As for the Q and A records from PC Almy there is a lot he has lied about. Simon did say to him that he brought a job lot of 5 chairs and 5 gazzebos this is a fact.

But he also said the Gazzebo that was in his garden was brought from focus along with other thing he got for his kitchen.

Also none of the PC have said that me and Sheila was at the address we got there just after Simon let the police in this should have been noted and has not by any officer. I know they are meant to ask and note anyone that comes to the address when they are there.

As for the Nokia phone I was the one that told the police I got it from Tesco for Simon.

Also no colleagues secured the dog Simons put the dog out before he let the police in.

Also if you look at PC Almy statement where he said Simon was going to set the dog on them, then look at PC golden you see that both are saying something else if it was the case Simon had said he was going to set the dog on them it would have been in both statements. As should have been all the Q and A from PC Almy statements why is it the case all this is only listed on 1 statement when all officers should have heard what was said.

We also have the receipt from the guy at the party, I through Simon had given it to you the other day he must have forgot.

He is looking for the receipt from Focus still. But it must be somewhere at mine or his.

Lorraine

PS when we Simon know the time for the listing in court tomorrow do you know yet.

Subject: Advance information on Simon's case

Lorraine

Please find attached copies of the following:-

Advance information

You will no doubt note that there is no detailed loser statement setting out the stock that was actually stolen, however there are a number of very unhelpful Q and A's recorded in the statement of PC Almy. These were also signed by Simon.

Can you please as a matter of urgency locate the receipt for the gazebo in the garden so that we can deal with this issue at trial. I will need confirmation of this so that I can include this in the defence case statement.

I am on annual leave as of 3pm today but I am hoping to access my email when I am away so please feel free to email me if there are any issues and questions that you have regarding this matter.

Regards

Josephine
