Explaining the working functions of this report Interlinking ID System

In this reports ID format in the table below: Shows the accounts for any days that the Council and or polices reasonable persons and or any other person's problems effected my life in a negative way, this also includes all of the disrepair problems such as the broken heating system and damp issue within my flat.

Some of the ID format s are also inclusive of additional questionnaires with questions, facts and or assumptions of relevance that are made towards the incident of relevance.

The added additional mentioned questioners that are contained within Problem Statements, have gotten marked with a *7 and are as follows:
