Subject: Mr S Cordell 37 yrs old

To the antisocial behaviour team at Enfield Council:

We have been trying to see Mr Cordell but he has not attended assessments offered although he has phoned the assessment team.

He is not currently receiving any mental health treatment and is not under any team.

He has had contact with various mental health teams in the (both child and adolescent and adult services) and seems (from the electronic record) to have had one brief admission on the Haringey assessment ward in August 2016.

It seems that the Court / solicitor (Ludmilla Iyavoo from the legal services team at Enfield Council) would like a report to assist the Court answering specific questions outlined in Ms Iyavoo's e mail.

I would suggest that such a report is commissioned from a Consultant Forensic Psychiatrist from North London Forensic Service (tel 020 8702 6004/6072)

forensic.referrals@nhs.net as this is not something we would provide

We will continue to endeavour to assess him and offer him any treatment he may need

Dr Scurlock

Telephoned to speak to Simon 0208 245 7454, number that he had left to be contacted on. Female answered the phone said she is aware that her son has been speaking to mental health services to arrange an appointment. Says he is also aware that there is a court order for him to have an assessment.

Said his mobile number is 07729243063, she tried to call him but said going to answer phone. Said however she will pass on the message that we will come to see him at home on Tuesday 19th June 2018 at 11am. If any problems says her son will contact us.

Enquired how her son is says she doesn't want to talk to anyone as in the past her son has become suspicious of her and affected her relationship with him.

Home visit agreed with myself and Amal Pomphrey from EIS.
