Subject: RE: Subject Access Request

Dear Gary Quan

It is not a PNC check I want I all information that the police hold on me whenever the police have had contract with me, which has been a lot.

A PNC check will only show limited information as to if I was charged and found guilty, any NFA's, and found not guilty.

I want a lot more data then that as I want everything that the police hold on me. Which I believe is your department that deals with this.

I will also be putting in a request to ACRO but that will be on top of the request I have asked in my application to you.

If you look at the application the data I want is listed right after that on page number 1 and 2 that data is not a PNC check, I do understand it is a large amount of data I am asking for as I want everything the police hold on me across all systems.

Regards

Simon Cordell

Dear Sir,

Thank you for your email, I had a look at your application form, It looks like a PNC (Police National Computer) Check is better suited to deal with the information you're looking for. This is done through ACRO. You can apply for one online on their website www.acro.police.uk.

If there are any specific report(s) you require then reply to us and we'll press ahead with your request.

Kind regards,

Gary Quan | Administration Assistant for Data Protection & Freedom of Information
