Hi Lorraine

Further to our telephone call I am returning the email that you forwarded to me. I will require the original receipt that I can photocopy. I assume that there are no issues re the catalogue links.

I will send over an amended defence case statement that Simon will have to sign before I can serve Josephine

Hi josey

Really sorry I forgot yesterday after I helped Sheila out I was so tired.

Here is the information you need.

Also did you ask the police if you can have access to the building to take our own pictures?

Dear Simon / Lorraine

Can you please scan over to me the receipt and the links for the catalogue as referred to in the defence case statement in order that I can serve this document today.

I have discussed what happened with your case yesterday Simon and it is clear that there has been a total breakdown in the relationship between you and the instructed advocate. Michael has approved the immediate removal of your case from Mr Lemos's diary and I will instruct the Advocate who represented you for the bladed article case.

I am sorry that you were disappointed with the instructed Advocate. I hope that the above is a satisfactory solution. Can you please keep me updated as to any additional concerns that you have regarding any future instructed advocates.

Please do not hesitate to contact me should you have any further problems.

Regards

Josephine

PS Please ensure that you provide the receipts and the links by return email as the defence case statement should have been served yesterday.
