busted, but im thankful that the organisers found a location for us to still be
able to party. (nice one) Just as shame so called ravers bring moody
attitudes, violence etc to a rave, when it should be all about Love...peace and
unity....freedom to party...& wicked music!

Met some proper trippers on the train there, met some nice people, but most of the scene where just people trying to sell you drugs. At least in my experience. We camped around the back and we couldnt leave anyone there alone sleeping because bad dodgy looking cunts kept coming back there being nose and going in our tents, basically had tooooooo fucking babysit our sleeping friends, which is fine but not like a free fest where you just do what the fuck you want and can literally double drop acid and not worry bout anything. I never seen so many people get punched in the face. And then ignore it.

BIG UP TO HYDROPHONIK AUDIO AND THEIR EFFORT TOP LADS!!!

I was glad to see all my friends more then anything. THANK YOU FOR COMING!!!!

Reece Martin You would have been highly disappointed as we all was ! Massive hype, free all weekend, camping, 6 rings, 4000 people. Instead it was just some squat party like any other squat party and some moody people there, 3 fights, old bill everywhere, had to pay to get in, a few people put up tents and they had their belongings stolen !! x

Really not happy about what I'm hearing and what just went down! Luckily I was sick and couldn't make it! Not hearing any peace, love and harmony vibe.... You can't put something is free and the force people to pay... Especially if people are giving their time and possibly playing for free! How does that make sense?!!!

Just thought I'd help out those on public transport...

If you can please TFL your location and find the easiest bus that will take you to Great Cambridge Road (EN1). This is the closest bus stop and it's about a 15 min walk. Sorry if you're carrying alot of stuff.

Is anyone legitimate going to send everyone the postcode? Not that I don't believe all you lovely people but all the conflicting info isn't helping. An organiser please give us a time frame so the people from out of London know what to do so just in case they can get last trains and stuff. Just trying to save what could be an epic peaceful fun night from being a bunch of pissed off people.

take your safety and welfare very seriously so we have provided the very best security team (T•S•T) As well as an on site paramedic to assist anyone who may require medical attention

Your safety over the weekend is paramount to us

LEAVE YOUR ATTITUDE AT HOME AND ONLY BRING POSITIVE HAPPY HIPPY VIBES INTO THE VENUE, NO SHARPS, GLASS BOTTLES, SPRAY CANS, MARKERS,NOS GAS ALLOWED SO MAKE SURE YOU DONT BRING THEM OR YOU WILL BE TURNED DOWN.

XKNIVES
XGLASS BOTTLES/OTHER SHARP OBJECTS
XPENS/SPRAY CANS
XAEROSOL CANS
XBALLOONS OR CANISTERS
XANYTHING THAT RESEMBLES/COULD BE USED AS A WEAPON
VIOLENCE AND THEFT WILL NOT BE TOLERATED AT THE PARTY
PEOPLE WHO GET CAUGHT DOING ANY OF THE ABOVE WILL BE ESCORTED OUT OF THE PARTY BY SECURITY !!!
We have got a camping zone at this indoor/ outdoor event and
we would love to accommodate you !!!
So don't forget them pop-up tents
BUT WE WIL BE ASKING PEOPLE TO PLS NOT KEEP ANYTHING OF VALUE IN THER TENTS JUST SLEEPINGBAGS !!!

A screenshot of a Google search results page. The search bar at the top contains the word "Google". Below the search bar, the word "Google" is displayed in its characteristic multi-colored font. To the right of the word "Google" is a small, yellow, cartoonish character with a single eye and a wide smile. The background of the page is white, and the overall layout is clean and minimalist.

>>THE TWILIGHT ZONE<<
(PARALLEL DIMENSIONS)
>>HALLOWEEN FANCYDRESS SQUATERS BALL<<

1 November–2 November
Starts at 22:00 • Ends at 08:00

@
Haunted east london WareHouse

Halloween is a holiday annually celebrated on October 31. Some people hold Halloween parties on or around this date, where the hosts and guests often dress up as skeletons, ghosts or other scary figures. Common symbols of Halloween include pumpkins, bats and spiders.

around the end of October in England, Wales, Scotland and Ireland. People believed that, at this time of year, the spirits of dead people could come 'alive' and walk among the living. They thought that it was important to dress up in costumes when venturing outside, to avoid being harmed by the spirits

With this musical halloween experience we will taking you on a trip threw different dimensions in sound and time come party with us as we open the doors into parallel universes !!

Best fancy dress on the night will be picked out the croud and given a bottle of bubbly and there entrence fee back !!
