Dear Lemmy Nwabuisi

I will get back to you with a date.

But I am very upset at what is on file within the subject access request it seems as if you put everything onto Mr Cordell and large amounts of data is missing.

Like the information about Deborah Andrews this is incorrect, and the only reason we have found out about this is due to the subject access request.

But there are lots of emails that are missing that I sent about Deborah Andrews and what the neighbours were doing, that are dated before any complaints went in from Deborah Andrews and the neighbours. yet nothing was done for Mr Cordell about this.

Also there is missing dates and times of complaints, as to when things was meant to have happened and what time they were meant to have happened why?

I do have many issues, with the report and why no emails are in the subject access request that was put in by me that are dated well before the neighbours put complaints in yet Enfield Council done nothing about this, There is also no phone calls I made or my son made, but as soon as the neighbours put complaints in these were taken up right away by Enfield Council.

I will get back to you with a date I am due to see someone on the 09/03/2017 when I will be showing them all the information. So it will need to be after this date. Dionne Grant has also got until the 02/03/2017 to deal with the subject access request and if i have not heard anything by this date i will pass this on to the ICO.

Regards

Lorraine Cordell

Dear Ms Cordell,

Thanks for your email.

Could you please confirm when you and Mr Cordell are able to meet with me within the next 14 days. As stated in my previous letters, the allegations are serious breach of tenancy conditions and we need to give Mr Cordell the opportunity to respond to them before a decision is made on how to proceed.

Dear Lemmy Nwabuisi

I am sorry for the late information but we will not be able to attend today at 2.30pm on Wednesday 22nd February 2017 due to private family reasons.

I am also very upset to see how the subject access request has been handled, as I said to you last week I have not had use of my main computer due to work being carried out on my home. I have sent Dionne Grant giving 14 days or I will take it to the ICO and have not had a reply yet to the email I sent.

He alleged that the previous day on 4/10/16, Simon was banging on his ceiling and later came upstairs and started kicking his door and shouting aggressively. Dear Lemmy Nwabuisi

I am writing this email to say you have stated in your last letter the subject access request has been dealt with, but we are still waiting for the data.

I have asked for the dates these complaints was put in and yet have had nothing about the dates and times.

Could you please forward me a list of dates and times these complaint was put in, and list them in an order like this so we know if more complaints have been put in by one person.

Complaint from A on date and Time: Body of complaint from A.

Complaint from B on date and Time: Body of complaint from B.

Complaint from C on date and time: Body of complaint From C

And it can carry on like this until all complaints are listed. As at this time you have just listed complaints, and failed to supply any other information.

If I can get this back today I would be most grateful, as it has been asked for before.

Also we have said this before more then once on calls and emails, the person's living at 113 and 117 I believe which is the 2 people living on top of my son, 113 has since he moved in no carpet put down and also his floor boards needs fixing, 117 which is the top floor has laid wooden flooring, due to the way these flats have no sound proofing in between floors and only wooden flooring due to how they were built, we were thinking this would have already been addressed and has not and the neighbours have been allowed to keep the flooring the way it is, my son can hear everything and only feels nothing has been done as Enfield Council wants my son health to get worse and also to make him suffer.

As for the date of the 09/02/2017 as stated before until we have had all dates and times and body of complaints and the subject access request, I still do not feel it is justified my son has a meeting as he will be walking into a meeting only with very limited information, and due to his health which is being caused by his

neighbours and Enfield Council doing nothing I feel my son is only being setup due to issues and the colour of my son's skin. And this is why no one from Enfield council has ever taken a report from him about what has been ongoing form a long time ago.

We want to clear this up as much as you do, but it seems Enfield Council is not fulfilling what we have asked for in order to be able to do this.

Regards

Lorraine Cordell
