have the person's name here in my files I will try and find the name of the officer who was dealing with this matter on the phone calls as she called me back a number of times..
But I wrote to the IPCC on their form from there website on the 03/12/2013, I got the reply email for that form on 03/12/2013 at 13:30 please see attached email. But this will need to be updated now due to what has happened in this case with the police officer.
Please also see attached Peter Wood Statement.
I will bring all emails I can what I can do is export the emails to PDF like the one I have done in the attached from the IPCC then put them to disc as there is a real lot of emails and in outlook just saving them does not save them with all details. so, as a rule I export to PDF. is this ok?

Lorraine

Can you transfer all from server onto a USB as this may be the easiest way of accessing the data. I suggested my office so that everything can be printed off and put in bundles and scanned and sent in the DX. Re the discs you can burn off and exhibit, but I will deal with this in your section 9 statement.
I will have to request the data from the court re the trial notes so all I will need is the date of conviction and the appeal date and I will send that email off in the next ten minutes. I need these for two reasons (a) accurate transcript of what was said for the appeal hearing in Kingston Upon Thames (b) for when the formal complaint to the IPCC is made.
I am snowed under at the moment to please keep Monday appointment if you can and likewise, I hope that I do not have to rearrange.
Can you confirm with Simon whether he wants to apply to set aside the conviction which is the correct way to go about it. Time runs from date of conviction so 21 days so lodge appeal against conviction as I believe only a Crown Court Judge can sort out the licence being revoked.
557,
You also mentioned that there was another court in East London or South East London can you bring whatever you need doing on that also.
Regards
Josephine

Not sure what you mean below about the CD should I burn a copy off and bring them with me to the office or do they need to be burned off at the office.
I can access emails that are being sent to me from the office if I make sure I close outlook on my computer, but would have no access to the emails that are already in outlook as these have been directly downloaded to outlook from the virgin media server and I have that setup to del once they have been downloaded.
Is it you who needs to ask for the Legal Adviser's notes re what was recorded as part of **PC Geoghan's** evidence and his officer's pocketbook or me?
- **APPEAL AGAINST CONVICTION / SET ASIDE CONVICTION FOR 26.01.2015**
On the 2nd part as I have already taken my emails to outlook, they are not on a server so the only way to access them is from my computer.

1. APPEAL AGAINST CONVICTION - NO INSURANCE
I need to draft a section 9 statement re transcribing the recordings onto CD. I need to draft a section 9 statement for you also so that you can exhibit them. I will also need to obtain a copy of the Legal Adviser's notes re what was recorded as part of **PC Geoghan's** evidence. I need to obtain copies of the officer's pocketbook also.
Can you access your email from my office in terms of files as emails will have to be printed off? A bundle will have to be prepared for the CPS and the Crown Court.
What is your availability 16th or 17th February 2015. I am flying home the next two weekends. I am then on duty quite a lot and will have murder case papers served so I will be hectically busy.
2. APPEAL AGAINST CONVICTION / SET ASIDE CONVICTION FOR 26.01.2015
558,
Again, Lorraine it will take 1 -2 hours to go through this, but I will need access to emails sent and received etc. I await hearing from you.

Josephine Ward of Michael Carroll & Co (with Simon & Lorraine Cordell's permission) contacted me on the 8/2/2015 requesting a statement in respect of relevant recorded calls supplied plus a Letter of Indemnity pertaining to Mr Simone Cordell's policy number MT3574694. I have become involved in this matter following receipt of a Data Subject Access request and a complaint letter from Simon and Lorraine Cordell. During the course of my investigations to establish all the facts before responding to the letter of complaint it has been necessary for me to obtain and listen to various phone calls between the client and Underwriters, the Broker and Underwriters, Underwriters and the Police compound and the original call from the officer at the roadside and Underwriters.

I feel I have now reached a good understanding of the sequence of events and as a result have provided both a Letter of Indemnity and 2 relevant call recordings to Lorraine and Simon Cordell to support their appeal.

Josephine Ward has requested that in addition to this I provide a section 9 statement and confirm the following points –

- I have been able to search and locate, I believe, all of the relevant call recordings connected to this matter. I have located in total 8 call recordings but have provided the 2 relevant calls being the call from the officer at the roadside talking to Underwriters and the call from Underwriters to the Police compound. The fact that I have been able to search for and locate these calls proves to me that our call recording equipment was functioning correctly, certainly on the days in question, on the few occasions its not working the result is that you cannot locate any call recordings.
- I would confirm that the 2 calls I have provided to Simon and Lorraine are authentic and have come from KGM call recording systems. These 2 calls specifically are –
  - The call made to Underwriters by the Police officer on the 14/11/2013
  - The call made by Kelly Tiller to the Police compound on the 26/11/2013
- I would confirm that I was searching for and located these call recordings on the 23/1/2015.
- I would confirm that I e-mailed these call recordings across along with the Letter of Indemnity to Simon & Lorraine Cordell on the 30/1/2015.

To whom it my Concern:
Complaint
I am writing this email about the re the below email and also the attached file. I have been on incapacity/income support for many years now on the highest rate due to illness. In April **2013** council tax changed their rules and a 19.5% needed to be paid unless exempt from this change. As you will be aware the DWP has been in the process of changing everyone that was getting the old benefit incapacity benefit to the new benefit ESA, this should have all been completed by now, but due to things going wrong there is still people on incapacity that have not been moved over yet to the new Benefit ESA. I am one of these people, but once they move me over, I will be in the support group of ESAs. I have called the DWP many times and they cannot give me a timeline of the changeover. Under the new rules I would be exempt from the 19.5% council tax, it is not my fault the DWP are not working fast enough to move people over the new benefits. I would like to know the full policy for this and has this been taken into account when working out the new policies. Surely if my benefits are still under the old policy, I should still be exempt.

Simon Cordell

To Whom It May Concern:
Complaint
I am writing this email again due to a case being heard at court and me being found guilty. On the 26/01/**2015**
Case number: 011403134612, I believe the old case number was 011401596899. I have emailed the court many times due to this case I and in my emails attached my insurance documents. I Have done a statutory declaration which I included my insurance documents. I know my file must have had my insurance document within there as it was included in many emails to the court and asked for my emails and documents to be put on my file. I had no letters from the court to say a date of a hearing of the 26/01/**2015**, I have asked in emails that have been sent for any dates to be also copied

over to me by email, as there does seem to be an issue with my post. My mum Lorraine Cordell and I have asked in many emails and phone calls to the court for the police officer who checks documents to get him to check my documents which will confirm I am insured. None of this has been done and again I have been found guilty at court for no insurance when I was insured to drive. I am making this request to have my case listed in order that I can do the following.
1. Application to set aside the conviction
2. Reopen the case
My name**:** Mr Simon Paul Cordell
DOB: 26/01/1981.
Address: 109 Burncroft Av
Enfield
Middlesex
EN3 7JQ
I am including in this email
1. Letter of Indemnity from KGM.
2. Policy of insurance form KGM.
3. List of emails sent to Court.
4. Email dates Tue 10/02/**2015** 13:06 which I have not had a reply to as yet.
5. Appeal Form
1646,
Could you please get back to me today by return e**mail to**?
lorraine32@blueyonder.co.uk
as I would like to know what can be done about this case.
I have 21 days to appeal to the crown court and this date is running out very fast so I am also including the form so, I do not run out of time to appeal to the Crown Court as I feel I will run out of time in this matter. But feel it would be a waste of time and money for the court and me to address it this way and take it to appeal at the crown court. I am not sure what CPS dealt with this case and I do now that the appeal form needs to be addressed to them also, so I have included all that I know off. If I have not included the right Email for the CPS who dealt with this case can it be forwarded to them. Or could you please get back to me by email at
lorraine32@blueyonder.co.uk
and let me know the correct email address this needs to be sent to.
Regards
Simon Cordell

Dear All,

Please could you kindly assist Lorraine Cordell on behalf of her son Simon Cordell. They believe that a number of summons have been issued against Simon for the offence of no insurance since
2013
due to an error made by the insurance company as per the attached letter. Unfortunately, due to Simon not always receiving the summons/adjournment notice they are unsure how many cases have been issued against him and are trying to get them all reopened and listed before court to be heard together in light of the above. Please would you be able to check your database and confirm to the email address below the number of cases with reference number, court and conviction date. I have also spoken to her on the phone and informed Lorraine that she will need to contact the court directly to make application to reopen/stat Dec's, which she can only do so once the information has been obtained. The only matter the cps are currently aware of is for the case ref J63181495 which is listed for appeal at Kingston Crown Court
05/03/15.
If you are unable to advise her on summons that have been issued on her son, please could you kindly advise her where she could obtain the information.

I am writing this email due to the number of problems I have been having due to a policy of insurance I had with KGM insurance which did not show up on the MID database in the week it was fine as I carried my insurance documents with me at all times and the insurance company could be called, but the problems was when the insurance company was closed as the police could not contact them. My mum Lorraine Cordell and I have sent many emails to the courts with my insurance documents, but there have been cases where I have not had a summons. So did not know about cases and they have been heard at court and I was found guilty of no insurance. I have done statutory declarations at court including my insurance documents and this still has not corrected anything. One of the statutory declarations was again heard at court on the

But I have sent so many emails to this court with all documents and asked for them to be checked with the police officer at court to show I was insured to drive. This has not been done I have just again been found guilty due to not getting letters of a court hearing date. I have now also got a letter of Indemnity from KGM who I was insured with under policy number MT3574694. 00.01 AM on the

showing on the MID due to the stop was the day after I took the policy out. Please can any cases be set aside and reopened and looked into and any other cases that have been heard for no insurance under these policies of insurance be addressed. You will in due cause be hearing from my solicitor, she is trying to address all the cases, but this is taking time. She has seen all the emails I have sent trying to address these issues and feels more should have been done as it would have only taken for the insurance policies to be checked and this would have stopped a waste of time and money for the courts, and myself at this time she wants to just appeal all cases to the crown court. which would again be a waste of money for the courts. and again, of my time. But this is having an effect on my life my driving licence has been revoked 3 times for no insurance, when in fact I have always had insurance to drive and would not drive if I did not have insurance. Please see attached documents Could you get back to me as soon as possible by way of email, as it does seem there is an issue with my post and not getting letters that was meant to be sent to me?
I am taking this up with the royal mail.

To Whom It May Concern:
Complaint
I am writing this email again due to a case being heard at court and me being found guilty. On the 26/01/2015 Case number: 011403134612, I believe the old case number was 011401596899.
I have emailed the court many times due to this case I and in my emails attached my insurance documents.

I Have done a statutory declaration which I included my insurance documents.
I know my file must have had my insurance document within there as it was included in many emails to the court and asked for my emails and documents to be put on my file.
I had no letters from the court to say a date of a hearing of the 26/01/2015, I have asked in emails that have been sent for any dates to be also copied over to me by email, as there does seem to be an issue with my post.
My mum Lorraine Cordell and I have asked in many emails and phone calls to the court for the police officer who checks documents to get him to check my documents which will confirm I am insured.
None of this has been done and again I have been found guilty at court for no insurance when I was insured to drive.
I am making this request to have my case listed in order that I can do the following.
A. Application to set aside the conviction
B. Re-open the case
My name**:** Mr Simon Paul Cordell DOB: 26/01/1981.
Address: 109 Burncroft Av
Enfield
Middlesex
EN3 7JQ
I am including in this email
1. Letter of Indemnity from KGM.
2. Policy of insurance form KGM.
3. List of emails sent to Court.
4. Email dates Tue 10/02/2015 13:06 which I have not had a reply to as yet.

563,

- Appeal Form

Could you please get back to me today by return email to lorraine32@blueyonder.co.uk as I would like to know what can be done about this case?
I have 21 days to appeal to the crown court and this date is running out very fast so I am also including the form so I do not run out of time to appeal to the Crown Court as I feel I will run out of time in this matter. But feel it would be a waste of time and money for the court and me to address it this way and take it to appeal at the crown court.
I am not sure what CPS dealt with this case and I do now that the appeal form needs to be addressed to them also, so I have included all that I know off. If I have not included the right Email for the CPS who dealt with this case can it be forwarded to them. Or could you please get back to me by email at lorraine32@blueyonder.co.uk and let me know the correct email address this needs to be sent to.

Dear sir or Madam
I am writing this email due to the reply dated the 01/10/2014 I got in the post on 06/10/2014 about the email I sent to you on the 12/09/2014 please see below email dated 12/09/2014.
Above is a picture of the court processing.
I did not know about this not be there.
In the email dated the 12/09/2014, I asked for my case to be listed in order that I could do the following
Application to set aside the conviction
Re-open the case
The reason for this is because I have been wrongfully convicted as I did in fact have insurance. As shown in the attached file.

Please can you list my case in court so I can put the Application to set aside the conviction, Re-open the case that I reply where you say I have 21 days to file a statutory declaration due to me being unaware of court case. I have been wrongfully convicted and have points on my licence, which should

Dear All,
Please could you kindly assist Lorraine Cordell on behalf of her son Simon Cordell. They believe that a number of summons have been issued against Simon for the offence of no insurance since 2013 due to an error made by the insurance company as per the attached letter. Unfortunately, due to Simon not always receiving the summons/adjournment notice they are unsure how many cases have been issued against him and are trying to get them all reopened and listed before court to be heard together in light of the above. Please would you be able to check your database and confirm to the email address below the number of cases with reference number, court, and conviction date. I have also spoken to her on the phone and informed Lorraine that she will need to contact the court directly to make application to reopen/stat decs, which she can only do so once the information has been obtained.
The only matter the cps are currently aware of is for the case ref J63181495 which is listed for appeal at Kingston Crown Court 05/03/15.
If you are unable to advise her on summons that have been issued on her son, please could you kindly advise her where she could obtain the information.

To Whom It May Concern:
Complaint
I am writing this email again due to a case being heard at court and me being found guilty. On the 26/01/**2015** Case number: 011403134612, I believe the old case number was 011401596899. I have emailed the court many times due to this case I and in my emails attached my insurance documents. I Have done a statutory declaration which I included my insurance documents. I know my file must have had my insurance document within there as it was included in many emails to the court and asked for my emails and documents to be put on my file. I had no letters from the court to say a date of a hearing of the 26/01/**2015**, I have asked in emails that have been sent for any dates to be also copied over to me by email, as there does seem to be an issue with my post. My mum Lorraine Cordell and I have asked in many emails and phone calls to the court for the police officer who checks documents to get him to check my documents which will confirm I am insured. None of this has been done and again I have been found guilty at court for no insurance when I was insured to drive. I am making this request to have my case listed in order that I can do the following:
1. Application to set aside the conviction
2. Reopen the case
My name**:** Mr Simon Paul Cordell
DOB: 26/01/1981.
Address: 109 Burncroft Av
Enfield
Middlesex
EN3 7JQ
I am including in this email
1. Letter of Indemnity from KGM.
2. Policy of insurance form KGM.
3. List of emails sent to Court.
4. Email dates Tue 10/02/**2015** 13:06 which I have not had a reply to as yet.
5. Appeal Form
1666,
Could you please get back to me today by return email to lorraine32@blueyonder.co.uk as I would like to know what can be done about this case? I have 21 days to appeal to the crown court and this date is running out very fast so I am also including the form so I do not run out of time to appeal to the Crown Court as I feel I will run out of time in this matter. But feel it would be a waste of time and money for the court and me to address it this way and take it to appeal at the crown court. I am not sure what CPS dealt with this case and I do now that the appeal form needs to be addressed to them also, so I have included all that I know off. If I have not included the right Email for the CPS who dealt with this case can it be forwarded to them. Or could you please get back to me by email at
lorraine32@blueyonder.co.uk
and let me know the correct email address this needs to be sent to.

Simon Cordell

Hi Josey and Michael
Could you please send over the notes from yesterday meeting pls.?
Also, a list of what needs to be done. Simon is still dealing with some things and also, I have been. The PNC records have been dealt with and emails have been sent. We just now need to wait for Flo to deal with the email I sent over an email with what information needs to be asked for from the public order unit at Scotland Yard, from Val Tanner and DS Chapman or maybe a manager in the unit but I don't have any other names from this unit but the 2 I have given. Simon will be sending over a list of things later today or in the morning.

Dear Michael
Yes, it does, say that but I really don't know how you can read it the writing is horrible to understand lol
I am burning the copies of the CD's when Simon gets to the office can you please check them that they play I don't know what format the court uses.
I know Josey also needs these CDs also for the appeal on the 05/03/2015 at KINGSTON UPON THAMES CROWN COURT, should I wait to do the 2nd copy to make sure they play at the office I know they play in my computer CD,
Also, she will need some of the paperwork Simon will be bringing with him to the office today.
Can you also let me know about the statement from Moses is that good enough I had to make the format up you made for Simon statement and send it to him, so he knew how to write it. like the top section of the statement. if you understand that he is working so finding it very hard to get down here but will attend court I just have to give him a few days' notice to which day he will be needed for.
I am also trying to get hold of the court to see about the letter for his PNC record to see if any work has been done on it.

It would be ideal if we could have a letter from Every Decibel Matters Ltd confirming Simon Cordell is not an employee/shareholder/director or has any controlling interest in the company. Can this be arranged? It would have to be on company letterhead.

I know Josey also needs these CDs also for the appeal on the 05/03/**2015** at **KINGSTON UPON THAMES CROWN COURT,** should I wait to do the 2nd copy to make sure they play at the office I know they play in my computer CD, Also, she will need some of the paper work Simon will be bringing with him to the office today. Can you also let me know about the statement from Moses is that good enough I had to make the format up you made for Simon statement and send it to him so he knew how to write it? like the top section of the statement. if you understand that he is working so finding it very hard to get down here, but will attend court I just have to give him a few days' notice to which day he will be needed for. I am also trying to get hold of the court to see about the letter for his PNC record to see if any work has been done on it.

STATEMENT OF WITNESS
(C.J. Act 1967, S2,9. M.C. Rules 1968 R58)
STATEMENT OF: Simon Cordell AGE OF WITNESS (if over 21): 34 OCCUPATION OF WITNESS: Unemployed ADDRESS: 109 Burncroft Avenue, Enfield, Middlesex, EN3 7JQ TELEPHONE:
This statement consisting of 7 page(s) each signed by me, is true to the best of my knowledge and belief and I make it knowing that, if it is tendered in evidence, I shall be liable to prosecution if I have wilfully stated in it anything which I know to be false or do not believe to be true.

I am Simon Cordell; my date of birth is 26th January 1981. My home address is as stated above. I am making this witness statement in response to members of the police and local authority's application for an anti-social behaviour order.
I am currently in the process of trying to establish my company. I have not yet incorporated it; however, I am currently working on having it registered as a company. I am aiming to have it registered as a limited company with charitable status within the articles of the memorandum of association. I have become a member at general meetings held at my local community hall in turn taking part in the daily challenges a community hall can be presented with. This has introduced me to various people who have helped me with good advice.
I have always wanted to give something back to the community. I have established my web site with a lot of help of others and have now

"parked" my company, and I exhibit proof of this of this as SC/1. The company is not yet trading, but I aim to trade soon.
I was placed in the care system as a child, and I try to help vulnerable people. I know what it is like to have to fend for yourself. I exhibit letters of proof that I have helped homeless people as exhibit SC/2.
Signed

2,

I believe that this application is an attempt by members of the police and local Authority to find me guilty of offences I have not committed in turn having an effect on my health and stopping me from developing my company, and it is not acceptable or reasonable. I am in the process of developing a business plan for a festival at Barley lands in Essex. I had planned to have this event in **2014**, however, the stress of the ongoing ASBO proceedings have stopped me from putting this festival on. I exhibit a draft business plan as exhibit SC/3, and a business submission form for a community festival as exhibit SC/4.
I was once arrested by members of the police outside White Sands Nightclub on 14th November **2013** at Brixton Hill and I had my van seized. The reason given for stopping me was that I had "tools of the trade" in my van and my insurance did not cover driving a vehicle on this basis. My vehicle was seized as it was alleged that I did not have insurance. I was actually insured at the time, and there were no tools in my van. I exhibit proof of my insurance as exhibit SC/4. A police officer gave incorrect evidence in court that he had not taken my vehicle because there were tools in it; however, he had made an inconsistent statement previously saying that there were tools in the van. I exhibit proof of this incident as exhibits SC/5, a witness statement authenticating the sound recordings I have submitted, exhibit SC/6, transcripts of sound recordings of conversations with police personnel and my insurance company, and exhibit SC/7, a sound recording of a phone call from a police officer to my insurance company, and exhibit SC/8, a further sound recording of a phone call between the insurance company and the police car pound. I was convicted of driving without insurance on the basis of his evidence. I am appealing against conviction on the basis that the police officer gave incorrect evidence to court. My insurance company has provided me with a letter of indemnity and witness statement in this respect; however, I am currently banned from driving as a result of the officer's incorrect evidence. I exhibit the clerk's notes from the Magistrates Court trial verifying that the police officer told the court that my Van had not been seized because of there being tools in the Van, and a covering email from Lavender Hill Magistrates Court, as exhibit SC/9, and I exhibit proof that I am currently banned from driving as exhibit SC/10. I had a legitimate reason for being at White Sands Nightclub as I was discussing becoming entertainment manager for White Sands Nightclub; I was going to see a friend about the possibility of a job interview. My van was empty on the date in question.
I accept that I own entertainment equipment. I have acquired these for my company. I am trying to build a company, and the aim was to rent the equipment out to people. I have prepared draft terms and conditions of business that I exhibit as SC/11. I was trying to hire the equipment out to conferences, school fates, local community events, private birthday parties until the stress became too

much. I would hire the equipment out to private parties, and to people who could provide me with sufficient identification, and who could cover any damage to the equipment.
I have worked and attempted to work with charitable organizations, in particular Muswell Hill festival helping kids with cerebral palsy, as well as the local scouts Ponders End festival, Lock to Lock festival, Enfield Town Festival, Durant's Park Festival. I am a member on the committee at my local community hall, I have also been working alongside D.E.M.S event management service's in aid of Bliss who are a charity that helps premature babies. I have been building strong relationships with a view to developing a running business helping make a positive effect of today's people and society. I exhibit proof of my business relationship with D.E.M.S as exhibit SC/12. I am very concerned that this application is damaging my attempts to build a legitimate business by way of darkening my name and company brand. I had arranged a community charity children's fashion show fundraiser, and I exhibit proof of this in the form of tickets that had been printed for the event as exhibit SC/13. However, this event did not go ahead as planned as the stress of these ongoing proceedings meant I could not take part in it.
I am currently signed off from work due to problems that I am having. I exhibit proof of this in the form of my doctor's authorisation as exhibit SC/14. These proceedings have taken a large part in the deterioration of my health, by way of the stress caused.
I will now comment on the incidents that I am alleged to have been involved in and that form the substance of the complaint that has been laid against me.
I am alleged to have been involved in the organisation of and/or supplied equipment for and/or attended an illegal rave at Canary Wharf on 12th January **2013**. I accept having attended a private party on this date I had been invited to; I did not organise any event on the 12th January **2013**, and I did not hire out or lend any sound equipment or encourage anybody else to do so. I arrived at the occupied building at about 10 or 11pm. I was there for about 3 hours, and then I was attacked by an occupier of the building and I was hospitalised. I was taken to hospital at about 2am. I do not know what happened after I left, but I was not involved in organising any event and I did not rent or lend out any sound equipment in respect of this. I exhibit proof that I was hospitalised as exhibit SC/15. I also dispute that I have any criminal convictions for Class A drugs or for supplying any drugs. I did not cause any Anti-Social Behaviour on the 12th January **2013**.
On the 7th April **2013**, I was going out with my friends and I had some off-road bikes in the back of my van. I was looking forward to this day, and it had been arranged for a Sunday. We were waiting

at Ellesmore Road when the police stopped my van outside my friends. Ellesmore Road is a house on a housing estate. I do not see how this is relevant to proceedings for an anti-social behaviour order; in addition, the prosecution offered no evidence in respect of the charges that were brought even though they were reliant on police witnesses. I had been wrongfully arrested for not having insurance when I was insured to drive. I did not cause any Anti-Social Behaviour on the
07th April 2013.
It is alleged that I was looking for venues in which illegal raves could be held on 24th May **2013**. I dispute this. I had been contacted by a friend called Joshua who was living at 204 High Street Ponders End EN3 4EZ known as the Old Police Station at Ponders End. As I was driving towards 204 High Street I was stopped by members of the police. I consented to

having my person and my car searched; however, I had not done anything wrong and nothing was found. I dispute making any comments about being able to attract people to illegal raves and illegal 3-day events. I did not cause any Anti-Social Behaviour on the 24th May **2013**

In respect of evidence raised concerning an event at Hyde Park on 20th April **2014**; I was hired by norml-co.uk to attend the event. I was told it was legal, and I was hired on a dry hire basis. I was doing the job on a 'no profit' basis, and this was because the person who hired me had been let down by someone else. Members of the police told me at the event that I had not been hired by the organisers of the event, and that I was not supposed to be there. I had been hired by norml- co.uk, and I had been told that this was a licensed event. I took the police at their word, and I did not use my equipment on that day. I exhibit proof that I was hired as exhibit SC/16 I did not cause any Anti-Social Behaviour on the 20th April **2014**.

In respect of my presence at Unit 5 St George's Industrial Estate, White Hart Lane on 25th May

7. I attended a commercial building that the occupiers were residing in having displayed s144 LASPO notices and in turn treating the premises as their home. There was no music played. I was not involved in the organisation of an illegal rave of any sort. I did drive there in my van VRM CX52JRZ, and I accept that I had 2 speakers in the van; however, I did not have a full sound system with me. I was using my van for storage. I had my van searched by members of the police, nothing was seized, and I went home I did not cause any anti-social behaviour on the 25th May **2014**.

In respect of the 6th June **2014** at an occupied Warehouse on Progress Way in Enfield; I do not accept that I was present at this warehouse on that date. I was with a friend at my house on this date and attended my mother's house Lorraine Cordell my sister was present D Benjamin and Signed

family friend Jamie Duffy who has housing difficulty's and lives at all my family's addresses and helps out where needed due to health problems my family has.

In respect of the 7th June **2014** at a Warehouse on Progress Way in Enfield; I had been having a family drink in the pub/hall with my cousin D Edwards his leaving party went from the 07/06/**2014** till the early hours on the 08/06/**2014**. I had arranged to drop a friend's locker keys off to him, I left the pub/hall to go and visit my friend who was residing at Progress Way. I accept that I was approached by members of the police, he asked me my name and my details, and I did not reply to him. He asked me to follow him back to where I had just come from, which was where my car was parked along the Great Cambridge Road. I did what he asked. I felt like I was being accused of organising a rave, which I had not done. I then waited in the petrol station a cross the road for my friend so that I could give him his locker keys back. I then left and went back home. I was not involved in organising any event at a Warehouse on Progress Way. At no point was any of my sound equipment used for this event or did I cause any anti-social behaviour on the 7th June **2014**.

I was not present at any event on Progress Way on the 8th June **2014**. I was at my mother's house with my mother, Lorraine Cordell and my Nan, Sister Deon Benjamin, and a family friend, Jamie Duffy.

On the 20th June **2014** I am alleged to have been involved in the organisation of and/or supplied equipment for and/or attended an illegal rave at 1 Falcon Park, Neasden Lane, NW10. I had been contacted and asked if I would hire a sound system out for a gentleman's birthday party. I agreed to do so, and the sound system and a van were collected from my

house. My terms and conditions were signed, and a deposit was given to me. I exhibit the terms and conditions and a copy invoice in respect of the transaction as exhibit SC/18. I received a phone call at 1am in the morning by a client who said that the sound system was being seized, and that the police were in attendance. I remember getting up and attending at around 1am to 2am. It took me 1 hour and 10 minutes to attend. I remember there being lots of members of the police present when approaching the address, I had been given. I parked my car and approached the police at the doors and spoke to the police officers I explained and showed the invoice and a copy of my terms and conditions of hire. I was allowed entry to pack the sound system away, and it was explained to me that it was being confiscated. I was allowed to collect the sound system from the police at a later date. I never returned the sound system to the client as he had breached my terms and conditions. I did not knowingly supply equipment for an illegal party. I did not cause any Anti-Social Behaviour on the 20th June **2014**

On 19th July **2014** I am alleged to have been involved in the organisation of and/or supplied equipment for and/or attended an illegal rave at the 198 Great Cambridge Road, Enfield Town, EN1 1UJ. This road is between my house and my mother's house, and it is the route that I usually drive when going to Mac Donald's.
I was passing what is known at the old Carpet right, 198 Great Cambridge Road when I saw a man who I know to be homeless being detained by the police. As I was travelling on the opposite side of the Great Cambridge Road, travelling from Lincoln Road, I had to turn around at the closest traffic lights next to the Odeon Cinema.
I noticed a car park a few premises before 198 Great Cambridge Road, a general car park opens to the general public and belonging to Magnet. I parked there as I could see that the police had blocked access to the car park belonging to 198 Great Cambridge Road. I locked my vehicle and walked up to where the police were detaining the person I knew. On doing so, a police officer approached me and told me I was under arrest for a possible breach of the peace. I was later released from police custody without any further action being taken. I was not involved in the organisation of any event on this day at 198 Great Cambridge Road, nor did I supply any equipment. I did not cause any Anti-Social Behaviour on the 19th July **2014**.
On the 24th July **2014** I am alleged to have admitted to police officers that I organized illegal raves. At about 16:30 I was driving down Alma Road. I use this road to travel between my mother's house and my flat as it is the shortest route between both. My Nan also lived just off Alma Road just before her recent death. On travelling from my mum's house on the 24th July **2014** after visiting my Nan and my mother due to my Nan's illness my Nan was staying at my mum's house. I was going home to my flat.
I used Alma Road as a route to travel as I often do. I noticed an unmarked police car as it was indicating to take a right turn, the opposite way from which I was travelling. I realized it was an unmarked police car as I had seen the driver on active duty in the local area. As I drove past it changed its indication to the way I was heading. It indicated left. The car followed me and then put on its blue lights. I pulled over to the left-hand side of the road, opposite the BMW repair centre along Alma Road. On the left-hand side of the pavement leading to the back entrance of Durant's Park a male officer got out of the passenger side and approached my driver's door. I opened my window to a little and asked why I had been pulled over. The police officer said he was not sure why, but his colleague had instructed him to do so. He then went back to his unmarked police car and

reproached my car window with his colleague the driver of the police car. I asked again why I had been pulled over, and the driver of the police car pulled out his truncheon and said I had to get out of my car, and that if I declined my window would be smashed. I got out of my vehicle as I did not have anything to hide, I had not committed any offence whatsoever, and I was not wanted. I was told I had been pulled over because I had driven too close to the car in-front of me. This car did not stop and had not been stopped by police. I was then accused of having drugs, and I was searched, and my vehicle

was searched and nothing was found. I was then asked by the police what I was up to. I said that I was setting up my catalogue that I had been building with a friend, and that my website was nearly completed. I said that I was trying to achieve positive effects within today's society with my business I was trying to build a brand. This was a Thursday at 16:30. Once the police had checked everything, they needed to we parted after I had shaken hands with them. I then made my way home. I did not cause any Anti-Social Behaviour on the 24th July **2014**
On 27th July **2014** in respect of an alleged rave on private land with a warehouse being occupied at the rear of Millmarsh Lane, Enfield. I am said to have been involved in the organisation of and/or supplied equipment for and or attended an illegal rave on this date. I attended a 20th birthday party at Millmarsh Lane, and I had dinner with people who were living there. I never knew of any event taking place on. I did not have any sound system on the premises. I understand that the sound system was moved at the request of police, the owners of the PA equipment was the occupiers, and I did not have any hand in this. I had been invited as a visitor. The occupants had placed LASPO notices on their premises. I did not own any of the sound equipment that was found there, and I did not rent or lend any sound equipment to anyone in respect of this occasion or take part in the organisation. I did not cause any Anti-Social Behaviour on the 27th July **2014**.
I am further alleged to have been involved in the organisation of and/or supplied equipment for and or attended an illegal rave on the 9th to 10th August **2014** at Millmarsh Lane. I dispute this. I was not involved in organising any rave, and I did not supply equipment. The police have alleged that this event was run by Every Decibel Matters. I can confirm that I am not an employee of this organisation, or a shareholder, or a director and have no controlling interest in this company. I exhibit a letter sent from Every Decibel Matters Ltd "to whom it may concern" verifying this, I exhibit this as exhibit SC/19. I had gone to have a birthday dinner, but I was not present at an illegal rave. Police came and requested that people leave and so I left. I did have a conversation with the police concerning three empty C02 gas canisters that I had in my vehicle, VRM MA57LDY. I did display knowledge of nitrous oxide, but this was just in a general conversation with the police as it is information I had to learn when carrying C02 cylinders for welding. I do remember talking to a police officer about an occupier I had met called Jena having passed her first aid test. This was general conversation. I dispute encouraging any crowd behind a gate to come in. I did not try to incite others to breach the peace, and I did not try to put anyone in danger.
I deny behaving in an anti-social manner on this date. I did not cause any Anti-Social Behaviour on the 9th 10th August **2014**.

I am Lorraine Cordell; my date of birth is 03/10/1963. My home address is as stated above. I am making this witness statement in response to the police and local authority's application for an anti-social behaviour order on Mr Simon Cordell. I am the mother of Simon Cordell.

I am writing this statement due to the situation my son Simon Cordell is faced with. Due to the police saying he is the person that is setting up raves on dates within this ASBO.

My son has had many problems with the police since a young age, this has not just stopped there as when the police see my son's friends they are pulled, not due to them doing anything wrong but just to talk about Simon and what he is doing. This has had a large effect on the whole family for many years. If the police saw my son Simon Cordell, they would pull him for no reason. I am not saying my son was innocent he does have a record. But the police have harnessed him since he was around 15 years old.

Many complaints have been put into the police and IPCC due to the police will not leave him alone when the police see him, they just have to pull him.

pulling him for no insurance. Then trying to void his insurance by saying there were tools in his Van when there was not this case is on appeal due to him being found guilty. I have been trying to get the records from his insurance company since this started in **2013**, it has taken me to put a complaint into the financial ombudsman, I have only just managed to obtain the prove that there was no tools in his van like the police officer said for the appeal case.
There is not just this case where he had problems with the police there was around 9 cases for the time frame of **2013** to **2014** when he was insured to drive.
On 25/06/**2013** my son was arrested at his home address. This case had a large impact on my son Simon Cordell heath, due to this his long team girlfriend ended their relationship due to the impact the police was having on their relationship.
My son new he had done nothing wrong, but he was remanded by the court on the 26th June **2013**.
On seeing my son's Simon Cordell PNC record which was sent to me on 26/06/**2013** at 20:34 via email from his solicitor I was shocked to see an error on there from many years before hand of failing to surrender which I believed had been corrected years before. This was one of the reasons for refusing him bail was the failing to surrender on his PNC.
His solicitor applied the court to get him released on bail at Southwark crown court the judge did release him on the 28/06/**2015** with 6 bail conditions.

Commit further offences whilst on bail Failure to surrender
I do have the decision letter from the judge if needed for the bail application.
And the memorandum of conviction from the case of Simon Cordell heard on 03.03.2008 at City of London Magistrate Court for failing to surrender, which showed the case was dismissed by the court due to my son proving he was in a bad accident and was in hospital.

I also noted there were more cases on his record that could be there in error so I contacted Highbury Corner Magistrates' Court who now deals with cases at Enfield Magistrates' Court this was on the 19 February **2014** via a phone call after speaking to someone at the court they asked me to send an email with all the dates and what was needed. I wrote the email and it was sent on the 19 February **2014** at 13:36 via email. It took until the 13/03**2014** to get the information I asked from by the court. I went to Enfield Magistrates' Court to collect the information and was told to be there by 16:00 to 16:30. Once I got to the court, I spoke to the lady who had been gathering the information I had asked for, her name was Benedicta Odjidja. She came out of the office to speak to me and to explain to me about cases that was not in the courts register. She had a print out which I asked for a copy and she give me one to show the cases that was not in the court register I have been trying to get these cases corrected on the PNC but due to family issues I have not had a lot of time and there is still cases I would like looked into at other courts. This information was given to Woolwich Crown Court and the Judge told the CPS to look into this and address it this has not been done.
On I believe the 01 July **2014** Simon was found not guilty by the judge before the case went to trial. Due to information I had obtained. On the 02/07/**2014** we made a call to the police to ask about getting my son's things back, to be told by the police officer in the case that the item they took from his home on the 25/06/**2013** that the police had used to link my son to the crime, the police had damaged it when taking it from his garden so it was destroyed a few months after the case had started I still to this day cannot understand how evidence can be destroyed before a case went for trial. The police office in change told my son he could not get it back due to this. there is also the fact in this case that the police let the person who claimed the burglary get away with insurance fraud, they pined everything on to Simon but new in the Feb **2013** police allowed people to walk out with loads of things.

On the 10/04/**2014** my son Tyrone Benjamin was in a bad motor bike accident which the police had to attend. My son Tyrone Benjamin was air lifted to The Royal London Hospital where he had suffered a bleed on the brain, a multiple injury to his legs and hip and ribs. When the police came to my home, they could not even tell me if he was alive or dead.
Bleed on the brain Shattered left hip.
Shattered left knee.
Left Femur was broken in 2 places.
Tibia on his left leg was broken in 2 places and had released the bone out through his left knee.
Fibula was broken in 2 places.
• Nerves are damaged in the left leg.
Right Ankle was shattered and above the Right Ankle, and bones in his right
foot broken.
He also had a few ribs that were broken.
The hospital could not do the operation that was needed for his left leg due to the bleed on the brain so had to try to align his legs and keep then in place.
The hospital did the 1st 8-hour operation 3 days later as they could not wait any longer the damage to the left leg was very bad. On this operation they tried to repair the hip and Femur the rest of the left leg and knee was put into a cage and they cleaned the lower left leg as the bones had broken the skin and was a big cause for infection, they did not have time to do anything to the Right leg.

Around 5 days later they did the 2nd 8-hour operation. This was to try to fix the left knee and the lower left leg and the right leg. The doctors were and still are very worried that the bones are going to die in his left leg as it is not healing the way it should. Since the accident his left hip and knee was showing no signs of healing, around July **2014** the knee was looking better and had started to heal but the hip was still showing no signs of healing in Sep **2014** the doctors told us that if there were no signs of healing to the hip by the Nov **2014**, they would have to replace the hip. on the

check-up in Nov **2014** we had a little bit of good news the left hip had showed a little bit of healing, so they were going to keep a close eye on it. But since the accident his has suffered from infection to the lower left leg, so has been on tablets to try and clear it but this has not worked. The doctors said they could not remove the plates, pins, screws and rods holding his left leg together, that they had to wait until it had healed more, so the infection in the lower left leg was just left to him taking tablets. in the Dec **2014** the infection was getting worse and the doctor said they are going to have to remove the plates, pins, screws and rods to that section of his lower left leg he had the operation for this on the 15/01/**2015**.
So how police officers could say Tyrone Benjamin was at a rave on the 07/06/**2014** is beyond me Tyrone Benjamin could not walk was in so much pain and on very strong pain killers and needed care around the clock. The accident he suffered is life changing he still may need his hip and knee replaced, his bones can still die in his left leg. He has memory problems due to the bleed on the brain, the nerves are damaged in the left leg and he has no feeling down the outside of the left leg which the doctors have said will not come back. The left leg will be shorter or longer then the right leg, but the doctors cannot tell us which one as of yet. He is having very bad pain still and also very bad pain to his lower back and to date he is still on very strong pain killers. His left lower leg was infected since April **2014**, but the hospital could not do anything but keep him on antibiotic tablets, this lasted until the 15/01/**2015** when he had an operation to remove the plates, pins, rods, to that section of the lower left leg, there is still infection to the left lower leg but it has been better since the operation on the 15/01/**2015**
In March of **2014** my mother started to feel unwell, and we were up and down her doctors. The doctor did think it was her gallbladder, so we were waiting for a scan date from the hospital. My mother was getting worse and feeling very unwell as time went on and the whole family was really worried.
On the 07/05/**2014** she had an appointment at the hospital to see her oncologist due to in **2011** my mother having
13. Bilateral Breast Cancer.
14. Wild Local Excision and Sentinel Lymph Node Biopsy.
15. Grade 2 Invasive ductal carcinoma T2 NO.
Right grade 1 invasive ductal carcinoma T1 NO.
16. Both tumours ER positive, PR positive, HER positive.
She suffered from history of manic depression and was on Clozapine.

On the 07/05/**2014** again my mother was given the all clear by her oncologist.
But my mother's health was getting worse; her GP could not understand why she had not had the date from her scan. So, re sent off this time to

Chase Farm Hospital hoping it would come faster. during the week of the 02/06/**2014** she had her 4 weekly blood tests due to her being on Clozapine, on this check-up Jenny hunt noticed my mother's heart was faster than it should be so gave her the form to get a heart trace done at chase farm hospital. We had booked this to be done on the 09/06/**2014** after we had seen her GP. But around the 06/06/**2014** we had noticed my mother had a yellowing to her skin. At this stage my mother was really not feeling very well. I did take her for around 2 hours on the 07/06/**2014** to Dwayne Edwards leaving party as she did not want to miss it as she would not see him again for around a year as he was leaving to travel the world. On the 09/06/**2014** we went to her GP appointment we still had not had a date for her scan, and her GP was not happy about this, I told her again about the colour of my mother's urine but tests she had done had all shown up clear for infection on her urine over the past months, and that we had also noticed yellowing to her skin and about the weigh lose. And that we were going to chase farm that afternoon to have her heart test done. She asked if we could get a full blood tests done that afternoon which I said that would not be a problem.

I took my mother to the hospital and she had the tests done, the next day I got a call from my mother's GP asking us to come to the GPs at 10:20 on the 10/06/**2014** that my mother's blood tests had come back grossly abnormal, I asked what this meant and was told that after she saw the doctor she would most likely need to go to the hospital. I said I would be there the next day with my mother. on the 10/06/**2014** we went to the see her GP and they wrote a letter and made a call to the North Middlesex Hospital to say we was coming there right away.

We got to A&E and they done more blood test and x-rays by the time this was all done and the test was back it was too late for them to do a CT. they wanted to keep my mother in hospital, but she really did not like hospitals so it was agreed to allow her to come home and for us to be at the hospital at 09:00 on the 11/06/**2014** to have the CT done we was told we would be at the hospital all day as they wanted the results of the CT before we left the doctors was still saying it could be her gallbladder but her liver was very enlarged which could be due to the gallbladder.

On the 11/06/**2014** we went to the hospital for 09:00 and she had the CT at around 09:30 I saw Dr steel come onto the day unit around 12:00 and went into a room, I knew there was something wrong and I believe so did my mother as she said he had been in there a long time. I said maybe he had come out and we had not seen him to try and stop her worrying. at around 15;45 Dr Steel came out of the room and walked towards us and asked us to come into the room.

We were told the news that the breast cancer had metastasis, I asked how many growths and he could not say, he said that the oncologist doctor and nurse was on the way down to see us. The doctor a nurse came to see us I again asked how bad it was had many growths was in the liver the doctor told us that it was severe, and it was in the spine and ribs. That they were trying to book a CT biopsy and bone scan, this would be for the next day or the Monday. I broke down at the news how could this have been missed.

My mum was put on a lot of tablets to try and bring the enlarged liver down; she did not want to stay in hospital.

When we left the hospital, I went to my sisters to tell her the news she knew by my face it was bad when she opened the door. That day the family was all told.

We were all up and down the hospital a great deal from this point, the doctors gave my mother 6 to 12 months without treatment and 18+ with

treatment. but there was still a huge problem as they wanted to treat her with chemo, which they had not done in **2011** due to her being on Clozapine both drugs have an effect on the white blood cells. I asked how they could treat with chemo now but could not do this in **2011** they never replied to that. They said they were going try a very low dose of chemo which I would have to give daily for 2 weeks then I would give white blood cell injections the 3rd week when she was not on the chemo tablets and at the start of each session she would have to go to the chemo day unit and have the a drip due to it being HER2.
The problem was they gave her an overdose of the chemo tablets and I did not know. so, I should have been giving her 500mg X two times a day I was giving my mother 1500mg x two times a day.
My mum went downhill very fast from when the 1st session started, when she had her next appointment before the 2nd session was due to start my mother looked very ill and was not eating or drinking. The doctor even said how ill she looked but carry

on with the 2nd session of treatment but did not notices the mistake on the dose of chemo i was giving my mother. I called the hospital 2 times after the 2nd session of chemo had started and was told to just give her more tablets to start the diarrhoea, 9 days into the 2nd session I demanded my mum needed to be in hospital we was told after hours on the phone to the hospital to take her to A&E by the on call oncologist doctor. I took my mother to A&E on the 27/08/**2014** where they took her in right away and done blood tests. They could see how ill she looked she could now not even walk by this time. They stopped the chemo right away as I believe this is when they saw the mistake on the drug dose. We were told they needed to get fluids into my mother, and she was taken to the ward. We were not told my mother was in acute kidney failure. On the 28/08/**2014** it was the Macmillan nurse who told my sister about the dose of chemo.
And on the 29/08/**2014** it was also the Macmillan nurse that told the family about acute kidney failure, the family asked my mother's oncologist doctor 4 times about the acute kidney failure on the 29/08/**2014** and was told 4 times that it was not nothing to do with her Kidneys it was the cancer.
On the day of the 29/08/**2014** a drug was put onto my mother chart of Codeine Phosphate. The family left the hospital at around 19:15 and I always went back to the hospital around 21:00 to 21:30 on returning to my mother's room I could hear there was something really wrong. The nurse asked if my mother had been like this all day, I told her no she was fine when I left at 19:15. My mother went downhill very fast this night all the family came to the hospital my mother passed away 9 hours after being given the drug Codeine Phosphate. Codeine Phosphate should never have been given to someone on Clozapine there are only 2 out comes and one of them is death. We are still waiting for causes of death.
On the 07/06/**2014** a member of the family Dwayne Edwards was having a going away party as he was due to travel the world for 12 months. Most of the family was there including my son Simon Cordell. The party was held in a hall I did not stay long as my mother was not well but she did want to go for a few hours due to not seeing Dwayne for many months, we stayed around 2 hours and then I took my mother to my home where she stayed with me.
On the date of 22/11/**2014** Simon was at home with his friend josh, they were working on bits for the company to try and take Simon mind of things Simon at this stage was really unwell and unstable.
It would seem police was at Simon Flat outside tiring to get in this was late at night.

They could not get the code to the main door and went back to the police station where they seem to have got Simon mobile number and made calls trying to get the code for his main door. They did say it was police and Simon got very scared why the police wanted his door code to get in to see him the police would not give him the reason as to why they needed the main door code or the police numbers they would not give a reason as to why they wanted to see him.
This did not just scare the life out of Simon but also Josh. and Simon just wanted to get out of the flat. Simon made a call to me and told me what had happened I told him to come to my house.
He would not even use his car as he was so scared of what was going on, he did not even know for fact it was the police that had made the calls to his mobile.
Him and josh left the flat and would not even go the way he as a rule uses to get to my house.
They went down Green Street over the train station and walked down Mollison Ave then got on to the river lee and walked along to come out by Ponders End train station where they were meeting his sister Deon in a cab to get them to my house. It was really raining that night and then they got here they was very wet.
I made calls to the police in fact 3 calls as I put a complaint in at what was going on as the police for some reason at this stage kept going to his flat for unknown reasons and he was not stable enough and very scared and was not coping. I did let Josey know what was going on each time.
I do have my phone bill with all the phone calls listed to police via 101 calls via my home phone if this would be needed. This is without all the phone calls Simon made himself to police. And he has some police officers' numbers.
In the end an inspector stag I think his name was called and at 1st spoke to Simon, I was still not happy with what was going on so again made a call and asked for the inspector to call me back which he did some time later that day I think, on that call it lasted around 1 hour maybe a little longer I explained everything that was going on

with the police and Simon on that call and he said he would get the police to stop going to his Flat.
The police did pull Josh and Simon that night on the 23/11/**2014** which had now been added to the ASBO application, which also made Simon very scared even more.
They asked Simon and Josh what they was up to Simon told the police why they was out on the street that they was scared due to the calls they had for his main door code and said the person that called said it was the police, at this the police officers told him they was in fact the ones that had made the calls to him.
But did not still tell him the reason they wanted to see him at his Flat. I do believe the police was watching and just doing all this to intimidate him as they knew he was really not well at this time.
They did a search on both Simon and Josh and did checks then let them go. Simon and josh were not on drugs the pair of them was really scared at what was going on, and Simon was really unstable. The police and inspector at Edmonton Police Station would have all the CADs from the calls that were made on the 22/11/**2014** and the 23/11/**2014**. the way in which this day has been added to this ASBO application is beyond words

as if was not for the fact the police was harassing my son still my son would have been in his home with his friend I do believe the police was doing this to make my son more unstable in his health.
The police was going so far with going round his Flat all the time for no reason, when people from the AMHP team went out to do an assessment due to how unstable he was at this time it was late, when they got there they called me and said why are the police there I said I did not know why but I was really upset due to the police was not stopping with him. Simon was going mad and the assessment team told the police to leave him alone. I was still on the phone at the time to the assessment team and they asked the police why they was there, I heard what the police told them why they was there, they said they had a call from 1ST they said 112 then they said 122 then they gave a next door number, which I did not hear right they did not know what to say to the assessment team they was mixing everything up. the police left but due to the state Simon was in the assessment team felt it better to leave and not upset him any more than he was already due to what the police was doing just keep turning up at his flat for no reason. All he kept saying is why does the police not leave me alone. I have done nothing wrong.

The assessment team went to Simon flat the next day with no luck to getting to see him they spoke to him at the door but Simon would not open the door, they could clearly see he was not stable at all and did not want to push it. So, left he kept saying the police just need to leave him alone he not done anything and was not leaving his flat.
The assessment team left it around 5 days to a week I think before they tried again this time Simon did let them in and spoke to them this was on the 25/11/**2015**.
On Friday the 12/12/**2015** the police went to Kemp hall committee centre looking for Simon again.
The police are still popping round now and then just to keep him at a low and not feel safe. This can be the only reason the police keep doing this. They know his heath is not good due to everything over the years the police have been doing to him they have not left him alone since he was a young age. I am not saying my son has done nothing wrong in his life as that is not true but the way in which the police have carried on it like nothing I have ever seen, this has put the whole family in a state, this being worse over the last 2 years Simon heath has got worse over the last 2 years and this is due to what the police are doing.
There was also a complaint put in to the IPCC on the 11/11/**2014** about the police and what they were doing and about the ASBO and his PNC record.
from **2013**/**2014** there was an issue with my son's insurance not showing up on the MID database, as the court will be aware as the police have said this in the ASBO, it was recorded on the police system and we had tried to work out what the issue was by calling the MID database people and the police and his insurance company many times. I also wrote many emails, even the police tried to work out what was wrong. But this did not stop his vehicles getting seized at the weekend when his insurance company was closed. The police were always told when he got stopped to check their systems as they would see there is an error and that showed on the police system, my son always carried his insurance documents to show police. But police still seized his vehicles they did not care what was said on the police system or my son had his insurance documents.

Due to this my son driving licence is a mess for no fault of his own summons have not been received so dates were not known that he was due to be in court so he was found guilty, I have written many emails to courts to get cases reopened. On two cases we had to file statutory declaration with the court. One of these cases is awaiting appeal.
But on the 14/11/**2013** my son was in Brixton, the police were doing stop checks but let my son pass, he was on his way to a meeting so not long after the police checks my son pulled over to the side of the road just outside where the meeting was due to take place about a job. He was with a friend Dean Read and Dean got out of the vehicle to go to a shop and buy drinks and food as they had got to the meeting around 1 hour early so needed to wait my son stayed in the vehicle, and then a police officer came to the vehicle and said he was not insured. My son got his insurance documents to show the police officer. And also made a call to his insurance company where he passed his phone to the police officer so they could talk to them. it was confirmed to the police he was in fact insured. But the police officer was not happy with this so called his insurance company again this time saying my son had tools in his vehicle. The police officer would have known by looking at my son's insurance documents this would void my son's insurance, and this was confirmed by his insurance company. For what reason the police officer did this I still do not know. My son was really upset, and calls were also made to me, I spoke to one of the police officers and he did confirm there were no tools. but this did not stop the other officer from doing what he was doing. My son asked for an inspector to come which one did and the inspector went with what the police officer was saying. my son would not take the ticket the officer wanted to give him and asked to me arrested, that this was not correct what the police was doing. The vehicle was seized, and my son taken to the police station. Where he was later released with no charge, but they made him sign the ticket and accept it.
I made calls to the police again and put complaints in about what had gone on. but the police had gone of duty and would not be back on for 5 days. all I was told is we can take it to court and prove it. my son's insurance company was also making his insurance void. So, there were many calls made to the police on 101. it was due to this a very nice lady told me that to tell my son to go to the compound as they would have to make a list of what was in any vehicles seized due to them becoming liable. I sent emails to the compound as we only had the week end my son's insurance was due to be stopped at 12.00 on the 25/11/**2013** and I was also forwarding them over to

his insurance company so they got them as soon as they opened on the Monday. I called the insurance company as soon as they opened on the Monday also and they said they would try and contact the compound that they would not stop his insurance until they heard something. Later that afternoon i got an email asking if Simon could go to the compound and call Kelly Tiller at KGM and the phone number was given in the email. But due to the time if he had left then by the time he got to the compound his insurance company would have been closed so I wrote an email saying this and saying he would attend the police compound in the morning on the 26/11/**2013** which he did and spoke to a manager who confirmed to Kelly Tiller on the phone there was no tools listed on the seizer notice and nothing taken out of the vehicle. if tools were in the vehicle when it came to the compound they would have been placed in safe storage and returned when the vehicle was picked up.

Each time the vehicles have been seized he had to pay to get them out of the compound.
The summons for this did come and I sent it off with a not guilty plea via email, but it was what the police officer had written in his statement that shocked me, there was nothing about any tools.
I was still trying to get all the information for the insurance company for court I put in a number of subject access requests which they did not deal with.
On the 26/11/**2014** my son was found guilty at Wimbledon court. For no insurance due to using the vehicle as business use. My son's insurance is trade insurance but not for odd jobs which the police officer had said. My son was banned for driving got a fine and points from the court. On that day my son's heath was not good and the fact he was doing this case himself did worry me he was not up to it. on this day we put an appeal in which the court accepted.
This appeal was heard at Kingston upon Thames Crown Court on the 05/03/**2015** but this time I had got the information form my son's insurance and had the audio's of the 14/11/**2013** between the police officer and KGM and what he said to them, and the audio from the police compound and Kelly Tiller the email the compound had sent to Kelly Tiller, a Letter of indemnity and a section 9 witness statement.
The judge found my son not guilty and was appalled by what the police office had done, this was the 2nd time the police office lied to a judge under oath. The judge ordered the police officer not to leave the court building. it was also noted that the

police did not have a 101 book his statement was not dated and was only a copy, and the police officer told the judge that the seizer ticket had been lost that he given my son. The judge ordered the real ones to be in court he wanted them. The remarks the Judge made showed he was not happy the judge also order the audio files stay on file and told the CPS he needed to inform the right persons as to what had gone on. The judge released us from court. There is a complaint with the IPCC about this.
There is also the fact that the police know that the public order unit at Scotland Yard hold the people names that set these parties up. we have asked for this information, but it has not been given. I have spoken to the public order unit a Val tanner and DS Chapman and have been told by them they took over dealing with raves from the Croydon Rave which has been said in this ASBO the fact is they only have my son's name on their system's once and that was when he was arrested at carpet right.
I know for a fact due to information I have gather since this ASBO was given to my son that the public order unit in fact knows who the organisers was are to the raves my son is said to have done.
there is facts on the 6th June the there was a party due to take place in Essex the public order unit had been in contact with the organiser of this party which was to last the 6th 7th 8th June **2014** for the weeks before it was due to take place. on the day of the 6th the police sent helicopters out in the Essex area to find the location of the private party, the police helicopters did find the location and within 10mins police was at the location. Essex police officer found the person they were looking for and handed a police dispersal order for the people that was there at the location and also an order that he could not setup within the next 24 hours.
Simon was not anywhere near Essex and was not planning on going to Essex. that day or any other day.
The private party got moved to a new location by the person and this was Progress Way, Enfield, so how police can blame my son for this party is

beyond me they have it on the police systems and know it was not my son.
I believe all the dates my son is changed with in this ASBO the police already have on their systems at the public order unit at Scotland Yard who was the real organisers and that was not my son.
On the 19/07/**2014** police at the public order unit at Scotland Yard had also contacted the person they knew was the organiser.

Each date in this ASBO the police say my son was the organiser the police already have the information on the police public order unit at Scotland Yard system as to who done this, and this was not my son.
I believe this ASBO beaches Article 6 of ECHR is a person's right to a fair hearing.
If information is withheld from the court that would show my son is innocent with the intention of causing a guilty verdict to be returned, that is perverting the course of the justice/conspiracy to pervert the course of justice and, quite possibly, misconduct in public office/conspiracy to commit misconduct in public office on the part of those involved, if police officers, local government officers, civil servants, government officers.
Where a verdict or decision is made by a court as a result of pertinent information being withheld and which no court or judge would have made had that pertinent information been made available, the verdict/decision is said to be perverse. It also goes against natural justice.
Any public authority or person whose function is known to be public, like a police officer, who acts in a way that is incompatible with a person's rights under the European Convention on Human Rights, acts unlawfully according to Section 6(1), Human Rights Act 1998.
I do believe if the police disclosed the information that is held at the police public order unit at Scotland Yard this would show my son as innocent.

I do have some for Matt but don't think they will be any good as they are court letters and he has now been deported from the UK. As you may be aware homeless people are hard to get hold off and Simon has not been able to get hold of many of them. due to not being allowed to go out and see where there staying due to the Asbo. But I have known for years now he helps them I have also helped them; this is going back many years from when he was young. Jamie is homeless he had problems with his family so the only support he gets is from us or he would be on the street. this is how he was able to get a job because he had somewhere to stay.

But I have known for years now he helps them I have also helped them; this is going back many years from when he was young. Jamie is homeless he had problems with his family so the only support he gets is from us or he would be on the street. this is how he was able to get a job because he had somewhere to stay.

Hi Simon
As promised, below are my contact details and, as I mentioned on our call, we offer free business guidance and support. If you have any questions, please do contact me. I did explain the next few steps with regards, to legal documentation and protecting your brand name. If you considered to be acting on behalf of your company, you are required to have the following document in place. This is required under the Companies Act 2006; Directors service agreement The second document I referred to was the Directors Service Contract which is required for all directors of trading companies, if you are considered to be acting on behalf of the limited company then a document that outlines the relationship between the director and the company will need to be kept at your registered office;
Section 228 Companies Act 2006:
(1) A company must keep available for inspection
(a) a copy of every director's service contract with the company or with a subsidiary of the company
(5) If default is made in an offence is committed by every officer of the company who is in default."
(6) A person guilty of an offence under this section is liable on summary conviction to a fine not exceeding level 3 on the standard scale
We provide this in an emendable contract so it will last you for every year of the company, for any director and for each company. This is emailed to you with a guide. Again, this can be ordered through the following link or you can order this for the company by calling the number below.

I have provided the details on our trademark report below, which will highlight any existing protection over your trading names. I also recommend, for any business, having a bespoke logo. This will help protect your brand moving forward, choosing a simple logo online which is shared by other businesses does not give you copyright over that image and therefore you can risk losing the right to your brand. Please have a look at our bespoke logo

package, whereby we design a unique logo from scratch and provide the chosen design in 7 file formats, which you will have copyright to that image. We can also design professional stationary around that chosen logo which can be sent electronically.

Trademark search £33.29+vat
An online search may identify existing registered Trademarks which are the same or similar to your registered company name. The Company Warehouse offers a quick service to complete a search of all UK registered Trademarks to give you, not only reassurance and peace of mind, but a clear indication on which classes are available to you to protect in the future. Failure to complete a thorough search can result in a loss of government fee if an application is later declined.
Our service includes.
• A detailed search of the online Trademark database held at the UK Intellectual Property Office (patent office)
• Emailed results explaining pending or registered Trademarks for the same or similar name to your business brand.
• It includes all UK trade marks but also international registered marks covering the UK.
• Guidance of the results found and areas of business they protect.
• Information regarding your options available to register and protect the name.

Re: Yourself-v-Central Driving Offences Unit Case number A20150049
The Crown Court has received a set of appeal papers from the magistrate's court at Willesden.
In order to assist you, a copy of the memorandum of conviction and sentence is enclosed.
The court is committed to processing appeals as quickly as possible and it would greatly help the listing of this appeal if you would complete this form and return it to the Crown Court by the **10 March 2015**
If the court does not have a reply by this date your appeal will be listed without further consultation.
Please note if you fail to attend that hearing your appeal may be dismissed and further costs can be awarded against you.
If you do not wish to proceed with your appeal you should contact the court in writing before this date.

- Please confirm that the appeal is against Conviction/Sentence/Conviction & Sentence:

Mary Graham Appeals Clerk List Office
NOTE:
Once an appeal has been allocated a hearing date it will NOT be changed, save for the most exceptional reasons.
It is, therefore, essential that all dates to avoid are provided to the court by the date specified above.
Any subsequent application to move a fixture date will have to be listed before a judge, which does not automatically mean your application will be granted and may lead to wasted costs.
It has also just been noted that the court passed a driving disqualification until test passed was issued for this case which we have only just been made aware of by the paper work that has been served and seeing the Memorandum of ENTRY, If this had been known then I would have asked that the this be suspended until the appeal was heard in my appeal application.
We were only told by the court that 6 points and a fine had been given by the Judge and also the letter the court sent shows this Please see letter included within this paperwork.
Can we still ask that the driving disqualification be suspended until the Appeal is heard.?

Appeal from ...Willesdon..... Magistrates' Court

Magistrates' court case reference number:

Appeal to the Crown Court at: (I think the Crown Court would be) Wood Green Crown Court.

This is an appeal to the Crown Court about:

Give brief details of the magistrates' court decision about which you are appealing, including the date of that decision (e.g. 'my conviction for [offence] on [date]', or 'my sentence of [penalty] for [offence] on [date]').

Conviction of no insurance on the 26/01/2015. I am insured to drive and would never drive without insurance.

I have asked the magistrates' court to reconsider my case ☒ Yes ☐ No

You may not need to appeal. Sometimes a magistrates' court can change a decision which it has made, under section 142 of the Magistrates' Courts Act 1980. Ask at the magistrates' court office.

I need an extension of time for this appeal ☐ Yes ☐ No

See the time limits listed below. If your appeal is late, you must answer question 1, on the other side of this form. Only the Crown Court can extend the 21 day time limit for appeal.

Use this form ONLY for an appeal to the Crown Court about conviction, sentence, etc. under Criminal Procedure Rules Part 63. There is a different form for applying or appealing to the Crown Court after a magistrates' court has made a decision about bail, under Criminal Procedure Rule 19.8.

1. Complete the boxes above and give the details required in the boxes below. If you use an electronic version of this form, the boxes will expand[1]. If you use a paper version and need more space, you may attach extra sheets.

2. Sign and date the completed form.

3. Send a copy of the completed form to:

(a) the magistrates' court, and

Dear Mr Cordell

RE: Letter of Indemnity - Policy Number MT3574694

We would confirm that the policy above was incepted at 00.01 AM on the 23/2/13 and was in force until Midnight on the 22/2/14 when it lapsed.

The policy is a Road Risks Motor Trade only, cover was Comprehensive with the use permitted of Social Domestic and Pleasure and for Motor Trade purposes only. For clarity we would advise that Motor Trade Use would allow the carriage of tools required specifically for use in connection with Motor Trade activities.

Drivers under this policy were restricted to Mr Simon Cordell only.

The vehicles covered at inception of the policy were –

- Ford Zetec registration MA57LDY
- Ford Transit registration CX52JRZ

On the 8/4/13 at 11.05am the following vehicle was added to the policy –

- Renault Clio registration NA57LDY. We have since established that in fact Mr Cordell was trying to correct the registration of the Ford Zetec that his broker had incorrectly advised Underwriters was MA47LDY at policy inception. Unfortunately the broker compounded that error with these instructions as the registration number was still incorrect (NA57LDY) and on the wrong vehicle leading Underwriters to add this vehicle onto the policy in error. Eventually the correct registration of the Ford Zetec was noted.
- Please note that whilst the registration of the Ford Zetec was incorrect on the policy record and on the Motor Insurers Database for some time as a result of the above error, Underwriters would confirm that in the event of any incident Mr Cordell would have been fully indemnified subject to the terms of this policy.

We understand that Mr Cordell was subjected to a number of Police stops during the policy period whilst driving these vehicles. The stops were due to these vehicles not showing as insured on the Motor Insurers Database (MID). We would confirm that it's a requirement for Motor Insurers to upload details of all insured policies & vehicles to the MID, the targets set are 95% of policies to be on the MID within 14 days for Motor Trade policies and 95% of vehicles to be on the MID within 21 days for Motor Trade. Accordingly we can note that whilst this database is very effective, it's not real time and not 100% accurate.

We have carried out an investigation to understand why Mr Cordells vehicles were not on the MID leading to these Police stops. It has been established that there is a "bug" in our system when copying and pasting a registration with a space in it into the policy record, that results in an unsuccessful upload to the MID. It does not happen when we receive data electronically or when manually inputting data and was something we were unaware of until this case. We have of course changed our processes to prevent this occurring again.

The unfortunate outcome for Mr Cordell of course was that it appeared to the Police that he was driving uninsured and was subjected to unnecessary Police stops. This was not Mr Cordells fault in any way as he had a valid Insurance policy in force and was fully insured to drive these vehicles for the purposes permitted under this policy during the policy period.

As stated above this policy was in force from 00.01 AM on the 23/2/13 and was in force until Midnight on the 22/2/14. We have been asked to specifically confirm that it was in force on the 14/11/2013 for both the Ford Zetec registration MA57LDY and the Ford Transit registration CX52JRZ.

We trust this letter meets the requirements of the Police and the Courts. Should you require any further assistance please do not hesitate to contact us.

Found Guilty again 26-01-2015.pdf
Dear Annabel Jereniah
I have just seen the Memorandum of Entry that the Crown Court has sent and on that it says there was a Disqualification until test passed.
But when we contacted the court, we were only told about 6 points and a fine for this case and this was also on the letter from the court.
If I knew a Disqualification until test passed when I filed my appeal on the 13/02/2015 I would have ticked this be suspended until appeal was heard.
Can you please look into this and see if the appeal could include the suspension of the Disqualification until the appeal is heard.
Please see attached document
Simon Cordell Appeal Willesden Harrow Crown Court Found Guilty again 26-01-2015
As you will see the letter Found Guilty again 26-01-2015 does not show any disqualification and this was confirmed by the court when we called that there were 6 points added and a fine.

How Your Housing Benefit Has Been Worked Out for the period

From 06/04/**2015** your Housing Benefit will be £93.08 each week.

The rent you are charged each week is £99.19.

Housing Benefit cannot pay for some service charges that are included in your rent. The rent you pay has to be reduced by the amount of these service charges. These amounts are shown below:

Actual amount for Ineligible Water £6.11

Total deductions for services £6.11

The amount of rent after deducting these charges is called your maximum eligible rent. Your rent of £99.19 must be reduced by £6.11, to £93.08 each week. This is your maximum eligible rent.

The maximum Housing Benefit you can get is £93.08 each week. This figure is used when working out 'your total weekly Housing Benefit'.

Your Total Weekly Housing Benefit

As you are receiving Income Support, I can pay the maximum Housing Benefit of £93.08 each week.

How Your Council Tax Support Has Been Worked Out

Based on your circumstances I have decided to assess your claim using the Working Age scheme.

From 01/04/**2015**, your council tax support is £12.53 each week.

The maximum council tax support you could get

Your council tax liability for the year is £813.94 which for this period is £15.57 each week.

The maximum council tax support you could get is therefore £15.57 each week. This figure is used when working out 'your total weekly council tax support'.

Your Total Weekly Council Tax Support

A reduction of the maximum council tax support of £15.57 that you could get each week must be reduced by £3.04, to £12.53.

As you are receiving income support, I can pay you your maximum council tax support of £12.53 each week.

Re: Attention of Flo
Thank you for taking the time to talk to me today about my son Simon Cordell **DOB:** 26/01/1981

As said on the Phone I am still having problems getting my recorded corrected on the PNC database, I will need a letter to confirm the court has done the checks on the records I have asked to be checked and that there is in fact no register in the courts file for some of the cases. As said on the phone my son is also due to appeal in your court on the 10/03/**2015** if I could get the information needed in a letter by this date, I would be most grateful. as the printout that was given to me by Benedicta is not enough. There were dates that did not have any register at the court when they were checked before by Benedicta. I have included some new dates as I believe it would be your court that deals with these also. I am sorry that you will need to do a lot of work again to deal with this. Please also see attached document from Benedicta she put stars by the ones which was not in the register of the court.

I was wondering if you heard anything back from the Public Order Unit at Scotland Yard. I have asked if the letter that was sent to them be forwarded to me, I know one has been sent as Michael told me. But it has not been sent to me could it please be sent so I can see what it says, I am not sure if the police will do it on just dates as said before they may need the event names. If you have not heard anything can this be looked into why you have not heard anything?
Maybe there will be a need to summons Val Tanner and DS chapmen to court.

Complaint
I am writing this email again due to a case being heard at court and me being found guilty. On the 26/01/**2015** Case number: 011403134612, I believe the old case number was 011401596899. I have emailed the court many times due to this case I and in my emails attached my insurance documents. I Have done a statutory declaration which I included my insurance documents. I know my file must have had my insurance document within there as it was included in many emails to the court and asked for my emails and documents to be put on my file. I had no letters from the court to say a date of a hearing of the 26/01/**2015**, I have asked in emails that have been sent for any dates to be also copied over to me by email, as there does seem to be an issue with my post. My mum Lorraine Cordell and I have asked in many emails and phone calls to the court for the police officer who checks documents to get him to check my documents which will confirm I am insured. None of this has been done and again I have been found guilty at court for no insurance when I was insured to drive. I am making this request to have my case listed in order that I can do the following: -

1. Letter of Indemnity from KGM.
2. Policy of insurance form KGM.
3. List of emails sent to Court.
4. Email dates Tue 10/02/**2015** 13:06 which I have not had a reply to as yet.
5. Appeal Form Could you please get back to me today by return email to
lorraine32@blueyonder.co.uk
as I would like to know what can be done about this case.
I have 21 days to appeal to the crown court and this date is running out very fast so I am also including the form so I do not run out of time to appeal to the Crown Court as I feel I will run out of time in this matter. But feel it would be a waste of time and money for the court and me to address it this way and take it to appeal at the crown court. I am not sure what CPS dealt with this case and I do now that the appeal form needs to be addressed to them also, so I have included all that I know off. If I have not included the right Email for the CPS who dealt with this case can it be forwarded to them. Or could you please get back to me by email at

Hi Lorraine,
Fantastic holiday thanks, really great time, went by far too quickly and now it's back to normal, took me a while to get my head back in the game I must say. I didn't realise there was more than 1 court case! This is going to take some time to sort out but I'm glad to hear you got the right result on the recent case. I guess all I can say for the moment is let me know how things go and of course I will respond again after I have received and considered details of the Police stops/vehicle seizures we are waiting on.
All the best.

Dear Peter
Thank you for the email and I hope you had a great holiday. I am waiting for the police compound to get back to us with the data for the seizers, but they just take so long with everything. There are still court cases for no insurance that are still ongoing there are 2 left where Simon did not get any summons form the court and was found guilty due to not knowing. One is due to be heard in May **2015** and we are waiting for the last date. DVLA have now taken of the ban on the 18/03/**2015** so the insurance my son has been paying for the last year and could not be used due to this can now be used as he can drive now. But there is still the 12 points on his licence due to the other 2 court cases for no insurance DVLA do know the 12 points should not be on there in fact they have also been in contact with the courts they are not happy, but they cannot remove the points until the cases are heard in court. But an update to what happened in court case were the police officer lied was Simon won the case and the judge was very upset at the police officer and put notes that it needed addressing. The complaint is ongoing with the police office that lied, at this time that may take some time as the police officer may be charged. We won't know fully until the Serious Misconduct Investigation Unit Directorate of

Professional Standards completes their investigation into what the police officer did and what the crown court judge said as the judge knows he lied to 2 judges and Simon was found guilty when he had done nothing wrong. We had a meeting about this on the 26/03/**2015** but the person dealing with this is waiting for the crown court documents as to what the judge said, we should have the court transcript from Kingston Crown Court just after the Easter holidays.

1762,

I will keep you updated as to the data you need it's just waiting for it from the police compound as requests had to be made for the data, Simon did try to get the information without the requests but the police was not having it so the request had to be put in for it.

Dear Mr Cordell

RE: Letter of Indemnity - Policy Number MT3574694

We would confirm that the policy above was incepted at 00.01 AM on the 23/2/13 and was in force until Midnight on the 22/2/14 when it lapsed.

The policy is a Road Risks Motor Trade only, cover was Comprehensive with the use permitted of Social Domestic and Pleasure and for Motor Trade purposes only. For clarity we would advise that Motor Trade Use would allow the carriage of tools required specifically for use in connection with Motor Trade activities.

Drivers under this policy were restricted to Mr Simon Cordell only.

The vehicles covered at inception of the policy were –

- Ford Zetec registration MA57LDY
- Ford Transit registration CX52JRZ

On the 8/4/13 at 11.05am the following vehicle was added to the policy –

- Renault Clio registration NA57LDY. We have since established that in fact Mr Cordell was trying to correct the registration of the Ford Zetec that his broker had incorrectly advised Underwriters was MA47LDY at policy inception. Unfortunately the broker compounded that error with these instructions as the registration number was still incorrect (NA57LDY) and on the wrong vehicle leading Underwriters to add this vehicle onto the policy in error. Eventually the correct registration of the Ford Zetec was noted.
- Please note that whilst the registration of the Ford Zetec was incorrect on the policy record and on the Motor Insurers Database for some time as a result of the above error, Underwriters would confirm that in the event of any incident Mr Cordell would have been fully indemnified subject to the terms of this policy.

We understand that Mr Cordell was subjected to a number of Police stops during the policy period whilst driving these vehicles. The stops were due to these vehicles not showing as insured on the Motor Insurers Database (MID). We would confirm that it's a requirement for Motor Insurers to upload details of all insured policies & vehicles to the MID, the targets set are 95% of policies to be on the MID within 14 days for Motor Trade policies and 95% of vehicles to be on the MID within 21 days for Motor Trade. Accordingly we can note that whilst this database is very effective, it's not real time and not 100% accurate.

We have carried out an investigation to understand why Mr Cordells vehicles were not on the MID leading to these Police stops. It has been established that there is a "bug" in our system when copying and pasting a registration with a space in it into the policy record, that results in an unsuccessful upload to the MID. It does not happen when we receive data electronically or when manually inputting data and was something we were unaware of until this case. We have of course changed our processes to prevent this occurring again.

The unfortunate outcome for Mr Cordell of course was that it appeared to the Police that he was driving uninsured and was subjected to unnecessary Police stops. This was not Mr Cordells fault in any way as he had a valid Insurance policy in force and was fully insured to drive these vehicles for the purposes permitted under this policy during the policy period.

As stated above this policy was in force from 00.01 AM on the 23/2/13 and was in force until Midnight on the 22/2/14. We have been asked to specifically confirm that it was in force on the 14/11/2013 for both the Ford Zetec registration MA57LDY and the Ford Transit registration CX52JRZ.

We trust this letter meets the requirements of the Police and the Courts. Should you require any further assistance please do not hesitate to contact us.

Yours sincerely,

To Whom It May Concern:
Complaint.
I am writing this email to many issues with my address of 109 Burncroft Avenue, Enfield, EN3 7JQ, over many years now I have had big issues with damp to my flat, I believe there is a wide area of concern being that. I believe there are leaks to pipe work in other flats above and beside me. This is causing the conditions I am living in and the flat is very dump. I have had large amounts of work done to try and stop this to my flat but believe due to other flats having issues this is causing my flat to suffer and this is causing my heath to suffer. My flat has been unliveable due to the damp and the issues just being covered up and not repaired in the way in which they should. Since some major work was carried out in my flat for damp, they had to remove the radiators in my flat also due to leaks in pipe work under the floors. These were never replaced once the work was completed, so I have had to live for years now with no heating. When they come to do a lot of work to my flat, they had to take the flooring up in my bedroom, and bathroom, they had to replace part of it, due to the leaking pipes the floor and joist have very badly bowing and rioting. But due to them not fixing the leaks the rest of my floor in my bedroom has now started to sink, so I know the problem has not been fixed, also the smell of damp as soon as you enter the bedroom is very bad. and this is also still ruining my belongings, I have already had to replace everything, and I am not willing to keep replacing due to things not being done, correctly. I have had around 12 surveyors to my flat each time them saying they would sort heating out for my flat and other things which has never happened therefore I have been living at my flat with no heating since the large amount of work was done. I have made many phones calls each time they just say they would send a surveyor again to look what needed doing. but how can they

keep doing this and not correct the problems, until around Jan of **2015** all the information was on their system about all the problems this now seems to be missing, I am told people will call me back but the calls never come. The last set of surveyors sent was around Nov **2014** and all work was planned to be done, the person came to see how much pipe work was needed, but no one has come to do the work, and when I call all I get told it is being looked into. When work was also carried on my flat re doing the electric, they wired in fire alarms and a Carbon Monoxide alarm, I made many calls to say these had not been fitted correctly, and due to this got carbon monoxide poisoning due to a faulty boiler and the Carbon Monoxide alarm not working. when they did come out in Nov **2014** I was left with no boiler for weeks until parts could be ordered, work was also meant to be done to rewired the incorrect rewiring of the alarms this has again not been done and I feel very unsafe. They also repaired a new dump section to my wall, but due to them not fitting the under-laying problems with other flats this has again come back. I believe to leaking pipe work. I have told the council many **1770,**
times about the other flats but nothing has been done and this is causing my heath to suffer badly this is
now just not good enough. They were also meant to repair my back-door window this is not just a back door it has windows each side to it. That has a large hole around the window frame where you can see outside. this was also meant to be fixed and has not been. the other day I got up to a large amount of water on the floor due to the hole around the frame of the window and it had been raining this has happened more than once due to this and it raining. also, the window in my bedroom does not lock and needs a new hinge. Also, where the police kicked of my front door, I give the CAD number to get this address as my front door is not safe nothing again has been done to sort this. Also, the new toilet wish was fitting is not secure I have had this repaired once already but it still is moving around, and I feel unsafe. I just want a home to live in and to be warm and not have all these problems and for them to be addressed but I am getting nowhere, so the only option I have left is to put this complaint in. If I did not pay my rent, you would soon get me out of the flat but when it is repairs that need done nothing gets done. I am paying full rent for a flat I cannot use right; I have to sit there with covers on just to try and keep warm this is no way to live and I had enough of nothing being done. I would like a reply to this complaint within the next 14 days as I feel I have waited long enough for work to be carried out on my flat. could you please reply via this email, and also confirm you have my email?
Regards
Simon Cordell

Information for New Patients about Staff and Student Care at the Dental Institute Dental Services
The Dental Hospital at Guy's and St Thomas' NHS Foundation Trust is part of the Dental Institute which brings together Guy's and St Thomas' NHS Foundation Trust with King's College Hospital NHS Foundation Trust and King's College London.
The Dental Hospital has responsibility for the training and education of dental undergraduates, postgraduates and other professional groups supporting dentistry. To support their training, routine dental care may be provided by our dental

students or trainee dental hygienists. If this is the case, the consultant in charge of the clinic will assess your condition and decide whether you are suitable to have your dental care managed by a trainee. You will then be asked if you wish to receive treatment by a student. If you decide not to accept the offer of treatment by a student, there is a possibility that the hospital will not be able to offer you non-specialist dental care.
Dental clinics are situated either in Tower Wing at Guy's Hospital or the Dental Polyclinic at St Thomas' Hospital. The location of your clinic will be clearly stated in your appointment letter. Please check carefully which hospital you are due to attend.
Staff Clinics
The Dental Hospital staff clinics provide only highly specialised opinion and treatments, which cannot otherwise be provided in general or community dental practices.
Student Clinics
The hospital offers the opportunity for general dental care by students. Your treatment may be provided by, a number of dental students, depending on the treatment needs. In order to qualify for this service, you cannot be undergoing Dental treatment elsewhere or be registered with a General Dental Practitioner in the community. The service is accessed via booking and attending an assessment clinic appointment. After the initial appointment you will be informed whether treatment will be available in the student clinics. All student care is provided under close supervision from senior dental staff
New Patients to the Dental Hospital
Please note all new appointments are for initial assessment only. You will need to be prepared to spend up to 3 hours or more for ail investigations to be earned out. You will then be advised whether treatment can be offered. You may therefore wish to bring some reading material with you to ease the wait.
Medical History
The aim of your first appointment is to make a provisional diagnosis of your condition. Hence it is essential for us to take a thorough history of your problem as well as documenting your medical history. Please bring with you any information regarding your medical history that

Please note that siblings, a relative or family friend cannot give consent, even if they hold a letter of authorisation from die parent legal guardian.
You should where possible bring along any x-ray pictures of your child's teeth taken recently by your dentist. This may avoid repeating unnecessary x-rays or having to postpone treatment decisions until these x-rays can be sent to us and will also help to reduce the waiting time on the day of your visit.

It is truly tragic that the Enfield Councils and the Enfield Homes inclusive of the Metropolitans constabulary left the occupiers of 117 Burncroft Avenue without any form of support in regards to their Child's protection when I notified them of my concerns and video evidence of the legal guardians consecutive while amoral behaviour of criminal attempts, as for the child protection Act 1989 states that in section 27 of that act it requires all local authority as a must to assist in the protection of children, since the young child's birth the child legal mother and father have provoked a Critical emergency needed for the Mental stability of themselves to get questioned as for the complete absinth of the disregard for life itself, as the Article 2 of the human Right Act 1998 explains within its context, as I am Confident that the child is in danger alongside many of my other witness towards the child's legal guardians stability and Mental stability. The overseeing authorities should have contacted the Social Services the earliest opportunity in pursuit of the Social Workers Act 1981!

I refer to your enquiry regarding your request to be exempt from 19.5% Council tax liability. According to our records, you are currently not in receipt of the required welfare benefit that would entitle you to full Council Tax Support. Whilst I appreciate your comments regarding the delay in changing your benefit status, until I receive information from the Department of Work and Pensions that you are in receipt of the correct benefit that will give you full Council Tax exemption, I am unable to change my records and the 19.5% Council Tax liability remains payable. Hi Martin
Just giving you an update Simon has called to try and speak to you today to make a late payment on his insurance as he was a day late. could you please make sure someone calls us to make the payment?
As for KGM they are now dealing and addressing the issues, but it took me to start cc my emails to them to Lloyds. He has been having it really hard due to all this insurance with KGM and the courts, and not being able to drive half the time this policy has been in place due to them keep revoking his driving licence, until the courts then sort it and put it back in place. They have again revoked his driving licence this is the 3 time. I have had to get a solicitor now to help with the cases of no insurance because I seem to be getting nowhere. And also, to deal with the appeal case for the 14/11/**2013**. I do have the audio now from KGM that proves the police officer lied and some letters I will attach to this email just so you are updated. I can't send the audio due to most places will not accept that file type. So, I have included the transcript that the solicitor done Could you please also address doing your section 9 witness statement about the calls for the 14/11/**2013** as the appeal case is due to be heard on the 05/03/**2015**. Could you also please send over a copy of Simon no claims please?

Re: MR SIMON CORDELL Hospital No: 4663127Q

Thank you for asking me to see this patient he was seen on my clinic on the 4th March. The patient presented a few years ago following trauma to his upper anterior region and it was agreed to provide bridges. Sadly, he was unable to attend and since this time his upper anterior teeth remain unrestored. The UR2 has a crown preparation and is unrestored and the UL3 has a composite. Elsewhere his mouth is a reasonable condition but there are increased probing depths in the molars in the upper jaw approaching 5-6 mm. It is important that this is reduced and treated prior to any intervention on his upper anterior teeth. I would therefore be grateful if you would give him oral hygiene instruction and hygiene and then ensure that the probing depths have reduced in which case, I would be happy to see him again with a view to apply for implants. In the intervening period he would like an upper denture to replace the upper anterior teeth and I would be grateful if you would provide that.
Kind regards Yours sincerely,

Dear Dentist
Thank you for referring your patient to the Restorative Dentistry Group at Kings Dental Institute at Guy's and St Thomas Hospitals. Unfortunately, we are unable to accept the referral because:
(a) There is insufficient clinical information about your patient for us to assess this referral.
(b) There appears to be no clinical indication for the patient to receive specialist dental treatment at a hospital. If this should not be an accurate interpretation of your letter, please re-refer with detailed clinical reasons. We recommend that you refer your patient to another colleague within the general dental services or to the Community Dental Service. Our guidelines for referral are available on http://www.guysandstthomas.nhs.uk/services/ambulatory/dental/dental.aspx If however, you only require an opinion, please re-refer the patient.
(c) Our normal policy is not to accept patients for replacement of veneers, crowns or bridges. Please re-refer if you wish us to see your patient to provide advice on such replacements and please let your patient know that the consultation is for advice only.
(d) From your letter it appears that although this patient requires specialist treatment, they do not fall within our guidelines for hospital treatment. I would therefore advise a referral to a Specialist either in Practice or in the Community Dental Service, if available. A list of specialists is available on the GDC website gdc-uk.org. Hi Martin
Just giving you an update Simon has called to try and speak to you today to make a late payment on his insurance as he was a day late. could you please make sure someone calls us to make the payment.
As for KGM they are now dealing and addressing the issues, but it took me to start cc my emails to them to Lloyds.
He has been having it really hard due to all this insurance with KGM and the courts, and not being able to drive half the time this policy has been in place due to them keep revoking his driving licence, until the courts then sort it and put it back in place. They have again revoked his driving licence this is the 3 time. I have had to get a solicitor now to help with the cases of no insurance because I seem to be getting nowhere. And also, to deal with the appeal case for the 14/11/2013. I do have the audio now from KGM that proves the police officer lied and some letters I will attach to this email just so you are updated.
I can't send the audio due to most places will not accept that file type. So, I have included the transcript that the solicitor done
Could you please also address doing your section 9 witness statement about the calls for the 14/11/2013 as the appeal case is due to be heard on the 05/03/2015.
Could you also please send over a copy of Simon no claims please?

I look forward to hearing from you.

Waking me up by stamping above my head!
Loud and aggressive banging in the bathroom got worse and this got achieved by slamming objects on to the floor with evil intent of criminal actions!

Continually, repeating to flushing the toilet when I am in the bathroom being sick in my toilet because they made me ill!
Dropping articles on to their own wooden flooring to make loud banging noises!
No one would stop them from abusing me!
It leaves me humiliated when any person visits my home and saw the damp issues with my rented property, I continue to have the same feeling when I want to speak in private in my home, as we have to whisper to keep our conversations private from the estate's other residents!
An innovation of my privacy!

Dear Ned Johnson
Thank you for the reply to the freedom of information act I put in. I do however believe there is a lot of data that has been left out, so maybe I need to clarify the data that is being requested. To information is regarding Disused or abandoned buildings or any industrial estates buildings or open-air land. For the dates all of **2013** to date. This would include all data if there were occupiers/squatters in said building/parties/raves. This would include the dates these buildings/Disused or abandoned buildings/ or any industrial estates was first known to the Environment & Street Scene Department.
• All information would cover all wards boundaries for Enfield Council.

Information is also needed for some areas within the Enfield Council borough.
• Within the area of Pretoria Road N.
• Within the area of A406.
• Within the area of Montagu Road.
• Within the area of Meridian Way.
• Within the area of Ponders End Train Station.
• Within the area of Woodall Road.
• Within the area of Wharf Road.
• Within the area of Millmarsh Lane.
• Within the area of A10 Great Cambridge Road.
• Within the area of Crown Road.
• Within the area of Southbury Road.
The information would cover if police were in attendance, if calls were made to the Environment & Street Scene Department by police, and any police officer information that the Environment & Street Scene Department holds about any police officer. This information would also include any calls that were made from the Environment & Street Scene
1805,
Department to police in relation to any Disused or abandoned buildings or any industrial estates buildings or open-air land that the Environment & Street Scene Department felt could have a problem with. There is also an issue with the information in your email
18/5/14: 3 calls after event
19/5/14: 6 calls after event
21/5/14: 1 call after event
But have not given the date of the event itself, are the below layout ones was when events have taken place as it just has calls at the end of the dates could you please clarify
31/5/14: 2 calls
1/6/14: 6 calls
Also, in your email it seems that there was more of a problem with crown road over some months but from how I am reading your email it seems no one ever attended from the Environment & Street Scene Department on any of the dates in your list can this also be clarified in more detail. I know you have until the 10/03/**2015** to supply the information I have asked for. But I do feel your email was very incomplete, I do hope that I have not got to wait 20 more days now as I need all the data by 10/03/**2015** and I did ask for all information and I feel that has not been given. Could you get back to me via email as to the time it will take to get all the information I have asked for within my request?

Date: 08 March **2015** 16:07:00

Dear Michael/Josey

This is the reply to the new information in statement from police about the stop on the 23/11/**2014** On this date Simon was at home with his friend josh, they were working on bits for the company to try and take Simon mind of things Simon at this stage was really unwell and unstable. I believe this started on the 22/11/**2014** it would seem police was at Simon Flat outside tiring to get in this was late at night. They could not get the code to the main door and went back to the police station where they seem to have got Simon mobile number and made calls trying to get the code for his main door. They did say it was police and Simon got very scared why the police wanted his door code to get in to see him and they would not give a reason. This did not just scare the life out of Simon but also Josh. and Simon just wanted to get out of the flat. He would not even use his car as he was so scared of what was going on, he did not even know for fact it was the police that had made the calls to his mobile. Him and josh left the flat and would not even go the way he as a rule uses to get to my house. They went down Green Street over the train station and walked down Mollison Ave then got on to the river lee and walked along to come out by ponders end train station where they were meeting his sister Deon in a cab to get them to my house. It was really raining that night and then they got here they was very wet. I made calls to the police in fact 3 calls as I put a complaint in at what was going on as the police for some reason at this stage kept going to his flat for unknown reasons and he was not stable enough and very scared and was not coping. I did let Josey know what was going on each time. Please see attached calls to 101 calls that was made I have cut them out of my phone bill but do have my full phone bill saved. This is without all the phone calls Simon made himself to police there is lists of them. and he has some police officers' numbers. In the end an inspector stag I think his name was called and at 1st spoke to Simon, I was still not happy with what was going on so again made a call and asked for the inspector to call me back which he did some time later that day I think, on that call it lasted around 1 hour maybe a little longer I explained everything that was going on with the police and Simon on that call and he said he would get the police to stop going to his Flat. The police did pull Josh and Simon that night which also made Simon very scared even more. they asked Simon and Josh what they were up to Simon told the police why they were out that they was scared due to the calls they had for his main door code and said the person that called said it was the police, at this they told him they was in fact the ones that had made the calls to him. But did not still tell him the reason they wanted to see him at his Flat. I do believe the police was watching and just doing all this to intimidate him as they knew he was really not well at this time. They did a search on both Simon and Josh and did checks then let them go. Simon and josh were not on drugs the pair of them was really scared at what was going on, and Simon was really unstable. The police are taking the piss adding this in the ASBO and I want the complaint calls and call info. And I want the audio of this how dare they say this they knew how ill Simon was and just kept pushing it. the police were going so far with going round his Flat all the time for no reason, when people went out to do an assessment it was late when they got there they called me and said why are the police there I said I did not know why but I was really upset due to the police was not stopping with him. Simon was going mad and the assessment team told the police to leave him alone. I was still on the phone at the time to the assessment team and they asked the police why they was there, I heard what the police told them why they was there, they said they had a call from 1st they said 112 then they said 122 then they gave a next door number, which I did not hear right they did not know what to say to the assessment team they was mixing everything up. the police left but due to the state Simon was in the assessment team felt it better to leave and not upset him any more than he was already due to what the police was doing just keep turning up at his Flat for no reason. The assessment team went to Simon Flat the next day with no luck to getting to see him they spoke to him at the door but Simon would not open the door, they could clearly see he was not stable at all and did not want to push it. So, left he kept saying the police just need to leave him alone he not done anything and was not leaving his flat. The assessment team left it around a week I think before they tried again this time Simon did let them in and spoke to them this was on the 25/11/**2015**

1810,

On Friday the 12/12/**2015** the police went to Kemp hall committee centre looking for Simon again. And they still pop up now and then just to keep him at a low and not feel safe. The police know full well what they are doing and know they have been breaking the law. I would also like to address this issue as I know this is going into court tomorrow re discloser. I want to seek an injunction against the Met Police under the European Convention on Human Rights. I want an application to put in tomorrow for High Court for an interim order under the Protection from Harassment Act, Article 6 of ECHR is a person's right to a fair hearing. If information is withheld from the court that would show your son is innocent with the intention of causing a guilty verdict to be returned, that is perverting the course of the justice/conspiracy to pervert the course of justice and, quite possibly, misconduct in public office/conspiracy to commit misconduct in public office on the part of those involved, if police officers, local government officers, civil servants, government officers. Where a verdict or decision is made by a court as a result of pertinent information being withheld and which no court or judge would have made had that pertinent information been made available, the verdict/decision is said to be perverse. It also goes against natural justice. Any public authority or person whose function is known to be public, like a police officer, who acts in a way that is incompatible with a person's rights under the European Convention on Human Rights, acts unlawfully according to Section 6(1), Human Rights Act 1998. The other day, I reckoned up the breaches of ECHR against your family by the Met Police. They have violated at least 22 different rights under ECHR. I suspect there are multiple violations of these rights. It is one of the worst cases of human rights violations by police I

have come across. If this were to be revealed in an open court, Sir Bernard Hogan-Howe would be forced to resign or be sacked. His position would be untenable. There is also evidence of repeated racial discrimination and profiling, as well as harassment. This is what they are doing by withholding the information from the public order unit at Scotland Yard also known as National Public Order Intelligence Unit. And the Judge needs to know this tomorrow. Under Article 6 of ECHR is a person's right to a fair hearing. Discloser should be given if the discloser they are trying not to give would cause a guilty verdict in this case it will. And I have a lot more information that needs to be added. Under the ECHR rules that the court must look at. The fact is the police have it on their systems that these dates was not Simon but due to how much the police hate Simon and my family they have made up statements that will found him guilty knowing that not to be fact. They are using CADs from a next party they let go on yet Crown Road parties had been going on for months. And add all the CADs from these parties to the one they are saying Simon and Tyrone set up knowing this is not fact. And again, setting my family up when they have this information at the public order unit at Scotland Yard as to who set this party up and all the others. If this does not show how much the police hate my family, I don't think nothing else will and they are getting away with it and nothing is getting done all we are told is Simon is going to get this ASBO there is nothing he can do but grass up people to show he did not do this why should he have to give names out. The police already have them. The Burglary from **2013**/**2014** the police let a person get away with insurance fraud, they pined everything on to Simon but new in the Feb **2013** police allowed people to walk out with loads of things, destroyed the evidence they took from Simon home from the start and did not say anything until the judge found him not guilty a year after it started. Yet he was on 6 bail conditions for nearly a year one of them for failing to surrender which we already know should not be on his record as it was dismissed at court. My family has had this for years and the police just get away with it all the time since Simon was 15 years old, they have not left off his back which then affected Tyrone and the whole family. Years of abuse by the police over and over again when will this stop, I can't allow Simon to take any more his heath is not up to this any longer. And that's all due to what the police have done over many years to this family. I am not saying Simon has done nothing in his life as I know that not facts. But what the police have done is beyond any reasons. Yes, I am upset and this time I am not letting this go into court and not letting the judge know what is going on, His PNC has errored the police has not left him alone, the police have lied they set him up. This needs to stop Josey has known how it's been over these years she been there seen it heard it and saw it. something needs to be done

1811,

Simon does not feel safe, and tbh, I worry all the time for his safety I should not need to be like this all the time. Could you please reply and let me know what is going to be done in court tomorrow who is going to be there and about the discloser that is going to be asked for.

Regards

Lorraine

It is unlikely that the court/police will receive these documents in time before the hearing. I would suggest printing 3 copies of each of them and bringing them to court tomorrow, then seeking advice from your instructed barrister.
Kind regards,

Hi Michael/Josey
I can only print one copy as I don't have the paper to prink of 3 of each. I could put it on a laptop or USB pen and bring that to court.
I am shocked as until today we could not understand why the police kept updating their statements it was not until Michael explained in court it is only the statements the court goes by.
Also are you sure the CPS has all the documents as they said they have only had one Email in court today and nothing else.
Does this mean they do not have anything not even the list of all the people in the ASBO to attend that we asked for.
I am worried due to when they made the interim hearing no one turned up, but Josey did say they all should have been there even then ask it was asked for. As a lot of paperwork was sent over due to the 1st full hearing when it could not go ahead.
It is worrying as it seemed to say today by what they said they did not have anything only just one email.
Did you ever hear back from the CPS about the discloser re the Public Order Unit at Scotland Yard?
Regards

Subject: RE: Public complaint by your son Simon Cordell
Dear Victoria McQueen
My son had his appeal on the 05/03/2015 which he won; the judge was not happy with the police officer as it was proved he did in fact lie, the judge did in fact tell the police office not to leave the court building. And in fact we did not show all the facts we did have the complaint will need updating to show this police officer lied to 2 judges and in fact got my son convicted wrongly by lying to the 1st hearing judge and got my son banned from driving and points and a fine, and within his statement which the judge noted had not been dated and the fact there were no 101 books for the officer for this day. The ticket was also lost by the police that was issues on the day the police officer started this which was on the 14/11/2014.
The judge sitting at the court was not happy, and in fact stopped the hearing as he could clearly see what the police officer had done. the judges went out and when they came back, they told my son he had won his case, the judge then spoke to the CPS about having the real statement and documents from the police officer that day and that the audio files needed to stay on file. he also told the CPS he was not happy about the police officer and this had to be passed on to the right person. Which the CPS said he would do.
We are not happy about what this officer did and the cost it has caused my son and stress to his heath, my sons insurance was going to close his insurance down for no reason only due to what the police office said, days making calls to the police stations trying to prove my son did in fact have no tools in his van on that day, him having to go to the compound where the van was taken to just so they could call his insurance company to prove there were not tools that would have made my son's insurance void, all this due to the police actions on that day for no reason why did he need to lie, days going to court and hearing a police officer lie in 2 courts. I will again be writing an update to the IPCC about what this officer has done.
Could you please get back to me so this complaint can now be started I think the police officer should be changed for what he has done. If anyone else lied in court not just once but 2 times they would end up in prison a police officer doing this is one of the worse cases. And there was no reason for what he did the only reason I can think of is due to my son being mixed raced.

Ms Cordell,
I tried to call you today to ask you a question about your son's complaint. I was unable to get hold of you.
Please can you reply and let me know if your son is disputing his penalty notice or not. If he has requested a Court hearing (which his complaint would tend to indicate) the complaint will be classed as 'subjudice' which
means it will be put on hold until Court proceedings are complete.

Lorraine/Simon,
It is unlikely that the court/police will receive these documents in time before the hearing. I would suggest printing 3 copies of each of them and bringing them to court tomorrow, then seeking advice from your instructed barrister.
Kind regards,

I have asked for a freedom of information request for the data within my emails, I do think there is more dates the Enfield Council are aware of with regards to not just the premises that has been listed below within wards boundaries for Enfield Council. I therefore am asking for an internal review request.

Dear Ms. Cordell,
In terms of the number of events there was one further rave that took place on 25th March **2013** at Progress Way, other than this occurrence I have provided you with the dates and locations of all the illegal raves/parties that are recorded on our database as well as all other data we hold that you requested. The rave on March 25th, 2013 was attended by the Out of Hours Noise Team, assistance was requested from the police, but they were unable to help on that occasion. The events at Crown Road were over a period of several weeks not months, during which time we were in regular contact with the new site owners who worked to get the site secured and the power turned off. The Out of Hours Noise Team undertook observations of the noise during the event on May 31st/June 1st but did not visit the party as the team decided that it was unsafe to do so due to the nature and location of the event and provided information to the daytime officer

who ensured the owners undertook the necessary works. The complaints received on Sunday June 8th were all received after the council's Out of Hours Service had finished at 03:00 and therefore no response was possible. The Out of Hours Team respond to all complaints received but will only visit a premise where it is safe for them to do so and in the case of illegal raves/parties quite often there are officer safety issues which prevent visits at night time during the event, unless police support can be gained. Following illegal raves/parties we do make every effort to get a building secured as soon as possible to prevent the same thing happening again.
Yours sincerely

Dear Ned Johnson
Thank you for the reply to the freedom of information act I put in. I do however believe there is a lot of data that has been left out, so maybe I need to clarify the data that is being requested. To information is regarding Disused or abandoned buildings or any industrial estates buildings or open-air land. For the dates all of **2013** to date. This would include all data if there were occupiers/squatters in said building/parties/raves. This would include the dates these buildings/Disused or abandoned buildings/ or any industrial estates was first known to the Environment & Street Scene Department.

- All information would cover all wards boundaries for Enfield Council.
- Information is also needed for some areas within the Enfield Council borough.
- Within the area of Pretoria Road N.
- Within the area of A406.
- Within the area of Montagu Road.
- Within the area of Meridian Way.
- Within the area of Ponders End Train Station.
- Within the area of Woodall Road.
- Within the area of Wharf Road.
- Within the area of Millmarsh Lane.
- Within the area of A10 Great Cambridge Road.
- Within the area of Crown Road.
- Within the area of Southbury Road.

The information would cover if police were in attendance, if calls were made to the Environment & Street Scene Department by police, and any police officer information that the Environment & Street Scene Department holds about any police officer. This information would also include any calls that were made from the Environment & Street Scene Department to police in relation to any Disused or abandoned buildings or any industrial estates buildings or open-air land that the Environment & Street Scene Department felt could have a problem with. There is also an issue with the information in your email
1859,
18/5/14: 3 calls after event
19/5/14: 6 calls after event
21/5/14: 1 call after event
But have not given the date of the event itself, are the below layout ones was when events have taken place as it just has calls at the end of the dates could you please clarify
31/5/14: 2 calls
1/6/14: 6 calls
Also, in your email it seems that there was more of a problem with crown road over some months but from how I am reading your email it seems no one ever attended from the Environment & Street Scene Department on any of the dates in your list can this also be clarified in more detail. I know you have until the 10/03/**2015** to supply the information I have asked for. But I do feel your email was very incomplete, I do hope that I have not got to wait 20 more days now as I

need all the data by 10/03/**2015** and I did ask for all information and I feel that has not been given. Could you get back to me via email as to the time it will take to get all the information I have asked for within my request?
Regards

1st instalment due 21/10 for £298.45 (double collection to bring account up to date as the 1st facility cancelled due to default and a new facility was set hence the double collection) -rejected Reapplied 31/10/**2014** for £298.45 + £30.00 default fee - payment successful
2nd instalment due 19/11 for £149.21 - rejected

As the 4th payment was never made the account cancelled on the 10/02/**2015** with a balance owed of £996.37 We then arranged a revised payment plan for the outstanding amount of £996.37 of 1 instalment of £180.00 & 4 instalments of £204.09, below are the payments which have currently been made on the revised payment plan:
£180.00 paid 11/02/**2015** £204.09 paid 13/03/**2015** To summarize the total collected by Close Brothers Premium Finance totals £686.87, of which £90.00 were default fees, the total paid to our office currently stands at £384.09, with 3 remaining collections due of £204.09 scheduled for 11/04/**2015**, 11/05/**2015** & 11/06/**2015**. Hi Melanie Twyman
Thank you for the below email, could I please ask for some other information please for my records. Could you please send me all details since April **2014** as to what payments were made and which polices and the name of the companies the policies applied to? The reason's as to why policies where stopped and if any charges was included to policies being stopped. From my records he had policies started with:
Policy plan started on the 14/04/**2014** deposit paid on this one. Could you confirm the deposit paid?
And how much 1 month insurance with them should have cost, I have been told by yourself you lost money due to this policy the problem is I do not understand why still we was never told this by Martin the 1st time we knew you had lost money on this policy was when I spoke to you. Policy plan took the insurance cover out knowing the 2 claims was in place, it was not Simon fault that after one month into the policy starting Policy plan took issue with it and closed the policy due to this. Why is it the case you say you lost £400+ on this policy when I had paid I think around £300 deposit this would mean 1 months insurance cost over £700+ when it was Policy plan issue they knew the 2 claims was in force so why is it we was never told as we would never of allowed the amount to be paid to them knowing it was down to them they are the ones that stopped the policy not my son. 1 month later after this policy started Policy plan stopped it due to the 2 claims that where on record with KGM. But I know they knew about the claims when the policy started as Martin had told them this before they started the policy, I believe Martin also told them 1 claim was due to be removed, KGM did take their time removing this claim In the end I had to deal with it and it was removed I sent over the details to Martin and it was confirmed it was removed this should have not been kept on Simon record as he did not own the Vehicle and proved this. Could it also be confirmed this is not on record for Simon. The 2nd claim was classed as no fault later I believe could this be confirmed please. 2nd policy started 19/05/**2015** Co Vea insurance could you please tell me date these police stopped and what reason and also how much had been paid. 3rd policy started Policy plan not sure of start date of this. There should have only been 3 policies since April **2014**. But I would like all information on each of them. And all payments made. I have also been sending emails to Martin but have had no replies I have also asked him to send Simon No claims discount, but nothing has been sent. I have some real issues as said many times due to the KGM policy Simon had forked out a lot of money that he should never have had to. There are around 9 Vehicle seizers at a cost to Simon of around £1800. There are all the dates he had to go to court for no insurance due to the errors on the MID database from **2013**/**2014** while the KGM policy was in place. And due to 4 of them cases where no summons was sent, he was found guilty and points added he had his licence revoked 3 times and has not been able to drive. there is the date of the 14/11/**2013** where the police lied to KGM to void his insurance which nearly happened and due to KGM failing to deal with 3 subject access requests Simon was found guilty and banned from driving £1000 he had to paid the court and 6 points on his licence due to the police officer lied to the Judge under oath about the so called tools being in the so he was found guilty again. this went to appeal and was heard on the 05/03/**2015** but this time due to me dealing with KGM in a way I should not have had to, I did in fact get the

1871,
information that was needed to prove in fact the police officer lied, the Judge was appalled and that is using mid words as to what was said in court because once again the police officer lied under oath to the judge in fact the police officer was told not to leave the court building. Simon won this case and there is a huge complaint with the police at this time. Simon for the appeal had to pay for a barrister at the cost of £2475.00 Martin was also asked to do a witness statement for this case but failed to do so. He still has 2 more appeals for no insurance one listed for May **2015** most of his **2014**/**2015** insurance he has not been able to drive due to KGM and what they made happen to his driving licence. But I know cancelling an insurance policy after it has started would incur large costs, so we have just been paying for something he has really not been able to use. So yes, a claim for costs will be going into KGM which will be a large about of money. For what has happened to my son as he not been able to work also due to his job which he does need to drive to do this and has not been able to do so. I also believe I am now going to have to put a subject access request under the data protection act 1994 into Broadsure Direct to get all the data as Martin has stopped replying to my emails. If you can confirm the above, I would be grateful as I will need these for my record.

Hi Lorraine
As requested below are the payments which have been made to date on the Motor Trade policy from the renewal date of 19/08/**2014**:
The premium of £1452.51 was originally fully financed with Close Brothers premium Finance on an 11-monthly scheme with monthly collections of £149.21, below are the payments collected via Clos**e:**

- 1st instalment due 21/10 for £298.45 (double collection to bring account up to date as the 1st facility cancelled due to default and a new facility was set hence the double collection) -rejected Reapplied 31/10/**2014** for £298.45 + £30.00 default fee – payment successful
- 2nd instalment due 19/11 for £149.21 – rejected Card payment made on 08/12/**2014** for £179.21 (instalment plus default fee)
- 3rd instalment due 19/12/**2014** for £149.21 – rejected Card payment made on 09/01/**2015** for £179.21 (instalment plus default fee)
- 4th instalment due 19/01/**2015** for £149.21 – rejected as the 4th payment was never made the account cancelled on the 10/02/**2015** with a balance owed of £996.37

We then arranged a revised payment plan for the outstanding amount of £996.37 of 1 instalment of £180.00 & 4 instalments of £204.09, below are the payments which have currently been made on the revised payment plan:
£180.00 paid 11/02/**2015**
1872,
£204.09 paid 13/03/**2015**
To summarize the total collected by Close Brothers Premium Finance totals £686.87, of which £90.00 were default fees, the total paid to our office currently stands at £384.09, with 3 remaining collections due of £204.09 scheduled for 11/04/**2015**, 11/05/**2015** & 11/06/**2015**. I hope you find the above in order, if you have any queries please do not hesitate to contact us.
Many thanks

Dear Tracey Bullock
Thank you for the email I did in fact get your letter today dated the 09/03/**2015** ref: 29597142 I would like to ask if you have had the above update as of yet for the case listed in your letter as 26/11/**2014**, as noted in your letter. The appeal hearing was heard on the 05/03/**2015** and I won my appeal. So, this case is dealt with please see attached document from the crown court re the appeal hearing but, on their letter, even they have put the date not correct they put the 29/08/**2014** as noted that was removed by the court on the 06/10/**2014**, and I was again found guilty on the 26/11/**2014**. The appeal was for this date and not the 29/08/**2014** as I had already had this date reopened and that was removed. I am contacting the court and asking for a new letter to be sent with the right date on it as this is just a mess. I have also noted you said that the licence was revoked on the 07/02/**2015** by DVLA. Due to all the mess-up with my insurance with KGM from the **2013**/**2014** and it not showing up on the MID database, there were a list of cases that I did not get a summon for so did not know I had to attend court, and was found guilty due to not attending court, a number of calls have been made to DVLA in regards to this, this is why cases have been reopened due to the mess up with the courts and also appeals put in to the courts due to I could not take no more of the mess ups . Could you also please tell me how many points are on my licence and if it is still revoked? I believe the revoke was for the case I have just won on appeal and would believe that DVLA should have been updated to this already, so believe the revoke should not still be in place as the court has now seen the error and corrected this so I should never have been convicted and then you would never have revoked my licence, could you please confirm this by email so I know if I can drive or not and if all the points are off my licence or I still have points on there. I was trying to address all the wrong convictions against my name due to the errors in the MID I have really done nothing wrong to lose my driving licence I was insured to drive please see KGM LOI. I do understand that this will need to come from a court, but I am very upset due to everything that has happened when I had paid for my insurance to drive. I am in fact paying for insurance right now which due to this mess with the KGM insurance and the courts this has caused me to suffer badly when I should not have had to, I am in fact paying for insurance from **2014** to **2015** that I can't even use due to all this mess. So, I am insured but cannot drive. My insurance is not cheap it is costing me around £1600.00 this is not a small amount to be paying yet I cannot drive due to this mess. I do have an appeal date for the case you have dated 26/01/**2015** that is in May **2015**, but I am really suffering here due to all these errors due to the MID database not showing me as being insured. I am trying to address all of these issues and have sent 100's of emails to courts CPS and have even had to file Appeals because the cases have not been addressed correctly by the courts, I have sent my insurance documents to the courts so many times. Even the last appeal case the judge was appalled due to what has happened to me. I also know there is more dates when the courts added points etc to my driving licence and then they were removed due to me proving I was insured. I do have a claim ongoing and need to show how much this has affected my life. These have not been included in your letter, could you please look at my driving record from **2013** to date of all cases that the court added points etc and then they were removed as I need to prove the impact this has had on my life I also know there were I believe 1 or 2 more times my Licence was revoked and then put back in place due to the court updating DVLA and I do know there is more dates you have not included in your letter. Could you please get back to me by email ASAP to tell me if I am now allowed to drive or if my licence is still revoked due to the errors of the courts and Insurance Company and if any points are still on there? Could you also please confirm everything also in writing, so I do have a letter confirming everything as things are still being addressed also with the courts and there is still one appeal date?

Dear Mr Cordell

RE: Letter of Indemnity - Policy Number MT3574694

We would confirm that the policy above was incepted at 00.01 AM on the 23/2/13 and was in force until Midnight on the 22/2/14 when it lapsed.

The policy is a Road Risks Motor Trade only, cover was Comprehensive with the use permitted of Social Domestic and Pleasure and for Motor Trade purposes only. For clarity we would advise that Motor Trade Use would allow the carriage of tools required specifically for use in connection with Motor Trade activities.

Drivers under this policy were restricted to Mr Simon Cordell only.

The vehicles covered at inception of the policy were –

- Ford Zetec registration MA57LDY
- Ford Transit registration CX52JRZ

On the 8/4/13 at 11.05am the following vehicle was added to the policy –

- Renault Clio registration NA57LDY. We have since established that in fact Mr Cordell was trying to correct the registration of the Ford Zetec that his broker had incorrectly advised Underwriters was MA47LDY at policy inception. Unfortunately the broker compounded that error with these instructions as the registration number was still incorrect (NA57LDY) and on the wrong vehicle leading Underwriters to add this vehicle onto the policy in error. Eventually the correct registration of the Ford Zetec was noted.
- Please note that whilst the registration of the Ford Zetec was incorrect on the policy record and on the Motor Insurers Database for some time as a result of the above error, Underwriters would confirm that in the event of any incident Mr Cordell would have been fully indemnified subject to the terms of this policy.

We understand that Mr Cordell was subjected to a number of Police stops during the policy period whilst driving these vehicles. The stops were due to these vehicles not showing as insured on the Motor Insurers Database (MID). We would confirm that it's a requirement for Motor Insurers to upload details of all insured policies & vehicles to the MID, the targets set are 95% of policies to be on the MID within 14 days for Motor Trade policies and 95% of vehicles to be on the MID within 21 days for Motor Trade. Accordingly we can note that whilst this database is very effective, it's not real time and not 100% accurate.

We have carried out an investigation to understand why Mr Cordells vehicles were not on the MID leading to these Police stops. It has been established that there is a "bug" in our system when copying and pasting a registration with a space in it into the policy record, that results in an unsuccessful upload to the MID. It does not happen when we receive data electronically or when manually inputting data and was something we were unaware of until this case. We have of course changed our processes to prevent this occurring again.

The unfortunate outcome for Mr Cordell of course was that it appeared to the Police that he was driving uninsured and was subjected to unnecessary Police stops. This was not Mr Cordells fault in any way as he had a valid Insurance policy in force and was fully insured to drive these vehicles for the purposes permitted under this policy during the policy period.

As stated above this policy was in force from 00.01 AM on the 23/2/13 and was in force until Midnight on the 22/2/14. We have been asked to specifically confirm that it was in force on the 14/11/2013 for both the Ford Zetec registration MA57LDY and the Ford Transit registration CX52JRZ.

We trust this letter meets the requirements of the Police and the Courts. Should you require any further assistance please do not hesitate to contact us.

Yours sincerely,

Dear Tracey Bullock
Thank you for the email I did in fact get your letter today dated the 09/03/**2015** ref: 29597142 I would like to ask if you have had the above update as of yet for the case listed in your letter as 26/11/**2014**, as noted in your letter. The appeal hearing was heard on the 05/03/**2015** and I won my appeal. So, this case is dealt with please see attached document from the crown court re the appeal hearing but, on their letter, even they have put the date not correct they put the 29/08/**2014** as noted that was removed by the court on the 06/10/**2014**, and I was again found guilty on the 26/11/**2014**. The appeal was for this date and not the 29/08/**2014** as I had already had this date reopened and that was removed. I am contacting the court and asking for a new letter to be sent with the right date on it as this is just a mess. I have also noted you said that the licence was revoked on the 07/02/**2015** by DVLA. Due to all the mess-up with my insurance with KGM from the **2013**/**2014** and it not showing up on the MID database, there were a list of cases that I did not get a summon for so did not know I had to attend court, and was found guilty due to not attending court, a number of calls have been made to DVLA in regards to this, this is why cases have been reopened due to the mess up with the courts and also appeals put in to the courts due to I could not take no more of the mess ups . Could you also please tell me how many points are on my licence and if it is still revoked? I believe the revoke was for the case I have just won on appeal and would believe that DVLA should have been updated to this already, so believe the revoke should not still be in place as the court has now seen the error and corrected this so I should never have been convicted and then you would never have revoked my licence, could you please confirm this by email so I know if I can drive or not and if all the points are off my licence or I still have points on there. I was trying to address all the wrong convictions against my name due to the errors in the MID I have really done nothing wrong to lose my driving licence I was insured to drive please see KGM LOI. I do understand that this will need to come from a court, but I am very upset due to everything that has happened when I had paid for my insurance to drive. I am in fact paying for insurance right now which due to this mess with the KGM insurance and the courts this has caused me to suffer badly when I should not have had to, I am in fact paying for insurance from **2014** to **2015** that I can't even use due to all this mess. So, I am insured but cannot drive. My insurance is not cheap it is costing me around £1600.00 this is not a small amount to be paying yet I cannot drive due to this mess. I do have an appeal date

for the case you have dated 26/01/**2015** that is in May **2015**, but I am really suffering here due to all these errors due to the MID database not showing me as being insured. I am trying to address all of these issues and have sent 100's of emails to courts CPS and have even had to file Appeals because the cases have not been addressed correctly by the courts, I have sent my insurance documents to the courts so many times. Even the last appeal case the judge was appalled due to what has happened to me.

1881,

I also know there is more dates when the courts added points etc to my driving licence and then they were removed due to me proving I was insured. I do have a claim ongoing and need to show how much this has affected my life. These have not been included in your letter, could you please look at my driving record from **2013** to date of all cases that the court added points etc and then they were removed as I need to prove the impact this has had on my life I also know there were I believe 1 or 2 more times my Licence was revoked and then put back in place due to the court updating DVLA and I do know there is more dates you have not included in your letter. Could you please get back to me by email ASAP to tell me if I am now allowed to drive or if my licence is still revoked due to the errors of the courts and Insurance Company and if any points are still on there?

Could you also please confirm everything also in writing, so I do have a letter confirming everything as things are still being addressed also with the courts and there is still one appeal date?

Regards

Simon Cordell

Time: All-Day and All-Night whenever they knew that I was indoors!

They forced me to suffer when I provided the correct evidence, as they wanted me to go through tortures act of criminal intent caused by them self the staff and members of my neighbours for their own self gain with no compliance to legislation!
The Enfield Homes and the Enfield Council staff aloud the occupiers of 117 and 113 and 111 Continued to be victimizing me by
Loud and truculent banging in the bathroom got worse and this got achieved by slamming objects on to the floor with evil intent of malefactor actions!
Then victimizing me with intent of using the same repeated items of the building fixtures to have tortures effects on me within my rented home is unfair living circumstances!
Jumping up and down on the floor above wherever they can tell that I am present below!
Banging with objects onto the internal main buildings walls and floors, so to intimidate surely me and maybe others living close by whom may be present to an extent only worthwhile for the perpetrators selfless glory, In them perpetrators knowing that their behaviour would only leave all those getting victimized towards getting left by their wrongful actions as to being put into a state of a mental health patient and not rightfully with this occurring within mine and their rented or paid for homes!

Dear Mr Cordell
Thank you for your Email, please see attached letter to the Crown Court to which we are awaiting a reply. Your driving licence was revoked due to it not being returned for updating with the latest hearing details of the 26/01/**2015**, however as a gesture of goodwill due to incorrect information being provided by the Crown Court, we will lift this revocation to enable you to drive pending the outcome of your case. In the meantime, you will need to forward your licence to us for updating, we appreciate you are returning to court regarding this offence in May, however by law the information needs to be updated onto your current driving licence until this date. Should your appeal be successful we will then issue you with a free replacement licence. In reply to your query regarding the points on your record I can confirm there are 6 points for the IN10 offence of the 20/05/**2014** and 6 points for the IN10 offence for the 01/01/**2014**, however these can be removed when instructed by the Court. I hope this information will be helpful.

1883,
Subject: RE: DVLA, Mr Cordell
Dear Tracey Bullock
Thank you for the email I did in fact get your letter today dated the 09/03/**2015** ref: 29597142 I would like to ask if you have had the above update as of yet for the case listed in your letter as 26/11/**2014**, as noted in your letter. The appeal hearing was heard on the 05/03/**2015** and I won my appeal. So, this case is dealt with please see attached document from the crown court re the appeal hearing but, on their letter, even they have put the date not correct they put the 29/08/**2014** as noted that was removed by the court on the 06/10/**2014**, and I was again found guilty on the 26/11/**2014**. The appeal was for this date and not the 29/08/**2014** as I had already had this date reopened and that was removed. I am contacting the court and asking for a new letter to be sent with the right date on it as this is just a mess. I have also noted you said that the licence was revoked on the 07/02/**2015** by DVLA. Due to all the mess-up with my insurance with KGM from the **2013**/**2014** and it not showing up on the MID database, there were a list of cases that I did not get a summon for so did not know I had to attend court, and was found guilty due to not attending court, a number of calls have been made to DVLA in regards to this, this is why cases have been reopened due to the mess up with the courts and also appeals put in to the courts due to I could not take no more of the mess ups . Could you also please tell me how many points are on my licence and if it is still revoked? I believe the revoke was for the case I have just won on appeal and would believe that DVLA should have been updated to this already, so believe the revoke should not still be in place as the court has now seen the error and corrected this so I should never have been convicted and then you would never have revoked my licence, could you please confirm this by email so I know if I can drive or not and if all the points are off my licence or I still have points on there. I was trying to address all the wrong convictions against my name due to the errors in the MID I have really done nothing wrong to lose my driving licence I was insured to drive please see KGM LOI. I do understand that this will need to come from a court but I am very upset due to everything that has happened when I had paid for my insurance to drive. I am in fact paying for insurance right now which due to this mess with the KGM insurance and the courts this has caused me to suffer badly when I should not have had to, I am in fact paying for insurance from **2014** to **2015** that I can't even use due to all this mess. So, I am insured but cannot drive. My insurance is not cheap it is costing me around £1600.00 this is not a small amount to be paying yet I cannot drive due to this mess. I do have an appeal date for the case you have dated 26/01/**2015** that is in May **2015**, but I am really suffering here due to all these errors due to the MID database not showing me as being insured. I am trying to address all of these issues and have sent 100's of emails to courts CPS and have even had to file Appeals because the cases have not been addressed correctly by the courts, I have sent my insurance documents to the courts so many times. Even the last appeal case the judge was appalled due to what has happened to me. I also know there is more dates when the courts added points etc to my driving licence and then they were removed due to me proving I was insured. I do have a claim ongoing and need to show how much this has affected my life. These have not been included in your letter, could you please look at my driving record from **2013** to date of all cases that the court added points etc and then they were removed as I need to prove the impact this has had on my life I also know there were I believe 1 or 2 more times my Licence was revoked and then put back in place due to the court updating DVLA and I do know there is more dates you have not included in your letter. Could you please get back to me by email ASAP to tell me if I am now allowed to drive or if my licence is still revoked due to the errors of the courts and Insurance Company and if any points are still on there? Could you also please confirm everything also in writing, so I do have a letter confirming everything as things are still being addressed also with the courts and there is still one appeal date?

Dear Tracey Bullock
Thank you for the reply to my email. Can you please tell me which case the 20/05/**2014** was for and what court dealt with it please and what date it was dealt on by the court as this was not included in your letter and I knew nothing about this case until today so I will have to contact the court who dealt with this and get it addressed, as I was insured. I know about the date of the 01/01/**2014** as this one is going to appeal please see the appeal date letter attached. This one is going to appeal on the 14/05/**2015** at Harrow crown court. The date of the 14/11/**2013** has had the appeal hearing and this was won on the 05/03/**2015** which you should have had the information from the court to remove this case from your records. But I know there were more dates that cases were heard at court and I was found guilty and points were added and then removed since **2013** to date it is these dates I would like included to show the problems I have had when paying for insurance and errors due to it not showing on the MID database as I was in fact insured. Sorry for the time this is taking it is such a mess as dates was not sent nor summons and I was found guilty when I was insured, I have written so many emails to the courts and CPS but don't get replies all I want is to get all these cases sorted so there is no points on my licence and back to normal.

Dear Tracey Bullock
Thank you for the reply to my email. Can you please tell me which case the **20/05/2014** was for and what court dealt with it please and what date it was dealt on by the court as this was not included in your letter and I knew nothing about this case until today so I will have to contact the court who dealt with this and get it addressed, as I was insured. I know about the date of the **01/01/2014** as this one is going to appeal please see the appeal date letter attached. This one is going to appeal on the **14/05/2015** at Harrow crown court. The date of the **14/11/2013** has had the appeal hearing and this was won on the **05/03/2015** which you should have had the information from the court to remove this case from your records. But I know there were more dates that cases was heard at court and I was found guilty and points were added and then removed since **2013** to date it is these dates I would like included to show the problems I have had when paying for insurance and errors due to it not showing on the MID database as I was in fact insured. Sorry for the time this is taking it is such a mess as dates was not sent nor summons and I was found guilty when I was insured, I have written so many emails to the courts and CPS but don't get replies all I want is to get all these cases sorted so there is no points on my licence and back to normal.

Thank you for your Email, please see attached letter to the Crown Court to which we are awaiting a reply. Your driving licence was revoked due to it not being returned for updating with the latest hearing details of the **26/01/2015**, however as a gesture of goodwill due to incorrect information being provided by the Crown Court, we will lift this revocation to enable you to drive pending the outcome of your case. In the meantime, you will need to forward your licence to us for updating, we appreciate you are returning to court regarding this offence in May, however by law the information needs to be updated onto your current driving licence until this date. Should your appeal be successful we will then issue you with a free replacement licence. In reply to your query regarding the points on your record I can confirm there are 6 points for the IN10 offence of the **20/05/2014** and 6 points for the IN10 offence for the **01/01/2014**, however these can be removed when instructed by the Court. I hope this information will be helpful.

Dear Tracey Bullock

Thank you for the email I did in fact get your letter today dated the **09/03/2015** ref: 29597142 I would like to ask if you have had the above update as of yet for the case listed in your letter as 26/11/**2014**, as noted in your letter. The appeal hearing was heard on the 05/03/**2015** and I won my appeal. So, this case is dealt with please see attached document from the crown court re the appeal hearing but, on their letter, even they have put the date not correct they put the **29/08/2014** as noted that was removed by the court on the 06/10/**2014**, and I was again found guilty on the **26/11/2014.** The appeal was for this date and not the 29/08/**2014** as I had already had this date reopened and that was removed. I am contacting the court and asking for a new letter to be sent with the right date on it as this is just a mess. I have also noted you said that the licence was revoked on the **07/02/2015** by DVLA. Due to all the mess up with my insurance with KGM from the **2013**/**2014** and it not showing up on the MID database, there were a list of cases that I did not get a summon for so did not know I had to attend court, and was found guilty due to not attending court, a number of calls have been made to DVLA in regards to this, this is why cases have been reopened due to the mess up with the courts and also appeals put in to the courts due to I could not take no more of the mess ups . Could you also please tell me how many points are on my licence and if it is still revoked? I believe the revoke was for the case I have just won on appeal and would believe that DVLA should have been updated to this already, so believe the revoke should not still be in place as the court has now seen the error and corrected this so I should never have been convicted and then you would never have revoked my licence, could you please confirm this by email so I know if I can drive or not and if all the points are off my licence or I still have points on there. I was trying to address all the wrong convictions against my name due to the errors in the MID I have really done

1897,

nothing wrong to lose my driving licence I was insured to drive please see KGM LOI. I do understand that this will need to come from a court but I am very upset due to everything that has happened when I had paid for me insurance to drive. I am in fact paying for insurance right now which due to this mess with the KGM insurance and the courts this has caused me to suffer badly when I should not have had to, I am in fact paying for insurance from **2014** to **2015** that I can't even use due to all this mess. So, I am insured but cannot drive. My insurance is not cheap it is costing me around £1600.00 this is not a small amount to be paying yet I cannot drive due to this mess. I do have an appeal date for the case you have dated 26/01/**2015** that is in May **2015**, but I am really suffering here due to all these errors due to the MID database not showing me as being insured. I am trying to address all of these issues and have sent 100's of emails to courts CPS and have even had to file Appeals because the cases have not been addressed correctly by the courts, I have sent my insurance documents to the courts so many times. Even the last appeal case the judge was appalled due to what has happened to me. I also know there is more dates when the courts added points etc to my driving licence and then they were removed due to me proving I was insured. I do have a claim ongoing and need to show how much this has affected my life. These have not been included in your letter, could you please look at my driving record from **2013** to date of all cases that the court added points etc and then they were removed as I need to prove the impact this has had on my life I also know there were I believe 1 or 2 more times my Licence was revoked and then put back in place due to the court updating DVLA and I do know there is more dates you have not included in your letter. Could you please get back to me by email ASAP to tell me if I am now allowed to drive or if my licence is still revoked due to the errors of the courts and Insurance Company and if any points are still on there? Could you also please confirm everything also in writing, so I do have a letter confirming everything as things are still being addressed also with the courts and there is still one appeal date?

Complaint
I am writing this email due to many problems with a case that has been ongoing for no insurance the old case number was 1402647845 the new case number is 1403116916. The Problem I have been having is not getting a summon this was the 1st thing so did not know a court date and was found guilty when I did not know I was due to attend court. Many emails have been sent including my insurance I had a list of cases due to an insurance policy I had with KGM this insurance did not show up on the MID database and I had my vehicles seized around 9 times when in fact I had paid for my insurance. Then this case happened on the 20/5/**2014** this was on a new policy with a new insurance company please see attached insurance document. The insurance started on the 19/05/**2014** and I believe this is why this one was not showing on the MID on the 20/05/**2014** as it was too short a time. I have sent many emails to the CPS who do not reply but I do get the read replies so I know the emails are getting opened the only reason I got the above emails addresses was due to all the email I was sending to the main CPS and calls I was making one day I was put though to a manager of traffic CPS as I was so upset on the phone to what was going on. I explained all the problems I was having all the calls and emails that were being sent, her name was Emma O'Sullivan please see attached email. The only traffic CPS that have replied was from
CO16Mailbox.NorthProsecutionFPN@met.pnn.police.uk
a wonderful lady called Sharon Burns. I have also been sending emails to the court for the above listed case and have been including my insurance policy, I have been getting replies to my emails where I was told to file a statutory declaration which I did for this case on the 02/12/**2014** at Highbury Magistrates Court. When I came out of court, I was told to go to the court office where a lady took all the papers for the statutory declaration including a copy of my

insurance papers. I was told I would get a date in the post with a new date hearing. I have been waiting for the date to come but as of, yet I did not get one for this case. I also did not get a date for the other statutory declaration I done on the same date and that case was heard again on the 26/01/**2015** again I was found guilty and was very upset and just filed an appeal which will be heard on the 14/05/**2015** at Harrow crown court. But for the Bromley Magistrates' Court case I not had anything. For the past 4 weeks I been dealing with a lady called Tracey Bullock Administrative Officer, Court Casework1 D9 | DVLA | Swansea | SA99 1AY due to the CPS not getting back to me with what was on my driving licence. today she sent me this over

Now I got very upset as I knew I had filed the statutory declaration for this case and seeing the conviction date this was clearly wrong as I had filed the statutory declaration after this date. I made a call to the court and was told that the statutory declaration filed in error and was closed, so was never reopened. The lady I spoke to said she was going to get the file out and get the right person to call me but give me an update call just to let me know it had been done. I then got a call from a lady called Donna and while on the phone to her the other lady called me from the court to say it had been done. I told her I was on the phone to Donna and she told me that is who I needed to speak to. I was shocked to hear the lady say to me that the case was heard on the 18/12/**2014** and I was found guilty again as I did not turn up, but I have had no letters so how was I meant to show up when I did not know I needed to. But this cannot be right as looking at the information DVLA hold it is the old information to the 1st hearing, as far as I have been told by the court when a statutory declaration is filed the court would have to contact DVLA and remove the old conviction they had on file this has not been done by the court. so how could the case have been heard on the 18/12/**2014**. something is really not right here at all as it is all the old information that DVLA have on file which should have been removed when the statutory declaration was filed on the 02/12/**2014**. I would like this case looked into and set aside and it to be reopened. I would also like the summons sent to me for this case that was meant to have been sent out to me which I have never had and the letter of a hearing for the 18/12/**2014** could this please be sent via email to this email address. Also, if the court is not willing to deal with this could you please give me the right to appeal to the crown court and I will file the correct paperwork to the court. Could it also be made sure that the right CPS get the files and my insurance policy so it can be checked I was in fact insured. And an update as to what will happen as it is very upsetting that I am been found guilty for no insurance when in fact I do pay for my insurance.

Regards

639,
Dear Tracey Bullock
Thank you for the email I did in fact get your letter today dated the 09/03/2015
ref: 29597142
I would like to ask if you have had the above update as of yet for the case listed in your letter as 26/11/2014, as noted in your letter. The appeal hearing was heard on the 05/03/2015 and I won my appeal.
So this case is dealt with please see attached document from the crown court re the appeal hearing but on their letter even they have put the date not correct they put the 29/08/2014 as noted that was removed by the court on the 06/10/2014, and I was again found guilty on the 26/11/2014. The appeal was for this date and not the 29/08/2014 as I had already had this date reopened and that was removed. I am contacting the court and asking for a new letter to be sent with the right date on it as this is just a mess.
I have also noted you said that the licence was revoked on the 07/02/2015 by DVLA. Due to all the mess-up with my insurance with KGM from the 2013/2014 and it not showing up on the MID database, there were a list of cases that I did not get a summon for so did not know I had to attend court, and was found guilty due to not attending court, a number of calls have been made to DVLA in regards to this, this is why cases have been reopened due to the mess up with the courts and also appeals put in to the courts due to I could not take no more of the mess ups .
Could you also please tell me how many points are on my licence and if it is still revoked? I believe the revoke was for the case I have just won on appeal and would believe that DVLA should have been updated to this already, so believe the revoke should not still be in place as the court has now seen the error and corrected this so I should never have been convicted and then you would never have revoked my licence, could you please confirm this by email so I know if I can drive or not and if all the points are off my licence or I still have points on there.

I was trying to address all the wrong convictions against my name due to the errors in the MID I have really done nothing wrong to lose my driving licence I was insured to drive please see KGM LOI. I do understand that this will need to come from a court, but I am very upset due to everything that has happened when I had paid for my insurance to drive. So, I am insured but cannot drive. My insurance is not cheap it is costing me around £1600.00 this is not a small amount to be paying yet I cannot drive due to this mess.
I do have an appeal date for the case you have dated 26/01/2015 that is in May 2015, but I am really suffering here due to all these errors due to the MID database not showing me as being insured. I also know there is more dates when the courts added points etc. to my driving licence and then they were removed due to me proving I was insured. I do have a claim ongoing and need to show how much this has affected my life. These have not been included in your letter, could you please look at my driving record from 2013 to date of all cases that the court added points etc. and then they were removed as I need to prove the impact this has had on my life I also know there were I believe 1 or 2 more times my Licence was revoked and then put back in place due to the court updating DVLA and I do know there is more dates you have not included in your letter.
Could you please get back to me by email ASAP to tell me if I am now allowed to drive or if my licence is still revoked due to the errors of the courts and Insurance Company and if any points are still on there?
Could you also please confirm everything also in writing, so I do have a letter confirming everything as things are still being addressed also with the courts and there is still one appeal date?

Simon Cordell

Dear Tracey Bullock
Thank you for the reply to my email.
Can you please tell me which case the 20/05/2014 was for and what court dealt with it please and what date it was dealt on by the court as this was not included in your letter and I knew nothing about this case until today so I will have to contact the court who dealt with this and get it addressed, as I was insured.
I know about the date of the 01/01/2014 as this one is going to appeal please see the appeal date letter attached. This one is going to appeal on the 14/05/2015 at Harrow crown court.
The date of the 14/11/2013 has had the appeal hearing and this was won on the 05/03/2015 which you should have had the information from the court to remove this case from your records.
But I know there were more dates that cases was heard at court and I was found guilty and points were added and then removed since 2013 to date it is these dates I would like included to show the problems I have had when paying for insurance and errors due to it not showing on the MID database as I was in fact insured.
Sorry for the time this is taking it is such a mess as dates was not sent nor summons and I was found guilty when I was insured, I have written so many emails to the courts and CPS but don't get replies all I want is to get all these cases sorted so there is no points on my licence and back to normal.

Dear Mr Cordell
Thank you for your Email, please see attached letter to the Crown Court to which we are awaiting a reply.
Your driving licence was revoked due to it not being returned for updating with the latest hearing details of the 26/01/2015, however as a gesture of goodwill due to incorrect information being provided by the Crown Court we will lift this revocation to enable you to drive pending the outcome of your case. In the meantime you will need to forward your licence to us for updating, we appreciate you are returning to court regarding this offence in May, however by law the information needs to be updated onto your current driving licence until this date.
Should your appeal be successful we will then issue you with a free replacement licence.

In reply to your query regarding the points on your record I can confirm there are 6 points for the IN10 offence of the 20/05/2014 and 6 points for the IN10 offence for the 01/01/2014, however these can be removed when instructed by the Court.
I hope this information will be helpful.

Dear Tracey Bullock
Thank you for the email I did in fact get your letter today dated the 09/03/2015
ref: 29597142
I would like to ask if you have had the above update as of yet for the case listed in your letter as 26/11/2014, as noted in your letter. The appeal hearing was heard on the 05/03/2015 and I won my appeal.
So this case is dealt with please see attached document from the crown court re the appeal hearing but on their letter even they have put the date not correct they put the 29/08/2014 as noted that was removed by the court on the 06/10/2014, and I was again found guilty on the 26/11/2014. The appeal was for this date and not the 29/08/2014 as I had already had this date reopened and that was removed. I am contacting the court and asking for a new letter to be sent with the right date on it as this is just a mess.
I have also noted you said that the licence was revoked on the 07/02/2015 by DVLA. Due to all the mess-up with my insurance with KGM from the 2013/2014 and it not showing up on the MID database, there were a list of cases that I did not get a summon for so did not know I had to attend court, and was found guilty due to not attending court, a number of calls have been made to DVLA in regards to this, this is why cases have been reopened due to the mess up with the courts and also appeals put in to the courts due to I could not take no more of the mess ups .
Could you also please tell me how many points are on my licence and if it is still revoked? I believe the revoke was for the case I have just won on appeal and would believe that DVLA should have been updated to this already, so believe the revoke should not still be in place as the court has now seen the error and corrected this so I should never have been convicted and then you would never have revoked my licence, could you please confirm this by email so I know if I can drive or not and if all the points are off my licence or I still have points on there.
I was trying to address all the wrong convictions against my name due to the errors in the MID I have really done nothing wrong to lose my driving licence I was insured to drive please see KGM LOI. I do understand that this will need to come from a court, but I am very upset due to everything that has happened when I had paid for my insurance to drive.
644,
I am in fact paying for insurance right now which due to this mess with the KGM insurance and the courts this has caused me to suffer badly when I should not have had to I am in fact paying for insurance from 2014 to 2015 that I can't even use due to all this mess. So, I am insured but cannot drive. My insurance is not cheap it is costing me around £1600.00 this is not a small amount to be paying yet I cannot drive due to this mess.
I do have an appeal date for the case you have dated 26/01/2015 that is in May 2015, but I am really suffering here due to all these errors due to the MID database not showing me as being insured. I am trying to address all of these issues and have sent 100's of emails to courts CPS and have even had to file Appeals because the cases have not been addressed correctly by the courts, I have sent my insurance documents to the courts so many times.
Even the last appeal case the judge was appalled due to what has happened to me.

I also know there is more dates when the courts added points etc. to my driving licence and then they were removed due to me proving I was insured. I do have a claim ongoing and need to show how much this has affected my life. These have not been included in your letter, could you please look at my driving record from 2013 to date of all cases that the court added points etc. and then they were removed as I need to prove the impact this has had on my life I also know there were I believe 1 or 2 more times my Licence was revoked and then put back in place due to the court updating DVLA and I do know there is more dates you have not included in your letter.
Could you please get back to me by email ASAP to tell me if I am now allowed to drive or if my licence is still revoked due to the errors of the courts and Insurance Company and if any points are still on there?
Could you also please confirm everything also in writing, so I do have a letter confirming everything as things are still being addressed also with the courts and there is still one appeal date?

To Whom It May Concern:
Complaint
I am writing this email due to many problems with a case that has been ongoing for no insurance the old case number was 1402647845 the new case number is 1403116916.
The Problem I have been having is not getting a summon this was the 1st thing so did not know a court date and was found guilty when I did not know I was due to attend court.

Many emails have been sent including my insurance I had a list of cases due to an insurance policy I had with KGM this insurance did not show up on the MID database and I had my vehicles seized around 9 times when in fact I had paid for my insurance.
Then this case happened on the 20/5/2014 this was on a new policy with a new insurance company please see attached insurance document. The insurance started on the 19/05/2014 and I believe this is why this one was not showing on the MID on the 20/05/2014 as it was too short a time.
I have sent many emails to the CPS who do not reply but I do get the read replies so I know the emails are getting opened the only reason I got the above emails addresses was due to all the email I was sending to the main CPS and calls I was making one day I was put though to a manager of traffic CPS as I was so upset on the phone to what was going on. I explained all the problems I was having all the calls and emails that were being sent, her name was Emma O'Sullivan please see attached email. The only traffic CPS that have replied was from CO16Mailbox-.NorthProsecutionFPN@met.pnn.police.uk a wonderful lady called Sharon Burns.
I have also been sending emails to the court for the above listed case and have been including my insurance policy, I have been getting replies to my emails were I was told to file a statutory declaration which I did for this case on the 02/12/2014 at Highbury Magistrates Court.
When I came out of court, I was told to go to the court office where a lady took all the papers for the statutory declaration including a copy of my insurance papers. I was told I would get a date in the post with a new date hearing. I have been waiting for the date to come but as of, yet I did not get one for this case.
I also did not get a date for the other statutory declaration I done on the same date and that case was heard again on the 26/01/2015 again I was found guilty and was very upset and just filed an appeal which will be heard on the 14/05/2015 at Harrow crown court.
But for the Bromley Magistrates' Court case I not had anything.
For the past 4 weeks I been dealing with a lady called Tracey Bullock Administrative Officer, Court Casework1 D9 | DVLA | Swansea | SA99 1AY due to the CPS not getting back to me with what was on my driving licence. today she sent me this over
Dear Mr Cordell
The Court case with the offence date of the 20/05/2014 is as follows:
South East London Magistrates' Court Date of Conviction - 06/11/2014 Offence - IN10 Date of Offence - 20/05/2014 **648,**
Fine - £600 Points - 6

Telephone no - 020 8437 3500 Hope this information is of help to you

Court Case work

Now I got very upset as I knew I had filed the statutory declaration for this case and seeing the conviction date this was clearly wrong as I had filed the statutory declaration after this date. I made a call to the court and was told that the statutory declaration filed in error and was closed, so was never reopened. The lady I spoke to said she was going to get the file out and get the right person to call me but give me an update call just to let me know it had been done.
I then got a call from a lady called Donna and while on the phone to her the other lady called me from the court to say it had been done. I told her I was on the phone to Donna and she told me that is who I needed to speak to.
I was shocked to hear the lady say to me that the case was heard on the 18/12/2014 and I was found guilty again as I did not turn up, but I have had no letters so how was I meant to show up when I did not know I needed to. But this cannot be right as looking at the information DVLA hold it is the old information to the 1st hearing, as far as I have been told by the court when a statutory declaration is filed the court would have to contact DVLA and remove the old conviction they had on file this has not been done by the court. so how could the case have been heard on the 18/12/2014. something is really not right here at all as it is all the old information that DVLA have on file which should have been removed when the statutory declaration was filed on the 02/12/2014.
I would like this case looked into and set aside and it to be reopened.
I would also like the summons sent to me for this case that was meant to have been sent out to me which I have never had and the letter of a hearing for the 18/12/2014 could this please be sent via email to this email address.
Also, if the court is not willing to deal with this could you please give me the right to appeal to the crown court and I will file the correct paperwork to the court.
Could it also be made sure that the right CPS get the files and my insurance policy so it can be checked I was in fact insured.
And an update as to what will happen as it is very upsetting that I am been found guilty for no insurance when in fact I do pay for my insurance.
Regards
Lorraine Cordell Simon Cordell

Dear All,

Please could you kindly assist Lorraine Cordell on behalf of her son Simon Cordell. They believe that a number of summons have been issued against Simon for the offence of no insurance since 2013 due to an error made by the insurance company as per the attached letter. Unfortunately, due to Simon not always receiving the summons/adjournment notice they are unsure how many cases have been issued against him and are trying to get them all reopened and listed before court to be heard together in light of the above. Please would you be able to check your database and confirm to the email address below the number of cases with reference number, court, and conviction date. have also spoken to her on the phone and informed Lorraine that she will need to contact the court directly to make application to reopen/stat decs, which she can only do so once the information has been obtained.
The only matter the cps are currently aware of is for the case ref J63181495 which is listed for appeal at Kingston Crown Court 05/03/15.
If you are unable to advise her on summons that have been issued on her son, please could you kindly advise her where she could obtain the information.

Subject: RE: Simon Cordell
To whom it may concern:
I am writing this email due to the number of problems I have been having due to a policy of insurance I had with KGM insurance which did not show up on the MID database in the week it was fine as I carried my insurance documents with me at all times and the insurance company could be called, but the problems was when the insurance company was closed as the police could not contact them.
My mum Lorraine Cordell and I have sent many emails to the courts with my insurance documents, but there have been cases where I have not had a summons. So did not know about cases and they have been heard at court and I was found guilty of no insurance.
I have done statutory declarations at court including my insurance documents and this still has not corrected anything. One of the statutory declarations was again heard at court on the 26/01/2015 which again I did not know about for Willesden Magistrates' Court. But I have sent so many emails to this court with all documents and asked for them to be checked with the police officer at court to show I was insured to drive. This has not been done I have just again been found guilty due to not getting letters of a court hearing date.
I have now also got a letter of Indemnity from KGM who I was insured with under policy number MT3574694. 00.01 AM on the 23/2/13 and was in force until Midnight on the 22/2/14 when it lapsed.
Most of the cases are with the KGM policy you will see the reason as to why in the Letter of Indemnity from KGM.
I also believe there was one case for Covea Insurance PLC policy number MT10 021608047 it was not showing on the MID due to the stop was the day after I took the policy out.
Please can any cases be set aside and reopened and looked into and any other cases that have been heard for no insurance under these policies of insurance be addressed.
You will in due cause be hearing from my solicitor, she is trying to address all the cases, but this is taking time. She has seen all the emails I have sent trying to address these issues and feels more should have been done as it would have only

taken for the insurance policies to be checked and this would have stopped a waste of time and money for the courts, and myself at this time she wants to just appeal all cases to the crown court. which would again be a waste of money for the courts. and again, of my time.
But this is having an effect on my life my driving licence has been revoked 3 times for no insurance, when in fact I have always had insurance to drive and would not drive if I did not have insurance.
Please see attached documents
653,
Could you get back to me as soon as possible by way of email, as it does seem there is an issue with my post and not getting letters that was meant to be sent to me? I am taking this up with the royal mail.

The tenants of 117 and 113 and 111 Continued to be victimizing me by
Waking me up in the morning banging above my head then Jumping up and down on the floor above where ever they can tell that I am present below all day long while slamming the water taps on and of shaking all the water pipes in the building!
117 Slamming the main, communal ingress door closed!
117 and 113 Slamming their own living room, door closed!
117 and 113 Slamming their own bedroom, door closed!
While victimizing me with intent of utilizing the same reiterated items of the building fixtures to have tortures effects on me within my rented habitation is inequitable living circumstances!

Summary!

Dear Michael
Please see attached document from Enfield Council. So, Progress Way was used before as you can see from the email below it was 1st used on the 25/03/**2013** so way before 06th 07th 08th June **2014** I also know they are withholding dates back and locations. So, asked for this to go for independent review which I was hoping the data would have been back by now, but I only just got an email today please see attached. I asked for the independent review on the 10/03/**2015** and from that date they have 20 working days to deal with it. I think also the council have got something to answer to here also. maybe they could not go without police to locations at Crown road when there was a party taking place, but they knew people was living in the said building as their homes. And therefore, could have arranged for someone to attend the

building within the weekdays and they could have served a noise abetment order at any time within the time the parties were on going. They do not need a person name to serve a noise abatement order to an occupier. So, what the police are saying about they need a name is untrue and I know this is a fact. Also, the council only say in the last email about one date for a party at Crown road when clearly you can see from the list there was a lot more of them. Maybe the council were working with the new owner but why was a noise abatement order never served on the occupiers. I think maybe they need to be asked to attend court as clearly, they are not doing their job in the correct way. But we will see as information comes in maybe you could put a request for data to them as clearly a freedom of information is very limited.

Dear Ms. Cordell,
In terms of the number of events there was one further rave that took place on 25th March **2013** at Progress Way, other than this occurrence I have provided you with the dates and locations of all the illegal raves/parties that are recorded on our database as well as all other data we hold that you requested. The rave on March 25th, 2013 was attended by the Out of Hours Noise Team, assistance was requested from the police but they were unable to help on that occasion. The events at Crown Road were over a period of several weeks not months, during which time we were in regular contact with the new site owners who worked to get the site secured and the power turned off. The Out of Hours Noise Team undertook observations of the noise during the event on May 31st/June 1st but did not visit the party as the team decided that it was unsafe
1913,
to do so due to the nature and location of the event and provided information to the daytime officer who ensured the owners undertook the necessary works. The complaints received on Sunday June 8th were all received after the council's Out of Hours Service had finished at 03:00 and therefore no response was possible. The Out of Hours Team respond to all complaints received but will only visit a premise where it is safe for them to do so and in the case of illegal raves/parties quite often there are officer safety issues which prevent visits at night time during the event, unless police support can be gained. Following illegal raves/parties we do make every effort to get a building secured as soon as possible to prevent the same thing happening again.

To information is regarding Disused or abandoned buildings or any industrial estates buildings or open-air land. For the dates all of **2013** to date. This would include all data if there were occupiers/squatters in said building/parties/raves. To Whom It May Concern:
Complaint
I am writing this email due to many problems with a case that has been ongoing for no insurance the old case number was 1402647845 the new case number is 1403116916. The Problem I have been having is not getting a summon this was the 1st thing so did not know a court date and was found guilty when I did not know I was due to attend court. Many emails have been sent including my insurance I had a list of cases due to an insurance policy I had with KGM this insurance did not show up on the MID database and I had my vehicles seized around 9 times when in fact I had paid for my insurance. Then this case happened on the 20/5/**2014** this was on a new policy with a new insurance company please see attached insurance document. The insurance started on the 19/05/**2014** and I believe this is why this one was not showing on the MID on the 20/05/**2014** as it was too short a time. I have sent many emails to the CPS who do not reply but I do get the read replies so I know the emails are getting opened the only reason I got the above emails addresses was due to all the email I was sending to the main CPS and calls I was making one day I was put though to a manager of traffic CPS as I was so upset on the phone to what was going on. I explained all the problems I was having all the calls and emails that were being sent, her name was Emma O'Sullivan please see attached email. The only traffic CPS that have replied was from
mailto: Check front
a wonderful lady called Sharon Burns. I have also been sending emails to the court for the above listed case and have been including my insurance policy, I have been getting replies to my emails where I was told to file a statutory declaration which I did for this case on the 02/12/**2014** at Highbury Magistrates Court. When I came out of court, I was told to go to the court office where a lady took all the papers for the statutory declaration including a copy of my insurance papers. I was told I would get a date in the post with a new date hearing. I have been waiting for the date to come but as of yet I did not get one for this case. I also did not get a date for the other statutory declaration I done on the same date and that case was heard again on the 26/01/**2015** again I was found guilty and was very upset and just filed an appeal which will be heard on the 14/05/**2015** at Harrow crown court. But for the Bromley Magistrates' Court case I not had anything.
1927,
For the past 4 weeks I been dealing with a lady called Tracey Bullock Administrative Officer, Court Casework1 D9 | DVLA | Swansea | SA99 1AY due to the CPS not getting back to me with what was on me driving licence. today she sent me this over
Dear Mr Cordell
The Court case with the offence date of the 20/05/**2014** is as follows: -
South East London Magistrates' Court
Date of Conviction – 06/11/**2014**
Offence – IN10
Date of Offence – 20/05/**2014**
Fine - £600

Hope this information is of help to you
Tracey Bullock
Administrative Officer
Court Casework1 D9 | DVLA | Swansea | SA99 1AY
Now I got very upset as I knew I had filed the statutory declaration for this case and seeing the conviction date this was clearly wrong as I had filed the statutory declaration after this date. I made a call to the court and was told that the statutory declaration filed in error and was closed, so was never reopened. The lady I spoke to said she was going to get the file out and get the right person to call me but give me an update call just to let me know it had been done. I then got a call from a lady called Donna and while on the phone to her the other lady called me from the court to say it had been done. I told her I was on the phone to Donna and she told me that is who I needed to speak to. I was shocked to hear the lady say to me that the case was heard on the 18/12/**2014** and I was found guilty again as I did not turn up, but I have had no letters so how was I meant to show up when I did not know I needed to. But this cannot be right as looking at the information DVLA hold it is the old information to the 1st hearing, as far as I have been told by the court when a statutory declaration is filed the court would have to contact DVLA and remove the old conviction they had on file this has not been done by the court. so how could the case have been heard on the 18/12/**2014**. something is really not right here at all as it is all the old information that DVLA have on file which should have been removed when the statutory declaration was filed on the 02/12/**2014**. I would like this case looked into and set aside and it to be reopened. I would

also like the summons sent to me for this case that was meant to have been sent out to me which I have never had and the letter of a hearing for the 18/12/**2014** could this please be sent via email to this email address.

The Enfield Council and the Enfield Homes employees aloud the occupiers of 117 and 113 and 111 Continued to victimizing me by
Victimizing me by Banging above the Barth to which I get into, once they understand that I have ceased running the dihydrogen monoxide for my bath to be yare, this is after they wait for any other tail, tail signs that I have gotten divested and marinated within the dihydrogen monoxide, engendering a brutal attack against my person in their wrongful self-gains!
Loud and truculent banging in the bathroom got worse and this got achieved by slamming objects on to the floor with evil intent of malefactor actions!
Then victimizing me with intent of using the same repeated items of the building fixtures to have tortures effects on me within my rented home is unfair living circumstances!
Jumping up and down on the floor above where ever they can tell that I am present below!
117 Slamming the main, communal ingress door closed!
117 and 113 Slamming their own living room, door closed!
117 and 113 Slamming their own bedroom, door closed!
Banging with objects onto the internal main buildings walls and floors, so to intimidate surely me and maybe others living close by whom may be present to an extent only worthwhile for the perpetrators selfless glory, In them perpetrators knowing that their behaviour would only leave all those getting victimized towards getting left by their wrongful actions as to being put into a state of a mental health patient and not rightfully with this occurring within mine and their rented or paid for homes!

I am writing this email due to many problems with a case that has been ongoing for no insurance the old case number was 1402647845 the new case number is 1403116916. The Problem I have been having is not getting a summon this was the 1st thing so did not know a court date and was found guilty when I did not know I was due to attend court. Many emails have been sent including my insurance I had a list of cases due to an insurance policy I had with KGM this insurance did not show up on the MID database and I had my vehicles seized around 9 times when in fact I had paid for my insurance. Then this case happened on the 20/5/**2014** this was on a new policy with a new insurance company please see attached insurance document. The insurance started on the 19/05/**2014** and I believe this is why this one was not showing on the MID on the 20/05/**2014** as it was too short a time. I have sent many emails to the CPS who do not reply but I do get the read replies so I know the emails are getting opened the only reason I got the above emails addresses was due to all the email I was sending to the main CPS and calls I was making one day I was put though to a manager of traffic CPS as I was so upset on the phone to what was going on. I explained all the problems I was having all the calls and emails that were being sent, her name was Emma O'Sullivan please see attached email. The only traffic CPS that have replied was from

a wonderful lady called Sharon Burns. I have also been sending emails to the court for the above listed case and have been including my insurance policy, I have been getting replies to my emails where I was told to file a statutory declaration which I did for this case on the 02/12/**2014** at Highbury Magistrates Court. When I came out of court, I was told to go to the court office where a lady took all the papers for the statutory declaration including a copy of my insurance papers. I was told I would get a date in the post with a new date hearing. I have been waiting for the date to come but as of yet I did not get one for this case. I also did not get a date for the other statutory declaration I done on the same date and that case was heard again on the 26/01/**2015** again I was found guilty and was very upset and just filed an appeal which will be heard on the 14/05/**2015** at Harrow crown court. But for the Bromley Magistrates' Court case I not had anything. For the past 4 weeks I been dealing with a lady called Tracey Bullock Administrative Officer, Court Casework1
D9 | DVLA | Swansea | SA99 1AY due to the CPS not getting back to me with what was on my driving licence.
today she sent me this over
Dear Mr Cordell
The Court case with the offence date of the 20/05/**2014** is as follows: -
South East London Magistrates' Court
Date of Conviction – 06/11/**2014**
Offence – IN10
Date of Offence – 20/05/**2014**
Fine - £600
Points – 6
South East London Magistrates' Court
Bromley Magistrates' Court
1941,
London Road
Bromley
Kent BR1 1RQ
Telephone no - 020 8437 3500
Hope this information is of help to you
Tracey Bullock
Administrative Officer

Court Casework1 D9 | DVLA | Swansea | SA99 1AY
Now I got very upset as I knew I had filed the statutory declaration for this case and seeing the conviction date this was clearly wrong as I had filed the statutory declaration after this date. I made a call to the court and was told that the statutory declaration filed in error and was closed, so was never reopened. The lady I spoke to said she was going to get the file out and get the right person to call me but give me an update call just to let me know it had been done. I then got a call from a lady called Donna and while on the phone to her the other lady called me from the court to say it had been done. I told her I was on the phone to Donna and she told me that is who I needed to speak to. I was shocked to hear the lady say to me that the case was heard on the 18/12/**2014** and I was found guilty again as I did not turn up, but I have had no letters so how was I meant to show up when I did not know I needed to. But this cannot be right as looking at the information DVLA hold it is the old information to the 1st hearing, as far as I have been told by the court when a statutory declaration is filed the court would have to contact DVLA and remove the old conviction they had on file this has not been done by the court. so how could the case have been heard on the 18/12/**2014**. something is really not right here at all as it is all the old information that DVLA have on file which should have been removed when the statutory declaration was filed on the 02/12/**2014**. I would like this case looked into and set aside and it to be reopened. I would also like the summons sent to me for this case that was meant to have been sent out to me which I have never had and the letter of a hearing for the 18/12/**2014** could this please be sent via email to this email address. Also, if the court is not willing to deal with this could you please give me the right to appeal to the crown court and I will file the correct paperwork to the court. Could it also be made sure that the right CPS get the files and my insurance policy so it can be checked I was in fact insured. And an update as to what will happen as it is very upsetting that I am been found guilty for no insurance when in fact I do pay for my insurance.

Complaint
I am writing this email due to many problems with a case that has been ongoing for no insurance the old case number was 1402647845 the new case number is 1403116916.
The Problem I have been having is not getting a summon this was the 1st thing so did not know a court date and was found guilty when I did not know I was due to attend court.
Many emails have been sent including my insurance I had a list of cases due to an insurance policy I had with KGM this insurance did not show up on the MID database and I had my vehicles seized around 9 times when in fact I had paid for my insurance.
Then this case happened on the 20/5/2014 this was on a new policy with a new insurance company please see attached insurance document. The insurance started on the 19/05/2014 and I believe this is why this one was not showing on the MID on the 20/05/2014 as it was too short a time.
I have sent many emails to the CPS who do not reply but I do get the read replies so I know the emails are getting opened the only reason I got the above emails addresses was due to all the email I was sending to the main CPS and calls I was making one day I was put though to a manager of traffic CPS as I was so upset on the phone to what was going on. I explained all the problems I was having all the calls and emails that were being sent, her name was Emma O'Sullivan please see attached email. The only traffic CPS

Sections 63, 64 & 65 of the Act targeted electronic dance music played at raves. The Criminal Justice and Public Order Act empowered police to stop a rave in the open air when a hundred or more people are attending, or where two or more are making preparations for a rave. Section 65 allows any uniformed constable who believes a person is on their way to a rave within a five-mile radius to stop them and direct them away from the area; non-compliant citizens may be subject to a maximum fine not exceeding level 3 on the standard scale (£1 000). The Act got ostensibly, introduced because of the noise and disruption caused by all night parties to nearby residents, and to protect the countryside. It has also got claimed that it introduced to kill a popular youth movement that was taking many drinkers out of town centres, drinking taxable alcohol and into the fields to take untaxed drugs. The number of people attending and organising such an event for it to get deemed as illegal altered in the Anti-Social Behaviour Act 2003 section 58 to cover indoor parties and outdoor parties of over 20 people. It is also a crime if, within 24 hours of being told by a police officer to leave a rave, a

persons can make preparations to attend a rave. More recently, in the United Kingdom, Anti-Social Behaviour Orders (Asbo's) have been used against unlicensed rave organisers if the police receive repeated complaints about noise and littering from locals.

Dear Josey/Michael
I also forgot to include about the new date that the police have said on the new book they served the date for this is the **23/11/2014**

As said in my statement the police went round Simon flat this was between the 22/11/**2014** and the 23/11/**2014** they could not get the code for his main door so went back to the police station got Simon mobile number and called him to get the main code so they could get in. they would not give him any information as to why they needed to speak to him and Simon was not even sure it was the police. As Said in my statement it scared the hell out of Simon and his friend Josh and they left the flat and were stopped by police and this is what they have added to the ASBO. On the 07/03/**2015** I made a call trying to get the CAD numbers for the calls that were made on the 22/11/**2014** and the 23/11/**2014** and they were not able to help me but the CAD for that call is CAD 7115 07/03/**2015** But 2 days ago I did find the CAD number for a call I made on the 23/11/**2014** at 02:04 the CAD for this is CAD 1129 23/11/**2014** when I called to get the other CADs something funny has been done to the CADs as the lady said to me there is a list of CADs I do not want to give you that link to that CAD, I do know a complaint was put in and on the 23/11/**2015** an inspector Slag (I think his name was) called at 1st he spoke to Simon, I was not happy and then called back and the inspector called me back and we spoke for some time. Please also see attached call list from my house phone to police for the date of the 23/11/**2014**. We would like all the CADs linking and the report the inspector took. As I believe on this call, we did not just speak about that night we spoke about a lot of things.

I still have not had a reply to the below email and have not had the paper work sent to me about the public order unit that you sent and as said before I would like to see what data has been asked for to see if there is anything else that would be needed could you please send it over. Could you also tell me if a request for the information we asked for below from Essex police has been sent off yet as we would like that data. and if it has could you please send what has been written to them.

I do know Simon has spoken to Michael today and ATM we are writing up a detailed email about the reasons what he would like defined by the court that will be with you over the next few days.

Dear Michael/Josey
I just wanted to get an update as to if any information had come in from the Public Order Unit at Scotland Yard yet.
Also, could you please forward me what was sent to them so I can see what data was asked for?
Also, could you please put a request for data into Essex police? This data would be for the date leading up to the 06/06/**2014** for the party called Hippy Fest. We would also need the data for the 06/06/**2014** as to what the police did on this day, which should come back that they sent police helicopters out in the Essex area to find the location of the private party, that police helicopters did find the location and within around 10mins police was at the location. Essex police officer found the person they were looking for and handed a police dispersal order for the people that was there at the location and also an order that he could not setup within the next 24 hours. We would need a copy of any paperwork served by police on that day. We would need all names of police officer who attended we would also need all information the police noted and any names of person that they took of any people that were there. We would also need the information leading to the police knowing about this party and that should link to the Public Order Unit. Police will never have Simon name on any paperwork they hold, as Simon was never in Essex. And if police used video or anything Simon would not show up on anything as he was never there. Once we have this data, we should be able to prove that in fact it was this party was then moved to Progress Way, Enfield.

Lorraine

Afternoon Lorraine,
As mentioned earlier I have been trying to obtain a copy of the court transcript from Kingston Crown Court for Simon's appeal. I have been advised that if an email is received from Simon stating he gives permission for the transcript to be sent to me I should be in receipt of it quicker than applying through the judge. Can Simon please send an email to margaretwortco@hotmail.co.uk
stating that he gives permission for a copy of the court transcript relating to his appeal hearing on 5th March **2015** to be released to PC Jeanette Reilly. The email can come from your email address but needs Simon to sign off with his name and clearly state he gives his permission for this request.
Thank you for your help

Afternoon Lorraine,
As mentioned earlier I have been trying to obtain a copy of the court transcript from Kingston Crown Court for Simon's appeal. I have been advised that if an email is received from Simon stating he gives permission for the transcript to be sent to me I should be in receipt of it quicker than applying through the judge. Can Simon please send an email to margaretwortco@hotmail.co.uk
stating that he gives permission for a copy of the court transcript relating to his appeal hearing on 5th March **2015** to be released to PC Jeanette Reilly. The email can come from your email address but needs Simon to sign off with his name and clearly state he gives his permission for this request.
Thank you for your help

Jeanette

Thank you for taking the time to come and see us today, as you can see Simon is not great with the police and finds it very hard due to the many things that have gone on in his life due to the police and there is very little trust left for the police with the whole family. I have forwarded you in a copy of the email giving permission for the court to release the transcript to you. Could I ask once you get the transcript from the court would it be possible for us to get a copy of it please could you let me know if this would be possible or not, if you cannot I will then put a request into the court myself.

Dear Ms Ward,

I have drafted a section 9 statement as requested. Before I sign it off can you review it and confirm it satisfies all of your requirements please? As soon as you do so I will sign it off, scan a copy over to you and put the original in the post. Let me know if you need anything else and of course if you need me to amend the attached in any way.

Subject: Appeal against conviction for no insurance Regina v. Simon Paul Cordell on 5th March **2015** at Kingston Upon Thames Crown Court
Dear Mr Wood
I have been instructed by Mr Simon Paul Cordell and Miss Lorraine Cordell to assist in the appeal against conviction that is due to be heard at Kingston Upon Thames Crown Court on 5th March **2015** at 10am. Miss Cordell has played two recordings that she received from KGM which are pertinent to the appeal but at present as the telephone recordings have not been produced as an exhibit by KGM they will not be admissible at court.
Can you therefore please write a section 9 statement confirming that:
(a) all recording equipment was working correctly
(b) KGM produced two recordings at the request of Ms Lorraine Cordell
(c) Confirmation that the recording of S Cordell call from police 141113 Recording was provided by KGM from their recorded calls and is authentic
(d) Confirmation that the recording between the Car Pound and Kelly Tiller was also provided from the KGM recorded calls and is authentic
If we are in possession of a section 9 statement producing the recordings, then we will not have to apply to the court for a Third-Party Summons to compel an employee from KGM to attend to produce the recordings. This would be a complete waste of your time when all we require is a section 9 attesting to the recordings being retrieved from the system and exhibited as two separate recordings. If you require assistance with drafting a section 9 statement, then we would be happy to draft it and email it over. We would require the name of the person who retrieved the recordings. the dates that the recordings were retrieved, the dates the recordings relate = to, confirmation that the recordings were sent to Lorraine Cordell by email so that she can produce CD's of the recordings so that they can be played in court and specifically refer to the email containing the recordings so that there is continuity in the chain of evidence. Ideally, we would like KGM to produce the CD's and exhibit them but failing this we will try to get the CPS to agree the CD's as produced from the email of Miss Cordell. We stress that the section in relation to the search and retrieval of the KGM database is essential and critical to ensuring that the chain of evidence is intact. We can serve these recordings on the CPS and the Court so that they are agreed in advance of the Appeal hearing. We thank you in advance for your anticipated cooperation in this matter and hope that we do not have to apply for a Third-party Witness Summons to compel the attendance of a KGM employee at the Appeal on the 5th March **2015**.
1965.
We confirm that Miss Cordell is forwarding an email confirming that we are instructed and authorised to request this information.
Yours faithfully
MICHAEL CARROLL & CO.

Dear Jeanette
Thank you for taking the time to come and see us today, as you can see Simon is not great with the police and finds it very hard due to the many things that have gone on in his life due to the police and there is very little trust left for the police with the whole family. I have forwarded you in a copy of the email giving permission for the court to release the transcript to you. Could I ask once you get the transcript from the court would it be possible for us to get a copy of it please could you let me know if this would be possible or not, if you cannot I will then put a request into the court myself.

As mentioned earlier I have been trying to obtain a copy of the court transcript from Kingston Crown Court for Simon's appeal. I have been advised that if an email is received from Simon stating he gives permission for the transcript to be sent to me I should be in receipt of it quicker than applying through the judge. Can Simon please send an email to margaretwortco@hotmail.co.uk
stating that he gives permission for a copy of the court transcript relating to his appeal hearing on 5th March **2015** to be released to PC Jeanette Reilly. The email can come from your email address but needs Simon to sign off with his name and clearly state he gives his permission for this request. Thank you for your help

Dear Peter
Thank you for the email and I hope you had a great holiday. I am waiting for the police compound to get back to us with the data for the seizers, but they just take so long with everything. There are still court cases for no insurance that are still ongoing there are 2 left where Simon did not get any summons form the court and was found guilty due to not knowing. One is due to be heard in May **2015** and we are waiting for the last date. DVLA have now taken of the ban on the 18/03/**2015** so the insurance my son has been paying for the last year and could not be used due to this can now be used as he can drive now. But there is still the 12 points on his licence due to the other 2 court cases for no insurance DVLA do know the 12 points should not be on there in fact they have also been in contact with the courts they are not happy, but they cannot remove the points until the cases are heard in court. But an update to what happened in court case were the police officer lied was Simon won the case and the judge was very upset at the police officer and put notes that it needed addressing. The complaint is ongoing with the police office that lied, at this time that may take some time as the police officer may be charged. We won't know fully until the Serious Misconduct Investigation Unit Directorate of Professional Standards completes their investigation into what the police officer did and what the crown court judge said as the judge knows he lied to 2 judges and Simon was found guilty when he had done nothing wrong. We had a meeting about this on the 26/03/**2015** but the person dealing with this is waiting for the crown court documents as to what the judge said, we should have the court transcript from Kingston Crown Court just after the Easter holidays. I will keep you updated as to the data you need it's just waiting for it from the police compound as requests had to be made for the data, Simon did try to get the information without the requests but the police was not having it so the request had to be put in for it.

Hi peter
Great to hear you had a good holiday and yes, it is hard to get back into things once you come back from holiday. I was thinking you was aware there were more than one case, There was 1 were the police officer lied, but then due to all the seizers for no insurance I think there was 5 cases were we did not get the summons they went to court and he was found guilty for no insurance as he did not know. We have been dealing with these cases for a while with the courts. The ones we got the summons for was all fine. To me it is silly the way in which the system works it's a waste of tax payer's money, as you would think when he went to the police compound, they would note he did in fact have insurance and then that would be it but nope. 2 have been a nightmare to deal with as the courts did not send dates out the amount of emails, I have sent is a joke I have even had to put complaints into the court which really, I should have not needed to do. When I had to get the solicitors involved with the one was the police officer lied, she had to attend my home to get all the data for it. I showed her about the other cases and all the emails she could not believe her eyes and what we were going through she is helping me with the last 2 cases. It really has been a nightmare you would never want to have to deal with this. Simon Driving licence is in a mess that's why I had to get DVLA involved. And the worst part is he was insured did nothing wrong but due to the MID database error has had so many problems I think the worst part is not being able to drive and knowing you should be able to and having to pay for insurance you can't even use, not being able to work due to needing to be able to drive.

Hi Lorraine,
Fantastic holiday thanks, really great time, went by far too quickly and now it's back to normal, took me a while to get my head back in the game I must say. I didn't realise there was more than 1 court case! This is going to take some time to sort out but I'm glad to hear you got the right result on the recent case. I guess all I can say for the moment is let me know how things go and of course I will respond again after I have received and considered details of the Police stops/vehicle seizures we are waiting on.
All the best.

Complaint
I am writing this email due to many problems with a case that has been ongoing for no insurance the old case number was 1402647845 the new case number is 1403116916. The Problem I have been having is not getting a summon this was the 1st thing so did not know a court date and was found guilty when I did not know I was due to attend court. Many emails have been sent including my insurance I had a list of cases due to an insurance policy I had with KGM this insurance did not show up on the MID database and I had my vehicles seized around 9 times when in fact I had paid for my insurance. Then this case happened on the 20/5/**2014** this was on a new policy with a new insurance company please see attached insurance document. The insurance started on the 19/05/**2014** and I believe this is why this one was not showing on the MID on the 20/05/**2014** as it was too short a time. I have sent many emails to the CPS who do not reply but I do get the read replies so I know the emails are getting opened the only reason I got the above emails addresses was due to all the email I was sending to the main CPS and calls I was making one day I was put though to a manager of traffic CPS as I was so upset on the phone to what was going on. I explained all the problems I was having all the calls and emails that were being sent, her name was Emma O'Sullivan please see attached email. The only traffic CPS that have replied

Hi Lorraine,
Fantastic holiday thanks, really great time, went by far too quickly and now it's back to normal, took me a while to get my head back in the game I must say.
I didn't realise there was more than 1 court case! This is going to take some time to sort out but I'm glad to hear you got the right result on the recent case.
I guess all I can say for the moment is let me know how things go and of course I will respond again after I have received and considered details of the Police stops/vehicle seizures we are waiting on.
All the best.

Dear Peter

Thank you for the email and I hope you had a great holiday.

I am waiting for the police compound to get back to us with the data for the seizers, but they just take so long with everything.

There are still court cases for no insurance that are still ongoing there are 2 left where Simon did not get any summons form the court and was found guilty due to not knowing. One is due to be heard in May 2015 and we are waiting for the last date.

DVLA have now taken of the ban on the 18/03/2015 so the insurance my son has been paying for the last year and could not be used due to this can now be used as he can drive now. But there is still the 12 points on his licence due to the other 2 court cases for no insurance DVLA do know the 12 points should not be on there in fact they have also been in contact with the courts they are not happy, but they cannot remove the points until the cases are heard in court.

But an update to what happened in court case were the police officer lied was Simon won the case and the judge was very upset at the police officer and put notes that it needed addressing.

The complaint is ongoing with the police office that lied, at this time that may take some time as the police officer may be charged. We won't know fully until the Serious Misconduct Investigation Unit Directorate of Professional Standards completes there investigation into what the police officer did and what the crown court judge said as the judge knows he lied to 2 judges and Simon was found guilty when he had done nothing wrong. We had a meeting about this on the 26/03/2015 but the person dealing with this is waiting for the crown court documents as to what the judge said, we should have the court transcript from Kingston Crown Court just after the Easter holidays.

I will keep you updated as to the data you need it's just waiting for it from the police compound as requests had to be made for the data,

670,

Simon did try to get the information without the requests, but the police was not having it, so the request had to be put in for it.

Regards

Lorraine

Hello Lorraine,

I trust you and Simon are well.

I was wondering if you could update me on what's been happening please? I would like to make sure there is nothing else we can do and of course to bring this matter to a conclusion if we can.

Subject: Appeal against conviction for no insurance Regina v. Simon Paul Cordell on 5th March 2015 at Kingston Upon Thames Crown Court

Dear Mr Wood

I have been instructed by Mr Simon Paul Cordell and Miss Lorraine Cordell to assist in the appeal against conviction that is due to be heard at Kingston Upon Thames Crown Court on 5th March 2015 at 10am.

Miss Cordell has played two recordings that she received from KGM which are pertinent to the appeal but at present as the telephone recordings have not been produced as an exhibit by KGM they will not be admissible at court.

Can you therefore please write a section 9 statement confirming tha**t:**

all recording equipment was working correctly

KGM produced two recordings at the request of Ms Lorraine Cordell

Confirmation that the recording of S Cordell call from police 141113 Recording was provided by KGM from their recorded calls and is authentic

Confirmation that the recording between the Car Pound and Kelly Tiller was also provided from the KGM recorded calls and is authentic

If we are in possession of a section 9 statement producing the recordings, then we will not have to apply to the court for a Third-Party Summons to compel an employee from KGM to attend to produce the recordings. This would be a complete waste of your time when all we require is a section 9 attesting to the recordings being retrieved from the system and exhibited as two separate recordings.

If you require assistance with drafting a section 9 statement, then we would be happy to draft it and email it over. We would require the name of the person who retrieved the recordings. the dates that the recordings were retrieved, the dates the recordings relate to, confirmation that the recordings were sent to Lorraine Cordell by email so that she can produce CD's of the recordings so that they can be played in court and specifically refer to the email containing the recordings so that there is continuity in the chain of evidence. Ideally, we would like KGM to produce the CD's and exhibit them but failing this we will try to get the CPS to agree the CD's as produced from the email of Miss Cordell. We stress that the section in relation to the search and retrieval of the KGM database is essential and critical to ensuring that the chain of evidence is intact.

We can serve these recordings on the CPS and the Court so that they are agreed in advance of the Appeal hearing.

We thank you in advance for your anticipated co-operation in this matter and hope that we do not have to apply for a Third-party Witness Summons to compel the attendance of a KGM employee at the Appeal on the 5th March 2015.

We confirm that Miss Cordell is forwarding an email confirming that we are instructed and authorised to request this information.

673,

Yours faithfully

MICHAEL CARROLL & CO.

To Whom It May Concern:
Complaint
I am writing this email due to many problems with a case that has been ongoing for no insurance the old case number was 1402647845 the new case number is 1403116916.
The Problem I have been having is not getting a summon this was the 1st thing so did not know a court date and was found guilty
676,
when I did not know I was due to attend court.
Many emails have been sent including my insurance I had a list of cases due to an insurance policy I had with KGM this insurance did not show up on the MID database and I had my vehicles seized around 9 times when in fact I had paid for my insurance.
Then this case happened on the 20/5/2014 this was on a new policy with a new insurance company please see attached insurance document. The insurance started on the 19/05/2014 and I believe this is why this one was not showing on the MID on the 20/05/2014 as it was too short a time.
I have sent many emails to the CPS who do not reply but I do get the read replies so I know the emails are getting opened the only reason I got the above emails addresses was due to all the email I was sending to the main CPS and calls I was making one day I was put though to a manager of traffic CPS as I was so upset on the phone to what was going on. I explained all the problems I was having all the calls and emails that were being sent, her name was Emma O'Sullivan please see attached email. The only traffic CPS that have replied was from CO16Mailbox-.NorthProsecutionFPN@met.pnn.police.uk a wonderful lady called Sharon Burns.
I have also been sending emails to the court for the above listed case and have been including my insurance policy, I have been getting replies to my emails were I was told to file a statutory declaration which I did for this case on the 02/12/2014 at Highbury Magistrates Court.
When I came out of court, I was told to go to the court office where a lady took all the papers for the statutory declaration including a copy of my insurance papers. I was told I would get a date in the post with a new date hearing. I have been waiting for the date to come but as of, yet I did not get one for this case.
I also did not get a date for the other statutory declaration I done on the same date and that case was heard again on the 26/01/2015 again I was found guilty and was very upset and just filed an appeal which will be heard on the 14/05/2015 at Harrow crown court.
But for the Bromley Magistrates' Court case I not had anything.
For the past 4 weeks I been dealing with a lady called Tracey Bullock Administrative Officer, Court Casework1 D9 | DVLA | Swansea | SA99 1AY due to the CPS not getting back to me with what was on my driving licence. today she sent me this over
Dear Mr Cordell
The Court case with the offence date of the 20/05/2014 is as follows: -

South East London Magistrates' Court
Date of Conviction - 06/11/2014
Offence - IN10
Date of Offence - 20/05/2014
Fine - £600
Points - 6

677,

Now I got very upset as I knew I had filed the statutory declaration for this case and seeing the conviction date this was clearly wrong as I had filed the statutory declaration after this date. I made a call to the court and was told that the statutory declaration filed in error and was closed, so was never reopened. The lady I spoke to said she was going to get the file out and get the right person to call me but give me an update call just to let me know it had been done.
I then got a call from a lady called Donna and while on the phone to her the other lady called me from the court to say it had been done. I told her I was on the phone to Donna and she told me that is who I needed to speak to.
I was shocked to hear the lady say to me that the case was heard on the 18/12/2014 and I was found guilty again as I did not turn up, but I have had no letters so how was I meant to show up when I did not know I needed to. But this cannot be right as looking at the information DVLA hold it is the old information to the 1st hearing, as far as I have been told by the court when a statutory declaration is filed the court would have to contact DVLA and remove the old conviction they had on file this has not been done by the court. so how could the case have been heard on the 18/12/2014. something is really not right here at all as it is all the old information that DVLA have on file which should have been removed when the statutory declaration was filed on the 02/12/2014.
I would like this case looked into and set aside and it to be reopened.
I would also like the summons sent to me for this case that was meant to have been sent out to me which I have never had and the letter of a hearing for the 18/12/2014 could this please be sent via email to this email address.
Also if the court is not willing to deal with this could you please give me the right to appeal to the crown court and I will file the correct paperwork to the court.
Could it also be made sure that the right CPS get the files and my insurance policy so it can be checked I was in fact insured.
And an update as to what will happen as it is very upsetting that I am been found guilty for no insurance when in fact I do pay for my insurance.
Regards
Lorraine Cordell Simon Cordell

Morning Lorraine,
Can you please advise when you think the statement will be ready? In the meantime, can Simon please confirm the following are the areas of complaint he wishes to be investigated:
1. PC G lied to the insurance company resulting in his van being seized
2. Unlawful seizure of van
3. Unlawful arrest
4. Forced to sign a ticket for 6 penalty points on driving licence and £300 fine
5. PC G lied in court regarding contents of the van
6. No one recorded a formal complaint at the time of the original incident

Once the heads of complaint have been agreed I can establish which officer/s are involved in each part and investigate accordingly.
Many thanks
Jeanette

Dear Jeanette
Thank you for the update, the statement will be ready in the next few days to send to you it's taken me longer as I was busy dealing with something due to my late mothers' death, as its going to inquest review and we were only given 5 weeks to get everything in order. There are a lot of emails that was going back and forward to the insurance company since **2013** about this issue, and I do mean a lot as I was trying to get the information from them. Will you need all the emails or just the ones from after Simon was found guilty as that was when I went to the Financial Ombudsman and put a complaint in, this was when the insurance company started to deal with getting me the information needed. Not sure why you would need all the emails as it has already been proven Simon was insured. And was insured on the date of the 14/11/**2013**, yes, the police officer tried to make his insurance void by saying about the tools. But that was corrected when Kelly Tiller got the call from the police compound on the 26/11/**2013**. I'm sure I gave you the Letters of Indemnity from KGM to confirm he was insured. Yes, many hours have gone into proving Simon was innocent by ways of emails trying to get the data and audio from them for the courts.

I was still being victimised by the already mentioned: --
On the 11th April a 24-hour assault of cruel inhuman treatment took place against me because I was still being victimised by the already mentioned. Stan and Debra had now breached my human rights on a day to day and night to night basis this was while they were always both drunk together, this got done to an extent off an attempted manslaughter charge that would be in accordance to section 18 of that Act and would also include proof of clear intent for reasons such as; sport and/or "Cruel Inhuman treatment. I know this as I had rapidly, told them all involved that I had not been tricked by their evil banging on the floorboards and walls, even with or without foreign objects being used at different times by them; on numerous instances this contained the use of their feet and hands inclusive of other objects and fixtures. Together they would work in collaboration to maintain a 24-hour assault on myself to get overseen and managed, I continued to defend myself even more and with any extra time of peace that I got given I read into the Anti-Social Behaviour Order Case files I noticed, that these people that created the application were not good police officer's, they were criminals. I needed to safeguard myself from their actions and after contemplating on what would be the best way forward for me and anyone involved, I called the Metropolitan police 999 call centre again to ask for more advice and security and this is a copy of that conversation that got recorded then transcribed.

Intro: Welcome to the Metropolitan police introduction: --
Police Officer: Hello, police officer, what is the reason for calling us.
Simon: hello I would like to put a complaint in, and I was just wondering if you could help me do this please.
Police Officer; yes, is it a complaint against police?
Simon: yes, that is correct.
Police Officer: yes, I can take the complaint.
Simon: I would like to; can you forward an email to Jane Johnson please?
Police Officer; Jane Johnson.
Simon; yes, superintendent for Edmonton police station the commissioner.
Police Officer; let me just have a look, just one second.
Police Officer; Jane Johnson yep supper chief superintendent
Simon: yes, that is correct.
Police Officer: yes, that is ok, is this complaint that has already got made or is it that you need to make a first one?
Simon: this is just a fresh email to herself it is more of a request than a complaint at the present time but it may turn into an official complaint depending on how she decides to discipline her officers that she represents.
Police Officer; ok.
Police Officer: and that is too Jane Johnson ok go ahead with the continence and I will get the email sent to you.
Simon: my name is a Mr Simon Paul Cordell.
Police Officer; Paul Cordell
Police Officer; Cordell
Simon: yes, that is correct madam.
Simon; and.
Police Officer; and your contact number 0208-245.
Simon: yes, that is correct.
Police Officer; right go ahead.

Simon; and the issue is of concern that I have her signature at the bottom of an Asbo Order a standalone Asbo Order and there has been a lot of corruption represented in side of it, that she has instructed, a Steve Elsmore too complete an application for an Anti-Social Behaviour Order for the organisation of illegal raves and in that application there are lots of police corruption and foul play where the evidence has gotten manufactured, now I am asking her to oversee her officers that she has instructed to make such an application and then to cheek the time stamps relating to the Cad's and to check the Urn numbers that run consecutively, over an annual year period when they should not, I am asking her to oversee this and to inform me of my case being manufactured and for this it will get dropped or I am calling her, herself to the court as a witness and I will investigate myself against her also for her actions and decisions.
Police Officer; OK.
Simon; to what is allowed to happen, she is basically, the boss of all the police and she is charge of Steve Elsmore, she has told Steve Elsmore to create an application and either she told Steve Elsmore to manufacture the application in such a way and or to falsify information contained within it or she does not know that Steve Elsmore has done that and I would like her to know that Stave has done that and I would like her to decide to whether she is going to suspended him right now and give the case to somebody else to handle or what she will do and I would like her to contact me back at Re_wired@ymail.com as soon as practically, possible.
Simon: I know I was going fast, but did you manage to get the full gist of what I am explaining to you, madam.
Police Officer: yes, I got the jest I made the points for you.
Simon; so, she will contact me back at Re_wired@ymail.com as soon as practically, possible regarding how she will represent this case, because at the present time I am being held captive within my own home because she is not doing her job correctly.
Simon; I have handed in an Article six twice now sine this case started in the courts with a complete copy, if she would like to get a copy of the court case she can and contained within this is a copy of the Article six with all the drafted corruption inside it and also I have handed in three complaints, three official complaints that get issued in the police Pnc computer this will also show this information.
Police Officer; OK.
Simon: and if she would like to hold a meeting with me, I would be happy to come to the police station and show her the evidence I have.
Simon: either she is a part of the corruption or she is separate from the corruption and
for her to be separate she must do her job correctly, and this must mean that I am not
being held captive in my own home.
Police Officer; ok.
Simon: to laws that do not even exist.
Police Officer; right ok.
Police Officer; what I will do for you right now Simon is getting this email sent over to her right now, please can you confirm your email address again Re_wired@ymail.com.
Simon; thank you.
Police Officer; ok good buy.
Simon: you have a good day.

Dear Dawn Allen,
I am writing this email due to not having a reply to my email dated 19/03/**2015** I am having a great deal of problems with my neighbours who live above me, they are not letting me sleep and this is having an effect on my health I have asked before if someone could come and speak to me to address these problems and no one has. I and my mother have made many phone calls about the neighbours above my flat yet nothing is being done. Please can you get back to me as soon as possible in order to setup a meeting at my home so we can address the issues with the neighbours as soon as possible as I cannot live the way I am any longer. There is also still issues with repairs that have not been addressed.

2016,
I know they are not going to want to give us the data this is why we need to keep on their backs this way the judge can be shown how many times data has been asked for. It has been a worry the last times in court as they have said nothing was asked for at some points, even on the 10/03/**2015** they even said the request for the public order unit information was only asked for on the 28/02/**2015** when we have been asking since **2014** for this information to be asked for they said that's the only things that had been asked for and this is worrying, and is not helping Simon heath at all. Every time it's gone to court the barristers have said its down to Simon heath that things have not been done, Josey this is not the case Simon has been to every meeting and done the things he has be asked to do. If we have to keep taking it back to court to get the information, then that is what is going to have to be done. Simon is not well enough to leave this. I was thinking if we did not have the information from the police to take it back to court next week if this can be done. Please can you get back to me with an update and send over the details of what has been asked for. This is all making me ill, my heath as you know is not great already and I have many problems. I am not just dealing with this case for Simon and what the police have done to him over many years which you are aware of how Simon has been treated by the police. He is really not great also in his heath due to what the police are doing and now has totally locked himself away he don't go out from his flat anymore as he thinks the police are going to kill him, I am trying to deal with this by way of him getting everything for his business, but due to what Michael said to him he will not open it up, and the sections of the ASBO really need to be defined so he can try and carry on with something as I am running out of things to tell him that needs to be done as this is the only way to keep him claim. I got Tyrone and what the police done to him in Jan **2015** and trying to deal with all his hospital dates. I also got the appeal for Simon no insurance on the 14/05/**2015** and there will be one other date also. I got 2 complaints running with the police. And on top of that I got what happened to my mum and trying to deal with all the write ups for that as the coroner is taking it to a per inquest review on the 30/04/**2015** and everything is really getting on top of me and I am really stressed. I also got to look forward to 2 operations at the same hospital my mother passed away in, and that is stressing me out I need to try and keep on top of things as I know the 2 operation will need to be done earlier not later and I trying to fit everything around dates and things that need to be done. Please can you get back to me with an update about the information for the ASBO case and the below emails.

Lorraine,
Please find attached a copy of the Crown Court Transcript. I spoke to Becky at Margaret Wort & Co and she advised me I could send this through to you. If it asks you for a password each time you try to open the document it is: MWCO**2013** (if this doesn't work in upper case letters, try lower case)
Many thanks

Dear Jeanette
I am sorry I have not been in contact with Simon Statement but as said in an earlier email we heard from the coroner office and they are doing an inquest review on the 30/04/**2015** which was very short notice to get everything ready for this hearing, as said I been dealing with getting all my late mothers files in order to be able to deal with this which has taken me some time, I am still chancing her bloods and other things and as this means a lot to the whole family due to the way my late mother passed away my time has been spent dealing with this. We have had to wait since **2013** for this complaint to even be looked at and my son has had to suffer the wait until he proved what the police had done. There is a number of issues with this complaint we want addressed which you know, I do not feel it was correct of you to pre write Simon statement and think he would just sign it when he had not even talked to you about the complaint. If you had wished you could have taken a statement from him in the meeting which would have taken some hours but you choose not to do this, I am sure a person is meant to be there when a statement is taken by the police as it has to be what they have said. I am also still waiting for an email from the crown court with the transcript which you said the crown court would send to my email, can you tell me if you have been sent this yet also. If you have not got this is there any update to this. The statement is ready I spent the last few days writing it up when I should have been dealing with issues related to my late mother, I should have that over to you today or tomorrow in the morning. I am just waiting for Simon to say everything is correct in it and then he will sign it.
2022,
Could you please let me know you have this email and that you will in fact wait till you get the statement before handing this over? I am very busy as I still have not got everything done for the inquest review and only have a few days in order to get anything done for this also.
Regards
Lorraine

Dated the 29 day of April 2015
Signed Signature Witnessed
I am providing this statement to the Metropolitan Police Department of Professional Standards to outline my complaint regarding an incident that took place on 14th November **2013** at Brixton Hill SW2.
Throughout this statement I will refer to my vehicle which is a Ford Transit van registration CX52 JRZ. My insurance for this van is held through a broker of KGM insurance called Broadsure Direct and the following people were spoken to at some stage during this whole incident, Martin Jenkins, Jessica and Kelly Tiller along with a lot of emails to other people and calls.
My insurance policy is a Motor Trade; cover was Comprehensive with the use permitted of Social Domestic and Pleasure and for Motor Trade purposes. For clarity I would advise that Motor Trade use would allow the carriage of tools required specifically for use in connection with Motor Trade activities. I would not be insured to use my van for the carriage of goods for any company.
On the day in question I was in possession of my insurance documents.
On 14th November **2013** I was driving my van in order to attend a meeting with the owner of an up and coming night club for a prospective future job.
On driving along Brixton Hill I noticed some police on the side of the road stopping cars, I passed the 1st set of police and was not stopped, I then passed a 2nd set of police on the roadside and was not stopped, as I passed the 2nd set of police at the roadside I was around 200 yards to the place I was going to the meeting, I then pulled over parked my vehicle up just in front of them and waited in my van, while my friend got out to get something to eat and drink for us, we had got there around 13:00 hours and the meeting was set for 14:00 hours.
A police officer approached my van and said he wanted to conduct some checks on the vehicle under the Road Traffic Act. I now know this officer to be PC Geoghegan.
PC Geoghegan asked why I had stopped and I explained to him I had a meeting in the night club that we were outside, as it was due to open to the public in around 1-month time for a prospective future job as a manager of the night club. While I was there I
was also planning on asking if there were any jobs for Dean and that was the reason Dean had come with me, I explained all this to PC Geoghegan.
I knew there was an issue with the Motor Insurance Bureau and showing my vehicles as uninsured as I have encountered this problem before, and this is why I carry my insurance documents with me. I passed the police officer my insurance documents for him to check.
Signed
Witnessed By
250,
I then called my insurance company as I keep their number on me as it is not shown on my insurance documents. So that PC Geoghegan could check I was insured to drive, He spoke to Martin Jerkins from Broadsure Direct and was told I was insured PC Geoghegan did not say anything about any tools in my van to Martin Jerkins from Broadsure Direct.
PC Geoghegan did not seem happy with this; it was at this point PC Geoghegan called my insurance company again directly I overheard PC Geoghegan say I had tools in my van. Which I was upset about as I knew there were no tools in the van; PC Geoghegan had not searched my van so would not have known anything that was in my van.

By this time a second officer had now joined us, and I started talking to him and explaining the situation as to what was going on PC Geoghegan was still on the phone to the insurance company. I asked the second officer to check my van to see if there were tools in there, the second officer did this and saw my van had nothing in there.
I believe it was the 2nd officer that saw the business card at the front of my van but it is a very long time ago so I am not 100% sure, I know I spoke to the officer about the business card and told him they were made up for Dean to try and get him some work. The police officer I am sure put the business card into his own wallet to keep for himself.
PC Geoghegan then came back to me and told me I was not insured and due to this was going to seize my Van due to me using it for business use. PC Geoghegan also must have overheard me, and the other police officer talking and made a comment about the business card, I told him they were made up for Dean to try and find him work.
I was upset and called my mother to ask her to call my insurance company, Martin Jerkins called me back and again confirmed I was insured and confirmed that with the PC Geoghegan which he took no notice of.
My mother also called me back and she asked to speak to the police officer. PC Geoghegan would not speak to her, but the other police officer there spoke to my mother. This police officer did confirm there were no tools in the van to my mother. There was more than one call my mother made that day to me and spoke with the other police officer as each time PC Geoghegan would not talk to her, each time she was told by the other police officer there were no tools in my van.
PC Geoghegan did not appear to be satisfied with the fact I was insured from the start, and wanted to use anything he could think of to say I was not insured, to made up I had tools in my van knowing this would void my insurance by saying there were tools in my van when there was not, he would have known what my insurance coved as he had my insurance documents. All PC Geoghegan was saying that I was using my van for work purposes but he new this was not the case. I told him this was not the case and I was in the location for a meeting prospective future job as a manager of the night club.
I told PC Geoghegan to look inside the van to check for any working tools which he did not do, the van was empty.
PC Geoghegan asked why I had paint on my jeans, and I explained to him that I did not have the money to buy a new pair and this is why I was looking for work. I asked the officer to go into the building where I was due to have a meeting and confirm that I was not there to work but the officer refused.
I am aware that my insurance allows me to drive to a meeting as long as I am not carrying any goods for a company which I was not, and this could clearly be seen as my van was empty.
PC Geoghegan did not listen to anything I had to say, and I believe he was looking for any reason to either arrest me or seize my van from the start.
I asked PC Geoghegan to call an inspector to the roadside as I was really not happy with what was going on.
The inspector turned up very fast and also did not listen to what I had to say and only believe what PC Geoghegan had to say. The inspector did not check the van for any tools and told me if I did not agree with what PC Geoghegan had said then I could have my say and take it to court. I believe if the inspector had addressed the issues at the roadside, he would have seen there was something clearly wrong. This is his duty to do this, but he done nothing and allowed PC Geoghegan to do what he wanted knowing he did not have facts to do what he was doing, the inspector then left.
PC Geoghegan asked me to sign a ticket in order to give me 6 points on my driving licence, a £300 fine and for my van to be seized. I refused to sign the ticket as I knew I was insured so I told the officer to arrest me. I was subsequently arrested and taken to Southwark Police Station.
I was on the phone to my mother throughout this incident and the second officer, PC Smith I believe his name is, spoke to my mother and confirmed to her the van was empty.
Once at the Police Station I was told to sign the ticket, or I would be taken directly to court the next morning. I told them I was willing to attend court as I had done nothing wrong. I was forced to sign the ticket and made to leave the station. I asked to speak to an Inspector as I wished to complain about the incident, but the Inspector told me as the officers were from Brixton there was

little he could do but he would get an Inspector from Brixton to call me so I could make a formal complaint. I have not been contacted by an Inspector and I do not feel as though my situation has been taken seriously by the police.
The seizure of my van has caused me a number of problems and cost me a lot of money.
Due to PC Geoghegan informing my insurance company I had tools in my van and was doing odd jobs I received a letter to say they were cancelling my insurance policy. I was told I would need proof there were no tools in the van.
My mother and I were making a lot of calls to the police and later my mother spoke to Inspector Sally Browne, my mother was told that the police officers were now off duty until next week and I would not be able to speak to them anyway. She said that she was going to look into the matter and get back to my mother the next day which she did. It was at this point Inspector Sally Browne told my mother as we were taking the matter to court it would be for the Judge to decide on an outcome.
There were many calls to try and find the proof I needed to stop my insurance company cancelling my insurance policy. On the last call made to 101 my mother spoke to a lady that did give her some information that could help me that the

police compound my van was taken to would hold a list of any items that was in my van when it was seized by the police.
Over that weekend my mother sent emails to the police compound trying to find out the information. She got read replies back but no reply to what was being asked these emails were also forwarded to my insurance company.
On the 25 November **2013** my mother called Broadsure Direct to ask for the emails to be forwarded to Kelly Tiller at KGM and ask her if she could try and get hold of the compound and get the information. My insurance was due to be cancelled at 12:00 on the 25 November **2013**, again KGM had to extended my insurance as she also could not get the information from the police compound, and in am email I was asked to go to the police compound and get them to call Kelly Tiller and if they could not do this put a subject access request in for the information for my insurance company.
On 26th November **2013** I attended the police compound and the manager placed a call to Kelly Tiller at KGM confirming there were no tools in the van. He said if there had been any in the van when it arrived, they would have been locked away securely. Kelly Tiller requested a copy of the item list but the manager told her she would need to request this in the correct way.
I had to pay £190.00 to recover my van along with travel costs to and from the car police compound more than once to address this issue.
My mother was also trying to get all the information from KGM including the audio of the calls, she put subject access requests into KGM, but KGM was not getting back to her, there were a lot of emails sent back and forward.
In April **2014** I got a summons to go to court for this case I sent the plea form by email on the 22/05/**2014** pleading not guilty for this case. Case number 011401009802 it said in the letter if I was pleading not guilty, I would get a letter with a date for me to go to court.
I am waiting for the letter with the date which I did not get and later found out I had been found guilty due to me not attending. Emails were sent to get the case re opened which did happen.
In this time my mother was still trying to get the information from KGM and the audio for the court hearing but was not having any luck with KGM doing what they should have done.
On the 26th November **2014** at Wimbledon magistrates court, the case was heard, PC Geoghegan was there and under oath told the court false information, even when the judge asked about tools being in the Van PC Geoghegan lied and said he could not remember, why could he not remember because he had not written this in his statement the true facts so in his statement were lies. I did not at this stage have the information from KGM that would prove that PC Geoghegan was lying and was found guilty given a ban from driving, points on my driving license and a fine. The judge did say as he knew I was going to appeal if I was found guilty, that he would wait until I filled the appeal form so I went out of court filled in the appeal then went back into court and the judge granted the appeal, The judge also give me some advice that if I did not have the information I needed by the time the appeal date came from my insurance company, to go to the crown court and ask them to do a summon on the people I needed from my insurance company.
I was very upset over the way the police officer had lied under oath to the judge and the next day my mother called Broadsure Direct and spoke to Martin Jenkins he wrote an email to KGM and got a reply back that an Andrew Austin was going to deal with this matter directly. My mother sent over to Martin Jenkins what was needed including again the subject access request from
KGM.
My mother also put a complaint into Financial Ombudsman about what had been going on and the way in which the insurance company had been dealing with this.

252,
On the 30/01/**2015** my mother got by email from KGM Peter Wood the audio files for the 14/11/**2013** and the 26/11/**2013**, an email that was sent from the police compound to Kelly Tiller, and a Letter of Indemnity. The Letter of Indemnity had to be corrected as my mother wanted all the facts covered correctly the new Letter of Indemnity was sent on the 02/02/1015 by Peter Wood. We got the full subject access request from KGM at a later date. And on the 09/01/**2015** we got a witness statement from Peter Wood.
I had to get a barrister also as this time I did not want anything to go wrong and for me to be found guilty again when I had done nothing wrong.
The appeal hearing was on the 05/03/**2015** at Kingston Upon Thames Crown Court where PC Geoghegan again lied to the judge in court. But this time we had the Audio and a barrister. The judge was not happy with what PC Geoghegan did, it was also noted by the court that there was no notebook, PC Geoghegan statement was not correct and was only a copy and not dated and also the seizer ticket had been lost. The judge ordered the police officer out of his court room and not to leave the court building.
I won my appeal Upon Thames Crown Court on the 05/03/**2015**, this case has caused me a lot of problems that took over 1 year to address and correct due to what the PC Geoghegan did that day. He should never had lied and put me under the stress this case has caused me, if KGM did not record the phone calls I could be on a ban from driving and points on my license and had a fine to deal with this should never had happened.
There are a number of issues I wish to be addressed for my complaint as follows:

• Areas of complaint.
PC G blatantly lied to the insurance company resulting in his van being seized with a cost of £190.00 to get it out of the police compound and having to go up and down the compound to proof to his insurance he did not have any tools in the van, his insurance company was going to cancel his insurance policy that a lot of money had been paid PC G tried to void his insurance which I believe is corrupt and improper practice of any police officer.
Unlawful seizure of van which cost £190.00 to get it out.
Unlawful arrest I should never have been arrested as I had not done anything wrong, I believe this is Unlawful Imprisonment as he used false information knowing it to be false to arrest me.
Forced to sign a ticket for 6 penalty points on driving license and £300 fine, on top of this I was later found guilty in a court and banned from driving I believe over a £700.00 fine and points on his driving license all because PC G lied.
The inspector that came to roadside due to my son asking did not do his job as if he did, he would have seen there were in fact no tools in the van and this issue could have then been addressed. But the inspector failed in his duties to do his job, as he only wanted to hear what PC G had to say and not the real facts of the case about what his PC G did.
PC G blatantly lied in his statement he wrote about the events of that day he knew what he had told the insurance company yet failed to put this in his statement as he knew he had blatantly lied this is not a thing he could have forgot to add in his statement a few hours after the fact when he was meant to have written the statement, which he later used in court knowing they were not true facts.
I have never seen PC G notebook but do believe he wrote in a book at the roadside. I would like a copy of his notebook where he recorded the name and information when he spoke to my insurance KGM.
PC G blatantly lied in the magistrate's court to the judge with the intention of gaining a conviction and perverting the Course of Justice regarding contents of the van and also Perjury, which Simon was then found guilty, banned from driving, fined and points added to his license.
PC G blatantly lied in the Crown court to the judge at the appeal hearing with the intention of keeping the conviction the magistrate's court judge had passed, and perverting the Course of Justice, and also Perjury but was found out due to us having the audio from KGM which in fact showed the judge what the police officer had done; my son won his appeal due to this.
No one recorded a formal complaint at the time of the original incident when Simon waited at the police station and filed one after he was arrested and released from the police station.

Dear Dawn Allen

I have been sending you so many emails yet I am getting no reply nothing is being done, my son is having so many issues with the neighbours he has asked for help yet nothing is being done. My son went up to the neighbours and asked if they would please stop banging all the time, and about the water issues with the pipes banging, very, badly, in his flat, but they are still doing it and will not stop, people who also have been in my son's flat have also heard what is going on, even they are saying they don't know how he is coping with this. On the top floor, they have wooden flooring this does not help and can something please get done. The lady that lives at 113 is also causing a great deal of problems and she keeps coming to my front door asking for money to buy a drink, she is also banging very, badly, and my son's health is suffering due to this, I don't know why you have not replied to my emails and are just leaving things when we are asking for help, you are the council officer for my son's area please can this get addressed.
Regards

To Whom It May Concern:
I am writing this email due to a case for using a vehicle without insurance that was heard at Harrow Crown Court on the 14 May 2015 Case Number A20150049 the appeal against conviction was allowed. Please see attached document from the court
When I was found guilty for this case at Willesden Magistrates' Court the case numbers were 011403134612 and the old case number to that was 011401596899.
When I was found guilty at Willesden Magistrates' Court, I was given
Fine £600.00
Victim surcharge £60.00
Licence endorsed: 6 penalty points
I am not sure who is to address the points being removed from my driving licence and the Victim surcharge £60.00 therefore could someone please explain if I need to do anything for this.
Also, the fine of £600.00 the court arranged this to be taken out of my benefits each week. this is still being taken out I have today made a call to find out what I can do to get this stopped to Willesden court and got cut of the phone. Also, I called the fines people up who are collecting this fine and it is still being collected.
Could someone please get the fine to be stopped being taken out of my benefits and also the money they have collected from this fine which I believe started in Aug 2014 to be paid back to me. I am not sure even how it would be paid back to me as it has been taken direct from my benefit which has made me suffer when I did nothing wrong and did in fact have insurance, could someone get back to me if I need to deal with anything to get this fine stopped being taken and also the money that has been taken paid back to me..

Dear Josie
Please see attached letter from CPS I made a mistake the other day thinking it was the court. But how funny after me sending Simon insurance to them about 100 and them finding him guilty 3 times at Willesden mag court they are now saying oh you have insurance we will not be opposing the Appeal. What a waste of money and time. I should think this will mean Simon does not need to attend court thank god, but I will call the court to check.

Dear Mr Simon Cordell
I am writing at your request and this is a letter for your records. When you attended the sexual health clinic on the 8th May **2015** with your partner, you explained that you were upset. You explained that you had no symptoms of herpes in the mouth area or in the genital area. You had attended in November **2014** and had requested to have serology done for herpes simplex Type 1 and type 2 although you have shown no symptoms; the serology results show that you have antibodies to herpes simplex virus Type 1. I explained that this result means that you have been exposed to both viruses, but it is not possible for us to tell whether you have oral or genital herpes as you have had no symptoms and the blood test does not tell us where the virus is, I explained that the blood test results suggest that you are a carrier of herpes simplex virus. I want too again apologise to you that you have felt that the way you were informed about the results of the test was not-ideal and that you felt that you could not access any support following the diagnosis. If you need further support with this issue, you can ring for an appointment or attend our walk-in service.
Thank you.
Yours Sincerely,
Dr; Wai Ching Loke

To Whom It May Concern:
I am writing this email due to a case for using a vehicle without insurance that was heard at Harrow Crown Court on the 14 May **2015** Case Number A**2015**0049 the appeal against conviction was allowed. Please see attached document from the court When I was found guilty for this case at Willesden Magistrates' Court the case numbers were 011403134612 and the old case number to that was 011401596899. When I was found guilty at Willesden Magistrates' Court, I was given Fine £600.00 Victim surcharge £60.00 Licence endorsed: 6 penalty points I am not sure who is to address the points being removed from my driving licence and the Victim surcharge £60.00 therefore could someone please explain if I need to do anything for this. Also, the fine of £600.00 the court arranged this to be taken out of my benefits each week. this is still being taken out I have today made a call to find out what I can do to get this stopped to Willesden court and got cut of the phone. Also, I called the fines people up who are collecting this fine and it is still being collected. Could someone please get the fine to be stopped being taken out of my benefits and also the money they have collected from this fine which I believe started in Aug **2014** to be paid back to me. I am not sure even how it would be paid back to

me as it has been taken direct from my benefit which has made me suffer when I did nothing wrong and did in fact have insurance, could someone get back to me if I need to deal with anything to get this fine stopped being taken and also the money that has been taken paid back to me..

I then after went to the community hall today to help out!
When I got back home, I continued to get assaulted by the occupiers of 113 – 117 and 111 of Burncroft Avenue
They banging loud and hard while at a fast continual rate with objects onto the internal main buildings walls and floors, so to intimidate surely me and maybe others living close by whom may be present to an extent only worthwhile for the perpetrators selfless glory, In them perpetrators knowing that their behaviour would only leave all those getting victimized towards getting left by their wrongful actions as to being put into a state of a mental health patient and not rightfully with this occurring within mine and their rented or paid for homes!

Also, the fine of £600.00 the court arranged this to be taken out of my benefits each week. this is still being taken out I have today made a call to find out what I can do to get this stopped to Willesden court and got cut of the phone. Also, I called the fines people up who are collecting this fine and it is still being collected.
Could someone please get the fine to be stopped being taken out of my benefits and also the money they have collected from this fine which I believe started in Aug 2014 to be paid back to me. I am not sure even how it would be paid back to me as it has been taken direct from my benefit which has made me suffer when I did nothing wrong and did in fact have insurance, could someone get back to me if I need to deal with anything to get this fine stopped being taken and also the money that has been taken paid back to me..

Dear Dawn Allen,
I am writing this email due to not having a reply to my email dated 19/03/**2015** I am having a great deal of problems with my neighbours who live above me, they are not letting me sleep and this is having an effect on my health I have asked before if someone could come and speak to me to address these problems and no one has. I and my mother have made many phone calls about the neighbours above my flat, yet nothing is being done. Please can you get back to me as soon as possible in order to setup a meeting at my home so we can address the issues with the neighbours as soon as possible as I cannot live the way I am any longer. There is also still issues with repairs that have not been addressed.

Please note that the conference has been arranged for Tuesday 9th June **2015** at 12pm at the above address. The nearest tube station is Holborn on the Central Line and the Chambers address is only a 2-minute walk away. I have emailed Andrew Locke to ask him to confirm what documents he wants to use during the full hearing. Can you please confirm the following? Katie's full name, address and email so that a statement can be obtained from her and served on the prosecution Likewise, in relation to the 24th and 25th May bank statements confirming food purchase or failing that statement from the person who bought the food, how the food was paid for and if there is a bank statement confirming the audit trail this also needs to be produced in the original format. Both of the above are live issues from the conference with Hayley on 12th February **2015**. I will email over a copy of a letter that I am proposing sending to Angela Bishop at the Directorate of Legal Services. I will of course want Andrew Locke to approve this letter and the information requested as I do not want to alert the prosecution to good points that we may have in cross examination. You will note when Simon's statement was served this triggered additional statement dealing with potential loopholes we were hoping to exploit. This is why decisions based on legal procedure should be left to Andrew Locke who is the trial advocate as any knee jerk decisions can have an impact on his effectiveness in court. Any further queries please do not hesitate to contact me.

Dear Dawn Allen
I do not understand why all my phone calls and emails are not getting addressed, I have really tried and so has my son, we have been making calls all the time to try and get something done and I have sent a lot of emails including a complaint email dated
01/07/2015
I still have had no reply to. My son and also, I have tried to talk to the neighbours which have done nothing they still keep on. My son health is st1ffering due to what has been ongoing for a long time. We have tried to get help from the council as if the council speaks to them maybe they will stop what they are doing. I also went to 117 but I believe they were not at home so did not speak to them about the issues. I went to Debbie at 113 to try and talk to her but she just started to shout at me through the door. I did try and say to her through the door could she let me speak but she was just screaming at me so I went back down to my son flat the banging is very bad and you can clearly hear they are doing this is not just so1neone living their life as no1mal people would. You can even hear her following my son around in his flat banging; he does not even want to take a bath because he can hear her above him banging on the floor. Yet she still keeps coming down to my son door asking him for money to buy drinks my son has told her could she please leave him alone and stop coming to his door and to please stop following him around and banging on the floor and pipes but this has not helped she just acts like nothing is going on. Debbie has now started to go to my other neighbours at 111 and they are drinking and now 111 is also banging. I don't know if it is due to Debbie liking my son and when he and his partner ended in
Mid-2013
She was hoping something would come of this, as this is the time when she started to come to my son flat door a lot more. when my son was with his partner, she used to co1ne to his door maybe once a week for money but after they ended, she was coming down more and more she even was trying to give my son drink, he does not drink so would not accept it. She was also writing my son letters and putting them through his door, the letters are not really readable. The main problem with Debbie seemed to start when she came to 1ny son's front door and saw a girl in his flat she saw the girl on more than once and I think this upset her. Since this time things have got worse and worse and my son's health is really suffering. Please cam something be done as we really do not know what to do any longer, if you cannot do anything about the neighbours in the block can you please see if you can move my son as he cannot take any 1nore, he needs to be able to rest and sleep which at this time it is impossible, this is unfair what is going on to my son's health. Please can you reply to this email as you have not done to any of my other emails or calls or the calls my son has made regarding this issue which I do not understand why.
Regards
Mother

Yeah, and they explained to me that they do not really do these test results for certain people and I forced that I asked them to do them because I had been accused or something. Yeah. They done the blood test on the phone, um they done the blood test. A couple of months later a woman phoned me back and she, a couple of weeks later and on the phone, I don't know who she was, she was a receptionist and that's who I would like to find out who this person is. Her name. Yeah. She gave me misleading

		information on the phone and told me that I basically, I basically had HSV1 and I had HSV2 in my blood.
Speaker 2:	03:46	As I say, what happens in the clinic we do not have that information. This is just a booking line
Speaker 1:	03:51	Yes. Well, so what is the, I've spoken to people on this line before and these people gave me the information before
New Speaker:	03:55	You just whatever clinic you went you just go there and ask them I won't be able to help you that way I just book appointments.
Speaker 1:	04:01	Who is the, so you can't tell me who, who is the manager of the department right now.
Speaker 2:	04:06	We have not got any manager today? Here?
Speaker 1:	04:08	You haven't got a manager so who oversees all of the lock up who holds the keys, who does.
Speaker 3:	04:10	This is just a booking line.
New Speaker:	04:10	And what is the actual line to actually speak to the reception?
Speaker 1:	04:19	Because I would like to receptionist. She told me that I can't kiss nobody, or I can't have not done anything with nobody else. When I attend, I felt, she never called me in for a consultation a couple of months later I felt I was suicidal when I've been suicidal for what she had told me. I attended the clinic because I sat down with my mother and my mother explained to me.
Speaker 2:	04:39	Okay. No point in telling me all this because I wouldn't be able to, say anything to this.
Speaker 1:	04:46	But there must be a manager or somebody who can tell me the doctor that I see or the person that works?
Speaker 2:	04:50	No, I don't have access to all that information. I, this is just the clinic booking line. I don't have access to anything. If you can speak to the nurse.
Speaker 1:	05:00	but there is other phone numbers that I can actually phone.
Speaker 3:	05:03	Okay. which clinic do you want evergreen or town clinic?
New Speaker:	05:08	I want Evergreen.
New Speaker:	05:08	OK I will give you its 0208.
New Speaker:	05:08	0208.
New Speaker:	05:08	702.
New Speaker:	05:08	702.
New Speaker:	05:08	5760.
New Speaker:	05:08	5760.
New Speaker:	05:08	You can't today as there is no clinic you can phone tomorrow
New Speaker:	05:08	What it's not open today, is it not?
New Speaker:	05:27	No it is not Thursday there is no clinic in Edmonton
New Speaker:	05:27	Okay. Well thank you for your time
Speaker 1:	05:28	and you don't have no notes. do you have notes on the computers of letters that have been sent to me?

Speaker 1:	00:19	Hello, [inaudible] good afternoon.
New Speaker:	00:20	Hello, is this evergreen sexual clinic?
New Speaker:	00:25	yes it is.

New Speaker:	00:25	I was wondering if you could help me. Um, in February I attended the clinic. Well, just before February I attended the clinic and I had attended a few times before. I never really had a problem. I'd load the checks and never had a problem. On one occasion I attended the clinic and I'd been informed by a partner that I was with that there was a chance that I might have had HSV1 HSV2, which is herpes.
New Speaker:	00:48	Okay.
New Speaker:	00:49	Now, what actually happened is I, I asked for a blood test to be done and evergreen surgery explained to me that they don't normally do blood tests in regards to herpes,
New Speaker:	00:58	Yes.
New Speaker:	00:58	but I was quite, I was quite distressed about being accused of such allegations. So, I asked the, I asked the clinic, they would do, do this for me. Yeah.
New Speaker:	01:07	hmm.
New Speaker:	01:07	They agreed to do it and they'd done the blood test. A couple of months later I received a phone call back off of a woman. Now, this woman explained, she explained to me that I, I tested positive for HSV1 HSV2 and I asked a general question as any other person would. I believe it might even be yourself that I actually spoke to who actually phoned me. Am I correct in thinking that?
New Speaker:	01:31	I'm not so sure because it is normally another person that does the results
Speaker 1:	01:37	Okay. Well, what actually happened is she phoned me and after her telling me I tested positive. Like I basically,
New Speaker:	01:44	And this was a blood test.
New Speaker:	01:44	yeah, it was a black woman. Yeah, that's correct.
New Speaker:	01:53	No, no it was a blood test.
New Speaker:	01:53	it was a what.
New Speaker:	01:53	it was, was it a blood test.
New Speaker:	01:53	a black woman.
New Speaker:	01:53	Yeah. Blood test year a blood test,
New Speaker:	01:54	year.
New Speaker:	01:54	I forced the blood test. Yeah,
New Speaker:	01:58	OK.
New Speaker:	01:58	because I never had no symptoms.
New Speaker:	01:59	[inaudible] there dead
New Speaker:	01:59	I never had no symptoms. At the same time, I never had no understand into what HSV1 was. I thought HSV1 was like If I let somebody else's blood touch my blood, I might destroy their life. And I was working in community halls with lots of children. I was working in local parks,
New Speaker:	02:16	hmm, hmm.
New Speaker:	02:16	so I was so, I was left in a bad way thinking I can't even work with children anymore, let alone have children year. After I spoke.
New Speaker:	02:23	[inaudible] there dead
New Speaker:	02:23	this woman and I asked this woman on the phone that informed me if I can have sexual contact with any other person.
Speaker 1:	02:29	She told me, no, I can't kiss another person, and she told me I can't have sex with another person. so, I said to her if I wear if I wear a condom, can I still have sex with my partner? She said, no, there's still a chance that you will give that to your partner. wearing a condom.
New Speaker:	02:43	[inaudible]. there dead
New Speaker:	02:43	So I was so upset. So, I put the phone down. I thought my life was over. I tried to hang myself and kill myself. It took me months to repair myself. Yeah. I've sat down at my mum's bed at the end of my mum's bed one day and I was so upset like what had happened and I was like, practically at the stage where I was ready to kill myself because of what I had been informed and the way that I had been informed and she explained to me, hasn't my mother asked me, didn't you get called in for a consultation of such form.
New Speaker:	03:08	Hmm,
New Speaker:	03:08	or given no protection?
New Speaker:	03:10	Hmm, hmm.
New Speaker:	03:10	I was like, no. Funny enough, I never got given a consultation. I never got given protection. So, I arranged another meeting with the clinic, and I come and I see a doctor, Chung wing, I believe her name is Chung Wang or something.

Speaker 2:	03:20	Oh no, no, no, no. I'm that is the consultant here. That's what our consultant is called
Speaker 1:	03:24	You had a consultant. Now in meeting a consultant. And I brought another witness with me because I was quite concerned for the, for the, for how the company, how Evergreen had actually run it, run itself. And how it actually contacted me and told me this information. In getting to the office, I looked into the files and I looked at my own blood tests results.
New Speaker:	03:44	Hmm, hmm.
New Speaker:	03:44	And it says it suggest I may be a carrier, not that I am a carrier, It said that it suggests. Now, this woman misinformed me. So, what I asked Mrs. Chung to do was to write me a letter explaining that, explaining that I was misinformed on the phone. She did write me this letter and I; I have a copy of the letter and it says, I'm sorry that you were informed. Informed incorrectly. Yeah, but it doesn't really go into detail to who the person was that informed me incorrectly and how she did it.
New Speaker:	04:15	Hmm, hmm.
New Speaker:	04:15	And how she did inform me incorrectly.
New Speaker:	04:16	**There Dead**
Speaker 1:	04:17	It wasn't as conclusive as I wish it could be. Now I'm still left in a state of confusion even to this date now because that letter contradicts itself in three places. It says that there, might still be a chance of me giving it to somebody there might be this, but on the bottom hand it says that it suggests I may be a carrier. I'm a very confused person.
New Speaker:	04:37	I still feel very.
New Speaker:	04:38	[inaudible].
New Speaker:	04:38	suicidal because of the advice that has been given to me.
New Speaker:	04:42	Year.
New Speaker:	04:42	and I've, and I've read and I've learned from a lot of places now and I understand I should never have been informed in such a way and I should have been called in for a consultation. I'm at a stage where I want to put prosecute. I want to put a proper complaint in, in regard to this.
New Speaker:	04:55	Hmm, hmm.
New Speaker:	04:55	and.
New Speaker:	04:55	**There Dead.**
New Speaker:	04:55	I'd like to know who the person actually that gives the results out to people is because.
New Speaker:	04:59	**There Dead.**
New Speaker:	04:59	this destroyed my life still today Now.
Speaker 1:	05:01	I still don't know how I feel. I don't even want to talk to other people anymore. I won't even say hello to another person anymore because of it let alone work in a community hall with all the children, I've got emails and me having to ask my community hall questions that I should have been informed by yourselves.
New Speaker:	05:16	Like, am I safe working around children anymore? I've had to write, I had to write to my secretaries and things like that. I've got all the correspondence. I'm asking other people the advice that I should've been given by yourselves or by other representatives of your company. I was wondering if I can find out the person's name, if I can get re sent out a copy of the letter that was wrote by Miss. Chung so, I can have another copy of that please And I would ask and I would like Miss Chung to re go over what she's wrote and see how contradicting is and how that could lead.
Speaker 2:	05:47	I think what I would suggest is, um, what's this? We would, um, what do you have worries in the compliant, isn't it? And the other, is I don't know what, what's happening at the moment. I don't know about the letter. If you want, you can see our consultant Um, we have, um, Doctor [inaudible] is not in the clinic, Um, she's, oh leave. So, it, it's another consultant that is on the clinic.
Speaker 1:	06:14	Yeah. Can I see another consult and arrange another meeting with another person then?
New Speaker:	06:17	Year, you can hmm,
New Speaker:	06:17	Can I actually find out what my blood tests were actually, because from reading now,

New Speaker:	06:24	I'm not really sure. I think what you have to do is when you see the consultant, I'm going to speak to him. When you see the consultant, then they can check everything. because obviously we don't have your file here.
Speaker 1:	06:33	Yeah. What blood tests were actually taken on the [inaudible]. Well, can I,
New Speaker:	06:38	Year because I will not know.
New Speaker:	06:38	Can I arrange that meeting for as soon as practically possible then please so that I can resolve these issues.
Speaker 2:	06:45	[inaudible] will have to inform office. I will have to speak to our consultants on because, um, our newsroom, I don't, I'm not so sure. Um, was this when he is available, but, um, let me get your name and then I'm going to let you hang.
New Speaker:	06:58	UR, OK.
New Speaker:	06:58	Ur, hang on for a while.
Speaker 1:	06:59	Okay.
New Speaker:	07:00	What is your name.

Speaker 1:	07:20	Um, I can be contacted on 02082457454.
Speaker 2:	07:32	I'm going to have to see if our consultant is available at the moment because she, he is in the clinic. If not, I'm going to. Um, let you hang on for a while. Let me just have a look. Yeah.
Speaker 1:	07:43	Okay. That's perfect. Thank you. Thank you for your help. Okay. Okay.
New Speaker:	08:10	Hi.
New Speaker:	08:59	Hello?
Speaker 2:	08:59	Hello. Yeah, he's still, with what is it a patient at the moment and they're doing I think a procedure. So, um, they told me I have to wait, so what I'm going to do. I'm going to have to talk to him once he started, because I told him what this and I is told him to see me once his done and then I will speak to him and um, yeah. Can we call you on 0208 245 7454?
New Speaker:	09:26	245 7454.

Hi Josey
Have you been able to talk to Andy Locke yet to set up a meeting at your office Simon is asking me every day to see if I have heard anything as there is only 7 weeks left until it is due in court? Have you heard anything from the crown yet about the application you put in.? Also, could you send me over the work that has been done on the file, so I can see what has been asked for and see if anything has been left what needs to be asked for please?
Simon said he told Michael that Katie did not want to do a statement as she really does not like courts even when she goes with Simon, she hates it and it makes her really scared. He also said he told Michael about the food was paid for in cash and that he does not have a receipt for this, Simon did think he paid for this by his card but that was not the case as he has checked with his bank. He does know what food shop he went to and he was with a girl, but he no longer talks to her. Not sure why Michael has not updated the file to show this.

Lorraine

Dear Josey
2066,
Thank you for the phone call today to let me know the meeting needed to be re-arranged, as said to you on the phone the last days have been a nightmare with Simon as he knew the meeting was in Holborn, As said on the phone this morning is there any way to arrange the meeting at your office getting Simon out of his flat to your office will be so much easier on me as it is only at Tottenham then trying to get him to Holborn. He really thinks the police are going to kill him and his heath is getting worse, even his GP is worried about him and was trying to get Simon to go for a meeting with him for him to get him some help. Simon won't go to see a doctor. So if you can keep this in mind when re booking the meeting with the barrister I would be grateful, as I really don't think I am going to be able to get him to Holborn as that is in the Centre of London and all the police in London has guns well most of them.

Andrew Locke sends his apologies, but a warned list case has come in tomorrow and he will be in court. I need to rearrange tomorrow's conference. I was at court all day and my battery died so I have just accessed my messages. I will call first thing in the morning to re-arrange and get back to you.

This statement (consisting of: ... 12 .... pages each signed by me) is true to the best of my knowledge and belief and I make it knowing that, if it is tendered in evidence, I shall be liable to prosecution if I have wilfully stated an ›w to be false, or do not believe to be true.

Further to my recent statements in relation to Simon CORDELL and my ASBO application, I wish to add the following information.

It is mentioned that Lorraine CORDELL has spoken to a Police Officer called Val TANNER regarding raves and her son.

I have spoken to A/DS Val TANNER who has confirmed that Lorraine CORDELL has contacted their unit in the past. A/DS TANNER works in the Public Order Investigation unit and states that she deals with Post Event Investigation involving large scale demonstrations. She said that her unit had assisted in June 2014, with regards to the Croydon Rave (Operation Blue Iris) due to the large scale of the investigation but have very little to do with Raves as a whole.

A/DS TANNER states that she has inputted a Crimint regarding a Rave that was due to take place on 19th July 2014 in Barking. This rave was due to be at one location but was due to be moved to another location which had not been disclosed. A/DS TANNER states that she has had no involvement with Simon CORDELL and any Raves within The London Borough of Enfield. She confirms that she has spoken to Lorraine CORDELL but has not provided her with any information in relation to her son or Raves within Enfield.

In relation to the number of calls made to Police and the number made to the council noise team. Usually over the weekends the Council provides two of their officers on duty' to deal with out of hour's noise nuisance calls This is for the whole • >:' the London Borough of Enfield. It would be my view that the majority of caller's first point of contact would be

Police, rather than the Council. In most cases Police, would refer the caller to the out of hour's noise team at the relevant council. However, in the case of a Rave, Police would not continue to advise this every time as Police would investigate. Both Police and Council would both be well aware of the situation.
I am obviously aware through my dealings with this case that Simon CORDELL has said he is a member of the committee at Kempe Hall. I am aware that Kempe Hall has recently been taken back into the possession of Enfield Council due to the way that it was being run. Gang members were regularly attending the venue and causing issues. On 18th March 2015, officers conducted a search of the grounds of Kempe Hall and found was a firearm. These incidents amongst others have resulted in the hall being closed for the time being.
Since the interim Anti-Social Behaviour Order has been made there has been a huge decrease in the number of Raves reported within the London Borough of Enfield. Simon CORDELL has seemed to keep a very low profile. 1 have checked Police systems and Simon CORDELL has hardly been sighted since the Interim Anti-Social Behaviour Order was continued in March 2015.
Should others be involved in the illegal Rave scene within the Borough of Enfield then I confirm that Police will actively pursue them within the constraints of the law.

The funfair being present: --
July **2014** is around the time of the funfair being present in the local park attached to our housing estate; date.
I had gotten locked in my flat wrongly, for one year for the gazebo case and an additional six months for the interim order by this stage of my life and thought that time I got assaulted by my neighbours, Stain Debra and the Mathiyalagan Markandu and friends, they together mentioned had been banging so loud at me, that it seemed as if in they were trying to get other involved who live on my estate, by way of making them believe that they were better than me and that I am

the worst of society. Luckily, other people than the ones already involved on my estate did not get involved neither did their loved ones, so When the funfair arrived in the local park ajar from our housing estate it seemed as if in they would bang louder hoping for them to get involved by coming to my home address, I believe that it is lucky that this did not happen, I had prevented any bad misfortunes from happening and brought the welder for my security gate and then reinstated the gate commission of use.

Dear Dawn Allen
I do not understand why all my phone calls and emails are not getting addressed, I tried and so has my son, we have been making calls all the time to get something done and I have sent a lot of emails including a complaint email dated **01/07/2015**
which I still have had no reply to. My son and I also tried to talk to the neighbours which have done nothing they still keep on. My son health is suffering due to what has been ongoing for a long time. We tried to get help from the council as if the council speaks to them, maybe they will stop what they are doing, I also attended to 117 but I believe they were not at home so did not speak to them about the issues. I attended to Debbie at 113 to talk to her, but she shouted at me through the door. I tried and say to her through the door could she let me speak, but she was just screaming at me so I went back down to my son flat the banging is terrible and you can clearly hear they are doing this is not just someone living their life as normal people would. You can even hear her following my son around in his flat banging; If he does not even want to take a bath because he can hear her above, him banging on the floor. Yet she still keeps coming down to my son door asking him for money to buy drinks my son has told her could she please leave him alone and stop coming to his door and to please stop following him around and banging on the floor and pipes but this has not helped she acts like nothing is going on. Debbie has now gone to my other neighbours at 111 and they are drinking and now 111 is also banging. I don't know if it is due to Debbie liking my son and when he and his partner ended in Mid-**2013** she was hoping something would come of this as she came to my son's flat door a lot more. when my son was with his partner, she used to come to his door maybe once a week for money, but after they ended, she was coming down more and more she even was trying to give my son drink, he does not drink so would not accept it. She was also writing my son letters and putting them through his door, the letters are not readable. The main problem with Debbie seemed to start when she came to my son's front door and saw a girl in his flat, she saw the girl on more than once and I think this upset her. Since this time things got worse and worse and my son's health is suffering. Please cam something gets done as we really, do not know what to do any longer, if you can do nothing about the neighbours in the block can you please see if you can move my son as he cannot take any more, he needs to rest and sleep which is impossible, this is unfair what is going on to my son's health. Please can you reply to this email as you have not done to any of my other emails or calls or the calls my son has made regarding this issue which I do not understand why.
Regards

Hi mother this is what you and Dave has asked for I believe. I would like to have something like this at the top of the Business directory web page under the menu bar.
http://codecanyon.net/item/jquery-goal-thermometer/6358236,
with room underneath it for an editable text with say 3 pictures. The donation centre to be in the left-hand side bar, were you would normally, show the advertisements. I would like it if no one can sign up, unless clicking on the donate button, which I would like to say support. I would like it for an editable percentage, to go to the raised amount.

Dear Kate Osamor,
I am writing this email as Andy Love was dealing with a matter for my son's and the police. The last time I spoke to anyone they were still waiting to hear back from the police this was in May **2015**. I have not had any contact or update about this matter, and I feel very let down by our MP. I was on the understanding that due to Andy Love leaving you would have taken up the case. Could you get back to me with an update, if you need any more information you can contact me via this email.

Dear Kate Osamor,
I am writing this email as Andy Love was dealing with a matter for my son's Tyrone Benjamin and Simon Cordell and the police. The last time I spoke to anyone they were still waiting to hear back from the police this was in May **2015**. I have not had any contact or update about this matter, and I feel very let down by our MP. I was on the understanding that due to Andy Love leaving you would have taken up the case. Could you get back to me with an update, if you need any more information you can contact me via this email.

I do have an issue as everything about what the police have been doing to my family over the last 18+ years was only said on phone calls and very limited information the family is at breaking point and my older son Simon Cordell is not coping at all due to what is going on. There is a setup case the police put on him last Sep **2015** for an ASBO which the police know full well he has not done. this case is at court for full hearing on the 3rd and 4th August **2015**. We know full well the public order unit at Scotland yard holds information that proves my son has not done what the police are saying he has; we have asked for this information yet have not been given it. Also, his PNC record is not correct, and the police will not do anything about it, with around 8 errors that should not be on his record. and I have the proof of this. there is 2 complaints in with the Serious Misconduct Investigation Unit (SMIU2A) Directorate of Professional Standards one for Tyrone Benjamin and one for Simon Cordell Simon Cordell one is due to a police officer lying at both the magistrates court where my son was found guilty for something he had not done due to the police officer lying, and also on appeal at the crown court the crown court judge over tuned the guilty and my son won the appeal. There is so much more that has happened and all due to how much the police hate my family; we cannot take no more as a family and something has to be done to stop what the police are doing. No one could understand what the family has put up with over the last 18+ years, to write it all down would take forever but I am trying to be doing this. and we do keep the records. My kids are mixed race and I know part of the treatment is due to this.

Andy / Lorraine
Please see attached additional statement and index to bundles. Andy, I have asked Lorraine to compile a list of raves / illegal parties that she has located on Facebook and the internet to counter what PC Elsmore is saying in his statement. She has compiled a folder of events / raves / illegal parties that PC Elsmore can be asked about. PC Elsmore has made reference to a reduction in raves on Enfield this may be a way of limiting the term of the ASBO should it be imposed. What is very bizarre to me of the fact that no statement has been produced by Val Tanner and a statement should have been produced and she should specifically comment on her knowledge of Simon Cordell, if any in the organisation of illegal raves. PC Elsmore should be asked to produce the emails he sent to DS Tanner and the terms of reference.
Kindly acknowledge safe receipt.
Yours sincerely
Josephine Ward

Asbo Trial Date Mag
This is the Day at Court for the trial of the Anti-Social Behaviour Order Case and the Verdict got made Guilty against me in error!
On the 03 & 04/08/**2015** at the Highbury Corner Court the Asbo trial case, got said to be part proven on the 04th 08/**2015**. On this date of trial, I never got found guilty in my opinion, and others, such as my mother and barrister under true and fair Acts of law under the grounds of the application that the prosecution had brought into motion, but somehow, I seemed to have received a punishment, so I travelled home and looked into the case files even more than I had beforehand as I knew that I had not committed the crimes that I was being accused of. I noticed the following to be wrong and in clear error: -
1.
2.
They got all the law's and do not use them right: -

I had noticed the governing officials as explained thought growing up, but this finally, became a growing concern when reading the Anti-Social Behaviour Order application that got said to get served on me under the law, to which I disputed from the start of the proceedings, at first, in the Anti-Social Behaviour Order case I had not noticed a lot of fraudulent inconsistencies contained, in its folder, right until I had noticed the time stamps were in error and this was because I understood that I had never committed the crimes or public offence I was being questioned and accused of on the days that the police brought proceedings in motion towards.

continued that sometime around mid-**September 2016, one** of the Defendant's neighbours reported that the Defendant confronted him

outside his block as he was going to the local park and started to shout abuse and threats at him and said to him "I can get you over at the park, I know you go for a walk". This incident led to his arrest and to the matter being referred to the Magistrates Court. A file note of the report is exhibited on page 31 of the exhibit bundle **LN1.**

11. I had meetings with Mr George Quinton, one of the Defendant's neighbours on **16th December 2016** and **11th January 2017.** He reported that he was experiencing problems with the Defendant's behaviour, and that on **4th October 2016,** the Defendant aggressively banged on his ceiling and accused him of making noise. The Defendant then went to the neighbour's flat upstairs and started kicking and banging on the front door and was swearing and shouting at. him. The Defendant later went downstairs, dragged the neighbour's motorbike from where it was parked and started to hit it with a piece of wood. A file note of the report is at pages 32-34 of the exhibit bundle.

12. On **22nd November 2016,** during a telephone conversation with my former colleague Ms Sarah Fletcher, the Defendant was heard saying to his mother, who was present with him, 'I'm gonna do her over, I'm gonna take her job just for fun' referring to Ms Fletcher. A file note of the incident is at page 34A of the exhibit bundle.

13. I hereby attach a case history detailing incidents of reports from Mr Mathiyalagan about the abuse, threats and persistent intimidation by the Defendant. The case history is at pages 35 to 40 of the exhibit bundle **LN1.** It shows that Mr Mathiyalagan reported incidents too numerous to set out in this statement about abuse, threats, attempts to extort money and intimidation by the Defendant. Examples are that the Defendant banged on his front door while his wife was alone at home with their young daughter and shouted abuse at his wife and asked her to turn off the bathroom taps. He also removed his electricity fuse thereby

cutting off their power supply. Mr Mathiyalagan reported the incident to the police and was given CAD 5753/**23 December 2016.** A file note of this incident is at page 37 of the exhibit bundle.

14. Other examples of aggressive and anti-social behaviour reported by Mr Mathiyalagan were that on **21st January 2017,** the Defendant aggressively banged on his door, swore and shouted abuse and threats at him and his family and accused them of making noise.

15. On **9th June 2017,** the Defendant attacked Mr Mathiyalagan's cousin in the communal hallway as he returned from work late at night by grabbing him on the arm and neck thereby causing bruising to his arm and neck. The Defendant also snatched his mobile phone from him as he tried to record the incident.

16. On **16th June 2017,** the Defendant confronted Mr Mathiyalagan's wife as she was exiting the main entrance at **11:55am** and said to her that he had her bank and personal details. He also reported that the Defendant told his wife that he wanted her and her husband to pay him some money.

17. On **23rd June 2017,** the Defendant came out of his flat with his dog and attacked Mr Mathiyalagan's cousin as he returned from work at **11:35pm.** He reported that the Defendant punched his cousin twice on the chest, tried to push him out of the block and snatched his mobile phone as he tried to record the incident.

18. On **28th June 2017,** the Defendant confronted Mr Mathiyalagan's wife as she was leaving the block at **11:45am,** swore at her, shouted abuse and accused her of making noise inside her flat. He said to her that he knows all her personal details and that of her husband including their full names, date of birth, phone numbers and bank details. The Defendant demanded that they pay him some money and asked her to tell Mr Mathiyalagan to come and see him.

19. On **2nd July 2017,** Mr Mathiyalagan reported that the Defendant confronted him with his dog barking and without a lead as he was going out with his family at

5:18pm and asked him when he was going to hand over the money. He also reported that as they left the block, the Defendant ran after them swearing and shouting abuse and demanded that he must pay him money if he wants him to leave him alone. The Defendant also said to him that he has all their personal details. A report of the incident is at page 40 of the case history.

20. Case history notes exhibited at pages 41-46 show reports of similar aggressive and intimidating behaviour displayed to Mr

Mathiyalagan was being experienced by another tenant who wishes to remain anonymous because of fear of reprisal from the Defendant.

21. Similarly, further case notes exhibited at pages 47-52 show that another tenant **who wishes to remain anonymous** was being subjected to the Defendant's antisocial behaviour. She had to be moved from the block because of the harassment from the Defendant and because **she suffered from mental health problems** and was particularly vulnerable and unable to deal with the threats and harassment from the Defendant.

22. On **7th February 2017,** the Defendant approached the leaseholder of 117 Bumcroft Avenue and his plumber outside the block as they were attempting to resolve low water pressure issues affecting the flat. The Defendant informed the leaseholder that there were problems between him and his tenants but did not give specific details. The leaseholder explained to the Defendant that his tenants were experiencing low water pressure in their flat and that they were trying to fix the problem. The Defendant said to the leaseholder, “you will not resolve the problem as I am restricting their water supply”. The leaseholder later asked the Defendant to increase the water pressure and the Defendant stated, "I cannot do anything at the moment, I will sort it out later”. A report of this incident is at page 55 of the exhibit bundle.

23. On **24th February 2017,** the Claimants officers Sarah Fletcher and Steve Kirk attended the Defendant’s property following reports of low water pressure in the

flats above his. While inside his flat they noticed that the Defendant have installed a metal security gate inside his front door. It also appeared that the Defendant may have removed the wall between his kitchen and living room thereby creating an open plan living space. A copy of the file note is pages 56-57 of the exhibit bundle.

24. On **8th May 2017,** the Claimant’s officers, Ms Fletcher, a Neighbourhood officer who has since left the Council and Mr Steve Stirk, a Surveyor visited the Defendant’s block of flats following reports of low water pressure to flats 109, 113 and 117 Bumcroft Avenue. While the Claimant’s officers were outside flat 113, the Defendant came up to them and started to complain about his perceived victimization by his neighbours, the police and the council. While the Defendant was talking

to the officers, Mr Mathiyalagan came down the stairs and the Defendant said to him, "I'm going to the police station now with my evidence about you and I'm going to ruin your life". A file note of this report is exhibited at page 58 of the exhibit bundle and an email from Steve Stirk is at page 59.

25. On **14th May 2017,** yet another neighbour who wishes to remain anonymous reported that the Defendant aggressively banged on her door, shouted abuse and threats at her and falsely accused her of making noise and coming into his flat to attack him. The neighbour stated that the Defendant later followed her to her car as she was leaving the block shouting abuse and wanting to know where she was going. The neighbour also reported that the Defendant allowed his dog to roam freely in the communal area of the block without a lead. A file note of the report is at page 60 of the exhibit bundle LN1.

26. On **28th May 2017,** the Defendant was issued with a first instance Harassment letter by the police following allegations of harassment and threatening behaviour made to the police by his neighbour. A copy of the letter and the PC's statement are at pages 61-62 of the exhibit bundle LN1.

27. On **12th July 2017,** Mr Neville Gray, the Claimants repairs surveyor attended the Defendant's flat to investigate reports of low water pressure to the flats above the Defendant's flat but the Defendant refused him access. Mr Neville Gray attended the Defendant's flat again at about 5:39pm following reports from the leaseholder of flat 117 Burncroft House that the water supply had stopped completely, but the Defendant also refused him access. The Defendant later shouted abuse and swear words at Mr. Gray and would not allow him to approach his car. Mr. Gray has provided a witness statement in relation to this incident.

A. The Defendant is in breach of the following conditions of his tenancy agreement.

1. I have corresponded with the Defendant regarding the reports of anti-social behaviour made against him by his neighbours and invited him to meetings with his mother Lorraine Cordell, but he declined to attend. January 2017 inviting him for a meeting on **9th February 2017, 16th February 2017** for a meeting on **22 February 2016** and **16th March 2017** for a meeting on **22nd March 2017**. These letters are exhibited at pages 63-70 of the exhibit bundle.

2. The Claimant's operatives have had difficulties in accessing the Defendant's flat to inspect the state of the property and the unauthorised works and modifications which the Defendant is purported to have carried out without a written consent from the Claimant. The Claimant has also been unable to check whether the Defendant Is restricting water supply/pressure to the properties above his since **December 2016.** The Defendant has admitted to restricting the water supply but has refused to allow the Claimant's maintenance operatives access to his property to investigate and rectify the problem.

3. The Defendant has intimidated the residents in the entire block and because of his behaviour, we have received numerous complaints from residents, requests to be transferred from the block and we have had to move a vulnerable tenant from the block.

4. I have made attempts to engage with the Defendant, but he has not been cooperative and has continuously displayed abusive and threatening behaviour towards the Claimant's members of staff and his neighbours. A Notice of Seeking Possession has been served on him and possession action is being considered. However, in the meantime, this injunction is required to ensure that the other residents are not subjected to further intimidation and harassment by the Defendant. This application is being made without notice because if the Defendant were given notice, he would intimidate the witnesses in an attempt to prevent the order being made.

Dear Ms Cordell,
Re: Mr Simon Cordell -109 Burncroft Avenue - COM 1885.
I write with reference to your letters of complaint dated **24th November 2016** copies of which were received via email on **24th November 2016**, **5th December 2016** and **8th December 2016.**
I will respond to the issues you raised as follows.
1. Anti-Social Behaviour Order
We are aware that the police applied for an Anti-Social Behaviour Order (ASBO) which was granted on **4th August 2015** against your son in relation to activities that cations away from Burncroft Avenue. We are aware that your son is appealing against the ASBO and we are therefore unable to comment further.
2. CCTV
We can confirm that a letter was sent to your son by Sarah Fletcher, Neighbourhood Officer on **18th November 2016** giving him until **25th November 2016 to** remove the CCTV that he had installed on the internal communal door leading to flats 109 and 111 Burncroft Avenue and facing towards the main door of the block. We can also confirm that another letter was sent to him on **29th November 2016** by Lemmy Nwabuisi, Anti-Social Behaviour Officer in relation to complaints received from your son's neighbours concerning the CCTV. concerns a breach of tenancy conditions and will be addressed separately from this complaint.

3. Allegations of Anti-Social Behaviour

You referred to alleged issues that your son was having with his neighbours; however, you' did not specify which neighbours and or provide a specific time frame when these complaints were made. We have checked our records since **4h August 2015** and found two records of telephone complaints received from your son. One on **20h August 2015** and again on **26h January 2016** which related to noise and the issues he was having with a neighbour. These concerns were dealt with at the time by relevant officers.

We note your comment that your son has been a tenant for many years and that there have been no complaints about him until the publication of the ASBO against him on **4th August 2015**. However, our records show that since your son's tenancy began on 14th August 2006, there has been at least one previous complaint against your son from another neighbour prior to the ASBO.

We are aware of the alleged incident that happened on **4th October 2016** as this was reported to us and this will be addressed separately as part of ongoing Anti-Social Behaviour investigations.

We note your comments regarding the police and must advise that you take up any issues with the Independent Police Complaints Commission.

We also note your comment regarding an alleged incident on **14th August 2016.** This was not reported to the Council and should be a matter for the police. We note your comment that your son is scared to go home due to the alleged issues with his neighbours.

Regarding the allegations of ASB against your son and the issues regarding his dog, we note your comment that you do not think it is justified to attend the meeting with Lemmy Nwabuisi prior to your formal complaint being addressed. We note your comment that you have been advised by a solicitor to wait for the SAR. We also note your comments

in relation to the letter sent by Lemmy Nwabuisi on **29th November 2016** regarding reports of anti-social behaviour made against your son by his neighbours and that you will address these once the SAR is received.

Please note that these allegations are serious breaches of tenancy conditions and will be addressed separately as part of an ongoing investigation. We have attempted to meet with your son to discuss the

allegations made against him and give him the opportunity to respond. It is important that these issues are addressed, and another meeting will be arranged to facilitate this in due course.

- **Subject Access Request (SAR)**

The SAR that you have submitted is being responded to separately in accordance with required timescales.

- **Communications**

We are aware that you left messages for Sarah Fletcher on three occasions between 16 and **21 November 2016** and she was not available at these times. We confirm that she spoke directly with Mr Simon Cordell by telephone on **22nd November 2016.**

- **Housing Options**

As a single resident living in a one-bedroom property, the Council considers that your; son is suitably housed. We do not have sufficient evidence in relation to your son's allegations of anti-social behaviour against his neighbours to be able to refer him for a transfer on the housing register.

He can make an online application himself to be placed on the housing register by visiting the Council Housing pages of the Enfield Council website at www.enfield.Gov.uk. His eligibility for transfer will then be assessed by the Housing Options team in accordance with Council policy and they will advise whether his application is accepted.

Alternative options to move are available to him through the mutual exchange scheme, where tenants are able to swap their home with another tenant, and the fresh start scheme, where tenants can be supported in moving to a private rented home. To whom it my Concern:
Complaint
I am writing this email about the re the below email and also the attached file.
I have been on incapacity/income support for many years now on the highest rate due to illness.
In April **2013** council tax changed their rules and a 19.5% needed to be paid unless exempt from this change.
As you will be aware the DWP has been in the process of changing everyone that was getting the old benefit incapacity benefit to the new benefit ESA, this should have all been completed by now, but due to things going wrong there is still people on incapacity that have not been moved over yet to the new Benefit ESA.
I am one of these people, but once they move me over, I will be in the support group of ESAs.
I have called the DWP many times and they cannot give me a timeline of the changeover.
Under the new rules I would be exempt from the 19.5% council tax, it is not my fault the DWP are not working fast enough to move people over the new benefits.
I would like to know the full policy for this and has this been taken into account when working out the new policies.
Surely if my benefits are still under the old policy, I should still be exempt.
Regards
Simon Cordell

A Drastic turn around in the decision that the Enfield council and the Enfield Homes came to since the start of the announcement when I put them into receipt of my Disrepair issues needs to get addressed and then fixed needs to get reanalysed, so in an effect I do not suffer any longer!
My Heart has really started to hurt me every day, I am having an early aged mild heart attacks because of what the Mathiyalagan family stain and Debra with the police and local council members are getting away with each day holding me hostage with no first hand witness and the estate members flushing the toilet attacking me when I am in the bathtub and getting undressed all so playing with the water taps and banging above my head damaging my work studies and private family life and making me a Vulnerable person!
I have also had a lot of problems with eating because of what they keep all doing to me!
My dog has eating its paws because of what 113 – 117 and 111 are getting away with I have taken pictures of the damage this is doing to us in this flat!

This is an innovation of my privacy!
Loud and aggressive banging in the bathroom got worse and this got achieved by slamming objects on to the floor with evil intent of criminal actions!
Jumping on the floor above me when I am studying
113 and 117 woke me up straight after I feel to sleep by attacking me on purpose by stamping and dropping articles above my head!
Stain has now banged on the kitchen wall for weeks at a time with intent of victimising me on a full 24-hour assault!
A full investigation is supposed to take place within the first stages of my complaints once the Enfield Councils and the Enfield Homes got put in receipt of the emergency issues, I claim about but they keep on failing me!
There is also the issue of the lack of security due to old and un Morden-fitted main communal external door systems, so as living tenant to be able to see who comes in and out of the building, the locking system is faded on the buttons and any person can make out the entry code not having a security front door causes problems with security for the block of flats this issue and the mould on the walls and ceilings me unneeded stress inclusive of the heating and sound issues I have raised with them!

The Asbo's wrong Verdict
Got advertised in the News Papers While I awaited my appeal!
The newspapers.
Mutable Newspaper Articles where published with wrongful claims that I got given an Asbo under the applicant's case, stating Man given ASBO for organising illegal raves (From Enfield Independent.) Do you hate things in life?
In any similar way, to what I do?
When people do not say sorry?
In return for this happening to me, I ended up feeling like a leprechaun which had got robbed and was therefore without his pot of gold. While looking into the court case paperwork, when at my home address one day, trying to study, so that I could defend myself, I remember a different occasion, when I was looking at the local newspaper, while trying to get my head around all the banging that I got induced towards from members of my neighbours. When reading the paper, I noticed a copy of an article that got contained in my local Newspaper. What I read was about my person and was unjustified to get printed as a true and fair description of the truth events. In fact, it got worse than unjustified as it was incorrect information that slandered my character. The published articles in the newspapers that had gotten copied from the metropolitan police website and were in regards to the Anti-Social Behaviour Order application that the police had been pursuing in court against me, they stated that I got given an Anti-Social Behaviour Order for organizing illegal raves. The case against me for the Anti-Social Behaviour Order regarding "the organization of illegal raves" never got proven, correctly, and this is because the judge could not find any illegal accept, that I the defendant was guilty of, as the application claimed to be for, but somehow, some way even low wrong in law the district judge sitting the court found me guilty of acting in an antisocial way. In the newspapers it stated the following also: — "Cordell is well-known for organizing illegal raves in Enfield and across London." I have never got arrested for anything that nature mentioned, so find this to be untrue and in other words, this would be a lie inclusive as since I had never arrested, I got so upset that my address got put into the metropolitan police website as I had requested and received a copy of the court transcripts of the day of the trail which prove that I am right, so had set the wheels' in motion for the appeal proceedings. This led to the real problems I had to get worse and get out of control; I understood that members of my neighbours and members of the police made me suffer towards. My life got turned upside down as a figure of speech, by my name getting darkened and put into all the local newspapers stating that I had got found guilty for illegal raves when the judge clearly stated that no illegality got proved. A full assault took place against me by members of my neighbours and I was looking for a solution to the problems. The stress that has accumulated because of the problems in this document that I highlighted in any readers' vision are Unfair to have taken place against me and the problems being of such a high level of importance is of even further relevance to how this case should not have got dealt with.

The Newspaper articles: --
After the Newspaper articles got wrongly, published I noticed that Debbie's attitude and Stains had really, changed against me for the worst, and this includes the Mati lagan family and this reminded me of the stories I had heard before of wild tales of evil witches and evil sources, but I never felt as if they were true till the adults around me turned evil towards me, the weird thing is that I had just met people who made them characters seem so real to me and it was them named neighbours. Soon after the Anti-Social Behaviour Order case; got said to have got proven against me at court; I noticed after the newspaper articles that had got published about me and from the letters that I had received from Debbie that her attitude and Stains had changed in a negative factor towards me. Other neighbour's had now also at this moment in time banged on the floor board and walls with Stan and Debra to my further surprise at my person, this was now happening, they were using the floor as if it was an offence weapon or a belt being wrongfully; used to hit a person, this is Clear tortious acts of crime that no one should ever have to go through, this happened to me, in every room I walk into in my own home, "I could not go anywhere and be safe" I found that any place I stand in my flat she or others was above me, taking furious assaults upon me. I could always notice the other family above her flat joining in I could not even get in the bath or take my close off, I felt as if I was Debbie's children that have got taken away from her by social services, I was being abused in a sense of a clear insight, like she had gone mad hitting me, this could happen over 70 times a day and continued on for over a 1000 days, this still happens up to date were the Mathiyalagan family, who still live above me, who are not secure tenants as I am would not see reason to the issues and still to date have not changed their characters, as they always continue with the same actions and mind frame of making me a victim to their actions, together them mentioned neighbour's all achieved this by way of using the floorboards and other house fixtures as weapons, they continued to find ways to have a negative effect on my life.

What they did to me, is and was brutal and illegal: --
And now an even bloodier tail of truths; because together then they all where really, trying to kill me; their behaviour always contained and contains the following occurrences: -
A clear continually, slamming of the water tap on and off as if a person was making repetitive beats to intimidate anybody, this includes above the kitchen and bathroom living quarters of my flat, to an extent that the developing manufactures of them products never intended them to get used in such a manner as weapons, this caused all the fixtures and pipes attached to the water supply in the building to come loose of their fixtures so for them to have a larger than ever before negative banging effect. The people mentioned also use objects, that they have picked up on purpose and then they drop them on the floor, this got done from a height and caused intentionally, making some of the loud continual banging sounds I complain about and refer to, I have the most incidents on video as I record them and it Shows that it gets achieved with wrong intent, this had a bad effect on my health and still does to date, they wake me up taping on purpose and continue all day till I sleep. The top floor had and still has overlay wooden flooring when this is a clear breach of the tenancy agreement, let alone somebody using that flooring to affect my way of life, my human rights also clearly state the same in many sections such as: -
Article 2; the right to li**fe:** -
Article 3; the right from tortu**re:** -
Article 5; the right to freedom and **security:** -
Article 13; the rights to a private family life.

Dear Dawn Allen
I do not understand why all my phone calls and emails are not getting addressed, I have really tried and so has my son, we have been making calls all the time to try and get something done and I have sent a lot of emails including a complaint email dated 01/07/**2015** which I still have had no reply to. My son and also, I have tried to talk to the neighbours which have done nothing they still keep on. My son health is suffering due to what has been ongoing for a long time. We have tried to get help from the council as if the council speaks to them maybe they will stop what they are doing. I also went to 117 but I believe they were not at home so did not speak to them about the issues. I went to Debbie at 113 to try and talk to her but she just started to shout at me through the door. I did try and say to her through the door could she let me speak but she was just screaming at me so I went back down to my son flat the banging is very bad and you can clearly hear they are doing this is not just someone living there life as normal people would. You can even hear her following my son around in his flat banging; he does not even want to take a bath because he can hear her above him banging on the floor. Yet she still keeps coming down to my son door asking him for money to buy drinks my son has told her could she please leave him alone and stop coming to his door and to please stop following him around and banging on the floor and pipes but this has not helped she just acts like nothing is going on. Debbie has now started to go to my other neighbours at 111 and they are drinking and now 111 is also banging. I don't know if it is due to Debbie liking my son and when him and his partner ended in Mid-**2013** she was hoping something would come of this, as this is the time when she started to come to my son flat door a lot more. when my son was with his partner, she used to come to his door maybe once a week for money but after they ended, she was coming down more and more she even was trying to give my son drink, he does not drink so would not accept it. She was also writing my son letters and putting them through his door, the letters are not
2089,
really readable. The main problem with Debbie seemed to start when she came to my son's front door and saw a girl in his flat, she saw the girl on more than once and I think this upset her. Since this time things have got worse and worse and my son's health is really suffering. Please cam something be done as we really do not know what to do any longer, if you cannot do anything about the neighbours in the block can you please see if you can move my son as he cannot take any more, he needs to be able to rest and sleep which at this time it is impossible, this is unfair what is going on to my son's health. Please can you reply to this email as you have not done to any of my other emails or calls or the calls my son has made regarding this issue which I do not understand why.
Regards
Lorraine Cordell

Dear Benedicta Odjida
Mr Simon Paul Cordell
DOB 26/01/1981
I am writing this Email due to some work you curry out in February/March **2014** in regard to looking up records that are on my PNC record. There was a list that took some time for you to go over, and then my mother Lorraine Cordell came to the court to pick them up once you had looked every up. Since this time, we have been trying to get this addressed as there were a number that was not in the court record, you gave my mother a print out that you had done with stars on the ones that was not in the courts register, please see attached document. Since this time, we have been dealing with Flo at Highbury Corner court to get a letter done by you to say you did in fact look at the court register and did not find these records on the court register. My Mother and I have sent many emails to Highbury Corner Court and have gone to the court and spoke with Flo and we see to not be able to get this issue addressed. Therefore my mother came to Enfield court on the 15/09/**2015** to see if she could speak to you, but you was on leave so she asked for your direct email, I am writing this email directly to you to see if this issue can be addressed and a letter written saying you looked at the courts registers and did not find the ones marked on the list you gave my mother. As it seems the printout you gave her is not enough and it does need a court headed letter to show in fact the work that you carried out looking into my data the court holds. Could you please look into this issue and let me know if a court headed letter can be made up and if so, my mother Lorraine Cordell could come to the court and pick it up, if you could let me know by replying to this email I would be most grateful.
Regards
Simon Cordell

Dear Ms Cordell,

Re: Mr Simon Cordell -109 Burncroft Avenue - COM 1885.
I write with reference to your letters of complaint dated **24th November 2016** copies of which were received via email on **24th November 2016**, **5th December 2016** and **8th December 2016.**
I will respond to the issues you raised as follows;
1. Anti-Social Behaviour Order
We are aware that the police applied for an Anti-Social Behaviour Order (ASBO) which was granted on **4th August 2015** against your son in relation to activities that cations away from Burncroft Avenue. We are aware that your son is appealing against the ASBO and we are therefore unable to comment further.
2. CCTV
We can confirm that a letter was sent to your son by Sarah Fletcher, Neighbourhood Officer on **18th November 2016** giving him until **25th November 2016 to** remove the CCTV that he had installed on the internal communal door leading to flats 109 and 111 Burncroft Avenue and facing towards the main door of the block. We can also confirm that another letter was sent to him on **29th November 2016** by Lemmy Nwabuisi, Anti-Social Behaviour Officer in relation to complaints received from your son's neighbours concerning the CCTV. concerns a breach of tenancy conditions and will be addressed separately from this complaint.
3. Allegations of Anti-Social Behaviour
You referred to alleged issues that your son was having with his neighbours; however, you' did not specify which neighbours and or provide a specific time frame when these complaints were made. We have checked our records since **4h August 2015** and found two records of telephone complaints received from your son. One on **20th August 2015** and again on **26th January 2016** which related to noise and the issues he was having with a neighbour. These concerns were dealt with at the time by relevant officers.
We note your comment that your son has been a tenant for many years and that there have been no complaints about him until the publication of the ASBO against him on **4th August 2015**. However, our records show that since your son's tenancy began on 14th August 2006, there has been at least one previous complaint against your son from another neighbour prior to the ASBO.

We are aware of the alleged incident that happened on **4th October 2016** as this was reported to us and this will be addressed separately as part of ongoing Anti-Social Behaviour investigations.
We note your comments regarding the police and must advise that you take up any issues with the Independent Police Complaints Commission.
We also note your comment regarding an alleged incident on **14th August 2016.** This was not reported to the Council and should be a matter for the police. We note your comment that your son is scared to go home due to the alleged issues with his neighbours.
Regarding the allegations of ASB against your son and the issues regarding his dog, we note your comment that you do not think it is justified to attend the meeting with Lemmy Nwabuisi prior to your formal complaint being addressed. We note your comment that you have been advised by a solicitor to wait for the SAR. We also note your comments

29,

21 November 2016
November 2016

in relation to the letter sent by Lemmy Nwabuisi on **29th November 2016** regarding reports of anti-social behaviour made against your son by his neighbours and that you will address these once the SAR is received.
Please note that these allegations are serious breaches of tenancy conditions and will be addressed separately as part of an ongoing investigation. We have attempted to meet with your son to discuss the allegations made against him and give him the opportunity to respond. It is important that these issues are addressed and another meeting will be arranged to facilitate this in due course.

- **Subject Access Request (SAR)**

The SAR that you have submitted is being responded to separately in accordance with required timescales.

- **Communications**

We are aware that you left messages for Sarah Fletcher on three occasions between 16 and **21 November 2016** and she was not available at these times. We confirm that she spoke directly with Mr Simon Cordell by telephone on **22nd November 2016.**

- **Housing Options**

As a single resident living in a one-bedroom property, the Council considers that your; son is suitably housed. We do not have sufficient evidence in relation to your son's allegations of anti-social behaviour against his neighbours to be able to refer him for a transfer on the housing register.
He can make an online application himself to be placed on the housing register by visiting the Council Housing pages of the Enfield Council website at www.enfield.Gov.uk. His eligibility for transfer will then be assessed by the Housing Options team in accordance with Council policy and they will advise whether his application is accepted.
Alternative options to move are available to him through the mutual exchange scheme, where tenants are able to swap their home with another tenant, and the fresh start scheme, where tenants can be supported in moving to a private rented home. Continually, repeating to flushing the toilet when I am in the bathroom being sick in my toilet because they made me ill!
Victimizing me by Banging above the Barth to which I get into, once they understand that I have stopped running the water for my bath to be ready, this is after they wait for any other tail, tail signs that I have gotten undressed and soaked within the water, creating a brutal attack against my person in their wrongful self-gains!
The continual intimidation of the kitchen draw being slammed shut or opened either way it got effectually, closed, to then soon after hear the sharpening of the kitchen utilities knifes to an unrealistic extent to make a constructive sense of logic and reason, visible for explanation of any good character of themselves with the time need to look after an Adelson in today's word safely!

There are no transcripts kept of proceedings at Magistrates Courts. There are notes kept by the Legal Adviser for their use. They can be detailed but are not transcripts in the sense of verbatim reports such. If you are requesting a copy of these, please advise and your request will be put before the legal adviser in question.

Dear Sir
There are no transcripts kept of proceedings at Magistrates Courts. There are notes kept by the Legal Adviser for their use. They can be detailed but are not transcripts in the sense of verbatim reports such. If you are requesting a copy of these, please advise and your request will be put before the legal adviser in question.

To Whom It May Concern:
I am writing this email as I still have not had a reply back to the below email. You said in your reply to my email that the Court does not keep transcripts of hearings, and I asked for this to be checked as I am sure the court has to make transcripts of what is said in court.

The limit is twenty-one
days to submit an appeal; the name of the justices: on 3rd & 4th: D PIGOT; the Court does not keep transcripts of hearings. If there are any notes, they would be Legal Adviser's notes, which are simply aide’s memoire and not official records.

Notes about this person
Home visit to Ms Deborah Andrews flat. Attendees Dawn Allen TMO and CPN Bola Quadri Horne visit to Ms Andrews advised that her neighbour at number 109 has for the past few months harassed, intimidated, stalked her and made a life a complete misery. He continuously plays loud music, bangs on her ceiling and door alleging that she is monitoring his movements in his flat. She feels petrified by his presence and as a result refused to leave her flat for fear bumping into him on her way out. She has missed a few appointments with her social worker as a result, she has now been subjected to making home appointments pending the time this matter is resolved. She explained that they use to be acquaintances before the relationship went sour. She believes the whole problem started when he claimed the decoration in his flat was damaged as a result of a leak coming from her flat. She confirmed that she had a leak from her overflow a few months ago which has since been repaired but, the damage alleged had occurred.

also recalled an incident when the perp spat in her face. It's been one issue after the other she advised
The recent event which took place a week ago. She was on her way out to attend her appointment with her CRN when he apprehended her and threatened to kill her. She was pretty shaken from the incident that instead of attending her appointment, returned home immediately. She advised

that she contacted the police but, wasn't taken seriously as they assumed, she was drunk at the time of the call. She advised that she wasn't in the list drunk but, just the way she spoke due to her condition. She still wasn't taken seriously and had to abandon the call.
She found this very frustrating and advised that it was not the first time this would happen to her. Her GPN also confirmed her statement and expressed her dissatisfaction at the way she was treated.
I felt completely let down by the police and became frightful for her safety especially, as she knows the perpetrators has shells in his flat.
I observed in her flat that her floors were very creaky, I was made aware by Dawn that most of the flats in the block are like that. Unfortunately, the creakiness exacerbates the noise level in the fiats and cause more problems than usual.
I advised that I contact the police to make further enquiries. I will also contact MHT to enquire if Mr Cordell is known to them. At some point the perpetrator will need to be interviewed and a warning letter issued on him. I will contact the repairs team and try to arrange a surveyor to visit her flat and see what assistance nan be offered
I further advised that her case will be investigated, and an officer will get back to her to discuss further with her. Her CPN and TMO will be kept informed of updates
Bola Quadri has already put in place a safeguard alert.

Hi Dolly,
Nick and I attended while ago and spoke to the A while ago when she originally called Police. At the time she didn't want us to speak to her neighbour as things had got better. The lady handed us a letter about what had happened but none of it made any sense.
We believe she was suffering from mental health issues. On another occasion we popped round to see her and she wouldn't come and speak to us so instead she spoke through her letterbox to us.
The male at 109 - Simon Cordell who is causing the problems is very well known to Police and is also very anti Police. I know some Officers went around and spoke to him and things seemed to get better After that we have had no further calls from the lady
We will try and get around to see her when were back on duty on Monday.
Kind Regards

Good afternoon Mark,
Could you kindly assist with this query please. Following reports of ASB by the above tenant, my colleague and I visited her this morning and were alarmed by the nature of her complaints. She has in the past few months being constantly harassed, intimidated, bullied, stalked and threatened to kill by her neighbour at 109.
As a result of his behaviour, she has become too scared to leave her flat for fear of what may happen to her. She is a vulnerable tenant who requires support from services. However, the unsettling behaviour exhibited by number 109, has hindered her from attending her appointments and exacerbated her condition. At the moment, she feels very disorientated / agitated and will like the harassment to stop.
She advised that she had reported this to the police a few times but, wasn't taken seriously.
I will appreciate if you could stop over at to reassure her that the matter is being dealt with and also to stop by 109 and advise him that you are aware of what is going on and the repercussions should it continue.
Thank you for your support and assistance

WITNESS STATEMENT

CJ Act 1967, s.9; MC Act 1980, ss.5A(3)(a) and SB; Criminal Procedure Rules 2005, Rule 27.1

Statement of…**Douglas Skinner**
Age if under 18: Over 18…. (if over 18 insert 'over 18)

This statement (consisting of: ... 2 .... pages each signed by me) is true to the best of my knowledge and belief and I make it knowing that, if it is tendered in evidence, I shall be liable to prosecution if I have wilfully stated anything in it which I know to be false, or do not believe to be true.

This statement is completed in addition to one made on the 15th August 2014. I have been asked to clarify how I know that Simon Cordell is an organiser of raves. As stated in my previous statement 1 have known of Cordell for over 20 years. On the 7th June 2014 1 was the Duty Officer for Enfield Borough. I was tasked to visit an ongoing rave at Progress Way EN1 and speak to the organiser to see how long it would be carrying on for.

I went to the location which was made up of several industrial buildings. I walked through the estate until 1 saw a white van. Inside this van was a male I recognised to be Cordell. As I got closer to the van he got out and waked towards me. We shaked hands and said hello and talked about how 1 remembered him as a youngster over twenty years ago.

I asked him if he was the organiser and he fully admitted to me that he was. He stated that the rave was winding down as there weren't many people there. I said that if it continued for another night then the likelihood was that police would stop it as the numbers were low and resources could deal with it. He told me that it would not be continuing for another night and would be stopping that afternoon. I had a walk around the area and then left. The rave did stop that afternoon.

On the 19th July 1 again came across Cordell at an empty industrial unit which people were arriving at. Cordell told me that he was organising a party for some friends. I told him that I was aware that over 100 people would be arriving close by for a rave and await directions on where the venue was. The location was this venue and it was going to be a rave that he was the organiser. He admitted to me that he was the organiser. As a result, has was arrested to prevent a breach of the peace. He asked if the music equipment which was in a van could be removed however the gate was padlocked. Cordell stated that he had padlocked the gate and had the keys however the keys could not be found.

To Whom It May Concern:
Today my mother Lorraine Cordell Had to come to court as I had not heard anything about my below emails. On the 14 August **2015** I asked the court for the Court Transcripts for my appeal to be told you did not keep Court Transcripts, but Legal Adviser notes are kept by the clerk of the court which I did ask for a copy of these notes for my appeal after many emails on the 25/08/**2015** at 12:27. Due to not hearing anything my mother came to the court today and was advised my emails had not yet been sent to the clerk to ask if it was ok for a copy to be given to me for the appeal, could this please be addressed and this email sent to the clerk of court to be confirmed, could you also email to this email address to let me know this has been done. Also, I had asked my mother to get a copy of the Memorandum of entry when she was at the court to make sure the corrections were done. Please see attached Memorandum of entry as you can see the dates January **2013** to August **2014** are within the document and there are still spelling error which should have been updated the following day due to the time of day the case ended and the paper work served in court. When the paper work was given to us on the day the applicant told the judge the dates of **2013** should not be on the case due to their age and they were only added for Reference, also the spelling mistakes are still on the Memorandum of entry. When told this the Judge said this would be corrected the next day and a copy of the conditions sent to me via post, but this has never been done. Could you please correct the Memorandum of entry with the removal of the **2013** dates and the spelling errors and email me to this email a corrected copy of the conditions and the new Memorandum of entry.
2109,
Regards
Simon Cordell

Notes about this person
Home visit to Ms Deborah Andrews flat. Attendees Dawn Allen TMO and CPN Bola Quadri Horne visit to Ms Andrews advised that her neighbour at number 109 has for the past few months harassed, intimidated, stalked her and made a life a complete misery. He continuously plays loud music, bangs on her ceiling and door alleging that she is monitoring his movements in his flat. She feels petrified by his

presence and as a result refused to leave her flat for fear bumping into him on her way out. She has missed a few appointments with her social worker as a result, she has now been subjected to making home appointments pending the time this matter is resolved. She explained that they use to be acquaintances before the relationship went sour. She confirmed that she had a leak from her overflow a few months ago which has since been repaired but, the damage alleged had occurred.

also recalled an incident when the perp spat in her face. It's been one issue after the other she advised

The recent event which took place a week ago. She was on her way out to attend her appointment with her CRN when he apprehended her and threatened to kill her. She was pretty shaken from the incident that instead of attending her appointment, returned home immediately. She advised that she contacted the police but, wasn't taken seriously as they assumed, she was drunk at the time of the call. She advised that she wasn't in the list drunk but, just the way she spoke due to her condition. She still wasn't taken seriously and had to abandon the call.

She found this very frustrating and advised that it was not the first time this would happen to her. Her GPN also confirmed her statement and expressed her dissatisfaction at the way she was treated.

I felt completely let down by the police and became frightful for her safety especially, as she knows the perpetrators has shells in his flat.

I observed in her flat that her floors were very creaky, I was made aware by Dawn that most of the flats in the block are like that. Unfortunately, the creakiness exacerbates the noise level in the fiats and cause more problems than usual.

I advised that I contact the police to make further enquiries. I will also contact MHT to enquire if Mr Cordell is known to them. At some point the perpetrator will need to be interviewed and a warning letter issued on him. I will contact the repairs team and try to arrange a surveyor to visit her flat and see what assistance nan be offered

I further advised that her case will be investigated, and an officer will get back to her to discuss further with her. Her CPN and TMO will be kept informed of updates

Hi Dolly,
Nick and I attended while ago and spoke to the A while ago when she originally called Police. At the time she didn't want us to speak to her neighbour as things had got better. The lady handed us a letter about what had happened but none of it made any sense.
We believe she was suffering from mental health issues. On another occasion we popped round to see her and she wouldn't come and speak to us so instead she spoke through her letterbox to us.
The male at 109 - Simon Cordell who is causing the problems is very well known to Police and is also very anti Police. I know some Officers went around and spoke to him and things seemed to get better After that we have had no further calls from the lady
We will try and get around to see her when were back on duty on Monday.
Kind Regards

Good afternoon Mark,

Could you kindly assist with this query please. Following reports of ASB by the above tenant, my colleague and I visited her this morning and were alarmed by the nature of her complaints. She has in the past few months being constantly harassed, intimidated, bullied, stalked and threatened to kill by her neighbour at 109.
As a result of his behaviour, she has become too scared to leave her flat for fear of what may happen to her. She is a vulnerable tenant who requires support from services. However, the unsettling behaviour exhibited by number 109, has hindered her from attending her appointments and exacerbated her condition. At the moment, she feels very disorientated / agitated and will like the harassment to stop.
She advised that she had reported this to the police a few times but, wasn't taken seriously.
I will appreciate if you could stop over at to reassure her that the matter is being dealt with and also to stop by 109 and advise him that you are aware of what is going on and the repercussions should it continue.
Thank you for your support and assistance

Dear Benedicta Odjida
Mr Simon Paul Cordell
DOB 26/01/1981
I am writing this Email due to some work you curry out in February/March **2014** in regard to looking up records that are on my PNC record. There was a list that took some time for you to go over, and then my mother Lorraine Cordell came to the court to pick them up once you had looked every up. Since this time, we have been trying to get this addressed as there were a number that was not in the court record, you gave my mother a print out that you had done with stars on the ones that was not in the courts register, please see attached document. Since this time, we have been dealing with Flo at Highbury Corner court to get a letter done by you to say you did in fact look at the court register and did not find these records on the court register. My Mother and I have sent many emails to **Highbury Corner Court** and have gone to the court and spoke with Flo and we see to not be able to get this issue addressed. Therefore my mother came to Enfield court on the 15/09/**2015** to see if she could speak to you, but you was on leave so she asked for your direct email, I am writing this email directly to you to see if this issue can be addressed and a letter written saying you looked at the courts registers and did not find the ones marked on the list you gave my mother. As it seems the printout you gave her is not enough and it does need a court headed letter to show in fact the work that you carried out looking into my data the court holds. Could you please look into this issue and let me know if a court headed letter can be made up and if so, my mother Lorraine Cordell could come to the court and pick it up, if you could let me know by replying to this email, I would be most grateful.

Simon Cordell

She explained that they use to be acquaintances before the relationship went sour. She believes the whole problem started when he claimed the decoration in his flat was damaged as a result of a leak coming from her flat. She confirmed that she had a leak from her overflow a few months ago which has since been repaired but, the damage alleged had occurred. Ms Andrews also recalled an incident when the perp spat in her face. Ifs been one issue after the other she advised the recent event which took place a week ago. She was on her way out to attend her appointment with her CPN when he apprehended her and

threatened to kill her. She was pretty shaken from the incident that instead of

attending her appointment, returned home immediately. She advised that she contacted the police but, wasn't taken seriously as they assumed, she was drunk at the time of the call. She advised that she wasn't in the list drunk but, just the way she spoke due to her condition. She still wasn't taken seriously and had to abandon the call. She found this very frustrating and advised that it was not the first time this would happen to her. Her CPN also confirmed her statement and expressed her dissatisfaction at the way she was treated. Ms Andrews felt completely let down by the police and became frightful for her safety especially, as she knows the perpetrators has shells in his flat. I observed in her flat that her floors were very creaky, I was made aware by Dawn that most of the flats in the block are like that. Unfortunately, the creakiness exacerbates the noise level in the flats and cause more problems than usual. I advised that I would contact the police to make further enquiries. I will also contact MHT to enquire if Mr Cordell is known to them. At some point the perpetrator will need to be interviewed and a warning letter issued on him. I will contact the repairs team and try to arrange a surveyor to visit her flat and see what assistance can be offered I further advised that her case will be investigated and an officer will get back to her to discuss further with her. Her CPN and TMO will be kept informed of updates Bola Quadri has already put in place a safeguard alert.

Home visit to Ms Deborah Andrews flat. Attendees Dawn Allen TMO and CPN Bola Quadri
Home visit to Ms Andrews advised that her neighbour at number 109 has for the past few months harassed, intimidated, stalked her and made a life a complete misery. He continuously plays loud music, bangs on her ceiling and door alleging that she is monitoring his movements in his flat. She feels petrified by his presence and as a result refused to leave her flat for fear bumping into him on her way out. She has missed a few appointments with her social worker as a result, she has now been subjected to making home appointments pending the time this matter is resolved.

Hi Dolly,
Nick and I attended 113a while ago and spoke to the lady a while ago when she originally called Police. At the time she didn't want us to speak to her neighbour as things had got better. The lady handed us a letter about what had happened but none of it made any sense.
We believe she was suffering from mental health issues. On another occasion we popped round to see her and she wouldn't come and speak to us so instead she spoke through her letterbox to us.
The male at 109 - Simon Cordell who is causing the problems is very well known to Police and is also very anti Police. I know some Officers went

around and spoke to him and things seemed to get better. After that we have had no further calls from the lady at 118.
We will try and get around to see her when were back on duty on Monday.
Kind Regards

Good afternoon Mark,
Could you kindly assist with this query please. Following reports of ASB by the above tenant, my colleague and I visited her this morning and were alarmed by the nature of her complaints. She has in the past few months being constantly harassed, intimidated, bullied, stalked and threatened to kill by her neighbour at 109.
As a result of his behaviour, she has become too scared to leave her flat for fear of what may happen to her. She is a vulnerable tenant who requires support from services. However, the unsettling behaviour exhibited by number 109, has hindered her from attending her appointments and exacerbated her condition. At the moment, she feels very disorientated / agitated and will like the harassment to stop.
She advised that she had reported this to the police a few times but, wasn't taken seriously.
I will appreciate if you could stop over at 113 to reassure her that the matter is being dealt with and also to stop by 109 and advise him that you are aware of what is going on and the repercussions should it continue.

Good afternoon Louise,
Sorry I missed your call; I was at a meeting at the time. Called and left a message on your voice mail.
Ms Andrews suffers from a history of mental health; she is currently being supported by Bola Quadri Care-coordinator / CPN / Nurse Prescriber Psychosis Service Line
Barnet, Enfield & Haringey Mental Health NHS Trust / 58-60 Silver Street, Enfield EN1 3EP
She made complains about her neighbour at number 109, harassing, verbally abusing her, intimidating, shouting threatening to kill her. The mean concern here is that the perpetrator in question also suffers from mental health and is known to be very aggressive, violet and anti-police. He has on a few occasions threatened to kill her and petrified the life out of her.
It was on this basis that a decision was made to move her out immediately.
Hope the above information is useful.

Hi Louise,
Thanks for this - I'm pleased to hear you think Deborah is being properly supported and that she sounded better - she was in a right state when we spoke to her last.
Good news that it looks like she might be able to get help to move.
For the camera, we are very happy to come along for a visit. I've spoken to our Sgt and as we understand it the ideal course of action is to advise him to remove it in our presence, then if he refuses, I believe you can take it down and that should be fine so long as the camera itself is returned to Cordell. Let me know when your best days for it would be and I'll see when we can manage best.

Hi James,
I spoke with Deborah Andrews this morning; the leak issue was sorted over the weekend this was from the flat above.
I do not know anything about Mr Cordell moving in two weeks' time, unless she is getting confused with his threat that he will get her in two weeks' time. Overall, I am concerned that Deborah is not managing and appears to be getting more confused the last few times I have spoken to her last week and today, she is also feeling that she needs further support by way of supported accommodation. I do agree with her as the level of support that St John of God provide is high and the dependency with other agencies is also constant and not something that housing or myself could provide long term.
Deborah was much calmer this morning and I reassured he that if she has any concerns to contact me.
With regard to the camera not he is not allowed it to be train on anything else other that his front door. Probably means I will need to visit him to get this sorted. I may request your assistance with this I don't really fancy

Hi Louise,
I hope you are well.
Since **15/01/2016** we have had further calls from Debra Andrew relating to the issues she has been having with Simon Cordell.
Given the nature of the calls, we visited Debra yesterday for a reassurance visit. She said that there has been a leak in the building causing 'flooding' in both her flat and Cordell's flat, and Cordell has been making accusations relating to it. She said that she believes Cordell is leaving his flat in two weeks, which I hadn't heard, but said I would look into it - do you know if that's true by any chance?
Debra said that if Cordell does not leave, she wants to leave her flat and move somewhere else herself.
While at the address we also noticed that Cordell has now installed a CCTV camera which is placed at the top of the internal communal door leading to flats 109 and 111, facing towards the main door of the block. I am unsure as to whether he's allowed to do this and shall look into it, but just wanted to let you know!

Dear Sarah,
Thank you for your email and updated information. This incident yesterday J am assuming that this is a different incident from 15/1/16 where Mr Cordell approached Ms De Polla? Please can you confirm if this was reported to the police, and if this was not why? This is harassment and can be treated and reported as a criminal offence. Yes, this is a separate incident to 15.01.**2016**. The police were not called as a crime had not been committed and Barbara was able to walk away without Mr Cordell trying to prevent her or following her. In relation to Deborah please can you confirm if your concerns for her welfare are being reported back to the Mental health team prior to this email (I do appreciate that Bola has been on leave for a few weeks) Yvonne has copied Bola into the same communication as yourself and expressed concerns. Debbie has also contacted Bola. I am receiving if not daily calls from Deborah or every other day, with her explaining to me that she feels she is not coping at all, she is looking to me for reassurance. Deborah has expressed that she is not managing independent living and would like to go back into supported accommodation. Supported living is something Bola would need to arrange. Can you confirm that you have reported your concerns for Debbie's welfare to the mental health team?
Please can you confirm if she has expressed this to staff at St John of god? Also, please can you confirm if you feel that Deborah is not coping at present. If so, has this been reported to the mental health team?
As you are aware, Debbie has said that she is not coping, and I understand that you are in the process of providing a report in order to facilitate Debbie to move. Can you confirm that this has been completed and if so, what the next step of the process is and how long this is likely to take? Also given the current hours that currently allocated to Deborah if this is suitable in this situation for her need? If I recall this was expressed at a SOVA meeting that this should be extended as her needs are becoming greater? We are requested and funded to provide 6 hours support per week (3 hours twice a week for shopping). Bola is responsible for increasing the care package if Debbie is assessed as needing more support. With regard to the Safeguarding plan I do feel that a mental health strategy meeting needs to take place as issues beyond our control will also have a direct impact on the wellbeing of Deborah. I am raising this directly with George Benyure Bolas manger. My understanding was that Bola had already raised a safeguarding alert.

Dear Sarah,
Thank you for your email and updated information. This incident yesterday I am assuming that this is a different incident from 15/1/16 where Mr Cordell approached Ms De Polla? Please can you confirm if this was reported to the police, and if this was not why? This is harassment and can be treated and reported as a criminal offence.
In relation to Deborah please can you confirm if your concerns for her welfare are being reported back to the Mental health team prior to this email (I do appreciate that Bola has been on leave for a few weeks) I am receiving if not daily calls from Deborah or every other day, with her explaining to me that she feels she is not coping at all, she is looking to me for reassurance. Deborah has expressed that she is not managing independent living and would like to go back into supported accommodation.
Please can you confirm if she has expressed this to staff at St John of god?
Also, please can you confirm if you feel that Deborah is not coping at present. If so, has this been reported to the mental health team?
Also given the current hours that currently allocated to Deborah if this is suitable in this situation for her need? If I recall this was expressed at a SOVA meeting that this should be extended as her needs are becoming greater?

Hi Louise
I am extremely concerned about Debbie Andrewes neighbour and the increased risk to the support workers and indeed Debbie, who, as you are aware is unable to leave her own home unescorted.
Yesterday it was reported to me that the neighbour approached Barbara de Polla as she entered the communal door, he was very aggressive and began shouting at her saying, you should not be coming here, she is an alcoholic, you shouldn't take her out anywhere etc." Barbara said that she did not want to talk about it and walked away from him, luckily, he did not follow her.
In relation to Debbie is safety, I strongly feel that it is only a matter of time before something serious or even fatal happens to her. As you are aware, the neighbour has a dog, which appears to be a Staffordshire bull terrier which
Page 18 of 21
he allows to roam free in the communal area which is highly intimidating and potentially very dangerous.
Please can you clarify the interim safeguarding protection plan and timescale as to when Debbie will be moved to a place of safety.
I have completed an internal incident form and unfortunately, if another incident occurs, I will have no other option but to temporarily withdraw our service, which will put Debbie in a situation where she is even more at risk.
I look forward to hearing from you at your earliest convenience.

Dear George & Bola,

Thank you for your email, I have only copied you both as there is other information on Mr Cordell that urgently needs to be considered.

I received an email informing me that a mental health warrant had been granted for Mr Cordell. This will cause a greater issue especially if he is released back into the community. My fear is that this will indirectly cause further distress for Deborah. A plan needs to be put in place with full considerations.

Please can an urgent mental health strategy meeting be held regarding Deborah Andrews, given the above information and the urgent need for full consideration in this case due to the complex needs and issues with both clients, who are known to your services and tenants of Enfield Council.

Deborah is contacting me if not daily every other day these calls are coming through at all different days and times. She is informing me that she is not coping with everything and wants to go back into supported accommodation, she feels extremely frightened and vulnerable. I must confirm that its Deborah stating that she is not coping as I am not in a position to make these decisions. When I speak with Deborah asking if she is attending her appointments, she states that" it js a quick jab, in and out no one speaks with you.

With regards to the management transfer this is still being prepared and waiting to be heard by panel, I am waiting to hear the next available date for this. It was explained when I suggested this action may be a route forward that this is not a quick process and all elements need to be considered. It is not necessary for Ms Andrews to currently go into emergency accommodation either. This case will be assisted by moving Ms Andrews; however, this may not resolve all of the concerns or the overall future welfare of Ms Andrews.

Transferring Ms Andrews into another independent accommodation without fully assessing her current needs and the full support required should be considered before this happens. As moving her may not solve all of Deborah Andrews concerns. She is only going out when SJOG are visiting, however they are only allocated 3 hours per week. More recommendations need to be put forward to provide a comprehensive package to support

the recent event which took place a week ago. She was on her way out to attend her appointment with her CPN when he apprehended her and threatened to kill her. She was pretty shaken from the incident that instead of attending her appointment, returned home immediately. She advised that she contacted the police but, wasn't taken seriously as they assumed, she was drunk at the time of the call. She advised that she wasn't in the list drunk but, just the way she spoke due to her condition. She still wasn't taken seriously and had to abandon the call. She found this very frustrating and advised that it was not the first time this would happen to her. Her CPN also confirmed her statement and expressed her dissatisfaction at the way she was treated. Ms Andrews felt completely let down by the police and became frightful for her safety especially, as she knows the perpetrators has shells in his flat. I observed in her flat that her floors were very creaky, I was made aware by Dawn that most of the flats in the block are like that. Unfortunately, the creakiness exacerbates the noise level in the flats and cause more problems than usual. I advised that I contact the police to make further enquiries. I will also contact MHT to enquire if Mr Cordell is known to them. At some point the perpetrator will need to be interviewed and a warning letter issued on him. I will contact the repairs team and try to arrange a surveyor to visit her flat and see what assistance can be offered I further advised that her case will be investigated, and an officer will get back to her to discuss further with her. Hi Dolly,
Nick and I attended 113a while ago and spoke to the lady a while ago when she originally called Police. At the time she didn't want us to speak to her neighbour as things had got better. The lady handed us a letter about what had happened but none of it made any sense.
We believe she was suffering from mental health issues. On another occasion we popped round to see her and she wouldn't come and speak to us so instead she spoke through her letterbox to us. The male at 109 - Simon Cordell who is causing the problems is very well known to Police and is also very anti Police. I know some Officers went around and spoke to him and things seemed to get better. After that we have had no further calls from the lady at 118.
We will try and get around to see her when were back on duty on Monday.
Kind Regards

Good afternoon Mark,
Could you kindly assist with this query please. Following reports of ASB by the above tenant, my colleague and I visited her this morning and were alarmed by the nature of her complaints. She has in the past few months being constantly harassed, intimidated, bullied, stalked and threatened to kill by her neighbour at 109.
As a result of his behaviour, she has become too scared to leave her flat for fear of what may happen to her. She is a vulnerable tenant who requires support from services. However, the unsettling behaviour exhibited by number 109, has hindered her from attending her appointments and exacerbated her condition. At the moment, she feels very disorientated / agitated and will like the harassment to stop.

She advised that she had reported this to the police a few times but, wasn't taken seriously.
I will appreciate if you could stop over at 113 to reassure her that the matter is being dealt with and also to stop by 109 and advise him that you are aware of what is going on and the repercussions should it continue.
Thank you for your support and assistance

Dear Benedicta Odjida
Mr Simon Paul Cordell DOB 26/01/1981
I am writing this Email due to some work you curry out in February/March 2014 in regard to looking up records that are on my PNC record.
There was a list that took some time for you to go over, and then my mother Lorraine Cordell came to the court to pick them up once you had looked every up.
Since this time we have been trying to get this addressed as there were a number that was not in the court record, you gave my mother a print out that you had done with stars on the ones that was not in the courts register, please see attached document.
Since this time, we have been dealing with Flo at Highbury Corner court to get a letter done by you to say you did in fact look at the court register and did not find these records on the court register.
My Mother and I have sent many emails to Highbury Corner Court and have gone to the court and spoke with Flo and we see to not be able to get this issue addressed.
Therefore my mother came to Enfield court on the 15/09/2015 to see if she could speak to you, but you was on leave so she asked for your direct email, I am writing this email directly to you to see if this issue can be addressed and a letter written saying you looked at the courts registers and did not find the ones marked on the list you gave my mother. As it seems the printout you gave her is not enough and it does need a court headed letter to show in fact the work that you carried out looking into my data the court holds.
Could you please look into this issue and let me know if a court headed letter can be made up and if so my mother Lorraine Cordell could come to the court and pick it up, if you could let me know by replying to this email I would be most grateful.
Regards
Simon Cordell

This statement is completed in addition to one made on the 15th August **2014**.1 have been asked to clarify how I know that Simon Cordell is an organiser of raves. As stated in my previous statement 1 have known of Cordell for over 20 years. On the 7th June **2014** 1 was the Duty Officer for Enfield Borough. I was tasked to visit an ongoing rave at Progress Way EN1 and speak to the organiser to see how long it would be carrying on for.

I went to the location which was made up of several industrial buildings. I walked through the estate until 1 saw a white van. Inside this van was a male I recognised to be Cordell. As I got closer to the van he got out and waked towards me. We shacked hands and said hello and talked about how 1 remembered him as a youngster over twenty years ago.

I asked him if he was the organiser and he fully admitted to me that he was. He stated that the rave was winding down as there weren't many people there. I said that if it continued for another night then the likelihood was that police would stop it as the numbers were low and resources could deal with it. He told me that it would not be continuing for another night and would be stopping that afternoon. I had a walk around the area and then left. The rave did stop that afternoon.

On the 19th July 1 again came across Cordell at an empty industrial unit which people were arriving at. Cordell told me that he was organising a party for some friends. I told him that I was aware that over 100 people would be arriving close by for a rave and await directions on where the venue was. The location was this venue and it was going to be a rave that he was the organiser. He admitted to me that he was the organiser. As a result, has was arrested to prevent a breach of the peace. He asked if the music equipment which was in a van could be removed however the gate was padlocked. Cordell stated that he had padlocked the gate and had the keys however the keys could not be found.

Dear Josey
Could you please send me over the email you have sent Superintendent Adrian Coombs form Essex police, and also let me know if the form has been sent off for legal aid for the appeal and how long it will take to find out if it has been given? Also, the case files and the information about the medical notes, I have been told time and time again these will be sent over and I still have had nothing. It getting to the stage I going to have to let Simon know what is going on he keeps asking me and I keep putting things off telling him, Josey he is really not well you know this already, and the stress that this case is causing me is making me ill also. It's like no one wants to do anything on this case, things need to be done and not left like they were for the trial as that really was a mess where things had not been done that was meant to have been done. I really don't think you understand how bad the trial was even when Simon had to give his evidence he was the only one who did not have his own case bundle and had to give evidence on paper work he did not have in front of him, the judge had to keep passing her bundle to Simon and this is not meant to be the case, that's without nothing being done that had been asked to be done since this case stated. Really what chance did Simon have in that trial when nothing had been done, even down to that last statement that you missed in your email and that was only given to us the afternoon before the trail started and that was on a Sunday, so nothing could be done for that statement and that was the statement that said about the public order unit. at trial the police office said he had deleted his emails so the email that was sent to Val Tanner he said he deleted it so we could not find out what he had asked her. Can you please get back to me as a lot of work needs to be done to get this case really for the appeal?

Dear Dawn Allen
1. Was meant to be sending a surveyor out to see how the pipes have been laid for my heating system, this has not been done.
2. When work was carried on my flat re doing the electric they wired in fire alarms and a Carbon Monoxide alarm, I made many calls to say these had not been fitted correctly, and due to this got carbon monoxide poisoning and ended up in hospital due to a faulty boiler and the Carbon Monoxide alarm not working. when they did come out in Nov **2014** I was left with no boiler for weeks until parts could be ordered as they had to cap the boiler off, work was also meant to be done to rewired the incorrect rewiring of the alarms this has not been done and I feel very unsafe as I feel if my boiler went wrong again the Carbon Monoxide alarm would not go off.
3. Window in my bedroom does not lock and needs a new hinge.
4. The new toilet wish was fitting is not secure I have had this repaired once already but it still is moving around and I feel unsafe.
5. The Sink has come away from the wall in bathroom.
6. After major works being done to my flat for damp the smell of damp as soon as you enter the bedroom is very bad.
7. They fixed damp in my front room and this is still not died out due to them not fixing the reason for the damp.
8. I was told that the guttering was causing the damp in my flat and needed doing someone came around months ago and told me the works was due to be done this has never been done.
9. The pipes bang in the flat really bad I was told it was the main stop cock that needed replacing the pipes are still banging badly so this cannot have been done. When the man came out to do my heating the council had told them I had removed all the pipes from my home, the man was stocked to see them all still in place and could not understand why he had been told this. I have had so many surveyors come to my flat and say work is going to be done but it never is I think this is most of the list that still needs to be
done.

Notes about this person
Home visit to Ms Deborah Andrews flat. Attendees Dawn Allen TMO and CPN Bola Quadri Horne visit to Ms Andrews advised that her neighbour at number 109 has for the past few months harassed, intimidated, stalked her and made a life a complete misery. He continuously plays loud music, bangs on her ceiling and door alleging that she is monitoring his movements in his flat. She feels petrified by his presence and as a result refused to leave her flat for fear bumping into him on her way out. She has missed a few appointments with her social worker as a result, she has now been subjected to making home appointments pending the time this matter is resolved. She explained that they use to be acquaintances before the relationship went sour. She believes the whole problem started when he claimed the decoration in his flat was damaged as a result of a leak coming from her flat. She confirmed that she had a leak from her overflow a few months ago which has since been repaired but, the damage alleged had occurred.

also recalled an incident when the perp spat in her face. It's been one issue after the other she advised

The recent event which took place a week ago. She was on her way out to attend her appointment with her CRN when he apprehended her and threatened to kill her. She was pretty shaken from the incident that instead of attending her appointment, returned home immediately. She advised that she contacted the police but, wasn't taken seriously as they assumed, she was drunk at the time of the call. She advised that she wasn't in the list drunk but, just the way she spoke due to her condition. She still wasn't taken seriously and had to abandon the call.

She found this very frustrating and advised that it was not the first time this would happen to her. Her GPN also confirmed her statement and expressed her dissatisfaction at the way she was treated.

I felt completely let down by the police and became frightful for her safety especially, as she knows the perpetrators has shells in his flat.

I observed in her flat that her floors were very creaky, I was made aware by Dawn that most of the flats in the block are like that. Unfortunately, the creakiness exacerbates the noise level in the fiats and cause more problems than usual.

I advised that I will contact the police to make further enquiries. I will also contact MHT to enquire if Mr Cordell is known to them. At some point the perpetrator will need to be interviewed and a warning letter issued on him. I will contact the repairs team and try to arrange a surveyor to visit her flat and see what assistance nan be offered

I further advised that her case will be investigated, and an officer will get back to her to discuss further with her. Her CPN and TMO will be kept informed of updates

Bola Quadri has already put in place a safeguard alert.

Hi Dolly,
Nick and I attended while ago and spoke to the A while ago when she originally called Police. At the time she didn't want us to speak to her neighbour as things had got better. The lady handed us a letter about what had happened but none of it made any sense.
We believe she was suffering from mental health issues. On another occasion we popped round to see her and she wouldn't come and speak to us so instead she spoke through her letterbox to us.
The male at 109 - Simon Cordell who is causing the problems is very well known to Police and is also very anti Police. I know some Officers went around and spoke to him and things seemed to get better After that we have had no further calls from the lady
We will try and get around to see her when were back on duty on Monday.
Kind Regards

Good afternoon Mark,
Could you kindly assist with this query please. Following reports of ASB by the above tenant, my colleague and I visited her this morning and were alarmed by the nature of her complaints. She has in the past few months being constantly harassed, intimidated, bullied, stalked and threatened to kill by her neighbour at 109.
As a result of his behaviour, she has become too scared to leave her flat for fear of what may happen to her. She is a vulnerable tenant who requires support from services. However, the unsettling behaviour exhibited by number 109, has hindered her from attending her appointments and exacerbated her condition. At the moment, she feels very disorientated / agitated and will like the harassment to stop.

She advised that she had reported this to the police a few times but, wasn't taken seriously.
I will appreciate if you could stop over at to reassure her that the matter is being dealt with and also to stop by 109 and advise him that you are aware of what is going on and the repercussions should it continue.
Thank you for your support and assistance

Threats and intimidation (General)
Home visit to Ms Deborah Andrews flat. Attendees Dawn Allen TMO and CPN Bola Quadri
Home visit to Ms Andrews advised that her neighbour at number 109 has for the past few months harassed, intimidated, stalked her and made a life a complete misery. He continuously plays loud music, bangs on her ceiling and door alleging that she is monitoring his movements in his flat. She feels petrified by his presence and as a result refused to leave her flat for fear bumping into him on her way out. She has missed a few appointments with her social worker as a result, she has now been subjected to making home appointments pending the time this matter is resolved. She explained that they use to be acquaintances before the relationship went sour. She believes the whole problem started when he claimed the decoration in his flat was damaged as a result of a leak coming from her flat. She confirmed that she had a leak from her overflow a few months ago which has since been repaired but, the damage alleged had occurred.

She still wasn't taken seriously and had to abandon the call. She found this very frustrating and advised that it was not the first time this would happen to her. Her CPN also confirmed her statement and expressed her dissatisfaction at the way she was treated. Ms Andrews felt completely let down by the police and became frightful for her safety especially, as she knows the perpetrators has shells in his flat. I observed in her flat that her floors were very creaky, I was made aware by Dawn that most of the flats in the block are like that. Unfortunately, the creakiness exacerbates the noise level in the flats and cause more problems than usual. I advised that I will contact the police to make further enquiries. I will also contact MHT to enquire if Mr Cordell is known to them. At some point the perpetrator will need to be interviewed and a warning letter issued on him. I will contact the repairs team and try to arrange a surveyor to visit her flat and see what assistance can be offered I further advised that her case will be investigated and an officer will get back to her to discuss further with her. Hi Dolly,
Nick and I attended 113a while ago and spoke to the lady a while ago when she originally called Police. At the time she didn't want us to speak to her neighbour as things had got better. The lady handed us a letter about what had happened but none of it made any sense.
We believe she was suffering from mental health issues. On another occasion we popped round to see her and she wouldn't come and speak to us so instead she spoke through her letterbox to us. The male at 109 - Simon Cordell who is causing the problems is very well known to Police and is also very anti Police. I know some Officers went around and spoke to him and things seemed to get better. After that we have had no further calls from the lady at 118.
We will try and get around to see her when were back on duty on Monday.
Kind Regards

Good afternoon Mark,
Could you kindly assist with this query please. Following reports of ASB by the above tenant, my colleague and I visited her this morning and were alarmed by the nature of her complaints. She has in the past few months being constantly harassed, intimidated, bullied, stalked and threatened to kill by her neighbour at 109.
As a result of his behaviour, she has become too scared to leave her flat for fear of what may happen to her. She is a vulnerable tenant who requires support from services. However, the unsettling behaviour exhibited by number 109, has hindered her from attending her appointments and exacerbated her condition. At the moment, she feels very disorientated / agitated and will like the harassment to stop.
She advised that she had reported this to the police a few times but, wasn't taken seriously.

I will appreciate if you could stop over at 113 to reassure her that the matter is being dealt with and also to stop by 109 and advise him that you are aware of what is going on and the repercussions should it continue. Thank you for your support and assistance

Good afternoon Louise,
Sorry I missed your call; I was at a meeting at the time. Called and left a message on your voice mail.
Ms Andrews suffers from a history of mental health; she is currently being supported by **Bola Quadri Care-coordinator** / CPN / **Nurse Prescriber Psychosis Service Line**
Barnet, Enfield & Haringey Mental Health NHS Trust / 58-60 Silver Street, Enfield EN1 3EP

She made complains about her neighbour at number 109, harassing, verbally abusing her, intimidating, shouting threatening to kill her. **The mean concern here is that the perpetrator in question also suffers from mental health and is known to be very aggressive, violet, and anti-police**. He has on a few occasions threatened to kill her and petrified the life out of her.
It was on this basis that a decision was made to move her out immediately.
Hope the above information is useful.

Hi Louise,
Thanks for this - **I'm pleased to hear you think Deborah is being properly supported** and that she sounded better - she was in a right state when we spoke to her last.
Good news that it looks like she might be able to get help to move.

For the camera, we are very happy to come along for a visit. I've spoken to our Sgt and as we understand it the ideal course of action is to advise him to remove it in our presence, then if he refuses, I believe you can take it down and that should be fine so long as the camera itself is returned to Cordell. Let me know when your best days for it would be and I'll see when we can manage best.
Best wishes,
James

Hi James,
I spoke with Deborah Andrews this morning; the leak issue was sorted over the weekend this was from the flat above.
I do not know anything about Mr Cordell moving in two weeks' time, unless she is getting confused with his threat that he will get her in two weeks' time? Overall, I am concerned that Deborah is not managing and appears to be getting more confused the last few times I have spoken to her last week and today, she is also feeling that she needs further support by way of supported accommodation. I do agree with her as the level of support that St John of God provide is high and the dependency with other agencies is also constant and not something that housing or myself could provide long term.
Deborah was much calmer this morning and I reassured he that if she has any concerns to contact me.
With regard to the camera not he is not allowed it to be train on anything else other that his front door. Probably means I will need to visit him to get this sorted. I may request your assistance with this I don't really fancy

seeing him on my own!! (sorry)

Hi Louise,
I hope you are well.
Since **15/01/2016** we have had further calls from Debra Andrew relating to the issues she has been having with Simon Cordell.
Given the nature of the calls, we visited Debra yesterday for a reassurance visit. She said that there has been a leak in the building causing 'flooding' in both her flat and Cordell's flat, and **Cordell has been making accusations relating to it.** She said that she believes Cordell is leaving

his flat in two weeks, which I hadn't heard, but said I would look into it - do you know if that's true by any chance?
Debra said that if Cordell does not leave, she wants to leave her flat and move somewhere else herself.
While at the address we also noticed that Cordell has now installed a CCTV camera which is placed at the top of the internal communal door leading to flats 109 and 111, facing towards the main door of the block. I am unsure as to whether he's allowed to do this and shall look into it, but just wanted to let you know!
Best wishes,
James

Hi Louise, Jackie,
Mr Cordell called this afternoon requesting to **speak with yourselves in regard to his case against his neighbour.**
I am sure you know the details however; he did say that his neighbour is making noise when he undresses. He did go on to mention an incident that resulted in both himself and his neighbour in an awkward position **when he attempted to help her move her bed.**
Mr Cordell is expecting a call back this afternoon.

Dear Sarah,
Thank you for your email and updated information. This incident yesterday I am assuming that this is a different incident from **15/1/16** where **Mr Cordell approached Ms De Polla?** Please can you confirm if this was reported to the police, and if this was not why? **This is harassment and can be treated and reported as a criminal offence**.
Yes, this is a separate incident to **15.01.2016. The police were not called**

as a crime had not been committed and Barbara was able to walk away without Mr Cordell trying to prevent her or following her. In relation to Deborah please can you confirm if your concerns for her welfare are being reported back to the Mental health team prior to this email (I do appreciate that Bola has been on leave for a few weeks)
Yvonne has copied Bola into the same communication as yourself and expressed concerns. Debbie has also contacted Bola. I am receiving if not daily calls from Deborah or every other day, with her explaining to me that she feels she is not coping at all, she is looking to me for reassurance. Deborah has expressed that she is not managing independent living and would like to go back into supported accommodation. Supported living is something Bola would need to arrange. Can you confirm that you have reported your concerns for Debbie's welfare to the mental health team? Please can you confirm if she has expressed this to staff at St John of god? Also, please can you confirm if you feel that Deborah is not coping at present. If so, has this been reported to the mental health team?
As you are aware, Debbie has said that she is not coping and I understand that you are in the process of providing a report in order to facilitate Debbie to move. Can you confirm that this has been completed and if so, what the next step of the process is and how long this is likely to take? Also given the current hours that currently allocated to Deborah if this is suitable in this situation for her need? If I recall this was expressed at a SOVA meeting that this should be extended as her needs are becoming greater? We are requested and funded to provide 6 hours support per week (3 hours twice a week for shopping). Bola is responsible for increasing the care package if Debbie is assessed as needing more support. With regard to the Safe guarding plan I do feel that a mental health strategy meeting needs to take place as issues beyond our control will also have a direct impact on the wellbeing of Deborah. I am raising this directly with George Benyure Bolas manger. My understanding was that Bola had already raised a safeguarding alert?

Hi Louise

I am extremely concerned about Debbie Andrewes neighbour and the increased risk to the support workers and indeed Debbie, who, as you are aware is unable to leave her own home unescorted.

Yesterday it was reported to me that the neighbour approached Barbara de Polla as she entered the communal door, he was very aggressive and began shouting at her saying, you should not be coming here, she is an alcoholic, you shouldn't take her out anywhere etc." Barbara said that she did not want to talk about it and walked away from him, luckily, he did not follow her.
In relation to Debbie is safety, I strongly feel that it is only a matter of time before something serious or even fatal happens to her. As you are aware, the neighbour has a dog, which appears to be a Staffordshire bull terrier which
Page 18 of 21
he allows to roam free in the communal area which is highly intimidating and potentially very dangerous.
Please can you clarify the interim safeguarding protection plan and timescale as to when Debbie will be moved to a place of safety.
I have completed an internal incident form and unfortunately, if another incident occurs, I will have no other option but to temporarily withdraw our service, which will put Debbie in a situation where she is even more at risk.
I look forward to hearing from you at your earliest convenience.

Dear George & Bola,
Thank you for your email, I have only copied you both as there is other information on Mr Cordell that urgently needs to be considered.

I received an email informing me that a mental health warrant had been granted for Mr Cordell. This will cause a greater issue especially if he is released back into the community. My fear is that this will indirectly cause further distress for Deborah. A plan needs to be put in place with full considerations.
Please can an urgent mental health strategy meeting be held regarding Deborah Andrews, given the above information and the urgent need for full consideration in this case due to the complex needs and issues with both clients, who are known to your services and tenants of Enfield Council.
Deborah is contacting me if not daily every other day these calls are coming through at all different days and times. She is informing me that she is not coping with everything and wants to go back into supported accommodation, she feels extremely frightened and vulnerable. I must confirm that its Deborah stating that she is not coping as I am not in a position to make these decisions. When I speak with Deborah asking if she is attending her appointments, she states that" it js a quick jab, in and out no one speaks with you.
With regards to the management transfer this is still being prepared and waiting to be heard by panel, I am waiting to hear the next available date for this. It was explained when I suggested this action may be a route forward that this is not a quick process and all elements need to be considered. It is not necessary for Ms Andrews to currently go into emergency accommodation either. This case will be assisted by moving Ms Andrews; however, this may not resolve all of the concerns or the overall future welfare of Ms Andrews.
Transferring Ms Andrews into another independent accommodation without fully assessing her current needs and the full support required should to be considered before this happens. As moving her may not solve all of Deborah Andrews concerns. She is only going out when SJOG are visiting, however they are only allocated 3 hours per week. More recommendations need to be put forward to provide a comprehensive package to support

Hi Dolly,
Nick and I attended 113a while ago and spoke to the lady a while ago when she originally called Police. At the time she didn't want us to speak to her neighbour as things had got better. The lady handed us a letter about what had happened but none of it made any sense.
We believe she was suffering from mental health issues. On another occasion we popped round to see her and she wouldn't come and speak to us so instead she spoke through her letterbox to us. The male at 109 - Simon Cordell who is causing the problems is very well known to Police and is also very anti Police. I know some Officers went around and spoke to him and things seemed to get better. After that we have had no further calls from the lady at 118.
We will try and get around to see her when were back on duty on Monday.

Good afternoon Mark,
Could you kindly assist with this query please. Following reports of ASB by the above tenant, my colleague and I visited her this morning and were alarmed by the nature of her complaints. She has in the past few months being constantly harassed, intimidated, bullied, stalked and threatened to kill by her neighbour at 109.
As a result of his behaviour, she has become too scared to leave her flat for fear of what may happen to her. She is a vulnerable tenant who requires support from services. However, the unsettling behaviour exhibited by number 109, has hindered her from attending her appointments and exacerbated her condition. At the moment, she feels very disorientated / agitated and will like the harassment to stop.
She advised that she had reported this to the police a few times but, wasn't taken seriously.
I will appreciate if you could stop over at 113 to reassure her that the matter is being dealt with and also to stop by 109 and advise him that you are aware of what is going on and the repercussions should it continue.
Thank you for your support and assistance

A full investigation is supposed to take place within the first stages of my complaints once the Enfield Councils and the Enfield Homes got put in receipt of the emergency issues, I claim about but they keep on failing me!
There is also the issue of the lack of security due to old and in Modern-fitted main communal external door system's, so as living tenant to be able to see who comes in and out of the building, the locking system is faded on the buttons and any person can make out the entry code not having a security front door causes problems with security for the block of flats this issue and the mould on the walls and ceilings me unneeded stress inclusive of the heating and sound issues I have raised with them!

also recalled an incident when the perp spat in her face. It's been one issue after the other she advised
The recent event which took place a week ago. She was on her way out to attend her appointment with her CRN when he apprehended her and threatened to kill her. She was pretty shaken from the incident that instead of attending her appointment, returned home immediately. She advised that she contacted the police but, wasn't taken seriously as they assumed, she was drunk at the time of the call. She advised that she wasn't in the list drunk but, just the way she spoke due to her condition. She still wasn't taken seriously and had to abandon the call.
She found this very frustrating and advised that it was not the first time this would happen to her. Her GPN also confirmed her statement and expressed her dissatisfaction at the way she was treated.
I felt completely let down by the police and became frightful for her safety especially, as she knows the perpetrators has shells in his flat.
I observed in her flat that her floors were very creaky, I was made aware by Dawn that most of the flats in the block are like that. Unfortunately, the creakiness exacerbates the noise level in the fiats and cause more problems than usual.
I advised that I will contact the police to make further enquiries. I will also contact MHT to enquire if Mr Cordell is known to them. At some point the perpetrator will need to be interviewed and a warning letter issued on him. I will contact the repairs team and try to arrange a surveyor to visit her flat and see what assistance nan be offered
I further advised that her case will be investigated, and an officer will get back to her to discuss further with her. Her CPN and TMO will be kept informed of updates

Threats and intimidation (General)
Home visit to Ms Deborah Andrews flat. Attendees Dawn Allen TMO and CPN Bola Quadri
Home visit to Ms Andrews advised that her neighbour at number 109 has for the past few months harassed, intimidated, stalked her and made a life a complete misery. He continuously plays loud music, bangs on her ceiling and door alleging that she is monitoring his movements in his flat. She feels petrified by his presence and as a result refused to leave her flat for fear bumping into him on her way out. She has missed a few appointments with her social worker as a result, she has now been subjected to making home appointments pending the time this matter is resolved. She explained that they use to be acquaintances before the

relationship went sour. She believes the whole problem started when he claimed the decoration in his flat was damaged as a result of a leak coming from her flat. She confirmed that she had a leak from her overflow a few months ago which has since been repaired but, the damage alleged had occurred.

Her CPN also confirmed her statement and expressed her dissatisfaction at the way she was treated. Ms Andrews felt completely let down by the police and became frightful for her safety especially, as she knows the perpetrators has shells in his flat. I observed in her flat that her floors were very creaky, I was made aware by Dawn that most of the flats in the block are like that. Unfortunately, the creakiness exacerbates the noise level in the flats and cause more problems than usual. I advised that I will contact the police to make further enquiries. I will also contact MHT to enquire if Mr Cordell is known to them. At some point the perpetrator will need to be interviewed and a warning letter issued on him. I will contact the repairs team and try to arrange a surveyor to visit her flat and see what assistance can be offered I further advised that her case will be investigated and an officer

Hi Dolly,
Nick and I attended 113a while ago and spoke to the lady a while ago when she originally called Police. At the time she didn't want us to speak to her neighbour as things had got better. The lady handed us a letter about what had happened but none of it made any sense.
We believe she was suffering from mental health issues. On another occasion we popped round to see her and she wouldn't come and speak to us so instead she spoke through her letterbox to us. The male at 109 - Simon Cordell who is causing the problems is very well known to Police and is also very anti Police. I know some Officers went around and spoke to him and things seemed to get better. After that we have had no further calls from the lady at 118.
We will try and get around to see her when were back on duty on Monday.

Kind Regards

Good afternoon Mark,
Could you kindly assist with this query please. Following reports of ASB by the above tenant, my colleague and I visited her this morning and were alarmed by the nature of her complaints. She has in the past few months being constantly harassed, intimidated, bullied, stalked and threatened to kill by her neighbour at 109.
As a result of his behaviour, she has become too scared to leave her flat for fear of what may happen to her. She is a vulnerable tenant who requires support from services. However, the unsettling behaviour exhibited by number 109, has hindered her from attending her appointments and exacerbated her condition. At the moment, she feels very disorientated / agitated and will like the harassment to stop.
She advised that she had reported this to the police a few times but, wasn't taken seriously.
I will appreciate if you could stop over at 113 to reassure her that the matter is being dealt with and also to stop by 109 and advise him that you are aware of what is going on and the repercussions should it continue.
Thank you for your support and assistance

Good afternoon Louise,
Sorry I missed your call; I was at a meeting at the time. Called and left a message on your voice mail.
Ms Andrews suffers from a history of mental health; she is currently being supported by Bola Quadri Care-coordinator / CPN / Nurse Prescriber Psychosis Service Line
Barnet, Enfield & Haringey Mental Health NHS Trust / 58-60 Silver Street, Enfield EN1 3EP
She made complains about her neighbour at number 109, harassing, verbally abusing her, intimidating, shouting threatening to kill her. The mean concern here is that the perpetrator in question also suffers from mental health and is known to be very aggressive, violet and anti-police. He has on a few occasions threatened to kill her and petrified the life out of her.
It was on this basis that a decision was made to move her out immediately.
Hope the above information is useful.

Hi Louise,

Thanks for this - I'm pleased to hear you think Deborah is being properly supported and that she sounded better - she was in a right state when we spoke to her last.

Good news that it looks like she might be able to get help to move.

For the camera, we are very happy to come along for a visit. I've spoken to our Sgt and as we understand it the ideal course of action is to advise him to remove it in our presence, then if he refuses, I believe you can take it down and that should be fine so long as the camera itself is returned to Cordell. Let me know when your best days for it would be and I'll see when we can manage best.

Best wishes,

Hi James,

I spoke with Deborah Andrews this morning; the leak issue was sorted over the weekend this was from the flat above.

I do not know anything about Mr Cordell moving in two weeks' time, unless she is getting confused with his threat that he will get her in two weeks' time? Overall, I am concerned that Deborah is not managing and appears to be getting more confused the last few times I have spoken to her last week and today, she is also feeling that she needs further support by way of supported accommodation. I do agree with her as the level of support that St John of God provide is high and the dependency with other agencies is also constant and not something that housing or myself could provide long term.

Deborah was much calmer this morning and I reassured he that if she has any concerns to contact me.

With regard to the camera not he is not allowed it to be train on anything else other that his front door. Probably means I will need to visit him to get this sorted. I may request your assistance with this I don't really fancy

seeing him on my own!! (sorry)

Hi Louise,
I hope you are well.
Since **15/01/2016** we have had further calls from Debra Andrew relating to the issues she has been having with Simon Cordell.
Given the nature of the calls, we visited Debra yesterday for a reassurance visit. She said that there has been a leak in the building causing 'flooding' in both her flat and Cordell's flat, and Cordell has been making accusations relating to it. She said that she believes Cordell is leaving his flat in two weeks, which I hadn't heard, but said I would look into it - do you know if that's true by any chance?
Debra said that if Cordell does not leave, she wants to leave her flat and move somewhere else herself.
While at the address we also noticed that Cordell has now installed a CCTV camera which is placed at the top of the internal communal door leading to flats 109 and 111, facing towards the main door of the block. I am unsure as to whether he's allowed to do this and shall look into it, but just wanted to let you know!
Best wishes,
James

Hi Louise, Jackie,
Mr Cordell called this afternoon requesting to speak with yourselves in regard to his case against his neighbour.
I am sure you know the details however; he did say that his neighbour is making noise when he undresses. He did go on to mention an incident that resulted in both himself and his neighbour in an awkward position when he attempted to help her move her bed.
Mr Cordell is expecting a call back this afternoon.
Kind Regards

Dear Sarah,

Thank you for your email and updated information. This incident yesterday J am assuming that this is a different incident from 15/1/16 where Mr Cordell approached Ms De Polla? Please can you confirm if this was reported to the police, and if this was not why? This is harassment and can be treated and reported as a criminal offence. Yes, this is a separate incident to 15.01.**2016**. The police were not called as a crime had not been committed and Barbara was able to walk away without Mr Cordell trying to prevent her or following her. In relation to Deborah please can you confirm if your concerns for her welfare are being reported back to the Mental health team prior to this email (I do appreciate that Bola has been on leave for a few weeks) Yvonne has copied Bola into the same communication as yourself and expressed concerns. Debbie has also contacted Bola. I am receiving if not daily calls from Deborah or every other day, with her explaining to me that she feels she is not coping at all, she is looking to me for reassurance. Deborah has expressed that she is not managing independent living and would like to go back into supported accommodation. Supported living is something Bola would need to arrange. Can you confirm that you have reported your concerns for Debbie's welfare to the mental health team?

Please can you confirm if she has expressed this to staff at St John of god? Also, please can you confirm if you feel that Deborah is not coping at present. If so, has this been reported to the mental health team?

As you are aware, Debbie has said that she is not coping and I understand that you are in the process of providing a report in order to facilitate Debbie to move. Can you confirm that this has been completed and if so, what the next step of the process is and how long this is likely to take? Also given the current hours that currently allocated to Deborah if this is suitable in this situation for her need? If I recall this was expressed at a SOVA meeting that this should be extended as her needs are becoming greater? We are requested and funded to provide 6 hours support per week (3 hours twice a week for shopping). Bola is responsible for increasing the care package if Debbie is assessed as needing more support. With regard to the Safe guarding plan I do feel that a mental health strategy meeting needs to take place as issues beyond our control will also have a direct impact on the wellbeing of Deborah. I am raising this directly with George Benyure Bolas manger. My understanding was that Bola had already raised a safeguarding alert?

Hi Louise
I am extremely concerned about Debbie Andrewes neighbour and the increased risk to the support workers and indeed Debbie, who, as you are aware is unable to leave her own home unescorted.
Yesterday it was reported to me that the neighbour approached Barbara de Polla as she entered the communal door, he was very aggressive and began shouting at her saying, you should not be coming here, she is an alcoholic, you shouldn't take her out anywhere etc." Barbara said that she did not want to talk about it and walked away from him, luckily, he did not follow her.
In relation to Debbie is safety, I strongly feel that it is only a matter of time before something serious or even fatal happens to her. As you are aware, the neighbour has a dog, which appears to be a Staffordshire bull terrier which
Page 18 of 21
he allows to roam free in the communal area which is highly intimidating and potentially very dangerous.
Please can you clarify the interim safeguarding protection plan and timescale as to when Debbie will be moved to a place of safety.
I have completed an internal incident form and unfortunately, if another incident occurs, I will have no other option but to temporarily withdraw our service, which will put Debbie in a situation where she is even more at risk.
I look forward to hearing from you at your earliest convenience.

Dear George & Bola,
Thank you for your email, I have only copied you both as there is other information on Mr Cordell that urgently needs to be considered.
I received an email informing me that a mental health warrant had been granted for Mr Cordell. This will cause a greater issue especially if he is released back into the community. My fear is that this will indirectly cause further distress for Deborah. A plan needs to be put in place with full considerations.
Please can an urgent mental health strategy meeting be held regarding Deborah Andrews, given the above information and the urgent need for full consideration in this case due to the complex needs and issues with both clients, who are known to your services and tenants of Enfield Council.
Deborah is contacting me if not daily every other day these calls are coming through at all different days and times. She is informing me that she is not coping with everything and wants to go back into supported accommodation, she feels extremely frightened and vulnerable. I must confirm that its Deborah stating that she is not coping as I am not in a position to make these decisions. When I speak with Deborah asking if she is attending her appointments, she states that" it js a quick jab, in and out no one speaks with you.
With regards to the management transfer this is still being prepared and waiting to be heard by panel, I am waiting to hear the next available date for this. It was explained when I suggested this action may be a route forward that this is not a quick process and all elements need to be considered. It is not necessary for Ms Andrews to currently go into emergency accommodation either. This case will be assisted by moving Ms Andrews; however, this may not resolve all of the concerns or the overall future welfare of Ms Andrews.
Transferring Ms Andrews into another independent accommodation without fully assessing her current needs and the full support required should to be considered before this happens. As moving her may not solve all of Deborah Andrews concerns. She is only going out when SJOG are visiting, however they are only allocated 3 hours per week. More recommendations need to be put forward to provide a comprehensive package to support

Notes about this person
Home visit to Ms Deborah Andrews flat. Attendees Dawn Allen TMO and CPN Bola Quadri Horne visit to Ms Andrews advised that her neighbour at number 109 has for the past few months harassed, intimidated, stalked her and made a life a complete misery. He continuously plays loud music, bangs on her ceiling and door alleging that she is monitoring his movements in his flat. She feels petrified by his presence and as a result refused to leave her flat for fear bumping into him on her way out. She has missed a few appointments with her social worker as a result, she has now been subjected to making home appointments pending the time this matter is resolved. She explained that they use to be acquaintances before the relationship went sour. She believes the whole problem started when he claimed the decoration in his flat was damaged as a result of a leak coming from her flat. She confirmed that she had a leak from her overflow a few months ago which has since been repaired but, the damage alleged had occurred.

The recent event which took place a week ago. She was on her way out to attend her appointment with her CRN when he apprehended her and threatened to kill her. She was pretty shaken from the incident that instead of attending her appointment, returned home immediately. She advised that she contacted the police but, wasn't taken seriously as they assumed, she was drunk at the time of the call. She advised that she wasn't in the list drunk but, just the way she spoke due to her condition. She still wasn't taken seriously and had to abandon the call.
She found this very frustrating and advised that it was not the first time this would happen to her. Her GPN also confirmed her statement and expressed her dissatisfaction at the way she was treated.
I felt completely let down by the police and became frightful for her safety especially, as she knows the perpetrators has shells in his flat.
I observed in her flat that her floors were very creaky, I was made aware by Dawn that most of the flats in the block are like that. Unfortunately, the creakiness exacerbates the noise level in the fiats and cause more problems than usual.
I advised that I will contact the police to make further enquiries. I will also contact MHT to enquire if Mr Cordell is known to them. At some point the perpetrator will need to be interviewed and a warning letter issued on him. I will contact the repairs team and try to arrange a surveyor to visit her flat and see what assistance nan be offered
I further advised that her case will be investigated, and an officer will get back to her to discuss further with her. Her CPN and TMO will be kept informed of updates

Hi Dolly,
Nick and I attended while ago and spoke to the A while ago when she originally called Police. At the time she didn't want us to speak to her neighbour as things had got better. The lady handed us a letter about what had happened but none of it made any sense.
We believe she was suffering from mental health issues. On another occasion we popped round to see her and she wouldn't come and speak to us so instead she spoke through her letterbox to us.
The male at 109 - Simon Cordell who is causing the problems is very well known to Police and is also very anti Police. I know some Officers went around and spoke to him and things seemed to get better After that we have had no further calls from the lady
We will try and get around to see her when were back on duty on Monday.
Kind Regards

Good afternoon Mark,
Could you kindly assist with this query please. Following reports of ASB by the above tenant, my colleague and I visited her this morning and were alarmed by the nature of her complaints. She has in the past few months being constantly harassed, intimidated, bullied, stalked and threatened to kill by her neighbour at 109.
As a result of his behaviour, she has become too scared to leave her flat for fear of what may happen to her. She is a vulnerable tenant who requires support from services. However, the unsettling behaviour exhibited by number 109, has hindered her from attending her appointments and exacerbated her condition. At the moment, she feels very disorientated / agitated and will like the harassment to stop.
She advised that she had reported this to the police a few times but, wasn't taken seriously.

I will appreciate if you could stop over at to reassure her that the matter is being dealt with and also to stop by 109 and advise him that you are aware of what is going on and the repercussions should it continue.
Thank you for your support and assistance

Unfortunately, the creakiness exacerbates the noise level in the flats and cause more problems than usual. I advised that I will contact the police to make further enquiries. I will also contact MHT to enquire if Mr Cordell is known to them. At some point the perpetrator will need to be interviewed and a warning letter issued on him. I will contact the repairs team and try to arrange a surveyor to visit her flat and see what assistance can be offered I further advised that her case will be investigated and an officer will get back to her to discuss further with

her. Her CPN and TMO will be kept informed of updates Bola Quadri has already put in place a safe guard alert.

Home visit to Ms Deborah Andrews flat. Attendees Dawn Allen TMO and CPN Bola Quadri
Home visit to Ms Andrews advised that her neighbour at number 109 has for the past few months harassed, intimidated, stalked her and made a life a complete misery. He continuously plays loud music, bangs on her ceiling and door alleging that she is monitoring his movements in his flat. She feels petrified by his presence and as a result refused to leave her flat for fear bumping into him on her way out. She has missed a few appointments with her social worker as a result, she has now been subjected to making home appointments pending the time this matter is resolved.

Hi Dolly,
Nick and I attended 113a while ago and spoke to the lady a while ago when she originally called Police. At the time she didn't want us to speak to her neighbour as things had got better. The lady handed us a letter about what had happened but none of it made any sense.
We believe she was suffering from mental health issues. On another occasion we popped round to see her and she wouldn't come and speak to us so instead she spoke through her letterbox to us. The male at 109 - Simon Cordell who is causing the problems is very well known to Police and is also very anti Police. I know some Officers went around and spoke to him and things seemed to get better. After that we have had no further calls from the lady at 118.
We will try and get around to see her when were back on duty on Monday.
Kind Regards

Good afternoon Mark,
Could you kindly assist with this query please. Following reports of ASB by the above tenant, my colleague and I visited her this morning and were alarmed by the nature of her complaints. She has in the past few months being constantly harassed, intimidated, bullied, stalked and threatened to kill by her neighbour at 109.
As a result of his behaviour, she has become too scared to leave her flat for fear of what may happen to her. She is a vulnerable tenant who requires support from services. However, the unsettling behaviour exhibited by number 109, has hindered her from attending her appointments and exacerbated her condition. At the moment, she feels very disorientated / agitated and will like the harassment to stop.
She advised that she had reported this to the police a few times but, wasn't taken seriously.
I will appreciate if you could stop over at 113 to reassure her that the matter is being dealt with and also to stop by 109 and advise him that you are aware of what is going on and the repercussions should it continue.
Thank you for your support and assistance

Good afternoon Louise,
Sorry I missed your call; I was at a meeting at the time. Called and left a message on your voice mail.
Ms Andrews suffers from a history of mental health; she is currently being supported by Bola Quadri Care-coordinator / CPN / Nurse Prescriber Psychosis Service Line
Barnet, Enfield & Haringey Mental Health NHS Trust / 58-60 Silver Street, Enfield EN1 3EP
She made complains about her neighbour at number 109, harassing, verbally abusing her, intimidating, shouting threatening to kill her. The mean concern here is that the perpetrator in question also suffers from

mental health and is known to be very aggressive, violet and anti-police. He has on a few occasions threatened to kill her and petrified the life out of her.
It was on this basis that a decision was made to move her out immediately.
Hope the above information is useful.

Hi Louise,
Thanks for this - I'm pleased to hear you think Deborah is being properly supported and that she sounded better - she was in a right state when we spoke to her last.
Good news that it looks like she might be able to get help to move.
For the camera, we are very happy to come along for a visit. I've spoken to our Sgt and as we understand it the ideal course of action is to advise him to remove it in our presence, then if he refuses, I believe you can take it down and that should be fine so long as the camera itself is returned to

Cordell. Let me know when your best days for it would be and I'll see when we can manage best.

Hi James,
I spoke with Deborah Andrews this morning; the leak issue was sorted over the weekend this was from the flat above.
I do not know anything about Mr Cordell moving in two weeks' time, unless she is getting confused with his threat that he will get her in two weeks' time? Overall, I am concerned that Deborah is not managing and appears to be getting more confused the last few times I have spoken to her last week and today, she is also feeling that she needs further support by way of supported accommodation. I do agree with her as the level of support that St John of God provide is high and the dependency with other agencies is also constant and not something that housing or myself could provide long term.
Deborah was much calmer this morning and I reassured he that if she has any concerns to contact me.
With regard to the camera not he is not allowed it to be train on anything else other that his front door. Probably means I will need to visit him to get this sorted. I may request your assistance with this I don't really fancy

Hi Louise,
I hope you are well.
Since **15/01/2016** we have had further calls from Debra Andrew relating to the issues she has been having with Simon Cordell.
Given the nature of the calls, we visited Debra yesterday for a reassurance visit. She said that there has been a leak in the building causing 'flooding' in both her flat and Cordell's flat, and Cordell has been making accusations relating to it. She said that she believes Cordell is leaving his flat in two weeks, which I hadn't heard, but said I would look into it - do you know if that's true by any chance?
Debra said that if Cordell does not leave, she wants to leave her flat and move somewhere else herself.

While at the address we also noticed that Cordell has now installed a CCTV camera which is placed at the top of the internal communal door leading to flats 109 and 111, facing towards the main door of the block. I am unsure as to whether he's allowed to do this and shall look into it, but just wanted to let you know!
Best wishes,

Dear Sarah,
Thank you for your email and updated information. This incident yesterday J am assuming that this is a different incident from 15/1/16 where Mr Cordell approached Ms De Polla? Please can you confirm if this was reported to the police, and if this was not why? This is harassment and can be treated and reported as a criminal offence. Yes, this is a separate incident to 15.01.**2016.** The police were not called as a crime had not been committed and Barbara was able to walk away without Mr Cordell trying to prevent her or following her. In relation to Deborah please can you confirm if your concerns for her welfare are being reported back to the Mental health team prior to this email (I do

appreciate that Bola has been on leave for a few weeks) Yvonne has copied Bola into the same communication as yourself and expressed concerns. Debbie has also contacted Bola. I am receiving if not daily calls from Deborah or every other day, with her explaining to me that she feels she is not coping at all, she is looking to me for reassurance. Deborah has expressed that she is not managing independent living and would like to go back into supported accommodation. Supported living is something Bola would need to arrange. Can you confirm that you have reported your concerns for Debbie's welfare to the mental health team?
Please can you confirm if she has expressed this to staff at St John of god?
Also, please can you confirm if you feel that Deborah is not coping at present. If so, has this been reported to the mental health team?
As you are aware, Debbie has said that she is not coping, and I understand that you are in the process of providing a report in order to facilitate Debbie to move. Can you confirm that this has been completed and if so, what the next step of the process is and how long this is likely to take?
Also given the current hours that currently allocated to Deborah if this is suitable in this situation for her need? If I recall this was expressed at a SOVA meeting that this should be extended as her needs are becoming greater? We are requested and funded to provide 6 hours support per week (3 hours twice a week for shopping). Bola is responsible for increasing the care package if Debbie is assessed as needing more support. With regard to the Safeguarding plan I do feel that a mental health strategy meeting needs to take place as issues beyond our control will also have a direct impact on the wellbeing of Deborah. I am raising this directly with George Benyure Bolas manger. My understanding was that Bola had already raised a safeguarding alert.

Dear Sarah,

Thank you for your email and updated information. This incident yesterday I am assuming that this is a different incident from 15/1/16 where Mr Cordell approached Ms De Polla? Please can you confirm if this was reported to the police, and if this was not why? This is harassment and can be treated and reported as a criminal offence.

In relation to Deborah please can you confirm if your concerns for her welfare are being reported back to the Mental health team prior to this email (I do appreciate that Bola has been on leave for a few weeks) I am receiving if not daily calls from Deborah or every other day, with her explaining to me that she feels she is not coping at all, she is looking to me for reassurance. Deborah has expressed that she is not managing independent living and would like to go back into supported accommodation.

Please can you confirm if she has expressed this to staff at St John of god?

Also, please can you confirm if you feel that Deborah is not coping at present. If so, has this been reported to the mental health team?

Also given the current hours that currently allocated to Deborah if this is suitable in this situation for her need? If I recall this was expressed at a SOVA meeting that this should be extended as her needs are becoming greater?

With regard to the Safeguarding plan I do feel that a mental health strategy meeting needs to take place as issues beyond our control will also have a direct impact on the wellbeing of Deborah. I am raising this directly with George Benyure Bolas manger.

Subject: Debra Andrews Importance: High Sensitivity: Confidential This message has been sent on behalf of Yvonne Stacey.

Hi Louise

I am extremely concerned about Debbie Andrewes neighbour and the increased risk to the support workers and indeed Debbie, who, as you are aware is unable to leave her own home unescorted.

Yesterday it was reported to me that the neighbour approached Barbara de Polla as she entered the communal door, he was very aggressive and began shouting at her saying, you should not be coming here, she is an alcoholic, you shouldn't take her out anywhere etc." Barbara said that she

did not want to talk about it and walked away from him, luckily, he did not follow her.
In relation to Debbie is safety, I strongly feel that it is only a matter of time before something serious or even fatal happens to her. As you are aware, the neighbour has a dog, which appears to be a Staffordshire bull terrier which
Page 18 of 21
he allows to roam free in the communal area which is highly intimidating and potentially very dangerous.
Please can you clarify the interim safeguarding protection plan and timescale as to when Debbie will be moved to a place of safety.
I have completed an internal incident form and unfortunately, if another incident occurs, I will have no other option but to temporarily withdraw our service, which will put Debbie in a situation where she is even more at risk.
I look forward to hearing from you at your earliest convenience.
Regards
NB: Please can you forward this message to your line manager.

Dear George & Bola,
Thank you for your email, I have only copied you both as there is other information on Mr Cordell that urgently needs to be considered.
I received an email informing me that a mental health warrant had been granted for Mr Cordell. This will cause a greater issue especially if he is released back into the community. My fear is that this will indirectly cause further distress for Deborah. A plan needs to be put in place with full considerations.

Please can an urgent mental health strategy meeting be held regarding Deborah Andrews, given the above information and the urgent need for full consideration in this case due to the complex needs and issues with both clients, who are known to your services and tenants of Enfield Council.
Deborah is contacting me if not daily every other day these calls are coming through at all different days and times. She is informing me that she is not coping with everything and wants to go back into supported accommodation, she feels extremely frightened and vulnerable. I must confirm that its Deborah stating that she is not coping as I am not in a position to make these decisions. When I speak with Deborah asking if she is attending her appointments, she states that" it js a quick jab, in and out no one speaks with you.
With regards to the management transfer this is still being prepared and waiting to be heard by panel, I am waiting to hear the next available date for this. It was explained when I suggested this action may be a route forward that this is not a quick process and all elements need to be considered. It is not necessary for Ms Andrews to currently go into emergency accommodation either. This case will be assisted by moving Ms Andrews; however, this may not resolve all of the concerns or the overall future welfare of Ms Andrews.
Transferring Ms Andrews into another independent accommodation without fully assessing her current needs and the full support required should be considered before this happens. As moving her may not solve all of Deborah Andrews concerns. She is only going out when SJOG are visiting, however they are only allocated 3 hours per week. More recommendations need to be put forward to provide a comprehensive package to support

Thank you for taking the time to talk to me, on the phone today and explaining why you could not come to the meeting on the

at 14:30! As said on the phone the surveyors took all the details of repairs and said they will deal with them. I am happy, you will get keep updated as too, what is going on with the repairs and keep me updated. As also said to you on the phone we did not hear from the ASB team as yet, and today my son heard the main door keep banging so he walked out to the front and saw no one there so walked out further than he was to see if he could spot anyone else around the flats. When he walked back to the main door Debbie, his neighbour was by the bin door and when she turned around and saw my son, she hit him with her shopping bags, there was a lady that was with her, but not standing with her and saw what was going on and run over and told Debbie to stop, my son asked for the lady's name and the lady would not give him it or who she worked for. But my son had time to talk to the lady and tell her what Debbie had been doing, Debbie got upset, and kept shouting and telling the lady not to talk to him the lady had to tell Debbie to stop that she wanted to hear what my son was saying and told Debbie to wait. She spoke to my son for a little while but said to my son that she was sorry, but she was busy and had to go and she left, and my son goes back into his flat. He called me and told me what had happened and asked me to call you to update you as too, what had gone on.

I continue to lecture the importance of my complaints and that off my sent official correspondent to what I send to the relevant persons, without no correct follow ups, namely the Enfield Council! 2
It is truly tragic that the Enfield Councils and the Enfield Homes inclusive of the Metropolitans constabulary left the occupiers of 117 Burncroft Avenue without any form of support in regards to their Child's protection when I notified them of my concerns and video evidence of the legal guardians consecutive while amoral behaviour of criminal attempts, as for the child protection Act 1989 states that in section 27 of that act it requires all local authority as a must to assist in the protection of children, since the young child's birth the child legal mother and father have provoked a Critical emergency needed for the Mental stability of themselves to get questioned as for the complete absinth of the disregard for life itself, as the Article 2 of the human Right Act 1998 explains within its context, as I am Confident that the child is in danger alongside many of my other witness towards the child's legal guardians stability and Mental stability. Legal Aid was sent in over two weeks ago as previously advised. If they have not received / processed the form that is outside my control. Clearly you are not familiar with the workings of the Legal Aid Agency and the frequency with which they lose forms, or the amount of time I waste on the phone to them making enquiries about legal aid applications previously sent in. The Crown Court has been advised during a telephone conversation that the appeal would be 2- 3 days as per the length the original hearing took. As previously advised Lorraine all other work will be undertaken once legal aid has been granted otherwise, we will not get paid for any backdated work. I submitted the appeal and that has been lodged. I did not submit a court stamped form so will now have to get fresh form signed and date stamped and I will only be paid from that date. Please indicate if Simon can attend my office on Friday 9th October **2015** at 2pm with a full list of any new evidence he wants included in the appeal hearing. In the intervening period of time I will get a "CRM" 14 date stamped.

I was wondering if you had heard anything from legal aid yet. Could you please deal with the information below I have asked for over and over again?
Could I please get the case files, since this case started in Sep **2014** so I can see what has been done?
The information about the medical records. A list of what was given the Magistrates for the trail as Simon never had his own bundle for trail, we don't know what was in fact sent to the court, we do know there was medical records lists 2 sets but the court did not seem to have these, as there were a lot of things Given to Michael which we don't know if they were sent. Could you please forward me the email to Superintendent Adrian Coombs from Essex police that you said you was going to send weeks ago asking him about the statement. Forward me the ema l you have sent to the crown court about the appeal updating them to how many days you think the appeal will take and any person that are being called, I know you will not be able to give them a full list as of yet as we don't yet have the statement from Superintendent Adrian Coombs and information about the public order unit. I keep sending emails with lists of things but you only every seem to reply to as little as you can and we never get an update as to what is being asked this has gone on since this case started Sep **2014**, I know Michael was dealing with this case and he left, the trail was a mess Josey as so much was never done. Also, did you get the below email of information you asked for, and how we are going to deal with this please? Please could you take a little time and deal with just some of this.

Also, it seems that he was one of the people that was at Croydon Party and put on the news and newspapers, he handed himself in for this on the 30/06/**2014** to a police station and was taken to Scotland Yard for interview this is confirmed by his mother on his Facebook account as she was keeping people updated. Also, he does not stop there about Scotland Yard. 27/07/**2014** Millmarsh Lane Enfield Emails for this one with information and location. Also, this was not outdoors like the police are trying to say and I can prove this 09 to 10 Aug **2014** Millmarsh Lane Enfield the full event page is 108 pages. Also, this was not outdoors like the police are trying to say and I can prove this, also the po ice must have known there were squatters there due to the party on the 27/07/**2014** Just say I got information a lot of information to each event they say Simon set up. But Josey you need to under the information and how it works I am very good at computers and t even took me a little while to work out how these people set these pages up and what they are doing with the event pages. So just saying you will print them off is not going to be enough as you are going to have hundreds of pages that will need tagging. You need to see the information and understand t to be able to lay this out how it will need laying out for people to understand it. and how I was able to find it which I started when this case started, and have been saying I had it and the event pages but nothing was done, now some pages have been deleted, but we all know the police can get them don't we. I even got events to date that these

people are still setting up and the po ice are giving green lights to them which mean the police are allowing these parties to go ahead. These parties are in fact still going on every week. Also, Josey the paper works the police served really does need time to go over it there is times that are off so many things that are wrong here. The CADs well sorry but the police are trying to with these they really are, and something needs to be done about how they have blacked so much out. But I need to show you for you to understand. And please tell me why a grid ref would need to be blacked out?
But there is a lot of work with the police papers that needs to be gone over which was not done for the trial and Josey this will take time. That last statement you missed in your email from the office in charge of the case needs to be dealt with also it was too late when we found out about it the day before the trail, and that being in Val Tanner from the public order unit at Scotland Yard, but I need to say in a statement what she said to me on the phone as it don't work out with what the police officer said in that statement. And also, the phone ca l that DS Chapman from the public order unit at Scotland Yard. The public order unit at Scotland Yard know a lot more Josey and they know it and they are allowing Simon to be blamed for this knowing he never done it that is wrong Josey it really is. was really funny how the office in charge of this case deleted the email he sent to the public order unit why would he have done this why would he have not taken a statement from Val Tanner?
Simon did do a lot of this with me right from the start when this started but Michael kept saying that does not matter, But Josey t does matter I did not understand how a civil case worked until the end at trial I did ask but I was not explained to me or Simon.

Legal Aid was sent in over two weeks ago as previously advised. If they have not received / processed the form that is outside my control. Clearly you are not familiar with the workings of the Legal Aid Agency and the frequency with which they lose forms, or the amount of time I waste on the phone to them making enquiries about legal aid applications previously sent in. The Crown Court has been advised during a telephone conversation that the appeal would be 2- 3 days as per the length the original hearing took. As previously advised Lorraine all other work will be undertaken once legal aid has been granted otherwise, we will not get paid for any backdated work. I submitted the appeal and that has been lodged. I did not submit a court stamped form so will now have to get fresh form signed and date stamped and I will only be paid from that date. Please indicate if Simon can attend my office on Friday 9th October **2015** at 2pm with a full list of any new evidence he wants included in the appeal hearing. In the intervening period of time I will get a "CRM" 14 date stamped.

Could I please get the case files, since this case started in Sep **2014** so I can see what has been done?
The information about the medical records. A list of what was given the Magistrates for the trail as Simon never had his own bundle for trail, we don't know what was in fact sent to the court, we do know there was medical records lists 2 sets but the court did not seem to have these, as there were a lot of things Given to Michael which we don't know if they were sent. Could you please forward me the e**mail to** Superintendent Adrian Coombs from Essex police that you said you was

going to send weeks ago asking him about the statement. Forward me the ema l you have sent to the crown court about the appeal updating them to how many days you think the appeal will take and any person that are being called, I know you will not be able to give them a full list as of yet as we don't yet have the statement from Superintendent Adrian Coombs and information about the public order un t.
I keep sending emails with lists of things but you only every seem to reply to as little as you can and we never get an update as to what is being asked this has gone on since this case started Sep **2014**, I know Michael was dealing with this case and he left, the trail was a mess Josey as so much was never done. Hi Josey
Thank you for the reply to the below emails, I did ask you to check over a week ago and if you know that legal aid loses so many applications and the turn around to know if legal aid is granted and the application was put in over 2 weeks ago I sure you would have known there was an issue. Does the office not submit the legal aid applications online or by DX? Time is running very low to get the information dealt with we still need information from the public order unit, and other things addressed Josey there is going to be a lot of work to get his ready for appeal for the 09/1 1/**2015**.

Legal Aid was sent in over two weeks ago as previously advised. If they have not received / processed the form that is outside my control. Clearly you are not familiar with the workings of the Legal Aid Agency and the frequency with which they lose forms, or the amount of time I waste on the phone to them making enquiries about legal aid applications previously sent in. The Crown Court has been advised during a telephone conversation that the appeal would be 2- 3 days as per the length the original hearing took. As previously advised Lorraine all other work will be undertaken once legal aid has been granted otherwise, we will not get paid for any backdated work. I submitted the appeal and that has been lodged. I did not submit a court stamped form so will now have to get fresh form signed and date stamped, and I will only be paid from that date.
Please indicate if Simon can attend my office on Friday 9th October **2015** at 2pm with a full list of any new evidence he wants included in the appeal hearing. In the intervening period of time I will get a "CRM" 14 date stamped.

Hi Josey

I was wondering if you had heard anything from legal aid yet. Could you please deal with the information below I have asked for over and over again?

Could I please get the case files, since this case started in Sep **2014** so I can see what has been done?

The information about the medical records. A list of what was given the Magistrates for the trail as Simon never had his own bundle for trail, we don't know what was in fact sent to the court, we do know there was medical records lists 2 sets but the court did not seem to have these, as there were a lot of things Given to Michael which we don't know if they were sent. Could you please forward me the email to Superintendent Adrian Coombs from Essex police that you said you was going to send weeks ago asking him about the statement. Forward me the ema l you have sent to the crown court about the appeal updating them to how many days you think the appeal will take and any person that are being called, I know you will not be able to give them a full it's as of yet as we don't yet have the statement from Superintendent Adrian Coombs and information about the public order un t. I keep sending emails with lists of things but you only every seem to reply to as little as you can and we never get an update as to what is being asked this has gone on since this case started Sep **2014**, I know Michael was dealing with this case and he left, the trail was a mess Josey as so much was never done. Also, did you get the below email of information you asked for, and how we are going to deal with this please? Please could you take a little time and deal with just some of this.

I got the face book events pages for 12/01/**2013** Canary Wharf Simon was taken to the Royal London Hospital I found out the hospital called them they have the records. 25/05/**2014** Unit 5 St Georges Ind Est White hart Lane, N17 I got emails of the event and what was written on the Facebook event page as to the location and what the event was ca led and the links to the event etc, but event page was deleted. Event was called Chaotic Waves Gully posted in >>2100+ ATTENDING<< TONIGHT!! AACHAOTIC WAVES//RIGHT WRONGUNS//BASSFACE SOUNDS//HOUSE OF HAVIK PRESENTS THE 1ST YEAR ANNIVERSARY OF CHAOTIC WAVESAAFT SKUNK-WORKS ARENA (Then changed to) (Chaotic Waves Gully posted in) A VERY CHAOTIC POPUP! 06 to 08 June **2014** Progress way Enfield the full event page is 225 pages Hippy Fest and the Superintendent from Essex statement which should also then bring up a name for a Superintendent in the MET police he spoke to about Hippy Fest. 20 June **2014** 1 Falcon Park Neasden Lane NW10 full event page is 87 pages 19/07/**2014** Carpet right A10 Enfield I got Antony Harvey Facebook account page I been waiting for nearly a year for him to add me so I could see what his account page showed as he deleted the event page the event was ca led 19th JULY (1.4k attending) The Raving Family That Rave In The Woods he only added me to his Facebook account on the 1 3/09/**2015** and oh yes I got the information from his Facebook account page, which shows him and others talking about the event, and also a person says on his page there is 200 people waiting at Southbury. Also, it seems that he was one of the people that was at Croydon Party and put on the news and newspapers, he handed himself in for this on the 30/06/**2014** to a police station and was taken to Scotland Yard for interview this is confirmed by his mother on his Facebook account as she was keeping people updated. He was given bail from Scotland yard but it seems on bail conditions from reading his page and reading between the lines one of them seem to be was not to attend any illegal raves, he got NFA for that one the 04/08/**2014** from Scotland yard from what it says on his page, But tell me this he was arrested on the 19/07/**2014** for this event Simon is being blamed for before Simon got there, why when the police saw Simon did, they arrest Simon and de arrest Antony Havey, I sure they would have had his name and done a name check and saw what he was on bail for?

Also, he does not stop there about Scotland Yard.

1000,

27/07/**2014** Millmarsh Lane Enfield Emails for this one with information and location. Also, this was not outdoors like the police are trying to say and I can prove this 09 to 10 Aug **2014** Millmarsh Lane Enfield the full event page is 108 pages. Also, this was not outdoors like the police are trying to say and I can prove this, also the police must have known there were squatters there due to the party on the 27/07/**2014** Just say I got information a lot of information to each event they say Simon set up. But Josey you need to under the information and how it works I am very good at computers and it even took me a little while to work out how these people set these pages up and what they are doing with the event pages. So just saying you will print them off is not going to be enough as you are going to have hundreds of pages that will need tagging. You need to see the information and understand t to be able to lay this out how it will need laying out for people to understand it. and how I was able to find it which I started when this case started, and have been saying I had it and the event pages but nothing was done, now some pages have been deleted, but we all know the police can get them don't we. I even got events to date that these people are still setting up and the po ice are giving green lights to them which mean the police are allowing these parties to go ahead. These parties are in fact still going on every week. Also, Josey the paper works the police served really does need time to go over it there is times that are off so many things that are wrong here. The CADs well sorry but the police are trying it on with these they really are and something needs to be done about how they have blacked so much out. But I need to show you for you to understand. And please tell me why a grid ref would need to be blacked out?
But there is a lot of work with the police papers that needs to be gone over which was not done for the trial and Josey this will take time. That last statement you missed in your email from the office in charge of the case needs to be dealt with also it was too late when we found out about it the day before the trail, and that being in Val Tanner from the public order unit at Scotland Yard, but I need to say in a statement what she said to me on the phone as it doesn't work out with what the police officer said in that statement. And also, the phone ca l that DS Chapman from the public order unit at Scotland Yard. **The public order unit at Scotland Yard** know a lot more Josey and they know it and they are allowing Simon to be blamed for this knowing he never done it that is wrong Josey it really is. was really funny how the office in charge of this case deleted the email he sent to the public order unit why would he have done this why would he have not taken a statement from Val Tanner? Simon did do a lot of this with me right from the start when this started but Michael kept saying that does not matter, But Josey t does matter I did not understand how a civil case worked until the end at trial I did ask but it was not explained to me or Simon.

Home visit to Ms Deborah Andrews flat. Attendees Dawn Allen TMO and CPN Bola Quadri
Home visit to Ms Andrews advised that her neighbour at number 109 has for the past few months harassed, intimidated, stalked her and made a life a complete misery. He continuously plays loud music, bangs on her ceiling and door alleging that she is monitoring his movements in his flat. She feels petrified by his presence and as a result refused to leave her flat for fear bumping into him on her way out. She has missed a few appointments with her social worker as a result, she has now been subjected to making home appointments pending the time this matter is resolved. She explained that they use to be acquaintances before the relationship went sour. She believes the whole problem started when he claimed the decoration in his flat was damaged as a result of a leak coming from her flat. She confirmed that she had a leak from her overflow a few months ago which has since been repaired but, the damage alleged had occurred.

She found this very frustrating and advised that it was not the first time this would happen to her. Her CPN also confirmed her statement and expressed her dissatisfaction at the way she was treated. Ms Andrews felt completely let down by the police and became frightful for her safety especially, as she knows the perpetrators has shells in his flat. I observed in her flat that her floors were very creaky, I was made aware by Dawn that most of the flats in the block are like that. Unfortunately, the creakiness exacerbates the noise level in the flats and cause more problems than usual. I advised that I will contact the police to make further enquiries. I will also contact MHT to enquire if Mr Cordell is known to them. At some point the perpetrator will need to be interviewed and a warning letter issued on him. Miss Debra Andrew [SEC=PROTECT]

Hi Dolly,
Nick and I attended 113a while ago and spoke to the lady a while ago when she originally called Police. At the time she didn't want us to speak to her neighbour as things had got better. The lady handed us a letter about what had happened but none of it made any sense.
We believe she was suffering from mental health issues. On another occasion we popped round to see her and she wouldn't come and speak to us so instead she spoke through her letterbox to us. The male at 109 - Simon Cordell who is causing the problems is very well known to Police and is also very anti Police. I know some Officers went around and spoke to him and things seemed to get better. After that we have had no further calls from the lady at 118.
We will try and get around to see her when were back on duty on Monday.
Kind Regards

Good afternoon Mark,
Could you kindly assist with this query please. Following reports of ASB by the above tenant, my colleague and I visited her this morning and were alarmed by the nature of her complaints. She has in the past few months being constantly harassed, intimidated, bullied, stalked and threatened to kill by her neighbour at 109.
As a result of his behaviour, she has become too scared to leave her flat for fear of what may happen to her. She is a vulnerable tenant who requires support from services. However, the unsettling behaviour exhibited by number 109, has hindered her from attending her appointments and exacerbated her condition. At the moment, she feels very disorientated / agitated and will like the harassment to stop.
She advised that she had reported this to the police a few times but, wasn't taken seriously.
I will appreciate if you could stop over at 113 to reassure her that the matter is being dealt with and also to stop by 109 and advise him that you are aware of what is going on and the repercussions should it continue.

02/03/**2014**: March 14 - 2nd contact, assessed by team psychiatrist, presented with anxiety & suicidal thoughts in context of social stressors due to pending court case leading to stress. Discharged form MH services, suicidal thoughts are longstanding from early childhood and present at times of high stress, not 'A typical' of other forms of suicide as relates to thoughts as opposed to wish to die, and usually found in context of those presenting with early childhood trauma as a way of expressing emotions.

00/11/**2014**: **Nov 14 -** Mental Health Act assessment, not detained in hospital, discharged from mental health services. Presented highly volatile, angry & paranoid about motives of others, presented in context of social stressors due to on-going issues with police & court process - mother reported he has been targeted by police causing him stress??
He has a medical history of Crohn's disease which may impact on mood stability particularly if not compliant with treatment and monitoring of symptoms. All assessments completed by mental health services have found no evidence of serious mental illness, he appears to be a very angry young man who has had an extremely difficult and traumatic early childhood which is likely to explain his distrust of people in authority (e.g. police) and being angry at others and at the world....

Good afternoon Louise,
Sorry I missed your call; I was at a meeting at the time. Called and left a message on your voice mail.
Ms Andrews suffers from a history of mental health; she is currently being supported by Bola Quadri Care-coordinator / CPN / Nurse Prescriber Psychosis Service Line
Barnet, Enfield & Haringey Mental Health NHS Trust / 58-60 Silver Street, Enfield EN1 3EP
She made complains about her neighbour at number 109, harassing, verbally abusing her, intimidating, shouting threatening to kill her. The mean concern here is that the perpetrator in question also suffers from mental health and is known to be very aggressive, violet and anti-police. He has on a few occasions threatened to kill her and petrified the life out of her.
It was on this basis that a decision was made to move her out immediately.
Hope the above information is useful.

Hi Louise,
Thanks for this - I'm pleased to hear you think Deborah is being properly supported and that she sounded better - she was in a right state when we spoke to her last.
Good news that it looks like she might be able to get help to move.
For the camera, we are very happy to come along for a visit. I've spoken to our Sgt and as we understand it the ideal course of action is to advise him to remove it in our presence, then if he refuses, I believe you can take it down and that should be fine so long as the camera itself is returned to Cordell. Let me know when your best days for it would be and I'll see when we can manage best.
Best wishes,
James

Hi James,
I spoke with Deborah Andrews this morning; the leak issue was sorted over the weekend this was from the flat above.
I do not know anything about Mr Cordell moving in two weeks' time, unless she is getting confused with his threat that he will get her in two weeks' time. Overall, I am concerned that Deborah is not managing and appears to be getting more confused the last few times I have spoken to her last week and today, she is also feeling that she needs further support by way of supported accommodation. I do agree with her as the level of support that St John of God provide is high and the dependency with other

agencies is also constant and not something that housing or myself could provide long term.
Deborah was much calmer this morning and I reassured he that if she has any concerns to contact me.
With regard to the camera not he is not allowed it to be train on anything else other that his front door. Probably means I will need to visit him to get this sorted. I may request your assistance with this I don't really fancy

Hi Louise,
I hope you are well.
Since **15/01/2016** we have had further calls from Debra Andrew relating to the issues she has been having with Simon Cordell.
Given the nature of the calls, we visited Debra yesterday for a reassurance visit. She said that there has been a leak in the building causing 'flooding' in both her flat and Cordell's flat, and Cordell has been making accusations relating to it. She said that she believes Cordell is leaving his flat in two weeks, which I hadn't heard, but said I would look into it - do you know if that's true by any chance?
Debra said that if Cordell does not leave, she wants to leave her flat and move somewhere else herself.
While at the address we also noticed that Cordell has now installed a CCTV camera which is placed at the top of the internal communal door leading to flats 109 and 111, facing towards the main door of the block. I am unsure as to whether he's allowed to do this and shall look into it, but just wanted to let you know!
Best wishes,
James

Dear Sarah,
Thank you for your email and updated information. This incident yesterday J am assuming that this is a different incident from 15/1/16 where Mr Cordell approached Ms De Polla? Please can you confirm if this was reported to the police, and if this was not why? This is harassment and can be treated and reported as a criminal offence. Yes, this is a separate incident to 15.01.**2016**. The police were not called as a crime had not been committed and Barbara was able to walk away without Mr Cordell trying to prevent her or following her. In relation to Deborah please can you confirm if your concerns for her welfare are being reported back to the Mental health team prior to this email (I do appreciate that Bola has been on leave for a few weeks) Yvonne has copied Bola into the same communication as yourself and expressed concerns. Debbie has also contacted Bola. I am receiving if not daily calls from Deborah or every other day, with her explaining to me that she feels she is not coping at all, she is looking to me for reassurance. Deborah has expressed that she is not managing independent living and would like to go back into supported accommodation. Supported living is something Bola would need to arrange. Can you confirm that you have reported your concerns for Debbie's welfare to the mental health team?
Please can you confirm if she has expressed this to staff at St John of god? Also, please can you confirm if you feel that Deborah is not coping at present. If so, has this been reported to the mental health team?
As you are aware, Debbie has said that she is not coping, and I understand that you are in the process of providing a report in order to facilitate Debbie to move. Can you confirm that this has been completed and if so, what the next step of the process is and how long this is likely to take? Also given the current hours that currently allocated to Deborah if this is suitable in this situation for her need? If I recall this was expressed at a SOVA meeting that this should be extended as her needs are becoming greater? We are requested and funded to provide 6 hours support per week (3 hours twice a week for shopping). Bola is responsible for increasing the care package if Debbie is assessed as needing more support. With regard to the Safeguarding plan I do feel that a mental health strategy meeting needs to take place as issues beyond our control will also have a direct impact on the wellbeing of Deborah. I am raising this directly with George Benyure Bolas manger. My understanding was that Bola had already raised a safeguarding alert.

Hi Louise
I am extremely concerned about Debbie Andrewes neighbour and the increased risk to the support workers and indeed Debbie, who, as you are aware is unable to leave her own home unescorted.
Yesterday it was reported to me that the neighbour approached Barbara de Polla as she entered the communal door, he was very aggressive and began shouting at her saying, you should not be coming here, she is an alcoholic, you shouldn't take her out anywhere etc." Barbara said that she did not want to talk about it and walked away from him, luckily, he did not follow her.
In relation to Debbie is safety, I strongly feel that it is only a matter of time before something serious or even fatal happens to her. As you are aware, the neighbour has a dog, which appears to be a Staffordshire bull terrier which

he allows to roam free in the communal area which is highly intimidating and potentially very dangerous.
Please can you clarify the interim safeguarding protection plan and timescale as to when Debbie will be moved to a place of safety.
I have completed an internal incident form and unfortunately, if another incident occurs, I will have no other option but to temporarily withdraw our service, which will put Debbie in a situation where she is even more at risk.
I look forward to hearing from you at your earliest convenience.

Dear George & Bola,
Thank you for your email, I have only copied you both as there is other information on Mr Cordell that urgently needs to be considered.
I received an email informing me that a mental health warrant had been granted for Mr Cordell. This will cause a greater issue especially if he is released back into the community. My fear is that this will indirectly cause further distress for Deborah. A plan needs to be put in place with full considerations.
Please can an urgent mental health strategy meeting be held regarding Deborah Andrews, given the above information and the urgent need for full consideration in this case due to the complex needs and issues with both clients, who are known to your services and tenants of Enfield Council.
Deborah is contacting me if not daily every other day these calls are coming through at all different days and times. She is informing me that she is not coping with everything and wants to go back into supported accommodation, she feels extremely frightened and vulnerable. I must confirm that its Deborah stating that she is not coping as I am not in a position to make these decisions. When I speak with Deborah asking if she is attending her appointments, she states that" it is a quick jab, in and out no one speaks with you.
With regards to the management transfer this is still being prepared and waiting to be heard by panel, I am waiting to hear the next available date for this. It was explained when I suggested this action may be a route forward that this is not a quick process and all elements need to be considered. It is not necessary for Ms Andrews to currently go into emergency accommodation either. This case will be assisted by moving Ms Andrews; however, this may not resolve all of the concerns or the overall future welfare of Ms Andrews.
Transferring Ms Andrews into another independent accommodation without fully assessing her current needs and the full support required should be considered before this happens. As moving her may not solve all of Deborah Andrews concerns. She is only going out when SJOG are visiting, however they are only allocated 3 hours per week. More

recommendations need to be put forward to provide a comprehensive package to support

It is truly tragic that the Enfield Councils and the Enfield Homes inclusive of the Metropolitans constabulary left the occupiers of 117 Burncroft Avenue without any form of support in regards to their Child's protection when I notified

them of my concerns and video evidence of the legal guardians consecutive while amoral behaviour of criminal attempts, as for the child protection Act 1989 states that in section 27 of that act it requires all local authority as a must to assist in the protection of children, since the young child's birth the child legal mother and father have provoked a Critical emergency needed for the Mental stability of themselves to get questioned as for the complete absinth of the disregard for life itself, as the Article 2 of the human Right Act 1998 explains within its context, as I am Confident that the child is in danger alongside many of my other witness towards the child's legal guardians stability and Mental stability. I have scheduled a meeting with Simon tomorrow so that the following can be don**e:**
(a) Simon signs "CRM" 14 and I can submit legal aid application again
(b) Simon's defence document bundle is updated and indexed Simon's statement is updated All freedom of information disclosure is considered and included in the bundle Simon's comments on the additional statement Basically, you now know how the police are putting the case. You have specified areas that you require clarification upon, namely **Crown Road raves etc.** I have left a voice message for Andy asking him to confirm if he is willing to do the appeal as usually barrister's like fresh eyes on the case as the prosecution is not firmly on notice as to the points that we are raising. We

also now know the points that the prosecution is making, and we need to challenge them. Re Freedom of information - please bring all that you have so that I can consider it and include it in the bundle Email to Essex will be done tomorrow when you are present Email to Val at Public Order unit will be done tomorrow - as you are aware the police did not take a statement from Val but provided a statement regarding a conversation so we will request information. This point was mooted with Andy during the conference and he was of the view that this could be a double-edged sword and I agreed with Andy. Perhaps via emails / Facebook we can explain how Simon was present so early on for the parties. Whatever you have on the USB please bring so that we can consider this also.
The meeting is scheduled between 2pm - 4pm tomorrow.

Josephine

Hi Josey
I have not had a reply to the below emails yet, can you please tell me what this meeting is going to be tomorrow that you want Simon to attend at the office at 14 00 hours. Is it just going to be to sign and new legal Aid form, and hand over a list of information for the appeal?
As said in an earlier email you will not just be able to print of the new information and hand it in as each part will need going over as there are 100s of pages, I can being t on a USB pen as at this time I have just printed it to PDF so it all on my computer the only one I printed off which the judge would not a low was **Hippy Fest,** and some other documents from the news showing these parties was still going on. Now I have event pages showing this clearly has not stopped. And the police are allowing them to go on. I have already sent you a list of information that has been gathered, and explained what would need to be done, due to it not being done for the trial. I know you cannot do any work without legal aid being granted, and I know Simon thinks tomorrow he will be sitting down with you going over a lot of data will this be the case?
Could you also tell me f Andy Locke will be dealing with the appeal?
I not sure how this will work as legal aid has not been granted yet would he be able to book the days that would be needed for the appeal.

Hi Josey
Can you please fill the form in for legal Aid and leave it at the office and let me know when this has been done please then me and Simon will come to the office and he will sign and date it and I will get the staff to take a copy of the form so you have a copy of it. I will then take it to the post office and send it next day signed for as I am not going to wait until the 09/10/**2015** for Simon to sign this legal Aid form this needs to be done as soon as possible so we know if it has been granted or it will have to go in front of the judge like last time.

Hi Josey
I can print the form off and take it to Simon like I did last time get him to sign it and date it, and then bring it to your office I will even pay for it to be sent next day delivery signed for, so we have proofed this time they got it as I don't trust normal delivery after what you said and that legal aid losing so many applications, or please leave the form with someone at the office and I will bring Simon to the office before the 09/1 0/**2015** to get him to sign it and date it in front of one of the staffs and leave the money there so it can be posted next day delivery. This way you be able to get t before 09/10/**2015** so it can be sent off, so you are not doing any work before legal aid is granted. There is only 5 weeks 4 days left for the appeal case, and there is so much that was not done for the last trial that it all needs to be done. I don't want him just coming to the office to sign the form on the **09/10/201 5** he already is not well enough as you already know and then we have to wait weeks to find out if the application has been granted again in which time no work can be done again as this will really upset him and I really can do without that, and I am not having the date set back on the 26/1 0/**2015** when it is listed in court to make sure everything is ready. this case has been going on for over a year now and it was never ready for trial the 1st time. You also have to look at the CADs as I been saying all along a lot are not correct and

we need to get the cads for the 06rth June funny how none of them are in there and also all the **Cads for Crown Road**. I mean the grid that are left open in the cads we have got are for places like chase side miles away from progress way, and other places, and then you got crown road 2 secs away from Southbury road train station and progress way is 17mins away from Southbury road, so did the police ask a l the people that were at Southbury road what party they were going to?
I mean from what the police said on the stand they did not even know a party was going on at crown road which is a joke seeing as parties had been going on there every week since April **2014**, it just does not add up and if it had been looked at when I kept asking this should have been seen. And what about the medical notes I still don't know anything about them, if you have not got them it takes around 6 weeks to get them so we are already out of time, but seeing as Michael said he had paid for them I think you should have them they just were not at court for the trial. And the Cads and medical notes was meant to have been done form the trial, also we still don t have the court bundle from the trial so don't know what is in it. Things will need to be asked for Josey I am tiring as much as I can to get as much work as I can done, Simon and I done a lot of work already. I don't think you understand how much paperwork is going to be added to this case. and I been up and down Highbury corner getting the errors addressed that is on his PNC record which should have been done for the trial. Also, as I already said the police are not helping with a l the FOI, I am putting in they are finding every way possible not to deal with it, and sorry but 5 weeks is not long enough to address this entire, well it will be 4 weeks 3 days by the **09/10/201 5.**

Legal Aid was sent in over two weeks ago as previously advised. If they have not received / processed the form that is outside my control. Clearly you are not familiar with the workings of the Legal Aid Agency and the frequency with which they lose forms, or the amount of time I waste on the phone to them making enquiries about legal aid applications previously sent in. The Crown Court has been advised during a telephone conversation that the appeal would be 2- 3 days as per the length the original hearing took. As previously advised Lorraine all other work will be undertaken once legal aid has been granted otherwise, we will not get paid for any backdated work. I submitted the appeal and that has been lodged. I did not submit a court stamped form so will now have to get fresh form signed and date stamped, and I will only be paid from that date. Please indicate if Simon can attend my office on Friday 9th October **2015** at 2pm with a full list of any new evidence he wants included in the appeal hearing. In the intervening period of time I will get a "CRM" 14 date stamped.

I was wondering if you had heard anything from legal aid yet.
Could you please deal with the information below I have asked for over and over again?
Could I please get the case files, since this case started in Sep **2014** so I can see what has been done?
The information about the medical records. A list of what was given the Magistrates for the trail as Simon never had his own bundle for trail, we don't know what was in fact sent to the court, we do know there was medical records lists 2 sets but the court did not seem to have these, as there were a lot of things Given to Michael which we don't know if they were sent. Could you please forward me the e**mail to** Superintendent Adrian Coombs from Essex police that you said you was going to send weeks ago asking him about the statement. Forward me the ema l you have sent to the crown court about the appeal updating them to how many days you think the appeal will take and any person that are being called, I know you will not be able to give them a full list as of yet as we don't yet have the statement from Superintendent Adrian Coombs and information about the public order un t. I keep sending emails with lists of things but you only every seem to reply to as little as you can and we never get an update as to what is being asked this has gone on since this case started Sep **2014**, I know Michael was dealing with this case and he left, the trail was a mess Josey as so much was never done. Also, did you get the below email of information you asked for, and how we are going to deal with this please? Please could you take a little time and deal with just some of this.

Just say I got information a lot of information to each event they say Simon set up. But Josey you need to under the information and how it works I am very good at computers and it even took me a little while to work out how these people set these pages up and what they are doing with the event pages. So just saying you will print them off is not going to be enough as you are going to have hundreds of pages that will need tagging. You need to see the information and understand t to be able to lay this out how it will need laying out for people to understand it. and how I was able to find it which I started when this case started, and have been saying I had it and the event pages but nothing was done, now some pages have been deleted, but we all know the police can get them don't we. I even got events to date that these people are still setting up and the po ice are giving green lights to them which mean the police are allowing these parties to go ahead. These parties are in fact still going on every week. Also, Josey the paper works the police served really does need time to go over it there is times that are off so many things that are wrong here. The CADs well sorry but the police are trying it on with these they really are, and something needs to be done about how they have blacked so much out. But I need to show you for you to understand. And please tell me why a grid ref would need to be blacked out?
But there is a lot of work with the police papers that needs to be gone over which was not done for the trial and Josey this will take time. That last statement you missed in your email from the office in charge of the case needs to be dealt with also it was too late when we found out about it the day before the trail and that being in Val Tanner from the public order unit at Scotland Yard, but I need to say in a statement what she said to me on the phone as it doesn’t work out with what

the police officer said in that statement. And also, the phone ca l that DS Chapman from the public order unit at Scotland Yard. The public order unit at Scotland Yard know a lot more Josey and they know it and they are allowing Simon to be blamed for this knowing he never done it that is wrong Josey it really is. was really funny how the office in charge of this case deleted the email he sent to the public order unit why would he have done this why would he have not taken a statement from Val Tanner? Simon did do a lot of this with me right from the start when this started but Michael kept saying that does not matter, But Josey t does matter I did not understand how a civil case worked until the end at trial I did ask but it was not explained to me or Simon.

23/09/2015: Threats and intimidation. Date reported: /09/2015.
Threats and intimidation (General)
Home visit to Ms Deborah Andrews flat. Attendees Dawn Allen TMO and CPN Bola Quadri
Home visit to Ms Andrews advised that her neighbour at number 109 has for the past few months harassed, intimidated, stalked her and made a life a complete misery. He continuously plays loud music, bangs on her ceiling and door alleging that she is monitoring his movements in his flat. She feels petrified by his presence and as a result refused to leave her flat

for fear bumping into him on her way out. She has missed a few appointments with her social worker as a result, she has now been subjected to making home appointments pending the time this matter is resolved. She explained that they use to be acquaintances before the relationship went sour. She believes the whole problem started when he claimed the decoration in his flat was damaged as a result of a leak coming from her flat. She confirmed that she had a leak from her overflow a few months ago which has since been repaired but, the damage alleged had occurred.

Home visit to Ms Andrews advised that her neighbour at number 109 has for the past few months harassed, intimidated, stalked her and made a life a complete misery. He continuously plays loud music, bangs on her ceiling and door alleging that she is monitoring his movements in his flat. She feels petrified by his presence and as a result refused to leave her flat for fear bumping into him on her way out. She has missed a few appointments with her social worker as a result, she has now been subjected to making home appointments pending the time this matter is resolved. She explained that they use to be acquaintances before the relationship went sour. She believes the whole problem started when he claimed the decoration in his flat was damaged as a result of a leak coming from her flat. She confirmed that she had a leak from her overflow a few months ago which has since been repaired but, the damage alleged had occurred. Ms Andrews also recalled an incident when the perp spat in her face. It's been one issue after the other she advised the recent event which took place a week ago. She was on her way out to attend her appointment with her CPN when he apprehended her and threatened to kill her. She was pretty shaken from the incident that instead of attending her appointment, returned home immediately. She advised that she contacted the police but, wasn't

On page 3 =

taken seriously as they assumed, she was drunk at the time of the call. She advised that she wasn't in the list drunk but, just the way she spoke due to her condition. She still wasn't taken seriously and had to abandon the call. She found this very frustrating and advised that it was not the first time this would happen to her. Her CPN also confirmed her statement and expressed her dissatisfaction at the way she was treated. Ms Andrews felt completely let down by the police and became frightful for her safety especially, as she knows the perpetrators has shells in his flat. I observed in her flat that her floors were very creaky, I was made aware by Dawn that most of the flats in the block are like that. Unfortunately, the creakiness exacerbates the noise level in the flats and cause more problems than usual. I advised that I will contact the police to make further enquiries. I will also contact MHT to enquire if Mr Cordell is

known to them. At some point the perpetrator will need to be interviewed and a warning letter issued on him. I will contact the repairs team and try to arrange a surveyor to visit her flat and see what assistance can be offered I further advised that her case will be investigated and an officer will get back to her to discuss further with her. Her CPN and TMO will be kept informed of updates

Hi Dolly,
Nick and I attended 113a while ago and spoke to the lady a while ago when she originally called Police. At the time she didn't want us to speak to her neighbour as things had got better. The lady handed us a letter about what had happened but none of it made any sense.
We believe she was suffering from mental health issues. On another occasion we popped round to see her and she wouldn't come and speak to us so instead she spoke through her letterbox to us. The male at 109 - Simon Cordell who is causing the problems is very well known to Police and is also very anti Police. I know some Officers went around and spoke

to him and things seemed to get better. After that we have had no further calls from the lady at 118.
We will try and get around to see her when were back on duty on Monday.
Kind Regards

Good afternoon Mark,
Could you kindly assist with this query please. Following reports of ASB by the above tenant, my colleague and I visited her this morning and were alarmed by the nature of her complaints. She has in the past few months being constantly harassed, intimidated, bullied, stalked and threatened to kill by her neighbour at 109.
As a result of his behaviour, she has become too scared to leave her flat for fear of what may happen to her. She is a vulnerable tenant who requires support from services. However, the unsettling behaviour exhibited by number 109, has hindered her from attending her appointments and exacerbated her condition. At the moment, she feels very disorientated / agitated and will like the harassment to stop.
She advised that she had reported this to the police a few times but, wasn't taken seriously.
I will appreciate if you could stop over at 113 to reassure her that the matter is being dealt with and also to stop by 109 and advise him that you are aware of what is going on and the repercussions should it continue.

Good afternoon Louise,
Sorry I missed your call; I was at a meeting at the time. Called and left a message on your voice mail.
Ms Andrews suffers from a history of mental health; she is currently being supported by Bola Quadri Care-coordinator / CPN / Nurse Prescriber Psychosis Service Line
Barnet, Enfield & Haringey Mental Health NHS Trust / 58-60 Silver Street, Enfield EN1 3EP
She made complains about her neighbour at number 109, harassing, verbally abusing her, intimidating, shouting threatening to kill her. The mean concern here is that the perpetrator in question also suffers from mental health and is known to be very aggressive, violet and anti-police. He has on a few occasions threatened to kill her and petrified the life out of her.
It was on this basis that a decision was made to move her out immediately.
Hope the above information is useful.

Hi Louise,
Thanks for this - I'm pleased to hear you think Deborah is being properly supported and that she sounded better - she was in a right state when we spoke to her last.
Good news that it looks like she might be able to get help to move.
For the camera, we are very happy to come along for a visit. I've spoken to our Sgt and as we understand it the ideal course of action is to advise him to remove it in our presence, then if he refuses, I believe you can take it down and that should be fine so long as the camera itself is returned to Cordell. Let me know when your best days for it would be and I'll see when we can manage best.

Hi James,
I spoke with Deborah Andrews this morning; the leak issue was sorted over the weekend this was from the flat above.
I do not know anything about Mr Cordell moving in two weeks' time, unless she is getting confused with his threat that he will get her in two weeks' time? Overall, I am concerned that Deborah is not managing and appears to be getting more confused the last few times I have spoken to her last week and today, she is also feeling that she needs further support by way of supported accommodation. I do agree with her as the level of support that St John of God provide is high and the dependency with other agencies is also constant and not something that housing or myself could provide long term.
Deborah was much calmer this morning and I reassured he that if she has any concerns to contact me.
With regard to the camera not he is not allowed it to be train on anything else other that his front door. Probably means I will need to visit him to get this sorted. I may request your assistance with this I don't really fancy

Hi Louise,
I hope you are well.
Since **15/01/2016** we have had further calls from Debra Andrew relating to the issues she has been having with Simon Cordell.
Given the nature of the calls, we visited Debra yesterday for a reassurance visit. She said that there has been a leak in the building causing 'flooding' in both her flat and Cordell's flat, and Cordell has been making accusations relating to it. She said that she believes Cordell is leaving his flat in two weeks, which I hadn't heard, but said I would look into it - do you know if that's true by any chance?
Debra said that if Cordell does not leave, she wants to leave her flat and move somewhere else herself.
While at the address we also noticed that Cordell has now installed a CCTV camera which is placed at the top of the internal communal door leading to flats 109 and 111, facing towards the main door of the block. I am unsure as to whether he's allowed to do this and shall look into it, but just wanted to let you know!
Best wishes,

Hi Louise, Jackie,
Mr Cordell called this afternoon requesting to speak with yourselves in regard to his case against his neighbour.
I am sure you know the details however; he did say that his neighbour is making noise when he undresses. He did go on to mention an incident that resulted in both himself and his neighbour in an awkward position when he attempted to help her move her bed.
Mr Cordell is expecting a call back this afternoon.
Kind Regards

Dear Sarah,
Thank you for your email and updated information. This incident yesterday J am assuming that this is a different incident from 15/1/16 where Mr Cordell approached Ms De Polla? Please can you confirm if this was reported to the police, and if this was not why? This is harassment and can be treated and reported as a criminal offence. Yes, this is a separate incident to 15.01.**2016**. The police were not called as a crime had not been committed and Barbara was able to walk away without Mr Cordell trying to prevent her or following her. In relation to Deborah please can you confirm if your concerns for her welfare are being reported back to the Mental health team prior to this email (I do appreciate that Bola has been on leave for a few weeks) Yvonne has copied Bola into the same communication as yourself and expressed concerns. Debbie has also contacted Bola. I am receiving if not daily calls from Deborah or every other day, with her explaining to me that she feels she is not coping at all, she is looking to me for reassurance. Deborah has expressed that she is not managing independent living and would like to go back into supported accommodation. Supported living is something Bola would need to arrange. Can you confirm that you have reported your concerns for Debbie's welfare to the mental health team?
Please can you confirm if she has expressed this to staff at St John of god? Also, please can you confirm if you feel that Deborah is not coping at present. If so, has this been reported to the mental health team?
As you are aware, Debbie has said that she is not coping, and I understand that you are in the process of providing a report in order to facilitate Debbie to move. Can you confirm that this has been completed and if so, what the next step of the process is and how long this is likely to take? Also given the current hours that currently allocated to Deborah if this is suitable in this situation for her need? If I recall this was expressed at a SOVA meeting that this should be extended as her needs are becoming greater? We are requested and funded to provide 6 hours support per week (3 hours twice a week for shopping). Bola is responsible for increasing the care package if Debbie is assessed as needing more support. With regard to the Safeguarding plan I do feel that a mental health strategy meeting needs to take place as issues beyond our control will also have a direct impact on the wellbeing of Deborah. I am raising this directly with George Benyure Bolas manger. My understanding was that Bola had already raised a safeguarding alert.

Subject: Debra Andrews Importance: High Sensitivity: Confidential This message has been sent on behalf of Yvonne Stacey.
Hi Louise
I am extremely concerned about Debbie Andrewes neighbour and the increased risk to the support workers and indeed Debbie, who, as you are aware is unable to leave her own home unescorted.
Yesterday it was reported to me that the neighbour approached Barbara de Polla as she entered the communal door, he was very aggressive and began shouting at her saying, you should not be coming here, she is an alcoholic, you shouldn't take her out anywhere etc." Barbara said that she did not want to talk about it and walked away from him, luckily, he did not follow her.
In relation to Debbie is safety, I strongly feel that it is only a matter of time before something serious or even fatal happens to her. As you are aware, the neighbour has a dog, which appears to be a Staffordshire bull terrier which
Page 18 of 21
he allows to roam free in the communal area which is highly intimidating and potentially very dangerous.
Please can you clarify the interim safeguarding protection plan and timescale as to when Debbie will be moved to a place of safety.
I have completed an internal incident form and unfortunately, if another incident occurs, I will have no other option but to temporarily withdraw our service, which will put Debbie in a situation where she is even more at risk.
I look forward to hearing from you at your earliest convenience.

Dear George & Bola,

Thank you for your email, I have only copied you both as there is other information on Mr Cordell that urgently needs to be considered.

I received an email informing me that a mental health warrant had been granted for Mr Cordell. This will cause a greater issue especially if he is released back into the community. My fear is that this will indirectly cause further distress for Deborah. A plan needs to be put in place with full considerations.

Please can an urgent mental health strategy meeting be held regarding Deborah Andrews, given the above information and the urgent need for full consideration in this case due to the complex needs and issues with both clients, who are known to your services and tenants of Enfield Council.

Deborah is contacting me if not daily every other day these calls are coming through at all different days and times. She is informing me that she is not coping with everything and wants to go back into supported accommodation, she feels extremely frightened and vulnerable. I must confirm that its Deborah stating that she is not coping as I am not in a position to make these decisions. When I speak with Deborah asking if she is attending her appointments, she states that" it js a quick jab, in and out no one speaks with you.

With regards to the management transfer this is still being prepared and waiting to be heard by panel, I am waiting to hear the next available date for this. It was explained when I suggested this action may be a route forward that this is not a quick process and all elements need to be considered. It is not necessary for Ms Andrews to currently go into emergency accommodation either. This case will be assisted by moving Ms Andrews; however, this may not resolve all of the concerns or the overall future welfare of Ms Andrews.

Transferring Ms Andrews into another independent accommodation without fully assessing her current needs and the full support required should be considered before this happens. As moving her may not solve all of Deborah Andrews concerns. She is only going out when SJOG are visiting, however they are only allocated 3 hours per week. More recommendations need to be put forward to provide a comprehensive package to support

Formal Complaint
Dear Louise Brown:
I believe you are the person dealing with the complaints put in due to the behaviour of Debbie who lives at number 113 Burncroft Av EN3 7 JQ. My son Simon Cordell is the person who lives at 109 Burncroft Av EN3 7 JQ.
Yesterday the
15/10/2015
you attended my son Simon Cordell flat with 2 police officers. Why would you turn up at someone flat with 2 police officers and not even ask or set up a meeting to do this? Could I please ask why a meeting was not set up to see him, and you just turned up at his flat with the police? I am the person looking after my son and have been in contract with the council and was meant to have been there at the meeting so this was meant to have been arranged not that you just turn up with police. You said you was in the area and had the case file for this so just attended, when was you given the case file for you to address on what date? As I believe it was some time ago, yet we have had no contact from you. You asked my son what had been going on, yet you took no notes or a report of anything my son was saying. How is this addressing the issue when you did not even take notes at what was meant to be called a meeting, may I ask what was the point of this meeting? You did not want to look at any of the videos that my son had recorded re what had been going on and what Debbie had been doing. You did not want to look at any of the evidence my son had, the letters Debbie was putting in my son's door in one letter she even put £20 in there which was posted back in her door as my son did not want her

money, the videos my son had recorded, nothing so how are you doing your job. You did not want to hear about the attack on my son, when Debbie was at the bins and my son walked be hide her to the main door and when she turned around and saw my son she started screaming and attacking my son. You said to my son Debbie had not been in her address for the last 2 weeks that she had been in a hotel. And asked my son if he knew this how is my son meant to know this? I think you told him this because he said the things had been better the last few weeks, but there were still problems. Which if you had looked at the Videos you would have seen things from the last 2 weeks, but you did not do this did you. When you left you made my son give his word, he would not hurt Debbie, like Debbie is the victim here and not my son. My son has never hurt Debbie so why would you make him give his word he would not hurt her? Debbie is the person who attacked my son not the other way around here. Which was reported? You have given Debbie support moved her to a hotel like she is the victim yet failed to support my son in any way here, yet he is the victim of what Debbie is doing. Not took a report does not ask anyone what has been going on, as there is witness as to what Debbie is doing. My son's friends and I have heard what is going on and what Debbie is doing. I even went up to Debbie's door to try and speak with her, she asked who was at the door and I said I was Simon mum and would like to speak to her to try and sort the issue out what was going on, that if we spoke maybe we could sort this out, she just started shouting so many things at me and sounded drunk, I left and went down to my son flat and said she would not speak to me, I was there around 3 hours after that and Debbie did not bang once or doing anything, yet the 2 hours I was there before going up to her flat to speak to her the banging was ongoing and was making my son so upset we could not do the work I was there for that is why I went up to speak to her. I believe my son has been to her door 2 times and ask her to stop well he begged her to stop She just started shouting and then called the police, one of these times my son friend Katie was there, and heard what Debbie was doing and spoke to the police when they came to my son door. Katie goes to my son's flat a lot along with a friend called Nash and a few other people each of these people have heard what Debbie is doing. Debbie has been to my son's door more than once when Katie has been at my son's flat offering my son cans of alcohol which my son refused as he does not drink and asking my son for money and other things. So please don't make this out as if it is my son that is causing the problem here as that is how you made him feel yesterday. We are the ones who put the reports in from around a year ago yet you have done nothing to support my son the 1st time you even went to see him was the 15/10/15 yet you been out to see Debbie and seem to have given her support. Yet each time I told the council how ill this is making my son, where is his support?
Am I of the understand you said to my son that you believe Debbie has feelings for my son and this is the reason you believe Debbie is acting the way in which she is? My son has never acted in a way to make Debbie think my son had any interest in her, he has only every helped his neighbours, which is the type of person my son is. Has Debbie said she has feeling for my son? And as Debbie has already attacked my son unprovoked is, he in any harm from a next attack? This is making my son ill, but you don't care about how ill this is making my son do you or you would have addressed the issue when contact was made with the council about this issue. You have said you are moving Debbie back in, but what has been done to the so-called feelings you think Debbie has got for my son have they just gone away? We know Debbie has mental health issues and she is an alcoholic, and that she needs help, but I am sorry this is making my son ill and something does need to be done as it has been going on to long now and you have done nothing. My son has lived in his flat even before Debbie moved there and he has never caused a problem. In fact, he has only ever tried to help his neighbours. I would like to know what has been done to address this and what is being done to help my son. I do not think you have addressed this in the correct manner, and I feel that you feel Debbie needs more support due to her being vulnerable, but have you asked if my son is vulnerable what heath conditions he has nope you have not and I feel it is due to him being a male and Debbie a female, I feel as if you think males can't be vulnerable.

/ Page Numbers: 2210,2211,2212,
Dated 16/10/**2015**
Formal Complaint
Dear Louise Brown, Jackie Gubby,
I believe you are the person dealing with the complaints put in due to the behaviour of Debbie who lives at number 113 Burncroft Av EN3 7JQ. My son Simon Cordell is the person who lives at 109 Burncroft Av EN3 7JQ. Yesterday the 15/10/**2015** you attended my son Simon Cordell flat with 2 police officers. Why would you turn up at someone flat with 2 police officers and not even ask or set up a meeting to do this? Could I please ask why a meeting was not set up to see him, and you just turned up at his flat with the police? I am the person looking after my son and have been in contract with the council and was meant to have been there at the meeting so this was meant to have been arranged not that you just turn up with police. You said you was in the area and had the case file for this so just attended, when was you given the case file for you to address on what date? As I believe it was some time ago, yet we have had no contact from you.

You asked my son what had been going on, yet you took no notes or a report of anything my son was saying. How is this addressing the issue when you did not even take notes at what was meant to be called a meeting, may I ask what was the point of this meeting? You did not want to look at any of the videos that my son had recorded re what had been going on and what Debbie had been doing. You did not want to look at any of the evidence my son had, the letters Debbie was putting in my son's door in one letter she even put £20 in there which was posted back in her door as my son did not want her money, the videos my son had recorded, nothing so how are you doing your job. You did not want to hear about the attack on my son, when Debbie was at the bins and my son walked be hide her to the main door and when she turned around and saw my son she started screaming and attacking my son. You said to my son Debbie had not been in her address for the last 2 weeks that she had been in a hotel. And asked my son if he knew this how is my son meant to know this? I think you told him this because he said the things had been better the last few weeks, but there were still problems. Which if you had looked at the Videos you would have seen things from the last 2 weeks, but you did not do this did you. When you left you made my son give his word, he would not hurt Debbie, like Debbie is the victim here and not my son. My son has never hurt Debbie so why would you make him give his word he would not hurt her? Debbie is the person who attacked my son not the other way around here. Which was reported? You have given Debbie support moved her to a hotel like she is the victim yet failed to support my son in any way here, yet he is the victim of what Debbie is doing. Not took a report does not ask anyone what has been going on, as there is witness as to what Debbie is doing. My son's friends and I have heard what is going on and what Debbie is doing.

2211,

I even went up to Debbie's door to try and speak with her, she asked who was at the door and I said I was Simon mum and would like to speak to her to try and sort the issue out what was going on, that if we spoke maybe we could sort this out, she just started shouting so many things at me and sounded drunk, I left and went down to my son flat and said she would not speak to me, I was there around 3 hours after that and Debbie did not bang once or doing anything, yet the 2 hours I was there before going up to her flat to speak to her the banging was ongoing and was making my son so upset we could not do the work I was there for that is why I went up to speak to her. I believe my son has been to her door 2 times and ask her to stop well he begged her to stop She just started shouting and then called the police, one of these times my son friend Katie was there, and heard what Debbie was doing and spoke to the police when they came to my son door. Katie goes to my son's flat a lot along with a friend called Nash and a few other people each of these people have heard what Debbie is doing. Debbie has been to my son's door more than once when Katie has been at my son's flat offering my son cans of alcohol which my son refused as he does not drink and asking my son for money and other things. So please don't make this out as if it is my son that is causing the problem here as that is how you made him feel yesterday. We are the ones who put the reports in from around a year ago yet you have done nothing to support my son the 1st time you even went to see him was the 15/10/15 yet you been out to see Debbie, and seem to have given her support. Is there an update to how long this will take regarding the complaint, will it be weeks or months? As you are aware this has been ongoing since Dec **2013** when this started, yes, we know that the trial took some time and then the appeal, and that you could only start to address this from that point and we do understand this.

Dear Mr Dear Forster
Could you please put this email in front of the legal adviser, the alleged erroneous entries on my PNC as you have put it, are made up from the court as the police would not be able to put records on a person's PNC record without a case being put in front of the courts. My Mother has asked the court to check all the registries at the court against the records the police hold on my PNC record. This showed the errors and as you said to my mother at the court if a case is not listed at the court then it was never heard at the court. There are 5 errors of no listing on my PNC that the court does not have in the court register how can this be? My mother has been to the police who do not want to address this issue this is why she came to the court as the court should hold all records. By the legal adviser not wanting to write a letter showing my records have been checked by the court what is this saying. why should a person be able to ask the court to check their records, yet the court does not want to get involved in errors they found? This is a miscarriage of justice; the court has not found records in the court registries that are on my PNC record, yet the court does not want to do anything about it.

Dear Mr Dear Forster
Could you please put this email in front of the legal adviser, the alleged erroneous entries on my PNC as you have put it, are made up from the court as the police would not be able to put records on a person's PNC record without a case being put in front of the courts.
My Mother has asked the court to check all the registries at the court against the records the police hold on my PNC record. This showed the errors and as you said to my mother at the court if a case is not listed at the court then it was never heard at the court.
There are 5 errors of no listing on my PNC that the court does not have in the court register how can this be?
My mother has been to the police who do not want to address this issue this is why she came to the court as the court should hold all records.
By the legal adviser not wanting to write a letter showing my records have been checked by the court what is this saying. why should a person be able to ask the court to check their records, yet the court does not want to get involved in errors they found?
This is a miscarriage of justice; the court has not found records in the court registries that are on my PNC record, yet the court does not want to do anything about it.
Regards
Simon Cordell

Dear Mr Cordell,
Further to your request for a letter from the court regarding the alleged erroneous entries on the PNC, the legal adviser has stated that the court cannot supply this information: you must make your request through the police.

Lorraine
Thank you for your email.
I will deal with your requests on my return to the office this weekend. As I confirmed to Simon his Magistrates Court file has been removed from the office during the audit process and I have emailed Michael and Edel to ask that it be returned. The bundles prepared by Michael Mc Kee should be stored electronically on a hard drive that Edel moved during the restructuring of the office. I believe that Michael Mc Kee hand delivered hard copies of the defence bundles to the Magistrates Court for the hearing in March. Nexus Chambers should also have copies of these bundles. I again have to check all his emails but do not have his password. I will do what work I can on this tomorrow afternoon based on electronic information stored on the 1 and 1 email system, provided I can access Michael Mc Kee's password. I will copy you in on all emails now that Simon has confirmed that I can discuss the case with you.

2224,
Dear Josey
Today the case was put back until Feb **2016** which you knew it was going to be as nothing had been done once again. I am the one trying to keep Simon stable with his heath but when his acting Solicitors don't do the things, they should this gets very hard. Simon is the one that is suffering due to this, but it is having a large impact on me and the family, due to cases keep being put back because things are not done on time. This ASBO case has now being going on for over a year the last case was also over a year. These cases both of them was put back more than once because things were just not done. Simon wants an application put in to address these ASBO conditions which I hope can be address in a timely manner, All the conditions are for illegal raves which was not proven at the trial it was only proven that Simon had acted in an anti-social manner. How I really don't know as the cases application was, he was the organiser of these illegal raves. Not one person or police officer said that Simon had acted in an anti-social manner towards them so how this ASBO was granted is beyond me and everyone else, and now he has to wait until Feb **2016** for his appeal why because things was never got ready. I have been asking for all of Simon case bundle since around the start of **2015** and about his medical notes since March **2015** I still have not had these or a reply as to what is in his case bundle as Simon did not even have this himself for his trial. Josey, we don't know what has been done on this case that was asked for that is really bad for a person to be up in court for a case he has asked for things to be done and don't even know if they have been done and we keep asking and get no reply. We have been asking about letters that was meant to have been wrote still don't know about any that was wrote. I mean even down to what Michael was meant to have wrote to ask for the information re Val tanner and the public order unit we still don't know what was asked for if anything. Today we were asked things and we could not even tell the barrister what he was asking as we don't know. Could you please update us to everything and as soon as you get the barrister notes for today can they be sent over as I know a lot of dates were given for things to be done but we were not given the list of dates.

Dear Jackie Gubby
When the surveyors came around there was a list of jobs that they said needed to be done.
1. The electrics needed sorting and the detectors (this has now been done they sent someone out nearly right away after the surveyors came and done the report)
2. Bathroom sink (repaired now)
3. Bathroom toilet (repaired now)
4. Heating pipes not been covered that are running all round the walls and down the walls. (Now it is winter my son has his heating on but has burned himself more than once walking past the pipes as they are so hot, this is bad being left like this as it is a danger due to how hot the pipes get. (Not done)
5. Bedroom floor (not done)
6. Bedroom window (not done)
7. Front room window/door frame (surveyors said that the water was still coming in due to the outside step and this needed to be sorted) (Not
done)
8. Pipes banging all the time (the surveyors saw this when they came out) (Not done)
9. Wall still wet in front room (we have been told this is due to the guttering needs to be renewed which was meant to be done, 111 has guttering in his back garden that has fallen off the roof some time ago, but now what also has been noticed is that in the main hallway water is dripping down the walls leaving puddles of water on the stairway which people have to walk up and down this is a danger for people they could have an accident, believe this is due to the guttering needs to

be replaced or the roof. (Not Done) I am sure there was also some other jobs that needed to be done the surveyors that came the day you were meant to have come took a full list and wrote everything down. So how is none of these jobs on the system that have not been done? It seems once again things have not been put on the system. Why should we have to keep calling for jobs to be done when they were already meant to have been done, and surveyors and inspectors have been out more than once over the years why are they not on the system, as it seems someone is not doing their job.

Apologies I have been snowed under. The last meeting in the office was not structured and disruptive. I think that the best way forward, Simon is for Lorraine and I to go through everything on Saturday. Once the additional information comes back from the public order unit, I then update your statement. Documents to be relied on by the Defence have to be ready by the beginning of December **2015**. I will send over the direction's tomorrow afternoon. I will need a list of all documents that you intend to rely upon e.g. Enfield Council - the Youth Centre. As I advised you last week, Simon the office was audited in October and I am still locating files. I am working through files on an urgent basis. I have no other appointments scheduled for Saturday and I will tell Michael Carroll that I have to concentrate on your case Saturday. I therefore propose that Lorraine and I work on your case on Saturday. No decisions will be made without your approval. Once Lorraine and I collate all the information this will then be shown to you for your approval. Lorraine if Spurs are playing on Saturday at home then we can change to Sunday.

Have you heard from the barrister with the dates of information from the 26/10/**2015** if you have can you send us a copy please? And have you updated the court as I said in an earlier email the court only had a black appeal form and asked for this to be addressed at court on the 26/10/**2015**. Hi Josey
I have not heard anything back from you so was wondering if there were any updates. Have you managed to get Magistrates Court bundle or any news on this? Have you written the letter yet to request that Adrian Coombs Specialist Operations Superintendent Essex Police write his statement which he said he was willing to do? If you have can you send a copy of the letter written. Have you written to Val Tanner at the public order unit Scotland Yard? Have you written to DS Chapman at the public order unit Scotland Yard? I know the 3 letters above that were to be written you said you would forward them to me before they were sent to check everything we wanted to ask was included. The public order ones I think dates etc will need to be included, have you had time to go over the CADs and the write-up Simon did I am still going over the write-up as it is so long and Simon missed loads of thing out?
2245,
Have you managed to get hold of Andy Locke I know he said he would be willing to do the appeal to us?
If he cannot do it can you let us know who you are thinking of asking to be the barrister, as there is a few names of barristers we have Maya Sikand being one of them who knows ASBO law and Human Rights along with some criminal and claims against the police and other public authorities, and other things reading up about her she seems very good, and has knowledge in many areas which could help with this case. If you could give us an update, I would be grateful.

Lorraine
Thank you for your email.
I will deal with your requests on my return to the office this weekend. As I confirmed to Simon his Magistrates Court file has been removed from the office during the audit process and I have emailed Michael and Edel to ask that it be returned. The bundles prepared by Michael Mc Kee should be stored electronically on a hard drive that Edel moved during the restructuring of the office. I believe that Michael Mc Kee hand delivered hard copies of the defences bundles to the Magistrates Court for the hearing in March. Nexus Chambers should also have copies of these bundles. I again have to check all his emails but do not have his password. I will do what work I can on this tomorrow afternoon based on electronic information stored on the 1 and 1 email system, provided I can access Michael Mc Kee's password. I will copy you in on all emails now that Simon has confirmed that I can discuss the case with you.

Dear PC Scott
RE: CRIS 4208265/13
I refer to the above matter. On 7th April **2013** you detained Simon Cordell on Upper North Street, London, E14 6HS. Mr Cordell was originally detained on suspicion of being involved in a burglary after a member of the public telephoned police to state that they had observed the occupants of the vehicle loading a flat screen television into the back of the vehicle index CX52 JRX. Mr Cordell was upset about being falsely accused of being involved in a burglary and protested his innocence. He also protested that he had insurance for the vehicle in question. Mr Cordell was arrested for section 5 Public Order Act 1986 offence and also for the offence of no insurance. He was charged. Mr Cordell's vehicle was seized from him. The case was subsequently dismissed against Mr Cordell at the Magistrates Court. Mr Cordell is in the process of appealing against an ASBO that was imposed against him on 4th August **2015**. This particular incident was referred to in the body of the ASBO application. Can you please provide a copy of your pocketbook which should confirm the contents of the van on the date in question? Please also confirm the checks that you did with the Motor Insurer's Bureau to confirm that the vehicle was not insured. Thank you in advance for your kind assistance in this matter.
Yours sincerely

Dear Jackie Gubby
When the surveyors came around there was a list of jobs that they said needed to be done.
1. The electrics needed sorting and the detectors (this has now been done they sent someone out nearly right away after the surveyors came and done the report)
2. Bathroom sink (repaired now)
3. Bathroom toilet (repaired now)
4. Heating pipes not been covered that are running all round the walls and down the walls. (Now it is winter my son has his heating on but has burned himself more than once walking past the pipes as they are so hot, this is bad being left like this as it is a danger due to how hot the pipes get. (Not done)
5. Bedroom floor (not done)
6. Bedroom window (not done)
7. Front room window/door frame (surveyors said that the water was still coming in due to the outside step and this needed to be sorted) (Not done)
8. Pipes banging all the time (the surveyors saw this when they came out) (Not done)
9. Wall still wet in front room (we have been told this is due to the guttering needs to be renewed which was meant to be done, 111 has guttering in his back garden that has fallen off the roof some time ago, but now what also has been noticed is that in the main hallway water is dripping down the walls leaving puddles of water on the stairway which people have to walk up and down this is a danger for people they could have an accident, believe this is due to the guttering needs to be replaced or the roof. (Not Done) I am sure there was also some other jobs that needed to be done the surveyors that came the day you were meant to have come took a full list and wrote everything down. So how is none of these jobs on the system that have not been done? It seems once again things have not been put on the system. Why should we have to keep calling for jobs to be done when they were already meant to have been done, and surveyors and inspectors have been out more than once over the years why are they not on the system, as it seems someone is not doing their job.

I am not aware of any outstanding repairs to your son's property. The surveyors who attended the inspection reported back that the heating was fully operational, and the detectors are also working. Mr Cordell can report any new repairs to telephone 0800 40 80 160 - option 1

I worked within this field for many years until I became too ill due to health Problems.
When my son was served the police application for an anti-social behaviour order, due to my knowledge I used this to search for information which could help prove he had not done what the police said he did and was not involved in the organisation and conduct of illegal raves.
The application gave me a base line in which to start to search and the dates the police said my son Mr Simon Cordell set up these illegal raves.
I used my knowledge I had within Search engine optimization and keywords to be able to use the internet, search engines and social media to bring up a great deal of data that allowed me to find out information to the dates the police said my son organisation and conducted illegal raves within this application.

I am going to explain how this was done with keywords and the internet search engines and my knowledge.
The 1st thing I did was open chrome and went to Google search engine, as this is the biggest search engine and the Google's spiders regularly crawl the web to rebuild their index's, Google spiders crawl process is algorithmic.
2
275,

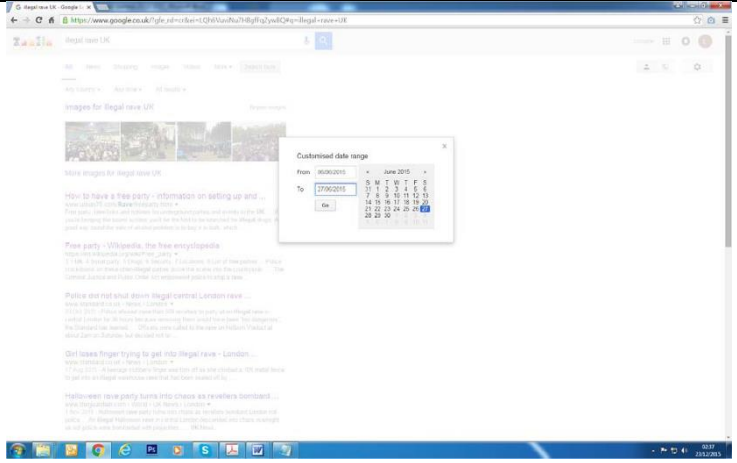

I then type in a keyword like illegal rave, UK, rave UK, it is better also to have your search tool selected in this case to Country: the UK, but it is still good to end the keyword with UK, then click search this will bring up all dates to start with.

End of Picture / Document Page!
276,
Then I used the search tool to enter custom dates. I had the dates as they were in the application for the ASBO order.

Now we add the date time line we are looking for in the custom fields, you are better to start with a wider date line then you need and see the results and you can shorten the date line as needed from the results you get back.
It is better to start to look for News data and social media URLs as in the application the police submitted, they said in a statement about social media.

277,

You start to look at the results and read all is what is said there are 10 results per page and there can be a number of pages. To look for just news within your date line you can select the tab for news data. If you want to look at all then you will have more to look at as this is a much wider search. On each search field you get a description this can show missing words within the keywords you entered.

Referral from mother. (But she does not want him to know of it) Patient known to mental health services was assessed under the MH Act last year but not deemed sectionable. Mother says she has been asking for help all over but got nowhere. She describes her son as not eating, not sleeping, he is paranoid saying people are talking about him or laughing at him. He believes the government is advertising things about him. That the TV is talking about him and talking directly to him. She reluctantly admits that he smokes cannabis adding "not a lot" She is adamant that her son should not know of this referral as she is frightened to sever the fragile relationship, she has with him.

He has agreed that he would write to his insurance company to correct the wrong information they have on him. He has also agreed to deal with his parking penalties. He is also trying to fix his website. Today he was very calm and appropriate in his manner allowing the assessing team to descend on him without warning and ask him a lot of personal questions.
Mr Cordell seemed to have a better understanding of his current situation and attributed it to his involvement with the police and grandmother's loss. He may not benefit from a hospital admission or input from the ECRHT at this stage, his mother had spent most of Sunday with him and he had seemed much calmer now.

on **11.03.14** due concerns about suicidal thoughts and anxiety. He was prescribed Sertraline anti-depressant. He was stressed about a pending court case as he was accused of burglary. He described experiencing poor sleep and weight loss.

On **19.11.14** Mr Cordell's mother phoned the hub (triage team) and reported that he was paranoid towards her and towards the police. In response the home treatment visited the same day. When home treatment workers arrived the same day, the police were present and reported that Mr Cordell had been screaming in distress. The police said that they had found Mr Cordell using a gas canister and thought that he was using nitrous oxide. He was referred for a Mental Health Act assessment.
On **21.11.14** the duty AMHP made contact with Mr Cordell's mother and father. The duty AMHP was told that Mr Cordell was subject to an anti-social behaviour order and that he is on the police at risk register for suicide. The duty AMHP advised that he broke up with his girlfriend and grandmother died. He had stopped taking his medication for chromes disease four weeks and had been admitted to the North Middlesex Hospital. Mr Cordell was assessed under the MHA act
on **24.11.15** but he was not detained.
3. Record of interview with patient (Include where it was conducted who was present and use of police if
required during process)
Mr Cordell was assessed under the Mental Health Act at around 10:40hrs on **03.02.16.**
Dr Al-Allaq (independents 12 Doctor),
Dr Albazaz (independent s12 Doctor),
CJ and Nellie (Home Treatment Team workers),
Amal Pomphrey (Community Mental Health Nurse based at Enfield Early Intervention Team)
all attended. A s135(1) warrant was obtained but not executed as Mr Cordell gave access. A lock smith was present, but their services were not required as Mr Cordell opened the door. The police were present but remained outside the property.
Mr Cordell's home was somewhat cluttered with a large printer by the door. However, it was clean and organised. He had food in the kitchen.
His mother and a female friend were present. Mr Cordell was expecting the assessment to take place. He was appropriately groomed and dressed. He had put his dog in the garden. Mr Cordell expressed his unhappiness about the warrant being obtained. He said that if he had been sent an appointment letter, he would give professionals access.
He mentioned on going issues with the police and that he had a court case in February. His speech was somewhat rapid at the start of the interview, but this appeared to be due to anxiety rather than thought disorder. His speech slowed as the interview went on. Mr Cordell did change topic of conversation a number of times as there was particular information that he wanted to share with the team. He spoke a project to start a community internet site and showed those present a business plan that was on his computer. He showed us documents which he said were related to his court case. He pointed out a line in the document that said that all the suspects were white and said that this was part of his legal challenge to his Anti-Social Behaviour Order.
He denied any symptoms of mental illness when asked about a variety of psychotic symptoms. He denied suicidal ideation. He spoke about difficulties he had with his upstairs neighbour relating to noise disturbance. He showed us some letters which said that his neighbour had written to him. He said that his neighbour has an alcohol problem and a learning disability. There was no evidence of distraction, confusion or that he was responding to internal stimuli.
4 October 2009

36,

It is my view that Mr Cordell's detention was not in the interests of his health as I did not identify evidence of mental disorder during the visit. I did not believe that Mr Cordell's detention was necessary for his safety, Mr

Cordell denied experiencing any suicidal ideation and could I not identify other risks to safety apart from possible substance misuse which could not be used as the basis of detention without clear evidence of a mental disorder associated with the substance misuse issues. I also did not think that the threshold for detention on the basis of safety was met, he was having conflict with neighbour this conflict did not appear to be driven by any mental disorder.

Patient's name: Simon Cordell

Date of assessment: 03.02.16

5. Consultation with Nearest Relative and process of identifying the Nearest Relative

I identified Mr Cordell's Nearest Relative as his mother Lorraine Cordell. Mr Cordell lives alone and is single. As far as I could ascertain he did not have any children and was not in relationship. His father was the older of his parents but when I phoned his mother

on **03.02.16** she informed me that he was in regular contact with Mr Cordell and did his shopping for him. I therefore formed the view that she provided care and was the Nearest Relative.

I phoned Lorraine at around 09:30hrs

on **09.02.16** and she advised that in her view use of a warrant and the Mental Health Act assessment were unnecessary as he would give professionals access if he had received an appointment letter. She said that he had a court case in February but would not elaborate on this. Lorraine said that she thought that the involvement of mental health services was unnecessary as Mr Cordell was not in her view experiencing any mental health difficulties and had not experienced any mental health difficulties for a number of months.

I was surprised that Lorraine stated that she did not think that Mr Cordell as the recent referral to mental health services had been triggered by a referral that she had made.

6. Consultation with Assessing Doctors

Both assessing Doctors declined to make medical recommendations and were in agreement that there was no clear evidence of any mental disorder during the assessing.

3. Views of others consulted

Prior to the assessment the police present advised me that were aware of conflict between Mr Cordell and his neighbour. They advised that the soundproofing between the two properties was poor. The police officers advised me that they were aware that on one occasion Mr Cordell had threatened to strangle his neighbour.

8. Mental Capacity Act 2005

No Capacity Act issues identified during the assessment.

9. Reason for decision to make the application (including choice of Section)

Given that Mr Cordell's diagnosis and treatment plan were not clear at the time of the assessment the assessment was for possible detention on section 2. It was my view that Mr Cordell did not meet the statutory criteria for detention. It was not clear that he was suffering from a mental disorder of a nature because at the time of the assessment it was unclear if whether or not he had a mental disorder. He did not meet the criteria for degree as there was no clear evidence that he was experiencing symptoms of mental disorder.

Referral from mother. **(But she does not want him to know of it)**
Patient known to mental health services was assessed under the MH Act last year but not deemed section able.
Mother says she has been asking for help all over but got nowhere. She describes her son as not eating, not sleeping, he is paranoid saying people are talking about him or laughing at him. He believes the government is advertising things about him. That the TV is talking about him and talking directly to him.
She reluctantly admits that he smokes cannabis adding "not a lot"
She is adamant that her son should not know of this referral as she is frightened to sever the fragile relationship, she has with him.

  I had telephone contact with Simon's Mother Lorraine Cordell
  [redacted]
  today at 10.35.
  She told me Simon is refusing to seek help or attend his GP's surgery. He did not take the medication that was prescribed when he saw Dr Javis last March **2014**. It appears that Simon is not consenting to seek help with regards to his mental health. I have however advised Mrs Cordell that she encourages to visit his GP, or she could request another assessment under the MHA 1983 if she has concerned that Simon is at significant risk to himself and others. I have also advised that she could ring the police / LAS and Simon could be taken to A&E in an emergency.

Enfield Assessment Service Referral Screening
Referral discussed with CRHTT manager V. Kisson. Advised for EAS to arrange a DV and if he is willing to engage, then HTT will take him on. A Hague informed.
Discussed with D Morgan a Telephone to Enfield Council Housing (0800 4080160)
Spoke with D Allen a Informed me they are aware of problems/issues with Mr Cordell. He recently accused another resident of purposely making noise to disturb him and he had threatened to strangle her. He appears to be very paranoid about sound.
The resident upstairs is apparently under the care of our CSRT a Bola is the care coordinator and the resident had to be moved to another accommodation for her own safety.
Mr Cordell was seen by Community Safety Unit and given a warning about his behaviour. He presents as very aggressive.
Community Safety Officer is Louise Brown a 0208 379 4467.
Plan a to organise DV jointly with EAS medical team / SW from CRHTT and Community Safety Unit

Discussed with A Hague.
Spoke with Mrs Cordell again. Clearly, she does not want his son to know that she is requesting help.
She last saw him on Friday and spoke with him regularly on the Telephone.
She told me he is not well. He has locked himself in his room, believing TV is talking about him. He is not eating properly and talks about killing himself. Mrs Cordell became rather irate, stating * I don't want you to tell him that I am requesting help, just leave him, I have enough problem'.
Plan - Discussed with Team - Referral to CRHTT. MHA assessment could be needed if he does not engage with HTT.

Enfield Assessment Service Referral Screening
I had telephone contact with Simon's Mother Lorraine Cordell **0208 245 7454,** today at 10.35.
She told me Simon is refusing to seek help or attend his GP's surgery. He did not take the medication that was prescribed when he saw Dr Javis **last March 2014.**
It appears that Simon is not consenting to seek help with regards to his mental health.
I have however advised Mrs Cordell that she encourages to visit his GP or she could request another assessment under the MHA 1983 if she has concerned that Simon is at significant risk to himself and others. I have also advised that she could ring the police / LAS and Simon could be taken to A&E in an emergency.

Lorraine
I have just had Simon on the telephone for the past 10 minutes, firstly asking for a home appointment and then proceeding to state that I am not dealing with his case to finally threatening to bring me to court for not handling his case properly. He is emphasising that I have made a lot of money from him throughout the years. He is emphasising that but for him being arrested so frequently I would not be the solicitor that I am. Lorraine, I do not want telephone calls of this nature. I do not want to be threatened and intimidated by Simon. I have asked repeatedly for the origin of information to be proven that does not show Simon close to the "organisers" of the raves. I am reliant on Simon providing this information. I voiced my views on Superintendent Coombes already and that avenue was left with you checking with Simon if he was happy to name the organiser. The information that Val Tanner and DS Chapman will amount to whether they have intelligence on who set up the raves and whether Simon's name was mentioned. This merely needs to be put in a statement. I do not appreciate Simon's behaviour. I do not consent to Simon video recording me at any meeting. Quite frankly since I have represented clients, I have never been spoken to by another client the way Simon has spoken to me, nor have I been asked by a client to video record a meeting. It is very clear that Simon does not have any trust or faith in me to deal with his case, so I have advised him to find an alternative solicitor. I will not object to the transfer of legal aid. I will not represent Simon whilst he is issuing threats and ultimatums to me. Until Simon finds an alternative solicitor, I will ask that the case be listed in court so that Simon can air all his complaints. I am sorry that it has come to this.

On 01.12.15 an assessment team worker phoned Mr Cordell and reported that she had received text messages from Mr Cordell saying that he will commit suicide once a court case is finished.
Mr Cordell was assessed by Dr Cushion, psychiatrist based at the Home Treatment Team,
on 08.12.15. There were no concerns identified concerning his personal care. He said that he hasn't gone out for months and his mother does all the shopping. He spoke about a conspiracy to destroy his good name and send subliminal messages to him via the television.

He spoke about his plans to start a global business for children. He said that he had about having thoughts of killing himself when he eventually clears his name. He did not accept that he had a mental disorder during the assessment.
On 10.12.15 Mr Cordell was contacted by Goodie Adama, early intervention team worker. He said that he was not interested in meeting with mental health services. He spoke about being victimised by the police. On
02nd October 2009

34,

and there was no evidence thought disorder or psychotic symptoms on the telephone. He said that he didn't feel safe leaving the flat which appeared to be due concerns about police harassment. He said that complaint that he had made about a police officer had led to that police officer being arrested.
On 08.01.16 Goodie received a telephone call from Mr Cordell's mother. She said that she was concerned about Mr Cordell and said that she had been concerned about him for over a year but would not specify what her concerns were. Goodie phoned Mr Cordell the same day he spoke about conspiracies involving the police and appeared thought disordered and thought about conspiracies.
On 13.01.16 Goodie spoke to Mr Cordell to see if he would agree to a home visit that day but said that it was not a convenient time but he was prepared to have a visit at another time.
On 15.01.16 he agreed to have home visit during a further telephone conversation with Goodie.
On 19.01.16 he was visited at home by Goodie and Sandra Muschett, senior practitioner. He was noted to be paranoid, grandiose and not eating well. He denied any suicidal thoughts.
On 21.01.16 Sandra Muschet had a telephone conversation with Mr Cordell's mother. She said that Mr Cordell had been harassed by the police for a number of years and that his preoccupation with the police was based on reality. She reported that Mr Cordell is not eating, not going out and has poor self-care.
On 22.01.16 an attempt was made to assess Mr Cordell under the Mental Health Act. Mr Cordell was angry that he had an unannounced assessment. He spoke about feeling targeted by the police. He spoke about being arrested numerous times and had a curfew from the police. He refused to give the assessing team access. He initially spoke rapidly but more slowly as the meeting went on.

On 22.01.16 Mr Cordell phoned Amal Pomphrey, early intervention worker covering for Goodie, and said that he had felt threatened by the Mental Health Act assessment that had taken place. He spoke about being arrested over a thousand times by the police and being subject to a curfew.
On 26.01.16 Mr Cordell phoned Amal Pomphrey, early intervention worker. He said that he had been contacted by a housing officer who had "threatened to get the mental health team out to see him".
On 02.02.16 Mr Cordell phoned Amal Pomphrey and advised that he had been told that a warrant had been granted. He was clearly aware of the planned Mental Health Act assessment.

Relevant social and medical history.

Information obtained from reports from Mr Cordell and his family to mental health services. Not independently verified.
Social: Mr Cordell was the victim of abuse by a paedophile ring and this led to him having contact with CAMHS Safe project for a number of years, he has not spoken about the abuse for many years. Mr Cordell's father was violent towards him. He was placed in care as a teenager. He separated from his girlfriend in **2014**.
Mr Cordell mother has regular contact with and helps with shopping. Mr Cordell's grandmother was diagnosed with bipolar affective disorder and schizophrenia, she was treated with Schizophrenia. She died from cancer in August **2014**.
In **2014** he was bailed for burglary. In **2015** he was made subject to a 5-year Anti-Social Behaviour Order for organising illegal raves. He not allowed to enter industrial or disused premises between 10pm and 7 am. He has reported that he has a long history police contact since he was juvenile. His contact with the police mostly related to theft and driving offences.
He lives in a one-bedroom council flat and is in receipt of Employment Support.
Psychiatric History: Mr Cordell tried to hang himself at the age of 16 when in a young offender's institution and needed to be resuscitated. He was moved to a secure hospital and kept in seclusion on a number of occasions. He has reported that he was regularly by a psychiatrist called Dr Caplin from CAMHS "the safe project". Mr Cordell reports there was a second occasion where he tried to hang himself when in a cell after he was sentenced. He attended the Accident and Emergency Department at the North Middlesex Hospital after drinking liquid nitrous oxide with an intent to die.
03 October 2009

35,

hallucinating after taking LSD. He was not followed up by mental health services.
He was assessed by Dr Jarvis from the Enfield triage team
on 11.03.14 due concerns about suicidal thoughts and anxiety. He was prescribed Sertraline anti-depressant. He was stressed about a pending court case as he was accused of burglary. He described experiencing poor sleep and weight loss.
On 19.11.14 Mr Cordell's mother phoned the hub (triage team) and reported that he was paranoid towards her and towards the police. In response the home treatment visited the same day. When home treatment workers arrived the same day, the police were present and reported that Mr Cordell had been screaming in distress. The police said that they had found Mr Cordell using a gas canister and thought that he was using nitrous oxide. He was referred for a Mental Health Act assessment.
On 21.11.14 the duty AMHP made contact with Mr Cordell's mother and father. The duty AMHP was told that Mr Cordell was subject to an anti-social behaviour order and that he is on the police at risk register for

suicide. The duty AMHP advised that he broke up with his girlfriend and grandmother died. He had stopped taking his medication for chromes disease four weeks and had been admitted to the North Middlesex Hospital.
Mr Cordell was assessed under the MHA act
on 24.11.15 but he was not detained.
3. Record of interview with patient (Include where it was conducted who was present and use of police if required during process)
Mr Cordell was assessed under the Mental Health Act at around 10:40hrs **on 03.02.16.**
Dr Al-Allaq (independents 12 Doctor),
Dr Albazaz (independent s12 Doctor),
CJ and Nellie (Home Treatment Team workers),
Amal Pomphrey (Community Mental Health Nurse based at Enfield Early Intervention Team)
All attended. A s135(1) warrant was obtained but not executed as Mr Cordell gave access. A lock smith was present, but their services were not required as Mr Cordell opened the door. The police were present but remained outside the property.
Mr Cordell's home was somewhat cluttered with a large printer by the door. However, it was clean and organised. He had food in the kitchen. His mother and a female friend were present. Mr Cordell was expecting the assessment to take place. He was appropriately groomed and dressed. He had put his dog in the garden. Mr Cordell expressed his unhappiness about the warrant being obtained. He said that if he had been sent an appointment letter, he would give professionals access.
He mentioned on going issues with the police and that he had a court case in February. His speech was somewhat rapid at the start of the interview, but this appeared to be due to anxiety rather than thought disorder. His speech slowed as the interview went on. Mr Cordell did change topic of conversation a number of times as there was particular information that he wanted to share with the team. He spoke a project to start a community internet site and showed those present a business plan that was on his computer. He showed us documents which he said were related to his court case. He pointed out a line in the document that said that all the suspects were white and said that this was part of his legal challenge to his Anti-Social Behaviour Order.
He denied any symptoms of mental illness when asked about a variety of psychotic symptoms. He denied suicidal ideation. He spoke about difficulties he had with his upstairs neighbour relating to noise disturbance. He showed us some letters which said that his neighbour had written to him. He said that his neighbour has an alcohol problem and a learning disability.
There was no evidence of distraction, confusion or that he was responding to internal stimuli.
04 October 2009

36,

It is my view that Mr Cordell's detention was not in the interests of his health as I did not identify evidence of mental disorder during the visit. I did not believe that Mr Cordell's detention was necessary for his safety, Mr Cordell denied experiencing any suicidal ideation and could I not identify other risks to safety apart from possible substance misuse which could not be used as the basis of detention without clear evidence of a mental disorder associated with the substance misuse issues. I also did not think that the threshold for detention on the basis of safety was met, he was having conflict with neighbour this conflict did not appear to be driven by any mental disorder.
Patient's name
Simon Cordell

Date of assessment: 03.02.16

5. Consultation with Nearest Relative and process of identifying the Nearest Relative

I identified Mr Cordell's Nearest Relative as his mother Lorraine Cordell. Mr Cordell lives alone and is single. As far as I could ascertain he did not have any children and was not in relationship. His father was the older of his parents but when I phoned his mother

on 03.02.16 she informed me that he was in regular contact with Mr Cordell and did his shopping for him. I therefore formed the view that she provided care and was the Nearest Relative.

I phoned Lorraine at around 09:30hrs

on 09.02.16 and she advised that in her view use of a warrant and the Mental Health Act assessment were unnecessary as he would give professionals access if he had received an appointment letter. She said that he had a court case in February but would not elaborate on this. Lorraine said that she thought that the involvement of mental health services was unnecessary as Mr Cordell was not in her view experiencing any mental health difficulties and had not experienced any mental health difficulties for a number of months.

I was surprised that Lorraine stated that she did not think that Mr Cordell as the recent referral to mental health services had been triggered by a referral that she had made.

6. Consultation with Assessing Doctors

Both assessing Doctors declined to make medical recommendations and were in agreement that there was no clear evidence of any mental disorder during the assessing.

7 Views of others consulted

Prior to the assessment the police present advised me that were aware of conflict between Mr Cordell and his neighbour. They advised that the soundproofing between the two properties was poor. The police officers advised me that they were aware that on one occasion Mr Cordell had threatened to strangle his neighbour.

8. **<u>Mental Capacity Act 2005</u>**

No Capacity Act issues identified during the assessment.

Reason for decision to make the application (including choice of Section)

9.Given that Mr Cordell's diagnosis and treatment plan were not clear at the time of the assessment the assessment was for possible detention on section 2. It was my view that Mr Cordell did not meet the statutory criteria for detention. It was not clear that he was suffering from a mental disorder of a nature because at the time of the assessment it was unclear if whether or not he had a mental disorder. He did not meet the criteria for degree as there was no clear evidence that he was experiencing symptoms of mental disorder.

EAS/ECRHTT entry.
Joint assessment conducted together with Dr Cushion from the Enfield Assessment Services at patients' home.
We could not gain entry to his flat and therefore we had to make a telephone call to his mother who we asked to give us a code for access to communal door of the property. Same given as 0123. His mother is called Lorraine and her phone number is 02082457454.
Upon knocking on the door to his flat there was fierce barking of his dog from the flat. He was suspicious of people knocking on the door and asked, Dr Cushion Who are you?
We calmly introduced ourselves and called out purpose for our attendance. We then asked him to put his dog away and let us in. He

complied without any issues. The front door was secured with a heavy-duty metal door and as soon as he opened the door, he instantly bombarded us with volumes of information, about who he is, he talked about what the police have done to him, explained what his neighbour is doing to him (following him about) and what he is doing to clear his name regarding his assumed criminal or police records. This pattern continued even when we sat down to interview him. He would not allow continuous flow of conversation; he had rapid speech, he was disruptive and jumping topics. He had many volumes of files to refer to and try to prove his points and assumed mistreatment by the police and misdiagnosis by the medical professionals. However, he could be interrupted without him becoming angry. He could not facilitate conclusive dialog or interview no matter what method of interviewing we employed. We kept going around the circle without end.
He appeared to be mentally disordered and without understanding of his illness (not insightful). We advised and offered him support for his mental disorders which he declined saying that he is not ill and will not take medication.
His mother reported family history of mental illness. His grandmother suffered from schizophrenia. This could be the start of his schizophrenia acerbated by drug use. Finally, we had to summarise purpose of our home visit. We told him that we had attended in order to address his medical as well as social issues:
Medical: We told him that after the interview, we felt that he needed support/treatment for his mental disorders.
We explained and offered him home treatment which he declined. I do not think that he would engage with the HTT.
If he continues to take drugs he will continue to deteriorate in mental state and being paranoid about harm to him from others including the police and neighbours
Social issues: A 34-year male of mixed race, white black (mother is white, and father is black). He was known to CAMHS as a child.
He accessed mental health services in 2008, **2012**, **2013**, **2014** and this year with no records of previous admission.
He admits to using skunk cannabis daily supplied by people.
He pays for drug supply with his benefit money and support from his mother.
A well-known person to police.
Relationships: Isolated for more than two years, he said. According to Simon, he is not allowed to go out to certain areas by the police and in particular industrial places.
He said that he has no friends.
However, his mother has regular contact with him.
She does his shopping for him. Activity of daily living.
He told me that he can cook for himself. I checked that his kitchen was clean and there was some activity of previous cooking. There was food in the fridge. Although his flat is full of equipment, computers, industrial printers, speakers, and others, his flat is reasonably clean and orderly.
His bedroom is not too bad either, has makeshift wall robe he made by himself and I could see that an attempt had been made to make the bed after night use.

Progress Notes

Being appropriately clothed.
Mr Cordell was casually dressed in a truck suit. He was cleanly shaven with no signs of self-neglect

Accommodation.
Lives in a one bedroomed flat provided by the council and paid through housing benefits. Denied any rent arrears.
Finance/employment.
Unemployed, explained that he is not allowed to venture out by police and hence he cannot go out to look for work.
He said that he is in receipt of state benefits. He told me that he earns around A£70 per week EAS and receives housing benefits on top. Mother supports him with money too.
Social inclusion.
He does not want to work or go for training. Said that his grandparents left a lot of money for the family. He said, "lam alright"
Factors having significant impact on Mr Cordwella€ms wellbeing.
Mental health and emotional wellbeing; he continues to deteriorate in mental state as currently not under treatment and using skunk cannabis
Conclusion/impression:
Mr Cordell is not accepting that he is ill.
He would not engage with the HTT.
Mr Cordell need to be referred to the EIS as showing early signs of psychosis.
A referral for MHA assessment to admit him in hospital for further assessments and treatment would help reduce risk of further deterioration in mental state but Mr Cordell is not deternable in his current mental state.
No immediate social work role for now. The interview did not determine and Mr Cordell could not identify social issues having signification impact on his wellbeing.
Plan.
We gave him our 24-hour contact number to phone mental health services if in emergency (02087023800).

T/C to Simon's mother, who is his de facto carer:
She said Simon's grandmother (her mother) had a diagnosis of BPAD and was detained formally multiple times: later her diagnosis was changed to SCZ and she responded well to Clozapine. She is realistic about Simon's potential engagement and aware that things may not progress smoothly. She is keen to have support for herself and a carer's assessment while Simon is under the care of EIS - I told her about Enfield Carer's Centre. She gave history that that large metal gate has gone up again recently: and that in her view Simon has been deteriorating for the past year.

Mother is very keen that Simon does not know she made the referral to mental health services. Since his father called the HUB, they have had no contact. She is Simon's main support at the moment and has concerns that Simon knowing of her involvement would damage this relationship and negatively impact on him.

EAS
Joint HV with me and Jameson Simwanza SW after sending out letter
From RIO notes
Disrupted childhood: CSE in paedophile ring, violent father, adolescence in care, under CAMHS **2012** - diagnosed with anxiety related to court case for burglary
2014- had MHAA - found not to have major mental illness
2015- 05-year ASBO for organising illegal raves- not allowed to enter industrial or disused premises between 10pm and 7 am
2015- November - mother made referral via HUB- she reports gradual deterioration in mental health over the last year. Simon was angry when his father made contact with the HUB in **2014** and does not want it known she instigated the referral.
Today
Simon consented to be seen and let us in. He was clean, well nourished, well kempt and dressed casually. He put the dog in the back garden.
One bed council flat
There was a massive heavy-duty metal door like that of a prison cell (over 7 feet tall) behind his own front door, which Simon said he's made and

installed recently. There were tools lying about on the floor and he has worked in construction in the past. He didn't give us a reason for making the door.
He hasn't gone out for months- mother does all shopping
History from Mr Cordell
Chaotic historian, jumping about topic to topic, but happy to talk especially about his grievances chiefly with the police and the woman upstairs.
He said there is a widespread conspiracy to destroy his good name and possibly ultimately to kill him.
This is organised by the police with a policeman in Essex called Big Bad (unheard) as its source, in league with "Storm" a global agency who manage the UK's 999 calls. The police are putting things about him all over the internet (there has been local reporting of his ASBO) and are putting subliminal messages about him through his own TV and other people's.
As part of this, he says they have falsified all his records - the proof of which he gave as a list of CADS (relating to one of the illegal raves he'd arranged) which as they were not written down in sequence of their numbers, could not be a true record and thus in his view proof of a conspiracy.
He said he has evidence on tape of the police talking about him and plotting against him, which he offered to show us, although in fact there were no such sound files on his computer. He couldn't really explain how he'd heard this material.
He was keen to show us other written "evidence " from the police, which were all notes Simon had made in files on his computer.
Simon said the woman in the flat above has been stalking him, is aware of all his movements around the flat, and when he is in the bath, takes off his clothes or on the loo, begins stamping on the floorboards. The history we have is that he made threats to her and she was moved for her own safety: he still feels she is upstairs. Said he had CCTV footage from cameras in his flat of her stalking him - he could not show us any cameras.
Simon got out several boxes of papers which he said related to the conspiracy together with his plan for his own business and his plans for a global charity for children.
The flat was full of equipment for printing and other things. Simon said he had spent" a quarter of a million" on his businesses including 20 000 on each of two printers.
Has thoughts of killing himself "when I eventually clear my name."

From previous notes
-Tried to hang himself at the age of 16 when in a young offender's institution and needed to be resuscitated. He was moved to a high security hospital and kept in seclusion on a number of occasions. He says he was seen regularly by a psychiatrist called Dr Caplin from "the safe project" (probably CAMHS.
-He says there was a second occasion where he tried to hang himself when in a cell after he was sentenced Said attended NMUH A and E **2014** after drinking liquid nitrous oxide with intent to die Forensic history
Long history police contact from juvenile, mostly connected with driving, theft-? in prison on remand in past Smokes 1-2 spliffs most days, no other drugs, alcohol or tobacco SH

1 bed council flat, no debts, ESA, food in fridge, flat cluttered but clean MSE
Clean, open manner, engaged well, incongruently cheerful, very polite
Appeared euthymic- did not appear particularly elated: idea of harming self "when name is eventually cleared" but currently has no thoughts of self-harm or harming anyone else
Pressure of speech but able to repeatedly interrupt without irritability
Thought disordered: Tangential, circumstantial, preoccupied
Paranoid delusions relating mainly to police and woman upstairs: delusions of reference
His comments about hearing having police talking about him on tapes may be elaboration of auditory hallucinations No evidence commands or passivity
Insight: articulate: does not think he has a mental health problem: Said he'd had all these problems for the last year, especially in the last few months but felt they were getting worse. He has withdrawn from all social contact except with his mother.
Impression
FEP, possibly with mood element history at least several months
Strengths: Significant part of personality intact at present, was willing to engage with us today Maternal support
Risks: isolation, self-neglect if mother withdraws support, potential risk harm to self but trigger factors not clear (past self-harm attempts as teenager appear to have related to court appearances)
Plan
Declined medication and engagement with CRHTT (as he didn't want to give his story again)
We talked about referral to EIS and my view that he would find seeing someone regularly helpful: he said if I made the referral he would engage- saying he would be too polite to refuse.
He seemed to find our conversation today a relief and thanked us for coming.
I did not feel he would meet criteria for detention today under the MHA and that I would refer for assertive approach from EIS as a more proportionate response.

Dear Dr Chong,
Re: Simon CORDELL - D.O.B: 26.01.1981
109 Burncroft Avenue, Enfield, Middlesex EN3 7JQ
Jameson Simwanza, Social Worker in Enfield Assessment Service/Crisis Resolution and Home Treatment Team and I saw Mr Cordell at home today after reports of a gradual deterioration in his mental health over the last year.
Mr Cordell's presentation today was congruent with a First Episode Psychosis with symptoms beginning several months ago. His main preoccupations and paranoid delusions relate to the police and with the woman, who lives upstairs although we understand she has moved out.
His mother has been supporting him and has been calling on him almost daily for the past year as he has become more socially withdrawn.
Today Simon was well nourished and cared for and his flat although cluttered was clean. He keens to relate his experiences to us but resisted the idea he had a mental health problem.
Risks:
1. He made 1-2 serious self-harm attempts as a teenager with contact with the criminal justice system. Today he said he had attended North Middlesex University Hospital Accident and Emergency department last year after drinking liquid nitrous oxide with intent to self-harm. Currently he has no thoughts intent or plan to harm himself or anyone else although **he said today, he would kill himself "when I eventually clear my name" - this is not linked to any particular date.**

2. He looked well-nourished and clean, engaged well: there is a potential risk of self-neglect if mother withdraws practical support.
3. Some Cannabis use, but likely to be insufficient to account for today's presentation.
Plan:
I did not think his presentation today would meet criteria for detention under the Mental Health Act and Simon is willing to engage with services although not to take medication at the moment. He declined contact with the Crisis Resolution Home Treatment Team as he does not feel he is in crisis but took the crisis number 020 8702 3800. We have referred him to the Early Intervention in Psychosis service for an assertive and consistent approach to his on-going management consistent with a least restrictive and proportionate response to his symptoms.
When his case is accepted by the Early Invention Service, we will then close the case to this service.
Yours sincerely, ELECTRONICALLY SIGNED

t/c I spoke with Simon at length and his final decision was that he was not interested in meeting me or having help from the mental health services.
Simon told me he was not mentally ill and did not need help. He then went on to tell me about all the problems he had or still has with the police. He said that he simply wants to clear his name and that "the truth will set me free"

His speech appeared pressure and went from topic to topic without ending one topic. He appeared to have an aggressive tone and on the other hand he appeared apologetic about refusing help.
My impression is that Simon will not co-operative with assessment and treatment in the community. There was touch of delusions or rather exaggeration to his claims about being "victimised". There are information on the net about his arrest and being placed on ASBO.
I will discuss his case at EIS case fit referral meeting on Tuesday

Morning Lorraine,
A full report covering all areas of complaint has been compiled. The Chief Inspector in Lambeth will review the full report and make a decision on what action or sanction is most appropriate against the officer. Once his decision has been made, I will notify you and a further letter will be sent which includes details regarding your right to appeal should you not agree with the outcome. I appreciate the concerns you have raised but will now need to wait for the Chief Inspectors final decision before I can provide you with a full copy of the report that will explain why certain decisions were reached.
Many thanks
Jeanette

Dear Jeanette
Thank you for the reply to the complaint. As you have found one of the aspects of the complaint that PC Geoghegan lied to Simon Insurance is a breach then does this mean that anything that happened after that fact was unlawful? As this caused a huge impact on Simon life after that lie happened, he was then arrested due to the lie, had his van impounded to the lie, and then was found guilty at the lower court and then had to appeal to prove he was innocent. His insurance company was going to close his insurance down and we had to prove to them there were no tools in his van and in fact the police officer had lied. I do not fully understand the one aspect you have said as that one aspect had a lot to do with what happened after. PC Geoghegan even admits in the crown court he had not searched the van. Could you please explain to me what this one aspect means?
Regards

Lorraine

Re: Mr Simon CORDELL
D.O.B: 26 January 1981
NHS No: 434 096 1671
109 Burncroft Avenue, Enfield, Middlesex, EN3 7JQ
I write to inform you that the above-named gentleman has been accepted onto the caseload of the Enfield Early Intervention in Psychosis Service (EIS), and I am his Care Coordinator.
The EIS work with service users and their families for up to three years for those aged between 18- 35 years of age, experiencing their first episode of psychosis, or those who are in the first three years of psychotic illness, living in Enfield.
The EIS offers treatment including:
- Administration of anti-psychotic medicines
- Psychological interventions including Cognitive Behaviour Therapy for psychosis and emotional problems, such as depression and anxiety
- Family interventions
- Vocational recovery
- Relapse prevention & management
- A harm minimisation approach to substance misuse
- Care Coordination
- Social recovery activities

New service users are usually seen weekly to assist with engagement with the service and to help formulate care plans. The frequency of contact may extend over time depending on the service user's needs, the nature of their illness and other factors such as work and studies.
We are required by the Care Quality Commission (CQC) to maintain a record of health care checks made by GP's of mentally ill patients on their register.
Mentally ill people have increased morbidity and mortality compared with the general population. Many of them have unhealthy lifestyles resulting in poor physical health and increased mortality due to common life-threatening conditions and physical ill health. Risk factors, particularly Cardiovascular Disease, Chronic Obstructive Pulmonary Disease and diabetes should be identified and managed according to the relevant guidance through primary care settings.

Statement of Simon Cordell Further to my statement dated 24/02/**2015**
In regard to Steve Elsmore Statement further to his statement Dated 11th August **2014** Amended on the 14/01/**2015** Pages 26 to 30
In relation towards an application for an Anti-Social Behaviour Order regarding myself the defendant Simon Cordell.
3 Steve Elsmore States.
On the 5th November **2014** at Highbury Corner Magistrates, that I Simon Cordell made certain representations in regard to my company Too Smooth.
I Simon Cordell State.
I did explain that I was establishing my company and had become a valid member at Kemp Hal, Community Centre there for committing myself to working for my local community centre, I did also say that I had been establishing my company brand and reputation, by way of provision of hire under a pro bono agreement with companies working on behalf of them self's, in connection with Enfield Council as they were all licensed outdoor events within the borough of Enfield contained within the local parks and such land marks.
Pc Steve Elsmore States.
That he has searched the police systems in reference to my statement made in court, "that I was in fact on curfew and had not been leaving my place of residence.

I Simon Cordell State.
I do agree that I did state that I had been of police curfew during dates 28/06/**2013** to 21/05/**2014** during court proceedings which I was found not guilty for on the 02/07/**2014**. Throughout the Interim stage of the ASBO order held at the Magistrates Court, I do not understand how PC Steve Elsmore when checking the Metropolitan police databases could not find my statement to be true,
As on the date of 03/08/**2015** at my trial the clerk of the *court checked* her computer system in front of the DJ and all else present in the trial proceedings and found my statements to be true. I had been on curfew from the 28/06/**2013** until the 21/05/**2014** along with other bail conditions.
PC Steve Elsmore States.
That he had discussed entertainment licences with the police and Council Licensing Officers and they had informed PC Steve Elsmore, I would not

need to apply for licensing if premises were already in place of licensing or that I can apply for A Ten Note if on outdoor land.
Simon Cordell State.
Had been in negotiations with Lee Valley in regard to Premises and Licensing to hold an outdoor community event within my local borough which was going well until the court proceeding became too much inclusive of the conditions imposed upon myself.
With regard to Barley Land Farm, due to everything that was going on in **2013**, **2014**,1 had to take a step back from the event I wanted to host at Barley Land Farm, this was going to be picked up after I proved I had not done anything wrong which was the case. Barley Land Farm I did want to host this in **2014** but knew this could not happen as the case I was on lasted over a year, before I was found not guilty. I was due to pick up contract with regard to hosting this for **2015**. This was stopped due to this ASBO order and the ongoing court proceedings becoming the priority over all in my life.
It was also noted by my mother due to the case in **2013** / **2014** that my PNC record was not correct and there were errors on it.
Please see emails and court file.
I was made manager of club Juice Brimsdown Enfield and trusted with the keys and all operations of the company till the police made this impossible to manage due to being continuously being pulled over outside.
It was agreed for me to be the manager of the lunch of White Sands night club once known as the Beach club Brixton Hill, till the police publicly embarrassed me and shamed my name by arresting me out side at an arranged meeting with the owner, to which I proved my case at court The police officer lied to the lower court and I was found guilty so had to take it to appeal which I won my case, please see file.
There was also a complaint put in and at this time the Serious Misconduct Investigation Unit have agreed the police officer lied my complaint is still on going.
I had committed a lot of time towards the launch of this venue prior. And walked away due to how I was being treated by the police.
The last I heard of the club was that it had turned into a chapel, the owner had spent a large amount of money doing the club up and had verbal licensing agreement with the council to reopen it, but the local people did not want to club to reopen and the council refused licensing at the last stage.
Signed …….

10,

PC Steve Elsmore States.
The Licensing officer had checked in Steve Elsmore presence that I Mr Cordell has never applied for licensing regarding entertainment I Simon Cordell State.
I had no reason at this time of my life to apply to the council as pickets Lock, Barlylands and all festivals, inclusive of Night clubs and community halls I was committing my personal time to while establishing my company and representing my brand, have or had licensing already in place, I have also listed a few more companies names I was working with and for below with correspondents.
Lock to Lock
Muswell Hill Festival is a fundraising community event for children with cerebral palsy and their families from across London.
Enfield Town Fire Works Ponders End Festival Durant's Park Festival HD Festival
At the same time, I was constructing and in development of my website with help from my mother and friends, hosted at www.TooSmooth.co.uk
PC Steve Elsmore States.
That he has spoken to Enfield Council with regards to myself Simon Cordell hiring Generators to them for events also that I had only hired out a human gyroscope to Enfield Scout for the local town fireworks display dated **2013**.
Simon Cordell State.
As listed above is the names of some events I was working within and for at the dates in question mainly before the interim stage and while other ongoing court proceeding progressed to which I was being accused of, to which I rightfully was found not guilty in my plea of innocence.
I had a curfew so could not stay with the equipment over night and as a company getting ready to start to trade I could not afford the higher of an experienced employee, so in turn I lost the contracts and faith in the justice system that was the main contribution towards the key elements need to cause myself to lose the contracts I and others had worked so hard to gain, due to the value of the products it was impossible to comet myself to a contract of hire any longer, at the same time the probationary conditions thought the interim stage imposed that represented the ASBO order made it once again even harder to continue forward than it already was.
PC Steve Elsmore States.

A company House Check has been conducted under the name Too Smooth and Mr Cordell's post code and there is nothing registered. 1 am also asked by Steve Elsmore to provide my company number.
I Simon Cordell State.
My company name was registered on the 10/03/**2015** and this was shown to the court at trial.
I think there was a mistake in how I explained myself and due to this think you believe my company had been registered before this date. However, what I was trying to explain was my domains had been registered since **2010**, and **2013**.
The reason my company was not registered in **2013**, which it was meant to be was due to the court case and the conditions of bail I was on.
I could not do the contracts I had in **2013** so my company was put on hold until after I was found not guilty at court on the 02/07/**2014**.
But then as soon as I had been found not guilty for that case, I then had to deal with this ASBO order.
PC Steve Elsmore States.
On Wednesday 10th **2014**, in regard to obtaining Mr Simon Cordell's role also inclusive of any more information that could be obtained relating to him at Kemp Hall Community Hall. Diana Johnson hall manager was

unavailable due to being sick, PC Elsmore spoke to assistant Hailey "Football Team Manager" who stated she was not sure of Mr Cordell role and had not seen him for about Two months in advance to the last meeting to which he had attended due to being ill.
I Simon Cordell State.
Regards Kemp hall, I Simon Cordell was given a Business card by a friend of a woman name as Lavinia De-Terville.
Her business card represented a company known as Dems event management who provides licensed outdoor and indoor events, so I called the number in hope of making good relations relating to professional business possibilities, a meeting was agreed and went well.
I was later contacted by Dems Management to help with the on goings of a charity event in •'id of a charity called Bliss that helps premature babies, this event had been cancelled and was supposed to have taken place at another community hall other than Kemp Hall to which she had lost her deposit.
I arranged another meeting with her and asked her to bring all documents for the event so I could see if there was a way to rectify the problems, I took on the project to re-launch the event at a new location and Kemp Hall was chosen, a meeting was arranged at Kemp hall for 19th September **2014** with Diana hall manager and Dem, at the meeting I noticed the community halls absinth of articles of association and the down full in the maintenance of the hall, it was explained by Diana that she was having issues with managing the hall due to a lack of communication with committee members and local Authority and that the hall was absent of licensing and no constitution was in place neither funding, on taking a tour of the hall I took a list of problems I could fore see for holding an event for Dem's and that could be rectified for Diana.
I prioritised the *list as I* was *going around here* is some of the problems I listed.

The list went on, I agreed to come back and help out where I could, and did do so at my own expense, I fixed most of the listed above over time and a lot more to which I still have all the notes of and information relating to the contract work. I have and provide evidence of Diana hall manager thanking me for my help and that she had not meet any one in 15 years that she could trust with the keys and management of the hall and because of this she had neglected time with her own family in the aid of keeping the hall running for the local children and community. This was because she trusted me with full management of the hall under her supervision. I can provide the information.

II also do not understand why PC Steven Elsmore would want to obtain more information as to my role at Kempe Hall and why he would speak to someone he does not know about me and any role I have at Kempe Hall. If the person who currently run Kempe hall was not there, he should have asked for a number to contract her on, not gone about speaking about me to someone else he did not know what role they had in Kempe hall.
PC Steve Elsmore States.
On Sunday 23/11/**2014** police stopped the following two males who were seen walking around an industrial estate Stockings Water Lane Enfield at 01:10 hours.
Both males seem to be under the influence of drugs.
On page 28 the CRIMINT reference states the other male, this has been blacked out, it also states that this person was living with myself Simon Cordell.
5 Simon Cordell State.
On the 22/11/**2014** I had been at my home address with a friend named Josh who was homeless when my mobile phone rang a person claiming to be a police officer spoke to myself, he called me unexpectedly it was around 23:45 hours to 00:20 hours I got the call.
This person said they had been at my flat earlier but could not get the entrance code to my front door, they had returned to the police station to call me and get the door code, to which I thought and knew to be out of place I asked for the police officers badge number to which the person speaking would not give it to me, making me not believe this was a police officer I was in fact speaking to I would not give the door code out, on putting the phone

down 1 called the police and asked if it was them asking me for my entrance code to which the reply was no.
This worried me even more because I live in a communal building that does not have an intercom system or CCTV. You must know the door entry code to the main entrance, and you can get to my front door.
This made me and my friend scared and could not understand how someone had got my number and called and wanted the main door code.
I called my mother who told me and Josh to come to her house, my mother had been cooking something to eat so I turned everything off and left my flat with Josh.
We walked along Green Street, towards Brimsdown train station going towards the river lee.
I had called my sister and she agreed to pick us up in a cab at Ponders End train station as it was raining very badly.
As we were walking the police pulled us over, they said they were the police care team and asked us what we were doing, I told the police what had happened about the call and was told it was them that had called me for the door code.
They said that they had been at my flat early and could not get in, so had gone back to the police station to get my number to call me to get my door code.
I asked why they wanted my door code and why they wanted to see me, they would not tell i.e. We both got searched by the police and then let go, me and my friend Josh was not under the influence of drugs, and the police never found anything on us when they searched us both. They asked Josh why a boy from East London was in North London and he told them to see his friend. I called my mother again and was really upset as the police was not leaving me alone, I had done nothing wrong and never went out of my flat anymore, but the police kept coming to my flat when they wanted.

When we got to Ponders end my sister was waiting in a cab, which we got into and went to my mother's home, my sister then left in the cab to go home.
My mother was really upset and made a call to the police at 02:04 to find out what was going on and why the police kept turning up at my flat CAD 1129:23/11/**2014**.
She was told that I called the police, she asked me and Josh if we had called the police which me and Josh replied no to, I told her I had only called the police after the police had called me. She carried on talking to the police on the phone.

On Friday 19th September **2014** at approximately 14:15 AT Kemp Hail I Simon Cordell State; This date Friday 19th September **2014**,1 was at Kemp Hall with Luvinia De-Terville we were due to have a meeting with Diana hall manager in regard to the higher of the hall for the charity Bliss.
Signed HH Witnessed By …

14,

Yes, I agree the police did come to Kemp Hall while I and Luvinia De-Tervil! we were there in the meeting with Diana hall manager about hiring the hall for the bliss charity.
I did speak to them as they spoke to me; I told them why we were there about hiring the hall for the bliss charity the police could also see we were in a meeting. They seemed interested about the charity, and I went on to say about my goals for my company and showed the police a project I was working on, on my laptop, the police did ask some things which I told them.
I do not see how the police was utterly bemused I was not the only person who was talking and mostly it was the manageress talking to the police, as the police was there to speak to her and our meeting had run over and we were waiting for the police to leave to carry on talking to the hall manageress.
I did not tell the police I had 3 lockups, the police know where I keep my equipment and that is not in lockups.
I do not understand why PC Steve Elsmore has gone on in his statement to say about GMG members nor do I understand why gang members have been included in his statement.
Nor do I understand why he has included in his statement about issues with Kempe Hall.
I had done nothing wrong and had nothing at this time to do with Kempe Hall I was there about hiring the hall for a charity event run by Dems.
I also do not understand why the police when got the opportunity did, they start to ask the manageress tactfully how long she had known me, they knew already the reason I was at the hall and that was for a meeting about hiring the hall for a charity event.
Shortly after this date the police started to publicly make a bad example of me and started to harass me by pulling me over as I was attending the hall one method was to strip searching me in there van in the front car park in front of all the children and other community members that I was there trying to help which is not mentioned and there are no Cad's relating to

within the ASBO application, the police also attended the hall more than the twice mentioned by Steve Elsmore and the once I mention when I was publicly embraced by the police in relation to questions regarding myself, I gave up and walked away as I did with the night clubs, as the police were set out to destroy all myself and every one had worked so hard to gain.
PC Steven Elsmore Updated statement dated the 26/06/**2015**
PC Steven Elsmore again says about Kempe hall page 30B as said above I stopped going to Kempe Hall around Dec **2014** due to what the police was doing but was still getting emails from them I believe they did not take my email out of the email list. The police are aware of this as I have had more calls that the police have been there asking about me. PC Steven Elsmore states that Kempe Hall was taken back into possession of the council due to the way in which it was being run.
This is not correct it was taken back due to accounting not being completed on time that Enfield council was asking for. Please see email dated 21/01/**2015** from Monica.Kaur@enfieldhomes.org
Also, please see email dated 17/02/**2015** from Monica.Kaur@enfieldhomes.org and Simon.James@enfieldhomes.org
So, by 18th March **2015** Kempe Hall was already back in Enfield Councils possession when the

t/c I rang Simon and wished him Happy New Year and asked him how he was. He told me that he has been doing well and no problems except that he has a Court case in February to clear his name.
However, he told me that he reported a police officer whom he secretly recorded for framing or setting him up.
He said at the Highbury Magistrate Court the police officer was found guilty.
He said he felt good about that and that he will be claiming compensation. He will also like an apology made through the news [media].
Simon informed me that he has not been going out much - "getting myself locked; I don't feel safe to walk around much" as I got a police officer arrested. I reminded him of my or EIP offer for help i.e. talk to someone or get practical help if the need arose.
Simon was quite polite, thank me for calling and the reminder and wished me and the team a Happy New Year.
Impression
Apart from the story about getting a police officer arrested [? delusional?]. and is plausible, Simon did not appear to have psychotic symptoms.
He spoke clearly, coherently and content was logical.
There was no apparent evidence of thought disorder.
He appeared to not mind me calling him. I will call him again after New Year to check how things have moved on.
