A Deception in Events Leading Up to The Claimed For: "What Took Place and Can Be Evidenced and that is relevant to the ongoing!"

The Enfield Council & Neighbourhood watch Team inclusive of the Metropolitan Police Force created a forged Court Order Application to deprive me of my life and wellbeing and then even when not served in Accordance to statue of services of post and practice and directions of judgments and orders they continued to force that application illegally upon Mr. S Cordell. The forged Asbo Application was not severed.

Due to Mr. S Cordell's mother finding the Asbo folder left outside of the front door she took the documentation that she found left scattered on the floor in a community Based Public Area. And took it home and photocopied it due to it having her sons' personal details printed on the pieces of paper she had found. The paperwork stated that it belonged to the Edmonton Police Station and was brought back to themselves. A lost property receipt got given to my mother with text stating one blue folder found outside of Mr Simon Cordell's property that belongs to Mr. S. P. Cordell. Because Miss Cordell Mother of Mr. Cordell had photocopied what documentation she had found and was concerned she showed her son, Mr Cordell, who managed to see part of the Prosecutions applying being brought into motion against him.

At first glance of the bits of paper found pertaining to an Asbo application Mr. Cordell could noticed that he was being accused of illegal activities that he had not committed. Shocked that he had not been arrested

as the

knew that he was an innocent man due to not organising any illegal raves within the application.

The Enfield Council & Neighbourhood watch Team, Before The 1st Possession Order and in-between the dates of 00/00/0000 till 19/06/2017

The Enfield Council & Neighbourhood watch Team inclusive of the Metropolitan Police Force got contacted about my Neighbours trying to take my life away from me and my loved ones in between the dates of 00/00/2014 till date of 15/08/2022 and took no action to protect my life to aid in themselves getting away with a frauded Asbo Application that they took part in creating maliciously throughout any complaint I made against themselves or any other person and without any fair proper cause.
