Lorraine

Please send me the emails again re Omar Lawrence on their own without making reference to Simon not disclosing his court case to Omar Lawrence so send a fresh email as opposed to a reply to one that I have sent you otherwise all the emails will be included.

I will now progress the application to vary Simon's bail and I will copy you in on the emails. One observation that I do make and the Judge will pick up on this is the time of the festival from 12pm - 6pm. Whilst the Judge may extend the curfew time he may not suspend it. However if Simon is remaining on site with his equipment over night then I can include this with my representations for bail.

Please get back to me.

Regards

Josephine
