I am on my way to a police station but this will be sorted today. I am not happy about this either as it is my reputation on the line.

I will be in touch.

Hi Josey

I agree and do not blame you at all as I know full well you sent the edited paper work over to Jay Thursday of last week which should be well in time for him to have access to a printer and get up to speed with the case.

I also know you were not complaining that Simon forgot the documentation I just added it to my email so you was fully aware Simon did not bring it to court.

Lorraine

I will also send the documents you need over my email later today ATM I am writing some letters for Sheila.

Thank you for your email. This will be forwarded to Michael Carroll to deal with when he gets in this afternoon.

I was not complaining that Simon forgot the documentation as clearly Jay should have brought his and he should have been familiar with the case.

I will revert to you in due course.
